1.26 Section 1. Minnesota Statutes 2015 Supplement, section 501C.0110, is amended to read:

1.27 **501C.0110 OTHERS TREATED AS QUALIFIED BENEFICIARIES.**

1.28 (a) Whenever notice to qualified beneficiaries of a trust is required under this

1.29 chapter, the trustee must also give notice to any other beneficiary who has sent the trustee

1.30 a request for notice.

2.1 (b) A charitable organization expressly designated to receive distributions under  
2.2 the terms of a charitable trust has the rights of a qualified beneficiary under this chapter  
2.3 if the charitable organization, on the date the charitable organization's qualification is  
2.4 being determined:

2.5 (1) is a distributee or permissible distributee of trust income or principal;

2.6 (2) would be a distributee or permissible distributee of trust income or principal  
2.7 upon the termination of the interests of other distributees or permissible distributees then  
2.8 receiving or eligible to receive distributions; or

2.9 (3) would be a distributee or permissible distributee of trust income or principal if  
2.10 the trust terminated on that date.

2.11 (c) A person appointed to enforce a trust created for the care of an animal or another  
2.12 noncharitable purpose as provided in section 501C.0408 or 501C.0409 has the rights of a  
2.13 qualified beneficiary under this chapter.

2.14 ~~(e)~~ (d) The attorney general of this state has the rights of a qualified beneficiary with  
2.15 respect to a charitable trust having its principal place of administration in this state.

2.16 Sec. 2. Minnesota Statutes 2015 Supplement, section 501C.0402, is amended to read:

2.17 **501C.0402 REQUIREMENTS FOR CREATION.**

2.18 (a) A trust is created only if:

2.19 (1) the settlor has capacity to transfer property free from trust, except that if a trust is  
2.20 a revocable trust, the settlor has capacity as required under section 501C.0601;

2.21 (2) the settlor indicates an intention to create the trust;

2.22 (3) the trust has a definite beneficiary or is:

2.23 (i) a charitable trust;

2.24 (ii) trust for the care of an animal, as provided in section 501C.0408; or

2.25 ~~(ii)~~ (iii) a trust for a noncharitable purpose, as provided in section 501C.0409; and

2.27 (b) A beneficiary is definite if the beneficiary can be ascertained now or in the  
2.28 future, subject to any applicable rule against perpetuities.

2.29 (c) A power in a trustee to select a beneficiary from an indefinite class is valid. If  
2.30 the power is not exercised within a reasonable time, the power fails and the property  
2.31 subject to the power passes to the persons who would have taken the property if the power  
2.32 had not been conferred.

2.33 (d) No trust is invalid or terminated, and title to trust assets is not merged, because  
2.34 the trustee or trustees are the same person or persons as the beneficiaries of the trust.

3.1 (e) Passive trusts of real or personal property are abolished. An attempt to create a  
3.2 passive trust vests the entire estate granted in the beneficiary.

3.3 **Sec. 3. [501C.0408] TRUST FOR CARE OF ANIMAL.**

3.4 **Subdivision 1. Creation of an animal trust authorized; termination.** A trust  
3.5 may be created to provide for the care of an animal alive during the settlor's lifetime.  
3.6 The trust terminates upon the death of the animal or, if the trust was created to provide  
3.7 for the care of more than one animal alive during the settlor's lifetime, upon the death of  
3.8 the last surviving animal. Notwithstanding the foregoing, the trust may not be enforced  
3.9 for more than 90 years.

3.10 **Subd. 2. Enforcement of trust.** A trust authorized by this section may be enforced  
3.11 by a person appointed in the terms of the trust or, if no person is appointed, by a person  
3.12 appointed by a court. A person having an interest in the welfare of the animal may request  
3.13 the court to appoint a person to enforce the trust or to remove an appointed person.

3.14 **Subd. 3. Application of trust property.** Property of a trust authorized by this  
3.15 section may be applied only to the trust's intended use, except to the extent a court  
3.16 determines that the value of the trust property exceeds the amount required for the  
3.17 intended use. Upon termination of the trust, or if the court determines the trust has excess  
3.18 funds, the trustee shall transfer the unexpended or excess trust property pursuant to the  
3.19 terms of the trust instrument or, if there is no provision in the trust instrument, then the  
3.20 trust passes to the settlor's heirs-at-law determined as if the settlor died intestate domiciled  
3.21 in this state at the time of distribution.

3.22 **Subd. 4. Public health programs and trusts.** An irrevocable inter vivos trust

3.30 ascertainable beneficiary or for a noncharitable but otherwise valid purpose to be selected  
3.31 by the trustee. The trust may not be enforced for more than 21 years.

3.32 (2) A trust authorized by this section may be enforced by a person appointed in the  
3.33 terms of the trust or, if no person is so appointed, by a person appointed by the court.

7.2 recipient or not to disclose some or all of the user's digital assets, including the content  
7.3 of electronic communications. If the online tool allows the user to modify or delete a  
7.4 direction at all times, a direction regarding disclosure using an online tool overrides a  
7.5 contrary direction by the user in a will, trust, power of attorney, or other record.

7.7 custodian has not provided an online tool, the user may allow or prohibit in a will, trust,

7.17 expanded rights other than those held by the user for whom, or for whose estate, the  
7.18 fiduciary or designated recipient acts or represents.

7.19 (c) A fiduciary's or designated recipient's access to digital assets may be modified or

7.26 (2) grant a fiduciary or designated recipient partial access to the user's account  
7.27 sufficient to perform the tasks with which the fiduciary or designated recipient is charged; or

7.28 (3) provide a fiduciary or designated recipient a copy in a record of any digital asset  
7.29 that, on the date the custodian received the request for disclosure, the user could have  
7.30 accessed if the user were alive and had full capacity and access to the account.

7.31 (b) A custodian may assess a reasonable administrative charge for the cost of  
7.32 disclosing digital assets under this chapter.

7.33 (c) A custodian need not disclose under this chapter a digital asset deleted by a user.

8.1 (d) If a user directs or a fiduciary requests a custodian to disclose under this chapter  
8.2 some, but not all, of the user's digital assets, the custodian need not disclose the assets if  
8.3 segregation of the assets would impose an undue burden on the custodian. If the custodian  
8.4 believes the direction or request imposes an undue burden, the custodian or fiduciary may  
8.5 seek an order from the court to disclose:

- 8.6 (1) a subset limited by date of the user's digital assets;  
8.7 (2) all of the user's digital assets to the fiduciary or designated recipient;  
8.8 (3) none of the user's digital assets; or  
8.9 (4) all of the user's digital assets to the court for review in chambers.

8.10 **Sec. 8. [521A.07] DISCLOSURE OF CONTENT OF ELECTRONIC**  
8.11 **COMMUNICATIONS OF DECEASED USER.**

8.12 If a deceased user consented or a court directs disclosure of the content of an  
8.13 electronic communication of the user, the custodian shall disclose to the personal  
8.14 representative of the estate of the user the content of an electronic communication sent or  
8.15 received by the user if the representative gives the custodian:

- 8.16 (1) a written request for disclosure in physical or electronic form;  
8.17 (2) a certified copy of the death certificate of the user;  
8.18 (3) a certified copy of the letter of appointment of the representative, court order, or  
8.19 Affidavit of Collection of Personal Property executed under section 524.3-1201;  
8.20 (4) unless the user provided direction using an online tool, a copy of the user's will,  
8.21 trust, power of attorney, or other record evidencing the user's consent to disclosure of the  
8.22 content of electronic communications; and

8.23 (5) if requested by the custodian:

8.24 (i) a number, username, address, or other unique subscriber or account identifier  
8.25 assigned by the custodian to identify the user's account;

8.26 (ii) evidence linking the account to the user; or

8.27 (iii) a finding by the court that:

8.28 (A) the user had a specific account with the custodian, identifiable by the information  
8.29 specified in item (i);

8.30 (B) disclosure of the content of electronic communications of the user would not  
8.31 violate United States Code, title 18, section 2701 et seq., as amended; United States Code,  
8.32 title 47, section 222, as amended; or other applicable law;

8.33 (C) unless the user provided direction using an online tool, the user consented to  
8.34 disclosure of the content of electronic communications; or

9.1 (D) disclosure of the content of electronic communications of the user is reasonably  
9.2 necessary for administration of the estate.

9.3 **Sec. 9. [521A.08] DISCLOSURE OF OTHER DIGITAL ASSETS OF**  
9.4 **DECEASED USER.**

9.5 Unless the user prohibited disclosure of digital assets or the court directs otherwise,  
9.6 a custodian shall disclose to the personal representative of the estate of a deceased user a  
9.7 catalog of electronic communications sent or received by the user and digital assets,  
9.8 other than the content of electronic communications, of the user if the representative  
9.9 gives the custodian:

9.10 (1) a written request for disclosure in physical or electronic form;

9.11 (2) a certified copy of the death certificate of the user;

9.12 (3) a certified copy of the letter of appointment of the representative, court order, or  
9.13 Affidavit of Collection of Personal Property executed under section 524.3-1201; and

9.14 (4) if requested by the custodian:

9.15 (i) a number, username, address, or other unique subscriber or account identifier  
9.16 assigned by the custodian to identify the user's account;

9.17 (ii) evidence linking the account to the user;

9.18 (iii) an affidavit stating that disclosure of the user's digital assets is reasonably  
9.19 necessary for administration of the estate; or

9.20 (iv) a finding by the court that:

9.21 (A) the user had a specific account with the custodian, identifiable by the information  
9.22 specified in item (i); or

9.23 (B) disclosure of the user's digital assets is reasonably necessary for administration  
9.24 of the estate.

9.25 **Sec. 10. [521A.09] DISCLOSURE OF CONTENT OF ELECTRONIC**  
9.26 **COMMUNICATIONS OF PRINCIPAL.**

9.27 To the extent a power of attorney expressly grants an agent authority over the  
9.28 content of electronic communications sent or received by the principal and unless directed  
9.29 otherwise by the principal or the court, a custodian shall disclose to the agent the content  
9.30 if the agent gives the custodian:

9.31 (1) a written request for disclosure in physical or electronic form;

9.32 (2) an original or copy of the power of attorney expressly granting the agent  
9.33 authority over the content of electronic communications of the principal;

10.1 (3) a certification by the agent, under penalty of perjury, that the power of attorney is  
10.2 in effect; and

10.3 (4) if requested by the custodian:

10.4 (i) a number, username, address, or other unique subscriber or account identifier  
10.5 assigned by the custodian to identify the principal's account; or

10.11 digital assets or general authority to act on behalf of a principal a catalog of electronic  
10.12 communications sent or received by the principal and digital assets, other than the content  
10.13 of electronic communications, of the principal if the agent gives the custodian:

10.14 (1) a written request for disclosure in physical or electronic form;

10.15 (2) an original or a copy of the power of attorney that gives the agent specific  
10.16 authority over digital assets or general authority to act on behalf of the principal;

10.17 (3) a certification by the agent, under penalty of perjury, that the power of attorney is  
10.18 in effect; and

10.19 (4) if requested by the custodian:

10.20 (i) a number, username, address, or other unique subscriber or account identifier  
10.21 assigned by the custodian to identify the principal's account; or

10.22 (ii) evidence linking the account to the principal.

10.23 Sec. 12. **[521A.11] DISCLOSURE OF DIGITAL ASSETS HELD IN TRUST**  
10.24 **WHEN TRUSTEE IS ORIGINAL USER.**

10.25 Unless otherwise ordered by the court or provided in a trust, a custodian shall  
10.26 disclose to a trustee that is an original user of an account any digital asset of the account  
10.27 held in trust, including a catalog of electronic communications of the trustee and the  
10.28 content of electronic communications.

10.29 Sec. 13. **[521A.12] DISCLOSURE OF CONTENT OF ELECTRONIC**  
10.30 **COMMUNICATIONS HELD IN TRUST WHEN TRUSTEE NOT ORIGINAL**

20.6 Sec. 23. Minnesota Statutes 2014, section 524.2-202, is amended to read:

20.7 **524.2-202 ELECTIVE SHARE.**

20.8 (a) **Elective share amount.** The surviving spouse of a decedent who dies domiciled  
 20.9 in this state has a right of election, under the limitations and conditions stated in this part,  
 20.10 to take an elective-share amount equal to the value of the elective-share percentage of the  
 20.11 augmented estate, determined by the length of time the spouse and the decedent were  
 20.12 married to each other, in accordance with the following schedule:

20.13 If the decedent and the spouse were 20.14 married to each other:	The elective-share percentage is:
20.15 Less than one year	Supplemental amount only
20.16 One year but less than two years	Three percent of the augmented estate
20.17 Two years but less than three years	Six percent of the augmented estate
20.18 Three years but less than four years	Nine percent of the augmented estate
20.19 Four years but less than five years	12 percent of the augmented estate
20.20 Five years but less than six years	15 percent of the augmented estate
20.21 Six years but less than seven years	18 percent of the augmented estate
20.22 Seven years but less than eight years	21 percent of the augmented estate
20.23 Eight years but less than nine years	24 percent of the augmented estate
20.24 Nine years but less than ten years	27 percent of the augmented estate
20.25 Ten years but less than 11 years	30 percent of the augmented estate

20.30 15 years or more	50 percent of the augmented estate

20.31 (b) **Supplemental elective-share amount.** If the sum of the amounts described in  
 20.32 sections 524.2-207, 524.2-209, paragraph (a), clause (1), and that part of the elective-share  
 20.33 amount payable from the decedent's probate estate and nonprobate transfers to others  
 20.34 under section 524.2-209, paragraphs (b) and (c), is less than ~~\$50,000~~ \$75,000, the  
 20.35 surviving spouse is entitled to a supplemental elective-share amount equal to ~~\$50,000~~  
 20.36 \$75,000, minus the sum of the amounts described in those sections. The supplemental  
 20.37 elective-share amount is payable from the decedent's probate estate and from recipients of

21.1 the decedent's nonprobate transfers to others in the order of priority set forth in section  
21.2 524.2-209, paragraphs (b) and (c).

21.3 (c) **Effect of election on statutory benefits.** If the right of election is exercised by  
21.4 or on behalf of the surviving spouse, the surviving spouse's homestead rights and other  
21.5 allowances under sections 524.2-402, 524.2-403 and 524.2-404, if any, are not charged  
21.6 against but are in addition to the elective-share and supplemental elective-share amounts.

21.7 (d) **Nondomiciliary.** The right, if any, of the surviving spouse of a decedent who  
21.8 dies domiciled outside this state to take an elective share in property in this state is  
21.9 governed by the law of the decedent's domicile at death.

21.10 Sec. 24. Minnesota Statutes 2014, section 524.2-301, is amended to read:

21.11 **524.2-301 ENTITLEMENT OF SPOUSE; PREMARITAL WILL.**

21.12 (a) If a testator married after making a will and the spouse survives the testator, the  
21.13 surviving spouse shall receive a share of the estate of the testator equal in value to that  
21.14 which the surviving spouse would have received if the testator had died intestate, unless:

21.15 (1) provision has been made for, or waived by, the spouse by prenuptial or  
21.16 postnuptial agreement;

21.17 (2) the will or other written evidence discloses an intention not to make provision  
21.18 for the spouse; ~~or~~

21.19 (3) ~~the spouse is provided for~~ person, who was the surviving spouse at death, was  
21.20 designated as a devisee, or is the beneficiary of a trust referenced, in the will; or

21.21 (4) the testator provided for the spouse by transfer outside the will and the intent  
21.22 that the transfer be in lieu of a testamentary provision is shown by the testator's written  
21.23 statements or may be reasonably inferred from the amount of the transfer or other evidence.

21.24 (b) In satisfying the share provided by this section, devises made by the will other  
21.25 than a devise to a child of the testator who was born before the testator married the  
21.26 surviving spouse and who is not a child of the surviving spouse or a devise or substitute  
21.27 gift under section 524.2-603 or 524.2-604 to a descendant of such a child, abate first as  
21.28 otherwise provided in section 524.3-902.

21.29 Sec. 25. Minnesota Statutes 2014, section 524.2-403, is amended to read:

21.30 **524.2-403 EXEMPT PROPERTY.**

21.31 (a) If there is a surviving spouse, then, in addition to the homestead and family  
21.32 allowance, the surviving spouse is entitled from the estate to:

22.1 (1) property not exceeding ~~\$10,000~~ \$15,000 in value in excess of any security  
22.2 interests therein, in household furniture, furnishings, appliances, and personal effects,  
22.3 subject to an award of sentimental value property under section 525.152; and

22.4 (2) one automobile, if any, without regard to value.

22.5 (b) If there is no surviving spouse, the decedent's children are entitled jointly to  
22.6 the same property as provided in paragraph (a), except that where it appears from the  
22.7 decedent's will a child was omitted intentionally, the child is not entitled to the rights  
22.8 conferred by this section.

22.9 (c) If encumbered chattels are selected and the value in excess of security interests,  
22.10 plus that of other exempt property, is less than ~~\$10,000~~ \$15,000, or if there is not ~~\$10,000~~  
22.11 \$15,000 worth of exempt property in the estate, the surviving spouse or children are  
22.12 entitled to other personal property of the estate, if any, to the extent necessary to make up  
22.13 the ~~\$10,000~~ \$15,000 value.

22.14 (d) Rights to exempt property and assets needed to make up a deficiency of exempt  
22.15 property have priority over all claims against the estate, but the right to any assets to  
22.16 make up a deficiency of exempt property abates as necessary to permit earlier payment  
22.17 of the family allowance.

22.18 (e) The rights granted by this section are in addition to any benefit or share passing  
22.19 to the surviving spouse or children by the decedent's will, unless otherwise provided, by  
22.20 intestate succession or by way of elective share.

22.21 (f) No rights granted to a decedent's adult children under this section shall have  
22.22 precedence over a claim under section 246.53, 256B.15, 256D.16, 261.04, or 524.3-805,  
22.23 paragraph (a), clause (1), (2), or (3).

22.24 Sec. 26. Minnesota Statutes 2014, section 524.2-404, is amended to read:

22.25 **524.2-404 FAMILY ALLOWANCE.**

22.26 (a) In addition to the right to the homestead and exempt property, the decedent's  
22.27 surviving spouse and minor children whom the decedent was obligated to support, and  
22.28 children who were in fact being supported by the decedent, shall be allowed a reasonable  
22.29 family allowance in money out of the estate for their maintenance as follows:

22.30 (1) for one year if the estate is inadequate to discharge allowed claims; or

22.31 (2) for 18 months if the estate is adequate to discharge allowed claims.

22.32 (b) The amount of the family allowance may be determined by the personal  
22.33 representative in an amount not to exceed ~~\$1,500~~ \$2,300 per month.

22.34 (c) The family allowance is payable to the surviving spouse, if living; otherwise to  
22.35 the children, their guardian or conservator, or persons having their care and custody.

23.1 (d) The family allowance is exempt from and has priority over all claims.

23.2 (e) The family allowance is not chargeable against any benefit or share passing to  
 23.3 the surviving spouse or children by the will of the decedent unless otherwise provided, by  
 23.4 intestate succession or by way of elective share. The death of any person entitled to family  
 23.5 allowance does not terminate the right of that person to the allowance.

23.6 (f) The personal representative or an interested person aggrieved by any  
 23.7 determination, payment, proposed payment, or failure to act under this section may  
 23.8 petition the court for appropriate relief, which may include a family allowance other than  
 23.9 that which the personal representative determined or could have determined.

23.10 Sec. 27. Minnesota Statutes 2014, section 524.2-606, is amended to read:

23.11 **524.2-606 NONADEMPTION OF SPECIFIC DEVICES; UNPAID PROCEEDS**  
 23.12 **OF SALE, CONDEMNATION, OR INSURANCE; SALE BY CONSERVATOR**  
 23.13 **OR GUARDIAN.**

23.14 (a) A specific devisee has a right to the specifically devised property in the testator's  
 23.15 estate at death and:

23.16 (1) any balance of the purchase price, together with any security agreement, owing  
 23.17 from a purchaser to the testator at death by reason of sale of the property;

23.18 (2) any amount of a condemnation award for the taking of the property unpaid  
 23.19 at death;

23.20 (3) any proceeds unpaid at death on fire or casualty insurance on or other recovery  
 23.21 for injury to the property; and

23.22 (4) property owned by the testator at death and acquired as a result of foreclosure, or  
 23.23 obtained in lieu of foreclosure, of the security interest for a specifically devised obligation.

23.24 (b) If specifically devised property is sold or mortgaged by a conservator or  
 23.25 guardian or by an agent acting within the authority of a durable power of attorney for  
 23.26 an incapacitated principal, or by the trustee of a revocable trust during the period of the  
 23.27 settlor's incapacity, or if a condemnation award, insurance proceeds, or recovery for injury  
 23.28 to the property are paid to a conservator or guardian or to an agent acting within the  
 23.29 authority of a durable power of attorney for an incapacitated principal, or to the trustee of  
 23.30 a revocable trust during the period of the settlor's incapacity, the specific devisee has the  
 23.31 right to a general pecuniary devise equal to the net sale price, the amount of the unpaid  
 23.32 loan, the condemnation award, the insurance proceeds, or the recovery.

23.33 (c) The right of a specific devisee under paragraph (b) is reduced by any right the  
 23.34 devisee has under paragraph (a).

24.1 (d) For the purposes of the references in paragraph (b) to a conservator or guardian  
 24.2 or an agent acting within the authority of a durable power of attorney or a trustee of a  
 24.3 revocable trust during the period of the settlor's incapacity, paragraph (b) does not apply if  
 24.4 after the sale, mortgage, condemnation, casualty, or recovery;

24.5 (1) in the case of a conservator or guardian, it was adjudicated that the testator's  
 24.6 incapacity ceased and the testator survived the adjudication by one year; ~~or~~

24.7 (2) in the case of an agent acting within the authority of a durable power of attorney,  
 24.8 the testator's incapacity ceased and the testator survived for one year after the incapacity  
 24.9 ceased; or

24.10 (3) in the case of a trustee, the settlor's incapacity ceased and the settlor survived  
 24.11 for one year after the incapacity ceased.

24.12 (e) For the purposes of the references in paragraph (b) to the trustee of a revocable  
 24.13 trust during the period of the settlor's incapacity, paragraph (b) does not apply to a specific  
 24.14 devise contained in a will if:

24.15 (1) the revocable trust provides for the transfer, devise, or distribution of all trust  
 24.16 assets held as of the death of the settlor to persons or entities other than the settlor's  
 24.17 estate; and

24.18 (2) the initial transfer of devised property into the trust occurred prior to the settlor's  
 24.19 incapacity.

24.20 ~~(e)~~ (f) For the purposes of the references in paragraph (b) to an agent acting within  
 24.21 the authority of a durable power of attorney for an incapacitated principal or the trustee of  
 24.22 a revocable trust during the period of the settlor's incapacity, (i) "incapacitated principal"  
 24.23 means a principal who is an incapacitated person as defined in section 524.5-102,  
 24.24 subdivision 6, and the "period of the settlor's incapacity" means a period when the settlor  
 24.25 of a revocable trust is an incapacitated person as defined by the trust instrument, or, if the  
 24.26 trust instrument is silent, as defined in section 524.5-102, subdivision 6, and (ii) a finding  
 24.27 of the principal's or settlor's incapacity need not occur during the principal's or settlor's life.

24.28 Sec. 28. **[524.2-805] REFORMATION TO CORRECT MISTAKES.**

24.29 The court may reform the terms of a governing instrument, even if unambiguous,  
 24.30 to conform the terms to the transferor's intention, if it is proved by clear and convincing  
 24.31 evidence what the transferor's intention was and that the terms of the governing instrument  
 24.32 were affected by a mistake of a fact or law, whether in expression or inducement.

24.33 Sec. 29. **[524.2-806] MODIFICATION TO ACHIEVE TRANSFEROR'S TAX**  
 24.34 **OBJECTIVES.**

25.1 Subdivision 1. Permitted purposes. In order to achieve tax objectives that are  
 25.2 clearly provided for in the transferor's will, the court may modify the terms of a governing  
 25.3 instrument, in a manner that is not contrary to the transferor's probable intention, to ensure  
 25.4 that the governing instrument correctly creates an interest:

25.5 (1) in which a surviving spouse has a qualifying income interest with respect to  
 25.6 which an election has been or will be made in whole or in part under section 2056(b)(7),  
 25.7 2056A, or 2523(f) of the Internal Revenue Code;

25.8 (2) which will qualify for the marital deduction under section 2056 or 2056A of the  
 25.9 Internal Revenue Code, by election or otherwise;

25.10 (3) which will qualify for the charitable deduction under section 2055, 2522, or  
 25.11 642(c) of the Internal Revenue Code;

25.12 (4) that is to be excepted, excluded, or exempt from or under chapter 13 (tax on  
 25.13 generation skipping transfers) of the Internal Revenue Code; or

25.14 (5) in a trust that satisfies the criteria for qualified subchapter S trusts under section  
 25.15 1361(d) of the Internal Revenue Code.

25.16 Subd. 2. May be retroactive. The court may provide that a modification under  
 25.17 this section has retroactive effect.

25.18 Sec. 30. Minnesota Statutes 2014, section 524.3-406, is amended to read:

25.19 **524.3-406 FORMAL TESTACY PROCEEDINGS; CONTESTED CASES;**  
 25.20 **TESTIMONY OF ATTESTING WITNESSES.**

25.21 (a) If evidence concerning execution of an attested will which is not self-proved is  
 25.22 necessary in contested cases, the testimony of at least one of the attesting witnesses, if  
 25.23 within the state competent and able to testify, is required. Due execution of a will may be  
 25.24 proved by other evidence, including an affidavit of an attesting witness. An attestation  
 25.25 clause that is signed by the attesting witnesses raises a rebuttable presumption that the  
 25.26 events recited in the clause occurred.

25.27 (b) If the will is self-proved, compliance with signature requirements for execution  
 25.28 is conclusively presumed and other requirements of execution are presumed subject to  
 25.29 rebuttal without the testimony of any witness upon filing the will and the acknowledgment  
 25.30 and affidavits annexed or attached thereto, unless there is proof of fraud or forgery  
 25.31 affecting the acknowledgment or affidavit.

25.32 Sec. 31. Minnesota Statutes 2014, section 524.3-1201, is amended to read:

25.33 **524.3-1201 COLLECTION OF PERSONAL PROPERTY BY AFFIDAVIT.**

26.1 (a) Thirty days after the death of a decedent, (i) any person indebted to the  
26.2 decedent, (ii) any person having possession of tangible personal property or an instrument  
26.3 evidencing a debt, obligation, stock, or chose in action belonging to the decedent, or (iii)  
26.4 any safe deposit company, as defined in section 55.01, controlling the right of access to  
26.5 decedent's safe deposit box shall make payment of the indebtedness or deliver the tangible  
26.6 personal property or an instrument evidencing a debt, obligation, stock, or chose in  
26.7 action or deliver the entire contents of the safe deposit box to a person claiming to be the  
26.8 successor of the decedent, or a state or county agency with a claim authorized by section  
26.9 256B.15, upon being presented a certified death record of the decedent and an affidavit  
26.10 made by or on behalf of the successor stating that:

26.11 (1) the value of the entire probate estate, determined as of the date of death,  
26.12 wherever located, including specifically any contents of a safe deposit box, less liens and  
26.13 encumbrances, does not exceed ~~\$50,000~~ \$75,000;

26.14 (2) 30 days have elapsed since the death of the decedent or, in the event the property  
26.15 to be delivered is the contents of a safe deposit box, 30 days have elapsed since the filing  
26.16 of an inventory of the contents of the box pursuant to section 55.10, paragraph (h);

26.17 (3) no application or petition for the appointment of a personal representative is  
26.18 pending or has been granted in any jurisdiction;

26.19 (4) if presented, by a state or county agency with a claim authorized by section  
26.20 256B.15, to a financial institution with a multiple-party account in which the decedent  
26.21 had an interest at the time of death, the amount of the affiant's claim and a good faith  
26.22 estimate of the extent to which the decedent was the source of funds or beneficial owner  
26.23 of the account; and

26.24 (5) the claiming successor is entitled to payment or delivery of the property.

26.25 (b) A transfer agent of any security shall change the registered ownership on  
26.26 the books of a corporation from the decedent to the successor or successors upon the  
26.27 presentation of an affidavit as provided in subsection (a).

26.28 (c) The claiming successor or state or county agency shall disburse the proceeds  
26.29 collected under this section to any person with a superior claim under section 524.2-403  
26.30 or 524.3-805.

26.31 (d) A motor vehicle registrar shall issue a new certificate of title in the name of the  
26.32 successor upon the presentation of an affidavit as provided in subsection (a).

26.33 (e) The person controlling access to decedent's safe deposit box need not open the  
26.34 box or deliver the contents of the box if:

26.35 (1) the person has received notice of a written or oral objection from any person or  
26.36 has reason to believe that there would be an objection; or

27.1 (2) the lessee's key or combination is not available.

27.2 Sec. 32. Minnesota Statutes 2014, section 524.3-1203, subdivision 5, is amended to  
27.3 read:

27.4 Subd. 5. **Exhaustion of estate.** In any summary, special, or other administration  
27.5 in which it appears that the estate will not be exhausted in payment of the priority items  
27.6 enumerated in subdivisions 1 to 4, the estate may nevertheless be summarily closed  
27.7 without further notice, and the property assigned to the proper persons, if the gross probate  
27.8 estate, exclusive of any exempt homestead as defined in section 524.2-402, and any  
27.9 exempt property as defined in section 524.2-403, does not exceed the value of ~~\$100,000~~  
27.10 \$150,000. If the closing and distribution of assets is made pursuant to the terms of a  
27.11 will, no decree shall issue until a hearing has been held for formal probate of the will as  
27.12 provided in sections 524.3-401 to 524.3-413.

27.13 No summary closing of an estate shall be made to any distributee under this  
27.14 subdivision, unless a showing is made by the personal representative or the petitioner, that  
27.15 all property selected by and allowances to the spouse and children as provided in section  
27.16 524.2-403 and the expenses and claims provided in section 524.3-805 have been paid,  
27.17 and provided, further, that a bond shall be filed by the personal representative or the  
27.18 petitioner, conditioned upon the fact that all such obligations have been paid and that all  
27.19 the facts shown on the petition are true, with sufficient surety approved by the court in  
27.20 an amount as may be fixed by the court to cover potential improper distributions. If a  
27.21 personal representative is appointed, the representative's bond shall be sufficient for such  
27.22 purpose unless an additional bond is ordered, and the sureties on the bond shall have the  
27.23 same obligations and liabilities as provided for sureties on a distribution bond.

27.24 In the event that an improper distribution or disbursement is made in a summary  
27.25 closing, in that not all of said obligations have been paid or that other facts as shown by  
27.26 the personal representative or the petitioner, are not true, resulting in damage to any  
27.27 party, the court may vacate its summary decree or closing order, and the petitioner or  
27.28 the personal representative, together with the surety, shall be liable for damages to any  
27.29 party determined to be injured thereby as herein provided. The personal representative,  
27.30 petitioner, or the surety, may seek reimbursement for damages so paid or incurred from  
27.31 any distributee or recipient of assets under summary decree or order, who shall be required  
27.32 to make a contribution to cover such damages upon a pro rata basis or as may be equitable  
27.33 to the extent of assets so received. The court is hereby granted complete and plenary  
27.34 jurisdiction of any and all such proceedings and may enter such orders and judgments as  
27.35 may be required to effectuate the purposes of this subdivision.

28.1 Any judgment rendered for damages or the recovery of assets in such proceedings  
28.2 shall be upon petition and only after hearing held thereon on 14 days' notice of hearing and  
28.3 a copy of petition served personally upon the personal representative and the surety and  
28.4 upon any distributee or recipient of assets where applicable. Any action for the recovery  
28.5 of money or damages under this subdivision is subject to the time and other limitations  
28.6 imposed by section 524.1-304.

28.7 Sec. 33. **EFFECTIVE DATE.**

28.8 Sections 2 to 20 apply to fiduciaries acting under a governing instrument executed  
28.9 before, on, or after August 1, 2016.

### 28.10 ARTICLE 3

#### 28.11 ASSIGNMENT AND RECEIVERSHIP PROVISIONS; SHORT 28.12 FORM OF ASSIGNMENT CREATED

28.13 Section 1. Minnesota Statutes 2014, section 559.17, subdivision 2, is amended to read:

28.14 Subd. 2. **Assignment; conditions.** A mortgagor may assign, as additional security  
28.15 for the debt secured by the mortgage, the rents and profits from the mortgaged real  
28.16 property, if the mortgage:

28.17 (1) was executed, modified or amended subsequent to August 1, 1977;

28.18 (2) secured an original principal amount of \$100,000 or more or is a lien upon  
28.19 residential real estate containing more than four dwelling units; and

28.20 (3) is not a lien upon property which was:

28.21 (i) entirely homesteaded as agricultural property; or

28.22 (ii) residential real estate containing four or fewer dwelling units where at least  
28.23 one of the units is homesteaded. The assignment may be enforced, but only against the  
28.24 nonhomestead portion of the mortgaged property, as follows:

28.25 (a) if, by the terms of an assignment, a receiver is to be appointed upon the  
28.26 occurrence of some specified event, and a showing is made that the event has occurred,  
28.27 the court shall, without regard to waste, adequacy of the security, or solvency of the  
28.28 mortgagor, appoint a receiver who shall, with respect to the excess cash remaining after  
28.29 application as provided in section 576.25, subdivision 5, apply it as prescribed by the  
28.30 assignment. If the assignment so provides, the receiver shall apply the excess cash in the  
28.31 manner set out herein from the date of appointment through the entire redemption period  
28.32 from any foreclosure sale. Subject to the terms of the assignment, the receiver shall have  
28.33 the powers and duties as set forth in section 576.25, subdivision 5; or

29.1 (b) if no provision is made for the appointment of a receiver in the assignment or if by  
 29.2 the terms of the assignment a receiver may be appointed, the assignment shall be binding  
 29.3 upon the assignor unless or until a receiver is appointed without regard to waste, adequacy  
 29.4 of the security or solvency of the mortgagor, but only in the event of default in the terms and  
 29.5 conditions of the mortgage, and only in the event the assignment requires the holder thereof

40.5 (2) creates, alters, or abolishes a right in respect of the redemption of the shares,  
40.6 including a provision respecting a sinking fund for the redemption or repurchase of the

40.8 (3) alters or abolishes a preemptive right of the holder of the shares to acquire shares,  
40.9 securities other than shares, or rights to purchase shares or securities other than shares;

40.10 (4) excludes or limits the right of a shareholder to vote on a matter, or to cumulate

40.33 the fractional share so created under section 302A.423; or

40.34 (g) any other corporate action taken pursuant to a shareholder vote with respect to

41.1 **EFFECTIVE DATE.** This section is effective retroactively from August 1, 2015.

41.9 the enforcement of an obligation of a constituent organization and in a proceeding for the  
41.10 enforcement of the rights of a dissenting shareholder of a constituent corporation against  
41.11 the surviving organization;

41.12 (b) an irrevocable appointment of the secretary of state as its agent to accept service  
41.13 of process in any proceeding as provided in section 5.25, and an address to which process  
41.14 may be forwarded; and

41.15 (c) an agreement that it will promptly pay to the dissenting shareholders of each

 42.9 is amended to read:

42.10 Subd. 1a. **Loans, guarantees, and suretyship.** Without in any way limiting  
 42.11 the generality of the power of a limited liability company to do all things necessary or  
 42.12 convenient to carry on its activities as conferred in subdivision 1, a limited liability  
 42.13 company may lend money to, guarantee an obligation of, become a surety for, or otherwise

 42.15 transaction belongs, is approved pursuant to this chapter and the company's operating  
 42.16 agreement and:

42.17 (1) is in the usual and regular course of business of the limited liability company;

42.18 (2) is with, or for the benefit of, a related organization, an organization in which the  
 42.19 limited liability company has a financial interest, an organization with which the limited  
 42.20 liability company has a business relationship, or an organization to which the limited  
 42.21 liability company has the power to make donations, any of which relationships constitute  
 42.22 consideration sufficient to make the loan, guarantee, suretyship, or other financial  
 42.23 assistance so approved enforceable against the limited liability company;

42.24 (3) is with, or for the benefit of, a member who provides services to the limited  
 42.25 liability company, or a manager or other employee of the limited liability company or a  
 42.26 subsidiary, including a member, manager, or employee who is a governor of the limited  
 42.27 liability company or a subsidiary, and may reasonably be expected, in the judgment of the  
 42.28 board of governors, to benefit the limited liability company; or

42.29 (4) whether or not any separate consideration has been paid or promised to the  
 42.30 limited liability company, has been approved by (i) the owners of two-thirds of the  
 42.31 voting power of persons other than the interested person or persons, or (ii) the unanimous  
 42.32 affirmative vote of all members, whether or not ordinarily entitled to vote.

42.33 Any such loan, ~~guaranty, surety contract~~ guarantee, suretyship, or other financial  
 42.34 assistance may be with or without interest and may be unsecured or may be secured in

43.1 any manner including, without limitation, a grant of a security interest in a member's  
43.2 transferable interest in the limited liability company. This subdivision does not grant any  
43.3 authority to act as a bank or to carry on the business of banking.

43.4 **EFFECTIVE DATE.** This section is effective retroactively from August 1, 2015.

43.5 Sec. 16. Minnesota Statutes 2014, section 322C.0201, subdivision 4, is amended to read:

43.6 Subd. 4. **Formation.** (a) A limited liability company is formed when articles of  
43.7 organization have been filed with the secretary of state accompanied by a payment of \$135.

43.8 (b) Except in a proceeding by this state to dissolve a limited liability company, the  
43.9 filing of the articles of organization by the secretary of state is conclusive proof that the  
43.10 organizer satisfied all conditions to the formation of a limited liability company.

43.11 (c) The formation of a limited liability company does not by itself cause any person  
43.12 to become a member. However, this chapter does not preclude an agreement, made before  
43.13 or after formation of a limited liability company, which provides that one or more persons  
43.14 will become members, or acknowledging that one or more persons became members,  
43.15 upon or otherwise in connection with the formation of the limited liability company.

43.16 **EFFECTIVE DATE.** This section is effective retroactively from August 1, 2015.

43.19 with the secretary of state under this chapter must be captioned to describe the record's  
43.20 purpose, be in a medium permitted by the secretary of state, and be delivered to the secretary  
43.21 of state. If the filing fees ~~have~~ fee of \$35 or any filing fee specified in this chapter for the

43.24 (1) for a statement of denial under section 322C.0303, send an image of the filed  
43.25 statement and a receipt for the fees to the person on whose behalf the statement was  
43.26 delivered for filing and to the limited liability company; and

43.27 (2) for all other records, send an image of the filed record to the person on whose  
43.28 behalf the record was filed.

43.29 **EFFECTIVE DATE.** This section is effective retroactively from August 1, 2015.

43.30 Sec. 18. Minnesota Statutes 2014, section 322C.0208, is amended to read:

43.31 **322C.0208 ANNUAL REPORT FOR SECRETARY OF STATE.**

44.1 (a) The secretary of state may send annually to each limited liability company,  
44.2 using the information provided by the limited liability company and foreign limited  
44.3 liability company pursuant to section 5.002 or 5.34 or the articles of organization, a notice  
44.4 announcing the need to file the annual renewal and informing the limited liability company  
44.5 that the annual renewal may be filed online and that paper filings may also be made, and  
44.6 informing the limited liability company that failing to file the annual renewal will result  
44.7 in an administrative termination of the limited liability company or the revocation of  
44.8 the authority of the limited liability company and foreign limited liability company to  
44.9 do business in Minnesota.

44.10 (b) Each calendar year beginning in the calendar year following the calendar year in  
44.11 which a limited liability company and foreign limited liability company files articles of  
44.12 organization, a limited liability company and foreign limited liability company must file  
44.13 with the secretary of state by December 31 of each calendar year a renewal containing the  
44.14 items required by section 5.34. Notwithstanding section 322C.0205, subdivision 1, no  
44.15 fee is required to file an annual renewal.

44.16 **EFFECTIVE DATE.** This section is effective retroactively from August 1, 2015.

44.17 Sec. 19. Minnesota Statutes 2015 Supplement, section 322C.0407, subdivision 4,  
44.18 is amended to read:

44.19 Subd. 4. **Board-managed company rules.** In a board-managed limited liability  
44.20 company, the following rules apply:

44.21 (1) The activities and affairs of a limited liability company are to be managed by and  
44.22 under the direction of a board of governors, which shall consist of one or more governors  
44.23 as determined by members holding a majority of the voting power of the members.

44.24 Except as specifically stated in this subdivision and section 322C.0202, subdivision 5,  
44.25 subject to section 322C.0302:

44.26 (i) the board acts only through an act of the board;

44.27 (ii) no individual governor has any right or power to act for the limited liability  
44.28 company; and

44.29 (iii) only officers, managers, or other agents designated by the board or through a  
44.30 process approved by the board have the right to act for the limited liability company, and  
44.31 that right extends only to the extent consistent with the terms of the designation.

44.32 (2) A governor must be a natural person. A person need not be a member to be a  
44.33 governor, but the dissociation of a member who is also a governor disqualifies the person  
44.34 as a governor. If a person who is both a governor and a member ceases to be a governor,  
44.35 that cessation does not by itself dissociate the person as a member. A person's ceasing

45.1 to be a governor does not discharge any debt, obligation, or other liability to the limited  
45.2 liability company or members which the person incurred while a governor.

45.3 (3) The method of election and any additional qualifications for governors will  
45.4 be as determined by members holding a majority of the voting power of the members.  
45.5 Governors are elected by a plurality of the voting power present and entitled to vote on the  
45.6 election of governors at a duly called or held meeting at which a quorum is present.

45.7 (4) A member may waive notice of a meeting for the election of governors. A  
45.8 member's waiver of notice under this clause is effective whether given before, at, or after  
45.9 the meeting, and whether given in a record, orally, or by attendance. Attendance by a  
45.10 member at a meeting for election of governors is a waiver of notice of that meeting,  
45.11 except where the member objects at the beginning of the meeting to the transaction of  
45.12 business because the meeting is not lawfully called or convened and does not participate  
45.13 in the meeting after the objection.

45.14 (5) Once elected, a governor holds office for the term for which the governor  
45.15 was elected and until a successor is elected, or until the earlier death, resignation,  
45.16 disqualification, or removal of the governor. A governor may resign at any time. A  
45.17 governor may be removed at any time, without cause and without advance notice, by a  
45.18 majority of the voting power of all of the members. The existence of vacancies does not  
45.19 affect the power of the board to function if at least one governor remains in office.

45.20 (6) When a vacancy occurs, the limited liability company shall immediately notify  
45.21 all members in a record of the vacancy, stating the cause of the vacancy and the date the  
45.22 notice is sent. Within 30 days of that date, the members may fill the vacancy in the same  
45.23 method the members may elect governors under clause (3). If the vacancy is not filled  
45.24 by the members under this clause, the vacancy may be filled by the affirmative vote of a  
45.25 majority of the remaining governors, even though less than a quorum.

45.26 (7) The board shall meet from time to time as determined by members holding a  
45.27 majority of the voting power of the members, at a place decided by the board. If the day  
45.28 or date, time, and place of a board of governors meeting have been provided in a board  
45.29 resolution, or announced at a previous meeting of the board of governors, no notice is  
45.30 required. Notice of an adjourned meeting need not be given other than by announcement  
45.31 at the meeting at which adjournment is taken. If notice is required for a meeting, notice  
45.32 shall be made in the manner stated in clause (8).

45.33 (8) A governor may call a board meeting by giving at least ten days' notice in a  
45.34 record to all governors of the date, time, and place of the meeting. The notice need not  
45.35 state the purpose of the meeting. As to each governor, the notice is effective when given.

45.36 (i) Notice may be:

46.1 (A) mailed to the governor at an address designated by the person or at the last  
46.2 known address of the person;

46.3 (B) deposited with a nationally recognized overnight delivery service for overnight  
46.4 delivery or, if overnight delivery to the governor is not available, for delivery as promptly  
46.5 as practicable to the governor at an address designated by the governor or at the last  
46.6 known address of the governor;

46.7 (C) communicated to the governor orally;

46.8 (D) handed to the governor;

46.9 (E) given by facsimile communication, electronic mail, or any other form of  
46.10 electronic communication, if the governor has consented in a record to receive notice  
46.11 by such means; or

46.12 (F) by any other means determined by members holding a majority of the voting  
46.13 power of the members.

46.14 (ii) The notice is deemed given if by:

46.15 (A) mail, when deposited in the United States mail with sufficient postage affixed;

46.16 (B) deposit for delivery, when deposited for delivery as provided in item (i), subitem  
46.17 (B), with delivery charges prepaid or otherwise provided for by the sender;

46.18 (C) facsimile communication, when directed to a telephone number at which the  
46.19 governor has consented in a record to receive notice;

46.20 (D) electronic mail, when directed to an electronic mail address at which the  
46.21 governor has consented in a record to receive notice; and

46.22 (E) any other form of electronic communication by which the governor has  
46.23 consented in a record to receive notice, when directed to the governor.

46.24 (9) A governor may waive notice of a meeting of the board of governors. A waiver  
46.25 of notice by a governor entitled to notice is effective whether given before, at, or after the  
46.26 meeting, and whether given in a record, orally, or by attendance. Attendance by a governor  
46.27 at a meeting is a waiver of notice of that meeting, except where the governor objects at the  
46.28 beginning of the meeting to the transaction of business because the meeting is not lawfully  
46.29 called or convened and does not participate in the meeting after the objection.

46.30 (10) A majority of the governors currently holding office is a quorum for the  
46.31 transaction of business. When a quorum is present at a duly called or held meeting of  
46.32 the board, the vote of a majority of the directors present constitutes an act of the board.  
46.33 If a quorum is present when a duly called or held meeting is convened, the governors  
46.34 present may continue to transact business until adjournment, even though the withdrawal  
46.35 of a number of governors originally present leaves less than the proportion or number  
46.36 otherwise required for a quorum.

47.1 (11) Any meeting among governors may be conducted solely by one or more means  
47.2 of remote communication through which all of the governors may participate with each  
47.3 other during the meeting, if the number of governors participating in the meeting would  
47.4 be sufficient to constitute a quorum. Participation in a meeting by that means constitutes  
47.5 presence in person at the meeting.

47.6 (12) A governor may participate in a board of governors meeting by means of  
47.7 remote communication, through which the governor, other governors so participating, and  
47.8 all governors physically present at the meeting may participate with each other during  
47.9 the meeting. Participation in a meeting by that means constitutes presence in person  
47.10 at the meeting.

47.11 (13) An action required or permitted to be taken at a board meeting may be taken  
47.12 by written action signed by the number of governors that would be required to take the  
47.13 same action at a meeting of the board of governors at which all governors were present.  
47.14 The written action is effective when signed by the required number of governors, unless a  
47.15 different effective time is provided in the written action. When written action is permitted  
47.16 to be taken by less than all governors, all governors must be notified immediately of its  
47.17 text and effective date. Failure to provide the notice does not invalidate the written action.  
47.18 A governor who does not sign or consent to the written action has no liability for the  
47.19 action or actions taken by the written action.
