2.8 (h) "Russia" means the government of the Russian Federation or its instrumentalities or
2.9 political subdivisions, and companies owned or controlled by the Russian Federation.

2.10 Subd. 2. **Divestment required.** (a) The state board must sell, redeem, or withdraw, in
2.11 a fiscally prudent manner and consistent with applicable laws and regulations not in conflict
2.12 with this section, all direct holdings of the following assets:

2.13 (1) securities issued by a company with a principal place of business in Russia or Belarus,

3.16 withdrawal under subdivision 2 requesting the managers to consider removing those assets
3.17 from the fund or to create a similar actively managed fund with indirect holdings that do
3.18 not include those assets. If a manager creates a similar fund, the state board shall promptly
3.19 replace all applicable investments with investments in the similar fund consistent with
3.20 prudent investing standards. For the purposes of this section, private equity funds shall be
3.21 deemed to be actively managed investment funds.

3.22 Subd. 8. **Reporting.** By January 15 of each calendar year, the state board shall submit

3.29 Subd. 9. **Expiration.** This section ceases to be operative if the President of the United
3.30 States determines and certifies that state legislation similar to this section interferes with
3.31 the conduct of United States foreign policy.

4.1 Subd. 10. **Other legal obligations.** The state board, including its executive director and
