H.P. 309 - L.D. 429

An Act To Protect the Health of Students and Educators by Requiring School Emergency Management Plans To Address Health and Safety

Be it enacted by the People of the State of Maine as follows:

- **Sec. 1. 20-A MRSA §1001, sub-§16,** as repealed and replaced by PL 2007, c. 408, §1, is amended to read:
- 16. Comprehensive health and safety and emergency management plan. Each school board shall annually approve a comprehensive health and safety and emergency management plan developed by the school unit administration working with school teachers and staff and local, county and state public safety officials, fire-fighting personnel, emergency management officials, mental health officials and, law enforcement officials, school nurses, physicians and public health staff to identify and deal with all hazards and potential hazards that could reasonably be expected to affect a facility or unit under the authority of the school administrative unit. The approval of a comprehensive health and safety and emergency management plan under this subsection is public information. At the request of any school board member or full-time school employee, the school board shall form a steering committee composed of school employees, school board members, parents and others. A majority of the school employees must be chosen by the local representatives of the applicable bargaining unit if the school employees are covered by a collective bargaining agreement. The steering committee shall regularly review and refine the comprehensive health and safety and emergency management plan. The following information pertaining to a comprehensive health and safety and emergency management plan is public information:
 - A. A description of the scope and purpose of the comprehensive <u>health and safety and</u> emergency management plan and the process used for developing and updating the plan;
 - B. General information on auditing for safety and preparedness;
 - C. Roles and responsibilities of school administrators, teachers and staff and the designated chain of command during an emergency; and

D. Strategies for conveying information to parents and the general public during an emergency.

Except as provided in paragraphs A to D, release of the contents of a comprehensive <u>health</u> <u>and safety and</u> emergency management plan approved under this subsection is subject to the limitations set forth in Title 1, section 402, subsection 3, paragraph L.
