 24 Article.

25 (b) It is further provided that when an equal and matching fund is specified  
 26 in Section 1(3), Items ZA00 through ZB02 above, grantees shall provide a matching fund  
 27 equal to the lesser of (i) the authorized amount of the State grant or (ii) the amount of the  
 28 matching fund certified by the Board of Public Works. If satisfactory evidence is presented,  
 29 the Board shall certify this fact and the amount of the matching fund to the State Treasurer  
 30 and the proceeds of the loan equal to the amount of the matching fund shall be expended  
 31 for the purposes provided in the Act. If this evidence is not presented by June 1, 2017, the  
 32 proceeds of the loan shall be applied to the purposes authorized in § 8–129 of the State  
 33 Finance and Procurement Article. The proceeds of any amount of the loan in excess of the  
 34 matching fund certified by the Board of Public Works shall also be applied to the purposes  
 35 authorized in § 8–129 of the State Finance and Procurement Article.

36 (6) (a) Prior to the issuance of the bonds, unless the Maryland Historical Trust  
 37 determines that the property to be assisted by a grant under Section 1(3) Items ZA00  
 38 through ZB02 of this Act is not significant, is significant only as a contributing property to  
 39 a historic district listed in the Maryland register of historic properties, is a type that is  
 40 already adequately represented among the Trust's existing easement properties, is already  
 41 subject to a perpetual historic preservation easement acceptable to the Trust, or conditions  
 42 peculiar to the property make an easement impractical, the grantee shall grant and convey  
 43 to the Maryland Historical Trust a perpetual preservation easement to the extent of its

1 interest:

2 (i) On the portion of the land necessary to preserve the historic  
3 setting of the capital project assisted by the grant; and

4 (ii) On the exterior and interior, where appropriate, of the historic  
5 structures affected by the construction or renovation project assisted by the grant.

6 (b) If the grantee or beneficiary of the grant holds a lease on the land and  
7 structures, the Trust may accept an easement on the leasehold interest.

8 (c) The easement must be in form and substance acceptable to the Trust,  
9 and the extent of the interest to be encumbered must be acceptable to the Trust, and any  
10 liens or encumbrances against the land or the structures must be acceptable to the Trust.

11 (d) (i) A grantee may appeal a perpetual preservation easement  
12 determination made by the Maryland Historical Trust or the Director under subparagraph  
13 (a) of this paragraph to the Maryland Historical Trust Board of Trustees.

14 (ii) The decision by the Maryland Historical Trust Board of Trustees  
15 is final and is not subject to further administrative appeal or judicial review.

16 (7) The proceeds of the loan must be expended or encumbered by the Board of  
17 Public Works for the purposes provided in this Act no later than June 1, 2022. If any funds  
18 authorized by this Act remain unexpended or unencumbered after June 1, 2022, the  
19 amount of the unexpended or unencumbered authorization shall be canceled and be of no  
20 further force and effect. If bonds have been issued for the loan, the amount of unexpended  
21 or unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State  
22 Finance and Procurement Article.

23 (8) Multiple grants provided to the same organization in this Section are in  
24 addition to one another. Unless otherwise provided, any matching fund requirements apply  
25 to each individual grant.
