18 SUMMARY

This bill establishes a minimum hourly wage of \$16 per hour for school support staff for school years beginning after June 30, 2022. The bill requires the State on a one-time basis, for the school year beginning after June 30, 2022, to provide funds to school administrative units to make up the difference between what a school administrative unit currently pays school support staff and what the unit is required to pay under the minimum wage requirement.
