12.3 subdivision 1, may be increased in the amount approved by the voters of the district at a
12.4 referendum called for the purpose. The referendum may be called by the board. The
12.5 referendum must be conducted one or two calendar years before the increased levy authority,
12.6 if approved, first becomes payable. Only one election to approve an increase may be held
12.7 in a calendar year. Unless the referendum is conducted by mail under subdivision 11,
12.8 paragraph (a), the referendum must be held on the first Tuesday after the first Monday in
12.9 November. The ballot must state the maximum amount of the increased revenue per adjusted
12.10 pupil unit. The ballot may state a schedule, determined by the board, of increased revenue
12.11 per adjusted pupil unit that differs from year to year over the number of years for which the
12.12 increased revenue is authorized or may state that the amount shall increase annually by the
12.13 rate of inflation. For this purpose, the rate of inflation shall be the annual inflationary increase
12.14 calculated under subdivision 2, paragraph (b). The ballot may state that existing referendum
12.15 levy authority is expiring. In this case, the ballot may also compare the proposed levy
12.16 authority to the existing expiring levy authority, and express the proposed increase as the
12.17 amount, if any, over the expiring referendum levy authority. The ballot must designate the
12.18 specific number of years, not to exceed ten, for which the referendum authorization applies.
12.19 The ballot, including a ballot on the question to revoke or reduce the increased revenue
12.20 amount under paragraph (c), must abbreviate the term "per adjusted pupil unit" as "per
12.21 pupil." The notice required under section 275.60 may be modified to read, in cases of
12.22 renewing existing levies at the same amount per pupil as in the previous year:

12.23 "BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING TO
12.24 EXTEND AN EXISTING PROPERTY TAX REFERENDUM THAT IS SCHEDULED
12.25 TO EXPIRE."

12.26 The ballot may contain a textual portion with the information required in this subdivision
12.27 and a question stating substantially the following:

12.28 "Shall the increase in the revenue proposed by (petition to) the board of, School
12.29 District No. ..., be approved?"

12.30 If approved, an amount equal to the approved revenue per adjusted pupil unit times the
12.31 adjusted pupil units for the school year beginning in the year after the levy is certified shall
12.32 be authorized for certification for the number of years approved, if applicable, or until
12.33 revoked or reduced by the voters of the district at a subsequent referendum.

13.1 (b) The board must ~~prepare and~~ deliver by ~~first class~~ mail at least 15 days but no more
13.2 than 30 days before the day of the referendum to each taxpayer a notice of the referendum
13.3 and the proposed revenue increase. The board need not mail more than one notice to any
13.4 taxpayer. For the purpose of giving mailed notice under this subdivision, owners must be
13.5 those shown to be owners on the records of the county auditor or, in any county where tax
13.6 statements are mailed by the county treasurer, on the records of the county treasurer. Every
13.7 property owner whose name does not appear on the records of the county auditor or the
13.8 county treasurer is deemed to have waived this mailed notice unless the owner has requested
13.9 in writing that the county auditor or county treasurer, as the case may be, include the name
13.10 on the records for this purpose. The notice must project the anticipated amount of tax increase
13.11 in annual dollars for typical residential homesteads, agricultural homesteads, apartments,
13.12 and commercial-industrial property within the school district.

13.13 The notice for a referendum may state that an existing referendum levy is expiring and
13.14 project the anticipated amount of increase over the existing referendum levy in the first
13.15 year, if any, in annual dollars for typical residential homesteads, agricultural homesteads,
13.16 apartments, and commercial-industrial property within the district.

13.17 The notice must include the following statement: "Passage of this referendum will result
13.18 in an increase in your property taxes." However, in cases of renewing existing levies, the
13.19 notice may include the following statement: "Passage of this referendum extends an existing
13.20 operating referendum at the same amount per pupil as in the previous year."

13.21 (c) A referendum on the question of revoking or reducing the increased revenue amount
13.22 authorized pursuant to paragraph (a) may be called by the board. A referendum to revoke
13.23 or reduce the revenue amount must state the amount per adjusted pupil unit by which the
13.24 authority is to be reduced. Revenue authority approved by the voters of the district pursuant
13.25 to paragraph (a) must be available to the school district at least once before it is subject to
13.26 a referendum on its revocation or reduction for subsequent years. Only one revocation or
13.27 reduction referendum may be held to revoke or reduce referendum revenue for any specific
13.28 year and for years thereafter.

13.29 (d) The approval of 50 percent plus one of those voting on the question is required to

14.23 year. The commissioner may make advance payments of debt service equalization aid and
14.24 state-paid tax credits for a district's debt service fund earlier than would occur under the
14.25 preceding schedule if the district submits evidence showing a serious cash flow problem in
14.26 the fund. The commissioner may make earlier payments during the year and, if necessary,

20.7 English is eligible to receive the state bilingual gold seal. A high school student who
20.8 demonstrates an intermediate high ACTFL level of functional native proficiency in more
20.9 than one language in addition to English is eligible to receive the state multilingual gold
20.10 seal. A high school student who demonstrates an advanced-low ACTFL level of functional
20.11 proficiency in one language in addition to English is eligible to receive the state bilingual
20.12 platinum seal. A high school student who demonstrates an advanced-low ACTFL level of
20.13 functional proficiency in more than one language in addition to English is eligible to receive
20.14 the state multilingual platinum seal.

20.15 (d) School districts and charter schools may give students periodic opportunities to
20.16 demonstrate their level of proficiency in listening, speaking, reading, and writing in a
20.17 language in addition to English. Where valid and reliable assessments are unavailable, a
20.18 school district or charter school may rely on evaluators trained in assessing under ACTFL
20.19 proficiency guidelines to assess a student's level of foreign, heritage, or indigenous language
20.20 proficiency under this section. School districts and charter schools must maintain appropriate
20.21 records to identify high school students eligible to receive the state bilingual or multilingual
20.22 gold and platinum seals. The school district or charter school must affix the appropriate seal
20.23 to the transcript of each high school student who meets the requirements of this subdivision

20.30 who demonstrates an intermediate high or advanced-low ACTFL level of functional
20.31 proficiency in listening, speaking, reading, and writing in a language other than English
20.32 and who participates in community service activities that are integrated into the curriculum,
20.33 involve the participation of teachers, and support biliteracy in the school or local community.

21.1 (g) The commissioner must list on the Web page those assessments that are aligned to
21.2 ACTFL proficiency guidelines.

21.3 (h) By August 1, 2015, the colleges and universities of the Minnesota State Colleges
21.4 and Universities system must establish criteria to translate the seals into college credits
21.5 based on the world language course equivalencies identified by the Minnesota State Colleges
21.6 and Universities faculty and staff and, upon request from an enrolled student, the Minnesota
21.7 State Colleges and Universities may award foreign language credits to a student who receives
21.8 a Minnesota World Language Proficiency Certificate under subdivision 1a. A student who
21.9 demonstrated the requisite level of language proficiency in grade 10, 11, or 12 to receive a
21.10 seal or certificate and is enrolled in a Minnesota State Colleges and Universities institution
21.11 must request college credits for the student's seal or proficiency certificate within three
21.12 academic years after graduating from high school. The University of Minnesota is encouraged
21.13 to award students foreign language academic credits consistent with this paragraph.

21.14 Sec. 5. Minnesota Statutes 2016, section 120B.12, subdivision 2, is amended to read:

21.15 Subd. 2. **Identification; report.** (a) Each school district shall identify before the end of
21.16 kindergarten, grade 1, and grade 2 students who are not reading at grade level before the
21.17 end of the current school year and shall identify students in grade 3 or higher who
21.18 demonstrate a reading difficulty to a classroom teacher. Reading assessments in English,
21.19 and in the predominant languages of district students where practicable, must identify and
21.20 evaluate students' areas of academic need related to literacy. The district also must monitor
21.21 the progress and provide reading instruction appropriate to the specific needs of English
21.22 learners. The district must use a locally adopted, developmentally appropriate, and culturally
21.23 responsive assessment and annually report summary assessment results to the commissioner
21.24 by July 1. The district also must annually report to the commissioner by July 1 a summary
21.25 of the district's efforts to screen and identify students with:

21.26 (1) dyslexia, using screening tools such as those recommended by the department's
21.27 dyslexia and literacy specialist; or

21.28 (2) convergence insufficiency disorder to the commissioner by July 1.

21.29 (b) A student identified under this subdivision must be provided with alternate instruction
21.30 under section 125A.56, subdivision 1.

22.1 Sec. 6. Minnesota Statutes 2016, section 120B.12, subdivision 2a, is amended to read:

22.2 Subd. 2a. **Parent notification and involvement.** Schools, at least annually, must give
22.3 the parent of each student who is not reading at or above grade level timely information
22.4 about:

22.5 (1) the student's reading proficiency as measured by a locally adopted assessment;

22.6 (2) reading-related services currently being provided to the student and the student's
22.7 progress; and

22.8 (3) strategies for parents to use at home in helping their student succeed in becoming
22.9 grade-level proficient in reading in English and in their native language.

22.10 A district may not use this section to deny a student's right to a special education
22.11 evaluation.

22.12 Sec. 7. Minnesota Statutes 2016, section 120B.12, subdivision 3, is amended to read:

22.13 Subd. 3. **Intervention.** (a) For each student identified under subdivision 2, the district
22.14 shall provide reading intervention to accelerate student growth and reach the goal of reading
22.15 at or above grade level by the end of the current grade and school year. If a student does
22.16 not read at or above grade level by the end of grade 3, the district must continue to provide
22.17 reading intervention until the student reads at grade level. District intervention methods
22.18 shall encourage family engagement and, where possible, collaboration with appropriate
22.19 school and community programs. Intervention methods may include, but are not limited to,
22.20 requiring attendance in summer school, intensified reading instruction that may require that
22.21 the student be removed from the regular classroom for part of the school day, extended-day
22.22 programs, or programs that strengthen students' cultural connections.

22.23 (b) A school district or charter school is strongly encouraged to provide a personal
22.24 learning plan for a student who is unable to demonstrate grade-level proficiency, as measured
22.25 by the statewide reading assessment in grade 3. The district or charter school must determine
22.26 the format of the personal learning plan in collaboration with the student's educators and
22.27 other appropriate professionals. The school must develop the learning plan in consultation
22.28 with the student's parent or guardian. The personal learning plan must address knowledge
22.29 gaps and skill deficiencies through strategies such as specific exercises and practices during
22.30 and outside of the regular school day, periodic assessments, and reasonable timelines. The
22.31 personal learning plan may include grade retention, if it is in the student's best interest. A
22.32 school must maintain and regularly update and modify the personal learning plan until the

23.1 student reads at grade level. This paragraph does not apply to a student under an
 23.2 individualized education program.

23.3 **Sec. 8. [120B.122] DYSLEXIA SPECIALIST.**

23.4 Subdivision 1. **Purpose.** The department must employ a dyslexia specialist to provide
 23.5 technical assistance for dyslexia and related disorders and to serve as the primary source of
 23.6 information and support for schools in addressing the needs of students with dyslexia and
 23.7 related disorders. The dyslexia specialist shall also act to increase professional awareness
 23.8 and instructional competencies to meet the educational needs of students with dyslexia or
 23.9 identified with risk characteristics associated with dyslexia and shall develop implementation
 23.10 guidance and make recommendations to the commissioner consistent with section 122A.06,
 23.11 subdivision 4, to be used to assist general education teachers and special education teachers
 23.12 to recognize educational needs and to improve literacy outcomes for students with dyslexia
 23.13 or identified with risk characteristics associated with dyslexia, including recommendations
 23.14 related to increasing the availability of online and asynchronous professional development
 23.15 programs and materials.

23.16 Subd. 2. **Definition.** For purposes of this section, a "dyslexia specialist" means a dyslexia
 23.17 therapist, licensed psychologist, licensed speech-language pathologist, or certified dyslexia
 23.18 training specialist who has a minimum of three years of field experience in screening,
 23.19 identifying, and treating dyslexia and related disorders.

23.20 Subd. 3. **Requirements.** A dyslexia specialist shall be highly trained in dyslexia and
 23.21 related disorders and in using interventions and treatments that are evidence-based,
 23.22 multisensory, direct, explicit, structured, and sequential in the areas of phonics, phonemic
 23.23 awareness, vocabulary, fluency, and comprehension.

23.24 Sec. 9. Minnesota Statutes 2016, section 120B.125, is amended to read:

 23.26 **POSTSECONDARY EDUCATION AND EMPLOYMENT; PERSONAL LEARNING**
 23.27 **PLANS.**

23.28 (a) Consistent with sections 120B.13, 120B.131, 120B.132, 120B.14, 120B.15, 120B.30,
 23.29 subdivision 1, paragraph (c), 125A.08, and other related sections, school districts, beginning
 23.30 in the 2013-2014 school year, must assist all students by no later than grade 9 to explore
 23.31 their educational, college, and career interests, aptitudes, and aspirations and develop a plan
 23.32 for a smooth and successful transition to postsecondary education or employment. All
 23.33 students' plans must:

24.1 (1) provide a comprehensive plan to prepare for and complete a career and college ready
24.2 curriculum by meeting state and local academic standards and developing career and
24.3 employment-related skills such as team work, collaboration, creativity, communication,
24.4 critical thinking, and good work habits;

24.5 (2) emphasize academic rigor and high expectations and inform the student, and the
24.6 student's parent or guardian if the student is a minor, of the student's achievement level
24.7 score on the Minnesota Comprehensive Assessments that are administered during high
24.8 school;

24.9 (3) help students identify interests, aptitudes, aspirations, and personal learning styles
24.10 that may affect their career and college ready goals and postsecondary education and
24.11 employment choices;

24.12 (4) set appropriate career and college ready goals with timelines that identify effective
24.13 means for achieving those goals;

24.14 (5) help students access education and career options;

24.15 (6) integrate strong academic content into career-focused courses and applied and
24.16 experiential learning opportunities and integrate relevant career-focused courses and applied
24.17 and experiential learning opportunities into strong academic content;

24.18 (7) help identify and access appropriate counseling and other supports and assistance
24.19 that enable students to complete required coursework, prepare for postsecondary education
24.20 and careers, and obtain information about postsecondary education costs and eligibility for
24.21 financial aid and scholarship;

24.22 (8) help identify collaborative partnerships among prekindergarten through grade 12
24.23 schools, postsecondary institutions, economic development agencies, and local and regional
24.24 employers that support students' transition to postsecondary education and employment and
24.25 provide students with applied and experiential learning opportunities; and

24.26 (9) be reviewed and revised at least annually by the student, the student's parent or
24.27 guardian, and the school or district to ensure that the student's course-taking schedule keeps
24.28 the student making adequate progress to meet state and local academic standards and high
24.29 school graduation requirements and with a reasonable chance to succeed with employment
24.30 or postsecondary education without the need to first complete remedial course work.

24.31 (b) A school district may develop grade-level curricula or provide instruction that
24.32 introduces students to various careers, but must not require any curriculum, instruction, or

25.1 employment-related activity that obligates an elementary or secondary student to involuntarily
 25.2 select or pursue a career, career interest, employment goals, or related job training.

25.3 (c) Educators must possess the knowledge and skills to effectively teach all English
 25.4 learners in their classrooms. School districts must provide appropriate curriculum, targeted
 25.5 materials, professional development opportunities for educators, and sufficient resources
 25.6 to enable English learners to become career and college ready.

25.7 (d) When assisting students in developing a plan for a smooth and successful transition
 25.8 to postsecondary education and employment, districts must recognize the unique possibilities
 25.9 of each student and ensure that the contents of each student's plan reflect the student's unique
 25.10 talents, skills, and abilities as the student grows, develops, and learns.

25.11 (e) If a student with a disability has an individualized education program (IEP) or
 25.12 standardized written plan that meets the plan components of this section, the IEP satisfies
 25.13 the requirement and no additional transition plan is needed.

25.14 (f) Students who do not meet or exceed Minnesota academic standards, as measured by
 25.15 the Minnesota Comprehensive Assessments that are administered during high school, shall
 25.16 be informed that admission to a public school is free and available to any resident under 21
 25.17 years of age or who meets the requirements of section 120A.20, subdivision 1, paragraph

25.18 (c). A student's plan under this section shall continue while the student is enrolled.

25.19 **EFFECTIVE DATE.** This section is effective July 1, 2017.

25.20 Sec. 10. Minnesota Statutes 2016, section 120B.132, is amended to read:

 27.23 subdivision 2. For charter schools in their first year of operation, the maximum funding
 27.24 award must be calculated using the number of pupils enrolled on October 1 of the current
 27.25 fiscal year. The commissioner may adjust the maximum funding award computed using
 27.26 prior year data for changes in enrollment attributable to school closings, school openings,

29.1 placement, preadvanced placement, and international baccalaureate courses and programs
 29.2 compared with the previous fiscal year, and the district or charter school has expended all
 29.3 grant funds, consistent with its approved budget.

29.4 (c) Notwithstanding any law to the contrary, a grant under this section is available for

31.14 assessed under (i) the graduation-required assessment for diploma in reading, mathematics,
31.15 or writing under Minnesota Statutes 2012, section 120B.30, subdivision 1, paragraphs (c),
31.16 clauses (1) and (2), and (d), (ii) the WorkKeys job skills assessment, (iii) the Compass
31.17 college placement test, (iv) the ACT assessment for college admission, (v) a nationally
31.18 recognized armed services vocational aptitude test.

31.19 (2) Students enrolled in grade 8 in the 2010-2011 or 2011-2012 school year are eligible
31.20 to be assessed under (i) the graduation-required assessment for diploma in reading,
31.21 mathematics, or writing under Minnesota Statutes 2012, section 120B.30, subdivision 1,
31.22 paragraph (c), clauses (1) and (2), (ii) the WorkKeys job skills assessment, (iii) the Compass
31.23 college placement test, (iv) the ACT assessment for college admission, (v) a nationally
31.24 recognized armed services vocational aptitude test.

31.25 (3) For students under clause (1) or (2), a school district may substitute a score from an
31.26 alternative, equivalent assessment to satisfy the requirements of this paragraph.

31.27 (b) The state assessment system must be aligned to the most recent revision of academic
31.28 standards as described in section 120B.023 in the following manner:

31.29 (1) mathematics;

31.30 (i) grades 3 through 8 beginning in the 2010-2011 school year; and

31.31 (ii) high school level beginning in the 2013-2014 school year;

31.32 (2) science; grades 5 and 8 and at the high school level beginning in the 2011-2012
31.33 school year; and

32.1 (3) language arts and reading; grades 3 through 8 and high school level beginning in the
32.2 2012-2013 school year.

32.3 (c) For students enrolled in grade 8 in the 2012-2013 school year and later, students'
32.4 state graduation requirements, based on a longitudinal, systematic approach to student
32.5 education and career planning, assessment, instructional support, and evaluation, include
32.6 the following:

32.7 (1) ~~an opportunity to participate on a nationally normed college entrance exam, in grade~~
32.8 ~~11 or grade 12;~~

32.9 ~~(2)~~ achievement and career and college readiness in mathematics, reading, and writing,
32.10 consistent with paragraph (k) and to the extent available, to monitor students' continuous
32.11 development of and growth in requisite knowledge and skills; analyze students' progress
32.12 and performance levels, identifying students' academic strengths and diagnosing areas where
32.13 students require curriculum or instructional adjustments, targeted interventions, or
32.14 remediation; and, based on analysis of students' progress and performance data, determine
32.15 students' learning and instructional needs and the instructional tools and best practices that
32.16 support academic rigor for the student; and

32.17 ~~(3)~~ (2) consistent with this paragraph and section 120B.125, age-appropriate exploration
32.18 and planning activities and career assessments to encourage students to identify personally
32.19 relevant career interests and aptitudes and help students and their families develop a regularly
32.20 reexamined transition plan for postsecondary education or employment without need for
32.21 postsecondary remediation.

32.22 Based on appropriate state guidelines, students with an individualized education program
32.23 may satisfy state graduation requirements by achieving an individual score on the
32.24 state-identified alternative assessments.

32.25 (d) Expectations of schools, districts, and the state for career or college readiness under
32.26 this subdivision must be comparable in rigor, clarity of purpose, and rates of student
32.27 completion.

32.28 A student under paragraph (c), clause ~~(2)~~ (1), must receive targeted, relevant, academically
32.29 rigorous, and resourced instruction, which may include a targeted instruction and intervention
32.30 plan focused on improving the student's knowledge and skills in core subjects so that the
32.31 student has a reasonable chance to succeed in a career or college without need for
32.32 postsecondary remediation. Consistent with sections 120B.13, 124D.09, 124D.091, 124D.49,
32.33 and related sections, an enrolling school or district must actively encourage a student in
32.34 grade 11 or 12 who is identified as academically ready for a career or college to participate

33.1 in courses and programs awarding college credit to high school students. Students are not
33.2 required to achieve a specified score or level of proficiency on an assessment under this
33.3 subdivision to graduate from high school.

33.4 (e) Though not a high school graduation requirement, students are encouraged to
33.5 participate in a nationally recognized college entrance exam. To the extent state funding
33.6 for college entrance exam fees is available, a district must pay the cost, one time, for an
33.7 interested student in grade 11 or 12 who is eligible for a free or reduced-price meal, to take
33.8 a nationally recognized college entrance exam before graduating. A student must be able
33.9 to take the exam under this paragraph at the student's high school during the school day and
33.10 at any one of the multiple exam administrations available to students in the district. A district
33.11 may administer the ACT or SAT or both the ACT and SAT to comply with this paragraph.
33.12 If the district administers only one of these two tests and a free or reduced-price meal eligible
33.13 student opts not to take that test and chooses instead to take the other of the two tests, the
33.14 student may take the other test at a different time or location and remains eligible for the
33.15 examination fee reimbursement. Notwithstanding sections 123B.34 to 123B.39, a school
33.16 district may require a student that is not eligible for a free or reduced-price meal to pay the
33.17 cost of taking a nationally recognized college entrance exam. The district must waive the
33.18 cost for a student unable to pay.

33.19 (f) The commissioner and the chancellor of the Minnesota State Colleges and Universities
33.20 must collaborate in aligning instruction and assessments for adult basic education students
33.21 and English learners to provide the students with diagnostic information about any targeted
33.22 interventions, accommodations, modifications, and supports they need so that assessments
33.23 and other performance measures are accessible to them and they may seek postsecondary
33.24 education or employment without need for postsecondary remediation. When administering
33.25 formative or summative assessments used to measure the academic progress, including the
33.26 oral academic development, of English learners and inform their instruction, schools must
33.27 ensure that the assessments are accessible to the students and students have the modifications
33.28 and supports they need to sufficiently understand the assessments.

33.29 (g) Districts and schools, on an annual basis, must use career exploration elements to
33.30 help students, beginning no later than grade 9, and their families explore and plan for
33.31 postsecondary education or careers based on the students' interests, aptitudes, and aspirations.
33.32 Districts and schools must use timely regional labor market information and partnerships,
33.33 among other resources, to help students and their families successfully develop, pursue,
33.34 review, and revise an individualized plan for postsecondary education or a career. This
33.35 process must help increase students' engagement in and connection to school, improve

34.1 students' knowledge and skills, and deepen students' understanding of career pathways as
34.2 a sequence of academic and career courses that lead to an industry-recognized credential,
34.3 an associate's degree, or a bachelor's degree and are available to all students, whatever their
34.4 interests and career goals.

34.5 (h) A student who demonstrates attainment of required state academic standards, which
34.6 include career and college readiness benchmarks, on high school assessments under
34.7 subdivision 1a is academically ready for a career or college and is encouraged to participate
34.8 in courses awarding college credit to high school students. Such courses and programs may
34.9 include sequential courses of study within broad career areas and technical skill assessments
34.10 that extend beyond course grades.

34.11 (i) As appropriate, students through grade 12 must continue to participate in targeted
34.12 instruction, intervention, or remediation and be encouraged to participate in courses awarding
34.13 college credit to high school students.

34.14 (j) In developing, supporting, and improving students' academic readiness for a career
34.15 or college, schools, districts, and the state must have a continuum of empirically derived,
34.16 clearly defined benchmarks focused on students' attainment of knowledge and skills so that
34.17 students, their parents, and teachers know how well students must perform to have a
34.18 reasonable chance to succeed in a career or college without need for postsecondary
34.19 remediation. The commissioner, in consultation with local school officials and educators,
34.20 and Minnesota's public postsecondary institutions must ensure that the foundational
34.21 knowledge and skills for students' successful performance in postsecondary employment
34.22 or education and an articulated series of possible targeted interventions are clearly identified
34.23 and satisfy Minnesota's postsecondary admissions requirements.

34.24 (k) For students in grade 8 in the 2012-2013 school year and later, a school, district, or
34.25 charter school must record on the high school transcript a student's progress toward career
34.26 and college readiness, and for other students as soon as practicable.

34.27 (l) The school board granting students their diplomas may formally decide to include a
34.28 notation of high achievement on the high school diplomas of those graduating seniors who,
34.29 according to established school board criteria, demonstrate exemplary academic achievement
34.30 during high school.

34.31 (m) The 3rd through 8th grade computer-adaptive assessment results and high school
34.32 test results shall be available to districts for diagnostic purposes affecting student learning
34.33 and district instruction and curriculum, and for establishing educational accountability. The
34.34 commissioner must establish empirically derived benchmarks on adaptive assessments in

35.1 grades 3 through 8. The commissioner, in consultation with the chancellor of the Minnesota
35.2 State Colleges and Universities, must establish empirically derived benchmarks on the high
35.3 school tests that reveal a trajectory toward career and college readiness consistent with
35.4 section 136F.302, subdivision 1a. The commissioner must disseminate to the public the
35.5 computer-adaptive assessments and high school test results upon receiving those results.

35.6 (n) The grades 3 through 8 computer-adaptive assessments and high school tests must
35.7 be aligned with state academic standards. The commissioner shall determine the testing
35.8 process and the order of administration. The statewide results shall be aggregated at the site
35.9 and district level, consistent with subdivision 1a.

35.10 (o) The commissioner shall include the following components in the statewide public
35.11 reporting system:

35.12 (1) uniform statewide computer-adaptive assessments of all students in grades 3 through
35.13 8 and testing at the high school levels that provides appropriate, technically sound
35.14 accommodations or alternate assessments;

35.15 (2) educational indicators that can be aggregated and compared across school districts
35.16 and across time on a statewide basis, including average daily attendance, high school
35.17 graduation rates, and high school drop-out rates by age and grade level;

35.18 (3) state results on the American College Test; and

35.19 (4) state results from participation in the National Assessment of Educational Progress
35.20 so that the state can benchmark its performance against the nation and other states, and,
35.21 where possible, against other countries, and contribute to the national effort to monitor
35.22 achievement.

35.23 (p) For purposes of statewide accountability, "career and college ready" means a high
35.24 school graduate has the knowledge, skills, and competencies to successfully pursue a career
35.25 pathway, including postsecondary credit leading to a degree, diploma, certificate, or
35.26 industry-recognized credential and employment. Students who are career and college ready
35.27 are able to successfully complete credit-bearing coursework at a two- or four-year college
35.28 or university or other credit-bearing postsecondary program without need for remediation.

35.29 (q) For purposes of statewide accountability, "cultural competence," "cultural
35.30 competency," or "culturally competent" means the ability ~~and will~~ of families and educators
35.31 to interact effectively with people of different cultures, native languages, and socioeconomic
35.32 backgrounds.

36.1 Sec. 16. Minnesota Statutes 2016, section 120B.31, is amended by adding a subdivision
36.2 to read:

36.3 Subd. 3a. **Rollout sites; report.** The commissioner of education shall designate up to
36.4 six school districts or charter schools as rollout sites.

36.5 (a) The rollout sites should represent urban school districts, suburban school districts,
36.6 nonurban school districts, and charter schools. The commissioner shall designate rollout
36.7 sites and notify the schools by August 1, 2017, and the designated school districts or charter
36.8 schools shall have the right to opt in or out as rollout sites by September 1, 2017.

36.9 (b) The commissioner must consult stakeholders and review the American Community
36.10 Survey to develop recommendations for best practices for disaggregated data. Stakeholders
36.11 consulted under this paragraph include at least:

36.12 (1) the rollout sites;

36.13 (2) parent groups; and

36.14 (3) community representatives.

36.15 (c) The commissioner shall report to the legislative committees having jurisdiction over
36.16 kindergarten through grade 12 education policy and finance by February 1, 2018. The
36.17 commissioner may research best practices from other states that have disaggregated data
36.18 beyond the requirements of the most recent reauthorization of the Elementary and Secondary
36.19 Education Act. The commissioner must consult with the stakeholders on how to measure
36.20 a student's background as an immigrant or a refugee and provide a recommendation in the
36.21 report on how to include the data in the statewide rollout. The recommendations may address:

36.22 (1) the most meaningful use of disaggregated data, including but not limited to which
36.23 reports should include further disaggregated data;

36.24 (2) collection of additional student characteristics, including but not limited to ensuring
36.25 enhanced enrollment forms;

36.26 (i) provide context and the objective of additional data;

36.27 (ii) are designed to convey respect and acknowledgment of the sensitive nature of the
36.28 additional data; and

36.29 (iii) are designed to collect data consistent with user feedback;

36.30 (3) efficient data-reporting approaches when reporting additional information to the
36.31 department;

37.1 (4) the frequency by which districts and schools must update enrollment forms to meet
 37.2 the needs of the state's changing racial and ethnic demographics; and

37.3 (5) the criteria for determining additional data. This recommendation should include a
 37.4 recommendation for frequency of reviews and updates of the additional data and should
 37.5 also identify the approach of updating any additional census data and data on new enrollees.
 37.6 This recommendation must consider additional student groups that may face education
 37.7 disparities and must take into account maintaining student privacy and providing
 37.8 nonidentifiable student level data.

37.9 **EFFECTIVE DATE.** This section is effective for the 2018-2019 school year and later.

37.10 Sec. 17. Minnesota Statutes 2016, section 120B.31, subdivision 4, is amended to read:

37.11 Subd. 4. **Student performance data.** In developing policies and assessment processes
 37.12 to hold schools and districts accountable for high levels of academic standards under section
 37.13 120B.021, the commissioner shall aggregate and disaggregate student data over time to
 37.14 report summary student performance and growth levels and, under section 120B.11,
 37.15 subdivision 2, clause (2), student learning and outcome data measured at the school, school
 37.16 district, and statewide level. The commissioner shall use the student categories identified
 37.17 under the federal Elementary and Secondary Education Act, as most recently reauthorized,
 37.18 and student categories of:

37.19 (1) homelessness;

37.20 (2) ethnicity; under section 120B.35, subdivision 3, paragraph (a), clause (2);

37.21 (3) race; under section 120B.35, subdivision 3, paragraph (a), clause (2);

37.22 (4) home language; ~~immigrant, refugee status;~~

37.23 (5) English learners under section 124D.59;

37.24 (6) free or reduced-price lunch; and

37.25 (7) other categories designated by federal law to organize and report the data so that
 37.26 state and local policy makers can understand the educational implications of changes in
 37.27 districts' demographic profiles over time as data are available.

37.28 Any report the commissioner disseminates containing summary data on student performance
 37.29 must integrate student performance and the demographic factors that strongly correlate with
 37.30 that performance.

37.31 **EFFECTIVE DATE.** This section is effective for the 2019-2020 school year and later.

38.1 Sec. 18. Minnesota Statutes 2016, section 120B.31, subdivision 4a, is amended to read:

38.2 Subd. 4a. **Student participation.** (a) The commissioner ~~shall~~ must create and publish
 38.3 a form for parents and guardians to complete if they refuse to have their student participate
 38.4 in state or locally required standardized testing. The form must state why there are state
 38.5 academic standards, indicate which tests are aligned with state standards, and what
 38.6 consequences, if any, the school or student may face if a student does not participate in state
 38.7 or locally required standardized testing. This form must ask parents to indicate a reason for
 38.8 their refusal that:

38.9 (1) explains the need for state academic standards;

38.10 (2) identifies the state assessments that are aligned with state standards;

38.11 (3) identifies the consequences, if any, the school or student may face if a student does
 38.12 not participate in state or locally required standardized assessments;

38.13 (4) states that students who receive a college ready benchmark on the high school
 38.14 Minnesota Comprehensive Assessment are not required to take a remedial, noncredit course
 38.15 at a Minnesota state college or university in the corresponding subject area;

38.16 (5) summarizes the provisions in section 120B.301, paragraphs (a) and (c); and

38.17 (6) notifies a parent of the right to not have the parent's child participate in the state and
 38.18 locally required academic assessments, and asks a parent that chooses to not have a child
 38.19 participate in the assessments the basis for the decision.

38.20 (b) A school district must post the form created by the commissioner on the district Web
 38.21 site and include it in the district's student handbook.

38.22 **EFFECTIVE DATE.** This section is effective for the 2017-2018 school year and later.

38.23 Sec. 19. Minnesota Statutes 2016, section 120B.35, subdivision 3, is amended to read:

38.24 Subd. 3. **State growth target; other state measures.** (a)(1) The state's educational
 38.25 assessment system measuring individual students' educational growth is based on indicators
 38.26 of achievement growth that show an individual student's prior achievement. Indicators of
 38.27 achievement and prior achievement must be based on highly reliable statewide or districtwide
 38.28 assessments.

38.29 (2) For purposes of paragraphs (b), (c), and (d), the commissioner must analyze and
 38.30 report separate categories of information using the student categories identified under the
 38.31 federal Elementary and Secondary Education Act, as most recently reauthorized, and, in
 38.32 addition to "other" for each race and ethnicity, and the Karen community, other student

39.1 ~~categories as determined by the total Minnesota population at or above the 1,000-person~~
 39.2 ~~threshold based on the most recent decennial census, including ethnicity; race; refugee status~~
 39.3 seven of the most populous Asian and Pacific Islander groups, three of the most populous
 39.4 Native groups, seven of the most populous Hispanic/Latino groups, and five of the most
 39.5 populous Black and African Heritage groups as determined by the total Minnesota population
 39.6 based on the most recent American Community Survey; English learners under section
 39.7 124D.59; home language; free or reduced-price lunch; immigrant; and all students enrolled
 39.8 in a Minnesota public school who are currently or were previously in foster care, except
 39.9 that such disaggregation and cross tabulation is not required if the number of students in a
 39.10 category is insufficient to yield statistically reliable information or the results would reveal
 39.11 personally identifiable information about an individual student.

39.12 (b) The commissioner, in consultation with a stakeholder group that includes assessment
 39.13 and evaluation directors, district staff, experts in culturally responsive teaching, and
 39.14 researchers, must implement a model that uses a value-added growth indicator and includes
 39.15 criteria for identifying schools and school districts that demonstrate medium and high growth
 39.16 under section 120B.299, subdivisions 8 and 9, and may recommend other value-added
 39.17 measures under section 120B.299, subdivision 3. The model may be used to advance
 39.18 educators' professional development and replicate programs that succeed in meeting students'
 39.19 diverse learning needs. Data on individual teachers generated under the model are personnel
 39.20 data under section 13.43. The model must allow users to:

39.21 (1) report student growth consistent with this paragraph; and

39.22 (2) for all student categories, report and compare aggregated and disaggregated state
 39.23 student growth and, under section 120B.11, subdivision 2, clause (2), student learning and
 39.24 outcome data using the student categories identified under the federal Elementary and
 39.25 Secondary Education Act, as most recently reauthorized, and other student categories under
 39.26 paragraph (a), clause (2).

39.27 The commissioner must report measures of student growth and, under section 120B.11,
 39.28 subdivision 2, clause (2), student learning and outcome data, consistent with this paragraph,
 39.29 including the English language development, academic progress, and oral academic
 39.30 development of English learners and their native language development if the native language
 39.31 is used as a language of instruction, and include data on all pupils enrolled in a Minnesota
 39.32 public school course or program who are currently or were previously counted as an English
 39.33 learner under section 124D.59.

40.1 (c) When reporting student performance under section 120B.36, subdivision 1, the
40.2 commissioner annually, beginning July 1, 2011, must report two core measures indicating
40.3 the extent to which current high school graduates are being prepared for postsecondary
40.4 academic and career opportunities:

40.5 (1) a preparation measure indicating the number and percentage of high school graduates
40.6 in the most recent school year who completed course work important to preparing them for
40.7 postsecondary academic and career opportunities, consistent with the core academic subjects
40.8 required for admission to Minnesota's public colleges and universities as determined by the
40.9 Office of Higher Education under chapter 136A; and

40.10 (2) a rigorous coursework measure indicating the number and percentage of high school
40.11 graduates in the most recent school year who successfully completed one or more
40.12 college-level advanced placement, international baccalaureate, postsecondary enrollment
40.13 options including concurrent enrollment, other rigorous courses of study under section
40.14 120B.021, subdivision 1a, or industry certification courses or programs.

40.15 When reporting the core measures under clauses (1) and (2), the commissioner must also
40.16 analyze and report separate categories of information using the student categories identified
40.17 under the federal Elementary and Secondary Education Act, as most recently reauthorized,
40.18 and other student categories under paragraph (a), clause (2).

40.19 (d) When reporting student performance under section 120B.36, subdivision 1, the
40.20 commissioner annually, beginning July 1, 2014, must report summary data on school safety
40.21 and students' engagement and connection at school, consistent with the student categories
40.22 identified under paragraph (a), clause (2). The summary data under this paragraph are
40.23 separate from and must not be used for any purpose related to measuring or evaluating the
40.24 performance of classroom teachers. The commissioner, in consultation with qualified experts
40.25 on student engagement and connection and classroom teachers, must identify highly reliable
40.26 variables that generate summary data under this paragraph. The summary data may be used
40.27 at school, district, and state levels only. Any data on individuals received, collected, or
40.28 created that are used to generate the summary data under this paragraph are nonpublic data
40.29 under section 13.02, subdivision 9.

40.30 (e) For purposes of statewide educational accountability, the commissioner must identify
40.31 and report measures that demonstrate the success of learning year program providers under
40.32 sections 123A.05 and 124D.68, among other such providers, in improving students'
40.33 graduation outcomes. The commissioner, beginning July 1, 2015, must annually report
40.34 summary data on:

- 41.1 (1) the four- and six-year graduation rates of students under this paragraph;
- 41.2 (2) the percent of students under this paragraph whose progress and performance levels
- 41.3 are meeting career and college readiness benchmarks under section 120B.30, subdivision
- 41.4 1; and
- 41.5 (3) the success that learning year program providers experience in:
- 41.6 (i) identifying at-risk and off-track student populations by grade;
- 41.7 (ii) providing successful prevention and intervention strategies for at-risk students;
- 41.8 (iii) providing successful recuperative and recovery or reenrollment strategies for off-track
- 41.9 students; and
- 41.10 (iv) improving the graduation outcomes of at-risk and off-track students.

41.11 The commissioner may include in the annual report summary data on other education

41.12 providers serving a majority of students eligible to participate in a learning year program.

41.13 (f) The commissioner, in consultation with recognized experts with knowledge and

41.14 experience in assessing the language proficiency and academic performance of all English

41.15 learners enrolled in a Minnesota public school course or program who are currently or were

41.16 previously counted as an English learner under section 124D.59, must identify and report

41.17 appropriate and effective measures to improve current categories of language difficulty and

41.18 assessments, and monitor and report data on students' English proficiency levels, program

41.19 placement, and academic language development, including oral academic language.

41.20 (g) When reporting four- and six-year graduation rates, the commissioner or school

41.21 district must disaggregate the data by student categories according to paragraph (a), clause

41.22 (2).

41.23 (h) A school district must inform parents and guardians that volunteering information

41.24 on student categories not required by the most recent reauthorization of the Elementary and

41.25 Secondary Education Act is optional and will not violate the privacy of students or their

41.26 families, parents, or guardians. The notice must state the purpose for collecting the student

41.27 data.

41.28 **EFFECTIVE DATE.** This section is effective for the 2018-2019 school year and later

41.29 for rollout sites under Minnesota Statutes, section 120B.31, subdivision 3a. This section is

41.30 effective for the 2019-2020 school year and later for all other schools.

42.1 Sec. 20. Minnesota Statutes 2016, section 120B.36, subdivision 1, is amended to read:

42.2 Subdivision 1. **School performance reports and public reporting.** (a) The commissioner
 42.3 shall report student academic performance data under section 120B.35, subdivisions 2 and

 52.10 be reported by the postsecondary institution at the time the enrollment information for the
 52.11 succeeding quarter or semester is submitted. At any time the department notifies a
 52.12 postsecondary institution that an overpayment has been made, the institution shall promptly

104.30 (b) The Professional Educator Licensing and Standards Board of Teaching or Board of
 104.31 School Administrators, whichever has jurisdiction over a teacher's licensure, shall refuse
 104.32 to issue, refuse to renew, or automatically revoke a teacher's license to teach without the

105.1 right to a hearing upon receiving a certified copy of a conviction showing that the teacher
 105.2 has been convicted of child abuse, as defined in section 609.185, sex trafficking in the first
 105.3 degree under section 609.322, subdivision 1, sex trafficking in the second degree under
 105.4 section 609.322, subdivision 1a, engaging in hiring, or agreeing to hire a minor to engage
 105.5 in prostitution under section 609.324, subdivision 1, sexual abuse under section 609.342,

 105.18 Appeals or the Supreme Court or if the person has received a pardon for the offense. The
 105.19 petitioner shall attach a certified copy of the appellate court's final decision or the pardon
 105.20 to the petition. Upon receiving the petition and its attachment, the board shall schedule and

 105.22 petitioner waives the right to a hearing. If the board finds that, notwithstanding the reversal
 105.23 of the petitioner's criminal conviction or the issuance of a pardon, the petitioner is disqualified
 105.24 from teaching under paragraph (a), clause (1), the board shall affirm its previous licensing
 105.25 action. If the board finds that the petitioner is not disqualified from teaching under paragraph
 105.26 (a), clause (1), it shall reverse its previous licensing action.

105.27 (d) For purposes of this subdivision, the Professional Educator Licensing and Standards
 105.28 Board of Teaching is delegated the authority to suspend or revoke coaching licenses.

105.29 Subd. 2. **Mandatory reporting.** (a) A school board must report to the Professional
 105.30 Educator Licensing and Standards Board of Teaching, the Board of School Administrators,
 105.31 or the Board of Trustees of the Minnesota State Colleges and Universities, whichever has
 105.32 jurisdiction over the teacher's or administrator's license, when its teacher or administrator
 105.33 is discharged or resigns from employment after a charge is filed with the school board under
 105.34 section 122A.41, subdivisions 6, clauses (1), (2), and (3), and 7, or after charges are filed
 105.35 that are grounds for discharge under section 122A.40, subdivision 13, paragraph (a), clauses

106.1 (1) to (5), or when a teacher or administrator is suspended or resigns while an investigation
106.2 is pending under section 122A.40, subdivision 13, paragraph (a) clauses (1) to (5); 122A.41,
106.3 subdivisions 6, clauses (1), (2), and (3), and 7; or 626.556, or when a teacher or administrator
106.4 is suspended without an investigation under section 122A.41, subdivisions 6, paragraph (a),
106.5 clauses (1), (2), and (3), and 7; or 626.556. The report must be made to the appropriate
106.6 licensing board within ten days after the discharge, suspension, or resignation has occurred.
106.7 The licensing board to which the report is made must investigate the report for violation of
106.8 subdivision 1 and the reporting board must cooperate in the investigation. Notwithstanding
106.9 any provision in chapter 13 or any law to the contrary, upon written request from the licensing
106.10 board having jurisdiction over the license, a board or school superintendent shall provide
106.11 the licensing board with information about the teacher or administrator from the district's
106.12 files, any termination or disciplinary proceeding, any settlement or compromise, or any
106.13 investigative file. Upon written request from the appropriate licensing board, a board or
106.14 school superintendent may, at the discretion of the board or school superintendent, solicit
106.15 the written consent of a student and the student's parent to provide the licensing board with
106.16 information that may aid the licensing board in its investigation and license proceedings.
106.17 The licensing board's request need not identify a student or parent by name. The consent
106.18 of the student and the student's parent must meet the requirements of chapter 13 and Code
106.19 of Federal Regulations, title 34, section 99.30. The licensing board may provide a consent
106.20 form to the district. Any data transmitted to any board under this section is private data
106.21 under section 13.02, subdivision 12, notwithstanding any other classification of the data
106.22 when it was in the possession of any other agency.

106.23 (b) The licensing board to which a report is made must transmit to the Attorney General's
106.24 Office any record or data it receives under this subdivision for the sole purpose of having
106.25 the Attorney General's Office assist that board in its investigation. When the Attorney
106.26 General's Office has informed an employee of the appropriate licensing board in writing
106.27 that grounds exist to suspend or revoke a teacher's license to teach, that licensing board
106.28 must consider suspending or revoking or decline to suspend or revoke the teacher's or
106.29 administrator's license within 45 days of receiving a stipulation executed by the teacher or
106.30 administrator under investigation or a recommendation from an administrative law judge
106.31 that disciplinary action be taken.

106.32 (c) The Professional Educator Licensing and Standards Board and Board of School
106.33 Administrators must report to the appropriate law enforcement authorities a revocation,
106.34 suspension, or agreement involving a loss of license, relating to a teacher or administrator's
106.35 inappropriate sexual conduct with a minor. For purposes of this section, "law enforcement

107.1 authority" means a police department, county sheriff, or tribal police department. A report
 107.2 by the Professional Educator Licensing and Standards Board to appropriate law enforcement
 107.3 authorities does not diminish, modify, or otherwise affect the responsibilities of a school
 107.4 board or any person mandated to report abuse under section 626.556.

107.5 Subd. 3. **Immunity from liability.** A school board, its members in their official capacity,
 107.6 and employees of the district run by the board are immune from civil or criminal liability
 107.7 for reporting or cooperating as required under subdivision 2, if their actions required under
 107.8 subdivision 2 are done in good faith and with due care.

107.9 **EFFECTIVE DATE.** This section is effective July 1, 2018.

107.10 Sec. 19. Minnesota Statutes 2016, section 122A.23, subdivision 3, is amended to read:

107.11 Subd. 3. **Teacher licensure agreements with adjoining states.** (a) Notwithstanding
 107.12 any other law to the contrary, the Professional Educator Licensing and Standards Board of
 107.13 ~~Teaching~~ must enter into a National Association of State Directors of Teacher Education
 107.14 and Certification (NASDTEC) interstate agreement and other interstate agreements for
 107.15 teacher licensure to allow fully certified teachers from adjoining states to transfer their
 107.16 certification to Minnesota. The board must enter into these interstate agreements only after
 107.17 determining that the rigor of the teacher licensure or certification requirements in the
 107.18 adjoining state is commensurate with the rigor of Minnesota's teacher licensure requirements.
 107.19 The board may limit an interstate agreement to particular content fields or grade levels based
 107.20 on established priorities or identified shortages. This subdivision does not apply to
 107.21 out-of-state applicants holding only a provisional teaching license.

107.22 (b) The Professional Educator Licensing and Standards Board of Teaching must work
 107.23 with designated authorities in adjoining states to establish interstate teacher licensure
 107.24 agreements under this section.

107.25 **EFFECTIVE DATE.** This section is effective July 1, 2018.

107.26 Sec. 20. **[122A.2451] ALTERNATIVE TEACHER PREPARATION PROVIDERS**
 107.27 **AND PROGRAMS.**

 107.29 or has obtained approval for an alternative teacher preparation program consistent with this
 107.30 section.

107.31 (b) "Program" means content provided by a provider that leads toward licensure in a
 107.32 specific content area.

108.1 Subd. 2. **Purpose.** To provide alternative pathways towards Minnesota teacher licensure
108.2 outside of the traditional means, improve ethnic and cultural diversity in the classroom, and
108.3 to close the achievement gap, the Professional Educator Licensing and Standards Board
108.4 must approve qualified teacher preparation providers and programs under this section that
108.5 are a means to acquire a Tier 2 license under section 122A.182 and prepare for acquiring a
108.6 Tier 3 license under section 122A.183.

108.7 Subd. 3. **Eligibility.** A school district, charter school, or nonprofit corporation organized
108.8 under chapter 317A for an education-related purpose is eligible to participate under this
108.9 section. An eligible entity may apply for provider and program approval simultaneously.

108.10 Subd. 4. **Provider approval.** An eligible entity must be approved as a provider before
108.11 being approved to provide programs towards licensure. The Professional Educator Licensing
108.12 and Standards Board must approve eligible entities under subdivision 3 that meet the
108.13 following requirements:

108.14 (1) has evidence and history of fiscal solvency, capacity, and operation;

108.21 an adequate instructional phase under subdivision 5.

108.22 Subd. 5. **Program approval.** The board must approve programs offered by approved
108.23 providers based on nontraditional criteria. An approved program must have the following
108.24 characteristics:

108.25 (1) an instructional phase that provides intensive preparation and classroom experience
108.26 that is commensurate with the scope of licensure standards defined under rule, before the
108.27 teacher candidate assumes classroom responsibilities;

108.28 (2) a research-based and results-oriented approach focused on best teaching practices
108.29 to increase student proficiency and growth measured against state academic standards;

108.30 (3) a strategy to combine pedagogy and best teaching practices to better inform teacher
108.31 candidates' classroom instruction;

109.1 (4) provide assessment, supervision, and evaluation of teacher candidates to determine
 109.2 their specific needs throughout the program, and to support efforts to successfully complete
 109.3 the program;

109.4 (5) provide intensive and ongoing professional learning opportunities that accelerate
 109.5 teacher candidates' professional growth, support student learning, and provide a workplace
 109.6 orientation, professional staff development, mentoring and peer review, focused on standards
 109.7 of professional practice and continuous professional growth; and

109.8 (6) a process to review a candidate's final proficiency of required licensure content
 109.9 standards that leads to potential candidate recommendation by the provider to the board for
 109.10 a Tier 3 teaching license under subdivision 8.

109.11 Subd. 6. **Nontraditional means; program instructors.** (a) The board must permit
 109.12 alternative teacher preparation providers and teacher candidates to demonstrate pedagogy
 109.13 and content standard proficiency in school-based programs and through other nontraditional
 109.14 means. Nontraditional means may include previous work experiences, teaching experiences,
 109.15 educator evaluations, industry-recognized certifications, and other essentially equivalent
 109.16 demonstrations.

109.17 (b) The board must use nontraditional criteria to determine qualifications of program
 109.18 instructors, including permitting instructors to hold a baccalaureate degree only.

109.19 Subd. 7. **Program disapproval, suspension.** If the board determines that a teacher
 109.20 preparation provider or licensure program fails to meet or is deficient in any of the
 109.21 requirements of subdivision 5, it may suspend or revoke the approval of the provider or
 109.22 program after it notifies the provider of the deficiencies and gives the provider an opportunity
 109.23 to remedy the deficiencies.

109.24 Subd. 8. **Candidate program completion; teacher licensure.** (a) A candidate that
 109.25 completes an approved program must apply for a license under the tiered licensure system
 109.26 according to sections 122A.181 to 122A.184.

109.27 (b) A person who successfully completes another state's alternative teacher preparation
 109.28 licensure program may apply to the Professional Educator Licensing and Standards Board
 109.29 for a Tier 3 license under section 122A.183.

109.30 Subd. 9. **Reports.** (a) An approved alternative teacher preparation provider must report
 109.31 to the Professional Educator Licensing and Standards Board on items that are defined in
 109.32 statute regarding program candidates, completion, and effectiveness or other items that are
 109.33 required under section 122A.09.

110.1 (b) The Professional Educator Licensing and Standards Board must submit a biennial
 110.2 report on the alternative teacher preparation program and providers to legislative committees
 110.3 having jurisdiction over kindergarten through grade 12 education policy and finance by
 110.4 January 15 of each odd-numbered year.

110.5 **EFFECTIVE DATE.** This section is effective July 1, 2018.

116.25 Section 1. Minnesota Statutes 2016, section 125A.083, is amended to read:

116.26 **125A.083 STUDENT INFORMATION SYSTEMS; TRANSFERRING RECORDS.**

116.27 ~~(a)~~ To efficiently and effectively meet federal and state compliance and accountability
 116.28 requirements using an online case management reporting system, beginning July 1, 2018,
 116.29 a school district may contract only for a student information system that is Schools
 116.30 Interoperability Framework compliant.

117.1 ~~(b) Beginning on July 1 of the fiscal year following the year that the commissioner of~~
 117.2 ~~education certifies to the legislature under paragraph (e) that a compatible compliant system~~
 117.3 ~~exists, a school district must use an online system for compliance reporting under section~~

117.12 Sec. 2. Minnesota Statutes 2016, section 125A.0941, is amended to read:

117.13 **125A.0941 DEFINITIONS.**

117.14 (a) The following terms have the meanings given them.

117.15 (b) "Emergency" means a situation where immediate intervention is needed to protect
 117.16 a child or other individual from physical injury. Emergency does not mean circumstances
 117.17 such as: a child who does not respond to a task or request and instead places his or her head
 117.18 on a desk or hides under a desk or table; a child who does not respond to a staff person's
 117.19 request unless failing to respond would result in physical injury to the child or other
 117.20 individual; or an emergency incident has already occurred and no threat of physical injury
 117.21 currently exists.

117.22 (c) "Physical holding" means physical intervention intended to hold a child immobile
 117.23 or limit a child's movement, where body contact is the only source of physical restraint, and
 117.24 where immobilization is used to effectively gain control of a child in order to protect a child
 117.25 or other individual from physical injury. The term physical holding does not mean physical
 117.26 contact that:

117.27 (1) helps a child respond or complete a task;

117.28 (2) assists a child without restricting the child's movement;

117.29 (3) is needed to administer an authorized health-related service or procedure; or

117.30 (4) is needed to physically escort a child when the child does not resist or the child's
 117.31 resistance is minimal.

118.1 (d) "Positive behavioral interventions and supports" means interventions and strategies
118.2 to improve the school environment and teach children the skills to behave appropriately,
118.3 including the key components under section 122A.627.

118.4 (e) "Prone restraint" means placing a child in a face down position.

118.5 (f) "Restrictive procedures" means the use of physical holding or seclusion in an
118.6 emergency. Restrictive procedures must not be used to punish or otherwise discipline a
118.7 child.

118.8 (g) "Seclusion" means confining a child alone in a room from which egress is barred.
118.9 Egress may be barred by an adult locking or closing the door in the room or preventing the
118.10 child from leaving the room. Removing a child from an activity to a location where the
118.11 child cannot participate in or observe the activity is not seclusion.

118.12 Sec. 3. Minnesota Statutes 2016, section 125A.11, subdivision 1, is amended to read:

118.13 Subdivision 1. **Nonresident tuition rate; other costs.** (a) For fiscal year 2015 and later,
118.14 when a school district provides special instruction and services for a pupil with a disability
118.15 as defined in section 125A.02 outside the district of residence, excluding a pupil for whom
118.16 an adjustment to special education aid is calculated according to section 127A.47, subdivision
118.17 7, paragraphs (b) to (d), special education aid paid to the resident district must be reduced
118.18 by an amount equal to (1) the actual cost of providing special instruction and services to
118.19 the pupil, including a proportionate amount for special transportation, plus (2) the amount
118.20 of general education revenue, excluding local optional revenue, plus local optional aid and
118.21 referendum equalization aid attributable to that pupil, calculated using the resident district's
118.22 average general education revenue and referendum equalization aid per adjusted pupil unit
118.23 excluding basic skills revenue, elementary sparsity revenue and secondary sparsity revenue,
118.24 minus (3) the amount of special education aid for children with a disability under section
118.25 125A.76 received on behalf of that child, minus (4) if the pupil receives special instruction
118.26 and services outside the regular classroom for more than 60 percent of the school day, the
118.27 amount of general education revenue and referendum equalization aid, excluding portions
118.28 attributable to district and school administration, district support services, operations and
118.29 maintenance, capital expenditures, and pupil transportation, attributable to that pupil for
118.30 the portion of time the pupil receives special instruction and services outside of the regular
118.31 classroom, calculated using the resident district's average general education revenue and
118.32 referendum equalization aid per adjusted pupil unit excluding basic skills revenue, elementary
118.33 sparsity revenue and secondary sparsity revenue and the serving district's basic skills revenue,
118.34 elementary sparsity revenue and secondary sparsity revenue per adjusted pupil unit.

119.1 Notwithstanding clauses (1) and (4), for pupils served by a cooperative unit without a fiscal
119.2 agent school district, the general education revenue and referendum equalization aid
119.3 attributable to a pupil must be calculated using the resident district's average general
119.4 education revenue and referendum equalization aid excluding compensatory revenue,
119.5 elementary sparsity revenue, and secondary sparsity revenue. Special education aid paid to
119.6 the district or cooperative providing special instruction and services for the pupil must be
119.7 increased by the amount of the reduction in the aid paid to the resident district. If the resident
119.8 district's special education aid is insufficient to make the full adjustment, the remaining
119.9 adjustment shall be made to other state aid due to the district.

119.10 (b) Notwithstanding paragraph (a), when a charter school receiving special education
119.11 aid under section 124E.21, subdivision 3, provides special instruction and services for a
119.12 pupil with a disability as defined in section 125A.02, excluding a pupil for whom an
119.13 adjustment to special education aid is calculated according to section 127A.47, subdivision
119.14 7, paragraphs (b) to (e), special education aid paid to the resident district must be reduced
119.15 by an amount equal to that calculated under paragraph (a) as if the charter school received
119.16 aid under section 124E.21, subdivision 1. Notwithstanding paragraph (a), special education
119.17 aid paid to the charter school providing special instruction and services for the pupil must
119.18 not be increased by the amount of the reduction in the aid paid to the resident district.

119.19 (c) Notwithstanding paragraph (a) and section 127A.47, subdivision 7, paragraphs (b)
119.20 to (d):

119.21 (1) an intermediate district or a special education cooperative may recover unreimbursed
119.22 costs of serving pupils with a disability, including building lease, debt service, and indirect
119.23 costs necessary for the general operation of the organization, by billing membership fees
119.24 and nonmember access fees to the resident district;

119.25 (2) a charter school where more than 30 percent of enrolled students receive special
119.26 education and related services, a site approved under section 125A.515, an intermediate
119.27 district, a site constructed according to Laws 1992, chapter 558, section 7, subdivision 7,
119.28 to meet the educational needs of court-placed adolescents, or a special education cooperative
119.29 may apply to the commissioner for authority to charge the resident district an additional
119.30 amount to recover any remaining unreimbursed costs of serving pupils with a disability;

119.31 (3) the billing under clause (1) or application under clause (2) must include a description
119.32 of the costs and the calculations used to determine the unreimbursed portion to be charged
119.33 to the resident district. Amounts approved by the commissioner under clause (2) must be

120.1 included in the aid adjustments under paragraph (a), or section 127A.47, subdivision 7,
120.2 paragraphs (b) to (d), as applicable.

120.3 (d) For purposes of this subdivision and section 127A.47, subdivision 7, paragraph (b),
120.4 "general education revenue and referendum equalization aid" means the sum of the general
120.5 education revenue according to section 126C.10, subdivision 1, excluding the local optional
120.6 levy according to section 126C.10, subdivision 2e, paragraph (c), plus the referendum
120.7 equalization aid according to section 126C.17, subdivision 7.

120.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

120.9 Sec. 4. Minnesota Statutes 2016, section 125A.21, subdivision 2, is amended to read:

120.10 Subd. 2. **Third-party reimbursement.** (a) Beginning July 1, 2000, districts shall seek
120.11 reimbursement from insurers and similar third parties for the cost of services provided by
120.12 the district whenever the services provided by the district are otherwise covered by the
120.13 child's health coverage. Districts shall request, but may not require, the child's family to
120.14 provide information about the child's health coverage when a child with a disability begins
120.15 to receive services from the district of a type that may be reimbursable, and shall request,
120.16 but may not require, updated information after that as needed.

120.17 (b) For children enrolled in medical assistance under chapter 256B or MinnesotaCare
120.18 under chapter 256L who have no other health coverage, a district shall provide an initial
120.19 and annual written notice to the enrolled child's parent or legal representative of its intent
120.20 to seek reimbursement from medical assistance or MinnesotaCare for:

120.21 (1) the evaluations required as part of the individualized education program process or
120.22 individualized family service plan process; and

120.23 (2) health-related services provided by the district according to the individualized
120.24 education program or individualized family service plan.

120.25 The initial notice must give the child's parent or legal representative the right to request a
120.26 copy of the child's education records on the health-related services that the district provided
120.27 to the child and disclosed to a third-party payer.

120.28 (c) The district shall give the parent or legal representative annual written notice of:

120.29 (1) the district's intent to seek reimbursement from medical assistance or MinnesotaCare
120.30 for evaluations required as part of the individualized education program process or
120.31 individualized family service plan process, and for health-related services provided by the

121.1 district according to the individualized education program or individualized family service
121.2 plan;

121.3 (2) the right of the parent or legal representative to request a copy of all records
121.4 concerning individualized education program or individualized family service plan
121.5 health-related services disclosed by the district to any third party; and

121.6 (3) the right of the parent or legal representative to withdraw consent for disclosure of
121.7 a child's records at any time without consequence.

121.8 The written notice shall be provided as part of the written notice required by Code of Federal
121.9 Regulations, title 34, section 300.504 or 303.520. The district must ensure that the parent
121.10 of a child with a disability is given notice, in understandable language, of federal and state
121.11 procedural safeguards available to the parent under this paragraph and paragraph (b).

121.12 (d) In order to access the private health care coverage of a child who is covered by private
121.13 health care coverage in whole or in part, a district must:

121.14 (1) obtain annual written informed consent from the parent or legal representative, in
121.15 compliance with subdivision 5; and

121.16 (2) inform the parent or legal representative that a refusal to permit the district or state
121.17 Medicaid agency to access their private health care coverage does not relieve the district of
121.18 its responsibility to provide all services necessary to provide free and appropriate public
121.19 education at no cost to the parent or legal representative.

121.20 (e) If the commissioner of human services obtains federal approval to exempt covered
121.21 individualized education program or individualized family service plan health-related
121.22 services from the requirement that private health care coverage refuse payment before
121.23 medical assistance may be billed, paragraphs (b), (c), and (d) shall also apply to students
121.24 with a combination of private health care coverage and health care coverage through medical
121.25 assistance or MinnesotaCare.

121.26 (f) In the event that Congress or any federal agency or the Minnesota legislature or any
121.27 state agency establishes lifetime limits, limits for any health care services, cost-sharing
121.28 provisions, or otherwise provides that individualized education program or individualized
121.29 family service plan health-related services impact benefits for persons enrolled in medical
121.30 assistance or MinnesotaCare, the amendments to this subdivision adopted in 2002 are
121.31 repealed on the effective date of any federal or state law or regulation that imposes the
121.32 limits. In that event, districts must obtain informed consent consistent with this subdivision
121.33 as it existed prior to the 2002 amendments and subdivision 5, before seeking reimbursement

122.1 for children enrolled in medical assistance under chapter 256B or MinnesotaCare under
 122.2 chapter 256L who have no other health care coverage.

122.3 **EFFECTIVE DATE.** This section is effective August 1, 2017.

122.4 Sec. 5. Minnesota Statutes 2016, section 125A.515, is amended to read:

 122.10 Services or the Department of Corrections. Education programs in these facilities shall
 122.11 conform to state and federal education laws including the Individuals with Disabilities
 122.12 Education Act (IDEA). This section applies only to placements in children's residential
 122.13 facilities licensed by the Department of Human Services or the Department of Corrections.
 122.14 For purposes of this section, "on-site education program" means the educational services

 122.22 of corrections, the providing and resident district shall be the Department of Corrections.

122.23 Subd. 3a. **Students without a disability from other states.** A school district is not
 122.24 required to provide education services under this section to a student who:

122.25 (1) is not a resident of Minnesota;

122.26 (2) does not have an individualized education program; and

122.27 (3) does not have a tuition arrangement or agreement to pay the cost of education from
 122.28 the placing authority.

122.29 Subd. 4. **Education services required.** (a) Education services must be provided to a
 122.30 student beginning within three business days after the student enters the ~~care and treatment~~

 122.32 screen the student for educational and safety issues.

123.1 (b) If the student does not meet the eligibility criteria for special education, regular
123.2 education services must be provided to that student.

123.3 **Subd. 5. Education programs for students placed in children's residential facilities.**

123.4 (a) When a student is placed in a children's residential facility ~~approved~~ under this section
123.5 that has an on-site education program, the providing district, upon notice from the ~~care and~~
123.6 ~~treatment~~ children's residential facility, must contact the resident district within one business
123.7 day to determine if a student has been identified as having a disability, and to request at
123.8 least the student's transcript, and for students with disabilities, the most recent individualized
123.9 education program (IEP) and evaluation report, ~~and to determine if the student has been~~
123.10 ~~identified as a student with a disability~~. The resident district must send a facsimile copy to
123.11 the providing district within two business days of receiving the request.

123.12 (b) If a student placed under this section has been identified as having a disability and

123.14 (1) the providing agency must conduct an individualized education program meeting to
123.15 reach an agreement about continuing or modifying special education services in accordance
123.16 with the current individualized education program goals and objectives and to determine if
123.17 additional evaluations are necessary; and

123.18 (2) at least the following people shall receive written notice or documented phone call
123.19 to be followed with written notice to attend the individualized education program meeting:

123.25 (vi) when appropriate, the student.

123.26 (c) For a student who has not been identified as a student with a disability, a screening

123.29 records.

123.30 **Subd. 6. Exit report summarizing educational progress.** If a student has been placed
123.31 in a facility under this section for 15 or more business days, the providing district must

124.6 children's residential facility ~~approved~~ under this section, at a minimum, the providing
124.7 district is responsible for:

124.8 (1) the education necessary, including summer school services, for a student who is not
124.9 performing at grade level as indicated in the education record or IEP; and

124.10 (2) a school day, of the same length as the school day of the providing district, unless
124.11 the unique needs of the student, as documented through the IEP or education record in
124.12 consultation with treatment providers, requires an alteration in the length of the school day.

124.13 Subd. 8. **Placement, services, and due process.** When a student's treatment and
124.14 educational needs allow, education shall be provided in a regular educational setting. The

124.16 the student's parents or legal guardians and the treatment and education staff. When
124.17 applicable, educational placement decisions must be made by the IEP team of the providing
124.18 district. Educational services shall be provided in conformance with the least restrictive

124.26 special education and general education statutes.

124.27 (b) Indirect or consultative services provided in conjunction with regular education
124.28 prereferral interventions and assessment provided to regular education students suspected
124.29 of being disabled and who have demonstrated learning or behavioral problems in a screening
124.30 are reimbursable with special education categorical aids.

124.31 (c) Regular education, including screening, provided to students with or without
124.32 disabilities is not reimbursable with special education categorical aids.

125.1 Subd. 10. **Students unable to attend school but not covered under this section.**

125.2 Students who are absent from, or predicted to be absent from, school for 15 consecutive or
125.3 intermittent days, and placed at home or in facilities not licensed by the Departments of
125.4 Corrections or Human Services are entitled to regular and special education services
125.5 consistent with this section or Minnesota Rules, part 3525.2325. These students include
125.6 students with and without disabilities who are home due to accident or illness, in a hospital

125.12 To receive medical assistance payments, the district must pay the nonfederal share of medical
125.13 assistance services provided according to section 256B.0625, subdivision 26, and comply
125.14 with relevant provisions of state and federal statutes and regulations governing the medical

125.19 education aid equals the sum of the district's special education initial aid under subdivision

125.21 (b) Notwithstanding paragraph (a), for fiscal year 2016, the special education aid for a
125.22 school district must not exceed the sum of the special education aid the district would have
125.23 received for fiscal year 2016 under Minnesota Statutes 2012, sections 125A.76 and 125A.79,
125.24 as adjusted according to Minnesota Statutes 2012, sections 125A.11 and 127A.47, subdivision

125.27 (c) Notwithstanding paragraph (a), for fiscal year 2017 and later, the special education
125.28 aid for a school district must not exceed the sum of: (i) the product of the district's average
125.29 daily membership served and the special education aid increase limit and (ii) the product
125.30 of the sum of the special education aid the district would have received for fiscal year 2016
125.31 under Minnesota Statutes 2012, sections 125A.76 and 125A.79, as adjusted according to
125.32 Minnesota Statutes 2012, sections 125A.11 and 127A.47, subdivision 7, the ratio of the

126.1 district's average daily membership served for the current fiscal year to the district's average
 126.2 daily membership served for fiscal year 2016, and the program growth factor.

126.3 (d) Notwithstanding paragraph (a), for fiscal year 2016 and later the special education
 126.4 aid for a school district, not including a charter school or cooperative unit as defined in
 126.5 section 123A.24, must not be less than the lesser of (1) the district's nonfederal special
 126.6 education expenditures for that fiscal year or (2) the product of the sum of the special
 126.7 education aid the district would have received for fiscal year 2016 under Minnesota Statutes
 126.8 2012, sections 125A.76 and 125A.79, as adjusted according to Minnesota Statutes 2012,
 126.9 sections 125A.11 and 127A.47, subdivision 7, the ratio of the district's adjusted daily
 126.10 membership for the current fiscal year to the district's average daily membership for fiscal
 126.11 year 2016, and the program growth factor.

126.12 (e) Notwithstanding subdivision 2a and section 125A.79, a charter school in its first year
 126.13 of operation shall generate special education aid based on current year data. A newly formed
 126.14 cooperative unit as defined in section 123A.24 may apply to the commissioner for approval
 126.15 to generate special education aid for its first year of operation based on current year data,
 126.16 with an offsetting adjustment to the prior year data used to calculate aid for programs at
 126.17 participating school districts or previous cooperatives that were replaced by the new
 126.18 cooperative. The department shall establish procedures to adjust the prior year data and
 126.19 fiscal year 2016 old formula aid used in calculating special education aid to exclude costs
 126.20 that have been eliminated for districts where programs have closed or where a substantial
 126.21 portion of the program has been transferred to a cooperative unit.

126.22 (f) The department shall establish procedures through the uniform financial accounting
 126.23 and reporting system to identify and track all revenues generated from third-party billings
 126.24 as special education revenue at the school district level; include revenue generated from
 126.25 third-party billings as special education revenue in the annual cross-subsidy report; and
 126.26 exclude third-party revenue from calculation of excess cost aid to the districts.

126.27 **EFFECTIVE DATE.** This section is effective for revenue for fiscal year 2018 and later.

126.28 Sec. 8. Minnesota Statutes 2016, section 256B.0625, subdivision 26, is amended to read:

126.29 Subd. 26. **Special education services.** (a) Medical assistance covers evaluations necessary
 126.30 in making a determination for eligibility for individualized education program and
 126.31 individualized family service plan services and for medical services identified in a recipient's
 126.32 individualized education program and individualized family service plan and covered under
 126.33 the medical assistance state plan. Covered services include occupational therapy, physical
 126.34 therapy, speech-language therapy, clinical psychological services, nursing services, school

127.1 psychological services, school social work services, personal care assistants serving as
127.2 management aides, assistive technology devices, transportation services, health assessments,
127.3 and other services covered under the medical assistance state plan. Mental health services
127.4 eligible for medical assistance reimbursement must be provided or coordinated through a
127.5 children's mental health collaborative where a collaborative exists if the child is included
127.6 in the collaborative operational target population. The provision or coordination of services
127.7 does not require that the individualized education program be developed by the collaborative.

127.8 The services may be provided by a Minnesota school district that is enrolled as a medical
127.9 assistance provider or its subcontractor, and only if the services meet all the requirements
127.10 otherwise applicable if the service had been provided by a provider other than a school
127.11 district, in the following areas: medical necessity, physician's orders, documentation,
127.12 personnel qualifications, and prior authorization requirements. The nonfederal share of costs
127.13 for services provided under this subdivision is the responsibility of the local school district
127.14 as provided in section 125A.74. Services listed in a child's individualized education program
127.15 are eligible for medical assistance reimbursement only if those services meet criteria for
127.16 federal financial participation under the Medicaid program.

127.17 (b) Approval of health-related services for inclusion in the individualized education
127.18 program does not require prior authorization for purposes of reimbursement under this
127.19 chapter. The commissioner may require physician review and approval of the plan not more
127.20 than once annually or upon any modification of the individualized education program that
127.21 reflects a change in health-related services.

127.22 (c) Services of a speech-language pathologist provided under this section are covered
127.23 notwithstanding Minnesota Rules, part 9505.0390, subpart 1, item L, if the person:

127.24 (1) holds a masters degree in speech-language pathology;

127.25 (2) is licensed by the Minnesota Board of Teaching as an educational speech-language
127.26 pathologist; and

127.27 (3) either has a certificate of clinical competence from the American Speech and Hearing
127.28 Association, has completed the equivalent educational requirements and work experience
127.29 necessary for the certificate or has completed the academic program and is acquiring
127.30 supervised work experience to qualify for the certificate.

127.31 (d) Medical assistance coverage for medically necessary services provided under other
127.32 subdivisions in this section may not be denied solely on the basis that the same or similar
127.33 services are covered under this subdivision.

128.1 (e) The commissioner shall develop and implement package rates, bundled rates, or per
 128.2 diem rates for special education services under which separately covered services are grouped
 128.3 together and billed as a unit in order to reduce administrative complexity.

128.4 (f) The commissioner shall develop a cost-based payment structure for payment of these
 128.5 services. Only costs reported through the designated Minnesota Department of Education
 128.6 data systems in distinct service categories qualify for inclusion in the cost-based payment
 128.7 structure. The commissioner shall reimburse claims submitted based on an interim rate, and
 128.8 shall settle at a final rate once the department has determined it. The commissioner shall
 128.9 notify the school district of the final rate. The school district has 60 days to appeal the final
 128.10 rate. To appeal the final rate, the school district shall file a written appeal request to the
 128.11 commissioner within 60 days of the date the final rate determination was mailed. The appeal
 128.12 request shall specify (1) the disputed items and (2) the name and address of the person to
 128.13 contact regarding the appeal.

128.14 (g) Effective July 1, 2000, medical assistance services provided under an individualized
 128.15 education program or an individual family service plan by local school districts shall not
 128.16 count against medical assistance authorization thresholds for that child.

128.17 (h) Nursing services as defined in section 148.171, subdivision 15, and provided as an
 128.18 individualized education program health-related service, are eligible for medical assistance
 128.19 payment if they are otherwise a covered service under the medical assistance program.
 128.20 Medical assistance covers the administration of prescription medications by a licensed nurse
 128.21 who is employed by or under contract with a school district when the administration of
 128.22 medications is identified in the child's individualized education program. The simple
 128.23 administration of medications alone is not covered under medical assistance when
 128.24 administered by a provider other than a school district or when it is not identified in the
 128.25 child's individualized education program.

128.26 **EFFECTIVE DATE.** This section is effective August 1, 2017.

140.1 Subdivision 1. **Contracts.** A contract for work or labor, or for the purchase of furniture,
140.2 fixtures, or other property, except books registered under the copyright laws and information
140.3 systems software, or for the construction or repair of school houses, the estimated cost or
140.4 value of which shall exceed that specified in section 471.345, subdivision 3, must not be
140.5 made by the school board without first advertising for bids or proposals by two weeks'
140.6 published notice in the official newspaper. This notice must state the time and place of
140.7 receiving bids and contain a brief description of the subject matter.

140.8 Additional publication in the official newspaper or elsewhere may be made as the board
140.9 shall deem necessary.

140.10 After taking into consideration conformity with the specifications, terms of delivery,
140.11 and other conditions imposed in the call for bids, every such contract for which a call for
140.12 bids has been issued must be awarded to the lowest responsible bidder, be duly executed
140.13 in writing, and be otherwise conditioned as required by law. The person to whom the contract
140.14 is awarded shall give a sufficient bond to the board for its faithful performance.

140.15 Notwithstanding section 574.26 or any other law to the contrary, on a contract limited to
140.16 the purchase of a finished tangible product, a board may require, at its discretion, a
140.17 performance bond of a contractor in the amount the board considers necessary. A record
140.18 must be kept of all bids, with names of bidders and amount of bids, and with the successful
140.19 bid indicated thereon. A bid containing an alteration or erasure of any price contained in
140.20 the bid which is used in determining the lowest responsible bid must be rejected unless the
140.21 alteration or erasure is corrected as provided in this section. An alteration or erasure may
140.22 be crossed out and the correction thereof printed in ink or typewritten adjacent thereto and
140.23 initialed in ink by the person signing the bid. In the case of identical low bids from two or
140.24 more bidders, the board may, at its discretion, utilize negotiated procurement methods with
140.25 the tied low bidders for that particular transaction, so long as the price paid does not exceed
140.26 the low tied bid price. In the case where only a single bid is received, the board may, at its
140.27 discretion, negotiate a mutually agreeable contract with the bidder so long as the price paid
140.28 does not exceed the original bid. If no satisfactory bid is received, the board may readvertise.
140.29 Standard requirement price contracts established for supplies or services to be purchased
140.30 by the district must be established by competitive bids. Such standard requirement price
140.31 contracts may contain escalation clauses and may provide for a negotiated price increase
140.32 or decrease based upon a demonstrable industrywide or regional increase or decrease in the
140.33 vendor's costs. Either party to the contract may request that the other party demonstrate
140.34 such increase or decrease. The term of such contracts must not exceed two years with an
140.35 option on the part of the district to renew for an additional two years, except as provided in

141.1 subdivision 7. Contracts for the purchase of perishable food items, except milk for school
 141.2 lunches and vocational training programs, in any amount may be made by direct negotiation
 141.3 by obtaining two or more written quotations for the purchase or sale, when possible, without
 141.4 advertising for bids or otherwise complying with the requirements of this section or section
 141.5 471.345, subdivision 3. All quotations obtained shall be kept on file for a period of at least
 141.6 one year after receipt.

141.7 Every contract made without compliance with the provisions of this section shall be
 141.8 void. Except in the case of the destruction of buildings or injury thereto, where the public
 141.9 interest would suffer by delay, contracts for repairs may be made without advertising for
 141.10 bids.

141.11 **EFFECTIVE DATE.** This section is effective for contracts entered into on or after July
 141.12 1, 2017.

 143.27 January 30 of the fiscal year prior to the fiscal year in which the program will be
 143.28 implemented. The application must include:

143.29 (1) a description of the proposed program, including the number of hours per week the
 143.30 program will be offered at each school site or mixed-delivery location;

144.1 (2) an estimate of the number of eligible children to be served in the program at each
144.2 school site or mixed-delivery location; and

144.3 (3) a statement of assurances signed by the superintendent or charter school director that
144.4 the proposed program meets the requirements of subdivision 2.

144.5 (b) The commissioner must review all applications submitted for fiscal year 2017 by
144.6 August 1, 2016, and must review all applications submitted for fiscal year 2018 and later
144.7 by March 1 of the fiscal year in which the applications are received and determine whether
144.8 each application meets the requirements of paragraph (a).

144.9 (c) The commissioner must divide all applications for new or expanded voluntary
144.10 prekindergarten programs under this section meeting the requirements of paragraph (a) and
144.11 school readiness plus programs into four groups as follows: the Minneapolis and St. Paul
144.12 school districts; other school districts located in the metropolitan equity region as defined
144.13 in section 126C.10, subdivision 28; school districts located in the rural equity region as
144.14 defined in section 126C.10, subdivision 28; and charter schools. Within each group, the
144.15 applications must be ordered by rank using a sliding scale based on the following criteria:

144.16 (1) concentration of kindergarten students eligible for free or reduced-price lunches by
144.17 school site on October 1 of the previous school year. A school site may contract to partner
144.18 with a community based provider or Head Start under subdivision 3 or establish an early
144.19 childhood center and use the concentration of kindergarten students eligible for free or
144.20 reduced price meals from a specific school site as long as those eligible children are
144.21 prioritized and guaranteed services at the mixed-delivery site or early education center. For
144.22 school district programs to be operated at locations that do not have free and reduced-price
144.23 lunch concentration data for kindergarten programs for October 1 of the previous school
144.24 year, including mixed-delivery programs, the school district average concentration of
144.25 kindergarten students eligible for free or reduced-price lunches must be used for the rank
144.26 ordering;

144.27 (2) presence or absence of a three- or four-star Parent Aware rated program within the
144.28 school district or close proximity of the district. School sites with the highest concentration
144.29 of kindergarten students eligible for free or reduced-price lunches that do not have a three-
144.30 or four-star Parent Aware program within the district or close proximity of the district shall
144.31 receive the highest priority, and school sites with the lowest concentration of kindergarten
144.32 students eligible for free or reduced-price lunches that have a three- or four-star Parent
144.33 Aware rated program within the district or close proximity of the district shall receive the
144.34 lowest priority; and

145.1 (3) whether the district has implemented a mixed delivery system.

145.2 (d) The ~~aid available~~ limit on participation for the ~~program~~ programs as specified in
 145.3 subdivision 6, ~~paragraph (b)~~, must initially be allocated among the four groups based on
 145.4 each group's percentage share of the statewide kindergarten enrollment on October 1 of the
 145.5 previous school year. Within each group, the ~~available aid~~ participation limit for fiscal years
 145.6 2018 and 2019 must first be allocated to school sites approved for aid in the previous year
 145.7 to ensure that those sites are funded for the same number of participants as approved for
 145.8 the previous year. The remainder of the participation limit for each group must be allocated
 145.9 among school sites in priority order until that region's share of the ~~aid~~ participation limit
 145.10 is reached. If the ~~aid~~ participation limit is not reached for all groups, the remaining amount
 145.11 must be allocated to the highest priority school sites, as designated under this section, not
 145.12 funded in the initial allocation on a statewide basis. For fiscal year 2020 and later, the

 145.15 under paragraph(c).

145.16 (e) Once a school site or a mixed delivery site under subdivision 3 is approved for aid
 145.17 under this subdivision, it shall remain eligible for aid if it continues to meet program
 145.18 requirements, regardless of changes in the concentration of students eligible for free or
 145.19 reduced-price lunches.

145.20 (f) If the total ~~aid entitlement~~ number of participants approved based on applications
 145.21 submitted under paragraph (a) is less than the ~~aid entitlement~~ participation limit under
 145.22 subdivision 6, ~~paragraph (b)~~, the commissioner must notify all school districts and charter
 145.23 schools of the amount that remains available within 30 days of the initial application deadline
 145.24 under paragraph (a), and complete a second round of allocations based on applications
 145.25 received within 60 days of the initial application deadline.

145.26 (g) Procedures for approving applications submitted under paragraph (f) shall be the
 145.27 same as specified in paragraphs (a) to (d), except that the allocations shall be made to the
 145.28 highest priority school sites not funded in the initial allocation on a statewide basis.

145.29 **EFFECTIVE DATE.** This section is effective for fiscal year 2018 and later.

 146.5 2017, ~~\$27,239,000 for fiscal year 2018, and \$26,399,000 for fiscal year 2019 and later.~~ If
 146.6 the actual state aid entitlement based on final data exceeds the limit in any year, the aid of
 146.7 the participating districts must be prorated so as not to exceed the limit.

146.8 (c) The commissioner must limit the total number of funded participants in the voluntary
 146.9 prekindergarten program under this section to not more than 3,160.

146.10 (d) Notwithstanding paragraph (c), the commissioner must limit the total number of
 146.11 participants in the voluntary prekindergarten and school readiness plus programs to not

 154.4 director that the proposed program meets the requirements of subdivision 2.

154.5 (d) The commissioner must award funding for school readiness plus programs across

 154.7 program.

154.8 (e) A school site or mixed-delivery site approved for aid under this subdivision remains
 154.9 eligible for aid if the site continues to meet program requirements, regardless of changes in
 154.10 the concentration of students eligible for free or reduced-price lunches.

161.3 Section 1. Minnesota Statutes 2016, section 124D.52, subdivision 7, is amended to read:

161.4 Subd. 7. **Performance tracking system.** (a) By July 1, 2000, each approved adult basic
 161.5 education program must develop and implement a performance tracking system to provide
 161.6 information necessary to comply with federal law and serve as one means of assessing the
 161.7 effectiveness of adult basic education programs. For required reporting, longitudinal studies,
 161.8 and program improvement, the tracking system must be designed to collect data on the
 161.9 following core outcomes for learners, including English learners, who have completed
 161.10 participating in the adult basic education program:

161.11 (1) demonstrated improvements in literacy skill levels in reading, writing, speaking the
 161.12 English language, numeracy, problem solving, English language acquisition, and other
 161.13 literacy skills;

161.14 (2) placement in, retention in, or completion of postsecondary education, training,
 161.15 unsubsidized employment, or career advancement;

161.16 (3) receipt of a secondary school diploma or its recognized equivalent; and

161.17 (4) reduction in participation in the diversionary work program, Minnesota family
 161.18 investment program; and food support education and training program.

161.19 (b) A district, group of districts, state agency, or private nonprofit organization providing
 161.20 an adult basic education program may meet this requirement by developing a tracking system
 161.21 based on either or both of the following methodologies:

161.22 (1) conducting a reliable follow-up survey; or

161.23 (2) submitting student information, including collected Social Security numbers for data
 161.24 matching.

161.25 ~~Data related to obtaining employment must be collected in the first quarter following~~
 161.26 ~~program completion or can be collected while the student is enrolled, if known. Data related~~
 161.27 ~~to employment retention must be collected in the third quarter following program exit. Data~~
 161.28 related to any ~~other~~ of the specified ~~outcome~~ outcomes may be collected at any time during
 161.29 a program year.

161.30 (c) When a student in a program is requested to provide the student's Social Security
 161.31 number, the student must be notified in a written form easily understandable to the student
 161.32 that:

162.1 (1) providing the Social Security number is optional and no adverse action may be taken
 162.2 against the student if the student chooses not to provide the Social Security number;

162.3 (2) the request is made under section 124D.52, subdivision 7;

162.4 (3) if the student provides the Social Security number, it will be used to assess the
 162.5 effectiveness of the program by tracking the student's subsequent career; and

162.6 (4) the Social Security number will be shared with the Department of Education;
 162.7 Minnesota State Colleges and Universities; Office of Higher Education; Department of
 162.8 Human Services; and Department of Employment and Economic Development in order to
 162.9 accomplish the purposes described in paragraph (a) and will not be used for any other

162.11 (d) Annually a district, group of districts, state agency, or private nonprofit organization
 162.12 providing programs under this section must forward the tracking data collected to the
 162.13 Department of Education. For the purposes of longitudinal studies on the employment status
 162.14 of former students under this section, the Department of Education must forward the Social
 162.15 Security numbers to the Department of Employment and Economic Development to
 162.16 electronically match the Social Security numbers of former students with wage detail reports
 162.17 filed under section 268.044. The results of data matches must, for purposes of this section
 162.18 and consistent with the requirements of the ~~United States Code, title 29, section 2871, of~~
 162.19 ~~the Workforce Investment Act of 1998~~ Workforce Innovation and Opportunity Act, be

 162.22 that does not identify the individual students. The Department of Education may release
 162.23 this summary data. State funding for adult basic education programs must not be based on
 162.24 the number or percentage of students who decline to provide their Social Security numbers
 162.25 or on whether the program is evaluated by means of a follow-up survey instead of data
 162.26 matching.

170.29 clearly indicated.

171.1 Subd. 2. **Teacher.** "Teacher" means a classroom teacher or other similar professional
171.2 employee required to hold a license from the Professional Educator Licensing and Standards
171.3 Board of Teaching.

171.4 Subd. 3. **Board.** "Board" means the Professional Educator Licensing and Standards
171.5 Board of Teaching.

171.6 Subd. 4. **Comprehensive, scientifically based reading instruction.** (a) "Comprehensive,
171.7 scientifically based reading instruction" includes a program or collection of instructional
171.8 practices that is based on valid, replicable evidence showing that when these programs or
171.9 practices are used, students can be expected to achieve, at a minimum, satisfactory reading
171.10 progress. The program or collection of practices must include, at a minimum, effective,
171.11 balanced instruction in all five areas of reading: phonemic awareness, phonics, fluency,

171.14 instructional strategies for continuously assessing, evaluating, and communicating the
171.15 student's reading progress and needs in order to design and implement ongoing interventions
171.16 so that students of all ages and proficiency levels can read and comprehend text, write, and

171.26 that stresses learning how letters correspond to sounds and how to apply this knowledge in
171.27 reading and spelling.

171.28 (e) "Reading comprehension" is an active process that requires intentional thinking
171.29 during which meaning is constructed through interactions between text and reader.
171.30 Comprehension skills are taught explicitly by demonstrating, explaining, modeling, and

171.32 intentional, problem-solving thinking processes.

172.1 (f) "Vocabulary development" is the process of teaching vocabulary both directly and

Subd. 2a. **Reading strategies.** (a) All colleges and universities approved by the Board of Teaching to prepare persons for classroom teacher licensure must include in their teacher preparation programs research-based best practices in reading, consistent with section 122A.06, subdivision 4, that enable the licensure candidate to know how to teach reading in the candidate's content areas. Teacher candidates must be instructed in using students' native languages as a resource in creating effective differentiated instructional strategies for English learners developing literacy skills. These colleges and universities also must prepare early childhood and elementary teacher candidates for professional five-year teaching licenses for the portion of the examination under section 122A.09, subdivision 4, paragraph (e), covering assessment of reading instruction.

(b) Board-approved teacher preparation programs for teachers of elementary education must require instruction in applying comprehensive, scientifically based, and balanced reading instruction programs that:

(1) teach students to read using foundational knowledge, practices, and strategies consistent with section 122A.06, subdivision 4, so that all students achieve continuous progress in reading; and

(2) teach specialized instruction in reading strategies, interventions, and remediations that enable students of all ages and proficiency levels to become proficient readers.

(c) Nothing in this section limits the authority of a school district to select a school's reading program or curriculum.

Subd. 3. **Supervisory and coach qualifications; code of ethics.** The commissioner of education must issue licenses under its jurisdiction to persons the commissioner finds to be qualified and competent for their respective positions under the rules it adopts. The commissioner of education may develop, by rule, a code of ethics for supervisory personnel covering standards

of professional practices, including areas of ethical conduct and professional performance and methods of enforcement.

Subd. 3a. **Technology strategies.** All colleges and universities approved by the Board of Teaching to prepare persons for classroom teacher licensure must include in their teacher preparation programs the knowledge and skills teacher candidates need to deliver digital and blended learning and curriculum and engage students with technology.

Subd. 4. **Expiration and renewal.** (a) Each license the Department of Education issues through its licensing section must bear the date of issue and the name of the state-approved teacher training provider. Licenses must expire and be renewed according to the respective rules the Board of Teaching, the Board of School Administrators, or the commissioner of education adopts. Requirements for renewing a license must include showing satisfactory evidence of successful teaching or administrative experience for at least one school year during the period covered by the license in grades or subjects for which the license is valid or completing such additional preparation as the Board of Teaching prescribes. The Board of School Administrators shall establish requirements for renewing the licenses of supervisory personnel except athletic coaches. The State Board of Teaching shall establish requirements for renewing the licenses of athletic coaches.

(b) Applicants for license renewal who have been employed as a teacher during the renewal period of their expiring license, as a condition of license renewal, must present to their local continuing education and relicensure committee or other local relicensure committee evidence of work that demonstrates professional reflection and growth in best teaching practices, including among other things, practices in meeting the varied needs of English learners, from young children to adults under section 124D.59, subdivisions 2 and 2a. The applicant must include a reflective statement of professional accomplishment and the applicant's own assessment of professional growth showing evidence of:

- (1) support for student learning;
- (2) use of best practices techniques and their applications to student learning;
- (3) collaborative work with colleagues that includes examples of collegiality such as attested-to committee work, collaborative staff development programs, and professional learning community work; or
- (4) continual professional development that may include (i) job-embedded or other ongoing formal professional learning or (ii) for teachers employed for only part of the renewal period of their expiring license, other similar professional development efforts made during the relicensure period.

The Board of Teaching must ensure that its teacher relicensing requirements also include this paragraph.

(c) The Board of Teaching shall offer alternative options for license renewal for teachers who are accepted into and complete the National Board for Professional Teaching Standards certification process, and offer additional continuing relicensure options for teachers who earn National Board for Professional Teaching Standards certification. Continuing relicensure requirements for teachers who do not maintain National Board for Professional Teaching Standards certification are those the board prescribes, consistent with this section.

Subd. 4a. **Limited provisional licenses.** The board may grant two-year provisional licenses to licensure candidates in a field in which they were not previously licensed or in a field in which a shortage of licensed teachers exists. A shortage is defined as an inadequate supply of licensed personnel in a given licensure area as determined by the commissioner.

Subd. 6. **Human relations.** The Board of Teaching shall accept training programs completed through Peace Corps, VISTA, or Teacher Corps in lieu of completing the human relations component of the training program for purposes of issuing or renewing a teaching license.

Subd. 7. **Limited provisional licenses.** The Board of Teaching may grant provisional licenses, which shall be valid for two years, in fields in which licenses were not issued previously or in fields in which a shortage of licensed teachers exists. A shortage is defined as a lack of or an inadequate supply of licensed personnel within a given licensure area in a school district that has notified the Board of Teaching of the shortage and has applied to the Board of Teaching for provisional licenses for that district's licensed staff.

Subd. 7b. **Temporary limited licenses; personnel variances.** (a) The Board of Teaching must accept applications for a temporary limited teaching license beginning July 1 of the school year for which the license is requested and must issue or deny the temporary limited teaching license within 30 days of receiving the complete application.

(b) A candidate for a professional five-year teaching license must submit to the Educator Licensing Division at the department one portfolio demonstrating pedagogical competence and one portfolio demonstrating content competence.

(c) A candidate seeking to add a licensure field must submit to the Educator Licensing Division at the department one portfolio demonstrating content competence.

(d) The Board of Teaching must notify a candidate who submits a portfolio under paragraph (b) or (c) within 90 calendar days after the portfolio is received whether or not the portfolio was approved. If the portfolio was not approved, the board must immediately inform the candidate how to revise the portfolio to successfully demonstrate the requisite competence. The candidate may resubmit a revised portfolio at any time and the Educator Licensing Division at the department must approve or disapprove the portfolio within 60 calendar days of receiving it.

(e) A candidate must pay to the executive secretary of the Board of Teaching a \$300 fee for the first portfolio submitted for review and a \$200 fee for any portfolio submitted subsequently. The revenue generated from the fee must be deposited in an education licensure portfolio account in the special revenue fund. The fees set by the Board of Teaching are nonrefundable for applicants not qualifying for a license. The Board of Teaching may waive or reduce fees for candidates based on financial need.

122A.23 APPLICANTS TRAINED IN OTHER STATES.

Subdivision 1. **Preparation equivalency.** When a license to teach is authorized to be issued to any holder of a diploma or a degree of a Minnesota state university, or of the University of Minnesota, or of a liberal arts university, or a technical training institution, such license may also, in the discretion of the Board of Teaching, be issued to any holder of a diploma or a degree of a teacher training institution of equivalent rank and standing of any other state. The diploma or degree must be granted by virtue of completing coursework in teacher preparation as preliminary to the granting of a diploma or a degree of the same rank and class. For purposes of granting a Minnesota teaching license to a person who receives a diploma or degree from a state-accredited, out-of-state teacher training program leading to licensure, the Board of Teaching must establish criteria and streamlined policies and procedures by January 1, 2016, to recognize the experience and professional credentials of the person holding the out-of-state diploma or degree and allow that person to demonstrate to the board the person's qualifications for receiving a Minnesota teaching license based on performance measures the board adopts by January 1, 2016, under this section.

Subd. 2. **Applicants licensed in other states.** (a) Subject to the requirements of sections 122A.18, subdivision 8, and 123B.03, the Board of Teaching must issue a professional five-year teaching license or an initial professional one-year teaching license under paragraphs (c) to (f) to an applicant who holds at least a baccalaureate degree from a regionally accredited college or university and holds or held an out-of-state teaching license that requires the applicant to successfully complete a teacher preparation program approved by the issuing state, which includes either (1) field-specific teaching methods, student teaching, or equivalent experience, or (2) at least two years of teaching experience as the teacher of record in a similar licensure area.

(b) The Board of Teaching may issue a professional five-year teaching license on the basis of teaching experience and examination requirements only.

(c) The Board of Teaching must issue a professional five-year teaching license to an applicant who:

(1) successfully completed all exams and human relations preparation components required by the Board of Teaching; and

(2) holds or held an out-of-state teaching license to teach a similar content field and grade levels if the scope of the out-of-state license is no more than two grade levels less than a similar Minnesota license, and either (i) has completed field-specific teaching methods, student teaching, or equivalent experience, or (ii) has at least two years of teaching experience as the teacher of record in a similar licensure area.

APPENDIX

Repealed Minnesota Statutes: 17-4725

(d) The Board of Teaching, consistent with board rules and paragraph (i), must issue up to four initial professional one-year teaching licenses to an applicant who holds or held an out-of-state teaching license to teach a similar licensure area and grade levels, where the scope of the out-of-state license is no more than two grade levels less than a similar Minnesota license, but has not successfully completed all exams and human relations preparation components required by the Board of Teaching. The board must issue a professional five-year teaching license to an applicant who successfully completes the requirements under this paragraph.

(e) The Board of Teaching, consistent with board rules, must issue up to four initial professional one-year teaching licenses to an applicant who:

(1) successfully completed all exams and human relations preparation components required by the Board of Teaching; and

(2) holds or held an out-of-state teaching license to teach a similar licensure area and grade levels, where the scope of the out-of-state license is no more than two grade levels less than a similar Minnesota license, but has not completed field-specific teaching methods or student teaching or equivalent experience.

The applicant may complete field-specific teaching methods by successfully participating in a one-year school district mentorship program consistent with board-adopted standards of effective practice and Minnesota graduation requirements. If no school district mentorship program is available, the applicant must complete field-specific teaching methods coursework while serving as a teacher of record and providing classroom instruction in the applicant's field of licensure. The board must issue a professional five-year teaching license to an applicant who successfully completes the requirements under this paragraph.

(f) The Board of Teaching must issue to an applicant with an out-of-state teaching license up to four initial professional one-year teaching licenses that are restricted in content or grade levels specified in the out-of-state license if the applicant's out-of-state teaching license is more limited than a similar Minnesota license in content field or grade levels. The Board of Teaching must issue a professional five-year teaching license to an applicant who successfully completes all exams and human relations preparation components required by the Board of Teaching. Any content or grade level restriction placed on a license under this paragraph remains in effect.

(g) The Board of Teaching may issue a two-year provisional permission to an applicant under this subdivision to teach in a shortage area, consistent with section 122A.18, subdivision 4a.

(h) The Board of Teaching may issue a license under this subdivision if the applicant has attained the additional degrees, credentials, or licenses required in a particular licensure field and the applicant can demonstrate competency by obtaining qualifying scores on the board-adopted skills examination in reading, writing, and mathematics, and on applicable board-adopted rigorous content area and pedagogy examinations under section 122A.09, subdivision 4, paragraphs (a) and (e).

(i) The Board of Teaching must require an applicant for a professional five-year teaching license or an initial professional one-year teaching license under this subdivision to pass a board-adopted skills examination in reading, writing, and mathematics before the board issues the license unless, notwithstanding other provisions of this subdivision, an applicable board-approved National Association of State Directors of Teacher Education and Certification interstate agreement exists to allow fully certified teachers from other states to transfer their certification to Minnesota.

122A.245 ALTERNATIVE TEACHER PREPARATION PROGRAM AND PRELIMINARY TEACHER LICENSE.

Subdivision 1. **Requirements.** (a) To improve academic excellence, improve ethnic and cultural diversity in the classroom, and close the academic achievement gap, the Board of Teaching must approve qualified teacher preparation programs under this section that are a means to acquire a two-year preliminary teacher license, which the board may renew one time for an additional one-year term, and to prepare for acquiring a professional five-year license. The following entities are eligible to participate under this section:

(1) a school district, charter school, or nonprofit corporation organized under chapter 317A for an education-related purpose that forms a partnership with a college or university that has a board-approved alternative teacher preparation program; or

(2) a school district or charter school, after consulting with a college or university with a board-approved teacher preparation program, that forms a partnership with a nonprofit corporation organized under chapter 317A for an education-related purpose that has a board-approved teacher preparation program.

(b) Before becoming a teacher of record, a candidate must:

APPENDIX

Repealed Minnesota Statutes: 17-4725

(1) have a bachelor's degree with a 3.0 or higher grade point average unless the board waives the grade point average requirement based on board-adopted criteria adopted by January 1, 2016;

(2) demonstrate a passing score on a board-adopted reading, writing, and mathematics skills examination under section 122A.09, subdivision 4, paragraph (b); and

(3) obtain qualifying scores on applicable board-approved rigorous content area and pedagogy examinations under section 122A.09, subdivision 4, paragraph (e).

(c) The Board of Teaching must issue a two-year preliminary teacher license to a person who enrolls in an alternative teacher preparation program.

Subd. 2. Characteristics. An alternative teacher preparation program under this section must include:

(1) a minimum 200-hour instructional phase that provides intensive preparation and student teaching before the teacher candidate assumes classroom responsibilities;

(2) a research-based and results-oriented approach focused on best teaching practices to increase student proficiency and growth measured against state academic standards;

(3) strategies to combine pedagogy and best teaching practices to better inform teacher candidates' classroom instruction;

(4) assessment, supervision, and evaluation of teacher candidates to determine their specific needs throughout the program and to support their efforts to successfully complete the program;

(5) intensive, ongoing, and multiyear professional learning opportunities that accelerate teacher candidates' professional growth, support student learning, and provide a workplace orientation, professional staff development, and mentoring and peer review focused on standards of professional practice and continuous professional growth; and

(6) a requirement that teacher candidates demonstrate to the local site team under subdivision 5 satisfactory progress toward acquiring professional five-year teaching licenses from the Board of Teaching.

Subd. 3. Program approval; disapproval. (a) The Board of Teaching must approve alternative teacher preparation programs under this section based on board-adopted criteria that reflect best practices for alternative teacher preparation programs, consistent with this section.

(b) The board must permit teacher candidates to demonstrate mastery of pedagogy and content standards in school-based settings and through other nontraditional means.

"Nontraditional means" must include a portfolio of previous experiences, teaching experience, educator evaluations, certifications marking the completion of education training programs, and essentially equivalent demonstrations.

(c) The board must use nontraditional criteria to determine the qualifications of program instructors.

(d) The board may permit instructors to hold a baccalaureate degree only.

(e) If the Board of Teaching determines that a teacher preparation program under this section does not meet the requirements of this section, it may revoke its approval of the program after it notifies the program provider of any deficiencies and gives the program provider an opportunity to remedy the deficiencies.

Subd. 4. Employment conditions. Where applicable, teacher candidates with a preliminary teacher license under this section are members of the local employee organization representing teachers and subject to the terms of the local collective bargaining agreement between the exclusive representative of the teachers and the school board. A collective bargaining agreement between a school board and the exclusive representative of the teachers must not prevent or restrict or otherwise interfere with a school district's ability to employ a teacher prepared under this section.

Subd. 5. Approval for professional five-year license. A school board or its designee must appoint members to a local site team that includes teachers, school administrators, and postsecondary faculty under subdivision 1, paragraph (a), clause (1), or staff of a participating nonprofit corporation under subdivision 1, paragraph (a), clause (2), to evaluate the performance of the teacher candidate. The evaluation must be consistent with board-adopted performance measures, use the Minnesota state standards of effective practice and subject matter content standards for teachers established in Minnesota Rules, and include a report to the board recommending whether or not to issue the teacher candidate a professional five-year teaching license.

Subd. 6. Applicants trained in other states. A person who successfully completes another state's alternative teacher preparation program, consistent with section 122A.23, may apply to the Board of Teaching for an initial professional one-year teaching license or a professional five-year teaching license.

APPENDIX

Repealed Minnesota Statutes: 17-4725

Subd. 7. **Professional five-year license.** The Board of Teaching must issue a professional five-year teaching license to an otherwise qualified teacher candidate under this section who successfully performs throughout a program under this section, obtains qualifying scores on applicable board-adopted rigorous skills, pedagogy, and content area examinations under section 122A.09, subdivision 4, paragraphs (a) and (e), and is recommended for licensure under subdivision 5 or successfully demonstrates to the board qualifications for licensure under subdivision 6.

Subd. 8. **Qualified teacher.** A person holding a valid limited-term license under this section is a qualified teacher and the teacher of record under section 122A.16.

Subd. 9. **Exchange of best practices.** By July 31 in an even-numbered year, approved alternative preparation program providers, the Minnesota State Colleges and Universities, the University of Minnesota, the Minnesota Private College Council, and the Department of Education must exchange information about best practices and educational innovations.

Subd. 10. **Reports.** The Board of Teaching must submit an interim report on the efficacy of this program to the policy and finance committees of the legislature with jurisdiction over kindergarten through grade 12 education by February 15, 2013, and a final report by February 15, 2015.

122A.25 NONLICENSED COMMUNITY EXPERTS; VARIANCE.

Subdivision 1. **Authorization.** Notwithstanding any law or commissioner of education rule to the contrary, the Board of Teaching may allow school districts or charter schools to hire nonlicensed community experts to teach in the public schools or charter schools on a limited basis according to this section.

Subd. 2. **Applications; criteria.** The school district or charter school shall apply to the Board of Teaching for approval to hire nonlicensed teaching personnel from the community. In approving or disapproving the application for each community expert, the board shall consider:

- (1) the qualifications of the community person whom the district or charter school proposes to employ;
- (2) the reasons for the need for a variance from the teacher licensure requirements;
- (3) the district's efforts to obtain licensed teachers, who are acceptable to the school board, for the particular course or subject area or the charter school's efforts to obtain licensed teachers for the particular course or subject area;
- (4) the amount of teaching time for which the community expert would be hired;
- (5) the extent to which the district or charter school is utilizing other nonlicensed community experts under this section;
- (6) the nature of the community expert's proposed teaching responsibility; and
- (7) the proposed level of compensation to the community expert.

Subd. 3. **Approval of plan.** The Board of Teaching shall approve or disapprove an application within 60 days of receiving it from a school district or charter school.

Subd. 4. **Background check.** A school district or charter school shall provide the Board of Teaching with confirmation that criminal background checks have been completed for all nonlicensed community experts employed by the district or charter school and approved by the Board of Teaching under this section.

122A.40 EMPLOYMENT; CONTRACTS; TERMINATION.

Subd. 11. **Unrequested leave of absence.** The board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave is effective at the close of the school year. In placing teachers on unrequested leave, the board is governed by the following provisions:

(a) The board may place probationary teachers on unrequested leave first in the inverse order of their employment. A teacher who has acquired continuing contract rights must not be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

(b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed is negotiable;

APPENDIX

Repealed Minnesota Statutes: 17-4725

(c) Notwithstanding the provisions of paragraph (b), a teacher is not entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field. The provisions of this paragraph do not apply to vocational education licenses;

(d) Notwithstanding paragraphs (a), (b), and (c), if the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, or the restriction imposed by the provisions of paragraph (c) would place the district in violation of its affirmative action program, the district may retain the probationary teacher, the teacher with less seniority, or the provisionally licensed teacher;

(e) Teachers placed on unrequested leave of absence must be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement must be in the inverse order of placement on leave of absence. A teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year is negotiable;

(f) Appointment of a new teacher must not be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to that teacher who may return to employment and assume the duties of the position to which appointed on a future date determined by the board;

(g) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

(h) The unrequested leave of absence must not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

(i) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence and who is not reinstated shall continue for a period of five years, after which the right to reinstatement shall terminate. The teacher's right to reinstatement shall also terminate if the teacher fails to file with the board by April 1 of any year a written statement requesting reinstatement;

(j) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 5 and 7 must apply to placement on unrequested leave of absence;

(k) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment benefits if otherwise eligible.

122A.41 TEACHER TENURE ACT; CITIES OF THE FIRST CLASS; DEFINITIONS.

Subd. 14. Services terminated by discontinuance or lack of pupils; preference given.

(a) A teacher whose services are terminated on account of discontinuance of position or lack of pupils must receive first consideration for other positions in the district for which that teacher is qualified. In the event it becomes necessary to discontinue one or more positions, in making such discontinuance, teachers must be discontinued in any department in the inverse order in which they were employed, unless a board and the exclusive representative of teachers in the district negotiate a plan providing otherwise.

(b) Notwithstanding the provisions of clause (a), a teacher is not entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the Board of Teaching, unless that exercise of seniority results in the termination of services, on account of discontinuance of position or lack of pupils, of another teacher who also holds a provisional license in the same field. The provisions of this clause do not apply to vocational education licenses.

(c) Notwithstanding the provisions of clause (a), a teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field is available for reinstatement.

Subd. 3. **Voluntary dissolution; referendum revenue.** As of the effective date of the voluntary dissolution of a district and its attachment to one or more existing districts pursuant to section 123A.46, the authorization for all referendum revenues previously approved by the voters of all affected districts for those districts pursuant to section 126C.17, subdivision 9, or its predecessor provision, is canceled. However, if all of the territory of any independent district is included in the enlarged district, and if the adjusted net tax capacity of taxable property in that territory comprises 90 percent or more of the adjusted net tax capacity of all taxable property in an enlarged district, the enlarged district's referendum revenue shall be determined as follows:

The referendum revenue shall be the revenue per adjusted pupil unit times the number of adjusted pupil units in the enlarged district. Any new referendum revenue shall be authorized only after approval is granted by the voters of the entire enlarged district in an election pursuant to section 126C.17, subdivision 9.
