101.27 **ARTICLE 3**

101.28 **SUPPLEMENTAL APPROPRIATIONS; CONFORMING CHANGES**

101.29 Section 1. Minnesota Statutes 2016, section 462A.222, subdivision 3, is amended to read:

101.30 Subd. 3. **Allocation procedure.** (a) Projects will be awarded tax credits in two
101.31 competitive rounds on an annual basis. The date for applications for each round must be

102.1 determined by the agency. No allocating agency may award tax credits prior to the application
102.2 dates established by the agency.

102.3 (b) Each allocating agency must meet the requirements of section 42(m) of the Internal
102.4 Revenue Code of 1986, as amended through December 31, 1989, for the allocation of tax
102.5 credits and the selection of projects.

102.6 (c) For projects that are eligible for an allocation of credits pursuant to section 42(h)(4)
102.7 of the Internal Revenue Code of 1986, as amended, tax credits may only be allocated if the
102.8 project satisfies the requirements of the allocating agency's qualified allocation plan. For
102.9 projects that are eligible for an allocation of credits pursuant to section 42(h)(4) of the
102.10 Internal Revenue Code of 1986, as amended, for which the agency is the issuer of the bonds
102.11 for the project, or the issuer of the bonds for the project is located outside the jurisdiction
102.12 of a city or county that has received reserved tax credits, the applicable allocation plan is
102.13 the agency's qualified allocation plan.

102.14 (d) (1) To maximize the resources available for and increase the supply of affordable
102.15 housing in Minnesota by leveraging the benefits to Minnesota from the use of tax-exempt
102.16 bonds to finance multifamily housing and to allow local units of government more flexibility
102.17 to address specific affordable housing needs in their communities, the agency shall make
102.18 residential rental housing projects financed with an allocation of tax-exempt bonds under
102.19 chapter 474A the highest strategic priority for tax credits under the agency's qualified
102.20 allocation plan under section 42(m)(1)(D) of the Internal Revenue Code of 1986, as amended.

102.21 (2) For projects eligible for an allocation of tax credits under section 42(h)(4) of the
102.22 Internal Revenue Code of 1986, as amended, the agency's qualified allocation plan and
102.23 other related agency guidance and requirements:

102.24 (i) shall not include any selection criteria other than (A) the criteria of section 42(m)(1)(C)
102.25 of the Internal Revenue Code of 1986, as amended, and (B) whether the project has received
102.26 an allocation of tax-exempt bonds under chapter 474A, with subitem (B) as the most
102.27 important criteria;

102.28 (ii) shall grant projects receiving an allocation of tax-exempt bonds under chapter 474A
102.29 the highest possible preference and, to the extent applicable, ahead of any preference
102.30 described in section 42(m)(1)(B) of the Internal Revenue Code of 1986, as amended;

102.31 (iii) shall exclude any per-unit cost limitations, cost reasonableness, or other similar
102.32 restrictions for residential rental housing projects financed with an allocation of tax-exempt
102.33 bonds under chapter 474A; and

103.1 (iv) shall not adopt or impose any additional rules, requirements, regulations, or
103.2 restrictions other than those required by section 42 of the Internal Revenue Code of 1986,
103.3 as amended, regarding the allocation of credits.

103.4 Each developer of a residential rental housing project that has received an allocation of
103.5 tax-exempt bonds under chapter 474A and the proposed issuer of such tax-exempt bonds
103.6 shall have standing to challenge the agency's qualified allocation plan for failure to comply
103.7 with this clause.

103.8 In the event of any conflict or inconsistency between this paragraph and section 462A.04,
103.9 the provisions of this paragraph shall govern and control. The provisions of paragraph (d)
103.10 shall not apply to any allocating agency other than the agency.

103.11 ~~(d)~~ (e) For applications submitted for the first round, an allocating agency may allocate
103.12 tax credits only to the following types of projects:

103.13 (1) in the metropolitan area:

103.14 (i) new construction or substantial rehabilitation of projects in which, for the term of the
103.15 extended use period, at least 75 percent of the total tax credit units are single-room
103.16 occupancy, efficiency, or one bedroom units and which are affordable by households whose
103.17 income does not exceed 30 percent of the median income;

103.18 (ii) new construction or substantial rehabilitation family housing projects that are not
103.19 restricted to persons who are 55 years of age or older and in which, for the term of the
103.20 extended use period, at least 75 percent of the tax credit units contain two or more bedrooms
103.21 and at least one-third of the 75 percent contain three or more bedrooms; or

103.22 (iii) substantial rehabilitation projects in neighborhoods targeted by the city for
103.23 revitalization;

103.24 (2) outside the metropolitan area, projects which meet a locally identified housing need
103.25 and which are in short supply in the local housing market as evidenced by credible data
103.26 submitted with the application;

103.27 (3) projects that are not restricted to persons of a particular age group and in which, for
103.28 the term of the extended use period, a percentage of the units are set aside and rented to
103.29 persons:

103.30 (i) with a serious and persistent mental illness as defined in section 245.462, subdivision
103.31 20, paragraph (c);

104.1 (ii) with a developmental disability as defined in United States Code, title 42, section
104.2 6001, paragraph (5), as amended through December 31, 1990;

104.3 (iii) who have been assessed as drug dependent persons as defined in section 254A.02,
104.4 subdivision 5, and are receiving or will receive care and treatment services provided by an
104.5 approved treatment program as defined in section 254A.02, subdivision 2;

104.6 (iv) with a brain injury as defined in section 256B.093, subdivision 4, paragraph (a); or

104.7 (v) with permanent physical disabilities that substantially limit one or more major life
104.8 activities, if at least 50 percent of the units in the project are accessible as provided under
104.9 Minnesota Rules, chapter 1340;

104.10 (4) projects, whether or not restricted to persons of a particular age group, which preserve
104.11 existing subsidized housing, if the use of tax credits is necessary to prevent conversion to
104.12 market rate use or to remedy physical deterioration of the project which would result in loss
104.13 of existing federal subsidies; or

104.14 (5) projects financed by the Farmers Home Administration, or its successor agency,
104.15 which meet statewide distribution goals.

104.16 ~~(e)~~ (f) Before the date for applications for the final round, the allocating agencies other
104.17 than the agency shall return all uncommitted and unallocated tax credits to a unified pool
104.18 for allocation by the agency on a statewide basis.

104.19 ~~(f)~~ (g) Unused portions of the state ceiling for low-income housing tax credits reserved
104.20 to cities and counties for allocation may be returned at any time to the agency for allocation.

104.21 ~~(g)~~ (h) If an allocating agency determines, at any time after the initial commitment or
104.22 allocation for a specific project, that a project is no longer eligible for all or a portion of the
104.23 low-income housing tax credits committed or allocated to the project, the credits must be
104.24 transferred to the agency to be reallocated pursuant to the procedures established in
104.25 paragraphs ~~(e)~~ (f) to ~~(g)~~ (h); provided that if the tax credits for which the project is no longer
104.26 eligible are from the current year's annual ceiling and the allocating agency maintains a
104.27 waiting list, the allocating agency may continue to commit or allocate the credits until not
104.28 later than the date of applications for the final round, at which time any uncommitted credits
104.29 must be transferred to the agency.

105.1 Sec. 2. **[474A.22] FORT SNELLING NATIONAL LANDMARK**
105.2 **REDEVELOPMENT.**

105.3 **Subdivision 1. Fort Snelling bonding authority allocation.** Notwithstanding any law,
105.4 rule, or policy to the contrary, the commissioner shall reserve \$29,000,000 in bonding
105.5 authority allocated under section 474A.03 to the Minnesota Housing Finance Agency and
105.6 \$29,000,000 in bonding authority allocated under section 474A.03 to the small issue pool
105.7 in 2019, and in 2020 if bonds are not permanently issued in 2019 subject to subdivision 3,
105.8 for issuance of residential rental project bonds for purposes of the rehabilitation and
105.9 renovation of the Fort Snelling Upper Post as a qualified residential rental project as provided
105.10 in this section and section 474A.047. The qualified residential rental project shall be required
105.11 to enter into a minimum 25-year agreement with the issuer to provide the applicable rental
105.12 rates and incomes. Notwithstanding section 474A.091, subdivision 1, the amount reserved
105.13 from the small issue pool in each year shall not be transferred to the unified pool but shall
105.14 continue to be available under this section.

105.15 **Subd. 2. Issuance; other issuer.** Upon application by an eligible issuer on forms
105.16 prescribed by the department and payment of the required application fee, the commissioner
105.17 shall allocate the bonding authority under subdivision 1. An issuer receiving this allocation
105.18 shall be authorized to act as the issuer regardless of its geographical area. In no event shall
105.19 the bonds issued under this section be guaranteed as to payment by the state or the issuer.
105.20 An issuer shall not be required to pay a refundable application deposit.

105.21 **Subd. 3. Failure to permanently issue.** In the event the bonds reserved or allocated
105.22 under this section are not permanently issued by December 1, 2019, or December 1, 2020,
105.23 as applicable, the bonding authority shall be reallocated to the Minnesota Housing Finance
105.24 Agency for issuance for a qualified residential rental project.

105.25 **Subd. 4. Low-income housing tax credits.** The redevelopment of the Fort Snelling
105.26 Upper Post shall be a strategic priority of the state and the Minnesota Housing Finance
105.27 Agency. If the allocation of bonding authority under subdivision 2 makes the Fort Snelling
105.28 Upper Post development preliminarily eligible for an allocation of low-income housing tax
105.29 credits under section 42(h)(4) of the Internal Revenue Code of 1986, as amended, the
105.30 Minnesota Housing Finance Agency shall promptly process any application or preapplication
105.31 for low-income housing tax credits submitted under this subdivision pursuant to the qualified
105.32 allocation plan and shall not require or impose additional criteria, requirements, regulations,
105.33 or restrictions upon the Fort Snelling Upper Post project that would otherwise undermine
105.34 the priorities of this section other than as required under section 42 of the Internal Revenue
105.35 Code of 1986, as amended. The issuer of the bonds under this section and not the Minnesota

106.1 Housing Finance Agency shall determine the financial feasibility and the reasonableness
 106.2 of the development costs for the project and the Minnesota Housing Finance Agency shall
 106.3 not include in its review of the project any per-unit cost limitations or other similar
 106.4 restrictions. The Minnesota Housing Finance Agency shall consider the legislature's
 106.5 determinations in evaluating the project and granting any requests or making any
 106.6 determinations related to the Fort Snelling Upper Post project to facilitate an allocation of
 106.7 low-income housing tax credits in light of the importance to the state of this unique and
 106.8 historic development.

106.9 Subd. 5. **State historic structure rehabilitation tax credit.** Notwithstanding the
 106.10 provisions of section 290.0681 or section 47(a)(2) of the Internal Revenue Code of 1986,
 106.11 as amended, to the extent the Fort Snelling Upper Post project qualifies for the credit as
 106.12 provided in section 290.0681, the amount of the credit shall be 100 percent of the credit
 106.13 allowed under section 47(a)(2) of the Internal Revenue Code of 1986, as amended, but shall
 106.14 be taken in full in the taxable year in which the qualified rehabilitation expenditures are
 106.15 placed in service for the Fort Snelling Upper Post project rather than ratably as described
 106.16 in section 47(a) of the Internal Revenue Code of 1986, as amended.

106.17 **EFFECTIVE DATE.** This section is effective the day following final enactment and
 106.18 shall expire on December 31, 2020.

142.16 be accessible and free to the public unless
142.17 made private under the Data Practices Act,
142.18 Minnesota Statutes, chapter 13. To the extent
142.19 practicable, summary data and results of
142.20 projects funded under this section should be
142.21 readily accessible on the Internet and
142.22 identified as having received funding from the
142.23 environment and natural resources trust fund.
- 142.24 **Subd. 15. Project Requirements**

143.27 durability of the restoration project. The plan
143.28 must include the proposed timetable for
143.29 implementing the restoration, including site
143.30 preparation, establishment of diverse plant
143.31 species, maintenance, and additional
143.32 enhancement to establish the restoration;
143.33 identify long-term maintenance and
143.34 management needs of the restoration and how
143.35 the maintenance, management, and

- 144.1 enhancement will be financed; and take
144.2 advantage of the best-available science and
144.3 include innovative techniques to achieve the
144.4 best restoration.
- 144.5 (d) An entity receiving an appropriation in this

144.8 completion of the appropriation and an
144.9 evaluation three years after the completion of
144.10 the expenditure. Restorations must be
144.11 evaluated relative to the stated goals and
144.12 standards in the restoration plan, current
144.13 science, and, when applicable, the Board of
144.14 Water and Soil Resources' native vegetation
144.15 establishment and enhancement guidelines.
144.16 The evaluation must determine whether the
144.17 restorations are meeting planned goals,
144.18 identify any problems with implementing the
144.19 restorations, and, if necessary, give
144.20 recommendations on improving restorations.
144.21 The evaluation must be focused on improving
144.22 future restorations.
- 144.23 (e) All restoration and enhancement projects
144.24 funded with money appropriated in this section

145.10 enforcement plan and funding for monitoring
145.11 and enforcing the easement agreement; and
- 145.12 (6) include requirements in the easement
145.13 document to protect the quantity and quality
145.14 of groundwater and surface water through
145.15 specific activities such as keeping water on
145.16 the landscape, reducing nutrient and
145.17 contaminant loading, and not permitting
145.18 artificial hydrological modifications.
- 145.19 (h) For any acquisition of lands or interest in
145.20 lands, a recipient of money appropriated under
145.21 this section must not agree to pay more than
145.22 100 percent of the appraised value for a parcel
145.23 of land using this money to complete the

145.33 this section must give priority to high-quality

146.1 natural resources or conservation lands that
146.2 provide natural buffers to water resources.

146.3 (j) For new lands acquired with money
146.4 appropriated under this section, a recipient
146.5 must prepare an ecological restoration and
146.6 management plan in compliance with
146.7 paragraph (c), including sufficient funding for
146.8 implementation unless the work plan addresses
146.9 why a portion of the money is not necessary
146.10 to achieve a high-quality restoration.

146.11 (k) To ensure public accountability for using
146.12 public funds, a recipient of money
146.13 appropriated under this section must, within
146.14 60 days of the transaction, provide to the
146.15 Legislative-Citizen Commission on Minnesota
146.16 Resources documentation of the selection

146.24 recipient must also report to the
146.25 Legislative-Citizen Commission on Minnesota
146.26 Resources any difference between the
146.27 acquisition amount paid to the seller and the
146.28 state-certified or state-reviewed appraisal, if
146.29 a state-certified or state-reviewed appraisal
146.30 was conducted.

146.31 (l) A recipient of an appropriation from the

147.2 completed using the appropriation.
147.3 Acknowledgment may occur, as appropriate,
147.4 through use of the trust fund logo or inclusion
147.5 of language attributing support from the trust
147.6 fund. Each direct recipient of money
147.7 appropriated in this section, as well as each
147.8 recipient of a grant awarded pursuant to this
147.9 section, must satisfy all reporting and other

147.27 deliverable items articulated in the approved
147.28 work plan have been achieved, including
147.29 partial achievements as evidenced by approved
147.30 progress reports. Reasonable amounts may be
147.31 advanced to projects to accommodate
147.32 cash-flow needs or match federal money. The
147.33 advances must be approved as part of the work
147.34 plan. No expenditures for capital equipment

169.1 that the adaptive lake management plan, including carp removal in Lake Winona, can be
169.2 completed and the lake can be reassessed. The permit may include a schedule of compliance
169.3 outlining the required lake management activities and requiring that lake management

179.9 powers of the state are not pledged to the payment of the appropriation bonds or to any
179.10 payment that the state agrees to make under this section. Appropriation bonds shall not be
179.11 obligations paid directly, in whole or in part, from a tax of statewide application on any
179.12 class of property, income, transaction, or privilege. Appropriation bonds shall be payable
179.13 in each fiscal year only from amounts that the legislature may appropriate for debt service
179.14 for any fiscal year, provided that nothing in this section shall be construed to require the
179.15 state to appropriate money sufficient to make debt service payments with respect to the
179.16 appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and shall no
179.17 longer be outstanding on the earlier of (1) the first day of a fiscal year for which the
179.18 legislature shall not have appropriated amounts sufficient for debt service, or (2) the date

179.31 contracts to which the commissioner is a party.

180.21 shall give priority to funding programs and projects under paragraph (a), clauses (1) and

181.25 traditional sources of money to pay for expenditures authorized by Minnesota Statutes,
181.26 section 116P.08, subdivision 1. Further, the legislature finds that notwithstanding any
181.27 limitation on use of trust fund money in Minnesota Statutes, chapter 116P, the appropriations
181.28 in this section are for a public purpose and supplement other sources of money to help pay
181.29 for projects that are consistent with the purposes of the trust fund.

181.30 Subd. 3. **Bond sale authorization.** To provide the money appropriated in this section,
