2.17 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

2.18 **ARTICLE 1**

2.19 **CHAPTER 142A; DEPARTMENT OF CHILDREN, YOUTH, AND FAMILIES**

2.20 Section 1. Minnesota Statutes 2023 Supplement, section 142A.02, subdivision 1, is
2.21 amended to read:

2.22 Subdivision 1. **Department.** The Department of Children, Youth, and Families is
2.23 established. The commissioner of children, youth, and families is hereby constituted the
2.24 "state agency" for the purposes of Title IV of the Social Security Act of the United States
2.25 and the laws of this state.

2.26 Sec. 2. Minnesota Statutes 2023 Supplement, section 142A.03, subdivision 2, is amended
2.27 to read:

2.28 Subd. 2. **Duties of the commissioner.** (a) The commissioner may apply for and accept
2.29 on behalf of the state any grants, bequests, gifts, or contributions for the purpose of carrying
2.30 out the duties and responsibilities of the commissioner. Any money received under this
2.31 paragraph is appropriated and dedicated for the purpose for which the money is granted.
2.32 The commissioner must biennially report to the chairs and ranking minority members of
2.33 relevant legislative committees and divisions by January 15 of each even-numbered year a
2.34 list of all grants and gifts received under this subdivision.

2.35 (b) Pursuant to law, the commissioner may apply for and receive money made available
2.36 from federal sources for the purpose of carrying out the duties and responsibilities of the
2.37 commissioner.

3.1 (c) The commissioner may make contracts with and grants to Tribal Nations, public and
3.2 private agencies, for-profit and nonprofit organizations, and individuals using appropriated
3.3 money.

3.4 (d) The commissioner must develop program objectives and performance measures for
3.5 evaluating progress toward achieving the objectives. The commissioner must identify the
3.6 objectives, performance measures, and current status of achieving the measures in a biennial
3.7 report to the chairs and ranking minority members of relevant legislative committees and
3.8 divisions. The report is due no later than January 15 each even-numbered year. The report
3.9 must include, when possible, the following objectives:

3.10 (1) centering and including the lived experiences of children and youth, including those
3.11 with disabilities and mental illness and their families, in all aspects of the department's work;

3.12 (2) increasing the effectiveness of the department's programs in addressing the needs of
3.13 children and youth facing racial, economic, or geographic inequities;

3.14 (3) increasing coordination and reducing inefficiencies among the department's programs
3.15 and the funding sources that support the programs;

3.16 (4) increasing the alignment and coordination of family access to child care and early
3.17 learning programs and improving systems of support for early childhood and learning
3.18 providers and services;

3.19 (5) improving the connection between the department's programs and the kindergarten
3.20 through grade 12 and higher education systems; and

3.21 (6) minimizing and streamlining the effort required of youth and families to receive
3.22 services to which the youth and families are entitled.

3.23 (e) The commissioner shall administer and supervise the forms of public assistance and
3.24 other activities or services that are vested in the commissioner. Administration and
3.25 supervision of activities or services includes but is not limited to assuring timely and accurate
3.26 distribution of benefits, completeness of service, and quality program management. In
3.27 addition to administering and supervising activities vested by law in the department, the
3.28 commissioner has the authority to:

3.29 (1) require county agency participation in training and technical assistance programs to
3.30 promote compliance with statutes, rules, federal laws, regulations, and policies governing
3.31 the programs and activities administered by the commissioner;

3.32 (2) monitor, on an ongoing basis, the performance of county agencies in the operation
3.33 and administration of activities and programs; enforce compliance with statutes, rules,

4.1 federal laws, regulations, and policies governing welfare services; and promote excellence
4.2 of administration and program operation;

4.3 (3) develop a quality control program or other monitoring program to review county
4.4 performance and accuracy of benefit determinations;

4.5 (4) require county agencies to make an adjustment to the public assistance benefits issued
4.6 to any individual consistent with federal law and regulation and state law and rule and to
4.7 issue or recover benefits as appropriate;

4.8 (5) delay or deny payment of all or part of the state and federal share of benefits and
4.9 administrative reimbursement according to the procedures set forth in section 142A.10;

4.10 (6) make contracts with and grants to public and private agencies and organizations,
4.11 both for-profit and nonprofit, and individuals, using appropriated funds; and

4.12 (7) enter into contractual agreements with federally recognized Indian Tribes with a
4.13 reservation in Minnesota to the extent necessary for the Tribe to operate a federally approved
4.14 family assistance program or any other program under the supervision of the commissioner.
4.15 The commissioner shall consult with the affected county or counties in the contractual
4.16 agreement negotiations, if the county or counties wish to be included, in order to avoid the
4.17 duplication of county and Tribal assistance program services. The commissioner may
4.18 establish necessary accounts for the purposes of receiving and disbursing funds as necessary
4.19 for the operation of the programs.

4.20 The commissioner shall work in conjunction with the commissioner of human services to
4.21 carry out the duties of this paragraph when necessary and feasible.

4.22 (f) The commissioner shall inform county agencies, on a timely basis, of changes in
4.23 statute, rule, federal law, regulation, and policy necessary to county agency administration
4.24 of the programs and activities administered by the commissioner.

4.25 (g) The commissioner shall administer and supervise child welfare activities, including
4.26 promoting the enforcement of laws preventing child maltreatment and protecting children
4.27 with a disability and children who are in need of protection or services, licensing and
4.28 supervising child care and child-placing agencies, and supervising the care of children in
4.29 foster care. The commissioner shall coordinate with the commissioner of human services
4.30 on activities impacting children overseen by the Department of Human Services, such as
4.31 disability services, behavioral health, and substance use disorder treatment.

4.32 (h) The commissioner shall assist and cooperate with local, state, and federal departments,
4.33 agencies, and institutions.

5.1 (i) The commissioner shall establish and maintain any administrative units reasonably
5.2 necessary for the performance of administrative functions common to all divisions of the
5.3 department.

5.4 (j) The commissioner shall act as designated guardian of children pursuant to chapter
5.5 260C. For children under the guardianship of the commissioner or a Tribe in Minnesota
5.6 recognized by the Secretary of the Interior whose interests would be best served by adoptive
5.7 placement, the commissioner may contract with a licensed child-placing agency or a
5.8 Minnesota Tribal social services agency to provide adoption services. A contract with a
5.9 licensed child-placing agency must be designed to supplement existing county efforts and
5.10 may not replace existing county programs or Tribal social services, unless the replacement
5.11 is agreed to by the county board and the appropriate exclusive bargaining representative,
5.12 Tribal governing body, or the commissioner has evidence that child placements of the county
5.13 continue to be substantially below that of other counties. Funds encumbered and obligated
5.14 under an agreement for a specific child shall remain available until the terms of the agreement
5.15 are fulfilled or the agreement is terminated.

5.16 (k) The commissioner has the authority to conduct and administer experimental projects
5.17 to test methods and procedures of administering assistance and services to recipients or
5.18 potential recipients of public benefits. To carry out the experimental projects, the
5.19 commissioner may waive the enforcement of existing specific statutory program
5.20 requirements, rules, and standards in one or more counties. The order establishing the waiver
5.21 must provide alternative methods and procedures of administration and must not conflict
5.22 with the basic purposes, coverage, or benefits provided by law. No project under this
5.23 paragraph shall exceed four years. No order establishing an experimental project as authorized
5.24 by this paragraph is effective until the following conditions have been met:

5.25 (1) the United States Secretary of Health and Human Services has agreed, for the same
5.26 project, to waive state plan requirements relative to statewide uniformity; and

5.27 (2) a comprehensive plan, including estimated project costs, has been approved by the
5.28 Legislative Advisory Commission and filed with the commissioner of administration.

5.29 (l) The commissioner shall, according to federal requirements and in coordination with
5.30 the commissioner of human services, establish procedures to be followed by local welfare
5.31 boards in creating citizen advisory committees, including procedures for selection of
5.32 committee members.

5.33 (m) The commissioner shall allocate federal fiscal disallowances or sanctions that are
5.34 based on quality control error rates for the aid to families with dependent children (AFDC)

6.1 program formerly codified in sections 256.72 to 256.87 or the Supplemental Nutrition
6.2 Assistance Program (SNAP) in the following manner:

6.3 (1) one-half of the total amount of the disallowance shall be borne by the county boards
6.4 responsible for administering the programs. For AFDC, disallowances shall be shared by
6.5 each county board in the same proportion as that county's expenditures to the total of all
6.6 counties' expenditures for AFDC. For SNAP, sanctions shall be shared by each county
6.7 board, with 50 percent of the sanction being distributed to each county in the same proportion
6.8 as that county's administrative costs for SNAP benefits are to the total of all SNAP
6.9 administrative costs for all counties, and 50 percent of the sanctions being distributed to
6.10 each county in the same proportion as that county's value of SNAP benefits issued are to
6.11 the total of all benefits issued for all counties. Each county shall pay its share of the
6.12 disallowance to the state of Minnesota. When a county fails to pay the amount due under
6.13 this paragraph, the commissioner may deduct the amount from reimbursement otherwise
6.14 due the county, or the attorney general, upon the request of the commissioner, may institute
6.15 civil action to recover the amount due; and

6.16 (2) notwithstanding the provisions of clause (1), if the disallowance results from knowing
6.17 noncompliance by one or more counties with a specific program instruction, and that knowing
6.18 noncompliance is a matter of official county board record, the commissioner may require
6.19 payment or recover from the county or counties, in the manner prescribed in clause (1), an
6.20 amount equal to the portion of the total disallowance that resulted from the noncompliance
6.21 and may distribute the balance of the disallowance according to clause (1).

6.22 (n) The commissioner shall develop and implement special projects that maximize
6.23 reimbursements and result in the recovery of money to the state. For the purpose of recovering
6.24 state money, the commissioner may enter into contracts with third parties. Any recoveries
6.25 that result from projects or contracts entered into under this paragraph shall be deposited
6.26 in the state treasury and credited to a special account until the balance in the account reaches
6.27 \$1,000,000. When the balance in the account exceeds \$1,000,000, the excess shall be
6.28 transferred and credited to the general fund. All money in the account is appropriated to the
6.29 commissioner for the purposes of this paragraph.

6.30 (o) The commissioner has the authority to establish and enforce the following county
6.31 reporting requirements:

6.32 (1) the commissioner shall establish fiscal and statistical reporting requirements necessary
6.33 to account for the expenditure of funds allocated to counties for programs administered by
6.34 the commissioner. When establishing financial and statistical reporting requirements, the

7.1 commissioner shall evaluate all reports, in consultation with the counties, to determine if
7.2 the reports can be simplified or the number of reports can be reduced;

7.3 (2) the county board shall submit monthly or quarterly reports to the department as
7.4 required by the commissioner. Monthly reports are due no later than 15 working days after
7.5 the end of the month. Quarterly reports are due no later than 30 calendar days after the end
7.6 of the quarter, unless the commissioner determines that the deadline must be shortened to
7.7 20 calendar days to avoid jeopardizing compliance with federal deadlines or risking a loss
7.8 of federal funding. Only reports that are complete, legible, and in the required format shall
7.9 be accepted by the commissioner;

7.10 (3) if the required reports are not received by the deadlines established in clause (2), the
7.11 commissioner may delay payments and withhold funds from the county board until the next
7.12 reporting period. When the report is needed to account for the use of federal funds and the
7.13 late report results in a reduction in federal funding, the commissioner shall withhold from
7.14 the county boards with late reports an amount equal to the reduction in federal funding until
7.15 full federal funding is received;

7.16 (4) a county board that submits reports that are late, illegible, incomplete, or not in the
7.17 required format for two out of three consecutive reporting periods is considered
7.18 noncompliant. When a county board is found to be noncompliant, the commissioner shall
7.19 notify the county board of the reason the county board is considered noncompliant and
7.20 request that the county board develop a corrective action plan stating how the county board
7.21 plans to correct the problem. The corrective action plan must be submitted to the
7.22 commissioner within 45 days after the date the county board received notice of
7.23 noncompliance;

7.24 (5) the final deadline for fiscal reports or amendments to fiscal reports is one year after
7.25 the date the report was originally due. If the commissioner does not receive a report by the
7.26 final deadline, the county board forfeits the funding associated with the report for that
7.27 reporting period and the county board must repay any funds associated with the report
7.28 received for that reporting period;

7.29 (6) the commissioner may not delay payments, withhold funds, or require repayment
7.30 under clause (3) or (5) if the county demonstrates that the commissioner failed to provide
7.31 appropriate forms, guidelines, and technical assistance to enable the county to comply with
7.32 the requirements. If the county board disagrees with an action taken by the commissioner
7.33 under clause (3) or (5), the county board may appeal the action according to sections 14.57
7.34 to 14.69; and

8.1 (7) counties subject to withholding of funds under clause (3) or forfeiture or repayment
8.2 of funds under clause (5) shall not reduce or withhold benefits or services to clients to cover
8.3 costs incurred due to actions taken by the commissioner under clause (3) or (5).

8.4 (p) The commissioner shall allocate federal fiscal disallowances or sanctions for audit
8.5 exceptions when federal fiscal disallowances or sanctions are based on a statewide random
8.6 sample in direct proportion to each county's claim for that period.

8.7 (q) The commissioner is responsible for ensuring the detection, prevention, investigation,
8.8 and resolution of fraudulent activities or behavior by applicants, recipients, and other
8.9 participants in the programs administered by the department. The commissioner shall
8.10 cooperate with the commissioner of education to enforce the requirements for program
8.11 integrity and fraud prevention for investigation for child care assistance under chapter 142E.

8.12 (r) The commissioner shall require county agencies to identify overpayments, establish
8.13 claims, and utilize all available and cost-beneficial methodologies to collect and recover
8.14 these overpayments in the programs administered by the department.

8.15 (s) The commissioner shall develop recommended standards for child foster care homes
8.16 that address the components of specialized therapeutic services to be provided by child
8.17 foster care homes with those services.

8.18 (t) The commissioner shall authorize the method of payment to or from the department
8.19 as part of the programs administered by the department. This authorization includes the
8.20 receipt or disbursement of funds held by the department in a fiduciary capacity as part of
8.21 the programs administered by the department.

8.22 (u) In coordination with the commissioner of human services, the commissioner shall
8.23 create and provide county and Tribal agencies with blank applications, affidavits, and other
8.24 forms as necessary for public assistance programs.

8.25 (v) The commissioner shall cooperate with the federal government and its public welfare
8.26 agencies in any reasonable manner as may be necessary to qualify for federal aid for
8.27 temporary assistance for needy families and in conformity with Title I of Public Law 104-193,
8.28 the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 and successor
8.29 amendments, including making reports that contain information required by the federal
8.30 Social Security Advisory Board and complying with any provisions the board may find
8.31 necessary to assure the correctness and verification of the reports.

8.32 (w) On or before January 15 in each even-numbered year, the commissioner shall make
8.33 a biennial report to the governor concerning the activities of the agency.

9.1 (x) The commissioner shall enter into agreements with other departments of the state as
9.2 necessary to meet all requirements of the federal government.

9.3 (y) The commissioner may cooperate with other state agencies in establishing reciprocal
9.4 agreements in instances where a child receiving Minnesota family investment program
9.5 (MFIP) assistance or its out-of-state equivalent moves or contemplates moving into or out
9.6 of the state, in order that the child may continue to receive MFIP or equivalent aid from the
9.7 state moved from until the child has resided for one year in the state moved to.

9.8 (z) The commissioner shall provide appropriate technical assistance to county agencies
9.9 to develop methods to have county financial workers remind and encourage recipients of
9.10 aid to families with dependent children, the Minnesota family investment program, the
9.11 Minnesota family investment plan, family general assistance, or SNAP benefits whose
9.12 assistance unit includes at least one child under the age of five to have each young child
9.13 immunized against childhood diseases. The commissioner must examine the feasibility of
9.14 utilizing the capacity of a statewide computer system to assist county agency financial
9.15 workers in performing this function at appropriate intervals.

9.16 (aa) The commissioner shall have the power and authority to accept on behalf of the
9.17 state contributions and gifts for the use and benefit of children under the guardianship or
9.18 custody of the commissioner. The commissioner may also receive and accept on behalf of
9.19 such children money due and payable to them as old age and survivors insurance benefits,
9.20 veterans benefits, pensions, or other such monetary benefits. Gifts, contributions, pensions,
9.21 and benefits under this paragraph must be deposited in and disbursed from the social welfare
9.22 fund provided for in sections 256.88 to 256.92.

9.23 (bb) The specific enumeration of powers and duties in this section must not be construed
9.24 to be a limitation upon the general powers granted to the commissioner.

9.25 Sec. 3. Minnesota Statutes 2023 Supplement, section 142A.03, is amended by adding a
9.26 subdivision to read:

9.27 Subd. 3. **Subpoena power.** (a) The commissioner may administer oaths and affirmations,
9.28 take depositions, certify to official acts, and issue subpoenas to compel the attendance of
9.29 individuals and the production of documents and other personal property necessary in
9.30 connection with the administration of programs administered by the Department of Children,
9.31 Youth, and Families.

10.1 (b) The fees for service of a subpoena in paragraph (a) must be paid in the same manner
10.2 as prescribed by law for a service of process issued by a district court. Witnesses must
10.3 receive the same fees and mileage as in civil actions.

21.2 outcomes; and

21.3 (5) purchase only from approved vendors.

21.4 Subd. 3. **Local agency criteria.** When the local agency chooses to purchase community
21.5 social services from a vendor that is not subject to state licensing laws or department rules,
21.6 the local agency must establish written criteria for vendor approval to ensure the health,
21.7 safety, and well being of clients.

21.8 Subd. 4. **Case records and reporting requirements.** Case records and data reporting
21.9 requirements for grants and purchased services are the same as case record and data reporting
21.10 requirements for direct services.

21.11 Subd. 5. **Files.** The local agency must keep an administrative file for each grant and
21.12 contract.

21.13 Subd. 6. **Contracting within and across county lines; lead county contracts; lead**
21.14 **Tribal contracts.** (a) Paragraphs (b) to (f) govern contracting within and across county
21.15 lines and lead county contracts. Paragraphs (b) to (f) govern contracting within and across
21.16 reservation boundaries and lead Tribal contracts for initiative Tribes under section 142A.03,
21.17 subdivision 9. For purposes of this subdivision, "local agency" includes a Tribe or a county
21.18 agency.

21.19 (b) Once a local agency and an approved vendor execute a contract that meets the
21.20 requirements of this subdivision, the contract governs all other purchases of service from
21.21 the vendor by all other local agencies for the term of the contract. The local agency that
21.22 negotiated and entered into the contract becomes the lead Tribe or county for the contract.

21.23 (c) When the local agency in the county or reservation where a vendor is located wants
21.24 to purchase services from that vendor and the vendor has no contract with the local agency
21.25 or any other Tribe or county, the local agency must negotiate and execute a contract with
21.26 the vendor.

21.27 (d) When a local agency wants to purchase services from a vendor located in another
21.28 county or reservation, it must notify the local agency in the county or reservation where the
21.29 vendor is located. Within 30 days of being notified, the local agency in the vendor's county
21.30 or reservation must:

21.31 (1) if it has a contract with the vendor, send a copy to the inquiring local agency;

21.32 (2) if there is a contract with the vendor for which another local agency is the lead Tribe
21.33 or county, identify the lead Tribe or county to the inquiring agency; or

22.1 (3) if no local agency has a contract with the vendor, inform the inquiring agency whether
22.2 it will negotiate a contract and become the lead Tribe or county. If the agency where the
22.3 vendor is located will not negotiate a contract with the vendor because of concerns related
22.4 to clients' health and safety, the agency must share those concerns with the inquiring local
22.5 agency.

22.6 (e) If the local agency in the county where the vendor is located declines to negotiate a
22.7 contract with the vendor or fails to respond within 30 days of receiving the notification
22.8 under paragraph (d), the inquiring agency is authorized to negotiate a contract and must
22.9 notify the local agency that declined or failed to respond.

22.10 (f) When the inquiring local agency under paragraph (e) becomes the lead Tribe or
22.11 county for a contract and the contract expires and needs to be renegotiated, that Tribe or
22.12 county must again follow the requirements under paragraph (d) and notify the local agency
22.13 where the vendor is located. The local agency where the vendor is located has the option
22.14 of becoming the lead Tribe or county for the new contract. If the local agency does not
22.15 exercise the option, paragraph (e) applies.

22.16 Subd. 7. **Contracting for performance.** A local agency may negotiate a supplemental
22.17 agreement to a contract executed between a lead agency and an approved vendor under
22.18 subdivision 6 for the purposes of contracting for specific performance. The supplemental
22.19 agreement may augment the lead contract requirements and rates for services authorized
22.20 by that local agency only. The additional provisions must be negotiated with the vendor
22.21 and designed to encourage successful, timely, and cost-effective outcomes for clients, and
22.22 may establish incentive payments, penalties, performance-related reporting requirements,
22.23 and similar conditions. The per diem rate allowed under this subdivision must not be less
22.24 than the rate established in the lead county contract. Nothing in the supplemental agreement
22.25 between a local agency and an approved vendor binds the lead agency or other local agencies
22.26 to the terms and conditions of the supplemental agreement.

22.27 Sec. 30. **[142A.08] PLAIN LANGUAGE IN WRITTEN MATERIALS.**

22.28 (a) To the extent reasonable and consistent with the goals of providing easily
22.29 understandable and readable materials and complying with federal and state laws governing
22.30 the programs, all written materials relating to services and determinations of eligibility for
22.31 or amounts of benefits that will be given to applicants for or recipients of assistance under
22.32 a program administered or supervised by the commissioner must be understandable to a
22.33 person who reads at the seventh-grade level, using the Flesch scale analysis readability
22.34 score as determined under section 72C.09.

23.1 (b) All written materials relating to determinations of eligibility for or amounts of benefits
 23.2 that will be given to applicants for or recipients of assistance under programs administered
 23.3 or supervised by the commissioner must be developed to satisfy the plain language
 23.4 requirements of the Plain Language Contract Act under sections 325G.29 to 325G.36.
 23.5 Materials may be submitted to the attorney general for review and certification.
 23.6 Notwithstanding section 325G.35, subdivision 1, the attorney general shall review submitted
 23.7 materials to determine whether they comply with the requirements of section 325G.31. The
 23.8 remedies available pursuant to sections 8.31 and 325G.33 to 325G.36 do not apply to these
 23.9 materials. Failure to comply with this section does not provide a basis for suspending the
 23.10 implementation or operation of other laws governing programs administered by the
 23.11 commissioner.

23.12 (c) The requirements of this section do not apply to materials that must be submitted to
 23.13 a federal agency for approval, to the extent that application of the requirements prevents
 23.14 federal approval.

23.15 (d) Nothing in this section may be construed to prohibit a lawsuit brought to require the
 23.16 commissioner to comply with this section or to affect individual appeal rights granted
 23.17 pursuant to section 256.045.

23.18 **Sec. 31. [142A.09] BACKGROUND STUDIES ON LICENSEES AND OTHER**
 23.19 **PERSONNEL.**

23.20 Subdivision 1. **Background studies required.** The commissioner of children, youth,
 23.21 and families shall contract with the commissioner of human services to conduct background
 23.22 studies of individuals specified in section 245C.03, subdivision 1, affiliated with:

23.23 (1) a facility or program licensed or seeking a license under chapter 142B;

23.24 (2) a license-exempt child care center certified under chapter 142C; or

23.25 (3) a legal nonlicensed child care provider authorized under chapter 142E.

23.26 Subd. 2. **Responsibilities of commissioner of human services.** (a) The commissioner
 23.27 of human services shall conduct the background studies required by subdivision 1 in
 23.28 compliance with the provisions of chapter 245C. The commissioner of human services shall
 23.29 provide necessary forms and instructions, shall conduct the necessary background studies
 23.30 of individuals, and shall provide notification of the results of the studies to the facilities,
 23.31 individuals, and the commissioner of children, youth, and families.

23.32 (b) If the commissioner of human services determines that an individual is disqualified
 23.33 pursuant to chapter 245C, the commissioner of human services shall notify the license

24.1 holder; the commissioner of children, youth, and families; and the individual and shall
24.2 inform the individual of the right to request a reconsideration of the disqualification.

24.3 Subd. 3. **Reconsiderations.** (a) Notwithstanding any provision of chapter 245C, the
24.4 commissioner of children, youth, and families shall review and decide reconsideration
24.5 requests, including requests for variances, for all background studies of individuals in
24.6 subdivision 1, paragraph (a), except for facilities or programs that are also licensed by the
24.7 commissioner of human services. The commissioner of children, youth, and families must
24.8 review and decide reconsideration requests in accordance with the procedures and criteria
24.9 contained in chapter 245C.

24.10 (b) The commissioner of human services is solely responsible for reviewing and deciding
24.11 a reconsideration request for a background study of an individual affiliated with a facility
24.12 or program licensed or certified by both the commissioner of children, youth, and families
24.13 and the commissioner of human services.

24.14 (c) The commissioner of children, youth, and family's decision must be provided to the
24.15 individual and to the commissioner of human services. The commissioner's decision to grant
24.16 or deny a reconsideration of disqualification is the final administrative agency action, except
24.17 under the circumstances described in sections 245C.25, 245C.27, and 245C.28, subdivision
24.18 3.

24.19 Subd. 4. **Responsibilities of facilities and programs.** Facilities and programs described
24.20 in subdivision 1 shall be responsible for cooperating with the departments in implementing
24.21 the provisions of this section. The responsibilities imposed on applicants, certification
24.22 holders, and licensees under chapters 245A and 245C shall apply to these facilities. The
24.23 provision of section 245C.09 shall apply to the refusal to cooperate with the completion of
24.24 the background studies by an applicant, a licensee, a registrant, or an individual.

24.25 Sec. 32. **[142A.10] COMPLIANCE SYSTEM.**

24.26 (a) The commissioner shall coordinate with the commissioner of human services to
24.27 administer the compliance system in section 256.017.

24.28 (b) The commissioner shall administer the compliance system for the Minnesota family
24.29 investment program, the Supplemental Nutrition Assistance Program (SNAP), the child
24.30 care assistance program, and all other programs administered by the commissioner or on
24.31 behalf of the commissioner under the powers and authorities named in section 142A.03,
24.32 subdivision 2.

25.1 (c) The purpose of this section is to permit the commissioner to supervise the
25.2 administration of public assistance programs; to enforce timely and accurate distribution
25.3 of benefits, completeness of service, and efficient and effective program management and
25.4 operations; to increase uniformity and consistency in the administration and delivery of
25.5 public assistance programs throughout the state; and to reduce the possibility of sanctions
25.6 and fiscal disallowances for noncompliance with federal regulations and state statutes. The
25.7 commissioner, or the commissioner's representative, may issue administrative subpoenas
25.8 as needed in administering the compliance system.

25.9 (d) The commissioner shall utilize training, technical assistance, and monitoring activities,
25.10 as specified in section 142A.03, subdivision 2, to encourage county agency compliance
25.11 with written policies and procedures.

25.12 (e) The commissioner shall coordinate with the commissioner of human services in
25.13 funding and awarding grants from the county public assistance incentive fund under section
25.14 256.018.

25.15 **Sec. 33. [142A.11] COUNTY PUBLIC ASSISTANCE INCENTIVE FUND.**

25.16 (a) The commissioner of children, youth, and families, in coordination with the
25.17 commissioner of human services, shall grant incentive awards of money specifically
25.18 appropriated for this purpose to counties that: (1) have not been assessed an administrative
25.19 penalty under section 256.017 in the corresponding fiscal year; and (2) perform satisfactorily
25.20 according to indicators established by the commissioner.

25.21 (b) After consultation with county agencies, the commissioner shall inform county
25.22 agencies in writing of the performance indicators that govern the awarding of the incentive
25.23 fund for each fiscal year by April of the preceding fiscal year.

25.24 (c) The commissioner may set performance indicators to govern the awarding of the
25.25 total fund, may allocate portions of the fund to be awarded by unique indicators, or may set
25.26 a sole indicator to govern the awarding of funds.

25.27 (d) The funds shall be awarded to qualifying county agencies according to their share
25.28 of benefits for the programs related to the performance indicators governing the distribution
25.29 of the fund or part of the fund as compared to the total benefits of all qualifying county
25.30 agencies for the programs related to the performance indicators governing the distribution
25.31 of the fund or part of the fund.

26.1 Sec. 34. [142A.12] LIMITS ON RECEIVING PUBLIC FUNDS.

26.2 Subdivision 1. Prohibition. (a) If a provider, vendor, or individual enrolled, licensed,
26.3 receiving funds under a grant contract, or registered in any program administered by the
26.4 commissioner, including under the commissioner's powers and authorities in section 142A.03,
26.5 is excluded from that program, the commissioner shall:

26.6 (1) prohibit the excluded provider, vendor, or individual from enrolling, becoming
26.7 licensed, receiving grant funds, or registering in any other program administered by the
26.8 commissioner; and

26.9 (2) disenroll, revoke or suspend a license, disqualify, or debar the excluded provider,
26.10 vendor, or individual in any other program administered by the commissioner.

26.11 (b) If a provider, vendor, or individual enrolled, licensed, receiving funds under a grant
26.12 contract, or registered in any program administered by the commissioner, including under
26.13 the commissioner's powers and authorities in section 142A.03, is excluded from that program,
26.14 the commissioner may:

26.15 (1) prohibit any associated entities or associated individuals from enrolling, becoming
26.16 licensed, receiving grant funds, or registering in any other program administered by the
26.17 commissioner; and

26.18 (2) disenroll, revoke or suspend a license of, disqualify, or debar any associated entities
26.19 or associated individuals in any other program administered by the commissioner.

26.20 (c) If a provider, vendor, or individual enrolled, licensed, or otherwise receiving funds
26.21 under any contract or registered in any program administered by a Minnesota state or federal
26.22 agency is excluded from that program, the commissioner of children, youth, and families
26.23 may:

26.24 (1) prohibit the excluded provider, vendor, individual, or any associated entities or
26.25 associated individuals from enrolling, becoming licensed, receiving grant funds, or registering
26.26 in any program administered by the commissioner; and

26.27 (2) disenroll, revoke or suspend a license of, disqualify, or debar the excluded provider,
26.28 vendor, individual, or any associated entities or associated individuals in any program
26.29 administered by the commissioner.

26.30 (d) The duration of a prohibition, disenrollment, revocation, suspension, disqualification,
26.31 or debarment under paragraph (a) must last for the longest applicable sanction or
26.32 disqualifying period in effect for the provider, vendor, or individual permitted by state or
26.33 federal law. The duration of a prohibition, disenrollment, revocation, suspension,

27.1 disqualification, or debarment under paragraphs (b) and (c) may last until up to the longest
27.2 applicable sanction or disqualifying period in effect for the provider, vendor, individual,
27.3 associated entity, or associated individual as permitted by state or federal law.

27.4 Subd. 2. **Definitions.** (a) For purposes of this section, the following definitions have the
27.5 meanings given.

27.6 (b) "Associated entity" means a provider or vendor owned or controlled by an excluded
27.7 individual.

27.8 (c) "Associated individual" means an individual or entity that has a relationship with
27.9 the business or its owners or controlling individuals, such that the individual or entity would
27.10 have knowledge of the financial practices of the program in question.

27.11 (d) "Excluded" means removed under other authorities from a program administered by
27.12 a Minnesota state or federal agency, including a final determination to stop payments.

27.13 (e) "Individual" means a natural person providing products or services as a provider or
27.14 vendor.

27.15 (f) "Provider" means any entity, individual, owner, controlling individual, license holder,
27.16 director, or managerial official of an entity receiving payment from a program administered
27.17 by a Minnesota state or federal agency.

27.18 Subd. 3. **Notice.** Within five days of taking an action under subdivision (1), paragraph
27.19 (a), (b), or (c), against a provider, vendor, individual, associated individual, or associated
27.20 entity, the commissioner must send notice of the action to the provider, vendor, individual,
27.21 associated individual, or associated entity. The notice must state:

27.22 (1) the basis for the action;

27.23 (2) the effective date of the action;

27.24 (3) the right to appeal the action; and

27.25 (4) the requirements and procedures for reinstatement.

27.26 Subd. 4. **Appeal.** Upon receipt of a notice under subdivision 3, a provider, vendor,
27.27 individual, associated individual, or associated entity may request a contested case hearing,
27.28 as defined in section 14.02, subdivision 3, by filing with the commissioner a written request
27.29 of appeal. The scope of any contested case hearing is solely limited to action taken under
27.30 this section. The commissioner must receive the appeal request no later than 30 days after
27.31 the date the notice was mailed to the provider, vendor, individual, associated individual, or
27.32 associated entity. The appeal request must specify:

- 28.1 (1) each disputed item and the reason for the dispute;
- 28.2 (2) the authority in statute or rule upon which the provider, vendor, individual, associated
- 28.3 individual, or associated entity relies for each disputed item;
- 28.4 (3) the name and address of the person or entity with whom contacts may be made
- 28.5 regarding the appeal; and
- 28.6 (4) any other information required by the commissioner.

28.7 Subd. 5. **Withholding of payments.** (a) Except as otherwise provided by state or federal

28.8 law, the commissioner may withhold payments to a provider, vendor, individual, associated

28.9 individual, or associated entity in any program administered by the commissioner if the

28.10 commissioner determines there is a credible allegation of fraud for which an investigation

28.11 is pending for a program administered by a Minnesota state or federal agency.

28.12 (b) For purposes of this subdivision, "credible allegation of fraud" means an allegation

28.13 that has been verified by the commissioner from any source, including but not limited to:

- 28.14 (1) fraud hotline complaints;
- 28.15 (2) claims data mining;
- 28.16 (3) patterns identified through provider audits, civil false claims cases, and law
- 28.17 enforcement investigations; and
- 28.18 (4) court filings and other legal documents, including but not limited to police reports,
- 28.19 complaints, indictments, informations, affidavits, declarations, and search warrants.

28.20 (c) The commissioner must send notice of the withholding of payments within five days

28.21 of taking such action. The notice must:

- 28.22 (1) state that payments are being withheld according to this subdivision;
- 28.23 (2) set forth the general allegations related to the withholding action, except the notice
- 28.24 need not disclose specific information concerning an ongoing investigation;
- 28.25 (3) state that the withholding is for a temporary period and cite the circumstances under
- 28.26 which the withholding will be terminated; and
- 28.27 (4) inform the provider, vendor, individual, associated individual, or associated entity
- 28.28 of the right to submit written evidence to contest the withholding action for consideration
- 28.29 by the commissioner.

28.30 (d) If the commissioner withholds payments under this subdivision, the provider, vendor,

28.31 individual, associated individual, or associated entity has a right to request administrative

29.1 reconsideration. A request for administrative reconsideration must be made in writing, state
29.2 with specificity the reasons the payment withholding decision is in error, and include
29.3 documents to support the request. Within 60 days from receipt of the request, the
29.4 commissioner shall judiciously review allegations, facts, evidence available to the
29.5 commissioner, and information submitted by the provider, vendor, individual, associated
29.6 individual, or associated entity to determine whether the payment withholding should remain
29.7 in place.

29.8 (e) The commissioner shall stop withholding payments if the commissioner determines
29.9 there is insufficient evidence of fraud by the provider, vendor, individual, associated
29.10 individual, or associated entity or when legal proceedings relating to the alleged fraud are
29.11 completed, unless the commissioner has sent notice under subdivision 3 to the provider,
29.12 vendor, individual, associated individual, or associated entity.

29.13 (f) The withholding of payments is a temporary action and is not subject to appeal under
29.14 section 142A.21 or chapter 14.

29.15 **Sec. 35. [142A.13] ELECTRONIC BENEFIT TRANSFER CARD.**

29.16 Subdivision 1. **Electronic benefit transfer (EBT) card.** Cash benefits for the general
29.17 assistance and Minnesota supplemental aid programs under chapter 256D and programs
29.18 under chapter 142G must be issued on an EBT card with the name of the head of household
29.19 printed on the card. The card must include the following statement: "It is unlawful to use
29.20 this card to purchase tobacco products or alcoholic beverages." This card must be issued
29.21 within 30 calendar days of an eligibility determination. During the initial 30 calendar days
29.22 of eligibility, a recipient may have cash benefits issued on an EBT card without a name
29.23 printed on the card. This card may be the same card on which Supplemental Nutrition
29.24 Assistance Program (SNAP) benefits are issued and does not need to meet the requirements
29.25 of this section.

29.26 **Sec. 36. [142A.14] TAX REBATES.**

29.27 Any federal or state tax rebate received by a recipient of a public assistance program
29.28 shall not be counted as income or as an asset for purposes of any of the public assistance
29.29 programs under this chapter or any other chapter, including, but not limited to, chapter
29.30 142E, 142F, and 142G to the extent permitted under federal law.

30.1 Sec. 37. [142A.15] PUBLIC ASSISTANCE LIEN ON RECIPIENT'S CAUSE OF
30.2 ACTION.

30.3 Subdivision 1. State agency has lien. When the state agency provides, pays for, or
30.4 becomes liable for medical care or furnishes subsistence or other payments to a person, the
30.5 agency shall have a lien for the cost of the care and payments on any and all causes of action
30.6 or recovery rights under any policy, plan, or contract providing benefits for health care or
30.7 injury that accrue to the person to whom the care or payments were furnished, or to the
30.8 person's legal representatives, as a result of the occurrence that necessitated the medical
30.9 care, subsistence, or other payments. For purposes of this section, "state agency" includes
30.10 prepaid health plans under contract with the commissioner according to sections 256B.69,
30.11 256L.01, subdivision 7, 256L.03, subdivision 6, and 256L.12, and Minnesota Statutes 2009
30.12 Supplement, section 256D.03, subdivision 4, paragraph (c); children's mental health
30.13 collaboratives under section 245.493; demonstration projects for persons with disabilities
30.14 under section 256B.77; nursing homes reimbursed under chapter 256R; and county-based
30.15 purchasing entities under section 256B.692.

30.16 Subd. 2. Perfection; enforcement. (a) The state agency may perfect and enforce its lien
30.17 under sections 514.69, 514.70, and 514.71, and must file the verified lien statement with
30.18 the appropriate court administrator in the county of financial responsibility. The verified
30.19 lien statement must contain the following: the name and address of the person to whom
30.20 medical care, subsistence, or other payment was furnished; the date of injury; the name and
30.21 address of vendors furnishing medical care; the dates of the service or payment; the amount
30.22 claimed to be due for the care or payment; and to the best of the state agency's knowledge,
30.23 the names and addresses of all persons, firms, or corporations claimed to be liable for
30.24 damages arising from the injuries.

30.25 (b) This section does not affect the priority of any attorney's lien. The state agency is
30.26 not subject to any limitations period referred to in section 514.69 or 514.71 and has one
30.27 year from the date notice is first received by it under subdivision 4, paragraph (c), even if
30.28 the notice is untimely, or one year from the date medical bills are first paid by the state
30.29 agency, whichever is later, to file its verified lien statement. The state agency may commence
30.30 an action to enforce the lien within one year of (1) the date the notice required by subdivision
30.31 4, paragraph (c), is received, or (2) the date the person's cause of action is concluded by
30.32 judgment, award, settlement, or otherwise, whichever is later.

30.33 (c) If the notice required in subdivision 4 is not provided by any of the parties to the
30.34 claim at any stage of the claim, the state agency will have one year from the date the state
30.35 agency learns of the lack of notice to commence an action. If amounts on the claim or cause

31.1 of action are paid and the amount required to be paid to the state agency under subdivision
31.2 5 is not paid to the state agency, the state agency may commence an action to recover on
31.3 the lien against any or all of the parties or entities that have either paid or received the
31.4 payments.

31.5 Subd. 3. **Prosecutor.** (a) The attorney general shall represent the commissioner to enforce
31.6 the lien created under this section or, if no action has been brought, may initiate and prosecute
31.7 an independent action on behalf of the commissioner against a person, firm, or corporation
31.8 that may be liable to the person to whom the care or payment was furnished.

31.9 (b) Any prepaid health plan providing services under sections 256B.69 and 256L.12 and
31.10 Minnesota Statutes 2009 Supplement, section 256D.03, subdivision 4, paragraph (c);
31.11 children's mental health collaboratives under section 245.493; demonstration projects for
31.12 persons with disabilities under section 256B.77; nursing homes reimbursed under chapter
31.13 256R; or the county-based purchasing entity providing services under section 256B.692
31.14 may retain legal representation to enforce their lien created under this section or, if no action
31.15 has been brought, may initiate and prosecute an independent action on their behalf against
31.16 a person, firm, or corporation that may be liable to the person to whom the care or payment
31.17 was furnished.

31.18 Subd. 4. **Notice.** (a) The state agency must be given notice of monetary claims against
31.19 a person, firm, or corporation that may be liable in damages to the injured person when the
31.20 state agency has paid for or become liable for the cost of medical care or payments related
31.21 to the injury. Notice must be given as provided in this subdivision.

31.22 (b) Applicants for public assistance shall notify the state or county agency of any possible
31.23 claims they may have against a person, firm, or corporation when they submit the application
31.24 for assistance. Recipients of public assistance shall notify the state or county agency of any
31.25 possible claims when those claims arise.

31.26 (c) A person providing medical care services to a recipient of public assistance shall
31.27 notify the state agency when the person has reason to believe that a third party may be liable
31.28 for payment of the cost of medical care.

31.29 (d) A party to a claim upon which the state agency may be entitled to a lien under this
31.30 section shall notify the state agency of its potential lien claim at each of the following stages
31.31 of a claim:

31.32 (1) when a claim is filed;

31.33 (2) when an action is commenced; and

32.1 (3) when a claim is concluded by payment, award, judgment, settlement, or otherwise.

32.2 (e) Every party involved in any stage of a claim under this subdivision is required to
32.3 provide notice to the state agency at that stage of the claim. However, when one of the
32.4 parties to the claim provides notice at that stage, every other party to the claim is deemed
32.5 to have provided the required notice at that stage of the claim. If the required notice under
32.6 this paragraph is not provided to the state agency, every party will be deemed to have failed
32.7 to provide the required notice. A party to a claim includes the injured person or the person's
32.8 legal representative, the plaintiff, the defendants, or persons alleged to be responsible for
32.9 compensating the injured person or plaintiff, and any other party to the cause of action or
32.10 claim, regardless of whether the party knows the state agency has a potential or actual lien
32.11 claim.

32.12 (f) Notice given to the county agency is not sufficient to meet the requirements of
32.13 paragraphs (c) and (d).

32.14 Subd. 5. **Costs deducted.** Upon any judgment, award, or settlement of a cause of action,
32.15 or any part of it, upon which the state agency has filed its lien, including compensation for
32.16 liquidated, unliquidated, or other damages, reasonable costs of collection, including attorney
32.17 fees, must be deducted first. The full amount of public assistance paid to or on behalf of the
32.18 person as a result of the injury must be deducted next, and paid to the state agency. The rest
32.19 must be paid to the public assistance recipient or other plaintiff. The plaintiff, however,
32.20 must receive at least one-third of the net recovery after attorney fees and other collection
32.21 costs.

32.22 Subd. 6. **When effective.** The lien created under this section is effective with respect to
32.23 any public assistance paid on or after August 1, 1987.

32.24 Subd. 7. **Cooperation with information requests required.** (a) Upon the request of
32.25 the commissioner:

32.26 (1) any state agency or third-party payer shall cooperate by furnishing information to
32.27 help establish a third-party liability, as required by the federal Deficit Reduction Act of
32.28 2005, Public Law 109-171;

32.29 (2) any employer or third-party payer shall cooperate by furnishing a data file containing
32.30 information about group health insurance plan or medical benefit plan coverage of its
32.31 employees or insureds within 60 days of the request. The information in the data file must
32.32 include at least the following: full name, date of birth, Social Security number if collected
32.33 and stored in a system routinely used for producing data files by the employer or third-party

33.1 payer, employer name, policy identification number, group identification number, and plan
33.2 or coverage type.

33.3 (b) For purposes of section 176.191, subdivision 4, the commissioner of labor and
33.4 industry may allow the commissioner of children, youth, and families and county agencies
33.5 direct access and data matching on information relating to workers' compensation claims
33.6 in order to determine whether the claimant has reported the fact of a pending claim and the
33.7 amount paid to or on behalf of the claimant to the commissioner of human services.

33.8 (c) For the purpose of compliance with section 169.09, subdivision 13, and federal
33.9 requirements under Code of Federal Regulations, title 42, section 433.138 (d)(4), the
33.10 commissioner of public safety shall provide accident data as requested by the commissioner
33.11 of children, youth, and families. The disclosure shall not violate section 169.09, subdivision
33.12 13, paragraph (d).

33.13 (d) The commissioner of children, youth, and families and county agencies shall limit
33.14 its use of information gained from agencies, third-party payers, and employers to purposes
33.15 directly connected with the administration of its public assistance and child support programs.
33.16 The provision of information by agencies, third-party payers, and employers to the department
33.17 under this subdivision is not a violation of any right of confidentiality or data privacy.

33.18 Sec. 38. **[142A.20] ADMINISTRATIVE AND JUDICIAL REVIEW OF CHILDREN,**
33.19 **YOUTH, AND FAMILIES MATTERS.**

33.20 Subdivision 1. **Children, youth, and families judges; appointment.** The commissioner
33.21 of children, youth, and families may appoint one or more state children, youth, and families
33.22 judges to conduct hearings and recommend orders in accordance with subdivisions 2, 3,
33.23 and 5. Children, youth, and families judges designated pursuant to this section may administer
33.24 oaths and shall be under the control and supervision of the commissioner of children, youth,
33.25 and families and shall not be a part of the Office of Administrative Hearings established
33.26 pursuant to sections 14.48 to 14.56. The commissioner shall only appoint as a full-time
33.27 children, youth, and families judge an individual who is licensed to practice law in Minnesota
33.28 and who is:

33.29 (1) in active status;

33.30 (2) an inactive resident;

33.31 (3) retired;

33.32 (4) on disabled status; or

34.1 (5) on retired senior status.

34.2 Subd. 2. State agency hearings. (a) State agency hearings are available for the following:

34.3 (1) any person:

34.4 (i) applying for, receiving, or having received public assistance or a program of social
34.5 services administered by the commissioner or a county agency on behalf of the commissioner
34.6 or the federal Food and Nutrition Act; and

34.7 (ii) whose application for assistance is denied, not acted upon with reasonable promptness,
34.8 or whose assistance is suspended, reduced, terminated, or claimed to have been incorrectly
34.9 paid;

34.10 (2) any person whose claim for foster care payment according to a placement of the
34.11 child resulting from a child protection assessment under chapter 260E is denied or not acted
34.12 upon with reasonable promptness, regardless of funding source;

34.13 (3) any person to whom a right of appeal according to this section is given by other
34.14 provision of law;

34.15 (4) except as provided under chapter 142B, an individual or facility determined to have
34.16 maltreated a minor under chapter 260E, after the individual or facility has exercised the
34.17 right to administrative reconsideration under chapter 260E;

34.18 (5) except as provided under chapter 245C, an individual disqualified under sections
34.19 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23,
34.20 on the basis of serious or recurring maltreatment; of a preponderance of the evidence that
34.21 the individual has committed an act or acts that meet the definition of any of the crimes
34.22 listed in section 245C.15, subdivisions 1 to 4; or for failing to make reports required under
34.23 section 260E.06, subdivision 1, or 626.557, subdivision 3. Hearings regarding a maltreatment
34.24 determination under clause (4) and a disqualification under this clause in which the basis
34.25 for a disqualification is serious or recurring maltreatment shall be consolidated into a single
34.26 fair hearing. In such cases, the scope of review by the children, youth, and families judge
34.27 shall include both the maltreatment determination and the disqualification. The failure to
34.28 exercise the right to an administrative reconsideration shall not be a bar to a hearing under
34.29 this section if federal law provides an individual the right to a hearing to dispute a finding
34.30 of maltreatment; and

34.31 (6) any person with an outstanding debt resulting from receipt of public assistance or
34.32 the federal Food and Nutrition Act who is contesting a setoff claim by the commissioner
34.33 of children, youth, and families or a county agency. The scope of the appeal is the validity

35.1 of the claimant agency's intention to request a setoff of a refund under chapter 270A against
35.2 the debt.

35.3 (b) The hearing for an individual or facility under paragraph (a), clause (4) or (5), is the
35.4 only administrative appeal to the final agency determination specifically, including a
35.5 challenge to the accuracy and completeness of data under section 13.04. A hearing for an
35.6 individual or facility under paragraph (a), clause (4) or (5), is only available when there is
35.7 no district court action pending. If such action is filed in district court while an administrative
35.8 review is pending that arises out of some or all of the events or circumstances on which the
35.9 appeal is based, the administrative review must be suspended until the judicial actions are
35.10 completed. If the district court proceedings are completed, dismissed, or overturned, the
35.11 matter may be considered in an administrative hearing.

35.12 (c) For purposes of this section, bargaining unit grievance procedures are not an
35.13 administrative appeal.

35.14 (d) The scope of hearings involving claims to foster care payments under paragraph (a),
35.15 clause (2), shall be limited to the issue of whether the county is legally responsible for a
35.16 child's placement under court order or voluntary placement agreement and, if so, the correct
35.17 amount of foster care payment to be made on the child's behalf and shall not include review
35.18 of the propriety of the county's child protection determination or child placement decision.

35.19 (e) An applicant or recipient is not entitled to receive social services beyond the services
35.20 prescribed under chapter 256M or other social services the person is eligible for under state
35.21 law.

35.22 (f) The commissioner may summarily affirm the county or state agency's proposed action
35.23 without a hearing when the sole issue is an automatic change due to a change in state or
35.24 federal law.

35.25 (g) Unless federal or Minnesota law specifies a different time frame in which to file an
35.26 appeal, an individual or organization specified in this section may contest the specified
35.27 action, decision, or final disposition before the state agency by submitting a written request
35.28 for a hearing to the state agency within 30 days after receiving written notice of the action,
35.29 decision, or final disposition or within 90 days of such written notice if the applicant,
35.30 recipient, patient, or relative shows good cause, as defined in section 142A.21, subdivision
35.31 13, why the request was not submitted within the 30-day time limit. The individual filing
35.32 the appeal has the burden of proving good cause by a preponderance of the evidence.

35.33 Subd. 3. **Standard of evidence for maltreatment and disqualification hearings.** (a)
35.34 The state children, youth, and families judge shall determine that maltreatment has occurred

36.1 if a preponderance of evidence exists to support the final disposition under chapter 260E
36.2 or section 626.557. For purposes of hearings regarding disqualification, the state children,
36.3 youth, and families judge shall affirm the proposed disqualification in an appeal under
36.4 subdivision 2, paragraph (a), clause (5), if a preponderance of the evidence shows the
36.5 individual has:

36.6 (1) committed maltreatment under section 626.557 or chapter 260E that is serious or
36.7 recurring;

36.8 (2) committed an act or acts meeting the definition of any of the crimes listed in section
36.9 245C.15, subdivisions 1 to 4; or

36.10 (3) failed to make required reports under section 626.557 or chapter 260E, for incidents
36.11 in which the final disposition under section 626.557 or chapter 260E was substantiated
36.12 maltreatment that was serious or recurring.

36.13 (b) If the disqualification is affirmed, the state children, youth, and families judge shall
36.14 determine whether the individual poses a risk of harm in accordance with the requirements
36.15 of section 245C.22, and whether the disqualification should be set aside or not set aside. In
36.16 determining whether the disqualification should be set aside, the children, youth, and families
36.17 judge shall consider all of the characteristics that cause the individual to be disqualified,
36.18 including those characteristics that were not subject to review under paragraph (a), in order
36.19 to determine whether the individual poses a risk of harm. A decision to set aside a
36.20 disqualification that is the subject of the hearing constitutes a determination that the individual
36.21 does not pose a risk of harm and that the individual may provide direct contact services in
36.22 the individual program specified in the set aside.

36.23 (c) If a disqualification is based solely on a conviction or is conclusive for any reason
36.24 under section 245C.29, the disqualified individual does not have a right to a hearing under
36.25 this section.

36.26 (d) The state children, youth, and families judge shall recommend an order to the
36.27 commissioner of health; education; children, youth, and families; or human services, as
36.28 applicable, who shall issue a final order. The commissioner shall affirm, reverse, or modify
36.29 the final disposition. Any order of the commissioner issued in accordance with this
36.30 subdivision is conclusive upon the parties unless appeal is taken in the manner provided in
36.31 subdivision 7. In any licensing appeal under chapters 142B and 245C and sections 144.50
36.32 to 144.58 and 144A.02 to 144A.482, the commissioner's determination as to maltreatment
36.33 is conclusive, as provided under section 245C.29.

37.1 Subd. 4. **Conduct of hearings.** (a) All hearings held pursuant to subdivision 2 or 3 shall
37.2 be conducted according to the provisions of the federal Social Security Act and the
37.3 regulations implemented in accordance with that act to enable this state to qualify for federal
37.4 grants-in-aid and according to the rules and written policies of the commissioner. County
37.5 agencies shall install equipment necessary to conduct telephone hearings. A state children,
37.6 youth, and families judge may schedule a telephone conference hearing when the distance
37.7 or time required to travel to the county agency offices will cause a delay in the issuance of
37.8 an order, or to promote efficiency, or at the mutual request of the parties. Hearings may be
37.9 conducted by telephone conferences unless the applicant, recipient, former recipient, person,
37.10 or facility contesting maltreatment objects. A children, youth, and families judge may grant
37.11 a request for a hearing in person by holding the hearing by interactive video technology or
37.12 in person. The children, youth, and families judge must hear the case in person if the person
37.13 asserts that either the person or a witness has a physical or mental disability that would
37.14 impair the person's or witness's ability to fully participate in a hearing held by interactive
37.15 video technology. The hearing shall not be held earlier than five days after filing of the
37.16 required notice with the county or state agency. The state children, youth, and families judge
37.17 shall notify all interested persons of the time, date, and location of the hearing at least five
37.18 days before the date of the hearing. Interested persons may be represented by legal counsel
37.19 or other representative of their choice, including a provider of therapy services, at the hearing
37.20 and may appear personally, testify and offer evidence, and examine and cross-examine
37.21 witnesses. The applicant, recipient, former recipient, person, or facility contesting
37.22 maltreatment shall have the opportunity to examine the contents of the case file and all
37.23 documents and records to be used by the county or state agency at the hearing at a reasonable
37.24 time before the date of the hearing and during the hearing. In hearings under subdivision
37.25 2, paragraph (a), clauses (4) and (5), either party may subpoena the private data relating to
37.26 the investigation prepared by the agency under section 626.557 or chapter 260E that are
37.27 not otherwise accessible under section 13.04, provided the identity of the reporter may not
37.28 be disclosed.

37.29 (b) The private data obtained by subpoena in a hearing under subdivision 2, paragraph
37.30 (a), clause (2), must be subject to a protective order that prohibits its disclosure for any other
37.31 purpose outside the hearing provided for in this section without prior order of the district
37.32 court. Disclosure without court order is punishable by a sentence of not more than 90 days
37.33 imprisonment or a fine of not more than \$1,000, or both. These restrictions on the use of
37.34 private data do not prohibit access to the data under section 13.03, subdivision 6. Except
37.35 for appeals under subdivision 2, paragraph (a), clause (2), upon request, the county agency
37.36 shall provide reimbursement for transportation, child care, photocopying, medical assessment,

38.1 witness fee, and other necessary and reasonable costs incurred by the applicant, recipient,
38.2 or former recipient in connection with the appeal. All evidence, except that privileged by
38.3 law, commonly accepted by reasonable people in the conduct of their affairs as having
38.4 probative value with respect to the issues, shall be submitted at the hearing and the hearing
38.5 shall not be "a contested case" within the meaning of section 14.02, subdivision 3. The
38.6 agency must present its evidence prior to or at the hearing and may not submit evidence
38.7 after the hearing except by agreement of the parties at the hearing, provided the petitioner
38.8 has the opportunity to respond.

38.9 (c) In hearings under subdivision 2, paragraph (a), clauses (2) and (5), involving
38.10 determinations of maltreatment or disqualification made by more than one county agency,
38.11 by a county agency and a state agency, or by more than one state agency, the hearings may
38.12 be consolidated into a single fair hearing upon the consent of all parties and the state children,
38.13 youth, and families judge.

38.14 Subd. 5. **Orders of the commissioner of children, youth, and families.** (a) A state
38.15 children, youth, and families judge shall conduct a hearing on the appeal and shall recommend
38.16 an order to the commissioner of children, youth, and families. The recommended order must
38.17 be based on all relevant evidence and must not be limited to a review of the propriety of
38.18 the state or county agency's action. A children, youth, and families judge may take official
38.19 notice of adjudicative facts. The commissioner of children, youth, and families may accept
38.20 the recommended order of a state children, youth, and families judge and issue the order to
38.21 the county agency and the applicant, recipient, or former recipient. If the commissioner
38.22 refuses to accept the recommended order of the state children, youth, and families judge,
38.23 the commissioner shall notify the petitioner or the agency of the commissioner's refusal and
38.24 shall state reasons for the refusal. The commissioner shall allow each party ten days' time
38.25 to submit additional written argument on the matter. After the expiration of the ten-day
38.26 period, the commissioner shall issue an order on the matter to the petitioner and the agency.

38.27 (b) A party aggrieved by an order of the commissioner may appeal under subdivision 7
38.28 or request reconsideration by the commissioner within 30 days after the date the
38.29 commissioner issues the order. The commissioner may reconsider an order upon request of
38.30 any party or on the commissioner's own motion. A request for reconsideration does not stay
38.31 implementation of the commissioner's order. The person seeking reconsideration has the
38.32 burden to demonstrate why the matter should be reconsidered. The request for reconsideration
38.33 may include legal argument and proposed additional evidence supporting the request. If
38.34 proposed additional evidence is submitted, the person must explain why the proposed
38.35 additional evidence was not provided at the time of the hearing. If reconsideration is granted,

39.1 the other participants must be sent a copy of all material submitted in support of the request
39.2 for reconsideration and must be given ten days to respond. Upon reconsideration, the
39.3 commissioner may issue an amended order or an order affirming the original order.

39.4 (c) Any order of the commissioner issued under this subdivision shall be conclusive
39.5 upon the parties unless appeal is taken in the manner provided by subdivision 7. Any order
39.6 of the commissioner is binding on the parties and must be implemented by the state agency
39.7 or a county agency until the order is reversed by the district court or unless the commissioner
39.8 or a district court orders monthly assistance or aid or services paid or provided under
39.9 subdivision 10.

39.10 (d) A vendor under contract with a county agency to provide social services is not a
39.11 party and may not request a hearing or seek judicial review of an order issued under this
39.12 section, unless assisting a recipient as provided in subdivision 4.

39.13 Subd. 6. **Additional powers of commissioner; subpoenas.** (a) The commissioner may
39.14 initiate a review of any action or decision of a county agency and direct that the matter be
39.15 presented to a state children, youth, and families judge for a hearing held under subdivision
39.16 2 or 3. In all matters dealing with children, youth, and families committed by law to the
39.17 discretion of the county agency, the commissioner's judgment may be substituted for that
39.18 of the county agency. The commissioner may order an independent examination when
39.19 appropriate.

39.20 (b) Any party to a hearing held pursuant to subdivision 2 or 3 may request that the
39.21 commissioner issue a subpoena to compel the attendance of witnesses and the production
39.22 of records at the hearing. A local agency may request that the commissioner issue a subpoena
39.23 to compel the release of information from third parties prior to a request for a hearing under
39.24 section 142A.21 upon a showing of relevance to such a proceeding. The issuance, service,
39.25 and enforcement of subpoenas under this subdivision is governed by section 357.22 and
39.26 the Minnesota Rules of Civil Procedure.

39.27 (c) The commissioner may issue a temporary order staying a proposed demission by a
39.28 residential facility licensed under chapter 142B:

39.29 (1) while an appeal by a recipient under subdivision 3 is pending; or

39.30 (2) for the period of time necessary for the case management provider to implement the
39.31 commissioner's order.

39.32 Subd. 7. **Judicial review.** Any party who is aggrieved by an order of the commissioner
39.33 of children, youth, and families may appeal the order to the district court of the county

40.1 responsible for furnishing assistance, or, in appeals under subdivision 3, the county where
40.2 the maltreatment occurred, by serving a written copy of a notice of appeal upon the
40.3 commissioner and any adverse party of record within 30 days after the date the commissioner
40.4 issued the order, the amended order, or order affirming the original order, and by filing the
40.5 original notice and proof of service with the court administrator of the district court. Service
40.6 may be made personally or by mail; service by mail is complete upon mailing. The court
40.7 administrator shall not require a filing fee in appeals taken pursuant to this subdivision,
40.8 except for appeals taken under subdivision 3. The commissioner may elect to become a
40.9 party to the proceedings in the district court. Except for appeals under subdivision 3, any
40.10 party may demand that the commissioner furnish all parties to the proceedings with a copy
40.11 of the decision, and a transcript of any testimony, evidence, or other supporting papers from
40.12 the hearing held before the children, youth, and families judge, by serving a written demand
40.13 upon the commissioner within 30 days after service of the notice of appeal. Any party
40.14 aggrieved by the failure of an adverse party to obey an order issued by the commissioner
40.15 under subdivision 5 may compel performance according to the order in the manner prescribed
40.16 in sections 586.01 to 586.12.

40.17 Subd. 8. **Hearing.** Any party may obtain a hearing at a special term of the district court
40.18 by serving a written notice of the time and place of the hearing at least ten days prior to the
40.19 date of the hearing. The court may consider the matter in or out of chambers, and shall take
40.20 no new or additional evidence unless it determines that such evidence is necessary for a
40.21 more equitable disposition of the appeal.

40.22 Subd. 9. **Appeal.** Any party aggrieved by the order of the district court may appeal the
40.23 order as in other civil cases. Except for appeals under subdivision 3, no costs or disbursements
40.24 shall be taxed against any party nor shall any filing fee or bond be required of any party.

40.25 Subd. 10. **Payments pending appeal.** If the commissioner of children, youth, and
40.26 families or district court orders monthly assistance or aid or services paid or provided in
40.27 any proceeding under this section, it shall be paid or provided pending appeal to the
40.28 commissioner of children, youth, and families, district court, court of appeals, or supreme
40.29 court. The state or county agency has a claim for Supplemental Nutrition Assistance Program
40.30 (SNAP) benefits or cash payments made to or on behalf of a recipient or former recipient
40.31 while an appeal is pending if the recipient or former recipient is determined ineligible for
40.32 SNAP benefits or cash payments as a result of the appeal.

40.33 Subd. 11. **Interagency agreement with DHS.** The commissioner of children, youth,
40.34 and families may enter into an agreement with the commissioner of human services so that
40.35 the commissioner of human services may conduct hearings and recommend and issue orders

41.1 on behalf of the commissioner of children, youth, and families in accordance with this
41.2 section.

41.3 **Sec. 39. [142A.21] HEARING PROCEDURES.**

41.4 Subdivision 1. **Scope.** (a) The requirements in this section apply to all fair hearings and
41.5 appeals under section 142A.20, subdivision 2, paragraph (a), clauses (1), (2), (3), and (6).
41.6 Except as provided in subdivisions 3 and 19, the requirements under this section apply to
41.7 fair hearings and appeals under section 142A.20, subdivision 2, paragraph (a), clause (2).

41.8 (b) For purposes of this section, "person" means an individual who, on behalf of
41.9 themselves or their household, is appealing, disputing, or challenging an action, a decision,
41.10 or a failure to act by an agency in the children, youth, and families system. When a person
41.11 involved in a proceeding under this section is represented by an attorney or by an authorized
41.12 representative, the term "person" also means the person's attorney or authorized
41.13 representative. Any notice sent to the person involved in the hearing must also be sent to
41.14 the person's attorney or authorized representative.

41.15 (c) For purposes of this section, "agency" means the county human services agency, the
41.16 Department of Children, Youth, and Families, and, where applicable, any entity involved
41.17 under a contract, subcontract, grant, or subgrant with the state agency or with a county
41.18 agency, that provides or operates programs or services in which appeals are governed by
41.19 section 142A.20.

41.20 Subd. 2. **Access to files.** A person involved in a fair hearing appeal has the right of access
41.21 to the person's complete case files and to examine all private welfare data on the person that
41.22 has been generated, collected, stored, or disseminated by the agency. A person involved in
41.23 a fair hearing appeal has the right to a free copy of all documents in the case file involved
41.24 in a fair hearing appeal. For purposes of this section, "case file" means the information,
41.25 documents, and data, in whatever form, that have been generated, collected, stored, or
41.26 disseminated by the agency in connection with the person and the program or service
41.27 involved.

41.28 Subd. 3. **Agency appeal summary.** (a) Except in fair hearings and appeals under section
41.29 142A.20, subdivision 2, paragraph (a), clauses (4) and (5), the agency involved in an appeal
41.30 must prepare a state agency appeal summary for each fair hearing appeal. The state agency
41.31 appeal summary shall be mailed or otherwise delivered to the person who is involved in the
41.32 appeal at least three working days before the date of the hearing. The state agency appeal
41.33 summary must also be mailed or otherwise delivered to the department's Appeals Office at
41.34 least three working days before the date of the fair hearing appeal.

42.1 (b) In addition, the children, youth, and families judge shall confirm that the state agency
42.2 appeal summary is mailed or otherwise delivered to the person involved in the appeal as
42.3 required under paragraph (a). The person involved in the fair hearing should be provided,
42.4 through the state agency appeal summary or other reasonable methods, appropriate
42.5 information about the procedures for the fair hearing and an adequate opportunity to prepare.
42.6 These requirements apply equally to the state agency or an entity under contract when
42.7 involved in the appeal.

42.8 (c) The contents of the state agency appeal summary must be adequate to inform the
42.9 person involved in the appeal of the evidence on which the agency relies and the legal basis
42.10 for the agency's action or determination.

42.11 Subd. 4. **Enforcing access to files.** A person involved in a fair hearing appeal may
42.12 enforce the right of access to data and copies of the case file by making a request to the
42.13 children, youth, and families judge. The children, youth, and families judge will make an
42.14 appropriate order enforcing the person's rights under the Minnesota Government Data
42.15 Practices Act, including but not limited to, ordering access to files, data, and documents;
42.16 continuing a hearing to allow adequate time for access to data; or prohibiting use by the
42.17 agency of files, data, or documents that have been generated, collected, stored, or
42.18 disseminated without compliance with the Minnesota Government Data Practices Act and
42.19 that have not been provided to the person involved in the appeal.

42.20 Subd. 5. **Prehearing conferences.** (a) The children, youth, and families judge prior to
42.21 a fair hearing appeal may hold a prehearing conference to further the interests of justice or
42.22 efficiency and must include the person involved in the appeal. A person involved in a fair
42.23 hearing appeal or the agency may request a prehearing conference. The prehearing conference
42.24 may be conducted by telephone, in person, or in writing. The prehearing conference may
42.25 address the following:

- 42.26 (1) disputes regarding access to files, evidence, subpoenas, or testimony;
42.27 (2) the time required for the hearing or any need for expedited procedures or decision;
42.28 (3) identification or clarification of legal or other issues that may arise at the hearing;
42.29 (4) identification of and possible agreement to factual issues; and
42.30 (5) scheduling and any other matter that will aid in the proper and fair functioning of
42.31 the hearing.

42.32 (b) The children, youth, and families judge shall make a record or otherwise
42.33 contemporaneously summarize the prehearing conference in writing, which shall be sent

43.1 to both the person involved in the hearing, the person's attorney or authorized representative,
43.2 and the agency. A children, youth, and families judge may make and issue rulings and orders
43.3 while the appeal is pending. During the pendency of the appeal, these rulings and orders
43.4 are not subject to a request for reconsideration or appeal. These rulings and orders are subject
43.5 to review under subdivision 24 and section 142A.20, subdivision 7.

43.6 Subd. 6. **Appeal request for emergency assistance or urgent matter.** (a) When an
43.7 appeal involves an application for emergency assistance, the agency involved shall mail or
43.8 otherwise deliver the state agency appeal summary to the department's Appeals Office
43.9 within two working days of receiving the request for an appeal. A person may also request
43.10 that a fair hearing be held on an emergency basis when the issue requires an immediate
43.11 resolution. The children, youth, and families judge shall schedule the fair hearing on the
43.12 earliest available date according to the urgency of the issue involved. Issuance of the
43.13 recommended decision after an emergency hearing shall be expedited.

43.14 (b) The commissioner shall issue a written decision within five working days of receiving
43.15 the recommended decision, shall immediately inform the parties of the outcome by telephone,
43.16 and shall mail the decision no later than two working days following the date of the decision.

43.17 Subd. 7. **Continuance, rescheduling, or adjourning a hearing.** (a) A person involved
43.18 in a fair hearing, or the agency, may request a continuance, a rescheduling, or an adjournment
43.19 of a hearing for a reasonable period of time. The grounds for granting a request for a
43.20 continuance, a rescheduling, or adjournment of a hearing include, but are not limited to, the
43.21 following:

43.22 (1) to reasonably accommodate the appearance of a witness;

43.23 (2) to ensure that the person has adequate opportunity for preparation and for presentation
43.24 of evidence and argument;

43.25 (3) to ensure that the person or the agency has adequate opportunity to review, evaluate,
43.26 and respond to new evidence, or where appropriate, to require that the person or agency
43.27 review, evaluate, and respond to new evidence;

43.28 (4) to permit the person involved and the agency to negotiate toward resolution of some
43.29 or all of the issues where both agree that additional time is needed;

43.30 (5) to permit the agency to reconsider a previous action or determination;

43.31 (6) to permit or to require the performance of actions not previously taken; and

43.32 (7) to provide additional time or to permit or require additional activity by the person
43.33 or agency as the interests of fairness may require.

44.1 (b) Requests for continuances or for rescheduling may be made orally or in writing. The
44.2 person or agency requesting the continuance or rescheduling must first make reasonable
44.3 efforts to contact the other participants in the hearing or their representatives and seek to
44.4 obtain an agreement on the request. Requests for continuance or rescheduling should be
44.5 made no later than three working days before the scheduled date of the hearing, unless there
44.6 is a good cause as specified in subdivision 13. Granting a continuance or rescheduling may
44.7 be conditioned upon a waiver by the requester of applicable time limits but should not cause
44.8 unreasonable delay.

44.9 Subd. 8. **Subpoenas.** (a) A person involved in a fair hearing or the agency may request
44.10 a subpoena for a witness, for evidence, or for both. A reasonable number of subpoenas shall
44.11 be issued to require the attendance and the testimony of witnesses, and the production of
44.12 evidence relating to any issue of fact in the appeal hearing. The request for a subpoena must
44.13 show a need for the subpoena and the general relevance to the issues involved. The subpoena
44.14 shall be issued in the name of the department and shall be served and enforced as provided
44.15 in section 357.22 and the Minnesota Rules of Civil Procedure.

44.16 (b) An individual or entity served with a subpoena may petition the children, youth, and
44.17 families judge in writing to vacate or modify a subpoena. The children, youth, and families
44.18 judge shall resolve such a petition in a prehearing conference involving all parties and shall
44.19 make a written decision. A subpoena may be vacated or modified if the children, youth,
44.20 and families judge determines that the testimony or evidence sought does not relate with
44.21 reasonable directness to the issues of the fair hearing appeal; that the subpoena is
44.22 unreasonable, over broad, or oppressive; that the evidence sought is repetitious or cumulative;
44.23 or that the subpoena has not been served reasonably in advance of the time when the appeal
44.24 hearing will be held.

44.25 Subd. 9. **No ex parte contact.** The children, youth, and families judge shall not have ex
44.26 parte contact on substantive issues with the agency or with any person or witness in a fair
44.27 hearing appeal. No employee of the department or agency shall review, interfere with,
44.28 change, or attempt to influence the recommended decision of the children, youth, and
44.29 families judge in any fair hearing appeal, except through the procedure allowed in subdivision
44.30 18. The limitations in this subdivision do not affect the commissioner's authority to review
44.31 or reconsider decisions or make final decisions.

44.32 Subd. 10. **Telephone or face-to-face hearing.** A fair hearing appeal may be conducted
44.33 by telephone, by other electronic media, or by an in-person, face-to-face hearing. At the
44.34 request of the person involved in a fair hearing appeal or their representative, a face-to-face

45.1 hearing shall be conducted with all participants personally present before the children, youth,
45.2 and families judge.

45.3 Subd. 11. **Hearing facilities and equipment.** The children, youth, and families judge
45.4 shall conduct the hearing in the county where the person involved resides, unless an alternate
45.5 location is mutually agreed upon before the hearing, or unless the person has agreed to a
45.6 hearing by telephone. Hearings under section 142A.20, subdivision 2, paragraph (a), clauses
45.7 (4) and (5), must be conducted in the county where the determination was made, unless an
45.8 alternate location is mutually agreed upon before the hearing. The hearing room shall be of
45.9 sufficient size and layout to adequately accommodate both the number of individuals
45.10 participating in the hearing and any identified special needs of any individual participating
45.11 in the hearing. The children, youth, and families judge shall ensure that all communication
45.12 and recording equipment that is necessary to conduct the hearing and to create an adequate
45.13 record is present and functioning properly. If any necessary communication or recording
45.14 equipment fails or ceases to operate effectively, the children, youth, and families judge shall
45.15 take any steps necessary, including stopping or adjourning the hearing, until the necessary
45.16 equipment is present and functioning properly. All reasonable efforts shall be undertaken
45.17 to prevent and avoid any delay in the hearing process caused by defective communication
45.18 or recording equipment.

45.19 Subd. 12. **Interpreter and translation services.** The children, youth, and families judge
45.20 has a duty to inquire and to determine whether any participant in the hearing needs the
45.21 services of an interpreter or translator in order to participate in or to understand the hearing
45.22 process. Necessary interpreter or translation services must be provided at no charge to the
45.23 person involved in the hearing. If it appears that interpreter or translation services are needed
45.24 but are not available for the scheduled hearing, the children, youth, and families judge shall
45.25 continue or postpone the hearing until appropriate services can be provided.

45.26 Subd. 13. **Failure to appear; good cause.** If a person involved in a fair hearing appeal
45.27 fails to appear at the hearing, the children, youth, and families judge may dismiss the appeal.
45.28 The children, youth, and families judge may reopen the appeal if within ten working days
45.29 after the date of the dismissal the person files information in writing with the children, youth,
45.30 and families judge to show good cause for not appearing. Good cause can be shown when
45.31 there is:

45.32 (1) a death or serious illness in the person's family;

45.33 (2) a personal injury or illness that reasonably prevents the person from attending the
45.34 hearing;

46.1 (3) an emergency, crisis, or unforeseen event that reasonably prevents the person from
46.2 attending the hearing;

46.3 (4) an obligation or responsibility of the person that a reasonable person, in the conduct
46.4 of one's affairs, could reasonably determine takes precedence over attending the hearing;

46.5 (5) lack of or failure to receive timely notice of the hearing in the preferred language of
46.6 the person involved in the hearing; and

46.7 (6) excusable neglect, excusable inadvertence, excusable mistake, or other good cause
46.8 as determined by the children, youth, and families judge.

46.9 Subd. 14. **Commencement of hearing.** The children, youth, and families judge shall
46.10 begin each hearing by describing the process to be followed in the hearing, including the
46.11 swearing in of witnesses, how testimony and evidence are presented, the order of examining
46.12 and cross-examining witnesses, and the opportunity for an opening statement and a closing
46.13 statement. The children, youth, and families judge shall identify for the participants the
46.14 issues to be addressed at the hearing and shall explain to the participants the burden of proof
46.15 that applies to the person involved and the agency. The children, youth, and families judge
46.16 shall confirm, prior to proceeding with the hearing, that the state agency appeal summary,
46.17 if required under subdivision 3, has been properly completed and provided to the person
46.18 involved in the hearing, and that the person has been provided documents and an opportunity
46.19 to review the case file, as provided in this section.

46.20 Subd. 15. **Conduct of the hearing.** The children, youth, and families judge shall act in
46.21 a fair and impartial manner at all times. At the beginning of the hearing the agency must
46.22 designate one person as their representative who shall be responsible for presenting the
46.23 agency's evidence and questioning any witnesses. The children, youth, and families judge
46.24 shall make sure that the person and the agency are provided sufficient time to present
46.25 testimony and evidence, to confront and cross-examine all adverse witnesses, and to make
46.26 any relevant statement at the hearing. The children, youth, and families judge shall make
46.27 reasonable efforts to explain the hearing process to persons who are not represented and
46.28 shall ensure that the hearing is conducted fairly and efficiently. Upon the reasonable request
46.29 of the person or the agency involved, the children, youth, and families judge may direct
46.30 witnesses to remain outside the hearing room, except during their individual testimony. The
46.31 children, youth, and families judge shall not terminate the hearing before affording the
46.32 person and the agency a complete opportunity to submit all admissible evidence and
46.33 reasonable opportunity for oral or written statement. If a hearing lasts longer than anticipated,
46.34 the hearing shall be rescheduled or continued from day-to-day until completion. Hearings

47.1 that have been continued shall be timely scheduled to minimize delay in the disposition of
47.2 the appeal.

47.3 Subd. 16. **Scope of issues addressed at the hearing.** The hearing shall address the
47.4 correctness and legality of the agency's action and shall not be limited simply to a review
47.5 of the propriety of the agency's action. The person involved may raise and present evidence
47.6 on all legal claims or defenses arising under state or federal law as a basis for appealing or
47.7 disputing an agency action but not constitutional claims beyond the jurisdiction of the fair
47.8 hearing. The children, youth, and families judge may take official notice of adjudicative
47.9 facts.

47.10 Subd. 17. **Burden of persuasion.** The burden of persuasion is governed by specific state
47.11 or federal law and regulations that apply to the subject of the hearing. If there is no specific
47.12 law, then the participant in the hearing who asserts the truth of a claim is under the burden
47.13 to persuade the children, youth, and families judge that the claim is true.

47.14 Subd. 18. **Inviting comment by department.** The children, youth, and families judge
47.15 or the commissioner may determine that a written comment by the department about the
47.16 policy implications of a specific legal issue could help resolve a pending appeal. Such a
47.17 written policy comment from the department shall be obtained only by a written request
47.18 that is also sent to the person involved and to the agency or its representative. When such
47.19 a written comment is received, both the person involved in the hearing and the agency shall
47.20 have adequate opportunity to review, evaluate, and respond to the written comment, including
47.21 submission of additional testimony or evidence, and cross-examination concerning the
47.22 written comment.

47.23 Subd. 19. **Developing the record.** The children, youth, and families judge shall accept
47.24 all evidence, except evidence privileged by law, that is commonly accepted by reasonable
47.25 people in the conduct of their affairs as having probative value on the issues to be addressed
47.26 at the hearing. Except in fair hearings and appeals under section 142A.20, subdivision 2,
47.27 paragraph (a), clauses (4) and (5), in cases involving medical issues such as a diagnosis, a
47.28 physician's report, or a review team's decision, the children, youth, and families judge shall
47.29 consider whether it is necessary to have a medical assessment other than that of the individual
47.30 making the original decision. When necessary, the children, youth, and families judge shall
47.31 require an additional assessment be obtained at agency expense and made part of the hearing
47.32 record. The children, youth, and families judge shall ensure for all cases that the record is
47.33 sufficiently complete to make a fair and accurate decision.

48.1 Subd. 20. **Unrepresented persons.** In cases involving unrepresented persons, the children,
48.2 youth, and families judge shall take appropriate steps to identify and develop in the hearing
48.3 relevant facts necessary for making an informed and fair decision. These steps may include,
48.4 but are not limited to, asking questions of witnesses and referring the person to a legal
48.5 services office. An unrepresented person shall be provided an adequate opportunity to
48.6 respond to testimony or other evidence presented by the agency at the hearing. The children,
48.7 youth, and families judge shall ensure that an unrepresented person has a full and reasonable
48.8 opportunity at the hearing to establish a record for appeal.

48.9 Subd. 21. **Closing of the record.** The agency must present its evidence prior to or at the
48.10 hearing. The agency shall not be permitted to submit evidence after the hearing except by
48.11 agreement at the hearing between the person involved, the agency, and the children, youth,
48.12 and families judge. If evidence is submitted after the hearing, based on such an agreement,
48.13 the person involved and the agency must be allowed sufficient opportunity to respond to
48.14 the evidence. When necessary, the record shall remain open to permit a person to submit
48.15 additional evidence on the issues presented at the hearing.

48.16 Subd. 22. **Decisions.** (a) A timely, written decision must be issued in every appeal. Each
48.17 decision must contain a clear ruling on the issues presented in the appeal hearing and should
48.18 contain a ruling only on questions directly presented by the appeal and the arguments raised
48.19 in the appeal.

48.20 (b) A written decision must be issued within 90 days of the date the person involved
48.21 requested the appeal unless a shorter time is required by law. An additional 30 days is
48.22 provided in those cases where the commissioner refuses to accept the recommended decision.
48.23 In appeals of maltreatment determinations or disqualifications filed pursuant to section
48.24 142A.20, subdivision 2, paragraph (a), clause (4) or (5), that also give rise to possible
48.25 licensing actions, the 90-day period for issuing final decisions does not begin until the later
48.26 of the date that the licensing authority provides notice to the appeals division that the
48.27 authority has made the final determination in the matter or the date the appellant files the
48.28 last appeal in the consolidated matters.

48.29 (c) The decision must contain both findings of fact and conclusions of law, clearly
48.30 separated and identified. The findings of fact must be based on the entire record. Each
48.31 finding of fact made by the children, youth, and families judge shall be supported by a
48.32 preponderance of the evidence unless a different standard is required under the regulations
48.33 of a particular program. The "preponderance of the evidence" means, in light of the record
48.34 as a whole, the evidence leads the children, youth, and families judge to believe that the
48.35 finding of fact is more likely to be true than not true. The legal claims or arguments of a

49.1 participant do not constitute either a finding of fact or a conclusion of law, except to the
49.2 extent the children, youth, and families judge adopts an argument as a finding of fact or
49.3 conclusion of law.

49.4 (d) The decision shall contain at least the following:

49.5 (1) a listing of the date and place of the hearing and the participants at the hearing;

49.6 (2) a clear and precise statement of the issues, including the dispute under consideration
49.7 and the specific points that must be resolved in order to decide the case;

49.8 (3) a listing of the material, including exhibits, records, reports, placed into evidence at
49.9 the hearing, and upon which the hearing decision is based;

49.10 (4) the findings of fact based upon the entire hearing record. The findings of fact must
49.11 be adequate to inform the participants and any interested person in the public of the basis
49.12 of the decision. If the evidence is in conflict on an issue that must be resolved, the findings
49.13 of fact must state the reasoning used in resolving the conflict;

49.14 (5) conclusions of law that address the legal authority for the hearing and the ruling and
49.15 give appropriate attention to the claims of the participants to the hearing;

49.16 (6) a clear and precise statement of the decision made resolving the dispute under
49.17 consideration in the hearing; and

49.18 (7) written notice of the right to appeal to district court or to request reconsideration,
49.19 and of the actions required and the time limits for taking appropriate action to appeal to
49.20 district court or to request a reconsideration.

49.21 (e) The children, youth, and families judge shall not independently investigate facts or
49.22 otherwise rely on information not presented at the hearing. The children, youth, and families
49.23 judge may not contact other agency personnel, except as provided in subdivision 18. The
49.24 children, youth, and families judge's recommended decision must be based exclusively on
49.25 the testimony and evidence presented at the hearing, and legal arguments presented, and
49.26 the children, youth, and families judge's research and knowledge of the law.

49.27 (f) The commissioner will review the recommended decision and accept or refuse to
49.28 accept the decision according to section 142A.20, subdivision 5.

49.29 Subd. 23. **Refusal to accept recommended orders.** (a) If the commissioner refuses to
49.30 accept the recommended order from the children, youth, and families judge, the person
49.31 involved, the person's attorney or authorized representative, and the agency shall be sent a

50.1 copy of the recommended order, a detailed explanation of the basis for refusing to accept
50.2 the recommended order, and the proposed modified order.

50.3 (b) The person involved and the agency shall have at least ten business days to respond
50.4 to the proposed modification of the recommended order. The person involved and the agency
50.5 may submit a legal argument concerning the proposed modification, and may propose to
50.6 submit additional evidence that relates to the proposed modified order.

50.7 Subd. 24. **Reconsideration.** (a) Reconsideration may be requested within 30 days of
50.8 the date of the commissioner's final order. If reconsideration is requested under section
50.9 142A.20, subdivision 5, the other participants in the appeal shall be informed of the request.
50.10 The person seeking reconsideration has the burden to demonstrate why the matter should
50.11 be reconsidered. The request for reconsideration may include legal argument and may
50.12 include proposed additional evidence supporting the request. The other participants shall
50.13 be sent a copy of all material submitted in support of the request for reconsideration and
50.14 must be given ten days to respond.

50.15 (b) When the requesting party raises a question as to the appropriateness of the findings
50.16 of fact, the commissioner shall review the entire record.

50.17 (c) When the requesting party questions the appropriateness of a conclusion of law, the
50.18 commissioner shall consider the recommended decision, the decision under reconsideration,
50.19 and the material submitted in connection with the reconsideration. The commissioner shall
50.20 review the remaining record as necessary to issue a reconsidered decision.

50.21 (d) The commissioner shall issue a written decision on reconsideration in a timely fashion.
50.22 The decision must clearly inform the parties that this constitutes the final administrative
50.23 decision, advise the participants of the right to seek judicial review, and the deadline for
50.24 doing so.

50.25 Subd. 25. **Access to appeal decisions.** Appeal decisions must be maintained in a manner
50.26 so that the public has ready access to previous decisions on particular topics, subject to
50.27 appropriate procedures for safeguarding names, personal identifying information, and other
50.28 private data on the individual persons involved in the appeal.

50.29 Sec. 40. **[142A.22] OVERPAYMENTS BECOME JUDGMENTS BY OPERATION**
50.30 **OF LAW.**

50.31 Subdivision 1. **Qualifying overpayment.** Any overpayment for assistance granted under
50.32 chapters 142E and 142G and the Supplemental Nutrition Assistance Program (SNAP),
50.33 except agency error claims, become a judgment by operation of law 90 days after the notice

51.1 of overpayment is personally served upon the recipient in a manner that is sufficient under
51.2 rule 4.03(a) of the Rules of Civil Procedure for district courts, or by certified mail, return
51.3 receipt requested. This judgment shall be entitled to full faith and credit in this and any
51.4 other state.

51.5 Subd. 2. **Overpayments included.** This section is limited to overpayments for which
51.6 notification is issued within the time period specified under section 541.05.

51.7 Subd. 3. **Notification requirements.** A judgment is only obtained after:

51.8 (1) a notice of overpayment has been personally served on the recipient or former recipient
51.9 in a manner sufficient under rule 4.03(a) of the Rules of Civil Procedure for district courts,
51.10 or mailed to the recipient or former recipient certified mail return receipt requested; and

51.11 (2) the time period under section 142A.20, subdivision 3, has elapsed without a request
51.12 for a hearing, or a hearing decision has been rendered under section 142A.20 or 142A.27
51.13 that concludes the existence of an overpayment that meets the requirements of this section.

51.14 Subd. 4. **Notice of overpayment.** The notice of overpayment shall include the amount
51.15 and cause of the overpayment, appeal rights, and an explanation of the consequences of the
51.16 judgment that will be established if an appeal is not filed timely or if the administrative
51.17 hearing decision establishes that there is an overpayment that qualifies for judgment.

51.18 Subd. 5. **Judgments entered and docketed.** A judgment shall be entered and docketed
51.19 under section 548.09 only after at least three months have elapsed since:

51.20 (1) the notice of overpayment was served on the recipient pursuant to subdivision 3; and

51.21 (2) the last time a monthly recoupment was applied to the overpayment.

51.22 Subd. 6. **Docketing of overpayments.** On or after the date an unpaid overpayment
51.23 becomes a judgment by operation of law under subdivision 1, the agency or public authority
51.24 may file with the court administrator:

51.25 (1) a statement identifying, or a copy of, the overpayment notice that provides for an
51.26 appeal process and requires payment of the overpayment;

51.27 (2) proof of service of the notice of overpayment;

51.28 (3) an affidavit of default, stating the full name, occupation, place of residence, and last
51.29 known post office address of the debtor; the name and post office address of the agency or
51.30 public authority; the date or dates the overpayment was incurred; the program that was
51.31 overpaid; and the total amount of the judgment; and

52.1 (4) an affidavit of service of a notice of entry of judgment shall be made by first class
 52.2 mail at the address where the debtor was served with the notice of overpayment. Service is
 52.3 completed upon mailing in the manner designated.

52.4 Subd. 7. **Administrative renewal of overpayment judgments.** Overpayment judgments
 52.5 may be renewed by service of notice upon the debtor. Service must be by first class mail at
 52.6 the last known address of the debtor, with service deemed complete upon mailing in that
 52.7 manner designated, or in the manner provided for the service of civil process. Upon filing
 52.8 of the notice and proof of service, the court administrator shall administratively renew the
 52.9 judgment for the overpayment without any additional filing fee in the same court file as the
 52.10 original overpayment judgment. The judgment must be renewed in an amount equal to the
 52.11 unpaid principal plus the accrued unpaid interest. Overpayment judgments may be renewed
 52.12 multiple times until satisfied.

52.13 Subd. 8. **Does not impede other methods.** Nothing in this section shall be construed
 52.14 to impede or restrict alternative recovery methods for these overpayments or overpayments
 52.15 that do not meet the requirements of this section.

52.16 Sec. 41. **[142A.25] WRONGFULLY OBTAINING ASSISTANCE;**
 52.17 **DISQUALIFICATION.**

52.18 Section 256.98 applies to:

52.19 (1) all applicants for and recipients of benefits administered by the commissioner; and

52.20 (2) child care providers receiving child care assistance under chapter 142E.

52.21 Sec. 42. **[142A.26] FRAUD PREVENTION PROGRAM.**

52.22 (a) The commissioner of children, youth, and families shall work with the commissioner
 52.23 of human services to oversee and administer the fraud prevention program in sections
 52.24 256.981 to 256.9861.

52.25 (b) All recipients of benefits administered by the commissioner of children, youth, and
 52.26 families are subject to the requirements of sections 256.981 to 256.9861 and 256.9866.

52.27 Sec. 43. **[142A.27] ADMINISTRATIVE FRAUD DISQUALIFICATION HEARINGS.**

52.28 Subdivision 1. **Hearing authority.** A local agency must initiate an administrative fraud
 52.29 disqualification hearing for individuals accused of wrongfully obtaining assistance or
 52.30 intentional program violations, in lieu of a criminal action when it has not been pursued, in
 52.31 the Minnesota family investment program and any affiliated program to include the

53.1 diversionary work program and the work participation cash benefit program, child care
53.2 assistance programs, and the Supplemental Nutrition Assistance Program (SNAP). The
53.3 Department of Children, Youth, and Families, in lieu of a local agency, may initiate an
53.4 administrative fraud disqualification hearing when the state agency is directly responsible
53.5 for administration or investigation of the program for which benefits were wrongfully
53.6 obtained. The hearing is subject to the requirements of sections 142A.20 and 142A.21 and
53.7 the requirements in Code of Federal Regulations, title 7, section 273.16.

53.8 Subd. 2. **Combined hearing.** The children, youth, and families judge may combine a
53.9 fair hearing under section 142A.20 and administrative fraud disqualification hearing under
53.10 this section into a single hearing if the factual issues arise out of the same, or related,
53.11 circumstances and the individual receives prior notice that the hearings will be combined.
53.12 If the administrative fraud disqualification hearing and fair hearing are combined, the time
53.13 frames for administrative fraud disqualification hearings specified in Code of Federal
53.14 Regulations, title 7, section 273.16, apply. If the individual accused of wrongfully obtaining
53.15 assistance is charged under section 142A.25 or 256.98 for the same act or acts that are the
53.16 subject of the hearing, the individual may request that the hearing be delayed until the
53.17 criminal charge is decided by the court or withdrawn.

53.18 (b) A human services judge may combine a fair hearing and administrative fraud
53.19 disqualification hearing pursuant to section 142A.27, subdivision 2, or 256.046, subdivision
53.20 2, if either is under the jurisdiction of the commissioner of human services or the
53.21 commissioner of children, youth, and families.

53.22 **Sec. 44. [142A.28] RECOVERY OF MONEY; APPORTIONMENT.**

53.23 Subdivision 1. **Retention rates.** (a) When an assistance recovery amount is collected
53.24 and posted by a county agency under the provisions governing public assistance programs,
53.25 the county may keep one-half of the recovery made by the county agency using any method
53.26 other than recoupment.

53.27 (b) This section does not apply to recoveries by the attorney general's office or child
53.28 support collections. In the Supplemental Nutrition Assistance Program (SNAP), the
53.29 nonfederal share of recoveries in the federal tax offset program only will be divided equally
53.30 between the state agency and the involved county agency.

53.31 Subd. 2. **Retention rates for AFDC and MFIP.** (a) When an assistance recovery amount
53.32 is collected and posted by a county agency under the provisions governing the aid to families
53.33 with dependent children program formerly codified in 1996 in sections 256.72 to 256.87

54.1 or MFIP under chapter 142G, the commissioner shall reimburse the county agency from
54.2 the proceeds of the recovery using the applicable rate specified in paragraph (b) or (c).

54.3 (b) For recoveries of overpayments made on or before September 30, 1996, from the
54.4 aid to families with dependent children program including the emergency assistance program,
54.5 the commissioner shall reimburse the county agency at a rate of one-quarter of the recovery
54.6 made by any method other than recoupment.

54.7 (c) For recoveries of overpayments made after September 30, 1996, from the aid to
54.8 families with dependent children including the emergency assistance program and programs
54.9 funded in whole or in part by the temporary assistance to needy families program under
54.10 section 142G.03, subdivision 2, and recoveries of nonfederally funded food assistance under
54.11 section 142G.11, the commissioner shall reimburse the county agency at a rate of one-quarter
54.12 of the recovery made by any method other than recoupment.

54.13 Sec. 45. Minnesota Statutes 2022, section 245.814, subdivision 5, is amended to read:

54.14 Subd. 5. **Foster care parent liability insurance.** The commissioner of children, youth,
54.15 and families may use federal reimbursement money earned on an expenditure for foster
54.16 care parent liability insurance premiums to offset the costs of the premiums. The
54.17 commissioner of children, youth, and families and human services will work with the
54.18 insurance provider to transition coverage and responsibility as appropriate while avoiding
54.19 a lapse in coverage.

54.20 Sec. 46. Minnesota Statutes 2022, section 256.01, subdivision 1, is amended to read:

54.21 Subdivision 1. **Powers transferred.** All the powers and duties now vested in or imposed
54.22 upon the State Board of Control by the laws of this state or by any law of the United States
54.23 are hereby transferred to, vested in, and imposed upon the commissioner of human services,
54.24 except the powers and duties otherwise specifically transferred by Laws 1939, chapter 431,
54.25 to other agencies. The commissioner of human services is hereby constituted the "state
54.26 agency" as defined by the Social Security Act of the United States and the laws of this state,
54.27 except for the purposes of Title IV of the Social Security Act.

54.28 Sec. 47. Minnesota Statutes 2022, section 256.01, subdivision 2, is amended to read:

54.29 Subd. 2. **Specific powers.** Subject to the provisions of section 241.021, subdivision 2,
54.30 the commissioner of human services shall carry out the specific duties in paragraphs (a)
54.31 through (bb):

55.1 (a) Administer and supervise ~~all~~ the forms of public assistance provided for by state law
55.2 and other welfare activities or services ~~as~~ that are vested in the commissioner. Administration
55.3 and supervision of human services activities or services includes, but is not limited to,
55.4 assuring timely and accurate distribution of benefits, completeness of service, and quality
55.5 program management. In addition to administering and supervising human services activities
55.6 vested by law in the department, the commissioner shall have the authority to:

55.8 promote compliance with statutes, rules, federal laws, regulations, and policies governing
55.9 human services;

55.10 (2) monitor, on an ongoing basis, the performance of county agencies in the operation
55.11 and administration of human services, enforce compliance with statutes, rules, federal laws,
55.12 regulations, and policies governing welfare services and promote excellence of administration
55.13 and program operation;

55.14 (3) develop a quality control program or other monitoring program to review county
55.15 performance and accuracy of benefit determinations;

55.16 (4) require county agencies to make an adjustment to the public assistance benefits issued
55.17 to any individual consistent with federal law and regulation and state law and rule and to
55.18 issue or recover benefits as appropriate;

55.19 (5) delay or deny payment of all or part of the state and federal share of benefits and
55.20 administrative reimbursement according to the procedures set forth in section 256.017;

55.21 (6) make contracts with and grants to public and private agencies and organizations,
55.22 both profit and nonprofit, and individuals, using appropriated funds; and

55.23 (7) enter into contractual agreements with federally recognized Indian Tribes with a
55.24 reservation in Minnesota to the extent necessary for the Tribe to operate a federally approved
55.25 family assistance program or any other program under the supervision of the commissioner.
55.26 The commissioner shall consult with the affected county or counties in the contractual
55.27 agreement negotiations, if the county or counties wish to be included, in order to avoid the
55.28 duplication of county and Tribal assistance program services. The commissioner may
55.29 establish necessary accounts for the purposes of receiving and disbursing funds as necessary
55.30 for the operation of the programs.

55.31 The commissioner shall work in conjunction with the commissioner of children, youth, and
55.32 families to carry out the duties of this paragraph when necessary and feasible.

56.1 (b) Inform county agencies, on a timely basis, of changes in statute, rule, federal law,
56.2 regulation, and policy necessary to county agency administration of the programs.

56.3 ~~(c) Administer and supervise all child welfare activities; promote the enforcement of~~
56.4 ~~laws protecting children with a disability and children who are dependent, neglected, or~~
56.5 ~~delinquent, and children born to mothers who were not married to the children's fathers at~~
56.6 ~~the times of the conception nor at the births of the children; license and supervise child-caring~~
56.7 ~~and child-placing agencies and institutions; supervise the care of children in boarding and~~
56.8 ~~foster homes or in private institutions; and generally perform all functions relating to the~~
56.9 ~~field of child welfare now vested in the State Board of Control.~~

56.10 ~~(d)~~ (c) Administer and supervise all noninstitutional service to persons with disabilities,
56.11 including persons who have vision impairments, and persons who are deaf, deafblind, and
56.12 hard-of-hearing or with other disabilities. The commissioner may provide and contract for
56.13 the care and treatment of qualified indigent children in facilities other than those located
56.14 and available at state hospitals when it is not feasible to provide the service in state hospitals.

56.15 ~~(e)~~ (d) Assist and actively cooperate with other departments, agencies and institutions,
56.16 local, state, and federal, by performing services in conformity with the purposes of Laws
56.17 1939, chapter 431.

56.18 ~~(f)~~ (e) Act as the agent of and cooperate with the federal government in matters of mutual
56.19 concern relative to and in conformity with the provisions of Laws 1939, chapter 431,
56.20 including the administration of any federal funds granted to the state to aid in the performance
56.21 of any functions of the commissioner as specified in Laws 1939, chapter 431, and including
56.22 the promulgation of rules making uniformly available medical care benefits to all recipients
56.23 of public assistance, at such times as the federal government increases its participation in
56.24 assistance expenditures for medical care to recipients of public assistance, the cost thereof
56.25 to be borne in the same proportion as are grants of aid to said recipients.

56.26 ~~(g)~~ (f) Establish and maintain any administrative units reasonably necessary for the
56.27 performance of administrative functions common to all divisions of the department.

56.28 ~~(h)~~ (g) Act as designated guardian of both the estate and the person of all the wards of
56.29 the state of Minnesota, whether by operation of law or by an order of court, without any
56.30 further act or proceeding whatever, except as to persons committed as developmentally
56.31 disabled. ~~For children under the guardianship of the commissioner or a Tribe in Minnesota~~
56.32 ~~recognized by the Secretary of the Interior whose interests would be best served by adoptive~~
56.33 ~~placement, the commissioner may contract with a licensed child-placing agency or a~~
56.34 ~~Minnesota Tribal social services agency to provide adoption services. A contract with a~~

57.1 ~~licensed child-placing agency must be designed to supplement existing county efforts and~~
 57.2 ~~may not replace existing county programs or Tribal social services, unless the replacement~~
 57.3 ~~is agreed to by the county board and the appropriate exclusive bargaining representative,~~
 57.4 ~~Tribal governing body, or the commissioner has evidence that child placements of the county~~
 57.5 ~~continue to be substantially below that of other counties. Funds encumbered and obligated~~
 57.6 ~~under an agreement for a specific child shall remain available until the terms of the agreement~~
 57.7 ~~are fulfilled or the agreement is terminated.~~

57.8 ~~(h)~~ (h) Act as coordinating referral and informational center on requests for service for
 57.9 newly arrived immigrants coming to Minnesota.

57.10 ~~(i)~~ (i) The specific enumeration of powers and duties as hereinabove set forth shall in
 57.11 no way be construed to be a limitation upon the general transfer of powers herein contained.

57.12 ~~(j)~~ (j) Establish county, regional, or statewide schedules of maximum fees and charges
 57.13 which may be paid by county agencies for medical, dental, surgical, hospital, nursing and
 57.14 nursing home care and medicine and medical supplies under all programs of medical care
 57.15 provided by the state and for congregate living care under the income maintenance programs.

57.16 ~~(k)~~ (k) Have the authority to conduct and administer experimental projects to test methods
 57.17 and procedures of administering assistance and services to recipients or potential recipients
 57.18 of public welfare. To carry out such experimental projects, it is further provided that the
 57.19 commissioner of human services is authorized to waive the enforcement of existing specific
 57.20 statutory program requirements, rules, and standards in one or more counties. The order
 57.21 establishing the waiver shall provide alternative methods and procedures of administration,
 57.22 shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and
 57.23 in no event shall the duration of a project exceed four years. It is further provided that no
 57.24 order establishing an experimental project as authorized by the provisions of this section
 57.25 shall become effective until the following conditions have been met:

57.26 (1) ~~the secretary of health and human services of the United States~~ Secretary of Health
 57.27 and Human Services has agreed, for the same project, to waive state plan requirements
 57.28 relative to statewide uniformity; and

57.29 (2) a comprehensive plan, including estimated project costs, shall be approved by the
 57.30 Legislative Advisory Commission and filed with the commissioner of administration.

57.31 ~~(l)~~ (l) According to federal requirements and in coordination with the commissioner
 57.32 of children, youth, and families, establish procedures to be followed by local welfare boards
 57.33 in creating citizen advisory committees, including procedures for selection of committee
 57.34 members.

58.1 ~~(n)~~ (m) Allocate federal fiscal disallowances or sanctions which are based on quality
58.2 control error rates for ~~the aid to families with dependent children program formerly codified~~
58.3 ~~in sections 256.72 to 256.87, medical assistance, or the Supplemental Nutrition Assistance~~
58.4 ~~Program (SNAP)~~ in the following manner:

58.5 (1) one-half of the total amount of the disallowance shall be borne by the county boards
58.6 responsible for administering the programs. ~~For the medical assistance and the AFDC~~
58.7 ~~program formerly codified in sections 256.72 to 256.87, Disallowances shall be shared by~~
58.8 each county board in the same proportion as that county's expenditures for the sanctioned
58.9 program are to the total of all counties' expenditures for ~~the AFDC program formerly codified~~
58.10 ~~in sections 256.72 to 256.87, and medical assistance programs. For SNAP, sanctions shall~~
58.11 ~~be shared by each county board, with 50 percent of the sanction being distributed to each~~
58.12 ~~county in the same proportion as that county's administrative costs for SNAP benefits are~~
58.13 ~~to the total of all SNAP administrative costs for all counties, and 50 percent of the sanctions~~
58.14 ~~being distributed to each county in the same proportion as that county's value of SNAP~~
58.15 ~~benefits issued are to the total of all benefits issued for all counties. Each county shall pay~~
58.16 its share of the disallowance to the state of Minnesota. When a county fails to pay the amount
58.17 due hereunder, the commissioner may deduct the amount from reimbursement otherwise
58.18 due the county, or the attorney general, upon the request of the commissioner, may institute
58.19 civil action to recover the amount due; and

58.20 (2) notwithstanding the provisions of clause (1), if the disallowance results from knowing
58.21 noncompliance by one or more counties with a specific program instruction, and that knowing
58.22 noncompliance is a matter of official county board record, the commissioner may require
58.23 payment or recover from the county or counties, in the manner prescribed in clause (1), an
58.24 amount equal to the portion of the total disallowance which resulted from the noncompliance,
58.25 and may distribute the balance of the disallowance according to clause (1).

58.26 ~~(o)~~ (n) Develop and implement special projects that maximize reimbursements and result
58.27 in the recovery of money to the state. For the purpose of recovering state money, the
58.28 commissioner may enter into contracts with third parties. Any recoveries that result from
58.29 projects or contracts entered into under this paragraph shall be deposited in the state treasury
58.30 and credited to a special account until the balance in the account reaches \$1,000,000. When
58.31 the balance in the account exceeds \$1,000,000, the excess shall be transferred and credited
58.32 to the general fund. All money in the account is appropriated to the commissioner for the
58.33 purposes of this paragraph.

58.34 ~~(p)~~ (o) Have the authority to establish and enforce the following county reporting
58.35 requirements:

59.1 (1) the commissioner shall establish fiscal and statistical reporting requirements necessary
59.2 to account for the expenditure of funds allocated to counties for human services programs.
59.3 When establishing financial and statistical reporting requirements, the commissioner shall
59.4 evaluate all reports, in consultation with the counties, to determine if the reports can be
59.5 simplified or the number of reports can be reduced;

59.6 (2) the county board shall submit monthly or quarterly reports to the department as
59.7 required by the commissioner. Monthly reports are due no later than 15 working days after
59.8 the end of the month. Quarterly reports are due no later than 30 calendar days after the end
59.9 of the quarter, unless the commissioner determines that the deadline must be shortened to
59.10 20 calendar days to avoid jeopardizing compliance with federal deadlines or risking a loss
59.11 of federal funding. Only reports that are complete, legible, and in the required format shall
59.12 be accepted by the commissioner;

59.13 (3) if the required reports are not received by the deadlines established in clause (2), the
59.14 commissioner may delay payments and withhold funds from the county board until the next
59.15 reporting period. When the report is needed to account for the use of federal funds and the
59.16 late report results in a reduction in federal funding, the commissioner shall withhold from
59.17 the county boards with late reports an amount equal to the reduction in federal funding until
59.18 full federal funding is received;

59.19 (4) a county board that submits reports that are late, illegible, incomplete, or not in the
59.20 required format for two out of three consecutive reporting periods is considered
59.21 noncompliant. When a county board is found to be noncompliant, the commissioner shall
59.22 notify the county board of the reason the county board is considered noncompliant and
59.23 request that the county board develop a corrective action plan stating how the county board
59.24 plans to correct the problem. The corrective action plan must be submitted to the
59.25 commissioner within 45 days after the date the county board received notice of
59.26 noncompliance;

59.27 (5) the final deadline for fiscal reports or amendments to fiscal reports is one year after
59.28 the date the report was originally due. If the commissioner does not receive a report by the
59.29 final deadline, the county board forfeits the funding associated with the report for that
59.30 reporting period and the county board must repay any funds associated with the report
59.31 received for that reporting period;

59.32 (6) the commissioner may not delay payments, withhold funds, or require repayment
59.33 under clause (3) or (5) if the county demonstrates that the commissioner failed to provide
59.34 appropriate forms, guidelines, and technical assistance to enable the county to comply with

60.1 the requirements. If the county board disagrees with an action taken by the commissioner
60.2 under clause (3) or (5), the county board may appeal the action according to sections 14.57
60.3 to 14.69; and

60.4 (7) counties subject to withholding of funds under clause (3) or forfeiture or repayment
60.5 of funds under clause (5) shall not reduce or withhold benefits or services to clients to cover
60.6 costs incurred due to actions taken by the commissioner under clause (3) or (5).

60.7 ~~(q)~~ (p) Allocate federal fiscal disallowances or sanctions for audit exceptions when
60.8 federal fiscal disallowances or sanctions are based on a statewide random sample in direct
60.9 proportion to each county's claim for that period.

60.10 ~~(r)~~ (q) Be responsible for ensuring the detection, prevention, investigation, and resolution
60.11 of fraudulent activities or behavior by applicants, recipients, and other participants in the
60.12 human services programs administered by the department.

60.13 ~~(s)~~ (r) Require county agencies to identify overpayments, establish claims, and utilize
60.14 all available and cost-beneficial methodologies to collect and recover these overpayments
60.15 in the human services programs administered by the department.

60.16 ~~(t)~~ (s) Have the authority to administer the federal drug rebate program for drugs
60.17 purchased under the medical assistance program as allowed by section 1927 of title XIX of
60.18 the Social Security Act and according to the terms and conditions of section 1927. Rebates
60.19 shall be collected for all drugs that have been dispensed or administered in an outpatient
60.20 setting and that are from manufacturers who have signed a rebate agreement with the United
60.21 States Department of Health and Human Services.

60.22 ~~(u)~~ (t) Have the authority to administer a supplemental drug rebate program for drugs
60.23 purchased under the medical assistance program. The commissioner may enter into
60.24 supplemental rebate contracts with pharmaceutical manufacturers and may require prior
60.25 authorization for drugs that are from manufacturers that have not signed a supplemental
60.26 rebate contract. Prior authorization of drugs shall be subject to the provisions of section
60.27 256B.0625, subdivision 13.

60.28 ~~(v)~~ (u) Operate the department's communication systems account established in Laws
60.29 1993, First Special Session chapter 1, article 1, section 2, subdivision 2, to manage shared
60.30 communication costs necessary for the operation of the programs the commissioner
60.31 supervises. A communications account may also be established for each regional treatment
60.32 center which operates communications systems. Each account must be used to manage
60.33 shared communication costs necessary for the operations of the programs the commissioner
60.34 supervises. The commissioner may distribute the costs of operating and maintaining

61.1 communication systems to participants in a manner that reflects actual usage. Costs may
61.2 include acquisition, licensing, insurance, maintenance, repair, staff time and other costs as
61.3 determined by the commissioner. Nonprofit organizations and state, county, and local
61.4 government agencies involved in the operation of programs the commissioner supervises
61.5 may participate in the use of the department's communications technology and share in the
61.6 cost of operation. The commissioner may accept on behalf of the state any gift, bequest,
61.7 devise or personal property of any kind, or money tendered to the state for any lawful
61.8 purpose pertaining to the communication activities of the department. Any money received
61.9 for this purpose must be deposited in the department's communication systems accounts.
61.10 Money collected by the commissioner for the use of communication systems must be
61.11 deposited in the state communication systems account and is appropriated to the
61.12 commissioner for purposes of this section.

61.13 ~~(w)~~ (v) Receive any federal matching money that is made available through the medical
61.14 assistance program for the consumer satisfaction survey. Any federal money received for
61.15 the survey is appropriated to the commissioner for this purpose. The commissioner may
61.16 expend the federal money received for the consumer satisfaction survey in either year of
61.17 the biennium.

61.18 ~~(x)~~ (w) Designate community information and referral call centers and incorporate cost
61.19 reimbursement claims from the designated community information and referral call centers
61.20 into the federal cost reimbursement claiming processes of the department according to
61.21 federal law, rule, and regulations. Existing information and referral centers provided by
61.22 Greater Twin Cities United Way or existing call centers for which Greater Twin Cities
61.23 United Way has legal authority to represent, shall be included in these designations upon
61.24 review by the commissioner and assurance that these services are accredited and in
61.25 compliance with national standards. Any reimbursement is appropriated to the commissioner
61.26 and all designated information and referral centers shall receive payments according to
61.27 normal department schedules established by the commissioner upon final approval of
61.28 allocation methodologies from the United States Department of Health and Human Services
61.29 Division of Cost Allocation or other appropriate authorities.

61.30 ~~(y)~~ (x) Develop recommended standards for adult foster care homes that address the
61.31 components of specialized therapeutic services to be provided by adult foster care homes
61.32 with those services.

61.33 ~~(z)~~ (y) Authorize the method of payment to or from the department as part of the human
61.34 services programs administered by the department. This authorization includes the receipt

62.1 or disbursement of funds held by the department in a fiduciary capacity as part of the human
62.2 services programs administered by the department.

62.3 ~~(aa)~~ (z) Designate the agencies that operate the Senior LinkAge Line under section
62.4 256.975, subdivision 7, and the Disability Hub under subdivision 24 as the state of Minnesota
62.5 Aging and Disability Resource Center under United States Code, title 42, section 3001, the
62.6 Older Americans Act Amendments of 2006, and incorporate cost reimbursement claims
62.7 from the designated centers into the federal cost reimbursement claiming processes of the
62.8 department according to federal law, rule, and regulations. Any reimbursement must be
62.9 appropriated to the commissioner and treated consistent with section 256.011. All Aging

72.21 in writing of the performance indicators that govern the awarding of the incentive fund for
72.22 each fiscal year by April of the preceding fiscal year.

72.23 The commissioner may set performance indicators to govern the awarding of the total
72.24 fund, may allocate portions of the fund to be awarded by unique indicators, or may set a
72.25 sole indicator to govern the awarding of funds.

72.26 The funds shall be awarded to qualifying county agencies according to their share of
72.27 benefits for the programs related to the performance indicators governing the distribution
72.28 of the fund or part of it as compared to the total benefits of all qualifying county agencies
72.29 for the programs related to the performance indicators governing the distribution of the fund
72.30 or part of it.

73.1 Sec. 64. Minnesota Statutes 2022, section 256.019, subdivision 1, is amended to read:

73.2 Subdivision 1. **Retention rates.** When an assistance recovery amount is collected and
73.3 posted by a county agency under the provisions governing public assistance programs
73.4 including general assistance medical care formerly codified in chapter 256D, general
73.5 assistance, and Minnesota supplemental aid, the county may keep one-half of the recovery
73.6 made by the county agency using any method other than recoupment. For medical assistance,
73.7 if the recovery is made by a county agency using any method other than recoupment, the
73.8 county may keep one-half of the nonfederal share of the recovery. For MinnesotaCare, if
73.9 the recovery is collected and posted by the county agency, the county may keep one-half
73.10 of the nonfederal share of the recovery.

73.11 This does not apply to recoveries from medical providers or to recoveries begun by the
73.12 Department of Human Services' Surveillance and Utilization Review Division, State Hospital
73.13 Collections Unit, and the Benefit Recoveries Division or, by the attorney general's office,
73.14 or child support collections. ~~In the Supplemental Nutrition Assistance Program (SNAP),
73.15 the nonfederal share of recoveries in the federal tax offset program only will be divided
73.16 equally between the state agency and the involved county agency.~~

73.17 Sec. 65. Minnesota Statutes 2022, section 256.019, subdivision 2, is amended to read:

73.18 Subd. 2. **Retention rates for AFDC and MFIP.** (a) When an assistance recovery amount
73.19 is collected and posted by a county agency under the provisions governing ~~the aid to families
73.20 with dependent children program formerly codified in 1996 in sections 256.72 to 256.87~~
73.21 ~~or~~ MFIP under chapter 256J, the commissioner shall reimburse the county agency from the
73.22 proceeds of the recovery using the applicable rate specified in paragraph (b) ~~or (e).~~

73.23 ~~(b) For recoveries of overpayments made on or before September 30, 1996, from the
73.24 aid to families with dependent children program including the emergency assistance program,
73.25 the commissioner shall reimburse the county agency at a rate of one-quarter of the recovery
73.26 made by any method other than recoupment.~~

73.27 ~~(e)~~ (b) For recoveries of overpayments made after September 30, 1996, from the aid to
73.28 families with dependent children including the emergency assistance program and from
73.29 programs funded in whole or in part by the temporary assistance to needy families program
73.30 under section 256J.02, subdivision 2, and recoveries of nonfederally funded food assistance
73.31 under section 256J.11, the commissioner shall reimburse the county agency at a rate of
73.32 one-quarter of the recovery made by any method other than recoupment.

74.1 Sec. 66. Minnesota Statutes 2022, section 256.029, is amended to read:

74.2 **256.029 DOMESTIC VIOLENCE INFORMATIONAL BROCHURE.**

74.3 (a) The commissioner shall provide a domestic violence informational brochure that
74.4 provides information about the existence of domestic violence waivers for eligible public
74.5 assistance applicants to all applicants of general assistance, ~~Minnesota family investment~~
74.6 ~~program~~, medical assistance, and MinnesotaCare. The brochure must explain that eligible
74.7 applicants may be temporarily waived from certain program requirements due to domestic
74.8 violence. The brochure must provide information about services and other programs to help
74.9 victims of domestic violence.

74.10 (b) The brochure must be funded with TANF funds.

74.11 Sec. 67. Minnesota Statutes 2023 Supplement, section 256.045, subdivision 3, is amended
74.12 to read:

74.13 Subd. 3. **State agency hearings.** (a) State agency hearings are available for the following:

74.14 (1) any person:

74.15 (i) applying for, receiving or having received public assistance, medical care, or a program
74.16 of social services ~~granted by the state agency~~ administered by the commissioner or a county
74.17 agency ~~or the federal Food and Nutrition Act~~ on behalf of the commissioner; and

74.18 (ii) whose application for assistance is denied, not acted upon with reasonable promptness,
74.19 or whose assistance is suspended, reduced, terminated, or claimed to have been incorrectly
74.20 paid;

74.21 (2) any patient or relative aggrieved by an order of the commissioner under section
74.22 252.27;

74.23 (3) a party aggrieved by a ruling of a prepaid health plan;

74.24 (4) except as provided under chapter 245C, any individual or facility determined by a
74.25 lead investigative agency to have maltreated a vulnerable adult under section 626.557 after
74.26 they have exercised their right to administrative reconsideration under section 626.557;

74.27 ~~(5) any person whose claim for foster care payment according to a placement of the~~
74.28 ~~child resulting from a child protection assessment under chapter 260E is denied or not acted~~
74.29 ~~upon with reasonable promptness, regardless of funding source;~~

74.30 ~~(6)~~ (5) any person to whom a right of appeal according to this section is given by other
74.31 provision of law;

75.1 ~~(7)~~ (6) an applicant aggrieved by an adverse decision to an application for a hardship
75.2 waiver under section 256B.15;

75.3 ~~(8)~~ (7) an applicant aggrieved by an adverse decision to an application or redetermination
75.4 for a Medicare Part D prescription drug subsidy under section 256B.04, subdivision 4a;

75.5 ~~(9) except as provided under chapter 245A, an individual or facility determined to have~~
75.6 ~~maltreated a minor under chapter 260E, after the individual or facility has exercised the~~
75.7 ~~right to administrative reconsideration under chapter 260E;~~

75.8 ~~(10)~~ (8) except as provided under chapter 245C and except for a subject of a background
75.9 study that the commissioner has conducted on behalf of another agency for a program or
75.10 facility not otherwise overseen by the commissioner, an individual disqualified under sections
75.11 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23,
75.12 on the basis of serious or recurring maltreatment; a preponderance of the evidence that the
75.13 individual has committed an act or acts that meet the definition of any of the crimes listed
75.14 in section 245C.15, subdivisions 1 to 4; or for failing to make reports required under section
75.15 260E.06, subdivision 1, or 626.557, subdivision 3. Hearings regarding a maltreatment
75.16 determination under clause (4) or ~~(9)~~ (8) or section 142A.20, subdivision 3, clause (4), and
75.17 a disqualification under this clause in which the basis for a disqualification is serious or
75.18 recurring maltreatment, shall be consolidated into a single fair hearing. In such cases, the
75.19 scope of review by the human services judge shall include both the maltreatment
75.20 determination and the disqualification. The failure to exercise the right to an administrative
75.21 reconsideration shall not be a bar to a hearing under this section if federal law provides an
75.22 individual the right to a hearing to dispute a finding of maltreatment;

75.23 ~~(11)~~ (9) any person with an outstanding debt resulting from receipt of public assistance,
75.24 administered by the commissioner or medical care, or the federal Food and Nutrition Act
75.25 who is contesting a setoff claim by the Department of Human Services or a county agency.
75.26 The scope of the appeal is the validity of the claimant agency's intention to request a setoff
75.27 of a refund under chapter 270A against the debt;

75.28 ~~(12)~~ (10) a person issued a notice of service termination under section 245D.10,
75.29 subdivision 3a, by a licensed provider of any residential supports or services listed in section
75.30 245D.03, subdivision 1, paragraphs (b) and (c), that is not otherwise subject to appeal under
75.31 subdivision 4a;

75.32 ~~(13)~~ (11) an individual disability waiver recipient based on a denial of a request for a
75.33 rate exception under section 256B.4914;

76.1 ~~(14)~~ (12) a person issued a notice of service termination under section 245A.11,
76.2 subdivision 11, that is not otherwise subject to appeal under subdivision 4a; or

76.3 ~~(15)~~ (13) a recovery community organization seeking medical assistance vendor eligibility
76.4 under section 254B.01, subdivision 8, that is aggrieved by a membership or accreditation
76.5 determination and that believes the organization meets the requirements under section
76.6 254B.05, subdivision 1, paragraph (d), clauses (1) to (10). The scope of the review by the
76.7 human services judge shall be limited to whether the organization meets each of the
76.8 requirements under section 254B.05, subdivision 1, paragraph (d), clauses (1) to (10).

76.9 (b) The hearing for an individual or facility under paragraph (a), clause (4), ~~(9)~~ (8), or
76.10 ~~(10)~~ (9), is the only administrative appeal to the final agency determination specifically,
76.11 including a challenge to the accuracy and completeness of data under section 13.04. Hearings
76.12 requested under paragraph (a), clause (4), apply only to incidents of maltreatment that occur
76.13 on or after October 1, 1995. Hearings requested by nursing assistants in nursing homes
76.14 alleged to have maltreated a resident prior to October 1, 1995, shall be held as a contested
76.15 case proceeding under the provisions of chapter 14. Hearings requested under paragraph
76.16 (a), clause ~~(9)~~ (8), apply only to incidents of maltreatment that occur on or after July 1,
76.17 1997. A hearing for an individual or facility under paragraph (a), ~~clauses (4), (9), and (10)~~
76.18 clause (4), (8), or (9), is only available when there is no district court action pending. If
76.19 such action is filed in district court while an administrative review is pending that arises
76.20 out of some or all of the events or circumstances on which the appeal is based, the
76.21 administrative review must be suspended until the judicial actions are completed. If the
76.22 district court proceedings are completed, dismissed, or overturned, the matter may be
76.23 considered in an administrative hearing.

76.24 (c) For purposes of this section, bargaining unit grievance procedures are not an
76.25 administrative appeal.

76.26 ~~(d) The scope of hearings involving claims to foster care payments under paragraph (a),~~
76.27 ~~clause (5), shall be limited to the issue of whether the county is legally responsible for a~~
76.28 ~~child's placement under court order or voluntary placement agreement and, if so, the correct~~
76.29 ~~amount of foster care payment to be made on the child's behalf and shall not include review~~
76.30 ~~of the propriety of the county's child protection determination or child placement decision.~~

76.31 ~~(e)~~ (d) The scope of hearings under paragraph (a), clauses ~~(12)~~ (11) and ~~(14)~~ (13), shall
76.32 be limited to whether the proposed termination of services is authorized under section
76.33 245D.10, subdivision 3a, paragraph (b), or 245A.11, subdivision 11, and whether the
76.34 requirements of section 245D.10, subdivision 3a, paragraphs (c) to (e), or 245A.11,

77.1 subdivision 2a, paragraphs (d) ~~to (f)~~ and (e), were met. If the appeal includes a request for
77.2 a temporary stay of termination of services, the scope of the hearing shall also include
77.3 whether the case management provider has finalized arrangements for a residential facility,
77.4 a program, or services that will meet the assessed needs of the recipient by the effective
77.5 date of the service termination.

77.6 ~~(f)~~ (e) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor
77.7 under contract with a county agency to provide social services is not a party and may not
77.8 request a hearing under this section, except if assisting a recipient as provided in subdivision
77.9 4.

77.10 ~~(g)~~ (f) An applicant or recipient is not entitled to receive social services beyond the
77.11 services prescribed under chapter 256M or other social services the person is eligible for
77.12 under state law.

77.13 ~~(h)~~ (g) The commissioner may summarily affirm the county or state agency's proposed
77.14 action without a hearing when the sole issue is an automatic change due to a change in state
77.15 or federal law.

77.16 ~~(i)~~ (h) Unless federal or Minnesota law specifies a different time frame in which to file
77.17 an appeal, an individual or organization specified in this section may contest the specified
77.18 action, decision, or final disposition before the state agency by submitting a written request
77.19 for a hearing to the state agency within 30 days after receiving written notice of the action,
77.20 decision, or final disposition, or within 90 days of such written notice if the applicant,
77.21 recipient, patient, or relative shows good cause, as defined in section 256.0451, subdivision
77.22 13, why the request was not submitted within the 30-day time limit. The individual filing
77.23 the appeal has the burden of proving good cause by a preponderance of the evidence.

77.24 Sec. 68. Minnesota Statutes 2022, section 256.045, subdivision 3b, is amended to read:

77.25 Subd. 3b. **Standard of evidence for maltreatment and disqualification hearings.** (a)
77.26 The state human services judge shall determine that maltreatment has occurred if a
77.27 preponderance of evidence exists to support the final disposition under section 626.557 and
77.28 chapter 260E. For purposes of hearings regarding disqualification, the state human services
77.29 judge shall affirm the proposed disqualification in an appeal under subdivision 3, paragraph
77.30 (a), clause ~~(10)~~ (9), if a preponderance of the evidence shows the individual has:

77.31 (1) committed maltreatment under section 626.557 or chapter 260E, ~~which~~ that is serious
77.32 or recurring;

78.1 (2) committed an act or acts meeting the definition of any of the crimes listed in section
78.2 245C.15, subdivisions 1 to 4; or

78.3 (3) failed to make required reports under section 626.557 or chapter 260E, for incidents
78.4 in which the final disposition under section 626.557 or chapter 260E was substantiated
78.5 maltreatment that was serious or recurring.

78.6 (b) If the disqualification is affirmed, the state human services judge shall determine
78.7 whether the individual poses a risk of harm in accordance with the requirements of section
78.8 245C.22, and whether the disqualification should be set aside or not set aside. In determining
78.9 whether the disqualification should be set aside, the human services judge shall consider
78.10 all of the characteristics that cause the individual to be disqualified, including those
78.11 characteristics that were not subject to review under paragraph (a), in order to determine
78.12 whether the individual poses a risk of harm. A decision to set aside a disqualification that
78.13 is the subject of the hearing constitutes a determination that the individual does not pose a
78.14 risk of harm and that the individual may provide direct contact services in the individual
78.15 program specified in the set aside.

78.16 (c) If a disqualification is based solely on a conviction or is conclusive for any reason
78.17 under section 245C.29, the disqualified individual does not have a right to a hearing under
78.18 this section.

78.19 (d) The state human services judge shall recommend an order to the commissioner of
78.20 health, education, or human services, as applicable, who shall issue a final order. The
78.21 commissioner shall affirm, reverse, or modify the final disposition. Any order of the
78.22 commissioner issued in accordance with this subdivision is conclusive upon the parties
78.23 unless appeal is taken in the manner provided in subdivision 7. In any licensing appeal under
78.24 chapters 245A and 245C and sections 144.50 to 144.58 and 144A.02 to 144A.482, the
78.25 commissioner's determination as to maltreatment is conclusive, as provided under section
78.26 245C.29.

78.27 Sec. 69. Minnesota Statutes 2022, section 256.045, subdivision 4, is amended to read:

78.28 Subd. 4. **Conduct of hearings.** (a) All hearings held pursuant to subdivision 3, 3a, 3b,
78.29 or 4a shall be conducted according to the provisions of the federal Social Security Act and
78.30 the regulations implemented in accordance with that act to enable this state to qualify for
78.31 federal grants-in-aid, and according to the rules and written policies of the commissioner
78.32 of human services. County agencies shall install equipment necessary to conduct telephone
78.33 hearings. A state human services judge may schedule a telephone conference hearing when
78.34 the distance or time required to travel to the county agency offices will cause a delay in the

79.1 issuance of an order, or to promote efficiency, or at the mutual request of the parties. Hearings
79.2 may be conducted by telephone conferences unless the applicant, recipient, former recipient,
79.3 person, or facility contesting maltreatment objects. A human services judge may grant a
79.4 request for a hearing in person by holding the hearing by interactive video technology or
79.5 in person. The human services judge must hear the case in person if the person asserts that
79.6 either the person or a witness has a physical or mental disability that would impair the
79.7 person's or witness's ability to fully participate in a hearing held by interactive video
79.8 technology. The hearing shall not be held earlier than five days after filing of the required
79.9 notice with the county or state agency. The state human services judge shall notify all
79.10 interested persons of the time, date, and location of the hearing at least five days before the
79.11 date of the hearing. Interested persons may be represented by legal counsel or other
79.12 representative of their choice, including a provider of therapy services, at the hearing and
79.13 may appear personally, testify and offer evidence, and examine and cross-examine witnesses.
79.14 The applicant, recipient, former recipient, person, or facility contesting maltreatment shall
79.15 have the opportunity to examine the contents of the case file and all documents and records
79.16 to be used by the county or state agency at the hearing at a reasonable time before the date
79.17 of the hearing and during the hearing. In hearings under subdivision 3, paragraph (a), clauses
79.18 (4), ~~(9)~~ (8), and ~~(10)~~ (9), either party may subpoena the private data relating to the
79.19 investigation prepared by the agency under section 626.557 or chapter 260E that is not
79.20 otherwise accessible under section 13.04, provided the identity of the reporter may not be
79.21 disclosed.

79.22 (b) The private data obtained by subpoena in a hearing under subdivision 3, paragraph
79.23 (a), clause (4), ~~(9)~~ (8), or ~~(10)~~ (9), must be subject to a protective order which prohibits its
79.24 disclosure for any other purpose outside the hearing provided for in this section without
79.25 prior order of the district court. Disclosure without court order is punishable by a sentence
79.26 of not more than 90 days imprisonment or a fine of not more than \$1,000, or both. These
79.27 restrictions on the use of private data do not prohibit access to the data under section 13.03,
79.28 subdivision 6. Except for appeals under subdivision 3, paragraph (a), clauses (4), ~~(5)~~, ~~(9)~~
79.29 ~~(8)~~, and ~~(10)~~ (9), upon request, the county agency shall provide reimbursement for
79.30 transportation, child care, photocopying, medical assessment, witness fee, and other necessary
79.31 and reasonable costs incurred by the applicant, recipient, or former recipient in connection
79.32 with the appeal. All evidence, except that privileged by law, commonly accepted by
79.33 reasonable people in the conduct of their affairs as having probative value with respect to
79.34 the issues shall be submitted at the hearing and such hearing shall not be "a contested case"
79.35 within the meaning of section 14.02, subdivision 3. The agency must present its evidence

80.1 prior to or at the hearing, and may not submit evidence after the hearing except by agreement
80.2 of the parties at the hearing, provided the petitioner has the opportunity to respond.

80.3 (c) In hearings under subdivision 3, paragraph (a), ~~clauses (4), (9), and (10)~~ clause (4),
80.4 (8), or (9), involving determinations of maltreatment or disqualification made by more than
80.5 one county agency, by a county agency and a state agency, or by more than one state agency,
80.6 the hearings may be consolidated into a single fair hearing upon the consent of all parties
80.7 and the state human services judge.

80.8 (d) For hearings under subdivision 3, paragraph (a), clause (4) or ~~(10)~~ (9), involving a
80.9 vulnerable adult, the human services judge shall notify the vulnerable adult who is the
80.10 subject of the maltreatment determination and, if known, a guardian of the vulnerable adult
80.11 appointed under section 524.5-310, or a health care agent designated by the vulnerable adult
80.12 in a health care directive that is currently effective under section 145C.06 and whose authority
80.13 to make health care decisions is not suspended under section 524.5-310, of the hearing. The
80.14 notice must be sent by certified mail and inform the vulnerable adult of the right to file a
80.15 signed written statement in the proceedings. A guardian or health care agent who prepares
80.16 or files a written statement for the vulnerable adult must indicate in the statement that the
80.17 person is the vulnerable adult's guardian or health care agent and sign the statement in that
80.18 capacity. The vulnerable adult, the guardian, or the health care agent may file a written
80.19 statement with the human services judge hearing the case no later than five business days
80.20 before commencement of the hearing. The human services judge shall include the written
80.21 statement in the hearing record and consider the statement in deciding the appeal. This
80.22 subdivision does not limit, prevent, or excuse the vulnerable adult from being called as a
80.23 witness testifying at the hearing or grant the vulnerable adult, the guardian, or health care
80.24 agent a right to participate in the proceedings or appeal the human services judge's decision
80.25 in the case. The lead investigative agency must consider including the vulnerable adult
80.26 victim of maltreatment as a witness in the hearing. If the lead investigative agency determines
80.27 that participation in the hearing would endanger the well-being of the vulnerable adult or
80.28 not be in the best interests of the vulnerable adult, the lead investigative agency shall inform
80.29 the human services judge of the basis for this determination, which must be included in the
80.30 final order. If the human services judge is not reasonably able to determine the address of
80.31 the vulnerable adult, the guardian, or the health care agent, the human services judge is not
80.32 required to send a hearing notice under this subdivision.

81.1 Sec. 70. Minnesota Statutes 2022, section 256.045, subdivision 6, is amended to read:

81.2 Subd. 6. **Additional powers of commissioner; subpoenas.** (a) The commissioner of
81.3 human services, or the commissioner of health for matters within the commissioner's
81.4 jurisdiction under subdivision 3b, may initiate a review of any action or decision of a county
81.5 agency and direct that the matter be presented to a state human services judge for a hearing
81.6 held under subdivision 3, 3a, 3b, or 4a. In all matters dealing with human services committed
81.7 by law to the discretion of the county agency, the commissioner's judgment may be
81.8 substituted for that of the county agency. The commissioner may order an independent
81.9 examination when appropriate.

81.10 (b) Any party to a hearing held pursuant to subdivision 3, 3a, 3b, or 4a may request that
81.11 the commissioner issue a subpoena to compel the attendance of witnesses and the production
81.12 of records at the hearing. A local agency may request that the commissioner issue a subpoena
81.13 to compel the release of information from third parties prior to a request for a hearing under
81.14 section 256.046 upon a showing of relevance to such a proceeding. The issuance, service,
81.15 and enforcement of subpoenas under this subdivision is governed by section 357.22 and
81.16 the Minnesota Rules of Civil Procedure.

81.17 (c) The commissioner may issue a temporary order staying a proposed demission by a
81.18 residential facility licensed under chapter 245A:

81.19 (1) while an appeal by a recipient under subdivision 3 is pending;

81.20 (2) for the period of time necessary for the case management provider to implement the
81.21 commissioner's order; or

81.22 (3) for appeals under subdivision 3, paragraph (a), clause ~~(12)~~ (11), when the individual
81.23 is seeking a temporary stay of demission on the basis that the county has not yet finalized
81.24 an alternative arrangement for a residential facility, a program, or services that will meet
81.25 the assessed needs of the individual by the effective date of the service termination, a
81.26 temporary stay of demission may be issued for no more than 30 calendar days to allow for
81.27 such arrangements to be finalized.

81.28 Sec. 71. Minnesota Statutes 2022, section 256.045, subdivision 10, is amended to read:

81.29 Subd. 10. **Payments pending appeal.** If the commissioner of human services or district
81.30 court orders monthly assistance or aid or services paid or provided in any proceeding under
81.31 this section, it shall be paid or provided pending appeal to the commissioner of human
81.32 services, district court, court of appeals, or supreme court. The human services judge may
81.33 order the local human services agency to reduce or terminate medical assistance to a recipient

82.1 before a final order is issued under this section if: (1) the human services judge determines
82.2 at the hearing that the sole issue on appeal is one of a change in state or federal law; and
82.3 (2) the commissioner or the local agency notifies the recipient before the action. The state
82.4 or county agency has a claim for ~~Supplemental Nutrition Assistance Program (SNAP)~~
82.5 ~~benefits~~, cash payments, medical assistance, and MinnesotaCare program payments made
82.6 to or on behalf of a recipient or former recipient while an appeal is pending if the recipient
82.7 or former recipient is determined ineligible for ~~SNAP benefits~~, cash payments, medical
82.8 assistance, or MinnesotaCare as a result of the appeal, except for medical assistance made
82.9 on behalf of a recipient pursuant to a court order. In enforcing a claim on MinnesotaCare

102.9 shelter, nutrition, planned activities, materials, and qualifications of individuals responsible
102.10 for administering and delivering program services;

102.11 (4) standards that describe the characteristics of the settings where program services are
102.12 to be delivered; and

102.13 (5) health and sanitation standards.

102.14 Subd. 3. **Reduction of fees.** The commissioner may adopt rules under subdivision 1 to
102.15 provide for the reduction of fees established under section 142B.12 when a license holder
102.16 substantially exceeds the basic standards for licensure.

102.17 Subd. 4. **Evaluation of rules.** The commissioner shall evaluate the effects of the rules
102.18 within three years after the date of adoption and at least once every five years thereafter.
102.19 The evaluation must include an assessment of any discrepancies between the actual and
102.20 intended effects of the rules, identification of necessary revisions, if any, and a discussion
102.21 of the rules' effect on the availability and quality of licensed programs. The commissioner
102.22 shall consider the results of the evaluation in amending and writing rules.

102.23 Subd. 5. **Other duties of commissioner.** The commissioner shall:

102.24 (1) summarize the rules in language understandable to the general public and inform
102.25 license holders and applicants where they may obtain a copy of the rules and the summary;

102.26 (2) develop and provide each applicant with information describing the services offered
102.27 to applicants by the commissioner and explaining the penalties for operating an unlicensed
102.28 program or failing to fully comply with the commissioner's correction orders or applicable
102.29 laws or rules;

102.30 (3) upon request, interpret rules for applicants and license holders; and

102.31 (4) take measures to ensure that rules are enforced uniformly throughout the state.

103.1 Subd. 6. Consultation with affected parties. In developing rules, the commissioner
103.2 shall request and receive consultation from: other state departments and agencies; counties
103.3 and other affected political subdivisions that reflect the diversity of political subdivisions
103.4 affected by the rule; persons and relatives of persons using the program governed by the
103.5 rule; advocacy groups; and representatives of license holders affected by the rule. In choosing
103.6 parties for consultation, the commissioner shall choose individuals and representatives of
103.7 groups that reflect a cross section of urban, suburban, and rural areas of the state.

103.8 Subd. 7. Regulatory methods. (a) Where appropriate and feasible, the commissioner
103.9 shall identify and implement alternative methods of regulation and enforcement to the extent
103.10 authorized in this subdivision. These methods shall include:

103.11 (1) expansion of the types and categories of licenses that may be granted;

103.12 (2) when the standards of another state or federal governmental agency or an independent
103.13 accreditation body have been shown to require the same standards, methods, or alternative
103.14 methods to achieve substantially the same intended outcomes as the licensing standards,
103.15 the commissioner shall consider compliance with the governmental or accreditation standards
103.16 to be equivalent to partial compliance with the licensing standards; and

103.17 (3) use of an abbreviated inspection that employs key standards that have been shown
103.18 to predict full compliance with the rules.

103.19 (b) If the commissioner accepts accreditation as documentation of compliance with a
103.20 licensing standard under paragraph (a), the commissioner shall continue to investigate
103.21 complaints related to noncompliance with all licensing standards. The commissioner may
103.22 take a licensing action for noncompliance under this chapter and shall recognize all existing
103.23 appeal rights regarding any licensing actions taken under this chapter.

103.24 (c) The commissioner shall work with the commissioners of human services, health,
103.25 public safety, administration, and education in consolidating duplicative licensing and
103.26 certification rules and standards if the commissioner determines that consolidation is
103.27 administratively feasible, would significantly reduce the cost of licensing, and would not
103.28 reduce the protection given to persons receiving services in licensed programs. Where
103.29 administratively feasible and appropriate, the commissioner shall work with the
103.30 commissioners of human services, health, public safety, administration, and education in
103.31 conducting joint agency inspections of programs.

103.32 (d) The commissioner shall work with the commissioners of human services, health,
103.33 public safety, administration, and education in establishing a single point of application for

104.1 applicants who are required to obtain concurrent licensure from more than one of the
104.2 commissioners listed in this paragraph.

104.3 (e) Unless otherwise specified in statute, the commissioner may conduct routine
104.4 inspections biennially.

104.5 (f) For a licensed child care center, the commissioner shall conduct one unannounced
104.6 licensing inspection at least once per calendar year.

104.7 Subd. 8. **Interpretive guidelines; authority.** The commissioner of children, youth, and
104.8 families may develop and publish interpretive guidelines.

104.9 Subd. 9. **Effect of interpretive guidelines.** Interpretive guidelines do not have the force
104.10 and effect of law and have no precedential effect, but may be relied on by consumers,
104.11 providers of service, county agencies, the Department of Children, Youth, and Families,
104.12 and others concerned until revoked or modified. A guideline may be expressly revoked or
104.13 modified by the commissioner, by the issuance of another interpretive guideline, but may
104.14 not be revoked or modified retroactively to the detriment of consumers, providers of service,
104.15 county agencies, the Department of Children, Youth, and Families, or others concerned. A
104.16 change in the law or an interpretation of the law occurring after the interpretive guidelines
104.17 are issued, whether in the form of a statute, court decision, administrative ruling, or
104.18 subsequent interpretive guideline, results in the revocation or modification of the previously
104.19 adopted guidelines to the extent that the change affects the guidelines.

104.20 Subd. 10. **Issuance; discretion of commissioner.** The issuance of interpretive guidelines
104.21 is at the discretion of the commissioner of children, youth, and families.

104.22 Sec. 3. **[142B.03] SYSTEMS AND RECORDS.**

104.23 Subdivision 1. **Record retention; license holder requirements.** (a) A license holder
104.24 must maintain and store records in a manner that will allow for review by the commissioner
104.25 as identified in section 142B.10, subdivision 5. The following records must be maintained
104.26 as specified and in accordance with applicable state or federal law, regulation, or rule:

104.27 (1) service recipient records, including verification of service delivery, must be maintained
104.28 for a minimum of five years following discharge or termination of service;

104.29 (2) personnel records must be maintained for a minimum of five years following
104.30 termination of employment; and

104.31 (3) program administration and financial records must be maintained for a minimum of
104.32 five years from the date the program closes.

105.1 (b) A license holder who ceases to provide services must maintain all records related to
105.2 the licensed program for five years from the date the program closes. The license holder
105.3 must notify the commissioner of the location where the licensing records will be stored and
105.4 the name of the person responsible for maintaining the stored records.

105.5 (c) If the ownership of a licensed program or service changes, the transferor, unless
105.6 otherwise provided by law or written agreement with the transferee, is responsible for
105.7 maintaining, preserving, and making available to the commissioner on demand the license
105.8 records generated before the date of the transfer.

105.9 (d) In the event of a contested case, the license holder must retain records as required
105.10 in paragraph (a) or until the final agency decision is issued and the conclusion of any related
105.11 appeal, whichever period is longer.

105.12 Subd. 2. **Electronic records; license holder use.** A license holder's use of electronic
105.13 record keeping or electronic signatures must meet the following requirements:

105.14 (1) use of electronic record keeping or electronic signatures does not alter the license
105.15 holder's obligations under state or federal law, regulation, or rule;

105.16 (2) the license holder must ensure that the use of electronic record keeping does not limit
105.17 the commissioner's access to records as specified under section 142B.10, subdivision 5;

105.18 (3) upon request, the license holder must assist the commissioner in accessing and
105.19 copying all records, including encrypted records and electronic signatures; and

105.20 (4) the license holder must establish a mechanism or procedure to ensure that:

105.21 (i) the act of creating the electronic record or signature is attributable to the license
105.22 holder, according to section 325L.09;

105.23 (ii) the electronic records and signatures are maintained in a form capable of being
105.24 retained and accurately reproduced;

105.25 (iii) the commissioner has access to information that establishes the date and time that
105.26 data and signatures were entered into the electronic record; and

105.27 (iv) the license holder's use of electronic record keeping or electronic signatures does
105.28 not compromise the security of the records.

105.29 Subd. 3. **First date of working in a setting; documentation requirements.** Foster
105.30 residence setting license holders must document the first date that a person who is a
105.31 background study subject begins working in the license holder's setting. If the license holder
105.32 does not maintain documentation of each background study subject's first date of working

106.1 in the setting in the license holder's personnel files, the license holder must provide
106.2 documentation to the commissioner that contains the first date that each background study
106.3 subject began working in the license holder's program upon the commissioner's request.

106.4 Subd. 4. **First date of direct contact; documentation requirements.** Except for family
106.5 child care and family foster care for children, license holders must document the first date
106.6 that a background study subject has direct contact, as defined in section 245C.02, subdivision
106.7 11, with a person served by the license holder's program. Unless this chapter otherwise
106.8 requires, if the license holder does not maintain the documentation required by this
106.9 subdivision in the license holder's personnel files, the license holder must provide the
106.10 documentation to the commissioner upon the commissioner's request.

106.11 Sec. 4. **[142B.05] WHO MUST BE LICENSED.**

106.12 Subdivision 1. **License required.** Unless licensed by the commissioner under this chapter,
106.13 an individual, organization, or government entity must not:

106.14 (1) operate a residential or a nonresidential program;

106.15 (2) receive a child or youth for care, supervision, or placement in foster care or adoption;

106.16 (3) help plan the placement of a child or youth in foster care or adoption or engage in
106.17 placement activities as defined in section 259.21, subdivision 9, in this state, whether or not
106.18 the adoption occurs in this state; or

106.19 (4) advertise a residential or nonresidential program.

106.20 Subd. 2. **Exclusion from licensure.** (a) This chapter does not apply to:

106.21 (1) residential or nonresidential programs that are provided to a person by an individual
106.22 who is related unless the residential program is a child foster care placement made by a
106.23 local social services agency or a licensed child-placing agency, except as provided in
106.24 subdivision 3;

106.25 (2) nonresidential programs that are provided by an unrelated individual to persons from
106.26 a single related family;

106.27 (3) programs operated by a public school for children 33 months or older;

106.28 (4) nonresidential programs primarily for children that provide care or supervision for
106.29 periods of less than three hours a day while the child's parent or legal guardian is in the
106.30 same building as the nonresidential program or present within another building that is
106.31 directly contiguous to the building in which the nonresidential program is located;

- 107.1 (5) homes providing programs for persons placed by a county or a licensed agency for
107.2 legal adoption, unless the adoption is not completed within two years;
- 107.3 (6) programs licensed or certified by the commissioner of corrections;
- 107.4 (7) recreation programs for children or adults that are operated or approved by a park
107.5 and recreation board whose primary purpose is to provide social and recreational activities;
- 107.6 (8) programs operated by a school as defined in section 120A.22, subdivision 4; YMCA
107.7 as defined in section 315.44; YWCA as defined in section 315.44; or JCC as defined in
107.8 section 315.51, whose primary purpose is to provide child care or services to school-age
107.9 children;
- 107.10 (9) Head Start nonresidential programs that operate for less than 45 days in each calendar
107.11 year;
- 107.12 (10) programs for children such as scouting, boys clubs, girls clubs, and sports and art
107.13 programs, and nonresidential programs for children provided for a cumulative total of less
107.14 than 30 days in any 12-month period;
- 107.15 (11) the religious instruction of school-age children; Sabbath or Sunday schools; or the
107.16 congregate care of children by a church, congregation, or religious society during the period
107.17 used by the church, congregation, or religious society for its regular worship;
- 107.18 (12) camps licensed by the commissioner of health under Minnesota Rules, chapter
107.19 4630;
- 107.20 (13) residential programs serving school-age children whose sole purpose is cultural or
107.21 educational exchange, until the commissioner adopts appropriate rules;
- 107.22 (14) community support services programs as defined in section 245.462, subdivision
107.23 6, and family community support services as defined in section 245.4871, subdivision 17;
- 107.24 (15) the placement of a child by a birth parent or legal guardian in a preadoptive home
107.25 for purposes of adoption as authorized by section 259.47;
- 107.26 (16) a program serving only children who are age 33 months or older, that is operated
107.27 by a nonpublic school, for no more than four hours per day per child, with no more than 20
107.28 children at any one time, and that is accredited by:
- 107.29 (i) an accrediting agency that is formally recognized by the commissioner of education
107.30 as a nonpublic school accrediting organization; or
- 107.31 (ii) an accrediting agency that requires background studies and that receives and
107.32 investigates complaints about the services provided.

108.1 A program that asserts its exemption from licensure under item (ii) shall, upon request from
108.2 the commissioner, provide the commissioner with documentation from the accrediting
108.3 agency that verifies that the accreditation is current, that the accrediting agency investigates
108.4 complaints about services, and that the accrediting agency's standards require background
108.5 studies on all people providing direct contact services;

108.6 (17) a program operated by a nonprofit organization incorporated in Minnesota or another
108.7 state that serves youth in kindergarten through grade 12; provides structured, supervised
108.8 youth development activities; and has learning opportunities take place before or after
108.9 school, on weekends, or during the summer or other seasonal breaks in the school calendar.

108.10 A program exempt under this clause is not eligible for child care assistance under chapter
108.11 119B. A program exempt under this clause must:

108.12 (i) have a director or supervisor on site who is responsible for overseeing written policies
108.13 relating to the management and control of the daily activities of the program, ensuring the
108.14 health and safety of program participants, and supervising staff and volunteers;

108.15 (ii) have obtained written consent from a parent or legal guardian for each youth
108.16 participating in activities at the site; and

108.17 (iii) have provided written notice to a parent or legal guardian for each youth at the site
108.18 that the program is not licensed or supervised by the state of Minnesota and is not eligible
108.19 to receive child care assistance payments;

108.20 (18) Head Start programs that serve only children who are at least three years old but
108.21 not yet six years old; or

108.22 (19) programs licensed by the commissioner of human services under chapter 245A.

108.23 (b) For purposes of paragraph (a), clause (4), a building is directly contiguous to a
108.24 building in which a nonresidential program is located if it shares a common wall with the
108.25 building in which the nonresidential program is located or is attached to that building by
108.26 skyway, tunnel, atrium, or common roof.

108.27 (c) Nothing in this chapter shall be construed to require licensure for any services
108.28 provided and funded according to an approved federal waiver plan where licensure is
108.29 specifically identified as not being a condition for the services and funding.

108.30 Subd. 3. **Unlicensed programs.** (a) It is a misdemeanor for an individual, organization,
108.31 or government entity to provide a residential or nonresidential program without a license
108.32 issued under this chapter and in willful disregard of this chapter unless the program is
108.33 excluded from licensure under subdivision 2.

109.1 (b) The commissioner may ask the appropriate county attorney or the attorney general
109.2 to begin proceedings to secure a court order against the continued operation of the program,
109.3 if an individual, organization, or government entity has:

109.4 (1) failed to apply for a license under this chapter after receiving notice that a license is
109.5 required or continues to operate without a license after receiving notice that a license is
109.6 required;

109.7 (2) continued to operate without a license after a license issued under this chapter has
109.8 been revoked or suspended under this chapter, and the commissioner has issued a final order
109.9 affirming the revocation or suspension, or the license holder did not timely appeal the
109.10 sanction; or

109.11 (3) continued to operate without a license after a temporary immediate suspension of a
109.12 license has been issued under this chapter.

109.13 (c) The county attorney and the attorney general have a duty to cooperate with the
109.14 commissioner.

109.15 **Subd. 4. Licensing moratorium.** (a) The commissioner shall not issue an initial license
109.16 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, under
109.17 this chapter for a physical location that will not be the primary residence of the license
109.18 holder for the entire period of licensure. If a family child foster care home license is issued
109.19 during this moratorium and the license holder changes the license holder's primary residence
109.20 away from the physical location of the foster care license, the commissioner shall revoke
109.21 the license according to section 142B.18. When approving an exception under this paragraph,
109.22 the commissioner shall consider the resource need determination process in paragraph (e),
109.23 the availability of foster care licensed beds in the geographic area in which the licensee
109.24 seeks to operate, the results of a person's choices during their annual assessment and service
109.25 plan review, and the recommendation of the local county board. The determination by the
109.26 commissioner is final and not subject to appeal. Exceptions to the moratorium include:

109.27 (1) foster care licenses replacing foster care licenses in existence on May 15, 2009, and
109.28 determined to be needed by the commissioner under paragraph (b); and

109.29 (2) new foster care licenses determined to be needed by the commissioner under paragraph
109.30 (b) for persons requiring hospital-level care.

109.31 (b) The commissioner shall determine the need for newly licensed foster care homes.
109.32 As part of the determination, the commissioner shall consider the availability of foster care
109.33 capacity in the area in which the licensee seeks to operate, and the recommendation of the

110.1 local county board. The determination by the commissioner must be final. A determination
110.2 of need is not required for a change in ownership at the same address.

110.3 (c) At the time of application and reapplication for licensure, the applicant and the license
110.4 holder that are subject to the moratorium or an exclusion established in paragraph (a) are
110.5 required to inform the commissioner whether the physical location where the foster care
110.6 will be provided is or will be the primary residence of the license holder for the entire period
110.7 of licensure. If the primary residence of the applicant or license holder changes, the applicant
110.8 or license holder must notify the commissioner immediately. The commissioner shall print
110.9 on the foster care license certificate whether or not the physical location is the primary
110.10 residence of the license holder.

110.11 (d) License holders of foster care homes identified under paragraph (c) that are not the
110.12 primary residence of the license holder and that also provide services in the foster care home
110.13 that are covered by a federally approved home and community-based services waiver, as
110.14 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the children,
110.15 youth, and families licensing division that the license holder provides or intends to provide
110.16 these waiver-funded services.

110.17 (e) The commissioner may adjust capacity to address needs identified in section
110.18 144A.351. Under this authority, the commissioner may approve new licensed settings or
110.19 delicense existing settings. Delicensing of settings will be accomplished through a process
110.20 identified in section 256B.493.

110.21 **Sec. 5. [142B.10] APPLICATION PROCEDURES.**

110.22 Subdivision 1. **Application for licensure.** (a) An individual, organization, or government
110.23 entity that is subject to licensure under section 142B.05 must apply for a license. The
110.24 application must be made on the forms and in the manner prescribed by the commissioner.
110.25 The commissioner shall provide the applicant with instruction in completing the application
110.26 and provide information about the rules and requirements of other state agencies that affect
110.27 the applicant. An applicant seeking licensure in Minnesota with headquarters outside of
110.28 Minnesota must have a program office located within 30 miles of the Minnesota border.
110.29 An applicant who intends to buy or otherwise acquire a program or services licensed under
110.30 this chapter that is owned by another license holder must apply for a license under this
110.31 chapter and comply with the application procedures in this section and section 142B.11.

110.32 The commissioner shall act on the application within 90 working days after a complete
110.33 application and any required reports have been received from other state agencies or
110.34 departments, counties, municipalities, or other political subdivisions. The commissioner

111.1 shall not consider an application to be complete until the commissioner receives all of the
111.2 required information.

111.3 When the commissioner receives an application for initial licensure that is incomplete
111.4 because the applicant failed to submit required documents or that is substantially deficient
111.5 because the documents submitted do not meet licensing requirements, the commissioner
111.6 shall provide the applicant written notice that the application is incomplete or substantially
111.7 deficient. In the written notice to the applicant the commissioner shall identify documents
111.8 that are missing or deficient and give the applicant 45 days to resubmit a second application
111.9 that is substantially complete. An applicant's failure to submit a substantially complete
111.10 application after receiving notice from the commissioner is a basis for license denial under
111.11 section 142B.11.

111.12 (b) An application for licensure must identify all controlling individuals as defined in
111.13 section 142B.01, subdivision 8, and must designate one individual to be the authorized
111.14 agent. The application must be signed by the authorized agent and must include the authorized
111.15 agent's first, middle, and last name; mailing address; and email address. By submitting an
111.16 application for licensure, the authorized agent consents to electronic communication with
111.17 the commissioner throughout the application process. The authorized agent must be
111.18 authorized to accept service on behalf of all of the controlling individuals. A government
111.19 entity that holds multiple licenses under this chapter may designate one authorized agent
111.20 for all licenses issued under this chapter or may designate a different authorized agent for
111.21 each license. Service on the authorized agent is service on all of the controlling individuals.
111.22 It is not a defense to any action arising under this chapter that service was not made on each
111.23 controlling individual. The designation of a controlling individual as the authorized agent
111.24 under this paragraph does not affect the legal responsibility of any other controlling individual
111.25 under this chapter.

111.26 (c) An applicant or license holder must have a policy that prohibits license holders,
111.27 employees, subcontractors, and volunteers, when directly responsible for persons served
111.28 by the program, from abusing prescription medication or being in any manner under the
111.29 influence of a chemical that impairs the individual's ability to provide services or care. The
111.30 license holder must train employees, subcontractors, and volunteers about the program's
111.31 drug and alcohol policy.

111.32 (d) An applicant and license holder must have a program grievance procedure that permits
111.33 persons served by the program and their authorized representatives to bring a grievance to
111.34 the highest level of authority in the program.

112.1 (e) The commissioner may limit communication during the application process to the
112.2 authorized agent or the controlling individuals identified on the license application and for
112.3 whom a background study was initiated under chapter 245C. Upon implementation of the
112.4 provider licensing and reporting hub, applicants and license holders must use the hub in the
112.5 manner prescribed by the commissioner. The commissioner may require the applicant,
112.6 except for child foster care, to demonstrate competence in the applicable licensing
112.7 requirements by successfully completing a written examination. The commissioner may
112.8 develop a prescribed written examination format.

112.9 (f) When an applicant is an individual, the applicant must provide:

112.10 (1) the applicant's taxpayer identification numbers including the Social Security number
112.11 or Minnesota tax identification number, and federal employer identification number if the
112.12 applicant has employees;

112.13 (2) at the request of the commissioner, a copy of the most recent filing with the secretary
112.14 of state that includes the complete business name, if any;

112.15 (3) if doing business under a different name, the doing business as (DBA) name, as
112.16 registered with the secretary of state;

112.17 (4) if applicable, the applicant's National Provider Identifier (NPI) number and Unique
112.18 Minnesota Provider Identifier (UMPI) number; and

112.19 (5) at the request of the commissioner, the notarized signature of the applicant or
112.20 authorized agent.

112.21 (g) When an applicant is an organization, the applicant must provide:

112.22 (1) the applicant's taxpayer identification numbers including the Minnesota tax
112.23 identification number and federal employer identification number;

112.24 (2) at the request of the commissioner, a copy of the most recent filing with the secretary
112.25 of state that includes the complete business name, and if doing business under a different
112.26 name, the doing business as (DBA) name, as registered with the secretary of state;

112.27 (3) the first, middle, and last name, and address for all individuals who will be controlling
112.28 individuals, including all officers, owners, and managerial officials as defined in section
112.29 142B.01, subdivision 8, and the date that the background study was initiated by the applicant
112.30 for each controlling individual;

112.31 (4) if applicable, the applicant's NPI number and UMPI number;

113.1 (5) the documents that created the organization and that determine the organization's
113.2 internal governance and the relations among the persons that own the organization, have
113.3 an interest in the organization, or are members of the organization, in each case as provided
113.4 or authorized by the organization's governing statute, which may include a partnership
113.5 agreement, bylaws, articles of organization, organizational chart, and operating agreement,
113.6 or comparable documents as provided in the organization's governing statute; and

113.7 (6) the notarized signature of the applicant or authorized agent.

113.8 (h) When the applicant is a government entity, the applicant must provide:

113.9 (1) the name of the government agency, political subdivision, or other unit of government
113.10 seeking the license and the name of the program or services that will be licensed;

113.11 (2) the applicant's taxpayer identification numbers including the Minnesota tax
113.12 identification number and federal employer identification number;

113.13 (3) a letter signed by the manager, administrator, or other executive of the government
113.14 entity authorizing the submission of the license application; and

113.15 (4) if applicable, the applicant's NPI number and UMPI number.

113.16 (i) At the time of application for licensure or renewal of a license under this chapter, the
113.17 applicant or license holder must acknowledge on the form provided by the commissioner
113.18 if the applicant or license holder elects to receive any public funding reimbursement from
113.19 the commissioner for services provided under the license that:

113.20 (1) the applicant's or license holder's compliance with the provider enrollment agreement
113.21 or registration requirements for receipt of public funding may be monitored by the
113.22 commissioner as part of a licensing investigation or licensing inspection; and

113.23 (2) noncompliance with the provider enrollment agreement or registration requirements
113.24 for receipt of public funding that is identified through a licensing investigation or licensing
113.25 inspection, or noncompliance with a licensing requirement that is a basis of enrollment for
113.26 reimbursement for a service, may result in:

113.27 (i) a correction order or a conditional license under section 142B.16, or sanctions under
113.28 section 142B.18;

113.29 (ii) nonpayment of claims submitted by the license holder for public program
113.30 reimbursement;

113.31 (iii) recovery of payments made for the service;

113.32 (iv) disenrollment in the public payment program; or

114.1 (v) other administrative, civil, or criminal penalties as provided by law.

114.2 Subd. 2. **Notification of affected municipality.** The commissioner must not issue a
114.3 license under this chapter without giving 30 calendar days' written notice to the affected
114.4 municipality or other political subdivision unless the program is considered a permitted
114.5 single-family residential use under sections 142B.40 and 142B.41. The commissioner may
114.6 provide notice through electronic communication. The notification must be given before
114.7 the first issuance of a license under this chapter and annually after that time if annual
114.8 notification is requested in writing by the affected municipality or other political subdivision.
114.9 State funds must not be made available to or be spent by an agency or department of state,
114.10 county, or municipal government for payment to a residential or nonresidential program
114.11 licensed under this chapter until the provisions of this subdivision have been complied with
114.12 in full. The provisions of this subdivision shall not apply to programs located in hospitals.

114.13 Subd. 3. **Meeting fire and safety codes.** An applicant or license holder under sections
114.14 142B.01 to 142B.50 must document compliance with applicable building codes, fire and
114.15 safety codes, health rules, and zoning ordinances, or document that an appropriate waiver
114.16 has been granted.

114.17 Subd. 4. **Background study.** Individuals and organizations that are required under
114.18 section 245C.03 to have or initiate background studies shall comply with the requirements
114.19 in chapter 245C.

114.20 Subd. 5. **Notice of background study results; determination of risk of harm.** The
114.21 notice of background study results and the commissioner's determination of the background
114.22 subject's risk of harm shall be governed according to sections 245C.16 and 245C.17.

114.23 Subd. 6. **Reconsideration of disqualification.** Reconsideration of a disqualification
114.24 shall be governed according to sections 245C.21 to 245C.27.

114.25 Subd. 7. **Contested case.** Contested case hearing rights related to a disqualification shall
114.26 be governed according to section 245C.28.

114.27 Subd. 8. **Disqualification.** Disqualification shall be governed according to sections
114.28 245C.14 and 245C.15.

114.29 Subd. 9. **Variance for a disqualified individual.** A variance for a disqualified individual
114.30 shall be governed according to section 245C.30.

114.31 Subd. 10. **Conclusive determinations or dispositions.** Whether a disqualification
114.32 determination or maltreatment determination or disposition is deemed conclusive shall be
114.33 governed according to section 245C.29.

115.1 Subd. 11. **Inspections; waiver.** (a) Before issuing a license under this chapter, the
115.2 commissioner shall conduct an inspection of the program. The inspection must include but
115.3 is not limited to:

115.4 (1) an inspection of the physical plant;

115.5 (2) an inspection of records and documents;

115.6 (3) observation of the program in operation; and

115.7 (4) an inspection for the health, safety, and fire standards in licensing requirements for
115.8 a child care license holder.

115.9 (b) The observation in paragraph (a), clause (3), is not required prior to issuing a license
115.10 under subdivision 14. If the commissioner issues a license under this chapter, these
115.11 requirements must be completed within one year after the issuance of the license.

115.12 (c) Before completing a licensing inspection in a family child care program or child care
115.13 center, the licensing agency must offer the license holder an exit interview to discuss
115.14 violations or potential violations of law or rule observed during the inspection and offer
115.15 technical assistance on how to comply with applicable laws and rules. The commissioner
115.16 shall not issue a correction order or negative licensing action for violations of law or rule
115.17 not discussed in an exit interview, unless a license holder chooses not to participate in an
115.18 exit interview or not to complete the exit interview. If the license holder is unable to complete
115.19 the exit interview, the licensing agency must offer an alternate time for the license holder
115.20 to complete the exit interview.

115.21 (d) If a family child care license holder disputes a county licensor's interpretation of a
115.22 licensing requirement during a licensing inspection or exit interview, the license holder
115.23 may, within five business days after the exit interview or licensing inspection, request
115.24 clarification from the commissioner, in writing, in a manner prescribed by the commissioner.
115.25 The license holder's request must describe the county licensor's interpretation of the licensing
115.26 requirement at issue, and explain why the license holder believes the county licensor's
115.27 interpretation is inaccurate. The commissioner and the county must include the license
115.28 holder in all correspondence regarding the disputed interpretation, and must provide an
115.29 opportunity for the license holder to contribute relevant information that may impact the
115.30 commissioner's decision. The county licensor must not issue a correction order related to
115.31 the disputed licensing requirement until the commissioner has provided clarification to the
115.32 license holder about the licensing requirement.

116.1 (e) The commissioner or the county shall inspect at least once each calendar year a child
116.2 care provider licensed under this chapter and Minnesota Rules, chapter 9502 or 9503, for
116.3 compliance with applicable licensing standards.

116.4 (f) The commissioner shall make publicly available on the department's website the
116.5 results of inspection reports of all child care providers licensed under this chapter and under
116.6 Minnesota Rules, chapter 9502 or 9503, and the number of deaths, serious injuries, and
116.7 instances of substantiated child maltreatment that occurred in licensed child care settings
116.8 each year.

116.9 Subd. 12. Commissioner's right of access. (a) When the commissioner is exercising
116.10 the powers conferred by this chapter, section 626.557, and chapter 260E, the commissioner
116.11 must be given access to:

116.12 (1) the physical plant and grounds where the program is provided;

116.13 (2) documents and records, including records maintained in electronic format;

116.14 (3) persons served by the program; and

116.15 (4) staff and personnel records of current and former staff whenever the program is in
116.16 operation and the information is relevant to inspections or investigations conducted by the
116.17 commissioner. Upon request, the license holder must provide the commissioner verification
116.18 of documentation of staff work experience, training, or educational requirements.

116.19 The commissioner must be given access without prior notice and as often as the commissioner
116.20 considers necessary if the commissioner is investigating alleged maltreatment, conducting
116.21 a licensing inspection, or investigating an alleged violation of applicable laws or rules. In
116.22 conducting inspections, the commissioner may request and shall receive assistance from
116.23 other state, county, and municipal governmental agencies and departments. The applicant
116.24 or license holder shall allow the commissioner to photocopy, photograph, and make audio
116.25 and video recordings during the inspection of the program at the commissioner's expense.
116.26 The commissioner shall obtain a court order or the consent of the subject of the records or
116.27 the parents or legal guardian of the subject before photocopying hospital medical records.

116.28 (b) Persons served by the program have the right to refuse to consent to be interviewed,
116.29 photographed, or audio or video recorded. Failure or refusal of an applicant or license holder
116.30 to fully comply with this subdivision is reasonable cause for the commissioner to deny the
116.31 application or immediately suspend or revoke the license.

116.32 Subd. 13. Commissioner's evaluation. (a) Before issuing, denying, suspending, revoking,
116.33 or making conditional a license, the commissioner shall evaluate information gathered under

117.1 this section. The commissioner's evaluation shall consider the applicable requirements of
117.2 statutes and rules for the program or services for which the applicant seeks a license,
117.3 including the disqualification standards set forth in chapter 245C, and shall evaluate facts,
117.4 conditions, or circumstances concerning:

117.5 (1) the program's operation;

117.6 (2) the well-being of persons served by the program;

117.7 (3) available evaluations of the program by persons receiving services;

117.8 (4) information about the qualifications of the personnel employed by the applicant or
117.9 license holder; and

117.10 (5) the applicant's or license holder's ability to demonstrate competent knowledge of the
117.11 applicable requirements of statutes and rules, including this chapter and chapter 245C, for
117.12 which the applicant seeks a license or the license holder is licensed.

117.13 (b) The commissioner shall review the results of the study required in subdivision 4 and
117.14 determine whether the commissioner of human services correctly determined whether a
117.15 risk of harm to the person served by the program exists under the standards set forth in
117.16 chapter 245C.

117.17 Subd. 14. **Grant of license; license extension.** (a) If the commissioner determines that
117.18 the program complies with all applicable rules and laws, the commissioner shall issue a
117.19 license consistent with this section or, if applicable, a temporary change of ownership license
117.20 under section 142B.11. At minimum, the license shall state:

117.21 (1) the name of the license holder;

117.22 (2) the address of the program;

117.23 (3) the effective date and expiration date of the license;

117.24 (4) the type of license;

117.25 (5) the maximum number and ages of persons that may receive services from the program;
117.26 and

117.27 (6) any special conditions of licensure.

117.28 (b) The commissioner may issue a license for a period not to exceed two years if:

117.29 (1) the commissioner is unable to conduct the observation required by subdivision 11,
117.30 paragraph (a), clause (3), because the program is not yet operational;

118.1 (2) certain records and documents are not available because persons are not yet receiving
118.2 services from the program; and

118.3 (3) the applicant complies with applicable laws and rules in all other respects.

118.4 (c) A decision by the commissioner to issue a license does not guarantee that any person
118.5 or persons will be placed or cared for in the licensed program.

118.6 (d) Except as provided in paragraphs (i) and (j), the commissioner shall not issue a
118.7 license if the applicant, license holder, or an affiliated controlling individual has:

118.8 (1) been disqualified and the disqualification was not set aside and no variance has been
118.9 granted;

118.10 (2) been denied a license under this chapter or chapter 245A within the past two years;

118.11 (3) had a license issued under this chapter or chapter 245A revoked within the past five
118.12 years; or

118.13 (4) failed to submit the information required of an applicant under subdivision 1,
118.14 paragraph (f), (g), or (h), after being requested by the commissioner.

118.15 When a license issued under this chapter or chapter 245A is revoked, the license holder
118.16 and each affiliated controlling individual with a revoked license may not hold any license
118.17 under chapter 142B for five years following the revocation, and other licenses held by the
118.18 applicant or license holder or licenses affiliated with each controlling individual shall also
118.19 be revoked.

118.20 (e) Notwithstanding paragraph (d), the commissioner may elect not to revoke a license
118.21 affiliated with a license holder or controlling individual that had a license revoked within
118.22 the past five years if the commissioner determines that (1) the license holder or controlling
118.23 individual is operating the program in substantial compliance with applicable laws and rules
118.24 and (2) the program's continued operation is in the best interests of the community being
118.25 served.

118.26 (f) Notwithstanding paragraph (d), the commissioner may issue a new license in response
118.27 to an application that is affiliated with an applicant, license holder, or controlling individual
118.28 that had an application denied within the past two years or a license revoked within the past
118.29 five years if the commissioner determines that (1) the applicant or controlling individual
118.30 has operated one or more programs in substantial compliance with applicable laws and rules
118.31 and (2) the program's operation would be in the best interests of the community to be served.

119.1 (g) In determining whether a program's operation would be in the best interests of the
119.2 community to be served, the commissioner shall consider factors such as the number of
119.3 persons served, the availability of alternative services available in the surrounding
119.4 community, the management structure of the program, whether the program provides
119.5 culturally specific services, and other relevant factors.

119.6 (h) The commissioner shall not issue or reissue a license under this chapter if an individual
119.7 living in the household where the services will be provided as specified under section
119.8 245C.03, subdivision 1, has been disqualified and the disqualification has not been set aside
119.9 and no variance has been granted.

119.10 (i) Pursuant to section 142B.18, subdivision 1, paragraph (b), when a license issued
119.11 under this chapter has been suspended or revoked and the suspension or revocation is under
119.12 appeal, the program may continue to operate pending a final order from the commissioner.
119.13 If the license under suspension or revocation will expire before a final order is issued, a
119.14 temporary provisional license may be issued provided any applicable license fee is paid
119.15 before the temporary provisional license is issued.

119.16 (j) Notwithstanding paragraph (i), when a revocation is based on the disqualification of
119.17 a controlling individual or license holder, and the controlling individual or license holder
119.18 is ordered under section 245C.17 to be immediately removed from direct contact with
119.19 persons receiving services or is ordered to be under continuous, direct supervision when
119.20 providing direct contact services, the program may continue to operate only if the program
119.21 complies with the order and submits documentation demonstrating compliance with the
119.22 order. If the disqualified individual fails to submit a timely request for reconsideration, or
119.23 if the disqualification is not set aside and no variance is granted, the order to immediately
119.24 remove the individual from direct contact or to be under continuous, direct supervision
119.25 remains in effect pending the outcome of a hearing and final order from the commissioner.

119.26 (k) For purposes of reimbursement for meals only, under the Child and Adult Care Food
119.27 Program, Code of Federal Regulations, title 7, subtitle B, chapter II, subchapter A, part 226,
119.28 relocation within the same county by a licensed family day care provider, shall be considered
119.29 an extension of the license for a period of no more than 30 calendar days or until the new
119.30 license is issued, whichever occurs first, provided the county agency has determined the
119.31 family day care provider meets licensure requirements at the new location.

119.32 (l) Unless otherwise specified by statute, all licenses issued under this chapter expire at
119.33 12:01 a.m. on the day after the expiration date stated on the license. A license holder must

120.1 apply for and be granted a new license to operate the program or the program must not be
120.2 operated after the expiration date.

120.3 (m) The commissioner shall not issue or reissue a license under this chapter if it has
120.4 been determined that a tribal licensing authority has established jurisdiction to license the
120.5 program or service.

120.6 (n) The commissioner of children, youth, and families shall coordinate and share data
120.7 with the commissioner of human services to enforce this section.

120.8 Subd. 15. **Notification required.** (a) A license holder must notify the commissioner, in
120.9 a manner prescribed by the commissioner, and obtain the commissioner's approval before
120.10 making any change that would alter the license information listed under subdivision 14,
120.11 paragraph (a).

120.12 (b) A license holder must also notify the commissioner, in a manner prescribed by the
120.13 commissioner, before making any change:

120.14 (1) to the license holder's authorized agent as defined in section 142B.01, subdivision
120.15 5;

120.16 (2) to the license holder's controlling individual as defined in section 142B.01, subdivision
120.17 8;

120.18 (3) to the license holder information on file with the secretary of state;

120.19 (4) in the location of the program or service licensed under this chapter; and

120.20 (5) to the federal or state tax identification number associated with the license holder.

120.21 (c) When, for reasons beyond the license holder's control, a license holder cannot provide
120.22 the commissioner with prior notice of the changes in paragraph (b), clauses (1) to (3), the
120.23 license holder must notify the commissioner by the tenth business day after the change and
120.24 must provide any additional information requested by the commissioner.

120.25 (d) When a license holder notifies the commissioner of a change to the license holder
120.26 information on file with the secretary of state, the license holder must provide amended
120.27 articles of incorporation and other documentation of the change.

120.28 (e) Upon implementation of the provider licensing and reporting hub, license holders
120.29 must enter and update information in the hub in a manner prescribed by the commissioner.

120.30 Subd. 16. **Variances.** (a) The commissioner may grant variances to rules that do not
120.31 affect the health or safety of persons in a licensed program if the following conditions are
120.32 met:

121.1 (1) the variance must be requested by an applicant or license holder on a form and in a
121.2 manner prescribed by the commissioner;

121.3 (2) the request for a variance must include the reasons that the applicant or license holder
121.4 cannot comply with a requirement as stated in the rule and the alternative equivalent measures
121.5 that the applicant or license holder will follow to comply with the intent of the rule; and

121.6 (3) the request must state the period of time for which the variance is requested.

121.7 The commissioner may grant a permanent variance when conditions under which the variance
121.8 is requested do not affect the health or safety of persons being served by the licensed program,
121.9 nor compromise the qualifications of staff to provide services. The permanent variance shall
121.10 expire as soon as the conditions that warranted the variance are modified in any way. Any
121.11 applicant or license holder must inform the commissioner of any changes or modifications
121.12 that have occurred in the conditions that warranted the permanent variance. Failure to advise
121.13 the commissioner shall result in revocation of the permanent variance and may be cause for
121.14 other sanctions under sections 142B.17 and 142B.18.

121.15 The commissioner's decision to grant or deny a variance request is final and not subject to
121.16 appeal under the provisions of chapter 14.

121.17 (b) The commissioner shall consider variances for child care center staff qualification
121.18 requirements under Minnesota Rules, parts 9503.0032 and 9503.0033, that do not affect
121.19 the health and safety of children served by the center. A variance request must be submitted
121.20 to the commissioner in accordance with paragraph (a) and must include a plan for the staff
121.21 person to gain additional experience, education, or training, as requested by the commissioner.
121.22 When reviewing a variance request under this section, the commissioner shall consider the
121.23 staff person's level of professional development, including but not limited to steps completed
121.24 on the Minnesota career lattice.

121.25 (c) Counties shall use a uniform application form developed by the commissioner for
121.26 variance requests by family child care license holders.

121.27 Subd. 17. **Education program; permitted ages; additional requirement.** (a) A program
121.28 licensed by the commissioner under Minnesota Rules, chapter 2960, may serve a person
121.29 who is over the age of 18 but under the age of 21 if the person is:

121.30 (1) completing secondary education or a program leading to an equivalent credential;

121.31 (2) enrolled in an institution that provides postsecondary or vocational education;

121.32 (3) participating in a program or activity designed to promote or remove barriers to
121.33 employment;

122.1 (4) employed for at least 80 hours per month; or

122.2 (5) incapable of doing any of the activities described in clauses (1) to (4) due to a medical
122.3 condition, which incapability is supported by regularly updated information in the case plan
122.4 of the person.

122.5 (b) Nothing in this subdivision precludes the license holder from seeking other variances
122.6 under subdivision 16.

122.7 Subd. 18. **Funds and property; other requirements.** (a) A license holder must ensure
122.8 that persons served by the program retain the use and availability of personal funds or
122.9 property unless restrictions are justified in the person's individual plan.

122.10 (b) The license holder must ensure separation of funds of persons served by the program
122.11 from funds of the license holder, the program, or program staff.

122.12 (c) Whenever the license holder assists a person served by the program with the
122.13 safekeeping of funds or other property, the license holder must:

122.14 (1) immediately document receipt and disbursement of the person's funds or other
122.15 property at the time of receipt or disbursement, including the person's signature, or the
122.16 signature of the conservator or payee; and

122.17 (2) return to the person upon the person's request, funds and property in the license
122.18 holder's possession subject to restrictions in the person's treatment plan, as soon as possible,
122.19 but no later than three working days after the date of request.

122.20 (d) License holders and program staff must not:

122.21 (1) borrow money from a person served by the program;

122.22 (2) purchase personal items from a person served by the program;

122.23 (3) sell merchandise or personal services to a person served by the program;

122.24 (4) require a person served by the program to purchase items for which the license holder
122.25 is eligible for reimbursement; or

122.26 (5) use funds of persons served by the program to purchase items for which the facility
122.27 is already receiving public or private payments.

122.28 Subd. 19. **Policies and procedures for program administration required and**
122.29 **enforceable.** (a) The license holder shall develop program policies and procedures necessary
122.30 to maintain compliance with licensing requirements under Minnesota Statutes and Minnesota
122.31 Rules.

123.1 (b) The license holder shall:

123.2 (1) provide training to program staff related to their duties in implementing the program's
123.3 policies and procedures developed under paragraph (a);

123.4 (2) document the provision of this training; and

123.5 (3) monitor implementation of policies and procedures by program staff.

123.6 (c) The license holder shall keep program policies and procedures readily accessible to
123.7 staff and index the policies and procedures with a table of contents or another method
123.8 approved by the commissioner.

123.9 Subd. 20. **Pandemic planning.** Upon request, the license holder must cooperate with
123.10 state and local government disaster planning agencies working to prepare for or react to
123.11 emergencies presented by a pandemic outbreak.

123.12 Subd. 21. **Plan for transfer of clients and records upon closure.** (a) Except for license
123.13 holders who reside on the premises and child care providers, an applicant for initial or
123.14 continuing licensure or certification must submit a written plan indicating how the program
123.15 will ensure the transfer of clients and records for both open and closed cases if the program
123.16 closes. The plan must provide for managing private and confidential information concerning
123.17 program clients. The plan must also provide for notifying affected clients of the closure at
123.18 least 25 days prior to closure, including information on how to access their records. A
123.19 controlling individual of the program must annually review and sign the plan.

123.20 (b) Plans for the transfer of open cases and case records must specify arrangements the
123.21 program will make to transfer clients to another provider or county agency for continuation
123.22 of services and to transfer the case record with the client.

123.23 (c) Plans for the transfer of closed case records must be accompanied by a signed
123.24 agreement or other documentation indicating that a county or a similarly licensed provider
123.25 has agreed to accept and maintain the program's closed case records and to provide follow-up
123.26 services as necessary to affected clients.

123.27 Subd. 22. **Program policy; reporting a death in the program.** Unless such reporting
123.28 is otherwise already required under statute or rule, programs licensed under this chapter
123.29 must have a written policy for reporting the death of an individual served by the program
123.30 to the commissioner of children, youth, and families. Within 24 hours of receiving knowledge
123.31 of the death of an individual served by the program, the license holder shall notify the
123.32 commissioner of the individual's death. If the license holder has reason to know that the
123.33 death has been reported to the commissioner, a subsequent report is not required.

124.1 **Sec. 6. [142B.11] LICENSE APPLICATION AFTER CHANGE OF OWNERSHIP.**

124.2 Subdivision 1. **Transfer prohibited.** A license issued under this chapter is only valid
124.3 for a premises and individual, organization, or government entity identified by the
124.4 commissioner on the license. A license is not transferable or assignable.

124.5 Subd. 2. **Change in ownership.** (a) If the commissioner determines that there is a change
124.6 in ownership, the commissioner shall require submission of a new license application. This
124.7 subdivision does not apply to a licensed program or service located in a home where the
124.8 license holder resides. A change in ownership occurs when:

124.9 (1) the license holder sells or transfers 100 percent of the property, stock, or assets;

124.10 (2) the license holder merges with another organization;

124.11 (3) the license holder consolidates with two or more organizations, resulting in the
124.12 creation of a new organization;

124.13 (4) there is a change to the federal tax identification number associated with the license
124.14 holder; or

124.15 (5) all controlling individuals associated with the original application have changed.

124.16 (b) Notwithstanding paragraph (a), clauses (1) and (5), no change in ownership has
124.17 occurred if at least one controlling individual has been listed as a controlling individual for
124.18 the license for at least the previous 12 months.

124.19 Subd. 3. **Change of ownership process.** (a) When a change in ownership is proposed
124.20 and the party intends to assume operation without an interruption in service longer than 60
124.21 days after acquiring the program or service, the license holder must provide the commissioner
124.22 with written notice of the proposed change on a form provided by the commissioner at least
124.23 60 days before the anticipated date of the change in ownership. For purposes of this
124.24 subdivision and subdivision 4, "party" means the party that intends to operate the service
124.25 or program.

124.26 (b) The party must submit a license application under this chapter on the form and in
124.27 the manner prescribed by the commissioner at least 30 days before the change in ownership
124.28 is complete and must include documentation to support the upcoming change. The party
124.29 must comply with background study requirements under chapter 245C and shall pay the
124.30 application fee required under section 245A.10.

124.31 (c) The commissioner may streamline application procedures when the party is an existing
124.32 license holder under this chapter and is acquiring a program licensed under this chapter or

125.1 service in the same service class as one or more licensed programs or services the party
125.2 operates and those licenses are in substantial compliance. For purposes of this subdivision,
125.3 "substantial compliance" means within the previous 12 months the commissioner did not
125.4 (1) issue a sanction under section 245A.07 against a license held by the party, or (2) make
125.5 a license held by the party conditional according to section 245A.06.

125.6 (d) Except when a temporary change in ownership license is issued pursuant to
125.7 subdivision 4, the existing license holder is solely responsible for operating the program
125.8 according to applicable laws and rules until a license under this chapter is issued to the
125.9 party.

125.10 (e) If a licensing inspection of the program or service was conducted within the previous
125.11 12 months and the existing license holder's license record demonstrates substantial
125.12 compliance with the applicable licensing requirements, the commissioner may waive the
125.13 party's inspection required by section 245A.04, subdivision 4. The party must submit to the
125.14 commissioner (1) proof that the premises was inspected by a fire marshal or that the fire
125.15 marshal deemed that an inspection was not warranted, and (2) proof that the premises was
125.16 inspected for compliance with the building code or that no inspection was deemed warranted.

125.17 (f) If the party is seeking a license for a program or service that has an outstanding action
125.18 under section 245A.06 or 245A.07, the party must submit a letter as part of the application
125.19 process identifying how the party has or will come into full compliance with the licensing
125.20 requirements.

125.21 (g) The commissioner shall evaluate the party's application according to section 245A.04,
125.22 subdivision 6. If the commissioner determines that the party has remedied or demonstrates
125.23 the ability to remedy the outstanding actions under section 245A.06 or 245A.07 and has
125.24 determined that the program otherwise complies with all applicable laws and rules, the
125.25 commissioner shall issue a license or conditional license under this chapter. The conditional
125.26 license remains in effect until the commissioner determines that the grounds for the action
125.27 are corrected or no longer exist.

125.28 (h) The commissioner may deny an application as provided in section 245A.05. An
125.29 applicant whose application was denied by the commissioner may appeal the denial according
125.30 to section 245A.05.

125.31 (i) This subdivision does not apply to a licensed program or service located in a home
125.32 where the license holder resides.

125.33 Subd. 4. **Temporary change in ownership license.** (a) After receiving the party's
125.34 application pursuant to subdivision 3, upon the written request of the existing license holder

126.1 and the party, the commissioner may issue a temporary change in ownership license to the
126.2 party while the commissioner evaluates the party's application. Until a decision is made to
126.3 grant or deny a license under this chapter, the existing license holder and the party shall
126.4 both be responsible for operating the program or service according to applicable laws and
126.5 rules, and the sale or transfer of the existing license holder's ownership interest in the licensed
126.6 program or service does not terminate the existing license.

126.7 (b) The commissioner may issue a temporary change in ownership license when a license
126.8 holder's death, divorce, or other event affects the ownership of the program and an applicant
126.9 seeks to assume operation of the program or service to ensure continuity of the program or
126.10 service while a license application is evaluated.

126.11 (c) This subdivision applies to any program or service licensed under this chapter.

126.12 **Sec. 7. [142B.12] FEES.**

126.13 Subdivision 1. **Application or license fee required, programs exempt from fee.** (a)
126.14 Unless exempt under paragraph (b), the commissioner shall charge a fee for evaluation of
126.15 applications and inspection of programs that are licensed under this chapter.

126.16 (b) Except as provided under subdivision 2, no application or license fee shall be charged
126.17 for child foster care or family and group family child care.

126.18 Subd. 2. **County fees for applications and licensing inspections.** (a) A county agency
126.19 may charge a license fee to an applicant or license holder not to exceed \$50 for a one-year
126.20 license or \$100 for a two-year license.

126.21 (b) Counties may allow providers to pay the applicant fee in paragraph (a) on an
126.22 installment basis for up to one year. If the provider is receiving child care assistance payments
126.23 from the state, the provider may have the fee under paragraph (a) deducted from the child
126.24 care assistance payments for up to one year and the state shall reimburse the county for the
126.25 county fees collected in this manner.

126.26 (c) For purposes of child foster care licensing under this chapter, a county agency may
126.27 charge a fee to a corporate applicant or corporate license holder to recover the actual cost
126.28 of licensing inspections, not to exceed \$500 annually.

126.29 (d) Counties may elect to reduce or waive the fees in paragraph (c) under the following
126.30 circumstances:

126.31 (1) in cases of financial hardship;

126.32 (2) if the county has a shortage of providers in the county's area; or

127.1 (3) for new providers.

127.2 Subd. 3. **Application fee for initial license.** (a) For fees required under subdivision 1,
 127.3 an applicant for an initial license issued by the commissioner shall submit a \$500 application
 127.4 fee with each new application required under this subdivision. The application fee shall not
 127.5 be prorated, is nonrefundable, and is in lieu of the annual license fee that expires on December
 127.6 31. The commissioner shall not process an application until the application fee is paid.

127.7 (b) An applicant shall apply for a license to provide services at a specific location, except
 127.8 an applicant for a license for a private agency to provide foster care or adoption services
 127.9 under Minnesota Rules, parts 9545.0755 to 9545.0845, shall submit a single application to
 127.10 provide services statewide.

127.11 Subd. 4. **License fee for certain programs.** (a) Child care centers shall pay an annual
 127.12 nonrefundable license fee based on the following schedule:

<u>Licensed Capacity</u>	<u>Child Care Center License Fee</u>
<u>1 to 24 persons</u>	<u>\$200</u>
<u>25 to 49 persons</u>	<u>\$300</u>
<u>50 to 74 persons</u>	<u>\$400</u>
<u>75 to 99 persons</u>	<u>\$500</u>
<u>100 to 124 persons</u>	<u>\$600</u>
<u>125 to 149 persons</u>	<u>\$700</u>
<u>150 to 174 persons</u>	<u>\$800</u>
<u>175 to 199 persons</u>	<u>\$900</u>
<u>200 to 224 persons</u>	<u>\$1,000</u>
<u>225 or more persons</u>	<u>\$1,100</u>

127.25 (b) A private agency licensed to provide foster care and adoption services under
 127.26 Minnesota Rules, parts 9545.0755 to 9545.0845, shall pay an annual nonrefundable license
 127.27 fee of \$875.

127.28 Subd. 5. **License not issued until license fee is paid.** The commissioner shall not issue
 127.29 or reissue a license until the license fee is paid. The commissioner shall send a bill for the
 127.30 license fee to the billing address identified by the license holder. If the license holder does
 127.31 not submit the license fee payment by the due date, the commissioner shall send the license
 127.32 holder a past due notice. If the license holder fails to pay the license fee by the due date on
 127.33 the past due notice, the commissioner shall send a final notice to the license holder informing
 127.34 the license holder that the program license will expire on December 31 unless the license
 127.35 fee is paid before December 31. If a license expires, the program is no longer licensed and,

128.1 unless exempt from licensure under section 142B.05, subdivision 2, must not operate after
128.2 the expiration date. After a license expires, if the former license holder wishes to provide
128.3 licensed services, the former license holder must submit a new license application and
128.4 application fee under subdivision 3.

128.5 **Subd. 6. Children, youth, and families licensing fees to recover**
128.6 **expenditures.** Notwithstanding section 16A.1285, subdivision 2, related to activities for
128.7 which the commissioner charges a fee, the commissioner must plan to fully recover direct
128.8 expenditures for licensing activities under this chapter over a five-year period. The
128.9 commissioner may have anticipated expenditures in excess of anticipated revenues in a
128.10 biennium by using surplus revenues accumulated in previous bienniums.

128.11 **Subd. 7. Deposit of license fees.** A children, youth, and families licensing account is
128.12 created in the state government special revenue fund. Fees collected under subdivisions 3
128.13 and 4 must be deposited in the children, youth, and families licensing account and are
128.14 annually appropriated to the commissioner for licensing activities authorized under this
128.15 chapter.

128.16 **Subd. 8. License not reissued until outstanding debt is paid.** The commissioner shall
128.17 not reissue a license until the license holder has paid all outstanding debts related to a
128.18 licensing fine or settlement agreement for which payment is delinquent. If the payment is
128.19 past due, the commissioner shall send a past due notice informing the license holder that
128.20 the program license will expire on December 31 unless the outstanding debt is paid before
128.21 December 31. If a license expires, the program is no longer licensed and must not operate
128.22 after the expiration date. After a license expires, if the former license holder wishes to
128.23 provide licensed services, the former license holder must submit a new license application
128.24 and application fee under subdivision 3.

128.25 **Sec. 8. [142B.15] DENIAL OF APPLICATION.**

128.26 **(a) The commissioner may deny a license if an applicant or controlling individual:**

128.27 **(1) fails to submit a substantially complete application after receiving notice from the**
128.28 **commissioner under section 142B.10, subdivision 1;**

128.29 **(2) fails to comply with applicable laws or rules;**

128.30 **(3) knowingly withholds relevant information from or gives false or misleading**
128.31 **information to the commissioner in connection with an application for a license or during**
128.32 **an investigation;**

129.1 (4) has a disqualification that has not been set aside under section 245C.22 and no
129.2 variance has been granted;

129.3 (5) has an individual living in the household who received a background study under
129.4 section 245C.03, subdivision 1, paragraph (a), clause (2), who has a disqualification that
129.5 has not been set aside under section 245C.22, and no variance has been granted;

129.6 (6) is associated with an individual who received a background study under section
129.7 245C.03, subdivision 1, paragraph (a), clause (6), who may have unsupervised access to
129.8 children or vulnerable adults, and who has a disqualification that has not been set aside
129.9 under section 245C.22, and no variance has been granted;

129.10 (7) fails to comply with section 142B.10, subdivision 1, paragraph (f) or (g);

129.11 (8) fails to demonstrate competent knowledge as required by section 142B.10, subdivision
129.12 13;

129.13 (9) has a history of noncompliance as a license holder or controlling individual with
129.14 applicable laws or rules, including but not limited to this chapter and chapters 142E, 245A,
129.15 and 245C;

129.16 (10) is prohibited from holding a license according to section 142A.12 or 245.095; or

129.17 (11) for a family foster setting, has or has an individual who is living in the household
129.18 where the licensed services are provided or is otherwise subject to a background study who
129.19 has nondisqualifying background study information, as described in section 245C.05,
129.20 subdivision 4, that reflects on the applicant's ability to safely provide care to foster children.

129.21 (b) An applicant whose application has been denied by the commissioner must be given
129.22 notice of the denial, which must state the reasons for the denial in plain language. Notice
129.23 must be given by certified mail, by personal service, or through the provider licensing and
129.24 reporting hub. The notice must state the reasons the application was denied and must inform
129.25 the applicant of the right to a contested case hearing under chapter 14 and Minnesota Rules,
129.26 parts 1400.8505 to 1400.8612. The applicant may appeal the denial by notifying the
129.27 commissioner in writing by certified mail, by personal service, or through the provider
129.28 licensing and reporting hub. If mailed, the appeal must be postmarked and sent to the
129.29 commissioner within 20 calendar days after the applicant received the notice of denial. If
129.30 an appeal request is made by personal service, it must be received by the commissioner
129.31 within 20 calendar days after the applicant received the notice of denial. If the order is issued
129.32 through the provider hub, the appeal must be received by the commissioner within 20

130.1 calendar days from the date the commissioner issued the order through the hub. Section
130.2 142B.20 applies to hearings held to appeal the commissioner's denial of an application.

130.3 **Sec. 9. [142B.16] CORRECTION ORDER AND CONDITIONAL LICENSE.**

130.4 **Subdivision 1. Contents of correction orders and conditional licenses.** (a) If the
130.5 commissioner finds that the applicant or license holder has failed to comply with an
130.6 applicable law or rule and this failure does not imminently endanger the health, safety, or
130.7 rights of the persons served by the program, the commissioner may issue a correction order
130.8 and an order of conditional license to the applicant or license holder. When issuing a
130.9 conditional license, the commissioner shall consider the nature, chronicity, or severity of
130.10 the violation of law or rule and the effect of the violation on the health, safety, or rights of
130.11 persons served by the program. The correction order or conditional license must state the
130.12 following in plain language:

130.13 (1) the conditions that constitute a violation of the law or rule;

130.14 (2) the specific law or rule violated;

130.15 (3) the time allowed to correct each violation; and

130.16 (4) if a license is made conditional, the length and terms of the conditional license, and
130.17 the reasons for making the license conditional.

130.18 (b) Nothing in this section prohibits the commissioner from proposing a sanction as
130.19 specified in section 142B.18, prior to issuing a correction order or conditional license.

130.20 (c) The commissioner may issue a correction order and an order of conditional license
130.21 to the applicant or license holder through the provider licensing and reporting hub.

130.22 **Subd. 2. Reconsideration of correction orders.** (a) If the applicant or license holder
130.23 believes that the contents of the commissioner's correction order are in error, the applicant
130.24 or license holder may ask the Department of Children, Youth, and Families to reconsider
130.25 the parts of the correction order that are alleged to be in error. The request for reconsideration
130.26 must be made in writing and must be postmarked and sent to the commissioner within 20
130.27 calendar days after receipt of the correction order by the applicant or license holder or
130.28 submitted in the provider licensing and reporting hub within 20 calendar days from the date
130.29 the commissioner issued the order through the hub, and:

130.30 (1) specify the parts of the correction order that are alleged to be in error;

130.31 (2) explain why they are in error; and

130.32 (3) include documentation to support the allegation of error.

131.1 Upon implementation of the provider licensing and reporting hub, the provider must use
131.2 the hub to request reconsideration. A request for reconsideration does not stay any provisions
131.3 or requirements of the correction order. The commissioner's disposition of a request for
131.4 reconsideration is final and not subject to appeal under chapter 14.

131.5 (b) This paragraph applies only to licensed family child care providers. A licensed family
131.6 child care provider who requests reconsideration of a correction order under paragraph (a)
131.7 may also request, on a form and in the manner prescribed by the commissioner, that the
131.8 commissioner expedite the review if:

131.9 (1) the provider is challenging a violation and provides a description of how complying
131.10 with the corrective action for that violation would require the substantial expenditure of
131.11 funds or a significant change to their program; and

131.12 (2) describes what actions the provider will take in lieu of the corrective action ordered
131.13 to ensure the health and safety of children in care pending the commissioner's review of the
131.14 correction order.

131.15 Subd. 3. **Failure to comply.** If the commissioner finds that the applicant or license holder
131.16 has not corrected the violations specified in the correction order or conditional license, the
131.17 commissioner may impose a fine and order other licensing sanctions pursuant to section
131.18 142B.18.

131.19 Subd. 4. **Notice of conditional license; reconsideration of conditional license.** (a) If
131.20 a license is made conditional, the license holder must be notified of the order by certified
131.21 mail, by personal service, or through the provider licensing and reporting hub. If mailed,
131.22 the notice must be mailed to the address shown on the application or the last known address
131.23 of the license holder. The notice must state the reasons the conditional license was ordered
131.24 and must inform the license holder of the right to request reconsideration of the conditional
131.25 license by the commissioner. The license holder may request reconsideration of the order
131.26 of conditional license by notifying the commissioner by certified mail, by personal service,
131.27 or through the provider licensing and reporting hub. The request must be made in writing.
131.28 If sent by certified mail, the request must be postmarked and sent to the commissioner within
131.29 ten calendar days after the license holder received the order. If a request is made by personal
131.30 service, it must be received by the commissioner within ten calendar days after the license
131.31 holder received the order. If the order is issued through the provider hub, the request must
131.32 be received by the commissioner within ten calendar days from the date the commissioner
131.33 issued the order through the hub. The license holder may submit with the request for
131.34 reconsideration written argument or evidence in support of the request for reconsideration.

132.1 A timely request for reconsideration shall stay imposition of the terms of the conditional
132.2 license until the commissioner issues a decision on the request for reconsideration. If the
132.3 commissioner issues a dual order of conditional license under this section and an order to
132.4 pay a fine under section 142B.18, subdivision 6, the license holder has a right to a contested
132.5 case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The
132.6 scope of the contested case hearing shall include the fine and the conditional license. In this
132.7 case, a reconsideration of the conditional license will not be conducted under this section.
132.8 If the license holder does not appeal the fine, the license holder does not have a right to a
132.9 contested case hearing and a reconsideration of the conditional license must be conducted
132.10 under this subdivision.

132.11 (b) The commissioner's disposition of a request for reconsideration is final and not
132.12 subject to appeal under chapter 14.

132.13 **Sec. 10. [142B.18] SANCTIONS.**

132.14 Subdivision 1. **Sanctions; appeals; license.** (a) In addition to making a license conditional
132.15 under section 142B.16, the commissioner may suspend or revoke the license, impose a fine,
132.16 or secure an injunction against the continuing operation of the program of a license holder
132.17 who:

132.18 (1) does not comply with applicable law or rule;

132.19 (2) has nondisqualifying background study information, as described in section 245C.05,
132.20 subdivision 4, that reflects on the license holder's ability to safely provide care to foster
132.21 children; or

132.22 (3) has an individual living in the household where the licensed services are provided
132.23 or is otherwise subject to a background study, and the individual has nondisqualifying
132.24 background study information, as described in section 245C.05, subdivision 4, that reflects
132.25 on the license holder's ability to safely provide care to foster children.

132.26 When applying sanctions authorized under this section, the commissioner shall consider
132.27 the nature, chronicity, or severity of the violation of law or rule and the effect of the violation
132.28 on the health, safety, or rights of persons served by the program.

132.29 (b) If a license holder appeals the suspension or revocation of a license and the license
132.30 holder continues to operate the program pending a final order on the appeal, the commissioner
132.31 shall issue the license holder a temporary provisional license. Unless otherwise specified
132.32 by the commissioner, variances in effect on the date of the license sanction under appeal
132.33 continue under the temporary provisional license. If a license holder fails to comply with

133.1 applicable law or rule while operating under a temporary provisional license, the
133.2 commissioner may impose additional sanctions under this section and section 142B.16 and
133.3 may terminate any prior variance. If a temporary provisional license is set to expire, a new
133.4 temporary provisional license shall be issued to the license holder upon payment of any fee
133.5 required under section 142B.12. The temporary provisional license shall expire on the date
133.6 the final order is issued. If the license holder prevails on the appeal, a new nonprovisional
133.7 license shall be issued for the remainder of the current license period.

133.8 (c) If a license holder is under investigation and the license issued under this chapter is
133.9 due to expire before completion of the investigation, the program shall be issued a new
133.10 license upon completion of the reapplication requirements and payment of any applicable
133.11 license fee. Upon completion of the investigation, a licensing sanction may be imposed
133.12 against the new license under this section or section 142B.16 or 142B.20.

133.13 (d) Failure to reapply or closure of a license issued under this chapter by the license
133.14 holder prior to the completion of any investigation shall not preclude the commissioner
133.15 from issuing a licensing sanction under this section or section 142B.16 at the conclusion of
133.16 the investigation.

133.17 Subd. 2. **Temporary immediate suspension.** (a) The commissioner shall act immediately
133.18 to temporarily suspend a license issued under this chapter if:

133.19 (1) the license holder's actions or failure to comply with applicable law or rule, or the
133.20 actions of other individuals or conditions in the program, pose an imminent risk of harm to
133.21 the health, safety, or rights of persons served by the program;

133.22 (2) while the program continues to operate pending an appeal of an order of revocation,
133.23 the commissioner identifies one or more subsequent violations of law or rule that may
133.24 adversely affect the health or safety of persons served by the program; or

133.25 (3) the license holder is criminally charged in state or federal court with an offense that
133.26 involves fraud or theft against a program administered by the commissioner.

133.27 (b) No state funds shall be made available or be expended by any agency or department
133.28 of state, county, or municipal government for use by a license holder regulated under this
133.29 chapter while a license issued under this chapter is under immediate suspension. A notice
133.30 stating the reasons for the immediate suspension and informing the license holder of the
133.31 right to an expedited hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to
133.32 1400.8612, must be delivered by personal service to the address shown on the application
133.33 or the last known address of the license holder. The license holder may appeal an order
133.34 immediately suspending a license. The appeal of an order immediately suspending a license

134.1 must be made in writing by certified mail, personal service, or other means expressly set
134.2 forth in the commissioner's order. If mailed, the appeal must be postmarked and sent to the
134.3 commissioner within five calendar days after the license holder receives notice that the
134.4 license has been immediately suspended. If a request is made by personal service, it must
134.5 be received by the commissioner within five calendar days after the license holder received
134.6 the order. A license holder and any controlling individual shall discontinue operation of the
134.7 program upon receipt of the commissioner's order to immediately suspend the license.

134.8 Subd. 3. **Immediate suspension expedited hearing.** (a) Within five working days of
134.9 receipt of the license holder's timely appeal, the commissioner shall request assignment of
134.10 an administrative law judge. The request must include a proposed date, time, and place of
134.11 a hearing. A hearing must be conducted by an administrative law judge within 30 calendar
134.12 days of the request for assignment, unless an extension is requested by either party and
134.13 granted by the administrative law judge for good cause. The commissioner shall issue a
134.14 notice of hearing by certified mail or personal service at least ten working days before the
134.15 hearing. The scope of the hearing shall be limited solely to the issue of whether the temporary
134.16 immediate suspension should remain in effect pending the commissioner's final order under
134.17 section 142B.20, regarding a licensing sanction issued under subdivision 5 following the
134.18 immediate suspension. For suspensions under subdivision 2, paragraph (a), clause (1), the
134.19 burden of proof in expedited hearings under this subdivision shall be limited to the
134.20 commissioner's demonstration that reasonable cause exists to believe that the license holder's
134.21 actions or failure to comply with applicable law or rule poses, or the actions of other
134.22 individuals or conditions in the program poses an imminent risk of harm to the health, safety,
134.23 or rights of persons served by the program. "Reasonable cause" means there exist specific
134.24 articulable facts or circumstances that provide the commissioner with a reasonable suspicion
134.25 that there is an imminent risk of harm to the health, safety, or rights of persons served by
134.26 the program. When the commissioner has determined there is reasonable cause to order the
134.27 temporary immediate suspension of a license based on a violation of safe sleep requirements,
134.28 as defined in section 142B.46, the commissioner is not required to demonstrate that an infant
134.29 died or was injured as a result of the safe sleep violations. For suspensions under subdivision
134.30 2, paragraph (a), clause (2), the burden of proof in expedited hearings under this subdivision
134.31 shall be limited to the commissioner's demonstration by a preponderance of the evidence
134.32 that, since the license was revoked, the license holder committed additional violations of
134.33 law or rule that may adversely affect the health or safety of persons served by the program.

134.34 (b) The administrative law judge shall issue findings of fact, conclusions, and a
134.35 recommendation within ten working days from the date of hearing. The parties shall have

135.1 ten calendar days to submit exceptions to the administrative law judge's report. The record
135.2 shall close at the end of the ten-day period for submission of exceptions. The commissioner's
135.3 final order shall be issued within ten working days from the close of the record. When an
135.4 appeal of a temporary immediate suspension is withdrawn or dismissed, the commissioner
135.5 shall issue a final order affirming the temporary immediate suspension within ten calendar
135.6 days of the commissioner's receipt of the withdrawal or dismissal. Within 90 calendar days
135.7 after an immediate suspension has been issued and the license holder has not submitted a
135.8 timely appeal under subdivision 2, paragraph (b), or within 90 calendar days after a final
135.9 order affirming an immediate suspension, the commissioner shall determine:

135.10 (1) whether a final licensing sanction shall be issued under subdivision 5, paragraph (a),
135.11 clauses (1) to (6). The license holder shall continue to be prohibited from operation of the
135.12 program during this 90-day period; or

135.13 (2) whether the outcome of related, ongoing investigations or judicial proceedings are
135.14 necessary to determine if a final licensing sanction under subdivision 5, paragraph (a),
135.15 clauses (1) to (6), will be issued and whether persons served by the program remain at an
135.16 imminent risk of harm during the investigation period or proceedings. If so, the commissioner
135.17 shall issue a suspension order under subdivision 5, paragraph (a), clause (7).

135.18 (c) When the final order under paragraph (b) affirms an immediate suspension, or the
135.19 license holder does not submit a timely appeal of the immediate suspension, and a final
135.20 licensing sanction is issued under subdivision 5 and the license holder appeals that sanction,
135.21 the license holder continues to be prohibited from operation of the program pending a final
135.22 commissioner's order under section 142B.20, subdivision 6, regarding the final licensing
135.23 sanction.

135.24 (d) The license holder shall continue to be prohibited from operation of the program
135.25 while a suspension order issued under paragraph (b), clause (2), remains in effect.

135.26 (e) For suspensions under subdivision 2, paragraph (a), clause (3), the burden of proof
135.27 in expedited hearings under this subdivision shall be limited to the commissioner's
135.28 demonstration by a preponderance of the evidence that a criminal complaint and warrant
135.29 or summons was issued for the license holder that was not dismissed, and that the criminal
135.30 charge is an offense that involves fraud or theft against a program administered by the
135.31 commissioner.

135.32 Subd. 4. **Immediate suspension of residential programs.** For suspensions issued to a
135.33 licensed residential program as defined in section 142B.01, subdivision 24, the effective
135.34 date of the order may be delayed for up to 30 calendar days to provide for the continuity of

136.1 care of service recipients. The license holder must cooperate with the commissioner to
136.2 ensure service recipients receive continued care during the period of the delay and to facilitate
136.3 the transition of service recipients to new providers. In these cases, the suspension order
136.4 takes effect when all service recipients have been transitioned to a new provider or 30 days
136.5 after the suspension order was issued, whichever comes first.

136.6 Subd. 5. License suspension, revocation, or fine. (a) The commissioner may suspend
136.7 or revoke a license, or impose a fine if:

136.8 (1) a license holder fails to comply fully with applicable laws or rules including but not
136.9 limited to the requirements of this chapter and chapter 245C;

136.10 (2) a license holder, a controlling individual, or an individual living in the household
136.11 where the licensed services are provided or is otherwise subject to a background study has
136.12 been disqualified and the disqualification was not set aside and no variance has been granted;

136.13 (3) a license holder knowingly withholds relevant information from or gives false or
136.14 misleading information to the commissioner in connection with an application for a license,
136.15 in connection with the background study status of an individual, during an investigation,
136.16 or regarding compliance with applicable laws or rules;

136.17 (4) a license holder is excluded from any program administered by the commissioner
136.18 under section 142A.12;

136.19 (5) revocation is required under section 142B.10, subdivision 14, paragraph (d);

136.20 (6) for a family foster setting, a license holder, or an individual living in the household
136.21 where the licensed services are provided or who is otherwise subject to a background study,
136.22 has nondisqualifying background study information, as described in section 245C.05,
136.23 subdivision 4, that reflects on the license holder's ability to safely provide care to foster
136.24 children; or

136.25 (7) suspension is necessary under subdivision 3, paragraph (b), clause (2).

136.26 A license holder who has had a license issued under this chapter suspended, revoked, or
136.27 has been ordered to pay a fine must be given notice of the action by certified mail, by
136.28 personal service, or through the provider licensing and reporting hub. If mailed, the notice
136.29 must be mailed to the address shown on the application or the last known address of the
136.30 license holder. The notice must state in plain language the reasons the license was suspended
136.31 or revoked, or a fine was ordered.

136.32 (b) If the license was suspended or revoked, the notice must inform the license holder
136.33 of the right to a contested case hearing under chapter 14 and Minnesota Rules, parts

137.1 1400.8505 to 1400.8612. The license holder may appeal an order suspending or revoking
137.2 a license. The appeal of an order suspending or revoking a license must be made in writing
137.3 by certified mail, by personal service, or through the provider licensing and reporting hub.
137.4 If mailed, the appeal must be postmarked and sent to the commissioner within ten calendar
137.5 days after the license holder receives notice that the license has been suspended or revoked.
137.6 If a request is made by personal service, it must be received by the commissioner within
137.7 ten calendar days after the license holder received the order. If the order is issued through
137.8 the provider hub, the appeal must be received by the commissioner within ten calendar days
137.9 from the date the commissioner issued the order through the hub. Except as provided in
137.10 subdivision 3, paragraph (c), if a license holder submits a timely appeal of an order
137.11 suspending or revoking a license, the license holder may continue to operate the program
137.12 as provided under section 142B.10, subdivision 14, paragraphs (i) and (j), until the
137.13 commissioner issues a final order on the suspension or revocation.

137.14 (c)(1) If the license holder was ordered to pay a fine, the notice must inform the license
137.15 holder of the responsibility for payment of fines and the right to a contested case hearing
137.16 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal of an
137.17 order to pay a fine must be made in writing by certified mail, by personal service, or through
137.18 the provider licensing and reporting hub. If mailed, the appeal must be postmarked and sent
137.19 to the commissioner within ten calendar days after the license holder receives notice that
137.20 the fine has been ordered. If a request is made by personal service, it must be received by
137.21 the commissioner within ten calendar days after the license holder received the order. If the
137.22 order is issued through the provider hub, the appeal must be received by the commissioner
137.23 within ten calendar days from the date the commissioner issued the order through the hub.

137.24 (2) The license holder shall pay the fines assessed on or before the payment date specified.
137.25 If the license holder fails to fully comply with the order, the commissioner may issue a
137.26 second fine or suspend the license until the license holder complies. If the license holder
137.27 receives state funds, the state, county, or municipal agencies or departments responsible for
137.28 administering the funds shall withhold payments and recover any payments made while the
137.29 license is suspended for failure to pay a fine. A timely appeal shall stay payment of the fine
137.30 until the commissioner issues a final order.

137.31 (3) A license holder shall promptly notify the commissioner of children, youth, and
137.32 families, in writing, when a violation specified in the order to forfeit a fine is corrected. If
137.33 upon reinspection the commissioner determines that a violation has not been corrected as
137.34 indicated by the order to forfeit a fine, the commissioner may issue a second fine. The
137.35 commissioner shall notify the license holder by certified mail, by personal service, or through

138.1 the provider licensing and reporting hub that a second fine has been assessed. The license
138.2 holder may appeal the second fine as provided under this subdivision.

138.3 (4) Fines shall be assessed as follows:

138.4 (i) the license holder shall forfeit \$1,000 for each determination of maltreatment of a
138.5 child under chapter 260E or the maltreatment of a vulnerable adult under section 626.557
138.6 for which the license holder is determined responsible for the maltreatment under section
138.7 260E.30, subdivision 4, paragraphs (a) and (b), or 626.557, subdivision 9c, paragraph (c);

138.8 (ii) if the commissioner determines that a determination of maltreatment for which the
138.9 license holder is responsible is the result of maltreatment that meets the definition of serious
138.10 maltreatment as defined in section 245C.02, subdivision 18, the license holder shall forfeit
138.11 \$5,000;

138.12 (iii) for a program that operates out of the license holder's home and a program licensed
138.13 under Minnesota Rules, parts 9502.0300 to 9502.0445, the fine assessed against the license
138.14 holder shall not exceed \$1,000 for each determination of maltreatment;

138.15 (iv) the license holder shall forfeit \$200 for each occurrence of a violation of law or rule
138.16 governing matters of health, safety, or supervision, including but not limited to the provision
138.17 of adequate staff-to-child or adult ratios, and failure to comply with background study
138.18 requirements under chapter 245C; and

138.19 (v) the license holder shall forfeit \$100 for each occurrence of a violation of law or rule
138.20 other than those subject to a \$5,000, \$1,000, or \$200 fine in items (i) to (iv).

138.21 (5) When a fine has been assessed, the license holder may not avoid payment by closing,
138.22 selling, or otherwise transferring the licensed program to a third party. In such an event, the
138.23 license holder will be personally liable for payment. In the case of a corporation, each
138.24 controlling individual is personally and jointly liable for payment.

138.25 (d) Except for background study violations involving the failure to comply with an order
138.26 to immediately remove an individual or an order to provide continuous, direct supervision,
138.27 the commissioner shall not issue a fine under paragraph (c) relating to a background study
138.28 violation to a license holder who self-corrects a background study violation before the
138.29 commissioner discovers the violation. A license holder who has previously exercised the
138.30 provisions of this paragraph to avoid a fine for a background study violation may not avoid
138.31 a fine for a subsequent background study violation unless at least 365 days have passed
138.32 since the license holder self-corrected the earlier background study violation.

139.1 Subd. 6. Appeal of multiple sanctions. (a) When the license holder appeals more than
139.2 one licensing action or sanction that were simultaneously issued by the commissioner, the
139.3 license holder shall specify the actions or sanctions that are being appealed.

139.4 (b) If there are different timelines prescribed in statutes for the licensing actions or
139.5 sanctions being appealed, the license holder must submit the appeal within the longest of
139.6 those timelines specified in statutes.

139.7 (c) The appeal must be made in writing by certified mail or personal service. If mailed,
139.8 the appeal must be postmarked and sent to the commissioner within the prescribed timeline
139.9 with the first day beginning the day after the license holder receives the certified letter. If
139.10 a request is made by personal service, it must be received by the commissioner within the
139.11 prescribed timeline with the first day beginning the day after the license holder receives the
139.12 certified letter.

139.13 (d) When there are different timelines prescribed in statutes for the appeal of licensing
139.14 actions or sanctions simultaneously issued by the commissioner, the commissioner shall
139.15 specify in the notice to the license holder the timeline for appeal as specified under paragraph
139.16 (b).

139.17 Subd. 7. Time frame for conducting hearing. Within 15 working days of receipt of
139.18 the license holder's timely appeal of a sanction under this section other than a temporary
139.19 immediate suspension, the commissioner shall request assignment of an administrative law
139.20 judge. The commissioner's request must include a proposed date, time, and place of a hearing.
139.21 A hearing must be conducted by an administrative law judge within 90 calendar days of the
139.22 request for assignment, unless an extension is requested by either party and granted by the
139.23 administrative law judge for good cause or for purposes of discussing settlement. In no case
139.24 shall one or more extensions be granted for a total of more than 90 calendar days unless
139.25 there is a criminal or juvenile court action pending against the license holder or another
139.26 individual subject to a background study.

139.27 Sec. 11. [142B.19] DISQUALIFIED INDIVIDUAL; DENIAL, CONDITIONAL
139.28 LICENSE, REVOCATION.

139.29 (a) For the purpose of keeping a disqualified individual away from individuals receiving
139.30 services in a license holder's home, when the disqualified individual has not received a
139.31 set-aside and a variance has not been granted under chapter 245C, the commissioner may
139.32 issue:

139.33 (1) an order of denial of an application;

140.1 (2) an order of conditional license; or

140.2 (3) an order of revocation.

140.3 (b) An order issued by the commissioner under this section is subject to notice and appeal
140.4 rights provided under this chapter as follows:

140.5 (1) an order of denial of an application according to section 142B.15;

140.6 (2) an order of conditional license according to section 142B.16; and

140.7 (3) an order of revocation of a license according to section 142B.18.

140.8 **Sec. 12. [142B.20] HEARINGS.**

140.9 Subdivision 1. **Receipt of appeal; conduct of hearing.** Upon receiving a timely appeal
140.10 or petition pursuant to section 142B.15; 142B.18, subdivision 6; or 245C.28, the
140.11 commissioner shall issue a notice of and order for hearing to the appellant under chapter
140.12 14 and Minnesota Rules, parts 1400.8505 to 1400.8612.

140.13 Subd. 2. **Conduct of hearings.** At any hearing provided for by section 142B.15; 142B.18,
140.14 subdivision 6; or 245C.28, the appellant may be represented by counsel and has the right
140.15 to call, examine, and cross-examine witnesses. The administrative law judge may require
140.16 the presence of witnesses and evidence by subpoena on behalf of any party.

140.17 Subd. 3. **Consolidated contested case hearings.** (a) When a denial of a license under
140.18 section 142B.15 or a licensing sanction under section 142B.18, subdivision 6, is based on
140.19 a disqualification for which reconsideration was timely requested and which was not set
140.20 aside under section 245C.22, the scope of the contested case hearing shall include the
140.21 disqualification and the licensing sanction or denial of a license, unless otherwise specified
140.22 in this subdivision. When the licensing sanction or denial of a license is based on a
140.23 determination of maltreatment under section 626.557 or chapter 260E, or a disqualification
140.24 for serious or recurring maltreatment that was not set aside, the scope of the contested case
140.25 hearing shall include the maltreatment determination, disqualification, and the licensing
140.26 sanction or denial of a license, unless otherwise specified in this subdivision. In these cases,
140.27 a fair hearing under section 142A.20 shall not be conducted as provided in sections 245C.27,
140.28 260E.33, and 626.557, subdivision 9d.

140.29 (b) Except for family child care and child foster care, reconsideration of a maltreatment
140.30 determination under sections 260E.33 and 626.557, subdivision 9d, and reconsideration of
140.31 a disqualification under section 245C.22, shall not be conducted when:

141.1 (1) a denial of a license under section 142B.15, or a licensing sanction under section
141.2 142B.18, is based on a determination that the license holder is responsible for maltreatment
141.3 or the disqualification of a license holder is based on serious or recurring maltreatment;

141.4 (2) the denial of a license or licensing sanction is issued at the same time as the
141.5 maltreatment determination or disqualification; and

141.6 (3) the license holder appeals the maltreatment determination or disqualification, and
141.7 denial of a license or licensing sanction. In these cases, a fair hearing shall not be conducted
141.8 under sections 245C.27, 260E.33, and 626.557, subdivision 9d. The scope of the contested
141.9 case hearing must include the maltreatment determination, disqualification, and denial of
141.10 a license or licensing sanction.

141.11 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment
141.12 determination or disqualification, but does not appeal the denial of a license or a licensing
141.13 sanction, reconsideration of the maltreatment determination shall be conducted under sections
141.14 260E.33 and 626.557, subdivision 9d, and reconsideration of the disqualification shall be
141.15 conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as
141.16 provided under sections 245C.27, 260E.33, and 626.557, subdivision 9d.

141.17 (c) In consolidated contested case hearings regarding sanctions issued in family child
141.18 care and child foster care, the county attorney shall defend the commissioner's orders in
141.19 accordance with section 142B.30, subdivision 4.

141.20 (d) The commissioner's final order under subdivision 6 is the final agency action on the
141.21 issue of maltreatment and disqualification, including for purposes of subsequent background
141.22 studies under chapter 245C and is the only administrative appeal of the final agency
141.23 determination, including a challenge to the accuracy and completeness of data under section
141.24 13.04.

141.25 (e) When consolidated hearings under this subdivision involve a licensing sanction based
141.26 on a previous maltreatment determination for which the commissioner has issued a final
141.27 order in an appeal of that determination under section 142A.20 or the individual failed to
141.28 exercise the right to appeal the previous maltreatment determination under section 260E.33
141.29 or 626.557, subdivision 9d, the commissioner's order is conclusive on the issue of
141.30 maltreatment. In such cases, the scope of the administrative law judge's review shall be
141.31 limited to the disqualification and the licensing sanction or denial of a license. In the case
141.32 of a denial of a license or a licensing sanction issued to a facility based on a maltreatment
141.33 determination regarding an individual who is not the license holder or a household member,
141.34 the scope of the administrative law judge's review includes the maltreatment determination.

142.1 (f) The hearings of all parties may be consolidated into a single contested case hearing
142.2 upon consent of all parties and the administrative law judge, if:

142.3 (1) a maltreatment determination or disqualification that was not set aside under section
142.4 245C.22 is the basis for a denial of a license under section 245A.05 or a licensing sanction
142.5 under section 245A.07;

142.6 (2) the disqualified subject is an individual other than the license holder and upon whom
142.7 a background study must be conducted under section 245C.03; and

142.8 (3) the individual has a hearing right under section 245C.27.

142.9 (g) When a denial of a license under section 142B.15 or a licensing sanction under
142.10 section 142B.18 is based on a disqualification for which reconsideration was requested and
142.11 was not set aside under section 245C.22, and the individual otherwise has no hearing right
142.12 under section 245C.27, the scope of the administrative law judge's review shall include the
142.13 denial or sanction and a determination whether the disqualification should be set aside,
142.14 unless section 245C.24 prohibits the set-aside of the disqualification. In determining whether
142.15 the disqualification should be set aside, the administrative law judge shall consider the
142.16 factors under section 245C.22, subdivision 4, to determine whether the individual poses a
142.17 risk of harm to any person receiving services from the license holder.

142.18 (h) Notwithstanding section 245C.30, subdivision 5, when a licensing sanction under
142.19 section 142B.18 is based on the termination of a variance under section 245C.30, subdivision
142.20 4, the scope of the administrative law judge's review shall include the sanction and a
142.21 determination whether the disqualification should be set aside, unless section 245C.24
142.22 prohibits the set-aside of the disqualification. In determining whether the disqualification
142.23 should be set aside, the administrative law judge shall consider the factors under section
142.24 245C.22, subdivision 4, to determine whether the individual poses a risk of harm to any
142.25 person receiving services from the license holder.

142.26 Subd. 4. **Burden of proof.** (a) At a hearing regarding a licensing sanction under section
142.27 142B.18, including consolidated hearings under subdivision 3, the commissioner may
142.28 demonstrate reasonable cause for action taken by submitting statements, reports, or affidavits
142.29 to substantiate the allegations that the license holder failed to comply fully with applicable
142.30 law or rule. If the commissioner demonstrates that reasonable cause existed, the burden of
142.31 proof shifts to the license holder to demonstrate by a preponderance of the evidence that
142.32 the license holder was in full compliance with those laws or rules that the commissioner
142.33 alleges the license holder violated, at the time that the commissioner alleges the violations
142.34 of law or rules occurred.

143.1 (b) At a hearing on denial of an application, the applicant bears the burden of proof to
143.2 demonstrate by a preponderance of the evidence that the appellant has complied fully with
143.3 this chapter and other applicable law or rule and that the application should be approved
143.4 and a license granted.

143.5 Subd. 5. **Recommendation of administrative law judge.** The administrative law judge
143.6 shall recommend whether or not the commissioner's order should be affirmed. The
143.7 recommendations must be consistent with this chapter and the rules of the commissioner.
143.8 The recommendations must be in writing and accompanied by findings of fact and
143.9 conclusions and must be mailed to the parties by certified mail to their last known addresses
143.10 as shown on the license or application.

143.11 Subd. 6. **Notice of commissioner's final order.** After considering the findings of fact,
143.12 conclusions, and recommendations of the administrative law judge, the commissioner shall
143.13 issue a final order. The commissioner shall consider, but shall not be bound by, the
143.14 recommendations of the administrative law judge. The appellant must be notified of the
143.15 commissioner's final order as required by chapter 14 and Minnesota Rules, parts 1400.8505
143.16 to 1400.8612. The notice must also contain information about the appellant's rights under
143.17 chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The institution of
143.18 proceedings for judicial review of the commissioner's final order shall not stay the
143.19 enforcement of the final order except as provided in section 14.65.

143.20 Subd. 7. **Granting subsequent license.** (a) A license holder and each controlling
143.21 individual of a license holder whose license has been revoked under this chapter or chapter
143.22 245A because of noncompliance with applicable law or rule must not be granted a license
143.23 for five years following the revocation. Notwithstanding the five-year restriction, when a
143.24 license is revoked under this chapter or chapter 245A because a person, other than the license
143.25 holder, resides in the home where services are provided and that person has a disqualification
143.26 that is not set aside and no variance has been granted, the former license holder may reapply
143.27 for a license when:

143.28 (1) the person with a disqualification, who is not a minor child, is no longer residing in
143.29 the home and is prohibited from residing in or returning to the home; or

143.30 (2) the person with the disqualification is a minor child, the restriction applies until the
143.31 minor child becomes an adult and permanently moves away from the home or five years,
143.32 whichever is less.

143.33 (b) An applicant or controlling individual whose application was denied under this
143.34 chapter or chapter 245A must not be granted a license for two years following a denial,

144.1 unless the applicant's subsequent application contains new information which constitutes a
144.2 substantial change in the conditions that caused the previous denial. The addition of a new
144.3 co-applicant in a subsequent application does not constitute a substantial change. If an
144.4 applicant or controlling individual whose application was denied under this chapter or
144.5 chapter 245A is affiliated with a subsequent application, and two years have not passed
144.6 since the denial, the subsequent application must be denied.

144.7 Sec. 13. **[142B.21] SETTLEMENT AGREEMENT.**

144.8 (a) A license holder who has made a timely appeal pursuant to section 142B.16,
144.9 subdivision 4, or 142B.18, subdivision 6, or the commissioner may initiate a discussion
144.10 about a possible settlement agreement related to the licensing sanction. For the purposes of
144.11 this section, the following conditions apply to a settlement agreement reached by the parties:

144.12 (1) if the parties enter into a settlement agreement, the effect of the agreement shall be
144.13 that the appeal is withdrawn and the agreement shall constitute the full agreement between
144.14 the commissioner and the party who filed the appeal; and

144.15 (2) the settlement agreement must identify the agreed-upon actions the license holder
144.16 has taken and will take in order to achieve and maintain compliance with the licensing
144.17 requirements that the commissioner determined the license holder had violated.

144.18 (b) Neither the license holder nor the commissioner is required to initiate a settlement
144.19 discussion under this section.

144.20 (c) If a settlement discussion is initiated by the license holder, the commissioner shall
144.21 respond to the license holder within 14 calendar days of receipt of the license holder's
144.22 submission.

144.23 (d) If the commissioner agrees to engage in settlement discussions, the commissioner
144.24 may decide at any time not to continue settlement discussions with a license holder.

144.25 Sec. 14. **[142B.22] CONSOLIDATION OF HEARINGS; RECONSIDERATION.**

144.26 Hearings authorized under this chapter, sections 142A.20 and 626.557, and chapters
144.27 245C and 260E pursuant to the commissioner's power under section 142A.09 must be
144.28 consolidated if feasible and in accordance with other applicable statutes and rules.

144.29 Sec. 15. **[142B.25] CLOSING A LICENSE.**

144.30 Subdivision 1. **Inactive programs.** The commissioner may close a license if the
144.31 commissioner determines that a licensed program has not been serving any client for a

145.1 consecutive period of 12 months or longer. The license holder is not prohibited from
145.2 reapplying for a license if the license holder's license was closed under this chapter.

145.3 Subd. 2. **Reconsideration of closure.** If a license is closed, the commissioner must
145.4 notify the license holder of closure by certified mail, by personal service, or through the
145.5 provider licensing and reporting hub. If mailed, the notice of closure must be mailed to the
145.6 last known address of the license holder and must inform the license holder why the license
145.7 was closed and that the license holder has the right to request reconsideration of the closure.
145.8 If the license holder believes that the license was closed in error, the license holder may ask
145.9 the commissioner to reconsider the closure. The license holder's request for reconsideration
145.10 must be made in writing and must include documentation that the licensed program has
145.11 served a client in the previous 12 months. The request for reconsideration must be postmarked
145.12 and sent to the commissioner or submitted through the provider licensing and reporting hub
145.13 within 20 calendar days after the license holder receives the notice of closure. Upon
145.14 implementation of the provider licensing and reporting hub, the provider must use the hub
145.15 to request reconsideration. If the order is issued through the provider hub, the reconsideration
145.16 must be received by the commissioner within 20 calendar days from the date the
145.17 commissioner issued the order through the hub. A timely request for reconsideration stays
145.18 imposition of the license closure until the commissioner issues a decision on the request for
145.19 reconsideration.

145.20 Subd. 3. **Reconsideration final.** The commissioner's disposition of a request for
145.21 reconsideration is final and not subject to appeal under chapter 14.

145.22 Sec. 16. **[142B.30] STANDARDS FOR COUNTY AGENCIES AND PRIVATE**
145.23 **AGENCIES.**

145.24 Subdivision 1. **Delegation of authority to agencies.** (a) County agencies and private
145.25 agencies that have been designated or licensed by the commissioner to perform licensing
145.26 functions and activities under section 142B.10 and background studies for family child care
145.27 under chapter 245C; to recommend denial of applicants under section 142B.15; to issue
145.28 correction orders, to issue variances, and to recommend a conditional license under section
145.29 142B.16; or to recommend suspending or revoking a license or issuing a fine under section
145.30 142B.18, shall comply with rules and directives of the commissioner governing those
145.31 functions and with this section. The following variances are excluded from the delegation
145.32 of variance authority and may be issued only by the commissioner:

145.33 (1) dual licensure of family child care and family child foster care, dual licensure of
145.34 family child foster care and family adult foster care, dual licensure of child foster residence

146.1 setting and community residential setting, and dual licensure of family adult foster care and
146.2 family child care;

146.3 (2) child foster care maximum age requirement;

146.4 (3) variances regarding disqualified individuals;

146.5 (4) variances to requirements relating to chemical use problems of a license holder or a
146.6 household member of a license holder; and

146.7 (5) variances to section 142B.74 for a time-limited period. If the commissioner grants
146.8 a variance under this clause, the license holder must provide notice of the variance to all
146.9 parents and guardians of the children in care.

146.10 Except as provided in section 142B.41, subdivision 4, paragraph (e), a county agency must
146.11 not grant a license holder a variance to exceed the maximum allowable family child care
146.12 license capacity of 14 children.

146.13 (b) A county agency that has been designated by the commissioner to issue family child
146.14 care variances must:

146.15 (1) publish the county agency's policies and criteria for issuing variances on the county's
146.16 public website and update the policies as necessary; and

146.17 (2) annually distribute the county agency's policies and criteria for issuing variances to
146.18 all family child care license holders in the county.

146.19 (c) Before the implementation of NETStudy 2.0, county agencies must report information
146.20 about disqualification reconsiderations under sections 245C.25 and 245C.27, subdivision
146.21 2, paragraphs (a) and (b), and variances granted under paragraph (a), clause (5), to the
146.22 commissioner at least monthly in a format prescribed by the commissioner.

146.23 (d) For family child care programs, the commissioner shall require a county agency to
146.24 conduct one unannounced licensing review at least annually.

146.25 (e) A license issued under this section may be issued for up to two years.

146.26 (f) A county agency shall report to the commissioner, in a manner prescribed by the
146.27 commissioner, the following information for a licensed family child care program:

146.28 (1) the results of each licensing review completed, including the date of the review, and
146.29 any licensing correction order issued;

146.30 (2) any death, serious injury, or determination of substantiated maltreatment; and

147.1 (3) any fires that require the service of a fire department within 48 hours of the fire. The
147.2 information under this clause must also be reported to the state fire marshal within two
147.3 business days of receiving notice from a licensed family child care provider.

147.4 Subd. 2. **Investigations.** (a) The county or private agency shall conduct timely
147.5 investigations of allegations of license violations in programs for which the county or private
147.6 agency is the commissioner's designated representative and record a disposition of each
147.7 complaint in accordance with applicable law or rule.

147.8 (b) If an investigation conducted under paragraph (a) results in evidence that the
147.9 commissioner should deny an application or suspend, revoke, or make conditional a license,
147.10 the county or private agency shall make that recommendation to the commissioner within
147.11 ten working days.

147.12 Subd. 3. **Recommendations to commissioner.** The county or private agency shall not
147.13 make recommendations to the commissioner regarding licensure without first conducting
147.14 an inspection. The county or private agency must forward its recommendation to the
147.15 commissioner regarding the appropriate licensing action within 20 working days of receipt
147.16 of a completed application.

147.17 Subd. 4. **Enforcement of commissioner's orders.** The county or private agency shall
147.18 enforce the orders of the commissioner of children, youth, and families under sections
147.19 142B.18 and 142B.20, subdivision 6, and the orders of the commissioner of human services
147.20 under chapter 245C, according to the instructions of the commissioner of children, youth,
147.21 and families. The county attorney shall assist the county agency in the enforcement and
147.22 defense of the orders of the commissioner of children, youth, and families under sections
147.23 142B.18 and 142B.20, subdivision 6, and the orders of the commissioner of human services
147.24 under chapter 245C, according to the instructions of the commissioner of children, youth,
147.25 and families, unless a conflict of interest exists between the county attorney and the
147.26 commissioner. For purposes of this section, a conflict of interest means that the county
147.27 attorney has a direct or shared financial interest with the license holder or has a personal
147.28 relationship or family relationship with a party in the licensing action.

147.29 Subd. 5. **Instruction and technical assistance.** (a) The commissioner shall provide
147.30 instruction and technical assistance to county and private agencies that are subject to this
147.31 section. County and private agencies shall cooperate with the commissioner in carrying out
147.32 this section by ensuring that affected employees participate in instruction and technical
147.33 assistance provided by the commissioner.

148.1 (b) The commissioner shall provide training to county agencies that perform child care
148.2 licensing functions on identifying and preventing fraud relating to provider reimbursement
148.3 in the child care assistance program.

148.4 Subd. 6. **Certification by commissioner.** The commissioner shall ensure that rules are
148.5 uniformly enforced throughout the state by reviewing each county and private agency for
148.6 compliance with this section and other applicable laws and rules at least every four years.
148.7 County agencies that comply with this section shall be certified by the commissioner. If a
148.8 county agency fails to be certified by the commissioner, the commissioner shall certify a
148.9 reduction of state administrative aids in an amount up to 20 percent of the county's state
148.10 portion of Vulnerable Children and Adults Act funding.

148.11 Subd. 7. **Notice of county recommendation.** The county or private agency shall provide
148.12 written notice to the license holder when the agency recommends a licensing action to the
148.13 commissioner under subdivision 2 or 3. The written notice shall inform the license holder
148.14 about the process for determining a licensing action and how the license holder will be
148.15 notified of a licensing action determination. The notice shall include the following:

148.16 (1) that the county or private agency made a recommendation to the commissioner to
148.17 deny an application or suspend, revoke, or make conditional a license;

148.18 (2) that the commissioner will review the recommendation from the county or private
148.19 agency and then determine if a licensing action will be issued;

148.20 (3) that the license holder will receive written notice from the commissioner indicating
148.21 the reasons for the licensing action issued; and

148.22 (4) instructions on how to request reconsideration or appeal, if a licensing action is
148.23 issued.

148.24 County or private agency recommendations under this section are classified as confidential
148.25 data under chapter 13 and may only be disclosed as permitted by law.

148.26 Subd. 8. **Licensing and reporting hub.** Upon implementation of the provider licensing
148.27 and reporting hub, county staff who perform licensing functions must use the hub in the
148.28 manner prescribed by the commissioner.

148.29 Sec. 17. **[142B.31] PUBLIC FUNDS PROGRAM INTEGRITY MONITORING.**

148.30 (a) An applicant or a license holder that has enrolled to receive public funding
148.31 reimbursement for services is required to comply with the registration or enrollment
148.32 requirements as licensing standards.

149.1 (b) Compliance with the licensing standards established under paragraph (a) may be
149.2 monitored during a licensing investigation or inspection. Noncompliance with these licensure
149.3 standards may result in:

149.4 (1) a correction order or a conditional license under section 142B.16, or sanctions under
149.5 section 142B.18;

149.6 (2) nonpayment of claims submitted by the license holder for public program
149.7 reimbursement according to the statute applicable to that program;

149.8 (3) recovery of payments made for the service according to the statute applicable to that
149.9 program;

149.10 (4) disenrollment in the public payment program according to the statute applicable to
149.11 that program; or

149.12 (5) a referral for other administrative, civil, or criminal penalties as provided by law.

149.13 **Sec. 18. [142B.40] SPECIAL CONDITIONS FOR RESIDENTIAL PROGRAMS.**

149.14 Subdivision 1. **Policy statement.** It is the policy of the state that persons shall not be
149.15 excluded by municipal zoning ordinances or other land use regulations from the benefits
149.16 of normal residential surroundings.

149.17 Subd. 2. **Permitted single-family residential use.** Residential programs with a licensed
149.18 capacity of six or fewer persons shall be considered a permitted single-family residential
149.19 use of property for the purposes of zoning and other land use regulations, except that a
149.20 residential program whose primary purpose is to treat juveniles who have violated criminal
149.21 statutes relating to sex offenses or have been adjudicated delinquent on the basis of conduct
149.22 in violation of criminal statutes relating to sex offenses shall not be considered a permitted
149.23 use. This exception shall not apply to residential programs licensed before July 1, 1995.
149.24 Programs otherwise allowed under this subdivision shall not be prohibited by operation of
149.25 restrictive covenants or similar restrictions, regardless of when entered into, that cannot be
149.26 met because of the nature of the licensed program, including provisions that require the
149.27 home's occupants be related, and that the home must be occupied by the owner, or similar
149.28 provisions.

149.29 Subd. 3. **License holder qualifications for child foster care.** (a) Child foster care
149.30 license holders must maintain the ability to care for a foster child and ensure a safe home
149.31 environment for children placed in their care. License holders must immediately notify the
149.32 licensing agency of:

150.1 (1) any changes to the license holder or household member's physical or behavioral
150.2 health that may affect the license holder's ability to care for a foster child or pose a risk to
150.3 a foster child's health; or

150.4 (2) changes related to the care of a child or vulnerable adult for whom the license holder
150.5 is a parent or legally responsible, including living out of the home for treatment for physical
150.6 or behavioral health, modified parenting time arrangements, legal custody, or placement in
150.7 foster care.

150.8 (b) The licensing agency may request a license holder or household member to undergo
150.9 an evaluation by a specialist in areas such as physical or behavioral health to evaluate the
150.10 license holder's ability to provide a safe environment for a foster child. Prior to assigning
150.11 a specialist to evaluate, the licensing agency must tell the license holder or household
150.12 member why the licensing agency has requested a specialist evaluation and request a release
150.13 of information from the license holder or household member.

150.14 **Sec. 19. [142B.41] SPECIAL CONDITIONS FOR NONRESIDENTIAL PROGRAMS.**

150.15 Subdivision 1. **Permitted single-family residential use.** A licensed nonresidential
150.16 program with a licensed capacity of 12 or fewer persons and a group family day care facility
150.17 licensed under Minnesota Rules, parts 9502.0315 to 9502.0445, to serve 14 or fewer children
150.18 shall be considered a permitted single-family residential use of property for the purposes
150.19 of zoning and other land use regulations.

150.20 Subd. 2. **Permitted multifamily use.** Except as otherwise provided in subdivision 1 or
150.21 in a town, municipal, or county regulation, a licensed nonresidential program with a licensed
150.22 capacity of 13 to 16 persons shall be considered a permitted multifamily residential use of
150.23 property for purposes of zoning. A town, municipal, or county zoning authority may require
150.24 a conditional use or special use permit in order to assure proper maintenance and operation
150.25 of the program. Conditions imposed on the nonresidential program must not be more
150.26 restrictive than those imposed on other conditional uses or special uses of residential property
150.27 in the same zones unless the additional conditions are necessary to protect the health and
150.28 safety of the persons being served by the nonresidential program. Nothing in this chapter
150.29 shall be construed to exclude or prohibit nonresidential programs from single-family zones
150.30 if otherwise permitted by local zoning regulations.

150.31 Subd. 3. **Attendance records for publicly funded services.** (a) A child care center
150.32 licensed under this chapter and according to Minnesota Rules, chapter 9503, must maintain
150.33 documentation of actual attendance for each child receiving care for which the license holder
150.34 is reimbursed by a governmental program. The records must be accessible to the

151.1 commissioner during the program's hours of operation, they must be completed on the actual
151.2 day of attendance, and they must include:

151.3 (1) the first and last name of the child;

151.4 (2) the time of day that the child was dropped off; and

151.5 (3) the time of day that the child was picked up.

151.6 (b) A family child care provider licensed under this chapter and according to Minnesota
151.7 Rules, chapter 9502, must maintain documentation of actual attendance for each child
151.8 receiving care for which the license holder is reimbursed for the care of that child by a
151.9 governmental program. The records must be accessible to the commissioner during the
151.10 program's hours of operation, they must be completed on the actual day of attendance, and
151.11 they must include:

151.12 (1) the first and last name of the child;

151.13 (2) the time of day that the child was dropped off; and

151.14 (3) the time of day that the child was picked up.

151.15 **Sec. 20. [142B.42] VOLUNTARY RECEIVERSHIP FOR RESIDENTIAL OR**
151.16 **NONRESIDENTIAL PROGRAMS.**

151.17 Subdivision 1. **Definitions.** For purposes of this section and section 142B.43, the
151.18 following terms have the meanings given.

151.19 (a) "Controlling individual" has the meaning in section 142B.01, subdivision 8. When
151.20 used in this section and section 142B.43, it means only those individuals controlling the
151.21 residential or nonresidential program prior to the commencement of the receivership period.

151.22 (b) "Physical plant" means the building or buildings in which a residential or
151.23 nonresidential program is located; all equipment affixed to the building and not easily subject
151.24 to transfer as specified in the building and fixed equipment tables of the depreciation
151.25 guidelines; and auxiliary buildings in the nature of sheds, garages, and storage buildings
151.26 located on the same site if used for purposes related to resident or client care.

151.27 (c) "Related party" means a person who is a close relative of a provider or a provider
151.28 group; an affiliate of a provider or a provider group; a close relative of an affiliate of a
151.29 provider or provider group; or an affiliate of a close relative of an affiliate of a provider or
151.30 provider group. For the purposes of this paragraph, the following terms have the meanings
151.31 given them.

152.1 (1) "Affiliate" means a person that directly, or indirectly through one or more
152.2 intermediaries, controls, or is controlled by, or is under common control with another person.

152.3 (2) "Person" means an individual, a corporation, a partnership, an association, a trust,
152.4 an unincorporated organization, or a government or political subdivision.

152.5 (3) "Close relative of an affiliate of a provider or provider group" means an individual
152.6 whose relationship by blood, marriage, or adoption to an individual who is an affiliate to a
152.7 provider or a provider group is no more remote than first cousin.

152.8 (4) "Control" includes the terms "controlling," "controlled by," and "under common
152.9 control with" and means the possession, direct or indirect, of the power to direct or cause
152.10 the direction of the management, operations, or policies of a person, whether through the
152.11 ownership of voting securities, by contract, or otherwise.

152.12 (5) "Provider or provider group" means the license holder or controlling individual prior
152.13 to the effective date of the receivership.

152.14 Subd. 2. **Receivership agreement.** A majority of controlling individuals of a residential
152.15 or nonresidential program licensed or certified by the commissioner may at any time ask
152.16 the commissioner to assume operation of the program through appointment of a receiver.
152.17 On receiving the request for a receiver, the commissioner may enter into an agreement with
152.18 a majority of controlling individuals and become the receiver and operate the residential or
152.19 nonresidential program under conditions acceptable to both the commissioner and the
152.20 majority of controlling individuals. The agreement must specify the terms and conditions
152.21 of the receivership and preserve the rights of the persons being served by the program. A
152.22 receivership set up under this section terminates at the time specified by the parties to the
152.23 agreement.

152.24 Subd. 3. **Management agreement.** When the commissioner agrees to become the
152.25 receiver of a residential or nonresidential program, the commissioner may enter into a
152.26 management agreement with another entity or group to act as the managing agent during
152.27 the receivership period. The managing agent will be responsible for the day-to-day operations
152.28 of the program subject at all times to the review and approval of the commissioner. A
152.29 reasonable fee may be paid to the managing agent for the performance of these services.

152.30 Subd. 4. **Controlling individuals; restrictions on licensure.** No controlling individual
152.31 of a residential or nonresidential program placed into receivership under this section shall
152.32 apply for or receive a license or certification from the commissioner to operate a residential
152.33 or nonresidential program for five years from the commencement of the receivership period.
152.34 This subdivision does not apply to residential programs that are owned or operated by

153.1 controlling individuals, that were in existence prior to the date of the receivership agreement,
153.2 and that have not been placed into receivership.

153.3 Subd. 5. **Liability.** The controlling individuals of a residential or nonresidential program
153.4 placed into receivership remain liable for any claims made against the program that arose
153.5 from incidents or events that occurred prior to the commencement of the receivership period.
153.6 Neither the commissioner nor the managing agent of the commissioner assumes this liability.

153.7 Subd. 6. **Liability for financial obligations.** Neither the commissioner nor the managing
153.8 agent of the commissioner shall be liable for payment of any financial obligations of the
153.9 residential or nonresidential program or of its controlling individuals incurred prior to the
153.10 commencement of the receivership period unless such liability is expressly assumed in the
153.11 receivership agreement. Those financial obligations remain the liability of the program and
153.12 its controlling individuals. Financial obligations of the program incurred after the
153.13 commencement of the receivership period are the responsibility of the commissioner or the
153.14 managing agent of the commissioner to the extent such obligations are expressly assumed
153.15 by each in the receivership or management agreements. The controlling individuals of the
153.16 residential or nonresidential program remain liable for any financial obligations incurred
153.17 after the commencement of the receivership period to the extent these obligations are not
153.18 reimbursed in the rate paid to the program and are reasonable and necessary to the operation
153.19 of the program. These financial obligations, or any other financial obligations incurred by
153.20 the program prior to the commencement of the receivership period that are necessary to the
153.21 continued operation of the program, may be deducted from any rental payments owed to
153.22 the controlling individuals of the program as part of the receivership agreement.

153.23 Subd. 7. **Physical plant of the residential or nonresidential program.** Occupation of
153.24 the physical plant after commencement of the receivership period shall be controlled by
153.25 paragraphs (a) and (b).

153.26 (a) If the physical plant of a residential or nonresidential program placed in receivership
153.27 is owned by a controlling individual or related party, the physical plant may be used by the
153.28 commissioner or the managing agent for purposes of the receivership as long as the
153.29 receivership period continues. A fair monthly rental for the physical plant shall be paid by
153.30 the commissioner or managing agent to the owner of the physical plant. This fair monthly
153.31 rental shall be determined by considering all relevant factors necessary to meet required
153.32 arm's-length obligations of controlling individuals such as the mortgage payments owed on
153.33 the physical plant, the real estate taxes, and special assessments. This rental shall not include
153.34 any allowance for profit or be based on any formula that includes an allowance for profit.

154.1 (b) If the owner of the physical plant of a residential or nonresidential program placed
154.2 in receivership is not a related party, the controlling individual shall continue as the lessee
154.3 of the property. However, during the receivership period, rental payments shall be made to
154.4 the owner of the physical plant by the commissioner or the managing agent on behalf of
154.5 the controlling individual. Neither the commissioner nor the managing agent assumes the
154.6 obligations of the lease unless expressly stated in the receivership agreement. Should the
154.7 lease expire during the receivership, the commissioner or the managing agent may negotiate
154.8 a new lease for the term of the receivership period.

154.9 Subd. 8. **Receivership accounting.** The commissioner may use the medical assistance
154.10 account and funds for receivership cash flow and accounting purposes.

154.11 Subd. 9. **Receivership costs.** The commissioner may use the accounts and funds that
154.12 would have been available for the room and board, services, and program costs of persons
154.13 in the program for costs, cash flow, and accounting purposes related to the receivership.

154.14 Sec. 21. **[142B.43] INVOLUNTARY RECEIVERSHIP FOR RESIDENTIAL OR**
154.15 **NONRESIDENTIAL PROGRAMS.**

154.16 Subdivision 1. **Application.** (a) In addition to any other remedy provided by law, the
154.17 commissioner may petition the district court in Ramsey County for an order directing the
154.18 controlling individuals of a residential or nonresidential program licensed or certified by
154.19 the commissioner to show cause why the commissioner should not be appointed receiver
154.20 to operate the program. The petition to the district court must contain proof by affidavit that
154.21 one or more of the following circumstances exists:

154.22 (1) the commissioner has commenced proceedings to suspend or revoke the program's
154.23 license or refused to renew the program's license;

154.24 (2) there is a threat of imminent abandonment by the program or its controlling
154.25 individuals;

154.26 (3) the program has shown a pattern of failure to meet ongoing financial obligations
154.27 such as failing to pay for food, pharmaceuticals, personnel costs, or required insurance;

154.28 (4) the health, safety, or rights of the residents or persons receiving care from the program
154.29 appear to be in jeopardy due to the manner in which the program may close, the program's
154.30 financial condition, or violations of federal or state law or rules committed by the program;
154.31 or

155.1 (5) the commissioner has notified the program or its controlling individuals that the
155.2 program's federal Medicare or Medicaid provider agreement will be terminated, revoked,
155.3 canceled, or not renewed.

155.4 (b) If the license holder, applicant, or controlling individual operates more than one
155.5 program, the commissioner's petition must specify and be limited to the program for which
155.6 it seeks receivership.

155.7 (c) The order to show cause must be personally served on the program through its
155.8 authorized agent or, in the event the authorized agent cannot be located, on any controlling
155.9 individual for the program.

155.10 Subd. 2. **Appointment of receiver.** (a) If the court finds that involuntary receivership
155.11 is necessary as a means of protecting the health, safety, or rights of persons being served
155.12 by the program, the court shall appoint the commissioner as receiver to operate the program.
155.13 The commissioner as receiver may contract with another entity or group to act as the
155.14 managing agent during the receivership period. The managing agent will be responsible for
155.15 the day-to-day operations of the program subject at all times to the review and approval of
155.16 the commissioner. A managing agent shall not:

155.17 (1) be the license holder or controlling individual of the program;

155.18 (2) have a financial interest in the program at the time of the receivership;

155.19 (3) be otherwise affiliated with the program; or

155.20 (4) have had a licensed program that has been ordered into receivership.

155.21 (b) Notwithstanding state contracting requirements in chapter 16C, the commissioner
155.22 shall establish and maintain a list of qualified persons or entities with experience in delivering
155.23 services and with winding down programs under this chapter. The list shall be a resource
155.24 for selecting a managing agent, and the commissioner may update the list at any time.

155.25 Subd. 3. **Powers and duties of receiver.** (a) A receiver appointed pursuant to this section
155.26 shall, within 18 months after the receivership order, determine whether to close the program
155.27 or to make other provisions with the intent to keep the program open. If the receiver
155.28 determines that program closure is appropriate, the commissioner shall provide for the
155.29 orderly transfer of individuals served by the program to other programs or make other
155.30 provisions to protect the health, safety, and rights of individuals served by the program.

155.31 (b) During the receivership, the receiver or the managing agent shall correct or eliminate
155.32 deficiencies in the program that the commissioner determines endanger the health, safety,
155.33 or welfare of the persons being served by the program unless the correction or elimination

156.1 of deficiencies at a residential program involves major alteration in the structure of the
156.2 physical plant. If the correction or elimination of the deficiencies at a residential program
156.3 requires major alterations in the structure of the physical plant, the receiver shall take actions
156.4 designed to result in the immediate transfer of persons served by the residential program.
156.5 During the period of the receivership, the receiver and the managing agent shall operate the
156.6 residential or nonresidential program in a manner designed to preserve the health, safety,
156.7 rights, adequate care, and supervision of the persons served by the program.

156.8 (c) The receiver or the managing agent may make contracts and incur lawful expenses.

156.9 (d) The receiver or the managing agent shall use the building, fixtures, furnishings, and
156.10 any accompanying consumable goods in the provision of care and services to the clients
156.11 during the receivership period. The receiver shall take action as is reasonably necessary to
156.12 protect or conserve the tangible assets or property during receivership.

156.13 (e) The receiver or the managing agent shall collect incoming payments from all sources
156.14 and apply them to the cost incurred in the performance of the functions of the receivership,
156.15 including the fee set under subdivision 7. No security interest in any real or personal property
156.16 comprising the program or contained within it, or in any fixture of the physical plant, shall
156.17 be impaired or diminished in priority by the receiver or the managing agent.

156.18 (f) The receiver has authority to hire, direct, manage, and discharge any employees of
156.19 the program, including management-level staff for the program.

156.20 (g) The commissioner, as the receiver appointed by the court, may hire a managing agent
156.21 to work on the commissioner's behalf to operate the program during the receivership. The
156.22 managing agent is entitled to a reasonable fee. The receiver and managing agent shall be
156.23 liable only in an official capacity for injury to persons and property by reason of the
156.24 conditions of the program. The receiver and managing agent shall not be personally liable,
156.25 except for gross negligence or intentional acts. The commissioner shall assist the managing
156.26 agent in carrying out the managing agent's duties.

156.27 Subd. 4. **Liability.** The provisions contained in section 142B.42, subdivision 5, shall
156.28 also apply to receiverships ordered according to this section.

156.29 Subd. 5. **Liability for financial obligations.** The provisions contained in section 142B.42,
156.30 subdivision 6, also apply to receiverships ordered according to this section.

156.31 Subd. 6. **Physical plant of the program.** Occupation of the physical plant under an
156.32 involuntary receivership shall be governed by paragraphs (a) and (b).

157.1 (a) The physical plant owned by a controlling individual of the program or related party
157.2 must be made available for the use of the program throughout the receivership period. The
157.3 court shall determine a fair monthly rental for the physical plant, taking into account all
157.4 relevant factors necessary to meet required arm's-length obligations of controlling individuals
157.5 such as mortgage payments, real estate taxes, and special assessments. The rental fee must
157.6 be paid by the receiver to the appropriate controlling individuals or related parties for each
157.7 month that the receivership remains in effect. No payment made to a controlling individual
157.8 or related party by the receiver or the managing agent or any state agency during a period
157.9 of the receivership shall include any allowance for profit or be based on any formula that
157.10 includes an allowance for profit.

157.11 (b) If the owner of the physical plant of a program is not a related party, the court shall
157.12 order the controlling individual to continue as the lessee of the property during the
157.13 receivership period. Rental payments during the receivership period shall be made to the
157.14 owner of the physical plant by the commissioner or the managing agent on behalf of the
157.15 controlling individual.

157.16 Subd. 7. **Fee.** A receiver appointed under an involuntary receivership or the managing
157.17 agent is entitled to a reasonable fee as determined by the court.

157.18 Subd. 8. **Termination.** An involuntary receivership terminates 18 months after the date
157.19 on which it was ordered or at any other time designated by the court or when any of the
157.20 following events occurs:

157.21 (1) the commissioner determines that the program's license or certification application
157.22 should be granted or should not be suspended or revoked;

157.23 (2) a new license or certification is granted to the program;

157.24 (3) the commissioner determines that all persons residing in a residential program have
157.25 been provided with alternative residential programs or that all persons receiving services
157.26 in a nonresidential program have been referred to other programs; or

157.27 (4) the court determines that the receivership is no longer necessary because the conditions
157.28 that gave rise to the receivership no longer exist.

157.29 Subd. 9. **Emergency procedure.** (a) If it appears from the petition filed under subdivision
157.30 1, from an affidavit or affidavits filed with the petition, or from testimony of witnesses
157.31 under oath if the court determines it necessary, that there is probable cause to believe that
157.32 an emergency exists in a residential or nonresidential program, the court shall issue a
157.33 temporary order for appointment of a receiver within two days after receipt of the petition.

158.1 (b) Notice of the petition must be served on the authorized agent of the program that is
158.2 subject to the receivership petition or, if the authorized agent is not immediately available
158.3 for service, on at least one of the controlling individuals for the program. A hearing on the
158.4 petition must be held within five days after notice is served unless the authorized agent or
158.5 other controlling individual consents to a later date. After the hearing, the court may continue,
158.6 modify, or terminate the temporary order.

158.7 Subd. 10. **Receivership costs.** The commissioner may use the accounts and funds that
158.8 would have been available for the room and board, services, and program costs of persons
158.9 in the program for costs, cash flow, and accounting purposes related to the receivership.

158.10 Subd. 11. **Controlling individuals; restrictions on licensure.** No controlling individual
158.11 of a program placed into receivership under this section may apply for or receive a license
158.12 or certification to operate a residential or nonresidential program for five years from the
158.13 commencement of the receivership period. This subdivision does not apply to programs
158.14 that are owned or operated by controlling individuals that were in existence before the date
158.15 of the receivership agreement, and that have not been placed into receivership.

158.16 **Sec. 22. [142B.44] FIRE MARSHAL INSPECTION.**

158.17 When licensure under this chapter or certification under chapter 142C requires an
158.18 inspection by a fire marshal to determine compliance with the State Fire Code under section
158.19 299F.011, a local fire code inspector approved by the state fire marshal may conduct the
158.20 inspection. If a community does not have a local fire code inspector or if the local fire code
158.21 inspector does not perform the inspection, the state fire marshal must conduct the inspection.
158.22 A local fire code inspector or the state fire marshal may recover the cost of these inspections
158.23 through a fee of no more than \$50 per inspection charged to the applicant or license holder
158.24 or license-exempt child care center certification holder. The fees collected by the state fire
158.25 marshal under this section are appropriated to the commissioner of public safety for the
158.26 purpose of conducting the inspections.

158.27 **Sec. 23. [142B.45] CRIB SAFETY REQUIREMENTS.**

158.28 Subdivision 1. **Consumer product safety web link.** The commissioners of children,
158.29 youth, and families and human services shall maintain a link from the licensing division
158.30 website to the United States Consumer Product Safety Commission website that addresses
158.31 crib safety information.

159.1 Sec. 24. [142B.46] REDUCTION OF RISK OF SUDDEN UNEXPECTED INFANT
159.2 DEATH IN LICENSED PROGRAMS.

159.3 (a) When a license holder is placing an infant to sleep, the license holder must place the
159.4 infant on the infant's back, unless the license holder has documentation from the infant's
159.5 physician, advanced practice registered nurse, or physician assistant directing an alternative
159.6 sleeping position for the infant. The physician, advanced practice registered nurse, or
159.7 physician assistant directive must be on a form developed by the commissioner and must
159.8 remain on file at the licensed location. An infant who independently rolls onto its stomach
159.9 after being placed to sleep on its back may be allowed to remain sleeping on its stomach if
159.10 the infant is at least six months of age or the license holder has a signed statement from the
159.11 parent indicating that the infant regularly rolls over at home.

159.12 (b) The license holder must place the infant in a crib directly on a firm mattress with a
159.13 fitted sheet that is appropriate to the mattress size, that fits tightly on the mattress, and
159.14 overlaps the underside of the mattress so it cannot be dislodged by pulling on the corner of
159.15 the sheet with reasonable effort. The license holder must not place anything in the crib with
159.16 the infant except for the infant's pacifier, as defined in Code of Federal Regulations, title
159.17 16, part 1511. The pacifier must be free from any sort of attachment. The requirements of
159.18 this section apply to license holders serving infants younger than one year of age. Licensed
159.19 child care providers must meet the crib requirements under section 142B.45. A correction
159.20 order shall not be issued under this paragraph unless there is evidence that a violation
159.21 occurred when an infant was present in the license holder's care.

159.22 (c) If an infant falls asleep before being placed in a crib, the license holder must move
159.23 the infant to a crib as soon as practicable, and must keep the infant within sight of the license
159.24 holder until the infant is placed in a crib. When an infant falls asleep while being held, the
159.25 license holder must consider the supervision needs of other children in care when determining
159.26 how long to hold the infant before placing the infant in a crib to sleep. The sleeping infant
159.27 must not be in a position where the airway may be blocked or with anything covering the
159.28 infant's face.

159.29 (d) When a license holder places an infant under one year of age down to sleep, the
159.30 infant's clothing or sleepwear must not have weighted materials, a hood, or a bib.

159.31 (e) A license holder may place an infant under one year of age down to sleep wearing
159.32 a helmet if the license holder has signed documentation by a physician, advanced practice
159.33 registered nurse, physician assistant, licensed occupational therapist, or licensed physical
159.34 therapist on a form developed by the commissioner.

160.1 (f) Placing a swaddled infant down to sleep in a licensed setting is not recommended
160.2 for an infant of any age and is prohibited for any infant who has begun to roll over
160.3 independently. However, with the written consent of a parent or guardian according to this
160.4 paragraph, a license holder may place the infant who has not yet begun to roll over on its
160.5 own down to sleep in a swaddle. A swaddle is defined as a one-piece sleepwear that wraps
160.6 over the infant's arms, fastens securely only across the infant's upper torso, and does not
160.7 constrict the infant's hips or legs. If a swaddle is used by a license holder, the license holder
160.8 must ensure that it meets the requirements of paragraph (d) and is not so tight that it restricts
160.9 the infant's ability to breathe or so loose that the fabric could cover the infant's nose and
160.10 mouth. Prior to any use of swaddling for sleep by a provider licensed under this chapter,
160.11 the license holder must obtain informed written consent for the use of swaddling from the
160.12 parent or guardian of the infant on a form developed by the commissioner.

160.13 (g) A license holder may request a variance to this section to permit the use of a
160.14 cradleboard when requested by a parent or guardian for a cultural accommodation. A variance
160.15 for the use of a cradleboard may be issued only by the commissioner licensing the program.
160.16 The variance request must be submitted on a form developed by the commissioner in
160.17 partnership with Tribal welfare agencies and the Department of Health.

160.18 **Sec. 25. [142B.49] CARE OF INDIVIDUALS ON MEDICAL MONITORING**
160.19 **EQUIPMENT.**

160.20 Subdivision 1. **Licensed foster care and respite care.** This section applies to foster
160.21 care agencies and licensed foster care providers who place, supervise, or care for individuals
160.22 who rely on medical monitoring equipment to sustain life or monitor a medical condition
160.23 that could become life-threatening without proper use of the medical equipment in respite
160.24 care or foster care.

160.25 Subd. 2. **Foster care agency requirements.** In order for an agency to place an individual
160.26 who relies on medical equipment to sustain life or monitor a medical condition that could
160.27 become life-threatening without proper use of the medical equipment with a foster care
160.28 provider, the agency must ensure that the foster care provider has received the training to
160.29 operate such equipment as observed and confirmed by a qualified source, and that the
160.30 provider:

160.31 (1) is currently caring for an individual who is using the same equipment in the foster
160.32 home; or

160.33 (2) has written documentation that the foster care provider has cared for an individual
160.34 who relied on such equipment within the past six months; or

161.1 (3) has successfully completed training with the individual being placed with the provider.

161.2 Subd. 3. **Foster care provider requirements.** A foster care provider shall not care for
161.3 an individual who relies on medical equipment to sustain life or monitor a medical condition
161.4 unless the provider has received the training to operate such equipment as observed and
161.5 confirmed by a qualified source, and:

161.6 (1) is currently caring for an individual who is using the same equipment in the foster
161.7 home; or

161.8 (2) has written documentation that the foster care provider has cared for an individual
161.9 who relied on such equipment within the past six months; or

161.10 (3) has successfully completed training with the individual being placed with the provider.

161.11 Subd. 4. **Qualified source definition.** For purposes of this section, a "qualified source"
161.12 includes a health care professional or an individual who provides training on such equipment.

161.13 Subd. 5. **Foster care provider training and skills form.** The agency supervising the
161.14 foster care provider shall keep a training and skills form on file for each foster care provider
161.15 and update the form annually. The agency placing the individual shall obtain a copy of the
161.16 training and skills form from the foster care provider or the agency supervising the foster
161.17 care provider and shall keep it and any updated information on file for the duration of the
161.18 placement. The form must be made available to the parents or the primary caregiver and
161.19 social worker of the individual, or the individual, whichever is applicable, in order to make
161.20 an informed placement decision. The agency shall use the training and skills form developed
161.21 by the commissioner of children, youth, and families.

161.22 Sec. 26. **[142B.50] DISCLOSURE OF COMMUNICABLE DISEASE.**

161.23 Subdivision 1. **Licensed foster care.** This section applies to county agencies, private
161.24 child-placing agencies, and individuals who place children or youth who have a known
161.25 communicable disease, as defined in section 144.4172, subdivision 2, in foster care settings
161.26 licensed under this chapter.

161.27 Subd. 2. **Placing agency's or individual's duties.** Notwithstanding sections 144.291 to
161.28 144.298, before a county agency, private child-placing agency, or individual places a child
161.29 or youth with a known communicable disease with a licensed foster care provider, the
161.30 agency or individual must:

161.31 (1) disclose to the foster care license holder the child's communicable disease; and

162.1 (2) determine that the foster care provider has the ability to provide care to the child or
162.2 youth.

162.3 Sec. 27. **[142B.51] CHILD PASSENGER RESTRAINT SYSTEMS.**

162.4 Subdivision 1. **Seat belt and child passenger restraint system use.** When a child is
162.5 transported, a license holder must comply with all seat belt and child passenger restraint
162.6 system requirements under sections 169.685 and 169.686.

162.7 Subd. 2. **Child passenger restraint systems; training requirement.** (a) Programs
162.8 licensed by the Department of Human Services under chapter 245A or the Department of
162.9 Children, Youth, and Families under this chapter and Minnesota Rules, chapter 2960, that
162.10 serve a child or children under eight years of age must document training that fulfills the
162.11 requirements in this subdivision.

162.12 (b) Before a license holder, staff person, or caregiver transports a child or children under
162.13 age eight in a motor vehicle, the person transporting the child must satisfactorily complete
162.14 training on the proper use and installation of child restraint systems in motor vehicles.
162.15 Training completed under this section may be used to meet initial or ongoing training under
162.16 Minnesota Rules, part 2960.3070, subparts 1 and 2.

162.17 (c) Training required under this section must be completed at orientation or initial training
162.18 and repeated at least once every five years. At a minimum, the training must address the
162.19 proper use of child restraint systems based on the child's size, weight, and age, and the
162.20 proper installation of a car seat or booster seat in the motor vehicle used by the license
162.21 holder to transport the child or children.

162.22 (d) Training under paragraph (c) must be provided by individuals who are certified and
162.23 approved by the Office of Traffic Safety within the Department of Public Safety. License
162.24 holders may obtain a list of certified and approved trainers through the Department of Public
162.25 Safety website or by contacting the agency.

162.26 (e) Notwithstanding paragraph (a), for an emergency relative placement under section
162.27 142B.06, the commissioner may grant a variance to the training required by this subdivision
162.28 for a relative who completes a child seat safety check up. The child seat safety check up
162.29 trainer must be approved by the Department of Public Safety, Office of Traffic Safety, and
162.30 must provide one-on-one instruction on placing a child of a specific age in the exact child
162.31 passenger restraint in the motor vehicle in which the child will be transported. Once granted
162.32 a variance, and if all other licensing requirements are met, the relative applicant may receive
162.33 a license and may transport a relative foster child younger than eight years of age. A child

163.1 seat safety check up must be completed each time a child requires a different size car seat
163.2 according to car seat and vehicle manufacturer guidelines. A relative license holder must
163.3 complete training that meets the other requirements of this subdivision prior to placement
163.4 of another foster child younger than eight years of age in the home or prior to the renewal
163.5 of the child foster care license.

163.6 Sec. 28. **[142B.52] PRONE RESTRAINT PROHIBITION.**

163.7 Programs licensed under this chapter must comply with the requirements of section
163.8 245A.211.

163.9 Sec. 29. **[142B.53] MANDATORY REPORTING.**

163.10 Any individual engaging in licensing functions and activities under this chapter, including

163.17 settings and foster care for children in the license holder's residence, license holders serving
163.18 children shall:

163.19 (1) establish and maintain policies and procedures to ensure that an internal review is
163.20 completed within 30 calendar days and that corrective action is taken if necessary to protect
163.21 the health and safety of children in care when the facility has reason to know that an internal
163.22 or external report of alleged or suspected maltreatment has been made. The review must
163.23 include an evaluation of whether:

163.24 (i) related policies and procedures were followed;

163.25 (ii) the policies and procedures were adequate;

163.26 (iii) there is a need for additional staff training;

163.27 (iv) the reported event is similar to past events with the children or the services involved;
163.28 and

163.29 (v) there is a need for corrective action by the license holder to protect the health and
163.30 safety of children in care.

164.1 Based on the results of this review, the license holder must develop, document, and
164.2 implement a corrective action plan designed to correct current lapses and prevent future
164.3 lapses in performance by individuals or the license holder, if any;

164.4 (2) identify the primary and secondary person or position who will ensure that, when
164.5 required, internal reviews are completed. The secondary person shall be involved when

164.7 maltreatment; and

164.8 (3) document and make internal reviews accessible to the commissioner immediately
164.9 upon the commissioner's request. For the purposes of this section, the documentation provided
164.10 to the commissioner by the license holder may consist of a completed checklist that verifies
164.11 completion of each of the requirements of the review.

164.12 Subd. 2. **Maltreatment of minors ongoing training requirement.** (a) In addition to
164.13 the orientation training required by the applicable licensing rules and statutes, private

164.16 as described in section 260E.06, subdivision 1.

164.17 (b) In addition to the orientation training required by the applicable licensing rules and
164.18 statutes, all family child foster care license holders and caregivers and foster residence

164.27 license holder and caregivers in foster family and treatment foster care settings, and all staff
164.28 providing care in foster residence settings must complete two hours of training that addresses
164.29 the causes, symptoms, and key warning signs of mental health disorders; cultural
164.30 considerations; and effective approaches for dealing with a child's behaviors. At least one
164.31 hour of the annual training requirement for the foster family license holder and caregivers,
164.32 and foster residence staff must be on children's mental health issues and treatment. Except
164.33 for providers and services under chapter 245D, the annual training must also include at least

165.1 one hour of training on fetal alcohol spectrum disorders, which must be counted toward the
165.2 12 hours of required in-service training per year. Short-term substitute caregivers are exempt

170.22 Sec. 37. Minnesota Statutes 2023 Supplement, section 245A.03, subdivision 7, is amended
170.23 to read:

170.24 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license
170.25 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult
170.26 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter
170.27 for a physical location that will not be the primary residence of the license holder for the
170.28 entire period of licensure. If a ~~family child foster care home or family adult foster care home~~
170.29 license is issued during this moratorium, and the license holder changes the license holder's
170.30 primary residence away from the physical location of the foster care license, the
170.31 commissioner shall revoke the license according to section 245A.07. The commissioner
170.32 shall not issue an initial license for a community residential setting licensed under chapter

171.1 245D. When approving an exception under this paragraph, the commissioner shall consider
171.2 the resource need determination process in paragraph (h), the availability of foster care
171.3 licensed beds in the geographic area in which the licensee seeks to operate, the results of a
171.4 person's choices during their annual assessment and service plan review, and the
171.5 recommendation of the local county board. The determination by the commissioner is final
171.6 and not subject to appeal. Exceptions to the moratorium include:

171.7 (1) a license for a person in a foster care setting that is not the primary residence of the
171.8 license holder and where at least 80 percent of the residents are 55 years of age or older;

171.9 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
171.10 community residential setting licenses replacing adult foster care licenses in existence on
171.11 December 31, 2013, and determined to be needed by the commissioner under paragraph
171.12 (b);

171.13 (3) new foster care licenses or community residential setting licenses determined to be
171.14 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
171.15 or regional treatment center; restructuring of state-operated services that limits the capacity
171.16 of state-operated facilities; or allowing movement to the community for people who no
171.17 longer require the level of care provided in state-operated facilities as provided under section
171.18 256B.092, subdivision 13, or 256B.49, subdivision 24;

171.19 (4) new foster care licenses or community residential setting licenses determined to be
171.20 needed by the commissioner under paragraph (b) for persons requiring hospital-level care;
171.21 or

171.22 (5) new foster care licenses or community residential setting licenses for people receiving
171.23 customized living or 24-hour customized living services under the brain injury or community
171.24 access for disability inclusion waiver plans under section 256B.49 or elderly waiver plan
171.25 under chapter 256S and residing in the customized living setting for which a license is
171.26 required. A customized living service provider subject to this exception may rebut the
171.27 presumption that a license is required by seeking a reconsideration of the commissioner's
171.28 determination. The commissioner's disposition of a request for reconsideration is final and
171.29 not subject to appeal under chapter 14. The exception is available until December 31, 2023.
171.30 This exception is available when:

171.31 (i) the person's customized living services are provided in a customized living service
171.32 setting serving four or fewer people in a single-family home operational on or before June
171.33 30, 2021. Operational is defined in section 256B.49, subdivision 28;

172.1 (ii) the person's case manager provided the person with information about the choice of
172.2 service, service provider, and location of service, including in the person's home, to help
172.3 the person make an informed choice; and

172.4 (iii) the person's services provided in the licensed foster care or community residential
172.5 setting are less than or equal to the cost of the person's services delivered in the customized
172.6 living setting as determined by the lead agency.

172.7 (b) The commissioner shall determine the need for newly licensed foster care homes or
172.8 community residential settings as defined under this subdivision. As part of the determination,
172.9 the commissioner shall consider the availability of foster care capacity in the area in which
172.10 the licensee seeks to operate, and the recommendation of the local county board. The
172.11 determination by the commissioner must be final. A determination of need is not required
172.12 for a change in ownership at the same address.

172.13 (c) When an adult resident served by the program moves out of a foster home that is not
172.14 the primary residence of the license holder according to section 256B.49, subdivision 15,
172.15 paragraph (f), or the adult community residential setting, the county shall immediately
172.16 inform the Department of Human Services Licensing Division. The department may decrease
172.17 the statewide licensed capacity for adult foster care settings.

172.18 (d) Residential settings that would otherwise be subject to the decreased license capacity
172.19 established in paragraph (c) shall be exempt if the license holder's beds are occupied by
172.20 residents whose primary diagnosis is mental illness and the license holder is certified under
172.21 the requirements in subdivision 6a or section 245D.33.

172.22 (e) A resource need determination process, managed at the state level, using the available
172.23 data required by section 144A.351, and other data and information shall be used to determine
172.24 where the reduced capacity determined under section 256B.493 will be implemented. The
172.25 commissioner shall consult with the stakeholders described in section 144A.351, and employ
172.26 a variety of methods to improve the state's capacity to meet the informed decisions of those
172.27 people who want to move out of corporate foster care or community residential settings,
172.28 long-term service needs within budgetary limits, including seeking proposals from service
172.29 providers or lead agencies to change service type, capacity, or location to improve services,
172.30 increase the independence of residents, and better meet needs identified by the long-term
172.31 services and supports reports and statewide data and information.

172.32 (f) At the time of application and reapplication for licensure, the applicant and the license
172.33 holder that are subject to the moratorium or an exclusion established in paragraph (a) are
172.34 required to inform the commissioner whether the physical location where the foster care

173.1 will be provided is or will be the primary residence of the license holder for the entire period
173.2 of licensure. If the primary residence of the applicant or license holder changes, the applicant
173.3 or license holder must notify the commissioner immediately. The commissioner shall print
173.4 on the foster care license certificate whether or not the physical location is the primary
173.5 residence of the license holder.

173.6 (g) License holders of foster care homes identified under paragraph (f) that are not the
173.7 primary residence of the license holder and that also provide services in the foster care home
173.8 that are covered by a federally approved home and community-based services waiver, as
173.9 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human
173.10 services licensing division that the license holder provides or intends to provide these
173.11 waiver-funded services.

173.12 (h) The commissioner may adjust capacity to address needs identified in section
173.13 144A.351. Under this authority, the commissioner may approve new licensed settings or
173.14 delicense existing settings. Delicensing of settings will be accomplished through a process
173.15 identified in section 256B.493.

173.16 (i) The commissioner must notify a license holder when its corporate foster care or
173.17 community residential setting licensed beds are reduced under this section. The notice of
173.18 reduction of licensed beds must be in writing and delivered to the license holder by certified
173.19 mail or personal service. The notice must state why the licensed beds are reduced and must
173.20 inform the license holder of its right to request reconsideration by the commissioner. The
173.21 license holder's request for reconsideration must be in writing. If mailed, the request for
173.22 reconsideration must be postmarked and sent to the commissioner within 20 calendar days
173.23 after the license holder's receipt of the notice of reduction of licensed beds. If a request for
173.24 reconsideration is made by personal service, it must be received by the commissioner within
173.25 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

173.26 (j) The commissioner shall not issue an initial license for children's residential treatment
173.27 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter
173.28 for a program that Centers for Medicare and Medicaid Services would consider an institution
173.29 for mental diseases. Facilities that serve only private pay clients are exempt from the
173.30 moratorium described in this paragraph. The commissioner has the authority to manage
173.31 existing statewide capacity for children's residential treatment services subject to the
173.32 moratorium under this paragraph and may issue an initial license for such facilities if the
173.33 initial license would not increase the statewide capacity for children's residential treatment
173.34 services subject to the moratorium under this paragraph.

174.1 Sec. 38. Minnesota Statutes 2022, section 245A.035, subdivision 4, is amended to read:

174.2 Subd. 4. **Applicant study.** When the county agency has received the information required
174.3 by section 245C.05, the county agency shall submit the information to the commissioner
174.4 of human services according to section 245C.05.

174.5 Sec. 39. Minnesota Statutes 2023 Supplement, section 245A.04, subdivision 4, is amended
174.6 to read:

174.7 Subd. 4. **Inspections; waiver.** (a) Before issuing a license under this chapter, the
174.8 commissioner shall conduct an inspection of the program. The inspection must include but
174.9 is not limited to:

174.10 (1) an inspection of the physical plant;

174.11 (2) an inspection of records and documents;

174.12 (3) observation of the program in operation; and

174.13 (4) an inspection for the health, safety, and fire standards in licensing requirements for
174.14 a child care license holder.

174.15 (b) The observation in paragraph (a), clause (3), is not required prior to issuing a license
174.16 under subdivision 7. If the commissioner issues a license under this chapter, these
174.17 requirements must be completed within one year after the issuance of the license.

174.18 ~~(c) Before completing a licensing inspection in a family child care program or child care~~
174.19 ~~center, the licensing agency must offer the license holder an exit interview to discuss~~
174.20 ~~violations or potential violations of law or rule observed during the inspection and offer~~
174.21 ~~technical assistance on how to comply with applicable laws and rules. The commissioner~~
174.22 ~~shall not issue a correction order or negative licensing action for violations of law or rule~~
174.23 ~~not discussed in an exit interview, unless a license holder chooses not to participate in an~~
174.24 ~~exit interview or not to complete the exit interview. If the license holder is unable to complete~~
174.25 ~~the exit interview, the licensing agency must offer an alternate time for the license holder~~
174.26 ~~to complete the exit interview.~~

174.27 ~~(d) If a family child care license holder disputes a county licensor's interpretation of a~~
174.28 ~~licensing requirement during a licensing inspection or exit interview, the license holder~~
174.29 ~~may, within five business days after the exit interview or licensing inspection, request~~
174.30 ~~clarification from the commissioner, in writing, in a manner prescribed by the commissioner.~~
174.31 ~~The license holder's request must describe the county licensor's interpretation of the licensing~~
174.32 ~~requirement at issue, and explain why the license holder believes the county licensor's~~

175.1 ~~interpretation is inaccurate. The commissioner and the county must include the license~~
175.2 ~~holder in all correspondence regarding the disputed interpretation, and must provide an~~
175.3 ~~opportunity for the license holder to contribute relevant information that may impact the~~
175.4 ~~commissioner's decision. The county licenser must not issue a correction order related to~~
175.5 ~~the disputed licensing requirement until the commissioner has provided clarification to the~~
175.6 ~~license holder about the licensing requirement.~~

175.7 ~~(e) The commissioner or the county shall inspect at least once each calendar year a child~~
175.8 ~~care provider licensed under this chapter and Minnesota Rules, chapter 9502 or 9503, for~~
175.9 ~~compliance with applicable licensing standards.~~

175.10 ~~(f) No later than November 19, 2017, the commissioner shall make publicly available~~
175.11 ~~on the department's website the results of inspection reports of all child care providers~~
175.12 ~~licensed under this chapter and under Minnesota Rules, chapter 9502 or 9503, and the~~
175.13 ~~number of deaths, serious injuries, and instances of substantiated child maltreatment that~~
175.14 ~~occurred in licensed child care settings each year.~~

175.15 Sec. 40. Minnesota Statutes 2023 Supplement, section 245A.04, subdivision 7, is amended
175.16 to read:

175.17 Subd. 7. **Grant of license; license extension.** (a) If the commissioner determines that
175.18 the program complies with all applicable rules and laws, the commissioner shall issue a
175.19 license consistent with this section or, if applicable, a temporary change of ownership license
175.20 under section 245A.043. At minimum, the license shall state:

175.21 (1) the name of the license holder;

175.22 (2) the address of the program;

175.23 (3) the effective date and expiration date of the license;

175.24 (4) the type of license;

175.25 (5) the maximum number and ages of persons that may receive services from the program;
175.26 and

175.27 (6) any special conditions of licensure.

175.28 (b) The commissioner may issue a license for a period not to exceed two years if:

175.29 (1) the commissioner is unable to conduct the observation required by subdivision 4,
175.30 paragraph (a), clause (3), because the program is not yet operational;

176.1 (2) certain records and documents are not available because persons are not yet receiving
176.2 services from the program; and

176.3 (3) the applicant complies with applicable laws and rules in all other respects.

176.4 (c) A decision by the commissioner to issue a license does not guarantee that any person
176.5 or persons will be placed or cared for in the licensed program.

176.6 (d) Except as provided in paragraphs (i) and (j), the commissioner shall not issue a
176.7 license if the applicant, license holder, or an affiliated controlling individual has:

176.8 (1) been disqualified and the disqualification was not set aside and no variance has been
176.9 granted;

176.10 (2) been denied a license under this chapter, or chapter 142B within the past two years;

176.11 (3) had a license issued under this chapter or chapter 142B revoked within the past five
176.12 years; or

176.13 (4) failed to submit the information required of an applicant under subdivision 1,
176.14 paragraph (f), (g), or (h), after being requested by the commissioner.

176.15 When a license issued under this chapter or chapter 142B is revoked, the license holder
176.16 and each affiliated controlling individual with a revoked license may not hold any license
176.17 under chapter 245A for five years following the revocation, and other licenses held by the
176.18 applicant or license holder or licenses affiliated with each controlling individual shall also
176.19 be revoked.

176.20 (e) Notwithstanding paragraph (d), the commissioner may elect not to revoke a license
176.21 affiliated with a license holder or controlling individual that had a license revoked within
176.22 the past five years if the commissioner determines that (1) the license holder or controlling
176.23 individual is operating the program in substantial compliance with applicable laws and rules
176.24 and (2) the program's continued operation is in the best interests of the community being
176.25 served.

176.26 (f) Notwithstanding paragraph (d), the commissioner may issue a new license in response
176.27 to an application that is affiliated with an applicant, license holder, or controlling individual
176.28 that had an application denied within the past two years or a license revoked within the past
176.29 five years if the commissioner determines that (1) the applicant or controlling individual
176.30 has operated one or more programs in substantial compliance with applicable laws and rules
176.31 and (2) the program's operation would be in the best interests of the community to be served.

177.1 (g) In determining whether a program's operation would be in the best interests of the
177.2 community to be served, the commissioner shall consider factors such as the number of
177.3 persons served, the availability of alternative services available in the surrounding
177.4 community, the management structure of the program, whether the program provides
177.5 culturally specific services, and other relevant factors.

177.6 (h) The commissioner shall not issue or reissue a license under this chapter if an individual
177.7 living in the household where the services will be provided as specified under section
177.8 245C.03, subdivision 1, has been disqualified and the disqualification has not been set aside
177.9 and no variance has been granted.

177.10 (i) Pursuant to section 245A.07, subdivision 1, paragraph (b), when a license issued
177.11 under this chapter has been suspended or revoked and the suspension or revocation is under
177.12 appeal, the program may continue to operate pending a final order from the commissioner.
177.13 If the license under suspension or revocation will expire before a final order is issued, a
177.14 temporary provisional license may be issued provided any applicable license fee is paid
177.15 before the temporary provisional license is issued.

177.16 (j) Notwithstanding paragraph (i), when a revocation is based on the disqualification of
177.17 a controlling individual or license holder, and the controlling individual or license holder
177.18 is ordered under section 245C.17 to be immediately removed from direct contact with
177.19 persons receiving services or is ordered to be under continuous, direct supervision when
177.20 providing direct contact services, the program may continue to operate only if the program
177.21 complies with the order and submits documentation demonstrating compliance with the
177.22 order. If the disqualified individual fails to submit a timely request for reconsideration, or
177.23 if the disqualification is not set aside and no variance is granted, the order to immediately
177.24 remove the individual from direct contact or to be under continuous, direct supervision
177.25 remains in effect pending the outcome of a hearing and final order from the commissioner.

177.26 ~~(k) For purposes of reimbursement for meals only, under the Child and Adult Care Food~~
177.27 ~~Program, Code of Federal Regulations, title 7, subtitle B, chapter II, subchapter A, part 226,~~
177.28 ~~relocation within the same county by a licensed family day care provider, shall be considered~~
177.29 ~~an extension of the license for a period of no more than 30 calendar days or until the new~~
177.30 ~~license is issued, whichever occurs first, provided the county agency has determined the~~
177.31 ~~family day care provider meets licensure requirements at the new location.~~

177.32 ~~(k)~~ (k) Unless otherwise specified by statute, all licenses issued under this chapter expire
177.33 at 12:01 a.m. on the day after the expiration date stated on the license. A license holder must

178.1 apply for and be granted a new license to operate the program or the program must not be
178.2 operated after the expiration date.

178.3 ~~(m)~~ (l) The commissioner shall not issue or reissue a license under this chapter if it has
178.4 been determined that a Tribal licensing authority has established jurisdiction to license the
178.5 program or service.

178.6 (m) The commissioner of human services may coordinate and share data with the
178.7 commissioner of children, youth, and families to enforce this section.

178.8 Sec. 41. Minnesota Statutes 2022, section 245A.04, subdivision 9, is amended to read:

178.9 Subd. 9. **Variances.** ~~(a)~~ The commissioner may grant variances to rules that do not affect
178.10 the health or safety of persons in a licensed program if the following conditions are met:

178.11 (1) the variance must be requested by an applicant or license holder on a form and in a
178.12 manner prescribed by the commissioner;

178.13 (2) the request for a variance must include the reasons that the applicant or license holder
178.14 cannot comply with a requirement as stated in the rule and the alternative equivalent measures
178.15 that the applicant or license holder will follow to comply with the intent of the rule; and

178.16 (3) the request must state the period of time for which the variance is requested.

178.17 The commissioner may grant a permanent variance when conditions under which the
178.18 variance is requested do not affect the health or safety of persons being served by the licensed
178.19 program, nor compromise the qualifications of staff to provide services. The permanent
178.20 variance shall expire as soon as the conditions that warranted the variance are modified in
178.21 any way. Any applicant or license holder must inform the commissioner of any changes or
178.22 modifications that have occurred in the conditions that warranted the permanent variance.
178.23 Failure to advise the commissioner shall result in revocation of the permanent variance and
178.24 may be cause for other sanctions under sections 245A.06 and 245A.07.

178.25 The commissioner's decision to grant or deny a variance request is final and not subject
178.26 to appeal under the provisions of chapter 14.

178.27 ~~(b) The commissioner shall consider variances for child care center staff qualification~~
178.28 ~~requirements under Minnesota Rules, parts 9503.0032 and 9503.0033, that do not affect~~
178.29 ~~the health and safety of children served by the center. A variance request must be submitted~~
178.30 ~~to the commissioner in accordance with paragraph (a) and must include a plan for the staff~~
178.31 ~~person to gain additional experience, education, or training, as requested by the commissioner.~~
178.32 ~~When reviewing a variance request under this section, the commissioner shall consider the~~

179.1 ~~staff person's level of professional development, including but not limited to steps completed~~
179.2 ~~on the Minnesota career lattice.~~

179.3 ~~(c) Beginning January 1, 2021, counties shall use a uniform application form developed~~
179.4 ~~by the commissioner for variance requests by family child care license holders.~~

179.5 Sec. 42. Minnesota Statutes 2023 Supplement, section 245A.041, subdivision 6, is amended
179.6 to read:

179.7 Subd. 6. **First date of direct contact; documentation requirements.** Except for family
179.8 ~~child care, family foster care for children, and~~ family adult day services that the license
179.9 holder provides in the license holder's residence, license holders must document the first
179.10 date that a background study subject has direct contact, as defined in section 245C.02,
179.11 subdivision 11, with a person served by the license holder's program. Unless this chapter
179.12 otherwise requires, if the license holder does not maintain the documentation required by
179.13 this subdivision in the license holder's personnel files, the license holder must provide the
179.14 documentation to the commissioner upon the commissioner's request.

179.15 Sec. 43. Minnesota Statutes 2023 Supplement, section 245A.05, is amended to read:

179.16 **245A.05 DENIAL OF APPLICATION.**

179.17 (a) The commissioner may deny a license if an applicant or controlling individual:

179.18 (1) fails to submit a substantially complete application after receiving notice from the
179.19 commissioner under section 245A.04, subdivision 1;

179.20 (2) fails to comply with applicable laws or rules;

179.21 (3) knowingly withholds relevant information from or gives false or misleading
179.22 information to the commissioner in connection with an application for a license or during
179.23 an investigation;

179.24 (4) has a disqualification that has not been set aside under section 245C.22 and no
179.25 variance has been granted;

179.26 (5) has an individual living in the household who received a background study under
179.27 section 245C.03, subdivision 1, paragraph (a), clause (2), who has a disqualification that
179.28 has not been set aside under section 245C.22, and no variance has been granted;

179.29 (6) is associated with an individual who received a background study under section
179.30 245C.03, subdivision 1, paragraph (a), clause (6), who may have unsupervised access to

180.1 children or vulnerable adults, and who has a disqualification that has not been set aside
180.2 under section 245C.22, and no variance has been granted;

180.3 (7) fails to comply with section 245A.04, subdivision 1, paragraph (f) or (g);

180.4 (8) fails to demonstrate competent knowledge as required by section 245A.04, subdivision
180.5 6;

180.6 (9) has a history of noncompliance as a license holder or controlling individual with
180.7 applicable laws or rules, including but not limited to this chapter and chapters 119B and
180.8 245C; or

180.9 (10) is prohibited from holding a license according to section 245.095; or

180.10 ~~(11) for a family foster setting, has or has an individual who is living in the household
180.11 where the licensed services are provided or is otherwise subject to a background study who
180.12 has nondisqualifying background study information, as described in section 245C.05,
180.13 subdivision 4, that reflects on the applicant's ability to safely provide care to foster children.~~

180.14 (b) An applicant whose application has been denied by the commissioner must be given
180.15 notice of the denial, which must state the reasons for the denial in plain language. Notice
180.16 must be given by certified mail, by personal service, or through the provider licensing and
180.17 reporting hub. The notice must state the reasons the application was denied and must inform
180.18 the applicant of the right to a contested case hearing under chapter 14 and Minnesota Rules,
180.19 parts 1400.8505 to 1400.8612. The applicant may appeal the denial by notifying the
180.20 commissioner in writing by certified mail, by personal service, or through the provider
180.21 licensing and reporting hub. If mailed, the appeal must be postmarked and sent to the
180.22 commissioner within 20 calendar days after the applicant received the notice of denial. If
180.23 an appeal request is made by personal service, it must be received by the commissioner
180.24 within 20 calendar days after the applicant received the notice of denial. If the order is issued
180.25 through the provider hub, the appeal must be received by the commissioner within 20
180.26 calendar days from the date the commissioner issued the order through the hub. Section
180.27 245A.08 applies to hearings held to appeal the commissioner's denial of an application.

180.28 Sec. 44. Minnesota Statutes 2023 Supplement, section 245A.07, subdivision 1, is amended
180.29 to read:

180.30 Subdivision 1. **Sanctions; appeals; license.** (a) In addition to making a license conditional
180.31 under section 245A.06, the commissioner may suspend or revoke the license, impose a fine,
180.32 or secure an injunction against the continuing operation of the program of a license holder
180.33 who:

181.1 ~~(1) does not comply with applicable law or rule;~~

181.2 ~~(2) has nondisqualifying background study information, as described in section 245C.05,~~
181.3 ~~subdivision 4, that reflects on the license holder's ability to safely provide care to foster~~
181.4 ~~children; or~~

181.5 ~~(3) has an individual living in the household where the licensed services are provided~~
181.6 ~~or is otherwise subject to a background study, and the individual has nondisqualifying~~
181.7 ~~background study information, as described in section 245C.05, subdivision 4, that reflects~~
181.8 ~~on the license holder's ability to safely provide care to foster children.~~

181.9 When applying sanctions authorized under this section, the commissioner shall consider
181.10 the nature, chronicity, or severity of the violation of law or rule and the effect of the violation
181.11 on the health, safety, or rights of persons served by the program.

181.12 (b) If a license holder appeals the suspension or revocation of a license and the license
181.13 holder continues to operate the program pending a final order on the appeal, the commissioner
181.14 shall issue the license holder a temporary provisional license. Unless otherwise specified
181.15 by the commissioner, variances in effect on the date of the license sanction under appeal
181.16 continue under the temporary provisional license. If a license holder fails to comply with
181.17 applicable law or rule while operating under a temporary provisional license, the
181.18 commissioner may impose additional sanctions under this section and section 245A.06, and
181.19 may terminate any prior variance. If a temporary provisional license is set to expire, a new
181.20 temporary provisional license shall be issued to the license holder upon payment of any fee
181.21 required under section 245A.10. The temporary provisional license shall expire on the date
181.22 the final order is issued. If the license holder prevails on the appeal, a new nonprovisional
181.23 license shall be issued for the remainder of the current license period.

181.24 (c) If a license holder is under investigation and the license issued under this chapter is
181.25 due to expire before completion of the investigation, the program shall be issued a new
181.26 license upon completion of the reapplication requirements and payment of any applicable
181.27 license fee. Upon completion of the investigation, a licensing sanction may be imposed
181.28 against the new license under this section, section 245A.06, or 245A.08.

181.29 (d) Failure to reapply or closure of a license issued under this chapter by the license
181.30 holder prior to the completion of any investigation shall not preclude the commissioner
181.31 from issuing a licensing sanction under this section or section 245A.06 at the conclusion
181.32 of the investigation.

182.1 Sec. 45. Minnesota Statutes 2023 Supplement, section 245A.07, subdivision 3, is amended
182.2 to read:

182.3 Subd. 3. **License suspension, revocation, or fine.** (a) The commissioner may suspend
182.4 or revoke a license, or impose a fine if:

182.5 (1) a license holder fails to comply fully with applicable laws or rules including but not
182.6 limited to the requirements of this chapter and chapter 245C;

182.7 (2) a license holder, a controlling individual, or an individual living in the household
182.8 where the licensed services are provided or is otherwise subject to a background study has
182.9 been disqualified and the disqualification was not set aside and no variance has been granted;

182.10 (3) a license holder knowingly withholds relevant information from or gives false or
182.11 misleading information to the commissioner in connection with an application for a license,
182.12 in connection with the background study status of an individual, during an investigation,
182.13 or regarding compliance with applicable laws or rules;

182.14 (4) a license holder is excluded from any program administered by the commissioner
182.15 under section 245.095;

182.16 (5) revocation is required under section 245A.04, subdivision 7, paragraph (d); or

182.17 ~~(6) for a family foster setting, a license holder, or an individual living in the household~~
182.18 ~~where the licensed services are provided or who is otherwise subject to a background study,~~
182.19 ~~has nondisqualifying background study information, as described in section 245C.05,~~
182.20 ~~subdivision 4, that reflects on the license holder's ability to safely provide care to foster~~
182.21 ~~children; or~~

182.22 ~~(7)~~ (6) suspension is necessary under subdivision 2a, paragraph (b), clause (2).

182.23 A license holder who has had a license issued under this chapter suspended, revoked,
182.24 or has been ordered to pay a fine must be given notice of the action by certified mail, by
182.25 personal service, or through the provider licensing and reporting hub. If mailed, the notice
182.26 must be mailed to the address shown on the application or the last known address of the
182.27 license holder. The notice must state in plain language the reasons the license was suspended
182.28 or revoked, or a fine was ordered.

182.29 (b) If the license was suspended or revoked, the notice must inform the license holder
182.30 of the right to a contested case hearing under chapter 14 and Minnesota Rules, parts
182.31 1400.8505 to 1400.8612. The license holder may appeal an order suspending or revoking
182.32 a license. The appeal of an order suspending or revoking a license must be made in writing
182.33 by certified mail, by personal service, or through the provider licensing and reporting hub.

183.1 If mailed, the appeal must be postmarked and sent to the commissioner within ten calendar
183.2 days after the license holder receives notice that the license has been suspended or revoked.
183.3 If a request is made by personal service, it must be received by the commissioner within
183.4 ten calendar days after the license holder received the order. If the order is issued through
183.5 the provider hub, the appeal must be received by the commissioner within ten calendar days
183.6 from the date the commissioner issued the order through the hub. Except as provided in
183.7 subdivision 2a, paragraph (c), if a license holder submits a timely appeal of an order
183.8 suspending or revoking a license, the license holder may continue to operate the program
183.9 as provided in section 245A.04, subdivision 7, paragraphs (i) and (j), until the commissioner
183.10 issues a final order on the suspension or revocation.

183.11 (c)(1) If the license holder was ordered to pay a fine, the notice must inform the license
183.12 holder of the responsibility for payment of fines and the right to a contested case hearing
183.13 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal of an
183.14 order to pay a fine must be made in writing by certified mail, by personal service, or through
183.15 the provider licensing and reporting hub. If mailed, the appeal must be postmarked and sent
183.16 to the commissioner within ten calendar days after the license holder receives notice that
183.17 the fine has been ordered. If a request is made by personal service, it must be received by
183.18 the commissioner within ten calendar days after the license holder received the order. If the
183.19 order is issued through the provider hub, the appeal must be received by the commissioner
183.20 within ten calendar days from the date the commissioner issued the order through the hub.

183.21 (2) The license holder shall pay the fines assessed on or before the payment date specified.
183.22 If the license holder fails to fully comply with the order, the commissioner may issue a
183.23 second fine or suspend the license until the license holder complies. If the license holder
183.24 receives state funds, the state, county, or municipal agencies or departments responsible for
183.25 administering the funds shall withhold payments and recover any payments made while the
183.26 license is suspended for failure to pay a fine. A timely appeal shall stay payment of the fine
183.27 until the commissioner issues a final order.

183.28 (3) A license holder shall promptly notify the commissioner of human services, in writing,
183.29 when a violation specified in the order to forfeit a fine is corrected. If upon reinspection the
183.30 commissioner determines that a violation has not been corrected as indicated by the order
183.31 to forfeit a fine, the commissioner may issue a second fine. The commissioner shall notify
183.32 the license holder by certified mail, by personal service, or through the provider licensing
183.33 and reporting hub that a second fine has been assessed. The license holder may appeal the
183.34 second fine as provided under this subdivision.

183.35 (4) Fines shall be assessed as follows:

184.1 (i) the license holder shall forfeit \$1,000 for each determination of maltreatment of a
184.2 child under chapter 260E or the maltreatment of a vulnerable adult under section 626.557
184.3 for which the license holder is determined responsible for the maltreatment under section
184.4 260E.30, subdivision 4, paragraphs (a) and (b), or 626.557, subdivision 9c, paragraph (c);

184.5 (ii) if the commissioner determines that a determination of maltreatment for which the
184.6 license holder is responsible is the result of maltreatment that meets the definition of serious
184.7 maltreatment as defined in section 245C.02, subdivision 18, the license holder shall forfeit
184.8 \$5,000;

184.9 ~~(iii) for a program that operates out of the license holder's home and a program licensed~~
184.10 ~~under Minnesota Rules, parts 9502.0300 to 9502.0445, the fine assessed against the license~~
184.11 ~~holder shall not exceed \$1,000 for each determination of maltreatment;~~

184.12 ~~(iv)~~ (iii) the license holder shall forfeit \$200 for each occurrence of a violation of law
184.13 or rule governing matters of health, safety, or supervision, including but not limited to the
184.14 provision of adequate staff-to-child or adult ratios, and failure to comply with background
184.15 study requirements under chapter 245C; and

184.16 ~~(v)~~ (iv) the license holder shall forfeit \$100 for each occurrence of a violation of law or
184.17 rule other than those subject to a \$5,000, \$1,000, or \$200 fine in items (i) to (iv).

184.18 For purposes of this section, "occurrence" means each violation identified in the
184.19 commissioner's fine order. Fines assessed against a license holder that holds a license to
184.20 provide home and community-based services, as identified in section 245D.03, subdivision
184.21 1, and a community residential setting or day services facility license under chapter 245D
184.22 where the services are provided, may be assessed against both licenses for the same
184.23 occurrence, but the combined amount of the fines shall not exceed the amount specified in
184.24 this clause for that occurrence.

184.25 (5) When a fine has been assessed, the license holder may not avoid payment by closing,
184.26 selling, or otherwise transferring the licensed program to a third party. In such an event, the
184.27 license holder will be personally liable for payment. In the case of a corporation, each
184.28 controlling individual is personally and jointly liable for payment.

184.29 (d) Except for background study violations involving the failure to comply with an order
184.30 to immediately remove an individual or an order to provide continuous, direct supervision,
184.31 the commissioner shall not issue a fine under paragraph (c) relating to a background study
184.32 violation to a license holder who self-corrects a background study violation before the
184.33 commissioner discovers the violation. A license holder who has previously exercised the
184.34 provisions of this paragraph to avoid a fine for a background study violation may not avoid

185.1 a fine for a subsequent background study violation unless at least 365 days have passed
185.2 since the license holder self-corrected the earlier background study violation.

185.3 Sec. 46. Minnesota Statutes 2022, section 245A.08, subdivision 2a, is amended to read:

185.4 Subd. 2a. **Consolidated contested case hearings.** (a) When a denial of a license under
185.5 section 245A.05 or a licensing sanction under section 245A.07, subdivision 3, is based on
185.6 a disqualification for which reconsideration was timely requested and which was not set
185.7 aside under section 245C.22, the scope of the contested case hearing shall include the
185.8 disqualification and the licensing sanction or denial of a license, unless otherwise specified
185.9 in this subdivision. When the licensing sanction or denial of a license is based on a
185.10 determination of maltreatment under section 626.557 or chapter 260E, or a disqualification
185.11 for serious or recurring maltreatment which was not set aside, the scope of the contested
185.12 case hearing shall include the maltreatment determination, disqualification, and the licensing
185.13 sanction or denial of a license, unless otherwise specified in this subdivision. In such cases,
185.14 a fair hearing under section 256.045 shall not be conducted as provided for in sections
185.15 245C.27, 260E.33, and 626.557, subdivision 9d.

185.16 (b) ~~Except for family child care and child foster care,~~ Reconsideration of a maltreatment
185.17 determination under sections 260E.33 and 626.557, subdivision 9d, and reconsideration of
185.18 a disqualification under section 245C.22, shall not be conducted when:

185.19 (1) a denial of a license under section 245A.05, or a licensing sanction under section
185.20 245A.07, is based on a determination that the license holder is responsible for maltreatment
185.21 or the disqualification of a license holder is based on serious or recurring maltreatment;

185.22 (2) the denial of a license or licensing sanction is issued at the same time as the
185.23 maltreatment determination or disqualification; and

185.24 (3) the license holder appeals the maltreatment determination or disqualification, and
185.25 denial of a license or licensing sanction. In these cases, a fair hearing shall not be conducted
185.26 under sections 245C.27, 260E.33, and 626.557, subdivision 9d. The scope of the contested
185.27 case hearing must include the maltreatment determination, disqualification, and denial of
185.28 a license or licensing sanction.

185.29 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment
185.30 determination or disqualification, but does not appeal the denial of a license or a licensing
185.31 sanction, reconsideration of the maltreatment determination shall be conducted under sections
185.32 260E.33 and 626.557, subdivision 9d, and reconsideration of the disqualification shall be

186.1 conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as
186.2 provided under sections 245C.27, 260E.33, and 626.557, subdivision 9d.

186.3 (c) In consolidated contested case hearings regarding sanctions issued in ~~family child~~
186.4 ~~care, child foster care,~~ family adult day services, adult foster care, and community residential
186.5 settings, the county attorney shall defend the commissioner's orders in accordance with
186.6 section 245A.16, subdivision 4.

186.7 (d) The commissioner's final order under subdivision 5 is the final agency action on the
186.8 issue of maltreatment and disqualification, including for purposes of subsequent background
186.9 studies under chapter 245C and is the only administrative appeal of the final agency
186.10 determination, specifically, including a challenge to the accuracy and completeness of data
186.11 under section 13.04.

186.12 (e) When consolidated hearings under this subdivision involve a licensing sanction based
186.13 on a previous maltreatment determination for which the commissioner has issued a final
186.14 order in an appeal of that determination under section 256.045, or the individual failed to
186.15 exercise the right to appeal the previous maltreatment determination under section 260E.33
186.16 or 626.557, subdivision 9d, the commissioner's order is conclusive on the issue of
186.17 maltreatment. In such cases, the scope of the administrative law judge's review shall be
186.18 limited to the disqualification and the licensing sanction or denial of a license. In the case
186.19 of a denial of a license or a licensing sanction issued to a facility based on a maltreatment
186.20 determination regarding an individual who is not the license holder or a household member,
186.21 the scope of the administrative law judge's review includes the maltreatment determination.

186.22 (f) The hearings of all parties may be consolidated into a single contested case hearing
186.23 upon consent of all parties and the administrative law judge, if:

186.24 (1) a maltreatment determination or disqualification, which was not set aside under
186.25 section 245C.22, is the basis for a denial of a license under section 245A.05 or a licensing
186.26 sanction under section 245A.07;

186.27 (2) the disqualified subject is an individual other than the license holder and upon whom
186.28 a background study must be conducted under section 245C.03; and

186.29 (3) the individual has a hearing right under section 245C.27.

186.30 (g) When a denial of a license under section 245A.05 or a licensing sanction under
186.31 section 245A.07 is based on a disqualification for which reconsideration was requested and
186.32 was not set aside under section 245C.22, and the individual otherwise has no hearing right
186.33 under section 245C.27, the scope of the administrative law judge's review shall include the

187.1 denial or sanction and a determination whether the disqualification should be set aside,
187.2 unless section 245C.24 prohibits the set-aside of the disqualification. In determining whether
187.3 the disqualification should be set aside, the administrative law judge shall consider the
187.4 factors under section 245C.22, subdivision 4, to determine whether the individual poses a
187.5 risk of harm to any person receiving services from the license holder.

187.6 (h) Notwithstanding section 245C.30, subdivision 5, when a licensing sanction under
187.7 section 245A.07 is based on the termination of a variance under section 245C.30, subdivision
187.8 4, the scope of the administrative law judge's review shall include the sanction and a
187.9 determination whether the disqualification should be set aside, unless section 245C.24
187.10 prohibits the set-aside of the disqualification. In determining whether the disqualification
187.11 should be set aside, the administrative law judge shall consider the factors under section
187.12 245C.22, subdivision 4, to determine whether the individual poses a risk of harm to any
187.13 person receiving services from the license holder.

187.14 Sec. 47. Minnesota Statutes 2022, section 245A.09, subdivision 7, is amended to read:

187.15 Subd. 7. **Regulatory methods.** (a) Where appropriate and feasible the commissioner
187.16 shall identify and implement alternative methods of regulation and enforcement to the extent
187.17 authorized in this subdivision. These methods shall include:

187.18 (1) expansion of the types and categories of licenses that may be granted;

187.19 (2) when the standards of another state or federal governmental agency or an independent
187.20 accreditation body have been shown to require the same standards, methods, or alternative
187.21 methods to achieve substantially the same intended outcomes as the licensing standards,
187.22 the commissioner shall consider compliance with the governmental or accreditation standards
187.23 to be equivalent to partial compliance with the licensing standards; and

187.24 (3) use of an abbreviated inspection that employs key standards that have been shown
187.25 to predict full compliance with the rules.

187.26 (b) If the commissioner accepts accreditation as documentation of compliance with a
187.27 licensing standard under paragraph (a), the commissioner shall continue to investigate
187.28 complaints related to noncompliance with all licensing standards. The commissioner may
187.29 take a licensing action for noncompliance under this chapter and shall recognize all existing
187.30 appeal rights regarding any licensing actions taken under this chapter.

187.31 (c) The commissioner shall work with the commissioners of health; public safety;
187.32 administration; children, youth, and families; and education in consolidating duplicative
187.33 licensing and certification rules and standards if the commissioner determines that

188.1 consolidation is administratively feasible, would significantly reduce the cost of licensing,
188.2 and would not reduce the protection given to persons receiving services in licensed programs.
188.3 Where administratively feasible and appropriate, the commissioner shall work with the
188.4 commissioners of health, public safety, administration, and education in conducting joint
188.5 agency inspections of programs.

188.6 (d) The commissioner shall work with the commissioners of health;~~;~~ public safety;~~;~~
188.7 administration;~~;~~ children, youth, and families; and education in establishing a single point
188.8 of application for applicants who are required to obtain concurrent licensure from more
188.9 than one of the commissioners listed in this clause.

188.10 (e) Unless otherwise specified in statute, the commissioner may conduct routine
188.11 inspections biennially.

188.12 ~~(f) For a licensed child care center, the commissioner shall conduct one unannounced~~
188.13 ~~licensing inspection at least annually.~~

188.14 Sec. 48. Minnesota Statutes 2022, section 245A.10, subdivision 1, is amended to read:

188.15 Subdivision 1. **Application or license fee required, programs exempt from fee.** (a)
188.16 Unless exempt under paragraph (b), the commissioner shall charge a fee for evaluation of
188.17 applications and inspection of programs which are licensed under this chapter.

188.18 (b) Except as provided under subdivision 2, no application or license fee shall be charged
188.19 for ~~child foster care~~, adult foster care, ~~family and group family child care~~, or a community
188.20 residential setting.

188.21 Sec. 49. Minnesota Statutes 2022, section 245A.10, subdivision 2, is amended to read:

188.22 Subd. 2. **County fees for background studies applications and licensing**
188.23 **inspections.** ~~(a) Before the implementation of NETStudy 2.0, for purposes of family and~~
188.24 ~~group family child care licensing under this chapter, a county agency may charge a fee to~~
188.25 ~~an applicant or license holder to recover the actual cost of background studies, but in any~~
188.26 ~~case not to exceed \$100 annually. A county agency may also charge a license fee to an~~
188.27 ~~applicant or license holder not to exceed \$50 for a one-year license or \$100 for a two-year~~
188.28 ~~license.~~

188.29 ~~(b) Before the implementation of NETStudy 2.0, a county agency may charge a fee to~~
188.30 ~~a legal nonlicensed child care provider or applicant for authorization to recover the actual~~
188.31 ~~cost of background studies completed under section 119B.125, but in any case not to exceed~~
188.32 ~~\$100 annually.~~

189.1 ~~(e) Counties may elect to reduce or waive the fees in paragraph (a) or (b):~~

189.2 ~~(1) in cases of financial hardship;~~

189.3 ~~(2) if the county has a shortage of providers in the county's area;~~

189.4 ~~(3) for new providers; or~~

189.5 ~~(4) for providers who have attained at least 16 hours of training before seeking initial~~
189.6 ~~licensure.~~

189.7 ~~(d) Counties may allow providers to pay the applicant fees in paragraph (a) or (b) on an~~
189.8 ~~installment basis for up to one year. If the provider is receiving child care assistance payments~~
189.9 ~~from the state, the provider may have the fees under paragraph (a) or (b) deducted from the~~
189.10 ~~child care assistance payments for up to one year and the state shall reimburse the county~~
189.11 ~~for the county fees collected in this manner.~~

189.12 ~~(e) (a)~~ For purposes of adult foster care ~~and child foster care~~ licensing, and licensing the
189.13 physical plant of a community residential setting, under this chapter, a county agency may
189.14 charge a fee to a corporate applicant or corporate license holder to recover the actual cost
189.15 of licensing inspections, not to exceed \$500 annually.

189.16 ~~(f) (b)~~ Counties may elect to reduce or waive the fees in paragraph ~~(e) (a)~~ under the
189.17 following circumstances:

189.18 (1) in cases of financial hardship;

189.19 (2) if the county has a shortage of providers in the county's area; or

189.20 (3) for new providers.

189.21 Sec. 50. Minnesota Statutes 2023 Supplement, section 245A.10, subdivision 3, is amended
189.22 to read:

189.23 Subd. 3. **Application fee for initial license or certification.** (a) For fees required under
189.24 subdivision 1, an applicant for an initial license or certification issued by the commissioner
189.25 shall submit a \$500 application fee with each new application required under this subdivision.
189.26 An applicant for an initial day services facility license under chapter 245D shall submit a
189.27 \$250 application fee with each new application. The application fee shall not be prorated,
189.28 is nonrefundable, and is in lieu of the annual license or certification fee that expires on
189.29 December 31. The commissioner shall not process an application until the application fee
189.30 is paid.

190.1 (b) Except as provided ~~in clauses (1) and (2)~~ paragraph (c), an applicant shall apply for
 190.2 a license to provide services at a specific location.

190.3 ~~(1) (c)~~ For a license to provide home and community-based services to persons with
 190.4 disabilities or age 65 and older under chapter 245D, an applicant shall submit an application
 190.5 to provide services statewide. ~~Notwithstanding paragraph (a), applications received by the~~
 190.6 ~~commissioner between July 1, 2013, and December 31, 2013, for licensure of services~~
 190.7 ~~provided under chapter 245D must include an application fee that is equal to the annual~~
 190.8 ~~license renewal fee under subdivision 4, paragraph (b), or \$500, whichever is less.~~
 190.9 ~~Applications received by the commissioner after January 1, 2014, must include the application~~
 190.10 ~~fee required under paragraph (a). Applicants who meet the modified application criteria~~
 190.11 ~~identified in section 245A.042, subdivision 2, are exempt from paying an application fee.~~

190.12 ~~(2) For a license for a private agency to provide foster care or adoption services under~~

 191.2 the provision of services that would require licensure under chapter 245D during the calendar
 191.3 year immediately preceding the year in which the license fee is paid, according to the
 191.4 following schedule:

196.25 ~~(a) When a license holder is placing an infant to sleep, the license holder must place the~~
 196.26 ~~infant on the infant's back, unless the license holder has documentation from the infant's~~
 196.27 ~~physician, advanced practice registered nurse, or physician assistant directing an alternative~~
 196.28 ~~sleeping position for the infant. The physician, advanced practice registered nurse, or~~
 196.29 ~~physician assistant directive must be on a form developed by the commissioner and must~~
 196.30 ~~remain on file at the licensed location. An infant who independently rolls onto its stomach~~
 196.31 ~~after being placed to sleep on its back may be allowed to remain sleeping on its stomach if~~

197.1 ~~the infant is at least six months of age or the license holder has a signed statement from the~~
197.2 ~~parent indicating that the infant regularly rolls over at home.~~

197.3 ~~(b) The license holder must place the infant in a crib directly on a firm mattress with a~~
197.4 ~~fitted sheet that is appropriate to the mattress size, that fits tightly on the mattress, and~~
197.5 ~~overlaps the underside of the mattress so it cannot be dislodged by pulling on the corner of~~
197.6 ~~the sheet with reasonable effort. The license holder must not place anything in the crib with~~
197.7 ~~the infant except for the infant's pacifier, as defined in Code of Federal Regulations, title~~
197.8 ~~16, part 1511. The pacifier must be free from any sort of attachment. The requirements of~~
197.9 ~~this section apply to license holders serving infants younger than one year of age. Licensed~~
197.10 ~~child care providers must meet the crib requirements under section 245A.146. A correction~~
197.11 ~~order shall not be issued under this paragraph unless there is evidence that a violation~~
197.12 ~~occurred when an infant was present in the license holder's care.~~

197.13 ~~(c) If an infant falls asleep before being placed in a crib, the license holder must move~~
197.14 ~~the infant to a crib as soon as practicable, and must keep the infant within sight of the license~~
197.15 ~~holder until the infant is placed in a crib. When an infant falls asleep while being held, the~~
197.16 ~~license holder must consider the supervision needs of other children in care when determining~~
197.17 ~~how long to hold the infant before placing the infant in a crib to sleep. The sleeping infant~~
197.18 ~~must not be in a position where the airway may be blocked or with anything covering the~~
197.19 ~~infant's face.~~

197.24 ~~registered nurse, physician assistant, licensed occupational therapist, or licensed physical~~
197.25 ~~therapist on a form developed by the commissioner.~~

197.26 ~~(f) Placing a swaddled infant down to sleep in a licensed setting is not recommended~~
197.27 ~~for an infant of any age and is prohibited for any infant who has begun to roll over~~
197.28 ~~independently. However, with the written consent of a parent or guardian according to this~~
197.29 ~~paragraph, a license holder may place the infant who has not yet begun to roll over on its~~
197.30 ~~own down to sleep in a swaddle. A swaddle is defined as a one-piece sleepwear that wraps~~
197.31 ~~over the infant's arms, fastens securely only across the infant's upper torso, and does not~~
197.32 ~~constrict the infant's hips or legs. If a swaddle is used by a license holder, the license holder~~
197.33 ~~must ensure that it meets the requirements of paragraph (d) and is not so tight that it restricts~~
197.34 ~~the infant's ability to breathe or so loose that the fabric could cover the infant's nose and~~

198.1 ~~mouth. Prior to any use of swaddling for sleep by a provider licensed under this chapter,~~
198.2 ~~the license holder must obtain informed written consent for the use of swaddling from the~~
198.3 ~~parent or guardian of the infant on a form developed by the commissioner.~~

198.4 ~~(g) A license holder may request a variance to this section to permit the use of a~~
198.5 ~~cradleboard when requested by a parent or guardian for a cultural accommodation. A variance~~

198.14 child's parent related to safe bathing and reducing the risk of sudden unexpected infant death
198.15 and abusive head trauma from shaking infants and young children. The license holder must
198.16 use the educational material developed by the commissioner to comply with this requirement.
198.17 At a minimum, the education must address:

198.18 (1) instruction that a child or infant should never be left unattended around water, a tub
198.19 should be filled with only two to four inches of water for infants, and an infant should never

198.25 documentation in the parent's file. The documentation must indicate whether the parent
198.26 agrees to comply with the safeguards. If the parent refuses to comply, program staff must
198.27 provide additional education to the parent as described in the parental supervision plan. The
198.28 parental supervision plan must include the intervention, frequency, and staff responsible
198.29 for the duration of the parent's participation in the program or until the parent agrees to
198.30 comply with the safeguards.

205.2 youth, a license holder must meet the requirements of this subdivision.

205.3 (b) The license holder must collaborate with the responsible social services agency and
205.4 other appropriate parties to implement each youth's out-of-home placement plan required
205.5 by section 260C.212, subdivision 1.

205.6 (c) The license holder must specialize in providing prenatal, postpartum, or parenting
205.7 supports for youth and must:

205.8 (1) provide equitable, culturally responsive, and individualized services to each youth;

205.9 (2) assist each youth with accessing postpartum services during the same period of time
205.10 that a woman is considered pregnant for the purposes of medical assistance eligibility under

205.12 (i) sexual and reproductive health services and education; and

205.13 (ii) a postpartum mental health assessment and follow-up services; and

205.14 (3) discharge planning that includes the youth and the youth's family.

205.15 (d) On or before the date of a child's initial physical presence at the facility, the license
205.16 holder must provide education to the child's parent related to safe bathing and reducing the
205.17 risk of sudden unexpected infant death and abusive head trauma from shaking infants and
205.18 young children. The license holder must use the educational material developed by the
205.19 commissioner of human services to comply with this requirement. At a minimum, the
205.20 education must address:

205.21 (1) instruction that: (i) a child or infant should never be left unattended around water;

205.22 (ii) a tub should be filled with only two to four inches of water for infants; and (iii) an infant
205.23 should never be put into a tub when the water is running; and

205.25 from shaking infants and young children and means of reducing the risks, including the
205.26 safety precautions identified in section ~~245A.1435~~ 142B.46 and the risks of co-sleeping.

205.27 The license holder must document the parent's receipt of the education and keep the
205.28 documentation in the parent's file. The documentation must indicate whether the parent
205.29 agrees to comply with the safeguards described in this paragraph. If the parent refuses to
205.30 comply, program staff must provide additional education to the parent as described in the
205.31 parental supervision plan. The parental supervision plan must include the intervention,

206.1 frequency, and staff responsible for the duration of the parent's participation in the program
206.2 or until the parent agrees to comply with the safeguards described in this paragraph.

206.3 (e) On or before the date of a child's initial physical presence at the facility, the license
206.4 holder must document the parent's capacity to meet the health and safety needs of the child
206.5 while on the facility premises considering the following factors:

206.6 (1) the parent's physical and mental health;

206.7 (2) the parent being under the influence of drugs, alcohol, medications, or other chemicals;

206.8 (3) the child's physical and mental health; and

206.9 (4) any other information available to the license holder indicating that the parent may
206.10 not be able to adequately care for the child.

206.11 (f) The license holder must have written procedures specifying the actions that staff shall
206.12 take if a parent is or becomes unable to adequately care for the parent's child.

206.13 (g) If the parent refuses to comply with the safeguards described in paragraph (d) or is
206.14 unable to adequately care for the child, the license holder must develop a parental supervision
206.15 plan in conjunction with the parent. The plan must account for any factors in paragraph (e)
206.16 that contribute to the parent's inability to adequately care for the child. The plan must be
206.17 dated and signed by the staff person who completed the plan.

206.18 (h) The license holder must have written procedures addressing whether the program
206.19 permits a parent to arrange for supervision of the parent's child by another youth in the
206.20 program. If permitted, the facility must have a procedure that requires staff approval of the
206.21 supervision arrangement before the supervision by the nonparental youth occurs. The
206.22 procedure for approval must include an assessment of the nonparental youth's capacity to
206.23 assume the supervisory responsibilities using the criteria in paragraph (e). The license holder
206.24 must document the license holder's approval of the supervisory arrangement and the
206.25 assessment of the nonparental youth's capacity to supervise the child and must keep this
206.26 documentation in the file of the parent whose child is being supervised by the nonparental
206.27 youth.

206.28 (i) The license holder must maintain a service delivery plan that describes how the
206.29 program provides services according to paragraphs (b) to (h).

206.30 Sec. 71. Minnesota Statutes 2022, section 245A.25, subdivision 8, is amended to read:

206.31 Subd. 8. **Monitoring and inspections.** (a) For a program licensed by the commissioner
206.32 of human services, the commissioner of human services may review a program's compliance

207.1 with certification requirements by conducting an inspection, a licensing review, or an
207.2 investigation of the program. The commissioner may issue a correction order to the license
207.3 holder for a program's noncompliance with the certification requirements of this section.
207.4 For a program licensed by the commissioner of human services, a license holder must make
207.5 a request for reconsideration of a correction order according to section 245A.06, subdivision
207.6 2.

207.7 (b) For a program licensed by the commissioner of children, youth, and families or the
207.8 commissioner of corrections, the commissioner of human services may review the program's
207.9 compliance with the requirements for a certification issued under this section biennially
207.10 and may issue a correction order identifying the program's noncompliance with the
207.11 requirements of this section. The correction order must state the following:

- 207.12 (1) the conditions that constitute a violation of a law or rule;
- 207.13 (2) the specific law or rule violated; and
- 207.14 (3) the time allowed for the program to correct each violation.

207.15 (c) For a program licensed by the commissioner of children, youth, and families or the
207.16 commissioner of corrections, if a license holder believes that there are errors in the correction
207.17 order of the commissioner of human services, the license holder may ask the Department
207.18 of Human Services to reconsider the parts of the correction order that the license holder
207.19 alleges are in error. To submit a request for reconsideration, the license holder must send a
207.20 written request for reconsideration by United States mail to the commissioner of human
207.21 services. The request for reconsideration must be postmarked within 20 calendar days of
207.22 the date that the correction order was received by the license holder and must:

- 207.23 (1) specify the parts of the correction order that are alleged to be in error;
- 207.24 (2) explain why the parts of the correction order are in error; and
- 207.25 (3) include documentation to support the allegation of error.

207.26 A request for reconsideration does not stay any provisions or requirements of the correction
207.27 order. The commissioner of human services' disposition of a request for reconsideration is
207.28 final and not subject to appeal under chapter 14.

207.29 (d) Nothing in this subdivision prohibits the commissioner of human services from
207.30 decertifying a license holder according to subdivision 9 prior to issuing a correction order.

208.1 Sec. 72. Minnesota Statutes 2022, section 245A.66, subdivision 1, is amended to read:

208.5 ~~(1) establish and maintain policies and procedures to ensure that an internal review is~~
208.6 ~~completed within 30 calendar days and that corrective action is taken if necessary to protect~~
208.7 ~~the health and safety of children in care when the facility has reason to know that an internal~~
208.8 ~~or external report of alleged or suspected maltreatment has been made. The review must~~
208.9 ~~include an evaluation of whether:~~

208.10 ~~(i) related policies and procedures were followed;~~

208.11 ~~(ii) the policies and procedures were adequate;~~

208.12 ~~(iii) there is a need for additional staff training;~~

208.13 ~~(iv) the reported event is similar to past events with the children or the services involved;~~
208.14 ~~and~~

208.15 ~~(v) there is a need for corrective action by the license holder to protect the health and~~
208.16 ~~safety of children in care.~~

208.17 ~~Based on the results of this review, the license holder must develop, document, and~~
208.18 ~~implement a corrective action plan designed to correct current lapses and prevent future~~
208.19 ~~lapses in performance by individuals or the license holder, if any;~~

208.20 ~~(2) identify the primary and secondary person or position who will ensure that, when~~
208.21 ~~required, internal reviews are completed. The secondary person shall be involved when~~
208.22 ~~there is reason to believe that the primary person was involved in the alleged or suspected~~
208.23 ~~maltreatment; and~~

208.24 ~~(3) document and make internal reviews accessible to the commissioner immediately~~
208.25 ~~upon the commissioner's request. For the purposes of this section, the documentation provided~~
208.26 ~~to the commissioner by the license holder may consist of a completed checklist that verifies~~
208.27 ~~completion of each of the requirements of the review.~~

208.28 Sec. 73. Minnesota Statutes 2023 Supplement, section 245A.66, subdivision 4, is amended

209.1 maltreatment of minors reporting requirements and definitions in chapter 260E to each
 209.2 mandatory reporter, as described in section 260E.06, subdivision 1.

209.3 ~~(b) In addition to the orientation training required by the applicable licensing rules and~~

212.28 (b) Head Start programs may provide full-day services as part of their own program
 212.29 model or through agreements with licensed full-day licensed child care programs. If licensed
 212.30 child care providers programs do not exist in a geographic area, choose not to participate,

213.11 requirements of section 121A.17. If this amount of aid is insufficient, the district may
213.12 permanently transfer from the general fund an amount that, when added to the aid, is
213.13 sufficient. Developmental screening aid shall not be paid for any student who is screened
213.14 more than 30 days after the first day of attendance at a public school kindergarten, except

213.28 should emphasize programming for a child from birth to age three and encourage parents
213.29 and other relatives to involve four- and five-year-old children in school readiness programs,
213.30 and other public and nonpublic early learning programs. A district may not limit participation
213.31 to school district residents. Early childhood family education programs must provide:

214.21 services for families and parents identified in the community needs assessment, particularly
214.22 those families and parents with children with the most risk factors birth to age three.

214.23 (c) Early childhood family education programs are encouraged to provide parents of
214.24 English learners with translated oral and written information to monitor the program's impact
214.25 on their children's English language development, to know whether their children are
214.26 progressing in developing their English and native language proficiency, and to actively
214.27 engage with and support their children in developing their English and native language
214.28 proficiency.

214.29 ~~The~~ (d) Early childhood family education programs must include learning experiences

215.3 parents to be aware of practices that may affect equitable development of children.

215.4 ~~(b)~~ (e) For the purposes of this section, "relative" or "relatives" means noncustodial
215.5 grandparents or other persons related to a child by blood, marriage, adoption, or foster
215.6 placement, excluding parents.

215.7 Sec. 4. Minnesota Statutes 2022, section 124D.13, subdivision 3, is amended to read:

215.8 Subd. 3. **Substantial parental involvement.** The requirement of substantial parental or
215.9 other relative involvement in subdivision 2 means that:

215.10 ~~(a)~~ (1) parents or other relatives must be physically present much of the time in classes
215.11 with their children or be in concurrent classes;

215.12 ~~(b)~~ (2) parenting education or family education must be an integral part of every early
215.13 childhood family education program;

215.14 ~~(c)~~ (3) early childhood family education appropriations must not be used for traditional

215.22 childhood family education programs a parent education component that is designed to
215.23 reach isolated or at-risk families.

215.24 (b) The home visiting program must:

215.25 (1) incorporate evidence-informed parenting education practices designed to support
215.26 the healthy growth and development of children, with a priority focus on those children
215.27 who have high needs;

215.28 (2) establish clear objectives and protocols for home visits;

215.29 (3) encourage families to make a transition from home visits to site-based parenting
215.30 programs;

216.1 (4) provide program services that are community-based, accessible, and culturally
216.2 relevant;

216.3 (5) foster collaboration among existing agencies and community-based organizations
216.4 that serve young children and their families, such as public health evidence-based models
216.5 of home visiting and Head Start home visiting; and

216.6 (6) provide information about and assist in making arrangements for an early childhood
216.7 health and developmental screening when the child nears his or her third birthday.

216.8 (c) The home visiting program should be provided by licensed parenting educators,

216.10 demographic composition of the community to the extent possible.

216.11 Sec. 6. Minnesota Statutes 2022, section 124D.135, subdivision 1, is amended to read:

216.19 Subd. 3. **Early childhood family education levy.** By September 30 of each year, the
216.20 commissioner of education shall establish a tax rate for early childhood family education
216.21 revenue that raises \$22,135,000 in each fiscal year. ~~If~~ After consulting with the commissioner
216.22 of children, youth, and families, if the commissioner of education determines that the amount
216.23 of the early childhood family education levy would exceed the early childhood family
216.24 education revenue, then the early childhood family education levy must equal the early
216.25 childhood family education revenue. A district may not certify an early childhood family
216.26 education levy unless it has met the annual program data reporting requirements under
216.27 section 124D.13, subdivision 13.

217.1 Sec. 8. Minnesota Statutes 2022, section 124D.135, is amended by adding a subdivision

217.11 Sec. 10. Minnesota Statutes 2023 Supplement, section 124D.142, subdivision 2, is amended
217.12 to read:

217.13 Subd. 2. **System components.** (a) The standards-based voluntary quality rating and
217.14 improvement system includes:

217.19 serving a penalty or exclusion;

217.20 (ii) prohibited from receiving public funds under section 245.095, regardless of whether
217.21 the action is under appeal;

218.2 care services in both public and private market programs that are high quality;

218.3 (5) voluntary participation ensuring that if a program or provider chooses to participate,
218.4 the program or provider will be rated and may receive public funding associated with the
218.5 rating; and

218.6 (6) tracking progress toward statewide access to high-quality early learning and care
218.7 programs, progress toward the number of low-income children whose parents can access
218.8 quality programs, and progress toward increasing the number of children who are fully
218.9 prepared to enter kindergarten.

218.10 (b) By July 1, 2026, the commissioner of ~~human services~~ children, youth, and families
218.11 shall establish a process by which a program may opt out of the rating under paragraph (a),

218.15 Sec. 11. Minnesota Statutes 2022, section 124D.15, subdivision 3a, is amended to read:

218.16 Subd. 3a. **Application and reporting requirements.** (a) A school readiness program

218.20 (b) Programs receiving school readiness funds annually must submit a report to the
218.21 department of education for transfer to the department of children, youth, and families.

218.22 Sec. 12. Minnesota Statutes 2023 Supplement, section 124D.151, subdivision 5, is amended
218.23 to read:

218.24 Subd. 5. **Application process; priority for high poverty schools.** (a) ~~To qualify for~~
218.25 ~~program approval for fiscal year 2017, a district or charter school must submit an application~~
218.26 ~~to the commissioner by July 1, 2016. To qualify for program approval for fiscal year 2018~~
218.27 ~~and later, a district or charter school must submit an application to the commissioner by~~
218.28 January 30 of the fiscal year prior to the fiscal year in which the program will be
218.29 implemented. The application must include:

218.30 (1) a description of the proposed program, including the number of hours per week the
218.31 program will be offered at each school site or mixed-delivery location;

219.1 (2) an estimate of the number of eligible children to be served in the program at each
219.2 school site or mixed-delivery location; and

219.3 (3) a statement of assurances signed by the superintendent or charter school director that
219.4 the proposed program meets the requirements of subdivision 2.

219.5 (b) The commissioner must review all applications ~~submitted for fiscal year 2017 by~~
219.6 ~~August 1, 2016, and must review all applications submitted for fiscal year 2018 and later~~
219.7 by March 1 of the fiscal year in which the applications are received and determine whether
219.8 each application meets the requirements of paragraph (a).

219.9 (c) The commissioner must divide all applications for new or expanded voluntary
219.10 prekindergarten programs under this section meeting the requirements of paragraph (a) and
219.11 school readiness plus programs into four groups as follows: the Minneapolis and St. Paul
219.12 school districts; other school districts located in the metropolitan equity region as defined
219.13 in section 126C.10, subdivision 28; school districts located in the rural equity region as
219.14 defined in section 126C.10, subdivision 28; and charter schools. Within each group, the
219.15 applications must be ordered by rank using a sliding scale based on the following criteria:

219.16 (1) concentration of kindergarten students eligible for free or reduced-price meals by
219.17 school site on October 1 of the previous school year. A school site may contract to partner
219.18 with a community-based provider or Head Start under subdivision 3 or establish an early
219.19 childhood center and use the concentration of kindergarten students eligible for free or
219.20 reduced-price meals from a specific school site as long as those eligible children are
219.21 prioritized and guaranteed services at the mixed-delivery site or early education center. For
219.22 school district programs to be operated at locations that do not have free and reduced-price
219.23 meals concentration data for kindergarten programs for October 1 of the previous school
219.24 year, including mixed-delivery programs, the school district average concentration of
219.25 kindergarten students eligible for free or reduced-price meals must be used for the rank
219.26 ordering;

219.27 (2) presence or absence of a three- or four-star Parent Aware rated program within the
219.28 school district or close proximity of the district. School sites with the highest concentration
219.29 of kindergarten students eligible for free or reduced-price meals that do not have a three-
219.30 or four-star Parent Aware program within the district or close proximity of the district shall
219.31 receive the highest priority, and school sites with the lowest concentration of kindergarten
219.32 students eligible for free or reduced-price meals that have a three- or four-star Parent Aware
219.33 rated program within the district or close proximity of the district shall receive the lowest
219.34 priority; and

220.1 (3) whether the district has implemented a mixed delivery system.

220.2 (d) The limit on participation for the programs as specified in subdivision 6 must initially
220.3 be allocated among the four groups based on each group's percentage share of the statewide
220.4 kindergarten enrollment on October 1 of the previous school year. Within each group, the
220.5 participation limit for fiscal years 2018 and 2019 must first be allocated to school sites
220.6 approved for aid in the previous year to ensure that those sites are funded for the same
220.7 number of participants as approved for the previous year. The remainder of the participation
220.8 limit for each group must be allocated among school sites in priority order until that region's
220.9 share of the participation limit is reached. If the participation limit is not reached for all
220.10 groups, the remaining amount must be allocated to the highest priority school sites, as
220.11 designated under this section, not funded in the initial allocation on a statewide basis. For
220.12 fiscal year 2020 and later, the participation limit must first be allocated to school sites
220.13 approved for aid in fiscal year 2017, and then to school sites approved for aid in fiscal year
220.14 2018 based on the statewide rankings under paragraph (c).

220.15 (e) Once a school site or a mixed delivery site under subdivision 3 is approved for aid
220.16 under this subdivision, it shall remain eligible for aid if it continues to meet program
220.17 requirements, regardless of changes in the concentration of students eligible for free or
220.18 reduced-price meals.

220.19 (f) If the total number of participants approved based on applications submitted under
220.20 paragraph (a) is less than the participation limit under subdivision 6, the commissioner must
220.21 notify all school districts and charter schools of the amount that remains available within
220.22 30 days of the initial application deadline under paragraph (a), and complete a second round
220.23 of allocations based on applications received within 60 days of the initial application deadline.

220.24 (g) Procedures for approving applications submitted under paragraph (f) shall be the
220.25 same as specified in paragraphs (a) to (d), except that the allocations shall be made to the
220.26 highest priority school sites not funded in the initial allocation on a statewide basis.

220.27 Sec. 13. Minnesota Statutes 2022, section 124D.151, subdivision 7, is amended to read:

220.28 Subd. 7. **Financial accounting.** An eligible school district or charter school must record
220.29 expenditures attributable to voluntary prekindergarten pupils according to guidelines prepared
220.30 by the commissioner of education under section 127A.17.

221.1 Sec. 14. Minnesota Statutes 2022, section 124D.151, is amended by adding a subdivision
221.2 to read:

221.7 to read:

221.8 Subd. 8. **Funding.** The commissioner and the commissioner of education shall enter
221.9 into an agreement under which the commissioner of education shall distribute funds
221.10 appropriated for programs under this section.

221.11 Sec. 16. Minnesota Statutes 2022, section 124D.165, subdivision 1, is amended to read:

221.12 Subdivision 1. **Establishment; purpose.** ~~There is established~~ An early learning
221.13 scholarships program ~~in order~~ is established to close the opportunity gap by increasing
221.14 access to high-quality early childhood programs.

221.15 Sec. 17. Minnesota Statutes 2023 Supplement, section 125A.02, subdivision 1, is amended
221.16 to read:

221.17 Subdivision 1. **Child with a disability.** "Child with a disability" means a child identified
221.18 under federal and state special education law as deaf or hard-of-hearing, blind or visually
221.19 impaired, deafblind, or having a speech or language impairment, a physical impairment,
221.20 other health disability, developmental cognitive disability, an emotional or behavioral
221.21 disorder, specific learning disability, autism spectrum disorder, traumatic brain injury, or

221.23 determined by the rules of the commissioner of children, youth, and families for children

221.29 Sec. 18. Minnesota Statutes 2022, section 125A.02, subdivision 1a, is amended to read:

221.30 Subd. 1a. ~~Children ages three through~~ from birth through age seven experiencing

261.25 (c) If the commissioner conducts a national criminal history record check when required
261.26 by law and uses the information from the national criminal history record check to make a
261.27 disqualification determination, the data obtained is private data and cannot be shared with
261.28 private agencies or prospective employers of the background study subject.

261.29 (d) If the commissioner conducts a national criminal history record check when required
261.30 by law and uses the information from the national criminal history record check to make a

262.2 required to obtain a copy of the background study subject's disqualification letter under
262.3 section 245C.17, subdivision 3.

265.1 Sec. 18. Minnesota Statutes 2022, section 256.741, subdivision 12a, is amended to read:

265.2 Subd. 12a. **Appeals of good cause determinations.** According to section ~~256.045~~
265.3 142A.20, an individual may appeal the determination or redetermination of good cause
265.4 under this section. To initiate an appeal of a good cause determination or redetermination,
265.5 the individual must make a request for a state agency hearing in writing within 30 calendar
265.6 days after the date that a notice of denial for good cause is mailed or otherwise transmitted
265.7 to the individual. Until a ~~human services~~ children, youth, and families judge issues a decision
265.8 under section ~~256.0451, subdivision 22~~ 142A.21, subdivision 22, the child support agency
265.9 shall cease all child support enforcement efforts and shall not report the individual's
265.10 noncooperation to public assistance agencies.

265.11 Sec. 19. Minnesota Statutes 2022, section 256.87, subdivision 1, is amended to read:

265.12 Subdivision 1. **Actions against parents for assistance furnished.** A parent of a child
265.13 is liable for the amount of public assistance, as defined in section 256.741, furnished to and
265.14 for the benefit of the child, including any assistance furnished for the benefit of the caretaker
265.15 of the child, which the parent has had the ability to pay. Ability to pay must be determined
265.16 according to this chapter ~~518A~~. The parent's liability is limited to the two years immediately
265.17 preceding the commencement of the action, except that where child support has been
265.18 previously ordered, the state or county agency providing the assistance, as assignee of the
265.19 obligee, shall be entitled to judgments for child support payments accruing within ten years
265.20 preceding the date of the commencement of the action up to the full amount of assistance
265.21 furnished. The action may be ordered by the state agency or county agency and shall be
265.22 brought in the name of the county or in the name of the state agency against the parent for
265.23 the recovery of the amount of assistance granted, together with the costs and disbursements
265.24 of the action.

265.25 Sec. 20. Minnesota Statutes 2022, section 256.87, subdivision 1a, is amended to read:

265.26 Subd. 1a. **Continuing support contributions.** In addition to granting the county or state
265.27 agency a money judgment, the court may, upon a motion or order to show cause, order
265.28 continuing support contributions by a parent found able to reimburse the county or state
265.29 agency. The order shall be effective for the period of time during which the recipient receives
265.30 public assistance from any county or state agency and thereafter. The order shall require
265.31 support according to this chapter ~~518A~~ and include the names and Social Security numbers
265.32 of the father, mother, and the child or children. An order for continuing contributions is
265.33 reinstated without further hearing upon notice to the parent by any county or state agency

266.1 that public assistance, as defined in section 256.741, is again being provided for the child
266.2 of the parent. The notice shall be in writing and shall indicate that the parent may request
266.3 a hearing for modification of the amount of support or maintenance.

266.4 Sec. 21. Minnesota Statutes 2022, section 256.87, subdivision 5, is amended to read:

266.5 Subd. 5. **Child not receiving assistance.** A person or entity having physical custody of
266.6 a dependent child not receiving public assistance as defined in section 256.741 has a cause
266.7 of action for child support against the child's noncustodial parents. Upon a motion served
266.8 on the noncustodial parent, the court shall order child support payments, including medical
266.9 support and child care support, from the noncustodial parent under this chapter 518A. A
266.10 noncustodial parent's liability may include up to the two years immediately preceding the
266.11 commencement of the action. This subdivision applies only if the person or entity has
266.12 physical custody with the consent of a custodial parent or approval of the court.

266.13 Sec. 22. Minnesota Statutes 2022, section 256P.04, subdivision 13, is amended to read:

266.14 Subd. 13. **Notice to undocumented persons; release of private data.** Agencies, in
266.15 consultation with the ~~commissioner~~ commissioners of human services and children, youth,
266.16 and families, shall provide notification to undocumented persons regarding the release of
266.17 personal data to the United States Citizenship and Immigration Services and develop
266.18 protocols regarding the release or sharing of data about undocumented persons with the
266.19 United States Citizenship and Immigration Services as required under sections 404, 411A,
266.20 and 434 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

266.21 Sec. 23. Minnesota Statutes 2022, section 260.92, subdivision 1, is amended to read:

266.22 Subdivision 1. **Home study.** The state must have procedures for the orderly and timely
266.23 interstate placement of children that are implemented in accordance with an interstate
266.24 compact ~~and that,~~ Within 60 days after the state receives from another state a request to
266.25 conduct a study of a home environment for purposes of assessing the safety and suitability
266.26 of placing a child in the home, the state shall, directly or by contract, conduct and complete
266.27 a home study and return to the other state a report on the results of the study, which shall
266.28 address the extent to which placement in the home would meet the needs of the child; ~~except~~
266.29 ~~in the case of a home study begun before October 1, 2008,~~ If the state fails to comply with
266.30 conducting and completing the home study within the 60-day period and this is as a result
266.31 of circumstances beyond the control of the state, the state has 75 days to comply if the state
266.32 documents the circumstances involved and certifies that completing the home study is in
266.33 the best interests of the child.

267.1 This subdivision does not require the completion within the applicable period of the
267.2 parts of the home study involving the education and training of the prospective foster or
267.3 adoptive parents.

267.4 Sec. 24. Minnesota Statutes 2022, section 260C.178, subdivision 1, is amended to read:

267.5 Subdivision 1. **Hearing and release requirements.** (a) If a child was taken into custody
267.6 under section 260C.175, subdivision 1, clause (1) or (2), item (ii), the court shall hold a
267.7 hearing within 72 hours of the time that the child was taken into custody, excluding
267.8 Saturdays, Sundays, and holidays, to determine whether the child should continue to be in
267.9 custody.

267.10 (b) Unless there is reason to believe that the child would endanger self or others or not
267.11 return for a court hearing, or that the child's health or welfare would be immediately
267.12 endangered, the child shall be released to the custody of a parent, guardian, custodian, or
267.13 other suitable person, subject to reasonable conditions of release including, but not limited
267.14 to, a requirement that the child undergo a chemical use assessment as provided in section
267.15 260C.157, subdivision 1.

267.16 (c) If the court determines that there is reason to believe that the child would endanger
267.17 self or others or not return for a court hearing, or that the child's health or welfare would be
267.18 immediately endangered if returned to the care of the parent or guardian who has custody
267.19 and from whom the child was removed, the court shall order the child:

267.20 (1) into the care of the child's noncustodial parent and order the noncustodial parent to
267.21 comply with any conditions that the court determines appropriate to ensure the safety and
267.22 care of the child, including requiring the noncustodial parent to cooperate with paternity
267.23 establishment proceedings if the noncustodial parent has not been adjudicated the child's
267.24 father; or

267.25 (2) into foster care as defined in section 260C.007, subdivision 18, under the legal
267.26 responsibility of the responsible social services agency or responsible probation or corrections
267.27 agency for the purposes of protective care as that term is used in the juvenile court rules.
267.28 The court shall not give the responsible social services legal custody and order a trial home
267.29 visit at any time prior to adjudication and disposition under section 260C.201, subdivision
267.30 1, paragraph (a), clause (3), but may order the child returned to the care of the parent or
267.31 guardian who has custody and from whom the child was removed and order the parent or
267.32 guardian to comply with any conditions the court determines to be appropriate to meet the
267.33 safety, health, and welfare of the child.

268.1 (d) In determining whether the child's health or welfare would be immediately
268.2 endangered, the court shall consider whether the child would reside with a perpetrator of
268.3 domestic child abuse.

268.4 (e) The court, before determining whether a child should be placed in or continue in
268.5 foster care under the protective care of the responsible agency, shall also make a
268.6 determination, consistent with section 260.012 as to whether reasonable efforts were made
268.7 to prevent placement or whether reasonable efforts to prevent placement are not required.
268.8 In the case of an Indian child, the court shall determine whether active efforts, according
268.9 to section 260.762 and the Indian Child Welfare Act of 1978, United States Code, title 25,
268.10 section 1912(d), were made to prevent placement. The court shall enter a finding that the
268.11 responsible social services agency has made reasonable efforts to prevent placement when
268.12 the agency establishes either:

268.13 (1) that the agency has actually provided services or made efforts in an attempt to prevent
268.14 the child's removal but that such services or efforts have not proven sufficient to permit the
268.15 child to safely remain in the home; or

268.16 (2) that there are no services or other efforts that could be made at the time of the hearing
268.17 that could safely permit the child to remain home or to return home. The court shall not
268.18 make a reasonable efforts determination under this clause unless the court is satisfied that
268.19 the agency has sufficiently demonstrated to the court that there were no services or other
268.20 efforts that the agency was able to provide at the time of the hearing enabling the child to
268.21 safely remain home or to safely return home. When reasonable efforts to prevent placement
268.22 are required and there are services or other efforts that could be ordered that would permit
268.23 the child to safely return home, the court shall order the child returned to the care of the
268.24 parent or guardian and the services or efforts put in place to ensure the child's safety. When
268.25 the court makes a prima facie determination that one of the circumstances under paragraph
268.26 (g) exists, the court shall determine that reasonable efforts to prevent placement and to
268.27 return the child to the care of the parent or guardian are not required.

268.28 (f) If the court finds the social services agency's preventive or reunification efforts have
268.29 not been reasonable but further preventive or reunification efforts could not permit the child
268.30 to safely remain at home, the court may nevertheless authorize or continue the removal of
268.31 the child.

268.32 (g) The court may not order or continue the foster care placement of the child unless the
268.33 court makes explicit, individualized findings that continued custody of the child by the

269.1 parent or guardian would be contrary to the welfare of the child and that placement is in the
269.2 best interest of the child.

269.3 (h) At the emergency removal hearing, or at any time during the course of the proceeding,
269.4 and upon notice and request of the county attorney, the court shall determine whether a
269.5 petition has been filed stating a prima facie case that:

269.6 (1) the parent has subjected a child to egregious harm as defined in section 260C.007,
269.7 subdivision 14;

269.8 (2) the parental rights of the parent to another child have been involuntarily terminated;

269.9 (3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph
269.10 (a), clause (2);

269.11 (4) the parents' custodial rights to another child have been involuntarily transferred to a
269.12 relative under ~~Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph (e),~~
269.13 ~~clause (1); section 260C.515, subdivision 4; a juvenile protection proceeding or a similar~~
269.14 ~~law process~~ of another jurisdiction;

269.15 (5) the parent has committed sexual abuse as defined in section 260E.03, against the
269.16 child or another child of the parent;

269.17 (6) the parent has committed an offense that requires registration as a predatory offender
269.18 under section 243.166, subdivision 1b, paragraph (a) or (b); or

269.19 (7) the provision of services or further services for the purpose of reunification is futile
269.20 and therefore unreasonable.

269.21 (i) When a petition to terminate parental rights is required under section 260C.301,
269.22 subdivision 4, or 260C.503, subdivision 2, but the county attorney has determined not to
269.23 proceed with a termination of parental rights petition, and has instead filed a petition to
269.24 transfer permanent legal and physical custody to a relative under section 260C.507, the
269.25 court shall schedule a permanency hearing within 30 days of the filing of the petition.

269.26 (j) If the county attorney has filed a petition under section 260C.307, the court shall
269.27 schedule a trial under section 260C.163 within 90 days of the filing of the petition except
269.28 when the county attorney determines that the criminal case shall proceed to trial first under
269.29 section 260C.503, subdivision 2, paragraph (c).

269.30 (k) If the court determines the child should be ordered into foster care and the child's
269.31 parent refuses to give information to the responsible social services agency regarding the
269.32 child's father or relatives of the child, the court may order the parent to disclose the names,

270.1 addresses, telephone numbers, and other identifying information to the responsible social
270.2 services agency for the purpose of complying with sections 260C.150, 260C.151, 260C.212,
270.3 260C.215, 260C.219, and 260C.221.

270.4 (l) If a child ordered into foster care has siblings, whether full, half, or step, who are
270.5 also ordered into foster care, the court shall inquire of the responsible social services agency
270.6 of the efforts to place the children together as required by section 260C.212, subdivision 2,
270.7 paragraph (d), if placement together is in each child's best interests, unless a child is in
270.8 placement for treatment or a child is placed with a previously noncustodial parent who is
270.9 not a parent to all siblings. If the children are not placed together at the time of the hearing,
270.10 the court shall inquire at each subsequent hearing of the agency's reasonable efforts to place
270.11 the siblings together, as required under section 260.012. If any sibling is not placed with
270.12 another sibling or siblings, the agency must develop a plan to facilitate visitation or ongoing
270.13 contact among the siblings as required under section 260C.212, subdivision 1, unless it is
270.14 contrary to the safety or well-being of any of the siblings to do so.

270.15 (m) When the court has ordered the child into the care of a noncustodial parent or in
270.16 foster care, the court may order a chemical dependency evaluation, mental health evaluation,
270.17 medical examination, and parenting assessment for the parent as necessary to support the
270.18 development of a plan for reunification required under subdivision 7 and section 260C.212,
270.19 subdivision 1, or the child protective services plan under section 260E.26, and Minnesota
270.20 Rules, part 9560.0228.

270.21 Sec. 25. Minnesota Statutes 2022, section 260C.201, subdivision 1, is amended to read:

270.22 Subdivision 1. **Dispositions.** (a) If the court finds that the child is in need of protection
270.23 or services or neglected and in foster care, the court shall enter an order making any of the
270.24 following dispositions of the case:

270.25 (1) place the child under the protective supervision of the responsible social services
270.26 agency or child-placing agency in the home of a parent of the child under conditions
270.27 prescribed by the court directed to the correction of the child's need for protection or services:

270.28 (i) the court may order the child into the home of a parent who does not otherwise have
270.29 legal custody of the child, however, an order under this section does not confer legal custody
270.30 on that parent;

270.31 (ii) if the court orders the child into the home of a father who is not adjudicated, the
270.32 father must cooperate with paternity establishment proceedings regarding the child in the

271.1 appropriate jurisdiction as one of the conditions prescribed by the court for the child to
271.2 continue in the father's home; and

271.3 (iii) the court may order the child into the home of a noncustodial parent with conditions
271.4 and may also order both the noncustodial and the custodial parent to comply with the
271.5 requirements of a case plan under subdivision 2; or

271.6 (2) transfer legal custody to one of the following:

271.7 (i) a child-placing agency; or

271.8 (ii) the responsible social services agency. In making a foster care placement of a child
271.9 whose custody has been transferred under this subdivision, the agency shall make an
271.10 individualized determination of how the placement is in the child's best interests using the
271.11 placement consideration order for relatives and the best interest factors in section 260C.212,
271.12 subdivision 2, and may include a child colocated with a parent in a licensed residential
271.13 family-based substance use disorder treatment program under section 260C.190; or

271.14 (3) order a trial home visit without modifying the transfer of legal custody to the
271.15 responsible social services agency under clause (2). Trial home visit means the child is
271.16 returned to the care of the parent or guardian from whom the child was removed for a period
271.17 not to exceed six months. During the period of the trial home visit, the responsible social
271.18 services agency:

271.19 (i) shall continue to have legal custody of the child, which means that the agency may
271.20 see the child in the parent's home, at school, in a child care facility, or other setting as the
271.21 agency deems necessary and appropriate;

271.22 (ii) shall continue to have the ability to access information under section 260C.208;

271.23 (iii) shall continue to provide appropriate services to both the parent and the child during
271.24 the period of the trial home visit;

271.25 (iv) without previous court order or authorization, may terminate the trial home visit in
271.26 order to protect the child's health, safety, or welfare and may remove the child to foster care;

271.27 (v) shall advise the court and parties within three days of the termination of the trial
271.28 home visit when a visit is terminated by the responsible social services agency without a
271.29 court order; and

271.30 (vi) shall prepare a report for the court when the trial home visit is terminated whether
271.31 by the agency or court order that describes the child's circumstances during the trial home
271.32 visit and recommends appropriate orders, if any, for the court to enter to provide for the

272.1 child's safety and stability. In the event a trial home visit is terminated by the agency by
272.2 removing the child to foster care without prior court order or authorization, the court shall
272.3 conduct a hearing within ten days of receiving notice of the termination of the trial home
272.4 visit by the agency and shall order disposition under this subdivision or commence
272.5 permanency proceedings under sections 260C.503 to 260C.515. The time period for the
272.6 hearing may be extended by the court for good cause shown and if it is in the best interests
272.7 of the child as long as the total time the child spends in foster care without a permanency
272.8 hearing does not exceed 12 months;

272.9 (4) if the child has been adjudicated as a child in need of protection or services because
272.10 the child is in need of special services or care to treat or ameliorate a physical or mental
272.11 disability or emotional disturbance as defined in section 245.4871, subdivision 15, the court
272.12 may order the child's parent, guardian, or custodian to provide it. The court may order the
272.13 child's health plan company to provide mental health services to the child. Section 62Q.535
272.14 applies to an order for mental health services directed to the child's health plan company.
272.15 If the health plan, parent, guardian, or custodian fails or is unable to provide this treatment
272.16 or care, the court may order it provided. Absent specific written findings by the court that
272.17 the child's disability is the result of abuse or neglect by the child's parent or guardian, the
272.18 court shall not transfer legal custody of the child for the purpose of obtaining special
272.19 treatment or care solely because the parent is unable to provide the treatment or care. If the
272.20 court's order for mental health treatment is based on a diagnosis made by a treatment
272.21 professional, the court may order that the diagnosing professional not provide the treatment
272.22 to the child if it finds that such an order is in the child's best interests; or

272.23 (5) if the court believes that the child has sufficient maturity and judgment and that it is
272.24 in the best interests of the child, the court may order a child 16 years old or older to be
272.25 allowed to live independently, either alone or with others as approved by the court under
272.26 supervision the court considers appropriate, if the county board, after consultation with the
272.27 court, has specifically authorized this dispositional alternative for a child.

272.28 (b) If the child was adjudicated in need of protection or services because the child is a
272.29 runaway or habitual truant, the court may order any of the following dispositions in addition
272.30 to or as alternatives to the dispositions authorized under paragraph (a):

272.31 (1) counsel the child or the child's parents, guardian, or custodian;

272.32 (2) place the child under the supervision of a probation officer or other suitable person
272.33 in the child's own home under conditions prescribed by the court, including reasonable rules

273.1 for the child's conduct and the conduct of the parents, guardian, or custodian, designed for
273.2 the physical, mental, and moral well-being and behavior of the child;

273.3 (3) subject to the court's supervision, transfer legal custody of the child to one of the
273.4 following:

273.5 (i) a reputable person of good moral character. No person may receive custody of two
273.6 or more unrelated children unless licensed to operate a residential program under sections
273.7 245A.01 to 245A.16; or

273.8 (ii) a county probation officer for placement in a group foster home established under
273.9 the direction of the juvenile court and licensed pursuant to section 241.021;

273.10 (4) require the child to pay a fine of up to \$100. The court shall order payment of the
273.11 fine in a manner that will not impose undue financial hardship upon the child;

273.12 (5) require the child to participate in a community service project;

273.13 (6) order the child to undergo a chemical dependency evaluation and, if warranted by
273.14 the evaluation, order participation by the child in a drug awareness program or an inpatient
273.15 or outpatient chemical dependency treatment program;

273.16 (7) if the court believes that it is in the best interests of the child or of public safety that
273.17 the child's driver's license or instruction permit be canceled, the court may order the
273.18 commissioner of public safety to cancel the child's license or permit for any period up to
273.19 the child's 18th birthday. If the child does not have a driver's license or permit, the court
273.20 may order a denial of driving privileges for any period up to the child's 18th birthday. The
273.21 court shall forward an order issued under this clause to the commissioner, who shall cancel
273.22 the license or permit or deny driving privileges without a hearing for the period specified
273.23 by the court. At any time before the expiration of the period of cancellation or denial, the
273.24 court may, for good cause, order the commissioner of public safety to allow the child to
273.25 apply for a license or permit, and the commissioner shall so authorize;

273.26 (8) order that the child's parent or legal guardian deliver the child to school at the
273.27 beginning of each school day for a period of time specified by the court; or

273.28 (9) require the child to perform any other activities or participate in any other treatment
273.29 programs deemed appropriate by the court.

273.30 To the extent practicable, the court shall enter a disposition order the same day it makes
273.31 a finding that a child is in need of protection or services or neglected and in foster care, but
273.32 in no event more than 15 days after the finding unless the court finds that the best interests
273.33 of the child will be served by granting a delay. If the child was under eight years of age at

274.1 the time the petition was filed, the disposition order must be entered within ten days of the
274.2 finding and the court may not grant a delay unless good cause is shown and the court finds
274.3 the best interests of the child will be served by the delay.

274.4 (c) If a child who is 14 years of age or older is adjudicated in need of protection or
274.5 services because the child is a habitual truant and truancy procedures involving the child
274.6 were previously dealt with by a school attendance review board or county attorney mediation
274.7 program under section 260A.06 or 260A.07, the court shall order a cancellation or denial
274.8 of driving privileges under paragraph (b), clause (7), for any period up to the child's 18th
274.9 birthday.

274.10 (d) In the case of a child adjudicated in need of protection or services because the child
274.11 has committed domestic abuse and been ordered excluded from the child's parent's home,
274.12 the court shall dismiss jurisdiction if the court, at any time, finds the parent is able or willing
274.13 to provide an alternative safe living arrangement for the child, as defined in ~~Laws 1997,~~
274.14 ~~chapter 239, article 10, section 2~~ paragraph (f).

274.15 (e) When a parent has complied with a case plan ordered under subdivision 6 and the
274.16 child is in the care of the parent, the court may order the responsible social services agency
274.17 to monitor the parent's continued ability to maintain the child safely in the home under such
274.18 terms and conditions as the court determines appropriate under the circumstances.

274.19 (f) For the purposes of this subdivision, "alternative safe living arrangement" means a
274.20 living arrangement for a child proposed by a petitioning parent or guardian if a court excludes
274.21 the minor from the parent's or guardian's home that is separate from the victim of domestic
274.22 abuse and safe for the child respondent. A living arrangement proposed by a petitioning
274.23 parent or guardian is presumed to be an alternative safe living arrangement absent information
274.24 to the contrary presented to the court. In evaluating any proposed living arrangement, the
274.25 court shall consider whether the arrangement provides the child with necessary food, clothing,
274.26 shelter, and education in a safe environment. Any proposed living arrangement that would
274.27 place the child in the care of an adult who has been physically or sexually violent is presumed
274.28 unsafe.

274.29 Sec. 26. Minnesota Statutes 2022, section 260C.215, subdivision 5, is amended to read:

274.30 Subd. 5. **Placement reports.** ~~Beginning December 1, 1996,~~ The commissioner shall
274.31 provide to the Indian Affairs Council, the Minnesota Council on Latino Affairs, the Council
274.32 for Minnesotans of African Heritage, and the Council on Asian-Pacific Minnesotans the
274.33 annual report required under section 257.0725.

275.1 Sec. 27. Minnesota Statutes 2022, section 260C.301, subdivision 1, is amended to read:

275.2 Subdivision 1. **Voluntary and involuntary.** The juvenile court may upon petition,
275.3 terminate all rights of a parent to a child:

275.4 (a) with the written consent of a parent who for good cause desires to terminate parental
275.5 rights; or

275.6 (b) if it finds that one or more of the following conditions exist:

275.7 (1) that the parent has abandoned the child;

275.8 (2) that the parent has substantially, continuously, or repeatedly refused or neglected to
275.9 comply with the duties imposed upon that parent by the parent and child relationship,
275.10 including but not limited to providing the child with necessary food, clothing, shelter,
275.11 education, and other care and control necessary for the child's physical, mental, or emotional
275.12 health and development, if the parent is physically and financially able, and either reasonable
275.13 efforts by the social services agency have failed to correct the conditions that formed the
275.14 basis of the petition or reasonable efforts would be futile and therefore unreasonable;

275.15 (3) that a parent has been ordered to contribute to the support of the child or financially
275.16 aid in the child's birth and has continuously failed to do so without good cause. This clause
275.17 shall not be construed to state a grounds for termination of parental rights of a noncustodial
275.18 parent if that parent has not been ordered to or cannot financially contribute to the support
275.19 of the child or aid in the child's birth;

275.20 (4) that a parent is palpably unfit to be a party to the parent and child relationship because
275.21 of a consistent pattern of specific conduct before the child or of specific conditions directly
275.22 relating to the parent and child relationship either of which are determined by the court to
275.23 be of a duration or nature that renders the parent unable, for the reasonably foreseeable
275.24 future, to care appropriately for the ongoing physical, mental, or emotional needs of the
275.25 child. It is presumed that a parent is palpably unfit to be a party to the parent and child
275.26 relationship upon a showing that the parent's parental rights to one or more other children
275.27 were involuntarily terminated or that the parent's custodial rights to another child have been
275.28 involuntarily transferred to a relative under ~~Minnesota Statutes 2010, section 260C.201,~~
275.29 ~~subdivision 11, paragraph (e), clause (1), section 260C.515, subdivision 4, a juvenile~~
275.30 protection proceeding or a similar law process of another jurisdiction;

275.31 (5) that following the child's placement out of the home, reasonable efforts, under the
275.32 direction of the court, have failed to correct the conditions leading to the child's placement.
275.33 It is presumed that reasonable efforts under this clause have failed upon a showing that:

276.1 (i) a child has resided out of the parental home under court order for a cumulative period
276.2 of 12 months within the preceding 22 months. In the case of a child under age eight at the
276.3 time the petition was filed alleging the child to be in need of protection or services, the
276.4 presumption arises when the child has resided out of the parental home under court order
276.5 for six months unless the parent has maintained regular contact with the child and the parent
276.6 is complying with the out-of-home placement plan;

276.7 (ii) the court has approved the out-of-home placement plan required under section
276.8 260C.212 and filed with the court under section 260C.178;

276.9 (iii) conditions leading to the out-of-home placement have not been corrected. It is
276.10 presumed that conditions leading to a child's out-of-home placement have not been corrected
276.11 upon a showing that the parent or parents have not substantially complied with the court's
276.12 orders and a reasonable case plan; and

276.13 (iv) reasonable efforts have been made by the social services agency to rehabilitate the
276.14 parent and reunite the family.

276.15 This clause does not prohibit the termination of parental rights prior to one year, or in
276.16 the case of a child under age eight, prior to six months after a child has been placed out of
276.17 the home.

276.18 It is also presumed that reasonable efforts have failed under this clause upon a showing
276.19 that:

276.20 (A) the parent has been diagnosed as chemically dependent by a professional certified
276.21 to make the diagnosis;

276.22 (B) the parent has been required by a case plan to participate in a chemical dependency
276.23 treatment program;

276.24 (C) the treatment programs offered to the parent were culturally, linguistically, and
276.25 clinically appropriate;

276.26 (D) the parent has either failed two or more times to successfully complete a treatment
276.27 program or has refused at two or more separate meetings with a caseworker to participate
276.28 in a treatment program; and

276.29 (E) the parent continues to abuse chemicals.

276.30 (6) that a child has experienced egregious harm in the parent's care which is of a nature,
276.31 duration, or chronicity that indicates a lack of regard for the child's well-being, such that a

277.1 reasonable person would believe it contrary to the best interest of the child or of any child
277.2 to be in the parent's care;

277.3 (7) that in the case of a child born to a mother who was not married to the child's father
277.4 when the child was conceived nor when the child was born the person is not entitled to
277.5 notice of an adoption hearing under section 259.49 and the person has not registered with
277.6 the fathers' adoption registry under section 259.52;

277.7 (8) that the child is neglected and in foster care; or

277.8 (9) that the parent has been convicted of a crime listed in section 260.012, paragraph
277.9 (g), clauses (1) to (5).

277.10 In an action involving an American Indian child, sections 260.751 to 260.835 and the
277.11 Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, control to
277.12 the extent that the provisions of this section are inconsistent with those laws.

277.13 Sec. 28. Minnesota Statutes 2023 Supplement, section 260C.317, subdivision 3, is amended
277.14 to read:

277.15 Subd. 3. **Order; retention of jurisdiction.** (a) A certified copy of the findings and the
277.16 order terminating parental rights, and a summary of the court's information concerning the
277.17 child shall be furnished by the court to the commissioner or the agency to which guardianship
277.18 is transferred.

277.19 (b) The orders shall be on a document separate from the findings. The court shall furnish
277.20 the guardian a copy of the order terminating parental rights.

277.21 (c) When the court orders guardianship pursuant to this section, the guardian ad litem
277.22 and counsel for the child shall continue on the case until an adoption decree is entered. An
277.23 in-court appearance hearing must be held every 90 days following termination of parental
277.24 rights for the court to review progress toward an adoptive placement and the specific
277.25 recruitment efforts the agency has taken to find an adoptive family for the child and to
277.26 finalize the adoption or other permanency plan. Review of the progress toward adoption of
277.27 a child under guardianship of the commissioner of human services shall be conducted
277.28 according to section 260C.607.

277.29 (d) Upon terminating parental rights or upon a parent's consent to adoption under ~~section~~
277.30 ~~260C.515, subdivision 3, this chapter~~ resulting in an order for guardianship to the
277.31 commissioner of human services, the court shall retain jurisdiction:

277.32 (1) until the child is adopted;

278.1 (2) through the child's minority; or

278.2 (3) as long as the child continues in or reenters foster care, until the individual becomes
278.3 21 years of age according to sections 260C.193, subdivision 6, and 260C.451.

278.4 Sec. 29. Minnesota Statutes 2022, section 260D.02, subdivision 5, is amended to read:

278.5 Subd. 5. **Child in voluntary foster care for treatment.** "Child in voluntary foster care
278.6 for treatment" means a child ~~who is emotionally disturbed or developmentally disabled or~~
278.7 ~~has~~ with emotional disturbance or developmental disability, or who has a related condition
278.8 and is in foster care under a voluntary foster care agreement between the child's parent and
278.9 the agency due to concurrence between the agency and the parent when it is determined
278.10 that foster care is medically necessary:

278.11 (1) due to a determination by the agency's screening team based on its review of the
278.12 diagnostic and functional assessment under section 245.4885; or

278.13 (2) due to a determination by the agency's screening team under section 256B.092 and
278.14 Minnesota Rules, parts 9525.0004 to 9525.0016.

278.15 A child is not in voluntary foster care for treatment under this chapter when there is a
278.16 current determination under chapter 260E that the child requires child protective services
278.17 or when the child is in foster care for any reason other than the child's emotional or
278.18 developmental disability or related condition.

278.19 Sec. 30. Minnesota Statutes 2022, section 260D.02, subdivision 9, is amended to read:

278.20 Subd. 9. ~~Emotionally disturbed or Emotional disturbance.~~ "~~Emotionally disturbed~~"
278.21 ~~or~~ "Emotional disturbance" means emotional disturbance as described in section 245.4871,
278.22 subdivision 15.

278.23 Sec. 31. Minnesota Statutes 2023 Supplement, section 260E.02, subdivision 1, is amended
278.24 to read:

278.25 Subdivision 1. **Establishment of team.** A county shall establish a multidisciplinary
278.26 child protection team that may include, but is not limited to, the director of the local welfare
278.27 agency or designees, the county attorney or designees, the county sheriff or designees,
278.28 representatives of health and education, representatives of mental health, representatives of
278.29 agencies providing specialized services or responding to youth who experience or are at
278.30 risk of experiencing sex trafficking or sexual exploitation, or other appropriate human
278.31 services, children's services, or community-based agencies, and parent groups. As used in

279.1 this section, a "community-based agency" may include, but is not limited to, schools, social
279.2 services agencies, family service and mental health collaboratives, children's advocacy
279.3 centers, early childhood and family education programs, Head Start, or other agencies
279.4 serving children and families. A member of the team must be designated as the lead person

279.9 and professional education, develop resources for prevention, intervention, and treatment,
279.10 and provide case consultation to the local welfare agency or other interested community-based
279.11 agencies. The community-based agencies may request case consultation from the
279.12 multidisciplinary child protection team regarding a child or family for whom the
279.13 community-based agency is providing services. As used in this section, "case consultation"
279.14 means a case review process in which recommendations are made concerning services to
279.15 be provided to the identified children and family. Case consultation may be performed by
279.16 a committee or subcommittee of members representing human services or children's services,
279.17 including mental health and substance use disorder providers; law enforcement, including
279.18 probation and parole; the county attorney; a children's advocacy center; health care;
279.19 education; community-based agencies and other necessary agencies; and persons directly
279.20 involved in an individual case as designated by other members performing case consultation.

279.22 Subd. 23. **Threatened injury.** (a) "Threatened injury" means a statement, overt act,
279.23 condition, or status that represents a substantial risk of physical or sexual abuse or mental
279.24 injury.

279.25 (b) Threatened injury includes, but is not limited to, exposing a child to a person
279.26 responsible for the child's care, as defined in subdivision 17, who has:

279.27 (1) subjected a child to, or failed to protect a child from, an overt act or condition that
279.28 constitutes egregious harm under subdivision 5 or a similar law of another jurisdiction;

279.29 (2) been found to be palpably unfit under section 260C.301, subdivision 1, paragraph
279.30 (b), clause (4), or a similar law of another jurisdiction;

279.32 section 260C.301, or a similar law of another jurisdiction; or

280.1 (4) committed an act that resulted in the involuntary transfer of permanent legal and
280.2 physical custody of a child to a relative under ~~Minnesota Statutes 2010, section 260C.201,~~
280.3 ~~subdivision 11, paragraph (d), clause (1),~~ section 260C.515, subdivision 4, or a similar law
280.4 of another jurisdiction.

280.5 (c) A child is the subject of a report of threatened injury when the local welfare agency

300.17 (1) the arrearage is under \$500; or

300.18 (2) the arrearage is considered unenforceable by the public authority because there have
300.19 been no collections for three years, and all administrative and legal remedies have been
300.20 attempted or are determined by the public authority to be ineffective because the obligor is
300.21 unable to pay, the obligor has no known income or assets, and there is no reasonable prospect
300.22 that the obligor will be able to pay in the foreseeable future.

300.23 (g) At least 60 calendar days before the discontinuation of services under paragraph (f),
300.24 the public authority must mail a written notice to the obligee and obligor at the obligee's
300.25 and obligor's last known addresses that the public authority intends to close the child support
300.26 enforcement case and explaining each party's rights. Seven calendar days after the first
300.27 notice is mailed, the public authority must mail a second notice under this paragraph to the
300.28 obligee.

300.29 (h) The case must be kept open if the obligee responds before case closure and provides
300.30 information that could reasonably lead to collection of arrears. If the case is closed, the
300.31 obligee may later request that the case be reopened by completing a new application for
300.32 services, if there is a change in circumstances that could reasonably lead to the collection
300.33 of arrears.

301.1 Sec. 61. Minnesota Statutes 2023 Supplement, section 609A.015, subdivision 1, is amended

304.23 Sec. 64. Minnesota Statutes 2023 Supplement, section 609A.06, subdivision 7, is amended
304.24 to read:

304.25 Subd. 7. **Review and determination.** (a) The Cannabis Expungement Board shall review
304.26 all available records to determine whether the conviction or stay of adjudication is eligible
304.27 for an expungement or resentencing to a lesser offense. An expungement under this section
304.28 is presumed to be in the public interest unless there is clear and convincing evidence that
304.29 an expungement or resentencing to a lesser offense would create a risk to public safety.

305.1 (b) If the Cannabis Expungement Board determines that an expungement is in the public
305.2 interest, the board shall determine whether a person's conviction should be vacated and
305.3 charges should be dismissed.

305.4 (c) If the Cannabis Expungement Board determines that an expungement is in the public
305.5 interest, the board shall determine whether the limitations under section 609A.03, subdivision
305.6 5a, apply.

305.7 (d) If the Cannabis Expungement Board determines that an expungement is in the public
305.8 interest, the board shall determine whether the limitations under section 609A.03, subdivision
305.9 7a, paragraph (b), clause (5), apply.

305.10 (e) If the Cannabis Expungement Board determines that an expungement is not in the
305.11 public interest, the board shall determine whether the person is eligible for resentencing to
305.12 a lesser offense.

305.13 (f) In making a determination under this subdivision, the Cannabis Expungement Board
305.14 shall consider:

305.15 (1) the nature and severity of the underlying crime, including but not limited to the total
305.16 amount of marijuana or tetrahydrocannabinols possessed by the person and whether the
305.17 offense involved a dangerous weapon, the intentional infliction of bodily harm on another,
305.18 an attempt to inflict bodily harm on another, or an act committed with the intent to cause
305.19 fear in another of immediate bodily harm or death;

305.20 (2) whether an expungement or resentencing the person a lesser offense would increase
305.21 the risk, if any, the person poses to other individuals or society;

305.22 (3) if the person is under sentence, whether an expungement or resentencing to a lesser
305.23 offense would result in the release of the person and whether release earlier than the date
305.24 that the person would be released under the sentence currently being served would present
305.25 a danger to the public or would be compatible with the welfare of society;

305.26 (4) aggravating or mitigating factors relating to the underlying crime, including the
305.27 person's level of participation and the context and circumstances of the underlying crime;

305.28 (5) statements from victims and law enforcement, if any;

305.29 (6) if an expungement or resentencing the person to a lesser offense is considered,
305.30 whether there is good cause to restore the person's right to possess firearms and ammunition;

306.1 (7) if an expungement is considered, whether an expunged record of a conviction or stay
306.2 of adjudication may be opened for purposes of a background check required under section
306.3 122A.18, subdivision 8; and

306.4 (8) other factors deemed relevant by the Cannabis Expungement Board.

306.5 (g) In making a determination under this subdivision, the Cannabis Expungement Board
306.6 shall not consider the impact the expungement would have on the offender based on any
306.7 records held by the Department of Health; Department of Children, Youth, and Families;
306.8 or Department of Human Services.

306.9 (h) The affirmative vote of three members is required for action taken at any meeting.

306.10 Sec. 65. Minnesota Statutes 2023 Supplement, section 609A.06, subdivision 12, is amended
306.11 to read:

306.12 Subd. 12. **Order of expungement.** (a) Upon receiving notice that an offense qualifies
306.13 for expungement, the court shall issue an order sealing all records relating to an arrest,
306.14 indictment or information, trial, verdict, or dismissal and discharge for an offense described
306.15 in subdivision 3. The courts shall not order the Department of Health; the Department of
306.16 Children, Youth, and Families; or the Department of Human Services to seal records under
306.17 this section. If the Cannabis Expungement Board determined that the person's conviction
306.18 should be vacated and charges should be dismissed, the order shall vacate and dismiss the
306.19 charges.

306.20 (b) If the Cannabis Expungement Board determined that there is good cause to restore
306.21 the person's right to possess firearms and ammunition, the court shall issue an order pursuant
306.22 to section 609.165, subdivision 1d.

306.23 (c) If the Cannabis Expungement Board determined that an expunged record of a
306.24 conviction or stay of adjudication may not be opened for purposes of a background check
306.25 required under section 122A.18, subdivision 8, the court shall direct the order specifically
306.26 to the Professional Educator Licensing and Standards Board.

306.27 (d) The court administrator shall send a copy of an expungement order issued under this
306.28 section to each agency and jurisdiction whose records are affected by the terms of the order
306.29 and send a letter to the last known address of the person whose offense has been expunged
306.30 identifying each agency to which the order was sent.

306.31 (e) In consultation with the commissioner of human services, the court shall establish a
306.32 schedule on which it shall provide the commissioner of human services a list identifying

307.1 the name and court file number or, if no court file number is available, the citation number
 307.2 of each record for a person who received an expungement under this section.

307.3 (f) Data on the person whose offense has been expunged in a letter sent under this
 307.4 subdivision are private data on individuals as defined in section 13.02, subdivision 12.

307.5 Sec. 66. Minnesota Statutes 2022, section 631.40, subdivision 3, is amended to read:

307.6 Subd. 3. **Departments of Human Services; Children, Youth, and Families; and**
 307.7 **Health licensees.** When a person who is affiliated with a program or facility governed by
 307.8 the Department of Human Services, Department of Children, Youth, and Families, or
 307.9 Department of Health is convicted of a disqualifying crime, the probation officer or
 307.10 corrections agent shall notify the commissioner of the conviction, as provided in chapter
 307.11 245C.

307.12 Sec. 67. **EXECUTIVE AGENCIES' PRINTED AND ONLINE MATERIALS AND**
 307.13 **INFORMATION TECHNOLOGY SYSTEMS.**

307.14 (a) Executive agencies are not required to immediately replace existing printed material
 307.15 only to reflect changed statute numbers in this act and may do so when current printed
 307.16 material is replaced and new printed material is obtained in the normal course of business.

307.17 (b) Executive agencies are not required to immediately edit online cross-references only
 307.18 to reflect changed statute numbers in this act and may do so when online documents,
 307.19 information technology systems, and websites are edited in the normal course of business.

307.20 Sec. 68. **REVISOR INSTRUCTION.**

307.21 (a) The revisor of statutes must renumber sections or subdivisions in column A as column

308.4 article 12. The revisor may make technical and other necessary changes to sentence structure
308.5 to preserve the meaning of the text. The revisor may alter the statutory coding in this act to
308.6 incorporate statutory changes made by other law in the 2024 regular legislative session. If
308.7 a provision repealed in this act is also amended in the 2024 regular legislative session by
308.8 other law, the revisor shall merge the amendment into the recodification, notwithstanding
308.9 Minnesota Statutes, section 645.30. The revisor of statutes must consult with executive
308.10 branch agencies that would be affected by the changes when making changes pursuant to
308.11 this section.

308.12 **Sec. 70. REVISOR INSTRUCTION.**

308.13 The revisor of statutes shall change "the commissioner of human services" to "the
308.14 commissioner of children, youth, and families" and change "the Department of Human
308.15 Services" to "the Department of Children, Youth, and Families" as necessary to reflect the
308.16 changes in this act and Laws 2023, chapter 70, article 12. The revisor shall also make other

308.19 must consult with executive branch agencies that would be affected by the changes when
308.20 making changes pursuant to this section. If any potential commissioner changes identified
308.21 reflect policy changes not yet addressed in this act or Laws 2023, chapter 70, article 12, the
308.22 revisor of statutes shall notify the commissioners of human services and children, youth,
308.23 and families so that the change may be addressed in the 2025 legislative session.

308.24 **Sec. 71. REPEALER.**

The handbook shall include a list of the applicable statutory provisions and rules that apply to licensed family child care providers. The commissioner shall electronically publish the handbook on the Department of Human Services website, available at no charge to the public. Each county human services office and the Department of Human Services shall maintain physical copies of the handbook for public use.

Subd. 2. **Child passenger restraint systems; training requirement.** (a) Programs licensed by the Department of Human Services under this chapter and Minnesota Rules, chapter 2960, that serve a child or children under eight years of age must document training that fulfills the requirements in this subdivision.

(b) Before a license holder, staff person, or caregiver transports a child or children under age eight in a motor vehicle, the person transporting the child must satisfactorily complete training on the proper use and installation of child restraint systems in motor vehicles. Training completed under this section may be used to meet initial or ongoing training under Minnesota Rules, part 2960.3070, subparts 1 and 2.

(c) Training required under this section must be completed at orientation or initial training and repeated at least once every five years. At a minimum, the training must address the proper use of child restraint systems based on the child's size, weight, and age, and the proper installation of a car seat or booster seat in the motor vehicle used by the license holder to transport the child or children.

(d) Training under paragraph (c) must be provided by individuals who are certified and approved by the Office of Traffic Safety within the Department of Public Safety. License holders may obtain a list of certified and approved trainers through the Department of Public Safety website or by contacting the agency.

(e) Notwithstanding paragraph (a), for an emergency relative placement under section 245A.035, the commissioner may grant a variance to the training required by this subdivision for a relative who completes a child seat safety check up. The child seat safety check up trainer must be approved by the Department of Public Safety, Office of Traffic Safety, and must provide one-on-one instruction on placing a child of a specific age in the exact child passenger restraint in the motor vehicle in which the child will be transported. Once granted a variance, and if all other licensing requirements are met, the relative applicant may receive a license and may transport a relative foster child younger than eight years of age. A child seat safety check up must be completed each time a child requires a different size car seat according to car seat and vehicle manufacturer guidelines. A relative license holder must complete training that meets the other requirements of this subdivision prior to placement of another foster child younger than eight years of age in the home or prior to the renewal of the child foster care license.
