3.4 **ARTICLE 1**

3.5 **COMMUNITY SUPPORTS**

3.6 Section 1. Minnesota Statutes 2016, section 245A.03, subdivision 7, is amended to read:

3.7 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license  
 3.8 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult  
 3.9 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter  
 3.10 for a physical location that will not be the primary residence of the license holder for the  
 3.11 entire period of licensure. If a license is issued during this moratorium, and the license  
 3.12 holder changes the license holder's primary residence away from the physical location of  
 3.13 the foster care license, the commissioner shall revoke the license according to section  
 3.14 245A.07. The commissioner shall not issue an initial license for a community residential  
 3.15 setting licensed under chapter 245D. Exceptions to the moratorium include:

3.16 (1) foster care settings that are required to be registered under chapter 144D;

3.17 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or  
 3.18 community residential setting licenses replacing adult foster care licenses in existence on  
 3.19 December 31, 2013, and determined to be needed by the commissioner under paragraph  
 3.20 (b);

3.21 (3) new foster care licenses or community residential setting licenses determined to be  
 3.22 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,  
 3.23 or regional treatment center; restructuring of state-operated services that limits the capacity  
 3.24 of state-operated facilities; or allowing movement to the community for people who no  
 3.25 longer require the level of care provided in state-operated facilities as provided under section  
 3.26 256B.092, subdivision 13, or 256B.49, subdivision 24;

3.27 (4) new foster care licenses or community residential setting licenses determined to be  
 3.28 needed by the commissioner under paragraph (b) for persons requiring hospital level care;  
 3.29 ~~or~~

3.30 (5) new foster care licenses or community residential setting licenses determined to be  
 3.31 needed by the commissioner for the transition of people from personal care assistance to  
 3.32 the home and community-based services;

4.1 (6) new foster care licenses or community residential setting licenses determined to be  
4.2 needed by the commissioner for the transition of people from the residential care waiver  
4.3 service to foster care services. This exception applies only when:

4.4 (i) the person's case manager provided the person with information about the choice of  
4.5 service, service provider, and location of service to help the person make an informed choice;  
4.6 and

4.7 (ii) the person's foster care services are less than or equal to the cost of the person's  
4.8 services delivered in the residential care waiver service setting as determined by the lead  
4.9 agency; or

4.10 (7) new foster care licenses or community residential setting licenses determined to be  
4.11 needed by the commissioner for people receiving services under chapter 245D while residing  
4.12 in an unlicensed setting before May 1, 2017, and for which a license is required, as  
4.13 determined by the commissioner. The exception is available until June 30, 2018. This  
4.14 exception is available when:

4.15 (i) the person's case manager provided the person with information about the choice of  
4.16 service, service provider, and location of service, including in the person's home, to help  
4.17 the person make an informed choice; and

4.18 (ii) the person's services provided in the licensed foster care or community residential  
4.19 setting are less than or equal to the cost of the person's services delivered in the unlicensed  
4.20 setting as determined by the lead agency.

4.21 (b) The commissioner shall determine the need for newly licensed foster care homes or  
4.22 community residential settings as defined under this subdivision. As part of the determination,  
4.23 the commissioner shall consider the availability of foster care capacity in the area in which  
4.24 the licensee seeks to operate, and the recommendation of the local county board. The  
4.25 determination by the commissioner must be final. A determination of need is not required  
4.26 for a change in ownership at the same address.

4.27 (c) When an adult resident served by the program moves out of a foster home that is not  
4.28 the primary residence of the license holder according to section 256B.49, subdivision 15,  
4.29 paragraph (f), or the adult community residential setting, the county shall immediately  
4.30 inform the Department of Human Services Licensing Division. The department shall decrease  
4.31 the statewide licensed capacity for adult foster care settings where the physical location is  
4.32 not the primary residence of the license holder, or for adult community residential settings,  
4.33 if the voluntary changes described in paragraph (e) are not sufficient to meet the savings  
4.34 required by reductions in licensed bed capacity under Laws 2011, First Special Session

5.1 chapter 9, article 7, sections 1 and 40, paragraph (f), and maintain statewide long-term care  
5.2 residential services capacity within budgetary limits. Implementation of the statewide  
5.3 licensed capacity reduction shall begin on July 1, 2013. The commissioner shall delicense  
5.4 up to 128 beds by June 30, 2014, using the needs determination process. Prior to any  
5.5 involuntary reduction of licensed capacity, the commissioner shall consult with lead agencies  
5.6 and license holders to determine which adult foster care settings, where the physical location  
5.7 is not the primary residence of the license holder, or community residential settings, are  
5.8 licensed for up to five beds, but have operated at less than full capacity for 12 or more  
5.9 months as of March 1, 2014. The settings that meet these criteria must be the first to be  
5.10 considered for an involuntary decrease in statewide licensed capacity, up to a maximum of  
5.11 35 beds. If more than 35 beds are identified that meet these criteria, the commissioner shall  
5.12 prioritize the selection of those beds to be closed based on the length of time the beds have  
5.13 been vacant. The longer a bed has been vacant, the higher priority it must be given for  
5.14 closure. Under this paragraph, the commissioner has the authority to reduce unused licensed  
5.15 capacity of a current foster care program, or the community residential settings, to accomplish  
5.16 the consolidation or closure of settings. Under this paragraph, the commissioner has the  
5.17 authority to manage statewide capacity, including adjusting the capacity available to each  
5.18 county and adjusting statewide available capacity, to meet the statewide needs identified  
5.19 through the process in paragraph (e). A decreased licensed capacity according to this  
5.20 paragraph is not subject to appeal under this chapter.

5.21 (d) Residential settings that would otherwise be subject to the decreased license capacity  
5.22 established in paragraph (c) shall be exempt if the license holder's beds are occupied by  
5.23 residents whose primary diagnosis is mental illness and the license holder is certified under  
5.24 the requirements in subdivision 6a or section 245D.33.

5.25 (e) A resource need determination process, managed at the state level, using the available  
5.26 reports required by section 144A.351, and other data and information shall be used to  
5.27 determine where the reduced capacity required under paragraph (c) will be implemented.  
5.28 The commissioner shall consult with the stakeholders described in section 144A.351, and  
5.29 employ a variety of methods to improve the state's capacity to meet long-term care service  
5.30 needs within budgetary limits, including seeking proposals from service providers or lead  
5.31 agencies to change service type, capacity, or location to improve services, increase the  
5.32 independence of residents, and better meet needs identified by the long-term care services  
5.33 reports and statewide data and information. By February 1, 2013, and August 1, 2014, and  
5.34 each following year, the commissioner shall provide information and data on the overall  
5.35 capacity of licensed long-term care services, actions taken under this subdivision to manage

6.1 statewide long-term care services and supports resources, and any recommendations for  
6.2 change to the legislative committees with jurisdiction over health and human services budget.

6.3 (f) At the time of application and reapplication for licensure, the applicant and the license  
6.4 holder that are subject to the moratorium or an exclusion established in paragraph (a) are  
6.5 required to inform the commissioner whether the physical location where the foster care  
6.6 will be provided is or will be the primary residence of the license holder for the entire period  
6.7 of licensure. If the primary residence of the applicant or license holder changes, the applicant  
6.8 or license holder must notify the commissioner immediately. The commissioner shall print  
6.9 on the foster care license certificate whether or not the physical location is the primary  
6.10 residence of the license holder.

6.11 (g) License holders of foster care homes identified under paragraph (f) that are not the  
6.12 primary residence of the license holder and that also provide services in the foster care home  
6.13 that are covered by a federally approved home and community-based services waiver, as  
6.14 authorized under section 256B.0915, 256B.092, or 256B.49, must inform the human services  
6.15 licensing division that the license holder provides or intends to provide these waiver-funded  
6.16 services.

6.17 **EFFECTIVE DATE.** This section is effective the day following final enactment.

6.18 Sec. 2. Minnesota Statutes 2016, section 245D.03, subdivision 1, is amended to read:

6.19 Subdivision 1. **Applicability.** (a) The commissioner shall regulate the provision of home  
6.20 and community-based services to persons with disabilities and persons age 65 and older

58.14 Sec. 8. Minnesota Statutes 2016, section 256I.04, subdivision 3, is amended to read:

58.15 Subd. 3. **Moratorium on development of ~~group residential~~ housing support beds.**

58.16 (a) Agencies shall not enter into agreements for new ~~group residential~~ housing support beds  
 58.17 with total rates in excess of the MSA equivalent rate except:

58.18 (1) for ~~group residential housing~~ establishments licensed under chapter 245D provided  
 58.19 the facility is needed to meet the census reduction targets for persons with developmental  
 58.20 disabilities at regional treatment centers;

58.21 (2) up to 80 beds in a single, specialized facility located in Hennepin County that will  
 58.22 provide housing for chronic inebriates who are repetitive users of detoxification centers and  
 58.23 are refused placement in emergency shelters because of their state of intoxication, and  
 58.24 planning for the specialized facility must have been initiated before July 1, 1991, in  
 58.25 anticipation of receiving a grant from the Housing Finance Agency under section 462A.05,  
 58.26 subdivision 20a, paragraph (b);

58.27 (3) notwithstanding the provisions of subdivision 2a, for up to 190 supportive housing  
 58.28 units in Anoka, Dakota, Hennepin, or Ramsey County for homeless adults with a mental  
 58.29 illness, a history of substance abuse, or human immunodeficiency virus or acquired  
 58.30 immunodeficiency syndrome. For purposes of this section, "homeless adult" means a person  
 58.31 who is living on the street or in a shelter or discharged from a regional treatment center,  
 58.32 community hospital, or residential treatment program and has no appropriate housing

59.1 available and lacks the resources and support necessary to access appropriate housing. At  
59.2 least 70 percent of the supportive housing units must serve homeless adults with mental  
59.3 illness, substance abuse problems, or human immunodeficiency virus or acquired  
59.4 immunodeficiency syndrome who are about to be or, within the previous six months, has  
59.5 been discharged from a regional treatment center, or a state-contracted psychiatric bed in  
59.6 a community hospital, or a residential mental health or chemical dependency treatment  
59.7 program. If a person meets the requirements of subdivision 1, paragraph (a), and receives  
59.8 a federal or state housing subsidy, the ~~group residential~~ housing support rate for that person  
59.9 is limited to the supplementary rate under section 256I.05, subdivision 1a, and is determined  
59.10 by subtracting the amount of the person's countable income that exceeds the MSA equivalent  
59.11 rate from the ~~group residential~~ housing support supplementary service rate. A resident in a  
59.12 demonstration project site who no longer participates in the demonstration program shall  
59.13 retain eligibility for a ~~group residential~~ housing support payment in an amount determined  
59.14 under section 256I.06, subdivision 8, using the MSA equivalent rate. Service funding under  
59.15 section 256I.05, subdivision 1a, will end June 30, 1997, if federal matching funds are  
59.16 available and the services can be provided through a managed care entity. If federal matching  
59.17 funds are not available, then service funding will continue under section 256I.05, subdivision  
59.18 1a;

59.19 (4) for an additional two beds, resulting in a total of 32 beds, for a facility located in  
59.20 Hennepin County providing services for recovering and chemically dependent men that has  
59.21 had a ~~group residential~~ housing support contract with the county and has been licensed as  
59.22 a board and lodge facility with special services since 1980;

59.23 (5) for a ~~group residential~~ housing support provider located in the city of St. Cloud, or  
59.24 a county contiguous to the city of St. Cloud, that operates a 40-bed facility, that received  
59.25 financing through the Minnesota Housing Finance Agency Ending Long-Term Homelessness  
59.26 Initiative and serves chemically dependent clientele, providing 24-hour-a-day supervision;

59.27 (6) for a new 65-bed facility in Crow Wing County that will serve chemically dependent  
59.28 persons, operated by a ~~group residential~~ housing support provider that currently operates a  
59.29 304-bed facility in Minneapolis, and a 44-bed facility in Duluth;

59.30 (7) for a ~~group residential~~ housing support provider that operates two ten-bed facilities,  
59.31 one located in Hennepin County and one located in Ramsey County, that provide community  
59.32 support and 24-hour-a-day supervision to serve the mental health needs of individuals who  
59.33 have chronically lived unsheltered; and

60.1 (8) for a ~~group residential~~ facility authorized for recipients of housing support in Hennepin  
60.2 County with a capacity of up to 48 beds that has been licensed since 1978 as a board and  
60.3 lodging facility and that until August 1, 2007, operated as a licensed chemical dependency  
60.4 treatment program.

60.5 (b) An agency may enter into a ~~group residential~~ housing support agreement for beds  
60.6 with rates in excess of the MSA equivalent rate in addition to those currently covered under  
60.7 a ~~group residential~~ housing support agreement if the additional beds are only a replacement  
60.8 of beds with rates in excess of the MSA equivalent rate which have been made available  
60.9 due to closure of a setting, a change of licensure or certification which removes the beds  
60.10 from ~~group residential~~ housing support payment, or as a result of the downsizing of a ~~group~~  
60.11 ~~residential housing~~ setting authorized for recipients of housing support. The transfer of  
60.12 available beds from one agency to another can only occur by the agreement of both agencies.

60.13 **EFFECTIVE DATE.** This section is effective July 1, 2017.

60.14 Sec. 9. Minnesota Statutes 2016, section 256I.05, subdivision 1a, is amended to read:

60.15 Subd. 1a. **Supplementary service rates.** (a) Subject to the provisions of section 256I.04,  
60.16 subdivision 3, the county agency may negotiate a payment not to exceed \$426.37 for other  
60.17 services necessary to provide room and board ~~provided by the group residence~~ if the residence  
60.18 is licensed by or registered by the Department of Health, or licensed by the Department of  
60.19 Human Services to provide services in addition to room and board, and if the provider of  
60.20 services is not also concurrently receiving funding for services for a recipient under a home  
60.21 and community-based waiver under title XIX of the Social Security Act; or funding from  
60.22 the medical assistance program under section 256B.0659, for personal care services for  
60.23 residents in the setting; or residing in a setting which receives funding under section 245.73.  
60.24 If funding is available for other necessary services through a home and community-based  
60.25 waiver, or personal care services under section 256B.0659, then the ~~GRH~~ housing support  
60.26 rate is limited to the rate set in subdivision 1. Unless otherwise provided in law, in no case  
60.27 may the supplementary service rate exceed \$426.37. The registration and licensure  
60.28 requirement does not apply to establishments which are exempt from state licensure because  
60.29 they are located on Indian reservations and for which the tribe has prescribed health and  
60.30 safety requirements. Service payments under this section may be prohibited under rules to  
60.31 prevent the supplanting of federal funds with state funds. The commissioner shall pursue  
60.32 the feasibility of obtaining the approval of the Secretary of Health and Human Services to  
60.33 provide home and community-based waiver services under title XIX of the Social Security  
60.34 Act for residents who are not eligible for an existing home and community-based waiver

61.1 due to a primary diagnosis of mental illness or chemical dependency and shall apply for a  
61.2 waiver if it is determined to be cost-effective.

61.3 (b) The commissioner is authorized to make cost-neutral transfers from the ~~GRH~~ housing  
61.4 support fund for beds under this section to other funding programs administered by the  
61.5 department after consultation with the county or counties in which the affected beds are  
61.6 located. The commissioner may also make cost-neutral transfers from the ~~GRH~~ housing  
61.7 support fund to county human service agencies for beds permanently removed from the  
61.8 ~~GRH~~ housing support census under a plan submitted by the county agency and approved  
61.9 by the commissioner. The commissioner shall report the amount of any transfers under this  
61.10 provision annually to the legislature.

61.11 (c) Counties must not negotiate supplementary service rates with providers of ~~group~~  
61.12 ~~residential~~ housing support that are licensed as board and lodging with special services and  
61.13 that do not encourage a policy of sobriety on their premises and make referrals to available  
61.14 community services for volunteer and employment opportunities for residents.

61.15 **EFFECTIVE DATE.** This section is effective July 1, 2017.

61.16 Sec. 10. Minnesota Statutes 2016, section 256I.05, subdivision 1c, is amended to read:

61.18 ~~residential~~ housing support above those in effect on June 30, 1993, except as provided in  
61.19 paragraphs (a) to (f).

61.20 (a) An agency may increase the rates for ~~group residential housing settings~~ room and  
61.21 board to the MSA equivalent rate for those settings whose current rate is below the MSA  
61.22 equivalent rate.

61.23 (b) An agency may increase the rates for residents in adult foster care whose difficulty  
61.24 of care has increased. The total ~~group residential~~ housing support rate for these residents  
61.25 must not exceed the maximum rate specified in subdivisions 1 and 1a. Agencies must not  
61.26 include nor increase ~~group residential housing~~ difficulty of care rates for adults in foster  
61.27 care whose difficulty of care is eligible for funding by home and community-based waiver  
61.28 programs under title XIX of the Social Security Act.

61.29 (c) The room and board rates will be increased each year when the MSA equivalent rate  
61.30 is adjusted for SSI cost-of-living increases by the amount of the annual SSI increase, less  
61.31 the amount of the increase in the medical assistance personal needs allowance under section  
61.32 256B.35.

62.1 (d) When a ~~group residential~~ housing rate is used to pay support pays for an individual's  
 62.2 room and board, or other costs necessary to provide room and board, the rate payable to the  
 62.3 residence must continue for up to 18 calendar days per incident that the person is temporarily  
 62.4 absent from the residence, not to exceed 60 days in a calendar year, if the absence or absences  
 62.5 have received the prior approval of the county agency's social service staff. Prior approval  
 62.6 is not required for emergency absences due to crisis, illness, or injury.

62.7 (e) For facilities meeting substantial change criteria within the prior year. Substantial  
 62.8 change criteria exists if the ~~group residential housing~~ establishment experiences a 25 percent  
 62.9 increase or decrease in the total number of its beds, if the net cost of capital additions or  
 62.10 improvements is in excess of 15 percent of the current market value of the residence, or if  
 62.11 the residence physically moves, or changes its licensure, and incurs a resulting increase in  
 62.12 operation and property costs.

62.13 (f) Until June 30, 1994, an agency may increase by up to five percent the total rate paid  
 62.14 for recipients of assistance under sections 256D.01 to 256D.21 or 256D.33 to 256D.54 who  
 62.15 reside in residences that are licensed by the commissioner of health as a boarding care home,  
 62.16 but are not certified for the purposes of the medical assistance program. However, an increase  
 62.17 under this clause must not exceed an amount equivalent to 65 percent of the 1991 medical  
 62.18 assistance reimbursement rate for nursing home resident class A, in the geographic grouping  
 62.19 in which the facility is located, as established under Minnesota Rules, parts 9549.0051 to  
 62.20 9549.0058.

68.1 Subd. 6. **Penalties for late or nonsubmission.** (a) A facility that fails to complete or  
 68.2 submit an assessment according to subdivisions 4 and 5 for a RUG-IV classification within  
 68.3 seven days of the time requirements listed in the Long-Term Care Facility Resident  
 68.4 Assessment Instrument User's Manual is subject to a reduced rate for that resident. The  
 68.5 reduced rate shall be the lowest rate for that facility. The reduced rate is effective on the  
 68.6 day of admission for new admission assessments, on the ARD for significant change in  
 68.7 status assessments, or on the day that the assessment was due for all other assessments and  
 68.8 continues in effect until the first day of the month following the date of submission and  
 68.9 acceptance of the resident's assessment.

68.10 (b) If loss of revenue due to penalties incurred by a facility for any period of 92 days  
 68.11 are equal to or greater than ~~1.0~~ 0.1 percent of the total operating costs on the facility's most  
 68.12 recent annual statistical and cost report, a facility may apply to the commissioner of human  
 68.13 services for a reduction in the total penalty amount. The commissioner of human services,  
 68.14 in consultation with the commissioner of health, may, at the sole discretion of the  
 68.15 commissioner of human services, limit the penalty for residents covered by medical assistance  
 68.16 to ~~15~~ ten days.

68.17 **EFFECTIVE DATE.** This section is effective the day following final enactment.

68.18 Sec. 2. Minnesota Statutes 2016, section 144A.071, subdivision 4d, is amended to read:

68.19 Subd. 4d. **Consolidation of nursing facilities.** (a) The commissioner of health, in  
 68.20 consultation with the commissioner of human services, may approve a request for  
 68.21 consolidation of nursing facilities which includes the closure of one or more facilities and  
 68.22 the upgrading of the physical plant of the remaining nursing facility or facilities, the costs  
 68.23 of which exceed the threshold project limit under subdivision 2, clause (a). The  
 68.24 commissioners shall consider the criteria in this section, section 144A.073, and section  
 68.25 ~~256B.437~~ 256R.40, in approving or rejecting a consolidation proposal. In the event the  
 68.26 commissioners approve the request, the commissioner of human services shall calculate an  
 68.27 external fixed costs rate adjustment according to clauses (1) to (3):

68.28 (1) the closure of beds shall not be eligible for a planned closure rate adjustment under  
 68.29 section ~~256B.437~~, ~~subdivision 6~~ 256R.40, subdivision 5;

68.30 (2) the construction project permitted in this clause shall not be eligible for a threshold  
 68.31 project rate adjustment under section 256B.434, subdivision 4f, or a moratorium exception  
 68.32 adjustment under section 144A.073; and

69.1 (3) the payment rate for external fixed costs for a remaining facility or facilities shall  
69.2 be increased by an amount equal to 65 percent of the projected net cost savings to the state  
69.3 calculated in paragraph (b), divided by the state's medical assistance percentage of medical  
69.4 assistance dollars, and then divided by estimated medical assistance resident days, as  
69.5 determined in paragraph (c), of the remaining nursing facility or facilities in the request in  
69.6 this paragraph. The rate adjustment is effective on the ~~later of the first day of the month~~  
69.7 ~~following~~ first day of the month of January or July, whichever date occurs immediately  
69.8 after the completion of the construction upgrades in the consolidation plan or the first day  
69.9 of the month following and the complete closure of a facility closure of the facility or  
69.10 facilities designated for closure in the consolidation plan. If more than one facility is receiving  
69.11 upgrades in the consolidation plan, each facility's date of construction completion must be  
69.12 evaluated separately.

69.13 (b) For purposes of calculating the net cost savings to the state, the commissioner shall  
69.14 consider clauses (1) to (7):

69.15 (1) the annual savings from estimated medical assistance payments from the net number  
69.16 of beds closed taking into consideration only beds that are in active service on the date of  
69.17 the request and that have been in active service for at least three years;

69.18 (2) the estimated annual cost of increased case load of individuals receiving services  
69.19 under the elderly waiver;

69.21 residential housing;

69.22 (4) the estimated annual cost of increased case load of individuals receiving services  
69.23 under the alternative care program;

69.24 (5) the annual loss of license surcharge payments on closed beds;

69.27 (7) the savings from not paying external fixed costs payment rate adjustments from  
69.28 submission of renovation costs that would otherwise be eligible as threshold projects under  
69.29 section 256B.434, subdivision 4f.

69.30 (c) For purposes of the calculation in paragraph (a), clause (3), the estimated medical  
69.31 assistance resident days of the remaining facility or facilities shall be computed assuming  
69.32 95 percent occupancy multiplied by the historical percentage of medical assistance resident  
69.33 days of the remaining facility or facilities, as reported on the facility's or facilities' most

70.1 recent nursing facility statistical and cost report filed before the plan of closure is submitted,  
70.2 multiplied by 365.

70.3 (d) For purposes of net cost of savings to the state in paragraph (b), the average occupancy  
70.4 percentages will be those reported on the facility's or facilities' most recent nursing facility  
70.5 statistical and cost report filed before the plan of closure is submitted, and the average  
70.6 payment rates shall be calculated based on the approved payment rates in effect at the time  
70.7 the consolidation request is submitted.

70.8 (e) To qualify for the external fixed costs payment rate adjustment under this subdivision,  
70.9 the closing facilities shall:

70.10 (1) submit an application for closure according to section ~~256B.437, subdivision 3~~  
70.11 256R.40, subdivision 2; and

 77.8 and who uses an unpaid caregiver to the self-directed caregiver service under subdivision  
 77.9 12.

77.10 **EFFECTIVE DATE.** This section is effective July 1, 2017.

77.11 Sec. 7. Minnesota Statutes 2016, section 256.975, is amended by adding a subdivision to  
 77.12 read:

77.13 Subd. 12. **Self-directed caregiver grants.** Beginning on July 1, 2019, the Minnesota  
 77.14 Board on Aging shall administer self-directed caregiver grants to support at risk family  
 77.15 caregivers of older adults or others eligible under the Older Americans Act of 1965, United  
 77.16 States Code, title 42, chapter 35, sections 3001 to 3058ff, to sustain family caregivers in  
 77.17 the caregivers' roles so older adults can remain at home longer. The board shall give priority  
 77.18 to consumers referred under section 256.975, subdivision 7, paragraph (d).

77.19 **EFFECTIVE DATE.** This section is effective July 1, 2017.

77.20 Sec. 8. Minnesota Statutes 2016, section 256B.431, subdivision 10, is amended to read:

77.21 Subd. 10. **Property rate adjustments and construction projects.** A nursing facility  
 77.22 completing a construction project that is eligible for a rate adjustment under section  
 77.23 256B.434, subdivision 4f, and that was not approved through the moratorium exception  
 77.24 process in section 144A.073 must request from the commissioner a property-related payment  
 77.25 rate adjustment. ~~If the request is made within 60 days after the construction project's~~  
 77.26 ~~completion date,~~ The effective date of the rate adjustment is the first of the month of January  
 77.27 or July, whichever occurs immediately following the construction project's completion date  
 77.28 and submission of the provider's rate adjustment request. ~~If the request is made more than~~  
 77.29 ~~60 days after the completion date, the rate adjustment is effective on the first of the month~~  
 77.30 ~~following the request.~~ The commissioner shall provide a rate notice reflecting the allowable  
 77.31 costs within 60 days after receiving all the necessary information to compute the rate  
 77.32 adjustment. No sooner than the effective date of the rate adjustment for the construction  
 77.33 project, a nursing facility may adjust its rates by the amount anticipated to be allowed. Any

78.1 amounts collected from private pay residents in excess of the allowable rate must be repaid  
78.2 to private pay residents with interest at the rate used by the commissioner of revenue for  
78.3 the late payment of taxes and in effect on the date the rate increase is effective. Construction  
78.4 projects with completion dates within one year of the completion date associated with the  
78.5 property rate adjustment request and phased projects with project completion dates within  
78.6 three years of the last phase of the phased project must be aggregated for purposes of the  
78.7 minimum thresholds in subdivisions 16 and 17, and the maximum threshold in section  
78.8 144A.071, subdivision 2. "Construction project" and "project construction costs" have the  
78.9 meanings given them in Minnesota Statutes, section 144A.071, subdivision 1a.

78.10 **EFFECTIVE DATE.** This section is effective for projects completed after January 1,  
78.11 2018.

78.12 Sec. 9. Minnesota Statutes 2016, section 256B.431, subdivision 16, is amended to read:

78.13 Subd. 16. **Major additions and replacements; equity incentive.** For rate years beginning  
78.14 after June 30, 1993, if a nursing facility acquires capital assets in connection with a project  
78.15 approved under the moratorium exception process in section 144A.073 or in connection  
78.16 with an addition to or replacement of buildings, attached fixtures, or land improvements  
78.17 for which the total historical cost of those capital asset additions exceeds the lesser of  
78.18 \$150,000 or ten percent of the most recent appraised value, the nursing facility shall be  
78.19 eligible for an equity incentive payment rate as in paragraphs (a) to (d). This computation  
78.20 is separate from the determination of the nursing facility's rental rate. An equity incentive  
78.21 payment rate as computed under this subdivision is limited to one in a 12-month period.

78.22 (a) An eligible nursing facility shall receive an equity incentive payment rate equal to  
78.23 the allowable historical cost of the capital asset acquired, minus the allowable debt directly  
78.24 identified to that capital asset, multiplied by the equity incentive factor as described in  
78.25 paragraphs (b) and (c), and divided by the nursing facility's occupancy factor under  
78.26 subdivision 3f, paragraph (c). This amount shall be added to the nursing facility's total  
78.27 payment rate and shall be effective the same day as the incremental increase in paragraph  
78.28 (d) or subdivision 17. The allowable historical cost of the capital assets and the allowable  
78.29 debt shall be determined as provided in Minnesota Rules, parts 9549.0010 to 9549.0080,  
78.30 and this section.

78.31 (b) The equity incentive factor shall be determined under clauses (1) to (4):

78.32 (1) divide the initial allowable debt in paragraph (a) by the initial historical cost of the  
78.33 capital asset additions referred to in paragraph (a), then cube the quotient,

79.1 (2) subtract the amount calculated in clause (1) from the number one,

79.2 (3) determine the difference between the rental factor and the lesser of two percentage  
79.3 points above the posted yield for standard conventional fixed rate mortgages of the Federal  
79.4 Home Loan Mortgage Corporation as published in the Wall Street Journal and in effect on  
79.5 the first day of the month the debt or cost is incurred, or 16 percent,

79.6 (4) multiply the amount calculated in clause (2) by the amount calculated in clause (3).

79.7 (c) The equity incentive payment rate shall be limited to the term of the allowable debt  
79.8 in paragraph (a), not greater than 20 years nor less than ten years. If no debt is incurred in  
79.9 acquiring the capital asset, the equity incentive payment rate shall be paid for ten years. The  
79.10 sale of a nursing facility under subdivision 14 shall terminate application of the equity  
79.11 incentive payment rate effective on the date provided in subdivision 14, paragraph (f), for  
79.12 the sale.

79.13 (d) A nursing facility with an addition to or a renovation of its buildings, attached fixtures,  
79.14 or land improvements meeting the criteria in this subdivision and not receiving the  
79.15 property-related payment rate adjustment in subdivision 17, shall receive the incremental  
79.16 increase in the nursing facility's rental rate as determined under Minnesota Rules, parts  
79.17 9549.0010 to 9549.0080, and this section. The incremental increase shall be added to the  
79.18 nursing facility's property-related payment rate. The effective date of this incremental  
79.19 increase shall be the first day of the month of January or July, whichever occurs immediately  
79.20 following the ~~month in~~ date on which the addition or replacement is completed.

79.21 **EFFECTIVE DATE.** This section is effective for additions or replacements completed  
79.22 after January 1, 2018.

79.23 Sec. 10. Minnesota Statutes 2016, section 256B.431, subdivision 30, is amended to read:

79.24 Subd. 30. **Bed layaway and delicensure.** (a) For rate years beginning on or after July  
79.25 1, 2000, a nursing facility reimbursed under this section which has placed beds on layaway  
79.26 shall, for purposes of application of the downsizing incentive in subdivision 3a, paragraph  
79.27 (c), and calculation of the rental per diem, have those beds given the same effect as if the  
79.28 beds had been delicensed so long as the beds remain on layaway. At the time of a layaway,  
79.29 a facility may change its single bed election for use in calculating capacity days under  
79.30 Minnesota Rules, part 9549.0060, subpart 11. The property payment rate increase shall be  
79.31 effective the first day of the month of January or July, whichever occurs immediately  
79.32 following the ~~month~~ date in which the layaway of the beds becomes effective under section  
79.33 144A.071, subdivision 4b.

80.1 (b) For rate years beginning on or after July 1, 2000, notwithstanding any provision to  
80.2 the contrary under section 256B.434, a nursing facility reimbursed under that section which  
80.3 has placed beds on layaway shall, for so long as the beds remain on layaway, be allowed  
80.4 to:

80.5 (1) aggregate the applicable investment per bed limits based on the number of beds  
80.6 licensed immediately prior to entering the alternative payment system;

80.7 (2) retain or change the facility's single bed election for use in calculating capacity days  
80.8 under Minnesota Rules, part 9549.0060, subpart 11; and

80.9 (3) establish capacity days based on the number of beds immediately prior to the layaway  
80.10 and the number of beds after the layaway.

80.11 The commissioner shall increase the facility's property payment rate by the incremental  
80.12 increase in the rental per diem resulting from the recalculation of the facility's rental per  
80.13 diem applying only the changes resulting from the layaway of beds and clauses (1), (2), and  
80.14 (3). If a facility reimbursed under section 256B.434 completes a moratorium exception  
80.15 project after its base year, the base year property rate shall be the moratorium project property  
80.16 rate. The base year rate shall be inflated by the factors in section 256B.434, subdivision 4,  
80.17 paragraph (c). The property payment rate increase shall be effective the first day of the  
80.18 month of January or July, whichever occurs immediately following the ~~month~~ date in which  
80.19 the layaway of the beds becomes effective.

80.20 (c) If a nursing facility removes a bed from layaway status in accordance with section  
80.21 144A.071, subdivision 4b, the commissioner shall establish capacity days based on the  
80.22 number of licensed and certified beds in the facility not on layaway and shall reduce the  
80.23 nursing facility's property payment rate in accordance with paragraph (b).

80.24 (d) For the rate years beginning on or after July 1, 2000, notwithstanding any provision  
80.25 to the contrary under section 256B.434, a nursing facility reimbursed under that section,  
80.26 which has delicensed beds after July 1, 2000, by giving notice of the delicensure to the  
80.27 commissioner of health according to the notice requirements in section 144A.071, subdivision  
80.28 4b, shall be allowed to:

80.29 (1) aggregate the applicable investment per bed limits based on the number of beds  
80.30 licensed immediately prior to entering the alternative payment system;

80.31 (2) retain or change the facility's single bed election for use in calculating capacity days  
80.32 under Minnesota Rules, part 9549.0060, subpart 11; and

81.1 (3) establish capacity days based on the number of beds immediately prior to the  
81.2 delicensure and the number of beds after the delicensure.

81.3 The commissioner shall increase the facility's property payment rate by the incremental  
81.4 increase in the rental per diem resulting from the recalculation of the facility's rental per  
81.5 diem applying only the changes resulting from the delicensure of beds and clauses (1), (2),  
81.6 and (3). If a facility reimbursed under section 256B.434 completes a moratorium exception  
81.7 project after its base year, the base year property rate shall be the moratorium project property  
81.8 rate. The base year rate shall be inflated by the factors in section 256B.434, subdivision 4,  
81.9 paragraph (c). The property payment rate increase shall be effective the first day of the  
81.10 month of January or July, whichever occurs immediately following the ~~month~~ date in which  
81.11 the delicensure of the beds becomes effective.

81.12 (e) For nursing facilities reimbursed under this section or section 256B.434, any beds  
81.13 placed on layaway shall not be included in calculating facility occupancy as it pertains to  
81.14 leave days defined in Minnesota Rules, part 9505.0415.

81.15 (f) For nursing facilities reimbursed under this section or section 256B.434, the rental  
81.16 rate calculated after placing beds on layaway may not be less than the rental rate prior to  
81.17 placing beds on layaway.

81.18 (g) A nursing facility receiving a rate adjustment as a result of this section shall comply  
81.19 with section ~~256B.47, subdivision 2~~ 256R.06, subdivision 5.

81.20 (h) A facility that does not utilize the space made available as a result of bed layaway  
81.21 or delicensure under this subdivision to reduce the number of beds per room or provide  
81.22 more common space for nursing facility uses or perform other activities related to the  
81.23 operation of the nursing facility shall have its property rate increase calculated under this  
81.24 subdivision reduced by the ratio of the square footage made available that is not used for  
81.25 these purposes to the total square footage made available as a result of bed layaway or  
81.26 delicensure.

81.27 **EFFECTIVE DATE.** This section is effective for layaways occurring after July 1, 2017.

81.28 Sec. 11. Minnesota Statutes 2016, section 256B.434, subdivision 4, is amended to read:

81.29 Subd. 4. **Alternate rates for nursing facilities.** Effective for the rate years beginning  
81.30 on and after January 1, 2018, a nursing facility's ~~ease mix~~ property payment rates ~~rate~~ rate for  
81.31 the second and subsequent years of a facility's contract under this section are the previous  
81.32 rate year's ~~contract~~ property payment rates ~~rate~~ rate plus an inflation adjustment ~~and, for facilities~~  
81.33 ~~reimbursed under this section or section 256B.431, an adjustment to include the cost of any~~

82.1 ~~increase in Health Department licensing fees for the facility taking effect on or after July~~  
 82.2 ~~1, 2001.~~ The index for the inflation adjustment must be based on the change in the Consumer  
 82.3 Price Index-All Items (United States City average) (CPI-U) forecasted by the ~~commissioner~~  
 82.4 ~~of management and budget's national economic consultant~~ Reports and Forecasts Division  
 82.5 of the Department of Human Services, as forecasted in the fourth quarter of the calendar  
 82.6 year preceding the rate year. The inflation adjustment must be based on the 12-month period  
 82.7 from the midpoint of the previous rate year to the midpoint of the rate year for which the  
 82.8 rate is being determined. ~~For the rate years beginning on July 1, 1999, July 1, 2000, July 1,~~  
 82.9 ~~2001, July 1, 2002, July 1, 2003, July 1, 2004, July 1, 2005, July 1, 2006, July 1, 2007, July~~  
 82.10 ~~1, 2008, October 1, 2009, and October 1, 2010, this paragraph shall apply only to the~~

 82.12 ~~2012, October 1, 2013, October 1, 2014, October 1, 2015, January 1, 2016, and January 1,~~  
 82.13 ~~2017, the rate adjustment under this paragraph shall be suspended. Beginning in 2005,~~  
 82.14 ~~adjustment to the property payment rate under this section and section 256B.431 shall be~~  
 82.15 ~~effective on October 1. In determining the amount of the property-related payment rate~~  
 82.16 ~~adjustment under this paragraph, the commissioner shall determine the proportion of the~~  
 82.17 ~~facility's rates that are property-related based on the facility's most recent cost report.~~

82.18 **EFFECTIVE DATE.** This section is effective the day following final enactment.

82.19 Sec. 12. Minnesota Statutes 2016, section 256B.434, subdivision 4f, is amended to read:

82.20 Subd. 4f. **Construction project rate adjustments effective October 1, 2006.** (a)  
 82.21 Effective October 1, 2006, facilities reimbursed under this section may receive a property  
 82.22 rate adjustment for construction projects exceeding the threshold in section 256B.431,  
 82.23 subdivision 16, and below the threshold in section 144A.071, subdivision 2, clause (a). For  
 82.24 these projects, capital assets purchased shall be counted as construction project costs for a  
 82.25 rate adjustment request made by a facility if they are: (1) purchased within 24 months of  
 82.26 the completion of the construction project; (2) purchased after the completion date of any  
 82.27 prior construction project; and (3) are not purchased prior to July 14, 2005. Except as  
 82.28 otherwise provided in this subdivision, the definitions, rate calculation methods, and  
 82.29 principles in sections 144A.071 and 256B.431 and Minnesota Rules, parts 9549.0010 to  
 82.30 9549.0080, shall be used to calculate rate adjustments for allowable construction projects  
 82.31 under this subdivision and section 144A.073. Facilities completing construction projects  
 82.32 between October 1, 2005, and October 1, 2006, are eligible to have a property rate adjustment  
 82.33 effective October 1, 2006. Facilities completing projects after October 1, 2006, are eligible  
 82.34 for a property rate adjustment effective on the first day of the month following the completion  
 82.35 date. Facilities completing projects after January 1, 2018, are eligible for a property rate

83.1 adjustment effective on the first day of the month of January or July, whichever occurs  
83.2 immediately following the completion date.

83.3 (b) Notwithstanding subdivision 18, as of July 14, 2005, facilities with rates set under  
83.4 section 256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080, that commenced a  
83.5 construction project on or after October 1, 2004, and do not have a contract under subdivision  
83.6 3 by September 30, 2006, are eligible to request a rate adjustment under section 256B.431,  
83.7 subdivision 10, through September 30, 2006. If the request results in the commissioner  
83.8 determining a rate adjustment is allowable, the rate adjustment is effective on the first of  
83.9 the month following project completion. These facilities shall be allowed to accumulate  
83.10 construction project costs for the period October 1, 2004, to September 30, 2006.

83.11 (c) Facilities shall be allowed construction project rate adjustments no sooner than 12  
83.12 months after completing a previous construction project. Facilities must request the rate  
83.13 adjustment according to section 256B.431, subdivision 10.

83.14 (d) Capacity days shall be computed according to Minnesota Rules, part 9549.0060,  
83.15 subpart 11. For rate calculations under this section, the number of licensed beds in the  
83.16 nursing facility shall be the number existing after the construction project is completed and  
83.17 the number of days in the nursing facility's reporting period shall be 365.

83.18 (e) The value of assets to be recognized for a total replacement project as defined in  
83.19 section 256B.431, subdivision 17d, shall be computed as described in clause (1). The value  
83.20 of assets to be recognized for all other projects shall be computed as described in clause  
83.21 (2).

83.22 (1) Replacement-cost-new limits under section 256B.431, subdivision 17e, and the  
83.23 number of beds allowed under subdivision 3a, paragraph (c), shall be used to compute the  
83.24 maximum amount of assets allowable in a facility's property rate calculation. If a facility's  
83.25 current request for a rate adjustment results from the completion of a construction project  
83.26 that was previously approved under section 144A.073, the assets to be used in the rate  
83.27 calculation cannot exceed the lesser of the amount determined under sections 144A.071,  
83.28 subdivision 2, and 144A.073, subdivision 3b, or the actual allowable costs of the construction  
83.29 project. A current request that is not the result of a project under section 144A.073 cannot  
83.30 exceed the limit under section 144A.071, subdivision 2, paragraph (a). Applicable credits  
83.31 must be deducted from the cost of the construction project.

83.32 (2)(i) Replacement-cost-new limits under section 256B.431, subdivision 17e, and the  
83.33 number of beds allowed under section 256B.431, subdivision 3a, paragraph (c), shall be

84.1 used to compute the maximum amount of assets allowable in a facility's property rate  
84.2 calculation.

84.3 (ii) The value of a facility's assets to be compared to the amount in item (i) begins with  
84.4 the total appraised value from the last rate notice a facility received when its rates were set  
84.5 under section 256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080. This value  
84.6 shall be indexed by the factor in section 256B.431, subdivision 3f, paragraph (a), for each  
84.7 rate year the facility received an inflation factor on its property-related rate when its rates  
84.8 were set under this section. The value of assets listed as previous capital additions, capital  
84.9 additions, and special projects on the facility's base year rate notice and the value of assets  
84.10 related to a construction project for which the facility received a rate adjustment when its  
84.11 rates were determined under this section shall be added to the indexed appraised value.

84.12 (iii) The maximum amount of assets to be recognized in computing a facility's rate  
84.13 adjustment after a project is completed is the lesser of the aggregate replacement-cost-new  
84.14 limit computed in (i) minus the assets recognized in (ii) or the actual allowable costs of the  
84.15 construction project.

84.16 (iv) If a facility's current request for a rate adjustment results from the completion of a  
84.17 construction project that was previously approved under section 144A.073, the assets to be  
84.18 added to the rate calculation cannot exceed the lesser of the amount determined under  
84.19 sections 144A.071, subdivision 2, and 144A.073, subdivision 3b, or the actual allowable  
84.20 costs of the construction project. A current request that is not the result of a project under  
84.21 section 144A.073 cannot exceed the limit stated in section 144A.071, subdivision 2,  
84.22 paragraph (a). Assets disposed of as a result of a construction project and applicable credits  
84.23 must be deducted from the cost of the construction project.

84.24 (f) For construction projects approved under section 144A.073, allowable debt may  
84.25 never exceed the lesser of the cost of the assets purchased, the threshold limit in section  
84.26 144A.071, subdivision 2, or the replacement-cost-new limit less previously existing capital  
84.27 debt.

84.28 (g) For construction projects that were not approved under section 144A.073, allowable  
84.29 debt is limited to the lesser of the threshold in section 144A.071, subdivision 2, for such  
84.30 construction projects or the applicable limit in paragraph (e), clause (1) or (2), less previously  
84.31 existing capital debt. Amounts of debt taken out that exceed the costs of a construction  
84.32 project shall not be allowed regardless of the use of the funds.

84.33 For all construction projects being recognized, interest expense and average debt shall  
84.34 be computed based on the first 12 months following project completion. "Previously existing

85.1 capital debt" means capital debt recognized on the last rate determined under section  
85.2 256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080, and the amount of debt  
85.3 recognized for a construction project for which the facility received a rate adjustment when  
85.4 its rates were determined under this section.

85.5 For a total replacement project as defined in section 256B.431, subdivision 17d, the  
85.6 value of previously existing capital debt shall be zero.

85.7 (h) In addition to the interest expense allowed from the application of paragraph (f), the  
85.8 amounts allowed under section 256B.431, subdivision 17a, paragraph (a), clauses (2) and  
85.9 (3), will be added to interest expense.

85.10 (i) The equity portion of the construction project shall be computed as the allowable  
85.11 assets in paragraph (e), less the average debt in paragraph (f). The equity portion must be  
85.12 multiplied by 5.66 percent and the allowable interest expense in paragraph (f) must be added.  
85.13 This sum must be divided by 95 percent of capacity days to compute the construction project  
85.14 rate adjustment.

85.15 (j) For projects that are not a total replacement of a nursing facility, the amount in  
85.16 paragraph (i) is adjusted for nonreimbursable areas and then added to the current property  
85.17 payment rate of the facility.

85.18 (k) For projects that are a total replacement of a nursing facility, the amount in paragraph  
85.19 (i) becomes the new property payment rate after being adjusted for nonreimbursable areas.  
85.20 Any amounts existing in a facility's rate before the effective date of the construction project  
85.21 for equity incentives under section 256B.431, subdivision 16; capital repairs and replacements  
85.22 under section 256B.431, subdivision 15; or refinancing incentives under section 256B.431,  
85.23 subdivision 19, shall be removed from the facility's rates.

85.24 (l) No additional equipment allowance is allowed under Minnesota Rules, part 9549.0060,

102.23 **EFFECTIVE DATE.** This section is effective July 1, 2017.

102.24 Sec. 8. Minnesota Statutes 2016, section 256.969, subdivision 2b, is amended to read:

102.25 Subd. 2b. **Hospital payment rates.** (a) For discharges occurring on or after November  
102.26 1, 2014, hospital inpatient services for hospitals located in Minnesota shall be paid according  
102.27 to the following:

102.28 (1) critical access hospitals as defined by Medicare shall be paid using a cost-based  
102.29 methodology;

103.1 (2) long-term hospitals as defined by Medicare shall be paid on a per diem methodology  
103.2 under subdivision 25;

103.3 (3) rehabilitation hospitals or units of hospitals that are recognized as rehabilitation  
103.4 distinct parts as defined by Medicare shall be paid according to the methodology under  
103.5 subdivision 12; and

103.6 (4) all other hospitals shall be paid on a diagnosis-related group (DRG) methodology.

103.7 (b) For the period beginning January 1, 2011, through October 31, 2014, rates shall not  
103.8 be rebased, except that a Minnesota long-term hospital shall be rebased effective January  
103.9 1, 2011, based on its most recent Medicare cost report ending on or before September 1,  
103.10 2008, with the provisions under subdivisions 9 and 23, based on the rates in effect on  
103.11 December 31, 2010. For rate setting periods after November 1, 2014, in which the base  
103.12 years are updated, a Minnesota long-term hospital's base year shall remain within the same  
103.13 period as other hospitals.

103.14 (c) Effective for discharges occurring on and after November 1, 2014, payment rates  
103.15 for hospital inpatient services provided by hospitals located in Minnesota or the local trade  
103.16 area, except for the hospitals paid under the methodologies described in paragraph (a),  
103.17 clauses (2) and (3), shall be rebased, incorporating cost and payment methodologies in a  
103.18 manner similar to Medicare. The base year for the rates effective November 1, 2014, shall  
103.19 be calendar year 2012. The rebasing under this paragraph shall be budget neutral, ensuring  
103.20 that the total aggregate payments under the rebased system are equal to the total aggregate  
103.21 payments that were made for the same number and types of services in the base year. Separate  
103.22 budget neutrality calculations shall be determined for payments made to critical access  
103.23 hospitals and payments made to hospitals paid under the DRG system. Only the rate increases  
103.24 or decreases under subdivision 3a or 3c that applied to the hospitals being rebased during  
103.25 the entire base period shall be incorporated into the budget neutrality calculation.

103.26 (d) For discharges occurring on or after November 1, 2014, through the next rebasing  
103.27 that occurs, the rebased rates under paragraph (c) that apply to hospitals under paragraph  
103.28 (a), clause (4), shall include adjustments to the projected rates that result in no greater than  
103.29 a five percent increase or decrease from the base year payments for any hospital. Any  
103.30 adjustments to the rates made by the commissioner under this paragraph and paragraph (e)  
103.31 shall maintain budget neutrality as described in paragraph (c).

103.32 (e) For discharges occurring on or after November 1, 2014, through the next two rebasing  
103.33 ~~that occurs~~ periods the commissioner may make additional adjustments to the rebased rates,

104.1 and when evaluating whether additional adjustments should be made, the commissioner  
104.2 shall consider the impact of the rates on the following:

104.3 (1) pediatric services;

104.4 (2) behavioral health services;

104.5 (3) trauma services as defined by the National Uniform Billing Committee;

104.6 (4) transplant services;

104.7 (5) obstetric services, newborn services, and behavioral health services provided by  
104.8 hospitals outside the seven-county metropolitan area;

104.9 (6) outlier admissions;

104.10 (7) low-volume providers; and

104.11 (8) services provided by small rural hospitals that are not critical access hospitals.

104.12 (f) Hospital payment rates established under paragraph (c) must incorporate the following:

104.13 (1) for hospitals paid under the DRG methodology, the base year payment rate per  
104.14 admission is standardized by the applicable Medicare wage index and adjusted by the  
104.15 hospital's disproportionate population adjustment;

104.16 (2) for critical access hospitals, payment rates for discharges between November 1, 2014,  
104.17 and June 30, 2015, shall be set to the same rate of payment that applied for discharges on  
104.18 October 31, 2014;

104.19 (3) the cost and charge data used to establish hospital payment rates must only reflect  
104.20 inpatient services covered by medical assistance; and

104.21 (4) in determining hospital payment rates for discharges occurring on or after the rate  
104.22 year beginning January 1, 2011, through December 31, 2012, the hospital payment rate per  
104.23 discharge shall be based on the cost-finding methods and allowable costs of the Medicare  
104.24 program in effect during the base year or years. In determining hospital payment rates for  
104.25 discharges in subsequent base years, the per discharge rates shall be based on the cost-finding  
104.26 methods and allowable costs of the Medicare program in effect during the base year or  
104.27 years.

104.28 (g) The commissioner shall validate the rates effective November 1, 2014, by applying  
104.29 the rates established under paragraph (c), and any adjustments made to the rates under  
104.30 paragraph (d) or (e), to hospital claims paid in calendar year 2013 to determine whether the

105.1 total aggregate payments for the same number and types of services under the rebased rates  
105.2 are equal to the total aggregate payments made during calendar year 2013.

105.3 (h) Effective for discharges occurring on or after July 1, 2017, and every two years  
105.4 thereafter, payment rates under this section shall be rebased to reflect only those changes  
105.5 in hospital costs between the existing base year and the next base year. Changes in costs  
105.6 between base years shall be measured using the lower of the hospital cost index defined in  
105.7 subdivision 1, paragraph (a), or the percentage change in the case mix adjusted cost per  
105.8 claim. The commissioner shall establish the base year for each rebasing period considering  
105.9 the most recent year for which filed Medicare cost reports are available. The estimated  
105.10 change in the average payment per hospital discharge resulting from a scheduled rebasing  
105.11 must be calculated and made available to the legislature by January 15 of each year in which  
105.12 rebasing is scheduled to occur, and must include by hospital the differential in payment  
105.13 rates compared to the individual hospital's costs.

105.14 (i) Effective for discharges occurring on or after July 1, 2015, inpatient payment rates  
105.15 for critical access hospitals located in Minnesota or the local trade area shall be determined  
105.16 using a new cost-based methodology. The commissioner shall establish within the  
105.17 methodology tiers of payment designed to promote efficiency and cost-effectiveness.  
105.18 Payment rates for hospitals under this paragraph shall be set at a level that does not exceed  
105.19 the total cost for critical access hospitals as reflected in base year cost reports. Until the  
105.20 next rebasing that occurs, the new methodology shall result in no greater than a five percent  
105.21 decrease from the base year payments for any hospital, except a hospital that had payments  
105.22 that were greater than 100 percent of the hospital's costs in the base year shall have their  
105.23 rate set equal to 100 percent of costs in the base year. The rates paid for discharges on and  
105.24 after July 1, 2016, covered under this paragraph shall be increased by the inflation factor  
105.25 in subdivision 1, paragraph (a). The new cost-based rate shall be the final rate and shall not  
105.26 be settled to actual incurred costs. Hospitals shall be assigned a payment tier based on the  
105.27 following criteria:

105.28 (1) hospitals that had payments at or below 80 percent of their costs in the base year  
105.29 shall have a rate set that equals 85 percent of their base year costs;

105.30 (2) hospitals that had payments that were above 80 percent, up to and including 90

105.34 shall have a rate set that equals 100 percent of their base year costs.

106.1 (j) The commissioner may refine the payment tiers and criteria for critical access hospitals  
 106.2 to coincide with the next rebasing under paragraph (h). The factors used to develop the new

106.4 (1) the ratio between the hospital's costs for treating medical assistance patients and the  
 106.5 hospital's charges to the medical assistance program;

 106.7 hospital's payments received from the medical assistance program for the care of medical  
 106.8 assistance patients;

106.9 (3) the ratio between the hospital's charges to the medical assistance program and the  
 106.10 hospital's payments received from the medical assistance program for the care of medical  
 106.11 assistance patients;

106.12 (4) the statewide average increases in the ratios identified in clauses (1), (2), and (3);

106.16 **EFFECTIVE DATE.** This section is effective July 1, 2017.

106.17 Sec. 9. Minnesota Statutes 2016, section 256.969, subdivision 3a, is amended to read:

106.18 Subd. 3a. **Payments.** (a) Acute care hospital billings under the medical assistance program  
 106.19 must not be submitted until the recipient is discharged. However, the commissioner shall  
 106.20 establish monthly interim payments for inpatient hospitals that have individual patient  
 106.21 lengths of stay over 30 days regardless of diagnostic category. Except as provided in section  
 106.22 256.9693, medical assistance reimbursement for treatment of mental illness shall be  
 106.23 reimbursed based on diagnostic classifications. Individual hospital payments established  
 106.24 under this section and sections 256.9685, 256.9686, and 256.9695, in addition to third-party  
 106.25 and recipient liability, for discharges occurring during the rate year shall not exceed, in  
 106.26 aggregate, the charges for the medical assistance covered inpatient services paid for the  
 106.27 same period of time to the hospital. Services that have rates established under subdivision  
 106.28 ~~11 or~~ 12, must be limited separately from other services. After consulting with the affected  
 106.29 hospitals, the commissioner may consider related hospitals one entity and may merge the  
 106.30 payment rates while maintaining separate provider numbers. The operating and property  
 106.31 base rates per admission or per day shall be derived from the best Medicare and claims data  
 106.32 available when rates are established. The commissioner shall determine the best Medicare  
 106.33 and claims data, taking into consideration variables of recency of the data, audit disposition,

107.1 settlement status, and the ability to set rates in a timely manner. The commissioner shall  
107.2 notify hospitals of payment rates 30 days prior to implementation. The rate setting data  
107.3 must reflect the admissions data used to establish relative values. The commissioner may  
107.4 adjust base year cost, relative value, and case mix index data to exclude the costs of services  
107.5 that have been discontinued by the October 1 of the year preceding the rate year or that are  
107.6 paid separately from inpatient services. Inpatient stays that encompass portions of two or  
107.7 more rate years shall have payments established based on payment rates in effect at the time  
107.8 of admission unless the date of admission preceded the rate year in effect by six months or  
107.9 more. In this case, operating payment rates for services rendered during the rate year in  
107.10 effect and established based on the date of admission shall be adjusted to the rate year in  
107.11 effect by the hospital cost index.

107.12 (b) For fee-for-service admissions occurring on or after July 1, 2002, the total payment,  
107.13 before third-party liability and spenddown, made to hospitals for inpatient services is reduced  
107.14 by .5 percent from the current statutory rates.

107.15 (c) In addition to the reduction in paragraph (b), the total payment for fee-for-service  
107.16 admissions occurring on or after July 1, 2003, made to hospitals for inpatient services before  
107.17 third-party liability and spenddown, is reduced five percent from the current statutory rates.  
107.18 Mental health services within diagnosis related groups 424 to 432 or corresponding  
107.19 APR-DRGs, and facilities defined under subdivision 16 are excluded from this paragraph.

107.20 (d) In addition to the reduction in paragraphs (b) and (c), the total payment for  
107.21 fee-for-service admissions occurring on or after August 1, 2005, made to hospitals for  
107.22 inpatient services before third-party liability and spenddown, is reduced 6.0 percent from  
107.23 the current statutory rates. Mental health services within diagnosis related groups 424 to  
107.24 432 or corresponding APR-DRGs, and facilities defined under subdivision 16 are excluded  
107.25 from this paragraph. Payments made to managed care plans shall be reduced for services  
107.26 provided on or after January 1, 2006, to reflect this reduction.

107.27 (e) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for  
107.28 fee-for-service admissions occurring on or after July 1, 2008, through June 30, 2009, made  
107.29 to hospitals for inpatient services before third-party liability and spenddown, is reduced  
107.30 3.46 percent from the current statutory rates. Mental health services with diagnosis related  
107.31 groups 424 to 432 or corresponding APR-DRGs, and facilities defined under subdivision  
107.32 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced  
107.33 for services provided on or after January 1, 2009, through June 30, 2009, to reflect this  
107.34 reduction.

108.1 (f) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for  
108.2 fee-for-service admissions occurring on or after July 1, 2009, through June 30, 2011, made  
108.3 to hospitals for inpatient services before third-party liability and spenddown, is reduced 1.9  
108.4 percent from the current statutory rates. Mental health services with diagnosis related groups  
108.5 424 to 432 or corresponding APR-DRGs, and facilities defined under subdivision 16 are  
108.6 excluded from this paragraph. Payments made to managed care plans shall be reduced for  
108.7 services provided on or after July 1, 2009, through June 30, 2011, to reflect this reduction.

108.8 (g) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for  
108.9 fee-for-service admissions occurring on or after July 1, 2011, made to hospitals for inpatient  
108.10 services before third-party liability and spenddown, is reduced 1.79 percent from the current  
108.11 statutory rates. Mental health services with diagnosis related groups 424 to 432 or  
108.12 corresponding APR-DRGs, and facilities defined under subdivision 16 are excluded from  
108.13 this paragraph. Payments made to managed care plans shall be reduced for services provided  
108.14 on or after July 1, 2011, to reflect this reduction.

108.15 (h) In addition to the reductions in paragraphs (b), (c), (d), (f), and (g), the total payment  
108.16 for fee-for-service admissions occurring on or after July 1, 2009, made to hospitals for  
108.17 inpatient services before third-party liability and spenddown, is reduced one percent from  
108.18 the current statutory rates. Facilities defined under subdivision 16 are excluded from this  
108.19 paragraph. Payments made to managed care plans shall be reduced for services provided  
108.20 on or after October 1, 2009, to reflect this reduction.

108.21 (i) In addition to the reductions in paragraphs (b), (c), (d), (g), and (h), the total payment  
108.22 for fee-for-service admissions occurring on or after July 1, 2011, made to hospitals for  
108.23 inpatient services before third-party liability and spenddown, is reduced 1.96 percent from  
108.24 the current statutory rates. Facilities defined under subdivision 16 are excluded from this  
108.25 paragraph. Payments made to managed care plans shall be reduced for services provided  
108.26 on or after January 1, 2011, to reflect this reduction.

109.16 Effectively (RARE) campaign. The commissioner may adjust the readmission rate taking  
109.17 into account factors such as the medical relationship, complicating conditions, and sequencing  
109.18 of treatment between the initial admission and subsequent readmissions.

109.19 (c) Effective for payments to all hospitals on or after July 1, 2013, through October 31,  
109.20 2014, the reduction in paragraph (a) is reduced one percentage point for every percentage  
109.21 point reduction in the overall readmissions rate between the two previous calendar years to  
109.22 a maximum of five percent.

109.23 (d) The exclusion from the rate reduction in paragraph (a) shall apply to a hospital located

 110.30 and the disproportionate population adjustment. The outlier threshold for neonatal and burn  
 110.31 diagnostic categories shall be established at one standard deviation beyond the mean length

111.1 of stay, and payment shall be at 90 percent of allowable operating cost calculated in the  
111.2 same manner as other outliers. A hospital may choose an alternative to the 70 percent outlier  
111.3 payment that is at a minimum of 60 percent and a maximum of 80 percent if the  
111.4 commissioner is notified in writing of the request by October 1 of the year preceding the  
111.5 rate year. The chosen percentage applies to all diagnostic categories except burns and  
111.6 neonates. The percentage of allowable cost that is unrecognized by the outlier payment shall

111.16 any outliers; and

111.17 (2) payment for all medically necessary patient care subsequent to the first 180 days  
111.18 shall be reimbursed at a rate computed by multiplying the statewide average cost-to-charge  
111.19 ratio by the usual and customary charges.

111.20 (b) For discharges occurring on or after July 1, 2017, payment for hospital residents  
111.21 shall be equal to the payments under subdivision 8, paragraph (b).

111.22 **EFFECTIVE DATE.** This section is effective July 1, 2017.

111.23 Sec. 14. Minnesota Statutes 2016, section 256.969, subdivision 9, is amended to read:

111.25 occurring on or after July 1, 1993, the medical assistance disproportionate population  
111.26 adjustment shall comply with federal law and shall be paid to a hospital, excluding regional  
111.27 treatment centers and facilities of the federal Indian Health Service, with a medical assistance  
111.28 inpatient utilization rate in excess of the arithmetic mean. The adjustment must be determined  
111.29 as follows:

111.30 (1) for a hospital with a medical assistance inpatient utilization rate above the arithmetic  
111.31 mean for all hospitals excluding regional treatment centers and facilities of the federal Indian

112.1 Health Service but less than or equal to one standard deviation above the mean, the  
112.2 adjustment must be determined by multiplying the total of the operating and property  
112.3 payment rates by the difference between the hospital's actual medical assistance inpatient  
112.4 utilization rate and the arithmetic mean for all hospitals excluding regional treatment centers  
112.5 and facilities of the federal Indian Health Service; and

112.6 (2) for a hospital with a medical assistance inpatient utilization rate above one standard  
112.7 deviation above the mean, the adjustment must be determined by multiplying the adjustment  
112.8 that would be determined under clause (1) for that hospital by 1.1. The commissioner shall  
112.9 report annually on the number of hospitals likely to receive the adjustment authorized by  
112.10 this paragraph. The commissioner shall specifically report on the adjustments received by  
112.11 public hospitals and public hospital corporations located in cities of the first class.

112.22 in accordance with a new methodology using 2012 as the base year. Annual payments made  
112.23 under this paragraph shall equal the total amount of payments made for 2012. A licensed  
112.24 children's hospital shall receive only a single DSH factor for children's hospitals. Other  
112.25 DSH factors may be combined to arrive at a single factor for each hospital that is eligible  
112.26 for DSH payments. The new methodology shall make payments only to hospitals located  
112.27 in Minnesota and include the following factors:

112.28 (1) a licensed children's hospital with at least 1,000 fee-for-service discharges in the  
112.29 base year shall receive a factor of 0.868. A licensed children's hospital with less than 1,000  
112.30 fee-for-service discharges in the base year shall receive a factor of 0.7880;

112.32 to provide extended psychiatric inpatient services under section 256.9693 shall receive a  
112.33 factor of 0.0160;

113.2 transplant services in the base year shall receive a factor of 0.0435;

113.3 (4) a hospital that has a medical assistance utilization rate in the base year between 20  
113.4 percent up to one standard deviation above the statewide mean utilization rate shall receive  
113.5 a factor of 0.0468;

113.6 (5) a hospital that has a medical assistance utilization rate in the base year that is at least  
113.7 one standard deviation above the statewide mean utilization rate but is less than three standard  
113.8 deviations above the mean shall receive a factor of 0.2300; and

113.9 (6) a hospital that has a medical assistance utilization rate in the base year that is at least  
113.10 three standard deviations above the statewide mean utilization rate shall receive a factor of  
113.11 0.3711.

113.12 (e) Any payments or portion of payments made to a hospital under this subdivision that  
113.13 are subsequently returned to the commissioner because the payments are found to exceed  
113.14 the hospital-specific DSH limit for that hospital shall be redistributed, proportionate to the  
113.15 number of fee-for-service discharges, to other DSH-eligible ~~nonchildren's~~ non-children's  
113.16 hospitals that have a medical assistance utilization rate that is at least one standard deviation  
113.17 above the mean.

113.21 recognized as rehabilitation distinct parts by the Medicare program shall have separate  
113.22 provider numbers under the medical assistance program for rate establishment and billing  
113.23 purposes only. These units shall also have operating payment rates and the disproportionate  
113.24 population adjustment, if allowed by federal law, established separately from other inpatient  
113.25 hospital services.

113.26 (b) The commissioner shall establish separate relative values under subdivision 2 for  
113.27 rehabilitation hospitals and distinct parts as defined by the Medicare program. Effective for  
113.28 discharges occurring on and after November 1, 2014, the commissioner, to the extent  
113.29 possible, shall replicate the existing payment rate methodology under the new diagnostic  
113.30 classification system. The result must be budget neutral, ensuring that the total aggregate  
113.31 payments under the new system are equal to the total aggregate payments made for the same  
113.32 number and types of services in the base year, calendar year 2012.

114.1 (c) For individual hospitals that did not have separate medical assistance rehabilitation  
 114.2 provider numbers or rehabilitation distinct parts in the base year, hospitals shall provide the  
 114.3 information needed to separate rehabilitation distinct part cost and claims data from other  
 114.4 inpatient service data.

114.5 (d) Effective with discharges on or after July 1, 2017, payment to rehabilitation hospitals  
 114.6 shall be established under subdivision 2d, paragraph (a), clause (4).

115.6 (b) The commissioner must revalidate each provider under this subdivision at least once  
115.7 every five years. The commissioner may revalidate a personal care assistance agency under

115.10 (1) provide 30-day notice of revalidation due date to include instructions for revalidation  
115.11 and a list of materials the provider must submit to revalidate;

115.12 (2) notify the provider that fails to completely respond within 30 days of any deficiencies  
115.13 and allow an additional 30 days to comply; and

115.14 (3) give 60-day notice of termination and immediately suspend a provider's ability to  
115.15 bill for failure to remedy any deficiencies within the 30-day time period. The provider shall  
115.16 have no right to appeal suspension of ability to bill.

115.26 (d) The commissioner may suspend a provider's ability to bill for a failure to comply  
115.27 with any individual provider requirements or conditions of participation until the provider  
115.28 comes into compliance. The commissioner's decision to suspend the provider is not subject  
115.29 to an administrative appeal.

115.30 (e) Notwithstanding any other provision to the contrary, all correspondence and  
115.31 notifications, including notifications of termination and other actions, shall be delivered

116.1 electronically to a provider's MN-ITS mailbox. For a provider that does not have a MN-ITS  
116.2 account and mailbox, notice shall be sent by first class mail.

116.3 (f) If the commissioner or the Centers for Medicare and Medicaid Services determines  
116.4 that a provider is designated "high-risk," the commissioner may withhold payment from  
116.5 providers within that category upon initial enrollment for a 90-day period. The withholding  
116.6 for each provider must begin on the date of the first submission of a claim.

116.7 ~~(b)~~ (g) An enrolled provider that is also licensed by the commissioner under chapter  
116.8 245A, or is licensed as a home care provider by the Department of Health under chapter  
116.9 144A and has a home and community-based services designation on the home care license  
116.10 under section 144A.484, must designate an individual as the entity's compliance officer.  
116.11 The compliance officer must:

116.19 regulations;

116.20 (5) promptly report to the commissioner any identified violations of medical assistance  
116.21 laws or regulations; and

116.26 provider within a particular industry sector or category establish a compliance program that  
116.27 contains the core elements established by the Centers for Medicare and Medicaid Services.

116.28 ~~(e)~~ (h) The commissioner may revoke the enrollment of an ordering or rendering provider  
116.29 for a period of not more than one year, if the provider fails to maintain and, upon request  
116.30 from the commissioner, provide access to documentation relating to written orders or requests  
116.31 for payment for durable medical equipment, certifications for home health services, or  
116.32 referrals for other items or services written or ordered by such provider, when the  
116.33 commissioner has identified a pattern of a lack of documentation. A pattern means a failure

117.1 to maintain documentation or provide access to documentation on more than one occasion.  
117.2 Nothing in this paragraph limits the authority of the commissioner to sanction a provider  
117.3 under the provisions of section 256B.064.

117.4 ~~(d)~~ (i) The commissioner shall terminate or deny the enrollment of any individual or  
117.5 entity if the individual or entity has been terminated from participation in Medicare or under

117.7 ~~(e)~~ (j) As a condition of enrollment in medical assistance, the commissioner shall require  
117.8 that a provider designated "moderate" or "high-risk" by the Centers for Medicare and  
117.9 Medicaid Services or the commissioner permit the Centers for Medicare and Medicaid  
117.10 Services, its agents, or its designated contractors and the state agency, its agents, or its  
117.11 designated contractors to conduct unannounced on-site inspections of any provider location.

117.14 and standards used to designate Medicare providers in Code of Federal Regulations, title  
117.15 42, section 424.518. The list and criteria are not subject to the requirements of chapter 14.  
117.16 The commissioner's designations are not subject to administrative appeal.

117.17 ~~(f)~~ (k) As a condition of enrollment in medical assistance, the commissioner shall require  
117.18 that a high-risk provider, or a person with a direct or indirect ownership interest in the  
117.19 provider of five percent or higher, consent to criminal background checks, including  
117.20 fingerprinting, when required to do so under state law or by a determination by the  
117.21 commissioner or the Centers for Medicare and Medicaid Services that a provider is designated  
117.22 high-risk for fraud, waste, or abuse.

117.23 ~~(g)~~ (l)(1) Upon initial enrollment, reenrollment, and notification of revalidation, all  
117.24 durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) medical suppliers

117.26 operating in Minnesota and receiving Medicaid funds must purchase a surety bond that is  
117.27 annually renewed and designates the Minnesota Department of Human Services as the  
117.28 obligee, and must be submitted in a form approved by the commissioner. For purposes of  
117.29 this clause, the following medical suppliers are not required to obtain a surety bond: a  
117.30 federally qualified health center, a home health agency, the Indian Health Service, a

117.32 (2) At the time of initial enrollment or reenrollment, durable medical equipment providers  
117.33 and suppliers defined in clause (3) must purchase a surety bond of \$50,000. If a revalidating  
117.34 provider's Medicaid revenue in the previous calendar year is up to and including \$300,000,

118.1 the provider agency must purchase a surety bond of \$50,000. If a revalidating provider's  
 118.2 Medicaid revenue in the previous calendar year is over \$300,000, the provider agency must  
 118.3 purchase a surety bond of \$100,000. The surety bond must allow for recovery of costs and  
 118.4 fees in pursuing a claim on the bond.

118.5 (3) "Durable medical equipment provider or supplier" means a medical supplier that can  
 118.6 purchase medical equipment or supplies for sale or rental to the general public and is able  
 118.7 to perform or arrange for necessary repairs to and maintenance of equipment offered for  
 118.8 sale or rental.

118.9 ~~(h)~~ (m) The Department of Human Services may require a provider to purchase a surety  
 118.10 bond as a condition of initial enrollment, reenrollment, reinstatement, or continued enrollment  
 118.11 if: (1) the provider fails to demonstrate financial viability, (2) the department determines  
 118.12 there is significant evidence of or potential for fraud and abuse by the provider, or (3) the  
 118.13 provider or category of providers is designated high-risk pursuant to paragraph ~~(a)~~ (e) and  
 118.14 as per Code of Federal Regulations, title 42, section 455.450. The surety bond must be in  
 118.15 an amount of \$100,000 or ten percent of the provider's payments from Medicaid during the  
 118.16 immediately preceding 12 months, whichever is greater. The surety bond must name the  
 118.17 Department of Human Services as an obligee and must allow for recovery of costs and fees  
 118.18 in pursuing a claim on the bond. This paragraph does not apply if the provider currently  
 118.19 maintains a surety bond under the requirements in section 256B.0659 or 256B.85.

121.31 beneficiary's lifetime, whichever is sooner, the department receives any amount, up to the  
121.32 amount of medical assistance benefits paid on behalf of the beneficiary, remaining in the

 122.15 that are not considered in determining eligibility for medical assistance for families and

125.20 on the person's gross earned and unearned income and the applicable family size using a  
125.21 sliding fee scale established by the commissioner, which begins at one percent of income  
125.22 at 100 percent of the federal poverty guidelines and increases to 7.5 percent of income for  
125.23 those with incomes at or above 300 percent of the federal poverty guidelines.

126.8 Enrollees must report any change in income or household size within ten days of when the  
126.9 change occurs. A decreased premium resulting from a reported change in income or  
126.10 household size shall be effective the first day of the next available billing month after the  
126.11 change is reported. Except for changes occurring from annual cost-of-living increases, a

126.20 when due because the circumstances were beyond the enrollee's control or not reasonably  
126.21 foreseeable. The commissioner shall determine whether good cause exists based on the  
126.22 weight of the supporting evidence submitted by the enrollee to demonstrate good cause.  
126.23 Except when an installment agreement is accepted by the commissioner, all persons  
126.24 disenrolled for nonpayment of a premium must pay any past due premiums as well as current  
126.25 premiums due prior to being reenrolled. Nonpayment shall include payment with a returned,  
126.26 refused, or dishonored instrument. The commissioner may require a guaranteed form of  
126.27 payment as the only means to replace a returned, refused, or dishonored instrument.

126.28 (j) For enrollees whose income does not exceed 200 percent of the federal poverty  
126.29 guidelines and who are also enrolled in Medicare, the commissioner shall reimburse the  
126.30 enrollee for Medicare part B premiums under section 256B.0625, subdivision 15, paragraph

130.12 for paying claims from the following options:

130.13 (1) federally qualified health centers and rural health clinics submit claims directly to

130.31 (j) The commissioner shall seek a federal waiver, authorized under section 1115 of the  
130.32 Social Security Act, to obtain federal financial participation at the 100 percent federal

131.11 medical and a single dental organization rate;

131.12 (2) the commissioner shall reimburse federally qualified health centers and rural health  
131.13 clinics allowable costs, including direct patient care costs and patient-related support services,

131.15 methodology is calculated;

131.16 (3) the 2019 payment rates for federally qualified health centers and rural health clinics:

131.17 (i) must be determined using each federally qualified health center's and rural health  
131.18 clinic's Medicare cost reports from 2015 and 2016. A provider must submit the required  
131.19 cost reports to the commissioner within six months of the second base year calendar or  
131.20 fiscal year end. Cost reports must be submitted six months before the quarter in which the  
131.21 base rate will take effect;

131.22 (ii) must be according to current Medicare cost principles applicable to federally qualified  
131.23 health centers and rural health clinics at the time of the alternative payment rate calculation  
131.24 without the application of productivity screens and upper payment limits or the Medicare  
131.25 prospective payment system federally qualified health center aggregate mean upper payment

131.30 Analysis' personal consumption expenditures medical care inflator;

131.31 (5) the commissioner shall establish a statewide trend inflator using 2015-2020 costs  
131.32 replacing the use of the personal consumption expenditures medical care inflator with the  
131.33 2023 rate calculation forward;

132.1 (6) federally qualified health center and rural health clinic payment rates shall be rebased  
132.2 by the commissioner every two years using the methodology described in paragraph (k),  
132.3 clause (3), using the provider's Medicare cost reports from the previous third and fourth  
132.4 years. In nonrebasing years, the commissioner shall adjust using the Medicare economic  
132.5 index until 2023 when the statewide trend inflator is available;

132.6 (7) the commissioner shall increase payments by two percent according to Laws 2003,  
132.7 First Special Session chapter 14, article 13C, section 2, subdivision 6. This is an add-on to  
132.8 the rate and must not be included in the base rate calculation;

132.9 (8) for federally qualified health centers and rural health clinics seeking a change of  
132.10 scope of services:

132.11 (i) the commissioner shall require federally qualified health centers and rural health  
132.12 clinics to submit requests with the commissioner if the change of scope would result in the  
132.13 medical or dental payment rate currently received by the federally qualified health center  
132.14 or rural health clinic increasing or decreasing by at least 2-1/2 percent;

132.15 (ii) federally qualified health centers and rural health clinics shall submit the request to  
132.16 the commissioner within seven business days of submission of the scope change to the  
132.17 federal Health Resources Services Administration;

132.18 (iii) the effective date of the payment change is the date the Health Resources Services  
132.19 Administration approves the federally qualified health center's or rural health clinic's change  
132.20 of scope request;

132.21 (iv) for change of scope requests that do not require Health Resources Services  
132.22 Administration approval, federally qualified health centers and rural health clinics shall  
132.23 submit the request to the commissioner before implementing the change, and the effective  
132.24 date of the change is the date the commissioner receives the request from the federally  
132.25 qualified health center or rural health clinic; and

132.26 (v) the commissioner shall provide a response to the federally qualified health center's  
132.27 or rural health clinic's change of scope request within 45 days of submission and provide a  
132.28 final decision regarding approval or disapproval within 120 days of submission. If more  
132.29 information is needed to evaluate the request, this timeline may be waived at the mutual  
132.30 agreement of the commissioner and the federally qualified health center or rural health  
132.31 clinic; and

132.32 (9) the commissioner shall establish a payment rate for new federally qualified health

133.1 (i) a comparison of patient caseload of federally qualified health centers and rural health  
 133.2 clinics within a 60-mile radius for organizations established outside of the seven-county  
 133.3 metropolitan area and within a 30-mile radius for organizations within the seven-county  
 133.4 metropolitan area; and

144.14 additional medical assistance and MinnesotaCare enrollees, and shall seek participation of  
144.15 Medicare in demonstration projects. The commissioner shall seek to include participation  
144.16 of privately insured persons and Medicare recipients in the ~~health care delivery~~ integrated  
144.17 health partnership demonstration. As part of the demonstration expansion, the commissioner  
144.18 may procure the services of the ~~health care delivery systems~~ integrated health partnerships  
144.19 authorized under this section by geographic area, to supplement or replace the services  
144.20 provided by managed care plans operating under section 256B.69.

144.21 **EFFECTIVE DATE.** This section is effective January 1, 2018.

144.22 Sec. 42. Minnesota Statutes 2016, section 256B.0943, subdivision 9, is amended to read:

144.23 Subd. 9. **Service delivery criteria.** (a) In delivering services under this section, a certified  
144.24 provider entity must ensure that:

144.25 (1) each individual provider's caseload size permits the provider to deliver services to  
144.26 both clients with severe, complex needs and clients with less intensive needs. The provider's  
144.27 caseload size should reasonably enable the provider to play an active role in service planning,  
144.28 monitoring, and delivering services to meet the client's and client's family's needs, as specified  
144.29 in each client's individual treatment plan;

144.30 (2) site-based programs, including day treatment programs, provide staffing and facilities  
144.31 to ensure the client's health, safety, and protection of rights, and that the programs are able  
144.32 to implement each client's individual treatment plan; and

145.1 (3) a day treatment program is provided to a group of clients by a multidisciplinary team  
145.2 under the clinical supervision of a mental health professional. The day treatment program  
145.3 must be provided in and by: (i) an outpatient hospital accredited by the Joint Commission  
145.4 on Accreditation of Health Organizations and licensed under sections 144.50 to 144.55; (ii)  
145.5 a community mental health center under section 245.62; or (iii) an entity that is certified  
145.6 under subdivision 4 to operate a program that meets the requirements of section 245.4884,  
145.7 subdivision 2, and Minnesota Rules, parts 9505.0170 to 9505.0475. The day treatment  
145.8 program must stabilize the client's mental health status while developing and improving the  
145.9 client's independent living and socialization skills. The goal of the day treatment program  
145.10 must be to reduce or relieve the effects of mental illness and provide training to enable the  
145.11 client to live in the community. The program must be available year-round at least three to  
145.12 five days per week, two or three hours per day, unless the normal five-day school week is  
145.13 shortened by a holiday, weather-related cancellation, or other districtwide reduction in a  
145.14 school week. A child transitioning into or out of day treatment must receive a minimum  
145.15 treatment of one day a week for a two-hour time block. The two-hour time block must  
145.16 include at least one hour of patient and/or family or group psychotherapy. The remainder  
145.17 of the structured treatment program may include patient and/or family or group  
145.18 psychotherapy, and individual or group skills training, if included in the client's individual  
145.19 treatment plan. Day treatment programs are not part of inpatient or residential treatment  
145.20 services. When a day treatment group that meets the minimum group size requirement  
145.21 temporarily falls below the minimum group size because of a member's temporary absence,  
145.22 medical assistance covers a group session conducted for the group members in attendance.  
145.23 A day treatment program may provide fewer than the minimally required hours for a  
145.24 particular child during a billing period in which the child is transitioning into, or out of, the  
145.25 program.

145.26 (b) To be eligible for medical assistance payment, a provider entity must deliver the  
145.27 service components of children's therapeutic services and supports in compliance with the  
145.28 following requirements:

145.29 (1) patient and/or family, family, and group psychotherapy must be delivered as specified  
145.30 in Minnesota Rules, part 9505.0372, subpart 6. Psychotherapy to address the child's  
145.31 underlying mental health disorder must be documented as part of the child's ongoing  
145.32 treatment. A provider must deliver, or arrange for, medically necessary psychotherapy,  
145.33 unless the child's parent or caregiver chooses not to receive it. When a provider delivering  
145.34 other services to a child under this section deems it not medically necessary to provide  
145.35 psychotherapy to the child for a period of 90 days or longer, the provider entity must

146.1 document the medical reasons why psychotherapy is not necessary. When a provider  
146.2 determines that a child needs psychotherapy but psychotherapy cannot be delivered due to  
146.3 a shortage of licensed mental health professionals in the child's community, the provider  
146.4 must document the lack of access in the child's medical record;

146.5 (2) individual, family, or group skills training must be provided by a mental health  
146.6 professional or a mental health practitioner who is delivering services that fall within the  
146.7 scope of the provider's practice and is supervised by a mental health professional who  
146.8 accepts full professional responsibility for the training. Skills training is subject to the  
146.9 following requirements:

146.10 (i) a mental health professional, clinical trainee, or mental health practitioner shall provide  
146.11 skills training;

146.12 (ii) skills training delivered to a child or the child's family must be targeted to the specific  
146.13 deficits or maladaptations of the child's mental health disorder and must be prescribed in  
146.14 the child's individual treatment plan;

146.15 (iii) the mental health professional delivering or supervising the delivery of skills training  
146.16 must document any underlying psychiatric condition and must document how skills training  
146.17 is being used in conjunction with psychotherapy to address the underlying condition;

146.18 (iv) skills training delivered to the child's family must teach skills needed by parents to  
146.19 enhance the child's skill development, to help the child utilize daily life skills taught by a  
146.20 mental health professional, clinical trainee, or mental health practitioner, and to develop or  
146.21 maintain a home environment that supports the child's progressive use of skills;

146.22 (v) group skills training may be provided to multiple recipients who, because of the  
146.23 nature of their emotional, behavioral, or social dysfunction, can derive mutual benefit from  
146.24 interaction in a group setting, which must be staffed as follows:

146.25 (A) one mental health professional or one clinical trainee or mental health practitioner  
146.26 under supervision of a licensed mental health professional must work with a group of three  
146.27 to eight clients; or

146.28 (B) two mental health professionals, two clinical trainees or mental health practitioners  
146.29 under supervision of a licensed mental health professional, or one mental health professional  
146.30 or clinical trainee and one mental health practitioner must work with a group of nine to 12  
146.31 clients;

147.1 (vi) a mental health professional, clinical trainee, or mental health practitioner must have  
147.2 taught the psychosocial skill before a mental health behavioral aide may practice that skill  
147.3 with the client; and

147.4 (vii) for group skills training, when a skills group that meets the minimum group size  
147.5 requirement temporarily falls below the minimum group size because of a group member's  
147.6 temporary absence, the provider may conduct the session for the group members in  
147.7 attendance;

147.8 (3) crisis assistance to a child and family must include development of a written plan  
147.9 that anticipates the particular factors specific to the child that may precipitate a psychiatric  
147.10 crisis for the child in the near future. The written plan must document actions that the family  
147.11 should be prepared to take to resolve or stabilize a crisis, such as advance arrangements for  
147.12 direct intervention and support services to the child and the child's family. Crisis assistance  
147.13 must include preparing resources designed to address abrupt or substantial changes in the  
147.14 functioning of the child or the child's family when sudden change in behavior or a loss of  
147.15 usual coping mechanisms is observed, or the child begins to present a danger to self or  
147.16 others;

147.17 (4) mental health behavioral aide services must be medically necessary treatment services,  
147.18 identified in the child's individual treatment plan and individual behavior plan, which are  
147.19 performed minimally by a paraprofessional qualified according to subdivision 7, paragraph  
147.20 (b), clause (3), and which are designed to improve the functioning of the child in the  
147.21 progressive use of developmentally appropriate psychosocial skills. Activities involve  
147.22 working directly with the child, child-peer groupings, or child-family groupings to practice,  
147.23 repeat, reintroduce, and master the skills defined in subdivision 1, paragraph (t), as previously  
147.24 taught by a mental health professional, clinical trainee, or mental health practitioner including:

147.25 (i) providing cues or prompts in skill-building peer-to-peer or parent-child interactions  
147.26 so that the child progressively recognizes and responds to the cues independently;

147.27 (ii) performing as a practice partner or role-play partner;

147.28 (iii) reinforcing the child's accomplishments;

147.29 (iv) generalizing skill-building activities in the child's multiple natural settings;

147.30 (v) assigning further practice activities; and

147.31 (vi) intervening as necessary to redirect the child's target behavior and to de-escalate  
147.32 behavior that puts the child or other person at risk of injury.

148.1 To be eligible for medical assistance payment, mental health behavioral aide services must  
148.2 be delivered to a child who has been diagnosed with an emotional disturbance or a mental  
148.3 illness, as provided in subdivision 1, paragraph (a). The mental health behavioral aide must  
148.4 implement treatment strategies in the individual treatment plan and the individual behavior  
148.5 plan as developed by the mental health professional, clinical trainee, or mental health  
148.6 practitioner providing direction for the mental health behavioral aide. The mental health  
148.7 behavioral aide must document the delivery of services in written progress notes. Progress  
148.8 notes must reflect implementation of the treatment strategies, as performed by the mental  
148.9 health behavioral aide and the child's responses to the treatment strategies;

148.10 (5) direction of a mental health behavioral aide must include the following:

148.11 (i) ongoing face-to-face observation of the mental health behavioral aide delivering  
148.12 services to a child by a mental health professional or mental health practitioner for at least  
148.13 a total of one hour during every 40 hours of service provided to a child; and

148.14 (ii) immediate accessibility of the mental health professional, clinical trainee, or mental  
148.15 health practitioner to the mental health behavioral aide during service provision;

148.16 (6) mental health service plan development must be performed in consultation with the  
148.17 child's family and, when appropriate, with other key participants in the child's life by the  
148.18 child's treating mental health professional or clinical trainee or by a mental health practitioner  
148.19 and approved by the treating mental health professional. Treatment plan drafting consists  
148.20 of development, review, and revision by face-to-face or electronic communication. The  
148.21 provider must document events, including the time spent with the family and other key  
148.22 participants in the child's life to review, revise, and sign the individual treatment plan.  
148.23 Notwithstanding Minnesota Rules, part 9505.0371, subpart 7, medical assistance covers  
148.24 service plan development before completion of the child's individual treatment plan. Service  
148.25 plan development is covered only if a treatment plan is completed for the child. If upon  
148.26 review it is determined that a treatment plan was not completed for the child, the  
148.27 commissioner shall recover the payment for the service plan development; and

148.28 (7) to be eligible for payment, a diagnostic assessment must be complete with regard to  
148.29 all required components, including multiple assessment appointments required for an  
148.30 extended diagnostic assessment and the written report. Dates of the multiple assessment  
148.31 appointments must be noted in the client's clinical record.

148.32 **EFFECTIVE DATE.** This section is effective the day following final enactment.

149.1 Sec. 43. Minnesota Statutes 2016, section 256B.15, subdivision 1, is amended to read:

149.2 Subdivision 1. **Policy and applicability.** (a) It is the policy of this state that individuals  
149.3 or couples, either or both of whom participate in the medical assistance program, use their  
149.4 own assets to pay their share of the cost of their care during or after their enrollment in the  
149.5 program according to applicable federal law and the laws of this state. The following  
149.6 provisions apply:

149.7 (1) subdivisions 1c to 1k shall not apply to claims arising under this section which are  
149.8 presented under section 525.313;

149.9 (2) the provisions of subdivisions 1c to 1k expanding the interests included in an estate  
149.10 for purposes of recovery under this section give effect to the provisions of United States  
149.11 Code, title 42, section 1396p, governing recoveries, but do not give rise to any express or  
149.12 implied liens in favor of any other parties not named in these provisions;

149.13 (3) the continuation of a recipient's life estate or joint tenancy interest in real property  
149.14 after the recipient's death for the purpose of recovering medical assistance under this section  
149.15 modifies common law principles holding that these interests terminate on the death of the  
149.16 holder;

149.17 (4) all laws, rules, and regulations governing or involved with a recovery of medical  
149.18 assistance shall be liberally construed to accomplish their intended purposes;

149.19 (5) a deceased recipient's life estate and joint tenancy interests continued under this  
149.20 section shall be owned by the remainderpersons or surviving joint tenants as their interests  
149.21 may appear on the date of the recipient's death. They shall not be merged into the remainder  
149.22 interest or the interests of the surviving joint tenants by reason of ownership. They shall be  
149.23 subject to the provisions of this section. Any conveyance, transfer, sale, assignment, or  
149.24 encumbrance by a remainderperson, a surviving joint tenant, or their heirs, successors, and  
149.25 assigns shall be deemed to include all of their interest in the deceased recipient's life estate  
149.26 or joint tenancy interest continued under this section; and

149.27 (6) the provisions of subdivisions 1c to 1k continuing a recipient's joint tenancy interests  
149.28 in real property after the recipient's death do not apply to a homestead owned of record, on  
149.29 the date the recipient dies, by the recipient and the recipient's spouse as joint tenants with  
149.30 a right of survivorship. Homestead means the real property occupied by the surviving joint  
149.31 tenant spouse as their sole residence on the date the recipient dies and classified and taxed  
149.32 to the recipient and surviving joint tenant spouse as homestead property for property tax  
149.33 purposes in the calendar year in which the recipient dies. For purposes of this exemption,  
149.34 real property the recipient and their surviving joint tenant spouse purchase solely with the

150.1 proceeds from the sale of their prior homestead, own of record as joint tenants, and qualify  
 150.2 as homestead property under section 273.124 in the calendar year in which the recipient  
 150.3 dies and prior to the recipient's death shall be deemed to be real property classified and  
 150.4 taxed to the recipient and their surviving joint tenant spouse as homestead property in the  
 150.5 calendar year in which the recipient dies. The surviving spouse, or any person with personal  
 150.6 knowledge of the facts, may provide an affidavit describing the homestead property affected  
 150.7 by this clause and stating facts showing compliance with this clause. The affidavit shall be  
 150.8 prima facie evidence of the facts it states.

150.9 (b) For purposes of this section, "medical assistance" includes the medical assistance  
 150.10 program under this chapter, the general assistance medical care program formerly codified  
 150.11 under chapter 256D, and alternative care for nonmedical assistance recipients under section  
 150.12 256B.0913.

150.13 (c) For purposes of this section, ~~beginning January 1, 2010,~~ "medical assistance" does  
 150.14 not include Medicare cost-sharing benefits in accordance with United States Code, title 42,  
 150.15 section 1396p.

150.16 (d) All provisions in this subdivision, and subdivisions 1d, 1f, 1g, 1h, 1i, and 1j, related  
 150.17 to the continuation of a recipient's life estate or joint tenancy interests in real property after  
 150.18 the recipient's death for the purpose of recovering medical assistance, are effective only for  
 150.19 life estates and joint tenancy interests established on or after August 1, 2003. For purposes  
 150.20 of this paragraph, medical assistance does not include alternative care.

150.21 **EFFECTIVE DATE.** This section is effective the day following final enactment and  
 150.22 applies retroactively to estate claims pending on or after July 1, 2016, and to the estates of  
 150.23 people who died on or after July 1, 2016.

150.24 Sec. 44. Minnesota Statutes 2016, section 256B.15, subdivision 1a, is amended to read:

150.25 Subd. 1a. **Estates subject to claims.** (a) If a person receives medical assistance hereunder,  
 150.26 on the person's death, if single, or on the death of the survivor of a married couple, either  
 150.27 or both of whom received medical assistance, or as otherwise provided for in this section,  
 150.28 the amount paid for medical assistance as limited under subdivision 2 for the person and  
 150.29 spouse shall be filed as a claim against the estate of the person or the estate of the surviving  
 150.30 spouse in the court having jurisdiction to probate the estate or to issue a decree of descent  
 150.31 according to sections 525.31 to 525.313.

150.32 (b) For the purposes of this section, the person's estate must consist of:

150.33 (1) the person's probate estate;

151.1 (2) all of the person's interests or proceeds of those interests in real property the person  
151.2 owned as a life tenant or as a joint tenant with a right of survivorship at the time of the  
151.3 person's death;

151.4 (3) all of the person's interests or proceeds of those interests in securities the person  
151.5 owned in beneficiary form as provided under sections 524.6-301 to 524.6-311 at the time  
151.6 of the person's death, to the extent the interests or proceeds of those interests become part  
151.7 of the probate estate under section 524.6-307;

151.8 (4) all of the person's interests in joint accounts, multiple-party accounts, and pay-on-death  
151.9 accounts, brokerage accounts, investment accounts, or the proceeds of those accounts, as  
151.10 provided under sections 524.6-201 to 524.6-214 at the time of the person's death to the  
151.11 extent the interests become part of the probate estate under section 524.6-207; and

151.12 (5) assets conveyed to a survivor, heir, or assign of the person through survivorship,  
151.13 living trust, or other arrangements.

151.14 (c) For the purpose of this section and recovery in a surviving spouse's estate for medical  
151.15 assistance paid for a predeceased spouse, the estate must consist of all of the legal title and  
151.16 interests the deceased individual's predeceased spouse had in jointly owned or marital  
151.17 property at the time of the spouse's death, as defined in subdivision 2b, and the proceeds of  
151.18 those interests, that passed to the deceased individual or another individual, a survivor, an  
151.19 heir, or an assign of the predeceased spouse through a joint tenancy, tenancy in common,  
151.20 survivorship, life estate, living trust, or other arrangement. A deceased recipient who, at  
151.21 death, owned the property jointly with the surviving spouse shall have an interest in the  
151.22 entire property.

151.23 (d) For the purpose of recovery in a single person's estate or the estate of a survivor of  
151.24 a married couple, "other arrangement" includes any other means by which title to all or any  
151.25 part of the jointly owned or marital property or interest passed from the predeceased spouse  
151.26 to another including, but not limited to, transfers between spouses which are permitted,  
151.27 prohibited, or penalized for purposes of medical assistance.

151.28 (e) A claim shall be filed if medical assistance was rendered for either or both persons  
151.29 under one of the following circumstances:

151.30 ~~(1) the person was over 55 years of age, and received services under this chapter prior~~  
151.31 ~~to January 1, 2014;~~

151.32 ~~(2)~~ (1) the person resided in a medical institution for six months or longer, received  
151.33 services under this chapter, and, at the time of institutionalization or application for medical

152.1 assistance, whichever is later, the person could not have reasonably been expected to be  
 152.2 discharged and returned home, as certified in writing by the person's treating physician. For  
 152.3 purposes of this section only, a "medical institution" means a skilled nursing facility,  
 152.4 intermediate care facility, intermediate care facility for persons with developmental  
 152.5 disabilities, nursing facility, or inpatient hospital;

152.6 ~~(3)~~ (2) the person received general assistance medical care services under the program  
 152.7 formerly codified under chapter 256D; ~~or~~

152.8 ~~(4)~~ (3) the person was 55 years of age or older and received medical assistance services  
 152.9 ~~on or after January 1, 2014,~~ that consisted of nursing facility services, home and  
 152.10 community-based services, or related hospital and prescription drug benefits.

152.11 (f) The claim shall be considered an expense of the last illness of the decedent for the  
 152.12 purpose of section 524.3-805. Notwithstanding any law or rule to the contrary, a state or  
 152.13 county agency with a claim under this section must be a creditor under section 524.6-307.  
 152.14 Any statute of limitations that purports to limit any county agency or the state agency, or  
 152.15 both, to recover for medical assistance granted hereunder shall not apply to any claim made  
 152.16 hereunder for reimbursement for any medical assistance granted hereunder. Notice of the  
 152.17 claim shall be given to all heirs and devisees of the decedent, and to other persons with an  
 152.18 ownership interest in the real property owned by the decedent at the time of the decedent's  
 152.19 death, whose identity can be ascertained with reasonable diligence. The notice must include  
 152.20 procedures and instructions for making an application for a hardship waiver under subdivision  
 152.21 5; time frames for submitting an application and determination; and information regarding  
 152.22 appeal rights and procedures. Counties are entitled to one-half of the nonfederal share of  
 152.23 medical assistance collections from estates that are directly attributable to county effort.  
 152.24 Counties are entitled to ten percent of the collections for alternative care directly attributable  
 152.25 to county effort.

152.26 **EFFECTIVE DATE.** This section is effective the day following final enactment and  
 152.27 applies retroactively to estate claims pending on or after July 1, 2016, and to the estates of  
 152.28 people who died on or after July 1, 2016.

152.29 Sec. 45. Minnesota Statutes 2016, section 256B.15, subdivision 2, is amended to read:

152.30 Subd. 2. **Limitations on claims.** ~~(a) For services rendered prior to January 1, 2014, the~~  
 152.31 ~~claim shall include only the total amount of medical assistance rendered after age 55 or~~  
 152.32 ~~during a period of institutionalization described in subdivision 1a, paragraph (c), and the~~  
 152.33 ~~total amount of general assistance medical care rendered under the program formerly codified~~  
 152.34 ~~under chapter 256D, and shall not include interest.~~

153.1 ~~(b) For services rendered on or after January 1, 2014,~~ (a) The claim shall include only:

153.2 (1) the amount of medical assistance rendered to recipients 55 years of age or older ~~and~~  
 153.3 that consisted of nursing facility services, home and community-based services, and related  
 153.4 hospital and prescription drug services; ~~and~~

153.5 (2) the total amount of medical assistance rendered during a period of institutionalization  
 153.6 described in subdivision 1a, paragraph (e), clause ~~(2)~~; (1);

153.7 (3) the total amount of general assistance medical care rendered under the program  
 153.8 formerly codified under chapter 256D.

153.9 The claim shall not include interest. For the purposes of this section, "home and  
 153.10 community-based services" has the same meaning it has when used in United States Code,  
 153.11 title 42, section 1396p(b)(1)(B)(i), and includes the alternative care program under section  
 153.12 256B.0913 even for periods when alternative care services receive only state funding.

153.13 ~~(e)~~ (b) Claims that have been allowed but not paid shall bear interest according to section  
 153.14 524.3-806, paragraph (d). A claim against the estate of a surviving spouse who did not  
 153.15 receive medical assistance, for medical assistance rendered for the predeceased spouse,  
 153.16 shall be payable from the full value of all of the predeceased spouse's assets and interests  
 153.17 which are part of the surviving spouse's estate under subdivisions 1a and 2b. Recovery of  
 153.18 medical assistance expenses in the nonrecipient surviving spouse's estate is limited to the  
 153.19 value of the assets of the estate that were marital property or jointly owned property at any  
 153.20 time during the marriage. The claim is not payable from the value of assets or proceeds of

154.30 (a) For outpatient hospital facility fee payments for services rendered on or after October  
 154.31 1, 1992, the commissioner of human services shall pay the lower of (1) submitted charge,  
 154.32 or (2) 32 percent above the rate in effect on June 30, 1992, except for those services for

155.1 which there is a federal maximum allowable payment. Effective for services rendered on  
155.2 or after January 1, 2000, payment rates for nonsurgical outpatient hospital facility fees and  
155.3 emergency room facility fees shall be increased by eight percent over the rates in effect on  
155.4 December 31, 1999, except for those services for which there is a federal maximum allowable  
155.5 payment. Services for which there is a federal maximum allowable payment shall be paid  
155.6 at the lower of (1) submitted charge, or (2) the federal maximum allowable payment. Total  
155.7 aggregate payment for outpatient hospital facility fee services shall not exceed the Medicare  
155.8 upper limit. If it is determined that a provision of this section conflicts with existing or  
155.9 future requirements of the United States government with respect to federal financial  
155.10 participation in medical assistance, the federal requirements prevail. The commissioner  
155.11 may, in the aggregate, prospectively reduce payment rates to avoid reduced federal financial  
155.12 participation resulting from rates that are in excess of the Medicare upper limitations.

155.13 (b) Notwithstanding paragraph (a), payment for outpatient, emergency, and ambulatory  
155.14 surgery hospital facility fee services for critical access hospitals designated under section  
155.15 144.1483, clause (9), shall be paid on a cost-based payment system that is based on the  
155.16 cost-finding methods and allowable costs of the Medicare program. Effective for services  
155.17 provided on or after July 1, 2015, rates established for critical access hospitals under this  
155.18 paragraph for the applicable payment year shall be the final payment and shall not be settled  
155.19 to actual costs. Effective for services delivered on or after the first day of the hospital's fiscal  
155.20 year ending in 2016, the rate for outpatient hospital services shall be computed using  
155.21 information from each hospital's Medicare cost report as filed with Medicare for the year  
155.22 that is two years before the year that the rate is being computed. Rates shall be computed  
155.23 using information from Worksheet C series until the department finalizes the medical  
155.24 assistance cost reporting process for critical access hospitals. After the cost reporting process  
155.25 is finalized, rates shall be computed using information from Title XIX Worksheet D series.  
155.26 The outpatient rate shall be equal to ancillary cost plus outpatient cost, excluding costs  
155.27 related to rural health clinics and federally qualified health clinics, divided by ancillary  
155.28 charges plus outpatient charges, excluding charges related to rural health clinics and federally  
155.29 qualified health clinics.

155.30 (c) Effective for services provided on or after July 1, 2003, rates that are based on the  
155.31 Medicare outpatient prospective payment system shall be replaced by a budget neutral  
155.32 prospective payment system that is derived using medical assistance data. The commissioner  
155.33 shall provide a proposal to the 2003 legislature to define and implement this provision.

156.1 (d) For fee-for-service services provided on or after July 1, 2002, the total payment,  
156.2 before third-party liability and spenddown, made to hospitals for outpatient hospital facility  
156.3 services is reduced by .5 percent from the current statutory rate.

156.4 (e) In addition to the reduction in paragraph (d), the total payment for fee-for-service  
156.5 services provided on or after July 1, 2003, made to hospitals for outpatient hospital facility  
156.6 services before third-party liability and spenddown, is reduced five percent from the current  
156.7 statutory rates. Facilities defined under section 256.969, subdivision 16, are excluded from  
156.8 this paragraph.

156.9 (f) In addition to the reductions in paragraphs (d) and (e), the total payment for  
156.10 fee-for-service services provided on or after July 1, 2008, made to hospitals for outpatient  
156.11 hospital facility services before third-party liability and spenddown, is reduced three percent  
156.12 from the current statutory rates. Mental health services and facilities defined under section  
156.13 256.969, subdivision 16, are excluded from this paragraph.

156.23 of (i) submitted charges, or (ii) 25 percent above the rate in effect on June 30, 1992. ~~If the~~  
156.24 ~~rate on any procedure code within these categories is different than the rate that would have~~

160.33 according to the managed care plan or county-based purchasing plan's fee schedule that  
160.34 applies to dental providers that are not paid under a capitated payment or cost-based payment.

185.5 commissioner shall conduct a readiness review according to Code of Federal Regulations,  
185.6 title 42, section 438.66(d). The readiness review must be conducted at least three months

185.8 transition and receive Centers for Medicare and Medicaid approval.

185.9 (i) The commissioner shall provide a written report under section 3.195 to the chairs of  
185.10 the legislative committees having jurisdiction over human services if a procurement results  
185.11 in a significant change of new contracted entities, population shifts, new eligibility groups,  
185.12 or a change in the number of contracted entities. The report shall be provided 60 days  
185.13 following the effective date of the change.

185.21 reasonable period of time before the hearing, the panelists must be provided all documents

185.23 days' notice of a hearing before the mediation panel.

185.33 Subd. 6. **Enrollment.** (a) For populations required to enroll in a managed care  
185.34 organization, the commissioner must ensure that an eligible beneficiary has a choice between

186.1 two managed care organizations. For an eligible beneficiary residing in a rural area, the  
186.2 commissioner may limit a rural area beneficiary to a single managed care organization. For  
186.3 a beneficiary living in a rural county with a single managed care organization, the rural  
186.4 beneficiary:

186.5 (1) must be allowed to choose from at least two primary care providers; and

186.8 (b) The commissioner, in consultation with the tribal governments, shall develop a plan  
186.9 for tribes to assist in the enrollment process for American Indian beneficiaries enrolled in  
186.10 managed care under this section. This plan shall address how tribes shall be included in

186.24 section 438.54, as applicable to mandatory, voluntary, and passive enrollments. For a  
186.25 potential enrollee that does not select an MCO during the period allowed by the  
186.26 commissioner, the commissioner must have a default enrollment process for assigning the  
186.27 potential enrollee to an MCO and must consider priority enrollment and existing  
186.28 provider-beneficiary relationships. The MCO must not be subject to an intermediate sanction  
186.29 in Code of Federal Regulations, title 42, section 438.702(a)(4), and the MCO's capacity to  
186.30 accept new enrollment.

186.31 (1) The commissioner may consider additional reasonable criteria to conduct the default  
186.32 process including the previous plan assignment of the beneficiary, quality assurance and  
186.33 improvement performance, procurement evaluation elements, accessibility of provider

187.1 offices for people with disabilities, if appropriate, and other reasonable criteria that support  
187.2 the objectives of the managed care program.

187.3 (2) The commissioner must send a confirmation of the enrollee's managed care enrollment  
187.4 to the enrollee within five calendar days of the date enrollment is processed by the  
187.5 commissioner. The confirmation must clearly explain the enrollee's right to disenroll within  
187.6 90 days from the effective date of enrollment.

187.7 (3) The commissioner must provide an informational notice to each potential enrollee  
187.8 who may enroll in an MCO. The notice must include the MCOs that are available to the  
187.9 potential enrollee, how to select an MCO, explain the implications of making or not making  
187.10 an active choice, explain the length of enrollment period and the disenrollment policies,

187.14 federal and state anti-discrimination laws and regulations. A managed care organization  
187.15 that contracts with the commissioner cannot discriminate or use any policy that has the  
187.16 effect of discriminating against people on the basis of medical condition, health status,  
187.17 receipt of health care services, claims experience, medical history, genetic information,  
187.18 disability, including mental or physical impairment, marital status, age, race, color, religion,  
187.19 creed, national origin, sex, including sex stereotypes and gender identity, sexual orientation,

187.26 persons from enrollment in managed care:

191.9 (b) The commissioner's transition of care policy must ensure:

191.10 (1) that a beneficiary has access to services consistent with the access the beneficiary  
191.11 previously had and is permitted to retain the beneficiary's current provider for a period of  
191.12 up to 120 days if that provider is not in the MCO network;

191.13 (2) within the transition period the beneficiary is referred to appropriate a provider of  
191.14 services that are in the MCO's network;

191.15 (3) the commissioner, in the case of FFS, or the MCO that was previously serving the  
191.16 enrollee, fully and timely complies with requests for historical utilization data from the new  
191.17 MCO according to federal and state law;

191.18 (4) the enrollee's new provider is able to obtain copies of the enrollee's medical records,  
191.19 as appropriate and consistent with state and federal law.

191.20 (5) access to other necessary procedures as specified by the Centers for Medicare and  
191.21 Medicaid to ensure continued access to services to prevent serious detriment to the enrollee's  
191.22 health or reduce the risk of hospitalization or institutionalization; and

191.23 (6) that the policy is be publicly available to enrollees and potential enrollees on how  
191.24 to access continued services during transition.

191.25 Subd. 12. **Beneficiary support system.** (a) The commissioner shall have a beneficiary  
191.26 support system that provides support to a beneficiary both before and after enrollment in a  
191.27 managed care organization.

191.28 (b) A state beneficiary support system must:

191.29 (1) provide choice counseling for each potential enrollee, including an enrollee who  
191.30 disenrolled from an MCO;

191.31 (2) assist each enrollee in understanding managed care;

192.1 (3) provide an access point for complaints and concerns about MCO enrollment, covered  
 192.2 services, and other related matters;

192.3 (4) provide education on enrollee's grievance and appeal rights within the MCO, the  
 192.4 state fair hearing process, enrollee rights and responsibilities, and additional resources  
 192.5 outside of the MCO;

192.6 (5) assist, if request, navigating the grievance and appeal process within the MCO and  
 192.7 appealing adverse benefit determinations by the MCO to a state fair hearing. The beneficiary  
 192.8 support system may not provide representation to the enrollee at a state fair hearing but may  
 192.9 refer an enrollee to legal representation sources;

192.10 (6) perform outreach to a beneficiary or an authorized representative and be accessible  
 192.11 in multiple formats including telephone, internet, in-person, and via auxiliary aids and  
 192.12 services if requested; and

192.13 (7) review and oversee LTSS program data to guide the state Medicaid agency on  
 192.14 identification, remediation, and resolution of systemic issues.

192.15 (c) Federal financial participation is available only if:

192.16 (1) costs must be supported by an allocation methodology that appears in the state's  
 192.17 approved Public Assistance Cost Allocation Plan in Code of Federal Regulations, title 42,  
 192.18 section 433.34; and

192.19 (2) costs do not duplicate payment for activities that are already offered or should be  
 192.20 provided by other entities or paid by other programs.

192.21 (d) The commissioner may designate a county coordinator to assist the department in  
 192.22 educating beneficiaries about selecting an MCO and providing necessary enrollment  
 192.23 information.

192.24 Subd. 13. **Network adequacy.** (a) The commissioner shall develop and enforce time  
 192.25 and distance standards for provider types in clauses (1) to (9) that are covered under the  
 192.26 managed care organization contract with the commissioner and who is permitted to have  
 192.27 varying standards for the same provider type based on geographic areas:

192.28 (1) primary care, adult and pediatric;

192.29 (2) obstetrician/gynecologist;

192.30 (3) adult and pediatric behavioral health, including mental health and substance use  
 192.31 disorder;

192.32 (4) specialist, adult and pediatric;

193.1 (5) hospital;

193.2 (6) pharmacy;

193.3 (7) pediatric dental;

193.4 (8) LTSS providers that the enrollee travels to the provider; and for providers traveling  
193.5 to an enrollee's home, the commissioner may set alternative standards; and

193.6 (9) additional provider types as determined by the commissioner or the Centers for  
193.7 Medicare and Medicaid if the commissioner promotes the objectives of the Medicaid  
193.8 program.

193.9 (b) In developing network standards for the providers in paragraph (a), the commissioner  
193.10 must consider the elements in Code of Federal Regulations, title 42, section 438.68(c).

193.11 (c) The commissioner may allow an exception to any of the provider-specific network  
193.12 standards. The exception must be identified in the MCO contract and be based, at a minimum,  
193.13 on the number of providers practicing that specialty in the managed care organization's  
193.14 service area. The commissioner must monitor enrollee access to the provider on an ongoing  
193.15 basis and report those findings to the Centers for Medicare and Medicaid in the managed  
193.16 care program assessment report according to Code of Federal Regulations, title 42, section  
193.17 438.68(d)(2).

193.18 (d) The commissioner must publish on the department's Web site the network adequacy  
193.19 standards developed according to this section. The network adequacy standards must also  
193.20 be made available, upon request, at no cost to an enrollee with a disability in an alternate  
193.21 format or through the provision of auxiliary aids and services.

193.22 Subd. 14. **Provider selection.** (a) The commissioner must ensure that a contract with  
193.23 an MCO requires the MCO to have written policies and procedures for selection and retention  
193.24 of network providers and that the policies and procedures satisfy Code of Federal Regulations,  
193.25 title 42, section 438.214.

193.26 (b) The commissioner shall require an MCO to adopt a uniform credentialing and  
193.27 recredentialing process and comply with the process consistent with state regulations and  
193.28 current NCQA Standards and Guidelines for the Accreditation of Health Plans. The MCO  
193.29 must follow the process for acute, primary care, behavioral, substance use, and LTSS  
193.30 providers. For organizational providers, including hospitals, and Medicare certified home  
193.31 health care agencies, an MCO shall adopt a uniform credentialing and recredentialing process  
193.32 and comply with that process consistent with state regulations.

194.1 (c) An MCO serving a county with a nonprofit community clinic or community health  
194.2 services agency must contract with the clinic or agency to provide services to a client who  
194.3 chooses to receive services from the clinic or agency, if the clinic or agency agrees to  
194.4 payment rates that are competitive with rates paid to other health plan providers for the  
194.5 same or similar services. For purposes of this subdivision, "nonprofit community clinic"  
194.6 includes, but is not limited to, a community mental health center as defined in sections  
194.7 245.62 and 256B.0625, subdivision 5.

194.8 (d) An MCO may not discriminate in the participation, reimbursement, or indemnification  
194.9 of any provider who is acting within the scope of the provider's license or certification under  
194.10 applicable state law, solely on the basis of that license or certification. If an MCO declines  
194.11 to include provider or groups of providers in an MCO's network, the MCO must give written  
194.12 notice of the MCO's decision. An MCO is:

194.13 (1) not required to contract with a provider beyond the amount necessary to meet the  
194.14 needs of an MCO's enrollees;

194.15 (2) not prohibited from using different reimbursement amounts for different specialties  
194.16 or different practitioners in the same specialty; and

194.17 (3) allowed to establish measures designed to maintain quality of services and control  
194.18 costs.

194.19 (e) The MCO may not employ or contract with a provider excluded from participation  
194.20 in federal health care programs under the Social Security Act, United States Code, section  
194.21 1128 or 1128A.

194.22 Subd. 15. **Provider screening and enrollment.** (a) The commissioner, through the  
194.23 commissioner's contract with the MCOs, must ensure all network providers are enrolled  
194.24 with the Medicaid agency as a medical assistance provider and must comply with the provider  
194.25 disclosure, screening, and enrollment requirements of part 455. A provider network is not  
194.26 required to render services to a fee-for-service beneficiary.

194.27 (b) An MCO may execute a network provider agreement pending the outcome of the  
194.28 medical assistance provider enrollment process up to 120 days. An MCO must terminate  
194.29 the network provider upon notification that the network provider cannot be enrolled or upon  
194.30 expiration of the 120-day period and must notify each affected enrollee.

194.31 Subd. 16. **Network and payment requirements for Indian health care providers.** (a)  
194.32 Medical assistance shall cover health care services provided at Indian health services facilities  
194.33 and facilities operated by a tribe or tribal organization under funding authorized under

195.1 United states Code, title 25, sections 450f to 450n, or title III of the Indian Self-Determination  
195.2 and Education Assistance Act, Public Law 93-638, if services would otherwise be covered  
195.3 under section 256B.0625. A payment for services provided under this subdivision shall be  
195.4 made on a fee-for-service basis, and may, at the option of the tribe or tribal organization,  
195.5 be made according to rates authorized under sections 256.969, subdivision 16, and  
195.6 256B.0625, subdivision 34.

195.7 (b) For an American Indian that enrolled in managed care, the commissioner must require  
195.8 an MCO to ensure timely access to services available under the contract from IHCP providers  
195.9 for an enrollee who is eligible to receive services. Timely access to services includes:

195.10 (1) an MCO demonstrating it has sufficient Indian Health Care Providers (IHCP)  
195.11 participating in the provider network;

195.12 (2) an IHCP, whether in the network or not, must be paid:

195.13 (i) at a rate negotiated between the MCO and the IHCP; and

195.14 (ii) at a rate not less than the level and amount of payment that the MCO would pay for  
195.15 the services to a participating provider that is not an IHCP;

195.16 (3) making payment to all IHCPs in an MCO's network in a timely manner as required  
195.17 for payment to practitioners in individual or group practices according to Code of Federal  
195.18 Regulations, title 42, sections 447.45 and 447.46;

195.19 (4) permitting an Indian enrolled in an MCO to choose an IHCP as the enrollee's primary  
195.20 care provider participating as a network provider as long as the provider has the capacity  
195.21 to provide the services;

195.22 (5) permitting an Indian enrollee to obtain services covered under the contract from out  
195.23 of network IHCPs for whom the enrollee is otherwise eligible to receive services; and

195.24 (6) permitting an out-of-network IHCP to refer an Indian enrollee to a network provider.

195.25 (c) In a state where timely access to covered services cannot be assured due to few or  
195.26 no IHCPs, the MCO must be considered to have met the requirements of this section, if the  
195.27 Indian enrollee is permitted access to an out of state IHCP or deemed to have good cause  
195.28 for disenrollment.

195.29 (d) When an IHCP is enrolled in medical assistance as a FQHC but not a participating  
195.30 provider with the MCO, the IHCP must be paid an amount equal to the amount the MCO  
195.31 would pay an FQHC within an MCO's network including any supplemental payment from

196.1 the commissioner to cover the difference in the amount the MCO paid and the amount the  
196.2 IHCP FQHC would receive under FFS.

196.3 (e) If an IHCP is not enrolled in medical assistance as a FQHC, regardless of an MCO's  
196.4 participation in an MCO's network, the IHCP has the right to receive the encounter rate  
196.5 published annually in the Federal Register by the IHS or if not published, the amount the  
196.6 IHCP would receive if the services were provided under the commissioner's plan's FFS  
196.7 methodology.

196.8 (f) When the amount an ICHP receives from an MCO is less than the encounter rate,  
196.9 the commissioner must pay a supplemental payment to the IHCP to cover the difference.

196.10 Subd. 17. **MCO subcontractual relationships.** (a) The commissioner shall ensure that  
196.11 all managed care organizations maintain ultimate responsibility for adhering to and otherwise  
196.12 fully complying with all terms and conditions of an MCO's contract with the commissioner.  
196.13 If an MCO chooses to delegate any of an MCO's responsibilities to a subcontractor, an  
196.14 MCO must execute a valid contract between the MCO and an MCO's subcontractor. The  
196.15 contract must be in writing and must specify:

196.16 (1) the delegated activities or obligations, and related reporting responsibilities;

196.17 (2) the subcontractor must perform the delegated activities and reporting responsibilities  
196.18 specified, according to the MCO's contract obligations; and

196.19 (3) the subcontractor must comply with all applicable Medicaid laws, regulations,  
196.20 including applicable subregulatory guidance and contract provision.

196.21 (b) The contract must either provide for revocation of the delegation of activities or  
196.22 obligations, or specify other remedies and sanctions if the commissioner or the MCO  
196.23 determines that the subcontractor failed to perform satisfactorily.

196.24 (c) The commissioner, Centers for Medicare and Medicaid, Department of Health and  
196.25 Human Services inspector general, comptroller general, or a designee has the right to audit,  
196.26 evaluate, and inspect any books, records, contracts, computer or other electronic systems  
196.27 of the subcontractor, or the subcontractor's contractor, that pertain to any aspect of services  
196.28 and activities performed, or determination of amounts payable under the MCO's contract  
196.29 with the commissioner.

196.30 (d) The subcontractor will make available, for purposes of an audit, the subcontractor's  
196.31 premises, physical facilities, equipment, books, records, contracts, and computer or other  
196.32 electronic systems relating to the subcontractor's medical assistance enrollees. The right to

197.1 audit exists ten years from the final date of the contract or from the date of completion of  
197.2 any audit, whichever is later.

197.3 (e) If the commissioner, Centers for Medicare and Medicaid, or Department of Health  
197.4 and Human Services inspector general determines that there is a reasonable possibility of  
197.5 fraud or similar risk, the commissioner, Centers for Medicare and Medicaid, or Department  
197.6 of Health and Human Services inspector general may inspect, evaluate, and audit the  
197.7 subcontractor at any time.

197.8 Subd. 18. **Information requirements for enrollees and potential enrollees.** (a) All  
197.9 required information to enrollees and potential enrollees must be provided in a manner and  
197.10 format that is easily understood and readily accessible. The information must be available  
197.11 through the beneficiary support system, the department's Web site, and may link to individual  
197.12 MCO Web sites with the required information including, at a minimum, the enrollee  
197.13 handbook, the provider directory, and drug formulary.

197.14 (b) The commissioner must ensure that MCOs provide each enrollee with:

197.15 (1) an enrollee handbook, using the model provided by the department, within a  
197.16 reasonable time after receiving notice of the beneficiary's enrollment. The handbook must  
197.17 include information on benefits provided, how and where to access benefits, cost sharing,  
197.18 how transportation is provided, and must, at a minimum, address other information required

197.24 accommodates people with disabilities. A provider directory must be provided for the  
197.25 following provider types, physicians, specialists, hospitals, pharmacies, behavioral health  
197.26 providers, and LTSS providers, as appropriate;

197.32 (5) the MCO's physician incentive plan, upon enrollee request.

198.1 (c) The commissioner must provide the following information to each potential enrollee

198.4 (2) whether a populations is excluded from enrollment, subject to mandatory enrollment,  
198.5 or free to enroll voluntarily. For mandatory and voluntary populations, the length of the  
198.6 enrollment period and all disenrollment opportunities available to the enrollee;

198.18 Federal Regulations, title 42, section 438.56.

198.19 (d) The commissioner and MCO must provide materials electronically to potential  
198.20 enrollees and enrollees unless the enrollee requests the information in paper form. An  
198.21 enrollee must be informed that the information is available in paper form without charge  
198.22 upon request and must be provided within five business days of the request and mailed to

199.6 into under sections 256B.69 and 256L.12 must require MCOs to provide language assistance,  
199.7 auxiliary aids and services, to ensure meaningful access to an MCO's programs and services,  
199.8 according to title VI of the Civil Rights Act, section 1557 of the Affordable Care Act, and

199.12 languages spoken by enrollees and potential enrollees throughout Minnesota and in each  
199.13 MCO's service area.

 202.12 MCO, the MCO's network providers, or the state Medicaid agency treats the enrollee.

202.13 (c) The commissioner shall ensure that the MCO complies with all federal and state  
 202.14 antidiscrimination laws and regulations. An MCO that contracts with the commissioner

204.22 contract for each enrollee;

204.23 (2) provide female enrollees with direct access to a women's health specialist that provides

204.27 available within the network or required by state law, at no cost to the enrollee;

204.28 (4) adequately and timely provide covered services for an enrollee out of network for  
204.29 as long as the MCO provider network is unable to provide them;

204.30 (5) require an out-of-network provider coordinate with the MCO for payment and ensure

205.1 (6) provide to the commissioner the MCO's documented process for credentialing and  
205.2 recredentialing of the MCO's network providers according to Code of Federal Regulations,

205.8 cover and pay for emergency services regardless of whether the provider is within the  
205.9 managed care organizations network.

205.10 (d) The MCO may not deny payment for treatment obtained:

205.11 (1) by an enrollee with an emergency medical condition as defined in subdivision 2; or

205.12 (2) by an enrollee who was instructed to seek emergency services by a representative  
205.13 of the MCO.

205.14 The MCO may not limit what constitutes an emergency medical condition on the basis of  
205.15 lists of diagnoses or symptoms or refuse to cover emergency services based on the emergency  
205.16 room provider, hospital, or fiscal agent not notifying the MCO of the enrollee's screening  
205.17 and treatment within ten calendar days of presentation for emergency services.

205.18 (e) An enrollee who has an emergency medical condition must not be held liable for  
205.19 payment of subsequent screening and treatment needed to diagnose the specific condition  
205.20 or stabilize the enrollee.

205.21 (f) The attending emergency physician, or provider treating the enrollee, is responsible  
205.22 for determining when the enrollee is sufficiently stabilized for transfer or discharge, and  
205.23 that determination is binding on the MCO for coverage and payment. Post stabilization care  
205.24 services are covered and paid for by the MCO in accordance with the provisions in Code  
205.25 of Federal Regulations, title 42, section 422.113(c).

205.26 (g) The commissioner must have methods to promote access and delivery of services in  
205.27 a culturally competent manner to each beneficiary, including a beneficiary with limited  
205.28 English proficiency, diverse cultural and ethnic background, disability, and regardless of  
205.29 gender, sexual orientation, or gender identity. The commissioner must ensure a beneficiary  
205.30 has access to covered services that are delivered in a manner that meets the beneficiary's  
205.31 needs.

206.1 (h) The commissioner must ensure, through contracts, that each MCO meets the standards  
206.2 for timely access, cultural competency, and accessibility according to Code of Federal  
206.3 Regulations, title 42, section 438.206(c).

206.4 Subd. 28. Adequate capacity and services assurances. (a) The MCO must provide  
206.5 supporting documentation that an MCO has the capacity to serve the expected enrollment  
206.6 in an MCO's service area according to Code of Federal Regulations, title 42, section  
206.7 438.207(c), and ensure the commissioner that the MCO:

206.8 (1) offers an appropriate range of preventive, primary care, specialty services, and LTSS;  
206.9 and

206.11 distribution.

206.12 (b) After reviewing the MCO's submitted documentation the commissioner must submit  
206.13 an assurance of compliance to the Centers for Medicare and Medicaid that the MCO meets  
206.14 the requirements for availability of services according to Code of Federal Regulations, title  
206.15 42, sections 438.68 and 438.206. The submission to the Centers for Medicare and Medicaid  
206.16 must include an analysis that supports the assurance of the adequacy of the network for  
206.17 each contracted MCO's provider network. The Centers for Medicare and Medicaid may  
206.18 request all documentation collected by the commissioner from the MCO.

206.19 Subd. 29. Coordination of services and continuity of care. (a) For each MCO that  
206.20 serves an enrollee who is also enrolled in and receives Medicare benefits from a Medicare  
206.21 advantage organization, the commissioner shall determine to what extent the MCO meets  
206.22 the identification, assessment, and treatment planning provisions in this section for a dually  
206.23 eligible enrollee.

206.24 (b) The MCO must implement procedures to deliver care to and coordinate services for  
206.25 each MCO enrollee, including the following:

206.27 formally designated as primarily responsible for coordinating the services;

206.28 (2) coordination of the services the MCO furnishes to the enrollee between settings of  
206.29 care, including appropriate discharge planning for short-term and long-term hospital and  
206.30 institutional stays;

206.31 (3) coordination with any covered services the enrollee receives through a different  
206.32 managed care organization or on a fee-for-service basis; and

207.1 (4) coordination with the services the enrollee receives from community and social  
 207.2 support providers.

207.3 (c) The MCO must make a best effort to conduct an initial screening within 90 days of  
 207.4 enrollment for each enrollee.

207.5 (d) The MCO must share with the commissioner or another MCO serving the enrollee  
 207.6 the results of any identification and assessment of the enrollee's needs to prevent duplicating  
 207.7 activities.

207.8 (e) The MCO shall ensure that each provider furnishing services to an enrollee maintains  
 207.9 and shares an enrollee health record and in the process of coordinating care protecting each  
 207.10 enrollee's privacy according to Code of Federal Regulations, title 45, parts 160 and 164.

207.11 Subd. 30. **Additional services for enrollees with special health care needs or who**  
 207.12 **need LTSS.** (a) The commissioner, or the commissioner's designee, must implement  
 207.13 mechanisms to identify persons who need LTSS or persons with special health care needs  
 207.14 to MCOs. The mechanisms must be identified in the commissioner's quality strategy.

207.15 (b) The MCO must implement mechanisms to assess each identified enrollee needing  
 207.16 LTSS or having special health care needs that require a course of treatment or regular care  
 207.17 monitoring using appropriate providers or individuals for the assessment.

207.18 (c) The MCO must produce a treatment or service plan for an enrollee who requires  
 207.19 LTSS and, if the commissioner requires, for an enrollee with special health care needs. The  
 207.20 treatment or service plan must:

207.21 (1) be developed by an appropriate individual of LTSS services, with enrollee  
 207.22 participation, and with each provider caring for the enrollee;

207.23 (2) be developed by a person trained in person-centered planning using a person-centered  
 207.24 process and plan as defined in Code of Federal Regulations, title 42, section 441.301(c)(1)  
 207.25 and (2);

207.26 (3) be approved by the MCO, in a timely manner, if approval is required by the MCO;

 207.31 according to Code of Federal Regulations, title 42, section 441.301(c)(3).

208.1 (d) The MCO must have a mechanism to allow an enrollee with special health care needs  
208.2 to directly access a specialist, through a standing referral or approved number of visits, as  
208.3 appropriate for the enrollee's condition and identified needs.

208.4 Subd. 31. Coverage and authorization of services. (a) The commissioner must ensure  
208.5 that all contracts with the MCOs identify, define, and specify the amount, duration, and  
208.6 scope of each covered service and are furnished in an amount, duration, and scope that is  
208.7 no less than what is provided under FFS Medicaid.

208.8 (b) The MCO must ensure that the covered services are sufficient in amount, duration,  
208.9 or scope to reasonably achieve the purpose for the services and must not arbitrarily deny  
208.10 or reduce the amount, duration, or scope solely because of diagnosis, type of illness, or  
208.11 condition of the enrollee.

208.12 (c) The commissioner shall permit the MCO to limit a service based on criteria applied  
208.13 under the state plan, including but not limited to medical necessity or utilization control if  
208.14 the service meets the criteria in Code of Federal Regulations, title 42, section 438.210(a)(4).

208.19 plan, or other state policies and procedures;

208.20 (2) address the extent to which the MCO is responsible for covering services that address  
208.21 the criteria in Code of Federal Regulations, title 42, section 438.210(a)(5)(ii).

208.22 (e) The commissioner must ensure the MCO contract requires the MCO and an MCO's  
208.23 subcontractors to have and follow written policies and procedures on processing requests  
208.24 for initial and continuing authorization of services. The MCO must:

208.25 (1) ensure consistent application of review criteria for authorization decisions;

208.26 (2) consult with the requesting provider for medical services, if appropriate;

208.27 (3) authorize LTSS based on an enrollee's current needs assessment and consistent with  
208.28 the person-centered service plan; and

208.29 (4) notify the requesting provider and the enrollee of any decision of the MCO to deny  
208.30 a service authorization or to authorize the service in an amount, duration, or scope that is  
208.31 less than requested.

209.1 (f) Any decision to deny a service authorization request or to authorize a service in an  
209.2 amount, duration, or scope that is less than requested, by an individual who has appropriate  
209.3 expertise in addressing the enrollee's medical behavioral health or long-term services and  
209.4 support needs.

209.5 (g) The MCO contract must include time frames for standard authorizations that are ten  
209.6 business days following the receipt of the request and no later than 72 hours of a receipt for  
209.7 an expedited authorization. For both standard and expedited authorizations the MCO may  
209.8 extend the time frame 14 additional calendar days, if the enrollee or a provider requests an  
209.9 extension. Upon a request from the commissioner the MCO must justify the need for  
209.10 additional information and how the extension is in the enrollee's best interest.

209.11 (h) For all covered outpatient drug authorization decisions, provide notice within 24  
209.12 hours of a request according to section 1927(d)(5)(A) of the Social Security Act.

209.13 (i) The contract must ensure that compensation to an individual or entity that conducts  
209.14 utilization management activities is not structured to provide incentives for the individual  
209.15 or entity to deny, limit, or discontinue medically necessary services to an enrollee.

209.16 (j) The commissioner shall require that managed care organizations use the assessment  
209.17 and authorization processes, forms, timelines, standards, documentation, and data reporting  
209.18 requirements, protocols, billing processes, and policies consistent with medical assistance  
209.19 fee-for-service or the Department of Human Services contract requirements consistent with  
209.20 medical assistance fee-for-service or the Department of Human Services contract  
209.21 requirements for all personal care assistance services under section 256B.0659.

209.22 Subd. 32. **Prescription drugs.** The commissioner may exclude or modify coverage for  
209.23 prescription drugs from the prepaid managed care contracts entered into under this section  
209.24 to increase savings to the commissioner by collecting additional prescription drug rebates.  
209.25 The contracts must maintain incentives for the managed care plan to manage drug costs and  
209.26 utilization and may require that the managed care plans maintain an open drug formulary.  
209.27 To manage drug costs and utilization, a contract must authorize the managed care  
209.28 organizations to use preferred drug lists and prior authorization. This subdivision is contingent  
209.29 on federal approval of the managed care contract changes and the collection of additional  
209.30 prescription drug rebates. A contracted MCO must comply with the standards in section  
209.31 1927 of the Social Security Act.

209.32 Subd. 33. **Additional and in lieu of services.** (a) An MCO may choose to provide  
209.33 services in addition to services required under the terms of the contract. If an MCO chooses

210.1 to provide an enrollee eligible for medical assistance with additional services, the cost of  
210.2 the additional services cannot be included in determining the capitated payment rate.

210.3 (b) An MCO may provide any service necessary to comply with the Mental Health Parity  
210.4 Act, Code of Federal Regulations, title 42, section 438.910.

210.8 under the state plan;

210.9 (2) the enrollee is not required by the MCO to use the alternative service or setting;

210.10 (3) authorized and identified in the MCO contract and must be offered to enrollees at  
210.11 the option of the MCO; and

210.12 (4) the utilization and actual cost of the in lieu of service is considered in developing  
210.13 the component of the capitation rates that represents the covered date plan service.

210.15 **contract.** The commissioner must ensure that no payment is made to a network provider  
210.16 other than by the MCO for services covered under the MCO's contract with the commissioner,  
210.17 except when payments by the commissioner are required to be made according to title XIX  
210.18 of the Social Security Act, or if the commissioner makes direct payments to network  
210.19 providers for graduate medical education costs approved under the state plan.

210.20 Subd. 35. **Quality assessment and performance improvement program.** (a) The  
210.21 commissioner must require the managed care organizations to establish and implement an  
210.22 ongoing comprehensive quality assessment and performance improvement program for the

210.24 title 42, section 438.330(b).

210.25 (b) The commissioner shall ensure that the MCO conduct performance improvement  
210.26 projects that focus on both clinical and nonclinical measures, designed to achieve significant  
210.27 improvement, sustained over time, in health outcomes and enrollee satisfaction and must  
210.28 meet the elements in Code of Federal Regulations, title 42, section 438.330(d)(2).

210.29 (c) The commissioner may permit an MCO exclusively serving dual eligible enrollees  
210.30 to substitute a Medicare Advantage organization quality improvement project for one or  
210.31 more of the required performance improvement projects.

211.1 (d) The commissioner, or the Centers for Medicare and Medicaid, may identify standard  
211.2 performance measures including measures relating to quality of life, rebalancing, and  
211.3 community integration activities for enrollees receiving long term services and supports.

211.4 (e) The MCOs must annually measure and report on the MCO's performance using the  
211.5 standard measures as required by the commissioner and submit the data to the commissioner  
211.6 to calculate the MCO's performance.

211.7 (f) The commissioner shall review annually the impact and the effectiveness of the  
211.8 quality assessment and performance improvement program of each MCO, outcomes and  
211.9 trended results of the MCO performance improvement projects, and identify the results of  
211.10 any efforts to support community integration for an enrollee using LTSS.

211.11 (g) The commissioner shall ensure, through contracts with MCOs, that each MCO adopt  
211.12 practice guidelines that satisfy Code of Federal Regulations, title 42, section 438.236(b),  
211.13 and disseminate the guidelines to each affected provider and upon request, to an enrollee  
211.14 or potential enrollee.

211.15 Subd. 36. **MCO health information system.** (a) The commissioner shall ensure the  
211.16 MCOs maintain a health information system that collects, analyzes, integrates, and reports  
211.17 data. The systems must provide information on areas including but not limited to utilizations,  
211.18 claims, grievances and appeals, and enrollments and disenrollments.

211.19 (b) The commissioner shall require each MCO to collect data elements necessary to  
211.20 enable the mechanized claims processing retrieval systems operated by the commissioner  
211.21 according to section 1903(r)(1)(f) of the Social Security Act.

211.22 (c) Collect data on enrollee and provider characteristics and on all services furnished to  
211.23 enrollees through an encounter data system or other methods as specified by the  
211.24 commissioner. The MCO must ensure that data received from a provider is accurate and  
211.25 complete, verifying the accuracy and timeliness of the reported data and screening the data  
211.26 for completeness, logic, and consistency.

211.27 (d) Collecting data from a provider in a standardized format to the extent feasible and  
211.28 appropriate, including secure information exchanges and technologies utilized for medical  
211.29 assistance quality improvement and care coordination efforts.

211.30 (e) Make all collected data available to the commissioner and upon request to the Centers  
211.31 for Medicare and Medicaid.

211.32 (f) The commissioner must ensure through contract with MCOs that an MCO provides  
211.33 for:

212.1 (1) collection and maintenance of sufficient enrollee encounter data to identify the  
212.2 provider who delivers any items or services to enrollees;

212.3 (2) submission of enrollee encounter data to the commissioner at a frequency and level  
212.4 of detail to be specified by the Centers for Medicare and Medicaid and the commissioner,  
212.5 based on program administration, oversight, and program integrity needs;

212.6 (3) submission of all enrollee encounter data to the commissioner that satisfies Code of  
212.7 Federal Regulations, title 42, section 438.818. Federal financial participation is available  
212.8 if the commissioner meets the requirements for providing enrollee encounter data to the  
212.9 Centers for Medicare and Medicaid.

212.10 (4) specifications for submitting encounter data to the commissioner in standardized  
212.11 ASC X12 N837 and NCPDP formats, and the ASC X12 N8355 format.

212.12 (g) The commissioner must establish procedures and quality assurance protocols to  
212.13 review and validate the encounter data collected, maintained, and submitted to the  
212.14 commissioner, and is a complete and accurate representation of the services provided to  
212.15 enrollees under the contract between the commissioner and MCO.

212.16 Subd. 37. **Accreditation status of MCOs.** (a) Each MCO shall notify the commissioner  
212.17 whether the MCO was accredited by a private independent accrediting entity. The MCO  
212.18 must authorize the accrediting entity to provide the commissioner with a copy of the MCO's  
212.19 most recent accreditation review. The accreditation review must include:

212.20 (1) the accreditation status, survey type, and level, if applicable;

212.21 (2) accreditation results, including recommended actions or improvements, corrective  
212.22 action plans, and summaries of findings; and

212.23 (3) the expiration date of the accreditation.

212.24 (b) Annually, the commissioner must make available on the department's Web site  
212.25 whether an MCO was accredited, and if applicable, the name of the accrediting entity,  
212.26 accreditation program, and accreditation level.

212.27 Subd. 38. **Quality rating system.** (a) The commissioner shall adopt and implement a  
212.28 Medicaid managed care quality rating system developed by the Centers for Medicare and  
212.29 Medicaid within three years of the date of a final notice being published in the Federal  
212.30 Register. The commissioner may submit a request to the Centers for Medicare and Medicaid  
212.31 to use an alternative Medicaid managed care quality rating system that utilizes different  
212.32 performance measures or applies a different methodology from that published in the Federal  
212.33 Register provided that:

213.1 (1) the ratings generated by the alternative Medicaid managed care quality rating system  
 213.2 must yield information regarding the MCO performance that is substantially comparable  
 213.3 to the information yielded by the Centers for Medicare and Medicaid system published in  
 213.4 the Federal Register; and

213.5 (2) the commissioner receives the Centers for Medicare and Medicaid approval, before  
 213.6 implementing, the quality rating system or modifications.

213.7 (b) Before submitting for the Centers for Medicare and Medicaid approval, the  
 213.8 commissioner:

213.9 (1) must obtain input from the Medical Care Advisory Committee; and

213.10 (2) provide an opportunity for public comment of at least 30 days on the proposed  
 213.11 alternative Medicaid managed care quality rating system or modification; and

213.12 (3) must document in the commissioner's request for approval comments received from  
 213.13 the public and the Medical Care Advisory Committee and explain any revisions made in  
 213.14 response to comments and rationale for comments not accepted.

213.15 (c) Once the quality rating system has been implemented, each year the commissioner  
 213.16 must collect data from each MCO and issue an annual quality rating for each MCO based  
 213.17 on the data collected, using the quality rating system that was adopted. Annually, the  
 213.18 commissioner must prominently display the quality rating given by the commissioner to  
 213.19 each MCO on the department's Web site.

213.20 Subd. 39. State-managed care quality strategy. (a) The commissioner must draft and  
 213.21 implement a written quality strategy for accessing and improving the quality of health care  
 213.22 and services provided by the MCOs. At a minimum, the quality strategy must include the  
 213.23 following:

213.24 (1) the commissioner's defined network adequacy and availability of services standards  
 213.25 for MCOs and examples of evidence-based clinical practice guidelines;

213.26 (2) the goals and objectives for continuous quality improvement that are measurable  
 213.27 and consider the health status of all populations in Minnesota served by the MCO;

213.28 (3) a description of:

213.29 (i) the quality metrics and performance targets used in measuring the performance and  
 213.30 improvement of each MCO;

213.31 (ii) the quality measures and performance outcomes that must be annually published on  
 213.32 the department's Web site; and

- 214.1 (iii) the performance improvement projects including a description of any interventions  
214.2 the commissioner proposes to improve access, quality, or timeliness of care for enrollees;
- 214.3 (4) annual, external independent reviews, of the quality outcomes and timelines of, and  
214.4 access to, the services covered by an MCO;
- 214.5 (5) a description of the transition of care policy;
- 214.6 (6) the commissioner's plan to identify, evaluate, and reduce, to the extent practicable,  
214.7 health disparities based on age, race, ethnicity, sex, primary language, and disability status,  
214.8 and must provide this demographic information to the MCO at the time of enrollment;
- 214.9 (7) appropriate use of intermediate sanctions imposed on a managed care organization;
- 214.10 (8) the mechanisms implemented to identify persons who need LTSS or persons with  
214.11 special health care needs; and
- 214.12 (9) information related to nonduplication of the external quality review activities found  
214.13 in Code of Federal Regulations, title 42, section 438.360(c).
- 214.14 (b) In drafting or revising the quality strategy, the commissioner must:
- 214.15 (1) make the strategy available for public comment before submitting to the Centers for  
214.16 Medicare and Medicaid for review;
- 214.17 (2) obtain input from the Medical Care Advisory Committee, beneficiaries, and other  
214.18 stakeholders; and
- 214.19 (3) if an Indian enrolls in the MCO, consult with the tribes according to the tribal  
214.20 consultation policy;
- 214.21 (4) review and update the quality strategy as needed, but no less than once every three  
214.22 years;
- 214.23 (5) evaluate the effectiveness of the quality strategy conducted within the previous three  
214.24 years;
- 214.25 (6) make the results of the review available on the department's Web site;
- 214.26 (7) must consider the recommendations from the External Quality Review Organization  
214.27 for improving the quality of health care services furnished by the MCO;
- 214.28 (8) submit a copy of the initial strategy to the Centers for Medicare and Medicaid for  
214.29 comment and feedback before adopting the initial strategy as final;
- 214.30 (9) a copy of the revised strategy whenever significant changes are made; and

215.1 (10) make the final quality strategy available on the department's Web site.

215.2 Subd. 40. External quality reviews. (a) The commissioner shall ensure that an annual  
215.3 external quality review (EQR) is conducted of each managed care organization by an external  
215.4 quality review organization (EQRO) that satisfies Code of Federal Regulations, title 42,  
215.5 section 438.354.

215.6 (1) The commissioner must contract with one EQRO to conduct the EQR and may  
215.7 contract with the same EQRO or other EQROs to perform other EQR-related activities. The  
215.8 information provided to the EQRO for the EQRO's review is obtained according to Code  
215.9 of Federal Regulations, title 42, section 438.352.

215.10 (2) The EQRO is permitted to use subcontractors that must meet the requirements for  
215.11 independence, but the EQRO is accountable for and must oversee all subcontractor functions.

215.12 (3) The commissioner must follow an open, competitive procurement process according  
215.13 to state and federal law for any contract with an EQRO.

215.14 (b) The commissioner, the commissioner's agent, or an EQRO may perform the mandatory  
215.15 and optional EQR activities. The following mandatory EQR-related activities must be  
215.16 performed for each MCO:

215.17 (1) using the preceding 12 months, validation of performance improvement projects,  
215.18 performance measures, and network adequacy, including compliance with a sufficient  
215.19 number of IHCPs that ensure timely access to services from these providers, if Indians are  
215.20 enrolled; and

215.21 (2) review of the MCO's compliance with Code of Federal Regulations, title 42, Subpart  
215.22 D and section 438.330 for the preceding three years.

215.23 (c) The commissioner may elect to incorporate any optional activity listed in Code of  
215.24 Federal Regulations, title 42, section 438.358(c) in the EQR. The commissioner may grant  
215.25 the EQRO permission to provide technical assistance to the MCOs related to the mandatory  
215.26 and optional activities included in the EQR.

215.27 (e) The commissioner may use information from a Medicare or private accreditation  
215.28 review of an MCO to provide information for the annual EQR instead of conducting one  
215.29 or more of the mandatory EQR activities to avoid duplication. This information must satisfy  
215.30 Code of Federal Regulations, title 42, section 438.360(a)(1) to (3), to meet the nonduplication  
215.31 standard.

215.32 (f) The commissioner must ensure that all information is furnished to the EQRO for  
215.33 analysis and inclusion in the EQR technical report.

216.1 (g) The commissioner may accept the data, correspondence, information, and findings  
216.2 pertaining to the MCO's compliance with a Medicare quality review if the conditions in  
216.3 Code of Federal Regulations, title 42, section 438.362, are met in lieu of performing an  
216.4 EQR.

216.5 (h) The commissioner must obtain from each MCO that the commissioner exempts from  
216.6 EQR the most recent Medicare review findings or Medicare information from a private  
216.7 national accrediting organization that the Centers for Medicare and Medicaid approves and  
216.8 recognizes for Medicare Advantage Organization deeming.

216.9 (i) The commissioner must contract with a qualified EQRO to produce an annual EQR  
216.10 technical report that satisfies Code of Federal Regulations, title 42, section 438.364. The  
216.11 content of the final EQR report may be revised if there is evidence of error or omission.  
216.12 The commissioner must post the final technical report to the department's Web site by April  
216.13 30 of each year. The technical report must summarize findings on access and quality of care  
216.14 and must make copies of the information available upon request and available in alternative  
216.15 formats. Information in the report may not disclose the identity or other protected health  
216.16 information of any enrollee.

216.17 Subd. 41. **Appeals and grievance system.** (a) Each MCO must have a grievance and  
216.18 appeals system for enrollees. An enrollee may file a grievance and request an appeal with  
216.19 the MCO. The MCO may only offer one level of appeal to enrollees. An enrollee may  
216.20 request a state fair hearing only after receiving written notice of resolution on the enrollee's  
216.21 appeal from the MCO, or after the enrollee was deemed to have exhausted the MCO's  
216.22 appeals process, meaning the MCO has failed to adhere to the notice and timing requirements.  
216.23 An enrollee is not allowed to request a state fair hearing based on the MCO's resolution of  
216.24 a grievance.

216.25 (b) With the enrollee's written consent, the provider or authorized representative may  
216.26 file an appeal or grievance or request a state fair hearing on behalf of an enrollee. When the  
216.27 term enrollee is used throughout Code of Federal Regulations, title 42, sections 438.400 to  
216.28 438.424, it includes providers and authorized representatives with the exception that providers  
216.29 cannot request continuation of benefits.

216.30 (c) The commissioner may offer and arrange for an external medical review if the review:

216.31 (1) is at the enrollee's option and the review must not be required before or used as a  
216.32 deterrent to proceed to a state fair hearing;

216.33 (2) is independent of the department and MCO;

- 217.1 (3) is offered to the enrollee at no cost to the enrollee; and
- 217.2 (4) does not extend any time frame for resolution and does not disrupt the continuation
- 217.3 of benefits.
- 217.4 (d) An enrollee may file a grievance at any time either orally or in writing with the MCO.
- 217.5 (e) An enrollee must file an appeal with the MCO within 60 calendar days from the date
- 217.6 on the adverse benefit determination notice. An enrollee may file an appeal with the MCO
- 217.7 orally or in writing. Unless the enrollee requested an expedited appeal, the enrollee must
- 217.8 follow an oral appeal with a written, signed appeal.
- 217.9 Subd. 42. **Timely and adequate notice of adverse benefit determination.** (a) An MCO
- 217.10 must give enrollees timely and adequate notice of an adverse benefit determination in writing
- 217.11 consistent this section and Code of Federal Regulations, title 42, section 438.10.
- 217.12 (b) The adverse benefit determination notice must contain the following:
- 217.13 (1) the adverse benefit determination the MCO made or intends to make;
- 217.14 (2) the reasons for the adverse benefit determination, including but not limited to medical
- 217.15 necessity criteria. An enrollee may request, free of charge, reasonable access to and copies
- 217.16 of all documents and records relevant to the enrollee's adverse benefit determination;
- 217.17 (3) the enrollee's right to request an appeal of the MCO's adverse benefit determination,
- 217.18 including information about exhausting the MCO's one level of appeal and the enrollee's
- 217.19 right to request a state fair hearing;
- 217.20 (4) the procedures for exercising the rights specified in this section;
- 217.21 (5) a description of when an appeal can be expedited and how to request an expedited
- 217.22 appeal; and
- 217.23 (6) the enrollee's right to have benefits continue pending resolution of the appeal, how
- 217.24 to request continued benefits, and the circumstances under which the enrollee may be
- 217.25 required to pay for the cost of continued benefits.
- 217.26 (c) The MCO must mail the notice of adverse benefit determination to the enrollee or
- 217.27 the enrollee's authorized representative according to the following:
- 217.28 (1) termination, suspension, or reduction of previously authorized covered services, the
- 217.29 notice of adverse benefit determination must be mailed at least ten days before the proposed
- 217.30 date of termination, suspension, or reduction, unless the MCO satisfies an exception in Code
- 217.31 of Federal Regulations, title 42, section 431.213;

- 218.1 (2) denial of payment, at the time of any action affecting the claim; and
- 218.2 (3) a standard service authorization decision that denies or limits services, within ten  
 218.3 calendar days from the date the MCO receives the enrollee's request for the service.
- 218.4 (d) If the MCO extends the time frame 14 calendar days, the MCO must:
- 218.5 (1) provide the enrollee written notice of the reason for the decision to extend the time  
 218.6 frame and inform the enrollee of the right to file a grievance if the enrollee disagrees with  
 218.7 the decision; and
- 218.8 (2) issue and carry out the determination as expeditiously as the enrollee's health condition  
 218.9 requires and no later than the date the extension expires.
- 218.10 (e) A service authorization decision not made within the required time frame, constitutes  
 218.11 a denial and is an adverse benefit determination by the MCO. For expedited service  
 218.12 authorization decisions within 72 hours from the time of the request.
- 218.13 (f) The commissioner must conduct random reviews of each MCO and the MCO's  
 218.14 providers or subcontractors delegated for the responsibility of sending the notice of adverse  
 218.15 benefit determination to ensure that the MCOs are notifying enrollees in a timely manner.
- 218.16 Subd. 43. **Handling of grievances and appeals.** (a) The MCO must give an enrollee  
 218.17 reasonable assistance for filing a grievance or an appeal, including assistance completing  
 218.18 required forms and other required procedural steps. The MCO must provide auxiliary aids  
 218.19 and services upon request, including interpreter services and toll-free TTY/TTD, and  
 218.20 interpreter capability.
- 218.21 (b) The MCO must acknowledge the receipt of each grievance and appeal.
- 218.22 (c) The MCO must ensure that the individuals who make decisions on grievances and  
 218.23 appeals are individuals:
- 218.24 (1) who were neither involved in any previous level of review or decision-making nor  
 218.25 a subordinate of any such individual;
- 218.26 (2) who have the appropriate clinical expertise in treating the enrollee's condition or  
 218.27 disease if deciding:
- 218.28 (i) an appeal of a denial that is based on lack of medical necessity;
- 218.29 (ii) a grievance regarding denial of expedited resolution of an appeal; or
- 218.30 (iii) a grievance or appeal that involves clinical issues; and

219.1 (3) who consider all comments, documents, records, and other information submitted  
 219.2 by the enrollee or the enrollee's representative without regard to whether the information  
 219.3 was submitted or considered in the initial adverse benefit determination.

219.4 (d) The MCO must provide that oral inquiries seeking to appeal an adverse benefit  
 219.5 determination are treated as appeals to establish the earliest possible filing date for the  
 219.6 appeal.

219.7 (e) The MCO must provide the enrollee with a reasonable opportunity, in person and in  
 219.8 writing, to present evidence and testimony and make legal and factual arguments. The MCO  
 219.9 must provide the enrollee sufficient notice of the time frame for resolution for appeals,  
 219.10 including expedited appeals.

219.11 (f) The MCO must provide the enrollee and the enrollee's representative with the enrollee's  
 219.12 case file, including medical records, other documents, and any new or additional evidence  
 219.13 considered, relied upon, or generated by the MCO for the appeal. This information must be  
 219.14 provided free of charge and sufficiently in advance of the resolution time frame for appeals.

219.15 (g) The MCO must include the following as parties to the appeal:

219.16 (1) the enrollee and the enrollee's representative; or

219.17 (2) the legal representative of a deceased enrollee's estate.

219.18 **Subd. 44. Resolution and notification of grievances and appeals.** (a) The MCO must  
 219.19 resolve each grievance and appeal, and provide notice of resolution, as expeditiously as the  
 219.20 enrollee's health condition requires within the following time frames:

219.21 (1) for grievances, within 90 calendar days from the day the MCO receives the grievance;

219.22 (2) for standard appeals, within 30 calendar days from the day the MCO receives the  
 219.23 appeal; and

219.24 (3) for expedited appeals, within 72 hours from the time the MCO receives the expedited  
 219.25 appeal.

219.26 (b) The MCO may extend the time frame for standard and expedited appeals by an  
 219.27 additional 14 calendar days, if:

219.28 (1) the enrollee requests the extension; or

219.29 (2) the MCO justifies to the commissioner that there is a need for additional information  
 219.30 and that the delay is in the enrollee's interest.

219.31 (c) If the extension is not at the request of the enrollee, the MCO must:

- 220.1 (1) make reasonable efforts to give the enrollee prompt oral notice of the delay;
- 220.2 (2) within two calendar days give the enrollee written notice of the decision to extend
- 220.3 the time frame and if the enrollee disagrees with that decision inform the enrollee of the
- 220.4 right to file a grievance; and
- 220.5 (3) resolve the appeal as expeditiously as the enrollee's health condition requires and no
- 220.6 later than the date the extension expires.
- 220.7 (d) The commissioner must establish the method that the MCO must use to notify the
- 220.8 enrollee of the resolution of the grievance, and ensure that the notice meets the information
- 220.9 requirements in Code of Federal Regulations, title 42, section 438.10.
- 220.10 (e) For appeals, the MCO must provide written notice of the resolution according to
- 220.11 Code of Federal Regulations, title 42, section 438.10.
- 220.12 (f) For expedited appeals, the MCO must provide oral notice of the resolution.
- 220.13 (g) The written notice for appeals must include the results of the resolution process and
- 220.14 the date it was completed. For appeals not resolved wholly in favor of the enrollee, the
- 220.15 notice must also contain:
- 220.16 (1) instructions on how to request a state fair hearing;
- 220.17 (2) instructions on the right to receive continued benefits during the pending state fair
- 220.18 hearing; and
- 220.19 (3) information on when an enrollee must be held liable for the costs of continued
- 220.20 benefits.
- 220.21 (h) An enrollee must request a state fair hearing no later than 120 calendar days from
- 220.22 the date of the MCO's notice of resolution or when the enrollee is deemed to have exhausted
- 220.23 the MCO's appeals process.
- 220.24 (i) The parties to the state fair hearing include the MCO, the enrollee and the enrollee's
- 220.25 representative, or the representative of a deceased enrollee's estate.
- 220.26 Subd. 45. **Expedited resolution of appeals.** (a) MCOs must establish and maintain an
- 220.27 expedited review process for appeals. When the MCO determines based on the request of
- 220.28 an enrollee, or the provider indicates when making an appeal on behalf of the enrollee, that
- 220.29 the time frame for a standard appeal could seriously jeopardize the enrollee's life, physical
- 220.30 or mental health, or ability to attain, maintain, or regain maximum function.
- 220.31 (b) The MCO must ensure that no punitive action is taken against a provider who requests
- 220.32 an expedited resolution or supports an enrollee's appeal.

- 221.1 (c) If the MCO denies a request for an expedited appeal, the MCO must:  
 221.2 (1) transfer the appeal to the standard time frame for resolution of appeals; and  
 221.3 (2) follow the process for seeking an extension of the standard time frame for resolution  
 221.4 of appeals.

221.5 Subd. 46. **Provider and subcontractor information.** The MCO is required to provide  
 221.6 information about the MCO's grievance and appeals systems to the MCO's providers and  
 221.7 subcontractors at the time a contract is entered.

221.8 Subd. 47. **Record-keeping requirements.** (a) The commissioner must require MCOs  
 221.9 to maintain records of all grievances and appeals and must monitor the information and  
 221.10 update and revise the quality strategy accordingly.

221.11 (b) A record of each grievance and appeal must contain, at a minimum, information that  
 221.12 satisfies Code of Federal Regulations, title 42, section 438.4416(b) and (c).

221.13 Subd. 48. **Continuation of benefits.** (a) The MCO must continue the enrollee's benefits  
 221.14 if:

221.15 (1) the enrollee files a request for an appeal timely and requests continued benefits on  
 221.16 or before the later of the following:

221.17 (i) within ten calendar days of the MCO sending the notice of the adverse benefit  
 221.18 determination; or

221.19 (ii) the intended effective date of the MCO's proposed adverse benefit determination;

221.20 (2) the appeal involves the termination, suspension, or reduction of previously authorized  
 221.21 services;

221.22 (3) the services were ordered by an authorized provider; and

221.23 (4) the period covered by the original service authorization has not expired.

221.24 (b) If the MCO continues or reinstates benefits at the enrollee's request while the appeal

 222.7 hearing officer reverses a decision to deny, limit, or delay services that were not furnished  
 222.8 while the appeal was pending, the MCO must authorize or provide the disputed services  
 222.9 promptly and as expeditiously as the enrollee's health condition requires but no later than  
 222.10 72 hours from the date the MCO receives notice reversing the MCO's adverse benefit  
 222.11 determination.

222.12 (b) If the MCO or the state fair hearing officer reverses a decision to deny authorization  
 222.13 of service, and the enrollee received the disputed services while the appeal was pending,  
 222.14 the MCO or the commissioner must pay according to department policy and regulations.

222.15 Subd. 50. **Ombudsperson.** (a) The commissioner shall designate an ombudsperson to

 222.33 employee of the MCO. This includes the Social Security Administration's Death Master

223.4 thereafter. If, upon review of the databases listed in this paragraph, an excluded party is  
223.5 identified, the commissioner must notify the MCO and take action consistent with Code of  
223.6 Federal Regulations, title 42, section 438.610(d).

223.7 (c) The commissioner must, at least every three years, conduct, or contract for, an

223.19 or any MCO subcontractors according to Code of Federal Regulations, title 42, section  
223.20 455.104; and

223.21 (4) a copy of the audit results conducted pursuant to Code of Federal Regulations, title  
223.22 42, section 438.602(e).

223.23 (f) The commissioner must ensure that an MCO is not located outside of the United  
223.24 States and no claims are paid by an MCO to a network provider, out-of-network provider,  
223.25 subcontractor, or financial institution located outside of the United States.

223.26 (g) Federal financial participation is only available if the commissioner excludes from

224.1 required by the Medicaid Statistical Information System or a format required by any successor  
224.2 system to the Medicaid Statistical Information System;

224.3 (2) data on the basis that the commissioner certifies the actuarial soundness of capitation  
224.4 rates to an MCO according to Code of Federal Regulations, title 42, section 438.4, including  
224.5 base data described in Code of Federal Regulations, title 42, section 438.5(c) that is generated  
224.6 by the MCO;

224.7 (3) data on the basis that the commissioner determines MCO compliance with the medical  
224.8 loss ratio requirements;

224.9 (4) data on the basis that the commissioner determines that the MCO made adequate  
224.10 provision against the risk of insolvency as required under Code of Federal Regulations, title  
224.11 42, section 438.116;

224.12 (5) documentation, in a format specified by the commissioner according to Code of

224.23 to the CEO or CFO with delegated authority to sign on their behalf. The certification must  
224.24 include an attestation by the CEO or CFO that the information submitted is based on the  
224.25 CEO's or CFO's knowledge and belief that the data is accurate, complete, and truthful, and  
224.26 must be submitted concurrently with the data.

224.27 Subd. 53. **MCO program integrity requirements.** (a) The commissioner must require  
224.28 the MCO, or any MCO subcontractor delegated responsibility for coverage of services and  
224.29 payment of claims, to implement and maintain procedures designed to detect and prevent  
224.30 fraud, waste, and abuse. The MCO must include the procedures in a compliance plan that  
224.31 includes:

225.13 monitoring and auditing of compliance according to Code of Federal Regulations, title 42,  
225.14 section 438.608(a)(1)(vii), to reduce the potential for recurrence and promote ongoing  
225.15 compliance;
- 225.16 (6) a provision for prompt reporting of all overpayments identified or recovered,  
225.17 specifying the overpayments due to potential fraud, to the commissioner;
- 225.18 (7) a provision for prompt reporting to the commissioner when the MCO receives  
225.19 information that may affect an enrollee's eligibility;
- 225.20 (8) a provision for notification to the commissioner if the MCO receives information  
225.21 about a change in a network provider's circumstances that may affect the network provider's  
225.22 eligibility to participate in the managed care program, including termination of the provider  
225.23 agreement with the MCO;
- 225.24 (9) a provision for a method to verify, on a regular basis, that services represented as

226.1 (12) a provision for the suspension of payments to a network provider that the  
226.2 commissioner determines there is a credible allegation of fraud according to Code of Federal  
226.3 Regulations, title 42, section 455.23.

226.4 (b) The commissioner shall ensure that each MCO and any subcontractor:

226.14 including the retention policies for the treatment of recoveries of overpayments due to fraud,  
226.15 waste, and abuse;

226.16 (2) the process, time frames, and documentation required for reporting the recovery of  
226.17 all overpayments, including situations of recoveries of overpayments to the commissioner  
226.18 where the MCO is not permitted to retain some or all of the recoveries of overpayments;  
226.19 and

226.20 (3) the treatment of recoveries does not apply to any amount of recovery to be retained  
226.21 under the False Claims Act or through other investigations.

226.22 (d) The commissioner shall ensure each MCO has a mechanism for a network provider  
226.23 to report to the MCO when the MCO has received an overpayment, to return the overpayment  
226.24 to the MCO within 60 calendar days after the date the overpayment was identified, and to  
226.25 notify the MCO in writing of the reason for the overpayment.

226.26 (e) The commissioner shall require each MCO to submit an annual report to the  
226.27 commissioner on the MCO's recoveries of overpayments. The commissioner must use the

226.29 (f) An MCO may not knowingly have a relationship with any of the types identified in  
226.30 Code of Federal Regulations, title 42, section 438.610(c), if the following occurs:

226.31 (1) an individual or entity is debarred, suspended, or otherwise excluded from  
226.32 participating in procurement activities under the Federal Acquisition Regulation or from

 227.6 from participation in any federal health care program under section 1128 or 1128A of the  
 227.7 Social Security Act.

227.8 (h) If the commissioner determines that an MCO fails to comply with paragraphs (f)  
 227.9 and (g), the commissioner:

227.10 (1) must notify the Centers for Medicare and Medicaid of the MCO's noncompliance;

227.11 (2) may continue an existing agreement with the MCO unless the Centers for Medicare  
 227.12 and Medicaid directs otherwise; and

227.13 (3) may not renew or otherwise extend the duration of an existing agreement with the  
 227.14 MCO unless the Centers for Medicare and Medicaid provides a written statement to the

 227.18 under sections 1128, 1128A, or 1128B of the Social Security Act.

227.19 Subd. 54. **Sanctions.** (a) The commissioner must establish intermediate sanctions if the  
 227.20 commissioner makes a determination that the MCO :

227.21 (1) failed to substantially provide medically necessary services to an enrollee that is  
 227.22 covered under law or under the contract with the commissioner;

227.23 (2) imposed premiums or charges that exceed premiums or charges permitted under  
 227.24 medical assistance;

227.25 (3) discriminated against an enrollee on the basis of the enrollee's health status or need  
 227.26 for health care services, including:

227.27 (i) termination of enrollment or refusal to reenroll a beneficiary, except as permitted  
 227.28 under medical assistance; or

 227.30 beneficiary whose medical condition or history indicates probable need for substantial future  
 227.31 medical services;

228.1 (4) misrepresented or falsified information to the Centers for Medicare and Medicaid  
 228.2 or the commissioner;

228.3 (5) misrepresented or falsified information furnished to an enrollee, potential enrollee,

228.5 (6) failed to comply with the requirements for physician incentive plans, as set forth in  
 228.6 according to Code of Federal Regulations, title 42, sections 422.208 and 422.210;

228.7 (7) the MCO distributed directly, or indirectly through any agent or independent

 228.11 Social Security Act, or any implementing regulations.

228.12 (b) Only the sanctions listed in Code of Federal Regulations, title 42, section  
 228.13 438.702(a)(3), (4), and (5), may be imposed.

228.14 Subd. 55. **Types of intermediate sanctions.** (a) The commissioner may:

 228.18 Regulations, title 42, section 438.706;

228.19 (3) grant an enrollee the right to terminate enrollment without cause and notifying the  
 228.20 affected enrollee of the enrollee's right to disenroll;

228.21 (4) suspend new enrollment, including default enrollment, after the date the Centers for  
 228.22 Medicare and Medicaid or the commissioner notifies the MCO of a determination of a  
 228.23 violation under sections 1903(m) or 1932 of the Social Security Act; or

228.24 (5) suspend payment for a beneficiary enrolled after the effective date of the sanction  
 228.25 and until the Centers for Medicare and Medicaid or the commissioner is satisfied that the  
 228.26 reason for imposition of the sanction no longer exists and is not likely to recur.

228.27 (b) The commissioner may impose additional sanctions for an MCO's noncompliance  
 228.28 according to Code of Federal Regulations, title 42, section 438.700.

228.29 Subd. 56. **Special rules for temporary management.** (a) The commissioner may impose  
 228.30 temporary management of the MCO according to Code of Federal Regulations, title 42,  
 228.31 section 438.702(a)(2), only if the commissioner finds through on-site surveys, enrollee or  
 228.32 other complaints, financial status, or any other source the following:

229.1 (1) continued egregious behavior by the MCO including but not limited to behavior  
229.2 described in Code of Federal Regulations, title 42, section 438.700, or behavior that violates  
229.3 sections 1903(m) and 1932 of the Social Security Act;

229.4 (2) there is substantial risk to the enrollee's health; or

229.5 (3) the sanction is necessary to ensure the health of the enrollee while improvements  
229.6 are made to remedy the violations or until there is an orderly termination or reorganization  
229.7 of the MCO.

229.8 (b) The commissioner must impose temporary management of the MCO, regardless of  
229.9 the imposition of any other sanction, if the commissioner finds that an MCO repeatedly  
229.10 failed to meet substantive requirements of section 1903(m) or 1932 of the Social Security  
229.11 Act or Code of Federal Regulations, title 42, section 438. The commissioner must grant an  
229.12 enrollee the right to terminate enrollment without cause and notify the affected enrollee of  
229.13 the enrollee's right to disenroll.

229.14 (c) The commissioner shall not delay imposition of temporary management pending a  
229.15 hearing. Temporary management must remain in place until the commissioner determines  
229.16 that the sanctioned behavior will not recur.

229.17 Subd. 57. **Termination of the MCO contract.** The commissioner may terminate an  
229.18 MCO contract and enroll that MCO's enrollees in different MCOs, or provide the enrollee's  
229.19 medical assistance benefits through other options included in the state plan, if the  
229.20 commissioner determines that the MCO failed to either carry out the substantive terms of  
229.21 the MCO's contract or satisfy sections 1932, 1903(m), and 1905(t) of the Social Security  
229.22 Act.

229.23 Subd. 58. **Notice of sanction and pretermination.** (a) Except as provided in Code of  
229.24 Federal Regulations, title 42, section 438.706(c), the commissioner, before imposing any  
229.25 intermediate sanctions, must give the affected MCO timely written notice that explains the  
229.26 basis and nature of the sanction and any other appeal rights that the commissioner elects to  
229.27 provide.

229.28 (b) Before terminating an MCO contract, the commissioner must provide the MCO:

229.29 (1) with a pretermination hearing;

229.30 (2) written notice of its intent to terminate, the reason for termination, and the time and  
229.31 place of the hearing; and

229.32 (3) written notice of the decision affirming or reversing the proposed termination of the  
229.33 contract.

230.1 (c) If the contract is terminated, the commissioner must specify the effective date of the  
230.2 termination and provide the MCO's enrollees notice of the termination and information  
230.3 according to Code of Federal Regulations, title 42, section 438.10, on the enrollee's options  
230.4 for receiving medical assistance services following the effective date of the termination.

230.6 Subd. 59. **Notice to the Centers for Medicare and Medicaid.** (a) The commissioner  
230.7 must notify the Centers for Medicare and Medicaid in writing if the commissioner imposes  
230.8 or lifts a sanction for a violation of Code of Federal Regulations, title 42, section 438.700.

230.9 (b) The notice must be given no later than 30 days after the commissioner imposes or  
230.10 lifts a sanction and must specify the affected MCO, the kind of sanction, and the reason for  
230.11 the commissioner's decision.

230.12 Subd. 60. **State plan requirements.** (a) The commissioner must include a plan to monitor  
230.13 MCO violations.

230.14 (b) The MCO contract must provide that payments made pursuant to the contract must  
230.15 be denied for a new enrollee if, and for so long as, payment for the enrollee is denied by  
230.16 the Centers for Medicare and Medicaid according to Code of Federal Regulations, title 42,  
230.17 section 438.730(e).

230.18 Subd. 61. **Sanctions by the Centers for Medicare and Medicaid.** (a) The commissioner  
230.19 may recommend that the Centers for Medicare and Medicaid impose a denial of payment  
230.20 sanction on an MCO if the commissioner determines that an MCO acted or failed to act  
230.21 according to Code of Federal Regulations, title 42, section 438.700(b)(1) to (6). The  
230.22 commissioner's determination or recommendation to impose the denial of payment sanction  
230.23 becomes the Centers for Medicare and Medicaid's decision for purposes of section  
230.24 1903(m)(5)(A)and(B) unless the Centers for Medicare and Medicaid rejects it within 15  
230.25 days.

230.26 (b) If the commissioner's determination becomes the Centers for Medicare and Medicaid's  
230.27 decision, the commissioner must:

230.28 (1) provide written notice of the nature and basis of the proposed sanction to the MCO;

230.29 (2) allow the MCO 15 days from the date the MCO receives the notice to provide  
230.30 evidence that the MCO did not act or failed to act in the manner that is the basis for the  
230.31 recommended sanction;

230.32 (c) The initial 15 days may be extended 15 days if:

231.1 (1) the MCO submits a written request that includes a credible explanation of why the  
231.2 MCO needs additional time;

231.3 (2) the request is received by the Centers for Medicare and Medicaid before the end of  
231.4 the initial period; or

231.5 (3) the Centers for Medicare and Medicaid has not determined that the MCO's conduct  
231.6 poses a threat to an enrollee's health or safety.

231.7 (d) If the MCO submits a timely response to the notice of sanction, the commissioner  
231.8 must:

231.9 (1) conduct an informal reconsideration including review of the evidence by a staff  
231.10 member who did not participate in the original recommendation;

231.11 (2) provide the MCO a concise written decision setting forth the factual and legal basis  
231.12 for the decision. The commissioner's decision becomes the Centers for Medicare and  
231.13 Medicaid's decision unless the Centers for Medicare and Medicaid reverses or modifies the  
231.14 decision within 15 days of the date of receipt by the Centers for Medicare and Medicaid. If  
231.15 the Centers for Medicare and Medicaid reverses or modifies the commissioner's decision  
231.16 the commissioner must send the MCO a copy of the Centers for Medicare and Medicaid's  
231.17 decision; and

231.18 (3) provide the decision to the Centers for Medicare and Medicaid.

231.19 (d) Upon the recommendation of the commissioner, the Centers for Medicare and  
231.20 Medicaid may deny payment to the department for new enrollees of the MCO under section  
231.21 1903(m)(5)(B)(ii) of the Social Security Act, if:

231.22 (1) a Centers for Medicare and Medicaid determination that an MCO has acted or failed  
231.23 to act is affirmed under review;

231.24 (2) the Centers for Medicare and Medicaid determination is not timely contested by the  
231.25 MCO; or

231.26 (3) the Centers for Medicare and Medicaid's denial of payment for a new enrollee  
231.27 automatically results in a denial of payment to the MCO for the enrollee.

231.28 (f) If the MCO does not seek reconsideration, the sanction is effective 15 days following  
231.29 the MCO's notification of the decision to impose the sanction. If the MCO seeks  
231.30 reconsideration, the sanction is effective on the date specified in the Centers for Medicare  
231.31 and Medicaid's reconsideration notice. If the MCO's conduct poses a serious threat to an

232.1 enrollee's health or safety, the sanction may be made effective earlier than the date of the  
232.2 commissioner's reconsideration.

232.3 (g) If the commissioner sends notice of the sanction to the MCO, the Centers for Medicare  
232.4 and Medicaid must forward a copy of the notice to the Office of Inspector General for  
232.5 consideration of possible civil money penalties according to section 1903(m)(5)(A) of the  
232.6 Social Security Act and Code of Federal Regulations, title 42, section 1003.

232.7 Subd. 62. **Managed care rates.** (a) The commissioner shall establish the method and  
232.8 amount of payments for services covered under the managed care contract. The final  
232.9 capitation rate must be:

232.10 (1) specifically identified in the applicable contract submitted for Centers for Medicare  
232.11 and Medicaid review and approval;

232.12 (2) based solely upon services covered under the state plan and additional services  
232.13 deemed by the commissioner to be necessary to comply with mental health parity  
232.14 requirements; and

232.15 (3) adequate to allow the MCO to efficiently deliver covered services to individuals  
232.16 eligible for medical assistance in a manner compliant with contractual requirements.

232.17 (b) Payments for elderly waiver services and 180 days of nursing home care may be  
232.18 included in the capitation payments for a beneficiary 65 years of age and older.

232.19 Subd. 63. **Actuarial soundness.** (a) Capitation rates for MCOs must be reviewed and  
232.20 approved by the Centers for Medicare and Medicaid as actuarially sound. To be approved  
232.21 by the Centers for Medicare and Medicaid, capitation rates must:

232.22 (1) be developed according to the rates standards in Code of Federal Regulations, title  
232.23 42, section 438.5, and generally accepted actuarial principles and practices. Any proposed  
232.24 differences among capitation rates according to covered populations must be based on valid  
232.25 rate development standards and not based on the rate of federal financial participation  
232.26 associated with the covered populations;

232.27 (2) be appropriate for the populations covered and the services furnished under the  
232.28 contract;

232.29 (3) meet the requirements on MCOs for availability of services, assurance of adequate  
232.30 capacity and services, and coordination and continuity of care according to Code of Federal  
232.31 Regulations, title 42, sections 438.206, 438.207, and 438.208;

233.1 (4) be specific to payments for each rate cell under the contract, and must not  
 233.2 cross-subsidize or be cross-subsidized by payments for any other rate cell;

233.3 (5) be certified by an independent actuary. The actuary shall certify that the rates were  
 233.4 developed according to Code of Federal Regulations, title 42, section 438.3(c)(1)(ii)(e);

233.5 (6) meet any special contract provisions according to Code of Federal Regulations, title  
 233.6 42, section 438.6;

233.7 (7) be provided to the Centers for Medicare and Medicaid in a format and within a time  
 233.8 frame according to Code of Federal Regulations, title 42, section 438.7; and

233.9 (8) be developed for the MCO to reasonably achieve a medical loss ratio standard of at  
 233.10 least 85 percent for the rate year. The capitation rates may be developed for the MCO to  
 233.11 achieve a medical loss ratio greater than 85 percent as long as the capitation rates are adequate  
 233.12 for reasonable, appropriate, and attainable nonbenefit costs.

233.13 Subd. 64. **Rate development standards.** (a) The commissioner shall establish actuarially  
 233.14 sound capitation rates and must:

233.15 (1) identify and develop base utilization and price data including validated encounter  
 233.16 data and audited financial reports received from the MCOs that demonstrate experience for  
 233.17 the populations served by the MCOs, for the three most recent and complete years before  
 233.18 the rating period;

233.19 (2) develop and apply reasonable trend factors, including cost and utilization, to base  
 233.20 data that are developed from actual experience of the Medicaid population or a similar  
 233.21 population according to generally accepted actuarial practices and principles;

233.22 (3) develop the nonbenefit component of the rate to account for reasonable expenses  
 233.23 related to the MCO's administration; taxes; licensing and regulatory fees; contribution to  
 233.24 reserves; risk margin; cost of capital and other operational costs associated with the MCO's  
 233.25 provision of covered services to beneficiaries;

233.26 (4) pay administrative costs to MCOs not to exceed 6.6 percent of total payments made  
 233.27 to all MCOs in aggregate across all state public health care programs. The commissioner  
 233.28 may reduce or eliminate administrative requirements to meet the administrative cost limit.  
 233.29 For purposes of this paragraph, administrative costs do not include premium taxes paid  
 233.30 under section 297I.05, subdivision 5, provider surcharges paid under section 256.9657,  
 233.31 subdivision 3, or health insurance fees under section 9010 of the Affordable Care Act;

233.32 (5) consider investment income and interest earnings as income to the same extent that  
 233.33 investment-related expenses are treated as administrative expenditures;

234.1 (6) consider the value of cost sharing for rate development purposes, regardless of  
234.2 whether the MCO imposes the cost sharing on the MCO's beneficiary or the cost sharing  
234.3 is collected;

234.4 (7) make appropriate and reasonable adjustments to account for changes to the base data,  
234.5 programmatic changes, non-benefit components, and any other adjustment necessary to  
234.6 establish actuarially sound rates. Each adjustment must reasonably support the development  
234.7 of an accurate base data set for purposes of rate setting, reflect the health status of the  
234.8 enrolled population, and be developed in accordance with generally accepted actuarial  
234.9 principles and practices;

234.10 (8) consider the MCO's past medical loss ratio in the development of the capitation rates  
234.11 and consider the projected medical loss ratio; and

234.12 (9) select a prospective or retrospective risk adjustment methodology that must be  
234.13 developed in a budget-neutral manner consistent with generally accepted actuarial principles  
234.14 and practices.

234.15 (b) The base data must be derived from the Medicaid population, or, if data on the  
234.16 Medicaid population is not available, derived from a similar population and adjusted to  
234.17 make the utilization and price data comparable to data from the Medicaid population. Data  
234.18 must be in accordance with actuarial standards for data quality and an explanation of why  
234.19 that specific data is used must be provided in the rate certification. If the commissioner is  
234.20 unable to base the rates on data that are within the three most recent and complete years  
234.21 before the rating period, the commissioner may request an approval for an exception. The  
234.22 request must describe why an exception is necessary and describe the actions that the  
234.23 commissioner intends to take to come comply with.

234.24 (c) Notwithstanding paragraph (a), the commissioner shall reduce administrative expenses  
234.25 paid to managed care plans by one-half percent for contracts beginning January 1, 2016,  
234.26 and ending December 31, 2017. To meet the administrative reductions under this paragraph,  
234.27 the commissioner may reduce or eliminate administrative requirements, exclude additional  
234.28 unallowable administrative expenses resulting from the financial audits, and utilize  
234.29 competitive bidding to gain efficiencies through economies of scale from increased  
234.30 enrollment. If the total reduction cannot be achieved through administrative reduction, the  
234.31 commissioner may limit total rate increases on payments to MCOs.

234.32 (d) Where reasonably possible, expenses for an administrative item shall be directly  
234.33 allocated so as to assign costs for an item to an individual state public health care program  
234.34 when the cost can be specifically identified with and benefits the individual state public

235.1 health care program. For administrative services expensed to the state's public health care  
235.2 programs, managed care organizations must clearly identify and separately record expense  
235.3 items in the MCO's accounting systems in a manner that allows for independent verification  
235.4 of unallowable expenses for purposes of determining payment rates for state public health  
235.5 care programs.

235.6 (e) The following expenses are not allowable administrative expenses for rate-setting  
235.7 purposes under this section:

235.8 (1) charitable contributions made by the managed care organization. Charitable  
235.9 contributions include payments for or to any organization or entity selected by the managed  
235.10 care plan or county-based purchasing plan that is operated for charitable, educational,  
235.11 political, religious, or scientific purposes, that are not related to medical and administrative  
235.12 services covered under state public health care programs;

235.13 (2) compensation of individuals within the organization in excess of \$200,000 such that  
235.14 the allocation of compensation for an individual across all state public health care programs  
235.15 in total cannot exceed \$200,000. For the purposes of this subdivision, compensation includes  
235.16 salaries, bonuses and incentives, other reportable compensation on an IRS 990 form,  
235.17 retirement and other deferred compensation, and nontaxable benefits;

235.18 (3) any penalties or fines assessed against the MCO;

235.19 (4) any indirect marketing or advertising expenses of the MCO, including but not limited  
235.20 to costs to promote the MCO, costs of facilities used for special events, and costs of displays,  
235.21 demonstrations, donations, and promotional items such as memorabilia, models, gifts, and  
235.22 souvenirs. The commissioner may classify an item listed as an allowable administrative  
235.23 expense for rate-setting purposes, if the commissioner determines that the expense is  
235.24 incidental to an activity related to state public health care programs that is an allowable cost  
235.25 for purposes of rate setting;

235.26 (5) any lobbying and political activities, events, or contributions;

235.27 (6) administrative expenses related to the provision of services not covered under the  
235.28 state plan or waiver;

235.29 (7) alcoholic beverages and related costs;

235.30 (8) membership in any social, dining, or country club or organization; and

235.31 (9) entertainment, including but not limited to amusement, diversion, and social activities,  
235.32 and any costs directly associated with these costs, tickets to shows or sporting events, meals,  
235.33 lodging, rentals, transportation, and gratuities.

236.1 (f) Payments to a quality improvement organization are an allowable administrative  
236.2 expense for rate-setting purposes under this section, to the extent are allocated to a state  
236.3 public health care program and approved by the commissioner.

236.4 (g) Within the limit of available appropriations, the commissioner shall work with the  
236.5 commissioner of health to identify and collect data on administrative spending for state  
236.6 public health care programs reported to the commissioner of health by managed care  
236.7 organizations, provided that data are consistent with guidelines and standards for  
236.8 administrative spending that are developed by the commissioner of health, and reported to  
236.9 the legislature under Laws 2008, chapter 364, section 12. Data provided to the commissioner  
236.10 under this subdivision are nonpublic data as defined in section 13.02.

236.11 (h) The commissioner, in consultation with an actuary, shall evaluate the regional rate  
236.12 relationships based on actual health plan costs for state public health care programs. The  
236.13 commissioner shall establish, based on the actuary's recommendation, new rate regions that  
236.14 recognize metropolitan areas outside of the seven-county metropolitan area.

236.15 Subd. 65. **Payment limits.** (a) The commissioner shall reduce payments and limit future  
236.16 rate increases paid to managed care plans and county-based purchasing plans. The limits  
236.17 in paragraphs (a) to (f) shall be achieved on a statewide aggregate basis by program. The  
236.18 commissioner may use competitive bidding, payment reductions, or other reductions to  
236.19 achieve the reductions and limits in this subdivision.

236.20 (b) The commissioner shall reduce payments to managed care organizations as follows:

236.21 (1) 2.0 percent for medical assistance elderly basic care. This shall not apply to Medicare  
236.22 cost-sharing, nursing facility, personal care assistance, and elderly waiver services;

236.23 (2) 2.82 percent for medical assistance families and children;

236.24 (3) 10.1 percent for medical assistance adults without children; and

236.25 (4) 6.0 percent for MinnesotaCare families and children.

236.26 (c) The commissioner shall limit rates paid to managed care plans and county-based  
236.27 purchasing plans for calendar year 2012 to a percentage of the rates in effect on August 31,  
236.28 2011, as follows:

236.29 (1) 98 percent for medical assistance elderly basic care. This shall not apply to Medicare  
236.30 cost-sharing, nursing facility, personal care assistance, and elderly waiver services;

236.31 (2) 97.18 percent for medical assistance families and children;

236.32 (3) 89.9 percent for medical assistance adults without children; and

237.1 (4) 94 percent for MinnesotaCare families and children.

237.2 (d) Beginning January 1, 2013, to December 31, 2013, the commissioner shall limit the  
237.3 maximum annual trend increases to rates paid to managed care plans and county-based  
237.4 purchasing plans as follows:

237.5 (1) 7.5 percent for medical assistance elderly basic care. This shall not apply to Medicare  
237.6 cost-sharing, nursing facility, personal care assistance, and elderly waiver services;

237.7 (2) 5.0 percent for medical assistance special needs basic care;

237.8 (3) 2.0 percent for medical assistance families and children;

237.9 (4) 3.0 percent for medical assistance adults without children;

237.10 (5) 3.0 percent for MinnesotaCare families and children; and

237.11 (6) 3.0 percent for MinnesotaCare adults without children.

237.12 (e) The commissioner may limit trend increases to less than the maximum. Beginning  
237.13 July 1, 2014, the commissioner shall limit the maximum annual trend increases to rates paid  
237.14 to managed care plans and county-based purchasing plans as follows for calendar years  
237.15 2014 and 2015:

237.16 (1) 7.5 percent for medical assistance elderly basic care. This shall not apply to Medicare  
237.17 cost-sharing, nursing facility, personal care assistance, and elderly waiver services;

237.18 (2) 5.0 percent for medical assistance special needs basic care;

237.19 (3) 2.0 percent for medical assistance families and children;

237.20 (4) 3.0 percent for medical assistance adults without children; (5) 3.0 percent for  
237.21 MinnesotaCare families and children; and

237.22 (6) 4.0 percent for MinnesotaCare adults without children. The commissioner may limit  
237.23 trend increases to less than the maximum. For calendar year 2014, the commissioner shall  
237.24 reduce the maximum aggregate trend increases by \$47,000,000 in state and federal funds  
237.25 to account for the reductions in administrative expenses in subdivision 15b.

237.26 Subd. 66. **Special contract requirements related to payment.** (a) If the commissioner  
237.27 uses risk-sharing mechanisms such as reinsurance, risk corridors, or stop-loss limits, they  
237.28 must be described in the contract, and must be developed according to the rate development  
237.29 standards and generally accepted actuarial principles and practices.

237.30 (b) The commissioner may utilize incentive payment arrangements in MCO contracts.  
237.31 The payment may not exceed 105 percent of the approved capitation payments attributable

238.1 to the enrollees or services covered by the incentive arrangement and must be considered  
 238.2 within actuarial soundness. For all incentive arrangements the contract must provide that  
 238.3 the arrangement is:

238.4 (1) for a fixed period of time and performance is measured during the rating period in  
 238.5 which the incentive arrangement is applied;

238.6 (2) not to be renewed automatically;

238.7 (3) made available to both public and private contractors under the same terms of  
 238.8 performance; and

238.9 (4) specified activities, targets, performance measures, or quality-based outcomes in the  
 238.10 state's quality strategy.

238.11 The incentive payment arrangement must not condition the MCO's participation in the  
 238.12 incentive arrangement on entering into or adhering to intergovernmental transfer agreements.

238.13 (c) The commissioner must provide that any withholding arrangement must ensure that  
 238.14 the capitation payment minus any portion of the withheld funds that is not reasonably  
 238.15 achievable is actuarially sound. The total amount of the withheld funds, achievable or not,  
 238.16 must be reasonable and take into consideration each MCO's financial operating needs  
 238.17 accounting for the size and characteristics of the populations covered under the contract, as  
 238.18 well as the MCO's capital reserves, as measured by the risk based capital level, months of  
 238.19 claims reserve, or other appropriate measure of reserves. The data, assumptions, and  
 238.20 methodologies used to determine the portion of the withhold that is reasonably achievable  
 238.21 must be submitted as part of the documentation required by Code of Federal Regulations,  
 238.22 title 42, section 438.7(b)(6); for all withhold arrangements the contract must provide that  
 238.23 the arrangement is :

238.24 (1) for a fixed period of time and performance is measured during the rating period in  
 238.25 which the withhold arrangement is applied

238.26 (2) not to be renewed automatically;

238.27 (3) made available to both public and private contractors under the same terms of  
 238.28 performance;

238.29 (4) specified activities, targets, performance measures, or quality-based outcomes in the  
 238.30 state's quality strategy.

239.1 The withhold payment arrangement must not condition the managed care organization's  
239.2 participation in the withhold arrangement on entering into or adhering to intergovernmental  
239.3 transfer agreements;

239.4 (d) Each performance target must be quantifiable, objective, measurable, and reasonably  
239.5 attainable. The withheld funds must be returned no sooner than July of the following year  
239.6 if performance targets in the contract are achieved. The commissioner may exclude special  
239.7 demonstration projects under subdivisions 18 and 19. A managed care plan or a county-based  
239.8 purchasing plan under section 256B.692 may include as admitted assets under section  
239.9 62D.044 any amount withheld under this section that is reasonably expected to be returned.

239.10 Subd. 67. **Managed care withhold requirements.** (a) The commissioner shall withhold  
239.11 five percent of managed care plan payments under this section and county-based purchasing  
239.12 plan payments under section 256B.692 for the prepaid medical assistance program pending  
239.13 completion of performance targets. Each performance target must be quantifiable, objective,  
239.14 measurable, and reasonably attainable, except in the case of a performance target based on  
239.15 a federal or state law or rule. Criteria for assessment of each performance target must be  
239.16 outlined in writing prior to the contract effective date. Clinical or utilization performance  
239.17 targets and their related criteria must consider evidence-based research and reasonable  
239.18 interventions when available or applicable to the populations served, and must be developed  
239.19 with input from external clinical experts and stakeholders, including managed care plans,  
239.20 county-based purchasing plans, and providers. The managed care or county-based purchasing  
239.21 plan must demonstrate, to the commissioner's satisfaction, that the data submitted regarding  
239.22 attainment of the performance target is accurate. The commissioner shall periodically change  
239.23 the administrative measures used as performance targets in order to improve plan performance  
239.24 across a broader range of administrative services. The performance targets must include  
239.25 measurement of plan efforts to contain spending on health care services and administrative  
239.26 activities. The commissioner may adopt plan-specific performance targets that take into  
239.27 account factors affecting only one plan, including characteristics of the plan's enrollee  
239.28 population. The withheld funds must be returned no sooner than July of the following year  
239.29 if performance targets in the contract are achieved. The commissioner may exclude special  
239.30 demonstration projects under subdivisions 75 and 76.

239.31 (b) The commissioner shall include as part of the performance targets described in  
239.32 paragraph (a) a reduction in the health plan's emergency department utilization rate for  
239.33 medical assistance and MinnesotaCare enrollees, as determined by the commissioner. To  
239.34 earn the return of the withhold each subsequent year, the managed care plan or county-based  
239.35 purchasing plan must achieve a qualifying reduction of no less than ten percent of the plan's

240.1 emergency department utilization rate for medical assistance and MinnesotaCare enrollees,  
240.2 excluding enrollees in programs described in subdivisions 75 and 76, compared to the  
240.3 previous measurement year until the final performance target is reached. When measuring  
240.4 performance, the commissioner must consider the difference in health risk in a managed  
240.5 care or county-based purchasing plan's membership in the baseline year compared to the  
240.6 measurement year, and work with the managed care or county-based purchasing plan to  
240.7 account for differences that they agree are significant.

240.8 The withheld funds must be returned no sooner than July 1 and no later than July 31 of  
240.9 the following calendar year if the managed care plan or county-based purchasing plan  
240.10 demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate  
240.11 was achieved. The commissioner shall structure the withhold so that the commissioner  
240.12 returns a portion of the withheld funds in amounts commensurate with achieved reductions  
240.13 in utilization less than the targeted amount.

240.14 The withheld funds shall continue for each consecutive contract period until the plan's  
240.15 emergency room utilization rate for state health care program enrollees is reduced by 25  
240.16 percent of the plan's emergency room utilization rate for medical assistance and  
240.17 MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate with the health  
240.18 plans in meeting this performance target and shall accept payment withholds that may be  
240.19 returned to the hospitals if the performance target is achieved.

240.20 (c) The commissioner shall include as part of the performance targets described in  
240.21 paragraph (a) a reduction in the plan's hospitalization admission rate for medical assistance  
240.22 and MinnesotaCare enrollees, as determined by the commissioner. To earn the return of the  
240.23 withhold each year, the managed care plan or county-based purchasing plan must achieve  
240.24 a qualifying reduction of no less than five percent of the plan's hospital admission rate for  
240.25 medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described  
240.26 in subdivisions 75 and 76, compared to the previous calendar year until the final performance  
240.27 target is reached. When measuring performance, the commissioner must consider the  
240.28 difference in health risk in a managed care or county-based purchasing plan's membership  
240.29 in the baseline year compared to the measurement year, and work with the managed care  
240.30 or county-based purchasing plan to account for differences that they agree are significant.

240.31 The withheld funds must be returned no sooner than July 1 and no later than July 31 of  
240.32 the following calendar year if the managed care plan or county-based purchasing plan  
240.33 demonstrates to the satisfaction of the commissioner that this reduction in the hospitalization  
240.34 rate was achieved. The commissioner shall structure the withhold so that the commissioner

241.1 returns a portion of the withheld funds in amounts commensurate with achieved reductions  
241.2 in utilization less than the targeted amount.

241.3 The withhold described in this paragraph shall continue until there is a 25 percent  
241.4 reduction in the hospital admission rate compared to the hospital admission rates in calendar  
241.5 year 2011, as determined by the commissioner. The hospital admissions in this performance  
241.6 target do not include the admissions applicable to the subsequent hospital admission  
241.7 performance target under paragraph (d). Hospitals shall cooperate with the plans in meeting  
241.8 this performance target and shall accept payment withholds that may be returned to the  
241.9 hospitals if the performance target is achieved.

241.10 (d) The commissioner shall include as part of the performance targets described in  
241.11 paragraph (a) a reduction in the plan's hospitalization admission rates for subsequent  
241.12 hospitalizations within 30 days of a previous hospitalization of a patient regardless of the  
241.13 reason, for medical assistance and MinnesotaCare enrollees, as determined by the  
241.14 commissioner. To earn the return of the withhold each year, the managed care plan or  
241.15 county-based purchasing plan must achieve a qualifying reduction of the subsequent  
241.16 hospitalization rate for medical assistance and MinnesotaCare enrollees, excluding enrollees  
241.17 in programs described in subdivisions 75 and 76, of no less than five percent compared to  
241.18 the previous calendar year until the final performance target is reached.

241.19 The withheld funds must be returned no sooner than July 1 and no later than July 31 of  
241.20 the following calendar year if the managed care plan or county-based purchasing plan  
241.21 demonstrates to the satisfaction of the commissioner that a qualifying reduction in the  
241.22 subsequent hospitalization rate was achieved. The commissioner shall structure the withhold  
241.23 so that the commissioner returns a portion of the withheld funds in amounts commensurate  
241.24 with achieved reductions in utilization less than the targeted amount.

241.25 The withheld funds must continue for each consecutive contract period until the plan's  
241.26 subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees, excluding  
241.27 enrollees in programs described in subdivisions 74 and 75, is reduced by 25 percent of the  
241.28 plan's subsequent hospitalization rate for calendar year 2011. Hospitals shall cooperate with  
241.29 the plans in meeting this performance target and shall accept payment withholds that must  
241.30 be returned to the hospitals if the performance target is achieved.

241.31 (e) The commissioner shall withhold 4.5 percent of managed care plan payments under  
241.32 this section and county-based purchasing plan payments under section 256B.692 for the  
241.33 prepaid medical assistance program. The withheld funds must be returned no sooner than

242.1 July 1 and no later than July 31 of the following year. The commissioner may exclude  
242.2 special demonstration projects under subdivisions 75 and 76.

242.3 (f) The commissioner shall withhold three percent of managed care plan payments under  
242.4 this section and county-based purchasing plan payments under section 256B.692 for the  
242.5 prepaid medical assistance program. The withheld funds must be returned no sooner than  
242.6 July 1 and no later than July 31 of the following year. The commissioner may exclude  
242.7 special demonstration projects under subdivisions 75 and 76.

242.8 (g) The return of the withhold under paragraphs (d)(v) and (d)(vi) is not subject to the  
242.9 requirements of paragraph (d)(i).

242.10 Subd. 68. **Medical education and research fund.** (a) The commissioner shall transfer  
242.11 each year to the medical education and research fund established under section 62J.692, an  
242.12 amount specified in this subdivision.

242.13 (b) The commissioner shall calculate the following:

242.14 (1) an amount equal to the reduction in the prepaid medical assistance payments as  
242.15 specified in this clause. The county medical assistance capitation base rate before plan  
242.16 specific adjustments is reduced 6.3 percent for Hennepin County, two percent for the  
242.17 remaining metropolitan counties, and 1.6 percent for nonmetropolitan Minnesota counties.  
242.18 Nursing facility and elderly waiver payments and demonstration project payments operating  
242.19 under subdivisions 78 and 79 are excluded from this reduction. The amount calculated under  
242.20 this clause shall not be adjusted for periods already paid due to subsequent changes to the  
242.21 capitation payments;

242.22 (2) beginning July 1, 2003, \$4,314,000 from the capitation rates paid under this section;

242.23 (3) beginning July 1, 2002, an additional \$12,700,000 from the capitation rates paid  
242.24 under this section; and

242.25 (4) beginning July 1, 2003, an additional \$4,700,000 from the capitation rates paid under  
242.26 this section.

242.27 (c) This subdivision shall be effective upon approval of a federal waiver which allows  
242.28 federal financial participation in the medical education and research fund. The amount  
242.29 specified under paragraph (b) shall not exceed the total amount transferred for fiscal year  
242.30 2009. Any excess shall first reduce the amounts specified under paragraph (b). Any excess  
242.31 following this reduction shall proportionally reduce the amount specified under paragraph  
242.32 (b).

243.1 (d) Of the amount in clause (1), the commissioner shall transfer \$21,714,000 each fiscal  
243.2 year to the medical education and research fund.

243.3 (e) Of the amount in clause (1), following the transfer under clause (3), the commissioner  
243.4 shall transfer to the medical education research fund \$23,936,000 in fiscal years 2012 and  
243.5 2013 and \$49,552,000 in fiscal year 2014 and thereafter.

243.6 (f) Beginning July 1, 2002, the capitation rates paid under this section are increased by  
243.7 \$12,700,000 per year. Beginning July 1, 2003, the capitation rates paid under this section  
243.8 are increased by \$4,700,000 per year.

243.9 (g) Beginning July 1, 2009, the capitation rates paid under this section are increased  
243.10 each year by the lesser of \$21,714,000 or an amount equal to the difference between the  
243.11 estimated value of the reductions described in clause (1), item (i), and the amount of the  
243.12 limit described in clause (2).

243.13 (h) Capitation payments for services provided in the month of June for which payment  
243.14 shall be made no earlier than the first day of the following month and no later than the last  
243.15 day of that month.

243.16 (i) The commissioner shall not direct MCO expenditures under the contract, except in  
243.17 the following situations:

243.18 (1) implementation of a value-based purchasing model for provider reimbursement, such  
243.19 as pay-for-performance arrangements, bundled payments, or other service payments intended  
243.20 to recognize value or outcomes over volume of services;

243.21 (2) participation in a multipayer or medical assistance specific delivery system reform  
243.22 or performance improvement initiative;

243.23 (3) implementation of a minimum or maximum fee schedule, or a uniform dollar or  
243.24 percentage increase for network providers that provide a particular service. The maximum  
243.25 fee schedule must allow the MCO the ability to reasonably manage risk and provide discretion  
243.26 in accomplishing the goals of the contract; and

243.27 (4) the MCO contract that directs the MCO expenditures under clauses (1) to (3) must  
243.28 be developed according to Code of Federal Regulations, title 42, section 438.5, comply with  
243.29 actuarial soundness, and generally accepted actuarial principles and practices and have  
243.30 written approval from the Centers for Medicare and Medicaid before implementation. To  
243.31 obtain approval the commissioner must demonstrate in writing that the contract arrangements:

243.32 (i) are based on the utilization and delivery of services;

244.1 (ii) directs expenditures equally, using the same terms of performance for a class of  
244.2 providers providing service under the contract;

244.3 (iii) expects to advance at least one of the goals and objectives in the commissioner's  
244.4 quality strategy;

244.5 (iv) has an evaluation plan that measures the degree to which the arrangement advances  
244.6 at least one of the goals in the commissioner's quality strategy;

244.7 (v) does not condition network provider participation on the network provider entering  
244.8 into or adhering to an intergovernmental transfer agreement; and

244.9 (vi) are not renewed automatically; and

244.10 (5) for contract arrangements identified in clauses (1) and (2), the commissioner shall:

244.11 (i) make participation in the value-based purchasing initiative delivery system reform  
244.12 or performance improvement initiative available, using the same terms of performance, to  
244.13 a class of providers providing services under the contract related to the reform or  
244.14 improvement initiatives;

244.15 (ii) use a common set of performance measures across all of the payers and providers;

244.16 (iii) not set the amount or frequency of the expenditures; and

244.17 (iv) not allow the state to recoup from the MCO any unspent funds allocated for these  
244.18 arrangements.

244.19 (j) The commissioner may require MCOs to make pass-through payments to network  
244.20 providers that are hospitals, physicians, and nursing facilities satisfy Code of Federal  
244.21 Regulations, title 42, section 438.6(d), until the commissioner must phase out pass-through  
244.22 payments. Pass-through payments for hospitals may be required under the contract but must  
244.23 be phased out no longer than on the 10-year schedule, beginning with contracts that start  
244.24 on or after July 1, 2017 and ending on July 1, 2027. Pass-through payments for physicians  
244.25 and nursing facilities may be required under the contract but must be phased out no longer  
244.26 than on the 5-year schedule, beginning with contracts that start on or after July 1, 2017 and  
244.27 ending on July 1, 2022.

244.28 (k) The commissioner may make a monthly capitation payment to an MCO for an enrollee  
244.29 21 to 64 years of age receiving inpatient treatment for psychiatric or substance use disorder  
244.30 in an institution for mental diseases for a short term stay of no more than 15 days during  
244.31 the period of the monthly capitation payment. The provision of psychiatric or substance use

245.1 disorder treatment in an institution for mental diseases must meet the requirements for in  
245.2 lieu of services in subdivision 33.

245.3 Subd. 69. **Rate certification submission.** (a) The commissioner must submit to the  
245.4 Centers for Medicare and Medicaid for review and approval the commissioner's rate  
245.5 certifications at the same time as the commissioner's managed care contracts.

245.6 (b) The rate certification must satisfy Code of Federal Regulations, title 42, section  
245.7 438.7(b) and must:

245.8 (1) base data used in the rate setting process;

245.9 (2) trend, including changes in the utilization and the price of services;

245.10 (3) nonbenefit component of the rate;

245.11 (4) adjustments;

245.12 (5) prospective and retrospective risk adjustment methodology; and

245.13 (6) special contract provisions related to payment.

245.14 (c) An actuary must certify the final capitation rates paid per rate cell under each risk  
245.15 contract and document the underlying data, assumptions and methodologies.

245.16 (d) The commissioner may pay each MCO a capitation rate under the contract that is  
245.17 different than the capitation rate paid to a different MCO, if each capitation rate per rate  
245.18 cell that is paid is independently developed and set in according to Code of Federal  
245.19 Regulations, title 42, sections 438.4, 438.5, 438.6, and 438.8.

245.20 (e) If the commissioner determines that a retroactive adjustment to the capitation rate is  
245.21 necessary, the retroactive adjustment must be supported by a rationale for the adjustment  
245.22 and the data. Assumptions and methodologies used to develop the adjustment must be  
245.23 described with enough detail to allow the Centers for Medicare and Medicaid or an actuary  
245.24 to determine the reasonableness of the adjustment. Any retroactive adjustments must be  
245.25 certified by an actuary in a revised rate certification and submitted to the Centers for Medicare  
245.26 and Medicaid for approval as a contract amendment. All adjustments are subject to timely  
245.27 claim filing requirements.

245.28 (f) The commissioner may increase or decrease the capitation rate per rate cell according  
245.29 to Code of Federal Regulations, title 42, sections 438.4(b)(4) and 438.7(c), up to 1.5 percent  
245.30 without submitting a revised rate certification.

245.31 (g) The commissioner must, upon request from the Centers for Medicare and Medicaid,  
245.32 provide additional information if the Centers for Medicare and Medicaid determines the

246.1 information is pertinent to certification approval. The commissioner must identify whether  
246.2 the additional information is offered by the commissioner, the actuary, or another party.

246.3 (h) Each year, within 30 days of the establishment of MCO rates, the commissioner shall  
246.4 submit a report on the certification and how each condition is met by the new payment rates  
246.5 to the chairs and ranking minority members of the legislative committees with jurisdiction  
246.6 over health and human services finance.

246.7 Subd. 70. **Medical loss ratio.** (a) The commissioner must ensure through contracts that  
246.8 each MCO calculate and report an MLR for each contract year. The commissioner may  
246.9 mandate a minimum MLR that must be equal to or higher than 85 percent.

246.10 (b) The calculation of the MLR in a MLR reporting year is the ratio of the numerator to  
246.11 the denominator. The numerator includes the sum of the MCO's incurred claims, the MCO's  
246.12 expenditures for activities that improve health care quality, and fraud prevention activities.  
246.13 The denominator includes the MCO's adjusted premium revenue minus the MCO's federal,  
246.14 state, and local taxes and licensing and regulatory fees. The MCO must aggregate the data  
246.15 for all eligibility groups covered under the contract unless the commissioner requires separate  
246.16 reporting and a separate MLR calculation for specific populations.

246.17 (c) Incurred claims are identified by the expenditures, liabilities, reserves, deductions,  
246.18 and exclusions according to Code of Federal Regulations, title 42, section 438.8(e)(2).

246.19 (d) Activities that improve health care quality must be in one category according to Code  
246.20 of Federal Regulations, title 42, section 438.8(e)(3).

246.21 (e) Fraud prevention activities include MCO expenditures on activities related to fraud  
246.22 prevention according to Code of Federal Regulations, title 45, section 158.

246.23 (f) Premium revenue includes state capitation payments; state-developed onetime  
246.24 payments for specific life events of enrollees; other payments to the MCO according to  
246.25 Code of Federal Regulations, title 42, section 438.6(b)(3); unpaid cost-sharing amounts;  
246.26 and changes to unearned premium reserves, net payments, and receipts related to risk sharing  
246.27 mechanisms.

246.28 (g) Taxes, licensing, and regulatory fees identified in Code of Federal Regulations, title  
246.29 42, section 438.8(f)(3).

246.30 (h) The total amount of the denominator for an MCO that is later assumed by another  
246.31 entity must be reported by the assuming MCO for the entire MLR reporting year.

246.32 (i) Each expense must be included under only one type of expense, unless a portion of  
246.33 the expense fits under the definition of, or criteria for, one type of expense and the remainder

247.1 fits into a different type of expense, in which case the expense must be prorated between  
247.2 types of expenses. Expenditures that benefit multiple contracts or populations, or contracts  
247.3 other than those being reported must be reported on a pro rata basis. Expenses must be  
247.4 allocated using the methods described in Code of Federal Regulations, title 42, section  
247.5 438.8(g)(2).

247.6 (j) Credibility adjustment means an adjustment to the MLR for a partially credible MCO  
247.7 to account for a difference between the actual and target MLRs that may be due to random  
247.8 statistical variation. The calculation of an MLR is based on the MCO's member months and  
247.9 may be determined as credible, partially credible, or no credibility. An MCO that is assigned  
247.10 no credibility or full credibility to the MCO's MLR calculation must not receive a credibility  
247.11 adjustment.

247.12 (k) The commissioner may require the MCO to provide a remittance if the MLR for the  
247.13 MLR reporting year does not meet the minimum MLR standard of 85 percent or higher as  
247.14 set by the commissioner.

247.15 (l) The commissioner through contracts must require each MCO to submit a report to  
247.16 the commissioner for each MLR reporting year that includes the information identified in  
247.17 Code of Federal Regulations, title 42, section 438.8(k). The report must be submitted within  
247.18 12 months of the end of the MLR reporting year. The MCO must require any third-party  
247.19 vendor providing claims adjudication to provide all underlying data associated with MLR  
247.20 reporting to the MCO within 180 days of the end of the MLR reporting year or within 30  
247.21 days of being requested by the MCO to calculate and validate the accuracy of MLR reporting.  
247.22 The MCO must include an attestation with the MLR report as to the accuracy of the  
247.23 calculation of the MLR.

247.24 (m) The commissioner must annually submit to the Centers for Medicare and Medicaid  
247.25 a summary description of the reports received from the MCOs according to Code of Federal  
247.26 Regulations, title 42, section 438.8(k), along with the required rate certification. The summary  
247.27 description must include, at a minimum, the amount of the numerator, the amount of the  
247.28 denominator, the MLR percentage achieved, the number of member months, and any  
247.29 remittances owed by each for the MLR reporting year. If the commissioner requires the  
247.30 MCO to pay remittances through the contract for not meeting the minimum MLR the state  
247.31 must reimburse the Centers for Medicare and Medicaid the federal share, considering  
247.32 differences in the federal matching rate. If a remittance is owed, the commissioner must  
247.33 submit a separate report describing the methodology used to determine the state and federal  
247.34 shares of the remittance with the required report.

248.1 (n) The commissioner may exclude a newly contracted MCO from calculating and  
248.2 reporting an MLR for the first year of the MCO's operation. MCOs must be required to  
248.3 comply with the requirements in this section during the next MLR reporting year.

248.4 (o) If the commissioner makes a retroactive change to the capitation payments for a  
248.5 MLR reporting year where the report was already submitted to the commissioner, the MCO  
248.6 must recalculate the MLR for all affected by the change and submit a new report meeting  
248.7 the reporting requirements in paragraph (l).

248.8 Subd. 71. **Solvency standards.** (a) Each MCO must provide assurances satisfactory to  
248.9 the commissioner showing that the MCO's provision against the risk of insolvency is adequate  
248.10 to ensure that the MCO's medical assistance enrollees are not be liable for the MCO's debts  
248.11 if the MCO becomes insolvent.

248.12 (b) The MCO must meet the solvency standards established by the commissioner for  
248.13 private health maintenance organizations, or be licensed or certified by the commissioner  
248.14 as a risk-bearing entity.

248.15 Subd. 72. **Managed care financial reporting.** (a) The commissioner shall collect detailed  
248.16 data regarding financials, provider payments, provider rate methodologies, and other data  
248.17 as determined by the commissioner. The commissioner shall set uniform criteria, definitions,  
248.18 and standards for the data to be submitted, and shall require managed care organizations to  
248.19 comply with these criteria, definitions, and standards when submitting data. The  
248.20 commissioner shall ensure that the data collection is implemented in an integrated and  
248.21 coordinated manner that avoids unnecessary duplication of effort. To the extent possible,  
248.22 the commissioner shall use existing data sources and streamline data collection in order to  
248.23 reduce public and private sector administrative costs. Nothing in this subdivision shall allow  
248.24 release of information that is nonpublic data pursuant to section 13.02.

248.25 (b) Each MCO must provide quarterly to the commissioner the following information

- 249.1 (6) services versus payment lags by program for hospital services, outpatient services,  
249.2 physician services, other medical services, and pharmaceutical benefits;
- 249.3 (7) utilization reports that summarize utilization and unit cost information by program  
249.4 for hospitalization services, outpatient services, physician services, and other medical  
249.5 services;

249.7 utilization of pharmaceutical services;
- 249.8 (9) subcapitation expenses by population group;
- 249.9 (10) third-party payments by program;
- 249.10 (11) all new, active, and closed subrogation cases by program;
- 249.11 (12) all new, active, and closed fraud and abuse cases by program;
- 249.12 (13) medical loss ratios by program;
- 249.13 (14) administrative expenses by category and subcategory by program that reconcile to  
249.14 other state and federal regulatory agencies, including Minnesota Supplement Report #1A;
- 249.15 (15) revenues by program, including investment income;
- 249.16 (16) nonadministrative service payments, provider payments, and reimbursement rates  
249.17 by provider type or service category, by program, paid by the managed care plan under this  
249.18 section or the county-based purchasing plan under section 256B.692 to providers and vendors  
249.19 for administrative services under contract with the plan, including but not limited to:
- 249.20 (i) individual-level provider payment and reimbursement rate data;
- 249.21 (ii) provider reimbursement rate methodologies by provider type, by program, including  
249.22 a description of alternative payment arrangements and payments outside the claims process;
- 249.23 (iii) data on implementation of legislatively mandated provider rate changes; and
- 249.24 (iv) individual-level provider payment and reimbursement rate data and plan-specific

250.1 (c) If a report is published or released based on data provided under this subdivision,  
250.2 the commissioner shall provide the report to MCOs 15 days before the publication or release  
250.3 of the report. MCOs shall have 15 days to review the report and provide comment to the

250.11 state public health care programs under this subdivision that costs reported for state public  
250.12 health care programs include:

250.14 administrative expenses; and

250.15 (2) the dollar value of unallowable and nonstate plan services, including both medical  
250.16 and administrative expenditures, that have been excluded.

250.17 Subd. 73. **Financial and data quality assurance audits.** (a) The commissioner shall  
250.18 require, in the request for bids and resulting contracts with MCOs under this section and  
250.19 section 256B.692, that each MCO submit to and fully cooperate with the independent  
250.20 third-party financial audits by the legislative auditor under of the information required under  
250.21 subdivision 70, paragraph (b). Each contract with an MCO under this section or section  
250.22 256B.692 must provide the commissioner, the legislative auditor, and vendors contracting  
250.23 with the legislative auditor, access to all data required to complete audits under this  
250.24 subdivision.

250.25 (b) The legislative auditor shall conduct or contract with vendors to conduct independent  
250.26 third-party financial audits of the information required to be provided by managed care  
250.27 organizations under subdivision 70, paragraph (b). The audits by the vendors shall be  
250.28 conducted as vendor resources permit and according to generally accepted government  
250.29 auditing standards issued by the Government Accountability Office. The contract with the  
250.30 vendors shall be designed and administered to render the independent third-party audits  
250.31 eligible for a federal subsidy, if available. The contract shall require the audits to include a

251.6 for an independent third-party audit to evaluate the quality assurance protocols as to the

254.3 federal authority to combine Medicare and Medicaid capitation payments for the  
254.4 demonstrations and may contract with Medicare-approved special needs plans that are  
254.5 offered by a demonstration provider or by an entity that is directly or indirectly wholly  
254.6 owned or controlled by a demonstration provider to provide Medicaid services. Medicare  
254.7 funds and services shall be administered according to the terms and conditions of the federal

254.16 the health plan's participation is subsequently terminated for any reason, the person shall  
254.17 be provided an opportunity to select a new health plan and shall have the right to change  
254.18 health plans within the first 60 days of enrollment in the second health plan. Persons required  
254.19 to participate in health plans under this section who fail to make a choice of health plan  
254.20 shall not be randomly assigned to health plans under these demonstrations. Notwithstanding  
254.21 section 256L.12, subdivision 5, and Minnesota Rules, part 9505.5220, subpart 1, item A,

254.32 to participating providers. A PACE provider is not required to be licensed or certified as a  
254.33 health plan company as defined in section 62Q.01, subdivision 4. A person 55 years of age  
254.34 and older who was screened by the county and found eligible for services under the elderly  
254.35 waiver or community access for disability inclusion or who is already eligible for medical

255.1 assistance but meets level of care criteria for receipt of waiver services may choose to enroll  
255.2 in the PACE program. Medicare and Medicaid services must be provided according to this  
255.3 subdivision and federal Medicare and Medicaid requirements governing PACE providers  
255.4 and programs. PACE enrollees must receive Medicaid home and community-based services  
255.5 through the PACE provider as an alternative to services for which the person would otherwise  
255.6 be eligible through home and community-based waiver programs and medical assistance.

255.8 exceed costs that would have been incurred under fee-for-service or other relevant managed  
255.9 care programs operated by the department.

255.10 (d) Costs for home and community-based services for people with disabilities must not  
255.11 exceed costs that would have been incurred under the fee-for-service program. In developing

255.13 and consult the state-level stakeholder group established in subdivision 75, paragraph (d),  
255.14 including consultation on whether and how to include home and community-based waiver  
255.15 programs. Plans to create alternative integrated delivery systems shall be presented to the

255.17 and human services policy and finance before implementation.

255.18 (e) Notwithstanding section 256B.0621, health plans providing services under this section  
255.19 are responsible for home care targeted case management and relocation targeted case  
255.20 management. Services must be provided according to the terms of the waivers and contracts  
255.21 approved by the federal government.

255.22 (f) Except as applicable to the project's operation, the provisions of sections 256.975  
255.23 and 256B.0911 are waived for the purposes of this section for recipients enrolled in the  
255.24 managed care program for seniors.

255.25 (g) The commissioner shall ensure the views of beneficiaries, individuals representing  
255.26 beneficiaries, providers, and other stakeholders are solicited and addressed during the design,  
255.27 implementation, and oversight of the managed LTSS program. The composition of the  
255.28 stakeholder group and frequency of meetings must be sufficient to ensure meaningful  
255.29 stakeholder engagement.

256.11 as other medical assistance recipients who have not enrolled.

256.12 (b) The commissioner may contract with demonstration providers and current and former  
256.13 sponsors of qualified Medicare special needs plans, to provide basic health care services

280.10 and 119B.05, subdivision 1, shall be used to reduce child care costs for a student. The county  
280.11 shall not limit the duration of child care subsidies for a person in an employment or

280.13 must be based on county policies included in the approved child care fund plan.

280.14 (b) To be eligible, the student must be in good standing and making satisfactory progress  
280.15 toward the degree. The maximum length of time a student is eligible for child care assistance  
280.16 under the child care fund for education and training is no more than the time necessary to  
280.17 complete the credit requirements for an associate or baccalaureate degree as determined by  
280.18 the educational institution. Time limitations for child care assistance do not apply to basic  
280.19 or remedial educational programs needed for postsecondary education or employment. Basic

280.21 English as a second language programs. A program exempt from this time limit must not  
280.22 run concurrently with a postsecondary program.

280.23 (c) If a student meets the conditions of paragraphs (a) and (b), child care assistance must  
280.24 be authorized for all hours of class time and credit hours, including independent study and

280.29 to the person's approved employment plan. If an MFIP or DWP participant receiving MFIP  
280.30 or DWP child care assistance under this chapter moves to another county, continues to  
280.31 participate in an authorized educational or training program, and remains eligible for MFIP

280.33 from the county responsible for the person's current employment plan under section 256G.07.

281.1 (e) If a person with an approved education program under section 119B.03, subdivision  
 281.2 3, or 119B.05, subdivision 1, begins receiving MFIP or DWP assistance, the person continues  
 281.3 to receive child care assistance for the approved education program until the person's  
 281.4 education is included in an approved MFIP or DWP employment plan or until  
 281.5 redetermination, whichever occurs first.

281.6 (f) If a person's MFIP or DWP assistance ends and the approved MFIP or DWP  
 281.7 employment plan included education, the person continues to be eligible for child care  
 281.8 assistance for education under transition year child care assistance until the person's education  
 281.9 is included in an approved education plan or until redetermination.

281.10 **EFFECTIVE DATE.** This section is effective December 18, 2017.

281.11 Sec. 25. **[119B.105] EXTENDED ELIGIBILITY AND AUTHORIZATION.**

 281.13 under paragraph (b) continues to be eligible for up to three months or until the family's  
 281.14 redetermination, whichever occurs first, rather than losing eligibility or having the family's  
 281.15 eligibility suspended. During extended eligibility, the amount of child care authorized shall  
 281.16 continue at the same number or more hours. The family must continue to meet all other  
 281.17 eligibility requirements under this chapter.

281.18 (b) The family's three-month extended eligibility period applies when:

281.19 (1) a participant's employment or education program ends permanently;

281.20 (2) the other parent moves in and does not participate in an authorized activity;

281.21 (3) a participant's MFIP assistance ends and the participant is not participating in an  
 281.22 authorized activity or the participant's participation in an authorized activity is unknown;

281.23 (4) a student parent under section 119B.011, subdivision 19b, stops attending school;

281.24 or

281.25 (5) a participant receiving basic sliding fee child care assistance or transition year child  
 281.26 care assistance applied for MFIP assistance and is not participating in an authorized activity  
 281.27 or the participant's participation in an authorized activity is unknown.

281.28 Subd. 2. **Extended eligibility and redetermination.** (a) If the family received three  
 281.29 months of extended eligibility and redetermination is not due, to continue receiving child  
 281.30 care assistance the participant must be employed or have an education plan which meets  
 281.31 the requirements of section 119B.10, subdivision 3, or have an MFIP or DWP employment  
 281.32 plan. If child care assistance continues, the amount of child care authorized shall continue

282.1 at the same number or more hours until redetermination, unless a condition in section  
 282.2 119B.095, subdivision 2, paragraph (c), applies. A family subject to section 119B.095,  
 282.3 subdivision 1, paragraph (b), shall have child care authorized based on a verified activity  
 282.4 schedule.

282.5 (b) If the family's redetermination occurs before the end of the three-month extended  
 282.6 eligibility period to continue receiving child care assistance, the participant must verify that  
 282.7 the participant meets eligibility and activity requirements for child care assistance under  
 282.8 this chapter. If child care assistance continues, the amount of child care authorized is based  
 282.9 on section 119B.10. A family subject to section 119B.095, subdivision 1, paragraph (b),  
 282.10 shall have child care authorized based on a verified activity schedule.

282.11 **EFFECTIVE DATE.** This section is effective December 18, 2017.

282.12 Sec. 26. Minnesota Statutes 2016, section 119B.11, subdivision 2a, is amended to read:

282.13 Subd. 2a. **Recovery of overpayments.** (a) An amount of child care assistance paid to a  
 282.14 recipient in excess of the payment due is recoverable by the county agency under paragraphs  
 282.15 (b) and (c), even when the overpayment was caused by agency error or circumstances outside  
 282.16 the responsibility and control of the family or provider.

282.17 (b)(1) An overpayment ~~must be recouped or recovered from the family if the~~  
 282.18 ~~overpayment that~~ benefited the family by causing the family to pay less for child care  
 282.19 expenses than the family otherwise would have been required to pay under ~~child care~~  
 282.20 ~~assistance program requirements~~ this chapter must be established and recovered according  
 282.21 to clauses (1) to (5), with the following exceptions:

282.22 (i) an overpayment estimated to be less than \$500 must not be established or collected;

282.23 (ii) the portion of an overpayment that occurred more than one year before the date of  
 282.24 overpayment determination must not be established or collected; or

282.25 (iii) an overpayment designated solely as agency error must not be established or  
 282.26 collected.

282.27 (2) If the family remains eligible for child care assistance and an overpayment is  
 282.28 established, the overpayment must be recovered through recoupment as identified in  
 282.29 Minnesota Rules, part 3400.0187, except that the overpayments must be calculated and  
 282.30 collected on a service period basis. ~~If the family no longer remains eligible for child care~~  
 282.31 ~~assistance, the county may choose to initiate efforts to recover overpayments from the family~~  
 282.32 ~~for overpayment less than \$50. If the overpayment is greater than or equal to \$50,~~

283.1 (3) If the family is no longer eligible for child care assistance and an overpayment is  
 283.2 established, the county shall seek voluntary repayment of the overpayment from the family.

283.3 (4) If the county is unable to recoup the overpayment through voluntary repayment, the  
 283.4 county shall initiate civil court proceedings to recover the overpayment unless the county's  
 283.5 costs to recover the overpayment will exceed the amount of the overpayment.

283.6 (5) A family with an outstanding debt under this subdivision is not eligible for child care  
 283.7 assistance until:

283.8 ~~(1)~~ (i) the debt is paid in full; or

283.9 ~~(2)~~ (ii) satisfactory arrangements are made with the county to retire the debt consistent  
 283.10 with the requirements of this chapter and Minnesota Rules, chapter 3400, and the family is  
 283.11 in compliance with the arrangements.

283.12 (c) The county must recover an overpayment from a provider if the overpayment did  
 283.13 not benefit the family by causing it to receive more child care assistance or to pay less for  
 283.14 child care expenses than the family otherwise would have been eligible to receive or required  
 283.15 to pay under child care assistance program requirements, and benefited the provider by  
 283.16 causing the provider to receive more child care assistance than otherwise would have been  
 283.17 paid on the family's behalf under child care assistance program requirements. If the provider  
 283.18 continues to care for children receiving child care assistance, the overpayment must be  
 283.19 recovered through reductions in child care assistance payments for services as described in  
 283.20 an agreement with the county. The provider may not charge families using that provider  
 283.21 more to cover the cost of recouping the overpayment. If the provider no longer cares for  
 283.22 children receiving child care assistance, the county may choose to initiate efforts to recover  
 283.23 overpayments of less than \$50 from the provider. If the overpayment is greater than or equal  
 283.24 to \$50, the county shall seek voluntary repayment of the overpayment from the provider.  
 283.25 If the county is unable to recoup the overpayment through voluntary repayment, the county  
 283.26 shall initiate civil court proceedings to recover the overpayment unless the county's costs  
 283.27 to recover the overpayment will exceed the amount of the overpayment. A provider with  
 283.28 an outstanding debt under this subdivision is not eligible to care for children receiving child  
 283.29 care assistance until:

283.30 (1) the debt is paid in full; or

283.31 (2) satisfactory arrangements are made with the county to retire the debt consistent with  
 283.32 the requirements of this chapter and Minnesota Rules, chapter 3400, and the provider is in  
 283.33 compliance with the arrangements.

284.1 (d) When both the family and the provider acted together to intentionally cause the  
284.2 overpayment, both the family and the provider are jointly liable for the overpayment  
284.3 regardless of who benefited from the overpayment. The county must recover the overpayment  
284.4 as provided in paragraphs (b) and (c). When the family or the provider is in compliance  
284.5 with a repayment agreement, the party in compliance is eligible to receive child care  
284.6 assistance or to care for children receiving child care assistance despite the other party's  
284.7 noncompliance with repayment arrangements.

284.8 (e) A provider overpayment designated as an agency error because of the application of  
284.9 an incorrect maximum rate must not be established or collected. Any other provider  
284.10 overpayment designated as agency error must be established and collected.

284.11 (f) Notwithstanding any provision to the contrary in this subdivision, an overpayment  
284.12 must be established and collected if the overpayment was caused in any part by wrongfully  
284.13 obtaining assistance under section 256.98 or by benefits paid while an action is pending  
284.14 appeal under section 119B.16, if on appeal the commissioner finds that the appellant was  
284.15 ineligible for the amount of child care assistance paid.

284.16 **EFFECTIVE DATE.** This section is effective October 23, 2017.

284.19 family's parent fee must be a fixed percentage of its annual gross income. Parent fees must  
284.20 apply to families eligible for child care assistance under sections 119B.03 and 119B.05.  
284.21 Income must be as defined in section 119B.011, subdivision 15. The fixed ~~percent~~ percentage  
284.22 is based on the relationship of the family's annual gross income to 100 percent of the annual  
284.23 state median income. Parent fees must begin at 75 percent of the poverty level. The minimum  
284.24 parent fees for families between 75 percent and 100 percent of poverty level must be \$2 per  
284.25 biweekly period. Parent fees must provide for graduated movement to full payment. At  
284.26 initial application, the parent fee is established for the family's 12-month eligibility period.  
284.27 At redetermination, if the family remains eligible, the parent fee is recalculated and is  
284.28 established for the next 12-month eligibility period. A parent fee shall not increase during  
284.29 the 12-month eligibility period. Payment of part or all of a family's parent fee directly to  
284.30 the family's child care provider on behalf of the family by a source other than the family  
284.31 shall not affect the family's eligibility for child care assistance, and the amount paid shall  
284.32 be excluded from the family's income. Child care providers who accept third-party payments  
284.33 must maintain family specific documentation of payment source, amount, and time period  
284.34 covered by the payment.

295.15 temporary period and explain the circumstances under which the action expires; and

295.16 (4) inform the provider of the right to submit written evidence and argument for  
295.17 consideration by the commissioner.

295.18 (c) Notwithstanding Minnesota Rules, part 3400.0185, if a county or the commissioner

295.22 county or the commissioner must send notice of termination to an affected family. The  
295.23 termination sent to an affected family is effective on the date the notice is created.

295.24 Subd. 3. **Duration.** If a provider's authorization is denied or revoked under section  
295.25 119B.13, subdivision 6, paragraph (d), clause (1), (2), or (7); authorization is temporarily  
295.26 suspended under section 119B.161; or payment is suspended under chapter 245E, the  
295.27 provider's denial, revocation, temporary suspension, or payment suspension remains in  
295.28 effect until:

295.29 (1) the commissioner or a law enforcement authority determines that there is insufficient  
295.30 evidence warranting the action and a county or the commissioner does not pursue an  
295.31 additional administrative remedy under chapter 245E or section 256.98; or

295.32 (2) all criminal, civil, and administrative proceedings related to the provider's alleged  
295.33 misconduct conclude and any appeal rights are exhausted.

296.1 Subd. 4. **Good cause exception.** A county or the commissioner may find that good cause  
296.2 exists not to deny, revoke, or suspend a provider's authorization, or not to continue a denial,  
296.3 revocation, or suspension of a provider's authorization if any of the following are applicable:

296.4 (1) a law enforcement authority specifically requested that a provider's authorization  
296.5 not be denied, revoked, or suspended because it may compromise an ongoing investigation;

296.6 (2) a county or the commissioner determines that the denial, revocation, or suspension  
296.7 should be removed based on the provider's written submission; or

296.8 (3) the commissioner determines that the denial, revocation, or suspension is not in the  
296.9 best interests of the program.

296.10 **EFFECTIVE DATE.** This section is effective April 23, 2018.

296.15 record must be registered consistent with the findings of the court, the certificate of  
296.16 adjudication, or the recognition of parentage.

296.17 Sec. 44. Minnesota Statutes 2016, section 144.226, subdivision 1, is amended to read:

296.18 Subdivision 1. **Which services are for fee.** The fees for the following services shall be  
296.19 the following or an amount prescribed by rule of the commissioner:

296.20 (a) The fee for the administrative review and processing of a request for a certified vital  
296.21 record or a certification that the vital record cannot be found is \$9. The fee is payable at the  
296.22 time of application and is nonrefundable.

296.23 (b) The fee for processing a request for the replacement of a birth record for all events,  
296.24 except when filing a recognition of parentage pursuant to section 257.73, subdivision 1, is  
296.25 \$40. The fee is payable at the time of application and is nonrefundable. To the extent funds  
296.26 are available, the commissioner of human services shall pay the filing fee for the replacement  
296.27 of a birth record due to a paternity adjudication.

296.28 (c) The fee for administrative review and processing of a request for the filing of a  
296.29 delayed registration of birth, stillbirth, or death is \$40. The fee is payable at the time of  
296.30 application and is nonrefundable.

297.1 (d) The fee for administrative review and processing of a request for the amendment of  
297.2 any vital record is \$40. The fee is payable at the time of application and is nonrefundable.

297.3 (e) The fee for administrative review and processing of a request for the verification of  
297.4 information from vital records is \$9 when the applicant furnishes the specific information  
297.5 to locate the vital record. When the applicant does not furnish specific information, the fee  
297.6 is \$20 per hour for staff time expended. Specific information includes the correct date of  
297.7 the event and the correct name of the subject of the record. Fees charged shall approximate  
297.8 the costs incurred in searching and copying the vital records. The fee is payable at the time  
297.9 of application and is nonrefundable.

297.10 (f) The fee for administrative review and processing of a request for the issuance of a  
297.11 copy of any document on file pertaining to a vital record or statement that a related document  
297.12 cannot be found is \$9. The fee is payable at the time of application and is nonrefundable.

297.13 Sec. 45. Minnesota Statutes 2016, section 245.814, is amended by adding a subdivision  
297.14 to read:

297.15 Subd. 5. **Foster care parent liability insurance.** The commissioner may use federal  
297.16 reimbursement money earned on an expenditure for foster care parent liability insurance  
297.17 premiums to offset the costs of the premiums.

297.18 Sec. 46. Minnesota Statutes 2016, section 245A.04, subdivision 1, is amended to read:

297.19 Subdivision 1. **Application for licensure.** (a) An individual, corporation, partnership,  
297.20 voluntary association, other organization or controlling individual that is subject to licensure  
297.21 under section 245A.03 must apply for a license. The application must be made on the forms  
297.22 and in the manner prescribed by the commissioner. The commissioner shall provide the  
297.23 applicant with instruction in completing the application and provide information about the  
297.24 rules and requirements of other state agencies that affect the applicant. An applicant seeking  
297.25 licensure in Minnesota with headquarters outside of Minnesota must have a program office  
297.26 located within the state.

297.27 The commissioner shall act on the application within 90 working days after a complete  
297.28 application and any required reports have been received from other state agencies or  
297.29 departments, counties, municipalities, or other political subdivisions. The commissioner  
297.30 shall not consider an application to be complete until the commissioner receives all of the  
297.31 information required under section 245C.05.

298.1 When the commissioner receives an application for initial licensure that is incomplete  
298.2 because the applicant failed to submit required documents or that is substantially deficient  
298.3 because the documents submitted do not meet licensing requirements, the commissioner  
298.4 shall provide the applicant written notice that the application is incomplete or substantially  
298.5 deficient. In the written notice to the applicant the commissioner shall identify documents  
298.6 that are missing or deficient and give the applicant 45 days to resubmit a second application  
298.7 that is substantially complete. An applicant's failure to submit a substantially complete  
298.8 application after receiving notice from the commissioner is a basis for license denial under  
298.9 section 245A.05.

298.10 (b) An application for licensure must identify all controlling individuals and must specify  
298.11 an agent who is responsible for dealing with the commissioner of human services on all  
298.12 matters provided for in this chapter and on whom service of all notices and orders must be  
298.13 made. The agent must be authorized to accept service on behalf of all of the controlling  
298.14 individuals of the program. Service on the agent is service on all of the controlling individuals  
298.15 of the program. It is not a defense to any action arising under this chapter that service was  
298.16 not made on each controlling individual of the program. The designation of one or more  
298.17 controlling individuals as agents under this paragraph does not affect the legal responsibility  
298.18 of any other controlling individual under this chapter.

298.19 (c) An applicant or license holder must have a policy that prohibits license holders,  
298.20 employees, subcontractors, and volunteers, when directly responsible for persons served  
298.21 by the program, from abusing prescription medication or being in any manner under the  
298.22 influence of a chemical that impairs the individual's ability to provide services or care. The  
298.23 license holder must train employees, subcontractors, and volunteers about the program's  
298.24 drug and alcohol policy.

298.25 (d) An applicant and license holder must have a program grievance procedure that permits  
298.26 persons served by the program and their authorized representatives to bring a grievance to

309.1 (b) The department shall obtain monetary recovery from providers by the following

310.2 assistance, the disqualification period begins when the person again meets the eligibility  
310.3 criteria of the program from which they were disqualified and makes application for that  
310.4 program.

310.5 (b) A family receiving assistance through child care assistance programs under chapter

310.9 under section 401.065, or a court-ordered stay with probationary or other conditions, is  
310.10 disqualified from child care assistance programs. The disqualifications must be for periods  
310.11 of one year and two years for the first and second offenses, respectively. Subsequent  
310.12 violations must result in permanent disqualification. During the disqualification period,  
310.13 disqualification from any child care program must extend to all child care programs and  
310.14 must be immediately applied.

310.22 must be for a period of ~~one year~~ two years for the first offense ~~and two years for the second~~  
310.23 ~~offense~~. Any subsequent violation must result in permanent disqualification. The  
310.24 disqualification period must be imposed immediately after a determination is made under  
310.25 this paragraph. During the disqualification period, the provider is disqualified from receiving  
310.26 payment from any child care program under chapter 119B.

310.27 (d) Any person found to be guilty of wrongfully obtaining MinnesotaCare for adults

310.33 is disqualified from that program. The period of disqualification is one year after the first  
310.34 offense, two years after the second offense, and permanently after the third or subsequent  
310.35 offense. The period of program disqualification shall begin on the date stipulated on the

311.1 advance notice of disqualification without possibility of postponement for administrative  
311.2 stay or administrative hearing and shall continue through completion unless and until the  
311.3 findings upon which the sanctions were imposed are reversed by a court of competent  
311.4 jurisdiction. The period for which sanctions are imposed is not subject to review. The  
311.5 sanctions provided under this subdivision are in addition to, and not in substitution for, any  
311.6 other sanctions that may be provided for by law for the offense involved.

311.10 child who ~~entered~~ enters the Northstar kinship assistance or adoption assistance components  
311.11 of Northstar Care for Children while under the age of six shall receive ~~50 percent of the~~  
311.12 ~~amount the child would otherwise be entitled to under subdivisions 3 and 4~~ the full amount  
311.13 under subdivisions 3 and 4. The commissioner may ~~also~~ use the 50 percent rate for a child  
311.14 who was transitioned into those components through declaration of the commissioner under  
311.15 section 256N.28, subdivision 7.

311.16 **EFFECTIVE DATE.** This section is effective February 21, 2018.

311.17 Sec. 62. Minnesota Statutes 2016, section 256N.27, subdivision 2, is amended to read:

311.18 Subd. 2. **State share.** The commissioner shall pay the state share of the maintenance

311.20 Care foster care program under section 260C.4411, subdivision 1, the relative custody  
311.21 assistance program under section 257.85, and the pre-Northstar Care for Children adoption  
311.22 assistance program under chapter 259A. The state share shall include the cost of eliminating  
311.23 the alternate rate for preschool entry under section 256N.26, subdivision 5.

311.24 **EFFECTIVE DATE.** This section is effective February 21, 2018.

311.25 Sec. 63. Minnesota Statutes 2016, section 256N.27, subdivision 4, is amended to read:

311.26 Subd. 4. **Nonfederal share.** (a) The commissioner shall establish a percentage share of  
311.27 the maintenance payments, reduced by federal reimbursements under title IV-E of the Social  
311.28 Security Act, to be paid by the state and to be paid by the financially responsible agency.

311.29 (b) These state and local shares must initially be calculated based on the ratio of the  
311.30 average appropriate expenditures made by the state and all financially responsible agencies  
311.31 during calendar years 2011, 2012, 2013, and 2014. For purposes of this calculation,

312.1 appropriate expenditures for the financially responsible agencies must include basic and  
 312.2 difficulty of care payments for foster care reduced by federal reimbursements, but not  
 312.3 including any initial clothing allowance, administrative payments to child care agencies  
 312.4 specified in section 317A.907, child care, or other support or ancillary expenditures. For  
 312.5 purposes of this calculation, appropriate expenditures for the state shall include adoption  
 312.6 assistance and relative custody assistance, reduced by federal reimbursements.

312.7 (c) For each of the periods January 1, 2015, to June 30, 2016, and fiscal years 2017,  
 312.8 2018, and 2019, the commissioner shall adjust this initial percentage of state and local shares  
 312.9 to reflect the relative expenditure trends during calendar years 2011, 2012, 2013, and 2014,  
 312.10 taking into account appropriations for Northstar Care for Children, the cost of eliminating  
 312.11 the alternate rates for preschool entry under section 256N.26, subdivision 5, and the turnover  
 312.12 rates of the components. In making these adjustments, the commissioner's goal shall be to  
 312.13 make these state and local expenditures other than the appropriations for Northstar Care for  
 312.14 Children to be the same as they would have been had Northstar Care for Children not been  
 312.15 implemented, or if that is not possible, proportionally higher or lower, as appropriate. Except  
 312.16 for adjustments so that the costs of the phase-in, the cost of eliminating the alternate rates  
 312.17 for preschool entry under section 256N.26, subdivision 5, are borne by the state, the state  
 312.18 and local share percentages for fiscal year 2019 must be used for all subsequent years.

312.19 **EFFECTIVE DATE.** This section is effective February 21, 2018.

 312.30 or anticipated changes specified in clauses (1) to (12) within ten days of the date they occur,

313.2 could have reduced or terminated assistance for one or more payment months if a delay in  
313.3 reporting a change specified under clauses (1) to (12) had not occurred, the agency must

313.8 ten days must also be reported for the reporting period in which those changes occurred.

314.24 with the acknowledgment, the certificate of adjudication form, or the findings of the court  
314.25 and shall substitute the replacement certificate for the original record of birth as required  
314.26 under section 144.218.

314.27 Sec. 68. Minnesota Statutes 2016, section 257.73, is amended by adding a subdivision to

315.6 **1. PAYMENTS TO PUBLIC AGENCY**

315.7 According to Minnesota Statutes, section 518A.50, payments ordered for maintenance  
 315.8 and support must be paid to the public agency responsible for child support enforcement  
 315.9 as long as the person entitled to receive the payments is receiving or has applied for  
 315.10 public assistance or has applied for support and maintenance collection services. MAIL  
 315.11 PAYMENTS TO:

315.12 **2. DEPRIVING ANOTHER OF CUSTODIAL OR PARENTAL RIGHTS -- A FELONY**

315.13 A person may be charged with a felony who conceals a minor child or takes, obtains,  
 315.14 retains, or fails to return a minor child from or to the child's parent (or person with  
 315.15 custodial or visitation rights), according to Minnesota Statutes, section 609.26. A copy  
 315.16 of that section is available from any district court clerk.

315.17 **3. NONSUPPORT OF A SPOUSE OR CHILD -- CRIMINAL PENALTIES**

315.18 A person who fails to pay court-ordered child support or maintenance may be charged  
 315.19 with a crime, which may include misdemeanor, gross misdemeanor, or felony charges,  
 315.20 according to Minnesota Statutes, section 609.375. A copy of that section is available  
 315.21 from any district court clerk.

315.22 **4. RULES OF SUPPORT, MAINTENANCE, PARENTING TIME**

315.23 (a) Payment of support or spousal maintenance is to be as ordered, and the giving of  
 315.24 gifts or making purchases of food, clothing, and the like will not fulfill the obligation.

315.25 (b) Payment of support must be made as it becomes due, and failure to secure or denial  
 315.26 of parenting time is NOT an excuse for nonpayment, but the aggrieved party must seek  
 315.27 relief through a proper motion filed with the court.

315.28 (c) Nonpayment of support is not grounds to deny parenting time. The party entitled to  
 315.29 receive support may apply for support and collection services, file a contempt motion,  
 315.30 or obtain a judgment as provided in Minnesota Statutes, section 548.091.

316.1 (d) The payment of support or spousal maintenance takes priority over payment of debts  
316.2 and other obligations.

316.3 (e) A party who accepts additional obligations of support does so with the full knowledge  
316.4 of the party's prior obligation under this proceeding.

316.5 (f) Child support or maintenance is based on annual income, and it is the responsibility  
316.6 of a person with seasonal employment to budget income so that payments are made  
316.7 throughout the year as ordered.

316.8 (g) Reasonable parenting time guidelines are contained in Appendix B, which is available  
316.9 from the court administrator.

316.10 (h) The nonpayment of support may be enforced through the denial of student grants;  
316.11 interception of state and federal tax refunds; suspension of driver's, recreational, and  
316.12 occupational licenses; referral to the department of revenue or private collection agencies;  
316.13 seizure of assets, including bank accounts and other assets held by financial institutions;  
316.14 reporting to credit bureaus; interest charging, income withholding, and contempt  
316.15 proceedings; and other enforcement methods allowed by law.

316.16 (i) The public authority may suspend or resume collection of the amount allocated for  
316.17 child care expenses if the conditions of section 518A.40, subdivision 4, are met.

316.18 (j) Child care support automatically terminates when the youngest child reaches 13 years  
316.19 of age unless child care assistance under chapter 119B continues on behalf of the child.  
316.20 If child care support is calculated separately for each child, child care support for the  
316.21 child shall automatically terminate when the child turns 13 years of age. If a child  
316.22 continues to receive child care assistance under chapter 119B after 13 years of age, child  
316.23 care assistance terminates on the first of the month following the termination of child  
316.24 care support payments on behalf of the child. The court may order a different age or  
316.25 event that terminates child care support.

316.26 ~~(j)~~ (k) The public authority may remove or resume a medical support offset if the  
316.27 conditions of section 518A.41, subdivision 16, are met.

316.28 ~~(k)~~ (l) The public authority may suspend or resume interest charging on child support  
316.29 judgments if the conditions of section 548.091, subdivision 1a, are met.

### 316.30 5. MODIFYING CHILD SUPPORT

316.31 If either the obligor or obligee is laid off from employment or receives a pay reduction,  
316.32 child support may be modified, increased, or decreased. Any modification will only take  
316.33 effect when it is ordered by the court, and will only relate back to the time that a motion

317.1 is filed. Either the obligor or obligee may file a motion to modify child support, and may  
317.2 request the public agency for help. UNTIL A MOTION IS FILED, THE CHILD  
317.3 SUPPORT OBLIGATION WILL CONTINUE AT THE CURRENT LEVEL. THE  
317.4 COURT IS NOT PERMITTED TO REDUCE SUPPORT RETROACTIVELY.

317.5 6. PARENTAL RIGHTS FROM MINNESOTA STATUTES, SECTION 518.17,  
317.6 SUBDIVISION 3

317.9 religious training, and other important records and information about the minor children.  
317.10 Each party has the right of access to information regarding health or dental insurance  
317.11 available to the minor children. Presentation of a copy of this order to the custodian of  
317.12 a record or other information about the minor children constitutes sufficient authorization  
317.13 for the release of the record or information to the requesting party.

317.14 (b) Each party shall keep the other informed as to the name and address of the school  
317.15 of attendance of the minor children. Each party has the right to be informed by school  
317.16 officials about the children's welfare, educational progress and status, and to attend  
317.17 school and parent teacher conferences. The school is not required to hold a separate  
317.18 conference for each party.

317.19 (c) In case of an accident or serious illness of a minor child, each party shall notify the  
317.20 other party of the accident or illness, and the name of the health care provider and the  
317.21 place of treatment.

317.22 (d) Each party has the right of reasonable access and telephone contact with the minor  
317.23 children.

317.24 7. WAGE AND INCOME DEDUCTION OF SUPPORT AND MAINTENANCE

317.25 Child support and/or spousal maintenance may be withheld from income, with or without  
317.26 notice to the person obligated to pay, when the conditions of Minnesota Statutes, section  
317.27 518A.53 have been met. A copy of those sections is available from any district court

318.2 the employer.

318.3 9. COST OF LIVING INCREASE OF SUPPORT AND MAINTENANCE

318.5 a change in the cost of living (using Department of Labor Consumer Price Index .....,  
318.6 unless otherwise specified in this order) when the conditions of Minnesota Statutes,  
318.7 section 518A.75, are met. Cost of living increases are compounded. A copy of Minnesota  
318.8 Statutes, section 518A.75, and forms necessary to request or contest a cost of living  
318.9 increase are available from any district court clerk.

318.10 10. JUDGMENTS FOR UNPAID SUPPORT

318.11 If a person fails to make a child support payment, the payment owed becomes a judgment

319.11 Subd. 4. **Change in child care.** (a) When a court order provides for child care expenses,  
319.12 and child care support is not assigned under section 256.741, the public authority, if the  
319.13 public authority provides child support enforcement services, may suspend collecting the  
319.14 amount allocated for child care expenses when either party informs the public authority that  
319.15 no child care costs are being incurred and:

319.16 (1) the public authority verifies the accuracy of the information with the obligee; or

319.17 (2) the obligee fails to respond within 30 days of the date of a written request from the  
319.18 public authority for information regarding child care costs. A written or oral response from  
319.19 the obligee that child care costs are being incurred is sufficient for the public authority to  
319.20 continue collecting child care expenses.

319.21 The suspension is effective as of the first day of the month following the date that the public  
319.22 authority either verified the information with the obligee or the obligee failed to respond.

319.23 The public authority will resume collecting child care expenses when either party provides  
319.24 information that child care costs are incurred, or when a child care support assignment takes  
319.25 effect under section 256.741, subdivision 4. The resumption is effective as of the first day  
319.26 of the month after the date that the public authority received the information.

319.27 (b) If the parties provide conflicting information to the public authority regarding whether  
319.28 child care expenses are being incurred, the public authority will continue or resume collecting  
319.29 child care expenses. Either party, by motion to the court, may challenge the suspension,  
319.30 continuation, or resumption of the collection of child care expenses under this subdivision.  
319.31 If the public authority suspends collection activities for the amount allocated for child care  
319.32 expenses, all other provisions of the court order remain in effect.

320.1 (c) In cases where there is a substantial increase or decrease in child care expenses, the  
320.2 parties may modify the order under section 518A.39.

320.3 (d) Unless otherwise ordered by the court, if the obligor has arrearages for basic, medical,  
320.4 or child care support at the time a child care support obligation is suspended under this  
320.5 subdivision, the public authority shall continue to collect the child care support obligation  
320.6 until the arrearages are paid in full. After a child care support obligation has terminated, the  
320.7 20 percent arrears payback under section 518A.53, subdivision 10, shall be calculated  
320.8 without including the amount of the child care support obligation.

320.9 **EFFECTIVE DATE.** This section is effective July 1, 2018.

320.10 Sec. 71. Minnesota Statutes 2016, section 518A.40, is amended by adding a subdivision  
320.11 to read:

320.12 **Subd. 5. Automatic termination of child care support.** (a) Unless child care assistance  
320.13 under chapter 119B continues to be paid on behalf of a child 13 years of age or older, or a  
320.14 court orders otherwise, if a child care support obligation is ordered in a specific amount per  
320.15 child, the child care support obligation for each child terminates automatically and without  
320.16 any action by the obligor to reduce, modify, or terminate the order upon the first of the  
320.17 month following the month in which that child reaches 13 years of age. If child care  
320.18 assistance is paid on behalf of a child, the obligation to pay child care support on behalf of  
320.19 that child terminates on the first of the month following the month in which the child care  
320.20 assistance terminates.

320.21 (b) Unless child care assistance under chapter 119B continues to be paid on behalf of a  
320.22 child 13 years of age or older, a child care support obligation for two or more children that  
320.23 is not a child care support obligation in a specific amount per child continues in the full  
320.24 amount until the first of the month following the month in which the youngest child reaches  
320.25 13 years of age or until further order of the court. If child care assistance is paid on behalf  
320.26 of a child, the obligation to pay child care support on behalf of that child terminates on the  
320.27 first of the month following the month in which the child care assistance terminates.

320.28 (c) Either party, or the public authority if child care assistance under chapter 119B is  
320.29 provided on behalf of the supported child, by motion to the court, may challenge the  
320.30 termination of child care support.

320.31 (d) The obligor may request a modification of the obligor's child care support order  
320.32 when a child reaches 13 years of age if there is still a minor child under the child care support

321.1 order. The child care support obligation shall be determined based on the income of the  
 321.2 parties and the costs of work-related child care at the time the modification is sought.

321.3 (e) Unless otherwise ordered by the court, if the obligor has arrearages for basic, medical,  
 321.4 or child care support at the time child care support is terminated under this subdivision, the  
 321.5 public authority shall continue to collect the child care support obligation until the arrearages  
 321.6 are paid in full. After a child care support obligation has terminated, the 20 percent arrears  
 321.7 payback under section 518A.23, subdivision 10, shall be calculated without including the  
 321.8 amount of the child care support obligation.

321.9 (f) If the public authority provides child support services at the time child care support  
 321.10 is set to terminate under this subdivision, the public authority shall send the parties 90 days'  
 321.11 notice of the child care support obligation termination. The notice shall state that the child  
 321.12 care support obligation must continue to be collected in full until any existing arrears have  
 321.13 been paid in full, and that collection of the child care support obligation is in addition to  
 321.14 the 20 percent paid under section 518A.53.

321.15 **EFFECTIVE DATE.** This section is effective July 1, 2018.

- 330.20 **EFFECTIVE DATE.** This section is effective July 1, 2017.
- 330.21 Sec. 4. Minnesota Statutes 2016, section 245A.03, subdivision 7, is amended to read:
- 330.22 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license
- 330.23 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult
- 330.24 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter
- 330.25 for a physical location that will not be the primary residence of the license holder for the
- 330.26 entire period of licensure. If a license is issued during this moratorium, and the license
- 330.27 holder changes the license holder's primary residence away from the physical location of
- 330.28 the foster care license, the commissioner shall revoke the license according to section
- 330.29 245A.07. The commissioner shall not issue an initial license for a community residential
- 330.30 setting licensed under chapter 245D. Exceptions to the moratorium include:
- 330.31 (1) foster care settings that are required to be registered under chapter 144D;

331.1 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or  
331.2 community residential setting licenses replacing adult foster care licenses in existence on  
331.3 December 31, 2013, and determined to be needed by the commissioner under paragraph  
331.4 (b);

331.5 (3) new foster care licenses or community residential setting licenses determined to be  
331.6 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,  
331.7 or regional treatment center; restructuring of state-operated services that limits the capacity  
331.8 of state-operated facilities; or allowing movement to the community for people who no  
331.9 longer require the level of care provided in state-operated facilities as provided under section  
331.10 256B.092, subdivision 13, or 256B.49, subdivision 24;

331.11 (4) new foster care licenses or community residential setting licenses determined to be  
331.12 needed by the commissioner under paragraph (b) for persons requiring hospital level care;  
331.13 or

331.14 (5) new foster care licenses or community residential setting licenses determined to be  
331.15 needed by the commissioner for the transition of people from personal care assistance to  
331.16 the home and community-based services.

331.17 (b) The commissioner shall determine the need for newly licensed foster care homes or  
331.18 community residential settings as defined under this subdivision. As part of the determination,  
331.19 the commissioner shall consider the availability of foster care capacity in the area in which  
331.20 the licensee seeks to operate, and the recommendation of the local county board. The  
331.21 determination by the commissioner must be final. A determination of need is not required  
331.22 for a change in ownership at the same address.

331.23 (c) When an adult resident served by the program moves out of a foster home that is not  
331.24 the primary residence of the license holder according to section 256B.49, subdivision 15,  
331.25 paragraph (f), or the adult community residential setting, the county shall immediately  
331.26 inform the Department of Human Services Licensing Division. The department shall decrease  
331.27 the statewide licensed capacity for adult foster care settings where the physical location is  
331.28 not the primary residence of the license holder, or for adult community residential settings,  
331.29 if the voluntary changes described in paragraph (e) are not sufficient to meet the savings  
331.30 required by reductions in licensed bed capacity under Laws 2011, First Special Session  
331.31 chapter 9, article 7, sections 1 and 40, paragraph (f), and maintain statewide long-term care  
331.32 residential services capacity within budgetary limits. Implementation of the statewide  
331.33 licensed capacity reduction shall begin on July 1, 2013. The commissioner shall delicense  
331.34 up to 128 beds by June 30, 2014, using the needs determination process. Prior to any

332.1 involuntary reduction of licensed capacity, the commissioner shall consult with lead agencies  
332.2 and license holders to determine which adult foster care settings, where the physical location  
332.3 is not the primary residence of the license holder, or community residential settings, are  
332.4 licensed for up to five beds, but have operated at less than full capacity for 12 or more  
332.5 months as of March 1, 2014. The settings that meet these criteria must be the first to be  
332.6 considered for an involuntary decrease in statewide licensed capacity, up to a maximum of  
332.7 35 beds. If more than 35 beds are identified that meet these criteria, the commissioner shall  
332.8 prioritize the selection of those beds to be closed based on the length of time the beds have  
332.9 been vacant. The longer a bed has been vacant, the higher priority it must be given for  
332.10 closure. Under this paragraph, the commissioner has the authority to reduce unused licensed  
332.11 capacity of a current foster care program, or the community residential settings, to accomplish  
332.12 the consolidation or closure of settings. Under this paragraph, the commissioner has the  
332.13 authority to manage statewide capacity, including adjusting the capacity available to each  
332.14 county and adjusting statewide available capacity, to meet the statewide needs identified  
332.15 through the process in paragraph (e). A decreased licensed capacity according to this  
332.16 paragraph is not subject to appeal under this chapter.

332.17 (d) Residential settings that would otherwise be subject to the decreased license capacity  
332.18 established in paragraph (c) shall be exempt if the license holder's beds are occupied by  
332.19 residents whose primary diagnosis is mental illness and the license holder is certified under  
332.20 the requirements in subdivision 6a or section 245D.33.

332.21 (e) A resource need determination process, managed at the state level, using the available  
332.22 reports required by section 144A.351, and other data and information shall be used to  
332.23 determine where the reduced capacity required under paragraph (c) will be implemented.  
332.24 The commissioner shall consult with the stakeholders described in section 144A.351, and  
332.25 employ a variety of methods to improve the state's capacity to meet long-term care service  
332.26 needs within budgetary limits, including seeking proposals from service providers or lead  
332.27 agencies to change service type, capacity, or location to improve services, increase the  
332.28 independence of residents, and better meet needs identified by the long-term care services  
332.29 reports and statewide data and information. By February 1, 2013, and August 1, 2014, and  
332.30 each following year, the commissioner shall provide information and data on the overall  
332.31 capacity of licensed long-term care services, actions taken under this subdivision to manage  
332.32 statewide long-term care services and supports resources, and any recommendations for  
332.33 change to the legislative committees with jurisdiction over health and human services budget.

332.34 (f) At the time of application and reapplication for licensure, the applicant and the license  
332.35 holder that are subject to the moratorium or an exclusion established in paragraph (a) are

333.1 required to inform the commissioner whether the physical location where the foster care  
 333.2 will be provided is or will be the primary residence of the license holder for the entire period  
 333.3 of licensure. If the primary residence of the applicant or license holder changes, the applicant  
 333.4 or license holder must notify the commissioner immediately. The commissioner shall print  
 333.5 on the foster care license certificate whether or not the physical location is the primary  
 333.6 residence of the license holder.

333.7 (g) License holders of foster care homes identified under paragraph (f) that are not the  
 333.8 primary residence of the license holder and that also provide services in the foster care home  
 333.9 that are covered by a federally approved home and community-based services waiver, as  
 333.10 authorized under section 256B.0915, 256B.092, or 256B.49, must inform the human services  
 333.11 licensing division that the license holder provides or intends to provide these waiver-funded  
 333.12 services.

333.13 (h) The commissioner shall not issue an initial license for children's residential treatment  
 333.14 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter  
 333.15 for a program that Centers for Medicare and Medicaid Services would consider an institution  
 333.16 for mental diseases.

338.10 granted. An applicant's receipt of a waiver does not constitute modification of any  
338.11 requirement in this chapter;

338.12 (3) completion of an assessment of need for a new or expanded program according to  
338.13 Minnesota Rules, part 9530.6800, subpart 1. If an application proposes a program that would  
338.14 be subject to the federal Institution for Mental Diseases (IMD) exclusion, the applicant must  
338.15 demonstrate the need for the proposed bed capacity and that the program would be more  
338.16 cost-effective for the state than a non-IMD model; and

338.17 (4) insurance coverage, including bonding, sufficient to cover all client funds, property,  
338.18 and interests.

338.19 Subd. 3. **Change in license terms.** (a) The commissioner must determine whether a  
338.20 new license is needed when a change in clauses (1) to (4) occurs. A license holder must  
338.21 notify the commissioner before a change in one of the following occurs:

338.22 (1) the Department of Health's licensure of the program;

338.23 (2) whether the license holder provides services specified in sections 245G.18 to 245G.22;

338.24 (3) location; or

338.25 (4) capacity if the license holder meets the requirements of section 245G.21.

338.26 (b) A license holder must notify the commissioner and must apply for a new license if  
338.27 there is a change in program ownership.

338.28 **EFFECTIVE DATE.** This section is effective July 1, 2017.

338.29 Sec. 9. **[245G.04] INITIAL SERVICES PLAN.**

338.30 (a) The license holder must complete an initial services plan on the day of service  
338.31 initiation. The plan must address the client's immediate health and safety concerns, identify

339.1 the needs to be addressed in the first treatment session, and make treatment suggestions for  
339.2 the client during the time between intake and completion of the individual treatment plan.

339.3 (b) The initial services plan must include a determination of whether a client is a  
339.4 vulnerable adult as defined in section 626.5572, subdivision 21. An adult client of a  
339.5 residential program is a vulnerable adult. An individual abuse prevention plan, according  
339.6 to sections 245A.65, subdivision 2, paragraph (b), and 626.557, subdivision 14, paragraph  
339.7 (b), is required for a client who meets the definition of vulnerable adult.

339.8 **EFFECTIVE DATE.** This section is effective July 1, 2017.

339.9 Sec. 10. **[245G.05] COMPREHENSIVE ASSESSMENT AND ASSESSMENT**  
339.10 **SUMMARY.**

339.11 Subdivision 1. **Comprehensive assessment.** (a) A comprehensive assessment of the  
339.12 client's substance use disorder must be administered face-to-face by an alcohol and drug  
339.13 counselor within three calendar days after service initiation for a residential program or  
339.14 during the initial session for all other programs. If the comprehensive assessment is not  
339.15 completed during the initial session, the client-centered reason for the delay must be  
339.16 documented in the client's file and the planned completion date. If the client received a  
339.17 comprehensive assessment that authorized the treatment service, an alcohol and drug  
339.18 counselor must review the assessment to determine compliance with this subdivision,  
339.19 including applicable timelines. If available, the alcohol and drug counselor may use current  
339.20 information provided by a referring agency or other source as a supplement. Information  
339.21 gathered more than 45 days before the date of admission is not considered current. If the  
339.22 comprehensive assessment cannot be completed in the time specified, the treatment plan  
339.23 must indicate a person-centered reason for the delay, and how and when the comprehensive  
339.24 assessment will be completed. The comprehensive assessment must include sufficient  
339.25 information to complete the assessment summary according to subdivision 2 and the  
339.26 individual treatment plan according to section 245G.06. The comprehensive assessment  
339.27 must include information about the client's needs that relate to substance use and personal  
339.28 strengths that support recovery, including:

339.29 (1) age, sex, cultural background, sexual orientation, living situation, economic status,  
339.30 and level of education;

339.31 (2) circumstances of service initiation;

339.32 (3) previous attempts at treatment for substance misuse or substance use disorder,  
339.33 compulsive gambling, or mental illness;

340.1 (4) substance use history including amounts and types of substances used, frequency  
340.2 and duration of use, periods of abstinence, and circumstances of relapse, if any. For each  
340.3 substance used within the previous 30 days, the information must include the date and time  
340.4 of the most recent use and previous withdrawal symptoms;

340.5 (5) specific problem behaviors exhibited by the client when under the influence of  
340.6 substances;

340.7 (6) family status, family history, including history or presence of physical or sexual  
340.8 abuse, level of family support, and substance misuse or substance use disorder of a family  
340.9 member or significant other;

340.10 (7) physical concerns or diagnoses, the severity of the concerns, and whether the concerns  
340.11 are being addressed by a health care professional;

340.12 (8) mental health history and psychiatric status, including symptoms, disability, current  
340.13 treatment supports, and psychotropic medication needed to maintain stability; the assessment  
340.14 must utilize screening tools approved by the commissioner pursuant to section 245.4863 to  
340.15 identify whether the client screens positive for co-occurring disorders;

340.16 (9) arrests and legal interventions related to substance use;

340.17 (10) ability to function appropriately in work and educational settings;

340.18 (11) ability to understand written treatment materials, including rules and the client's  
340.19 rights;

340.20 (12) risk-taking behavior, including behavior that puts the client at risk of exposure to  
340.21 blood-borne or sexually transmitted diseases;

340.22 (13) social network in relation to expected support for recovery and leisure time activities  
340.23 that are associated with substance use;

340.24 (14) whether the client is pregnant and, if so, the health of the unborn child and the  
340.25 client's current involvement in prenatal care;

340.26 (15) whether the client recognizes problems related to substance use and is willing to  
340.27 follow treatment recommendations; and

340.28 (16) collateral information. If the assessor gathered sufficient information from the  
340.29 referral source or the client to apply the criteria in parts 9530.6620 and 9530.6622, a collateral  
340.30 contact is not required.

340.31 (b) If the client is identified as having opioid use disorder or seeking treatment for opioid  
340.32 use disorder, the program must provide educational information to the client concerning:

- 341.1 (1) risks for opioid use disorder and dependence;
- 341.2 (2) treatment options, including the use of a medication for opioid use disorder;
- 341.3 (3) the risk of and recognizing opioid overdose; and
- 341.4 (4) the use, availability, and administration of naloxone to respond to opioid overdose.
- 341.5 (c) The commissioner shall develop educational materials that are supported by research
- 341.6 and updated periodically. The license holder must use the educational materials that are
- 341.7 approved by the commissioner to comply with this requirement.
- 341.8 (d) If the comprehensive assessment is completed to authorize treatment service for the
- 341.9 client, at the earliest opportunity during the assessment interview the assessor shall determine
- 341.10 if:
- 341.11 (1) the client is in severe withdrawal and likely to be a danger to self or others;
- 341.12 (2) the client has severe medical problems that require immediate attention; or
- 341.13 (3) the client has severe emotional or behavioral symptoms that place the client or others
- 341.14 at risk of harm.
- 341.15 If one or more of the conditions in clauses (1) to (3) are present, the assessor must end the
- 341.16 assessment interview and follow the procedures in the program's medical services plan
- 341.17 under section 245G.08, subdivision 2, to help the client obtain the appropriate services. The
- 341.18 assessment interview may resume when the condition is resolved.
- 341.19 Subd. 2. **Assessment summary.** (a) An alcohol and drug counselor must complete an
- 341.20 assessment summary within three calendar days after service initiation for a residential
- 341.21 program and within three sessions for all other programs. If the comprehensive assessment
- 341.22 is used to authorize the treatment service, the alcohol and drug counselor must prepare an
- 341.23 assessment summary on the same date the comprehensive assessment is completed. If the
- 341.24 comprehensive assessment and assessment summary are to authorize treatment services,
- 341.25 the assessor must determine appropriate services for the client using the dimensions in
- 341.26 Minnesota Rules, part 9530.6622, and document the recommendations.
- 341.27 (b) An assessment summary must include:
- 341.28 (1) a risk description according to section 245G.05 for each dimension listed in paragraph
- 341.29 (c);
- 341.30 (2) a narrative summary supporting the risk descriptions; and
- 341.31 (3) a determination of whether the client has a substance use disorder.

342.1 (c) An assessment summary must contain information relevant to treatment service  
342.2 planning and recorded in the dimensions in clauses (1) to (6). The license holder must  
342.3 consider:

342.4 (1) Dimension 1, acute intoxication/withdrawal potential; the client's ability to cope with  
342.5 withdrawal symptoms and current state of intoxication;

342.6 (2) Dimension 2, biomedical conditions and complications; the degree to which any  
342.7 physical disorder of the client would interfere with treatment for substance use, and the  
342.8 client's ability to tolerate any related discomfort. The license holder must determine the  
342.9 impact of continued chemical use on the unborn child, if the client is pregnant;

342.10 (3) Dimension 3, emotional, behavioral, and cognitive conditions and complications;  
342.11 the degree to which any condition or complication is likely to interfere with treatment for  
342.12 substance use or with functioning in significant life areas and the likelihood of harm to self  
342.13 or others;

342.14 (4) Dimension 4, readiness for change; the support necessary to keep the client involved  
342.15 in treatment service;

342.16 (5) Dimension 5, relapse, continued use, and continued problem potential; the degree  
342.17 to which the client recognizes relapse issues and has the skills to prevent relapse of either  
342.18 substance use or mental health problems; and

342.19 (6) Dimension 6, recovery environment; whether the areas of the client's life are  
342.20 supportive of or antagonistic to treatment participation and recovery.

342.21 **EFFECTIVE DATE.** This section is effective July 1, 2017.

342.22 Sec. 11. **[245G.06] INDIVIDUAL TREATMENT PLAN.**

342.23 Subdivision 1. **General.** Each client must have an individual treatment plan developed  
342.24 by an alcohol and drug counselor within seven days of service initiation for a residential  
342.25 program and within three sessions for all other programs. The client must have active, direct  
342.26 involvement in selecting the anticipated outcomes of the treatment process and developing  
342.27 the treatment plan. The individual treatment plan must be signed by the client and the alcohol  
342.28 and drug counselor and document the client's involvement in the development of the plan.  
342.29 The plan may be a continuation of the initial services plan required in section 245G.04.  
342.30 Treatment planning must include ongoing assessment of client needs. An individual treatment  
342.31 plan must be updated based on new information gathered about the client's condition and  
342.32 on whether methods identified have the intended effect. A change to the plan must be signed  
342.33 by the client and the alcohol and drug counselor. The plan must provide for the involvement

343.1 of the client's family and people selected by the client as important to the success of treatment  
343.2 at the earliest opportunity, consistent with the client's treatment needs and written consent.

343.3 Subd. 2. **Plan contents.** An individual treatment plan must be recorded in the six  
343.4 dimensions listed in section 245G.05, subdivision 2, paragraph (c), must address each issue  
343.5 identified in the assessment summary, prioritized according to the client's needs and focus,  
343.6 and must include:

343.7 (1) specific methods to address each identified need, including amount, frequency, and  
343.8 anticipated duration of treatment service. The methods must be appropriate to the client's  
343.9 language, reading skills, cultural background, and strengths;

343.10 (2) resources to refer the client to when the client's needs are to be addressed concurrently  
343.11 by another provider; and

343.12 (3) goals the client must reach to complete treatment and terminate services.

343.13 Subd. 3. **Daily documentation; residential programs.** For a client receiving residential  
343.14 services licensed under section 245G.21, notes must be entered in a client's file every calendar  
343.15 day. The note must include observations about the client's behavior, incidents involving the  
343.16 client, absences from the program, and treatment services received that day. The note may  
343.17 be entered by nontreatment staff unless the note is a clinical observation or record.

343.18 Subd. 4. **Documentation of treatment services; treatment plan review.** (a) A review  
343.19 of all treatment services must be documented weekly and include a review of:

343.20 (1) care coordination activities;

343.21 (2) medical and other appointments the client attended;

343.22 (3) issues related to medications that are not documented in the medication administration  
343.23 record; and

343.24 (4) issues related to attendance for treatment services, including the reason for any client  
343.25 absence from a treatment service.

343.26 (b) A note must be entered immediately following any significant event. A significant  
343.27 event is an event that impacts the client's relationship with other clients, staff, the client's  
343.28 family, or the client's treatment plan.

343.29 (c) A treatment plan review must be entered in a client's file weekly or after each treatment  
343.30 service, whichever is less frequent, by the staff member providing the service. The review  
343.31 must indicate the span of time covered by the review and each of the six dimensions listed  
343.32 in section 245G.05, subdivision 2, paragraph (c). The review must:

344.1 (1) indicate the date, type, and amount of each treatment service provided and the client's  
344.2 response to each service;

344.3 (2) address each goal in the treatment plan and whether the methods to address the goals  
344.4 are effective;

344.5 (3) include monitoring of any physical and mental health problems;

344.6 (4) document the participation of others;

344.7 (5) document staff recommendations for changes in the methods identified in the treatment  
344.8 plan and whether the client agrees with the change; and

344.9 (6) include a review and evaluation of the individual abuse prevention plan according  
344.10 to section 245A.65.

344.11 (d) Each entry in a client's record must be accurate, legible, signed, and dated. A late  
344.12 entry must be clearly labeled "late entry." A correction to an entry must be made in a way  
344.13 in which the original entry can still be read.

344.14 Subd. 5. **Service discharge summary.** (a) An alcohol and drug counselor must write a  
344.15 service discharge summary for each client. For a planned discharge, the service discharge  
344.16 summary must be completed within 24 hours before the client's discharge and provided to  
344.17 the client at discharge. For an unplanned discharge, the service discharge summary must  
344.18 be completed and provided to the client at discharge or within five days following the client's  
344.19 discharge, or document why providing the discharge summary was not possible.

344.20 (b) The service discharge summary must be recorded in the six dimensions listed in  
344.21 section 245G.05, subdivision 2, paragraph (c), and include the following information:

344.22 (1) the client's issues, strengths, and needs while participating in treatment, including  
344.23 services provided;

344.24 (2) the client's progress toward achieving each goal identified in the individual treatment  
344.25 plan;

344.26 (3) a risk description according to section 245G.05; and

344.27 (4) the reasons for and circumstances of service termination. If a program discharges a  
344.28 client at staff request, the reason for discharge and the procedure followed for the decision  
344.29 to discharge must be documented and comply with the program's policies on staff-initiated  
344.30 client discharge. If a client is discharged at staff request, the program must give the client  
344.31 crisis and other referrals appropriate for the client's needs and offer assistance to the client  
344.32 to access the services.

- 345.1 (c) For a client who successfully completes treatment, the summary must also include:
- 345.2 (1) the client's living arrangements at service termination;
- 345.3 (2) continuing care recommendations, including transitions between more or less intense
- 345.4 services, or more frequent to less frequent services, and referrals made with specific attention
- 345.5 to continuity of care for mental health, as needed;
- 345.6 (3) service termination diagnosis; and
- 345.7 (4) the client's prognosis.

345.8 **EFFECTIVE DATE.** This section is effective July 1, 2017.

345.10 Subdivision 1. **Treatment service.** (a) A license holder must offer the following treatment

345.11 services, unless clinically inappropriate and the justifying clinical rationale is documented:

345.12 (1) individual and group counseling to help the client identify and address needs related

345.13 to substance use and develop strategies to avoid harmful substance use after discharge and

345.14 to help the client obtain the services necessary to establish a lifestyle free of the harmful

345.15 effects of substance use disorder;

345.16 (2) client education strategies to avoid inappropriate substance use and health problems

345.17 related to substance use and the necessary lifestyle changes to regain and maintain health.

345.23 and to reduce the client's reliance on a staff member for support;

345.24 (4) a service to address issues related to co-occurring disorders, including client education

345.25 on symptoms of mental illness, the possibility of comorbidity, and the need for continued

345.26 medication compliance while recovering from substance use disorder. A group must address

345.27 co-occurring disorders, as needed. When treatment for mental health problems is indicated,

345.28 the treatment must be integrated into the client's individual treatment plan;

346.18 and education services, including referral and linkages to long-term services and supports  
346.19 as needed; and

346.20 (vii) documentation of the provision of care coordination services in the client's file.

346.21 (b) A treatment service provided to a client must be provided according to the individual  
346.22 treatment plan and must consider cultural differences and special needs of a client.

346.23 Subd. 2. **Additional treatment service.** A license holder may provide or arrange the  
346.24 following additional treatment service as a part of the client's individual treatment plan:

346.25 (1) relationship counseling provided by a qualified professional to help the client identify  
346.26 the impact of the client's substance use disorder on others and to help the client and persons  
346.27 in the client's support structure identify and change behaviors that contribute to the client's  
346.28 substance use disorder;

346.29 (2) therapeutic recreation to allow the client to participate in recreational activities

347.14 activities.

347.15 Subd. 4. **Location of service provision.** The license holder may provide services at any  
347.16 of the license holder's licensed locations or at another suitable location including a school,  
347.17 government building, medical or behavioral health facility, or social service organization.  
347.18 If services are provided off site from the licensed site, the reason for the provision of services  
347.19 remotely must be documented.

347.20 **EFFECTIVE DATE.** This section is effective July 1, 2017.

347.21 Sec. 13. **[245G.08] MEDICAL SERVICES.**

347.22 Subdivision 1. **Health care services.** An applicant or license holder must maintain a

347.24 emergency physician services offered by the applicant or license holder.

347.25 Subd. 2. **Procedures.** The applicant or license holder must have written procedures for  
347.26 obtaining a medical intervention for a client, that are approved in writing by a physician  
347.27 who is licensed under chapter 147, unless:

347.29 (2) a medical intervention is referred to 911, the emergency telephone number, or the  
347.30 client's physician.

348.1 Subd. 3. **Standing order protocol.** A license holder that maintains a supply of naloxone  
348.2 available for emergency treatment of opioid overdose must have a written standing order  
348.3 protocol by a physician who is licensed under chapter 147, that permits the license holder  
348.4 to maintain a supply of naloxone on site, and must require staff to undergo specific training  
348.5 in administration of naloxone.

348.6 Subd. 4. **Consultation services.** The license holder must have access to and document

348.22 training must be documented in writing and placed in the staff member's personnel records;  
348.23 or

348.24 (3) demonstrate to a registered nurse competency to perform the delegated activity. A

368.25 the client's home; and

368.26 (8) whether the rehabilitative benefit the client derived from decreasing the frequency  
368.27 of program attendance outweighs the potential risks of diversion or unsupervised use.

368.28 (c) The determination, including the basis of the determination must be documented in  
368.29 the client's medical record.

368.30 Subd. 7. **Restrictions for unsupervised use of methadone hydrochloride.** (a) If a

369.3 methadone hydrochloride.

369.4 (b) During the first 90 days of treatment, the unsupervised use medication supply must  
369.5 be limited to a maximum of a single dose each week and the client shall ingest all other  
369.6 doses under direct supervision.

369.7 (c) In the second 90 days of treatment, the unsupervised use medication supply must be  
369.8 limited to two doses per week.

369.9 (d) In the third 90 days of treatment, the unsupervised use medication supply must not  
369.10 exceed three doses per week.

369.11 (e) In the remaining months of the first year, a client may be given a maximum six-day  
369.12 unsupervised use medication supply.

369.13 (f) After one year of continuous treatment, a client may be given a maximum two-week  
369.14 unsupervised use medication supply.

369.15 (g) After two years of continuous treatment, a client may be given a maximum one-month  
369.16 unsupervised use medication supply, but must make monthly visits to the program.

369.17 Subd. 8. **Restriction exceptions.** When a license holder has reason to accelerate the  
369.18 number of unsupervised use doses of methadone hydrochloride, the license holder must  
369.19 comply with the requirements of Code of Federal Regulations, title 42, section 8.12, the  
369.20 criteria for unsupervised use and must use the exception process provided by the federal  
369.21 Center for Substance Abuse Treatment Division of Pharmacologic Therapies. For the  
369.22 purposes of enforcement of this subdivision, the commissioner has the authority to monitor  
369.23 a program for compliance with federal regulations and may issue licensing actions according  
369.24 to sections 245A.05, 245A.06, and 245A.07 based on the commissioner's determination of  
369.25 noncompliance.

369.26 Subd. 9. **Guest dose.** To receive a guest dose, the client must be enrolled in an opioid  
369.27 treatment program elsewhere in the state or country and be receiving the medication on a  
369.28 temporary basis because the client is not able to receive the medication at the program in  
369.29 which the client is enrolled. Such arrangements shall not exceed 30 consecutive days in any  
369.30 one program and must not be for the convenience or benefit of either program. A guest dose  
369.31 may also occur when the client's primary clinic is not open and the client is not receiving  
369.32 unsupervised use doses.

370.1 Subd. 10. **Capacity management and waiting list system compliance.** An opioid  
370.2 treatment program must notify the department within seven days of the program reaching  
370.3 both 90 and 100 percent of the program's capacity to care for clients. Each week, the program  
370.4 must report its capacity, currently enrolled dosing clients, and any waiting list. A program  
370.5 reporting 90 percent of capacity must also notify the department when the program's census  
370.6 increases or decreases from the 90 percent level.

370.7 Subd. 11. **Waiting list.** An opioid treatment program must have a waiting list system.  
370.8 If the person seeking admission cannot be admitted within 14 days of the date of application,  
370.9 each person seeking admission must be placed on the waiting list, unless the person seeking  
370.10 admission is assessed by the program and found ineligible for admission according to this  
370.11 chapter and Code of Federal Regulations, title 42, part 1, subchapter A, section 8.12(e), and  
370.12 title 45, parts 160 to 164. The waiting list must assign a unique client identifier for each  
370.13 person seeking treatment while awaiting admission. A person seeking admission on a waiting  
370.14 list who receives no services under section 245G.07, subdivision 1, must not be considered  
370.15 a "client" as defined in section 245G.01, subdivision 9.

370.16 Subd. 12. **Client referral.** An opioid treatment program must consult the capacity  
370.17 management system to ensure that a person on a waiting list is admitted at the earliest time  
370.18 to a program providing appropriate treatment within a reasonable geographic area. If the  
370.19 client was referred through a public payment system and if the program is not able to serve  
370.20 the client within 14 days of the date of application for admission, the program must contact  
370.21 and inform the referring agency of any available treatment capacity listed in the state capacity  
370.22 management system.

370.23 Subd. 13. **Outreach.** An opioid treatment program must carry out activities to encourage  
370.24 an individual in need of treatment to undergo treatment. The program's outreach model  
370.25 must:

370.26 (1) select, train, and supervise outreach workers;

370.27 (2) contact, communicate, and follow up with individuals with high-risk substance  
370.28 misuse, individuals with high-risk substance misuse associates, and neighborhood residents  
370.29 within the constraints of federal and state confidentiality requirements;

370.30 (3) promote awareness among individuals who engage in substance misuse by injection  
370.31 about the relationship between injecting substances and communicable diseases such as  
370.32 HIV; and

370.33 (4) recommend steps to prevent HIV transmission.

371.1 Subd. 14. **Central registry.** (a) A license holder must comply with requirements to  
371.2 submit information and necessary consents to the state central registry for each client  
371.3 admitted, as specified by the commissioner. The license holder must submit data concerning  
371.4 medication used for the treatment of opioid use disorder. The data must be submitted in a  
371.5 method determined by the commissioner and the original information must be kept in the  
371.6 client's record. The information must be submitted for each client at admission and discharge.  
371.7 The program must document the date the information was submitted. The client's failure to  
371.8 provide the information shall prohibit participation in an opioid treatment program. The  
371.9 information submitted must include the client's:

371.10 (1) full name and all aliases;

371.11 (2) date of admission;

371.12 (3) date of birth;

371.13 (4) Social Security number or Alien Registration Number, if any;

371.14 (5) current or previous enrollment status in another opioid treatment program;

371.15 (6) government-issued photo identification card number; and

371.16 (7) driver's license number, if any.

371.17 (b) The requirements in paragraph (a) are effective upon the commissioner's  
371.18 implementation of changes to the drug and alcohol abuse normative evaluation system or  
371.19 development of an electronic system by which to submit the data.

371.20 Subd. 15. **Nonmedication treatment services; documentation.** (a) The program must  
371.21 offer at least 50 consecutive minutes of individual or group therapy treatment services as  
371.22 defined in section 245G.07, subdivision 1, paragraph (a), clause (1), per week, for the first  
371.23 ten weeks following admission, and at least 50 consecutive minutes per month thereafter.  
371.24 As clinically appropriate, the program may offer these services cumulatively and not  
371.25 consecutively in increments of no less than 15 minutes over the required time period, and  
371.26 for a total of 60 minutes of treatment services over the time period, and must document the  
371.27 reason for providing services cumulatively in the client's record. The program may offer  
371.28 additional levels of service when deemed clinically necessary.

371.29 (b) Notwithstanding the requirements of comprehensive assessments in section 245G.05,  
371.30 the assessment must be completed within 21 days of service initiation.

371.31 (c) Notwithstanding the requirements of individual treatment plans set forth in section  
371.32 245G.06:

372.1 (1) treatment plan contents for a maintenance client are not required to include goals  
372.2 the client must reach to complete treatment and have services terminated;

372.3 (2) treatment plans for a client in a taper or detox status must include goals the client  
372.4 must reach to complete treatment and have services terminated;

372.5 (3) for the initial ten weeks after admission for all new admissions, readmissions, and  
372.6 transfers, progress notes must be entered in a client's file at least weekly and be recorded  
372.7 in each of the six dimensions upon the development of the treatment plan and thereafter.  
372.8 Subsequently, the counselor must document progress in the six dimensions at least once  
372.9 monthly or, when clinical need warrants, more frequently; and

372.10 (4) upon the development of the treatment plan and thereafter, treatment plan reviews  
372.11 must occur weekly, or after each treatment service, whichever is less frequent, for the first  
372.12 ten weeks after the treatment plan is developed. Following the first ten weeks of treatment  
372.13 plan reviews, reviews may occur monthly, unless the client's needs warrant more frequent  
372.14 revisions or documentation.

372.15 Subd. 16. **Prescription monitoring program.** (a) The program must develop and  
372.16 maintain a policy and procedure that requires the ongoing monitoring of the data from the  
372.17 prescription monitoring program (PMP) for each client. The policy and procedure must  
372.18 include how the program meets the requirements in paragraph (b).

372.19 (b) If a medication used for the treatment of substance use disorder is administered or  
372.20 dispensed to a client, the license holder shall be subject to the following requirements:

372.21 (1) upon admission to a methadone clinic outpatient treatment program, a client must  
372.22 be notified in writing that the commissioner of human services and the medical director  
372.23 must monitor the PMP to review the prescribed controlled drugs a client received;

372.24 (2) the medical director or the medical director's delegate must review the data from the  
372.25 PMP described in section 152.126 before the client is ordered any controlled substance, as  
372.26 defined under section 152.126, subdivision 1, paragraph (c), including medications used  
372.27 for the treatment of opioid addiction, and the medical director's or the medical director's  
372.28 delegate's subsequent reviews of the PMP data must occur at least every 90 days;

372.29 (3) a copy of the PMP data reviewed must be maintained in the client's file;

372.30 (4) when the PMP data contains a recent history of multiple prescribers or multiple  
372.31 prescriptions for controlled substances, the physician's review of the data and subsequent  
372.32 actions must be documented in the client's file within 72 hours and must contain the medical  
372.33 director's determination of whether or not the prescriptions place the client at risk of harm

373.1 and the actions to be taken in response to the PMP findings. The provider must conduct  
373.2 subsequent reviews of the PMP on a monthly basis; and

373.3 (5) if at any time the medical director believes the use of the controlled substances places  
373.4 the client at risk of harm, the program must seek the client's consent to discuss the client's  
373.5 opioid treatment with other prescribers and must seek the client's consent for the other  
373.6 prescriber to disclose to the opioid treatment program's medical director the client's condition  
373.7 that formed the basis of the other prescriptions. If the information is not obtained within  
373.8 seven days, the medical director must document whether or not changes to the client's  
373.9 medication dose or number of unsupervised use doses are necessary until the information  
373.10 is obtained.

373.11 (c) The commissioner shall collaborate with the Minnesota Board of Pharmacy to develop  
373.12 and implement an electronic system for the commissioner to routinely access the PMP data  
373.13 to determine whether any client enrolled in an opioid addiction treatment program licensed  
373.14 according to this section was prescribed or dispensed a controlled substance in addition to  
373.15 that administered or dispensed by the opioid addiction treatment program. When the  
373.16 commissioner determines there have been multiple prescribers or multiple prescriptions of  
373.17 controlled substances for a client, the commissioner shall:

373.18 (1) inform the medical director of the opioid treatment program only that the  
373.19 commissioner determined the existence of multiple prescribers or multiple prescriptions of  
373.20 controlled substances; and

373.21 (2) direct the medical director of the opioid treatment program to access the data directly,  
373.22 review the effect of the multiple prescribers or multiple prescriptions, and document the  
373.23 review.

373.24 (d) If determined necessary, the commissioner shall seek a federal waiver of, or exception  
373.25 to, any applicable provision of Code of Federal Regulations, title 42, section 2.34(c), before  
373.26 implementing this subdivision.

373.27 Subd. 17. **Policies and procedures.** (a) A license holder must develop and maintain the  
373.28 policies and procedures required in this subdivision.

373.29 (b) For a program that is not open every day of the year, the license holder must maintain  
373.30 a policy and procedure that permits a client to receive a single unsupervised use of medication  
373.31 used for the treatment of opioid use disorder for days that the program is closed for business,  
373.32 including, but not limited to, Sundays and state and federal holidays as required under  
373.33 subdivision 6, paragraph (a), clause (1).

374.1 (c) The license holder must maintain a policy and procedure that includes specific  
374.2 measures to reduce the possibility of diversion. The policy and procedure must:

374.3 (1) specifically identify and define the responsibilities of the medical and administrative  
374.4 staff for performing diversion control measures; and

374.5 (2) include a process for contacting no less than five percent of clients who have  
374.6 unsupervised use of medication, excluding clients approved solely under subdivision 6,  
374.7 paragraph (a), clause (1), to require clients to physically return to the program each month.  
374.8 The system must require clients to return to the program within a stipulated time frame and  
374.9 turn in all unused medication containers related to opioid use disorder treatment. The license  
374.10 holder must document all related contacts on a central log and the outcome of the contact  
374.11 for each client in the client's record.

374.12 (d) Medication used for the treatment of opioid use disorder must be ordered,  
374.13 administered, and dispensed according to applicable state and federal regulations and the  
374.14 standards set by applicable accreditation entities. If a medication order requires assessment  
374.15 by the person administering or dispensing the medication to determine the amount to be  
374.16 administered or dispensed, the assessment must be completed by an individual whose  
374.17 professional scope of practice permits an assessment. For the purposes of enforcement of  
374.18 this paragraph, the commissioner has the authority to monitor the person administering or  
374.19 dispensing the medication for compliance with state and federal regulations and the relevant  
374.20 standards of the license holder's accreditation agency and may issue licensing actions  
374.21 according to sections 245A.05, 245A.06, and 245A.07, based on the commissioner's  
374.22 determination of noncompliance.

374.23 Subd. 18. **Quality improvement plan.** The license holder must develop and maintain  
374.24 a quality improvement plan that:

374.25 (1) includes evaluation of the services provided to clients to identify issues that may  
374.26 improve service delivery and client outcomes;

374.27 (2) includes goals for the program to accomplish based on the evaluation;

374.28 (3) is reviewed annually by the management of the program to determine whether the  
374.29 goals were met and, if not, whether additional action is required;

374.30 (4) is updated at least annually to include new or continued goals based on an updated  
374.31 evaluation of services; and

374.32 (5) identifies two specific goal areas, in addition to others identified by the program,  
374.33 including:

375.1 (i) a goal concerning oversight and monitoring of the premises around and near the  
375.2 exterior of the program to reduce the possibility of medication used for the treatment of  
375.3 opioid use disorder being inappropriately used by a client, including but not limited to the  
375.4 sale or transfer of the medication to others; and

375.5 (ii) a goal concerning community outreach, including but not limited to communications  
375.6 with local law enforcement and county human services agencies, to increase coordination  
375.7 of services and identification of areas of concern to be addressed in the plan.

375.8 Subd. 19. **Placing authorities.** A program must provide certain notification and  
375.9 client-specific updates to placing authorities for a client who is enrolled in Minnesota health  
375.10 care programs. At the request of the placing authority, the program must provide  
375.11 client-specific updates, including but not limited to informing the placing authority of  
375.12 positive drug screenings and changes in medications used for the treatment of opioid use  
375.13 disorder ordered for the client.

375.14 Subd. 20. **Duty to report suspected drug diversion.** (a) To the fullest extent permitted  
375.15 under Code of Federal Regulations, title 42, sections 2.1 to 2.67, a program shall report to  
375.16 law enforcement any credible evidence that the program or its personnel knows, or reasonably  
375.17 should know, that is directly related to a diversion crime on the premises of the program,  
375.18 or a threat to commit a diversion crime.

375.19 (b) "Diversion crime," for the purposes of this section, means diverting, attempting to  
375.20 divert, or conspiring to divert Schedule I, II, III, or IV drugs, as defined in section 152.02,  
375.21 on the program's premises.

375.22 (c) The program must document the program's compliance with the requirement in  
375.23 paragraph (a) in either a client's record or an incident report. A program's failure to comply  
375.24 with paragraph (a) may result in sanctions as provided in sections 245A.06 and 245A.07.

399.4 Subd. 4. **Inspections; waiver.** (a) Before issuing an initial license, the commissioner  
399.5 shall conduct an inspection of the program. The inspection must include but is not limited  
399.6 to:

399.7 (1) an inspection of the physical plant;

399.8 (2) an inspection of records and documents;

400.1 Sec. 2. Minnesota Statutes 2016, section 245A.07, subdivision 3, is amended to read:

400.2 Subd. 3. **License suspension, revocation, or fine.** (a) The commissioner may suspend  
400.3 or revoke a license, or impose a fine if:

400.4 (1) a license holder fails to comply fully with applicable laws or rules;

400.5 (2) a license holder, a controlling individual, or an individual living in the household  
400.6 where the licensed services are provided or is otherwise subject to a background study has  
400.7 a disqualification which has not been set aside under section 245C.22;

400.8 (3) a license holder knowingly withholds relevant information from or gives false or  
400.9 misleading information to the commissioner in connection with an application for a license,  
400.10 in connection with the background study status of an individual, during an investigation,  
400.11 or regarding compliance with applicable laws or rules; or

400.12 (4) after July 1, 2012, and upon request by the commissioner, a license holder fails to  
400.13 submit the information required of an applicant under section 245A.04, subdivision 1,  
400.14 paragraph (f) or (g).

400.15 A license holder who has had a license suspended, revoked, or has been ordered to pay  
400.16 a fine must be given notice of the action by certified mail or personal service. If mailed, the  
400.17 notice must be mailed to the address shown on the application or the last known address of  
400.18 the license holder. The notice must state the reasons the license was suspended, revoked,  
400.19 or a fine was ordered.

400.20 (b) If the license was suspended or revoked, the notice must inform the license holder  
400.21 of the right to a contested case hearing under chapter 14 and Minnesota Rules, parts  
400.22 1400.8505 to 1400.8612. The license holder may appeal an order suspending or revoking  
400.23 a license. The appeal of an order suspending or revoking a license must be made in writing  
400.24 by certified mail or personal service. If mailed, the appeal must be postmarked and sent to  
400.25 the commissioner within ten calendar days after the license holder receives notice that the  
400.26 license has been suspended or revoked. If a request is made by personal service, it must be  
400.27 received by the commissioner within ten calendar days after the license holder received the  
400.28 order. Except as provided in subdivision 2a, paragraph (c), if a license holder submits a  
400.29 timely appeal of an order suspending or revoking a license, the license holder may continue  
400.30 to operate the program as provided in section 245A.04, subdivision 7, paragraphs (g) and  
400.31 (h), until the commissioner issues a final order on the suspension or revocation.

400.32 (c)(1) If the license holder was ordered to pay a fine, the notice must inform the license  
400.33 holder of the responsibility for payment of fines and the right to a contested case hearing

401.1 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal of an  
401.2 order to pay a fine must be made in writing by certified mail or personal service. If mailed,  
401.3 the appeal must be postmarked and sent to the commissioner within ten calendar days after  
401.4 the license holder receives notice that the fine has been ordered. If a request is made by  
401.5 personal service, it must be received by the commissioner within ten calendar days after  
401.6 the license holder received the order.

401.7 (2) The license holder shall pay the fines assessed on or before the payment date specified.  
401.8 If the license holder fails to fully comply with the order, the commissioner may issue a  
401.9 second fine or suspend the license until the license holder complies. If the license holder  
401.10 receives state funds, the state, county, or municipal agencies or departments responsible for  
401.11 administering the funds shall withhold payments and recover any payments made while the  
401.12 license is suspended for failure to pay a fine. A timely appeal shall stay payment of the fine  
401.13 until the commissioner issues a final order.

401.14 (3) A license holder shall promptly notify the commissioner of human services, in writing,  
401.15 when a violation specified in the order to forfeit a fine is corrected. If upon reinspection the  
401.16 commissioner determines that a violation has not been corrected as indicated by the order  
401.17 to forfeit a fine, the commissioner may issue a second fine. The commissioner shall notify  
401.18 the license holder by certified mail or personal service that a second fine has been assessed.  
401.19 The license holder may appeal the second fine as provided under this subdivision.

401.20 (4) Fines shall be assessed as follows:

401.21 (i) the license holder shall forfeit \$1,000 for each determination of maltreatment of a  
401.22 child under section 626.556 or the maltreatment of a vulnerable adult under section 626.557  
401.23 for which the license holder is determined responsible for the maltreatment under section  
401.24 626.556, subdivision 10e, paragraph (i), or 626.557, subdivision 9c, paragraph (c);

401.25 (ii) if the commissioner determines that a license holder is responsible for more than  
401.26 one determination of maltreatment at the same site within a 12-month period, the license  
401.27 holder shall forfeit \$2,000 for each additional determination of maltreatment for which the  
401.28 license holder is responsible;

401.29 (iii) if the commissioner determines that a determination of maltreatment for which the  
401.30 license holder is responsible is the result of systemic failure and the underlying facts that  
401.31 constitute maltreatment meet the definition of "serious maltreatment" in section 245C.02,  
401.32 subdivision 18, the license holder shall forfeit \$5,000;

402.1 (iv) for a program that operates out of the license holder's home and a program licensed  
402.2 under Minnesota Rules, parts 9502.0300 to 9502.0455, the fine assessed against the license  
402.3 holder shall not exceed \$1,000 for each determination of maltreatment;

402.4 (v) the license holder shall forfeit \$200 for each occurrence of a violation of law or rule  
402.5 governing matters of health, safety, or supervision, including but not limited to the provision  
402.6 of adequate staff-to-child or adult ratios, and failure to comply with background study  
402.7 requirements under chapter 245C; and

402.8 (vi) the license holder shall forfeit \$100 for each occurrence of a violation of law or rule  
402.9 other than those subject to a \$200, \$1,000, \$2,000, or \$200 \$5,000 fine above in items (i)  
402.10 to (v).

402.11 For purposes of this section, "occurrence" means each violation identified in the  
402.12 commissioner's fine order. Fines assessed against a license holder that holds a license to  
402.13 provide home and community-based services, as identified in section 245D.03, subdivision  
402.14 1, and a community residential setting or day services facility license under chapter 245D  
402.15 where the services are provided, may be assessed against both licenses for the same  
402.16 occurrence, but the combined amount of the fines shall not exceed the amount specified in  
402.17 this clause for that occurrence.

402.18 (5) When a fine has been assessed, the license holder may not avoid payment by closing,  
402.19 selling, or otherwise transferring the licensed program to a third party. In such an event, the  
402.20 license holder will be personally liable for payment. In the case of a corporation, each  
402.21 controlling individual is personally and jointly liable for payment.

402.22 (d) Except for background study violations involving the failure to comply with an order  
402.23 to immediately remove an individual or an order to provide continuous, direct supervision,  
402.24 the commissioner shall not issue a fine under paragraph (c) relating to a background study  
402.25 violation to a license holder who self-corrects a background study violation before the  
402.26 commissioner discovers the violation. A license holder who has previously exercised the  
402.27 provisions of this paragraph to avoid a fine for a background study violation may not avoid  
402.28 a fine for a subsequent background study violation unless at least 365 days have passed  
402.29 since the license holder self-corrected the earlier background study violation.

402.30 **EFFECTIVE DATE.** This section is effective August 1, 2017.

403.1 Sec. 3. Minnesota Statutes 2016, section 245A.09, subdivision 7, is amended to read:

403.2 Subd. 7. **Regulatory methods.** (a) Where appropriate and feasible the commissioner  
403.3 shall identify and implement alternative methods of regulation and enforcement to the extent  
403.4 authorized in this subdivision. These methods shall include:

403.5 (1) expansion of the types and categories of licenses that may be granted;

403.6 (2) when the standards of another state or federal governmental agency or an independent  
403.7 accreditation body have been shown to require the same standards, methods, or alternative  
403.8 methods to achieve substantially the same intended outcomes as the licensing standards,  
403.9 the commissioner shall consider compliance with the governmental or accreditation standards  
403.10 to be equivalent to partial compliance with the licensing standards; and

403.11 (3) use of an abbreviated inspection that employs key standards that have been shown  
403.12 to predict full compliance with the rules.

403.13 (b) If the commissioner accepts accreditation as documentation of compliance with a  
403.14 licensing standard under paragraph (a), the commissioner shall continue to investigate  
403.15 complaints related to noncompliance with all licensing standards. The commissioner may  
403.16 take a licensing action for noncompliance under this chapter and shall recognize all existing  
403.17 appeal rights regarding any licensing actions taken under this chapter.

403.18 (c) The commissioner shall work with the commissioners of health, public safety,  
403.19 administration, and education in consolidating duplicative licensing and certification rules  
403.20 and standards if the commissioner determines that consolidation is administratively feasible,  
403.21 would significantly reduce the cost of licensing, and would not reduce the protection given  
403.22 to persons receiving services in licensed programs. Where administratively feasible and  
403.23 appropriate, the commissioner shall work with the commissioners of health, public safety,  
403.24 administration, and education in conducting joint agency inspections of programs.

403.25 (d) The commissioner shall work with the commissioners of health, public safety,  
403.26 administration, and education in establishing a single point of application for applicants  
403.27 who are required to obtain concurrent licensure from more than one of the commissioners  
403.28 listed in this clause.

403.29 (e) Unless otherwise specified in statute, the commissioner may conduct routine  
403.30 inspections biennially.

403.31 (f) For a licensed child care center, the commissioner shall conduct one unannounced  
403.32 licensing inspection at least annually.

403.33 **EFFECTIVE DATE.** This section is effective August 1, 2017.

404.1 Sec. 4. Minnesota Statutes 2016, section 245A.10, subdivision 2, is amended to read:

404.2 Subd. 2. **County fees for background studies and licensing inspections.** (a) Before  
404.3 the implementation of NETStudy 2.0, for purposes of family and group family child care  
404.4 licensing under this chapter, a county agency may charge a fee to an applicant or license  
404.5 holder to recover the actual cost of background studies, but in any case not to exceed \$100

404.9 a legal nonlicensed child care provider or applicant for authorization to recover the actual

404.11 \$100 annually.

404.12 (c) Counties may elect to reduce or waive the fees in paragraph (a) or (b):

404.13 (1) in cases of financial hardship;

404.14 (2) if the county has a shortage of providers in the county's area;

404.15 (3) for new providers; or

404.16 (4) for providers who have attained at least 16 hours of training before seeking initial  
404.17 licensure.

404.18 (d) Counties may allow providers to pay the applicant fees in paragraph (a) or (b) on an  
404.19 installment basis for up to one year. If the provider is receiving child care assistance payments  
404.20 from the state, the provider may have the fees under paragraph (a) or (b) deducted from the  
404.21 child care assistance payments for up to one year and the state shall reimburse the county  
404.22 for the county fees collected in this manner.

404.23 (e) For purposes of adult foster care and child foster care licensing, and licensing the  
404.24 physical plant of a community residential setting, under this chapter, a county agency may  
404.25 charge a fee to a corporate applicant or corporate license holder to recover the actual cost  
404.26 of licensing inspections, not to exceed \$500 annually.

404.27 (f) Counties may elect to reduce or waive the fees in paragraph (e) under the following  
404.28 circumstances:

404.29 (1) in cases of financial hardship;

404.30 (2) if the county has a shortage of providers in the county's area; or

404.31 (3) for new providers.

443.27 have direct contact with or access to persons receiving services. Except as provided in  
443.28 paragraph (b), the commissioner's set-aside of a disqualification is limited solely to the  
443.29 licensed program, applicant, or agency specified in the set aside notice under section 245C.23.

444.5 (b) If the commissioner has previously set aside an individual's disqualification for one

444.7 study for a different program or agency, the commissioner shall determine whether the  
444.8 disqualification is set aside for the program or agency that initiated the subsequent  
444.9 background study. A notice of a set-aside under paragraph (c) shall be issued within 15  
444.10 working days if all of the following criteria are met:

444.19 (c) When a disqualification is set aside under paragraph (b), the notice of background  
444.20 study results issued under section 245C.17, in addition to the requirements under section  
444.21 245C.17, shall state that the disqualification is set aside for the program or agency that  
444.22 initiated the subsequent background study. The notice must inform the individual that the  
444.23 individual may request reconsideration of the disqualification under section 245C.21 on the  
444.24 basis that the information used to disqualify the individual is incorrect.

444.25 **EFFECTIVE DATE.** This section is effective October 1, 2017.

446.9 (f) When the commissioner has reason to know that a disqualified individual has received  
446.10 an order for expungement for the disqualifying record that does not limit the commissioner's  
446.11 access to the record, and the record was opened or exchanged with the commissioner for  
446.12 purposes of a background study under this chapter, the data that would otherwise become  
446.13 public under paragraph (a) or (b) remain private data.

464.27 risk of subsequent maltreatment that determines whether child maltreatment occurred and

465.17 for a child after considering factors as the child's age, mental ability, physical condition,

465.23 5;

465.24 (5) nothing in this section shall be construed to mean that a child is neglected solely  
465.25 because the child's parent, guardian, or other person responsible for the child's care in good  
465.26 faith selects and depends upon spiritual means or prayer for treatment or care of disease or  
465.27 remedial care of the child in lieu of medical care; except that a parent, guardian, or caretaker,  
465.28 or a person mandated to report pursuant to subdivision 3, has a duty to report if a lack of  
465.29 medical care may cause serious danger to the child's health. This section does not impose

466.10 functioning of the child which may be demonstrated by a substantial and observable effect  
466.11 in the child's behavior, emotional response, or cognition that is not within the normal range  
466.12 for the child's age and stage of development, with due regard to the child's culture.

466.13 (h) "Nonmaltreatment mistake" means:

466.27 9503. If clauses (1) to (5) apply, rather than making a determination of substantiated

472.4 investigating allegations of maltreatment in juvenile correctional facilities listed under  
472.5 section 241.021 located in the local welfare agency's county and in facilities licensed or  
472.6 certified under chapters 245A ~~and~~, 245D, and 245G, except for child foster care and family  
472.7 child care.

472.8 (c) The Department of Health is the agency responsible for assessing or investigating  
472.9 allegations of child maltreatment in facilities licensed under sections 144.50 to 144.58 and

472.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

472.12 Sec. 68. Minnesota Statutes 2016, section 626.556, subdivision 4, is amended to read:

472.13 Subd. 4. **Immunity from liability.** (a) The following persons are immune from any civil  
472.14 or criminal liability that otherwise might result from their actions, if they are acting in good  
472.15 faith:

472.16 (1) any person making a voluntary or mandated report under subdivision 3 or under  
472.17 section 626.5561 or assisting in an assessment under this section or under section 626.5561;

472.18 (2) any person with responsibility for performing duties under this section or supervisor

472.20 or supervising a licensed or unlicensed day care facility, residential facility, agency, hospital,  
472.21 sanitarium, or other facility or institution required to be licensed or certified under sections  
472.22 144.50 to 144.58; 241.021; 245A.01 to 245A.16; or chapter 245B; or 245G; or a school as  
472.23 defined in section 120A.05, subdivisions 9, 11, and 13; and chapter 124E; or a nonlicensed  
472.24 personal care provider organization as defined in section 256B.0625, subdivision 19a,  
472.25 complying with subdivision 10d; and

472.26 (3) any public or private school, facility as defined in subdivision 2, or the employee of  
472.27 any public or private school or facility who permits access by a local welfare agency, the  
472.28 Department of Education, or a local law enforcement agency and assists in an investigation

472.30 (b) A person who is a supervisor or person with responsibility for performing duties  
472.31 under this section employed by a local welfare agency, the commissioner of human services,  
472.32 or the commissioner of education complying with subdivisions 10 and 11 or section 626.5561  
472.33 or any related rule or provision of law is immune from any civil or criminal liability that

473.1 might otherwise result from the person's actions, if the person is (1) acting in good faith  
473.2 and exercising due care, or (2) acting in good faith and following the information collection  
473.3 procedures established under subdivision 10, paragraphs (h), (i), and (j).

473.4 (c) This subdivision does not provide immunity to any person for failure to make a  
473.5 required report or for committing neglect, physical abuse, or sexual abuse of a child.

473.6 (d) If a person who makes a voluntary or mandatory report under subdivision 3 prevails  
473.7 in a civil action from which the person has been granted immunity under this subdivision,  
473.8 the court may award the person attorney fees and costs.

473.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

473.10 Sec. 69. Minnesota Statutes 2016, section 626.556, subdivision 10d, is amended to read:

473.11 Subd. 10d. **Notification of neglect or abuse in facility.** (a) When a report is received  
473.12 that alleges neglect, physical abuse, sexual abuse, or maltreatment of a child while in the  
473.13 care of a licensed or unlicensed day care facility, residential facility, agency, hospital,  
473.14 sanitarium, or other facility or institution required to be licensed or certified according to  
473.15 sections 144.50 to 144.58; 241.021; or 245A.01 to 245A.16; or chapter 245D or 245G, or  
473.16 a school as defined in section 120A.05, subdivisions 9, 11, and 13; and chapter 124E; or a  
473.17 nonlicensed personal care provider organization as defined in section 256B.0625, subdivision  
473.18 19a, the commissioner of the agency responsible for assessing or investigating the report  
473.19 or local welfare agency investigating the report shall provide the following information to  
473.20 the parent, guardian, or legal custodian of a child alleged to have been neglected, physically  
473.21 abused, sexually abused, or the victim of maltreatment of a child in the facility: the name  
473.22 of the facility; the fact that a report alleging neglect, physical abuse, sexual abuse, or  
473.23 maltreatment of a child in the facility has been received; the nature of the alleged neglect,  
473.24 physical abuse, sexual abuse, or maltreatment of a child in the facility; that the agency is  
473.25 conducting an assessment or investigation; any protective or corrective measures being  
473.26 taken pending the outcome of the investigation; and that a written memorandum will be  
473.27 provided when the investigation is completed.

473.28 (b) The commissioner of the agency responsible for assessing or investigating the report  
473.29 or local welfare agency may also provide the information in paragraph (a) to the parent,  
473.30 guardian, or legal custodian of any other child in the facility if the investigative agency  
473.31 knows or has reason to believe the alleged neglect, physical abuse, sexual abuse, or  
473.32 maltreatment of a child in the facility has occurred. In determining whether to exercise this  
473.33 authority, the commissioner of the agency responsible for assessing or investigating the  
473.34 report or local welfare agency shall consider the seriousness of the alleged neglect, physical

474.1 abuse, sexual abuse, or maltreatment of a child in the facility; the number of children  
474.2 allegedly neglected, physically abused, sexually abused, or victims of maltreatment of a  
474.3 child in the facility; the number of alleged perpetrators; and the length of the investigation.  
474.4 The facility shall be notified whenever this discretion is exercised.

474.5 (c) When the commissioner of the agency responsible for assessing or investigating the  
474.6 report or local welfare agency has completed its investigation, every parent, guardian, or  
474.7 legal custodian previously notified of the investigation by the commissioner or local welfare  
474.8 agency shall be provided with the following information in a written memorandum: the  
474.9 name of the facility investigated; the nature of the alleged neglect, physical abuse, sexual  
474.10 abuse, or maltreatment of a child in the facility; the investigator's name; a summary of the  
474.11 investigation findings; a statement whether maltreatment was found; and the protective or  
474.12 corrective measures that are being or will be taken. The memorandum shall be written in a  
474.13 manner that protects the identity of the reporter and the child and shall not contain the name,  
474.14 or to the extent possible, reveal the identity of the alleged perpetrator or of those interviewed  
474.15 during the investigation. If maltreatment is determined to exist, the commissioner or local  
474.16 welfare agency shall also provide the written memorandum to the parent, guardian, or legal  
474.17 custodian of each child in the facility who had contact with the individual responsible for  
474.18 the maltreatment. When the facility is the responsible party for maltreatment, the  
474.19 commissioner or local welfare agency shall also provide the written memorandum to the  
474.20 parent, guardian, or legal custodian of each child who received services in the population  
474.21 of the facility where the maltreatment occurred. This notification must be provided to the  
474.22 parent, guardian, or legal custodian of each child receiving services from the time the  
474.23 maltreatment occurred until either the individual responsible for maltreatment is no longer  
474.24 in contact with a child or children in the facility or the conclusion of the investigation. In  
474.25 the case of maltreatment within a school facility, as defined in section 120A.05, subdivisions  
474.26 9, 11, and 13, and chapter 124E, the commissioner of education need not provide notification  
474.27 to parents, guardians, or legal custodians of each child in the facility, but shall, within ten  
474.28 days after the investigation is completed, provide written notification to the parent, guardian,  
474.29 or legal custodian of any student alleged to have been maltreated. The commissioner of  
474.30 education may notify the parent, guardian, or legal custodian of any student involved as a  
474.31 witness to alleged maltreatment.

474.32 **EFFECTIVE DATE.** This section is effective the day following final enactment.

475.1 Sec. 70. Minnesota Statutes 2016, section 626.556, subdivision 10e, is amended to read:

475.2 Subd. 10e. **Determinations.** (a) The local welfare agency shall conclude the family  
475.3 assessment or the investigation within 45 days of the receipt of a report. The conclusion of  
475.4 the assessment or investigation may be extended to permit the completion of a criminal  
475.5 investigation or the receipt of expert information requested within 45 days of the receipt of  
475.6 the report.

475.7 (b) After conducting a family assessment, the local welfare agency shall determine  
475.8 whether services are needed to address the safety of the child and other family members  
475.9 and the risk of subsequent maltreatment.

475.10 (c) After conducting an investigation, the local welfare agency shall make two  
475.11 determinations: first, whether maltreatment has occurred; and second, whether child  
475.12 protective services are needed. No determination of maltreatment shall be made when the  
475.13 alleged perpetrator is a child under the age of ten.

475.14 (d) If the commissioner of education conducts an assessment or investigation, the  
475.15 commissioner shall determine whether maltreatment occurred and what corrective or  
475.16 protective action was taken by the school facility. If a determination is made that  
475.17 maltreatment has occurred, the commissioner shall report to the employer, the school board,  
475.18 and any appropriate licensing entity the determination that maltreatment occurred and what  
475.19 corrective or protective action was taken by the school facility. In all other cases, the  
475.20 commissioner shall inform the school board or employer that a report was received, the  
475.21 subject of the report, the date of the initial report, the category of maltreatment alleged as  
475.22 defined in paragraph (f), the fact that maltreatment was not determined, and a summary of  
475.23 the specific reasons for the determination.

475.24 (e) When maltreatment is determined in an investigation involving a facility, the  
475.25 investigating agency shall also determine whether the facility or individual was responsible,  
475.26 or whether both the facility and the individual were responsible for the maltreatment using  
475.27 the mitigating factors in paragraph (i). Determinations under this subdivision must be made  
475.28 based on a preponderance of the evidence and are private data on individuals or nonpublic  
475.29 data as maintained by the commissioner of education.

475.30 (f) For the purposes of this subdivision, "maltreatment" means any of the following acts  
475.31 or omissions:

475.32 (1) physical abuse as defined in subdivision 2, paragraph (k);

475.33 (2) neglect as defined in subdivision 2, paragraph (g);

476.1 (3) sexual abuse as defined in subdivision 2, paragraph (n);

476.2 (4) mental injury as defined in subdivision 2, paragraph (f); or

476.3 (5) maltreatment of a child in a facility as defined in subdivision 2, paragraph (c).

476.4 (g) For the purposes of this subdivision, a determination that child protective services  
476.5 are needed means that the local welfare agency has documented conditions during the  
476.6 assessment or investigation sufficient to cause a child protection worker, as defined in  
476.7 section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment  
476.8 if protective intervention is not provided and that the individuals responsible for the child's  
476.9 care have not taken or are not likely to take actions to protect the child from maltreatment  
476.10 or risk of maltreatment.

476.11 (h) This subdivision does not mean that maltreatment has occurred solely because the  
476.12 child's parent, guardian, or other person responsible for the child's care in good faith selects  
476.13 and depends upon spiritual means or prayer for treatment or care of disease or remedial care  
476.14 of the child, in lieu of medical care. However, if lack of medical care may result in serious  
476.15 danger to the child's health, the local welfare agency may ensure that necessary medical  
476.16 services are provided to the child.

476.17 (i) When determining whether the facility or individual is the responsible party, or  
476.18 whether both the facility and the individual are responsible for determined maltreatment in  
476.19 a facility, the investigating agency shall consider at least the following mitigating factors:

476.20 (1) whether the actions of the facility or the individual caregivers were according to,  
476.21 and followed the terms of, an erroneous physician order, prescription, individual care plan,  
476.22 or directive; however, this is not a mitigating factor when the facility or caregiver was  
476.23 responsible for the issuance of the erroneous order, prescription, individual care plan, or  
476.24 directive or knew or should have known of the errors and took no reasonable measures to  
476.25 correct the defect before administering care;

476.26 (2) comparative responsibility between the facility, other caregivers, and requirements  
476.27 placed upon an employee, including the facility's compliance with related regulatory standards  
476.28 and the adequacy of facility policies and procedures, facility training, an individual's  
476.29 participation in the training, the caregiver's supervision, and facility staffing levels and the  
476.30 scope of the individual employee's authority and discretion; and

476.31 (3) whether the facility or individual followed professional standards in exercising  
476.32 professional judgment.

477.1 The evaluation of the facility's responsibility under clause (2) must not be based on the  
477.2 completeness of the risk assessment or risk reduction plan required under section 245A.66,  
477.3 but must be based on the facility's compliance with the regulatory standards for policies  
477.4 and procedures, training, and supervision as cited in Minnesota Statutes and Minnesota  
477.5 Rules.

477.6 (j) Notwithstanding paragraph (i), when maltreatment is determined to have been  
477.7 committed by an individual who is also the facility license or certification holder, both the  
477.8 individual and the facility must be determined responsible for the maltreatment, and both  
477.9 the background study disqualification standards under section 245C.15, subdivision 4, and  
477.10 the licensing or certification actions under ~~sections~~ section 245A.06 ~~or~~, 245A.07, 245G.06,  
477.11 or 245G.07 apply.

477.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

477.13 Sec. 71. Minnesota Statutes 2016, section 626.556, subdivision 10f, is amended to read:

477.14 Subd. 10f. **Notice of determinations.** Within ten working days of the conclusion of a  
477.15 family assessment, the local welfare agency shall notify the parent or guardian of the child  
477.16 of the need for services to address child safety concerns or significant risk of subsequent  
477.17 child maltreatment. The local welfare agency and the family may also jointly agree that  
477.18 family support and family preservation services are needed. Within ten working days of the  
477.19 conclusion of an investigation, the local welfare agency or agency responsible for  
477.20 investigating the report shall notify the parent or guardian of the child, the person determined  
477.21 to be maltreating the child, and, if applicable, the director of the facility, of the determination  
477.22 and a summary of the specific reasons for the determination. When the investigation involves  
477.23 a child foster care setting that is monitored by a private licensing agency under section  
477.24 245A.16, the local welfare agency responsible for investigating the report shall notify the  
477.25 private licensing agency of the determination and shall provide a summary of the specific  
477.26 reasons for the determination. The notice to the private licensing agency must include  
477.27 identifying private data, but not the identity of the reporter of maltreatment. The notice must  
477.28 also include a certification that the information collection procedures under subdivision 10,  
477.29 paragraphs (h), (i), and (j), were followed and a notice of the right of a data subject to obtain  
477.30 access to other private data on the subject collected, created, or maintained under this section.  
477.31 In addition, the notice shall include the length of time that the records will be kept under  
477.32 subdivision 11c. The investigating agency shall notify the parent or guardian of the child  
477.33 who is the subject of the report, and any person or facility determined to have maltreated a  
477.34 child, of their appeal or review rights under this section. The notice must also state that a

478.1 finding of maltreatment may result in denial of a license or certification application or  
478.2 background study disqualification under chapter 245C related to employment or services  
478.3 that are licensed or certified by the Department of Human Services under chapter 245A or  
478.4 245G, the Department of Health under chapter 144 or 144A, the Department of Corrections  
478.5 under section 241.021, and from providing services related to an unlicensed personal care  
478.6 provider organization under chapter 256B.

478.7 **EFFECTIVE DATE.** This section is effective the day following final enactment.

478.8 Sec. 72. Minnesota Statutes 2016, section 626.556, subdivision 10i, is amended to read:

478.9 Subd. 10i. **Administrative reconsideration; review panel.** (a) Administrative  
478.10 reconsideration is not applicable in family assessments since no determination concerning  
478.11 maltreatment is made. For investigations, except as provided under paragraph (e), an  
478.12 individual or facility that the commissioner of human services, a local social service agency,  
478.13 or the commissioner of education determines has maltreated a child, an interested person  
478.14 acting on behalf of the child, regardless of the determination, who contests the investigating  
478.15 agency's final determination regarding maltreatment, may request the investigating agency  
478.16 to reconsider its final determination regarding maltreatment. The request for reconsideration  
478.17 must be submitted in writing to the investigating agency within 15 calendar days after receipt  
478.18 of notice of the final determination regarding maltreatment or, if the request is made by an  
478.19 interested person who is not entitled to notice, within 15 days after receipt of the notice by  
478.20 the parent or guardian of the child. If mailed, the request for reconsideration must be  
478.21 postmarked and sent to the investigating agency within 15 calendar days of the individual's  
478.22 or facility's receipt of the final determination. If the request for reconsideration is made by  
478.23 personal service, it must be received by the investigating agency within 15 calendar days  
478.24 after the individual's or facility's receipt of the final determination. Effective January 1,  
478.25 2002, an individual who was determined to have maltreated a child under this section and  
478.26 who was disqualified on the basis of serious or recurring maltreatment under sections  
478.27 245C.14 and 245C.15, may request reconsideration of the maltreatment determination and  
478.28 the disqualification. The request for reconsideration of the maltreatment determination and  
478.29 the disqualification must be submitted within 30 calendar days of the individual's receipt  
478.30 of the notice of disqualification under sections 245C.16 and 245C.17. If mailed, the request  
478.31 for reconsideration of the maltreatment determination and the disqualification must be  
478.32 postmarked and sent to the investigating agency within 30 calendar days of the individual's  
478.33 receipt of the maltreatment determination and notice of disqualification. If the request for  
478.34 reconsideration is made by personal service, it must be received by the investigating agency  
478.35 within 30 calendar days after the individual's receipt of the notice of disqualification.

479.1 (b) Except as provided under paragraphs (e) and (f), if the investigating agency denies  
479.2 the request or fails to act upon the request within 15 working days after receiving the request  
479.3 for reconsideration, the person or facility entitled to a fair hearing under section 256.045  
479.4 may submit to the commissioner of human services or the commissioner of education a  
479.5 written request for a hearing under that section. Section 256.045 also governs hearings  
479.6 requested to contest a final determination of the commissioner of education. The investigating  
479.7 agency shall notify persons who request reconsideration of their rights under this paragraph.  
479.8 The hearings specified under this section are the only administrative appeal of a decision  
479.9 issued under paragraph (a). Determinations under this section are not subject to accuracy  
479.10 and completeness challenges under section 13.04.

479.11 (c) If, as a result of a reconsideration or review, the investigating agency changes the  
479.12 final determination of maltreatment, that agency shall notify the parties specified in  
479.13 subdivisions 10b, 10d, and 10f.

479.14 (d) Except as provided under paragraph (f), if an individual or facility contests the  
479.15 investigating agency's final determination regarding maltreatment by requesting a fair  
479.16 hearing under section 256.045, the commissioner of human services shall assure that the  
479.17 hearing is conducted and a decision is reached within 90 days of receipt of the request for  
479.18 a hearing. The time for action on the decision may be extended for as many days as the  
479.19 hearing is postponed or the record is held open for the benefit of either party.

479.20 (e) If an individual was disqualified under sections 245C.14 and 245C.15, on the basis  
479.21 of a determination of maltreatment, which was serious or recurring, and the individual has  
479.22 requested reconsideration of the maltreatment determination under paragraph (a) and  
479.23 requested reconsideration of the disqualification under sections 245C.21 to 245C.27,  
479.24 reconsideration of the maltreatment determination and reconsideration of the disqualification  
479.25 shall be consolidated into a single reconsideration. If reconsideration of the maltreatment  
479.26 determination is denied and the individual remains disqualified following a reconsideration  
479.27 decision, the individual may request a fair hearing under section 256.045. If an individual  
479.28 requests a fair hearing on the maltreatment determination and the disqualification, the scope  
479.29 of the fair hearing shall include both the maltreatment determination and the disqualification.

479.30 (f) If a maltreatment determination or a disqualification based on serious or recurring  
479.31 maltreatment is the basis for a denial of a license under section 245A.05 or a licensing  
479.32 sanction under section 245A.07, the license holder has the right to a contested case hearing  
479.33 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for  
479.34 under section 245A.08, subdivision 2a, the scope of the contested case hearing shall include  
479.35 the maltreatment determination, disqualification, and licensing sanction or denial of a license.

480.1 In such cases, a fair hearing regarding the maltreatment determination and disqualification  
480.2 shall not be conducted under section 256.045. Except for family child care and child foster  
480.3 care, reconsideration of a maltreatment determination as provided under this subdivision,  
480.4 and reconsideration of a disqualification as provided under section 245C.22, shall also not  
480.5 be conducted when:

480.6 (1) a denial of a license under section 245A.05 or a licensing sanction under section  
480.7 245A.07, is based on a determination that the license holder is responsible for maltreatment  
480.8 or the disqualification of a license holder based on serious or recurring maltreatment;

480.9 (2) the denial of a license or licensing sanction is issued at the same time as the  
480.10 maltreatment determination or disqualification; and

480.11 (3) the license holder appeals the maltreatment determination or disqualification, and  
480.12 denial of a license or licensing sanction.

480.13 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment  
480.14 determination or disqualification, but does not appeal the denial of a license or a licensing  
480.15 sanction, reconsideration of the maltreatment determination shall be conducted under sections  
480.16 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the  
480.17 disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall  
480.18 also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and  
480.19 626.557, subdivision 9d.

480.20 If the disqualified subject is an individual other than the license holder and upon whom  
480.21 a background study must be conducted under chapter 245C, the hearings of all parties may  
480.22 be consolidated into a single contested case hearing upon consent of all parties and the  
480.23 administrative law judge.

480.24 (g) For purposes of this subdivision, "interested person acting on behalf of the child"  
480.25 means a parent or legal guardian; stepparent; grandparent; guardian ad litem; adult  
480.26 stepbrother, stepsister, or sibling; or adult aunt or uncle; unless the person has been  
480.27 determined to be the perpetrator of the maltreatment.

480.28 (h) If a maltreatment determination is the basis for a correction order under section

Subd. 8. **Environmental bore hole.** "Environmental bore hole" means a hole or excavation in the ground that penetrates a confining layer or is greater than 25 feet in depth and enters or goes through a water bearing layer and is used to monitor or measure physical, chemical, radiological, or biological parameters without extracting water. An environmental bore hole also includes bore holes constructed for vapor recovery or venting systems. An environmental bore hole does not include a well, elevator shaft, exploratory boring, or monitoring well.

Subd. 14. **Monitoring well.** "Monitoring well" means an excavation that is drilled, cored, bored, washed, driven, dug, jetted, or otherwise constructed to extract groundwater for physical, chemical, or biological testing. "Monitoring well" includes a groundwater quality sampling well.

Subd. 15. **Monitoring well contractor.** "Monitoring well contractor" means a person who is registered by the commissioner to construct monitoring wells.

**103I.451 ENVIRONMENTAL BORE HOLES.**

**119B.07 USE OF MONEY.**

(a) Money for persons listed in sections 119B.03, subdivision 3, and 119B.05, subdivision 1, shall be used to reduce the costs of child care for students, including the costs of child care for students while employed if enrolled in an eligible education program at the same time and making satisfactory progress towards completion of the program. Counties may not limit the duration of child care subsidies for a person in an employment or educational program, except when the person is found to be ineligible under the child care fund eligibility standards. Any limitation must be based on a person's employment plan in the case of an MFIP participant, and county policies included in the child care fund plan. The maximum length of time a student is eligible for child care assistance under the child care fund for education and training is no more than the time necessary to complete the credit requirements for an associate or baccalaureate degree as determined by the educational institution, excluding basic or remedial education programs needed to prepare for postsecondary education or employment.

(b) To be eligible, the student must be in good standing and be making satisfactory progress toward the degree. Time limitations for child care assistance do not apply to basic or remedial educational programs needed to prepare for postsecondary education or employment. These programs include: high school, general equivalency diploma, and English as a second language. Programs exempt from this time limit must not run concurrently with a postsecondary program. If an MFIP participant who is receiving MFIP child care assistance under this chapter moves to another county, continues to participate in educational or training programs authorized in their employment plans, and continues to be eligible for MFIP child care assistance under this chapter, the MFIP participant must receive continued child care assistance from the county responsible for their current employment plan, under section 256G.07.

**119B.125 PROVIDER REQUIREMENTS.**

Subd. 5. **Provisional payment.** After a county receives a completed application from a provider, the county may issue provisional authorization and payment to the provider during the time needed to determine whether to give final authorization to the provider.

**119B.16 FAIR HEARING PROCESS.**

Subd. 2. **Informal conference.** The county agency shall offer an informal conference to applicants and recipients adversely affected by an agency action to attempt to resolve the dispute. The county agency shall offer an informal conference to providers to whom the county agency has assigned responsibility for an overpayment in an attempt to resolve the dispute. The county agency or the provider may ask the family in whose case the overpayment arose to participate in the informal conference, but the family may refuse to do so. The county agency shall advise

APPENDIX

adversely affected applicants, recipients, and providers that a request for a conference with the agency is optional and does not delay or replace the right to a fair hearing.

**144.0571 INCLUSION OF OTHER HEALTH-RELATED OCCUPATIONS TO CRIMINAL BACKGROUND CHECKS.**

(a) If the Department of Health is not reviewed by the Sunset Advisory Commission according to the schedule in section 3D.21, the commissioner of health, as the regulator for occupational therapy practitioners, speech-language pathologists, audiologists, and hearing instrument dispensers, shall require applicants for licensure or renewal to submit to a criminal history records check as required under section 214.075 for other health-related licensed occupations regulated by the health-related licensing boards.

**245A.1915 OPIOID ADDICTION TREATMENT EDUCATION REQUIREMENT FOR PROVIDERS LICENSED TO PROVIDE CHEMICAL DEPENDENCY TREATMENT SERVICES.**

All programs serving persons with substance use issues licensed by the commissioner must provide educational information concerning: treatment options for opioid addiction, including the use of a medication for the use of opioid addiction; and recognition of and response to opioid overdose and the use and administration of naloxone, to clients identified as having or seeking treatment for opioid addiction. The commissioner shall develop educational materials that are supported by research and updated periodically that must be used by programs to comply with this requirement.

**245A.192 PROVIDERS LICENSED TO PROVIDE TREATMENT OF OPIOID ADDICTION.**

Subdivision 1. **Scope.** (a) This section applies to services licensed under this chapter to provide treatment for opioid addiction. In addition to the requirements under Minnesota Rules,

APPENDIX

Repealed Minnesota Statutes: 17-2331

parts 9530.6405 to 9530.6505, a program licensed to provide treatment of opioid addiction must meet the requirements in this section.

(b) Where a standard in this section differs from a standard in an otherwise applicable administrative rule, the standards of this section apply.

(c) When federal guidance or interpretations have been issued on federal standards or requirements also required under this section, the federal guidance or interpretations shall apply.

Subd. 2. **Definitions.** (a) For purposes of this section, the terms defined in this subdivision have the meanings given them.

(b) "Diversion" means the use of a medication for the treatment of opioid addiction being diverted from its intended use.

(c) "Guest dose or dosing" means the practice of administering a medication used for the treatment of opioid addiction to a person who is not a client of the program that is administering or dispensing the medication.

(d) "Medical director" means a physician, licensed to practice medicine in the jurisdiction in which the opioid treatment program is located, who assumes responsibility for administering all medical services performed by the program, either by performing them directly or by delegating specific responsibility to authorized program physicians and health care professionals functioning under the medical director's direct supervision.

(e) "Medication used for the treatment of opioid addiction" means a medication approved by the Food and Drug Administration for the treatment of opioid addiction.

(f) "Opioid treatment program" has the meaning given in Code of Federal Regulations, title 42, section 8.12, and includes programs licensed under Minnesota Rules, part 9530.6500.

(g) "Program" means an entity that is licensed under Minnesota Rules, part 9530.6500.

(h) "Unsupervised use" means the use of a medication for the treatment of opioid addiction dispensed for use by a client outside of the program setting. This is also referred to as a "take-home" dose.

(i) "Placing authority" has the meaning given in Minnesota Rules, part 9530.6605, subpart 21a.

(j) "Minnesota health care programs" has the meaning given in section 256B.0636.

Subd. 3. **Medication orders.** Prior to the program administering or dispensing a medication used for the treatment of opioid addiction:

(1) a client-specific order must be received from an appropriately credentialed physician who is enrolled as a Minnesota health care programs provider and meets all applicable provider standards;

(2) the signed order must be documented in the client's record; and

(3) if the physician that issued the order is not able to sign the order when issued, the unsigned order must be entered in the client record at the time it was received, and the physician must review the documentation and sign the order in the client's record within 72 hours of the medication being ordered. The license holder must report to the commissioner any medication error that endangers a patient's health, as determined by the medical director.

Subd. 3a. **High dose requirements.** A client being administered or dispensed a dose beyond that set forth in subdivision 5, paragraph (a), clause (1), that exceeds 150 milligrams of methadone or 24 milligrams of buprenorphine daily, and for each subsequent increase, must meet face-to-face with a prescribing physician. The meeting must occur before the administering or dispensing of the increased dose.

Subd. 4. **Drug testing.** Each client enrolled in the program must receive a minimum of eight random drug abuse tests per 12 months of treatment. These tests must be reasonably disbursed over the 12-month period. A license holder may elect to conduct more drug abuse tests.

Subd. 5. **Criteria for unsupervised use.** (a) To limit the potential for diversion of medication used for the treatment of opioid addiction to the illicit market, any such medications dispensed to patients for unsupervised use shall be subject to the following requirements:

(1) any patient in an opioid treatment program may receive a single take-home dose for a day that the clinic is closed for business, including Sundays and state and federal holidays; and

(2) treatment program decisions on dispensing medications used to treat opioid addiction to patients for unsupervised use beyond that set forth in clause (1) shall be determined by the medical director.

(b) A physician with authority to prescribe must consider the criteria in this subdivision in determining whether a client may be permitted unsupervised or take-home use of such medications. The criteria must also be considered when determining whether dispensing medication for a client's unsupervised use is appropriate to increase or to extend the amount of time between visits to the program. The criteria include:

APPENDIX

Repealed Minnesota Statutes: 17-2331

(1) absence of recent abuse of drugs including but not limited to opioids, nonnarcotics, and alcohol;

(2) regularity of program attendance;

(3) absence of serious behavioral problems at the program;

(4) absence of known recent criminal activity such as drug dealing;

(5) stability of the client's home environment and social relationships;

(6) length of time in comprehensive maintenance treatment;

(7) reasonable assurance that take-home medication will be safely stored within the client's home; and

(8) whether the rehabilitative benefit the client derived from decreasing the frequency of program attendance outweighs the potential risks of diversion or unsupervised use.

(c) The determination, including the basis of the determination, must be consistent with the criteria in this subdivision and must be documented in the client's medical record.

**Subd. 6. Restrictions for unsupervised or take-home use of methadone hydrochloride.**

(a) In cases where it is determined that a client meets the criteria in subdivision 5 and may be dispensed a medication used for the treatment of opioid addiction, the restrictions in paragraphs (b) to (g) must be followed when the medication to be dispensed is methadone hydrochloride.

(b) During the first 90 days of treatment, the take-home supply must be limited to a maximum of a single dose each week and the client shall ingest all other doses under direct supervision.

(c) In the second 90 days of treatment, the take-home supply must be limited to two doses per week.

(d) In the third 90 days of treatment, the take-home supply must not exceed three doses per week.

(e) In the remaining months of the first year, a client may be given a maximum six-day supply of take-home medication.

(f) After one year of continuous treatment, a client may be given a maximum two-week supply of take-home medication.

(g) After two years of continuous treatment, a client may be given a maximum one-month supply of take-home medication, but must make monthly visits.

**Subd. 7. Restriction exceptions.** When a license holder has reason to accelerate the number of unsupervised or take-home doses of methadone hydrochloride, the license holder must comply with the requirements of Code of Federal Regulations, title 42, section 8.12, the criteria for unsupervised use in subdivision 5, and must use the exception process provided by the federal Center for Substance Abuse Treatment Division of Pharmacologic Therapies. For the purposes of enforcement of this subdivision, the commissioner has the authority to monitor for compliance with these federal regulations and may issue licensing actions according to sections 245A.05, 245A.06, and 245A.07 based on the commissioner's determination of noncompliance.

**Subd. 8. Guest dosing.** In order to receive a guest dose, the client must be enrolled in an opioid treatment program elsewhere in the state or country and be receiving the medication on a temporary basis because the client is not able to receive the medication at the program in which the client is enrolled. Such arrangements shall not exceed 30 consecutive days in any one program and must not be for the convenience or benefit of either program. Guest dosing may also occur when the client's primary clinic is not open and the client is not receiving take-home doses.

**Subd. 9. Data and reporting.** The license holder must submit data concerning medication used for the treatment of opioid addiction to a central registry. The data must be submitted in a method determined by the commissioner and must be submitted for each client at the time of admission and discharge. The program must document the date the information was submitted. This requirement is effective upon implementation of changes to the Drug and Alcohol Abuse Normative Evaluation System (DAANES) or development of an electronic system by which to submit the data.

**Subd. 10. Nonmedication treatment services; documentation.** (a) The program must offer at least 50 consecutive minutes of individual or group therapy treatment services as defined in Minnesota Rules, part 9530.6430, subpart 1, item A, subitem (1), per week, for the first ten weeks following admission, and at least 50 consecutive minutes per month thereafter. As clinically appropriate, the program may offer these services cumulatively and not consecutively in increments of no less than 15 minutes over the required time period, and for a total of 60 minutes of treatment services over the time period, and must document the reason for providing services cumulatively in the client's record. The program may offer additional levels of service when deemed clinically necessary.

(b) Notwithstanding the requirements of comprehensive assessments in Minnesota Rules, part 9530.6422, the assessment must be completed within 21 days of service initiation.

APPENDIX

Repealed Minnesota Statutes: 17-2331

(c) Notwithstanding the requirements of individual treatment plans set forth in Minnesota Rules, part 9530.6425:

(1) treatment plan contents for maintenance clients are not required to include goals the client must reach to complete treatment and have services terminated;

(2) treatment plans for clients in a taper or detox status must include goals the client must reach to complete treatment and have services terminated;

(3) for the initial ten weeks after admission for all new admissions, readmissions, and transfers, progress notes must be entered in a client's file at least weekly and be recorded in each of the six dimensions upon the development of the treatment plan and thereafter. Subsequently, the counselor must document progress no less than one time monthly, recorded in the six dimensions or when clinical need warrants more frequent notations; and

(4) upon the development of the treatment plan and thereafter, treatment plan reviews must occur weekly, or after each treatment service, whichever is less frequent, for the first ten weeks after the treatment plan is developed. Following the first ten weeks of treatment plan reviews, reviews may occur monthly, unless the client has needs that warrant more frequent revisions or documentation.

Subd. 11. **Prescription monitoring program.** (a) The program must develop and maintain a policy and procedure that requires the ongoing monitoring of the data from the prescription monitoring program for each client. The policy and procedure must include how the program will meet the requirements in paragraph (b).

(b) If a medication used for the treatment of opioid addiction is administered or dispensed to a client, the license holder shall be subject to the following requirements:

(1) upon admission to a methadone clinic outpatient treatment program, clients must be notified in writing that the commissioner of human services and the medical director will monitor the prescription monitoring program to review the prescribed controlled drugs the clients have received;

(2) the medical director or the medical director's delegate must review the data from the Minnesota Board of Pharmacy prescription monitoring program (PMP) established under section 152.126 prior to the client being ordered any controlled substance, as defined under section 152.126, subdivision 1, paragraph (c), including medications used for the treatment of opioid addiction, and subsequent reviews of the PMP data must occur at least every 90 days;

(3) a copy of the PMP data reviewed must be maintained in the client file;

(4) when the PMP data contains a recent history of multiple prescribers or multiple prescriptions for controlled substances, the physician's review of the data and subsequent actions must be documented in the client's individual file within 72 hours and must contain the medical director's determination of whether or not the prescriptions place the client at risk of harm and the actions to be taken in response to the PMP findings. In addition, the provider must conduct subsequent reviews of the PMP on a monthly basis; and

(5) if at any time the medical director believes the use of the controlled substances places the client at risk of harm, the program must seek the client's consent to discuss the client's opioid treatment with other prescribers and must seek consent for the other prescriber to disclose to the opioid treatment program's medical director the client's condition that formed the basis of the other prescriptions. If the information is not obtained within seven days, the medical director must document whether or not changes to the client's medication dose or number of take-home doses are necessary until the information is obtained.

(c) The commissioner shall collaborate with the Minnesota Board of Pharmacy to develop and implement an electronic system through which the commissioner shall routinely access the data from the Minnesota Board of Pharmacy prescription monitoring program established under section 152.126 for the purpose of determining whether any client enrolled in an opioid addiction treatment program licensed according to this section has also been prescribed or dispensed a controlled substance in addition to that administered or dispensed by the opioid addiction treatment program. When the commissioner determines there have been multiple prescribers or multiple prescriptions of controlled substances, the commissioner shall:

(1) inform the medical director of the opioid treatment program only that the commissioner determined the existence of multiple prescribers or multiple prescriptions of controlled substances; and

(2) direct the medical director of the opioid treatment program to access the data directly, review the effect of the multiple prescribers or multiple prescriptions, and document the review.

(d) If determined necessary, the commissioner shall seek a federal waiver of, or exception to, any applicable provision of Code of Federal Regulations, title 42, section 2.34(c), prior to implementing this subdivision.

APPENDIX

Repealed Minnesota Statutes: 17-2331

Subd. 12. **Policies and procedures.** (a) License holders must develop and maintain the policies and procedures required in this subdivision.

(b) For programs that are not open every day of the year, the license holder must maintain a policy and procedure that permits clients to receive a single unsupervised use of medication used for the treatment of opioid addiction for days that the program is closed for business, including, but not limited to, Sundays and state and federal holidays as required under subdivision 5, paragraph (a), clause (1).

(c) The license holder must maintain a policy and procedure that includes specific measures to reduce the possibility of medication used for the treatment of opioid addiction being diverted from its intended treatment use. The policy and procedure must:

(1) specifically identify and define the responsibilities of the medical and administrative staff for carrying out diversion control measures; and

(2) include a process for contacting no less than five percent of clients who have unsupervised use of medication used for the treatment of opioid addiction, excluding those approved solely under subdivision 5, paragraph (a), clause (1), to require them to physically return to the program each month. The system must require clients to return to the program within a stipulated time frame and turn in all unused medication containers related to opioid addiction treatment. The license holder must document all related contacts on a central log and the outcome of the contact for each client in the individual client's record.

(d) Medications used for the treatment of opioid addictions must be ordered, administered, and dispensed according to applicable state and federal regulations and the standards set by applicable accreditation entities. In addition, when an order requires assessment by the person administering or dispensing the medication to determine the amount to be administered or dispensed, the assessment must be completed by an individual whose professional scope of practice permits such assessment. For the purposes of enforcement of this paragraph, the commissioner has the authority to monitor for compliance with these state and federal regulations and the relevant standards of the license holder's accreditation agency and may issue licensing actions according to sections 245A.05, 245A.06, and 245A.07 based on the commissioner's determination of noncompliance.

Subd. 13. **Quality improvement plan.** The license holder must develop and maintain a quality improvement process and plan. The plan must:

(1) include evaluation of the services provided to clients with the goal of identifying issues that may improve service delivery and client outcomes;

(2) include goals for the program to accomplish based on the evaluation;

(3) be reviewed annually by the management of the program to determine whether the goals were met and, if not, whether additional action is required;

(4) be updated at least annually to include new or continued goals based on an updated evaluation of services; and

(5) identify two specific goal areas, in addition to others identified by the program, including:

(i) a goal concerning oversight and monitoring of the premises around and near the exterior of the program to reduce the possibility of medication used for the treatment of opioid addiction being inappropriately used by clients, including but not limited to the sale or transfer of the medication to others; and

(ii) a goal concerning community outreach, including but not limited to communications with local law enforcement and county human services agencies, with the goal of increasing coordination of services and identification of areas of concern to be addressed in the plan.

Subd. 14. **Placing authorities.** Programs must provide certain notification and client-specific updates to placing authorities for clients who are enrolled in Minnesota health care programs. At the request of the placing authority, the program must provide client-specific updates, including but not limited to informing the placing authority of positive drug screenings and changes in medications used for the treatment of opioid addiction ordered for the client.

Subd. 15. **A program's duty to report suspected drug diversion.** (a) To the fullest extent permitted under Code of Federal Regulations, title 42, sections 2.1 to 2.67, a program shall report to law enforcement any credible evidence that the program or its personnel knows, or reasonably should know, that is directly related to a diversion crime on the premises of the program, or a threat to commit a diversion crime.

(b) "Diversion crime," for the purposes of this section, means diverting, attempting to divert, or conspiring to divert Schedule I, II, III, or IV drugs, as defined in section 152.02, on the program's premises.

(c) The program must document its compliance with the requirement in paragraph (a) in either a client's record or an incident report.

## APPENDIX

Repealed Minnesota Statutes: 17-2331

(d) Failure to comply with the duty in paragraph (a) may result in sanctions as provided in sections 245A.06 and 245A.07.

Subd. 16. **Variance.** The commissioner may grant a variance to the requirements of this section.

### **245C.11 BACKGROUND STUDY; COUNTY AGENCIES.**

Subd. 4. **Background study.** A county agency may accept a background study completed by the commissioner under this chapter in place of the background study required under section 245A.16, subdivision 3, for educational programs that train individuals by providing direct contact services in licensed programs.

### **245C.16 DISQUALIFIED INDIVIDUAL'S RISK OF HARM.**

Subd. 3. **County agency.** (a) County licensing agencies performing duties under this section may develop an alternative system for determining the subject's immediate risk of harm to persons served by the program, providing the notices under subdivision 2, paragraph (b), and documenting the action taken by the county licensing agency.

(b) Each county licensing agency's implementation of the alternative system is subject to approval by the commissioner.

(c) Notwithstanding this alternative system, county licensing agencies shall complete the requirements of section 245C.17.

### **245C.17 NOTICE OF BACKGROUND STUDY RESULTS.**

Subd. 4. **Disqualification notice to family child care or foster care provider.** For studies on individuals pertaining to a license to provide family child care or group family child care, foster care for children in the provider's own home, or foster care or day care services for adults in the provider's own home, the commissioner is not required to provide a separate notice of the background study results to the individual who is the subject of the study unless the study results in a disqualification of the individual.

### **245E.03 DUTY TO PROVIDE ACCESS.**

Subd. 3. **Notice of denial or termination.** When a provider fails to provide access, a 15-day notice of denial or termination must be issued to the provider, which prohibits the provider from participating in the child care assistance program. Notice must be sent to recipients whose children are under the provider's care pursuant to Minnesota Rules, part 3400.0185.

### **245E.06 ADMINISTRATIVE SANCTIONS.**

Subd. 4. **Consolidated hearings with licensing sanction.** If a financial misconduct sanction has an appeal hearing right and it is timely appealed, and a licensing sanction exists for which there is an appeal hearing right and the sanction is timely appealed, and the overpayment recovery action and licensing sanction involve the same set of facts, the overpayment recovery action and licensing sanction must be consolidated in the contested case hearing related to the licensing sanction.

Subd. 5. **Effect of department's administrative determination or sanction.** Unless a timely and proper appeal is received by the department, the department's administrative determination or sanction shall be considered a final department determination.

### **246B.06 VOCATIONAL WORK PROGRAM.**

Subdivision 1. **Establishment; purpose.** (a) The commissioner of human services may establish, equip, maintain, and operate a vocational work program at any Minnesota sex offender program facility under this chapter. The commissioner may establish vocational activities for sex offender treatment for civilly committed sex offenders as the commissioner deems necessary and suitable to the meaningful work skills training, educational training, and development of proper work habits and extended treatment services for civilly committed sex offenders consistent with the requirements in section 246B.05. The industrial and commercial activities authorized by this section are designated Minnesota State Industries and must be for the primary purpose of sustaining and ensuring Minnesota State Industries' self-sufficiency, providing educational training, meaningful employment, and the teaching of proper work habits to the individuals in

the Minnesota sex offender program under this chapter, and not solely as competitive business ventures.

(b) The net profits from the vocational work program must be used for the benefit of the civilly committed sex offenders as it relates to building education and self-sufficiency skills. Prior to the establishment of any vocational activity, the commissioner of human services shall consult with stakeholders including representatives of business, industry, organized labor, the commissioner of education, the state Apprenticeship Council, the commissioner of labor and industry, the commissioner of employment and economic development, the commissioner of administration, and other stakeholders the commissioner deems qualified. The purpose of the stakeholder consultation is to determine the quantity and nature of the goods, wares, merchandise, and services to be made or provided, and the types of processes to be used in their manufacture, processing, repair, and production consistent with the greatest opportunity for the reform and educational training of the civilly committed sex offenders, and with the best interests of the state, business, industry, and labor.

(c) The commissioner of human services shall, at all times in the conduct of any vocational activity authorized by this section, utilize civilly committed sex offender labor to the greatest extent feasible, provided that the commissioner may employ all administrative, supervisory, and other skilled workers necessary to the proper instruction of the civilly committed sex offenders and the efficient operation of the vocational activities authorized by this section.

(d) The commissioner of human services may authorize the director of any Minnesota sex offender treatment facility under the commissioner's control to accept work projects from outside sources for processing, fabrication, or repair, provided that preference is given to the performance of work projects for state departments and agencies.

Subd. 2. **Revolving fund.** As described in section 246B.05, subdivision 2, there is established a vocational work program revolving fund under the control of the commissioner of human services. The revolving fund must be used for the vocational work program authorized under this section, including, but not limited to, the purchase of equipment and raw materials, the payment of salaries and wages, and other necessary expenses as determined by the commissioner of human services. The purchase of services, materials, and commodities used in and held for resale are not subject to the competitive bidding procedures of section 16C.06, but are subject to all other provisions of chapters 16B and 16C. When practical, purchases must be made from small targeted group businesses designated under section 16C.16. Additionally, the expenses of client educational training and self-sufficiency skills may be financed from the revolving fund in an amount to be determined by the commissioner or designee. The proceeds and income from all vocational work program activities conducted at the Minnesota sex offender treatment facilities must be deposited in the revolving fund subject to disbursement under subdivision 3. The commissioner of human services may request that money in the fund be invested pursuant to section 11A.25. Proceeds from the investment not currently needed must be accounted for separately and credited to the revolving fund.

Subd. 3. **Disbursement from fund.** The vocational work program revolving fund must be deposited in the state treasury and paid out only on proper vouchers as authorized and approved by the commissioner of human services, and in the same manner and under the same restrictions as are now provided by law for the disbursement of funds by the commissioner. An amount deposited in the state treasury equal to six months of net operating cash as determined by the prior 12 months of revenue and cash flow statements must be restricted for use only by the vocational work program as described under subdivision 2. For purposes of this subdivision, "net operating cash" means net income, minus sales, plus cost of goods sold. Cost of goods sold include all direct costs of products attributable to the goods' production.

Subd. 4. **Revolving fund; borrowing.** The commissioner of human services is authorized to borrow sums of money as the commissioner deems necessary to meet current demands on the vocational work program revolving fund. The sums borrowed must not exceed, in any calendar year, six months of net operating cash as determined by the previous 12 months of the vocational program's revenue and cash flow statements. If the commissioner of human services determines that borrowing of funds is necessary, the commissioner of human services shall certify this need to the commissioner of management and budget. Funds may be borrowed from general fund appropriations to the Minnesota sex offender program with the authorization of the commissioner of management and budget. Upon authorization of the commissioner of management and budget, the transfer must be made and credited to the vocational work program revolving fund. The sum transferred to the vocational work program revolving fund must be repaid by the commissioner of human services from the revolving fund to the fund from which it was transferred in a time period specified by the commissioner of management and budget, but by no later than the end of the biennium, as defined in section 16A.011, in which the loan is made. When any transfer

## APPENDIX

### Repealed Minnesota Statutes: 17-2331

is made to the vocational work program revolving fund, the commissioner of management and budget shall notify the commissioner of human services of the amount transferred to the fund and the date the transfer is to be repaid.

Subd. 5. **Federal grant fund transfers.** Grants received by the commissioner of human services from the federal government for any vocational training program or for administration by the commissioner of human services must (1) be credited to a federal grant fund and then (2) be transferred from the federal grant fund to the credit of the commissioner of human services in the appropriate account upon certification by the commissioner of human services that the amounts requested to be transferred have been earned or are required for the purposes of this section. Funds received by the federal grant fund need not be budgeted as such, provided transfers from the fund are budgeted for allotment purposes in the appropriate appropriation.

Subd. 6. **Wages.** Notwithstanding section 177.24 or any other law to the contrary, the commissioner of human services has the discretion to set the pay rate for individuals participating in the vocational work program. The commissioner has the authority to retain up to 50 percent of any payments made to an individual participating in the vocational work program for the purpose of reducing state costs associated with operating the Minnesota sex offender program.

Subd. 7. **Status of civilly committed sex offenders.** Civilly committed sex offenders participating in the vocational work program are not employees of the Minnesota sex offender program, the Department of Human Services, or the state, and are not subject to fair labor standards under sections 177.21 to 177.35; workers compensation under sections 176.011 to 176.862; the Minnesota Human Rights Act under sections 363A.01 to 363A.41; laws governing state employees under chapter 43A; labor relations under chapter 179A; or the successors to any of these sections and any other laws pertaining to employees and employment.

Subd. 8. **Claims.** Claims and demands arising out of injury to or death of a civilly committed sex offender while that individual is participating in the vocational work program or performing a work assignment maintaining the facility must be presented to, heard by, and determined exclusively by the legislature as provided in section 3.738.

#### **252.41 DEFINITIONS.**

Subd. 8. **Supported employment.** "Supported employment" means employment of a person with a disability so severe that the person needs ongoing training and support to get and keep a job in which:

- (1) the person engages in paid work at a work site where individuals without disabilities who do not require public subsidies also may be employed;
- (2) public funds are necessary to provide ongoing training and support services throughout the period of the person's employment; and
- (3) the person has the opportunity for social interaction with individuals who do not have disabilities and who are not paid caregivers.

#### **252.451 BUSINESS AGREEMENTS; SUPPORT AND SUPERVISION OF DISABLED PERSONS.**

Subdivision 1. **Definition.** For the purposes of this section, "qualified business" means a business that employs primarily nondisabled persons and will employ persons with developmental disabilities. For purposes of this section, licensed providers of residential services for persons with developmental disabilities are not a qualified business. A qualified business and its employees are exempt from Minnesota Rules, parts 9525.1800 to 9525.1930.

Subd. 2. **Vendor participation and reimbursement.** Notwithstanding requirements in chapters 245A and 245D, and sections 252.28, 252.41 to 252.46, and 256B.501, vendors of day training and habilitation services may enter into written agreements with qualified businesses to provide additional training and supervision needed by individuals to maintain their employment.

Subd. 3. **Agreement specifications.** Agreements must include the following:

- (1) the type and amount of supervision and support to be provided by the business to the individual in accordance with their needs as identified in their individual service plan;
- (2) the methods used to periodically assess the individual's satisfaction with their work, training, and support;
- (3) the measures taken by the qualified business and the vendor to ensure the health, safety, and protection of the individual during working hours, including the reporting of abuse and neglect under state law and rules;
- (4) the training and support services the vendor will provide to the qualified business, including the frequency of on-site supervision and support; and

(5) any payment to be made to the qualified business by the vendor. Payment to the business must be limited to:

(i) additional costs of training coworkers and managers that exceed ordinary and customary training costs and are a direct result of employing a person with a developmental disability; and

(ii) additional costs for training, supervising, and assisting the person with a developmental disability that exceed normal and customary costs required for performing similar tasks or duties.

Payments made to a qualified business under this section must not include incentive payments to the qualified business or salary supplementation for the person with a developmental disability.

**Subd. 4. Client protection.** Persons receiving training and support under this section may not be denied their rights or procedural protections under section 256.045, subdivision 4a, or 256B.092, including the county agency's responsibility to arrange for appropriate services, as necessary, in the event that persons lose their job or the contract with the qualified business is terminated.

**Subd. 5. Vendor payment.** (a) For purposes of this section, the vendor shall bill and the commissioner shall reimburse the vendor for full-day or partial-day services to a client that would otherwise have been paid to the vendor for providing direct services, provided that both of the following criteria are met:

(1) the vendor provides services and payments to the qualified business that enable the business to perform support and supervision services for the client that the vendor would otherwise need to perform; and

(2) the client for whom a rate will be billed will receive full-day or partial-day services from the vendor and the rate to be paid the vendor will allow the client to work with this support and supervision at the qualified business instead of receiving these services from the vendor.

(b) Medical assistance reimbursement of services provided to persons receiving day training and habilitation services under this section is subject to the limitations on reimbursement for vocational services under federal law and regulation.

#### **254A.02 DEFINITIONS.**

**Subd. 4. Drug abuse or abuse of drugs.** "Drug abuse or abuse of drugs" is the use of any psychoactive or mood altering chemical substance, without compelling medical reason, in such a manner as to induce mental, emotional or physical impairment and cause socially dysfunctional or socially disordering behavior and which results in psychological or physiological dependency as a function of continued use.

#### **256.9692 EFFECT OF INTEGRATION AGREEMENT ON DIVISION OF COST.**

Beginning in the first calendar month after there is a definitive integration agreement affecting the University of Minnesota hospital and clinics and Fairview hospital and health care services, Fairview hospital and health care services shall pay the University of Minnesota \$505,000 on the 15th of each month, after receiving the state payment, provided that the University of Minnesota has fulfilled the requirements of section 256B.19, subdivision 1c.

#### **256B.0625 COVERED SERVICES.**

**Subd. 25a. Prior authorization of diagnostic imaging services.** (a) Effective January 1, 2010, the commissioner shall require prior authorization or decision support for the ordering providers at the time the service is ordered for the following outpatient diagnostic imaging services: computerized tomography (CT), magnetic resonance imaging (MRI), magnetic resonance angiography (MRA), positive emission tomography (PET), cardiac imaging, and ultrasound diagnostic imaging.

(b) Prior authorization under this subdivision is not required for diagnostic imaging services performed as part of a hospital emergency room visit, inpatient hospitalization, or if concurrent with or on the same day as an urgent care facility visit.

(c) This subdivision does not apply to services provided to recipients who are enrolled in Medicare, the prepaid medical assistance program, or the MinnesotaCare program.

(d) The commissioner may contract with a private entity to provide the prior authorization or decision support required under this subdivision. The contracting entity must incorporate clinical guidelines that are based on evidence-based medical literature, if available. By January 1,

APPENDIX

Repealed Minnesota Statutes: 17-2331

2012, the contracting entity shall report to the commissioner the results of prior authorization or decision support.

**256B.0659 PERSONAL CARE ASSISTANCE PROGRAM.**

Subd. 22. **Annual review for personal care providers.** (a) All personal care assistance provider agencies shall resubmit, on an annual basis, the information specified in subdivision 21, in a format determined by the commissioner, and provide a copy of the personal care assistance provider agency's most current version of its grievance policies and procedures along with a written record of grievances and resolutions of the grievances that the personal care assistance provider agency has received in the previous year and any other information requested by the commissioner.

(b) The commissioner shall send annual review notification to personal care assistance provider agencies 30 days prior to renewal. The notification must:

- (1) list the materials and information the personal care assistance provider agency is required to submit;
- (2) provide instructions on submitting information to the commissioner; and
- (3) provide a due date by which the commissioner must receive the requested information.

Personal care assistance provider agencies shall submit required documentation for annual review within 30 days of notification from the commissioner. If no documentation is submitted, the personal care assistance provider agency enrollment number must be terminated or suspended.

(c) Personal care assistance provider agencies also currently licensed under section 144A.471, subdivision 6 or 7, or currently certified for participation in Medicare as a home health agency are deemed in compliance with the personal care assistance requirements for enrollment, annual review process, and documentation.

**256B.4914 HOME AND COMMUNITY-BASED SERVICES WAIVERS; RATE SETTING.**

Subd. 16. **Budget neutrality adjustments.** (a) The commissioner shall use the following adjustments to the rate generated by the framework to assure budget neutrality until the rate information is available to implement paragraph (b). The rate generated by the framework shall be multiplied by the appropriate factor, as designated below:

- (1) for residential services: 1.003;
- (2) for day services: 1.000;
- (3) for unit-based services with programming: 0.941; and
- (4) for unit-based services without programming: 0.796.

(b) Within 12 months of January 1, 2014, the commissioner shall compare estimated spending for all home and community-based waiver services under the new payment rates defined in subdivisions 6 to 9 with estimated spending for the same recipients and services under the rates in effect on July 1, 2013. This comparison must distinguish spending under each of subdivisions 6, 7, 8, and 9. The comparison must be based on actual recipients and services for one or more service months after the new rates have gone into effect. The commissioner shall consult with the commissioner of management and budget on this analysis to ensure budget neutrality. If estimated spending under the new rates for services under one or more subdivisions differs in this comparison by 0.3 percent or more, the commissioner shall assure aggregate budget neutrality across all service areas by adjusting the budget neutrality factor in paragraph (a) in each subdivision so that total estimated spending for each subdivision under the new rates matches estimated spending under the rates in effect on July 1, 2013.

**256B.64 ATTENDANTS TO VENTILATOR-DEPENDENT RECIPIENTS.**

A ventilator-dependent recipient of medical assistance who has been receiving the services of a home care nurse or personal care assistant in the recipient's home may continue to have a home care nurse or personal care assistant present upon admission to a hospital licensed under chapter 144. The personal care assistant or home care nurse shall perform only the services of communicator or interpreter for the ventilator-dependent patient during a transition period of up to 120 hours to assure adequate training of the hospital staff to communicate with the patient and to understand the unique comfort, safety, and personal care needs of the patient. The personal care assistant or home care nurse may offer nonbinding advice to the health care professionals in charge of the ventilator-dependent patient's care and treatment on matters pertaining to the comfort and safety of the patient. Within 36 hours of the end of the 120-hour transition period, an assessment may be made by the ventilator-dependent recipient, the attending physician, and

### Repealed Minnesota Statutes: 17-2331

the hospital staff caring for the recipient. If the persons making the assessment determine that additional communicator or interpreter services are medically necessary, the hospital must contact the commissioner 24 hours prior to the end of the 120-hour transition period and submit the assessment information to the commissioner. The commissioner shall review the request and determine if it is medically necessary to continue the interpreter services or if the hospital staff has had sufficient opportunity to adequately determine the needs of the patient. The commissioner shall determine if continued service is necessary and appropriate and whether or not payments shall continue. The commissioner may not authorize services beyond the limits of the available appropriations for this section. The commissioner may adopt rules necessary to implement this section. Reimbursement under this section must be at the payment rate and in a manner consistent with the payment rate and manner used in reimbursing these providers for home care services for the ventilator-dependent recipient under the medical assistance program.

#### **256B.69 PREPAID HEALTH PLANS.**

Subdivision 1. **Purpose.** The commissioner of human services shall establish a medical assistance demonstration project to determine whether prepayment combined with better management of health care services is an effective mechanism to ensure that all eligible individuals receive necessary health care in a coordinated fashion while containing costs. For the purposes of this project, waiver of certain statutory provisions is necessary in accordance with this section.

Subd. 2. **Definitions.** For the purposes of this section, the following terms have the meanings given.

(a) "Commissioner" means the commissioner of human services. For the remainder of this section, the commissioner's responsibilities for methods and policies for implementing the project will be proposed by the project advisory committees and approved by the commissioner.

(b) "Demonstration provider" means a health maintenance organization, community integrated service network, or accountable provider network authorized and operating under chapter 62D, 62N, or 62T that participates in the demonstration project according to criteria, standards, methods, and other requirements established for the project and approved by the commissioner. For purposes of this section, a county board, or group of county boards operating under a joint powers agreement, is considered a demonstration provider if the county or group of county boards meets the requirements of section 256B.692.

(c) "Eligible individuals" means those persons eligible for medical assistance benefits as defined in sections 256B.055, 256B.056, and 256B.06.

(d) "Limitation of choice" means suspending freedom of choice while allowing eligible individuals to choose among the demonstration providers.

Subd. 3. **Geographic area.** The commissioner shall designate the geographic areas in which eligible individuals may be included in the medical assistance prepayment programs.

Subd. 3a. **County authority.** (a) The commissioner, when implementing the medical assistance prepayment program within a county, must include the county board in the process of development, approval, and issuance of the request for proposals to provide services to eligible individuals within the proposed county. County boards must be given reasonable opportunity to make recommendations regarding the development, issuance, review of responses, and changes needed in the request for proposals. The commissioner must provide county boards the opportunity to review each proposal based on the identification of community needs under chapters 145A and 256E and county advocacy activities. If a county board finds that a proposal does not address certain community needs, the county board and commissioner shall continue efforts for improving the proposal and network prior to the approval of the contract. The county board shall make recommendations regarding the approval of local networks and their operations to ensure adequate availability and access to covered services. The provider or health plan must respond directly to county advocates and the state prepaid medical assistance ombudsperson regarding service delivery and must be accountable to the state regarding contracts with medical assistance funds. The county board may recommend a maximum number of participating health plans after considering the size of the enrolling population; ensuring adequate access and capacity; considering the client and county administrative complexity; and considering the need to promote the viability of locally developed health plans. The county board or a single entity representing a group of county boards and the commissioner shall mutually select health plans for participation at the time of initial implementation of the prepaid medical assistance program in that county or group of counties and at the time of contract renewal. The commissioner shall also seek input for contract requirements from the county or single entity representing a group of county boards at each contract renewal and incorporate those recommendations into the contract negotiation process.

## APPENDIX

### Repealed Minnesota Statutes: 17-2331

(b) At the option of the county board, the board may develop contract requirements related to the achievement of local public health goals to meet the health needs of medical assistance enrollees. These requirements must be reasonably related to the performance of health plan functions and within the scope of the medical assistance benefit set. If the county board and the commissioner mutually agree to such requirements, the department shall include such requirements in all health plan contracts governing the prepaid medical assistance program in that county at initial implementation of the program in that county and at the time of contract renewal. The county board may participate in the enforcement of the contract provisions related to local public health goals.

(c) For counties in which a prepaid medical assistance program has not been established, the commissioner shall not implement that program if a county board submits an acceptable and timely preliminary and final proposal under section 256B.692, until county-based purchasing is no longer operational in that county. For counties in which a prepaid medical assistance program is in existence on or after September 1, 1997, the commissioner must terminate contracts with health plans according to section 256B.692, subdivision 5, if the county board submits and the commissioner accepts a preliminary and final proposal according to that subdivision. The commissioner is not required to terminate contracts that begin on or after September 1, 1997, according to section 256B.692 until two years have elapsed from the date of initial enrollment.

(d) In the event that a county board or a single entity representing a group of county boards and the commissioner cannot reach agreement regarding: (i) the selection of participating health plans in that county; (ii) contract requirements; or (iii) implementation and enforcement of county requirements including provisions regarding local public health goals, the commissioner shall resolve all disputes after taking into account the recommendations of a three-person mediation panel. The panel shall be composed of one designee of the president of the association of Minnesota counties, one designee of the commissioner of human services, and one person selected jointly by the designee of the commissioner of human services and the designee of the Association of Minnesota Counties. Within a reasonable period of time before the hearing, the panelists must be provided all documents and information relevant to the mediation. The parties to the mediation must be given 30 days' notice of a hearing before the mediation panel.

(e) If a county which elects to implement county-based purchasing ceases to implement county-based purchasing, it is prohibited from assuming the responsibility of county-based purchasing for a period of five years from the date it discontinues purchasing.

(f) The commissioner shall not require that contractual disputes between county-based purchasing entities and the commissioner be mediated by a panel that includes a representative of the Minnesota Council of Health Plans.

(g) At the request of a county-purchasing entity, the commissioner shall adopt a contract procurement or renewal schedule under which all counties included in the entity's service area are reprocedured or renewed at the same time.

(h) The commissioner shall provide a written report under section 3.195 to the chairs of the legislative committees having jurisdiction over human services in the senate and the house of representatives describing in detail the activities undertaken by the commissioner to ensure full compliance with this section. The report must also provide an explanation for any decisions of the commissioner not to accept the recommendations of a county or group of counties required to be consulted under this section. The report must be provided at least 30 days prior to the effective date of a new or renewed prepaid or managed care contract in a county.

**Subd. 3b. Provision of data to county boards.** The commissioner, in consultation with representatives of county boards of commissioners shall identify program information and data necessary on an ongoing basis for county boards to: (1) make recommendations to the commissioner related to state purchasing under the prepaid medical assistance program; and (2) effectively administer county-based purchasing. This information and data must include, but is not limited to, county-specific, individual-level fee-for-service and prepaid health plan claims information.

**Subd. 4. Limitation of choice.** (a) The commissioner shall develop criteria to determine when limitation of choice may be implemented in the experimental counties. The criteria shall ensure that all eligible individuals in the county have continuing access to the full range of medical assistance services as specified in subdivision 6.

(b) The commissioner shall exempt the following persons from participation in the project, in addition to those who do not meet the criteria for limitation of choice:

(1) persons eligible for medical assistance according to section 256B.055, subdivision 1;

(2) persons eligible for medical assistance due to blindness or disability as determined by the Social Security Administration or the state medical review team, unless:

(i) they are 65 years of age or older; or

APPENDIX

Repealed Minnesota Statutes: 17-2331

(ii) they reside in Itasca County or they reside in a county in which the commissioner conducts a pilot project under a waiver granted pursuant to section 1115 of the Social Security Act;

(3) recipients who currently have private coverage through a health maintenance organization;

(4) recipients who are eligible for medical assistance by spending down excess income for medical expenses other than the nursing facility per diem expense;

(5) recipients who receive benefits under the Refugee Assistance Program, established under United States Code, title 8, section 1522(e);

(6) children who are both determined to be severely emotionally disturbed and receiving case management services according to section 256B.0625, subdivision 20, except children who are eligible for and who decline enrollment in an approved preferred integrated network under section 245.4682;

(7) adults who are both determined to be seriously and persistently mentally ill and received case management services according to section 256B.0625, subdivision 20;

(8) persons eligible for medical assistance according to section 256B.057, subdivision 10; and

(9) persons with access to cost-effective employer-sponsored private health insurance or persons enrolled in a non-Medicare individual health plan determined to be cost-effective according to section 256B.0625, subdivision 15.

Children under age 21 who are in foster placement may enroll in the project on an elective basis. Individuals excluded under clauses (1), (6), and (7) may choose to enroll on an elective basis. The commissioner may enroll recipients in the prepaid medical assistance program for seniors who are (1) age 65 and over, and (2) eligible for medical assistance by spending down excess income.

(c) The commissioner may allow persons with a one-month spenddown who are otherwise eligible to enroll to voluntarily enroll or remain enrolled, if they elect to prepay their monthly spenddown to the state.

(d) The commissioner may require those individuals to enroll in the prepaid medical assistance program who otherwise would have been excluded under paragraph (b), clauses (1), (3), and (8), and under Minnesota Rules, part 9500.1452, subpart 2, items H, K, and L.

(e) Before limitation of choice is implemented, eligible individuals shall be notified and after notification, shall be allowed to choose only among demonstration providers. The commissioner may assign an individual with private coverage through a health maintenance organization, to the same health maintenance organization for medical assistance coverage, if the health maintenance organization is under contract for medical assistance in the individual's county of residence. After initially choosing a provider, the recipient is allowed to change that choice only at specified times as allowed by the commissioner. If a demonstration provider ends participation in the project for any reason, a recipient enrolled with that provider must select a new provider but may change providers without cause once more within the first 60 days after enrollment with the second provider.

(f) An infant born to a woman who is eligible for and receiving medical assistance and who is enrolled in the prepaid medical assistance program shall be retroactively enrolled to the month of birth in the same managed care plan as the mother once the child is enrolled in medical assistance unless the child is determined to be excluded from enrollment in a prepaid plan under this section.

Subd. 4b. **Individualized education program and individualized family service plan services.** The commissioner shall amend the federal waiver allowing the state to separate out individualized education program and individualized family service plan services for children enrolled in the prepaid medical assistance program and the MinnesotaCare program. Medical assistance coverage of eligible individualized education program and individualized family service plan services shall not be included in the capitated services for children enrolled in health plans through the prepaid medical assistance program and the MinnesotaCare program. Local school districts shall bill the commissioner for these services, and claims shall be paid on a fee-for-service basis.

Subd. 5. **Prospective per capita payment.** The commissioner shall establish the method and amount of payments for services. The commissioner shall annually contract with demonstration providers to provide services consistent with these established methods and amounts for payment.

If allowed by the commissioner, a demonstration provider may contract with an insurer, health care provider, nonprofit health service plan corporation, or the commissioner, to provide insurance or similar protection against the cost of care provided by the demonstration provider or to provide coverage against the risks incurred by demonstration providers under this section. The recipients enrolled with a demonstration provider are a permissible group under group insurance laws and chapter 62C, the Nonprofit Health Service Plan Corporations Act. Under this type of

APPENDIX

Repealed Minnesota Statutes: 17-2331

contract, the insurer or corporation may make benefit payments to a demonstration provider for services rendered or to be rendered to a recipient. Any insurer or nonprofit health service plan corporation licensed to do business in this state is authorized to provide this insurance or similar protection.

The commissioner shall complete development of capitation rates for payments before delivery of services under this section is begun. The commissioner shall contract with an independent actuary to establish prepayment rates.

Beginning July 1, 2004, the commissioner may include payments for elderly waiver services and 180 days of nursing home care in capitation payments for the prepaid medical assistance program for recipients age 65 and older.

Subd. 5a. **Managed care contracts.** (a) Managed care contracts under this section and section 256L.12 shall be entered into or renewed on a calendar year basis. The commissioner may issue separate contracts with requirements specific to services to medical assistance recipients age 65 and older.

(b) A prepaid health plan providing covered health services for eligible persons pursuant to chapters 256B and 256L is responsible for complying with the terms of its contract with the commissioner. Requirements applicable to managed care programs under chapters 256B and 256L established after the effective date of a contract with the commissioner take effect when the contract is next issued or renewed.

(c) The commissioner shall withhold five percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program pending completion of performance targets. Each performance target must be quantifiable, objective, measurable, and reasonably attainable, except in the case of a performance target based on a federal or state law or rule. Criteria for assessment of each performance target must be outlined in writing prior to the contract effective date. Clinical or utilization performance targets and their related criteria must consider evidence-based research and reasonable interventions when available or applicable to the populations served, and must be developed with input from external clinical experts and stakeholders, including managed care plans, county-based purchasing plans, and providers. The managed care or county-based purchasing plan must demonstrate, to the commissioner's satisfaction, that the data submitted regarding attainment of the performance target is accurate. The commissioner shall periodically change the administrative measures used as performance targets in order to improve plan performance across a broader range of administrative services. The performance targets must include measurement of plan efforts to contain spending on health care services and administrative activities. The commissioner may adopt plan-specific performance targets that take into account factors affecting only one plan, including characteristics of the plan's enrollee population. The withheld funds must be returned no sooner than July of the following year if performance targets in the contract are achieved. The commissioner may exclude special demonstration projects under subdivision 23.

(d) The commissioner shall require that managed care plans use the assessment and authorization processes, forms, timelines, standards, documentation, and data reporting requirements, protocols, billing processes, and policies consistent with medical assistance fee-for-service or the Department of Human Services contract requirements consistent with medical assistance fee-for-service or the Department of Human Services contract requirements for all personal care assistance services under section 256B.0659.

(e) Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (c) a reduction in the health plan's emergency department utilization rate for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. For 2012, the reduction shall be based on the health plan's utilization in 2009. To earn the return of the withhold each subsequent year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of no less than ten percent of the plan's emergency department utilization rate for medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and 28, compared to the previous measurement year until the final performance target is reached. When measuring performance, the commissioner must consider the difference in health risk in a managed care or county-based purchasing plan's membership in the baseline year compared to the measurement year, and work with the managed care or county-based purchasing plan to account for differences that they agree are significant.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of

## APPENDIX

### Repealed Minnesota Statutes: 17-2331

the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.

The withhold described in this paragraph shall continue for each consecutive contract period until the plan's emergency room utilization rate for state health care program enrollees is reduced by 25 percent of the plan's emergency room utilization rate for medical assistance and MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate with the health plans in meeting this performance target and shall accept payment withholds that may be returned to the hospitals if the performance target is achieved.

(f) Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (c) a reduction in the plan's hospitalization admission rate for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. To earn the return of the withhold each year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of no less than five percent of the plan's hospital admission rate for medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and 28, compared to the previous calendar year until the final performance target is reached. When measuring performance, the commissioner must consider the difference in health risk in a managed care or county-based purchasing plan's membership in the baseline year compared to the measurement year, and work with the managed care or county-based purchasing plan to account for differences that they agree are significant.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that this reduction in the hospitalization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.

The withhold described in this paragraph shall continue until there is a 25 percent reduction in the hospital admission rate compared to the hospital admission rates in calendar year 2011, as determined by the commissioner. The hospital admissions in this performance target do not include the admissions applicable to the subsequent hospital admission performance target under paragraph (g). Hospitals shall cooperate with the plans in meeting this performance target and shall accept payment withholds that may be returned to the hospitals if the performance target is achieved.

(g) Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (c) a reduction in the plan's hospitalization admission rates for subsequent hospitalizations within 30 days of a previous hospitalization of a patient regardless of the reason, for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. To earn the return of the withhold each year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of the subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and 28, of no less than five percent compared to the previous calendar year until the final performance target is reached.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that a qualifying reduction in the subsequent hospitalization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.

The withhold described in this paragraph must continue for each consecutive contract period until the plan's subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and 28, is reduced by 25 percent of the plan's subsequent hospitalization rate for calendar year 2011. Hospitals shall cooperate with the plans in meeting this performance target and shall accept payment withholds that must be returned to the hospitals if the performance target is achieved.

(h) Effective for services rendered on or after January 1, 2013, through December 31, 2013, the commissioner shall withhold 4.5 percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.

(i) Effective for services rendered on or after January 1, 2014, the commissioner shall withhold three percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program.

APPENDIX

Repealed Minnesota Statutes: 17-2331

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.

(j) A managed care plan or a county-based purchasing plan under section 256B.692 may include as admitted assets under section 62D.044 any amount withheld under this section that is reasonably expected to be returned.

(k) Contracts between the commissioner and a prepaid health plan are exempt from the set-aside and preference provisions of section 16C.16, subdivisions 6, paragraph (a), and 7.

(l) The return of the withhold under paragraphs (h) and (i) is not subject to the requirements of paragraph (c).

(m) Managed care plans and county-based purchasing plans shall maintain current and fully executed agreements for all subcontractors, including bargaining groups, for administrative services that are expensed to the state's public health care programs. Subcontractor agreements determined to be material, as defined by the commissioner after taking into account state contracting and relevant statutory requirements, must be in the form of a written instrument or electronic document containing the elements of offer, acceptance, consideration, payment terms, scope, duration of the contract, and how the subcontractor services relate to state public health care programs. Upon request, the commissioner shall have access to all subcontractor documentation under this paragraph. Nothing in this paragraph shall allow release of information that is nonpublic data pursuant to section 13.02.

**Subd. 5b. Prospective reimbursement rates.** (a) For prepaid medical assistance program contract rates set by the commissioner under subdivision 5, capitation rates for nonmetropolitan counties shall on a weighted average be no less than 87 percent of the capitation rates for metropolitan counties, excluding Hennepin County. The commissioner shall make a pro rata adjustment in capitation rates paid to counties other than nonmetropolitan counties in order to make this provision budget neutral. The commissioner, in consultation with a health care actuary, shall evaluate the regional rate relationships based on actual health plan costs for Minnesota health care programs. The commissioner may establish, based on the actuary's recommendation, new rate regions that recognize metropolitan areas outside of the seven-county metropolitan area.

(b) This subdivision shall not affect the nongeographically based risk adjusted rates established under section 62Q.03, subdivision 5a.

**Subd. 5c. Medical education and research fund.** (a) The commissioner of human services shall transfer each year to the medical education and research fund established under section 62J.692, an amount specified in this subdivision. The commissioner shall calculate the following:

(1) an amount equal to the reduction in the prepaid medical assistance payments as specified in this clause. After January 1, 2002, the county medical assistance capitation base rate prior to plan specific adjustments is reduced 6.3 percent for Hennepin County, two percent for the remaining metropolitan counties, and 1.6 percent for nonmetropolitan Minnesota counties. Nursing facility and elderly waiver payments and demonstration project payments operating under subdivision 23 are excluded from this reduction. The amount calculated under this clause shall not be adjusted for periods already paid due to subsequent changes to the capitation payments;

(2) beginning July 1, 2003, \$4,314,000 from the capitation rates paid under this section;

(3) beginning July 1, 2002, an additional \$12,700,000 from the capitation rates paid under this section; and

(4) beginning July 1, 2003, an additional \$4,700,000 from the capitation rates paid under this section.

(b) This subdivision shall be effective upon approval of a federal waiver which allows federal financial participation in the medical education and research fund. The amount specified under paragraph (a), clauses (1) to (4), shall not exceed the total amount transferred for fiscal year 2009. Any excess shall first reduce the amounts specified under paragraph (a), clauses (2) to (4). Any excess following this reduction shall proportionally reduce the amount specified under paragraph (a), clause (1).

(c) Beginning September 1, 2011, of the amount in paragraph (a), the commissioner shall transfer \$21,714,000 each fiscal year to the medical education and research fund.

(d) Beginning September 1, 2011, of the amount in paragraph (a), following the transfer under paragraph (c), the commissioner shall transfer to the medical education research fund \$23,936,000 in fiscal years 2012 and 2013 and \$49,552,000 in fiscal year 2014 and thereafter.

**Subd. 5d. Modification of payment dates effective January 1, 2001.** Effective for services rendered on or after January 1, 2001, capitation payments under this section for services provided in the month of June shall be made no earlier than the first day after the month of service.

APPENDIX

Repealed Minnesota Statutes: 17-2331

Subd. 5f. **Capitation rates.** (a) Beginning July 1, 2002, the capitation rates paid under this section are increased by \$12,700,000 per year. Beginning July 1, 2003, the capitation rates paid under this section are increased by \$4,700,000 per year.

(b) Beginning July 1, 2009, the capitation rates paid under this section are increased each year by the lesser of \$21,714,000 or an amount equal to the difference between the estimated value of the reductions described in subdivision 5c, paragraph (a), clause (1), and the amount of the limit described in subdivision 5c, paragraph (b).

Subd. 5g. **Payment for covered services.** For services rendered on or after January 1, 2003, the total payment made to managed care plans for providing covered services under the medical assistance program is reduced by .5 percent from their current statutory rates. This provision excludes payments for nursing home services, home and community-based waivers, payments to demonstration projects for persons with disabilities, and mental health services added as covered benefits after December 31, 2007.

Subd. 5h. **Payment reduction.** In addition to the reduction in subdivision 5g, the total payment made to managed care plans under the medical assistance program is reduced 1.0 percent for services provided on or after October 1, 2003, and an additional 1.0 percent for services provided on or after January 1, 2004. This provision excludes payments for nursing home services, home and community-based waivers, payments to demonstration projects for persons with disabilities, and mental health services added as covered benefits after December 31, 2007.

Subd. 5i. **Administrative expenses.** (a) Administrative costs paid to managed care plans and county-based purchasing plans under this section, section 256B.692, and section 256L.12 must not exceed 6.6 percent of total payments made to all managed care plans and county-based purchasing plans in aggregate across all state public health care programs, based on payments expected to be made at the beginning of each calendar year. The commissioner may reduce or eliminate administrative requirements to meet the administrative cost limit. For purposes of this paragraph, administrative costs do not include premium taxes paid under section 297I.05, subdivision 5, provider surcharges paid under section 256.9657, subdivision 3, and health insurance fees under section 9010 of the Affordable Care Act.

(b) The following expenses are not allowable administrative expenses for rate-setting purposes under this section:

(1) charitable contributions made by the managed care plan or the county-based purchasing plan;

(2) compensation of individuals within the organization in excess of \$200,000 such that the allocation of compensation for an individual across all state public health care programs in total cannot exceed \$200,000;

(3) any penalties or fines assessed against the managed care plan or county-based purchasing plan;

(4) any indirect marketing or advertising expenses of the managed care plan or county-based purchasing plan, including but not limited to costs to promote the managed care or county-based purchasing plan, costs of facilities used for special events, and costs of displays, demonstrations, donations, and promotional items such as memorabilia, models, gifts, and souvenirs. The commissioner may classify an item listed in this clause as an allowable administrative expense for rate-setting purposes, if the commissioner determines that the expense is incidental to an activity related to state public health care programs that is an allowable cost for purposes of rate setting;

(5) any lobbying and political activities, events, or contributions;

(6) administrative expenses related to the provision of services not covered under the state plan or waiver;

(7) alcoholic beverages and related costs;

(8) membership in any social, dining, or country club or organization; and

(9) entertainment, including amusement, diversion, and social activities, and any costs directly associated with these costs, including but not limited to tickets to shows or sporting events, meals, lodging, rentals, transportation, and gratuities.

For the purposes of this subdivision, compensation includes salaries, bonuses and incentives, other reportable compensation on an IRS 990 form, retirement and other deferred compensation, and nontaxable benefits. Charitable contributions under clause (1) include payments for or to any organization or entity selected by the managed care plan or county-based purchasing plan that is operated for charitable, educational, political, religious, or scientific purposes, that are not related to medical and administrative services covered under state public health care programs.

(c) Payments to a quality improvement organization are an allowable administrative expense for rate-setting purposes under this section, to the extent they are allocated to a state public health care program and approved by the commissioner.

APPENDIX

Repealed Minnesota Statutes: 17-2331

(d) Where reasonably possible, expenses for an administrative item shall be directly allocated so as to assign costs for an item to an individual state public health care program when the cost can be specifically identified with and benefits the individual state public health care program. For administrative services expensed to the state's public health care programs, managed care plans and county-based purchasing plans must clearly identify and separately record expense items listed under paragraph (b) in their accounting systems in a manner that allows for independent verification of unallowable expenses for purposes of determining payment rates for state public health care programs.

(e) Notwithstanding paragraph (a), the commissioner shall reduce administrative expenses paid to managed care plans and county-based purchasing plans by .50 of a percentage point for contracts beginning January 1, 2016, and ending December 31, 2017. To meet the administrative reductions under this paragraph, the commissioner may reduce or eliminate administrative requirements, exclude additional unallowable administrative expenses identified under this section and resulting from the financial audits conducted under subdivision 9d, and utilize competitive bidding to gain efficiencies through economies of scale from increased enrollment. If the total reduction cannot be achieved through administrative reduction, the commissioner may limit total rate increases on payments to managed care plans and county-based purchasing plans.

Subd. 5j. **Treatment of investment earnings.** Capitation rates shall treat investment income and interest earnings as income to the same extent that investment-related expenses are treated as administrative expenditures.

Subd. 5k. **Actuarial soundness.** (a) Rates paid to managed care plans and county-based purchasing plans shall satisfy requirements for actuarial soundness. In order to comply with this subdivision, the rates must:

- (1) be neither inadequate nor excessive;
- (2) satisfy federal requirements;
- (3) in the case of contracts with incentive arrangements, not exceed 105 percent of the approved capitation payments attributable to the enrollees or services covered by the incentive arrangement;
- (4) be developed in accordance with generally accepted actuarial principles and practices;
- (5) be appropriate for the populations to be covered and the services to be furnished under the contract; and
- (6) be certified as meeting the requirements of federal regulations by actuaries who meet the qualification standards established by the American Academy of Actuaries and follow the practice standards established by the Actuarial Standards Board.

(b) Each year within 30 days of the establishment of plan rates the commissioner shall report to the chairs and ranking minority members of the senate Health and Human Services Budget Division and the house of representatives Health Care and Human Services Finance Division to certify how each of these conditions have been met by the new payment rates.

Subd. 6. **Service delivery.** (a) Each demonstration provider shall be responsible for the health care coordination for eligible individuals. Demonstration providers:

(1) shall authorize and arrange for the provision of all needed health services including but not limited to the full range of services listed in sections 256B.02, subdivision 8, and 256B.0625 in order to ensure appropriate health care is delivered to enrollees. Notwithstanding section 256B.0621, demonstration providers that provide nursing home and community-based services under this section shall provide relocation service coordination to enrolled persons age 65 and over;

(2) shall accept the prospective, per capita payment from the commissioner in return for the provision of comprehensive and coordinated health care services for eligible individuals enrolled in the program;

(3) may contract with other health care and social service practitioners to provide services to enrollees; and

(4) shall institute recipient grievance procedures according to the method established by the project, utilizing applicable requirements of chapter 62D. Disputes not resolved through this process shall be appealable to the commissioner as provided in subdivision 11.

(b) Demonstration providers must comply with the standards for claims settlement under section 72A.201, subdivisions 4, 5, 7, and 8, when contracting with other health care and social service practitioners to provide services to enrollees. A demonstration provider must pay a clean claim, as defined in Code of Federal Regulations, title 42, section 447.45(b), within 30 business days of the date of acceptance of the claim.

Subd. 6a. **Nursing home services.** (a) Notwithstanding Minnesota Rules, part 9500.1457, subpart 1, item B, up to 180 days of nursing facility services as defined in section 256B.0625, subdivision 2, which are provided in a nursing facility certified by the Minnesota Department of

Health for services provided and eligible for payment under Medicaid, shall be covered under the prepaid medical assistance program for individuals who are not residing in a nursing facility at the time of enrollment in the prepaid medical assistance program. The commissioner may develop a schedule to phase in implementation of the 180-day provision.

(b) For individuals enrolled in the Minnesota senior health options project or in other demonstrations authorized under subdivision 23, nursing facility services shall be covered according to the terms and conditions of the federal agreement governing that demonstration project.

(c) For individuals enrolled in demonstrations authorized under subdivision 23, services in an intermediate care facility for persons with developmental disabilities shall be covered according to the terms and conditions of the federal agreement governing the demonstration project.

**Subd. 6b. Home and community-based waiver services.** (a) For individuals enrolled in the Minnesota senior health options project authorized under subdivision 23, elderly waiver services shall be covered according to the terms and conditions of the federal agreement governing that demonstration project.

(b) For individuals under age 65 enrolled in demonstrations authorized under subdivision 23, home and community-based waiver services shall be covered according to the terms and conditions of the federal agreement governing that demonstration project.

(c) The commissioner of human services shall issue requests for proposals for collaborative service models between counties and managed care organizations to integrate the home and community-based elderly waiver services and additional nursing home services into the prepaid medical assistance program.

(d) Notwithstanding Minnesota Rules, part 9500.1457, subpart 1, item C, elderly waiver services shall be covered statewide under the prepaid medical assistance program for all individuals who are eligible according to section 256B.0915. The commissioner may develop a schedule to phase in implementation of these waiver services, including collaborative service models under paragraph (c). The commissioner shall phase in implementation beginning with those counties participating under section 256B.692, and those counties where a viable collaborative service model has been developed. In consultation with counties and all managed care organizations that have expressed an interest in participating in collaborative service models, the commissioner shall evaluate the models. The commissioner shall consider the evaluation in selecting the most appropriate models for statewide implementation.

**Subd. 6d. Prescription drugs.** The commissioner may exclude or modify coverage for prescription drugs from the prepaid managed care contracts entered into under this section in order to increase savings to the state by collecting additional prescription drug rebates. The contracts must maintain incentives for the managed care plan to manage drug costs and utilization and may require that the managed care plans maintain an open drug formulary. In order to manage drug costs and utilization, the contracts may authorize the managed care plans to use preferred drug lists and prior authorization. This subdivision is contingent on federal approval of the managed care contract changes and the collection of additional prescription drug rebates.

**Subd. 7. Enrollee benefits.** All eligible individuals enrolled by demonstration providers shall receive all needed health care services as defined in subdivision 6.

All enrolled individuals have the right to appeal if necessary services are not being authorized as defined in subdivision 11.

**Subd. 8. Preadmission screening waiver.** Except as applicable to the project's operation, the provisions of sections 256.975 and 256B.0911 are waived for the purposes of this section for recipients enrolled with demonstration providers or in the prepaid medical assistance program for seniors.

**Subd. 9. Reporting.** (a) Each demonstration provider shall submit information as required by the commissioner, including data required for assessing client satisfaction, quality of care, cost, and utilization of services for purposes of project evaluation. The commissioner shall also develop methods of data reporting and collection in order to provide aggregate enrollee information on encounters and outcomes to determine access and quality assurance. Required information shall be specified before the commissioner contracts with a demonstration provider.

(b) Aggregate nonpersonally identifiable health plan encounter data, aggregate spending data for major categories of service as reported to the commissioners of health and commerce under section 62D.08, subdivision 3, clause (a), and criteria for service authorization and service use are public data that the commissioner shall make available and use in public reports. The commissioner shall require each health plan and county-based purchasing plan to provide:

(1) encounter data for each service provided, using standard codes and unit of service definitions set by the commissioner, in a form that the commissioner can report by age, eligibility groups, and health plan; and

APPENDIX

Repealed Minnesota Statutes: 17-2331

(2) criteria, written policies, and procedures required to be disclosed under section 62M.10, subdivision 7, and Code of Federal Regulations, title 42, part 438.210 (b)(1), used for each type of service for which authorization is required.

(c) Each demonstration provider shall report to the commissioner on the extent to which providers employed by or under contract with the demonstration provider use patient-centered decision-making tools or procedures designed to engage patients early in the decision-making process and the steps taken by the demonstration provider to encourage their use.

Subd. 9a. **Administrative expense reporting.** Within the limit of available appropriations, the commissioner shall work with the commissioner of health to identify and collect data on administrative spending for state health care programs reported to the commissioner of health by managed care plans under section 62D.08 and county-based purchasing plans under section 256B.692, provided that such data are consistent with guidelines and standards for administrative spending that are developed by the commissioner of health, and reported to the legislature under Laws 2008, chapter 364, section 12. Data provided to the commissioner under this subdivision are nonpublic data as defined under section 13.02.

Subd. 9c. **Managed care financial reporting.** (a) The commissioner shall collect detailed data regarding financials, provider payments, provider rate methodologies, and other data as determined by the commissioner. The commissioner, in consultation with the commissioners of health and commerce, and in consultation with managed care plans and county-based purchasing plans, shall set uniform criteria, definitions, and standards for the data to be submitted, and shall require managed care and county-based purchasing plans to comply with these criteria, definitions, and standards when submitting data under this section. In carrying out the responsibilities of this subdivision, the commissioner shall ensure that the data collection is implemented in an integrated and coordinated manner that avoids unnecessary duplication of effort. To the extent possible, the commissioner shall use existing data sources and streamline data collection in order to reduce public and private sector administrative costs. Nothing in this subdivision shall allow release of information that is nonpublic data pursuant to section 13.02.

(b) Effective January 1, 2014, each managed care and county-based purchasing plan must quarterly provide to the commissioner the following information on state public programs, in the form and manner specified by the commissioner, according to guidelines developed by the commissioner in consultation with managed care plans and county-based purchasing plans under contract:

(17) data on the amount of reinsurance or transfer of risk by program; and

(18) contribution to reserve, by program.

Subd. 9d. **Financial and quality assurance audits.** (a) The commissioner shall require, in the request for bids and resulting contracts with managed care plans and county-based purchasing plans under this section and section 256B.692, that each managed care plan and county-based purchasing plan submit to and fully cooperate with the independent third-party financial audits by the legislative auditor under subdivision 9e of the information required under subdivision 9c, paragraph (b). Each contract with a managed care plan or county-based purchasing plan under this section or section 256B.692 must provide the commissioner, the legislative auditor, and vendors contracting with the legislative auditor, access to all data required to complete audits under subdivision 9e.

(b) Each managed care plan and county-based purchasing plan providing services under this section shall provide to the commissioner biweekly encounter data and claims data for state public health care programs and shall participate in a quality assurance program that verifies the timeliness, completeness, accuracy, and consistency of the data provided. The commissioner shall develop written protocols for the quality assurance program and shall make the protocols publicly available. The commissioner shall contract for an independent third-party audit to evaluate the quality assurance protocols as to the capacity of the protocols to ensure complete and accurate data and to evaluate the commissioner's implementation of the protocols.

The managed care plans and county-based purchasing plans shall fully cooperate with the audits in this subdivision. The commissioner shall report to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance by February 1, 2016, and each February 1 thereafter, the number of ad hoc audits conducted in the past calendar year and the results of these audits.

The audits by the vendors shall be conducted as vendor resources permit and in accordance with generally accepted government auditing standards issued by the United States Government Accountability Office. The contract with the vendors shall be designed and administered so as to render the independent third-party audits eligible for a federal subsidy, if available. The contract shall require the audits to include a determination of compliance with the federal Medicaid rate certification process.

(b) For purposes of this subdivision, "independent third-party" means a vendor that is independent in accordance with government auditing standards issued by the United States Government Accountability Office.

Subd. 10. **Information.** Notwithstanding any law or rule to the contrary, the commissioner may allow disclosure of the recipient's identity solely for the purposes of (a) allowing demonstration providers to provide the information to the recipient regarding services, access to services, and other provider characteristics, and (b) facilitating monitoring of recipient satisfaction and quality of care. The commissioner shall develop and implement measures to protect recipients from invasions of privacy and from harassment.

Subd. 11. **Appeals.** A recipient may appeal to the commissioner a demonstration provider's delay or refusal to provide services, according to section 256.045.

Subd. 16. **Project extension.** Minnesota Rules, parts 9500.1450; 9500.1451; 9500.1452; 9500.1453; 9500.1454; 9500.1455; 9500.1457; 9500.1458; 9500.1459; 9500.1460; 9500.1461; 9500.1462; 9500.1463; and 9500.1464, are extended.

Subd. 17. **Continuation of prepaid medical assistance.** The commissioner may continue the provisions of this section in any or all of the participating counties if necessary federal authority is granted. The commissioner may adopt permanent rules to continue prepaid medical assistance in these areas.

Subd. 18. **Services pending appeal.** If the recipient appeals in writing to the state agency on or before the tenth day after the decision of the prepaid health plan to reduce, suspend, or terminate services which the recipient had been receiving, and the treating physician or another plan physician orders the services to be continued at the previous level, the prepaid health plan must continue to provide services at a level equal to the level ordered by the plan's physician until the state agency renders its decision.

Subd. 19. **Limitation on reimbursement; providers not with prepaid health plan.** A prepaid health plan may limit any reimbursement it may be required to pay to providers not employed by or under contract with the prepaid health plan to the medical assistance rates for medical assistance enrollees paid by the commissioner of human services to providers for services to recipients not enrolled in a prepaid health plan.

Subd. 20. **Ombudsperson.** The commissioner shall designate an ombudsperson to advocate for persons required to enroll in prepaid health plans under this section. The ombudsperson shall advocate for recipients enrolled in prepaid health plans through complaint and appeal procedures and ensure that necessary medical services are provided either by the prepaid health plan directly or by referral to appropriate social services. At the time of enrollment in a prepaid health plan, the local agency shall inform recipients about the ombudsperson program and their right to a resolution of a complaint by the prepaid health plan if they experience a problem with the plan or its providers.

Subd. 21. **Prepayment coordinator.** The county board shall designate a prepayment coordinator to assist the state agency in implementing this section. Assistance must include educating recipients about available health care options, enrolling recipients under subdivision 5, providing necessary eligibility and enrollment information to health plans and the state agency, and coordinating complaints and appeals with the ombudsman established in subdivision 18.

Subd. 22. **Impact on public or teaching hospitals and community clinics.** (a) Before implementing prepaid programs in counties with a county operated or affiliated public teaching hospital or a hospital or clinic operated by the University of Minnesota, the commissioner shall consider the risks the prepaid program creates for the hospital and allow the county or hospital the opportunity to participate in the program, provided the terms of participation in the program are competitive with the terms of other participants.

(b) Prepaid health plans serving counties with a nonprofit community clinic or community health services agency must contract with the clinic or agency to provide services to clients who

choose to receive services from the clinic or agency, if the clinic or agency agrees to payment rates that are competitive with rates paid to other health plan providers for the same or similar services.

(c) For purposes of this subdivision, "nonprofit community clinic" includes, but is not limited to, a community mental health center as defined in sections 245.62 and 256B.0625, subdivision 5.

Subd. 23. **Alternative services; elderly and disabled persons.** (a) The commissioner may implement demonstration projects to create alternative integrated delivery systems for acute and long-term care services to elderly persons and persons with disabilities as defined in section 256B.77, subdivision 7a, that provide increased coordination, improve access to quality services, and mitigate future cost increases. The commissioner may seek federal authority to combine Medicare and Medicaid capitation payments for the purpose of such demonstrations and may contract with Medicare-approved special needs plans that are offered by a demonstration provider or by an entity that is directly or indirectly wholly owned or controlled by a demonstration provider to provide Medicaid services. Medicare funds and services shall be administered according to the terms and conditions of the federal contract and demonstration provisions. For the purpose of administering medical assistance funds, demonstrations under this subdivision are subject to subdivisions 1 to 22. All enforcement and rulemaking powers available under chapters 62D, 62M, and 62Q are hereby granted to the commissioner of health with respect to Medicare-approved special needs plans with which the commissioner contracts to provide Medicaid services under this section. An initial open enrollment period may be provided. Persons who disenroll from demonstrations under this subdivision remain subject to Minnesota Rules, parts 9500.1450 to 9500.1464. When a person is enrolled in a health plan under these demonstrations and the health plan's participation is subsequently terminated for any reason, the person shall be provided an opportunity to select a new health plan and shall have the right to change health plans within the first 60 days of enrollment in the second health plan. Persons required to participate in health plans under this section who fail to make a choice of health plan shall not be randomly assigned to health plans under these demonstrations. Notwithstanding section 256L.12, subdivision 5, and Minnesota Rules, part 9505.5220, subpart 1, item A, if adopted, for the purpose of demonstrations under this subdivision, the commissioner may contract with managed care organizations, including counties, to serve only elderly persons eligible for medical assistance, elderly and disabled persons, or disabled persons only. For persons with a primary diagnosis of developmental disability, serious and persistent mental illness, or serious emotional disturbance, the commissioner must ensure that the county authority has approved the demonstration and contracting design. (b) MS 2009 Supplement [Expired, 2003 c 47 s 4; 2007 c 147 art 7 s 60]

(c) Before implementation of a demonstration project for disabled persons, the commissioner must provide information to appropriate committees of the house of representatives and senate and must involve representatives of affected disability groups in the design of the demonstration projects.

(d) A nursing facility reimbursed under the alternative reimbursement methodology in section 256B.434 may, in collaboration with a hospital, clinic, or other health care entity provide services under paragraph (a). The commissioner shall amend the state plan and seek any federal waivers necessary to implement this paragraph.

(e) The commissioner, in consultation with the commissioners of commerce and health, may approve and implement programs for all-inclusive care for the elderly (PACE) according to federal laws and regulations governing that program and state laws or rules applicable to participating providers. A PACE provider is not required to be licensed or certified as a health plan company as defined in section 62Q.01, subdivision 4. Persons age 55 and older who have been screened by the county and found to be eligible for services under the elderly waiver or community access for disability inclusion or who are already eligible for Medicaid but meet level of care criteria for receipt of waiver services may choose to enroll in the PACE program. programs and Medicaid State Plan Services. The commissioner shall establish Medicaid rates for PACE providers that do not exceed costs that would have been incurred under fee-for-service or other relevant managed care programs operated by the state.

(f) The commissioner shall seek federal approval to expand the Minnesota disability health options (MnDHO) program established under this subdivision in stages, first to regional population centers outside the seven-county metro area and then to all areas of the state. Until July 1, 2009, expansion for MnDHO projects that include home and community-based services is limited to the two projects and service areas in effect on March 1, 2006. Enrollment in integrated MnDHO programs that include home and community-based services shall remain voluntary. Costs for home and community-based services included under MnDHO must not exceed costs that would have been incurred under the fee-for-service program. Notwithstanding whether expansion occurs under this paragraph, in determining MnDHO payment rates and risk adjustment methods, the commissioner must consider the methods used to determine county allocations for home and community-based program participants. If necessary to reduce MnDHO rates to comply with the provision regarding MnDHO costs for home and community-based services, the commissioner shall achieve the reduction by maintaining the base rate for contract year 2010 for services provided under the community access for disability inclusion waiver at the same level as for contract year 2009. The commissioner may apply other reductions to MnDHO rates to implement decreases in provider payment rates required by state law. Effective January 1, 2011, enrollment and operation of the MnDHO program in effect during 2010 shall cease. The commissioner may reopen the program provided all applicable conditions of this section are met. In developing program specifications for expansion of integrated programs, the commissioner shall involve and consult the state-level stakeholder group established in subdivision 28, paragraph (d), including consultation on whether and how to include home and community-based waiver programs. Plans to reopen MnDHO projects shall be presented to the chairs of the house of representatives and senate committees with jurisdiction over health and human services policy and finance prior to implementation.

Payments for services provided under this subdivision shall be made on a fee-for-service basis, and may, at the option of the tribe or tribal organization, be made according to rates authorized under sections 256.969, subdivision 16, and 256B.0625, subdivision 34. Implementation of this purchasing model is contingent on federal approval.

(b) The commissioner of human services, in consultation with the tribal governments, shall develop a plan for tribes to assist in the enrollment process for American Indian recipients enrolled in the prepaid medical assistance program under this section. This plan also shall address how tribes will be included in ensuring the coordination of care for American Indian recipients between Indian health service or tribal providers and other providers.

(2) basic health care services may also include risk for up to 100 days of nursing facility services for persons who reside in a noninstitutional setting and home health services related to rehabilitation as defined by the commissioner after consultation with the stakeholder group.

The commissioner may exclude other medical assistance services from the basic health care benefit set. Enrollees in these plans can access any excluded services on the same basis as other medical assistance recipients who have not enrolled.

(b) The commissioner may contract with demonstration providers and current and former sponsors of qualified Medicare special needs plans, to provide basic health care services under medical assistance to persons who are dually eligible for both Medicare and Medicaid and those Social Security beneficiaries eligible for Medicaid but in the waiting period for Medicare. The commissioner shall consult with the stakeholder group under paragraph (d) in developing program specifications for these services. Payment for Medicaid services provided under this subdivision for the months of May and June will be made no earlier than July 1 of the same calendar year.

(c) Notwithstanding subdivision 4, beginning January 1, 2012, the commissioner shall enroll persons with disabilities in managed care under this section, unless the individual chooses to opt out of enrollment. The commissioner shall establish enrollment and opt out procedures consistent with applicable enrollment procedures under this section.

(d) The commissioner shall establish a state-level stakeholder group to provide advice on managed care programs for persons with disabilities, including both MnDHO and contracts with special needs plans that provide basic health care services as described in paragraphs (a) and (b). The stakeholder group shall provide advice on program expansions under this subdivision and subdivision 23, including:

(1) implementation efforts;

(2) consumer protections; and

(3) program specifications such as quality assurance measures, data collection and reporting, and evaluation of costs, quality, and results.

(e) Each plan under contract to provide medical assistance basic health care services shall establish a local or regional stakeholder group, including representatives of the counties covered by the plan, members, consumer advocates, and providers, for advice on issues that arise in the local or regional area.

(f) The commissioner is prohibited from providing the names of potential enrollees to health plans for marketing purposes. The commissioner shall mail no more than two sets of marketing materials per contract year to potential enrollees on behalf of health plans, at the health plan's request. The marketing materials shall be mailed by the commissioner within 30 days of receipt of these materials from the health plan. The health plans shall cover any costs incurred by the commissioner for mailing marketing materials.

**Subd. 29. Prepaid health plan rates.** In negotiating prepaid health plan contract rates, the commissioner of human services shall take into consideration, and the rates shall reflect, the anticipated savings in the medical assistance program due to extending medical assistance coverage to services provided in licensed birth centers, the anticipated use of these services within the medical assistance population, and the reduced medical assistance costs associated with the use of birth centers for normal, low-risk deliveries.

**Subd. 30. Provision of required materials in alternative formats.** (a) For the purposes of this subdivision, "alternative format" means a medium other than paper and "prepaid health plan" means managed care plans and county-based purchasing plans.

(2) the materials are sent to a secure electronic mailbox and are made available at a password-protected secure electronic Web site or on a data storage device if the materials contain enrollee data that is individually identifiable;

(3) the enrollee is provided a customer service number on the enrollee's membership card that may be called to request a paper version of the materials provided in an alternative format; and

(4) the materials provided in an alternative format meets all other requirements of the commissioner regarding content, size of the typeface, and any required time frames for distribution. "Required time frames for distribution" must permit sufficient time for prepaid health plans to distribute materials in alternative formats upon receipt of enrollees' requests for the materials.

(c) A prepaid health plan may provide in an alternative format its primary care network list to the commissioner and to local agencies within its service area. The commissioner or local agency, as applicable, shall inform a potential enrollee of the availability of a prepaid health plan's primary care network list in an alternative format. If the potential enrollee requests an alternative format of the prepaid health plan's primary care network list, a record of that request shall be retained by the commissioner or local agency. The potential enrollee is permitted to withdraw the request at any time.

The prepaid health plan shall submit sufficient paper versions of the primary care network list to the commissioner and to local agencies within its service area to accommodate potential enrollee requests for paper versions of the primary care network list.

(d) A prepaid health plan may provide in an alternative format materials otherwise required to be available in writing under Code of Federal Regulations, title 42, section 438.10, or under the commissioner's contract with the prepaid health plan, if the conditions of paragraphs (b) and (c) are met for persons who are eligible for enrollment in managed care.

The commissioner shall consult with managed care plans, county-based purchasing plans, counties, and other interested parties to develop recommendations relating to the conditions that must be met for an opt-out process to be granted.

Subp. 3a. **Documentation.** Progress notes and plan review do not require separate documentation if the information in the client file meets the requirements of subpart 3, items A and B.

Subp. 4. **Summary at termination of services.** An alcohol and drug counselor must write a discharge summary for each client. The summary must be completed within five days of the client's service termination or within five days from the client's or program's decision to terminate services, whichever is earlier.
