1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 12 MRSA §10268** is enacted to read:

3 **§10268. Operation Game Thief Fund**

4 The Operation Game Thief Fund, referred to in this section as "the fund," is established
5 within the department as a nonlapsing fund to be used by the commissioner to fund or assist
6 in funding an organization whose primary purpose is to prevent illegal hunting and fishing
7 and the unlawful introduction of nonnative fish to lakes, ponds and streams in this State by
8 offering rewards to individuals who report illegal hunting and fishing. The commissioner
9 shall establish on the department's online licensing system a check-off option that allows a
10 person to donate money to the fund. The check-off option must be prominently displayed
11 and contain links to information about how the check-off revenues have been and will be
12 used. The commissioner also shall print in a prominent place on every paper application
13 for a hunting license and for a fishing license a check-off option that allows a person to
14 donate money to the fund. Revenues from the checkoffs must be deposited in the fund and
15 used for purposes of this section. The commissioner may accept and deposit into the fund
16 monetary gifts, donations or other contributions from public or private sources for the
17 purposes specified in this section. The fund must be held separate and apart from all other
18 money, funds and accounts. The department shall report annually to the joint standing
19 committee of the Legislature having jurisdiction over inland fisheries and wildlife matters
20 on the fund and its utilization.

21 **SUMMARY**
