4.5 September 30 of the preceding year, the changes in the dollar amounts required by this

4.8 dollar amounts must be in increments of \$5,000, and no change shall be made in a dollar
4.9 amount until the change in the index requires at least a \$5,000 change. If the United States
4.10 Bureau of Labor Statistics changes the base year upon which the CPI-U is based, the
4.11 commissioner shall make the calculations necessary to convert from the old base year to
4.12 the new base year. If the CPI-U is discontinued, the commissioner shall use the available
