2.31 **EFFECTIVE DATE.** This section is effective July 1, 2019.

3.1 **Sec. 3. [297A.9935] SALES AND USE TAX; GENERAL AUTHORITY FOR CITIES.**

3.2 **Subdivision 1. Authorization; rates.** A city, or a group of cities acting under a joint  
3.3 powers agreement, may impose a local sales and use tax of up to one-half of one percent  
3.4 without authorization under a special law provided that all the conditions for adoption, use,  
3.5 and termination of the tax contained in this section and section 297A.99, subdivisions 4 to  
3.6 12a, are met. A city may not impose a tax under this section while it imposes a local sales  
3.7 tax under a special law. If a city or group of cities imposes a tax under this section at a rate  
3.8 less than one-half of one percent, the city or cities may increase the rate up to a rate of  
3.9 one-half of one percent without authorization under a special law provided that all of the  
3.10 conditions of this section and section 297A.99, subdivisions 3 to 12, are met.

3.11 **Subd. 2. Allowed uses of revenue.** The proceeds of a tax imposed under this section  
3.12 must be dedicated exclusively to pay for specific capital projects approved by the voters in  
3.13 the authorizing referendum. No proceeds may be used for normal maintenance or operating  
3.14 costs of a facility or properties owned by a city or group of cities. The proceeds may be  
3.15 used to pay for collecting and administering the tax; to pay all or part of the capital costs  
3.16 of the development, acquisition, construction, expansion, and improvement; and to secure  
3.17 and pay debt service on bonds or other obligations issued to finance capital costs of a regional  
3.18 project, including the following:

3.19 (1) convention or civic centers;

3.20 (2) public libraries;

3.21 (3) parks, trails, and recreational centers;

3.22 (4) overpasses, arterial and collector roads, and bridges, on, adjacent to, or connecting  
3.23 to a Minnesota state highway;

3.24 (5) flood control and protection infrastructure;

3.25 (6) water quality projects to address groundwater and drinking water pollution problems;

3.26 (7) court facilities;

3.27 (8) fire, law enforcement, and public safety facilities; and

3.28 (9) municipal buildings.

3.29 **Subd. 3. Referendum required.** (a) A city or group of cities may not impose a tax under  
3.30 this section unless approved by the voters of each city at a general election.

3.31 (b) At least three months prior to holding a referendum to impose the tax, a city must  
3.32 provide to the commissioner of revenue a resolution approved by the city that shows that

4.1 the specific project or projects to be funded by the tax meet the requirements of subdivision  
4.2 2; the date on which the referendum will be held; the maximum amount to be raised by the  
4.3 tax that may be used for each of the specified projects, excluding issuance and interest costs  
4.4 for any related bonds; and the maximum time that the tax may be imposed. The commissioner  
4.5 shall certify that the requirements under this section are met and the city shall provide any  
4.6 additional information on the commissioner's requests in order to make that determination.  
4.7 The commissioner's decision is final.

4.8 (c) The question put to the voters at the referendum authorizing the vote must include  
4.9 information on the specific project or projects to be funded by the proceeds of the tax; the  
4.10 maximum amount of sales tax revenues that will be used to fund each project, not including  
4.11 any issuance and interest costs for related bonds; and the maximum length of time that the  
4.12 tax will be imposed, which must not exceed 20 years from the date the initial tax was imposed  
4.13 without regard to an increase in the rate. If the referendum is not held on the date contained  
4.14 in the resolution or the next following Tuesday, if allowed under section 205.105, the  
4.15 authority for imposing the tax expires.

4.16 Subd. 4. **Bonding authority.** A city may issue general obligation bonds to pay the costs  
4.17 of projects specified in the referendum authorizing imposition of the tax. The approval of  
4.18 the question under subdivision 3 meets the requirement for elector approval for issuance of  
4.19 bonds under section 475.58, subdivision 1. The debt represented by the bonds must not be  
4.20 included in computing any debt limitations applicable to the city. The levy of taxes required  
4.21 by section 475.61 to pay the principal or any interest on the bonds must not be subject to  
4.22 any levy limitations or be included in computing or applying any levy limitation to the city.

4.23 Subd. 5. **Expiration; new authorization.** A tax imposed under this section expires at  
4.24 the earlier of when (1) the specified revenue has been raised, or (2) the maximum time in  
4.25 which the tax is in effect under the resolution required in subdivision 2 is reached. Any tax  
4.26 imposed under this section expires no later than 20 years after imposition from the date the  
4.27 initial tax was imposed without regard to an increase in the rate allowed under subdivision  
4.28 1. The governing board of the city may, by ordinance, terminate the tax at an earlier date.  
4.29 A city must not impose a new local option sales and use tax under this section while a  
4.30 previously authorized tax under this section is still imposed.
