Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this legislation must take effect before the expiration of the 90-day period in order for the stakeholder group established by the Department of Health and Human Services pursuant to this legislation to be timely convened; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Department of Health and Human Services study required; training and recruitment of clinical behavioral health care professionals. Resolved: That the Department of Health and Human Services shall convene a stakeholder group to study issues related to the training and recruitment of clinical behavioral health care professionals. At a minimum, the department shall invite to be members of the stakeholder group representatives of major health care providers in the State, representatives of major behavioral health care providers in the State, representatives of a major mental health organization in the State, licensed clinical social workers and licensed professional counselors. The stakeholder group shall review issues related to: the current number of psychiatrists, clinical psychologists, clinical social workers, psychological nurse practitioners and licensed clinical professional counselors currently practicing in the State; the number of those professionals serving MaineCare patients; the number of additional professionals needed to meet the current unmet need in the State; the state of current waiting lists for mental health treatment; access to educational opportunities to train clinical behavioral health care professionals in the State; costs associated with education programs for clinical behavioral health care professionals in the State; methods to enable individuals to work in the clinical behavioral health care field while attaining a degree or certification, including opportunities to count time working in the field toward attaining an advanced degree or certification; and ways to recruit clinical behavioral health care professionals from out of state. By December 6, 2023, the department shall submit a report related to the study, including recommendations and any suggested legislation, to the Joint Standing Committee on Health and Human Services. The committee may report out a bill relating to the report to the Second Regular Session of the 131st Legislature.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.
