 2.22 subdivisions of the state and performing duties enumerated in section 273.061, subdivision
 2.23 7 or 8.

2.24 **EFFECTIVE DATE.** This section is effective the day following final enactment
 2.25 for testimony offered and opinions or reports prepared in cases or proceedings that have

 2.30 subdivision ~~2~~ 3, to generate revenues sufficient to fund the airflight property tax portion
 2.31 of each year's state airport fund appropriation, as certified to the commissioner by the
 2.32 commissioner of transportation. The certification shall be presented to the commissioner
 2.33 prior to December 31 of each year. The property tax portion of the state airport fund
 2.34 appropriation is the difference between the total fund appropriation and the estimated total
 2.35 fund revenues from other sources for the state fiscal year in which the tax is payable
 2.36 and may include a portion of the balance in the state airports fund as determined to be
 2.37 available by the commissioner of transportation. ~~If a levy amount has not been certified by~~
 2.38 ~~September 1 of a levy year, the commissioner shall use the last previous certified amount~~

3.1 ~~to determine the rate of tax.~~ The certification by the commissioner of transportation to
3.2 the commissioner shall state the total fund appropriation and shall list individually the
3.3 estimated fund revenues including the account carryover balance in the airport fund.
3.4 The difference of these amounts shall be shown as the property tax portion of the state
3.5 airport fund appropriation.

3.6 If a levy amount has not been certified by December 31 of a levy year, the
3.7 commissioner shall use the last previous certified amount to determine the rate of tax, and
3.8 shall notify the chairs and the ranking minority members of the committees of the house
3.9 of representatives and senate having jurisdiction over the Department of Transportation
3.10 that a certification was not made under this subdivision.

3.17 under sections 270.071 to 270.079 shall become due and payable on ~~January~~ April 1
3.18 following the levy thereof. If any tax is not paid on the due date or, if an appeal is made
3.19 pursuant to section 270.076, within 60 days after notice of an increased tax, a late payment
3.20 penalty of five percent of the unpaid tax shall be assessed. If the tax remains unpaid for
3.21 more than 30 days, an additional penalty of five percent of the unpaid tax is imposed for
3.22 each additional 30 days or fraction of 30 days that the tax remains unpaid. The penalty
3.23 imposed under this section must not exceed the lesser of \$25,000 or 25 percent of the
3.24 unpaid tax. The unpaid tax and penalty shall bear interest at the rate specified in section

3.33 appraisals or analyses, accepting an appraisal assignment, or preparing an appraisal report

4.1 as defined in section 82B.02, subdivisions 2 to 5, on any property within the assessment
 4.2 jurisdiction where the individual is employed or performing the duties of the assessor
 4.3 under contract. Violation of this prohibition shall result in immediate revocation of the
 4.4 individual's license to assess property for property tax purposes. This prohibition must
 4.5 not be construed to prohibit an individual from carrying out any duties required for the
 4.6 proper assessment of property for property tax purposes or performing duties enumerated
 4.7 in section 273.061, subdivision 7 or 8. If a formal resolution has been adopted by the
 4.8 governing body of a governmental unit, which specifies the purposes for which such

6.23 omitted from assessment in the county, and report all such omissions to the county auditor.

6.24 (12) To regularly confer with county assessors in all adjacent counties about the
6.25 assessment of property in order to uniformly assess and equalize the value of similar
6.26 properties and classes of property located in adjacent counties. The conference shall

6.28 properties that may have an inadequate number of sales in a single county.

6.29 (13) To render such other services pertaining to the assessment of real and personal
6.30 property in the county as are not inconsistent with the duties set forth in this section, and as
6.31 may be required by the board of county commissioners or by the commissioner of revenue.

7.12 **EFFECTIVE DATE.** This section is effective for assessment year 2010 and
7.13 thereafter.

7.14 Sec. 9. Minnesota Statutes 2008, section 273.1232, subdivision 1, is amended to read:

7.15 Subdivision 1. **Reassessments required.** For the purposes of sections 273.1231 to
7.16 ~~273.1235~~ 273.1236, the county assessor must reassess all damaged property in a disaster
7.17 or emergency area, except that the commissioner of revenue shall reassess all property
7.18 for which an application is submitted to the commissioner under section 273.1233 or
7.19 273.1235. As soon as practical, the assessor or commissioner of revenue must report
7.20 the reassessed value to the county auditor.

7.21 **EFFECTIVE DATE.** This section is effective for assessment year 2010 and
7.22 thereafter.

7.23 Sec. 10. **[273.1236] DISASTER-DAMAGED HOMES; PARTIAL VALUATION**
7.24 **EXCLUSION.**

7.25 (a) A homestead property that (1) sustained physical damage from a disaster or
7.26 emergency resulting in a reassessed market value that is at least \$15,000 less than the
7.27 market value of the property established for the January 2 assessment in the year in which
7.28 the damage occurred, (2) has been substantially restored or rebuilt by the end of the
7.29 year following the year in which the damage occurred, (3) has a gross living area after
7.30 reconstruction that does not exceed 130 percent of the gross living area prior to the disaster
7.31 or emergency, and (4) has an estimated market value for the assessment year following the
7.32 year in which the restoration or reconstruction was substantially completed that exceeds

8.1 its estimated market value established for the January 2 assessment in the year in which
8.2 the damage occurred by at least \$25,000 due to the restoration or reconstruction, is eligible
8.3 for a valuation exclusion under this section for the two assessment years immediately
8.4 following the year in which the restoration or reconstruction was completed.

8.5 (b) The assessor shall determine the difference between the estimated market value
8.6 established for the January 2 assessment in the year in which the damage occurred and the
8.7 estimated market value established for the January 2 assessment in the year following the
8.8 completion of the restoration or reconstruction.

8.9 (c) In the first assessment year following the restoration or reconstruction, all of the
8.10 difference identified under paragraph (b) shall be excluded in determining taxable market
8.11 value. In the second assessment year following the restoration or reconstruction, half of
8.12 the difference identified under paragraph (b) shall be excluded in determining taxable
8.13 market value.

8.14 (d) For the purposes of this section, "gross living area" includes only above-grade
8.15 living area, and does not include any finished basement living area.

8.16 (e) Application for the valuation exclusion under this section must be filed by
8.17 January 2 of the year following the year in which the restoration or reconstruction was
8.18 substantially completed. The application must be filed with the assessor of the county in
8.19 which the property is located on the form prescribed by the commissioner of revenue.

8.20 **EFFECTIVE DATE.** This section is effective for assessment year 2010 and
8.21 thereafter. The application deadline in paragraph (e) is extended to June 30, 2010, for
8.22 restoration or reconstruction substantially completed in 2009.

8.23 Sec. 11. Minnesota Statutes 2008, section 273.124, subdivision 1, is amended to read:

8.24 Subdivision 1. **General rule.** (a) Residential real estate that is occupied and used
8.25 for the purposes of a homestead by its owner, who must be a Minnesota resident, is
8.26 a residential homestead.

8.27 Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and
8.28 used as a homestead by its owner, who must be a Minnesota resident, is an agricultural
8.29 homestead.

8.30 Dates for establishment of a homestead and homestead treatment provided to
8.31 particular types of property are as provided in this section.

8.32 Property held by a trustee under a trust is eligible for homestead classification if the
8.33 requirements under this chapter are satisfied.

8.34 The assessor shall require proof, as provided in subdivision 13, of the facts upon
8.35 which classification as a homestead may be determined. Notwithstanding any other law,

9.1 the assessor may at any time require a homestead application to be filed in order to verify
9.2 that any property classified as a homestead continues to be eligible for homestead status.
9.3 Notwithstanding any other law to the contrary, the Department of Revenue may, upon
9.4 request from an assessor, verify whether an individual who is requesting or receiving
9.5 homestead classification has filed a Minnesota income tax return as a resident for the most
9.6 recent taxable year for which the information is available.

9.7 When there is a name change or a transfer of homestead property, the assessor may
9.8 reclassify the property in the next assessment unless a homestead application is filed to
9.9 verify that the property continues to qualify for homestead classification.

9.10 (b) For purposes of this section, homestead property shall include property which
9.11 is used for purposes of the homestead but is separated from the homestead by a road,
9.12 street, lot, waterway, or other similar intervening property. The term "used for purposes
9.13 of the homestead" shall include but not be limited to uses for gardens, garages, or other
9.14 outbuildings commonly associated with a homestead, but shall not include vacant land
9.15 held primarily for future development. In order to receive homestead treatment for
9.16 the noncontiguous property, the owner must use the property for the purposes of the
9.17 homestead, and must apply to the assessor, both by the deadlines given in subdivision
9.18 9. After initial qualification for the homestead treatment, additional applications for
9.19 subsequent years are not required.

9.20 (c) Residential real estate that is occupied and used for purposes of a homestead by a
9.21 relative of the owner is a homestead but only to the extent of the homestead treatment
9.22 that would be provided if the related owner occupied the property. For purposes of this
9.23 paragraph and paragraph (g), "relative" means a parent, stepparent, child, stepchild,
9.24 grandparent, grandchild, brother, sister, uncle, aunt, nephew, or niece. This relationship
9.25 may be by blood or marriage. Property that has been classified as seasonal residential
9.26 recreational property at any time during which it has been owned by the current owner or
9.27 spouse of the current owner will not be reclassified as a homestead unless it is occupied as
9.28 a homestead by the owner; this prohibition also applies to property that, in the absence of
9.29 this paragraph, would have been classified as seasonal residential recreational property at
9.30 the time when the residence was constructed. Neither the related occupant nor the owner
9.31 of the property may claim a property tax refund under chapter 290A for a homestead
9.32 occupied by a relative. In the case of a residence located on agricultural land, only the
9.33 house, garage, and immediately surrounding one acre of land shall be classified as a
9.34 homestead under this paragraph, except as provided in paragraph (d). In the case of
9.35 nonagricultural property, this paragraph only applies to applications approved before
9.36 December 16, 2010.

10.1 (d) Agricultural property that is occupied and used for purposes of a homestead by
10.2 a relative of the owner, is a homestead, only to the extent of the homestead treatment
10.3 that would be provided if the related owner occupied the property, and only if all of the
10.4 following criteria are met:

10.5 (1) the relative who is occupying the agricultural property is a son, daughter, brother,
10.6 sister, grandson, granddaughter, father, or mother of the owner of the agricultural property
10.7 or a son, daughter, brother, sister, grandson, or granddaughter of the spouse of the owner
10.8 of the agricultural property;

10.9 (2) the owner of the agricultural property must be a Minnesota resident;

10.10 (3) the owner of the agricultural property must not receive homestead treatment on
10.11 any other agricultural property in Minnesota; and

10.12 (4) the owner of the agricultural property is limited to only one agricultural
10.13 homestead per family under this paragraph.

10.14 Neither the related occupant nor the owner of the property may claim a property
10.15 tax refund under chapter 290A for a homestead occupied by a relative qualifying under
10.16 this paragraph. For purposes of this paragraph, "agricultural property" means the house,
10.17 garage, other farm buildings and structures, and agricultural land.

10.18 Application must be made to the assessor by the owner of the agricultural property to
10.19 receive homestead benefits under this paragraph. The assessor may require the necessary
10.20 proof that the requirements under this paragraph have been met.

10.21 (e) In the case of property owned by a property owner who is married, the assessor
10.22 must not deny homestead treatment in whole or in part if only one of the spouses occupies
10.23 the property and the other spouse is absent due to: (1) marriage dissolution proceedings,
10.24 (2) legal separation, (3) employment or self-employment in another location, or (4) other
10.25 personal circumstances causing the spouses to live separately, not including an intent to
10.26 obtain two homestead classifications for property tax purposes. To qualify under clause
10.27 (3), the spouse's place of employment or self-employment must be at least 50 miles distant
10.28 from the other spouse's place of employment, and the homesteads must be at least 50 miles
10.29 distant from each other. Homestead treatment, in whole or in part, shall not be denied to
10.30 the owner's spouse who previously occupied the residence with the owner if the absence
10.31 of the owner is due to one of the exceptions provided in this paragraph.

10.32 (f) The assessor must not deny homestead treatment in whole or in part if:

10.33 (1) in the case of a property owner who is not married, the owner is absent due to
10.34 residence in a nursing home, boarding care facility, or an elderly assisted living facility
10.35 property as defined in section 273.13, subdivision 25a, and the property is not otherwise
10.36 occupied; or

11.1 (2) in the case of a property owner who is married, the owner or the owner's spouse
 11.2 or both are absent due to residence in a nursing home, boarding care facility, or an elderly
 11.3 assisted living facility property as defined in section 273.13, subdivision 25a, and the
 11.4 property is not occupied or is occupied only by the owner's spouse.

11.5 (g) If an individual is purchasing property with the intent of claiming it as a
 11.6 homestead and is required by the terms of the financing agreement to have a relative
 11.7 shown on the deed as a co-owner, the assessor shall allow a full homestead classification.
 11.8 This provision only applies to first-time purchasers, whether married or single, or to a
 11.9 person who had previously been married and is purchasing as a single individual for the
 11.10 first time. The application for homestead benefits must be on a form prescribed by the
 11.11 commissioner and must contain the data necessary for the assessor to determine if full
 11.12 homestead benefits are warranted.

11.13 (h) If residential or agricultural real estate is occupied and used for purposes of a
 11.14 homestead by a child of a deceased owner and the property is subject to jurisdiction of
 11.15 probate court, the child shall receive relative homestead classification under paragraph (c)
 11.16 or (d) to the same extent they would be entitled to it if the owner was still living, until
 11.17 the probate is completed. For purposes of this paragraph, "child" includes a relationship
 11.18 by blood or by marriage.

11.19 (i) If a single-family home, duplex, or triplex classified as either residential
 11.20 homestead or agricultural homestead is also used to provide licensed child care, the
 11.21 portion of the property used for licensed child care must be classified as a part of the
 11.22 homestead property.

11.23 **EFFECTIVE DATE.** This section is effective the day following final enactment.

11.24 Sec. 12. Minnesota Statutes 2009 Supplement, section 273.124, subdivision 3a,
 11.25 is amended to read:

12.6 wholly owned by persons having a right to occupy a lot owned by the corporation or
12.7 association.

12.8 (c) A charitable corporation, organized under the laws of Minnesota with no
12.9 outstanding stock, and granted a ruling by the Internal Revenue Service for 501(c)(3)

12.11 ~~the~~ a manufactured home park ~~who~~ if its members hold residential participation warrants
12.12 entitling them to occupy a lot in the manufactured home park.

12.13 (d) "Homestead treatment" under this subdivision means the class rate provided for
12.14 class 4c property classified under section 273.13, subdivision 25, paragraph (d), clause (5),
12.15 item (ii). The homestead market value credit under section 273.1384 does not apply and
12.16 the property taxes assessed against the park shall not be included in the determination of
12.17 taxes payable for rent paid under section 290A.03.

12.18 **EFFECTIVE DATE.** This section is effective for taxes payable in 2011 and
12.19 thereafter.

12.20 Sec. 13. Minnesota Statutes 2008, section 273.124, subdivision 8, is amended to read:

12.21 Subd. 8. **Homestead owned by or leased to family farm corporation, joint farm**
12.22 **venture, limited liability company, or partnership.** (a) Each family farm corporation;

12.26 member, or partner thereof who is residing on the land, and actively engaged in farming of
12.27 the land owned by the family farm corporation, joint family farm venture, limited liability
12.28 company, or partnership. Homestead treatment applies even if legal title to the property is
12.29 in the name of the family farm corporation, joint family farm venture, limited liability
12.30 company, or partnership, and not in the name of the person residing on it.

12.31 "Family farm corporation," "family farm," and "partnership operating a family
12.32 farm" have the meanings given in section 500.24, except that the number of allowable
12.33 shareholders, members, or partners under this subdivision shall not exceed 12. "Limited
12.34 liability company" has the meaning contained in sections 322B.03, subdivision 28, and
12.35 500.24, subdivision 2, paragraphs (l) and (m). "Joint family farm venture" means a

13.1 cooperative agreement among two or more farm enterprises authorized to operate a family
13.2 farm under section 500.24.

13.3 (b) In addition to property specified in paragraph (a), any other residences owned
13.4 by family farm corporations, joint family farm ventures, limited liability companies,

13.6 occupied as homesteads by its shareholders, members, or partners who are actively
13.7 engaged in farming on behalf of that corporation, joint farm venture, limited liability
13.8 company, or partnership must also be assessed as class 2a property or as class 1b property
13.9 under section 273.13.

13.10 (c) Agricultural property that is owned by a member, partner, or shareholder of a
13.11 family farm corporation or joint family farm venture, limited liability company operating
13.12 a family farm, or by a partnership operating a family farm and leased to the family farm
13.13 corporation, limited liability company, partnership, or joint farm venture, as defined in
13.14 paragraph (a), is eligible for classification as class 1b or class 2a under section 273.13, if
13.15 the owner is actually residing on the property, and is actually engaged in farming the land
13.16 on behalf of that corporation, joint farm venture, limited liability company, or partnership.
13.17 This paragraph applies without regard to any legal possession rights of the family farm
13.18 corporation, joint family farm venture, limited liability company, or partnership under
13.19 the lease.

13.20 (d) Agricultural property that (1) is owned by a family farm corporation, joint
13.21 farm venture, limited liability company, or partnership and (2) is contiguous to a class
13.22 2a homestead under section 273.13, subdivision 23, or if noncontiguous, is located in
13.23 the same township or city, or not farther than four townships or cities, or combination
13.24 thereof from a class 2a homestead, and the class 2a homestead is owned by one of the
13.25 shareholders, members, or partners; is entitled to receive the first tier homestead class rate
13.26 up to the first tier maximum market value on any remaining market value not received
13.27 on the shareholder's, member's, or partner's homestead class 2a property. The owner
13.28 must notify the county assessor by July 1 that a portion of the market value under this
13.29 subdivision may be eligible for homestead classification for the current assessment year,
13.30 for taxes payable in the following year.

13.31 **EFFECTIVE DATE.** This section is effective for assessment year 2010 and
13.32 thereafter, for taxes payable in 2011 and thereafter.

13.33 Sec. 14. Minnesota Statutes 2008, section 273.124, subdivision 14, is amended to read:

14.11 combination of townships or cities from the homestead; and

14.12 (4) the agricultural use value of the noncontiguous land and farm buildings is equal
14.13 to at least 50 percent of the market value of the house, garage, and one acre of land.

14.14 Homesteads initially classified as class 2a under the provisions of this paragraph shall
14.15 remain classified as class 2a, irrespective of subsequent changes in the use of adjoining
14.16 properties, as long as the homestead remains under the same ownership, the owner owns a
14.17 noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use
14.18 value qualifies under clause (4). Homestead classification under this paragraph is limited
14.19 to property that qualified under this paragraph for the 1998 assessment.

14.20 (b)(i) Agricultural property shall be classified as the owner's homestead, to the same
14.21 extent as other agricultural homestead property, if all of the following criteria are met:

14.33 homestead in Minnesota; and

14.34 (5) neither the owner nor the person actively farming the property lives farther
14.35 than four townships or cities, or a combination of four townships or cities, from the
14.36 agricultural property, except that if the owner or the owner's spouse is required to live in

15.1 employer-provided housing, the owner or owner's spouse, whichever is actively farming
15.2 the agricultural property, may live more than four townships or cities, or combination of
15.3 four townships or cities from the agricultural property.

15.4 The relationship under this paragraph may be either by blood or marriage.

15.5 (ii) Real property held by a trustee under a trust is eligible for agricultural homestead
15.6 classification under this paragraph if the qualifications in clause (i) are met, except that
15.7 "owner" means the grantor of the trust.

15.8 (iii) Property containing the residence of an owner who owns qualified property
15.9 under clause (i) shall be classified as part of the owner's agricultural homestead, if that

15.12 273.13, subdivision 23, paragraph (a), only if the homestead is classified as class 2a
15.13 and the detached land is located in the same township or city, or not farther than four
15.14 townships or cities or combination thereof from the homestead. Any taxpayer of these
15.15 noncontiguous lands must notify the county assessor that the noncontiguous land is part of
15.16 the taxpayer's homestead, and, if the homestead is located in another county, the taxpayer
15.17 must also notify the assessor of the other county.

15.18 (d) Agricultural land used for purposes of a homestead and actively farmed by a
15.19 person holding a vested remainder interest in it must be classified as a homestead under
15.20 section 273.13, subdivision 23, paragraph (a). If agricultural land is classified class 2a,
15.21 any other dwellings on the land used for purposes of a homestead by persons holding
15.22 vested remainder interests who are actively engaged in farming the property, and up to
15.23 one acre of the land surrounding each homestead and reasonably necessary for the use of
15.24 the dwelling as a home, must also be assessed class 2a.

15.25 (e) Agricultural land and buildings that were class 2a homestead property under
15.26 section 273.13, subdivision 23, paragraph (a), for the 1997 assessment shall remain
15.27 classified as agricultural homesteads for subsequent assessments if:

15.28 (1) the property owner abandoned the homestead dwelling located on the agricultural
15.29 homestead as a result of the April 1997 floods;

15.36 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

16.1 (5) the owner notifies the county assessor that the relocation was due to the 1997
16.2 floods, and the owner furnishes the assessor any information deemed necessary by the
16.3 assessor in verifying the change in dwelling. Further notifications to the assessor are not
16.4 required if the property continues to meet all the requirements in this paragraph and any
16.5 dwellings on the agricultural land remain uninhabited.

16.6 (f) Agricultural land and buildings that were class 2a homestead property under
16.7 section 273.13, subdivision 23, paragraph (a), for the 1998 assessment shall remain
16.8 classified agricultural homesteads for subsequent assessments if:

16.9 (1) the property owner abandoned the homestead dwelling located on the agricultural
16.10 homestead as a result of damage caused by a March 29, 1998, tornado;

16.16 of one of the parcels of agricultural land that is owned by the taxpayer; and

16.17 (5) the owner notifies the county assessor that the relocation was due to a March 29,
16.18 1998, tornado, and the owner furnishes the assessor any information deemed necessary by
16.19 the assessor in verifying the change in homestead dwelling. For taxes payable in 1999, the
16.20 owner must notify the assessor by December 1, 1998. Further notifications to the assessor
16.21 are not required if the property continues to meet all the requirements in this paragraph
16.22 and any dwellings on the agricultural land remain uninhabited.

16.23 (g) Agricultural property of a family farm corporation, joint family farm venture,
16.24 family farm limited liability company, or partnership operating a family farm as described
16.25 under subdivision 8 shall be classified homestead, to the same extent as other agricultural
16.26 homestead property, if all of the following criteria are met:

16.27 (1) the property consists of at least 40 acres including undivided government lots
16.28 and correctional 40's;

16.29 (2) a shareholder, member, or partner of that entity is actively farming the

17.3 family farm if legal title to the property is in the name of an individual who is a member,
17.4 shareholder, or partner in the entity.

17.5 (h) To be eligible for the special agricultural homestead under this subdivision, an
17.6 initial full application must be submitted to the county assessor where the property is
17.7 located. Owners and the persons who are actively farming the property shall be required
17.8 to complete only a one-page abbreviated version of the application in each subsequent

17.11 (2) the owners and the persons actively farming the property continue to live within
17.12 the four townships or city criteria and are Minnesota residents;

17.13 (3) the same operator of the agricultural property is listed with the Farm Service
17.14 Agency;

17.15 (4) a Schedule F or equivalent income tax form was filed for the most recent year;

17.18 since the initial application.

17.19 The owners and any persons who are actively farming the property must include
17.20 the appropriate Social Security numbers, and sign and date the application. If any of the
17.21 specified information has changed since the full application was filed, the owner must
17.22 notify the assessor, and must complete a new application to determine if the property
17.23 continues to qualify for the special agricultural homestead. The commissioner of revenue
17.24 shall prepare a standard reapplication form for use by the assessors.

17.25 (i) Agricultural land and buildings that were class 2a homestead property under
17.26 section 273.13, subdivision 23, paragraph (a), for the 2007 assessment shall remain
17.27 classified agricultural homesteads for subsequent assessments if:

17.28 (1) the property owner abandoned the homestead dwelling located on the agricultural
17.29 homestead as a result of damage caused by the August 2007 floods;

17.30 (2) the property is located in the county of Dodge, Fillmore, Houston, Olmsted,
17.31 Steele, Wabasha, or Winona;

17.32 (3) the agricultural land and buildings remain under the same ownership for the
17.33 current assessment year as existed for the 2007 assessment year;

17.34 (4) the dwelling occupied by the owner is located in this state and is within 50 miles
17.35 of one of the parcels of agricultural land that is owned by the taxpayer; and

18.1 (5) the owner notifies the county assessor that the relocation was due to the August
18.2 2007 floods, and the owner furnishes the assessor any information deemed necessary by
18.3 the assessor in verifying the change in homestead dwelling. For taxes payable in 2009, the
18.4 owner must notify the assessor by December 1, 2008. Further notifications to the assessor
18.5 are not required if the property continues to meet all the requirements in this paragraph
18.6 and any dwellings on the agricultural land remain uninhabited.

18.7 (j) Agricultural land and buildings that were class 2a homestead property under
18.8 section 273.13, subdivision 23, paragraph (a), for the 2008 assessment shall remain

18.10 (1) the property owner abandoned the homestead dwelling located on the agricultural
18.11 homestead as a result of the March 2009 floods;

18.12 (2) the property is located in the county of Marshall;

18.13 (3) the agricultural land and buildings remain under the same ownership for the
18.14 current assessment year as existed for the 2008 assessment year and continue to be used
18.15 for agricultural purposes;

18.16 (4) the dwelling occupied by the owner is located in Minnesota and is within 50
18.17 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

18.18 (5) the owner notifies the county assessor that the relocation was due to the 2009
18.19 floods, and the owner furnishes the assessor any information deemed necessary by the
18.20 assessor in verifying the change in dwelling. Further notifications to the assessor are not
18.21 required if the property continues to meet all the requirements in this paragraph and any
18.22 dwellings on the agricultural land remain uninhabited.

18.23 **EFFECTIVE DATE.** This section is effective for assessment years 2010 and 2011,
18.24 for taxes payable in 2011 and 2012.

18.25 Sec. 15. Minnesota Statutes 2009 Supplement, section 273.13, subdivision 23, is
18.26 amended to read:

18.27 Subd. 23. **Class 2.** (a) An agricultural homestead consists of class 2a agricultural
18.28 land that is homesteaded, along with any class 2b rural vacant land that is contiguous to
18.29 the class 2a land under the same ownership. The market value of the house and garage
18.30 and immediately surrounding one acre of land has the same class rates as class 1a or 1b
18.31 property under subdivision 22. The value of the remaining land including improvements
18.32 up to the first tier valuation limit of agricultural homestead property has a net class rate
18.33 of 0.5 percent of market value. The remaining property over the first tier has a class rate
18.34 of one percent of market value. For purposes of this subdivision, the "first tier valuation

19.1 limit of agricultural homestead property" and "first tier" means the limit certified under
19.2 section 273.11, subdivision 23.

19.3 (b) Class 2a agricultural land consists of parcels of property, or portions thereof, that
19.4 are agricultural land and buildings. Class 2a property has a net class rate of one percent of
19.5 market value, unless it is part of an agricultural homestead under paragraph (a). Class
19.6 2a property must also include any property that would otherwise be classified as 2b,
19.7 but is interspersed with class 2a property, including but not limited to sloughs, wooded
19.8 wind shelters, acreage abutting ditches, ravines, rock piles, land subject to a setback
19.9 requirement, and other similar land that is impractical for the assessor to value separately
19.10 from the rest of the property or that is unlikely to be able to be sold separately from
19.11 the rest of the property.

19.12 An assessor may classify the part of a parcel described in this subdivision that is used
19.13 for agricultural purposes as class 2a and the remainder in the class appropriate to its use.

19.14 (c) Class 2b rural vacant land consists of parcels of property, or portions thereof,
19.15 that are unplatted real estate, rural in character and not used for agricultural purposes,
19.16 including land used for growing trees for timber, lumber, and wood and wood products,
19.17 that is not improved with a structure. The presence of a minor, ancillary nonresidential
19.18 structure as defined by the commissioner of revenue does not disqualify the property from
19.19 classification under this paragraph. Any parcel of 20 acres or more improved with a
19.20 structure that is not a minor, ancillary nonresidential structure must be split-classified, and
19.21 ten acres must be assigned to the split parcel containing the structure. Class 2b property
19.22 has a net class rate of one percent of market value unless it is part of an agricultural
19.23 homestead under paragraph (a), or qualifies as class 2c under paragraph (d).

19.24 (d) Class 2c managed forest land consists of no less than 20 and no more than 1,920
19.25 acres statewide per taxpayer that is being managed under a forest management plan that
19.26 meets the requirements of chapter 290C, but is not enrolled in the sustainable forest
19.27 resource management incentive program. It has a class rate of .65 percent, provided that
19.28 the owner of the property must apply to the assessor in order for the property to initially
19.29 qualify for the reduced rate and provide the information required by the assessor to verify
19.30 that the property qualifies for the reduced rate. If the assessor receives the application
19.31 and information before May 1 in an assessment year, the property qualifies beginning
19.32 with that assessment year. If the assessor receives the application and information after
19.33 April 30 in an assessment year, the property may not qualify until the next assessment
19.34 year. The commissioner of natural resources must concur that the land is qualified. The
19.35 commissioner of natural resources shall annually provide county assessors verification
19.36 information on a timely basis. The presence of a minor, ancillary nonresidential structure

20.1 as defined by the commissioner of revenue does not disqualify the property from
20.2 classification under this paragraph.

20.3 (e) Agricultural land as used in this section means contiguous acreage of ten
20.4 acres or more, used during the preceding year for agricultural purposes. "Agricultural
20.5 purposes" as used in this section means the raising, cultivation, drying, or storage of
20.6 agricultural products for sale, or the storage of machinery or equipment used in support
20.7 of agricultural production by the same farm entity. For a property to be classified as
20.8 agricultural based only on the drying or storage of agricultural products, the products
20.9 being dried or stored must have been produced by the same farm entity as the entity
20.10 operating the drying or storage facility. "Agricultural purposes" also includes enrollment
20.11 in the Reinvest in Minnesota program under sections 103F.501 to 103F.535 or the federal
20.12 Conservation Reserve Program as contained in Public Law 99-198 or a similar state
20.13 or federal conservation program if the property was classified as agricultural (i) under
20.14 this subdivision for the assessment year 2002 or (ii) in the year prior to its enrollment.
20.15 Agricultural classification shall not be based upon the market value of any residential
20.16 structures on the parcel or contiguous parcels under the same ownership.

20.17 (f) Real estate of less than ten acres, which is exclusively or intensively used for
20.18 raising or cultivating agricultural products, shall be considered as agricultural land. To
20.19 qualify under this paragraph, property that includes a residential structure must be used
20.20 intensively for one of the following purposes:

20.21 (i) for drying or storage of grain or storage of machinery or equipment used to
20.22 support agricultural activities on other parcels of property operated by the same farming
20.23 entity;

20.24 (ii) as a nursery, provided that only those acres used to produce nursery stock are
20.25 considered agricultural land;

20.26 (iii) for livestock or poultry confinement, provided that land that is used only for
20.27 pasturing and grazing does not qualify; ~~or~~

20.28 (iv) for market farming; for purposes of this paragraph, "market farming" means the
20.29 cultivation of one or more fruits or vegetables or production of animal or other agricultural
20.30 products for sale to local markets by the farmer or an organization with which the farmer
20.31 is affiliated; or

20.32 (v) the commercial processing of milk into cheese products from milk produced
20.33 on the property.

20.34 (g) Land shall be classified as agricultural even if all or a portion of the agricultural
20.35 use of that property is the leasing to, or use by another person for agricultural purposes.

21.1 Classification under this subdivision is not determinative for qualifying under
21.2 section 273.111.

21.3 (h) The property classification under this section supersedes, for property tax
21.4 purposes only, any locally administered agricultural policies or land use restrictions that
21.5 define minimum or maximum farm acreage.

21.6 (i) The term "agricultural products" as used in this subdivision includes production
21.7 for sale of:

21.8 (1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing
21.9 animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains,
21.10 bees, and apiary products by the owner;

21.11 (2) fish bred for sale and consumption if the fish breeding occurs on land zoned
21.12 for agricultural use;

21.13 (3) the commercial boarding of horses, which may include related horse training
21.14 and riding instruction, if the boarding is done ~~in conjunction with~~ on property that is also
21.15 used for raising pasture to graze horses or raising or cultivating other agricultural products
21.16 as defined in clause (1);

21.17 (4) property which is owned and operated by nonprofit organizations used for
21.18 equestrian activities, excluding racing;

21.19 (5) game birds and waterfowl bred and raised for use on a shooting preserve licensed
21.20 under section 97A.115;

21.21 (6) insects primarily bred to be used as food for animals;

21.22 (7) trees, grown for sale as a crop, including short rotation woody crops, and not
21.23 sold for timber, lumber, wood, or wood products; ~~and~~

21.24 (8) maple syrup taken from trees grown by a person licensed by the Minnesota
21.25 Department of Agriculture under chapter 28A as a food processor; and

21.26 (9) the commercial processing of milk into cheese products from milk produced on
21.27 the property, provided the property is also the homestead of the property owner.

21.28 (j) If a parcel used for agricultural purposes is also used for commercial or industrial
21.29 purposes, including but not limited to:

21.30 (1) wholesale and retail sales;

21.31 (2) processing of raw agricultural products or other goods;

21.32 (3) warehousing or storage of processed goods; and

21.33 (4) office facilities for the support of the activities enumerated in clauses (1), (2),
21.34 and (3),

21.35 the assessor shall classify the part of the parcel used for agricultural purposes as class
21.36 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its

22.1 use. The grading, sorting, and packaging of raw agricultural products for first sale is
22.2 considered an agricultural purpose. A greenhouse or other building where horticultural
22.3 or nursery products are grown that is also used for the conduct of retail sales must be
22.4 classified as agricultural if it is primarily used for the growing of horticultural or nursery
22.5 products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of
22.6 those products. Use of a greenhouse or building only for the display of already grown
22.7 horticultural or nursery products does not qualify as an agricultural purpose.

22.8 (k) The assessor shall determine and list separately on the records the market value
22.9 of the homestead dwelling and the one acre of land on which that dwelling is located. If
22.10 any farm buildings or structures are located on this homesteaded acre of land, their market
22.11 value shall not be included in this separate determination.

22.12 (l) Class 2d airport landing area consists of a landing area or public access area of
22.13 a privately owned public use airport. It has a class rate of one percent of market value.
22.14 To qualify for classification under this paragraph, a privately owned public use airport
22.15 must be licensed as a public airport under section 360.018. For purposes of this paragraph,
22.16 "landing area" means that part of a privately owned public use airport properly cleared,
22.17 regularly maintained, and made available to the public for use by aircraft and includes
22.18 runways, taxiways, aprons, and sites upon which are situated landing or navigational aids.
22.19 A landing area also includes land underlying both the primary surface and the approach
22.20 surfaces that comply with all of the following:

22.21 (i) the land is properly cleared and regularly maintained for the primary purposes of
22.22 the landing, taking off, and taxiing of aircraft; but that portion of the land that contains
22.23 facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;

22.24 (ii) the land is part of the airport property; and

22.25 (iii) the land is not used for commercial or residential purposes.

22.26 The land contained in a landing area under this paragraph must be described and certified
22.27 by the commissioner of transportation. The certification is effective until it is modified,
22.28 or until the airport or landing area no longer meets the requirements of this paragraph.
22.29 For purposes of this paragraph, "public access area" means property used as an aircraft
22.30 parking ramp, apron, or storage hangar, or an arrival and departure building in connection
22.31 with the airport.

22.32 (m) Class 2e consists of land with a commercial aggregate deposit that is not actively
22.33 being mined and is not otherwise classified as class 2a or 2b, provided that the land is not
22.34 located in a county that has elected to opt-out of the aggregate preservation program as
22.35 provided in section 273.1115, subdivision 6. It has a class rate of one percent of market
22.36 value. To qualify for classification under this paragraph, the property must be at least

23.1 ten contiguous acres in size and the owner of the property must record with the county
23.2 recorder of the county in which the property is located an affidavit containing:

23.3 (1) a legal description of the property;

23.4 (2) a disclosure that the property contains a commercial aggregate deposit that is not
23.5 actively being mined but is present on the entire parcel enrolled;

23.6 (3) documentation that the conditional use under the county or local zoning
23.7 ordinance of this property is for mining; and

23.8 (4) documentation that a permit has been issued by the local unit of government
23.9 or the mining activity is allowed under local ordinance. The disclosure must include a
23.10 statement from a registered professional geologist, engineer, or soil scientist delineating
23.11 the deposit and certifying that it is a commercial aggregate deposit.

23.12 For purposes of this section and section 273.1115, "commercial aggregate deposit"
23.13 means a deposit that will yield crushed stone or sand and gravel that is suitable for use
23.14 as a construction aggregate; and "actively mined" means the removal of top soil and
23.15 overburden in preparation for excavation or excavation of a commercial deposit.

23.16 (n) When any portion of the property under this subdivision or subdivision 22 begins
23.17 to be actively mined, the owner must file a supplemental affidavit within 60 days from
23.18 the day any aggregate is removed stating the number of acres of the property that is
23.19 actively being mined. The acres actively being mined must be (1) valued and classified
23.20 under subdivision 24 in the next subsequent assessment year, and (2) removed from the
23.21 aggregate resource preservation property tax program under section 273.1115, if the
23.22 land was enrolled in that program. Copies of the original affidavit and all supplemental
23.23 affidavits must be filed with the county assessor, the local zoning administrator, and the
23.24 Department of Natural Resources, Division of Land and Minerals. A supplemental
23.25 affidavit must be filed each time a subsequent portion of the property is actively mined,
23.26 provided that the minimum acreage change is five acres, even if the actual mining activity
23.27 constitutes less than five acres.

23.28 (o) The definitions prescribed by the commissioner under paragraphs (c) and (d) are
23.29 not rules and are exempt from the rulemaking provisions of chapter 14, and the provisions
23.30 in section 14.386 concerning exempt rules do not apply.

23.31 **EFFECTIVE DATE.** This section is effective for taxes payable in 2011 and
23.32 thereafter.

23.33 Sec. 16. Minnesota Statutes 2009 Supplement, section 273.13, subdivision 25, is
23.34 amended to read:

24.1 Subd. 25. **Class 4.** (a) Class 4a is residential real estate containing four or more
24.2 units and used or held for use by the owner or by the tenants or lessees of the owner
24.3 as a residence for rental periods of 30 days or more, excluding property qualifying for
24.4 class 4d. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other
24.5 than hospitals exempt under section 272.02, and contiguous property used for hospital
24.6 purposes, without regard to whether the property has been platted or subdivided. The
24.7 market value of class 4a property has a class rate of 1.25 percent.

24.8 (b) Class 4b includes:

24.9 (1) residential real estate containing less than four units that does not qualify as class
24.10 4bb, other than seasonal residential recreational property;

24.11 (2) manufactured homes not classified under any other provision;

24.12 (3) a dwelling, garage, and surrounding one acre of property on a nonhomestead
24.13 farm classified under subdivision 23, paragraph (b) containing two or three units; and

24.14 (4) unimproved property that is classified residential as determined under subdivision
24.15 33.

24.16 The market value of class 4b property has a class rate of 1.25 percent.

24.17 (c) Class 4bb includes:

24.18 (1) nonhomestead residential real estate containing one unit, other than seasonal
24.19 residential recreational property; and

24.20 (2) a single family dwelling, garage, and surrounding one acre of property on a
24.21 nonhomestead farm classified under subdivision 23, paragraph (b).

24.22 Class 4bb property has the same class rates as class 1a property under subdivision 22.

24.23 Property that has been classified as seasonal residential recreational property at
24.24 any time during which it has been owned by the current owner or spouse of the current
24.25 owner does not qualify for class 4bb.

24.26 (d) Class 4c property includes:

24.27 (1) except as provided in subdivision 22, paragraph (c), real and personal property
24.28 devoted to temporary and seasonal residential occupancy for recreation purposes,

24.29 including real and personal property devoted to temporary and seasonal residential

24.30 occupancy for recreation purposes and not devoted to commercial purposes for more

24.31 than 250 days in the year preceding the year of assessment. For purposes of this clause,

24.32 property is devoted to a commercial purpose on a specific day if any portion of the

24.33 property is used for residential occupancy, and a fee is charged for residential occupancy.

24.34 Class 4c property under this clause must contain three or more rental units. A "rental unit"

24.35 is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site

24.36 equipped with water and electrical hookups for recreational vehicles. Class 4c property

25.1 under this clause must provide recreational activities such as renting ice fishing houses,
25.2 boats and motors, snowmobiles, downhill or cross-country ski equipment; provide marina
25.3 services, launch services, or guide services; or sell bait and fishing tackle. A camping pad
25.4 offered for rent by a property that otherwise qualifies for class 4c under this clause is also
25.5 class 4c under this clause regardless of the term of the rental agreement, as long as the
25.6 use of the camping pad does not exceed 250 days. In order for a property to be classified
25.7 as class 4c, seasonal residential recreational for commercial purposes under this clause,
25.8 (i) at least 40 percent of the annual gross lodging receipts related to the property must be
25.9 from business conducted during 90 consecutive days and either ~~(i)~~ (A) at least 60 percent
25.10 of all paid bookings by lodging guests during the year must be for periods of at least
25.11 two consecutive nights; or ~~(ii)~~ (B) at least 20 percent of the annual gross receipts must
25.12 be from charges for rental of fish houses, boats and motors, snowmobiles, downhill or
25.13 cross-country ski equipment, or charges for marina services, launch services, and guide
25.14 services, or the sale of bait and fishing tackle; or (ii) the property contains 20 or fewer
25.15 rental units, is devoted to temporary residential occupancy for no more than 250 days in
25.16 the year, is located in a township or a city with a population of 2,500 or less, that is located
25.17 outside the metropolitan area as defined under section 473.121, subdivision 2, and that
25.18 contains a portion of a state trail administered by the Department of Natural Resources.
25.19 For purposes of this determination, a paid booking of five or more nights shall be counted
25.20 as two bookings. Class 4c property classified under this clause also includes commercial
25.21 use real property used exclusively for recreational purposes in conjunction with other
25.22 class 4c property classified under this clause and devoted to temporary and seasonal
25.23 residential occupancy for recreational purposes, up to a total of two acres, provided the
25.24 property is not devoted to commercial recreational use for more than 250 days in the year
25.25 preceding the year of assessment and is located within two miles of the class 4c property
25.26 with which it is used. Owners of real and personal property devoted to temporary and
25.27 seasonal residential occupancy for recreation purposes and all or a portion of which was
25.28 devoted to commercial purposes for not more than 250 days in the year preceding the
25.29 year of assessment desiring classification as class 4c, must submit a declaration to the
25.30 assessor designating the cabins or units occupied for 250 days or less in the year preceding
25.31 the year of assessment by January 15 of the assessment year. Those cabins or units and
25.32 a proportionate share of the land on which they are located must be designated class
25.33 4c under this clause as otherwise provided. The remainder of the cabins or units and a
25.34 proportionate share of the land on which they are located will be designated as class 3a.
25.35 The owner of property desiring designation as class 4c property under this clause must
25.36 provide guest registers or other records demonstrating that the units for which class 4c

26.1 designation is sought were not occupied for more than 250 days in the year preceding the
26.2 assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar,
26.3 (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility
26.4 operated on a commercial basis not directly related to temporary and seasonal residential
26.5 occupancy for recreation purposes does not qualify for class 4c;

26.6 (2) qualified property used as a golf course if:

26.7 (i) it is open to the public on a daily fee basis. It may charge membership fees or
26.8 dues, but a membership fee may not be required in order to use the property for golfing,
26.9 and its green fees for golfing must be comparable to green fees typically charged by
26.10 municipal courses; and

26.11 (ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).

26.12 A structure used as a clubhouse, restaurant, or place of refreshment in conjunction
26.13 with the golf course is classified as class 3a property;

26.14 (3) real property up to a maximum of three acres of land owned and used by a
26.15 nonprofit community service oriented organization and not used for residential purposes
26.16 on either a temporary or permanent basis, provided that:

26.17 (i) the property is not used for a revenue-producing activity for more than six days
26.18 in the calendar year preceding the year of assessment; or

26.19 (ii) the organization makes annual charitable contributions and donations at least
26.20 equal to the property's previous year's property taxes and the property is allowed to be
26.21 used for public and community meetings or events for no charge, as appropriate to the
26.22 size of the facility.

26.23 For purposes of this clause,

26.24 (A) "charitable contributions and donations" has the same meaning as lawful
26.25 gambling purposes under section 349.12, subdivision 25, excluding those purposes
26.26 relating to the payment of taxes, assessments, fees, auditing costs, and utility payments;

26.27 (B) "property taxes" excludes the state general tax;

26.28 (C) a "nonprofit community service oriented organization" means any corporation,
26.29 society, association, foundation, or institution organized and operated exclusively for
26.30 charitable, religious, fraternal, civic, or educational purposes, and which is exempt from
26.31 federal income taxation pursuant to section 501(c)(3), (8), (10), or (19) of the Internal
26.32 Revenue Code; and

26.33 (D) "revenue-producing activities" shall include but not be limited to property or that
26.34 portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt
26.35 liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling
26.36 alley, a retail store, gambling conducted by organizations licensed under chapter 349, an

27.1 insurance business, or office or other space leased or rented to a lessee who conducts a
27.2 for-profit enterprise on the premises.

27.3 Any portion of the property not qualifying under either item (i) or (ii) is class 3a. The use
27.4 of the property for social events open exclusively to members and their guests for periods
27.5 of less than 24 hours, when an admission is not charged nor any revenues are received by
27.6 the organization shall not be considered a revenue-producing activity.

27.7 The organization shall maintain records of its charitable contributions and donations
27.8 and of public meetings and events held on the property and make them available upon
27.9 request any time to the assessor to ensure eligibility. An organization meeting the
27.10 requirement under item (ii) must file an application by May 1 with the assessor for
27.11 eligibility for the current year's assessment. The commissioner shall prescribe a uniform
27.12 application form and instructions;

27.13 (4) postsecondary student housing of not more than one acre of land that is owned by
27.14 a nonprofit corporation organized under chapter 317A and is used exclusively by a student
27.15 cooperative, sorority, or fraternity for on-campus housing or housing located within two
27.16 miles of the border of a college campus;

27.17 (5)(i) manufactured home parks as defined in section 327.14, subdivision 3,
27.18 excluding manufactured home parks described in section 273.124, subdivision 3a, and (ii)
27.19 manufactured home parks as defined in section 327.14, subdivision 3, that are described in
27.20 section 273.124, subdivision 3a;

27.21 (6) real property that is actively and exclusively devoted to indoor fitness, health,
27.22 social, recreational, and related uses, is owned and operated by a not-for-profit corporation,
27.23 and is located within the metropolitan area as defined in section 473.121, subdivision 2;

27.24 (7) a leased or privately owned noncommercial aircraft storage hangar not exempt
27.25 under section 272.01, subdivision 2, and the land on which it is located, provided that:

27.26 (i) the land is on an airport owned or operated by a city, town, county, Metropolitan
27.27 Airports Commission, or group thereof; and

27.28 (ii) the land lease, or any ordinance or signed agreement restricting the use of the
27.29 leased premise, prohibits commercial activity performed at the hangar.

27.30 If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must
27.31 be filed by the new owner with the assessor of the county where the property is located
27.32 within 60 days of the sale;

27.33 (8) a privately owned noncommercial aircraft storage hangar not exempt under
27.34 section 272.01, subdivision 2, and the land on which it is located, provided that:

27.35 (i) the land abuts a public airport; and

28.1 (ii) the owner of the aircraft storage hangar provides the assessor with a signed
28.2 agreement restricting the use of the premises, prohibiting commercial use or activity
28.3 performed at the hangar; and

28.4 (9) residential real estate, a portion of which is used by the owner for homestead
28.5 purposes, and that is also a place of lodging, if all of the following criteria are met:

28.6 (i) rooms are provided for rent to transient guests that generally stay for periods
28.7 of 14 or fewer days;

28.8 (ii) meals are provided to persons who rent rooms, the cost of which is incorporated
28.9 in the basic room rate;

28.10 (iii) meals are not provided to the general public except for special events on fewer
28.11 than seven days in the calendar year preceding the year of the assessment; and

28.12 (iv) the owner is the operator of the property.

28.13 The market value subject to the 4c classification under this clause is limited to five rental
28.14 units. Any rental units on the property in excess of five, must be valued and assessed as
28.15 class 3a. The portion of the property used for purposes of a homestead by the owner must
28.16 be classified as class 1a property under subdivision 22;

28.17 (10) real property up to a maximum of three acres and operated as a restaurant
28.18 as defined under section 157.15, subdivision 12, provided it: (A) is located on a lake
28.19 as defined under section 103G.005, subdivision 15, paragraph (a), clause (3); and (B)
28.20 is either devoted to commercial purposes for not more than 250 consecutive days, or
28.21 receives at least 60 percent of its annual gross receipts from business conducted during
28.22 four consecutive months. Gross receipts from the sale of alcoholic beverages must be
28.23 included in determining the property's qualification under subitem (B). The property's
28.24 primary business must be as a restaurant and not as a bar. Gross receipts from gift shop
28.25 sales located on the premises must be excluded. Owners of real property desiring 4c
28.26 classification under this clause must submit an annual declaration to the assessor by
28.27 February 1 of the current assessment year, based on the property's relevant information for
28.28 the preceding assessment year; and

28.29 (11) lakeshore and riparian property and adjacent land, not to exceed six acres, used
28.30 as a marina, as defined in section 86A.20, subdivision 5, which is made accessible to
28.31 the public and devoted to recreational use for marina services. The marina owner must
28.32 annually provide evidence to the assessor that it provides services, including lake or
28.33 river access to the public. No more than 800 feet of lakeshore may be included in this
28.34 classification. Buildings used in conjunction with a marina for marina services, including
28.35 but not limited to buildings used to provide food and beverage services, fuel, boat repairs,
28.36 or the sale of bait or fishing tackle, are classified as class 3a property.

29.1 Class 4c property has a class rate of 1.5 percent of market value, except that (i) each
29.2 parcel of seasonal residential recreational property not used for commercial purposes has
29.3 the same class rates as class 4bb property, (ii) manufactured home parks assessed under
29.4 clause (5), item (i), have the same class rate as class 4b property, and the market value
29.5 of manufactured home parks assessed under clause (5), item (ii), has the same class rate
29.6 as class 4d property, (iii) commercial-use seasonal residential recreational property and
29.7 marina recreational land as described in clause (11), has a class rate of one percent for the
29.8 first \$500,000 of market value, and 1.25 percent for the remaining market value, (iv) the
29.9 market value of property described in clause (4) has a class rate of one percent, (v) the
29.10 market value of property described in clauses (2), (6), and (10) has a class rate of 1.25
29.11 percent, and (vi) that portion of the market value of property in clause (9) qualifying for
29.12 class 4c property has a class rate of 1.25 percent.

29.13 (e) Class 4d property is qualifying low-income rental housing certified to the assessor
29.14 by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion
29.15 of the units in the building qualify as low-income rental housing units as certified under
29.16 section 273.128, subdivision 3, only the proportion of qualifying units to the total number
29.17 of units in the building qualify for class 4d. The remaining portion of the building shall be
29.18 classified by the assessor based upon its use. Class 4d also includes the same proportion of
29.19 land as the qualifying low-income rental housing units are to the total units in the building.
29.20 For all properties qualifying as class 4d, the market value determined by the assessor must
29.21 be based on the normal approach to value using normal unrestricted rents.

29.22 Class 4d property has a class rate of 0.75 percent.

29.23 **EFFECTIVE DATE.** This section is effective for assessment year 2010, for taxes
29.24 payable in 2011 and thereafter.

29.25 Sec. 17. Minnesota Statutes 2008, section 273.13, subdivision 34, is amended to read:

29.26 Subd. 34. **Homestead of disabled veteran.** (a) All or a portion of the market value
29.27 of property owned by a veteran or by the veteran and the veteran's spouse qualifying
29.28 for homestead classification under subdivision 22 or 23 is excluded in determining the
29.29 property's taxable market value if it serves as the homestead of a military veteran, as
29.30 defined in section 197.447, who has a service-connected disability of 70 percent or
29.31 more. To qualify for the exclusion under this subdivision paragraphs (a) and (b), the
29.32 veteran must have been honorably discharged from the United States armed forces, as
29.33 indicated by United States Government Form DD214 or other official military discharge
29.34 papers, and must be certified by the United States Veterans Administration as having a
29.35 service-connected disability.

30.1 (b)(1) For a disability rating of 70 percent or more, \$150,000 of market value is
30.2 excluded, except as provided in clause (2); and

30.3 (2) for a total (100 percent) and permanent disability, \$300,000 of market value is
30.4 excluded.

30.5 (c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b),
30.6 clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the
30.7 spouse holds the legal or beneficial title to the homestead and permanently resides there,
30.8 the exclusion shall carry over to the benefit of the veteran's spouse for ~~one~~ four additional
30.9 assessment ~~year~~ years or until such time as the spouse sells, transfers, or otherwise
30.10 disposes of the property, whichever comes first.

30.11 (d) If the spouse of a military service person who dies due to a service-connected
30.12 cause while in active service, as defined in section 190.05, subdivision 5, holds the legal
30.13 or beneficial title to a homestead and permanently resides there at the time of the service
30.14 person's death, the spouse shall be eligible for a market value exclusion of \$300,000 for
30.15 five years following the death of the service person, or until such time as the spouse
30.16 sells, transfers, or otherwise disposes of the property, whichever comes first. To qualify
30.17 for exclusion under this paragraph, the surviving spouse must apply to the assessor and
30.18 show proof of the service member's death while in active service in any branch or unit of
30.19 the United States armed forces, as indicated on United States Government Form DD1300
30.20 or DD2064. If the application is received prior to July 1 of a given year, the exclusion
30.21 first applies for taxes payable in the following year. If the application is received after
30.22 June 30 of a given year, the exclusion first applies for taxes payable in the second year
30.23 following receipt of the application.

30.24 ~~(d)~~ (e) In the case of an agricultural homestead, only the portion of the property
30.25 consisting of the house and garage and immediately surrounding one acre of land qualifies
30.26 for the valuation exclusion under this subdivision. In the case of a nonagricultural
30.27 homestead, the exclusion under this subdivision may be carried over to any class 2b
30.28 property contiguous to the homestead that is under the same ownership, provided that the
30.29 total number of acres covered by the exclusion may not exceed 40.

30.30 ~~(e)~~ (f) A property qualifying for a valuation exclusion under this subdivision is
30.31 not eligible for the credit under section 273.1384, subdivision 1, or classification under
30.32 subdivision 22, paragraph (b).

30.33 ~~(f)~~ (g) To qualify for a valuation exclusion under this subdivision a property owner
30.34 must apply to the assessor by July 1 of each assessment year, except that an annual
30.35 reapplication is not required once a property has been accepted for a valuation exclusion

31.1 under paragraph (b), clause (2), or paragraph (d), and the property continues to qualify
31.2 until there is a change in ownership.

31.3 (h) Property that was subject to market valuation exclusion under this section for
31.4 taxes payable in 2009 shall continue to receive the market value exclusion for taxes
31.5 payable in 2011 and subsequent years on the same land and buildings as it received in
31.6 taxes payable in 2009, up to the maximum allowable exclusion, regardless of the property's
31.7 classification, provided that the property: (1) was not reclassified due to a change in use or
31.8 ownership of the property; and (2) continues to meet the other qualification criteria.

31.9 **EFFECTIVE DATE.** The change made to paragraph (c) is effective for taxes
31.10 payable in 2011 and thereafter, and applies to the surviving spouse of any disabled veteran
31.11 who had previously been assessed under paragraph (c). Paragraph (d) is effective for
31.12 deaths occurring the day following final enactment and thereafter. Paragraph (h) is
31.13 effective for taxes payable in 2011 and thereafter.

31.14 Sec. 18. Minnesota Statutes 2009 Supplement, section 275.065, subdivision 3, is
31.15 amended to read:

31.16 Subd. 3. **Notice of proposed property taxes.** (a) The county auditor shall prepare
31.17 and the county treasurer shall deliver after November 10 and on or before November 24
31.18 each year, by first class mail to each taxpayer at the address listed on the county's current
31.19 year's assessment roll, a notice of proposed property taxes. Upon written request by
31.20 the taxpayer, the treasurer may send the notice in electronic form or by electronic mail
31.21 instead of on paper or by ordinary mail.

31.22 (b) The commissioner of revenue shall prescribe the form of the notice.

31.23 (c) The notice must inform taxpayers that it contains the amount of property taxes
31.24 each taxing authority proposes to collect for taxes payable the following year. In the case
31.25 of a town, or in the case of the state general tax, the final tax amount will be its proposed
31.26 tax. The notice must clearly state for each city, county, school district, regional library
31.27 authority established under section 134.201, and metropolitan taxing districts as defined in
31.28 paragraph (i), the time and place of the taxing authorities' regularly scheduled meetings in
31.29 which the budget and levy will be discussed and the final budget and levy determined,
31.30 which must occur after November 24. The taxing authorities must provide the county
31.31 auditor with the information to be included in the notice on or before the time it certifies its
31.32 proposed levy under subdivision 1. The public must be allowed to speak at the meetings
31.33 and the meetings shall not be held before 6:00 p.m. It must provide a telephone number
31.34 for the taxing authority that taxpayers may call if they have questions related to the notice
31.35 and an address where comments will be received by mail, except that no notice required

32.1 under this section shall be interpreted as requiring the printing of a personal telephone
32.2 number or address as the contact information for a taxing authority. If a taxing authority
32.3 does not maintain public offices where telephone calls can be received by the authority, the
32.4 authority may inform the county of the lack of a public telephone number and the county
32.5 shall not list a telephone number for that taxing authority.

32.6 (d) The notice must state for each parcel:

32.7 (1) the market value of the property as determined under section 273.11, and used
32.8 for computing property taxes payable in the following year and for taxes payable in the
32.9 current year as each appears in the records of the county assessor on November 1 of the
32.10 current year; and, in the case of residential property, whether the property is classified as
32.11 homestead or nonhomestead. The notice must clearly inform taxpayers of the years to
32.12 which the market values apply and that the values are final values;

32.13 (2) the items listed below, shown separately by county, city or town, and state general
32.14 tax, net of the residential and agricultural homestead credit under section 273.1384, voter
32.15 approved school levy, other local school levy, and the sum of the special taxing districts,
32.16 and as a total of all taxing authorities:

32.17 (i) the actual tax for taxes payable in the current year; and

32.18 (ii) the proposed tax amount.

32.19 If the county levy under clause (2) includes an amount for a lake improvement
32.20 district as defined under sections 103B.501 to 103B.581, the amount attributable for that
32.21 purpose must be separately stated from the remaining county levy amount.

32.22 In the case of a town or the state general tax, the final tax shall also be its proposed
32.23 tax unless the town changes its levy at a special town meeting under section 365.52. If a
32.24 school district has certified under section 126C.17, subdivision 9, that a referendum will
32.25 be held in the school district at the November general election, the county auditor must
32.26 note next to the school district's proposed amount that a referendum is pending and that, if
32.27 approved by the voters, the tax amount may be higher than shown on the notice. In the
32.28 case of the city of Minneapolis, the levy for Minneapolis Park and Recreation shall be
32.29 listed separately from the remaining amount of the city's levy. In the case of the city of
32.30 St. Paul, the levy for the St. Paul Library Agency must be listed separately from the
32.31 remaining amount of the city's levy. In the case of Ramsey County, any amount levied
32.32 under section 134.07 may be listed separately from the remaining amount of the county's
32.33 levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax
32.34 under chapter 276A or 473F applies, the proposed tax levy on the captured value or the
32.35 proposed tax levy on the tax capacity subject to the areawide tax must each be stated
32.36 separately and not included in the sum of the special taxing districts; and

33.1 (3) the increase or decrease between the total taxes payable in the current year and
33.2 the total proposed taxes, expressed as a percentage.

33.3 For purposes of this section, the amount of the tax on homesteads qualifying under
33.4 the senior citizens' property tax deferral program under chapter 290B is the total amount
33.5 of property tax before subtraction of the deferred property tax amount.

33.6 (e) The notice must clearly state that the proposed or final taxes do not include
33.7 the following:

33.8 (1) special assessments;

33.9 (2) levies approved by the voters after the date the proposed taxes are certified,
33.10 including bond referenda and school district levy referenda;

33.11 (3) a levy limit increase approved by the voters by the first Tuesday after the first
33.12 Monday in November of the levy year as provided under section 275.73;

33.13 (4) amounts necessary to pay cleanup or other costs due to a natural disaster
33.14 occurring after the date the proposed taxes are certified;

33.15 (5) amounts necessary to pay tort judgments against the taxing authority that become
33.16 final after the date the proposed taxes are certified; and

33.17 (6) the contamination tax imposed on properties which received market value
33.18 reductions for contamination.

33.19 (f) Except as provided in subdivision 7, failure of the county auditor to prepare or
33.20 the county treasurer to deliver the notice as required in this section does not invalidate the
33.21 proposed or final tax levy or the taxes payable pursuant to the tax levy.

33.22 (g) If the notice the taxpayer receives under this section lists the property as
33.23 nonhomestead, and satisfactory documentation is provided to the county assessor by the
33.24 applicable deadline, and the property qualifies for the homestead classification in that
33.25 assessment year, the assessor shall reclassify the property to homestead for taxes payable
33.26 in the following year.

33.27 (h) In the case of class 4 residential property used as a residence for lease or rental
33.28 periods of 30 days or more, the taxpayer must either:

33.29 (1) mail or deliver a copy of the notice of proposed property taxes to each tenant,
33.30 renter, or lessee; or

33.31 (2) post a copy of the notice in a conspicuous place on the premises of the property.

33.32 The notice must be mailed or posted by the taxpayer by November 27 or within
33.33 three days of receipt of the notice, whichever is later. A taxpayer may notify the county
33.34 treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to
33.35 which the notice must be mailed in order to fulfill the requirements of this paragraph.

34.1 (i) For purposes of this subdivision and subdivision 6, "metropolitan special taxing
34.2 districts" means the following taxing districts in the seven-county metropolitan area that
34.3 levy a property tax for any of the specified purposes listed below:

34.4 (1) Metropolitan Council under section 473.132, 473.167, 473.249, 473.325,
34.5 473.446, 473.521, 473.547, or 473.834;

34.6 (2) Metropolitan Airports Commission under section 473.667, 473.671, or 473.672;
34.7 and

34.8 (3) Metropolitan Mosquito Control Commission under section 473.711.

34.9 For purposes of this section, any levies made by the regional rail authorities in the
34.10 county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter
34.11 398A shall be included with the appropriate county's levy.

34.12 (j) The governing body of a county, city, or school district may, with the consent
34.13 of the county board, include supplemental information with the statement of proposed
34.14 property taxes about the impact of state aid increases or decreases on property tax
34.15 increases or decreases and on the level of services provided in the affected jurisdiction.
34.16 This supplemental information may include information for the following year, the current
34.17 year, and for as many consecutive preceding years as deemed appropriate by the governing
34.18 body of the county, city, or school district. It may include only information regarding:

34.19 (1) the impact of inflation as measured by the implicit price deflator for state and
34.20 local government purchases;

34.21 (2) population growth and decline;

34.22 (3) state or federal government action; and

34.23 (4) other financial factors that affect the level of property taxation and local services
34.24 that the governing body of the county, city, or school district may deem appropriate to
34.25 include.

34.26 The information may be presented using tables, written narrative, and graphic
34.27 representations and may contain instruction toward further sources of information or
34.28 opportunity for comment.

34.29 **EFFECTIVE DATE.** This section is effective for notices prepared in 2010, for
34.30 taxes payable in 2011 and thereafter.

34.31 Sec. 19. Minnesota Statutes 2009 Supplement, section 275.70, subdivision 5, as
34.32 amended by Laws 2010, chapter 215, article 13, section 3, is amended to read:

34.33 Subd. 5. **Special levies.** "Special levies" means those portions of ad valorem taxes
34.34 levied by a local governmental unit for the following purposes or in the following manner:

- 35.1 (1) to pay the costs of the principal and interest on bonded indebtedness or to
35.2 reimburse for the amount of liquor store revenues used to pay the principal and interest
35.3 due on municipal liquor store bonds in the year preceding the year for which the levy
35.4 limit is calculated;
- 35.5 (2) to pay the costs of principal and interest on certificates of indebtedness issued for
35.6 any corporate purpose except for the following:
- 35.7 (i) tax anticipation or aid anticipation certificates of indebtedness;
- 35.8 (ii) certificates of indebtedness issued under sections 298.28 and 298.282;
- 35.9 (iii) certificates of indebtedness used to fund current expenses or to pay the costs of
35.10 extraordinary expenditures that result from a public emergency; or
- 35.11 (iv) certificates of indebtedness used to fund an insufficiency in tax receipts or
35.12 an insufficiency in other revenue sources;
- 35.13 (3) to provide for the bonded indebtedness portion of payments made to another
35.14 political subdivision of the state of Minnesota;
- 35.15 (4) to fund payments made to the Minnesota State Armory Building Commission
35.16 under section 193.145, subdivision 2, to retire the principal and interest on armory
35.17 construction bonds;
- 35.18 (5) property taxes approved by voters which are levied against the referendum
35.19 market value as provided under section 275.61;
- 35.20 (6) to fund matching requirements needed to qualify for federal or state grants or
35.21 programs to the extent that either (i) the matching requirement exceeds the matching
35.22 requirement in calendar year 2001, or (ii) it is a new matching requirement that did not
35.23 exist prior to 2002;
- 35.24 (7) to pay the expenses reasonably and necessarily incurred in preparing for or
35.25 repairing the effects of natural disaster including the occurrence or threat of widespread
35.26 or severe damage, injury, or loss of life or property resulting from natural causes, in
35.27 accordance with standards formulated by the Emergency Services Division of the state
35.28 Department of Public Safety, as allowed by the commissioner of revenue under section
35.29 275.74, subdivision 2;
- 35.30 (8) pay amounts required to correct an error in the levy certified to the county
35.31 auditor by a city or county in a levy year, but only to the extent that when added to the
35.32 preceding year's levy it is not in excess of an applicable statutory, special law or charter
35.33 limitation, or the limitation imposed on the governmental subdivision by sections 275.70
35.34 to 275.74 in the preceding levy year;
- 35.35 (9) to pay an abatement under section 469.1815;

36.1 (10) to pay any costs attributable to increases in the employer contribution rates
36.2 under chapter 353, or locally administered pension plans, that are effective after June
36.3 30, 2001;

36.4 (11) to pay the operating or maintenance costs of a county jail as authorized in
36.5 section 641.01 or 641.262, or of a correctional facility as defined in section 241.021,
36.6 subdivision 1, paragraph (f), to the extent that the county can demonstrate to the
36.7 commissioner of revenue that the amount has been included in the county budget as
36.8 a direct result of a rule, minimum requirement, minimum standard, or directive of the
36.9 Department of Corrections, or to pay the operating or maintenance costs of a regional jail
36.10 as authorized in section 641.262. For purposes of this clause, a district court order is
36.11 not a rule, minimum requirement, minimum standard, or directive of the Department of
36.12 Corrections. If the county utilizes this special levy, except to pay operating or maintenance
36.13 costs of a new regional jail facility under sections 641.262 to 641.264 which will not
36.14 replace an existing jail facility, any amount levied by the county in the previous levy year
36.15 for the purposes specified under this clause and included in the county's previous year's
36.16 levy limitation computed under section 275.71, shall be deducted from the levy limit
36.17 base under section 275.71, subdivision 2, when determining the county's current year
36.18 levy limitation. The county shall provide the necessary information to the commissioner
36.19 of revenue for making this determination;

36.20 (12) to pay for operation of a lake improvement district, as authorized under section
36.21 103B.555. If the county utilizes this special levy, any amount levied by the county in the
36.22 previous levy year for the purposes specified under this clause and included in the county's
36.23 previous year's levy limitation computed under section 275.71 shall be deducted from
36.24 the levy limit base under section 275.71, subdivision 2, when determining the county's
36.25 current year levy limitation. The county shall provide the necessary information to the
36.26 commissioner of revenue for making this determination;

36.27 (13) to repay a state or federal loan used to fund the direct or indirect required
36.28 spending by the local government due to a state or federal transportation project or other
36.29 state or federal capital project. This authority may only be used if the project is not a
36.30 local government initiative;

36.31 (14) to pay for court administration costs as required under section 273.1398,
36.32 subdivision 4b, less the (i) county's share of transferred fines and fees collected by the
36.33 district courts in the county for calendar year 2001 and (ii) the aid amount certified to be
36.34 paid to the county in 2004 under section 273.1398, subdivision 4c; however, for taxes
36.35 levied to pay for these costs in the year in which the court financing is transferred to the

37.1 state, the amount under this clause is limited to the amount of aid the county is certified to
37.2 receive under section 273.1398, subdivision 4a;

37.3 (15) to fund a police or firefighters relief association as required under section 69.77
37.4 to the extent that the required amount exceeds the amount levied for this purpose in 2001;

37.5 (16) for purposes of a storm sewer improvement district under section 444.20;

37.6 (17) to pay for the maintenance and support of a city or county society for the
37.7 prevention of cruelty to animals under section 343.11, but not to exceed in any year
37.8 \$4,800 or the sum of \$1 per capita based on the county's or city's population as of the most
37.9 recent federal census, whichever is greater. If the city or county uses this special levy, any
37.10 amount levied by the city or county in the previous levy year for the purposes specified
37.11 in this clause and included in the city's or county's previous year's levy limit computed
37.12 under section 275.71, must be deducted from the levy limit base under section 275.71,
37.13 subdivision 2, in determining the city's or county's current year levy limit;

37.14 (18) for counties, to pay for the increase in their share of health and human service
37.15 costs caused by reductions in federal health and human services grants effective after
37.16 September 30, 2007;

37.17 (19) for a city, for the costs reasonably and necessarily incurred for securing,
37.18 maintaining, or demolishing foreclosed or abandoned residential properties, as allowed by
37.19 the commissioner of revenue under section 275.74, subdivision 2. A city must have either
37.20 (i) a foreclosure rate of at least 1.4 percent in 2007, or (ii) a foreclosure rate in 2007 in
37.21 the city or in a zip code area of the city that is at least 50 percent higher than the average
37.22 foreclosure rate in the metropolitan area, as defined in section 473.121, subdivision 2,
37.23 to use this special levy. For purposes of this paragraph, "foreclosure rate" means the
37.24 number of foreclosures, as indicated by sheriff sales records, divided by the number of
37.25 households in the city in 2007;

37.26 (20) for a city, for the unreimbursed costs of redeployed traffic-control agents and
37.27 lost traffic citation revenue due to the collapse of the Interstate 35W bridge, as certified
37.28 to the Federal Highway Administration;

37.29 (21) to pay costs attributable to wages and benefits for sheriff, police, and fire
37.30 personnel. If a local governmental unit did not use this special levy in the previous year its
37.31 levy limit base under section 275.71 shall be reduced by the amount equal to the amount it
37.32 levied for the purposes specified in this clause in the previous year;

37.33 (22) an amount equal to any reductions in the certified aids or credits payable
37.34 under sections 477A.011 to 477A.014, and section 273.1384, due to unallotment under
37.35 section 16A.152 or reductions under another provision of law. The amount of the levy
37.36 allowed under this clause is equal to the amount unallotted or reduced in the calendar year

38.1 in which the tax is levied unless the unallotment or reduction amount is not known by
 38.2 September 1 of the levy year, and the local government has not adjusted its levy under
 38.3 section 275.065, subdivision 6, or 275.07, subdivision 6, in which case the unallotment
 38.4 or reduction amount may be levied in the following year;

38.5 (23) to pay for the difference between one-half of the costs of confining sex offenders
 38.6 undergoing the civil commitment process and any state payments for this purpose pursuant
 38.7 to section 253B.185, subdivision 5;

38.8 (24) for a county to pay the costs of the first year of maintaining and operating a new
 38.9 facility or new expansion, either of which contains courts, corrections, dispatch, criminal
 38.10 investigation labs, or other public safety facilities and for which all or a portion of the
 38.11 funding for the site acquisition, building design, site preparation, construction, and related
 38.12 equipment was issued or authorized prior to the imposition of levy limits in 2008. The
 38.13 levy limit base shall then be increased by an amount equal to the new facility's first full
 38.14 year's operating costs as described in this clause; ~~and~~

38.15 (25) for the estimated amount of reduction to market value credit reimbursements
 38.16 under section 273.1384 for credits payable in the year in which the levy is payable; and

38.17 (26) to pay the estimated costs of all salaries and expenses of county veteran service
 38.18 officers, as provided under section 197.60, subdivision 4.

38.19 **EFFECTIVE DATE.** This section is effective for taxes payable in 2011 and
 38.20 thereafter.

38.21 Sec. 20. Minnesota Statutes 2008, section 275.71, subdivision 4, is amended to read:

38.22 Subd. 4. **Adjusted levy limit base.** For taxes levied in 2008 through 2010, the
 38.23 adjusted levy limit base is equal to the levy limit base computed under subdivision 2
 38.24 or section 275.72, multiplied by:

38.25 (1) one plus ~~the lesser of 3.9 percent or~~ the percentage growth in the implicit price
 38.26 deflator, but the percentage shall not be less than zero or exceed 3.9 percent;

38.27 (2) one plus a percentage equal to 50 percent of the percentage increase in the number
 38.28 of households, if any, for the most recent 12-month period for which data is available; and

38.29 (3) one plus a percentage equal to 50 percent of the percentage increase in the
 38.30 taxable market value of the jurisdiction due to new construction of class 3 property, as
 38.31 defined in section 273.13, subdivision 4, except for state-assessed utility and railroad
 38.32 property, for the most recent year for which data is available.

38.33 **EFFECTIVE DATE.** This section is effective for taxes levied in 2010 and thereafter.

39.1 Sec. 21. Minnesota Statutes 2008, section 275.75, is amended to read:

39.2 **275.75 CHARTER EXEMPTION FOR AID LOSS.**

39.3 Notwithstanding any other provision of a municipal charter that limits ad valorem
39.4 taxes to a lesser amount, or that would require voter approval for any increase, the
39.5 governing body of a municipality may by resolution increase its levy ~~for taxes payable in~~
39.6 ~~2004 and 2005 only by an amount equal to the reduction in the amount of aid it is certified~~
39.7 ~~to receive under sections 477A.011 to 477A.03 for that same payable year compared to~~
39.8 ~~the amount certified for payment in 2003~~ in any year by an amount equal to its special
39.9 levies under section 275.70, subdivision 5, clauses 22 and 25.

39.10 **EFFECTIVE DATE.** This section is effective for levies payable in calendar year
39.11 2011 and thereafter.

39.12 Sec. 22. Minnesota Statutes 2008, section 276.02, is amended to read:

39.13 **276.02 TREASURER TO BE COLLECTOR.**

39.14 The county treasurer shall collect all taxes extended on the tax lists of the county
39.15 and the fines, forfeitures, or penalties received by any person or officer for the use of
39.16 the county. The treasurer shall collect the taxes according to law and credit them to the
39.17 proper funds. This section does not apply to fines and penalties accruing to municipal
39.18 corporations for the violation of their ordinances that are recoverable before a city justice.
39.19 Taxes, fines, interest, and penalties must be paid with United States currency or by check
39.20 ~~or~~ money order, or electronic payments, including, but not limited to, automated clearing
39.21 house transactions and federal wires drawn on a bank or other financial institution in the
39.22 United States. The county board may by resolution authorize the treasurer to impose a
39.23 charge for any dishonored checks or electronic payments. The charges for dishonored
39.24 payment of property taxes may be added to the tax, shall constitute a lien on the property,
39.25 and when collected shall be distributed to the county.

39.26 The county board may, by resolution, authorize the treasurer and/or other designees
39.27 to accept payments of real property taxes by credit card provided that a fee is charged for
39.28 its use. The fee charged must be commensurate with the costs assessed by the card issuer.
39.29 If a credit card transaction under this section is subsequently voided or otherwise reversed,
39.30 the lien of real property taxes under section 272.31 is revived and attaches in the manner
39.31 and time provided in that section as though the credit card transaction had never occurred,
39.32 and the voided or reversed credit card transaction shall not impair the right of a lienholder
39.33 under section 272.31 to enforce the lien in its favor.

40.1 **EFFECTIVE DATE.** This section is effective for property taxes payable in 2011
40.2 and thereafter.

40.3 Sec. 23. Minnesota Statutes 2009 Supplement, section 276.04, subdivision 2, is
40.4 amended to read:

40.5 Subd. 2. **Contents of tax statements.** (a) The treasurer shall provide for the
40.6 printing of the tax statements. The commissioner of revenue shall prescribe the form of
40.7 the property tax statement and its contents. The tax statement must not state or imply that
40.8 property tax credits are paid by the state of Minnesota. The statement must contain a
40.9 tabulated statement of the dollar amount due to each taxing authority and the amount of the
40.10 state tax from the parcel of real property for which a particular tax statement is prepared.
40.11 The dollar amounts attributable to the county, the state tax, the voter approved school tax,
40.12 the other local school tax, the township or municipality, and ~~the total of the metropolitan~~
40.13 ~~each special taxing districts~~ district as defined in section ~~275.065, subdivision 3, paragraph~~
40.14 ~~(i) 275.066,~~ must be separately stated. ~~The amounts due all other special taxing districts, if~~
40.15 ~~any, may be aggregated except that any levies made by the regional rail authorities in the~~
40.16 ~~county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter~~
40.17 ~~398A shall be listed on a separate line directly under the appropriate county's levy.~~ If the
40.18 county levy under this paragraph includes an amount for a lake improvement district as
40.19 defined under sections 103B.501 to 103B.581, the amount attributable for that purpose
40.20 must be separately stated from the remaining county levy amount. In the case of Ramsey
40.21 County, if the county levy under this paragraph includes an amount for public library
40.22 service under section 134.07, the amount attributable for that purpose may be separated
40.23 from the remaining county levy amount. The amount of the tax on homesteads qualifying
40.24 under the senior citizens' property tax deferral program under chapter 290B is the total
40.25 amount of property tax before subtraction of the deferred property tax amount. The
40.26 amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any,
40.27 must also be separately stated. The dollar amounts, including the dollar amount of any
40.28 special assessments, may be rounded to the nearest even whole dollar. For purposes of this
40.29 section whole odd-numbered dollars may be adjusted to the next higher even-numbered
40.30 dollar. The amount of market value excluded under section 273.11, subdivision 16, if any,
40.31 must also be listed on the tax statement.

40.32 (b) The property tax statements for manufactured homes and sectional structures
40.33 taxed as personal property shall contain the same information that is required on the
40.34 tax statements for real property.

41.1 (c) Real and personal property tax statements must contain the following information
41.2 in the order given in this paragraph. The information must contain the current year tax
41.3 information in the right column with the corresponding information for the previous year
41.4 in a column on the left:

41.5 (1) the property's estimated market value under section 273.11, subdivision 1;

41.6 (2) the property's taxable market value after reductions under section 273.11,
41.7 subdivisions 1a and 16;

41.8 (3) the property's gross tax, before credits;

41.9 (4) for homestead residential and agricultural properties, the credits under section
41.10 273.1384;

41.11 (5) any credits received under sections 273.119; 273.1234 or 273.1235; 273.135;
41.12 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of
41.13 credit received under section 273.135 must be separately stated and identified as "taconite
41.14 tax relief"; and

41.15 (6) the net tax payable in the manner required in paragraph (a).

41.16 (d) If the county uses envelopes for mailing property tax statements and if the county
41.17 agrees, a taxing district may include a notice with the property tax statement notifying
41.18 taxpayers when the taxing district will begin its budget deliberations for the current
41.19 year, and encouraging taxpayers to attend the hearings. If the county allows notices to
41.20 be included in the envelope containing the property tax statement, and if more than
41.21 one taxing district relative to a given property decides to include a notice with the tax
41.22 statement, the county treasurer or auditor must coordinate the process and may combine
41.23 the information on a single announcement.

41.24 **EFFECTIVE DATE.** This section is effective for tax statements relating to taxes
41.25 payable in 2012 and thereafter.

41.26 Sec. 24. Minnesota Statutes 2009 Supplement, section 279.01, subdivision 1, is
41.27 amended to read:

41.28 Subdivision 1. **Due dates; penalties.** Except as provided in subdivision 3 or 4, on
41.29 May 16 or 21 days after the postmark date on the envelope containing the property tax
41.30 statement, whichever is later, a penalty accrues and thereafter is charged upon all unpaid
41.31 taxes on real estate on the current lists in the hands of the county treasurer. The penalty is
41.32 at a rate of two percent on homestead property until May 31 and four percent on June 1.
41.33 The penalty on nonhomestead property is at a rate of four percent until May 31 and eight
41.34 percent on June 1. This penalty does not accrue until June 1 of each year, or 21 days after
41.35 the postmark date on the envelope containing the property tax statements, whichever is

42.1 later, on commercial use real property used for seasonal residential recreational purposes
42.2 and classified as class 1c or 4c, and on other commercial use real property classified as
42.3 class 3a, provided that over 60 percent of the gross income earned by the enterprise on the
42.4 class 3a property is earned during the months of May, June, July, and August. In order for
42.5 the first half of the tax due on class 3a property to be paid after May 15 and before June 1,
42.6 or 21 days after the postmark date on the envelope containing the property tax statement,
42.7 whichever is later, without penalty, the owner of the property must attach an affidavit to the
42.8 payment attesting to compliance with the income provision of this subdivision. Thereafter,
42.9 for both homestead and nonhomestead property, on the first day of each month beginning
42.10 July 1, up to and including October 1 following, an additional penalty of one percent for
42.11 each month accrues and is charged on all such unpaid taxes provided that if the due date
42.12 was extended beyond May 15 as the result of any delay in mailing property tax statements
42.13 no additional penalty shall accrue if the tax is paid by the extended due date. If the tax is
42.14 not paid by the extended due date, then all penalties that would have accrued if the due
42.15 date had been May 15 shall be charged. When the taxes against any tract or lot exceed
42.16 ~~\$250~~ \$100, one-half thereof may be paid prior to May 16 or 21 days after the postmark
42.17 date on the envelope containing the property tax statement, whichever is later; and, if so
42.18 paid, no penalty attaches; the remaining one-half may be paid at any time prior to October
42.19 16 following, without penalty; but, if not so paid, then a penalty of two percent accrues
42.20 thereon for homestead property and a penalty of four percent on nonhomestead property.
42.21 Thereafter, for homestead property, on the first day of November an additional penalty of
42.22 four percent accrues and on the first day of December following, an additional penalty of
42.23 two percent accrues and is charged on all such unpaid taxes. Thereafter, for nonhomestead
42.24 property, on the first day of November and December following, an additional penalty of
42.25 four percent for each month accrues and is charged on all such unpaid taxes. If one-half of
42.26 such taxes are not paid prior to May 16 or 21 days after the postmark date on the envelope
42.27 containing the property tax statement, whichever is later, the same may be paid at any time
42.28 prior to October 16, with accrued penalties to the date of payment added, and thereupon
42.29 no penalty attaches to the remaining one-half until October 16 following.

42.30 This section applies to payment of personal property taxes assessed against
42.31 improvements to leased property, except as provided by section 277.01, subdivision 3.

42.32 A county may provide by resolution that in the case of a property owner that has
42.33 multiple tracts or parcels with aggregate taxes exceeding ~~\$250~~ \$100, payments may be
42.34 made in installments as provided in this subdivision.

42.35 The county treasurer may accept payments of more or less than the exact amount of
42.36 a tax installment due. Payments must be applied first to the oldest installment that is due

43.1 but which has not been fully paid. If the accepted payment is less than the amount due,
43.2 payments must be applied first to the penalty accrued for the year or the installment being
43.3 paid. Acceptance of partial payment of tax does not constitute a waiver of the minimum
43.4 payment required as a condition for filing an appeal under section 278.03 or any other law,
43.5 nor does it affect the order of payment of delinquent taxes under section 280.39.

43.6 **EFFECTIVE DATE.** This section is effective for taxes payable in 2011 and
43.7 thereafter.

43.8 Sec. 25. Minnesota Statutes 2008, section 279.025, is amended to read:

43.9 **279.025 PAYMENT OF DELINQUENT PROPERTY TAXES, SPECIAL**
43.10 **ASSESSMENTS.**

43.11 Payment of delinquent property tax and related interest and penalties and special
43.12 assessments shall be paid with United States currency or by check ~~or~~, money order, or
43.13 electronic means, including, but not limited to, automated clearing house transactions and
43.14 federal wires drawn on a bank or other financial institution in the United States.

43.15 **EFFECTIVE DATE.** This section is effective for property taxes payable in 2011
43.16 and thereafter.

43.17 Sec. 26. Minnesota Statutes 2009 Supplement, section 290B.03, subdivision 1, is
43.18 amended to read:

43.19 Subdivision 1. **Program qualifications.** The qualifications for the senior citizens'
43.20 property tax deferral program are as follows:

43.21 (1) the property must be owned and occupied as a homestead by a person 65 years of
43.22 age or older. In the case of a married couple, at least one of the spouses must be at least 65
43.23 years old at the time the first property tax deferral is granted, regardless of whether the
43.24 property is titled in the name of one spouse or both spouses, or titled in another way that
43.25 permits the property to have homestead status, and the other spouse must be at least 62
43.26 years of age;

43.27 (2) the total household income of the qualifying homeowners, as defined in section
43.28 290A.03, subdivision 5, for the calendar year preceding the year of the initial application
43.29 may not exceed ~~\$60,000~~ \$75,000;

43.30 (3) the homestead must have been owned and occupied as the homestead of at
43.31 least one of the qualifying homeowners for at least 15 years prior to the year the initial
43.32 application is filed;

44.1 (4) there are no state or federal tax liens or judgment liens on the homesteaded
44.2 property;

44.3 (5) there are no mortgages or other liens on the property that secure future advances,
44.4 except for those subject to credit limits that result in compliance with clause (6); and

44.5 (6) the total unpaid balances of debts secured by mortgages and other liens on the
44.6 property, including unpaid and delinquent special assessments and interest and any
44.7 delinquent property taxes, penalties, and interest, but not including property taxes payable
44.8 during the year, does not exceed 75 percent of the assessor's estimated market value for
44.9 the year.

44.10 **EFFECTIVE DATE.** This section is effective July 1, 2010, and thereafter.

44.11 Sec. 27. Minnesota Statutes 2008, section 290B.03, is amended by adding a
44.12 subdivision to read:

44.13 **Subd. 1a. Special program qualifications; spouse of service member who**
44.14 **died while in active service or deceased disabled veteran.** (a) Notwithstanding the
44.15 requirements of subdivision 1, clauses (1) and (3), but subject to all the other requirements
44.16 of subdivision 1, homestead property owned and occupied by the spouse of either a service
44.17 member who died while in active service, or a deceased disabled veteran, is eligible to
44.18 participate in the program established under this chapter. For purposes of this subdivision,
44.19 "service member who died while in active service" means a person serving in any branch
44.20 or unit of the United States armed forces who has died from a service-connected cause
44.21 while serving in active service, as defined in section 190.05, subdivision 5, as indicated on
44.22 United States Government Form DD1300 or DD2064. For purposes of this subdivision,
44.23 "deceased disabled veteran" means a deceased disabled veteran who was honorably
44.24 discharged from the United States armed forces, as indicated by United States Government
44.25 Form DD214 or other official military discharge papers, and certified by the United States
44.26 Veterans Administration as having a total (100 percent) and permanent service-connected
44.27 disability prior to the veteran's death.

44.28 (b) Applications under this subdivision are exempt from the age requirements under
44.29 the application process in section 290B.04, subdivision 1. The commissioner may require
44.30 certifications as are necessary to ensure eligibility under this subdivision.

44.31 **EFFECTIVE DATE.** This section is effective for taxes payable in 2011 and
44.32 thereafter.

44.33 Sec. 28. Minnesota Statutes 2008, section 290B.04, subdivision 3, is amended to read:

45.1 Subd. 3. **Excess-income certification by taxpayer.** A taxpayer whose initial
45.2 application has been approved under subdivision 2 shall notify the commissioner of
45.3 revenue in writing by July 1 if the taxpayer's household income for the preceding calendar
45.4 year exceeded ~~\$60,000~~ \$75,000. The certification must state the homeowner's total
45.5 household income for the previous calendar year. No property taxes may be deferred
45.6 under this chapter in any year following the year in which a program participant filed
45.7 or should have filed an excess-income certification under this subdivision, unless the
45.8 participant has filed a resumption of eligibility certification as described in subdivision 4.

45.9 **EFFECTIVE DATE.** This section is effective July 1, 2010, and thereafter.

45.10 Sec. 29. Minnesota Statutes 2008, section 290B.04, subdivision 4, is amended to read:

45.11 Subd. 4. **Resumption of eligibility certification by taxpayer.** A taxpayer who has
45.12 previously filed an excess-income certification under subdivision 3 may resume program
45.13 participation if the taxpayer's household income for a subsequent year is ~~\$60,000~~ \$75,000
45.14 or less. If the taxpayer chooses to resume program participation, the taxpayer must notify
45.15 the commissioner of revenue in writing by July 1 of the year following a calendar year in
45.16 which the taxpayer's household income is ~~\$60,000~~ \$75,000 or less. The certification must
45.17 state the taxpayer's total household income for the previous calendar year. Once a taxpayer
45.18 resumes participation in the program under this subdivision, participation will continue
45.19 until the taxpayer files a subsequent excess-income certification under subdivision 3 or
45.20 until participation is terminated under section 290B.08, subdivision 1.

45.21 **EFFECTIVE DATE.** This section is effective July 1, 2010, and thereafter.

45.22 Sec. 30. Minnesota Statutes 2008, section 290B.05, subdivision 1, is amended to read:

45.23 Subdivision 1. **Determination by commissioner.** The commissioner shall
45.24 determine each qualifying homeowner's "annual maximum property tax amount"
45.25 following approval of the homeowner's initial application and following the receipt of a
45.26 resumption of eligibility certification. The "annual maximum property tax amount" equals
45.27 three percent of the homeowner's total household income for the year preceding either the
45.28 initial application or the resumption of eligibility certification, whichever is applicable.
45.29 Following approval of the initial application, the commissioner shall determine the
45.30 qualifying homeowner's "maximum allowable deferral." No tax may be deferred relative
45.31 to the appropriate assessment year for any homeowner whose total household income
45.32 for the previous year exceeds ~~\$60,000~~ \$75,000. No tax shall be deferred in any year in
45.33 which the homeowner does not meet the program qualifications in section 290B.03. The

46.1 maximum allowable total deferral is equal to 75 percent of the assessor's estimated market
46.2 value for the year, less the balance of any mortgage loans and other amounts secured by
46.3 liens against the property at the time of application, including any unpaid and delinquent
46.4 special assessments and interest and any delinquent property taxes, penalties, and interest,
46.5 but not including property taxes payable during the year.

46.6 **EFFECTIVE DATE.** This section is effective July 1, 2010, and thereafter.

46.7 Sec. 31. Minnesota Statutes 2008, section 428A.12, is amended to read:

46.8 **428A.12 PETITION REQUIRED.**

46.9 No action may be taken under sections 428A.13 and 428A.14 unless owners of
46.10 ~~25~~ 50 percent or more of the housing units that would be subject to fees in the proposed
46.11 housing improvement area file a petition requesting a public hearing on the proposed
46.12 action with the city clerk. No action may be taken under section 428A.14 to impose a fee
46.13 unless owners of ~~25~~ 50 percent or more of the housing units subject to the proposed
46.14 fee file a petition requesting a public hearing on the proposed fee with the city clerk or
46.15 other appropriate official.

46.16 **EFFECTIVE DATE.** This section is effective for petitions filed beginning July
46.17 1, 2010.

46.18 Sec. 32. Minnesota Statutes 2008, section 428A.18, subdivision 2, is amended to read:

46.19 Subd. 2. **Requirements for veto.** If residents of ~~35~~ 45 percent or more of the
46.20 housing units in the area subject to the fee file an objection to the ordinance adopted by the
46.21 city under section 428A.13 with the city clerk before the effective date of the ordinance,
46.22 the ordinance does not become effective. If owners of ~~35~~ 45 percent or more of the housing
46.23 units' tax capacity subject to the fee under section 428A.14 file an objection with the city
46.24 clerk before the effective date of the resolution, the resolution does not become effective.

46.25 **EFFECTIVE DATE.** This section is effective beginning July 1, 2010.

46.26 Sec. 33. Minnesota Statutes 2008, section 473H.05, subdivision 1, is amended to read:

46.27 Subdivision 1. **Before ~~March~~ June 1 for next year's taxes.** An owner or owners
46.28 of certified long-term agricultural land may apply to the authority with jurisdiction over
46.29 the land on forms provided by the commissioner of agriculture for the creation of an
46.30 agricultural preserve at any time. Land for which application is received prior to ~~March~~
46.31 June 1 of any year shall be assessed pursuant to section 473H.10 for taxes payable in the

47.1 following year. Land for which application is received on or after ~~March~~ June 1 of any
47.2 year shall be assessed pursuant to section 473H.10 in the following year. The application
47.3 shall be executed and acknowledged in the manner required by law to execute and
47.4 acknowledge a deed and shall contain at least the following information and such other
47.5 information as the commissioner deems necessary:

47.6 (a) Legal description of the area proposed to be designated and parcel identification
47.7 numbers if so designated by the county auditor and the certificate of title number if the
47.8 land is registered;

47.9 (b) Name and address of owner;

47.10 (c) An affidavit by the authority evidencing that the land is certified long-term
47.11 agricultural land at the date of application;

47.12 (d) A statement by the owner covenanting that the land shall be kept in agricultural
47.13 use, and shall be used in accordance with the provisions of sections 473H.02 to 473H.17
47.14 which exist on the date of application and providing that the restrictive covenant shall be
47.15 binding on the owner or the owner's successor or assignee, and shall run with the land.

47.16 **EFFECTIVE DATE.** This section is effective the day following final enactment,
47.17 except that in 2010 the application date in this section shall be extended to August 1.

47.18 Sec. 34. Minnesota Statutes 2009 Supplement, section 477A.011, subdivision 36, as
47.19 amended by Laws 2010, chapter 215, article 13, section 4, is amended to read:

47.20 Subd. 36. **City aid base.** (a) Except as otherwise provided in this subdivision,
47.21 "city aid base" is zero.

47.22 (b) The city aid base for any city with a population less than 500 is increased by
47.23 \$40,000 for aids payable in calendar year 1995 and thereafter, and the maximum amount
47.24 of total aid it may receive under section 477A.013, subdivision 9, paragraph (c), is also
47.25 increased by \$40,000 for aids payable in calendar year 1995 only, provided that:

47.26 (i) the average total tax capacity rate for taxes payable in 1995 exceeds 200 percent;

47.27 (ii) the city portion of the tax capacity rate exceeds 100 percent; and

57.8 set of approximately ten performance measures for counties and ten performance
57.9 measures for cities that will aid residents, taxpayers, and state and local elected officials
57.10 in determining the efficacy of counties and cities in providing services, and measure
57.11 residents' opinions of those services. In developing its measures, the council must solicit
57.12 input from private citizens. Counties and cities that elect to participate in the standard
57.13 measures system shall report their results to the state auditor under section 6.91, who
57.14 shall compile the results and make them available to all interested parties by publishing
57.15 them on the auditor's Web site and report them to the legislative tax committees. Each
57.16 year after the initial designation of performance measures, the council shall evaluate the
57.17 usefulness of the standard set of performance measures and may revise the set by adding
57.18 or removing measures as it deems appropriate.

57.19 (b) By February 15, 2012, the council shall develop minimum standards for
57.20 comprehensive performance measurement systems, which may vary by size and type
57.21 of governing jurisdiction.

57.22 (c) In addition to its specific duties under paragraphs (a) and (b), the council
57.23 shall generally promote the use of performance measurement for governmental entities
57.24 across the state and shall serve as a resource for all governmental entities seeking to
57.25 implement a system of local performance measurement. The council may highlight and
57.26 promote systems that are innovative, or are ones that it deems to be best practices of local
57.27 performance measurement systems across the state and nation. The council should give
57.28 preference in its recommendations to systems that are results-oriented. The council may,
57.29 with the cooperation of the state auditor, establish and foster a collaborative network
57.30 of practitioners of local performance measurement systems. The council may support
57.31 the Association of Minnesota Counties and the League of Minnesota Cities to seek and
57.32 receive private funding to provide expert technical assistance to local governments for
57.33 the purposes of replicating best practices.

57.34 Subd. 3. **Reports.** (a) The council shall report its initial set of standard performance
57.35 measures to the Property and Local Sales Tax Division of the house of representatives

58.4 with jurisdiction over taxes in the house of representatives and the senate on participation
58.5 in and results of the performance measurement system, along with any revisions in the
58.6 standard set of performance measures for the upcoming year. These reports may be made
58.7 by the state auditor in lieu of the council if agreed to by the auditor and the council.

58.8 Subd. 4. **Operation of council.** (a) The state auditor shall convene the initial
58.9 meeting of the council.

58.10 (b) The chair of the council shall be elected by the members. Once elected, a chair

58.16 must be open to the public and the council must provide notice of a meeting on the state
58.17 auditor's Web site at least seven days before the meeting. A meeting of the council occurs
58.18 when a quorum is present.

58.19 (f) The council must meet at least two times prior to the initial release of the standard
58.20 set of measurements. After the initial set has been developed, the council must meet a
58.21 minimum of once per year.

58.22 Subd. 5. **Termination.** The council expires on January 1, 2020.

58.23 **EFFECTIVE DATE.** This section is effective the day following final enactment.

58.26 that elects to participate in the standard measures program must report its results to its
58.27 citizens annually through publication, direct mailing, posting on the jurisdiction's Web
58.28 site, or through a public hearing at which the budget and levy will be discussed and public
58.29 input allowed.

58.30 (b) Each year, jurisdictions participating in the local performance measurement
58.31 and improvement program must file a report with the state auditor by July 1, in a form
58.32 prescribed by the auditor. All reports must include a declaration that the jurisdiction has
58.33 complied with, or will have complied with by the end of the year, the requirement in
58.34 paragraph (a). For jurisdictions participating in the standard measures program, the report
58.35 shall consist of the jurisdiction's results for the standard set of performance measures

59.1 under section 6.90, subdivision 2, paragraph (a). In 2012, jurisdictions participating in the
59.2 comprehensive performance measurement program must submit a resolution approved by
59.3 its local governing body indicating that it either has implemented or is in the process of
59.4 implementing a local performance measurement system that meets the minimum standards
59.5 specified by the council under section 6.90, subdivision 2, paragraph (b). In 2013 and
59.6 thereafter, jurisdictions participating in the comprehensive performance measurement
59.7 program must submit a statement approved by its local governing body affirming that
59.8 it has implemented a local performance measurement system that meets the minimum
59.9 standards specified by the council under section 6.90, subdivision 2, paragraph (b).

59.10 Subd. 2. **Benefits of participation.** (a) A county or city that elects to participate in
59.11 the standard measures program for 2011 is: (1) eligible for per capita reimbursement of

59.14 are in effect.

59.15 (b) Any county or city that elects to participate in the standard measures program
59.16 for 2012 is eligible for per capita reimbursement of \$0.14 per capita, but not to exceed
59.17 \$25,000 for any government entity. Any jurisdiction participating in the comprehensive
59.18 performance measurement program is exempt from levy limits under sections 275.70 to
59.19 275.74 for taxes payable in 2013 if levy limits are in effect.

59.20 (c) Any county or city that elects to participate in the standard measures program for
59.21 2013 or any year thereafter is eligible for per capita reimbursement of \$0.14 per capita,
59.22 but not to exceed \$25,000 for any government entity. Any jurisdiction participating in
59.23 the comprehensive performance measurement program for 2013 or any year thereafter is
59.24 exempt from levy limits under sections 275.70 to 275.74 for taxes payable in the following
59.25 year, if levy limits are in effect.

59.26 Subd. 3. **Certification of participation.** (a) The state auditor shall certify to
59.27 the commissioner of revenue by August 1 of each year the counties and cities that are
59.28 participating in the standard measures program and the comprehensive performance
59.29 measurement program.

59.30 (b) The commissioner of revenue shall make per capita aid payments under this
59.31 section on the second payment date specified in section 477A.015, in the same year that
59.32 the measurements were reported.

59.33 (c) The commissioner of revenue shall notify each county and city that is entitled to
59.34 exemption from levy limits by August 10 of each levy year.

60.1 Subd. 4. **Appropriation.** (a) The amount necessary to fund obligations under
60.2 subdivision 2 is annually appropriated from the general fund to the commissioner of
60.3 revenue.

60.4 (b) The sum of \$6,000 in fiscal year 2011 and \$2,000 in each fiscal year thereafter is
60.5 annually appropriated from the general fund to the state auditor to carry out the auditor's
60.6 responsibilities under sections 6.90 to 6.91.

60.7 **EFFECTIVE DATE.** This section is effective December 31, 2010.

60.8 Sec. 3. **[270C.991] PROPERTY TAX SYSTEM BENCHMARKS AND**
60.9 **CRITICAL INDICATORS.**

60.10 Subdivision 1. **Purpose.** State policy makers should be provided with the tools to
60.11 create a more accountable and efficient property tax system. This section provides the
60.12 principles and available tools necessary to work toward achieving that goal.

60.13 Subd. 2. **Property tax principles.** To better evaluate the various property tax
60.14 proposals that come before the legislature, the following basic property tax principles
60.15 should be taken into consideration. The property taxes proposed should be:

60.16 (1) transparent and understandable;

60.17 (2) simple and efficient;

60.18 (3) equitable;

60.19 (4) stable and predictable;

60.20 (5) compliance and accountability;

60.21 (6) competitive, both nationally and globally; and

60.22 (7) responsive to economic conditions.

60.23 Subd. 3. **Major indicators.** There are many different types of indicators available to
60.24 legislators to evaluate tax legislation. Indicators are useful to have available as benchmarks
60.25 when legislators are contemplating changes. Each tool has its own limitation, and no one
60.26 tool is perfect or should be used independently. Some of the tools measure the global
60.27 characteristics of the entire tax system, while others are only a measure of the property tax
60.28 impacts and its administration. The following is a list of the available major indicators:

60.29 (1) property tax principles scale, the components of which are listed in subdivision
60.30 2, as they relate to the various features of the property tax system;

60.31 (2) price of government report, as required under section 16A.102;

60.32 (3) tax incidence report, as required under section 270C.13;

60.33 (4) tax expenditure budget and report, as required under section 270C.11;

60.34 (5) state tax rankings;

61.1 (6) property tax levy plus aid data, and market value and net tax capacity data, by
61.2 taxing district for current and past years;

61.3 (7) effective tax rate (tax as a percent of market value) and the equalized effective
61.4 tax rate (effective tax rate adjusted for assessment differences);

61.5 (8) assessment sales ratio study, as required under section 127A.48;

61.6 (9) "Voss" database, which matches homeowner property taxes and household
61.7 income;

61.8 (10) revenue estimates under section 270C.11, subdivision 5, and state fiscal notes
61.9 under section 477A.03, subdivision 2b; and

61.10 (11) local impact notes under section 3.987.

61.11 Subd. 4. **Property tax working group.** (a) A property tax working group is
61.12 established as provided in this subdivision. The goals of the working group are:

61.13 (1) to investigate ways to simplify the property tax system and make advisory
61.14 recommendations on ways to make the system more understandable;

61.15 (2) to reexamine the property tax calendar to determine what changes could be made
61.16 to shorten the two-year cycle from assessment through property tax collection; and

61.17 (3) to determine the cost versus the benefits of the various property tax components,
61.18 including property classifications, credits, aids, exclusions, exemptions, and abatements,
61.19 and to suggest ways to achieve some of the goals in simpler and more cost-efficient ways.

61.20 (b) The 13-member working group shall consist of the following members:

61.21 (1) two state representatives, both appointed by the chair of the house of
61.22 representatives Taxes Committee, one from the majority party and one from the minority
61.23 party;

61.24 (2) two senators, both appointed by the chair of the senate Taxes Committee, one
61.25 from the majority party and one from the minority party;

61.26 (3) the commissioner of revenue, or designee;

61.27 (4) one person, appointed by the Association of Minnesota Counties;

61.28 (5) one person, appointed by the League of Minnesota Cities;

61.29 (6) one person, appointed by the Minnesota Association of Townships;

61.30 (7) one person, appointed by the Minnesota Chamber of Commerce;

61.31 (8) one person, appointed by the Minnesota Association of Assessing Officers;

61.32 (9) two homeowners, one who is under 65 years of age, and one who is 65 years of
61.33 age or older, both appointed by the commissioner of revenue; and

61.34 (10) one person, jointly appointed by the Minnesota Farm Bureau and the Minnesota
61.35 Farmers Union.

62.1 The commissioner of revenue shall chair the initial meeting, and the working
62.2 group shall elect a chair at that initial meeting. The working group will meet at the call
62.3 of the chair. Members of the working group shall serve without compensation. The
62.4 commissioner of revenue must provide administrative support to the working group.
62.5 Chapter 13D does not apply to meetings of the working group. Meetings of the working
62.6 group must be open to the public and the working group must provide notice of a meeting
62.7 to potentially interested persons at least seven days before the meeting. A meeting of the
62.8 council occurs when a quorum is present.

62.9 (c) The working group shall make its advisory recommendations to the chairs of the
62.10 house of representatives and senate Taxes Committees on or before February 1, 2012, at
62.11 which time the working group shall be finished and this subdivision expires. The advisory
62.12 recommendations should be reviewed by the Taxes Committee under subdivision 5.

62.13 Subd. 5. **Taxes Committee review and resolution.** On or before March 1,
62.14 2012, and every two years thereafter, the house of representatives and senate Taxes
62.15 Committees must review the major indicators as contained in subdivision 3, and ascertain
62.16 the accountability and efficiency of the property tax system. The house of representatives
62.17 and senate Taxes Committees shall prepare a resolution on targets and benchmarks for
62.18 use during the current biennium.

62.19 Subd. 6. **Department of Revenue; revenue estimates.** As provided under
62.20 section 270C.11, subdivision 5, the Department of Revenue is required to prepare an
62.21 estimate of the effect on the state's tax revenues which result from the passage of a
62.22 legislative bill establishing, extending, or restricting a tax expenditure. Beginning
62.23 with the 2011 legislative session, those revenue estimates must also identify how the
62.24 property tax principles contained in subdivision 2 apply to the proposed tax changes. The
62.25 commissioner of revenue shall develop a scale for measuring the appropriate principles
62.26 for each proposed change. The department shall quantify the effects, if possible, or at a
62.27 minimum, shall identify the relevant factors so that legislators are aware of possible
62.28 outcomes, including administrative difficulties and cost. The interaction of property tax
62.29 shifting should be identified and quantified to the degree possible.

62.30 Subd. 7. **Appropriation.** The sum of \$30,000 in fiscal year 2011 and \$25,000 in
62.31 each fiscal year thereafter is appropriated from the general fund to the commissioner of
62.32 revenue to carry out the commissioner's added responsibilities under subdivision 6.

62.33 **EFFECTIVE DATE.** This section is effective the day following final enactment.

63.1 **ARTICLE 3**63.2 **INCOME, CORPORATE FRANCHISE, AND ESTATE TAXES**

63.3 Section 1. Minnesota Statutes 2008, section 270A.03, subdivision 7, is amended to
63.4 read:

63.5 Subd. 7. **Refund.** "Refund" means an individual income tax refund ~~or political~~
63.6 ~~contribution refund~~, pursuant to chapter 290, or a property tax credit or refund, pursuant to
63.7 chapter 290A, or a sustainable forest tax payment to a claimant under chapter 290C.

63.8 For purposes of this chapter, lottery prizes, as set forth in section 349A.08,
63.9 subdivision 8, and amounts granted to persons by the legislature on the recommendation
63.10 of the joint senate-house of representatives Subcommittee on Claims shall be treated
63.11 as refunds.

63.12 In the case of a joint property tax refund payable to spouses under chapter 290A,
63.13 the refund shall be considered as belonging to each spouse in the proportion of the total
63.14 refund that equals each spouse's proportion of the total income determined under section
63.15 290A.03, subdivision 3. In the case of a joint income tax refund under chapter 289A, the
63.16 refund shall be considered as belonging to each spouse in the proportion of the total
63.17 refund that equals each spouse's proportion of the total taxable income determined under
63.18 section 290.01, subdivision 29. The commissioner shall remit the entire refund to the
63.19 claimant agency, which shall, upon the request of the spouse who does not owe the debt,
63.20 determine the amount of the refund belonging to that spouse and refund the amount to
63.21 that spouse. For court fines, fees, and surcharges and court-ordered restitution under
63.22 section 611A.04, subdivision 2, the notice provided by the commissioner of revenue under
63.23 section 270A.07, subdivision 2, paragraph (b), serves as the appropriate legal notice
63.24 to the spouse who does not owe the debt.

63.25 **EFFECTIVE DATE.** This section is effective for political contribution refund
63.26 claims based on contributions that are made after June 30, 2011.

63.27 Sec. 2. Minnesota Statutes 2008, section 289A.08, subdivision 7, is amended to read:

63.28 Subd. 7. **Composite income tax returns for nonresident partners, shareholders,**
63.29 **and beneficiaries.** (a) The commissioner may allow a partnership with nonresident
63.30 partners to file a composite return and to pay the tax on behalf of nonresident partners who
63.31 have no other Minnesota source income. This composite return must include the names,
63.32 addresses, Social Security numbers, income allocation, and tax liability for the nonresident
63.33 partners electing to be covered by the composite return.

64.1 (b) The computation of a partner's tax liability must be determined by multiplying
64.2 the income allocated to that partner by the highest rate used to determine the tax liability
64.3 for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard
64.4 deductions, or personal exemptions are not allowed.

64.5 (c) The partnership must submit a request to use this composite return filing method
64.6 for nonresident partners. The requesting partnership must file a composite return in the
64.7 form prescribed by the commissioner of revenue. The filing of a composite return is
64.8 considered a request to use the composite return filing method.

64.9 (d) The electing partner must not have any Minnesota source income other than
64.10 the income from the partnership and other electing partnerships. If it is determined that
64.11 the electing partner has other Minnesota source income, the inclusion of the income
64.12 and tax liability for that partner under this provision will not constitute a return to
64.13 satisfy the requirements of subdivision 1. The tax paid for the individual as part of the
64.14 composite return is allowed as a payment of the tax by the individual on the date on
64.15 which the composite return payment was made. If the electing nonresident partner has no
64.16 other Minnesota source income, filing of the composite return is a return for purposes of
64.17 subdivision 1.

64.18 (e) This subdivision does not negate the requirement that an individual pay estimated
64.19 tax if the individual's liability would exceed the requirements set forth in section 289A.25.
64.20 A composite estimate may, however, be filed in a manner similar to and containing the
64.21 information required under paragraph (a).

64.22 (f) If an electing partner's share of the partnership's gross income from Minnesota
64.23 sources is less than the filing requirements for a nonresident under this subdivision, the tax
64.24 liability is zero. However, a statement showing the partner's share of gross income must
64.25 be included as part of the composite return.

64.26 (g) The election provided in this subdivision is only available to a partner who has
64.27 no other Minnesota source income and who is either (1) a full-year nonresident individual
64.28 or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of
64.29 the Internal Revenue Code.

64.30 (h) A corporation defined in section 290.9725 and its nonresident shareholders may
64.31 make an election under this paragraph. The provisions covering the partnership apply to
64.32 the corporation and the provisions applying to the partner apply to the shareholder.

64.33 (i) Estates and trusts distributing current income only and the nonresident individual
64.34 beneficiaries of the estates or trusts may make an election under this paragraph. The
64.35 provisions covering the partnership apply to the estate or trust. The provisions applying to
64.36 the partner apply to the beneficiary.

65.1 (j) For the purposes of this subdivision, "income" means the partner's share of
65.2 federal adjusted gross income from the partnership modified by the additions provided in
65.3 section 290.01, subdivision 19a, clauses (6) to (10), and the subtractions provided in: (i)
65.4 section 290.01, subdivision 19b, clause ~~(9)~~ (8), to the extent the amount is assignable or
65.5 allocable to Minnesota under section 290.17; and (ii) section 290.01, subdivision 19b,
65.6 clause ~~(14)~~ (13). The subtraction allowed under section 290.01, subdivision 19b, clause
65.7 ~~(9)~~ (8), is only allowed on the composite tax computation to the extent the electing partner
65.8 would have been allowed the subtraction.

65.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

65.10 Sec. 3. Minnesota Statutes 2008, section 289A.09, subdivision 2, is amended to read:

65.11 Subd. 2. **Withholding statement.** (a) A person required to deduct and withhold
65.12 from an employee a tax under section 290.92, subdivision 2a or 3, or 290.923, subdivision
65.13 2, or who would have been required to deduct and withhold a tax under section 290.92,
65.14 subdivision 2a or 3, or persons required to withhold tax under section 290.923, subdivision
65.15 2, determined without regard to section 290.92, subdivision 19, if the employee or payee
65.16 had claimed no more than one withholding exemption, or who paid wages or made
65.17 payments not subject to withholding under section 290.92, subdivision 2a or 3, or 290.923,
65.18 subdivision 2, to an employee or person receiving royalty payments in excess of \$600,
65.19 or who has entered into a voluntary withholding agreement with a payee under section
65.20 290.92, subdivision 20, must give every employee or person receiving royalty payments in
65.21 respect to the remuneration paid by the person to the employee or person receiving royalty
65.22 payments during the calendar year, on or before January 31 of the succeeding year, or, if
65.23 employment is terminated before the close of the calendar year, within 30 days after the
65.24 date of receipt of a written request from the employee if the 30-day period ends before
65.25 January 31, a written statement showing the following:

65.26 (1) name of the person;

65.27 (2) the name of the employee or payee and the employee's or payee's Social Security
65.28 account number;

65.29 (3) the total amount of wages as that term is defined in section 290.92, subdivision
65.30 1, paragraph (1); the total amount of remuneration subject to withholding under section
65.31 290.92, subdivision 20; the amount of sick pay as required under section 6051(f) of the
65.32 Internal Revenue Code; and the amount of royalties subject to withholding under section
65.33 290.923, subdivision 2; and

65.34 (4) the total amount deducted and withheld as tax under section 290.92, subdivision
65.35 2a or 3, or 290.923, subdivision 2.

66.1 (b) The statement required to be furnished by paragraph (a) with respect to any
66.2 remuneration must be furnished at those times, must contain the information required, and
66.3 must be in the form the commissioner prescribes.

66.4 (c) The commissioner may prescribe rules providing for reasonable extensions of
66.5 time, not in excess of 30 days, to employers or payers required to give the statements to
66.6 their employees or payees under this subdivision.

66.7 (d) A duplicate of any statement made under this subdivision and in accordance
66.8 with rules prescribed by the commissioner, along with a reconciliation in the form the
66.9 commissioner prescribes of the statements for the calendar year, including a reconciliation
66.10 of the quarterly returns required to be filed under subdivision 1, must be filed with the

66.21 25 statements to the commissioner, even though the employer is not required to submit
66.22 the returns federally by electronic means. ~~For calendar year 2009, the 100 statements~~

66.24 ~~for statements issued for wages paid in 2011 and after, the threshold is reduced to ten.~~
66.25 All statements issued for withholding required under section 290.92 are aggregated for
66.26 purposes of determining whether the electronic submission threshold is met.

66.28 (a), clause (2), must submit the returns required by this subdivision and subdivision 1,

69.10 **EFFECTIVE DATE.** This section is effective for taxable years beginning after
69.11 December 31, 2009.

69.12 Sec. 7. Minnesota Statutes 2008, section 289A.30, subdivision 2, is amended to read:

69.13 Subd. 2. **Estate tax.** Where good cause exists, the commissioner may extend the
69.14 time for payment of estate tax for a period of not more than six months. If an extension to
69.15 pay the federal estate tax has been granted under section 6161 of the Internal Revenue
69.16 Code, the time for payment of the estate tax without penalty is extended for that period. A
69.17 taxpayer who owes at least \$5,000 in taxes and who, under section 6161 or 6166 of the
69.18 Internal Revenue Code has been granted an extension for payment of the tax shown on the
69.19 return, may elect to pay the tax due to the commissioner in equal amounts at the same
69.20 time as required for federal purposes. A taxpayer electing to pay the tax in installments
69.21 shall defer a percentage of tax that does not exceed the percentage of federal tax deferred
69.22 and must notify the commissioner in writing no later than nine months after the death of
69.23 the person whose estate is subject to taxation. If the taxpayer fails to pay an installment on
69.24 time, unless it is shown that the failure is due to reasonable cause, the election is revoked
69.25 and the entire amount of unpaid tax plus accrued interest is due and payable 90 days after
69.26 the date on which the installment was payable.

69.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

69.28 Sec. 8. Minnesota Statutes 2008, section 289A.50, subdivision 1, is amended to read:

69.29 Subdivision 1. **General right to refund.** (a) Subject to the requirements of this
69.30 section and section 289A.40, a taxpayer who has paid a tax in excess of the taxes lawfully
69.31 due and who files a written claim for refund will be refunded or credited the overpayment
69.32 of the tax determined by the commissioner to be erroneously paid.

70.1 (b) The claim must specify the name of the taxpayer, the date when and the period
70.2 for which the tax was paid, the kind of tax paid, the amount of the tax that the taxpayer
70.3 claims was erroneously paid, the grounds on which a refund is claimed, and other
70.4 information relative to the payment and in the form required by the commissioner. An
70.5 income tax, estate tax, or corporate franchise tax return, or amended return claiming an
70.6 overpayment constitutes a claim for refund.

70.7 (c) When, in the course of an examination, and within the time for requesting a
70.8 refund, the commissioner determines that there has been an overpayment of tax, the
70.9 commissioner shall refund or credit the overpayment to the taxpayer and no demand
70.10 is necessary. If the overpayment exceeds \$1, the amount of the overpayment must
70.11 be refunded to the taxpayer. If the amount of the overpayment is less than \$1, the
70.12 commissioner is not required to refund. In these situations, the commissioner does not
70.13 have to make written findings or serve notice by mail to the taxpayer.

70.14 (d) If the amount allowable as a credit for withholding, estimated taxes, or dependent
70.15 care exceeds the tax against which the credit is allowable, the amount of the excess is
70.16 considered an overpayment. ~~The refund allowed by section 290.06, subdivision 23, is also~~
70.17 ~~considered an overpayment.~~ The requirements of section 270C.33 do not apply to the
70.18 refunding of such an overpayment shown on the original return filed by a taxpayer.

70.19 (e) If the entertainment tax withheld at the source exceeds by \$1 or more the taxes,
70.20 penalties, and interest reported in the return of the entertainment entity or imposed by
70.21 section 290.9201, the excess must be refunded to the entertainment entity. If the excess is
70.22 less than \$1, the commissioner need not refund that amount.

70.23 (f) If the surety deposit required for a construction contract exceeds the liability of
70.24 the out-of-state contractor, the commissioner shall refund the difference to the contractor.

70.25 (g) An action of the commissioner in refunding the amount of the overpayment does
70.26 not constitute a determination of the correctness of the return of the taxpayer.

70.27 (h) There is appropriated from the general fund to the commissioner of revenue the
70.28 amount necessary to pay refunds allowed under this section.

70.29 **EFFECTIVE DATE.** This section is effective for political contribution refund
70.30 claims based on contributions that are made after June 30, 2011.

70.31 Sec. 9. Minnesota Statutes 2008, section 289A.50, subdivision 4, is amended to read:

70.32 Subd. 4. **Notice of refund.** The commissioner shall determine the amount of refund,
70.33 if any, that is due, and notify the taxpayer of the determination as soon as practicable
70.34 after a claim has been filed.

71.1 If the commissioner determines that the address provided by the taxpayer to claim a
71.2 refund is invalid or is no longer the current address of the taxpayer, then the date of the
71.3 mailing of the notification provided under this subdivision is considered the date that
71.4 the refund is paid for purposes of the payment of interest under section 289A.56 and is
71.5 considered the date of issuance of the original warrant or check for purposes of issuing a
71.6 new warrant or check under section 270C.347.

71.7 **EFFECTIVE DATE.** This section is effective the day following final enactment.

71.8 Sec. 10. Minnesota Statutes 2008, section 289A.60, subdivision 7, is amended to read:

71.9 Subd. 7. **Penalty for frivolous return.** If a taxpayer files what purports to be
71.10 a tax return or a claim for refund but which does not contain information on which
71.11 the substantial correctness of the purported return or claim for refund may be judged
71.12 or contains information that on its face shows that the purported return or claim for
71.13 refund is substantially incorrect and the conduct is due to a position that is frivolous or
71.14 a desire that appears on the purported return or claim for refund to delay or impede the
71.15 administration of Minnesota tax laws, then the ~~individual~~ taxpayer shall pay a penalty of
71.16 the greater of \$1,000 or 25 percent of the amount of tax required to be shown on the
71.17 return. In a proceeding involving the issue of whether or not a ~~person~~ taxpayer is liable for
71.18 this penalty, the burden of proof is on the commissioner.

71.19 **EFFECTIVE DATE.** This section is effective the day following final enactment
71.20 and applies to returns filed after that day.

71.21 Sec. 11. Minnesota Statutes 2009 Supplement, section 290.01, subdivision 19a,
71.22 is amended to read:

71.23 Subd. 19a. **Additions to federal taxable income.** For individuals, estates, and
71.24 trusts, there shall be added to federal taxable income:

71.25 (1)(i) interest income on obligations of any state other than Minnesota or a political
71.26 or governmental subdivision, municipality, or governmental agency or instrumentality
71.27 of any state other than Minnesota exempt from federal income taxes under the Internal
71.28 Revenue Code or any other federal statute; and

71.29 (ii) exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue
71.30 Code, except:

71.31 (A) the portion of the exempt-interest dividends exempt from state taxation under
71.32 the laws of the United States; and

72.1 (B) the portion of the exempt-interest dividends derived from interest income
72.2 on obligations of the state of Minnesota or its political or governmental subdivisions,
72.3 municipalities, governmental agencies or instrumentalities, but only if the portion of the
72.4 exempt-interest dividends from such Minnesota sources paid to all shareholders represents
72.5 95 percent or more of the exempt-interest dividends, including any dividends exempt
72.6 under subitem (A), that are paid by the regulated investment company as defined in section
72.7 851(a) of the Internal Revenue Code, or the fund of the regulated investment company as
72.8 defined in section 851(g) of the Internal Revenue Code, making the payment; and

72.9 (iii) for the purposes of items (i) and (ii), interest on obligations of an Indian tribal
72.10 government described in section 7871(c) of the Internal Revenue Code shall be treated as
72.11 interest income on obligations of the state in which the tribe is located;

72.12 (2) the amount of income, sales and use, motor vehicle sales, or excise taxes paid
72.13 or accrued within the taxable year under this chapter and the amount of taxes based on
72.14 net income paid, sales and use, motor vehicle sales, or excise taxes paid to any other
72.15 state or to any province or territory of Canada, to the extent allowed as a deduction
72.16 under section 63(d) of the Internal Revenue Code, but the addition may not be more
72.17 than the amount by which the itemized deductions as allowed under section 63(d) of
72.18 the Internal Revenue Code exceeds the amount of the standard deduction as defined in
72.19 section 63(c) of the Internal Revenue Code, disregarding the amounts allowed under
72.20 sections 63(c)(1)(C) and 63(c)(1)(E) of the Internal Revenue Code. For the purpose of
72.21 this paragraph, the disallowance of itemized deductions under section 68 of the Internal
72.22 Revenue Code of 1986, income, sales and use, motor vehicle sales, or excise taxes are
72.23 the last itemized deductions disallowed;

72.24 (3) the capital gain amount of a lump-sum distribution to which the special tax under
72.25 section 1122(h)(3)(B)(ii) of the Tax Reform Act of 1986, Public Law 99-514, applies;

72.26 (4) the amount of income taxes paid or accrued within the taxable year under this
72.27 chapter and taxes based on net income paid to any other state or any province or territory
72.28 of Canada, to the extent allowed as a deduction in determining federal adjusted gross
72.29 income. For the purpose of this paragraph, income taxes do not include the taxes imposed
72.30 by sections 290.0922, subdivision 1, paragraph (b), 290.9727, 290.9728, and 290.9729;

72.31 (5) the amount of expense, interest, or taxes disallowed pursuant to section 290.10
72.32 other than expenses or interest used in computing net interest income for the subtraction
72.33 allowed under subdivision 19b, clause (1);

72.34 (6) the amount of a partner's pro rata share of net income which does not flow
72.35 through to the partner because the partnership elected to pay the tax on the income under
72.36 section 6242(a)(2) of the Internal Revenue Code;

73.1 (7) 80 percent of the depreciation deduction allowed under section 168(k) of the
73.2 Internal Revenue Code. For purposes of this clause, if the taxpayer has an activity that
73.3 in the taxable year generates a deduction for depreciation under section 168(k) and the
73.4 activity generates a loss for the taxable year that the taxpayer is not allowed to claim for
73.5 the taxable year, "the depreciation allowed under section 168(k)" for the taxable year is
73.6 limited to excess of the depreciation claimed by the activity under section 168(k) over the
73.7 amount of the loss from the activity that is not allowed in the taxable year. In succeeding
73.8 taxable years when the losses not allowed in the taxable year are allowed, the depreciation
73.9 under section 168(k) is allowed;

73.10 (8) 80 percent of the amount by which the deduction allowed by section 179 of the
73.11 Internal Revenue Code exceeds the deduction allowable by section 179 of the Internal
73.12 Revenue Code of 1986, as amended through December 31, 2003;

73.13 (9) to the extent deducted in computing federal taxable income, the amount of the
73.14 deduction allowable under section 199 of the Internal Revenue Code;

73.15 (10) the exclusion allowed under section 139A of the Internal Revenue Code for
73.16 federal subsidies for prescription drug plans;

73.17 (11) the amount of expenses disallowed under section 290.10, subdivision 2;

73.18 (12) the amount deducted for qualified tuition and related expenses under section
73.19 222 of the Internal Revenue Code, to the extent deducted from gross income;

73.20 (13) the amount deducted for certain expenses of elementary and secondary school
73.21 teachers under section 62(a)(2)(D) of the Internal Revenue Code, to the extent deducted
73.22 from gross income;

73.23 (14) the additional standard deduction for property taxes payable that is allowable
73.24 under section 63(c)(1)(C) of the Internal Revenue Code;

73.25 (15) the additional standard deduction for qualified motor vehicle sales taxes
73.26 allowable under section 63(c)(1)(E) of the Internal Revenue Code;

73.27 (16) discharge of indebtedness income resulting from reacquisition of business
73.28 indebtedness and deferred under section 108(i) of the Internal Revenue Code; and

73.29 (17) the amount of unemployment compensation exempt from tax under section
73.30 85(c) of the Internal Revenue Code.

73.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

73.32 Sec. 12. Minnesota Statutes 2009 Supplement, section 290.01, subdivision 19b, as
73.33 amended by Laws 2010, chapter 187, section 2, is amended to read:

73.34 Subd. 19b. **Subtractions from federal taxable income.** For individuals, estates,
73.35 and trusts, there shall be subtracted from federal taxable income:

- 74.1 (1) net interest income on obligations of any authority, commission, or
74.2 instrumentality of the United States to the extent includable in taxable income for federal
74.3 income tax purposes but exempt from state income tax under the laws of the United States;
- 74.4 (2) if included in federal taxable income, the amount of any overpayment of income
74.5 tax to Minnesota or to any other state, for any previous taxable year, whether the amount
74.6 is received as a refund or as a credit to another taxable year's income tax liability;
- 74.7 (3) the amount paid to others, less the amount used to claim the credit allowed under
74.8 section 290.0674, not to exceed \$1,625 for each qualifying child in grades kindergarten
74.9 to 6 and \$2,500 for each qualifying child in grades 7 to 12, for tuition, textbooks, and
74.10 transportation of each qualifying child in attending an elementary or secondary school
74.11 situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a
74.12 resident of this state may legally fulfill the state's compulsory attendance laws, which
74.13 is not operated for profit, and which adheres to the provisions of the Civil Rights Act
74.14 of 1964 and chapter 363A. For the purposes of this clause, "tuition" includes fees or
74.15 tuition as defined in section 290.0674, subdivision 1, clause (1). As used in this clause,
74.16 "textbooks" includes books and other instructional materials and equipment purchased
74.17 or leased for use in elementary and secondary schools in teaching only those subjects
74.18 legally and commonly taught in public elementary and secondary schools in this state.
74.19 Equipment expenses qualifying for deduction includes expenses as defined and limited in
74.20 section 290.0674, subdivision 1, clause (3). "Textbooks" does not include instructional
74.21 books and materials used in the teaching of religious tenets, doctrines, or worship, the
74.22 purpose of which is to instill such tenets, doctrines, or worship, nor does it include books
74.23 or materials for, or transportation to, extracurricular activities including sporting events,
74.24 musical or dramatic events, speech activities, driver's education, or similar programs. No
74.25 deduction is permitted for any expense the taxpayer incurred in using the taxpayer's or
74.26 the qualifying child's vehicle to provide such transportation for a qualifying child. For
74.27 purposes of the subtraction provided by this clause, "qualifying child" has the meaning
74.28 given in section 32(c)(3) of the Internal Revenue Code;
- 74.29 (4) income as provided under section 290.0802;
- 74.30 (5) to the extent included in federal adjusted gross income, income realized on
74.31 disposition of property exempt from tax under section 290.491;
- 74.32 (6) to the extent not deducted or not deductible pursuant to section 408(d)(8)(E)
74.33 of the Internal Revenue Code in determining federal taxable income by an individual
74.34 who does not itemize deductions for federal income tax purposes for the taxable year, an
74.35 amount equal to 50 percent of the excess of charitable contributions over \$500 allowable

75.1 as a deduction for the taxable year under section 170(a) of the Internal Revenue Code,
75.2 under the provisions of Public Law 109-1 and Public Law 111-126;

75.3 ~~(7) for taxable years beginning before January 1, 2008, the amount of the federal~~
75.4 ~~small ethanol producer credit allowed under section 40(a)(3) of the Internal Revenue Code~~
75.5 ~~which is included in gross income under section 87 of the Internal Revenue Code;~~

75.6 ~~(8)~~ (7) for individuals who are allowed a federal foreign tax credit for taxes that do
75.7 not qualify for a credit under section 290.06, subdivision 22, an amount equal to the
75.8 carryover of subnational foreign taxes for the taxable year, but not to exceed the total
75.9 subnational foreign taxes reported in claiming the foreign tax credit. For purposes of
75.10 this clause, "federal foreign tax credit" means the credit allowed under section 27 of the
75.11 Internal Revenue Code, and "carryover of subnational foreign taxes" equals the carryover

81.8 Sec. 15. Minnesota Statutes 2009 Supplement, section 290.06, subdivision 2c, is
81.9 amended to read:

81.10 Subd. 2c. **Schedules of rates for individuals, estates, and trusts.** (a) The income
81.11 taxes imposed by this chapter upon married individuals filing joint returns and surviving
81.12 spouses as defined in section 2(a) of the Internal Revenue Code must be computed by
81.13 applying to their taxable net income the following schedule of rates:

- 81.14 (1) On the first \$25,680, 5.35 percent;
81.15 (2) On all over \$25,680, but not over \$102,030, 7.05 percent;
81.16 (3) On all over \$102,030, 7.85 percent.

81.17 Married individuals filing separate returns, estates, and trusts must compute their
81.18 income tax by applying the above rates to their taxable income, except that the income
81.19 brackets will be one-half of the above amounts.

81.20 (b) The income taxes imposed by this chapter upon unmarried individuals must be
81.21 computed by applying to taxable net income the following schedule of rates:

- 81.22 (1) On the first \$17,570, 5.35 percent;
81.23 (2) On all over \$17,570, but not over \$57,710, 7.05 percent;
81.24 (3) On all over \$57,710, 7.85 percent.

81.25 (c) The income taxes imposed by this chapter upon unmarried individuals qualifying
81.26 as a head of household as defined in section 2(b) of the Internal Revenue Code must be
81.27 computed by applying to taxable net income the following schedule of rates:

- 81.28 (1) On the first \$21,630, 5.35 percent;
81.29 (2) On all over \$21,630, but not over \$86,910, 7.05 percent;
81.30 (3) On all over \$86,910, 7.85 percent.

81.31 (d) In lieu of a tax computed according to the rates set forth in this subdivision, the
81.32 tax of any individual taxpayer whose taxable net income for the taxable year is less than
81.33 an amount determined by the commissioner must be computed in accordance with tables
81.34 prepared and issued by the commissioner of revenue based on income brackets of not
81.35 more than \$100. The amount of tax for each bracket shall be computed at the rates set

82.1 forth in this subdivision, provided that the commissioner may disregard a fractional part of
82.2 a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

82.3 (e) An individual who is not a Minnesota resident for the entire year must compute
82.4 the individual's Minnesota income tax as provided in this subdivision. After the
82.5 application of the nonrefundable credits provided in this chapter, the tax liability must
82.6 then be multiplied by a fraction in which:

82.7 (1) the numerator is the individual's Minnesota source federal adjusted gross income
82.8 as defined in section 62 of the Internal Revenue Code and increased by the additions
82.9 required under section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (12),
82.10 (13), (16), and (17), and reduced by the Minnesota assignable portion of the subtraction
82.11 for United States government interest under section 290.01, subdivision 19b, clause
82.12 (1), and the subtractions under section 290.01, subdivision 19b, clauses ~~(9), (10), (14),~~
82.13 ~~(15), (16), and (18)~~ (8), (9), (13), (14), (15), and (17), after applying the allocation and
82.14 assignability provisions of section 290.081, clause (a), or 290.17; and

82.15 (2) the denominator is the individual's federal adjusted gross income as defined in
82.16 section 62 of the Internal Revenue Code of 1986, increased by the amounts specified in
82.17 section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (12), (13), (16), and
82.18 (17), and reduced by the amounts specified in section 290.01, subdivision 19b, clauses (1),
82.19 ~~(9), (10), (14), (15), (16), and (18)~~ (8), (9), (13), (14), (15), and (17).

82.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

82.21 Sec. 16. Minnesota Statutes 2008, section 290.067, subdivision 1, is amended to read:

82.22 Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the
82.23 tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the
82.24 dependent care credit for which the taxpayer is eligible pursuant to the provisions of
82.25 section 21 of the Internal Revenue Code subject to the limitations provided in subdivision
82.26 2 except that in determining whether the child qualified as a dependent, income received
82.27 as a Minnesota family investment program grant or allowance to or on behalf of the child
82.28 must not be taken into account in determining whether the child received more than half
82.29 of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of
82.30 the Internal Revenue Code do not apply.

82.31 (b) If a child who has not attained the age of six years at the close of the taxable year
82.32 is cared for at a licensed family day care home operated by the child's parent, the taxpayer
82.33 is deemed to have paid employment-related expenses. If the child is 16 months old or
82.34 younger at the close of the taxable year, the amount of expenses deemed to have been paid
82.35 equals the maximum limit for one qualified individual under section 21(c) and (d) of the

83.1 Internal Revenue Code. If the child is older than 16 months of age but has not attained the
83.2 age of six years at the close of the taxable year, the amount of expenses deemed to have
83.3 been paid equals the amount the licensee would charge for the care of a child of the same
83.4 age for the same number of hours of care.

83.5 (c) If a married couple:

83.6 (1) has a child who has not attained the age of one year at the close of the taxable
83.7 year;

83.8 (2) files a joint tax return for the taxable year; and

83.9 (3) does not participate in a dependent care assistance program as defined in section
83.10 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid
83.11 for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of
83.12 (i) the combined earned income of the couple or (ii) the amount of the maximum limit for
83.13 one qualified individual under section 21(c) and (d) of the Internal Revenue Code will
83.14 be deemed to be the employment related expense paid for that child. The earned income
83.15 limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed
83.16 amount. These deemed amounts apply regardless of whether any employment-related
83.17 expenses have been paid.

83.18 (d) If the taxpayer is not required and does not file a federal individual income tax
83.19 return for the tax year, no credit is allowed for any amount paid to any person unless:

83.20 (1) the name, address, and taxpayer identification number of the person are included
83.21 on the return claiming the credit; or

83.22 (2) if the person is an organization described in section 501(c)(3) of the Internal
83.23 Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code,
83.24 the name and address of the person are included on the return claiming the credit.

83.25 In the case of a failure to provide the information required under the preceding sentence,
83.26 the preceding sentence does not apply if it is shown that the taxpayer exercised due
83.27 diligence in attempting to provide the information required.

83.28 In the case of a nonresident, part-year resident, or a person who has earned income
83.29 not subject to tax under this chapter including earned income excluded pursuant to section
83.30 290.01, subdivision 19b, clause ~~(10)~~ (9) or ~~(16)~~ (15), the credit determined under section
83.31 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned
83.32 income of the claimant and the claimant's spouse from Minnesota sources bears to the
83.33 total earned income of the claimant and the claimant's spouse.

83.34 For residents of Minnesota, the subtractions for military pay under section 290.01,
83.35 subdivision 19b, clauses ~~(11)~~ (10) and ~~(12)~~ (11), are not considered "earned income not
83.36 subject to tax under this chapter."

84.1 For residents of Minnesota, the exclusion of combat pay under section 112 of the
84.2 Internal Revenue Code is not considered "earned income not subject to tax under this
84.3 chapter."

84.4 **EFFECTIVE DATE.** This section is effective the day following final enactment.

84.5 Sec. 17. Minnesota Statutes 2009 Supplement, section 290.0671, subdivision 1,
84.6 is amended to read:

84.7 Subdivision 1. **Credit allowed.** (a) An individual is allowed a credit against the tax
84.8 imposed by this chapter equal to a percentage of earned income. To receive a credit, a
84.9 taxpayer must be eligible for a credit under section 32 of the Internal Revenue Code.

84.10 (b) For individuals with no qualifying children, the credit equals 1.9125 percent of
84.11 the first \$4,620 of earned income. The credit is reduced by 1.9125 percent of earned
84.12 income or adjusted gross income, whichever is greater, in excess of \$5,770, but in no
84.13 case is the credit less than zero.

84.14 (c) For individuals with one qualifying child, the credit equals 8.5 percent of the first
84.15 \$6,920 of earned income and 8.5 percent of earned income over \$12,080 but less than
84.16 \$13,450. The credit is reduced by 5.73 percent of earned income or adjusted gross income,
84.17 whichever is greater, in excess of \$15,080, but in no case is the credit less than zero.

84.18 (d) For individuals with two or more qualifying children, the credit equals ten
84.19 percent of the first \$9,720 of earned income and 20 percent of earned income over
84.20 \$14,860 but less than \$16,800. The credit is reduced by 10.3 percent of earned income
84.21 or adjusted gross income, whichever is greater, in excess of \$17,890, but in no case is
84.22 the credit less than zero.

84.23 (e) For a nonresident or part-year resident, the credit must be allocated based on the
84.24 percentage calculated under section 290.06, subdivision 2c, paragraph (e).

84.25 (f) For a person who was a resident for the entire tax year and has earned income
84.26 not subject to tax under this chapter, including income excluded under section 290.01,
84.27 subdivision 19b, clause ~~(10)~~ (9) or ~~(16)~~ (15), the credit must be allocated based on the
84.28 ratio of federal adjusted gross income reduced by the earned income not subject to tax
84.29 under this chapter over federal adjusted gross income. For purposes of this paragraph, the
84.30 subtractions for military pay under section 290.01, subdivision 19b, clauses ~~(11)~~ (10) and
84.31 ~~(12)~~ (11), are not considered "earned income not subject to tax under this chapter."

84.32 For the purposes of this paragraph, the exclusion of combat pay under section 112
84.33 of the Internal Revenue Code is not considered "earned income not subject to tax under
84.34 this chapter."

85.1 (g) For tax years beginning after December 31, 2007, and before December 31,
85.2 2010, the \$5,770 in paragraph (b), the \$15,080 in paragraph (c), and the \$17,890 in
85.3 paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by
85.4 \$3,000 for married taxpayers filing joint returns. For tax years beginning after December
85.5 31, 2008, the commissioner shall annually adjust the \$3,000 by the percentage determined
85.6 pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in
85.7 section 1(f)(3)(B), the word "2007" shall be substituted for the word "1992." For 2009,
85.8 the commissioner shall then determine the percent change from the 12 months ending on
85.9 August 31, 2007, to the 12 months ending on August 31, 2008, and in each subsequent
85.10 year, from the 12 months ending on August 31, 2007, to the 12 months ending on August
85.11 31 of the year preceding the taxable year. The earned income thresholds as adjusted
85.12 for inflation must be rounded to the nearest \$10. If the amount ends in \$5, the amount
85.13 is rounded up to the nearest \$10. The determination of the commissioner under this
85.14 subdivision is not a rule under the Administrative Procedure Act.

85.15 (h) The commissioner shall construct tables showing the amount of the credit at
85.16 various income levels and make them available to taxpayers. The tables shall follow
85.17 the schedule contained in this subdivision, except that the commissioner may graduate
85.18 the transition between income brackets.

85.19 **EFFECTIVE DATE.** This section is effective the day following final enactment.

85.20 Sec. 18. Minnesota Statutes 2008, section 290.081, is amended to read:

85.21 **290.081 INCOME OF NONRESIDENTS, RECIPROCITY.**

85.22 (a) The compensation received for the performance of personal or professional
85.23 services within this state by an individual whose residence, place of abode, and place
85.24 customarily returned to at least once a month is in another state, shall be excluded from
85.25 gross income to the extent such compensation is subject to an income tax imposed by the
85.26 state of residence; provided that such state allows a similar exclusion of compensation
85.27 received by residents of Minnesota for services performed therein.

85.28 (b) When it is deemed to be in the best interests of the people of this state, the
85.29 commissioner may determine that the provisions of paragraph (a) shall not apply. As long
85.30 as the provisions of paragraph (a) apply between Minnesota and Wisconsin, the provisions
85.31 of paragraph (a) shall apply to any individual who is domiciled in Wisconsin.

85.32 (c) For the purposes of paragraph (a), whenever the Wisconsin tax on Minnesota
85.33 residents which would have been paid Wisconsin without paragraph (a) exceeds the
85.34 Minnesota tax on Wisconsin residents which would have been paid Minnesota without

86.1 paragraph (a), or vice versa, then the state with the net revenue loss resulting from
86.2 paragraph (a) ~~shall receive from~~ must be compensated by the other state ~~the amount~~
86.3 ~~of such loss~~ as provided in the agreement under paragraph (d). This provision shall be
86.4 effective for all years beginning after December 31, 1972. The data used for computing
86.5 the loss to either state shall be determined on or before September 30 of the year following
86.6 the close of the previous calendar year.

86.7 (d) Interest is payable on all amounts calculated under paragraph (c) relating to
86.8 taxable years beginning after December 31, 2000. Interest accrues from July 1 of the
86.9 taxable year. The commissioner of revenue is authorized to enter into agreements with
86.10 the state of Wisconsin specifying the compensation required under paragraph (b), the
86.11 reciprocity payment due date, conditions constituting delinquency, interest rates, and a
86.12 method for computing interest due. Calculation of compensation under the agreement
86.13 must specify if the revenue loss is determined before or after the allowance of each state's
86.14 credit for taxes paid to the other state.

86.15 (e) If an agreement cannot be reached as to the amount of the loss, the commissioner
86.16 of revenue and the taxing official of the state of Wisconsin shall each appoint a member
86.17 of a board of arbitration and these members shall appoint the third member of the board.
86.18 The board shall select one of its members as chair. Such board may administer oaths, take
86.19 testimony, subpoena witnesses, and require their attendance, require the production of
86.20 books, papers and documents, and hold hearings at such places as are deemed necessary.
86.21 The board shall then make a determination as to the amount to be paid the other state
86.22 which determination shall be final and conclusive.

86.23 (f) The commissioner may furnish copies of returns, reports, or other information to
86.24 the taxing official of the state of Wisconsin, a member of the board of arbitration, or a
86.25 consultant under joint contract with the states of Minnesota and Wisconsin for the purpose
86.26 of making a determination as to the amount to be paid the other state under the provisions
86.27 of this section. Prior to the release of any information under the provisions of this section,
86.28 the person to whom the information is to be released shall sign an agreement which
86.29 provides that the person will protect the confidentiality of the returns and information
86.30 revealed thereby to the extent that it is protected under the laws of the state of Minnesota.

86.31 Sec. 19. Minnesota Statutes 2009 Supplement, section 290.091, subdivision 2, is

90.7 **EFFECTIVE DATE.** This section is effective the day following final enactment.

90.8 Sec. 21. Minnesota Statutes 2008, section 290.17, subdivision 2, is amended to read:

90.9 Subd. 2. **Income not derived from conduct of a trade or business.** The income of
90.10 a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or
90.11 business must be assigned in accordance with paragraphs (a) to (f):

90.12 (a)(1) Subject to paragraphs (a)(2) and (a)(3), income from wages as defined in
90.13 section 3401(a) and (f) of the Internal Revenue Code is assigned to this state if, and to the
90.14 extent that, the work of the employee is performed within it; all other income from such
90.15 sources is treated as income from sources without this state.

90.16 Severance pay shall be considered income from labor or personal or professional
90.17 services.

90.18 (2) In the case of an individual who is a nonresident of Minnesota and who is an
90.19 athlete or entertainer, income from compensation for labor or personal services performed
90.20 within this state shall be determined in the following manner:

90.21 (i) The amount of income to be assigned to Minnesota for an individual who is a
90.22 nonresident salaried athletic team employee shall be determined by using a fraction in
90.23 which the denominator contains the total number of days in which the individual is under
90.24 a duty to perform for the employer, and the numerator is the total number of those days
90.25 spent in Minnesota. For purposes of this paragraph, off-season training activities, unless
90.26 conducted at the team's facilities as part of a team imposed program, are not included in
90.27 the total number of duty days. Bonuses earned as a result of play during the regular season
90.28 or for participation in championship, play-off, or all-star games must be allocated under
90.29 the formula. Signing bonuses are not subject to allocation under the formula if they are
90.30 not conditional on playing any games for the team, are payable separately from any other
90.31 compensation, and are nonrefundable; and

90.32 (ii) The amount of income to be assigned to Minnesota for an individual who is a
90.33 nonresident, and who is an athlete or entertainer not listed in clause (i), for that person's
90.34 athletic or entertainment performance in Minnesota shall be determined by assigning to
90.35 this state all income from performances or athletic contests in this state.

91.1 (3) For purposes of this section, amounts received by a nonresident as "retirement
91.2 income" as defined in section (b)(1) of the State Income Taxation of Pension Income
91.3 Act, Public Law 104-95, are not considered income derived from carrying on a trade
91.4 or business or from wages or other compensation for work an employee performed in
91.5 Minnesota, and are not taxable under this chapter.

91.6 (b) Income or gains from tangible property located in this state that is not employed
91.7 in the business of the recipient of the income or gains must be assigned to this state.

91.8 (c) Income or gains from intangible personal property not employed in the business
91.9 of the recipient of the income or gains must be assigned to this state if the recipient of the
91.10 income or gains is a resident of this state or is a resident trust or estate.

91.11 Gain on the sale of a partnership interest is allocable to this state in the ratio of the
91.12 original cost of partnership tangible property in this state to the original cost of partnership
91.13 tangible property everywhere, determined at the time of the sale. If more than 50 percent
91.14 of the value of the partnership's assets consists of intangibles, gain or loss from the sale
91.15 of the partnership interest is allocated to this state in accordance with the sales factor of
91.16 the partnership for its first full tax period immediately preceding the tax period of the
91.17 partnership during which the partnership interest was sold.

91.18 Gain on the sale of an interest in a single member limited liability company that
91.19 is disregarded for federal income tax purposes is allocable to this state as if the single
91.20 member limited liability company did not exist and the assets of the limited liability
91.21 company are personally owned by the sole member.

91.22 Gain on the sale of goodwill or income from a covenant not to compete that is
91.23 connected with a business operating all or partially in Minnesota is allocated to this state
91.24 to the extent that the income from the business in the year preceding the year of sale was
91.25 assignable to Minnesota under subdivision 3.

91.26 When an employer pays an employee for a covenant not to compete, the income
91.27 allocated to this state is in the ratio of the employee's service in Minnesota in the calendar
91.28 year preceding leaving the employment of the employer over the total services performed
91.29 by the employee for the employer in that year.

91.30 (d) Income from winnings on a bet made by an individual while in Minnesota is
91.31 assigned to this state. In this paragraph, "bet" has the meaning given in section 609.75,
91.32 subdivision 2, as limited by section 609.75, subdivision 3, clauses (1), (2), and (3).

91.33 (e) All items of gross income not covered in paragraphs (a) to (d) and not part of the
91.34 taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.

91.35 (f) For the purposes of this section, working as an employee shall not be considered
91.36 to be conducting a trade or business.

92.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

92.3 Subd. 4. **Dividends received from another corporation.** (a)(1) Eighty percent
92.4 of dividends received by a corporation during the taxable year from another corporation,
92.5 in which the recipient owns 20 percent or more of the stock, by vote and value, not
92.6 including stock described in section 1504(a)(4) of the Internal Revenue Code when the
92.7 corporate stock with respect to which dividends are paid does not constitute the stock in
92.8 trade of the taxpayer or would not be included in the inventory of the taxpayer, or does not
92.9 constitute property held by the taxpayer primarily for sale to customers in the ordinary
92.10 course of the taxpayer's trade or business, or when the trade or business of the taxpayer
92.11 does not consist principally of the holding of the stocks and the collection of the income
92.12 and gains therefrom; and

92.13 (2)(i) the remaining 20 percent of dividends if the dividends received are the stock in
92.14 an affiliated company transferred in an overall plan of reorganization and the dividend
92.15 is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as
92.16 amended through December 31, 1989;

92.17 (ii) the remaining 20 percent of dividends if the dividends are received from a
92.18 corporation which is subject to tax under section 290.36 and which is a member of an
92.19 affiliated group of corporations as defined by the Internal Revenue Code and the dividend
92.20 is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as
92.21 amended through December 31, 1989, or is deducted under an election under section
92.22 243(b) of the Internal Revenue Code; or

92.23 (iii) the remaining 20 percent of the dividends if the dividends are received from a
92.24 property and casualty insurer as defined under section 60A.60, subdivision 8, which is a
92.25 member of an affiliated group of corporations as defined by the Internal Revenue Code
92.26 and either: (A) the dividend is eliminated in consolidation under Treasury Regulation
92.27 1.1502-14(a), as amended through December 31, 1989; or (B) the dividend is deducted
92.28 under an election under section 243(b) of the Internal Revenue Code.

92.29 (b) Seventy percent of dividends received by a corporation during the taxable year
92.30 from another corporation in which the recipient owns less than 20 percent of the stock,
92.31 by vote or value, not including stock described in section 1504(a)(4) of the Internal
92.32 Revenue Code when the corporate stock with respect to which dividends are paid does not
92.33 constitute the stock in trade of the taxpayer, or does not constitute property held by the
92.34 taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or

93.1 business, or when the trade or business of the taxpayer does not consist principally of the
93.2 holding of the stocks and the collection of income and gain therefrom.

93.3 (c) The dividend deduction provided in this subdivision shall be allowed only with

96.10 filed the executor may make a qualified terminable interest property election, as defined
96.11 in section 2056(b)(7) of the Internal Revenue Code, for purposes of computing the tax
96.12 under this chapter. The election may not reduce the taxable estate under this chapter
96.13 below \$3,500,000. The election must be made on the tax return under this chapter and is
96.14 irrevocable. All tax under this chapter must be determined using the qualified terminable

96.16 sections 2044 and 2207A of the Internal Revenue Code when computing the tax under
96.17 this chapter for the estate of the decedent's surviving spouse, regardless of the date of
96.18 death of the surviving spouse, amounts for which a qualified terminable interest property
96.19 election has been made under this section must be treated as though a valid federal
96.20 qualified terminable interest property election under section 2056(b)(7) of the Internal
96.21 Revenue Code has been made.

96.22 **EFFECTIVE DATE.** This section is effective for estates of decedents dying after

96.26 **CLAUSES BY REFERENCE TO FEDERAL TRANSFER TAX LAW.**

96.27 (a) A governing instrument, including a will or trust agreement, of a decedent who
96.28 dies after December 31, 2009, and before January 1, 2011, that contains a formula or
96.29 provision referring to the "unified credit," "estate tax exemption," "applicable exemption
96.30 amount," "applicable credit amount," "applicable exclusion amount," "generation-skipping
96.31 transfer tax exemption," "GST exemption," "marital deduction," "maximum marital
96.32 deduction," "unlimited marital deduction," "inclusion ratio," "applicable fraction," or
96.33 any section of the Internal Revenue Code relating to the federal estate tax or federal

97.1 generation-skipping transfer tax, or that measures a share of an estate or trust by reference
97.2 to federal estate taxes or federal generation-skipping transfer taxes, is deemed to refer to
97.3 the federal estate tax and the federal generation-skipping transfer tax laws as they applied
97.4 with respect to the estates of decedents dying on December 31, 2009. This paragraph does
97.5 not apply to a governing instrument, including a will or trust agreement, that manifests
97.6 an intent that a contrary rule applies if the decedent dies on a date on which there is no
97.7 then-applicable federal estate or federal generation-skipping transfer tax.

97.8 (b) If the federal estate or federal generation-skipping transfer tax becomes effective
97.9 before January 1, 2011, then the reference to January 1, 2011, in paragraph (a) instead

97.13 whether the decedent intended that a formula or provision described in paragraph (a) be
97.14 construed with respect to the law as it existed after December 31, 2009. Such a proceeding
97.15 must be commenced by December 31, 2011.

97.16 **EFFECTIVE DATE.** This section is effective on January 1, 2010.

97.17 Sec. 27. Laws 2010, chapter 216, section 2, subdivision 3, is amended to read:

97.18 Subd. 3. **Certification of qualified investors.** (a) Investors may apply to the
97.19 commissioner for certification as a qualified investor for a taxable year. The application
97.20 must be in the form and be made under the procedures specified by the commissioner,
97.21 accompanied by an application fee of \$350. Application fees are deposited in the small

97.27 the commissioner must either certify the investor as satisfying the conditions required
97.28 of a qualified investor, request additional information from the investor, or reject the
97.29 application for certification. If the commissioner requests additional information from the
97.30 investor, the commissioner must either certify the investor or reject the application within
97.31 30 days of receiving the additional information. If the commissioner neither certifies the
97.32 investor nor rejects the application within 30 days of receiving the original application or
97.33 within 30 days of receiving the additional information requested, whichever is later, then
97.34 the application is deemed rejected, and the commissioner must refund the \$350 application
97.35 fee. An investor who applies for certification and is rejected may reapply.

98.1 (c) To receive certification, an investor must (1) be a natural person; and (2) certify
98.2 to the commissioner that the investor will only invest in a transaction that is exempt under
98.3 section 80A.46, clause (13) or (14), or in a security registered under section 80A.50,
98.4 paragraph (b).

98.5 (d) In order for a qualified investment in a qualified small business to be eligible
98.6 for tax credits, a qualified investor who makes the investment must have applied for
98.7 and received certification for the calendar year prior to making the qualified investment,
98.8 except in the case of an investor who is not an accredited investor, within the meaning of
98.9 Regulation D of the Securities and Exchange Commission, Code of Federal Regulations,
98.10 title 17, section 230.501, paragraph (a), application for certification may be made within
98.11 30 days after making the qualified investment.

98.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

98.14 **Subdivision 1. Study parameters.** (a) The Department of Revenue, in conjunction
98.15 with the Wisconsin Department of Revenue, must conduct a study of individuals
98.16 who are residents of Minnesota and earn income for the performance of personal or
98.17 professional services in Wisconsin, or who are residents of Wisconsin and earn income
98.18 for the performance of personal or professional services in Minnesota. The purpose of
98.19 the study is to develop an estimate of net compensation payable from one state to the
98.20 other for the income tax revenue foregone as a result of the two states entering into a
98.21 new income tax reciprocity agreement, which would take effect in tax year 2012, with
98.22 compensation payments from one state to the other made in the same fiscal year in which
98.23 the net revenue loss resulting from reciprocity occurs. The study must be conducted as
98.24 soon as practicable, using information obtained from each state's income tax returns for
98.25 tax year 2010, and from any other source of information the departments determine is
98.26 necessary to complete the study.

98.27 (b) The study must include at least the following:

98.28 (1) the number of residents of each state who earn income from the performance of
98.29 personal or professional services in the other state;

98.30 (2) the total amount of income earned by residents of each state who earn income
98.31 from the performance of personal or professional services in the other state;

98.32 (3) the amount of tax revenue that would be gained or foregone by each state if an
98.33 income tax reciprocity agreement were resumed between the two states under which the
98.34 taxpayers were required to pay income taxes on the income only in their state of residence
98.35 beginning in tax year 2012;

99.1 (4) a calculation of compensation payable from one state to the other that takes into
99.2 account the credit each state allows for taxes paid to other states; and

99.3 (5) a methodology for using the base year results determined by the study to project
99.4 the amount of compensation payments in future years.

99.5 Subd. 2. **Reports.** (a) No later than July 15, 2011, the commissioner of revenue
99.6 must report to the governor and to the chairs and ranking minority members of the
99.7 legislative committees having jurisdiction over taxes, in compliance with Minnesota
99.8 Statutes, sections 3.195 and 3.197. The report must include:

99.9 (1) the status of negotiations between the states concerning a reciprocity agreement
99.10 to commence for tax year 2012;

99.11 (2) a description of data elements being captured for the study from 2010 income
99.12 tax returns;

99.13 (3) preliminary totals for the number of residents of each state who earn income
99.14 from the performance of personal or professional services in the other state and the
99.15 amount of that income; and

99.16 (4) any other preliminary conclusions responsive to the requirements in subdivision
99.17 1.

99.18 (b) No later than September 15, 2011, the commissioner of revenue must report to
99.19 the governor and to the chairs and ranking minority members of the legislative committees
99.20 having jurisdiction over taxes in compliance with Minnesota Statutes, sections 3.195 and
99.21 3.197. The report must include an update of information provided in paragraph (a).

99.22 (c) No later than March 1, 2012, the commissioner of revenue must submit a final
99.23 report to the governor and to the chairs and ranking minority members of the legislative
99.24 committees having jurisdiction over taxes, in compliance with Minnesota Statutes,
99.25 sections 3.195 and 3.197, on the final results of the study and the status of a reciprocity
99.26 agreement between the two states.

99.27 **Sec. 29. REPEALER.**

99.28 (a) Minnesota Statutes 2008, sections 10A.322, subdivision 4; and 13.4967,

100.4 read:

100.5 Subd. 2. **Refund of sales tax to vendors; limitation.** (a) If a vendor has collected
100.6 from a purchaser and remitted to the state a tax on a transaction that is not subject to the
100.7 tax imposed by chapter 297A, the tax is refundable to the vendor only if and to the extent
100.8 that the tax and any interest earned on the tax is credited to amounts due to the vendor by
100.9 the purchaser or returned to the purchaser by the vendor.

100.10 (b) In addition to the requirements of subdivision 1, a claim for refund under this
100.11 subdivision must state in writing that the tax and interest earned on the tax has been or
100.12 will be refunded or credited to the purchaser by the vendor.

100.13 (c) Within 60 days after the date the commissioner issues the refund, any amount not
100.14 refunded or credited to the purchaser by the vendor, as required by paragraph (a), must be
100.15 returned to the commissioner by the vendor.

100.16 (d) After the commissioner refunds the tax and interest to the vendor, if the
100.17 commissioner determines that the vendor did not refund or credit the tax and interest as
100.18 provided in this subdivision, or did not return the amount required to be returned under
100.19 paragraph (c), the commissioner may assess the vendor for underpayment of tax and
100.20 interest equal to that portion of the amount that was not refunded or credited to the

100.22 270C.40, subdivision 5, on the unpaid amount from the date the commissioner issues the

100.24 at any time within 3-1/2 years after the commissioner refunds the tax and interest to the
100.25 vendor. If part of the refund was induced by fraud or misrepresentation of a material fact,
100.26 the assessment may be made at any time.

100.27 **EFFECTIVE DATE.** This section is effective for refunds issued after June 30, 2010.

106.35 effective rate extends beyond 30 days after the enactment of the new rate. The relief

107.1 provided by this paragraph shall not apply if the commissioner determines that the seller or

107.21 between the enactment of a new tax rate and the effective date of the new rate, a purchaser
107.22 shall be relieved from liability resulting from failing to pay the tax at the new rate during
107.23 the first 30 days of the rate change, beginning on the day after the date of enactment of
107.24 the rate change, whether or not the purchaser has been given direct pay authorization by
107.25 the commissioner. Relief from liability provided by this paragraph shall not apply if the
107.26 failure to pay at the newly effective rate extends beyond 30 days after the enactment of
107.27 the new rate, and shall not apply to a purchaser that did not continue to pay the tax at the

118.2 ~~average retail price and~~ must be expressed in cents per pack ~~when~~ rounded to the nearest
118.3 one-tenth of a cent. The weighted average retail price must be determined annually,
118.4 with new rates published by ~~May~~ November 1, and effective for sales on or after ~~August~~
118.5 January 1 of the following year. The weighted average retail price must be established

118.12 the previous year's survey, then the commissioner shall not make an inflation adjustment.
118.13 The determination of the commissioner pursuant to this subdivision is not a "rule" and is

118.18 tax calculation of the weighted average retail price for the sales of cigarettes from August
118.19 1, 2011, through December 31, 2011, shall be calculated by: (1) increasing the average
118.20 retail price per pack of 20 cigarettes from the most recent survey by the percentage change
118.21 in a weighted average of the presumed legal prices for cigarettes during the year after
118.22 completion of that survey, as reported and published by the Department of Commerce
118.23 under section 325D.371; (2) subtracting the sales tax included in the retail price; and (3)
118.24 adjusting for expected inflation. The rate must be published by May 1 and is effective for
118.25 sales after July 31. If the weighted average of the presumed legal prices indicates that the
118.26 average retail price of cigarettes has not increased relative to the average retail price in the
118.27 most recent survey, then no inflation adjustment must be made. For packs of cigarettes
118.28 with other than 20 cigarettes, the tax must be adjusted proportionally.

 140.29 the notice and an address where comments will be received by mail.

140.30 (d) The notice must state for each parcel:

140.31 (1) the market value of the property as determined under section 273.11, and used
 140.32 for computing property taxes payable in the following year and for taxes payable in the

141.9 If the county levy under clause (2) includes an amount for a lake improvement
141.10 district as defined under sections 103B.501 to 103B.581, the amount attributable for that
141.11 purpose must be separately stated from the remaining county levy amount.

141.14 school district has certified under section 126C.17, subdivision 9, that a referendum will
141.15 be held in the school district at the November general election, the county auditor must
141.16 note next to the school district's proposed amount that a referendum is pending and that, if
141.17 approved by the voters, the tax amount may be higher than shown on the notice. In the
141.18 case of the city of Minneapolis, the levy for Minneapolis Park and Recreation shall be
141.19 listed separately from the remaining amount of the city's levy. In the case of the city of

142.10 the county treasurer to deliver the notice as required in this section does not invalidate the
142.11 proposed or final tax levy or the taxes payable pursuant to the tax levy.

142.12 (g) If the notice the taxpayer receives under this section lists the property as
142.13 nonhomestead, and satisfactory documentation is provided to the county assessor by the
142.14 applicable deadline, and the property qualifies for the homestead classification in that
142.15 assessment year, the assessor shall reclassify the property to homestead for taxes payable
142.16 in the following year.

142.17 (h) In the case of class 4 residential property used as a residence for lease or rental
142.18 periods of 30 days or more, the taxpayer must either:

142.19 (1) mail or deliver a copy of the notice of proposed property taxes to each tenant,
142.20 renter, or lessee; or

142.21 (2) post a copy of the notice in a conspicuous place on the premises of the property.

142.22 The notice must be mailed or posted by the taxpayer by November 27 or within
142.23 three days of receipt of the notice, whichever is later. A taxpayer may notify the county
142.24 treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to
142.25 which the notice must be mailed in order to fulfill the requirements of this paragraph.

143.12 (4) other financial factors that affect the level of property taxation and local services
143.13 that the governing body of the county, city, or school district may deem appropriate to
143.14 include.

143.15 The information may be presented using tables, written narrative, and graphic
143.16 representations and may contain instruction toward further sources of information or

144.35 Department of Corrections, or to pay the operating or maintenance costs of a regional jail
144.36 as authorized in section 641.262. For purposes of this clause, a district court order is

145.1 not a rule, minimum requirement, minimum standard, or directive of the Department of
145.2 Corrections. If the county utilizes this special levy, except to pay operating or maintenance
145.3 costs of a new regional jail facility under sections 641.262 to 641.264 which will not
145.4 replace an existing jail facility, any amount levied by the county in the previous levy year
145.5 for the purposes specified under this clause and included in the county's previous year's

145.16 commissioner of revenue for making this determination;

145.17 (13) to repay a state or federal loan used to fund the direct or indirect required

145.21 (14) to pay for court administration costs as required under section 273.1398,
145.22 subdivision 4b, less the (i) county's share of transferred fines and fees collected by the

145.24 paid to the county in 2004 under section 273.1398, subdivision 4c; however, for taxes
145.25 levied to pay for these costs in the year in which the court financing is transferred to the

145.27 receive under section 273.1398, subdivision 4a;

145.28 (15) to fund a police or firefighters relief association as required under section 69.77

145.33 \$4,800 or the sum of \$1 per capita based on the county's or city's population as of the most
145.34 recent federal census, whichever is greater. If the city or county uses this special levy, any
145.35 amount levied by the city or county in the previous levy year for the purposes specified
145.36 in this clause and included in the city's or county's previous year's levy limit computed

146.1 under section 275.71, must be deducted from the levy limit base under section 275.71,

146.5 September 30, 2007;

146.7 maintaining, or demolishing foreclosed or abandoned residential properties, as allowed by
146.8 the commissioner of revenue under section 275.74, subdivision 2. A city must have either
146.9 (i) a foreclosure rate of at least 1.4 percent in 2007, or (ii) a foreclosure rate in 2007 in
146.10 the city or in a zip code area of the city that is at least 50 percent higher than the average
146.11 foreclosure rate in the metropolitan area, as defined in section 473.121, subdivision 2,
146.12 to use this special levy. For purposes of this paragraph, "foreclosure rate" means the

146.17 to the Federal Highway Administration;

146.18 (21) to pay costs attributable to wages and benefits for sheriff, police, and fire
146.19 personnel. If a local governmental unit did not use this special levy in the previous year its
146.20 levy limit base under section 275.71 shall be reduced by the amount equal to the amount it
146.21 levied for the purposes specified in this clause in the previous year;

146.22 (22) an amount equal to any reductions in the certified aids or ~~credits~~ credit
146.23 reimbursements payable under sections 477A.011 to 477A.014, and section 273.1384, due
146.24 to unallotment under section 16A.152 or reductions under another provision of law. The
146.25 amount of the levy allowed under this clause for each year is equal ~~is equal~~ limited to the amount
146.26 unallotted or reduced ~~in~~ from the aids and credit reimbursements certified for payment in
146.27 the year following the calendar year in which the tax levy is levied ~~is levied~~ certified unless the
146.28 unallotment or reduction amount is not known by September 1 of the levy certification
146.29 year, and the local government has not adjusted its levy under section 275.065, subdivision
146.30 6, or 275.07, subdivision 6, in which case ~~the~~ that unallotment or reduction amount may
146.31 be levied in the following year;

146.32 (23) to pay for the difference between one-half of the costs of confining sex offenders
146.33 undergoing the civil commitment process and any state payments for this purpose pursuant
146.34 to section 253B.185, subdivision 5;

146.35 (24) for a county to pay the costs of the first year of maintaining and operating a new
146.36 facility or new expansion, either of which contains courts, corrections, dispatch, criminal

147.1 investigation labs, or other public safety facilities and for which all or a portion of the
 147.2 funding for the site acquisition, building design, site preparation, construction, and related
 147.3 equipment was issued or authorized prior to the imposition of levy limits in 2008. The
 147.4 levy limit base shall then be increased by an amount equal to the new facility's first full
 147.5 year's operating costs as described in this clause; and

147.6 (25) for the estimated amount of reduction to market value credit reimbursements
 147.7 under section 273.1384 for credits payable in the year in which the levy is payable.

147.8 **EFFECTIVE DATE.** This section is effective retroactively for taxes payable in
 147.9 2010 and thereafter.

147.11 Subd. 5. **Property tax levy limit.** (a) For taxes levied in 2008 through 2010, the
 147.12 property tax levy limit for a local governmental unit is equal to its adjusted levy limit
 147.13 base determined under subdivision 4 plus any additional levy authorized under section
 147.14 275.73, which is levied against net tax capacity, reduced by the sum of (i) the total amount
 147.15 of aids and reimbursements that the local governmental unit is certified to receive under
 147.16 sections 477A.011 to 477A.014, (ii) taconite aids under sections 298.28 and 298.282

 147.19 section 272.029, adjusted for any error in estimation in the preceding year, and (iv) aids
 147.20 under section 477A.16.

147.21 (b) If an aid, payment, or other amount used in paragraph (a) to reduce a local
 147.22 government unit's levy limit is reduced by an unallotment under section 16A.152, the
 147.23 amount of the aid, payment, or other amount prior to the unallotment is used in the
 147.24 computations in paragraph (a). In order for a local government unit to levy outside of its
 147.25 limit to offset the reduction in revenues attributable to an unallotment, it must do so under,
 147.26 and to the extent authorized by, a special levy authorization.

147.27 **EFFECTIVE DATE.** This section is effective retroactively for taxes payable in
 147.28 2010 and thereafter.

 148.10 ~~agricultural~~ or qualifying class 2b property receives a consolidated property tax statement
 148.11 that shows only an aggregate of the taxes and special assessments due on that property
 148.12 and on other property not classified as class 1b agricultural homestead, property or class
 148.13 ~~2a, or class 2b(3) agricultural~~ or qualifying class 2b property, the aggregate tax and special
 148.14 assessments shown due on the property by the consolidated statement will be due on
 148.15 November 15.

148.16 (b) Notwithstanding paragraph (a), for taxes payable in 2010 and 2011, for any class
 148.17 2b property that was subject to a second-half due date of November 15 for taxes payable
 148.18 in 2009, the county shall not impose, or if imposed, shall abate penalty amounts in excess
 148.19 of those that would apply as if the second-half due date were November 15.

148.20 **EFFECTIVE DATE.** The changes in paragraph (a) are effective for taxes payable
 148.21 in 2012 and thereafter. Paragraph (b) is effective for taxes payable in 2010 and 2011 only.

148.22 Sec. 15. Minnesota Statutes 2008, section 279.37, subdivision 1, is amended to read:

148.23 Subdivision 1. **Composition into one item.** Delinquent taxes upon any parcel of real
 148.24 estate may be composed into one item or amount by confession of judgment at any time
 148.25 prior to the forfeiture of the parcel of land to the state for taxes, for the aggregate amount
 148.26 of all the taxes, costs, penalties, and interest accrued against the parcel, as provided in this
 148.27 section. Taxes upon property which, for the previous year's assessment, was classified
 148.28 as mineral property, employment property, or commercial or industrial property are only
 148.29 eligible to be composed into any confession of judgment under this section as provided in
 148.30 subdivision 1a. Delinquent taxes for property that has been reclassified from 4bb to 4b
 148.31 under section 273.1319 may not be composed into a confession of judgment under this
 148.32 subdivision. Delinquent taxes on unimproved land are eligible to be composed into a
 148.33 confession of judgment only if the land is classified under section 273.13 as homestead,
 148.34 agricultural, ~~or timberland~~ rural vacant land, or managed forest land, in the previous year
 148.35 or is eligible for installment payment under subdivision 1a. The entire parcel is eligible

149.1 for the ten-year installment plan as provided in subdivision 2 if 25 percent or more of the
149.2 market value of the parcel is eligible for confession of judgment under this subdivision.

149.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

149.4 Sec. 16. Minnesota Statutes 2009 Supplement, section 475.755, is amended to read:

149.5 **475.755 EMERGENCY DEBT CERTIFICATES.**

149.6 (a) If at any time during a fiscal year the receipts of a local government are
149.7 reasonably expected to be reduced below the amount provided in the local government's
149.8 budget when the final property tax levy to be collected during the fiscal year was certified
149.9 and the receipts are insufficient to meet the expenses incurred or to be incurred during the
149.10 fiscal year, the governing body of the local government may authorize and sell certificates
149.11 of indebtedness to mature within two years or less from the end of the fiscal year in which
149.12 the certificates are issued. The maximum principal amount of the certificates that it may
149.13 issue in a fiscal year is limited to the expected reduction in receipts plus the cost of
149.14 issuance. The certificates may be issued in the manner and on the terms the governing
149.15 body determines by resolution.

149.16 (b) The governing body of the local government shall levy taxes for the payment of
149.17 principal and interest on the certificates in accordance with section 475.61.

149.18 (c) The certificates are not to be included in the net debt of the issuing local
149.19 government.

149.20 (d) To the extent that a local government issues certificates under this section to fund
149.21 an unallotment or other reduction in its state aid, the local government ~~may~~ must not use ~~a~~
149.22 the special levy authority for the aid reduction reductions under section 275.70, subdivision
149.23 5, clause (22), or a similar or successor provision. ~~This provision does not affect the status~~
149.24 of the, but must instead use the special levy authority for the repayment of indebtedness
149.25 under section 275.70, subdivision 5, clause (2), in order to levy under section 475.61 to
149.26 pay fund repayment of the certificates as with a levy that is not subject to levy limits.

149.27 (e) For purposes of this section, the following terms have the meanings given:

149.28 (1) "Local government" means a statutory or home rule charter city, a town, or
149.29 a county.

149.30 (2) "Receipts" includes the following amounts scheduled to be received by the
149.31 local government for the fiscal year from:

149.32 (i) taxes;

149.33 (ii) aid payments previously certified by the state to be paid to the local government;

149.34 (iii) state reimbursement payments for property tax credits; and

150.1 (iv) any other source.

150.2 **EFFECTIVE DATE.** This section is effective retroactively for taxes payable in
150.3 2010 and thereafter.

150.4 Sec. 17. Minnesota Statutes 2009 Supplement, section 477A.013, subdivision 8,
150.5 is amended to read:

150.6 Subd. 8. **City formula aid.** ~~(a) In calendar year 2009, the formula aid for a city~~
150.7 ~~is equal to the sum of (1) its city jobs base, (2) its small city aid base, and (3) the need~~
150.8 ~~increase percentage multiplied by its unmet need.~~

150.9 ~~(b) In calendar year 2010 and subsequent years,~~ The formula aid for a city is equal
150.10 to the sum of (1) its city jobs base, (2) its small city aid base, and (3) the need increase
150.11 percentage multiplied by the average of its unmet need for the most recently available
150.12 two years.

150.13 No city may have a formula aid amount less than zero. The need increase percentage
150.14 must be the same for all cities.

150.15 The applicable need increase percentage must be calculated by the Department of
150.16 Revenue so that the total of the aid under subdivision 9 equals the total amount available
150.17 for aid under section 477A.03. ~~For aids payable in 2009 only, all data used in calculating~~
150.18 ~~aid to cities under sections 477A.011 to 477A.013 will be based on the data available for~~
150.19 ~~calculating aid to cities for aids payable in 2008. For aids payable in 2010 and thereafter,~~
150.20 Data used in calculating aids to cities under sections 477A.011 to 477A.013 shall be the
150.21 most recently available data as of January 1 in the year in which the aid is calculated except
150.22 ~~as provided in section 477A.011, subdivisions 3 and 35~~ that the data used to compute "net
150.23 levy" in subdivision 9 is the data most recently available at the time of the aid computation.

150.24 **EFFECTIVE DATE.** This section is effective for aid payable in 2010 and thereafter.

150.25 Sec. 18. Laws 2001, First Special Session chapter 5, article 3, section 50, the effective
150.26 date, as amended by Laws 2009, chapter 86, article 1, section 87, is amended to read:

150.27 **EFFECTIVE DATE.** Clause (22) of this section is effective for taxes levied in 2002,
150.28 payable in 2003, ~~through taxes levied in 2011, payable in 2012 and thereafter.~~ Clause (23)
150.29 of this section is effective for taxes levied in 2001, payable in 2002, and thereafter.

150.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

151.1 **ARTICLE 10**

151.2 **CONDITIONAL USE DEEDS**

151.3 Section 1. Minnesota Statutes 2008, section 282.01, subdivision 1, is amended to read:

151.4 Subdivision 1. **Classification as conservation or nonconservation.** ~~It is the~~
 151.5 ~~general policy of this state to encourage the best use of tax-forfeited lands, recognizing~~
 151.6 (a) When acting on behalf of the state under laws allowing the county board to classify
 151.7 and manage tax-forfeited lands held by the state in trust for the local units as provided in
 151.8 section 281.25, the county board has the discretion to decide that some lands in public
 151.9 ownership should be retained and managed for public benefits while other lands should be
 151.10 returned to private ownership. Parcels of land becoming the property of the state in trust
 151.11 under law declaring the forfeiture of lands to the state for taxes must be classified by the
 151.12 county board of the county in which the parcels lie as conservation or nonconservation. In
 151.13 making the classification the board shall consider the present use of adjacent lands, the
 151.14 productivity of the soil, the character of forest or other growth, accessibility of lands
 151.15 to established roads, schools, and other public services, their peculiar suitability or
 151.16 desirability for particular uses, and the suitability of the forest resources on the land for
 151.17 multiple use, and sustained yield management. The classification, furthermore, must: (1)
 151.18 encourage and foster a mode of land utilization that will facilitate the economical and
 151.19 adequate provision of transportation, roads, water supply, drainage, sanitation, education,
 151.20 and recreation; (2) facilitate reduction of governmental expenditures; (3) conserve and
 151.21 develop the natural resources; and (4) foster and develop agriculture and other industries
 151.22 in the districts and places best suited to them.

151.23 ~~In making the classification the county board may use information made available~~
 151.24 ~~by any office or department of the federal, state, or local governments, or by any other~~
 151.25 ~~person or agency possessing pertinent information at the time the classification is made.~~
 151.26 ~~The lands may be reclassified from time to time as the county board considers necessary~~
 151.27 ~~or desirable, except for conservation lands held by the state free from any trust in favor of~~
 151.28 ~~any taxing district.~~

151.29 ~~If the lands are located within the boundaries of an organized town, with taxable~~
 151.30 ~~valuation in excess of \$20,000, or incorporated municipality, the classification or~~
 151.31 ~~reclassification and sale must first be approved by the town board of the town or the~~
 151.32 ~~governing body of the municipality in which the lands are located. The town board of~~
 151.33 ~~the town or the governing body of the municipality is considered to have approved~~
 151.34 ~~the classification or reclassification and sale if the county board is not notified of the~~
 151.35 ~~disapproval of the classification or reclassification and sale within 60 days of the date the~~

152.1 ~~request for approval was transmitted to the town board of the town or governing body~~
152.2 ~~of the municipality. If the town board or governing body desires to acquire any parcel~~
152.3 ~~lying in the town or municipality by procedures authorized in this section, it must file a~~
152.4 ~~written application with the county board to withhold the parcel from public sale. The~~
152.5 ~~application must be filed within 60 days of the request for classification or reclassification~~
152.6 ~~and sale. The county board shall then withhold the parcel from public sale for six months.~~
152.7 ~~A municipality or governmental subdivision shall pay maintenance costs incurred by~~
152.8 ~~the county during the six-month period while the property is withheld from public sale,~~
152.9 ~~provided the property is not offered for public sale after the six-month period. A clerical~~
152.10 ~~error made by county officials does not serve to eliminate the request of the town board~~
152.11 ~~or governing body if the board or governing body has forwarded the application to the~~
152.12 ~~county auditor. If the town board or governing body of the municipality fails to submit an~~
152.13 ~~application and a resolution of the board or governing body to acquire the property within~~
152.14 ~~the withholding period, the county may offer the property for sale upon the expiration of~~
152.15 ~~the withholding period.~~

152.16 (b) Whenever the county board deems it appropriate, the board may hold a meeting
152.17 for the purpose of reclassifying tax-forfeited land that has not been sold or released from
152.18 the trust. The criteria and procedures for reclassification are the same as those required for
152.19 an initial classification.

152.20 (c) Prior to meeting for the purpose of classifying or reclassifying tax-forfeited lands,
152.21 the county board must give notice of its intent to meet for that purpose as provided in this
152.22 paragraph. The notice must be given no more than 90 days and no less than 60 days before
152.23 the date of the meeting; provided that if the meeting is rescheduled, notice of the new
152.24 date, time, and location must be given at least 14 days before the date of the rescheduled
152.25 meeting. The notice must be posted on a Web site. The notice must also be mailed or
152.26 otherwise delivered to each person who has filed a request for notice of special meetings
152.27 with the public body, regardless of whether the matter is considered at a regular or special
152.28 meeting. The notice must be mailed or delivered at least 60 days before the date of the
152.29 meeting. If the meeting is rescheduled, notice of the new date, time, and location must be
152.30 mailed or delivered at least 14 days before the date of the rescheduled meeting. The public
152.31 body shall publish the notice once, at least 30 days before the meeting, in a newspaper of
152.32 general circulation within the area of the public body's authority. The board must also mail
152.33 a notice by electronic means to each person who requests notice of meetings dealing with
152.34 this subject and who agrees as provided in chapter 325L to accept notice that is mailed
152.35 by electronic means. Receipt of actual notice under the conditions specified in section
152.36 13D.04, subdivision 7, satisfies the notice requirements of this paragraph.

153.1 The board may classify or reclassify tax-forfeited lands at any regular or special
153.2 meeting, as those terms are defined in chapter 13D and may conduct only this business, or
153.3 this business as well as other business or activities at the meeting.

153.4 (d) At the meeting, the county board must allow any person or agency possessing
153.5 pertinent information to make or submit comments and recommendations about the
153.6 pending classification or reclassification. In addition, representatives of governmental
153.7 entities in attendance must be allowed to describe plans, ideas, or projects that may
153.8 involve use or acquisition of the property by that or another governmental entity. The
153.9 county board must solicit and consider any relevant components of current municipal or
153.10 metropolitan comprehensive land use plans that incorporate the area in which the land
153.11 is located. After allowing testimony, the board may classify, reclassify, or delay taking
153.12 action on any parcel or parcels. In order for a state agency or a governmental subdivision
153.13 of the state to preserve its right to request a purchase or other acquisition of a forfeited
153.14 parcel, it may, at any time following forfeiture, file a written request to withhold the parcel
153.15 from sale or lease to others under the provisions of subdivision 1a.

153.16 (e) When classifying, reclassifying, appraising, and selling lands under this chapter,
153.17 the county board may designate the tracts as assessed and acquired, or may by resolution
153.18 provide for the subdivision of the tracts into smaller units or for the grouping of several
153.19 tracts into one tract when the subdivision or grouping is deemed advantageous for
153.20 conservation or sale purposes. This paragraph does not authorize the county board to
153.21 subdivide a parcel or tract of tax-forfeited land that, as assessed and acquired, is withheld
153.22 from sale under section 282.018, subdivision 1.

153.23 (f) A county board may by resolution elect to use the classification and
153.24 reclassification procedures provided in paragraphs (g), (h), and (i), instead of the
153.25 procedures provided in paragraphs (b), (c), and (d). Once an election is made under this
153.26 paragraph, it is effective for a minimum of five years.

153.27 (g) The classification or reclassification of tax-forfeited land that has not been sold or
153.28 released from the trust may be made by the county board using information made available
153.29 to it by any office or department of the federal, state, or local governments, or by any other
153.30 person or agency possessing pertinent information at the time the classification is made.

153.31 (h) If the lands are located within the boundaries of an organized town or
153.32 incorporated municipality, a classification or reclassification and sale must first be
153.33 approved by the town board of the town or the governing body of the municipality in
153.34 which the lands are located. The town board of the town or the governing body of the
153.35 municipality is considered to have approved the classification or reclassification and sale
153.36 if the county board is not notified of the disapproval of the classification or reclassification

154.1 and sale within 60 days of the date the request for approval was transmitted to the town
 154.2 board of the town or governing body of the municipality. If the town board or governing
 154.3 body disapproves of the classification or reclassification and sale, the county board must
 154.4 follow the procedures in paragraphs (c) and (d), with regard to the parcel, and must
 154.5 additionally cause to be published in a newspaper a notice of the date, time, location, and
 154.6 purpose of the required meeting.

154.7 (i) If a town board or a governing body of a municipality or a park and recreation
 154.8 board in a city of the first class desires to acquire any parcel lying in the town or
 154.9 municipality by procedures authorized in this section, it may file a written request under
 154.10 subdivision 1a, paragraph (a).

154.11 **EFFECTIVE DATE.** This section is effective July 1, 2010.

154.12 Sec. 2. Minnesota Statutes 2008, section 282.01, subdivision 1a, is amended to read:

154.13 Subd. 1a. **Conveyance; generally to public entities.** (a) Upon written request
 154.14 from a state agency or a governmental subdivision of the state, a parcel of unsold
 154.15 tax-forfeited land must be withheld from sale or lease to others for a maximum of six
 154.16 months. The request must be submitted to the county auditor. Upon receipt, the county
 154.17 auditor must withhold the parcel from sale or lease to any other party for six months, and
 154.18 must confirm the starting date of the six-month withholding period to the requesting
 154.19 agency or subdivision. If the request is from a governmental subdivision of the state, the
 154.20 governmental subdivision must pay the maintenance costs incurred by the county during
 154.21 the period the parcel is withheld. The county board may approve a sale or conveyance to
 154.22 the requesting party during the withholding period. A conveyance of the property to the
 154.23 requesting party terminates the withholding period.

154.24 A governmental subdivision of the state must not make, and a county auditor must
 154.25 not act upon, a second request to withhold a parcel from sale or lease within 18 months
 154.26 of a previous request for that parcel. A county may reject a request made under this
 154.27 paragraph if the request is made more than 30 days after the county has given notice to the
 154.28 requesting state agency or governmental subdivision of the state that the county intends to
 154.29 sell or otherwise dispose of the property.

154.30 (b) Nonconservation tax-forfeited lands may be sold by the county board, for
 154.31 their market value as determined by the county board, to an organized or incorporated
 154.32 governmental subdivision of the state for any public purpose for which the subdivision is
 154.33 authorized to acquire property or. When the term "market value" is used in this section, it
 154.34 means an estimate of the full and actual market value of the parcel as determined by the
 154.35 county board, but in making this determination, the board and the persons employed by or

155.1 under contract with the board in order to perform, conduct, or assist in the determination,
155.2 are exempt from the licensure requirements of chapter 82B.

155.3 (c) Nonconservation tax-forfeited lands may be released from the trust in favor of the
155.4 taxing districts on application ~~of~~ to the county board by a state agency for an authorized
155.5 use at not less than their market value as determined by the county board.

155.6 (d) Nonconservation tax-forfeited lands may be sold by the county board to an
155.7 organized or incorporated governmental subdivision of the state or state agency for less
155.8 than their market value if:

155.9 (1) the county board determines that a sale at a reduced price is in the public interest
155.10 because a reduced price is necessary to provide an incentive to correct the blighted
155.11 conditions that make the lands undesirable in the open market, or the reduced price will
155.12 lead to the development of affordable housing; and

155.13 (2) the governmental subdivision or state agency has documented its specific plans
155.14 for correcting the blighted conditions or developing affordable housing, and the specific
155.15 law or laws that empower it to acquire real property in furtherance of the plans.

155.16 If the sale under this paragraph is to a governmental subdivision of the state, the
155.17 commissioner of revenue must convey the property on behalf of the state by quit claim
155.18 deed. If the sale under this paragraph is to a state agency, the commissioner must issue a
155.19 conveyance document that releases the property from the trust in favor of the taxing
155.20 districts.

155.21 (e) Nonconservation tax-forfeited land held in trust in favor of the taxing districts
155.22 may be conveyed by the commissioner of revenue ~~may convey by deed~~ in the name
155.23 of the state ~~a tract of tax-forfeited land held in trust in favor of the taxing districts~~ to a
155.24 governmental subdivision for an authorized public use, if an application is submitted to
155.25 the commissioner which includes a statement of facts as to the use to be made of the tract
155.26 ~~and the need therefor~~ and the favorable recommendation of the county board. For the
155.27 purposes of this paragraph, "authorized public use" means a use that allows an indefinite
155.28 segment of the public to physically use and enjoy the property in numbers appropriate
155.29 to its size and use, or is for a public service facility. Authorized public uses as defined
155.30 in this paragraph are limited to:

155.31 (1) a road, or right-of-way for a road;

155.32 (2) a park that is both available to, and accessible by, the public that contains
155.33 amenities such as campgrounds, playgrounds, athletic fields, trails, or shelters;

155.34 (3) trails for walking, bicycling, snowmobiling, or other recreational purposes, along
155.35 with a reasonable amount of surrounding land maintained in its natural state;

156.1 (4) transit facilities for buses, light rail transit, commuter rail or passenger rail,
156.2 including transit ways, park-and-ride lots, transit stations, maintenance and garage
156.3 facilities, and other facilities related to a public transit system;

156.4 (5) public beaches or boat launches;

156.5 (6) public parking;

156.6 (7) civic recreation or conference facilities; and

156.7 (8) public service facilities such as fire halls, police stations, lift stations, water
156.8 towers, sanitation facilities, water treatment facilities, and administrative offices.

156.9 No monetary compensation or consideration is required for the conveyance, except as
156.10 provided in subdivision 1g, but the conveyance is subject to the conditions provided in
156.11 law, including, but not limited to, the reversion provisions of subdivisions 1c and 1d.

156.12 (f) The commissioner of revenue shall convey a parcel of nonconservation
156.13 tax-forfeited land to a local governmental subdivision of the state by quit claim deed
156.14 on behalf of the state upon the favorable recommendation of the county board if the
156.15 governmental subdivision has certified to the board that prior to forfeiture the subdivision
156.16 was entitled to the parcel under a written development agreement or instrument, but
156.17 the conveyance failed to occur prior to forfeiture. No compensation or consideration is
156.18 required for, and no conditions attach to, the conveyance.

156.19 (g) The commissioner of revenue shall convey a parcel of nonconservation
156.20 tax-forfeited land to the association of a common interest community by quit claim deed
156.21 upon the favorable recommendation of the county board if the association certifies to the
156.22 board that prior to forfeiture the association was entitled to the parcel under a written
156.23 agreement, but the conveyance failed to occur prior to forfeiture. No compensation or
156.24 consideration is required for, and no conditions attach to, the conveyance.

156.25 (h) Conservation tax-forfeited land may be sold to a governmental subdivision of the
156.26 state for less than its market value for either: (1) creation or preservation of wetlands;
156.27 (2) drainage or storage of storm water under a storm water management plan; or (3)
156.28 preservation, or restoration and preservation, of the land in its natural state. The deed must
156.29 contain a restrictive covenant limiting the use of the land to one of these purposes for
156.30 30 years or until the property is reconveyed back to the state in trust. At any time, the
156.31 governmental subdivision may reconvey the property to the state in trust for the taxing
156.32 districts. The deed of reconveyance is subject to approval by the commissioner of revenue.
156.33 No part of a purchase price determined under this paragraph shall be refunded upon a
156.34 reconveyance, but the amount paid for a conveyance under this paragraph may be taken
156.35 into account by the county board when setting the terms of a future sale of the same
156.36 property to the same governmental subdivision under paragraph (b) or (d). If the lands

157.1 are unplatted and located outside of an incorporated municipality and the commissioner
 157.2 of natural resources determines there is a mineral use potential, the sale is subject to the
 157.3 approval of the commissioner of natural resources.

157.4 (i) A park and recreation board in a city of the first class is a governmental
 157.5 subdivision for the purposes of this section.

157.6 **EFFECTIVE DATE.** This section is effective July 1, 2010.

157.7 Sec. 3. Minnesota Statutes 2008, section 282.01, subdivision 1b, is amended to read:

157.8 Subd. 1b. **Conveyance; targeted neighborhood community lands.** ~~(a)~~

157.9 Notwithstanding subdivision 1a, in the case of tax-forfeited lands located in a targeted
 157.10 ~~neighborhood, as defined in section 469.201, subdivision 10~~ community in a city of the
 157.11 first class, the commissioner of revenue shall convey by quit claim deed in the name of the
 157.12 state any tract of tax-forfeited land held in trust in favor of the taxing districts, to a political
 157.13 subdivision of the state that submits an application to the commissioner of revenue and
 157.14 the favorable recommendation of the county board. For purposes of this subdivision, the
 157.15 term "targeted community" has the meaning given in section 469.201, subdivision 10,
 157.16 except that the land must be located within a first class city.

157.17 ~~(b) The application under paragraph (a) must include a statement of facts as to the~~
 157.18 ~~use to be made of the tract, the need therefor, and a resolution, adopted by the governing~~
 157.19 ~~body of the political subdivision, finding that the conveyance of a tract of tax-forfeited~~
 157.20 ~~land to the political subdivision is necessary to provide for the redevelopment of land as~~
 157.21 ~~productive taxable property. Deeds of conveyance issued under paragraph (a) are not~~
 157.22 ~~conditioned on continued use of the property for the use stated in the application.~~

157.23 **EFFECTIVE DATE.** This section is effective July 1, 2010.

157.24 Sec. 4. Minnesota Statutes 2008, section 282.01, subdivision 1c, is amended to read:

157.25 Subd. 1c. **Deed of conveyance; form; approvals.** The deed of conveyance for
 157.26 property conveyed for ~~a~~ an authorized public use under the authorities in subdivision
 157.27 1a, paragraph (e), must be on a form approved by the attorney general and must be
 157.28 conditioned on continued use for the purpose stated in the application as provided in this
 157.29 section. These deeds are conditional use deeds that convey a defeasible estate. Reversion
 157.30 of the estate occurs by operation of law and without the requirement for any affirmative
 157.31 act by or on behalf of the state when there is a failure to put the property to the approved
 157.32 authorized public use for which it was conveyed, or an abandonment of that use, except as
 157.33 provided in subdivision 1d.

158.1 **EFFECTIVE DATE.** This section is effective July 1, 2010.

158.2 Sec. 5. Minnesota Statutes 2008, section 282.01, subdivision 1d, is amended to read:

158.3 Subd. 1d. **Reverter for failure to use; conveyance to state.** (a) If after three years
158.4 from the date of the conveyance a governmental subdivision to which tax-forfeited land
158.5 has been conveyed for ~~a specified~~ an authorized public use as provided in ~~this section~~
158.6 subdivision 1a, paragraph (e), fails to put the land to that use, or abandons that use, the
158.7 governing body of the subdivision ~~may;~~ must: (1) with the approval of the county board,
158.8 purchase the property for an authorized public purpose at the present ~~appraised~~ market
158.9 value as determined by the county board. ~~In that case, the commissioner of revenue shall,~~
158.10 ~~upon proper written application approved by the county board, issue an appropriate deed~~
158.11 ~~to the subdivisions free of a use restriction and reverter. The governing body may also, or~~
158.12 (2) authorize the proper officers to convey the land, or the part of the land not required for
158.13 an authorized public use, to the state of Minnesota; in trust for the taxing districts. If the
158.14 governing body purchases the property under clause (1), the commissioner of revenue
158.15 shall, upon proper application submitted by the county auditor, convey the property on
158.16 behalf of the state by quit claim deed to the subdivision free of a use restriction and the
158.17 possibility of reversion or defeasement. If the governing body decides to reconvey the
158.18 property to the state under this clause, the officers shall execute a deed of conveyance
158.19 immediately. The conveyance is subject to the approval of the commissioner and its form
158.20 must be approved by the attorney general. A sale, lease, transfer, or other conveyance
158.21 of tax-forfeited lands by a housing and redevelopment authority, a port authority, an
158.22 economic development authority, or a city as authorized by chapter 469 is not an
158.23 abandonment of use and the lands shall not be reconveyed to the state nor shall they
158.24 revert to the state. A certificate made by a housing and redevelopment authority, a port
158.25 authority, an economic development authority, or a city referring to a conveyance by it
158.26 and stating that the conveyance has been made as authorized by chapter 469 may be filed
158.27 with the county recorder or registrar of titles, and the rights of reverter in favor of the state
158.28 provided by subdivision 1e will then terminate. No vote of the people is required for the
158.29 conveyance. For the purposes of this paragraph, there is no failure to put the land to the
158.30 authorized public use and no abandonment of that use if a formal plan of the governmental
158.31 subdivision, including, but not limited to, a comprehensive plan or land use plan that
158.32 shows an intended future use of the land for the authorized public use.

158.33 (b) Property held by a governmental subdivision of the state under a conditional use
158.34 deed executed under subdivision 1a, paragraph (e), by the commissioner of revenue on or
158.35 after January 1, 2007, may be acquired by that governmental subdivision after 15 years

159.1 from the date of the conveyance if the commissioner determines upon written application
159.2 from the subdivision that the subdivision has in fact put the property to the authorized
159.3 public use for which it was conveyed, and the subdivision has made a finding that it
159.4 has no current plans to change the use of the lands. Prior to conveying the property, the
159.5 commissioner shall inquire whether the county board where the land is located objects to a
159.6 conveyance of the property to the subdivision without conditions and without further act
159.7 by or obligation of the subdivision. If the county does not object within 60 days, and the
159.8 commissioner makes a favorable determination, the commissioner shall issue a quit claim
159.9 deed on behalf of the state unconditionally conveying the property to the governmental
159.10 subdivision. For purposes of this paragraph, demonstration of an intended future use
159.11 for the authorized public use in a formal plan of the governmental subdivision does not
159.12 constitute use for that authorized public use.

159.13 (c) Property held by a governmental subdivision of the state under a conditional
159.14 use deed executed under subdivision 1a, paragraph (e), by the commissioner of revenue
159.15 before January 1, 2007, is released from the use restriction and possibility of reversion on
159.16 January 1, 2022, if the county board records a resolution describing the land and citing
159.17 this paragraph. The county board may authorize the county treasurer to deduct the amount
159.18 of the recording fees from future settlements of property taxes to the subdivision.

159.19 (d) All property conveyed under a conditional use deed executed under subdivision
159.20 1a, paragraph (e), by the commissioner of revenue is released from the use restriction and
159.21 reverter, and any use restriction or reverter for which no declaration of reversion has been
159.22 recorded with the county recorder or registrar of titles, as appropriate, is nullified on the
159.23 later of: (1) January 1, 2015; (2) 30 years from the date the deed was acknowledged; or
159.24 (3) final resolution of an appeal to district court under subdivision 1e, if a lis pendens
159.25 related to the appeal is recorded in the office of the county recorder or registrar of titles,
159.26 as appropriate, prior to January 1, 2015.

159.27 **EFFECTIVE DATE.** This section is effective July 1, 2010.

159.28 Sec. 6. Minnesota Statutes 2008, section 282.01, is amended by adding a subdivision
159.29 to read:

159.30 Subd. 1g. **Conditional use deed fees.** (a) A governmental subdivision of the state
159.31 applying for a conditional use deed under subdivision 1a, paragraph (e), must submit a fee
159.32 of \$250 to the commissioner of revenue along with the application. If the application is
159.33 denied, the commissioner shall refund \$150 of the application fee.

159.34 (b) The proceeds from the fees must be deposited in a Department of Revenue
159.35 conditional use deed revolving fund. The sums deposited into the revolving fund are

160.1 appropriated to the commissioner of revenue for the purpose of making the refunds
 160.2 described in this subdivision, and administering conditional use deed laws.

160.3 **EFFECTIVE DATE.** This section is effective for applications received by the
 160.4 commissioner after June 30, 2010.

160.5 Sec. 7. Minnesota Statutes 2008, section 282.01, is amended by adding a subdivision
 160.6 to read:

160.7 Subd. 1h. **Conveyance; form.** The instruments of conveyance executed and issued
 160.8 by the commissioner of revenue under subdivision 1a, paragraphs (c), (d), (e), (f), (g),
 160.9 and (h), and subdivision 1d, paragraph (b), must be on a form approved by the attorney
 160.10 general and are prima facie evidence of the facts stated therein and that the execution and
 160.11 issuance of the conveyance complies with the applicable laws.

160.12 **EFFECTIVE DATE.** This section is effective for deeds executed by the
 160.13 commissioner of revenue after June 30, 2010.

160.14 Sec. 8. Minnesota Statutes 2008, section 282.01, subdivision 2, is amended to read:

 160.16 conservation lands, unless reclassified as nonconservation lands, sold to a governmental
 160.17 subdivision of the state, designated as lands primarily suitable for forest production and
 160.18 sold as hereinafter provided, or released from the trust in favor of the taxing districts, as
 160.19 herein provided, will must be held under the supervision of the county board of the county
 160.20 within which such the parcels lie; and must not be conveyed or sold unless the lands are:

 160.22 ~~conservation lands as primarily suitable for timber production and as lands which should~~
 160.23 ~~be placed in private ownership for such purposes. If such action be approved by the~~
 160.24 ~~commissioner of natural resources, the lands so designated, or any part thereof, may be~~
 160.25 ~~sold by the county board in the same manner as provided for the sale of lands classified as~~
 160.26 ~~nonconservation lands. Such county action and the approval of the commissioner shall be~~
 160.27 ~~limited to lands lying within areas zoned for restricted uses under the provisions of Laws~~
 160.28 ~~1939, chapter 340, or any amendments thereof.~~

161.4 the commissioner of natural resources determines that the lands covered by ~~such the~~
161.5 resolution, or any part thereof, can be managed and developed for conservation purposes,
161.6 the commissioner shall make a certificate describing the lands and reciting the acceptance
161.7 thereof on behalf of the state ~~for such purposes~~. The commissioner shall transmit the

161.9 record the same with the county recorder. The title to all lands so accepted shall be held
161.10 by the state free from any trust in favor of any and all taxing districts and ~~such the~~ lands
161.11 shall be devoted thereafter to the purposes of forestry, water conservation, flood control,

161.15 the divisions of the department.

161.16 **(c)** All proceeds derived from the sale of timber, lease of crops of hay, or other
161.17 revenue from lands under the jurisdiction of the commissioner of natural resources shall

161.20 any tract of land ~~so held~~ acquired by the state under paragraph (b) and situated within or
161.21 adjacent to the boundaries of any governmental subdivision of the state is suitable for use
161.22 by ~~such the~~ subdivision for any authorized public purpose, the commissioner may convey
161.23 ~~such the~~ tract by deed in the name of the state to ~~such the~~ subdivision upon the filing
161.24 with the commissioner of a resolution adopted by a majority vote of all the members
161.25 of the governing body thereof, stating the purpose for which the land is desired. The
161.26 deed of conveyance shall be upon a form approved by the attorney general and must be
161.27 conditioned upon continued use for the purpose stated in the resolution. ~~All proceeds~~
161.28 ~~derived from the sale of timber, lease of hay stumpage, or other revenue from such~~

161.30 ~~general fund of the state.~~

161.31 **(e)** The county auditor, with the approval of the county board, may lease conservation

161.34 therefrom shall be distributed in the same manner as provided in section 282.04.

161.35 **EFFECTIVE DATE.** This section is effective July 1, 2010.

162.1 Sec. 9. Minnesota Statutes 2008, section 282.01, subdivision 3, is amended to read:

162.2 Subd. 3. **Nonconservation lands; appraisal and sale.** (a) All parcels of land
162.3 classified as nonconservation, except those which may be reserved, shall be sold as
162.4 provided, if it is determined, by the county board of the county in which the parcels lie,
162.5 that it is advisable to do so, having in mind their accessibility, their proximity to existing
162.6 public improvements, and the effect of their sale and occupancy on the public burdens.
162.7 Any parcels of land proposed to be sold shall be first appraised by the county board of
162.8 the county in which the parcels lie. The parcels may be reappraised whenever the county
162.9 board deems it necessary to carry out the intent of sections 282.01 to 282.13.

162.10 (b) In an appraisal the value of the land and any standing timber on it shall be
162.11 separately determined. No parcel of land containing any standing timber may be sold until
162.12 the appraised value of the timber on it and the sale of the land have been approved by the
162.13 commissioner of natural resources. The commissioner shall base review of a proposed
162.14 sale on the policy and considerations specified in subdivision 1. The decision of the
162.15 commissioner shall be in writing and shall state the reasons for it. The commissioner's
162.16 decision is exempt from the rulemaking provisions of chapter 14 and section 14.386
162.17 does not apply. The county may appeal the decision of the commissioner in accordance
162.18 with chapter 14.

162.19 (c) In any county in which a state forest or any part of it is located, the county
162.20 auditor shall submit to the commissioner at least 60 days before the first publication of the
162.21 list of lands to be offered for sale a list of all lands included on the list which are situated
162.22 outside of any incorporated municipality. If, at any time before the opening of the sale, the
162.23 commissioner notifies the county auditor in writing that there is standing timber on any
162.24 parcel of ~~such~~ land, the parcel shall not be sold unless the requirements of this section
162.25 respecting the separate appraisal of the timber and the approval of the appraisal by the
162.26 commissioner have been complied with. The commissioner may waive the requirement
162.27 of the 60-day notice as to any parcel of land which has been examined and the timber
162.28 value approved as required by this section.

162.29 (d) If any public improvement is made by a municipality after any parcel of land has
162.30 been forfeited to the state for the nonpayment of taxes, and the improvement is assessed in
162.31 whole or in part against the property benefited by it, the clerk of the municipality shall
162.32 certify to the county auditor, immediately upon the determination of the assessments for
162.33 the improvement, the total amount that would have been assessed against the parcel of land
162.34 if it had been subject to assessment; or if the public improvement is made, petitioned for,
162.35 ordered in or assessed, whether the improvement is completed in whole or in part, at any
162.36 time between the appraisal and the sale of the parcel of land, the cost of the improvement

163.1 shall be included as a separate item and added to the appraised value of the parcel of land
 163.2 at the time it is sold. No sale of a parcel of land shall discharge or free the parcel of land
 163.3 from lien for the special benefit conferred upon it by reason of the public improvement
 163.4 until the cost of it, including penalties, if any, is paid. The county board shall determine
 163.5 the amount, if any, by which the value of the parcel was enhanced by the improvement and
 163.6 include the amount as a separate item in fixing the appraised value for the purpose of sale.
 163.7 ~~In classifying, appraising, and selling the lands, the county board may designate the tracts~~
 163.8 ~~as assessed and acquired, or may by resolution provide for the subdivision of the tracts into~~
 163.9 ~~smaller units or for the grouping of several tracts into one tract when the subdivision or~~
 163.10 ~~grouping is deemed advantageous for the purpose of sale. Each such smaller tract or larger~~
 163.11 ~~tract must be classified and appraised as such before being offered for sale. If any such~~
 163.12 ~~lands have once been classified, the board of county commissioners, in its discretion, may,~~
 163.13 ~~by resolution, authorize the sale of the smaller tract or larger tract without reclassification.~~

163.14 **EFFECTIVE DATE.** This section is effective July 1, 2010.

163.15 Sec. 10. Minnesota Statutes 2008, section 282.01, subdivision 4, is amended to read:

163.16 Subd. 4. **Sale: method, requirements, effects.** The sale authorized under
 163.17 subdivision 3 must be conducted by the county auditor at the county seat of the county in
 163.18 which the parcels lie, except that in St. Louis and Koochiching Counties, the sale may
 163.19 be conducted in any county facility within the county. The sale must not be for less than
 163.20 the appraised value except as provided in subdivision 7a. The parcels must be sold for
 163.21 cash only ~~and at not less than the appraised value~~, unless the county board of the county
 163.22 has adopted a resolution providing for their sale on terms, in which event the resolution
 163.23 controls with respect to the sale. When the sale is made on terms other than for cash only
 163.24 (1) a payment of at least ten percent of the purchase price must be made at the time of
 163.25 purchase, and the balance must be paid in no more than ten equal annual installments, or
 163.26 (2) the payments must be made in accordance with county board policy, but in no event
 163.27 may the board require more than 12 installments annually, and the contract term must not
 163.28 be for more than ten years. Standing timber or timber products must not be removed from
 163.29 these lands until an amount equal to the appraised value of all standing timber or timber
 163.30 products on the lands at the time of purchase has been paid by the purchaser. If a parcel of
 163.31 land bearing standing timber or timber products is sold at public auction for more than
 163.32 the appraised value, the amount bid in excess of the appraised value must be allocated
 163.33 between the land and the timber in proportion to their respective appraised values. In that
 163.34 case, standing timber or timber products must not be removed from the land until the
 163.35 amount of the excess bid allocated to timber or timber products has been paid in addition

164.1 to the appraised value of the land. The purchaser is entitled to immediate possession,
164.2 subject to the provisions of any existing valid lease made in behalf of the state.

164.3 For sales occurring on or after July 1, 1982, the unpaid balance of the purchase price
164.4 is subject to interest at the rate determined pursuant to section 549.09. The unpaid balance
164.5 of the purchase price for sales occurring after December 31, 1990, is subject to interest
164.6 at the rate determined in section 279.03, subdivision 1a. The interest rate is subject to
164.7 change each year on the unpaid balance in the manner provided for rate changes in section
164.8 549.09 or 279.03, subdivision 1a, whichever, is applicable. Interest on the unpaid contract
164.9 balance on sales occurring before July 1, 1982, is payable at the rate applicable to the sale
164.10 at the time that the sale occurred.

164.11 **EFFECTIVE DATE.** This section is effective July 1, 2010.

164.12 Sec. 11. Minnesota Statutes 2008, section 282.01, subdivision 7, is amended to read:

164.13 Subd. 7. **County sales; notice, purchase price, disposition.** The sale must
164.14 commence at the time determined by the county board of the county in which the parcels
164.15 are located. The county auditor shall offer the parcels of land in order in which they
164.16 appear in the notice of sale, and shall sell them to the highest bidder, but not for a sum
164.17 less than the appraised value, until all of the parcels of land have been offered. Then the
164.18 county auditor shall sell any remaining parcels to anyone offering to pay the appraised
164.19 value, except that if the person could have repurchased a parcel of property under section
164.20 282.012 or 282.241, that person may not purchase that same parcel of property at the sale
164.21 under this subdivision for a purchase price less than the sum of all taxes, assessments,
164.22 penalties, interest, and costs due at the time of forfeiture computed under section 282.251,
164.23 and any special assessments for improvements certified as of the date of sale. The sale
164.24 must continue until all the parcels are sold or until the county board orders a reappraisal or
164.25 withdraws any or all of the parcels from sale. The list of lands may be added to and the
164.26 added lands may be sold at any time by publishing the descriptions and appraised values.
164.27 The added lands must be: (1) parcels of land that have become forfeited and classified
164.28 as nonconservation since the commencement of any prior sale; (2) parcels classified as
164.29 nonconservation that have been reappraised; (3) parcels that have been reclassified as
164.30 nonconservation; or (4) other parcels that are subject to sale but were omitted from the
164.31 existing list for any reason. The descriptions and appraised values must be published in
164.32 the same manner as provided for the publication of the original list. Parcels added to the
164.33 list must first be offered for sale to the highest bidder before they are sold at appraised
164.34 value. All parcels of land not offered for immediate sale, as well as parcels that are offered
164.35 and not immediately sold, continue to be held in trust by the state for the taxing districts

165.1 interested in each of the parcels, under the supervision of the county board. Those parcels
165.2 may be used for public purposes until sold, as directed by the county board.

165.3 **EFFECTIVE DATE.** This section is effective July 1, 2010.

165.4 Sec. 12. Minnesota Statutes 2008, section 282.01, subdivision 7a, is amended to read:

165.5 Subd. 7a. **City sales; alternate procedures.** Land located in a home rule charter
165.6 or statutory city, or in a town which cannot be improved because of noncompliance with
165.7 local ordinances regarding minimum area, shape, frontage or access may be sold by the
165.8 county auditor pursuant to this subdivision if the auditor determines that a nonpublic sale
165.9 will encourage the approval of sale of the land by the city or town and promote its return
165.10 to the tax rolls. If the physical characteristics of the land indicate that its highest and best
165.11 use will be achieved by combining it with an adjoining parcel and the city or town has not
165.12 adopted a local ordinance governing minimum area, shape, frontage, or access, the land
165.13 may also be sold pursuant to this subdivision. If the property consists of an undivided
165.14 interest in land or land and improvements, the property may also be sold to the other
165.15 owners under this subdivision. The sale of land pursuant to this subdivision shall be
165.16 subject to any conditions imposed by the county board pursuant to section 282.03. The
165.17 governing body of the city or town may recommend to the county board conditions to be
165.18 imposed on the sale. The county auditor may restrict the sale to owners of lands adjoining
165.19 the land to be sold. The county auditor shall conduct the sale by sealed bid or may select
165.20 another means of sale. The land shall be sold to the highest bidder ~~but in no event shall the~~
165.21 ~~land~~ and may be sold for less than its appraised value. All owners of land adjoining the
165.22 land to be sold shall be given a written notice at least 30 days prior to the sale.

165.23 This subdivision shall be liberally construed to encourage the sale and utilization
165.24 of tax-forfeited land, to eliminate nuisances and dangerous conditions and to increase
165.25 compliance with land use ordinances.

165.26 **EFFECTIVE DATE.** This section is effective July 1, 2010.

165.27 Sec. 13. Minnesota Statutes 2008, section 282.01, is amended by adding a subdivision
165.28 to read:

165.29 Subd. 12. **Notice; public hearing for use change.** If a governmental subdivision
165.30 that acquired a parcel for public use under this section later determines to change the use,
165.31 it must hold a public hearing on the proposed use change. The governmental subdivision
165.32 must mail written notice of the proposed use change and the public hearing to each owner
165.33 of property that is within 400 feet of the parcel at least ten days and no more than 60 days

166.1 before it holds the hearing. The notice must identify: (1) the parcel, (2) its current use,
166.2 (3) the proposed use, (4) the date, time, and place of the public hearing, and (5) where
166.3 to submit written comments on the proposal and that the public is invited to testify at
166.4 the public hearing.

166.5 **EFFECTIVE DATE.** This section is effective July 1, 2010, and applies to a change
166.6 in use of a parcel acquired under Minnesota Statutes, section 282.01, whether acquired by
166.7 the governmental subdivision before or after the effective date of this section.

166.8 Sec. 14. **REPEALER.**

166.9 Minnesota Statutes 2008, sections 282.01, subdivisions 9, 10, and 11; and 383A.76,
166.10 are repealed.

166.11 **EFFECTIVE DATE.** This section is effective July 1, 2010.

166.12 **ARTICLE 11**

166.13 **MISCELLANEOUS**

166.14 Section 1. **[3.192] TAX EXPENDITURE BILLS.**

166.15 Subdivision 1. **Requirements for new or renewed tax expenditures.** Any bill that
166.16 creates, renews, or continues a tax expenditure must include a statement of intent that
166.17 clearly provides the purpose of the tax expenditure and a standard or goal against which
166.18 its effectiveness may be measured. For purposes of this section, "tax expenditure" has the
166.19 meaning given in section 270C.11, subdivision 6.

166.20 Subd. 2. **Expiration of tax expenditures.** Any tax expenditure enacted after July
166.21 1, 2010, expires ten years from the day that the provision first takes effect. The bill may
166.22 provide an early expiration date if desired.

166.23 **EFFECTIVE DATE.** This section is effective for tax expenditures enacted after
166.24 July 1, 2010.

166.25 Sec. 2. Minnesota Statutes 2008, section 270C.11, subdivision 4, is amended to read:

166.26 Subd. 4. **Contents.** The report shall detail for each tax expenditure item the
166.27 amount of tax revenue forgone, a citation of the statutory or other legal authority for the
166.28 expenditure, and the year in which it was enacted or the tax year in which it became
166.29 effective. Each chapter of the tax expenditure report must include an estimate of the
166.30 number of jobs created or lost in Minnesota as a result of the tax expenditures in that
166.31 chapter. The report may contain additional information which the commissioner considers

167.1 relevant to the legislature's consideration and review of individual tax expenditure items.
167.2 This may include, but is not limited to, statements of the intended purpose of the tax
167.3 expenditure, analysis of whether the expenditure is achieving that objective, and the
167.4 effect of the expenditure device on the distribution of the tax burden and administration
167.5 of the tax system.

167.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

167.7 Sec. 3. Minnesota Statutes 2008, section 270C.34, subdivision 1, is amended to read:

167.8 Subdivision 1. **Authority.** (a) The commissioner may abate, reduce, or refund any
167.9 penalty or interest that is imposed by a law administered by the commissioner, or imposed
167.10 by section 270.0725, subdivision 1 or 2, as a result of the late payment of tax or late
167.11 filing of a return, if the failure to timely pay the tax or failure to timely file the return is
167.12 due to reasonable cause, or if the taxpayer is located in a presidentially declared disaster
167.13 or in a presidentially declared state of emergency area or in an area declared to be in a
167.14 state of emergency by the governor under section 12.31.

167.15 (b) The commissioner shall abate any part of a penalty or additional tax charge
167.16 under section 289A.25, subdivision 2, or 289A.26, subdivision 4, attributable to erroneous
167.17 advice given to the taxpayer in writing by an employee of the department acting in
167.18 an official capacity, if the advice:

167.19 (1) was reasonably relied on and was in response to a specific written request of the
167.20 taxpayer; and

167.21 (2) was not the result of failure by the taxpayer to provide adequate or accurate
167.22 information.

167.23 ~~(c) The commissioner may abate a penalty imposed under section 270.0725,~~
167.24 ~~subdivision 1 or 2, if the failure to timely file is due to reasonable cause, or if the airline~~
167.25 ~~company is located in a presidentially declared disaster area.~~

167.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

167.27 Sec. 4. Minnesota Statutes 2008, section 270C.52, subdivision 2, is amended to read:

167.28 Subd. 2. **Payment agreements.** (a) When any portion of any tax payable to the
167.29 commissioner together with interest and penalty thereon, if any, has not been paid, the
167.30 commissioner may extend the time for payment for a further period. When the authority
167.31 of this section is invoked, the extension shall be evidenced by written agreement signed by
167.32 the taxpayer and the commissioner, stating the amount of the tax with penalty and interest,
167.33 if any, and providing for the payment of the amount in installments.

168.1 (b) The agreement may contain a confession of judgment for the amount and for any
168.2 unpaid portion thereof. If the agreement contains a confession of judgment, the confession
168.3 of judgment must provide that the commissioner may enter judgment against the taxpayer
168.4 in the district court of the county of residence as shown upon the taxpayer's tax return for
168.5 the unpaid portion of the amount specified in the extension agreement.

168.6 (c) The agreement shall provide that it can be terminated, after notice by the
168.7 commissioner, if information provided by the taxpayer prior to the agreement was
168.8 inaccurate or incomplete, collection of the tax covered by the agreement is in jeopardy,
168.9 there is a subsequent change in the taxpayer's financial condition, the taxpayer has failed
168.10 to make a payment due under the agreement, or the taxpayer has failed to pay any other
168.11 tax or file a tax return coming due after the agreement.

168.12 (d) The notice must be given at least 14 calendar days prior to termination, and shall
168.13 advise the taxpayer of the right to request a reconsideration from the commissioner of
168.14 whether termination is reasonable and appropriate under the circumstances. A request for
168.15 reconsideration does not stay collection action beyond the 14-day notice period. If the
168.16 commissioner has reason to believe that collection of the tax covered by the agreement
168.17 is in jeopardy, the commissioner may proceed under section 270C.36 and terminate the
168.18 agreement without regard to the 14-day period.

168.19 (e) The commissioner may accept other collateral the commissioner considers
168.20 appropriate to secure satisfaction of the tax liability. The principal sum specified in the
168.21 agreement shall bear interest at the rate specified in section 270C.40 on all unpaid portions
168.22 thereof until the same has been fully paid or the unpaid portion thereof has been entered as
168.23 a judgment. The judgment shall bear interest at the rate specified in section 270C.40.

168.24 (f) If it appears to the commissioner that the tax reported by the taxpayer is in excess
168.25 of the amount actually owing by the taxpayer, the extension agreement or the judgment
168.26 entered pursuant thereto shall be corrected. If after making the extension agreement
168.27 or entering judgment with respect thereto, the commissioner determines that the tax as
168.28 reported by the taxpayer is less than the amount actually due, the commissioner shall
168.29 assess a further tax in accordance with the provisions of law applicable to the tax.

168.30 (g) The authority granted to the commissioner by this section is in addition to any
168.31 other authority granted to the commissioner by law to extend the time of payment or the
168.32 time for filing a return and shall not be construed in limitation thereof.

168.33 (h) The commissioner shall charge a fee for entering into payment agreements
168.34 that reflects the commissioner's costs for entering into payment agreements. The fee is
168.35 initially set at \$25 and is adjusted annually as necessary. The fee is charged for entering
168.36 into a payment agreement, for entering into a new payment agreement after the taxpayer

169.1 has defaulted on a prior agreement, and for entering into a new payment agreement as
169.2 a result of renegotiation of the terms of an existing agreement. The fee is paid to the
169.3 commissioner before the payment agreement becomes effective and does not reduce
169.4 the amount of the liability.

169.5 By June 1 of each year, the commissioner shall determine the cost to the
169.6 commissioner for entering into payment agreements during the fiscal year and adjust the
169.7 payment agreement fee as necessary to most nearly equal those costs. Determination
169.8 of the fee for payment agreements under this section is not subject to the fee setting
169.9 requirements of section 16A.1283.

169.10 **EFFECTIVE DATE.** This section is effective for payment agreements entered
169.11 into or renegotiated after June 30, 2010.

169.12 **Sec. 5. TAX EXPENDITURE REVIEW REPORT.**

169.13 Subdivision 1. **Report to the legislature.** By January 10, 2011, the commissioner of
169.14 revenue shall provide a report to the chairs of the house and senate tax committees with
169.15 jurisdiction over taxes suggesting a process for the periodic review and sunset or extension
169.16 of tax expenditures on an ongoing basis.

169.17 Subd. 2. **Contents of the report.** (a) The report shall include the following
169.18 information for every tax, as defined in Minnesota Statutes, section 270C.11, subdivision 6:

169.19 (1) a definition of the tax base for the tax;

169.20 (2) a definition of a tax expenditure for each tax; and

169.21 (3) a list of existing provisions in law that meet the definition of tax expenditure for
169.22 each tax.

169.23 (b) The report shall include a suggested list of information, currently not included in
169.24 the tax expenditure budget under Minnesota Statutes, section 270C.11, needed to allow
169.25 evaluation of the effectiveness of new and existing tax expenditures in meeting not only
169.26 the stated goal of the tax expenditure but also the general tax principles of:

169.27 (1) transparency and understandability;

169.28 (2) simplicity and efficiency;

169.29 (3) equity;

169.30 (4) stability and predictability;

169.31 (5) compliance and accountability; and

169.32 (6) national and global competitiveness.

169.33 (c) The report shall also include recommendations on specific procedures for
169.34 periodic review of tax expenditures, including the need for additional reports, study or

170.1 oversight groups, and fiscal or other resources, and a suggested timetable for systematic
170.2 review of the tax expenditures in the various tax areas.

170.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

170.4 Sec. 6. **APPROPRIATION.**

170.5 \$520,000 is appropriated in fiscal year 2011 from the general fund to the
170.6 commissioner of revenue to administer the requirements in clauses (1) to (3). The
170.7 appropriation must be distributed as follows:

170.8 (1) \$100,000 in fiscal year 2011 is for a study of fiscal disparities under article 1,
170.9 section 37, and this appropriation is available until June 30, 2012;

170.10 (2) \$330,000 in fiscal year 2011 is for a study on income tax reciprocity under article
170.11 3, section 28, and this appropriation is available until June 30, 2012; and

170.12 (3) \$90,000 in fiscal year 2011 is for a tax expenditure review report under section 5.

170.13 The appropriations under this section are onetime and are not added to the agency's
170.14 base budget.

10A.322 SPENDING LIMIT AGREEMENTS.

Subd. 4. **Refund receipt forms; penalty.** The board must make available to a political party on request and to any candidate for whom an agreement under this section is effective, a supply of official refund receipt forms that state in boldface type that (1) a contributor who is given a receipt form is eligible to claim a refund as provided in section 290.06, subdivision 23, and (2) if the contribution is to a candidate, that the candidate has signed an agreement to limit campaign expenditures as provided in this section. The forms must provide duplicate copies of the receipt to be attached to the contributor's claim. A candidate who does not sign an agreement under this section and who willfully issues an official refund receipt form or a facsimile of one to any of the candidate's contributors is guilty of a misdemeanor.

13.4967 OTHER TAX DATA CODED ELSEWHERE.

Subd. 2. **Political contribution refund.** Certain political contribution refund data in the Revenue Department are classified under section 290.06, subdivision 23.

282.01 TAX-FORFEITED LANDS; CLASSIFICATION, SALE.

Subd. 9. **Ratification of old sales of tax-forfeited lands.** Where a sale of tax-forfeited land under Mason's Supplement 1940, section 2139-15, was made prior to December 31, 1942, without first having the appraised value of the timber thereon approved by the commissioner of natural resources as therein provided, such sale may be ratified by the commissioner of revenue in the manner herein provided, if prior to the making of application therefor the entire purchase price of said tax-forfeited land has been paid.

Subd. 10. **Ratification application, approval, effect.** The purchaser at such sale or the county auditor of the county in which said land is located shall file an application for the ratification of the sale with the board of county commissioners of said county, submitting therewith a statement of the facts of the case and satisfactory proof that the purchase price of such land at the sale has been paid in full. Such application shall be considered by the county board and shall thereafter be submitted by it to the commissioner of revenue with the recommendation of the county board and of the county auditor in all cases wherein the auditor is not the applicant. The commissioner of revenue shall consider said application and, on determining that the conditions above referred to exist, shall make an order ratifying the sale of said tax-forfeited land and transmit a copy thereof to the county auditor of the county in which said tax-forfeited land is located. If any such sale be ratified by the commissioner of revenue, it shall not thereafter be subject to attack for failure to have the timber appraisal approved before the sale. If no conveyance by the state has theretofore been made, the county auditor, upon receipt of said order, shall request the issuance of an appropriate conveyance as provided for in said section 2139-15. If a conveyance has been made by the state of said land pursuant to said section 2139-15, said conveyance shall not thereafter be subject to attack on account of the failure to have the timber appraisal approved before the sale.

Subd. 11. **Pending actions not affected.** The provisions of subdivisions 9 to 11 shall not apply so as to prejudice the rights of any person in any action or proceeding heretofore commenced to the sale in any court of this state.

290.06 RATES OF TAX; CREDITS.

Subd. 23. **Refund of contributions to political parties and candidates.** (a) A taxpayer may claim a refund equal to the amount of the taxpayer's contributions made in the calendar year to candidates and to a political party. The maximum refund for an individual must not exceed \$50 and for a married couple, filing jointly, must not exceed \$100. A refund of a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official refund receipt form issued by the candidate or party and signed by the candidate, the treasurer of the candidate's principal campaign committee, or the chair or treasurer of the party unit, after the contribution was received. The receipt forms must be numbered, and the data on the receipt that are not public must be made available to the campaign finance and public disclosure board upon its request. A claim must be filed with the commissioner no sooner than January 1 of the calendar year in which the contribution was made and no later than April 15 of the calendar year following the calendar year in which the contribution was made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution was made must include interest at the rate specified in section 270C.405.

APPENDIX

Repealed Minnesota Statutes: H3729-3

(b) No refund is allowed under this subdivision for a contribution to a candidate unless the candidate:

(1) has signed an agreement to limit campaign expenditures as provided in section 10A.322;

(2) is seeking an office for which voluntary spending limits are specified in section 10A.25; and

(3) has designated a principal campaign committee.

This subdivision does not limit the campaign expenditures of a candidate who does not sign an agreement but accepts a contribution for which the contributor improperly claims a refund.

(c) For purposes of this subdivision, "political party" means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a.

A "major party" or "minor party" includes the aggregate of that party's organization within each house of the legislature, the state party organization, and the party organization within congressional districts, counties, legislative districts, municipalities, and precincts.

"Candidate" means a candidate as defined in section 10A.01, subdivision 10, except a candidate for judicial office.

"Contribution" means a gift of money.

(d) The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a refund, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The commissioner shall report to the campaign finance and public disclosure board by each August 1 a summary showing the total number and aggregate amount of political contribution refunds made on behalf of each candidate and each political party. These data are public.

(g) The amount necessary to pay claims for the refund provided in this section is appropriated from the general fund to the commissioner of revenue.

(h) For a taxpayer who files a claim for refund via the Internet or other electronic means, the commissioner may accept the number on the official receipt as documentation that a contribution was made rather than the actual receipt as required by paragraph (a).

297I.30 DUE DATES FOR FILING RETURNS.

Subd. 4. **Persons, firms, or corporations licensed to procure insurance from unlicensed foreign companies.** On or before 30 days following the expiration date of a license issued under section 297I.05, subdivision 9, a person, firm, or corporation licensed to obtain insurance from a company not authorized to do business in Minnesota shall file a return with the commissioner for the preceding 12-month period setting forth any information the commissioner reasonably requires on forms prescribed by the commissioner.

Subd. 5. **Joint self-insurance plans.** On or before 60 days following the conclusion of their fiscal year, a plan subject to tax under section 297I.05, subdivision 12, paragraph (b) or (c), shall file a return with the commissioner for the preceding fiscal year setting forth any information the commissioner reasonably requires on forms prescribed by the commissioner.

Subd. 6. **Persons, firms, or corporations procuring insurance from an unlicensed foreign company.** Within 30 days after the date the insurance was procured, continued, or renewed, a taxpayer required to pay the tax under section 297I.05, subdivision 10, shall file a return setting forth any information the commissioner reasonably requires on forms prescribed by the commissioner.

383A.76 TAX-FORFEITED LANDS.

Subdivision 1. **Sale; valuation.** The Ramsey County board may sell tax-forfeited lands in the county to an organized or incorporated governmental subdivision of the state for any public purpose for which the subdivision is authorized to acquire property. In the case of tax-forfeited land in the county which a governmental subdivision has requested for housing purposes, the county board may sell that property to the requesting subdivision for the specified housing use at a value, which may be less than its appraised value, as determined by the county board. Factors that may be considered by the county board in determining value for lands to be held for a permitted public purpose or redeveloped under chapter 469 include the projected gap financing and public subsidy needed for a redevelopment project, expected increases in property taxes, before and after redevelopment appraised values, the potential use of the property for affordable housing,

environmental contamination and pollution, site preparation and infrastructure costs, and any other relevant factors. The commissioner of revenue shall convey by deed in the name of the state a tract of tax-forfeited land held in trust in favor of the taxing districts to a governmental subdivision for an authorized public use, if an application is submitted to the commissioner. The application must include a statement of facts as to the use to be made of the tract, the need for it, and the recommendation of the county board. Property conveyed under this section for a value that is less than its appraised value cannot be included in a tax increment financing district. To the extent the provisions of chapter 282 are not inconsistent with this section, the provisions of chapter 282 apply to the sale of tax forfeited land in Ramsey County.

Subd. 2. **Use of land.** For lands located within Ramsey County, the deed of conveyance of tax-forfeited land to an organized or incorporated governmental subdivision of the state for an authorized use must be on a form approved by the attorney general and must be conditioned on continued use for the purpose stated in the application. If the governing body of the governmental subdivision determines by resolution after public hearing that some other public use should be made of the lands, the changed use may be made upon filing with the county recorder or registrar of titles a certified copy of the resolution and without conveying the lands back to the state and securing a new conveyance for the new public use. Permitted public uses under this section include street, storm water ponding, drainage, parks, watershed, wetlands, library, fire and police stations, utility easements, and public facilities.

Subd. 3. **Reverter of land.** When a subdivision to which tax-forfeited land has been conveyed for a housing purpose at a value of less than the appraised value, fails to pass a resolution designating a developer or approving a redevelopment contract within three years of the date of conveyance, the Ramsey County board may by resolution declare the land to have reverted to the state, and shall serve a notice of reversion, with a copy of the declaration, by certified mail to the subdivision and shall reimburse the subdivision for the consideration for the lands from the tax-forfeited sale fund. The Ramsey County board shall file for record with the Ramsey county recorder or registrar of titles a certified copy of the declaration of reversion and proof of service. A certificate made by a subdivision referring to a conveyance made to it and stating that it has passed a resolution designating a developer or approving a redevelopment contract for a housing redevelopment project may be filed with the Ramsey County recorder or registrar of titles, and the right of reverter in favor of the state under this section will then terminate.

Subd. 4. **Report by subdivision.** Each subdivision to which tax-forfeited lands have been conveyed under this section for a value of less than its appraised value must file a report with the commissioner of revenue by September 1, 2004, and by September 1 of each third year thereafter. The report shall contain a description of the lands conveyed to it, a status of the development efforts for the lands, the intended or actual uses being made of the lands, and the amount of property taxes being paid on the lands. The commissioner shall retain each report for a minimum of ten years. Failure of a subdivision to file a report shall be cause for the commissioner to declare a reversion of the parcel under section 282.01, subdivision 1e.
