26.14 may be sold in different sizes, distinct packaging, or at various prices but is still created  
26.15 using the same manufacturing or agricultural processes. A new or additional stock keeping  
26.16 unit (SKU) or Universal Product Code (UPC) shall not prevent a product from being

27.6 cannabinoid, to a finished food product that does not contain cannabinoids and is sold to  
27.7 consumers, including but not limited to a candy or snack food; or

27.8 (7) if the product is an edible cannabis product or lower-potency hemp edible, contains

27.26 been placed in its final packaging, must first obtain an edible cannabinoid product handler  
27.27 endorsement.

28.4 who possess a valid license issued by the office;

28.5 (3) the office may not charge a fee for issuing or renewing the endorsement;

28.8 and

28.9 (5) an edible cannabis product or lower-potency hemp edible must not be considered  
28.10 adulterated solely because the product or edible contains tetrahydrocannabinol, cannabis  
28.11 concentrate, hemp concentrate, artificially derived cannabinoids, or any other material  
28.12 extracted or derived from a cannabis plant, cannabis flower, hemp plant, or hemp plant  
28.13 parts.

28.14 (d) The edible cannabinoid product handler endorsement must prohibit the manufacture  
28.15 of edible cannabis products at the same premises where food is manufactured, except for  
28.16 the limited production of edible products produced solely for product development, sampling,  
28.17 or testing. This limitation does not apply to the manufacture of lower-potency hemp edibles.

29.7 is consistent with and at least as stringent as applicable state and federal laws related to the  
29.8 subjects of subdivisions 1 to 4.

29.9 (b) The office must coordinate and consult with a department or agency of the state  
29.10 regarding the development and implementation of a rule under this section if the department

37.16 written approval of the office, which approval may be given or withheld in the office's sole  
37.17 discretion, provided that a social equity applicant may only transfer the applicant's license  
37.18 to another social equity applicant. A new license must be obtained when:

37.19 (1) the form of the licensee's legal business structure converts or changes to a different  
37.20 type of legal business structure; or

37.21 (2) the licensee dissolves; consolidates; reorganizes; undergoes bankruptcy, insolvency,

38.11 the establishment or operation of a cannabis business licensed under this chapter.

38.12 (c) A local unit of government may adopt reasonable restrictions on the time, place, and  
38.13 manner of the operation of a cannabis business provided that such restrictions do not prohibit  
38.14 the establishment or operation of cannabis businesses. A local unit of government may  
38.15 prohibit the operation of a cannabis business within 1,000 feet of a school, or 500 feet of a  
38.16 day care, residential treatment facility, or an attraction within a public park that is regularly  
38.17 used by minors, including a playground or athletic field.

38.18 (d) The office shall work with local units of government to:

38.24 required under section 342.22.

38.25 (e) If a local unit of government is conducting studies or has authorized a study to be  
38.26 conducted or has held or has scheduled a hearing for the purpose of considering adoption  
38.27 or amendment of reasonable restrictions on the time, place, and manner of the operation of  
38.28 a cannabis business, the governing body of the local unit of government may adopt an  
38.29 interim ordinance applicable to all or part of its jurisdiction for the purpose of protecting  
38.30 the planning process and the health, safety, and welfare of its citizens. Before adopting the  
38.31 interim ordinance, the governing body must hold a public hearing. The interim ordinance  
38.32 may regulate, restrict, or prohibit the operation of a cannabis business within the jurisdiction  
38.33 or a portion thereof until January 1, 2025.

39.1 (f) Within 30 days of receiving a copy of an application from the office, a local unit of  
39.2 government shall certify on a form provided by the office whether a proposed cannabis  
39.3 business complies with local zoning ordinances and, if applicable, whether the proposed  
39.4 business complies with the state fire code and building code. The office may not issue a

39.6 (g) Upon receipt of an application for a license issued under this chapter, the office shall  
39.7 contact the local unit of government in which the business would be located and provide  
39.8 the local unit of government with 30 days in which to provide input on the application. The  
39.9 local unit of government may provide the office with any additional information it believes  
39.10 is relevant to the office's decision on whether to issue a license, including but not limited  
39.11 to identifying concerns about the proposed location of a cannabis business, or sharing public  
39.12 information about an applicant.

39.13 (h) The office by rule shall establish an expedited complaint process to receive, review,  
39.14 and respond to complaints made by a local unit of government about a cannabis business.  
39.15 Complaints may include alleged violations of local ordinances or other alleged violations.  
39.16 At a minimum, the expedited complaint process shall require the office to provide an initial  
39.17 response to the complaint within seven days and perform any necessary inspections within  
39.18 30 days. Nothing in this paragraph prohibits a local unit of government from enforcing a  
39.19 local ordinance. If a local unit of government notifies the office that a cannabis business  
39.20 other than a cannabis retailer, cannabis microbusiness with a retail operations endorsement,  
39.21 cannabis mezzobusiness, lower-potency hemp edible retailer, medical cannabis retailer, or  
39.22 medical cannabis combination business poses an immediate threat to the health or safety  
39.23 of the public, the office must respond within one business day and may take any action  
39.24 described in section 342.19 or 342.21.

39.25 (i) A local government unit that issues cannabis retailer registration under section 342.22  
39.26 may, by ordinance, limit the number of licensed cannabis retailers, cannabis mezzobusinesses  
39.27 with a retail operations endorsement, and cannabis microbusinesses with a retail operations  
39.28 endorsement to no fewer than one registration for every 12,500 residents.

39.29 (j) If a county has one active registration for every 12,500 residents, a city or town within  
39.30 the county is not obligated to register a cannabis business.

39.31 (k) Nothing in this section shall prohibit a local government unit from allowing licensed  
39.32 cannabis retailers in excess of the minimums set in paragraph (i).

39.33 (l) Notwithstanding the foregoing provisions, the state shall not issue a license to any  
39.34 cannabis business to operate in Indian country, as defined in United States Code, title 18,

40.1 section 1151, of a Minnesota Tribal government without the consent of the Tribal  
40.2 government.

40.3 Sec. 14. **[342.14] CANNABIS LICENSE APPLICATION AND RENEWAL.**

40.25 relating to the ownership and operation of a cannabis business;

40.26 (11) identification of one or more controlling persons or managerial employees as agents  
40.27 who shall be responsible for dealing with the office on all matters; and

40.28 (12) a statement that the applicant agrees to respond to the office's supplemental requests  
40.29 for information.

41.31 maintaining and renewing the license.

42.1 (e) An application on behalf of a corporation or association shall be signed by at least  
42.2 two officers or managing agents of that entity.

42.3 (f) The office may, by rule, establish exceptions to the disclosures required under  
42.4 paragraph (b) for members of a cooperative who hold less than a five percent ownership  
42.5 interest in the cooperative.

42.6 Subd. 2. **Application; process.** (a) An applicant must submit all required information  
42.7 to the office on the forms and in the manner prescribed by the office.

42.8 (b) If the office receives an application that fails to provide the required information,  
42.9 the office shall issue a deficiency notice to the applicant. The applicant shall have ten  
42.10 business days from the date of the deficiency notice to submit the required information.

42.11 (c) Failure by an applicant to submit all required information will result in the application

42.30 criminal history records check consent form, full set of classifiable fingerprints, and required  
42.31 fees to the Bureau of Criminal Apprehension. After receiving this information, the bureau

43.17 applicant, license holder, or other entities as provided in this chapter.

43.18 Subd. 4. **Exception.** The background check requirements and disqualifications under

- 44.20 (d) The ownership disqualifications and requirements under this section do not apply to
- 44.21 a hemp business license holder or applicant.

44.22 **Sec. 17. [342.17] SOCIAL EQUITY APPLICANTS.**

- 44.23 (a) An applicant qualifies as a social equity applicant if the applicant:
- 44.24 (1) was convicted of an offense involving the possession or sale of cannabis or marijuana
- 44.25 prior to May 1, 2023;
- 44.26 (2) had a parent, guardian, child, spouse, or dependent who was convicted of an offense

45.4 (5) has been a resident for the last five years of one or more subareas, such as census

45.7 paragraph (b), and reported in the preliminary report, final report, or both;

45.8 (6) is an emerging farmer as defined in section 17.055, subdivision 1; or

45.9 (7) has been a resident for the last five years of one or more census tracts where, as  
45.10 reported in the most recently completed decennial census published by the United States  
45.11 Bureau of the Census, either:

45.12 (i) the poverty rate was 20 percent or more; or

45.13 (ii) the median family income did not exceed 80 percent of statewide median family  
45.14 income or, if in a metropolitan area, did not exceed the greater of 80 percent of the statewide  
45.15 median family income or 80 percent of the median family income for that metropolitan  
45.16 area.

45.17 (b) The qualifications described in paragraph (a) apply to each individual applicant or,  
45.18 in the case of a business entity, every cooperative member or director, manager, and general  
45.19 partner of the business entity.

45.20 **Sec. 18. [342.18] LICENSE SELECTION CRITERIA.**

45.21 Subdivision 1. **Market stability.** The office shall issue the necessary number of licenses  
45.22 in order to ensure the sufficient supply of cannabis flower and cannabis products to meet  
45.23 demand, provide market stability, ensure a competitive market, and limit the sale of  
45.24 unregulated cannabis flower and cannabis products.

45.25 Subd. 2. **Vertical integration prohibited; exceptions.** (a) Except as otherwise provided  
45.26 in this subdivision, the office shall not issue licenses to a single applicant that would result  
45.27 in the applicant being vertically integrated in violation of the provisions of this chapter.

45.28 (b) Nothing in this section prohibits or limits the issuance of microbusiness licenses or  
45.29 mezzobusiness licenses, or the issuance of both lower-potency hemp edible manufacturer  
45.30 and lower-potency hemp edible retailer licenses to the same person or entity.

45.31 Subd. 3. **Application score; license priority.** (a) The office shall award points to each  
45.32 completed application for a license to operate a cannabis business in the following categories:

46.1 (1) status as a social equity applicant or as an applicant who is substantially similar to  
46.2 a social equity applicant as described in paragraph (c);

46.3 (2) status as a veteran or retired national guard applicant who does not meet the definition  
46.4 of social equity applicant;

46.5 (3) security and record keeping;

46.6 (4) employee training plan;

46.7 (5) business plan and financial situation;

46.8 (6) labor and employment practices;

46.9 (7) knowledge and experience; and

46.10 (8) environmental plan.

46.11 (b) The office may award additional points to an application if the license holder would  
46.12 expand service to an underrepresented market, including but not limited to participation in  
46.13 the medical cannabis program.

46.14 (c) The office shall establish application materials permitting individual applicants to  
46.15 demonstrate the impact that cannabis prohibition has had on that applicant, including but  
46.16 not limited to the arrest or imprisonment of the applicant or a member of the applicant's  
46.17 immediate family, and the office may award points to such applicants in the same manner  
46.18 as points are awarded to social equity applicants.

46.19 (d) The office shall establish policies and guidelines, which must be made available to  
46.20 the public, regarding the number of points available in each category and the basis for  
46.21 awarding those points. Status as a social equity applicant must account for at least 20 percent  
46.22 of the total available points. In determining the number of points to award to a cooperative  
46.23 or business applying as a social equity applicant, the office shall consider the number or  
46.24 ownership percentage of cooperative members, officers, directors, managers, and general  
46.25 partners who qualify as social equity applicants.

46.26 (e) Consistent with the goals identified in subdivision 1, the office shall issue licenses  
46.27 in each license category, giving priority to applicants who receive the highest score under  
46.28 paragraphs (a) and (b). If there are insufficient licenses available for entities that receive  
46.29 identical scores, the office shall utilize a lottery to randomly select license recipients from  
46.30 among those entities.

47.1 **Sec. 19. [342.19] INSPECTION; LICENSE VIOLATIONS; PENALTIES.**

47.2 **Subdivision 1. Authority to inspect.** (a) In order to carry out the purposes of this chapter,  
47.3 the office, upon presenting appropriate credentials to the owner, operator, or agent in charge,  
47.4 is authorized to:

47.5 (1) enter any cannabis business or hemp business without delay and at reasonable times;

47.6 (2) inspect and investigate during regular working hours and at other reasonable times,  
47.7 within reasonable limits and in a reasonable manner, any cannabis business or hemp business  
47.8 and all relevant conditions, equipment, records, and materials therein; and

47.9 (3) question privately any employer, owner, operator, agent, or employee of a cannabis  
47.10 business or hemp business.

47.11 (b) An employer, owner, operator, agent, or employee must not refuse the office entry  
47.12 or otherwise deter or prohibit the office from taking action under paragraph (a).

47.13 **Subd. 2. Powers of office.** (a) In making inspections and investigations under this chapter,  
47.14 the office shall have the power to administer oaths, certify as to official acts, take and cause  
47.15 to be taken depositions of witnesses, issue subpoenas, and compel the attendance of witnesses  
47.16 and production of papers, books, documents, records, and testimony. In case of failure of  
47.17 any person to comply with any subpoena lawfully issued, or on the refusal of any witness  
47.18 to produce evidence or to testify to any matter regarding which the person may be lawfully  
47.19 interrogated, the district court shall, upon application of the office, compel obedience  
47.20 proceedings for contempt, as in the case of disobedience of the requirements of a subpoena  
47.21 issued by the court or a refusal to testify therein.

47.22 (b) If the office finds probable cause to believe that any cannabis plant, cannabis flower,  
47.23 cannabis product, artificially derived cannabinoid, lower-potency hemp edible, or  
47.24 hemp-derived consumer product is being distributed in violation of this chapter or rules  
47.25 adopted under this chapter, the office shall affix to the item a tag, withdrawal from  
47.26 distribution order, or other appropriate marking providing notice that the cannabis plant,  
47.27 cannabis flower, cannabis product, artificially derived cannabinoid, lower-potency hemp  
47.28 edible, or hemp-derived consumer product is, or is suspected of being, distributed in violation  
47.29 of this chapter, and has been detained or embargoed, and warning all persons not to remove  
47.30 or dispose of the item by sale or otherwise until permission for removal or disposal is given  
47.31 by the office or the court. It is unlawful for a person to remove or dispose of detained or  
47.32 embargoed cannabis plant, cannabis flower, cannabis product, artificially derived  
47.33 cannabinoid, lower-potency hemp edible, or hemp-derived consumer product by sale or

48.1 otherwise without the office's or a court's permission and each transaction is a separate  
48.2 violation of this section.

48.3 (c) If any cannabis plant, cannabis flower, cannabis product, artificially derived  
48.4 cannabinoid, lower-potency hemp edible, or hemp-derived consumer product has been  
48.5 found by the office to be in violation of this chapter, the office shall petition the district  
48.6 court in the county in which the item is detained or embargoed for an order and decree for  
48.7 the condemnation of the item. The office shall release the cannabis plant, cannabis flower,  
48.8 cannabis product, artificially derived cannabinoid, lower-potency hemp edible, or  
48.9 hemp-derived consumer product when this chapter and rules adopted under this chapter  
48.10 have been complied with or the item is found not to be in violation of this chapter or rules  
48.11 adopted under this chapter.

48.12 (d) If the court finds that the detained or embargoed cannabis plant, cannabis flower,  
48.13 cannabis product, artificially derived cannabinoid, lower-potency hemp edible, or  
48.14 hemp-derived consumer product is in violation of this chapter or rules adopted under this  
48.15 chapter, the following remedies are available:

48.16 (1) after entering a decree, the cannabis plant, cannabis flower, cannabis product,  
48.17 artificially derived cannabinoid, lower-potency hemp edible, or hemp-derived consumer  
48.18 product may be destroyed at the expense of the claimant under the supervision of the office,  
48.19 and all court costs, fees, storage, and other proper expenses must be assessed against the  
48.20 claimant of the cannabis plant, cannabis flower, cannabis product, artificially derived  
48.21 cannabinoid, lower-potency hemp edible, or hemp-derived consumer product or the claimant's  
48.22 agent; and

48.23 (2) if the violation can be corrected by proper labeling or processing of the cannabis  
48.24 plant, cannabis flower, cannabis product, artificially derived cannabinoid, lower-potency  
48.25 hemp edible, or hemp-derived consumer product, the court, after entry of the decree and  
48.26 after costs, fees, and expenses have been paid, and a good and sufficient bond conditioned  
48.27 that the cannabis plant, cannabis flower, cannabis product, artificially derived cannabinoid,  
48.28 lower-potency hemp edible, or hemp-derived consumer product must be properly labeled  
48.29 or processed has been executed, may by order direct that the cannabis plant, cannabis flower,  
48.30 cannabis product, artificially derived cannabinoid, lower-potency hemp edible, or  
48.31 hemp-derived consumer product be delivered to the claimant for proper labeling or processing  
48.32 under the supervision of the office. The office's supervision expenses must be paid by the  
48.33 claimant. The cannabis plant, cannabis flower, cannabis product, artificially derived  
48.34 cannabinoid, lower-potency hemp edible, or hemp-derived consumer product must be  
48.35 returned to the claimant and the bond must be discharged on representation to the court by

49.1 the office that the cannabis plant, cannabis flower, cannabis product, artificially derived  
49.2 cannabinoid, lower-potency hemp edible, or hemp-derived consumer product is no longer  
49.3 in violation and that the office's supervision expenses have been paid.

49.4 (e) If the office finds in any room, building, piece of equipment, vehicle of transportation,  
49.5 or other structure any cannabis plant, cannabis flower, cannabis product, artificially derived  
49.6 cannabinoid, lower-potency hemp edible, or hemp-derived consumer product that is unsound  
49.7 or contains any filthy, decomposed, or putrid substance, or that may be poisonous or  
49.8 deleterious to health or otherwise unsafe, the office shall condemn or destroy the item or  
49.9 in any other manner render the item as unsalable, and no one has any cause of action against  
49.10 the office on account of the office's action.

49.11 (f) The office may enter into an agreement with the commissioner of agriculture to  
49.12 analyze and examine samples or other articles furnished by the office for the purpose of  
49.13 determining whether the sample or article violates this chapter or rules adopted under this  
49.14 chapter. A copy of the examination or analysis report for any such article, duly authenticated  
49.15 under oath by the laboratory analyst making the determination or examination, shall be  
49.16 prima facie evidence in all courts of the matters and facts contained in the report.

49.17 Subd. 3. **Aiding of inspection.** Subject to rules issued by the office, a representative of  
49.18 a cannabis business or hemp business shall be given an opportunity to accompany the office  
49.19 during the physical inspection of any cannabis business or hemp business for the purpose  
49.20 of aiding such inspection.

49.21 Subd. 4. **Complaints and reports; priority of inspection.** (a) The office may conduct  
49.22 inspections of any licensed cannabis business or hemp business at any time to ensure  
49.23 compliance with the ownership and operation requirements of this chapter.

49.24 (b) Any person may report a suspected violation of a safety or health standard. If upon  
49.25 receipt of such notification the office determines that there are reasonable grounds to believe  
49.26 that such violation or danger exists, the office shall make a special inspection as soon as  
49.27 practicable to determine if such danger or violation exists.

49.28 (c) The office shall prioritize inspections of cannabis businesses and hemp businesses  
49.29 where there are reasonable grounds to believe that a violation poses imminent danger to the  
49.30 public or customers. Inspections must take place within one business day of the receipt of  
49.31 a credible report.

49.32 (d) The office shall promptly inspect cannabis businesses and hemp businesses that are  
49.33 the subject of complaint by a local unit of government.

50.1 Subd. 5. **Violations; administrative orders and penalties.** (a) The office may issue an  
50.2 administrative order to any licensed cannabis business or hemp business that the office  
50.3 determines has committed a violation of this chapter or rules adopted pursuant to this chapter.  
50.4 The administrative order may require the business to correct the violation or to cease and  
50.5 desist from committing the violation. The order must state the deficiencies that constitute  
50.6 the violation and the time by which the violation must be corrected. If the business believes  
50.7 that the information in the administrative order is in error, the business may ask the office  
50.8 to consider the parts of the order that are alleged to be in error. The request must be in  
50.9 writing, delivered to the office by certified mail within seven days after receipt of the order,  
50.10 and provide documentation to support the allegation of error. The office must respond to a  
50.11 request for reconsideration within 15 days after receiving the request. A request for  
50.12 reconsideration does not stay the correction order unless the office issues a supplemental  
50.13 order granting additional time. The office's disposition of a request for reconsideration is  
50.14 final.

50.15 (b) For each violation of this chapter or rules adopted pursuant to this chapter, the office  
50.16 may issue to each cannabis business or hemp business a monetary penalty of up to \$10,000,  
50.17 an amount that deprives the business of any economic advantage gained by the violation,  
50.18 or both.

50.19 (c) An administrative penalty may be recovered in a civil action in the name of the state  
50.20 brought in the district court of the county where the violation is alleged to have occurred  
50.21 or the district court where the office is housed.

50.22 (d) In addition to penalties listed in this subdivision, a person or business who violates  
50.23 the provisions of this chapter is subject to any applicable criminal penalty.

50.24 **Sec. 20. [342.20] DATA PRACTICES.**

50.25 Subdivision 1. **Not public data.** The following data collected, created, or maintained  
50.26 by the office are classified as nonpublic data, as defined by section 13.02, subdivision 9, or  
50.27 as private data on individuals, as defined by section 13.02, subdivision 12:

50.28 (1) application data submitted by an applicant for a cannabis business license or hemp  
50.29 business license, other than the data listed in subdivision 2;

50.30 (2) the identity of a complainant who has made a report concerning a license holder or  
50.31 an applicant that appears in inactive investigative data unless the complainant consents to  
50.32 the disclosure;

51.1 (3) data identifying retail or wholesale customers of a cannabis business or hemp business;  
51.2 and

51.3 (4) data identifying cannabis workers or hemp workers.

51.4 **Subd. 2. Public data on license applicants.** (a) The following application data submitted  
51.5 by an applicant for a cannabis business license or hemp business license are public data:

51.6 (1) the applicant's name and designated address;

51.7 (2) data disclosing the ownership and control of the applicant;

51.8 (3) proof of trade name registration;

51.9 (4) data showing the legal possession of the premises where the business will operate;

51.10 (5) data describing whether volatile chemicals will be used in any methods of extraction  
51.11 or concentration;

51.12 (6) environmental plans;

51.13 (7) the type and number of other cannabis business licenses or hemp business licenses  
51.14 held by the applicant; and

51.15 (8) the name, address, location, dates, and hours of where any proposed cannabis event  
51.16 will take place.

51.17 (b) Scoring and other data generated by the office in its review of an applicant for a  
51.18 cannabis business license or hemp business license are public data.

51.19 **Subd. 3. Public application data on license holders.** Once an applicant for a cannabis  
51.20 business license or hemp business license becomes a license holder, all of the application  
51.21 data that the license holder had previously submitted to the office are public data except  
51.22 that the following data remain classified as nonpublic data or private data on individuals:

51.23 (1) data identifying retail or wholesale customers of a cannabis business or hemp business;

51.24 (2) data identifying cannabis workers or hemp workers;

51.25 (3) tax returns, bank account statements, and other financial account information;

51.26 (4) business plans; and

51.27 (5) data classified as nonpublic data or private data on individuals by chapter 13 or other  
51.28 applicable law.

51.29 **Subd. 4. Civil investigative data.** Data collected or maintained by the office as part of  
51.30 an active investigation undertaken for the purpose of the commencement or defense of a

52.1 pending civil legal action, or that are retained in anticipation of a pending civil legal action,  
52.2 must be subject to section 13.39.

52.3 Subd. 5. **Data practices administration.** (a) The office must establish written procedures  
52.4 to ensure that only individuals authorized by law may enter, update, or access data maintained  
52.5 by the office and classified as nonpublic or private data on individuals. An authorized  
52.6 individual's ability to enter, update, or access not public data must correspond to the official  
52.7 duties or training level of the individual and to the statutory authorization granting access  
52.8 for that purpose. All queries and responses, and all actions in which not public data are  
52.9 entered, updated, accessed, shared, or disseminated, must be recorded in a data audit trail.  
52.10 Data contained in the audit trail have the same classification as the underlying data tracked  
52.11 by the audit trail.

52.12 (b) The office must not share data classified as nonpublic or private data on individuals  
52.13 under this section or other data identifying an individual applicant or license holder with  
52.14 any federal agency, federal department, or federal entity unless specifically ordered to do  
52.15 so by a state or federal court.

52.16 (c) The office must arrange for an independent audit to verify compliance with this  
52.17 section. The audit must be completed annually for the first two years following establishment  
52.18 of the office and biennially thereafter. The results of the audit are public. No later than 30  
52.19 days following completion of the audit, the office must provide a report summarizing the  
52.20 audit results to the chairs and ranking minority members of the committees and divisions  
52.21 of the house of representatives and the senate with jurisdiction over commerce and data  
52.22 practices, and the Legislative Commission on Data Practices and Personal Data Privacy.  
52.23 The report must be submitted as required under section 3.195, except that printed copies  
52.24 are not required.

52.25 Sec. 21. **[342.21] LICENSE SUSPENSION OR REVOCATION; HEARING.**

52.26 Subdivision 1. **License revocation and nonrenewal.** The office may revoke or not  
52.27 renew a license when the office has cause to believe that a cannabis business or hemp  
52.28 business has violated an ownership or operational requirement in this chapter or rules adopted  
52.29 pursuant to this chapter. The office must notify the license holder in writing, specifying the  
52.30 grounds for revocation or nonrenewal and fixing a time of at least 20 days thereafter for a  
52.31 hearing on the matter.

52.32 Subd. 2. **Hearing; written findings.** (a) Before the office revokes or does not renew a  
52.33 license, the office must provide the license holder with a statement of the complaints made  
52.34 against the license holder, and the office must hold a hearing to determine whether the office

53.1 should revoke the license or deny renewal of the license. The license holder shall receive  
53.2 notice at least 20 days before the date of the hearing and notice may be served either by  
53.3 certified mail addressed to the address of the license holder as shown in the license  
53.4 application or in the manner provided by law for the service of a summons. At the time and  
53.5 place fixed for the hearing, the office, or any office employee or agent authorized by the  
53.6 office to conduct the hearing, shall receive evidence, administer oaths, and examine witnesses.

53.7 (b) After the hearing held pursuant to paragraph (a), or upon the failure of the license  
53.8 holder to appear at the hearing, the office must take action as is deemed advisable and issue  
53.9 written findings that the office must mail to the license holder. An action of the office under  
53.10 this paragraph is subject to judicial review pursuant to chapter 14.

53.11 Subd. 3. **Temporary suspension.** The office may temporarily, without hearing, suspend  
53.12 the license and operating privilege of any business licensed under this chapter for up to 90  
53.13 days if continuing the operation of the business would threaten the health or safety of any  
53.14 person. The office may extend the period for an additional 90 days if the office notified the  
53.15 business that the office intends to revoke or not renew a license and the hearing required  
53.16 under subdivision 2 has not taken place.

53.17 Sec. 22. **[342.22] RETAILERS; LOCAL REGISTRATION AND ENFORCEMENT.**

53.18 Subdivision 1. **Registration required.** Before making retail sales to customers or patients,  
53.19 a cannabis microbusiness with a retail operations endorsement, cannabis mezzobusiness  
53.20 with a retail operations endorsement, cannabis retailer, medical cannabis retailer, medical  
53.21 cannabis combination business, or lower-potency hemp edible retailer must register with  
53.22 the city, town, or county in which the retail establishment is located. A county may issue a  
53.23 registration in cases where a city or town has provided consent for the county to issue the  
53.24 registration for the jurisdiction.

53.25 Subd. 2. **Registration fee.** (a) A local unit of government may impose an initial retail  
53.26 registration fee of \$500 or up to half the amount of the applicable initial license fee under  
53.27 section 342.11, whichever is less. The local unit of government may also impose a renewal  
53.28 retail registration fee of \$1,000 or up to half the amount of the applicable renewal license  
53.29 fee under section 342.11, whichever is less. The initial registration fee shall include the fee  
53.30 for initial registration and the first annual renewal. Any renewal fee imposed by the local  
53.31 unit of government shall be charged at the time of the second renewal and each subsequent  
53.32 annual renewal thereafter.

53.33 (b) The local unit of government may not charge an application fee.

54.1 (c) A cannabis business with a cannabis retailer license and a medical cannabis retailer  
54.2 license for the same location may only be charged a single registration fee.

54.3 (d) Registration fees are nonrefundable.

54.4 Subd. 3. **Issuance of registration.** (a) A local unit of government shall issue a retail

108.26 to a patient according to a patient-specific dosage plan established with that medical cannabis  
108.27 retailer and is not modifying the dosage or product being distributed under that plan. Medical  
108.28 cannabis flower or medical cannabinoid products distributed under this paragraph must be

109.6 products in a designated zone that is as close as feasible to the front door of the facility;

109.7 (2) the medical cannabis retailer ensures that the receipt of payment and distribution of  
109.8 medical cannabis flower and medical cannabinoid products are visually recorded by a  
109.9 closed-circuit television surveillance camera and provides any other necessary security  
109.10 safeguards;

109.11 (3) the medical cannabis retailer does not store medical cannabis flower or medical  
109.12 cannabinoid products outside a restricted access area and staff transport medical cannabis

109.14 zone for distribution only after confirming that the patient, designated caregiver, or parent,  
109.15 guardian, or spouse has arrived in the designated zone;

109.16 (4) the payment and distribution of medical cannabis flower and medical cannabinoid  
109.17 products take place only after a pharmacist consultation takes place, if required under  
109.18 subdivision 3;

113.17 and to the patient's health care practitioner.

113.18 (b) A patient's enrollment in the registry program must only be denied if the patient:

113.19 (1) does not submit a certification from a health care practitioner or, if the patient is a

114.9 subdivision 6, the patient may apply for enrollment 12 months after the date on which the  
114.10 patient's enrollment was revoked. The office must process such an application in accordance  
114.11 with this subdivision.

114.12 Subd. 5. **Registry verification.** When a patient is enrolled in the registry program, the  
114.13 Division of Medical Cannabis must assign the patient a patient registry number and must  
114.14 issue the patient and the patient's registered designated caregiver, parent, legal guardian, or

115.19 felony offense. Any cost of the background check shall be paid by the person seeking  
115.20 registration as a designated caregiver. A designated caregiver must have the criminal  
115.21 background check renewed every two years.

115.22 (d) Nothing in this section shall be construed to prevent a registered designated caregiver

116.7 evaluate all petitions and must make the addition or modification if the office determines  
116.8 that the addition or modification is warranted by the best available evidence and research.  
116.9 If the office wishes to add an allowable form or add or modify a qualifying medical condition,  
116.10 the office must notify the chairs and ranking minority members of the legislative committees

117.29 program under section 342.52, subdivisions 2 and 3. If the division contracts with a third  
117.30 party for research and studies, the third party must provide the division with access to all  
117.31 research and study results. The division must submit reports on intermediate or final research  
117.32 results to the legislature and major scientific journals. All data used by the division or a  
117.33 third party under this subdivision must be used or reported in an aggregated nonidentifiable

118.1 form as part of a scientific peer-reviewed publication of research or in the creation of  
118.2 summary data, as defined in section 13.02, subdivision 19.

118.3 (b) The Division of Medical Cannabis may submit medical research based on the data  
118.4 collected under sections 342.55, subdivision 2, and data collected through the statewide  
118.5 monitoring system to any federal agency with regulatory or enforcement authority over  
118.6 medical cannabis flower and medical cannabinoid products to demonstrate the effectiveness  
118.7 of medical cannabis flower or medical cannabinoid products for treating or alleviating the  
118.8 symptoms of a qualifying medical condition.

118.9 **EFFECTIVE DATE.** This section is effective March 1, 2025.

118.10 Sec. 56. **[342.55] DUTIES OF HEALTH CARE PRACTITIONERS; REGISTRY**  
118.11 **PROGRAM.**

118.12 Subdivision 1. **Health care practitioner duties before patient enrollment.** Before a  
118.13 patient's enrollment in the registry program, a health care practitioner must:

118.14 (1) determine, in the health care practitioner's medical judgment, whether a patient has  
118.15 a qualifying medical condition and, if so determined, provide the patient with a certification  
118.16 of that diagnosis;

118.17 (2) advise patients, registered designated caregivers, and parents, legal guardians, and  
118.18 spouses acting as caregivers of any nonprofit patient support groups or organizations;

118.19 (3) provide to patients explanatory information from the Division of Medical Cannabis,  
118.20 including information about the experimental nature of the therapeutic use of medical  
118.21 cannabis flower and medical cannabinoid products; the possible risks, benefits, and side  
118.22 effects of the proposed treatment; and the application and other materials from the office;

118.23 (4) provide to patients a Tennessean warning as required under section 13.04, subdivision  
118.24 2; and

118.25 (5) agree to continue treatment of the patient's qualifying medical condition and to report  
118.26 findings to the Division of Medical Cannabis.

118.27 Subd. 2. **Duties upon patient's enrollment in registry program.** Upon receiving  
118.28 notification from the Division of Medical Cannabis of the patient's enrollment in the registry  
118.29 program, a health care practitioner must:

118.30 (1) participate in the patient registry reporting system under the guidance and supervision  
118.31 of the Division of Medical Cannabis;

119.1 (2) report to the Division of Medical Cannabis patient health records throughout the  
119.2 patient's ongoing treatment in a manner determined by the office and in accordance with  
119.3 subdivision 4;

119.4 (3) determine on a yearly basis if the patient continues to have a qualifying medical  
119.5 condition and, if so, issue the patient a new certification of that diagnosis. The patient  
119.6 assessment conducted under this clause may be conducted via telehealth, as defined in  
119.7 section 62A.673, subdivision 2; and

119.8 (4) otherwise comply with requirements established by the Office of Cannabis  
119.9 Management and the Division of Medical Cannabis.

119.10 Subd. 3. **Participation not required.** Nothing in this section requires a health care  
119.11 practitioner to participate in the registry program.

119.12 Subd. 4. **Data.** Data on patients collected by a health care practitioner and reported to  
119.13 the registry program, including data on patients who are veterans who receive care from  
119.14 the United States Department of Veterans Affairs, are health records under section 144.291  
119.15 and are private data on individuals under section 13.02 but may be used or reported in an  
119.16 aggregated nonidentifiable form as part of a scientific peer-reviewed publication of research  
119.17 conducted under section 342.54 or in the creation of summary data, as defined in section  
119.18 13.02, subdivision 19.

119.19 Subd. 5. **Exception.** The requirements of this section do not apply to a patient who is a  
119.20 veteran who receives care from the United States Department of Veterans Affairs or a health  
119.21 care practitioner employed by the United States Department of Veterans Affairs. Such a  
119.22 patient must meet the certification requirements developed pursuant to section 342.52,  
119.23 subdivision 3, before the patient's enrollment in the registry program.

119.24 **EFFECTIVE DATE.** This section is effective March 1, 2025.

119.25 Sec. 57. **[342.56] LIMITATIONS.**

119.26 Subdivision 1. **Limitations on consumption; locations of consumption.** (a) Nothing  
119.27 in sections 342.47 to 342.60 permits any person to engage in, and does not prevent the  
119.28 imposition of any civil, criminal, or other penalties for:

119.29 (1) undertaking a task under the influence of medical cannabis flower or medical  
119.30 cannabinoid products that would constitute negligence or professional malpractice;

119.31 (2) possessing or consuming medical cannabis flower or medical cannabinoid products:

119.32 (i) on a school bus or van;

- 120.1 (ii) in a correctional facility;
- 120.2 (iii) in a state-operated treatment program, including the Minnesota sex offender program;
- 120.3 or
- 120.4 (iv) on the grounds of a child care facility or family or group family day care program;
- 120.5 (3) vaporizing or smoking medical cannabis:
- 120.6 (i) on any form of public transportation;
- 120.7 (ii) where the vapor would be inhaled by a nonpatient minor or where the smoke would
- 120.8 be inhaled by a minor; or
- 120.9 (iii) in any public place, including any indoor or outdoor area used by or open to the
- 120.10 general public or a place of employment, as defined in section 144.413, subdivision 1b; and
- 120.11 (4) operating, navigating, or being in actual physical control of a motor vehicle, aircraft,
- 120.12 train, or motorboat or working on transportation property, equipment, or facilities while
- 120.13 under the influence of medical cannabis flower or a medical cannabinoid product.
- 120.14 (b) Except for the use of medical cannabis flower or medical cannabinoid products, the
- 120.15 vaporizing or smoking of cannabis flower, cannabis products, artificially derived
- 120.16 cannabinoids, or hemp-derived consumer products is prohibited in a multifamily housing
- 120.17 building, including balconies and patios appurtenant thereto. A violation of this paragraph
- 120.18 is punishable through a civil administrative fine in an amount of \$250.
- 120.19 Subd. 2. **Health care facilities.** (a) Health care facilities licensed under chapter 144A;
- 120.20 hospice providers licensed under chapter 144A; boarding care homes or supervised living
- 120.21 facilities licensed under section 144.50; assisted living facilities under chapter 144G; facilities
- 120.22 owned, controlled, managed, or under common control with hospitals licensed under chapter
- 120.23 144; and other health care facilities licensed by the commissioner of health or the
- 120.24 commissioner of human services may adopt reasonable restrictions on the use of medical
- 120.25 cannabis flower or medical cannabinoid products by a patient enrolled in the registry program
- 120.26 who resides at or is actively receiving treatment or care at the facility. The restrictions may
- 120.27 include a provision that the facility must not store or maintain a patient's supply of medical
- 120.28 cannabis flower or medical cannabinoid products on behalf of the patient; that a patient
- 120.29 store the patient's supply of medical cannabis flower or medicinal cannabinoid products in
- 120.30 a locked container accessible only to the patient, the patient's designated caregiver, or the
- 120.31 patient's parent, legal guardian, or spouse; that the facility is not responsible for providing
- 120.32 medical cannabis for patients; and that medical cannabis flower or medical cannabinoid
- 120.33 products are used only in a location specified by the facility or provider. Nothing in this

121.1 subdivision requires facilities and providers listed in this subdivision to adopt such  
121.2 restrictions.

121.3 (b) No facility or provider listed in this subdivision may unreasonably limit a patient's  
121.4 access to or use of medical cannabis flower or medical cannabinoid products to the extent  
121.5 that such use is authorized under sections 342.47 to 342.59. No facility or provider listed  
121.6 in this subdivision may prohibit a patient access to or use of medical cannabis flower or  
121.7 medical cannabinoid products due solely to the fact that cannabis is a Schedule I drug  
121.8 pursuant to the federal Uniform Controlled Substances Act. If a federal regulatory agency,  
121.9 the United States Department of Justice, or the federal Centers for Medicare and Medicaid  
121.10 Services takes one of the following actions, a facility or provider may suspend compliance  
121.11 with this paragraph until the regulatory agency, the United States Department of Justice, or  
121.12 the federal Centers for Medicare and Medicaid Services notifies the facility or provider that  
121.13 it may resume permitting the use of medical cannabis flower or medical cannabinoid products  
121.14 within the facility or in the provider's service setting:

121.15 (1) a federal regulatory agency or the United States Department of Justice initiates  
121.16 enforcement action against a facility or provider related to the facility's compliance with  
121.17 the medical cannabis program; or

121.18 (2) a federal regulatory agency, the United States Department of Justice, or the federal  
121.19 Centers for Medicare and Medicaid Services issues a rule or otherwise provides notification  
121.20 to the facility or provider that expressly prohibits the use of medical cannabis in health care  
121.21 facilities or otherwise prohibits compliance with the medical cannabis program.

121.22 (c) An employee or agent of a facility or provider listed in this subdivision or a person  
121.23 licensed under chapter 144E is not violating this chapter or chapter 152 for the possession  
121.24 of medical cannabis flower or medical cannabinoid products while carrying out employment  
121.25 duties, including providing or supervising care to a patient enrolled in the registry program,  
121.26 or distribution of medical cannabis flower or medical cannabinoid products to a patient  
121.27 enrolled in the registry program who resides at or is actively receiving treatment or care at  
121.28 the facility or from the provider with which the employee or agent is affiliated.

121.29 Subd. 3. **Child care facilities.** A proprietor of a family or group family day care program  
121.30 must disclose to parents or guardians of children cared for on the premises of the family or  
121.31 group family day care program, if the proprietor permits the smoking or use of medical  
121.32 cannabis on the premises, outside of its hours of operation. Disclosure must include posting  
121.33 on the premises a conspicuous written notice and orally informing parents or guardians.

121.34 **EFFECTIVE DATE.** This section is effective March 1, 2025.

122.1 Sec. 58. **[342.57] PROTECTIONS FOR REGISTRY PROGRAM PARTICIPANTS.**

122.2 **Subdivision 1. Presumption.** There is a presumption that a patient enrolled in the registry  
122.3 program is engaged in the authorized use of medical cannabis flower and medical cannabinoid  
122.4 products. This presumption may be rebutted by evidence that the patient's use of medical  
122.5 cannabis flower or medical cannabinoid products was not for the purpose of treating or  
122.6 alleviating the patient's qualifying medical condition or symptoms associated with the  
122.7 patient's qualifying medical condition.

122.8 **Subd. 2. Criminal and civil protections.** (a) Subject to section 342.56, the following  
122.9 are not violations of this chapter or chapter 152:

122.10 (1) use or possession of medical cannabis flower, medical cannabinoid products, or  
122.11 medical cannabis paraphernalia by a patient enrolled in the registry program or by a visiting  
122.12 patient to whom medical cannabis flower or medical cannabinoid products are distributed  
122.13 under section 342.51, subdivision 5;

122.14 (2) possession of medical cannabis flower, medical cannabinoid products, or medical  
122.15 cannabis paraphernalia by a registered designated caregiver or a parent, legal guardian, or  
122.16 spouse of a patient enrolled in the registry program; or

122.17 (3) possession of medical cannabis flower, medical cannabinoid products, or medical  
122.18 cannabis paraphernalia by any person while carrying out duties required under sections  
122.19 342.47 to 342.60.

122.20 (b) The Office of Cannabis Management, members of the Cannabis Advisory Council,  
122.21 Office of Cannabis Management employees, agents or contractors of the Office of Cannabis  
122.22 Management, and health care practitioners participating in the registry program are not  
122.23 subject to any civil penalties or disciplinary action by the Board of Medical Practice, the  
122.24 Board of Nursing, or any business, occupational, or professional licensing board or entity  
122.25 solely for participating in the registry program either in a professional capacity or as a  
122.26 patient. A pharmacist licensed under chapter 151 is not subject to any civil penalties or  
122.27 disciplinary action by the Board of Pharmacy when acting in accordance with sections  
122.28 342.47 to 342.60 either in a professional capacity or as a patient. Nothing in this section  
122.29 prohibits a professional licensing board from taking action in response to a violation of law.

122.30 (c) Notwithstanding any law to the contrary, a Cannabis Advisory Council member, the  
122.31 governor, or an employee of a state agency must not be held civilly or criminally liable for  
122.32 any injury, loss of property, personal injury, or death caused by any act or omission while  
122.33 acting within the scope of office or employment under sections 342.47 to 342.60.

123.1 (d) Federal, state, and local law enforcement authorities are prohibited from accessing  
123.2 the registry except when acting pursuant to a valid search warrant. Notwithstanding section  
123.3 13.09, a violation of this paragraph is a gross misdemeanor.

123.4 (e) Notwithstanding any law to the contrary, the office and employees of the office must  
123.5 not release data or information about an individual contained in any report or document or  
123.6 in the registry and must not release data or information obtained about a patient enrolled in  
123.7 the registry program, except as provided in sections 342.47 to 342.60. Notwithstanding  
123.8 section 13.09, a violation of this paragraph is a gross misdemeanor.

123.9 (f) No information contained in a report or document, contained in the registry, or  
123.10 obtained from a patient under sections 342.47 to 342.60 may be admitted as evidence in a  
123.11 criminal proceeding, unless:

123.12 (1) the information is independently obtained; or

123.13 (2) admission of the information is sought in a criminal proceeding involving a criminal  
123.14 violation of sections 342.47 to 342.60.

123.15 (g) Possession of a registry verification or an application for enrollment in the registry  
123.16 program:

123.17 (1) does not constitute probable cause or reasonable suspicion;

123.18 (2) must not be used to support a search of the person or property of the person with a  
123.19 registry verification or application to enroll in the registry program; and

123.20 (3) must not subject the person or the property of the person to inspection by any  
123.21 government agency.

123.22 Subd. 3. **School enrollment; rental property.** (a) No school may refuse to enroll a  
123.23 patient as a pupil or otherwise penalize a patient solely because the patient is enrolled in  
123.24 the registry program, unless failing to do so would violate federal law or regulations or  
123.25 cause the school to lose a monetary or licensing-related benefit under federal law or  
123.26 regulations.

123.27 (b) No landlord may refuse to lease to a patient or otherwise penalize a patient solely  
123.28 because the patient is enrolled in the registry program, unless failing to do so would violate  
123.29 federal law or regulations or cause the landlord to lose a monetary or licensing-related  
123.30 benefit under federal law or regulations.

123.31 Subd. 4. **Medical care.** For purposes of medical care, including organ transplants, a  
123.32 patient's use of medical cannabis flower or medical cannabinoid products according to

124.1 sections 342.47 to 342.60 is considered the equivalent of the authorized use of a medication  
124.2 used at the discretion of a health care practitioner and does not disqualify a patient from  
124.3 needed medical care.

124.4 Subd. 5. **Employment.** (a) Unless a failure to do so would violate federal or state law  
124.5 or regulations or cause an employer to lose a monetary or licensing-related benefit under  
124.6 federal law or regulations, an employer may not discriminate against a person in hiring,  
124.7 termination, or any term or condition of employment, or otherwise penalize a person, if the  
124.8 discrimination is based on:

124.9 (1) the person's status as a patient enrolled in the registry program; or

124.10 (2) a patient's positive drug test for cannabis components or metabolites, unless the  
124.11 patient used, possessed, sold, transported, or was impaired by medical cannabis flower or  
124.12 a medical cannabinoid product on work premises, during working hours, or while operating  
124.13 an employer's machinery, vehicle, or equipment.

124.14 (b) An employee who is a patient and whose employer requires the employee to undergo  
124.15 drug testing according to section 181.953 may present the employee's registry verification  
124.16 as part of the employee's explanation under section 181.953, subdivision 6.

124.17 Subd. 6. **Custody; visitation; parenting time.** A person must not be denied custody of  
124.18 a minor child or visitation rights or parenting time with a minor child based solely on the  
124.19 person's status as a patient enrolled in the registry program. There must be no presumption  
124.20 of neglect or child endangerment for conduct allowed under sections 342.47 to 342.60,  
124.21 unless the person's behavior creates an unreasonable danger to the safety of the minor as  
124.22 established by clear and convincing evidence.

124.23 Subd. 7. **Action for damages.** In addition to any other remedy provided by law, a patient  
124.24 may bring an action for damages against any person who violates subdivision 3, 4, or 5. A  
124.25 person who violates subdivision 3, 4, or 5 is liable to a patient injured by the violation for  
124.26 the greater of the person's actual damages or a civil penalty of \$100 and reasonable attorney  
124.27 fees.

124.28 Subd. 8. **Sanctions restricted for those on parole, supervised release, or conditional**  
124.29 **release.** (a) This subdivision applies to an individual placed on parole, supervised release,  
124.30 or conditional release.

124.31 (b) The commissioner of corrections may not:

124.32 (1) prohibit an individual from participating in the registry program as a condition of  
124.33 release; or

125.1 (2) revoke an individual's parole, supervised release, or conditional release or otherwise  
125.2 sanction an individual solely:

125.3 (i) for participating in the registry program; or

125.4 (ii) for a positive drug test for cannabis components or metabolites.

125.5 **EFFECTIVE DATE.** This section is effective March 1, 2025.

125.6 Sec. 59. **[342.58] VIOLATION BY HEALTH CARE PRACTITIONER; CRIMINAL**  
125.7 **PENALTY.**

125.8 A health care practitioner who knowingly refers patients to a medical cannabis business  
125.9 or to a designated caregiver, who advertises as a retailer or producer of medical cannabis  
125.10 flower or medical cannabinoid products, or who issues certifications while holding a financial  
125.11 interest in a cannabis retailer or medical cannabis business is guilty of a misdemeanor and  
125.12 may be sentenced to imprisonment for not more than 90 days or to payment of not more  
125.13 than \$1,000, or both.

125.14 **EFFECTIVE DATE.** This section is effective March 1, 2025.

125.15 Sec. 60. **[342.59] DATA PRACTICES.**

125.16 Subdivision 1. **Data classification.** Patient health records maintained by the Office of  
125.17 Cannabis Management or the Division of Medical Cannabis and government data in patient  
125.18 health records maintained by a health care practitioner are classified as private data on  
125.19 individuals, as defined in section 13.02, subdivision 12, or nonpublic data, as defined in  
125.20 section 13.02, subdivision 9.

125.21 Subd. 2. **Allowable use; prohibited use.** Data specified in subdivision 1 may be used  
125.22 to comply with chapter 13, to comply with a request from the legislative auditor or the state  
125.23 auditor in the performance of official duties, and for purposes specified in sections 342.47  
125.24 to 342.60. Data specified in subdivision 1 and maintained by the Office of Cannabis  
125.25 Management or Division of Medical Cannabis must not be used for any purpose not specified  
125.26 in sections 342.47 to 342.60 and must not be combined or linked in any manner with any  
125.27 other list, dataset, or database. Data specified in subdivision 1 must not be shared with any  
125.28 federal agency, federal department, or federal entity unless specifically ordered to do so by  
125.29 a state or federal court.

125.30 **EFFECTIVE DATE.** This section is effective March 1, 2025.

126.1 Sec. 61. **[342.60] APPLIED RESEARCH.**

126.2 The Division of Medical Cannabis may conduct, or award grants to health care providers  
126.3 or research organizations to conduct, applied research on the safety and efficacy of using  
126.4 medical cannabis flower or medical cannabinoid products to treat a specific health condition.  
126.5 A health care provider or research organization receiving a grant under this section must  
126.6 provide the office with access to all data collected in applied research funded under this  
126.7 section. The office may use data from applied research conducted or funded under this  
126.8 section as evidence to approve additional qualifying medical conditions or additional  
126.9 allowable forms of medical cannabis.

126.10 **EFFECTIVE DATE.** This section is effective March 1, 2025.

126.11 Sec. 62. **[342.61] TESTING.**

126.12 Subdivision 1. **Testing required.** Cannabis businesses and hemp businesses shall not  
126.13 sell or offer for sale cannabis flower, cannabis products, artificially derived cannabinoids,  
126.14 lower-potency hemp edibles, or hemp-derived consumer products to another cannabis  
126.15 business or hemp business, or to a customer or patient, or otherwise transfer cannabis flower,  
126.16 cannabis products, artificially derived cannabinoids, lower-potency hemp edibles, or  
126.17 hemp-derived consumer products to another cannabis business or hemp business, unless:

126.18 (1) a representative sample of the batch of cannabis flower, cannabis products, artificially  
126.19 derived cannabinoids, lower-potency hemp edibles, or hemp-derived consumer products  
126.20 has been tested according to this section and rules adopted under this chapter;

126.21 (2) the testing was completed by a cannabis testing facility licensed under this chapter;  
126.22 and

126.23 (3) the tested sample of cannabis flower, cannabis products, artificially derived  
126.24 cannabinoids, lower-potency hemp edibles, or hemp-derived consumer products was found  
126.25 to meet testing standards established by the office.

126.26 Subd. 2. **Procedures and standards established by office.** (a) The office shall by rule  
126.27 establish procedures governing the sampling, handling, testing, storage, and transportation  
126.28 of cannabis flower, cannabis products, artificially derived cannabinoids, lower-potency  
126.29 hemp edibles, or hemp-derived consumer products tested under this section; the contaminants  
126.30 for which cannabis flower, cannabis products, artificially derived cannabinoids,  
126.31 lower-potency hemp edibles, or hemp-derived consumer products must be tested; standards  
126.32 for potency and homogeneity testing; and procedures applicable to cannabis businesses,  
126.33 hemp businesses, and cannabis testing facilities regarding cannabis flower, cannabis products,

127.1 artificially derived cannabinoids, lower-potency hemp edibles, or hemp-derived consumer  
127.2 products that fail to meet the standards for allowable levels of contaminants established by  
127.3 the office, that fail to meet the potency limits in this chapter, or that do not conform with  
127.4 the content of the cannabinoid profile listed on the label.

127.5 (b) All testing required under this section must be performed in a manner that is consistent  
127.6 with general requirements for testing and calibration activities.

127.7 Subd. 3. **Standards established by Office of Cannabis Management.** The office shall  
127.8 by rule establish standards for allowable levels of contaminants in cannabis flower, cannabis  
127.9 products, artificially derived cannabinoids, lower-potency hemp edibles, or hemp-derived  
127.10 consumer products, and growing media. Contaminants for which the office must establish  
127.11 allowable levels must include but are not limited to residual solvents, foreign material,  
127.12 microbiological contaminants, heavy metals, pesticide residue, and mycotoxins.

127.13 Subd. 4. **Testing of samples; disclosures.** (a) On a schedule determined by the office,  
127.14 every cannabis microbusiness, cannabis mezzobusiness, cannabis cultivator, cannabis  
127.15 manufacturer, cannabis wholesaler with an endorsement to import products, lower-potency  
127.16 hemp edible manufacturer, medical cannabis cultivator, medical cannabis processor, or  
127.17 medical cannabis combination business shall make each batch of cannabis flower, cannabis  
127.18 products, artificially derived cannabinoids, lower-potency hemp edibles, or hemp-derived  
127.19 consumer products grown, manufactured, or imported by the cannabis business or hemp  
127.20 business available to a cannabis testing facility.

127.21 (b) A cannabis microbusiness, cannabis mezzobusiness, cannabis cultivator, cannabis

148.18 (c) The Office of Cannabis Management shall post the list required by this section on

148.20 posting. If a previously listed taxpayer files all returns and pays all taxes specified in this  
148.21 subdivision then due, the commissioner shall notify the Office of Cannabis Management  
148.22 within two business days.

148.23 Subd. 2. **Sales prohibited.** Beginning the third business day after the list is posted, no  
148.24 cannabis cultivator, cannabis manufacturer, cannabis microbusiness, cannabis mezzobusiness,  
148.25 medical cannabis combination business, cannabis wholesaler, or industrial hemp grower as  
148.26 defined in chapter 342 may sell or deliver any product to a taxpayer included on the posted  
148.27 list.

148.28 Subd. 3. **Penalty.** A cannabis cultivator, cannabis manufacturer, cannabis microbusiness,  
148.29 cannabis mezzobusiness, medical cannabis combination business, cannabis wholesaler, or  
148.30 industrial hemp grower as defined in chapter 342 who violates subdivision 2 of this section

148.32 **EFFECTIVE DATE.** This section is effective June 30, 2023.

149.1 Sec. 4. Minnesota Statutes 2022, section 273.13, subdivision 24, is amended to read:

149.2 Subd. 24. **Class 3.** Commercial and industrial property and utility real and personal  
149.3 property is class 3a.

149.4 (1) Except as otherwise provided, each parcel of commercial, industrial, or utility real  
149.5 property has a classification rate of 1.5 percent of the first tier of market value, and 2.0  
149.6 percent of the remaining market value. In the case of contiguous parcels of property owned  
149.7 by the same person or entity, only the value equal to the first-tier value of the contiguous  
149.8 parcels qualifies for the reduced classification rate, except that contiguous parcels owned  
149.9 by the same person or entity shall be eligible for the first-tier value classification rate on  
149.10 each separate business operated by the owner of the property, provided the business is  
149.11 housed in a separate structure. For the purposes of this subdivision, the first tier means the  
149.12 first \$150,000 of market value. Real property owned in fee by a utility for transmission line  
149.13 right-of-way shall be classified at the classification rate for the higher tier.

149.14 For purposes of this subdivision, parcels are considered to be contiguous even if they  
149.15 are separated from each other by a road, street, waterway, or other similar intervening type  
149.16 of property. Connections between parcels that consist of power lines or pipelines do not  
149.17 cause the parcels to be contiguous. Property owners who have contiguous parcels of property  
149.18 that constitute separate businesses that may qualify for the first-tier classification rate shall  
149.19 notify the assessor by July 1, for treatment beginning in the following taxes payable year.

149.20 (2) All personal property that is: (i) part of an electric generation, transmission, or  
149.21 distribution system; or (ii) part of a pipeline system transporting or distributing water, gas,  
149.22 crude oil, or petroleum products; and (iii) not described in clause (3), and all railroad  
149.23 operating property has a classification rate as provided under clause (1) for the first tier of  
149.24 market value and the remaining market value. In the case of multiple parcels in one county  
149.25 that are owned by one person or entity, only one first tier amount is eligible for the reduced  
149.26 rate.

149.27 (3) The entire market value of personal property that is: (i) tools, implements, and  
149.28 machinery of an electric generation, transmission, or distribution system; (ii) tools,  
149.29 implements, and machinery of a pipeline system transporting or distributing water, gas,  
149.30 crude oil, or petroleum products; or (iii) the mains and pipes used in the distribution of  
149.31 steam or hot or chilled water for heating or cooling buildings, has a classification rate as  
149.32 provided under clause (1) for the remaining market value in excess of the first tier.

149.33 (4) Real property used for raising, cultivating, processing, or storing cannabis plants,  
149.34 cannabis flower, or cannabis products for sale has a classification rate as provided under

150.1 clause (1) for the first tier of market value and the remaining market value. As used in this  
150.2 paragraph, "cannabis plant" has the meaning given in section 342.01, subdivision 19,  
150.3 "cannabis flower" has the meaning given in section 342.01, subdivision 16, and "cannabis  
150.4 product" has the meaning given in section 342.01, subdivision 20.

150.5 **EFFECTIVE DATE.** This section is effective beginning with assessment year 2024  
150.6 and thereafter.

150.7 Sec. 5. Minnesota Statutes 2022, section 275.025, subdivision 2, is amended to read:

150.8 Subd. 2. **Commercial-industrial tax capacity.** For the purposes of this section,  
150.9 "commercial-industrial tax capacity" means the tax capacity of all taxable property classified  
150.10 as class 3 or class 5(1) under section 273.13, excluding:

150.11 (1) the tax capacity attributable to the first \$150,000 of market value of each parcel of  
150.12 commercial-industrial property as defined under section 273.13, subdivision 24, clauses (1)  
150.13 ~~and~~, (2), and (4);

150.14 (2) electric generation attached machinery under class 3; and

150.15 (3) property described in section 473.625.

150.16 County commercial-industrial tax capacity amounts are not adjusted for the captured  
150.17 net tax capacity of a tax increment financing district under section 469.177, subdivision 2,  
150.18 the net tax capacity of transmission lines deducted from a local government's total net tax  
150.19 capacity under section 273.425, or fiscal disparities contribution and distribution net tax  
150.20 capacities under chapter 276A or 473F. For purposes of this subdivision, the procedures  
150.21 for determining eligibility for tier 1 under section 273.13, subdivision 24, clauses (1) and  
150.22 (2), shall apply in determining the portion of a property eligible to be considered within the  
150.23 first \$150,000 of market value.

150.24 **EFFECTIVE DATE.** This section is effective beginning with assessment year 2024  
150.25 and thereafter.

150.26 Sec. 6. **[289A.33] FILING REQUIREMENTS AND DUE DATES; SPECIAL RULES.**

150.27 (a) Upon the request of any cannabis business as defined by section 342.01, subdivision  
150.28 14, required to collect and remit taxes imposed under section 295.81, chapter 290, or chapter  
150.29 297A, the commissioner shall waive the requirement that payment of tax must be made  
150.30 electronically if the failure to pay electronically is because the cannabis business is unable  
150.31 to secure banking services and the inability to secure the services is due to its engagement  
150.32 in cannabis-related business allowed under Minnesota law.

151.1 (b) If, in consultation with the commissioner of commerce, the commissioner determines  
151.2 that the inability to find banking services is widespread and enforcement of the electronic  
151.3 payment requirement will significantly impede the ability of cannabis businesses to timely  
151.4 pay taxes imposed under section 295.81, chapter 290, or chapter 297A, the commissioner  
151.5 may publish notice on the department website that waives the requirement to pay the tax  
151.6 electronically. If such notice is published, a cannabis business must file returns and pay  
151.7 taxes lawfully due in the form and manner prescribed by the commissioner.

151.8 (c) Nothing in this section relieves a cannabis business from timely filing and paying  
151.9 taxes.

151.10 **EFFECTIVE DATE.** This section is effective the day following final enactment.

151.11 Sec. 7. Minnesota Statutes 2022, section 290.0132, subdivision 29, is amended to read:

151.12 Subd. 29. **Disallowed section 280E expenses; medical cannabis manufacturers**

151.18 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December  
151.19 31, 2022.

151.20 Sec. 8. Minnesota Statutes 2022, section 290.0134, subdivision 19, is amended to read:

151.21 Subd. 19. **Disallowed section 280E expenses; medical cannabis manufacturers**  
151.22 **licensees.** The amount of expenses of a medical cannabis ~~manufacturer~~ business, as defined  
151.23 under section ~~452.22, subdivision 7~~ 342.01, subdivision 53, related to the business of medical

155.29 liability occurs. The debt must, in the case of the executor or administrator of the estate of  
155.30 a decedent and in the case of a fiduciary, be that of the person in the person's official or  
155.31 fiduciary capacity only, unless the person has voluntarily distributed the assets held in that  
155.32 capacity without reserving sufficient assets to pay the tax, interest, and penalties, in which  
155.33 event the person is personally liable for any deficiency.

156.1 **EFFECTIVE DATE.** This section is effective for gross receipts received after June 30,

218.28 or resentenced, the Bureau of Criminal Apprehension shall share the information provided  
218.29 to the Cannabis Expungement Board under paragraph (b) with the Department of Human

219.1 Services. The Bureau of Criminal Apprehension and the Department of Human Services  
219.2 shall consult about the form and manner of information sharing.

219.3 Subd. 5. **Access to records.** Notwithstanding chapter 13 or any law to the contrary, the  
219.4 Cannabis Expungement Board shall have free access to records, including but not limited  
219.5 to all matters, files, documents, and papers incident to the arrest, indictment, information,  
219.6 trial, appeal, or dismissal and discharge that relate to a charge and conviction or stay of  
219.7 adjudication for sale or possession of a controlled substance held by law enforcement  
219.8 agencies, prosecuting authorities, and court administrators. The Cannabis Expungement  
219.9 Board may issue subpoenas for and compel the production of books, records, accounts,  
219.10 documents, and papers. If any person fails or refuses to produce any books, records, accounts,  
219.11 documents, or papers material in the matter under consideration after having been lawfully  
219.12 required by order or subpoena, any judge of the district court in any county of the state  
219.13 where the order or subpoena was made returnable, on application of the commissioner of  
219.14 management and budget or commissioner of administration, as the case may be, shall compel  
219.15 obedience or punish disobedience as for contempt, as in the case of disobedience of a similar  
219.16 order or subpoena issued by such court.

219.17 Subd. 6. **Meetings; anonymous identifier.** (a) The Cannabis Expungement Board shall  
219.18 hold meetings at least monthly and shall hold a meeting whenever the board takes formal  
219.19 action on a review of a conviction or stay of adjudication for an offense involving the sale  
219.20 or possession of marijuana or tetrahydrocannabinols. All board meetings shall be open to  
219.21 the public and subject to chapter 13D.

219.22 (b) Any victim of a crime being reviewed and any law enforcement agency may submit  
219.23 an oral or written statement at the meeting, giving a recommendation on whether a person's  
219.24 record should be expunged or the person should be resentenced to a lesser offense. The  
219.25 board must consider the victim's and the law enforcement agency's statement when making  
219.26 the board's decision.

219.27 (c) Section 13D.05 governs the board's treatment of not public data, as defined by section  
219.28 13.02, subdivision 8a, discussed at open meetings of the board. Notwithstanding section  
219.29 13.03, subdivision 11, the board shall assign an anonymous, unique identifier to each victim  
219.30 of a crime and person whose conviction or stay of adjudication the board reviews. The  
219.31 identifier shall be used in any discussion in a meeting open to the public and on any records  
219.32 available to the public to protect the identity of the person whose records are being  
219.33 considered.

220.1 Subd. 7. Review and determination. (a) The Cannabis Expungement Board shall review  
220.2 all available records to determine whether the conviction or stay of adjudication is eligible  
220.3 for an expungement or resentencing to a lesser offense. An expungement under this section  
220.4 is presumed to be in the public interest unless there is clear and convincing evidence that  
220.5 an expungement or resentencing to a lesser offense would create a risk to public safety.

220.6 (b) If the Cannabis Expungement Board determines that an expungement is in the public  
220.7 interest, the board shall determine whether a person's conviction should be vacated and  
220.8 charges should be dismissed.

220.9 (c) If the Cannabis Expungement Board determines that an expungement is in the public  
220.10 interest, the board shall determine whether the limitations under section 609A.03, subdivision  
220.11 5a, apply.

220.12 (d) If the Cannabis Expungement Board determines that an expungement is in the public  
220.13 interest, the board shall determine whether the limitations under section 609A.03, subdivision  
220.14 7a, paragraph (b), clause (5), apply.

220.15 (e) If the Cannabis Expungement Board determines that an expungement is not in the  
220.16 public interest, the board shall determine whether the person is eligible for resentencing to  
220.17 a lesser offense.

220.18 (f) In making a determination under this subdivision, the Cannabis Expungement Board  
220.19 shall consider:

220.20 (1) the nature and severity of the underlying crime, including but not limited to the total  
220.21 amount of marijuana or tetrahydrocannabinols possessed by the person and whether the  
220.22 offense involved a dangerous weapon, the intentional infliction of bodily harm on another,  
220.23 an attempt to inflict bodily harm on another, or an act committed with the intent to cause  
220.24 fear in another of immediate bodily harm or death;

220.25 (2) whether an expungement or resentencing the person a lesser offense would increase  
220.26 the risk, if any, the person poses to other individuals or society;

220.27 (3) if the person is under sentence, whether an expungement or resentencing to a lesser  
220.28 offense would result in the release of the person and whether release earlier than the date  
220.29 that the person would be released under the sentence currently being served would present  
220.30 a danger to the public or would be compatible with the welfare of society;

220.31 (4) aggravating or mitigating factors relating to the underlying crime, including the  
220.32 person's level of participation and the context and circumstances of the underlying crime;

220.33 (5) statements from victims and law enforcement, if any;

221.1 (6) if an expungement or resentencing the person to a lesser offense is considered,  
221.2 whether there is good cause to restore the person's right to possess firearms and ammunition;

221.3 (7) if an expungement is considered, whether an expunged record of a conviction or stay  
221.4 of adjudication may be opened for purposes of a background check required under section  
221.5 122A.18, subdivision 8; and

221.6 (8) other factors deemed relevant by the Cannabis Expungement Board.

221.7 (g) In making a determination under this subdivision, the Cannabis Expungement Board  
221.8 shall not consider the impact the expungement would have on the offender based on any  
221.9 records held by the Department of Health or Human Services.

221.10 (h) The affirmative vote of three members is required for action taken at any meeting.

221.11 **Subd. 8. Identification of eligible misdemeanor and petty misdemeanor records.** The  
221.12 board shall identify violations of section 152.027, subdivisions 3 and 4, that were not  
221.13 automatically expunged pursuant to section 609A.055. Pursuant to subdivision 10, the board  
221.14 shall notify the judicial branch that any identified records are eligible for expungement.

221.15 **Subd. 9. Annual report.** Until the board completes its work, the board shall issue a  
221.16 report by January 15 of each year to the legislative committees and divisions with jurisdiction  
221.17 over public safety policy and finance on the board's work. The report shall contain summary  
221.18 data and must include:

221.19 (1) the total number of cases reviewed in the previous year;

221.20 (2) the total number of cases in which the board determined that an expungement is in  
221.21 the public interest;

221.22 (3) the total number of cases in which the board determined that resentencing to a lesser  
221.23 offense is appropriate, the original sentence in those cases, and the lesser offense  
221.24 recommended by the board;

221.25 (4) the total number of cases in which the board determined that no change to the original  
221.26 sentence was appropriate; and

221.27 (5) the total number of cases remaining to be reviewed.

221.28 **Subd. 10. Notice to judicial branch and offenders.** (a) The Cannabis Expungement  
221.29 Board shall identify any conviction or stay of adjudication that qualifies for an order of  
221.30 expungement or resentencing to a lesser offense and notify the judicial branch of:

221.31 (1) the name and date of birth of a person whose conviction or stay of adjudication is  
221.32 eligible for an order of expungement or resentencing to a lesser offense;

222.1 (2) the court file number of the eligible conviction or stay of adjudication;

222.2 (3) whether the person is eligible for an expungement;

222.3 (4) if the person is eligible for an expungement, whether the person's conviction should  
222.4 be vacated and charges should be dismissed;

222.5 (5) if the person is eligible for an expungement, whether there is good cause to restore  
222.6 the offender's right to possess firearms and ammunition;

222.7 (6) if the person is eligible for an expungement, whether the limitations under section  
222.8 609A.03, subdivision 7a, paragraph (b), clause (5), apply; and

222.9 (7) if the person is eligible for resentencing to a lesser offense, the lesser sentence to be  
222.10 imposed.

222.11 (b) The Cannabis Expungement Board shall make a reasonable and good faith effort to  
222.12 notify any person whose conviction or stay of adjudication qualifies for an order of  
222.13 expungement that the offense qualifies and notice is being sent to the judicial branch. Notice  
222.14 sent pursuant to this paragraph shall inform the person that, following the order of  
222.15 expungement, any records of an arrest, conviction, or incarceration should not appear on  
222.16 any background check or study.

222.17 Subd. 11. **Data classification.** All data collected, created, received, maintained, or  
222.18 disseminated by the Cannabis Expungement Board in which each victim of a crime and  
222.19 person whose conviction or stay of adjudication that the Cannabis Expungement Board  
222.20 reviews is or can be identified as the subject of the data is classified as private data on  
222.21 individuals, as defined in section 13.02, subdivision 12.

222.22 Subd. 12. **Order of expungement.** (a) Upon receiving notice that an offense qualifies  
222.23 for expungement, the court shall issue an order sealing all records relating to an arrest,  
222.24 indictment or information, trial, verdict, or dismissal and discharge for an offense described  
222.25 in subdivision 3. The courts shall not order the Department of Health or Human Services  
222.26 to seal records under this section. If the Cannabis Expungement Board determined that the  
222.27 person's conviction should be vacated and charges should be dismissed, the order shall  
222.28 vacate and dismiss the charges.

222.29 (b) If the Cannabis Expungement Board determined that there is good cause to restore  
222.30 the person's right to possess firearms and ammunition, the court shall issue an order pursuant  
222.31 to section 609.165, subdivision 1d.

222.32 (c) If the Cannabis Expungement Board determined that an expunged record of a  
222.33 conviction or stay of adjudication may not be opened for purposes of a background check

223.1 required under section 122A.18, subdivision 8, the court shall direct the order specifically  
223.2 to the Professional Educator Licensing and Standards Board.

223.3 (d) The court administrator shall send a copy of an expungement order issued under this  
223.4 section to each agency and jurisdiction whose records are affected by the terms of the order  
223.5 and send a letter to the last known address of the person whose offense has been expunged  
223.6 identifying each agency to which the order was sent.

223.7 (e) In consultation with the commissioner of human services, the court shall establish a  
223.8 schedule on which it shall provide the commissioner of human services a list identifying  
223.9 the name and court file number or, if no court file number is available, the citation number  
223.10 of each record for a person who received an expungement under this section.

223.11 (f) Data on the person whose offense has been expunged in a letter sent under this  
223.12 subdivision are private data on individuals as defined in section 13.02, subdivision 12.

223.13 Subd. 13. **Resentencing.** (a) If the Cannabis Expungement Board determined that a  
223.14 person is eligible for resentencing to a lesser offense and the person is currently under  
223.15 sentence, the court shall proceed as if the appellate court directed a reduction of the conviction  
223.16 to an offense of lesser degree pursuant to rule 28.02, subdivision 12, of the Rules of Criminal  
223.17 Procedure.

223.18 (b) If the Cannabis Expungement Board determined that a person is eligible for  
223.19 resentencing to a lesser offense and the person completed or has been discharged from the  
223.20 sentence, the court may issue an order amending the conviction to an offense of lesser degree  
223.21 without holding a hearing.

223.22 (c) If the Cannabis Expungement Board determined that there is good cause to restore  
223.23 the person's right to possess firearms and ammunition, the court shall, as necessary, issue  
223.24 an order pursuant to section 609.165, subdivision 1d.

223.25 (d) In consultation with the commissioner of human services, the court shall establish  
223.26 a schedule on which it shall provide the commissioner of human services a list identifying  
223.27 the name and court file number or, if no court file number is available, the citation number  
223.28 of each record for a person who was resentenced under this section.

223.29 **EFFECTIVE DATE.** This section is effective August 1, 2023.

223.30 Sec. 4. **PROCUREMENT.**

223.31 To the extent practicable, the commissioner of public safety must comply with the  
223.32 requirements of Minnesota Statutes, chapter 16C. The commissioner of administration may

224.1 waive the application of any provision of Minnesota Statutes, chapter 16C, on a case by  
224.2 case basis if the commissioner of public safety demonstrates that full compliance with that  
224.3 chapter would be impractical given the effective date or other deadlines established by this  
224.4 act related to the responsibilities established under Minnesota Statutes, section 609A.055.

224.5 **EFFECTIVE DATE.** This section is effective the day following final enactment.

224.6 **Sec. 5. TRANSITION PERIOD.**

224.7 Beginning August 1, 2023, through March 1, 2024, the Department of Corrections must  
224.8 provide the Cannabis Expungement Board with administrative assistance, technical  
224.9 assistance, office space, and other assistance necessary for the board to carry out its duties  
224.10 under Minnesota Statutes, section 609A.06. The Cannabis Expungement Board shall  
224.11 reimburse the Department of Corrections for the services and space provided.

224.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

226.14 without regard to whether such Tribal government has entered a compact authorized by this  
226.15 section. The purpose of this section is to provide for the negotiation of compacts to  
226.16 proactively address jurisdictional issues related to the regulation of the medical cannabis  
226.17 industry. The legislature finds that these agreements will facilitate and promote a cooperative  
226.18 and mutually beneficial relationship between the state and the Tribes regarding the  
226.19 legalization of cannabis. Such cooperative agreements will enhance public health and safety,

226.25 Subd. 3. **Terms of compact; rights of parties.** (a) A compact agreed to under this  
226.26 section may address any issues related to the medical cannabis industry, including medical  
226.27 cannabis flower, medical cannabis products, extracts, concentrates, and artificially derived  
226.28 cannabinoids that affect the interest of both the state and Minnesota Tribal government or  
226.29 otherwise have an impact on Tribal-state relations. Indian Tribes are not required to enter  
226.30 into compacts pursuant to this section in order to: regulate the medical cannabis industry,  
226.31 or engage in medical cannabis businesses or activities on Tribally regulated land or participate  
226.32 as a licensee in the state's legal medical cannabis market.

226.33 (b) The state shall not, as a condition for entering into a compact under this section:

227.2 based on their status as independent sovereigns;

227.3 (2) require that any revenue generated by a medical cannabis business licensed by a  
227.4 Minnesota Tribal government be subject to any state cannabis gross receipt taxes or state  
227.5 and local sales or use taxes on sales of cannabis;

227.6 (3) require any taxes collected by Minnesota Tribal governments to be shared in any  
227.7 manner with the state or any subdivisions thereof;

227.8 (4) require a Minnesota Tribal government to consent to state licensing of a medical

227.10 (5) require any Minnesota Tribal government or any medical cannabis business licensed  
227.11 by a Minnesota Tribal government pursuant to a compact agreed to under this section to  
227.12 comply with specific state law or regulations on Tribally regulated land; or

227.13 (6) impose, or attempt to impose, and shall not require or attempt to require any Indian  
227.14 Tribe to impose, any taxes, fees, assessments, and other charges related to the production,  
227.15 processing, sale, purchase, distribution, or possession of medical cannabis flower and medical

227.17 Tribally regulated land.

227.18 (d) Compacts agreed to under this section may allow an exemption from any otherwise  
227.19 applicable tax for: (i) sales to a Minnesota Tribal government, a Tribal medical cannabis  
227.20 business, or Tribal members, of medical cannabis flower and cannabis products grown,  
227.21 produced, or processed as provided for in said compacts; or, (ii) for activities of Tribal  
227.22 medical cannabis businesses.

227.23 Subd. 4. **Civil and criminal immunities.** (a) Without limiting any immunity or exemption  
227.24 that may apply under federal law, the following acts, when performed by a Tribal medical  
227.25 cannabis business or an employee in the course of their employment for a Tribal medical  
227.26 cannabis business, pursuant to a compact entered into under this section, do not constitute  
227.27 a criminal or civil offense under state law:

227.32 cannabis products that are properly packaged and labeled as authorized under a compact

228.1 entered into pursuant to this section, and the sale, delivery, transport, or distribution of such  
228.2 products to a licensed cannabis business; and

228.3 (3) the delivery, distribution, and sale of medical cannabis seed, flower, and medical  
228.4 cannabis products as authorized under a compact entered into pursuant to this section and  
228.5 that takes place on or, originates from, the premises of a Tribal medical cannabis business  
228.6 on Tribally regulated land, to any person eligible to participate in a medical cannabis program.

228.7 (b) The following acts, when performed by a patron of a Tribal medical cannabis business  
228.8 do not constitute a criminal or civil offense under state law: the purchase, possession, or  
228.9 receipt of medical cannabis seed, flower, and medical cannabis products as authorized under  
228.10 a compact entered into pursuant to this section.

228.11 (c) Without limiting any immunity or exemption that may apply under federal law,  
228.12 actions by a Tribal medical cannabis business, a Tribal member, employee, or agent of a  
228.13 Minnesota Tribal government or Tribal medical cannabis business on Tribally regulated  
228.14 land pursuant to Tribal laws governing cannabis, or a compact entered into under this section,  
228.15 do not constitute a criminal or civil offense under state law.

228.16 (d) The following acts, when performed by a state-licensed medical cannabis business,  
228.17 or an employee of such business, and which would be permitted under the terms of the  
228.18 applicable medical cannabis business license if undertaken with another state-licensed  
228.19 medical cannabis business, are permitted under the state license conditions when undertaken  
228.20 with a Tribal medical cannabis business and do not constitute a criminal or civil offense  
228.21 under state law: the possession, purchase, wholesale and retail sale, delivery, transport,  
228.22 distribution, and receipt of medical cannabis, seed, flower, and medical cannabis products  
228.23 that are properly packaged and labeled as authorized under a compact entered into pursuant  
228.24 to this section.

228.25 (e) Without limiting any immunity or exemption that may apply under federal law, the  
228.26 following acts, when performed by a Minnesota Tribal government, a Tribal medical cannabis  
228.27 business licensed by such Tribal government, or an employee of such Tribal government  
228.28 or Tribal medical cannabis business, regardless of whether the Minnesota Tribal government  
228.29 issuing such license has compacted with the state under this section, do not constitute a  
228.30 criminal or civil offense under state law: purchase, sale, receipt, or delivery (including  
228.31 delivery that involves transit through the state, outside a reservation), of medical cannabis  
228.32 flower, seed, and medical cannabis products from or to another Minnesota Tribal government  
228.33 or cannabis business licensed by such government.

229.1 (f) Notwithstanding any other provision of law, a state-licensed cannabis testing facility  
229.2 may provide cannabis testing services to a Tribal medical cannabis business, and the  
229.3 possession or transport of cannabis flower or cannabis products for such purpose by a Tribal  
229.4 cannabis business shall not constitute a criminal or civil offense under state law.

229.5 Subd. 5. **Publication.** The governor shall post any compact entered into under this section

252.32 employer a written test result report for each sample tested within three working days after

253.1 a negative test result on an initial screening test or, when the initial screening test produced

253.3 indicate the drugs, alcohol, ~~or drug or alcohol metabolites~~, or cannabis or cannabis  
253.4 metabolites tested for and whether the test produced negative or positive test results. A  
253.5 laboratory shall retain and properly store for at least six months all samples that produced  
253.6 a positive test result.

253.7 Subd. 4. **Prohibitions on employers.** An employer may not conduct drug or alcohol  
253.8 testing or cannabis testing of its own employees and job applicants using a testing laboratory  
253.9 owned and operated by the employer; except that, one agency of the state may test the

253.16 (1) possession of a sample must be traceable to the employee from whom the sample is  
253.17 collected, from the time the sample is collected through the time the sample is delivered to  
253.18 the laboratory;

253.19 (2) the sample must always be in the possession of, must always be in view of, or must  
253.20 be placed in a secured area by a person authorized to handle the sample;

253.21 (3) a sample must be accompanied by a written chain-of-custody record; and

253.22 (4) individuals relinquishing or accepting possession of the sample must record the time  
253.23 the possession of the sample was transferred and must sign and date the chain-of-custody  
253.24 record at the time of transfer.

253.25 Subd. 6. **Rights of employees and job applicants.** (a) Before requesting an employee  
253.26 or job applicant to undergo drug or alcohol testing or requesting cannabis testing, an employer  
253.27 shall provide the employee or job applicant with a form, developed by the employer, on  
253.28 which to acknowledge that the employee or job applicant has seen the employer's drug and  
253.29 alcohol testing or cannabis testing policy.

253.30 (b) If an employee or job applicant tests positive for drug use, the employee must be  
253.31 given written notice of the right to explain the positive test and the employer may request  
253.32 that the employee or job applicant indicate any over-the-counter or prescription medication

254.1 that the individual is currently taking or has recently taken and any other information relevant  
254.2 to the reliability of, or explanation for, a positive test result.

254.3 (c) Within three working days after notice of a positive test result on a confirmatory test,  
254.4 the employee or job applicant may submit information to the employer, in addition to any  
254.5 information already submitted under paragraph (b), to explain that result, or may request a  
254.6 confirmatory retest of the original sample at the employee's or job applicant's own expense  
254.7 as provided under subdivision 9.

254.8 Subd. 7. **Notice of test results.** Within three working days after receipt of a test result  
254.9 report from the testing laboratory, an employer shall inform in writing an employee or job  
254.10 applicant who has undergone drug or alcohol testing or cannabis testing of (1) a negative  
254.11 test result on an initial screening test or of a negative or positive test result on a confirmatory  
254.12 test and (2) the right provided in subdivision 8. In the case of a positive test result on a  
254.13 confirmatory test, the employer shall also, at the time of this notice, inform the employee  
254.14 or job applicant in writing of the rights provided in subdivisions 6, paragraph (b), 9, and  
254.15 either subdivision 10 or 11, whichever applies.

254.16 Subd. 8. **Right to test result report.** An employee or job applicant has the right to  
254.17 request and receive from the employer a copy of the test result report on any drug or alcohol  
254.18 test or cannabis test.

254.19 Subd. 9. **Confirmatory retests.** An employee or job applicant may request a confirmatory  
254.20 retest of the original sample at the employee's or job applicant's own expense after notice  
254.21 of a positive test result on a confirmatory test. Within five working days after notice of the  
254.22 confirmatory test result, the employee or job applicant shall notify the employer in writing  
254.23 of the employee's or job applicant's intention to obtain a confirmatory retest. Within three  
254.24 working days after receipt of the notice, the employer shall notify the original testing  
254.25 laboratory that the employee or job applicant has requested the laboratory to conduct the  
254.26 confirmatory retest or transfer the sample to another laboratory licensed under subdivision  
254.27 1 to conduct the confirmatory retest. The original testing laboratory shall ensure that the  
254.28 chain-of-custody procedures in subdivision 3 are followed during transfer of the sample to  
254.29 the other laboratory. The confirmatory retest must use the same drug ~~or~~, alcohol, or cannabis  
254.30 threshold detection levels as used in the original confirmatory test. If the confirmatory retest  
254.31 does not confirm the original positive test result, no adverse personnel action based on the  
254.32 original confirmatory test may be taken against the employee or job applicant.

254.33 Subd. 10. **Limitations on employee discharge, discipline, or discrimination.** (a) An  
254.34 employer may not discharge, discipline, discriminate against, or request or require

255.1 rehabilitation of an employee on the basis of a positive test result from an initial screening  
255.2 test that has not been verified by a confirmatory test.

255.3 (b) In addition to the limitation under paragraph (a), an employer may not discharge an  
255.4 employee for whom a positive test result on a confirmatory test was the first such result for  
255.5 the employee on a drug or alcohol test or cannabis test requested by the employer unless  
255.6 the following conditions have been met:

255.7 (1) the employer has first given the employee an opportunity to participate in, at the  
255.8 employee's own expense or pursuant to coverage under an employee benefit plan, either a  
255.9 drug ~~or~~, alcohol, or cannabis counseling or rehabilitation program, whichever is more  
255.10 appropriate, as determined by the employer after consultation with a certified chemical use  
255.11 counselor or a physician trained in the diagnosis and treatment of substance use disorder;  
255.12 and

255.13 (2) the employee has either refused to participate in the counseling or rehabilitation  
255.14 program or has failed to successfully complete the program, as evidenced by withdrawal  
255.15 from the program before its completion or by a positive test result on a confirmatory test  
255.16 after completion of the program.

255.17 (c) Notwithstanding paragraph (a), an employer may temporarily suspend the tested  
255.18 employee or transfer that employee to another position at the same rate of pay pending the  
255.19 outcome of the confirmatory test and, if requested, the confirmatory retest, provided the  
255.20 employer believes that it is reasonably necessary to protect the health or safety of the  
255.21 employee, coemployees, or the public. An employee who has been suspended without pay  
255.22 must be reinstated with back pay if the outcome of the confirmatory test or requested  
255.23 confirmatory retest is negative.

255.24 (d) An employer may not discharge, discipline, discriminate against, or request or require  
255.25 rehabilitation of an employee on the basis of medical history information revealed to the  
255.26 employer pursuant to subdivision 6 unless the employee was under an affirmative duty to  
255.27 provide the information before, upon, or after hire.

255.28 (e) An employee must be given access to information in the employee's personnel file  
255.29 relating to positive test result reports and other information acquired in the drug and alcohol  
255.30 testing process or cannabis testing process and conclusions drawn from and actions taken  
255.31 based on the reports or other acquired information.

255.32 Subd. 10a. Additional limitations for cannabis. An employer may discipline, discharge,  
255.33 or take other adverse personnel action against an employee for cannabis flower, cannabis  
255.34 product, lower-potency hemp edible, or hemp-derived consumer product use, possession,

256.1 impairment, sale, or transfer while an employee is working, on the employer's premises, or  
256.2 operating the employer's vehicle, machinery, or equipment as follows:

256.3 (1) if, as the result of consuming cannabis flower, a cannabis product, a lower-potency  
256.4 hemp edible, or a hemp-derived consumer product, the employee does not possess that  
256.5 clearness of intellect and control of self that the employee otherwise would have;

256.6 (2) if cannabis testing verifies the presence of cannabis flower, a cannabis product, a  
256.7 lower-potency hemp edible, or a hemp-derived consumer product following a confirmatory  
256.8 test;

256.9 (3) as provided in the employer's written work rules for cannabis flower, cannabis  
256.10 products, lower-potency hemp edibles, or hemp-derived consumer products and cannabis  
256.11 testing, provided that the rules are in writing and in a written policy that contains the  
256.12 minimum information required by section 181.952; or

256.13 (4) as otherwise authorized or required under state or federal law or regulations, or if a  
256.14 failure to do so would cause an employer to lose a monetary or licensing-related benefit  
256.15 under federal law or regulations.

256.16 Subd. 11. **Limitation on withdrawal of job offer.** If a job applicant has received a job  
256.17 offer made contingent on the applicant passing drug and alcohol testing, the employer may  
256.18 not withdraw the offer based on a positive test result from an initial screening test that has  
256.19 not been verified by a confirmatory test.

256.20 Sec. 40. Minnesota Statutes 2022, section 181.954, is amended to read:

256.25 Subd. 2. **Confidentiality limitations.** Test result reports and other information acquired  
256.26 in the drug or alcohol testing or cannabis testing process are, with respect to private sector  
256.27 employees and job applicants, private and confidential information, and, with respect to  
256.28 public sector employees and job applicants, private data on individuals as that phrase is  
256.29 defined in chapter 13, and may not be disclosed by an employer or laboratory to another

257.1 Subd. 3. **Exceptions to privacy and confidentiality disclosure**

257.2 **limitations.** Notwithstanding subdivisions 1 and 2, evidence of a positive test result on a

257.4 bargaining agreement, an administrative hearing under chapter 43A or other applicable state  
257.5 or local law, or a judicial proceeding, provided that information is relevant to the hearing  
257.6 or proceeding; (2) disclosed to any federal agency or other unit of the United States

257.10 Subd. 4. **Privilege.** Positive test results from an employer drug or alcohol testing or

257.18 or exceeds, and does not otherwise conflict with, the minimum standards and requirements  
257.19 for employee protection provided in those sections.

257.20 Subd. 2. **Employee protections under existing collective bargaining**  
257.21 **agreements.** Sections 181.950 to 181.954 shall not be construed to interfere with or diminish  
257.22 any employee protections relating to drug and alcohol testing or cannabis testing already  
257.23 provided under collective bargaining agreements in effect on the effective date of those  
257.24 sections that exceed the minimum standards and requirements for employee protection

257.29 employer and employees; and

257.30 (2) the covered employees are employed as professional athletes.

257.31 Upon request of the commissioner of labor and industry, the exclusive representative

260.15 with the Bureau of Criminal Apprehension. Fingerprints collected under this paragraph

260.19 NETStudy 2.0 of the status of processing of the subject's fingerprints.

261.1 (c) The commissioner shall not retain any data received under paragraph (a) ~~or (d)~~ that

261.6 ~~individuals with a felony drug conviction under chapter 152 dated from July 1, 1997, until~~

262.7 court-ordered sentence, unless the person is participating in a drug treatment program, has  
262.8 successfully completed a drug treatment program, or has been assessed by the county and  
262.9 determined not to be in need of a drug treatment program. Persons subject to the limitations  
262.10 of this subdivision who become eligible for assistance under this chapter shall be subject

262.16 after July 1, 1997, of sections 152.021 to 152.025, 152.0261, 152.0262, or 152.096. Drug  
262.17 offense also means a conviction in another jurisdiction of the possession, use, or distribution  
262.18 of a controlled substance, or conspiracy to commit any of these offenses, if the offense  
262.19 occurred after July 1, 1997, and the conviction is ~~a felony offense in that jurisdiction, or in~~  
262.20 ~~the case of New Jersey, a high misdemeanor~~ for a crime that would be a felony if committed  
262.21 in Minnesota.

262.22 (c) This subdivision does not apply for convictions or positive test results related to

263.1 Sec. 48. Minnesota Statutes 2022, section 256J.26, subdivision 1, is amended to read:

263.2 Subdivision 1. **Person convicted of drug offenses.** (a) An individual who has been  
263.3 convicted of a felony level drug offense committed during the previous ten years from the  
263.4 date of application or recertification is subject to the following:

263.5 (1) Benefits for the entire assistance unit must be paid in vendor form for shelter and  
263.6 utilities during any time the applicant is part of the assistance unit.

263.7 (2) The convicted applicant or participant shall be subject to random drug testing as a  
263.8 condition of continued eligibility and following any positive test for an illegal controlled  
263.9 substance is subject to the following sanctions:

263.10 (i) for failing a drug test the first time, the residual amount of the participant's grant after  
263.11 making vendor payments for shelter and utility costs, if any, must be reduced by an amount  
263.12 equal to 30 percent of the MFIP standard of need for an assistance unit of the same size.

263.13 When a sanction under this subdivision is in effect, the job counselor must attempt to meet  
263.14 with the person face-to-face. During the face-to-face meeting, the job counselor must explain  
263.15 the consequences of a subsequent drug test failure and inform the participant of the right to  
263.16 appeal the sanction under section 256J.40. If a face-to-face meeting is not possible, the  
263.17 county agency must send the participant a notice of adverse action as provided in section  
263.18 256J.31, subdivisions 4 and 5, and must include the information required in the face-to-face  
263.19 meeting; or

263.20 (ii) for failing a drug test two times, the participant is permanently disqualified from  
263.21 receiving MFIP assistance, both the cash and food portions. The assistance unit's MFIP  
263.22 grant must be reduced by the amount which would have otherwise been made available to  
263.23 the disqualified participant. Disqualification under this item does not make a participant  
263.24 ineligible for the Supplemental Nutrition Assistance Program (SNAP). Before a  
263.25 disqualification under this provision is imposed, the job counselor must attempt to meet  
263.26 with the participant face-to-face. During the face-to-face meeting, the job counselor must  
263.27 identify other resources that may be available to the participant to meet the needs of the  
263.28 family and inform the participant of the right to appeal the disqualification under section  
263.29 256J.40. If a face-to-face meeting is not possible, the county agency must send the participant  
263.30 a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5, and must  
263.31 include the information required in the face-to-face meeting.

263.32 (3) A participant who fails a drug test the first time and is under a sanction due to other  
263.33 MFIP program requirements is considered to have more than one occurrence of

264.1 noncompliance and is subject to the applicable level of sanction as specified under section  
264.2 256J.46, subdivision 1, paragraph (d).

264.3 (b) Applicants requesting only SNAP benefits or participants receiving only SNAP  
264.4 benefits, who have been convicted of a drug offense that occurred after July 1, 1997, may,  
264.5 if otherwise eligible, receive SNAP benefits if the convicted applicant or participant is  
264.6 subject to random drug testing as a condition of continued eligibility. Following a positive  
264.7 test for an illegal controlled substance, the applicant is subject to the following sanctions:

264.8 (1) for failing a drug test the first time, SNAP benefits shall be reduced by an amount  
264.9 equal to 30 percent of the applicable SNAP benefit allotment. When a sanction under this  
264.10 clause is in effect, a job counselor must attempt to meet with the person face-to-face. During  
264.11 the face-to-face meeting, a job counselor must explain the consequences of a subsequent  
264.12 drug test failure and inform the participant of the right to appeal the sanction under section  
264.13 256J.40. If a face-to-face meeting is not possible, a county agency must send the participant  
264.14 a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5, and must  
264.15 include the information required in the face-to-face meeting; and

264.16 (2) for failing a drug test two times, the participant is permanently disqualified from  
264.17 receiving SNAP benefits. Before a disqualification under this provision is imposed, a job  
264.18 counselor must attempt to meet with the participant face-to-face. During the face-to-face  
264.19 meeting, the job counselor must identify other resources that may be available to the  
264.20 participant to meet the needs of the family and inform the participant of the right to appeal  
264.21 the disqualification under section 256J.40. If a face-to-face meeting is not possible, a county  
264.22 agency must send the participant a notice of adverse action as provided in section 256J.31,  
264.23 subdivisions 4 and 5, and must include the information required in the face-to-face meeting.

264.24 (c) For the purposes of this subdivision, "drug offense" means an offense that occurred  
264.25 during the previous ten years from the date of application or recertification of sections  
264.26 152.021 to 152.025, 152.0261, 152.0262, 152.096, or 152.137. Drug offense also means a  
264.27 conviction in another jurisdiction of the possession, use, or distribution of a controlled  
264.28 substance, or conspiracy to commit any of these offenses, if the offense occurred during  
264.29 the previous ten years from the date of application or recertification and the conviction is  
264.30 a felony offense in that jurisdiction, or in the case of New Jersey, a high misdemeanor for  
264.31 a crime that would be a felony if committed in Minnesota.

264.32 (d) This subdivision does not apply for convictions or positive test results related to  
264.33 cannabis, marijuana, or tetrahydrocannabinols.

275.18 failed to qualify under the criteria described in subdivision 2, paragraph (b); or

275.19 (3) deny the application on the grounds that there exists a substantial likelihood that the  
275.20 applicant is a danger to self or the public if authorized to carry a pistol under a permit.

275.21 (b) Failure of the sheriff to notify the applicant of the denial of the application within  
275.22 30 days after the date of receipt of the application packet constitutes issuance of the permit  
275.23 to carry and the sheriff must promptly fulfill the requirements under paragraph (c). To deny  
275.24 the application, the sheriff must provide the applicant with written notification and the  
275.25 specific factual basis justifying the denial under paragraph (a), clause (2) or (3), including  
275.26 the source of the factual basis. The sheriff must inform the applicant of the applicant's right  
275.27 to submit, within 20 business days, any additional documentation relating to the propriety

275.29 denial and inform the applicant within 15 business days of the result of the reconsideration.  
275.30 Any denial after reconsideration must be in the same form and substance as the original  
275.31 denial and must specifically address any continued deficiencies in light of the additional  
275.32 documentation submitted by the applicant. The applicant must be informed of the right to  
275.33 seek de novo review of the denial as provided in subdivision 12.

276.1 (c) Upon issuing a permit to carry, the sheriff must provide a laminated permit card to  
276.2 the applicant by first class mail unless personal delivery has been made. Within five business  
276.3 days, the sheriff must submit the information specified in subdivision 7, paragraph (a), to  
276.4 the commissioner for inclusion solely in the database required under subdivision 15,  
276.5 paragraph (a). The sheriff must transmit the information in a manner and format prescribed  
276.6 by the commissioner.

276.7 (d) Within five business days of learning that a permit to carry has been suspended or  
276.8 revoked, the sheriff must submit information to the commissioner regarding the suspension  
276.9 or revocation for inclusion solely in the databases required or permitted under subdivision  
276.10 15.

276.11 (e) Notwithstanding paragraphs (a) and (b), the sheriff may suspend the application  
276.12 process if a charge is pending against the applicant that, if resulting in conviction, will  
276.13 prohibit the applicant from possessing a firearm.

276.14 (f) A sheriff shall not deny an application for a permit to carry solely because the applicant  
276.15 is a patient enrolled in the registry program and uses medical cannabis flower or medical  
276.16 cannabinoid products for a qualifying medical condition or because the person is 21 years  
276.17 of age or older and uses adult-use cannabis flower, adult-use cannabis products,  
276.18 lower-potency hemp edibles, or hemp-derived consumer products.

277.11 (b) A person may not be denied the right to purchase, own, possess, or carry a firearm  
277.12 solely on the basis that the person is 21 years of age or older and uses adult-use cannabis  
277.13 flower, adult-use cannabis products, lower-potency hemp edibles, or hemp-derived consumer  
277.14 products.

277.15 (c) A state or local agency may not access a database containing the identities of patients

282.15 be retested by a testing laboratory that meets this requirement.

282.16 ~~(e)~~ (e) Testing of the hemp from which the nonintoxicating cannabinoid was derived,

282.29 immediate container that holds the product is too small to contain all of the information.

282.30 (c) The information required in paragraph (a) may be provided through the use of a  
282.31 scannable barcode or matrix barcode that links to a page on the manufacturer's website if  
282.32 that page contains all of the information required by this subdivision.

283.1 (d) The label must also include a statement stating that the product does not claim to  
283.2 diagnose, treat, cure, or prevent any disease and has not been evaluated or approved by the  
283.3 United States Food and Drug Administration (FDA) unless the product has been so approved.

283.4 (e) The information required by this subdivision must be prominently and conspicuously

283.6 by the consumer.

283.7 (f) The labeling must not contain any claim that the product may be used or is effective  
283.8 for the prevention, treatment, or cure of a disease or that it may be used to alter the structure  
283.9 or function of human or animal bodies, unless the claim has been approved by the FDA.
