3.1 Sec. 5. Minnesota Statutes 2022, section 62Q.78, is amended by adding a subdivision to  
3.2 read:

3.3 Subd. 8. Network leasing. (a) A dental organization may grant a third party access to  
3.4 a dental provider contract or a provider's dental care services or contractual discounts  
3.5 provided pursuant to a dental provider contract if, at the time the dental provider contract  
3.6 is entered into or renewed, the dental organization allows a dentist to choose not to participate  
3.7 in third-party access to the dental provider contract, without any penalty to the dentist. The  
3.8 third-party access provision of the dental provider contract must be clearly identified. A  
3.9 dental organization must not grant a third party access to the dental provider contract of any  
3.10 dentist who does not participate in third-party access to the dental provider contract.

3.11 (b) Notwithstanding paragraph (a), if a dental organization exists solely for the purpose  
3.12 of recruiting dentists for dental provider contracts that establish a network to be leased to  
3.13 third parties, the dentist waives the right to choose whether to participate in third-party  
3.14 access.

3.15 (c) A dental organization may grant a third party access to a dental provider contract,  
3.16 or a dentist's dental care services or contractual discounts under a dental provider contract,  
3.17 if the following requirements are met:

3.18 (1) the dental organization lists all third parties that may have access to the dental provider  
3.19 contract on the dental organization's website, which must be updated at least once every 90  
3.20 days;

3.21 (2) the dental provider contract states that the dental organization may enter into an  
3.22 agreement with a third party that would allow the third party to obtain the dental  
3.23 organization's rights and responsibilities as if the third party were the dental organization,  
3.24 and the dentist chose to participate in third-party access at the time the dental provider  
3.25 contract was entered into; and

3.26 (3) the third party accessing the dental provider contract agrees to comply with all  
3.27 applicable terms of the dental provider contract.

3.28 (d) A dentist is not bound by and is not required to perform dental care services under  
3.29 a dental provider contract granted to a third party in violation of this section.

3.30 (e) This subdivision does not apply when:

3.31 (1) the dental provider contract is for dental services provided under a public health plan  
3.32 program, including but not limited to medical assistance, MinnesotaCare, Medicare, or  
3.33 Medicare Advantage; or

4.1 (2) access to a dental provider contract is granted to a dental organization, an entity  
4.2 operating in accordance with the same brand licensee program as the dental organization  
4.3 or other entity, or to an entity that is an affiliate of the dental organization, provided the  
4.4 entity agrees to substantially similar terms and conditions as the originating dental provider  
4.5 contract between the dental organization and the dentist or dental clinic. A list of the dental  
4.6 organization's affiliates must be posted on the dental organization's website.
