ROBERT B. HUNT Clerk

Presented by Representative GRAMLICH of Old Orchard Beach. Cosponsored by Representatives: DODGE of Belfast, SYLVESTER of Portland.

- 1 **Emergency preamble. Whereas,** acts and resolves of the Legislature do not 2 become effective until 90 days after adjournment unless enacted as emergencies; and
 - Whereas, currently the COVID-19 pandemic is widespread in the State; and
- 4 **Whereas,** the pandemic has created severe health and safety concerns in the schools 5 of the State; and
- 6 **Whereas,** school administrative units have been left to themselves to interpret and 7 administer public health guidelines issued by the Governor and the Department of Health 8 and Human Services, Maine Center for Disease Control and Prevention; and
- 9 Whereas, the patchwork of inconsistent public health practices in the schools is 10 endangering the health of students, their families and communities as schools continue to 11 provide instruction to complete the school year; and
- Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,
- 16 Be it enacted by the People of the State of Maine as follows:
 - Sec. 1. 20-A MRSA §1056 is enacted to read:

18 §1056. States of emergency

3

17

19 During a health-related state of emergency under Title 37-B, chapter 13, subchapter 2, a superintendent shall administer and adhere to all executive orders and proclamations by 20 the Governor and any guidance or directives from the director of the Maine Center for 21 Disease Control and Prevention within the Department of Health and Human Services and 22 shall send a monthly report while the state of emergency is in effect to the director detailing 23 the steps that the school administrative unit is taking to comply with the guidance or 24 directives and any health-related executive order or proclamation by the Governor, 25 including the number of students and staff affected by the health-related state of emergency, 26 the number of cases of a disease or health issue occurring in the school administrative unit 27 and any cleaning, sanitizing, segregation or other steps taken by the school administrative 28 29 unit to comply with the guidance, directive, executive order or proclamation. A copy of the report required by this section must be sent to the school board of that school 30 administrative unit. 31

- **Sec. 2. COVID-19 pandemic guidance and requirements.** Pursuant to the Maine Revised Statutes, Title 20-A, section 1056, during the state of emergency under Title 34 37-B, chapter 13, subchapter 2 regarding the COVID-19 pandemic, a school superintendent 35 shall:
- Communicate to every school and facility within the superintendent's school administrative unit the definitions of "deep cleaning" and "sanitizing" issued or approved by the Department of Health and Human Services, Maine Center for Disease Control and Prevention and ensure that all surfaces and areas within those schools and facilities are cleaned and sterilized in a manner determined adequate by the Maine Center for Disease
 Control and Prevention;

2. Ensure that a ventilation system in a school or facility used or occupied by school
 administrative unit staff or a student is adequate to protect the staff or student as determined
 by the Maine Center for Disease Control and Prevention;

3. Ensure that all staff, students and others within a school administrative unit school
or facility are properly wearing personal protective equipment as determined by the Maine
Center for Disease Control and Prevention; and

4. Report compliance with the provisions of subsections 1, 2 and 3 pursuant to Title
20-A, section 1056.

9 Emergency clause. In view of the emergency cited in the preamble, this legislation
 10 takes effect when approved.
