11.15 the terms in this paragraph have the meanings given.

11.16 (1) "Enforcement action" means a proceeding initiated by the department, commissioner,  
11.17 medical services review board under section 176.103, or rehabilitation review panel under  
11.18 section 176.102, that may result in a penalty, fine, or sanction for violation of workers'  
11.19 compensation laws or that may result in an order for compliance with workers' compensation  
11.20 laws.

11.21 (2) "Investigation" includes an investigation, inspection, audit, file review, inquiry, or  
11.22 examination performed by the department or commissioner to administer, enforce, and  
11.23 monitor compliance with workers' compensation laws within the department's jurisdiction.

11.24 (3) "Final order" or "final penalty assessment," means that:

11.25 (i) no objection, appeal, or request for hearing has been filed in the manner and within  
11.26 the time required by law;

11.27 (ii) an objection, appeal, or request for hearing has been withdrawn;

12.1 shall be placed in the division file for that employee's claim. Access to the final enforcement  
12.2 order or penalty assessment in the division file shall be as provided in subdivision 9a. Before  
12.3 the enforcement order or penalty assessment is final, only the employee, dependent of a  
12.4 deceased employee, employer, or insurer who are parties to the claim, and any respective  
12.5 attorney representing the party, shall have access to it.

12.6 (c) Enforcement orders and penalty assessments issued by the department, commissioner,  
12.7 medical services review board, or rehabilitation review panel pursuant to workers'  
12.8 compensation investigations or enforcement proceedings that are not claim-specific shall  
12.9 not be placed in the division file. The data practices classification of these orders and  
12.10 penalties is as provided in sections 13.39 and 13.41, except that the names, Social Security  
12.11 numbers, and worker identification numbers of employees with workers' compensation  
12.12 claims and their dependents, and the identity of persons filing a complaint with the  
12.13 department about the subject of the investigation or enforcement action, are private or

12.20 to provide a report or other document required by this chapter in the manner provided by  
12.21 this chapter, the commissioner may impose a penalty of up to \$500 for each failure.

12.22 The imposition of a penalty may be appealed to a compensation judge within 30 days  
12.23 of notice of the penalty.

12.24 Penalties collected by the state under this subdivision shall be payable to the  
12.25 commissioner for deposit into the assigned risk safety account.

12.26 **Subd. 11. Failure to file required report; substitute filing.** Where this section requires  
12.27 the employer to file a report of injury with the commissioner, and the employer is unable  
12.28 or refuses to file the report, the insurer shall file the report within ten days of a request from  
12.29 the division. The report shall be filed in the manner prescribed by this section. If both the  
12.30 employer and the insurer fail to file the report within 30 days of notice of the injury, the  
12.31 commissioner shall file the report.

12.32 The filing of a report of injury by the commissioner does not subject an employee or  
12.33 the dependents of an employee to the three-year time limitations under section 176.151,  
12.34 paragraphs (a) and (b).

13.1 A substitute filing under this subdivision shall not be a defense to a penalty assessed  
13.2 under subdivision 10.

13.3 Subd. 12. **Reports; electronic monitoring.** Beginning July 1, 1995, the commissioner  
13.4 shall monitor electronically all reports of injury, all payments for reported injuries, and

13.8 **176.253 INSURER, EMPLOYER, AND THIRD-PARTY ADMINISTRATOR;**  
13.9 **PERFORMANCE OF ACTS.**

13.10 **Subdivision 1. Definitions.** (a) The terms used in this section have the meanings given

13.25 Subd. 2. **General.** Where this chapter requires an employer to perform an act, the insurer  
13.26 of the employer may perform that act. Where the insurer acts in behalf of the employer, the

14.2 If the department or commissioner issues an order or assesses a penalty against an employer  
14.3 or insurer, the order or penalty must be served on any administrator acting on behalf of the  
14.4 employer or insurer. A third-party administrator has the authority to act on behalf of the  
14.5 employer or insurer in responding to a commissioner or department inquiry, order or penalty  
14.6 assessment, or paying a penalty, until the insurer or administrator notifies the department  
14.7 in writing that the administrator does not have authority.
