1.21 amended to read:

1.22 Subd. 3. **Consent to electronic monitoring.** (a) Except as otherwise provided in this

1.23 subdivision, a resident must consent to electronic monitoring in the resident's room or private

1.24 living unit in writing on a notification and consent form. If the resident has not affirmatively

1.25 objected to electronic monitoring and the resident representative attests that the resident's

1.26 medical professional ~~determines~~ determines that the resident currently lacks the ability to

1.27 understand and appreciate the nature and consequences of electronic monitoring, the resident

1.28 representative may consent on behalf of the resident. For purposes of this subdivision, a

1.29 resident affirmatively objects when the resident orally, visually, or through the use of

2.1 auxiliary aids or services declines electronic monitoring. The resident's response must be
2.2 documented on the notification and consent form.

2.3 (b) Prior to a resident representative consenting on behalf of a resident, the resident must
2.4 be asked if the resident wants electronic monitoring to be conducted. The resident
2.5 representative must explain to the resident:

2.6 (1) the type of electronic monitoring device to be used;

2.7 (2) the standard conditions that may be placed on the electronic monitoring device's use,
2.8 including those listed in subdivision 6;

2.9 (3) with whom the recording may be shared under subdivision 10 or 11; and

2.10 (4) the resident's ability to decline all recording.

2.11 (c) A resident, or resident representative when consenting on behalf of the resident, may
2.12 consent to electronic monitoring with any conditions of the resident's or resident
2.13 representative's choosing, including the list of standard conditions provided in subdivision
2.14 6. A resident, or resident representative when consenting on behalf of the resident, may
2.15 request that the electronic monitoring device be turned off or the visual or audio recording
2.16 component of the electronic monitoring device be blocked at any time.

2.17 (d) Prior to implementing electronic monitoring, a resident, or resident representative
2.18 when acting on behalf of the resident, must obtain the written consent on the notification
2.19 and consent form of any other resident residing in the shared room or shared private living
2.20 unit. A roommate's or roommate's resident representative's written consent must comply
2.21 with the requirements of paragraphs (a) to (c). Consent by a roommate or a roommate's
2.22 resident representative under this paragraph authorizes the resident's use of any recording
2.23 obtained under this section, as provided under subdivision 10 or 11.

2.24 (e) Any resident conducting electronic monitoring must immediately remove or disable
2.25 an electronic monitoring device prior to a new roommate moving into a shared room or
2.26 shared private living unit, unless the resident obtains the roommate's or roommate's resident
2.27 representative's written consent as provided under paragraph (d) prior to the roommate
2.28 moving into the shared room or shared private living unit. Upon obtaining the new
2.29 roommate's signed notification and consent form and submitting the form to the facility as
2.30 required under subdivision 5, the resident may resume electronic monitoring.

2.31 (f) The resident or roommate, or the resident representative or roommate's resident
2.32 representative if the representative is consenting on behalf of the resident or roommate, may

3.1 withdraw consent at any time and the withdrawal of consent must be documented on the
3.2 original consent form as provided under subdivision 5, paragraph (d).

3.9 set up any device, provided the resident or resident representative delivers the approved
3.10 device to the facility with clear instructions for setting up the device, the device does not

12.31 (c) The meeting required under paragraph (a) must be scheduled to take place at least
 12.32 seven days before a notice of termination or nonrenewal is issued. The facility must make

13.1 reasonable efforts to ensure that the client and the client representative are able to attend
13.2 the meeting.

13.3 (d) The facility must notify the client that the client may invite family members, relevant
13.4 health professionals, a representative of the Office of Ombudsman for Long-Term Care, or
13.5 other persons of the client's choosing to attend the meeting. For clients who receive home
13.6 and community-based waiver services under Minnesota Statutes, section 256B.49, and
13.7 Minnesota Statutes, chapter 256S, the facility must notify the client's case manager of the
13.8 meeting.

13.9 Subd. 3. **Restrictions on lease terminations.** (a) A facility may not terminate a lease
13.10 except as provided in this subdivision.

13.11 (b) Upon 30 days' prior written notice, a facility may initiate a termination of a lease
13.12 only for:

13.13 (1) nonpayment of rent, provided the facility informs the client that public benefits may
13.14 be available and provides contact information for the Senior LinkAge Line under Minnesota
13.15 Statutes, section 256.975, subdivision 7. An interruption to a client's public benefits that
13.16 lasts for no more than 60 days does not constitute nonpayment; or

13.17 (2) a violation of a lawful provision of the lease if the client does not cure the violation
13.18 within a reasonable amount of time after the facility provides written notice to the client of
13.19 the ability to cure. Written notice of the ability to cure may be provided in person or by first
13.20 class mail. A facility is not required to provide a client with written notice of the ability to
13.21 cure for a violation that threatens the health or safety of the client or another individual in
13.22 the facility, or for a violation that constitutes illegal conduct.

13.23 (c) Upon 15 days' prior written notice, a facility may terminate a lease only if the client
13.24 has:

13.25 (1) engaged in conduct that substantially interferes with the rights, health, or safety of
13.26 other clients;

13.27 (2) engaged in conduct that substantially and intentionally interferes with the safety or
13.28 physical health of facility staff; or

13.29 (3) committed an act listed in Minnesota Statutes, section 504B.171, that substantially
13.30 interferes with the rights, health, or safety of other clients.

13.31 (d) Nothing in this subdivision affects the rights and remedies available to facilities and
13.32 clients under Minnesota Statutes, chapter 504B.

14.1 Subd. 4. Restrictions on terminations and nonrenewals of services and service
 14.2 plans. (a) An arranged home care provider may not terminate or fail to renew a service plan
 14.3 of a client in a facility except as provided in this subdivision.

14.4 (b) Upon 30 days' prior written notice, an arranged home care provider may initiate a
 14.5 termination of services for nonpayment if the client does not cure the violation within a
 14.6 reasonable amount of time after the facility provides written notice to the client of the ability
 14.7 to cure. An interruption to a client's public benefits that lasts for no more than 60 days does
 14.8 not constitute nonpayment.

14.9 (c) Upon 15 days' prior written notice, an arranged home care provider may terminate
 14.10 or fail to renew a service plan only if:

14.11 (1) the client has engaged in conduct that substantially interferes with the client's health
 14.12 or safety;

14.13 (2) the client's assessed needs exceed the scope of services agreed upon in the service
 14.14 plan and are not otherwise offered by the arranged home care provider; or

14.15 (3) extraordinary circumstances exist, causing the arranged home care provider to be
 14.16 unable to provide the client with the services agreed to in the service plan that are necessary
 14.17 to meet the client's needs.

14.18 Subd. 5. Right to appeal. Clients have the right to appeal the termination of a lease,
 14.19 services, or a service plan.

14.20 Subd. 6. Permissible grounds to appeal termination. A client may appeal a termination
 14.21 initiated under subdivision 3 or 4, on the grounds that:

14.22 (1) there is a factual dispute as to whether the facility had a permissible basis to initiate
 14.23 the termination;

14.24 (2) the termination would result in great harm or the potential for great harm to the client
 14.25 as determined by the totality of the circumstances, except in circumstances where there is
 14.26 a greater risk of harm to other residents or staff at the facility;

14.27 (3) the resident has cured or demonstrated the ability to cure the reasons for the
 14.28 termination, or has identified a reasonable accommodation or modification, intervention,
 14.29 or alternative to the termination; or

14.30 (4) the facility has terminated the lease, services, or service plan in violation of state or
 14.31 federal law.

15.1 Subd. 7. Appeals process. (a) The Office of Administrative Hearings must conduct an
15.2 expedited hearing as soon as practicable, but in no event later than 14 calendar days after
15.3 the office receives the request, unless the parties agree otherwise or the chief administrative
15.4 law judge deems the timing to be unreasonable, given the complexity of the issues presented.

15.5 (b) The hearing must be held at the facility where the resident lives, unless holding the
15.6 hearing at that location is impractical, the parties agree to hold the hearing at a different
15.7 location, or the chief administrative law judge grants a party's request to appear at another
15.8 location or by telephone or interactive video.

15.9 (c) The hearing is not a formal contested case proceeding, except when determined
15.10 necessary by the chief administrative law judge.

15.11 (d) Parties may but are not required to be represented by counsel. The appearance of a
15.12 party without counsel does not constitute the unauthorized practice of law.

15.13 (e) The hearing shall be limited to the amount of time necessary for the participants to
15.14 expeditiously present the facts about the proposed termination. The administrative law judge
15.15 shall issue a recommendation to the commissioner as soon as practicable, but in no event
15.16 later than ten business days after the hearing.

15.17 Subd. 8. Burden of proof for appeals of termination. (a) The facility bears the burden
15.18 of proof to establish by a preponderance of the evidence that the termination was permissible
15.19 if the appeal is brought on the ground listed in subdivision 6, clause (4).

15.20 (b) The client bears the burden of proof to establish by a preponderance of the evidence
15.21 that the termination was permissible if the appeal is brought on the grounds listed in
15.22 subdivision 6, clause (2) or (3).

15.23 Subd. 9. Determination; content of order. (a) The client's termination must be rescinded
15.24 if the client prevails in the appeal.

15.25 (b) The order may contain any conditions that may be placed on the client's continued
15.26 residency or receipt of services, including but not limited to changes to the service plan or
15.27 a required increase in services.

15.28 Subd. 10. Service provision while appeal pending. A termination of a lease, services,
15.29 or a service plan shall not occur while an appeal is pending. If additional services are needed
15.30 to meet the health or safety needs of the client while an appeal is pending, the client is
15.31 responsible for contracting for those additional services from the facility or another provider
15.32 and for ensuring the costs for those additional services are covered.

16.1 Subd. 11. **Application of Minnesota Statutes, chapter 504B, to appeals of**
16.2 **terminations.** A client may not bring an action under Minnesota Statutes, chapter 504B,
16.3 to challenge a termination of a lease that has occurred and been upheld under this section.

16.4 Subd. 12. **Restriction on lease nonrenewals.** If a facility decides to not renew a client's
16.5 lease, the facility must:

16.6 (1) provide the client with 60 calendar days' notice of the nonrenewal;

16.7 (2) ensure a coordinated move as provided under subdivision 14;

16.8 (3) consult and cooperate with the client; the client representative; the case manager of
16.9 a client who receives home and community-based waiver services under Minnesota Statutes,
16.10 section 256B.49, and Minnesota Statutes, chapter 256S; relevant health professionals; and
16.11 any other person of the client's choosing to make arrangements to move the client; and

16.12 (4) prepare a written plan to prepare for the move.

16.13 Subd. 13. **Right to return.** If a client is absent from a facility for any reason, the facility
16.14 shall not refuse to allow a client to return if a lease termination has not been effectuated.

16.15 Subd. 14. **Coordinated moves.** (a) A facility or arranged home care provider, as
16.16 applicable, must arrange a coordinated move for a client according to this subdivision if:

16.17 (1) a facility terminates a lease or closes the facility;

16.18 (2) an arranged home care provider terminates or does not renew a service plan; or

16.19 (3) an arranged home care provider reduces or eliminates services to the extent that the
16.20 client needs to move.

16.21 (b) If an event listed in paragraph (a) occurs, the facility or arranged home care provider,
16.22 as applicable, must:

16.23 (1) ensure a coordinated move to a safe location that is appropriate for the client and
16.24 that is identified by the facility;

16.25 (2) ensure a coordinated move to an appropriate service provider identified by the facility,
16.26 provided services are still needed and desired by the client; and

16.27 (3) consult and cooperate with the client; the client representative; the case manager for
16.28 a client who receives home and community-based waiver services under Minnesota Statutes,
16.29 section 256B.49, and Minnesota Statutes, chapter 256S; relevant health professionals; and
16.30 any other person of the client's choosing to make arrangements to move the client.

17.1 (c) A facility may satisfy the requirements in paragraph (b), clauses (1) and (2), by
17.2 moving the client to a different location within the same facility, if appropriate for the client.

17.3 (d) A client may decline to move to the location the facility identifies or to accept services
17.4 from a service provider the facility identifies, and may choose instead to move to a location
17.5 of the client's choosing or receive services from a service provider of the client's choosing.

17.6 (e) Sixty days before the facility or arranged home care provider reduces or eliminates
17.7 one or more services for a particular client, the facility must provide written notice of the
17.8 reduction or elimination. If the facility, arranged home care provider, client, or client
17.9 representative determines that the reduction or elimination of services will force the client
17.10 to move to a new location, the facility must ensure a coordinated move in accordance with
17.11 this subdivision, and must provide notice to the Office of Ombudsman for Long-Term Care.

17.12 (f) The facility or arranged home care provider, as applicable, must prepare a relocation
17.13 plan to prepare for the move to the new location or service provider.

17.14 (g) With the client's knowledge and consent, if the client is relocated to another facility
17.15 or to a nursing home, or if care is transferred to another service provider, the facility must
17.16 timely convey to the new facility, nursing home, or service provider:

17.17 (1) the client's full name, date of birth, and insurance information;

17.18 (2) the name, telephone number, and address of the client representative, if any;

17.19 (3) the client's current, documented diagnoses that are relevant to the services being
17.20 provided;

17.21 (4) the client's known allergies that are relevant to the services being provided;

17.22 (5) the name and telephone number of the client's physician, if known, and the current
17.23 physician orders that are relevant to the services being provided;

17.24 (6) all medication administration records that are relevant to the services being provided;

17.25 (7) the most recent client assessment, if relevant to the services being provided; and

17.26 (8) copies of health care directives, "do not resuscitate" orders, and any guardianship
17.27 orders or powers of attorney.

17.28 Subd. 15. **No waiver.** No facility or arranged home care provider may request or require
17.29 that a client waive the client's rights or requirements under this section at any time or for
17.30 any reason, including as a condition of admission to the facility.

18.1 Subd. 16. **Expiration.** This section expires upon implementation of assisted living
 18.2 licensure under Minnesota Statutes, chapter 144G.

18.3 **EFFECTIVE DATE.** This section is effective August 1, 2020.

19.1 Subd. 3. **Suspension of discharges and transfers.** For the duration of the peacetime
 19.2 emergency declared in Executive Order 20-01 or until Executive Order 20-01 is rescinded,
 19.3 nursing homes, boarding care homes, and long-term acute care hospitals must not discharge

 19.30 facility for the following cohorting purposes:

20.1 (1) transferring clients with symptoms of a respiratory infection or confirmed diagnosis
20.2 of COVID-19 to another facility that agrees to accept each specific client and is a dedicated
20.3 COVID-19 care site;

20.4 (2) in order to make the transferring facility a dedicated COVID-19 care site transferring
20.5 residents without symptoms of a respiratory infection or confirmed not to have COVID-19

20.7 clients without COVID-19 and preventing them from acquiring COVID-19; or

20.8 (3) transferring clients without symptoms of a respiratory infection to another facility
20.9 that agrees to accept each specific client and is dedicated to observing clients over 14 days

20.26 subdivision 14, and under Minnesota Statutes, section 144A.44, subdivision 1, clause (18);

20.27 (6) a statement that a transfer for cohorting purposes does not constitute a termination
20.28 of a lease, services, or a service plan; and

20.29 (7) a statement that a client has a right to return to the transferring facility as provided
20.30 under subdivision 9.

21.1 Subd. 4. **Waived transfer requirements for cohorting purposes.** (a) The following
 21.2 requirements related to client rights are waived, or modified as indicated, only for purposes
 21.3 related to transfers to another facility under subdivision 2:

 21.22 receiving a client under this section for a private room or private living unit.

21.23 Subd. 6. **Coordinated transfer required.** Nothing in this section shall be construed as
 21.24 relieving a facility from its duty to provide a coordinated move and transfer of care as
 21.25 required under section 16, subdivision 14.

21.26 Subd. 7. **Transfers not considered terminations.** Nothing in this section shall be
 21.27 considered inconsistent with a facility's duties under sections 16 and 17. A transfer under
 21.28 this section is not a termination of a lease, services, or a service plan under section 16 or
 21.29 17.

21.30 Subd. 8. **No right of appeal.** A client may not appeal a transfer under subdivision 2.

22.1 Subd. 9. **Right to return.** If a client is absent from a facility as a result of a transfer

 22.8 in Minnesota Statutes, section 144A.474.

 22.11 outbreak of COVID-19, is terminated or rescinded by proper authority.

22.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

 24.2 are neither suspected or confirmed to have active SARS-CoV-2 infections;

24.3 (2) how to separate assisted living clients and nursing home residents who are suspected
