1.6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.7 Section 1. Minnesota Statutes 2016, section 462A.201, subdivision 2, is amended to read:

1.8 Subd. 2. Low-income housing. (a) The agency may use money from the housing trust
1.9 fund account to provide loans or grants for:

1.10 (1) projects for the development, construction, acquisition, preservation, and rehabilitation
1.11 of low-income rental and limited equity cooperative housing units, including temporary
1.12 and transitional housing;

1.13 (2) the costs of operating rental housing, as determined by the agency, that are unique
1.14 to the operation of low-income rental housing or supportive housing; and

1.15 (3) rental assistance, either project-based or tenant-based; and

1.16 (4) rental assistance to secure stable housing for families with children eligible for
1.17 enrollment in a prekindergarten through grade 12 academic program.

1.18 For purposes of this section, "transitional housing" has the meaning given by the United
1.19 States Department of Housing and Urban Development. Loans or grants for residential
1.20 housing for migrant farmworkers may be made under this section.

1.21 (b) The housing trust fund account must be used for the benefit of persons and families
1.22 whose income, at the time of initial occupancy, does not exceed 60 percent of median income

2.1 as determined by the United States Department of Housing and Urban Development for the
 2.2 metropolitan area. At least 75 percent of the funds in the housing trust fund account must
 2.3 be used for the benefit of persons and families whose income, at the time of initial occupancy,
 2.4 does not exceed 30 percent of the median family income for the metropolitan area as defined
 2.5 in section 473.121, subdivision 2. For purposes of this section, a household with a housing
 2.6 assistance voucher under Section 8 of the United States Housing Act of 1937, as amended,
 2.7 is deemed to meet the income requirements of this section.

2.8 The median family income may be adjusted for families of five or more.

2.9 (c) Rental assistance under this section must be provided by governmental units which
 2.10 administer housing assistance supplements or by for-profit or nonprofit organizations
 2.11 experienced in housing management. Rental assistance shall be limited to households whose
 2.12 income at the time of initial receipt of rental assistance does not exceed 60 percent of median
 2.13 income, as determined by the United States Department of Housing and Urban Development
 2.14 for the metropolitan area. Priority among comparable applications for tenant-based rental
 2.15 assistance will be given to proposals that will serve households whose income at the time
 2.16 of initial application for rental assistance does not exceed 30 percent of median income, as
 2.17 determined by the United States Department of Housing and Urban Development for the
 2.18 metropolitan area. Rental assistance must be terminated when it is determined that 30 percent
 2.19 of a household's monthly income for four consecutive months equals or exceeds the market
 2.20 rent for the unit in which the household resides plus utilities for which the tenant is
 2.21 responsible. Rental assistance may only be used for rental housing units that meet the housing
 2.22 maintenance code of the local unit of government in which the unit is located, if such a code
 2.23 has been adopted, or the housing quality standards adopted by the United States Department
 2.24 of Housing and Urban Development, if no local housing maintenance code has been adopted.

2.25 (d) In making the loans or grants, the agency shall determine the terms and conditions
 2.26 of repayment and the appropriate security, if any, should repayment be required. To promote
 2.27 the geographic distribution of grants and loans, the agency may designate a portion of the
 2.28 grant or loan awards to be set aside for projects located in specified congressional districts
 2.29 or other geographical regions specified by the agency. The agency may adopt rules for
 2.30 awarding grants and loans under this subdivision.
