15 **CHAPTER 17**

16 **INTERSTATE COMPACT: AGREEMENT AMONG THE STATES TO ELECT**  
17 **THE PRESIDENT OF THE UNITED STATES BY NATIONAL POPULAR VOTE**

18 **§1301. Membership - Article 1**

19 Any state of the United States and the District of Columbia may become a member of  
20 this agreement by enacting this agreement.

21 **§1302. Right of people in member states to vote for President and Vice President -**  
22 **Article 2**

23 Each member state shall conduct a statewide popular election for President and Vice  
24 President of the United States.

25 **§1303. Manner of appointing presidential electors in member states - Article 3**

26 Prior to the time set by law for the meeting of and voting by the presidential electors,  
27 the chief election official of each member state shall determine the number of votes for  
28 each presidential slate in each state of the United States and in the District of Columbia in  
29 which votes have been cast in a statewide popular election and shall add such votes together  
30 to produce a national popular vote total for each presidential slate.

31 The chief election official of each member state shall designate the presidential slate  
32 with the largest national popular vote total as the national popular vote winner.

33 The presidential elector certifying official of each member state shall certify the  
34 appointment in that official's own state of the elector slate nominated in that state in  
35 association with the national popular vote winner.

36 At least 6 days before the day fixed by law for the meeting of and voting by the  
37 presidential electors, each member state shall make a final determination of the number  
38 popular votes cast in the state for each presidential slate and shall communicate an official

1 statement of such determination within 24 hours to the chief election official of each other  
2 member state.

3 The chief election official of each member state shall treat as conclusive an official  
4 statement containing the number of popular votes in a state for each presidential slate made  
5 by the day established by federal law for making a state's final determination conclusive as  
6 to the counting of electoral votes by Congress.

7 In the event of a tie for the national popular vote winner, the presidential elector  
8 certifying official of each member state shall certify the appointment of the elector slate  
9 nominated in association with the presidential slate receiving the largest number of popular  
10 votes within that official's own state.

11 If, for any reason, the number of presidential electors nominated in a member state in  
12 association with the national popular vote winner is less than or greater than that state's  
13 number of electoral votes, the presidential candidate on the presidential slate that has been  
14 designated as the national popular vote winner may nominate the presidential electors for  
15 that state and that state's presidential elector certifying official shall certify the appointment  
16 of such nominees.

17 The chief election official of each member state shall immediately release to the public  
18 all vote counts or statements of votes as they are determined or obtained.

20 any year in which this agreement is, on July 20th, in effect in states cumulatively possessing  
21 a majority of the electoral votes.

22 **§1304. Contingent effective date; withdrawal; notification; severability - Article 4**

23 This agreement takes effect when states cumulatively possessing a majority of the  
24 electoral votes have enacted this agreement in substantially the same form and the  
25 enactments by such states have taken effect in each state.

26 Any member state may withdraw from this agreement, except that a withdrawal  
27 occurring 6 months or less before the end of a President's term does not become effective  
28 until a President or Vice President has been qualified to serve the next term.

29 The chief executive of each member state shall promptly notify the chief executive of  
30 all other states when this agreement has been enacted and has taken effect in that official's  
31 state, when the state has withdrawn from this agreement and when this agreement takes  
32 effect generally.

33 This agreement terminates if the electoral college is abolished.

34 If any provision of this agreement is held invalid, the remaining provisions are not

29   **SUMMARY**

30           This bill repeals ranked-choice voting in general elections for President of the United  
31 States and instead proposes to adopt an interstate compact to elect the President of the  
32 United States by national popular vote. Under the compact, the presidential candidate who  
33 receives the most popular votes in all 50 states and the District of Columbia is elected  
34 President. Under the compact, all of a state's electoral votes would be awarded to the  
35 presidential candidate who receives the most popular votes in all 50 states and the District  
36 of Columbia. The bill takes effect only if enacted by states possessing a majority of the  
37 electoral votes, that is, enough electoral votes to elect a President, which is 270 of 538.
