**4. Tournament.** The organization licensed to conduct a tournament game under this section shall display the rules of the tournament game and the license issued. The maximum number of players allowed is 100 unless the tournament game is held on premises owned by the licensee, in which case the maximum number of players allowed is 300. Winners are determined by a process of elimination. The use of currency is prohibited as part of tournament game play. The maximum entry fee to play in the tournament game is \$100, except the organization may add to the player entry fee to defray the cost of the license fee, as long as the total additional amount collected from all players does not exceed ~~\$200~~\$125. An organization that holds a per tournament license may collect up to \$150 to defray the cost of the license fee. Only one entry fee is permitted per person. A tournament game must be completed within

48 hours. Other games of chance on the premises are prohibited during a tournament game, except for lucky seven or similar sealed tickets and no more than one 50/50 raffle per tournament with a prize value up to \$1,000. This subsection does not prohibit a licensee from conducting one winner-take-all hand per tournament game with a bet limit of \$5. The total number of bets received in a winner-take-all round must be awarded to the winner or in the case of multiple winners divided among them as evenly as possible. All prizes awarded in accordance with this subsection must be paid in cash.'

## **SUMMARY**

This amendment reduces the number of monthly tournament games proposed by the bill from 5 to 2. It replaces the license fee section of the bill with a fee structure that allows for a tournament that does not exceed 100 players to have a per tournament, monthly or annual license fee. For tournament games with over 100 players, the per tournament fee structure is the same as in existing law. The amendment also clarifies that the total amount of bets received for winnertakeall rounds must be paid to the winner or winners of the round and that all prizes awarded in conjunction with tournament games must be cash.
