11.30 (e) Home care providers must make every effort to assist residents in obtaining  
11.31 information regarding whether the Medicare, medical assistance, or other public program  
11.32 will pay for any or all of the services.

12.1 Subd. 11. **Right to information about charges.** (a) Before services are initiated, residents  
12.2 have the right to be notified:

12.3 (1) of home care provider charges for the services;

12.4 (2) as to what extent payment may be expected from health insurance, public programs,  
12.5 or other sources, if known; and

12.6 (3) what charges the resident may be responsible for paying.

12.7 (b) If an assisted living contract or home care service agreement permits changes in  
12.8 charges, residents have the right to reasonable, advance notice of any change.

12.9 Subd. 12. **Right to information about health care treatment.** Where applicable,  
12.10 residents have the right to be given by their physicians complete and current information  
12.11 concerning their diagnosis, cognitive functioning level, treatment, alternatives, risks, and  
12.12 prognosis as required by the physician's legal duty to disclose. This information must be in  
12.13 terms and language the residents can reasonably be expected to understand. This information  
12.14 shall include the likely medical or major psychological results of the treatment and its  
12.15 alternatives. Residents receiving home care services from the assisted living establishment  
12.16 directly, or through an affiliated home care provider, may be accompanied by a family  
12.17 member or other designated representative, or both.

12.18 Subd. 13. **Right to refuse services or care.** (a) Residents have the right to refuse services  
12.19 or care.

12.20 (b) Home care providers and assisted living establishments must document in the  
12.21 resident's record that the home care provider informed residents who refuse care, services,  
12.22 treatment, medication, or dietary restrictions of the likely medical, health-related, or  
12.23 psychological consequences of the refusal.

12.24 (c) In cases where a resident is incapable of understanding the circumstances but has  
12.25 not been adjudicated incompetent, or when legal requirements limit the right to refuse  
12.26 medical treatment, the conditions and circumstances must be fully documented by the  
12.27 attending physician in the resident's record.

12.28 Subd. 14. **Right to personal, treatment, and communication privacy.** (a) In assisted  
12.29 living establishments, residents have the right to:

12.30 (1) every consideration of their privacy, individuality, and cultural identity as related to  
12.31 their social, religious, and psychological well-being. Staff must respect the privacy of a  
12.32 resident's space by knocking on the door and seeking consent before entering, except in an  
12.33 emergency or where clearly inadvisable;

13.1 (2) respectfulness and privacy as they relate to the resident's medical and personal care  
13.2 program. Case discussion, consultation, examination, and treatment are confidential and  
13.3 must be conducted discreetly. Privacy must be respected during toileting, bathing, and other  
13.4 activities of personal hygiene, except as needed for resident safety or assistance;

13.5 (3) communicate privately with persons of their choice;

13.6 (4) enter and, if not residing in a secure assisted living establishment, leave the facility  
13.7 as they choose;

13.8 (5) private communication with a representative of a protection and advocacy services  
13.9 agency; and

13.10 (6) access Internet service at their expense, unless offered by the home care provider or  
13.11 assisted living establishment.

13.12 (b) Personal mail must be sent by the assisted living establishment without interference  
13.13 and received unopened unless medically or programmatically contraindicated and  
13.14 documented by the physician or advanced practice registered nurse in the resident's record.  
13.15 Residents must be provided access to a telephone to make and receive calls as well as speak  
13.16 privately. Assisted living establishments that are unable to provide a private area must make  
13.17 reasonable arrangements to accommodate the privacy of residents' calls.

13.18 Subd. 15. **Right to confidentiality of records.** Residents have the right to have personal,  
13.19 financial, and medical information kept private, to approve or refuse release of information  
13.20 to any outside party, and to be advised of the assisted living establishment and home care  
13.21 providers' policies and procedures regarding disclosure of the information. Residents must  
13.22 be notified when personal records are requested by any outside party.

13.23 Subd. 16. **Right to visitors and social participation.** (a) Residents have the right of  
13.24 reasonable access at reasonable times, or any time when the resident's welfare is in immediate  
13.25 jeopardy, to any available rights protection services and advocacy services.

13.26 (b) Residents have the right to meet with or receive visits at reasonable times by the  
13.27 resident's guardian, conservator, health care agent, family, attorney, advocate, religious or  
13.28 social work counselor, or any person of the resident's choosing, or at any time when the  
13.29 resident's welfare is in immediate jeopardy.

13.30 (c) Residents have the right to participate in commercial, religious, social, community,  
13.31 and political activities without interference and at their discretion if the activities do not  
13.32 infringe on the right to privacy of other residents.

14.1 Subd. 17. **Right to designate representative.** Residents have the right to name a  
14.2 designated representative. Before or at the time of execution of an assisted living contract,  
14.3 assisted living establishments must offer the resident the opportunity to identify a designated  
14.4 representative in writing in the contract. Residents have the right at any time at or after they  
14.5 enter into an assisted living contract to name a designated representative.

14.6 Subd. 18. **Right to form family and advisory councils.** Residents in assisted living  
14.7 establishments and their families have the right to organize, maintain, and participate in  
14.8 resident family and advisory councils. Assisted living establishments must provide assistance  
14.9 and space for meetings and afford privacy. Staff or visitors may attend only upon the council's  
14.10 invitation. A staff person must be designated the responsibility of providing this assistance  
14.11 and responding to written requests that result from council meetings. Resident and family  
14.12 councils must be encouraged to make recommendations regarding establishment policies.

14.13 Subd. 19. **Right to complain.** Residents have the right to:

14.14 (1) complain or inquire about either care or services that are provided or not provided;

14.15 (2) complain about the lack of courtesy or respect to the resident or to the resident's  
14.16 property;

14.17 (3) know how to contact the agent of the assisted living establishment or unaffiliated  
14.18 home care provider who is responsible for handling complaints and inquiries;

14.19 (4) have the assisted living establishment or the unaffiliated home care provider conduct  
14.20 an investigation, attempt to resolve, and provide a timely response to the complaint or  
14.21 inquiry; and

14.22 (5) recommend changes in policies and services to staff and others of their choice.

14.23 Subd. 20. **Right to assert rights.** Residents, their designated representatives, or any  
14.24 person or persons on behalf of the resident have the right to assert the rights granted to  
14.25 residents under this section or any other section.

14.26 **EFFECTIVE DATE.** This section is effective August 1, 2019.

14.27 Sec. 7. **[144J.07] ELECTRONIC MONITORING.**

14.28 Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have  
14.29 the meanings given them.

14.30 (b) "Electronic monitoring device" means a camera or other device that captures, records,  
14.31 or broadcasts audio, video, or both, that is placed in a resident's room or private living space  
14.32 and is used to monitor the resident or activities in the room or private living space.

15.1 (c) "Facility" means a facility that is:

15.2 (1) licensed as a nursing home under chapter 144A;

15.3 (2) licensed as a boarding care home under sections 144.50 to 144.56; or

15.4 (3) an assisted living establishment, as defined in section 144J.01, subdivision 6.

15.5 (d) "Resident" means a person 18 years of age or older residing in a facility.

15.6 (e) "Resident representative" means a court-appointed guardian, health care agent under  
15.7 section 145C.01, subdivision 2, or a person chosen by the resident and identified in the  
15.8 resident's records on file with the facility.

15.9 Subd. 2. **Electronic monitoring authorized.** (a) A facility must allow a resident or a  
15.10 resident representative to conduct electronic monitoring of the resident's room or private  
15.11 living space as provided in this section.

15.12 (b) Nothing in this section precludes the use of electronic monitoring of health care  
15.13 allowed under other law.

15.14 Subd. 3. **Consent on behalf of a resident.** (a) If the resident has not affirmatively  
15.15 objected to electronic monitoring and the resident's health care provider determines that the  
15.16 resident lacks the ability to understand and appreciate the nature and consequences of  
15.17 electronic monitoring, the resident representative may consent on behalf of the resident,  
15.18 subject to paragraph (b). For purposes of this subdivision, a resident affirmatively objects  
15.19 when the resident orally, visually, or through the use of auxiliary aids or services declines  
15.20 electronic monitoring.

15.21 (b) Prior to a resident representative consenting on behalf of a resident, the resident must  
15.22 be asked by the resident representative if the resident wants electronic monitoring to be  
15.23 conducted. The resident representative must explain to the resident:

15.24 (1) the reason for placing the electronic monitoring device;

15.25 (2) the type of electronic monitoring device to be used;

15.26 (3) that the resident may place conditions on the electronic monitoring device's use, as  
15.27 provided under subdivision 7, paragraph (a), clause (6);

15.28 (4) with whom the recording may be shared under this section; and

15.29 (5) the resident's ability to decline all recording.

15.30 The resident's response must be documented on the notification and consent form.

16.1 (c) A resident may set conditions for use of the electronic monitoring device, including  
16.2 the list of standard conditions provided under subdivision 7, paragraph (a), clause (6).

16.3 (d) A resident may request that the electronic monitoring device be turned off or the  
16.4 visual or audio recording component of the electronic monitoring device be blocked at any  
16.5 time.

16.6 (e) A resident may withdraw the consent made on the resident's behalf at any time by  
16.7 affirmatively objecting to the monitoring.

16.8 Subd. 4. Roommate consent. (a) Prior to implementing electronic monitoring, a resident  
16.9 or a resident representative must obtain the written consent on the notification and consent  
16.10 form of any other resident residing in the room or private living space.

16.11 (b) If the roommate has not affirmatively objected to the electronic monitoring in  
16.12 accordance with this subdivision and the roommate's physician determines that the roommate  
16.13 lacks the ability to understand and appreciate the nature and consequences of electronic  
16.14 monitoring, the roommate's resident representative may consent on behalf of the roommate.  
16.15 The roommate and the roommate's resident representative must be told:

16.16 (1) the reason for placing the electronic monitoring device;

16.17 (2) the type of electronic monitoring device to be used;

16.18 (3) that they can place conditions on the electronic monitoring device's use, including  
16.19 those listed under subdivision 7, paragraph (a), clause (6);

16.20 (4) with whom the recording may be shared under this section; and

16.21 (5) their ability to decline all recording.

16.22 (c) A roommate or roommate's resident representative may consent to electronic  
16.23 monitoring with any conditions of the roommate's choosing, including the list of standard  
16.24 conditions listed under subdivision 7, paragraph (a), clause (6). A roommate may request  
16.25 that the visual or audio recording component of the electronic monitoring device be disabled  
16.26 or blocked at any time.

16.27 (d) The roommate or roommate's resident representative may withdraw consent at any  
16.28 time by submitting written notice to the facility.

16.29 (e) Any resident currently conducting electronic monitoring must obtain consent from  
16.30 any new roommate before the resident continues authorized electronic monitoring. If a new  
16.31 roommate does not consent to electronic monitoring and the resident conducting the electronic

17.1 monitoring does not remove the electronic monitoring device, the facility must remove the  
17.2 electronic monitoring device.

17.3 Subd. 5. **Reasonable accommodation.** (a) If a resident of a facility who is residing in  
17.4 a shared room wants to conduct electronic monitoring and another resident living in or  
17.5 moving into the same shared room refuses to consent to the use of an electronic monitoring  
17.6 device, the facility must make a reasonable attempt to accommodate the resident who wants  
17.7 to conduct electronic monitoring. A facility has met the requirement to make a reasonable  
17.8 attempt when upon notification that a roommate has not consented to the use of an electronic  
17.9 monitoring device in the resident's room, the facility offers to move the resident to another  
17.10 shared room that is available at the time of the request.

17.11 (b) If a resident chooses to reside in a private room in a facility in order to accommodate  
17.12 the use of an electronic monitoring device, the resident must pay the private room rate. If  
17.13 a facility is unable to accommodate a resident due to lack of space, the facility must  
17.14 reevaluate the request every two weeks until the request is fulfilled. Notwithstanding any  
17.15 other provision of this chapter, a facility is not required to provide a private room or a  
17.16 single-bed room to a resident who is not a private-pay resident.

17.17 Subd. 6. **Notice of monitoring to the facility; exceptions to required notice.** (a)  
17.18 Electronic monitoring may begin only after the resident or resident representative who  
17.19 intends to place an electronic monitoring device completes and submits to the facility a  
17.20 notification and consent form prescribed by the commissioner.

17.21 (b) Notwithstanding paragraph (a), the resident or resident representative who intends  
17.22 to place an electronic monitoring device may do so without submitting a notification and  
17.23 consent form to the facility:

17.24 (1) for up to 30 days if the resident or the resident representative reasonably fears  
17.25 retaliation against the resident by the facility and timely submits a Minnesota Adult Abuse  
17.26 Reporting Center report or police report, or both, upon evidence from the electronic  
17.27 monitoring device that suspected maltreatment has occurred;

17.28 (2) for up to 30 days if there has not been a timely written response from the facility to  
17.29 a written communication from the resident or resident representative expressing a concern  
17.30 prompting the desire for placement of an electronic monitoring device; or

17.31 (3) for up to 30 days if the resident or resident representative has already submitted a  
17.32 Minnesota Adult Abuse Reporting Center report or police report regarding the resident's  
17.33 concerns prompting the desire for placement.

18.1 Subd. 7. Notification and consent form requirements. (a) The notification and consent  
18.2 form must include, at a minimum, the following information:

18.3 (1) the resident's signed consent to electronic monitoring or the signature of the resident  
18.4 representative, if applicable. If the resident representative signs the consent form, the form  
18.5 must document the following:

18.6 (i) the date the resident was asked if the resident wants electronic monitoring to be  
18.7 conducted;

18.8 (ii) who was present when the resident was asked; and

18.9 (iii) an acknowledgment that the resident did not affirmatively object;

18.10 (2) the resident's roommate's signed consent or the signature of the roommate's resident  
18.11 representative, if applicable. If a roommate's resident representative signs the consent form,  
18.12 the form must document the following:

18.13 (i) the date the roommate was asked if the roommate consents to electronic monitoring;

18.14 (ii) who was present when the roommate was asked; and

18.15 (iii) an acknowledgment that the roommate did not affirmatively object;

18.16 (3) the type of electronic monitoring device to be used;

18.17 (4) any installation needs, including the mounting of a device to a wall or ceiling;

18.18 (5) the proposed date of installation for scheduling purposes;

18.19 (6) a list of standard conditions or restrictions that the resident or a roommate may elect  
18.20 to place on the use of the electronic monitoring device including but not limited to:

18.21 (i) prohibiting audio recording;

18.22 (ii) prohibiting video recording;

18.23 (iii) prohibiting broadcasting of audio or video;

18.24 (iv) turning off the electronic monitoring device or blocking the visual recording  
18.25 component of the electronic monitoring device for the duration of an exam or procedure by  
18.26 a health care professional;

18.27 (v) turning off the electronic monitoring device or blocking the visual recording  
18.28 component of the electronic monitoring device while dressing or bathing is performed; and

18.29 (vi) turning off the electronic monitoring device for the duration of a visit with a spiritual  
18.30 adviser, ombudsman, attorney, financial planner, intimate partner, or other visitor;

19.1 (7) any other condition or restriction elected by the resident or roommate on the use of  
19.2 an electronic monitoring device;

19.3 (8) a signature box for documenting that the resident or roommate has withdrawn consent;  
19.4 and

19.5 (9) a statement of the circumstances under which a recording may be disseminated under  
19.6 subdivision 10.

19.7 (b) Subject to subdivision 6, paragraph (b), copies of the completed notification and  
19.8 consent form must be provided to the resident and the resident's roommate, if applicable.

19.9 Copies of all completed notification and consent forms must be submitted to the facility,  
19.10 and the facility must keep the notification and consent forms on file in a location separate  
19.11 from the resident's clinical record.

19.12 (c) The commissioner must prepare a notification and consent form required in this  
19.13 section no later than August 1, 2019, and must make the form available on the department's  
19.14 website.

19.15 Subd. 8. **Costs and installation.** (a) A resident or resident representative choosing to  
19.16 conduct electronic monitoring must do so at the resident's own expense, including paying  
19.17 for the purchase, installation, maintenance, and removal costs.

19.18 (b) If a resident chooses to install an electronic monitoring device that uses Internet  
19.19 technology for visual or audio monitoring and Internet service is not included in the rate or  
19.20 available through facility, the resident may be responsible for contracting with an Internet  
19.21 service provider.

19.22 (c) The facility must make a reasonable attempt to accommodate the resident's installation  
19.23 needs, including allowing access to the facility's telecommunications or equipment room.  
19.24 A facility has the burden of proving that a requested accommodation is not reasonable.

19.25 (d) All electronic monitoring device installations and supporting services must be  
19.26 Underwriters Laboratories-listed.

19.27 Subd. 9. **Notice to visitors.** A facility must post a sign at each entrance accessible to  
19.28 visitors that states: "Electronic monitoring devices may be present to record persons and  
19.29 activities" using bold typeface and using a font size that can be easily seen. The facility is  
19.30 responsible for installing and maintaining the signage required in this subdivision.

19.31 Subd. 10. **Dissemination of data.** (a) No person may access any video or audio recording  
19.32 created through electronic monitoring without the written consent of the resident or the  
19.33 resident representative.

20.1 (b) Except as required under other law, a recording or copy of a recording made as  
20.2 provided in this section may only be disseminated for the purpose of addressing health,  
20.3 safety, or welfare concerns of a resident or residents.

20.4 (c) Disseminating a recording or a copy of a recording that was made according to this  
20.5 section but in violation of this subdivision may be grounds for civil or criminal liability.

20.6 (d) An employee of a facility who is the subject of proposed corrective or disciplinary  
20.7 action based upon evidence obtained by electronic monitoring must be given access to that  
20.8 evidence for purposes of defending against the proposed action. The recording or a copy  
20.9 of the recording must be treated confidentially by the employee and must not be further  
20.10 disseminated to any other person except as required under law. Any copy of the recording  
20.11 must be returned to the facility or resident who provided the copy when it is no longer  
20.12 needed for purposes of defending against a proposed action.

20.13 Subd. 11. **Facility liability.** (a) A facility is not civilly or criminally liable for the  
20.14 inadvertent or unintentional disclosure of a recording by a resident or a resident representative  
20.15 for any purpose not authorized by this section.

20.16 (b) A facility is not civilly or criminally liable for a violation of a resident's right to  
20.17 privacy based solely on the use of electronic monitoring conducted as provided for in this  
20.18 section.

20.19 Subd. 12. **Obstruction of electronic monitoring.** (a) A person must not knowingly  
20.20 hamper, obstruct, tamper with, or destroy an electronic monitoring device placed in a  
20.21 resident's room or private living space without the permission of the resident or the resident's  
20.22 legal representative.

20.23 (b) It is not a violation of this subdivision if a person turns off the electronic monitoring  
20.24 device or blocks the visual recording component of the electronic monitoring device at the  
20.25 direction of the resident or the resident representative, or if consent for use of electronic  
20.26 monitoring has been withdrawn.

20.27 Subd. 13. **Resident rights and protection.** A facility must not:

20.28 (1) refuse to admit a potential resident or remove a resident because the facility disagrees  
20.29 with the potential resident's, the resident's, or the resident representative's decisions regarding  
20.30 electronic monitoring;

20.31 (2) retaliate against any resident for consenting or refusing to consent to electronic  
20.32 monitoring under this section; or

21.1 (3) prevent the placement or use of an electronic monitoring device by a resident who  
21.2 has provided the facility with notice and consent as required under this section.

21.3 Subd. 14. **Penalties.** The commissioner may issue a correction order upon a finding that  
21.4 the facility has failed to comply with this section. The commissioner may impose a fine of  
21.5 up to \$500 upon a finding of noncompliance with a correction order issued under this  
21.6 subdivision.

21.7 **EFFECTIVE DATE.** This section is effective August 1, 2019.

21.8 Sec. 8. **[144J.08] USE OF RESTRAINTS IN ASSISTED LIVING**  
21.9 **ESTABLISHMENTS.**

21.10 Residents of assisted living establishments must be free from any physical or chemical  
21.11 restraints imposed for purposes of discipline or convenience.

21.12 **EFFECTIVE DATE.** This section is effective August 1, 2019.

21.13 Sec. 9. **[144J.09] RETALIATION PROHIBITED IN ASSISTED LIVING**  
21.14 **ESTABLISHMENTS.**

21.15 (a) No assisted living establishment or agent of the assisted living establishment may  
21.16 retaliate against a resident or employee if the resident, employee, or any person on behalf  
21.17 of the resident:

21.18 (1) files a complaint or grievance, makes an inquiry, or asserts any right;

24.15 assessment to determine the person's physical, cognitive, social, and service needs, and  
24.16 propose a plan for care and services based on the assessment, before the earlier of the date  
24.17 the prospective resident:

24.19 (2) moves in.

24.20 (b) An assisted living establishment must conduct ongoing physical, cognitive, social,

25.7 Subd. 2. **Prerequisite to termination of housing or services.** Before terminating a  
25.8 resident's housing or services, an assisted living establishment must explain in detail the  
25.9 reasons for the termination and work with the resident, the resident's designated  
25.10 representative, the resident's family, applicable agencies, and any relevant health-related or  
25.11 social service professionals to identify and offer reasonable accommodations, interventions,  
25.12 or alternatives to avoid the termination.

25.13 Subd. 3. **Permissible reasons to terminate housing or services.** (a) An assisted living  
25.14 establishment is prohibited from terminating housing or services for grounds other than  
25.15 those specified in paragraphs (b) and (c).

25.16 (b) A resident's housing or services may not be terminated except upon a written  
25.17 determination, supported by documentation, by the assisted living establishment administrator  
25.18 that termination is necessary because:

25.19 (1) it is mandated by law or court order;

25.20 (2) the resident has engaged in a documented pattern of conduct that:

25.21 (i) endangers the resident's own health, safety, or well-being;

25.23 establishment or affiliated home care provider; or

25.30 the scope of the assisted living establishment's license, only:

26.1 (1) upon a certification by the assisted living establishment administrator, based on an  
26.2 evaluation by a disinterested, licensed health care professional; and

26.3 (2) if the resident's needs cannot be safely met by reasonable accommodations,  
26.4 interventions, or alternatives.

26.5 (d) An assisted living establishment may initiate discharge, eviction, transfer, or  
26.6 termination of home care services procedures for nonpayment, provided the assisted living

26.9 information on government or private subsidies that may be available;

26.11 other public benefit eligibility and payment process; and

26.12 (3) provides the notice required under subdivision 4 to the ombudsman for long-term  
26.13 care.

26.14 A temporary interruption in benefits does not constitute nonpayment.

26.15 (e) When an affiliated home care provider voluntarily discontinues services to all  
26.16 residents, the affiliated home care provider must notify the commissioner, lead agencies,  
26.17 and ombudsman for long-term care about the residents and comply with the requirements

26.26 clinical or other supporting rationale;

26.27 (3) a list of known assisted living establishments and unaffiliated home care providers  
26.28 in the immediate geographic area;

26.29 (4) a statement that the resident has the right to appeal the termination, an explanation  
26.30 of how and to whom to appeal, and contact information for the Office of Administrative  
26.31 Hearings;

- 27.1 (5) information on how to contact the ombudsman for long-term care;
- 27.2 (6) if the resident must relocate, a statement that the assisted living establishment must  
27.3 actively participate in a coordinated transfer of care of the resident to another provider or  
27.4 caregiver, as required under subdivision 8.
- 27.5 (7) the name and contact information of a person employed by the assisted living  
27.6 establishment with whom the resident may discuss the notice of termination of housing or  
27.7 services; and
- 27.8 (8) if the termination is for services, a statement, if applicable, that the notice of  
27.9 termination of services does not constitute a termination of housing or an eviction from the  
27.10 resident's home, and that the resident has the right to remain in the assisted living  
27.11 establishment if the resident can secure necessary home care services from an unaffiliated  
27.12 home care provider.
- 27.13 Subd. 6. **Exception for emergencies.** (a) An assisted living establishment may relocate  
27.14 a resident from an assisted living establishment with less than 30 days' notice if:
- 27.15 (1) emergency relocation is ordered by the resident's physician; or
- 27.16 (2) the assisted living establishment administrator, based on documented evidence,  
27.17 determines that the resident needs to be immediately relocated because the resident or

- 27.21 (iii) substantial harm, as that term is defined in section 609.02, subdivision 7a; or
- 27.22 (iv) great bodily harm, as that term is defined in section 609.02, subdivision 8.
- 27.23 (b) An assisted living establishment relocating a resident under this subdivision must:
- 27.24 (1) ensure that the resident is moved to a safe and appropriate location;
- 27.25 (2) immediately notify the ombudsman for long-term care and the resident's designated  
27.26 representative or, if no designated representative and if known, a family member or interested  
27.27 person:
- 27.28 (i) that the resident has been relocated;
- 27.29 (ii) the reason for the relocation; and
- 27.30 (iii) the name, address, telephone number, and any other relevant contact information

28.5 all the rights available under this section.

28.6 Subd. 7. **Right to appeal termination of housing or services.** (a) A resident or resident's  
28.7 designated representative has the right to appeal a termination of housing or services and  
28.8 request a hearing from the Office of Administrative Hearings. An appeal must be filed, in  
28.9 writing, to the Office of Administrative Hearings.

28.10 (b) The Office of Administrative Hearings must conduct an expedited hearing as soon  
28.11 as practicable after the office receives the request. The hearing must be held at the assisted  
28.12 living establishment where the resident lives, unless it is impractical, or the parties agree  
28.13 to a different place.

28.14 (c) The assisted living establishment bears the burden of proof to establish the termination  
28.15 of housing or services is permissible.

28.16 (d) During the pendency of an appeal and until a final determination is made by the  
28.17 Office of Administrative Hearings:

28.18 (1) housing or services may not be terminated; and

28.19 (2) the resident must be readmitted if the resident was hospitalized for medical necessity.

28.20 (e) The commissioner of health may order the assisted living establishment to rescind  
28.21 the termination of housing and services if the termination was in violation of state or federal  
28.22 law.

28.23 (f) Nothing in this section limits the right of a resident or the resident's designated  
28.24 representative to request or receive assistance from the ombudsman for long-term care and  
28.25 the protection and advocacy agency concerning the termination of housing or services.

28.26 Subd. 8. **Discharge planning.** (a) Unless the resident or the designated representative

28.28 living establishment from which a resident must relocate under this section:

28.29 (1) has an affirmative duty to ensure a coordinated and orderly transfer of the resident  
28.30 to a safe location that is appropriate for the resident; and

29.1 (2) must consult and cooperate with the resident, the resident's designated representative,  
29.2 family members, any interested professionals, and applicable agencies to make arrangements  
29.3 to relocate the resident.

29.4 (b) The assisted living establishment must prepare a written relocation plan. The plan  
29.5 must:

29.6 (1) contain all necessary steps to be taken to reduce transfer trauma; and

29.7 (2) specify the measures to be taken until relocation to protect the resident and meet the  
29.8 resident's health and safety needs.

29.9 (c) An assisted living establishment may not relocate the resident unless the place to  
29.10 which the resident is to be relocated indicates it will accept the resident.

55.19 including forgery, embezzlement, obtaining money under false pretenses, larceny, extortion,  
55.20 conspiracy to defraud, or any other similar offense or violation, or any violation of section  
55.21 626.557 or any other similar law in any other state, or any violation of a federal or state law  
55.22 or regulation in connection with activities involving any consumer fraud, false advertising,  
55.23 deceptive trade practices, or similar consumer protection law;

55.24 (ii) any judgments, private or public litigation, tax liens, written complaints, administrative  
55.25 actions, or investigations by any government agency against the applicant or the applicant's  
55.26 affiliated home care provider, or officer, director or manager of, or shareholder owning  
55.27 more than five percent interest in the applicant or the applicant's affiliated home care provider  
55.28 that are unresolved or otherwise filed or commenced within the preceding ten years;

55.29 (iii) whether the applicant or the applicant's affiliated home care provider, or any person  
55.30 employed by the applicant or the applicant's affiliated home care provider, has a record of  
55.31 defaulting in the payment of money collected for others, including the discharge of debts  
55.32 through bankruptcy proceedings; and

56.1 (iv) whether the applicant or the applicant's home care provider's license or registration  
56.2 in this or any other state to provide the services for which the applicant seeks to be licensed  
56.3 has ever been revoked or suspended;

56.4 (5) a copy of the architectural and engineering plans and specifications of the facility as  
56.5 prepared and certified by an architect or engineer registered to practice in this state;

56.6 (6) a showing of proof that the establishment is in compliance with the workers'  
56.7 compensation insurance coverage requirement, as provided under section 176.82;

56.8 (7) a showing of proof that the establishment has sufficient liability coverage;

56.9 (8) for applicants for a Level 3 license:

56.10 (i) verification that the establishment will comply with the requirements of section  
56.11 325F.72; and

56.12 (ii) evidence satisfactory to the commissioner that the assisted living establishment has  
56.13 met the requirements in rules adopted by the commissioner for qualifications and training  
56.14 of administrators and staff of Level 3 licensed establishments;

56.15 (9) if applicable, evidence satisfactory to the commissioner that the affiliated home care  
56.16 provider has a current license, as required under section 144A.471, subdivision 1, and meets  
56.17 all applicable requirements under statute and rule to provide home care services to residents;  
56.18 and

56.19 (10) any other relevant information the commissioner determines is necessary to properly  
56.20 evaluate an application for license.

56.21 (c) An application for any assisted living license must be signed by the owner or owners,  
56.22 or an authorized agent of the owner or owners. An application submitted on behalf of a  
56.23 corporation, association, or governmental unit or instrumentality must be signed by at least  
56.24 two officers or managing agents of that entity.

56.25 (d) If the owner of the assisted living establishment is a corporation, an authorized agent  
56.26 of the corporation must submit copies of articles of incorporation and bylaws and any  
56.27 amendments as they occur, together with the names and addresses of the assisted living  
56.28 establishment's officers and directors. If the assisted living establishment is owned by a  
56.29 foreign corporation, an authorized agent must furnish the commissioner with a copy of the  
56.30 foreign corporation's certificate of authority to do business in this state.

57.1 Subd. 2. **Agents.** (a) An application for any assisted living establishment license or for  
57.2 renewal of an assisted living establishment license must specify one or more controlling  
57.3 persons or managerial employees as agents:

57.4 (1) who shall be responsible for dealing with the commissioner on all requirements of  
57.5 this chapter and chapter 144J; and

57.6 (2) on whom personal service of all notices and orders shall be made, and who shall be  
57.7 authorized to accept service on behalf of all of the controlling persons of the assisted living  
57.8 establishment, in proceedings under this chapter.

57.9 (b) Notwithstanding any law to the contrary, personal service on the designated person  
57.10 or persons named in the application is deemed to be service on all of the controlling persons  
57.11 or managerial employees of the assisted living establishment, and it is not a defense to any  
57.12 action arising under this chapter, that personal service was not made on each controlling  
57.13 person or managerial employee of the assisted living establishment. The designation of one  
57.14 or more controlling persons or managerial employees under this subdivision shall not affect  
57.15 the legal responsibility of any other controlling person or managerial employee under this  
57.16 chapter or chapter 144J.

57.17 **EFFECTIVE DATE.** This section is effective July 1, 2020.

57.18 **Sec. 17. [144I.04] LICENSE RENEWALS.**

57.19 Unless the assisted living establishment license expires or is suspended or revoked under  
57.20 section 144I.05, a license shall remain effective for a period of one year from the date of  
57.21 issuance. The commissioner must establish forms and procedures for the processing of  
57.22 license renewals. The commissioner must approve a license renewal application if the  
57.23 assisted living establishment continues to satisfy the requirements, standards, and conditions  
57.24 of this chapter and adopted rules.

57.25 **EFFECTIVE DATE.** This section is effective July 1, 2020.

57.26 **Sec. 18. [144I.05] LICENSE SUSPENSION OR REVOCATION; HEARING;**  
57.27 **RELICENSING.**

57.28 Subdivision 1. **Optional proceedings.** The commissioner may institute proceedings to  
57.29 suspend or revoke any assisted living establishment's license or may refuse to grant or renew  
57.30 an assisted living establishment's license if any action by a controlling person or employee  
57.31 of the assisted living establishment:

57.32 (1) violates any of the provisions of this chapter, or adopted rules;

58.1 (2) permits, aids, or abets the commission of any illegal act;

58.2 (3) performs any act contrary to the welfare of a resident of the assisted living  
58.3 establishment; or

58.4 (4) obtains, or attempts to obtain, a license by fraudulent means or misrepresentation.

58.5 Subd. 2. **Mandatory proceedings.** (a) The commissioner must initiate proceedings  
58.6 within 60 days of notification to suspend or revoke an assisted living establishment's license  
58.7 or must refuse to renew an assisted living establishment's license if within the preceding  
58.8 two years the assisted living establishment has incurred the following number of uncorrected  
58.9 or repeated violations:

58.10 (1) two or more uncorrected violations or one or more repeated violations that created  
58.11 an imminent risk to direct resident care or safety; or

58.12 (2) four or more uncorrected violations or two or more repeated violations of any nature  
58.13 for which the fines are in the four highest daily fine categories prescribed in rule.

58.14 (b) Notwithstanding paragraph (a), the commissioner is not required to revoke, suspend,  
58.15 or refuse to renew an assisted living establishment's license if the establishment corrects  
58.16 the violation.

58.17 Subd. 3. **Notice to residents.** (a) Within five working days after proceedings are initiated  
58.18 by the commissioner to revoke or suspend an assisted living establishment's license, or a  
58.19 decision by the commissioner not to renew an assisted living establishment's license, the  
58.20 controlling person of the assisted living establishment or a designee must provide to the  
58.21 commissioner and the ombudsman for long-term care the names of residents and the names  
58.22 and addresses of the residents' guardians, designated representatives, and family contacts.

58.23 (b) The controlling person or designees of the assisted living establishment must provide  
58.24 updated information each month until the proceeding is concluded. If the controlling person  
58.25 or designee of the assisted living establishment fails to provide the information within this  
58.26 time, the assisted living establishment is subject to the issuance of:

58.27 (1) a correction order; and

58.28 (2) a penalty assessment by the commissioner in rule.

58.29 (c) Notwithstanding section 144I.08, any correction order issued under this subdivision  
58.30 must require that the assisted living establishment immediately comply with the request for  
58.31 information and that, as of the date of the issuance of the correction order, the establishment

59.1 shall forfeit to the state a \$500 fine the first day of noncompliance and an increase in the  
59.2 \$500 fine by \$100 increments for each day the noncompliance continues.

59.3 (d) Information provided under this subdivision may be used by the commissioner or  
59.4 the ombudsman for long-term care only for the purpose of providing affected consumers  
59.5 information about the status of the proceedings.

59.6 (e) Within ten working days after the commissioner initiates proceedings to revoke,  
59.7 suspend, or not renew an assisted living establishment license, the commissioner must send  
59.8 a written notice of the action and the process involved to each resident of the assisted living  
59.9 establishment and the resident's designated representative or, if there is no designated  
59.10 representative and if known, a family member or interested person.

59.11 (f) The commissioner shall provide the ombudsman for long-term care with monthly  
59.12 information on the department's actions and the status of the proceedings.

59.13 Subd. 4. **Hearing.** An assisted living establishment license may not be suspended or  
59.14 revoked, and renewal may not be denied, without a hearing held as a contested case hearing  
59.15 under chapter 14. The hearing must commence within 60 days after the proceedings are  
59.16 initiated. If the controlling person of the assisted living establishment designated under  
59.17 section 144I.03, subdivision 2, as an agent to accept service on behalf of all of the controlling  
59.18 persons of the assisted living establishment has been notified by the commissioner that the  
59.19 establishment will not receive an initial license or that a license renewal has been denied,  
59.20 the controlling person or a legal representative on behalf of the assisted living establishment  
59.21 may request and receive a hearing on the denial. This hearing shall be held as a contested  
59.22 case under chapter 14.

59.23 Subd. 5. **Mandatory revocation.** Notwithstanding the provisions of subdivision 4, the  
59.24 commissioner must revoke an assisted living license if a controlling person of the assisted  
59.25 living establishment is convicted of a felony or gross misdemeanor that relates to operation  
59.26 of the assisted living establishment or directly affects resident safety or care. The  
59.27 commissioner shall notify the assisted living establishment and the Office of Ombudsman  
59.28 for Long-Term Care 30 days in advance of the date of revocation.

59.29 Subd. 6. **Relicensing.** If an assisted living establishment license is revoked, a new  
59.30 application for license may be considered by the commissioner when the conditions upon  
59.31 which the revocation was based have been corrected and satisfactory evidence of this fact  
59.32 has been furnished to the commissioner. A new license may be granted after an inspection  
59.33 has been made and the facility has been found to comply with all provisions of this chapter  
59.34 and chapter 144J and adopted rules.

60.1 **EFFECTIVE DATE.** This section is effective July 1, 2020.

60.2 Sec. 19. **[144I.06] REGULATORY POWERS.**

60.3 (a) With the exception of the Department of Public Safety, which has the exclusive  
60.4 jurisdiction to enforce state fire and safety standards, the commissioner is the exclusive  
60.5 state agency charged with the responsibility and duty of inspecting assisted living  
60.6 establishments required to be licensed under this chapter and for enforcing adopted rules.  
60.7 The commissioner has all the powers vested and all the duties assigned with respect to  
60.8 assisted living establishments as the commissioner has with respect to nursing homes under  
60.9 sections 144A.10, subdivisions 1 to 6, 6d, 6e, 7, 8, 9, 10, and 17; and 144A.11.

60.10 (b) The commissioner may request and must be given access to relevant information,  
60.11 records, incident reports, or other documents in the possession of a licensed assisted living  
60.12 establishment if the commissioner considers them necessary for the discharge of  
60.13 responsibilities. For the purposes of inspections and securing information to determine  
60.14 compliance with licensure laws and rules, the commissioner need not present a release,  
60.15 waiver, or consent of the individual. The identities of patients or residents must be kept  
60.16 private as defined in section 13.02, subdivision 12.

60.17 **EFFECTIVE DATE.** This section is effective July 1, 2020.

60.18 Sec. 20. **[144I.07] FEES AND FINES.**

60.19 (a) Each application for a license and each renewal application to operate an assisted  
60.20 living establishment must be accompanied by a fee to be prescribed by rule by the  
60.21 commissioner as provided in section 144.122. No fee shall be refunded. In any assisted  
60.22 living establishment where home care services are delivered through an affiliated home  
60.23 care provider, the fee will be applied to the assisted living establishment license only.

60.24 (b) The commissioner shall adopt rules to establish a schedule of fines for violations of  
60.25 this chapter and any applicable rules.

60.26 **EFFECTIVE DATE.** This section is effective July 1, 2020.

60.27 Sec. 21. **[144I.08] INJUNCTIVE RELIEF; SUBPOENAS.**

60.28 Subdivision 1. **Injunctive relief.** In addition to any other remedy provided by law, the  
60.29 commissioner may bring an action in district court to enjoin a person who is involved in  
60.30 the management, operation, or control of an assisted living establishment, or an employee  
60.31 of an assisted living establishment, from illegally engaging in activities regulated by this

61.1 chapter and chapter 144J. A temporary restraining order may be granted by the court in the  
61.2 proceeding if continued activity by the controlling person or employee of the assisted living  
61.3 establishment would create an imminent risk of harm to a resident of the assisted living  
61.4 establishment.

61.5 Subd. 2. **Subpoenas.** In all matters pending before the commissioner under this chapter,  
61.6 the commissioner shall have the power to issue subpoenas and compel the attendance of  
61.7 witnesses and the production of all necessary papers, books, records, documents, and other  
61.8 evidentiary material. Any person failing or refusing to appear or testify regarding any matter  
61.9 about which that person may be lawfully questioned or to produce any papers, books,  
61.10 records, documents, or evidentiary materials in the matter to be heard, after having been  
61.11 required by order or subpoena of the commissioner to do so, may, upon application by the  
61.12 commissioner to the district court in any district, be ordered by the court to comply therewith.  
61.13 The commissioner may issue subpoenas and administer oaths to witnesses, or take their  
61.14 affirmation. Depositions may be taken within or without the state in the manner provided  
61.15 by law for the taking of depositions in civil actions. A subpoena or other process or paper  
61.16 may be served upon any named person anywhere within the state by any officer authorized  
61.17 to serve subpoenas in civil actions, with the same fees and mileage and in the same manner  
61.18 as prescribed by law for process issued by the district court of this state. Fees and mileage  
61.19 and other costs of persons subpoenaed by the commissioner shall be paid in the same manner  
61.20 as for proceedings in district court.

61.21 **EFFECTIVE DATE.** This section is effective July 1, 2020.

61.22 Sec. 22. **[144L.09] TRANSFER OF INTERESTS.**

61.23 Subdivision 1. **Notice; expiration of license.** Any controlling person who makes any  
61.24 transfer of a beneficial interest in any assisted living establishment must notify the  
61.25 commissioner of the transfer within 14 days of its occurrence. The notification must identify  
61.26 by name and address the transferor and transferee and must specify the nature and amount  
61.27 of the transferred interest. The commissioner upon determining that the transferred beneficial  
61.28 interest exceeds ten percent of the total beneficial interest in the assisted living establishment,  
61.29 the structure in which the facility is located, or the land upon which the structure is located  
61.30 may require that the license of the assisted living establishment expire 90 days after the day  
61.31 of transfer. The commissioner upon determining that the transferred beneficial interest  
61.32 exceeds 50 percent of the total beneficial interest in the establishment, the structure in which  
61.33 the facility is located, or the land upon which the structure is located must require that the  
61.34 license of the assisted living establishment expire 90 days after the date of transfer. The

62.1 commissioner must notify the assisted living establishment by certified mail of the expiration  
62.2 of the license at least 60 days prior to the date of expiration.

62.3 Subd. 2. **Relicensure.** The commissioner shall prescribe procedures for relicensure under  
62.4 this section. The commissioner shall relicense the assisted living establishment if the  
62.5 establishment satisfies the requirements of this chapter and chapter 144J. An assisted living  
62.6 establishment must not be relicensed by the commissioner if at the time of transfer there  
62.7 are any uncorrected violations. The commissioner may temporarily waive correction of one  
62.8 or more violations if the commissioner determines that:

62.9 (1) temporary noncorrection of the violation will not create an imminent risk of harm  
62.10 to any assisted living establishment resident; and

62.11 (2) a controlling person of the assisted living establishment on behalf of all other  
62.12 controlling persons:

62.13 (i) has entered into a contract to obtain the materials or labor necessary to correct the  
62.14 violation, but the supplier or other contractor has failed to perform the terms of the contract  
62.15 and the inability of the assisted living establishment to correct the violation is due solely to  
62.16 that failure; or

62.17 (ii) is otherwise making a diligent good faith effort to correct the violation.

62.18 **EFFECTIVE DATE.** This section is effective July 1, 2020.

62.19 Sec. 23. **[144L.10] ASSISTED LIVING ESTABLISHMENT ADMINISTRATORS.**

62.20 Each assisted living establishment must employ an administrator who must be licensed  
62.21 or permitted as an assisted living establishment administrator by the Board of Examiners  
62.22 for Nursing Home and Assisted Living Establishment Administrators, as provided under  
62.23 section 144A.18. The assisted living establishment may share the services of a licensed  
62.24 administrator. The administrator must maintain a sufficient on-site presence in the assisted  
62.25 living establishment to effectively manage the establishment in compliance with applicable  
62.26 statutes, rules, and regulations. The administrator must establish procedures and delegate  
62.27 authority for on-site operations in the administrator's absence, but is ultimately responsible  
62.28 for the management of the assisted living establishment. Each assisted living establishment  
62.29 must have posted at all times the name of the administrator and the name of the person in  
62.30 charge on the premises in the absence of the licensed administrator.

62.31 **EFFECTIVE DATE.** This section is effective July 1, 2020.

63.1 Sec. 24. **[144I.11] ADMINISTRATOR OR MANAGERIAL EMPLOYEE**

63.2 **RESTRICTIONS.**

63.3 Subdivision 1. **Restrictions.** An assisted living establishment may not employ as an  
63.4 administrator or managerial employee any person who was an administrator or managerial  
63.5 employee of a nursing home or another assisted living establishment during any period of  
63.6 time in the previous two-year period:

63.7 (1) during which time of employment that nursing home or other assisted living  
63.8 establishment incurred the following number of uncorrected violations:

63.9 (i) two or more uncorrected violations or one or more repeated violations that created  
63.10 an imminent risk to direct resident care or safety; or

63.11 (ii) four or more uncorrected violations or two or more repeated violations of any nature  
63.12 for which the fines are in the four highest daily fine categories prescribed in rule; or

63.13 (2) who, during that period, was convicted of a felony or gross misdemeanor that relates  
63.14 to the operation of the nursing home or assisted living establishment, or directly affects  
63.15 resident safety or care.

63.16 Subd. 2. **Exception.** The provisions of subdivision 1 do not apply to any violations  
63.17 incurred that were outside the jurisdiction and control of the managerial employee or the  
63.18 administrator.

63.19 **EFFECTIVE DATE.** This section is effective July 1, 2020.

63.20 Sec. 25. **[144I.12] CONTROLLING PERSON RESTRICTIONS.**

63.21 Subdivision 1. **Restrictions.** The controlling person of any assisted living establishment  
63.22 may not include any person who was a controlling person of a nursing home or another  
63.23 assisted living establishment during any period of time in the previous two-year period:

63.24 (1) during which time of control that nursing home or other assisted living establishment  
63.25 incurred the following number of uncorrected or repeated violations:

63.26 (i) two or more uncorrected violations or one or more repeated violations that created  
63.27 an imminent risk to direct resident care or safety; or

63.28 (ii) four or more uncorrected violations or two or more repeated violations of any nature  
63.29 for which the fines are in the four highest daily fine categories prescribed in rule; or

64.1 (2) who, during that period, was convicted of a felony or gross misdemeanor that relates  
64.2 to the operation of the nursing home or other assisted living establishment, or directly affects  
64.3 resident safety or care.

64.4 Subd. 2. **Exception.** The provisions of subdivision 1 do not apply to any controlling  
64.5 person of the assisted living establishment who had no legal authority to affect or change  
64.6 decisions related to the operation of the nursing home or other assisted living establishment  
64.7 that incurred the uncorrected violations.

64.8 Subd. 3. **Stay of adverse action required by controlling person restrictions.** (a) In  
64.9 lieu of revoking, suspending, or refusing to renew the license of an assisted living  
64.10 establishment where a controlling person was disqualified by subdivision 1, clause (1), the  
64.11 commissioner may issue an order staying the revocation, suspension, or nonrenewal of the  
64.12 assisted living establishment's license. The order may but need not be contingent upon the  
64.13 assisted living establishment's compliance with restrictions and conditions imposed on the  
64.14 license to ensure the proper operation of the assisted living establishment and to protect the  
64.15 health, safety, comfort, treatment, and well-being of the residents in the establishment. The  
64.16 decision to issue an order for a stay must be made within 90 days of the commissioner's  
64.17 determination that a controlling person of the assisted living establishment is disqualified  
64.18 by subdivision 1, clause (1), from operating an assisted living establishment.

64.19 (b) In determining whether to issue a stay and to impose conditions and restrictions, the  
64.20 commissioner must consider the following factors:

64.21 (1) the ability of the controlling person to operate other assisted living establishments  
64.22 in accordance with the licensure rules and laws;

64.23 (2) the conditions in the nursing home or assisted living establishment that received the  
64.24 number and type of uncorrected or repeated violations described in subdivision 1, clause  
64.25 (1); and

64.26 (3) the conditions and compliance history of each of the nursing homes and assisted  
64.27 living establishments operated by the controlling persons.

64.28 (c) The commissioner's decision to exercise the authority under this subdivision in lieu  
64.29 of revoking, suspending, or refusing to renew the license of the assisted living establishment  
64.30 is not subject to administrative or judicial review.

64.31 (d) The order for the stay of revocation, suspension, or nonrenewal of the assisted living  
64.32 establishment license must include any conditions and restrictions on the license that the  
64.33 commissioner deems necessary based upon the factors listed in paragraph (b).

65.1 (e) Prior to issuing an order for stay of revocation, suspension, or nonrenewal, the  
65.2 commissioner shall inform the controlling person in writing of any conditions and restrictions  
65.3 that will be imposed. The controlling person shall, within ten working days, notify the  
65.4 commissioner in writing of a decision to accept or reject the conditions and restrictions. If  
65.5 the assisted living establishment rejects any of the conditions and restrictions, the  
65.6 commissioner must either modify the conditions and restrictions or take action to suspend,  
65.7 revoke, or not renew the assisted living establishment's license.

65.8 (f) Upon issuance of the order for a stay of revocation, suspension, or nonrenewal, the  
65.9 controlling person shall be responsible for compliance with the conditions and restrictions  
65.10 contained therein. Any time after the conditions and restrictions have been in place for 180  
65.11 days, the controlling person may petition the commissioner for removal or modification of  
65.12 the conditions and restrictions. The commissioner must respond to the petition within 30  
65.13 days of the receipt of the written petition. If the commissioner denies the petition, the  
65.14 controlling person may request a hearing under the provisions of chapter 14. Any hearing  
65.15 shall be limited to a determination of whether the conditions and restrictions shall be modified  
65.16 or removed. At the hearing, the controlling person has the burden of proof.

65.17 (g) The failure of the controlling person to comply with the conditions and restrictions  
65.18 contained in the order for stay shall result in the immediate removal of the stay and the  
65.19 commissioner shall take action to suspend, revoke, or not renew the license.

65.20 (h) The conditions and restrictions are effective for two years after the date they are  
65.21 imposed.

65.22 (i) Nothing in this subdivision shall be construed to limit in any way the commissioner's  
65.23 ability to impose other sanctions against an assisted living establishment licensee under the  
65.24 standards in state or federal law whether or not a stay of revocation, suspension, or  
65.25 nonrenewal is issued.

65.26 **EFFECTIVE DATE.** This section is effective July 1, 2020.

65.27 Sec. 26. **[144L.13] MINIMUM SERVICES AND STANDARDS.**

65.28 Subdivision 1. **Generally.** (a) An assisted living establishment must meet the standards  
65.29 and requirements of this section and offer a package of housing, care, and services that meet  
65.30 the needs of the residents and for which the resident contracted.

65.31 (b) Provided they are within the scope of the license and consistent with this section,  
65.32 assisted living establishments may:

66.1 (1) offer to residents and prospective residents services other than those required as a  
66.2 minimum;

66.3 (2) offer any package of services to residents, provided the package includes those  
66.4 services required as a minimum; and

66.5 (3) offer or provide services directly or through a licensed affiliated home care provider.

66.6 (c) Assisted living establishments may offer and provide assisted living services to all

67.31 license.

68.1 (c) A Level 3 licensee must meet the requirements of a Level 2 licensee and may in  
68.2 addition offer, provide, advertise, or hold themselves as offering or providing dementia care

70.29 Sec. 29. **[144I.17] STATE RECEIVERSHIP.**

70.30 Subdivision 1. **Petition; notice.** (a) In addition to any other remedy provided by law,  
70.31 the commissioner may petition the district court for an order directing the controlling person  
70.32 of an assisted living establishment to show cause why the commissioner should not be

71.1 appointed receiver to operate the establishment. The petition to the district court shall contain  
71.2 proof by affidavit that one or more of the following exists:

71.3 (1) the commissioner has commenced proceedings to suspend or revoke the state license,

71.10 food, pharmaceuticals, personnel, or required insurance.

71.11 (b) The order to show cause shall be personally served to either the assisted living  
71.12 establishment or to the person designated as the agent by the controlling person to accept  
71.13 service on their behalf pursuant to section 144I.03, subdivision 2.

71.14 Subd. 2. **Appointment of receiver, rental.** (a) If, after the hearing, the court finds that  
71.15 receivership is necessary as a means of protecting the health, safety, or welfare of a resident  
71.16 of the assisted living establishment, the court shall appoint the commissioner as a receiver  
71.17 to take charge of the establishment. The commissioner may enter into an agreement for a  
71.18 managing agent to work on the commissioner's behalf in operating the assisted living  
71.19 establishment during the receivership. The court shall determine a fair monthly rental for  
71.20 the assisted living establishment, taking into account all relevant factors including the  
71.21 condition of the establishment. This rental fee shall be paid by the receiver to the appropriate  
71.22 controlling person for each month that the receivership remains in effect but shall be reduced  
71.23 by the amount that the cost of the receivership provided under section 256R.52 are in excess  
71.24 of the establishment rate.

71.25 (b) The controlling person may agree to waive the fair monthly rent by affidavit to the  
71.26 court. Notwithstanding any other law to the contrary, no payment made to a controlling  
71.27 person of an assisted living establishment by any state agency during a period of receivership  
71.28 shall include any allowance for profit or be based on any formula that includes an allowance

71.32 administrators, or other qualified persons or organizations with experience in delivering  
71.33 skilled health care services, home care services, and the operation of long-term care facilities,

72.1 for those interested in being a managing agent on the commissioner's behalf during a state  
72.2 receivership of an establishment. The list will be a resource for choosing a managing agent  
72.3 and the commissioner may update the list at any time. A managing agent cannot be someone  
72.4 who:

72.5 (1) is the owner, licensee, or administrator of the establishment;

72.13 believe that an emergency exists in an assisted living establishment requiring the receivership,  
72.14 the court shall issue a temporary order for appointment of a receiver within two days after  
72.15 receipt of the petition. Notice of the petition shall be served personally on the assisted living  
72.16 establishment administrator or on the person designated as the agent by the controlling  
72.17 person to accept service on their behalf according to section 144I.03, subdivision 2. A  
72.18 hearing on the petition shall be held within five days after notice is served unless the  
72.19 administrator or designated agent consents to a later date. After the hearing, the court may  
72.20 continue, modify, or terminate the temporary order.

72.21 Subd. 4. **Powers and duties of receiver.** (a) An assisted living establishment receiver  
72.22 appointed according to this section shall with all reasonable speed and within 18 months  
72.23 after the receivership order, determine whether to close the assisted living establishment or  
72.24 to make other provisions intended to keep it open. If closure is the determination, the  
72.25 commissioner shall provide for the orderly transfer of all of the assisted living establishment's  
72.26 residents to other locations according to the relocation procedures required in section  
72.27 144A.161. During the receivership, the receiver may correct or eliminate those deficiencies  
72.28 in the assisted living establishment that seriously endanger the life, health, or safety of the  
72.29 residents unless the correction or elimination of deficiencies involves major alterations in

72.31 period operate the assisted living establishment in a manner designed to guarantee the safety  
72.32 and adequate care of and services to the residents. The receiver shall take no action that

73.2 services to the residents during the receivership period. The receiver shall take action as is  
73.3 reasonably necessary to protect or conserve the tangible assets or property during  
73.4 receivership. The receiver shall collect incoming payments from all sources and apply them  
73.5 to the cost incurred in the performance of the receiver's functions. No security interest in  
73.6 any real or personal property comprising the assisted living establishment or contained  
73.7 within it, or in any fixture of the facility, shall be impaired or diminished in priority by the  
73.8 receiver. The receiver shall pay all valid obligations the assisted living establishment incurred  
73.9 during the course of the receivership and may pay obligations incurred prior to the  
73.10 receivership if, in the judgment of the commissioner, these payments must be made to ensure  
73.11 the health, safety, or welfare of the residents, and shall deduct these expenses from rental  
73.12 payments owed to any controlling person by virtue of the receivership. The receiver has  
73.13 authority to hire, direct, manage, and discharge any employees of the assisted living  
73.14 establishment including the administrator, director of nursing, medical director, manager  
73.15 of the establishment, or affiliated home care provider.

73.16 (b) Nothing in this section shall relieve any owner, operator, or controlling person of an  
73.17 assisted living establishment placed in receivership of any civil or criminal liability incurred,  
73.18 or any duty imposed by law, by reason of acts or omissions of the owner, licensee, or  
73.19 controlling person prior to the order for receivership under this section, nor shall anything  
73.20 contained in this section be construed to suspend during the receivership any obligation of  
73.21 the owner, licensee, or controlling person for payment of taxes or other operating and  
73.22 maintenance expenses of the assisted living establishment nor of the owner, licensee, or  
73.23 controlling person or any other person for the payment of mortgages or liens.

73.28 in an official capacity for injury to person and property by reason of the conditions of the  
73.29 assisted living establishment. The receiver and its managing agent shall not be personally  
73.30 liable, except for gross negligence and intentional acts. The commissioner shall assist the  
73.31 managing agent in carrying out its duties.

73.32 Subd. 6. **Termination.** Receivership imposed pursuant to this section shall terminate  
73.33 18 months after the date on which it was ordered, or at any other time designated by the  
73.34 court, or upon the occurrence of any of the following events:

74.1 (1) a determination by the commissioner that the assisted living establishment's license  
74.2 should be renewed or should not be suspended or revoked;

74.4 (3) a determination by the commissioner that all of the residents of the assisted living  
74.5 establishment have been provided alternative health care or services, either in another  
74.6 assisted living establishment or otherwise.

74.7 Subd. 7. **Postreceivership period; establishment remaining open.** If an assisted living  
74.8 establishment remains open after the receivership is concluded, a new operator is only  
74.9 legally responsible under state law for its actions after the receivership has concluded.

74.10 **EFFECTIVE DATE.** This section is effective July 1, 2020.

74.11 Sec. 30. **[144I.18] PLACEMENT OF MONITOR.**

74.12 Subdivision 1. **Authority.** The commissioner may place a person to act as a monitor in  
74.13 an assisted living establishment in any of the following circumstances:

74.14 (1) in any situation for which a receiver may be appointed under section 144I.17; or

74.15 (2) when the commissioner determines that violations of this chapter, or sections 144J.06,  
74.16 144J.07, 144J.08, 144J.09, 144J.12, or 626.557, or rules or regulations adopted under those  
74.17 provisions, require extended surveillance to enforce compliance or to protect the health,

74.25 of the department or may contract with any other individual to serve as a monitor. The  
74.26 commissioner must publish a notice in the State Register that requests proposals from  
74.27 individuals who wish to be considered for placement as monitors and that describes the  
74.28 criteria for selecting individuals as monitors. The commissioner must maintain a list of  
74.29 individuals who are not employees of the department who are interested in serving as  
74.30 monitors. The commissioner may contract with those individuals determined to be qualified.

75.1 Subd. 4. **Payment of monitor.** An assisted living establishment in which a monitor is  
 75.2 placed must pay to the department the actual cost associated with the placement, unless  
 75.3 payment would create an undue hardship for the assisted living establishment.

86.15 (i) an explanation of the process;

86.16 (ii) an estimated timeline for the investigation;

86.17 (iii) a notification that the vulnerable adult or the vulnerable adult's guardian or health  
86.18 care agent may electronically submit evidence to support the maltreatment report, including  
86.19 but not limited to photographs, videos, and documents; and

86.20 (iv) a statement that the lead investigative agency will provide an update on the  
86.21 investigation upon request by the vulnerable adult or the vulnerable adult's guardian or  
86.22 health care agent and a report when the investigation is concluded.

86.23 (c) If the Department of Health is the lead investigative agency, the Department of Health  
86.24 shall provide maltreatment information, to the extent allowed under state and federal law,  
86.25 including any reports, upon request of the vulnerable adult that is the subject of a  
86.26 maltreatment report or upon request of that vulnerable adult's guardian or health care agent.

86.27 (d) If the common entry point data indicates that the reporter has electronic evidence,  
86.28 the lead investigative agency shall seek to receive such evidence prior to making a  
86.29 determination that the lead investigative agency will not investigate the matter. Nothing in  
86.30 this paragraph requires the lead investigative agency to stop investigating prior to receipt  
86.31 of the electronic evidence nor prevents the lead investigative agency from closing the

87.1 investigation prior to receipt of the electronic evidence if, in the opinion of the investigator,  
87.2 the evidence is not necessary to the determination.

87.3 (e) The lead investigative agency may assign multiple reports of maltreatment for the  
87.4 same or separate incidences related to the same vulnerable adult to the same investigator,  
87.5 as deemed appropriate.

87.6 (f) Reports related to the same vulnerable adult, the same incident, or the same alleged  
87.7 perpetrator, facility, or licensee must be cross-referenced.

87.8 (g) Upon conclusion of every investigation it conducts, the lead investigative agency  
87.9 shall make a final disposition as defined in section 626.5572, subdivision 8.

87.10 ~~(e)~~ (h) When determining whether the facility or individual is the responsible party for  
87.11 substantiated maltreatment or whether both the facility and the individual are responsible  
87.12 for substantiated maltreatment, the lead investigative agency shall consider at least the  
87.13 following mitigating factors:

87.14 (1) whether the actions of the facility or the individual caregivers were in accordance  
87.15 with, and followed the terms of, an erroneous physician order, prescription, resident care  
87.16 plan, or directive. This is not a mitigating factor when the facility or caregiver is responsible  
87.17 for the issuance of the erroneous order, prescription, plan, or directive or knows or should  
87.18 have known of the errors and took no reasonable measures to correct the defect before  
87.19 administering care;

87.20 (2) the comparative responsibility between the facility, other caregivers, and requirements  
87.21 placed upon the employee, including but not limited to, the facility's compliance with related  
87.22 regulatory standards and factors such as the adequacy of facility policies and procedures,  
87.23 the adequacy of facility training, the adequacy of an individual's participation in the training,  
87.24 the adequacy of caregiver supervision, the adequacy of facility staffing levels, and a  
87.25 consideration of the scope of the individual employee's authority; and

87.26 (3) whether the facility or individual followed professional standards in exercising  
87.27 professional judgment.

87.28 ~~(d)~~ (i) When substantiated maltreatment is determined to have been committed by an  
87.29 individual who is also the facility license holder, both the individual and the facility must  
87.30 be determined responsible for the maltreatment, and both the background study  
87.31 disqualification standards under section 245C.15, subdivision 4, and the licensing actions  
87.32 under section 245A.06 or 245A.07 apply.

88.1 ~~(e)~~ (j) The lead investigative agency shall complete its final disposition within 60 calendar  
88.2 days. If the lead investigative agency is unable to complete its final disposition within 60  
88.3 calendar days, the lead investigative agency shall notify the following persons provided  
88.4 that the notification will not endanger the vulnerable adult or hamper the investigation: (1)  
88.5 the vulnerable adult or the vulnerable adult's guardian or health care agent, when known,  
88.6 if the lead investigative agency knows them to be aware of the investigation; and (2) the  
88.7 facility, where applicable. The notice shall contain the reason for the delay and the projected  
88.8 completion date. If the lead investigative agency is unable to complete its final disposition  
88.9 by a subsequent projected completion date, the lead investigative agency shall again notify  
88.10 the vulnerable adult or the vulnerable adult's guardian or health care agent, when known if  
88.11 the lead investigative agency knows them to be aware of the investigation, and the facility,  
88.12 where applicable, of the reason for the delay and the revised projected completion date  
88.13 provided that the notification will not endanger the vulnerable adult or hamper the  
88.14 investigation. The lead investigative agency must notify the health care agent of the  
88.15 vulnerable adult only if the health care agent's authority to make health care decisions for  
88.16 the vulnerable adult is currently effective ~~under section 145C.06~~ and not suspended under  
88.17 section 524.5-310 ~~and the investigation relates to a duty assigned to the health care agent~~  
88.18 ~~by the principal~~. A lead investigative agency's inability to complete the final disposition  
88.19 within 60 calendar days or by any projected completion date does not invalidate the final  
88.20 disposition.

88.21 ~~(f)~~ (k) Within ten calendar days of completing the final disposition, the lead investigative  
88.22 agency shall provide a copy of the public investigation memorandum under subdivision  
88.23 12b, paragraph ~~(b)~~, ~~clause (1)~~ (d), when required to be completed under this section, to the  
88.24 following persons:

88.25 (1) the vulnerable adult, or the vulnerable adult's guardian or health care agent, if known,  
88.26 unless the lead investigative agency knows that the notification would endanger the  
88.27 well-being of the vulnerable adult;

88.28 (2) the reporter, ~~if~~ unless the reporter requested ~~notification~~ otherwise when making the  
88.29 report, provided this notification would not endanger the well-being of the vulnerable adult;

88.30 (3) the alleged perpetrator, if known;

88.31 (4) the facility; ~~and~~

88.32 (5) the ombudsman for long-term care, or the ombudsman for mental health and  
88.33 developmental disabilities, as appropriate;

88.34 (6) law enforcement; and

89.1 (7) the county attorney, as appropriate.

89.2 ~~(g)~~ (l) If, as a result of a reconsideration, review, or hearing, the lead investigative agency  
89.3 changes the final disposition, or if a final disposition is changed on appeal, the lead  
89.4 investigative agency shall notify the parties specified in paragraph ~~(f)~~ (k).

89.5 ~~(h)~~ (m) The lead investigative agency shall notify the vulnerable adult who is the subject  
89.6 of the report or the vulnerable adult's guardian or health care agent, if known, and any person  
89.7 or facility determined to have maltreated a vulnerable adult, of their appeal or review rights  
89.8 under this section or section 256.021.

89.9 ~~(i)~~ (n) The lead investigative agency shall routinely provide investigation memoranda  
89.10 for substantiated reports to the appropriate licensing boards. These reports must include the  
89.11 names of substantiated perpetrators. The lead investigative agency may not provide  
89.12 investigative memoranda for inconclusive or false reports to the appropriate licensing boards  
89.13 unless the lead investigative agency's investigation gives reason to believe that there may  
89.14 have been a violation of the applicable professional practice laws. If the investigation  
89.15 memorandum is provided to a licensing board, the subject of the investigation memorandum  
89.16 shall be notified and receive a summary of the investigative findings.

89.17 ~~(j)~~ (o) In order to avoid duplication, licensing boards shall consider the findings of the  
89.18 lead investigative agency in their investigations if they choose to investigate. This does not  
89.19 preclude licensing boards from considering other information.

89.20 ~~(k)~~ (p) The lead investigative agency must provide to the commissioner of human services  
89.21 its final dispositions, including the names of all substantiated perpetrators. The commissioner  
89.22 of human services shall establish records to retain the names of substantiated perpetrators.

89.23 Sec. 13. Minnesota Statutes 2018, section 626.557, subdivision 12b, is amended to read:

89.24 Subd. 12b. **Data management.** (a) In performing any of the duties of this section as a  
89.25 lead investigative agency, the county social service agency shall maintain appropriate  
89.26 records. Data collected by the county social service agency under this section are welfare  
89.27 data under section 13.46. Notwithstanding section 13.46, subdivision 1, paragraph (a), data  
89.28 under this paragraph that are inactive investigative data on an individual who is a vendor  
89.29 of services are private data on individuals, as defined in section 13.02. The identity of the  
89.30 reporter may only be disclosed as provided in paragraph ~~(e)~~ (g).

89.31 (b) Data maintained by the common entry point are ~~confidential~~ private data on  
89.32 individuals or ~~protected~~ nonpublic data as defined in section 13.02, provided that the name  
89.33 of the reporter is confidential data on individuals. Notwithstanding section 138.163, the

90.1 common entry point shall maintain data for three calendar years after date of receipt and  
 90.2 then destroy the data unless otherwise directed by federal requirements.

90.3 ~~(b)~~ (c) The commissioners of health and human services shall prepare an investigation  
 90.4 memorandum for each report alleging maltreatment investigated under this section. County  
 90.5 social service agencies must maintain private data on individuals but are not required to  
 90.6 prepare an investigation memorandum. During an investigation by the commissioner of  
 90.7 health or the commissioner of human services, data collected under this section are  
 90.8 confidential data on individuals or protected nonpublic data as defined in section 13.02<sub>2</sub>  
 90.9 provided that data, other than data on the reporter, may be shared with the vulnerable adult  
 90.10 or guardian or health care agent if the lead investigative agency determines that sharing of  
 90.11 the data is needed to protect the vulnerable adult. Upon completion of the investigation, the  
 90.12 data are classified as provided in ~~clauses (1) to (3) and paragraph (e)~~ paragraphs (d) to (g).

90.13 ~~(4)~~ (d) The investigation memorandum must contain the following data, which are public:

90.14 ~~(i)~~ (1) the name of the facility investigated;

90.15 ~~(ii)~~ (2) a statement of the nature of the alleged maltreatment;

90.16 ~~(iii)~~ (3) pertinent information obtained from medical or other records reviewed;

90.17 ~~(iv)~~ (4) the identity of the investigator;

90.18 ~~(v)~~ (5) a summary of the investigation's findings;

90.19 ~~(vi)~~ (6) statement of whether the report was found to be substantiated, inconclusive,  
 90.20 false, or that no determination will be made;

90.21 ~~(vii)~~ (7) a statement of any action taken by the facility;

90.22 ~~(viii)~~ (8) a statement of any action taken by the lead investigative agency; and

90.23 ~~(ix)~~ (9) when a lead investigative agency's determination has substantiated maltreatment,  
 90.24 a statement of whether an individual, individuals, or a facility were responsible for the  
 90.25 substantiated maltreatment, if known.

90.26 The investigation memorandum must be written in a manner which protects the identity  
 90.27 of the reporter and of the vulnerable adult and may not contain the names or, to the extent  
 90.28 possible, data on individuals or private data on individuals listed in ~~clause (2)~~ paragraph  
 90.29 (e).

90.30 ~~(2)~~ (e) Data on individuals collected and maintained in the investigation memorandum  
 90.31 are private data on individuals, including:

91.1 ~~(i)~~ (1) the name of the vulnerable adult;

91.2 ~~(ii)~~ (2) the identity of the individual alleged to be the perpetrator;

91.3 ~~(iii)~~ (3) the identity of the individual substantiated as the perpetrator; and

91.4 ~~(iv)~~ (4) the identity of all individuals interviewed as part of the investigation.

91.5 ~~(3)~~ (f) Other data on individuals maintained as part of an investigation under this section  
91.6 are private data on individuals upon completion of the investigation.

91.7 ~~(e)~~ (g) After the assessment or investigation is completed, the name of the reporter must  
91.8 be confidential, except:

91.9 (1) the subject of the report may compel disclosure of the name of the reporter only with  
91.10 the consent of the reporter; or

91.11 (2) upon a written finding by a court that the report was false and there is evidence that  
91.12 the report was made in bad faith.

91.13 This subdivision does not alter disclosure responsibilities or obligations under the Rules  
91.14 of Criminal Procedure, except that where the identity of the reporter is relevant to a criminal  
91.15 prosecution, the district court shall do an in-camera review prior to determining whether to  
91.16 order disclosure of the identity of the reporter.

91.17 ~~(d)~~ (h) Notwithstanding section 138.163, data maintained under this section by the  
91.18 commissioners of health and human services must be maintained under the following  
91.19 schedule and then destroyed unless otherwise directed by federal requirements:

91.20 (1) data from reports determined to be false, maintained for three years after the finding  
91.21 was made;

91.22 (2) data from reports determined to be inconclusive, maintained for four years after the  
91.23 finding was made;

91.24 (3) data from reports determined to be substantiated, maintained for seven years after  
91.25 the finding was made; and

91.26 (4) data from reports which were not investigated by a lead investigative agency and for  
91.27 which there is no final disposition, maintained for three years from the date of the report.

91.28 ~~(e)~~ (i) The commissioners of health and human services shall annually publish on their  
91.29 websites the number and type of reports of alleged maltreatment involving licensed facilities  
91.30 reported under this section, the number of those requiring investigation under this section,  
91.31 and the resolution of those investigations. On a biennial basis, the commissioners of health

92.1 and human services shall jointly report the following information to the legislature and the  
92.2 governor:

92.3 (1) the number and type of reports of alleged maltreatment involving licensed facilities  
92.4 reported under this section, the number of those requiring investigations under this section,  
92.5 the resolution of those investigations, and which of the two lead agencies was responsible;

92.6 (2) trends about types of substantiated maltreatment found in the reporting period;

92.7 (3) ~~if there are upward trends for types of maltreatment substantiated,~~ recommendations  
92.8 for preventing, addressing, and responding to them substantiated maltreatment;

92.9 (4) efforts undertaken or recommended to improve the protection of vulnerable adults;

92.10 (5) whether and where backlogs of cases result in a failure to conform with statutory  
92.11 time frames and recommendations for reducing backlogs if applicable;

92.12 (6) recommended changes to statutes affecting the protection of vulnerable adults; and

92.13 (7) any other information that is relevant to the report trends and findings.

92.14 ~~(f)~~ (j) Each lead investigative agency must have a record retention policy.

92.15 ~~(g)~~ (k) Lead investigative agencies, prosecuting authorities, and law enforcement agencies  
92.16 may exchange not public data, as defined in section 13.02, if the agency or authority  
92.17 requesting the data determines that the data are pertinent and necessary to the requesting  
92.18 agency in initiating, furthering, or completing an investigation under this section. Data  
92.19 collected under this section must be made available to prosecuting authorities and law  
92.20 enforcement officials, local county agencies, and licensing agencies investigating the alleged  
92.21 maltreatment under this section. The lead investigative agency shall exchange not public  
92.22 data with the vulnerable adult maltreatment review panel established in section 256.021 if  
92.23 the data are pertinent and necessary for a review requested under that section.

92.24 Notwithstanding section 138.17, upon completion of the review, not public data received  
92.25 by the review panel must be destroyed.

92.26 ~~(h)~~ (l) Each lead investigative agency shall keep records of the length of time it takes to  
92.27 complete its investigations.

92.28 ~~(i)~~ (m) Notwithstanding paragraph (a) or (b), a lead investigative agency may share  
92.29 common entry point or investigative data and may notify other affected parties, including  
92.30 the vulnerable adult and their authorized representative, if the lead investigative agency has  
92.31 reason to believe maltreatment has occurred and determines the information will safeguard

93.1 the well-being of the affected parties or dispel widespread rumor or unrest in the affected  
 93.2 facility.

93.3 ~~(j)~~ (n) Under any notification provision of this section, where federal law specifically  
 93.4 prohibits the disclosure of patient identifying information, a lead investigative agency may  
 93.5 not provide any notice unless the vulnerable adult has consented to disclosure in a manner  
 93.6 which conforms to federal requirements.

93.7 Sec. 14. **DIRECTION TO COMMISSIONER OF HEALTH; PROGRESS IN**  
 93.8 **IMPLEMENTING RECOMMENDATIONS OF LEGISLATIVE AUDITOR.**

93.9 By March 1, 2020, the commissioner of health must submit a report to the chairs and  
 93.10 ranking minority members of the legislative committees with jurisdiction over health, human  
 93.11 services, or aging on the progress toward implementing each recommendation of the Office  
 93.12 of the Legislative Auditor with which the commissioner agreed in the commissioner's letter  
 93.13 to the legislative auditor dated March 1, 2018. The commissioner shall include in the report  
 93.14 existing data collected in the course of the commissioner's continuing oversight of the Office  
 93.15 of Health Facility Complaints sufficient to demonstrate the implementation of the

 93.22 must include:

93.23 (1) a description and assessment of the office's efforts to improve its internal processes  
 93.24 and compliance with federal and state requirements concerning allegations of maltreatment  
 93.25 of vulnerable adults, including any relevant timelines;

93.26 (2)(i) the number of reports received by type of reporter;

93.27 (ii) the number of reports investigated;

93.28 (iii) the percentage and number of reported cases awaiting triage;

93.29 (iv) the number and percentage of open investigations;

94.1 (v) the number and percentage of reports that have failed to meet state or federal timelines

94.5 and federal timelines for triaging, investigating, and making final dispositions of  
94.6 investigations;

94.7 (3) a trend analysis of internal audits conducted by the office; and

94.8 (4) trends and patterns in maltreatment of vulnerable adults, licensing violations by  
94.9 facilities or providers serving vulnerable adults, and other metrics as determined by the  
94.10 commissioner.

94.11 (b) The commissioner shall maintain on the Department of Health website reports  
94.12 published under this section for at least the past three years.

94.13 **Sec. 16. REPORT; SAFETY AND QUALITY IMPROVEMENT PRACTICES.**

94.14 By January 15, 2020, the safety and quality improvement technical panel established  
94.15 under Minnesota Statutes, section 144A.53, subdivision 5, shall provide recommendations  
94.16 to the legislature on legislative changes needed to promote safety and quality improvement  
94.17 practices in long-term care settings and with long-term care providers. The recommendations  
94.18 must address:

**144D.066 ENFORCEMENT OF DEMENTIA CARE TRAINING REQUIREMENTS.**

Subdivision 1. **Enforcement.** (a) The commissioner shall enforce the dementia care training standards for staff working in housing with services settings and for housing managers according to clauses (1) to (3):

(1) for dementia care training requirements in section 144D.065, the commissioner shall review training records as part of the home care provider survey process for direct care staff and supervisors of direct care staff, in accordance with section 144A.474. The commissioner may also request and review training records at any time during the year;

(2) for dementia care training standards in section 144D.065, the commissioner shall review training records for maintenance, housekeeping, and food service staff and other staff not providing direct care working in housing with services settings as part of the housing with services registration application and renewal application process in accordance with section 144D.03. The commissioner may also request and review training records at any time during the year; and

(3) for housing managers, the commissioner shall review the statement verifying compliance with the required training described in section 144D.10, paragraph (d), through the housing with services registration application and renewal application process in accordance with section 144D.03. The commissioner may also request and review training records at any time during the year.

(b) The commissioner shall specify the required forms and what constitutes sufficient training records for the items listed in paragraph (a), clauses (1) to (3).

Subd. 2. **Fines for noncompliance.** (a) Beginning January 1, 2017, the commissioner may impose a \$200 fine for every staff person required to obtain dementia care training who does not have training records to show compliance. For violations of subdivision 1, paragraph (a), clause (1), the fine will be imposed upon the home care provider, and may be appealed under the contested case procedure in section 144A.475, subdivisions 3a, 4, and 7. For violations of subdivision 1, paragraph (a), clauses (2) and (3), the fine will be imposed on the housing with services registrant and may be appealed under the contested case procedure in section 144A.475, subdivisions 3a, 4, and 7. Prior to imposing the fine, the commissioner must allow two weeks for staff to complete the required training. Fines collected under this section shall be deposited in the state treasury and credited to the state government special revenue fund.

(b) The housing with services registrant and home care provider must allow for the required training as part of employee and staff duties. Imposition of a fine by the commissioner does not negate the need for the required training. Continued noncompliance with the requirements of sections 144D.065 and 144D.10 may result in revocation or nonrenewal of the housing with services registration or home care license. The commissioner shall make public the list of all housing with services establishments that have complied with the training requirements.

Subd. 3. **Technical assistance.** From January 1, 2016, to December 31, 2016, the commissioner shall provide technical assistance instead of imposing fines for noncompliance with the training
