2.21 student learning in health ~~or the arts~~.

2.22 Sec. 3. Minnesota Statutes 2022, section 120B.021, subdivision 1, is amended to read:

2.23 Subdivision 1. **Required academic standards.** (a) The following subject areas are
2.24 required for statewide accountability:

2.25 (1) language arts;

2.26 (2) mathematics, encompassing algebra II, integrated mathematics III, or an equivalent

3.10 (b) For purposes of applicable federal law, the academic standards for language arts,
3.11 mathematics, and science apply to all public school students, except the very few students
3.12 with extreme cognitive or physical impairments for whom an individualized education
3.13 program team has determined that the required academic standards are inappropriate. An
3.14 individualized education program team that makes this determination must establish
3.15 alternative standards.

3.16 (c) ~~The department must adopt the most recent SHAPE America (Society of Health and~~
3.17 ~~Physical Educators) kindergarten through grade 12 standards and benchmarks for physical~~
3.18 ~~education as the required physical education academic standards.~~ The department may

3.26 curriculum, consistent with paragraph (a), clause (6). Child sexual abuse prevention
3.27 instruction may include age-appropriate instruction on recognizing sexual abuse and assault,
3.28 boundary violations, and ways offenders groom or desensitize victims, as well as strategies
3.29 to promote disclosure, reduce self-blame, and mobilize bystanders. A school district may
3.30 provide instruction under this paragraph in a variety of ways, including at an annual assembly
3.31 or classroom presentation. A school district may also provide parents information on the
3.32 warning signs of child sexual abuse and available resources.

4.1 (e) District efforts to develop, implement, or improve instruction or curriculum as a
4.2 result of the provisions of this section must be consistent with sections 120B.10, 120B.11,
4.3 and 120B.20.

4.4 Sec. 4. Minnesota Statutes 2022, section 120B.021, subdivision 3, is amended to read:

4.5 Subd. 3. **Rulemaking.** The commissioner, consistent with the requirements of this section
4.6 and section 120B.022, must adopt statewide rules under section 14.389 for implementing
4.7 statewide rigorous core academic standards in language arts, mathematics, science, social
4.8 studies, physical education, and the arts. ~~After the rules authorized under this subdivision~~
4.9 ~~are initially adopted, the commissioner may not amend or repeal these rules nor adopt new~~
4.10 ~~rules on the same topic without specific legislative authorization.~~

4.11 Sec. 5. Minnesota Statutes 2022, section 120B.022, subdivision 1, is amended to read:

4.12 Subdivision 1. **Elective standards.** A district must establish and regularly review its
4.13 own standards ~~in~~ for career and technical education (CTE) programs. Standards must align
4.14 with CTE frameworks developed by the Department of Education, standards developed by
4.15 national CTE organizations, or recognized industry standards. A district must use the current
4.16 world languages standards developed by the American Council on the Teaching of Foreign
4.17 Languages. A school district must offer courses in all elective subject areas.

4.18 Sec. 6. Minnesota Statutes 2022, section 120B.024, subdivision 1, is amended to read:

4.19 Subdivision 1. **Graduation requirements.** (a) Students ~~beginning 9th grade in the~~
4.20 ~~2011-2012 school year and later~~ must successfully complete the following high school level
4.21 credits for graduation:

4.22 (1) four credits of language arts sufficient to satisfy all of the academic standards in
4.23 English language arts;

4.24 (2) three credits of mathematics, ~~including an algebra II credit or its equivalent,~~ sufficient
4.25 to satisfy all of the academic standards in mathematics;

4.26 ~~(3) an algebra I credit by the end of 8th grade sufficient to satisfy all of the 8th grade~~
4.27 ~~standards in mathematics;~~

4.28 ~~(4)~~ (3) three credits of science, including at least one credit of biology, one credit of
4.29 chemistry or physics, and one ~~elective~~ credit of earth and space science. The combination

 5.11 ~~citizenship to 11th or 12th grade students who begin 9th grade in the 2020-2021 school year~~
 5.12 ~~and later, that satisfies the government and citizenship requirement in paragraph (a), clause~~
 5.13 ~~(5)~~ Students beginning 9th grade in the 2023-2024 school year and later must successfully
 5.14 complete a personal finance course for credit during their senior year of high school. The
 5.15 course must include but is not limited to the following topics: creating a household budget;
 5.16 taking out loans and accruing debt, including how interest works; home mortgages; how to
 5.17 file taxes; the impact of student loan debt; and how to read a paycheck and payroll deductions.
 5.18 A district may provide a personal finance course through in-person instruction, distance
 5.19 instruction, or a combination of in-person and distance instruction.

5.20 **EFFECTIVE DATE.** Paragraph (a) is effective for the 2024-2025 school year and later.

5.21 Sec. 7. Minnesota Statutes 2022, section 120B.024, subdivision 2, is amended to read:

5.22 Subd. 2. **Credit equivalencies.** (a) A one-half credit of economics taught in a school's
 5.23 ~~agriculture~~ agricultural, food, and natural resources education or business education program
 5.24 or department may fulfill a one-half credit in social studies under subdivision 1, clause (5),
 5.25 if the credit is sufficient to satisfy all of the academic standards in economics.

5.26 (b) An agriculture science or career and technical education credit may fulfill the elective
 5.27 science credit required under subdivision 1, clause (4), if the credit meets the state physical
 5.28 science, life science, earth and space science, chemistry, or physics academic standards or
 5.29 a combination of these academic standards as approved by the district. An agriculture or
 5.30 career and technical education credit may fulfill the credit in chemistry or physics required
 5.31 under subdivision 1, clause (4), if the credit meets the state chemistry or physics academic
 5.32 standards as approved by the district. A student must satisfy either all of the chemistry
 5.33 academic standards or all of the physics academic standards prior to graduation. An

6.1 agriculture science or career and technical education credit may not fulfill the required
6.2 biology credit under subdivision 1, clause (4).

6.3 (c) A career and technical education credit may fulfill a mathematics or arts credit
6.4 requirement under subdivision 1, clause (2) or (6).

6.5 (d) An ~~agriculture~~ agricultural, food, and natural resources education teacher is not
6.6 required to meet the requirements of Minnesota Rules, part 3505.1150, subpart ~~1~~ 2, item
6.7 B, to meet the credit equivalency requirements of paragraph (b) above.

6.8 (e) A computer science credit may fulfill a mathematics credit requirement under
6.9 subdivision 1, clause (2), if the credit meets state academic standards in mathematics.

6.10 (f) A Project Lead the Way credit may fulfill a science or mathematics credit requirement
6.11 under subdivision 1, clause (2) or (4), if the credit meets the state academic standards in
6.12 science or mathematics.

6.13 Sec. 8. Minnesota Statutes 2022, section 120B.30, subdivision 1, is amended to read:

6.14 Subdivision 1. **Statewide testing.** (a) The commissioner, with advice from experts with
6.15 appropriate technical qualifications and experience and stakeholders, consistent with
6.16 subdivision 1a, must include in the comprehensive assessment system, for each grade level
6.17 to be tested, state-constructed tests developed as computer-adaptive reading and mathematics
6.18 assessments for students that are aligned with the state's required academic standards under
6.19 section 120B.021, include multiple choice questions, and are administered annually to all
6.20 students in grades 3 through 8. State-developed high school tests aligned with the state's
6.21 required academic standards under section 120B.021 and administered to all high school
6.22 students in a subject other than writing must include multiple choice questions. The
6.23 commissioner must establish a testing period as late as possible each school year during
6.24 which schools must administer the Minnesota Comprehensive Assessments to students. The
6.25 commissioner must publish the testing schedule at least two years before the beginning of
6.26 the testing period.

6.27 (b) The state assessment system must be aligned to the most recent revision of academic
6.28 standards as described in section 120B.023 in the following manner:

6.29 (1) mathematics;

6.30 (i) grades 3 through 8 beginning in the 2010-2011 school year; and

6.31 (ii) high school level beginning in the 2013-2014 school year;

7.1 (2) science; grades 5 and 8 and at the high school level beginning in the 2011-2012
7.2 school year; and

7.3 (3) language arts and reading; grades 3 through 8 and high school level beginning in the
7.4 2012-2013 school year.

7.5 (c) For students enrolled in grade 8 in the 2012-2013 school year and later, students'
7.6 state graduation requirements, based on a longitudinal, systematic approach to student
7.7 education and career planning, assessment, instructional support, and evaluation, include
7.8 the following:

7.9 (1) achievement and career and college readiness in mathematics, reading, and writing,
7.10 consistent with paragraph (k) and to the extent available, to monitor students' continuous
7.11 development of and growth in requisite knowledge and skills; analyze students' progress
7.12 and performance levels, identifying students' academic strengths and diagnosing areas where
7.13 students require curriculum or instructional adjustments, targeted interventions, or
7.14 remediation; and, based on analysis of students' progress and performance data, determine
7.15 students' learning and instructional needs and the instructional tools and best practices that
7.16 support academic rigor for the student; and

7.17 (2) consistent with this paragraph and section 120B.125, age-appropriate exploration
7.18 and planning activities and career assessments to encourage students to identify personally
7.19 relevant career interests and aptitudes and help students and their families develop a regularly
7.20 reexamined transition plan for postsecondary education or employment without need for
7.21 postsecondary remediation.

7.22 Based on appropriate state guidelines, students with an individualized education program
7.23 may satisfy state graduation requirements by achieving an individual score on the
7.24 state-identified alternative assessments.

7.25 (d) Expectations of schools, districts, and the state for career or college readiness under
7.26 this subdivision must be comparable in rigor, clarity of purpose, and rates of student
7.27 completion.

7.28 A student under paragraph (c), clause (1), must receive targeted, relevant, academically
7.29 rigorous, and resourced instruction, which may include a targeted instruction and intervention
7.30 plan focused on improving the student's knowledge and skills in core subjects so that the
7.31 student has a reasonable chance to succeed in a career or college without need for
7.32 postsecondary remediation. Consistent with sections 120B.13, 124D.09, 124D.091, 124D.49,
7.33 and related sections, an enrolling school or district must actively encourage a student in
7.34 grade 11 or 12 who is identified as academically ready for a career or college to participate

8.1 in courses and programs awarding college credit to high school students. Students are not
8.2 required to achieve a specified score or level of proficiency on an assessment under this
8.3 subdivision to graduate from high school.

8.4 (e) Though not a high school graduation requirement, students are encouraged to
8.5 participate in a nationally recognized college entrance exam. To the extent state funding
8.6 for college entrance exam fees is available, a district must pay the cost, one time, for an
8.7 interested student in grade 11 or 12 who is eligible for a free or reduced-price meal, to take
8.8 a nationally recognized college entrance exam before graduating. A student must be able
8.9 to take the exam under this paragraph at the student's high school during the school day and
8.10 at any one of the multiple exam administrations available to students in the district. A district
8.11 may administer the ACT or SAT or both the ACT and SAT to comply with this paragraph.
8.12 If the district administers only one of these two tests and a free or reduced-price meal eligible
8.13 student opts not to take that test and chooses instead to take the other of the two tests, the
8.14 student may take the other test at a different time or location and remains eligible for the
8.15 examination fee reimbursement. Notwithstanding sections 123B.34 to 123B.39, a school
8.16 district may require a student that is not eligible for a free or reduced-price meal to pay the
8.17 cost of taking a nationally recognized college entrance exam. The district must waive the
8.18 cost for a student unable to pay.

8.19 (f) The commissioner and the chancellor of the Minnesota State Colleges and Universities
8.20 must collaborate in aligning instruction and assessments for adult basic education students
8.21 and English learners to provide the students with diagnostic information about any targeted
8.22 interventions, accommodations, modifications, and supports they need so that assessments
8.23 and other performance measures are accessible to them and they may seek postsecondary
8.24 education or employment without need for postsecondary remediation. When administering
8.25 formative or summative assessments used to measure the academic progress, including the
8.26 oral academic development, of English learners and inform their instruction, schools must
8.27 ensure that the assessments are accessible to the students and students have the modifications
8.28 and supports they need to sufficiently understand the assessments.

8.29 (g) Districts and schools, on an annual basis, must use career exploration elements to
8.30 help students, beginning no later than grade 9, and their families explore and plan for
8.31 postsecondary education or careers based on the students' interests, aptitudes, and aspirations.
8.32 Districts and schools must use timely regional labor market information and partnerships,
8.33 among other resources, to help students and their families successfully develop, pursue,
8.34 review, and revise an individualized plan for postsecondary education or a career. This
8.35 process must help increase students' engagement in and connection to school, improve

9.1 students' knowledge and skills, and deepen students' understanding of career pathways as
9.2 a sequence of academic and career courses that lead to an industry-recognized credential,
9.3 an associate's degree, or a bachelor's degree and are available to all students, whatever their
9.4 interests and career goals.

9.5 (h) A student who demonstrates attainment of required state academic standards, which
9.6 include career and college readiness benchmarks, on high school assessments under
9.7 subdivision 1a is academically ready for a career or college and is encouraged to participate
9.8 in courses awarding college credit to high school students. Such courses and programs may
9.9 include sequential courses of study within broad career areas and technical skill assessments
9.10 that extend beyond course grades.

9.11 (i) As appropriate, students through grade 12 must continue to participate in targeted
9.12 instruction, intervention, or remediation and be encouraged to participate in courses awarding
9.13 college credit to high school students.

9.14 (j) In developing, supporting, and improving students' academic readiness for a career
9.15 or college, schools, districts, and the state must have a continuum of empirically derived,
9.16 clearly defined benchmarks focused on students' attainment of knowledge and skills so that
9.17 students, their parents, and teachers know how well students must perform to have a
9.18 reasonable chance to succeed in a career or college without need for postsecondary
9.19 remediation. The commissioner, in consultation with local school officials and educators,
9.20 and Minnesota's public postsecondary institutions must ensure that the foundational
9.21 knowledge and skills for students' successful performance in postsecondary employment
9.22 or education and an articulated series of possible targeted interventions are clearly identified
9.23 and satisfy Minnesota's postsecondary admissions requirements.

9.24 (k) For students in grade 8 in the 2012-2013 school year and later, a school, district, or
9.25 charter school must record on the high school transcript a student's progress toward career
9.26 and college readiness, and for other students as soon as practicable.

9.27 (l) The school board granting students their diplomas may formally decide to include a
9.28 notation of high achievement on the high school diplomas of those graduating seniors who,
9.29 according to established school board criteria, demonstrate exemplary academic achievement
9.30 during high school.

9.31 (m) The 3rd through 8th grade computer-adaptive assessment results and high school
9.32 test results must be available to districts for diagnostic purposes affecting student learning
9.33 and district instruction and curriculum, and for establishing educational accountability. The
9.34 commissioner, in consultation with the chancellor of the Minnesota State Colleges and

10.1 Universities, must establish empirically derived benchmarks on the high school tests that
10.2 reveal a trajectory toward career and college readiness consistent with section 136F.302,
10.3 subdivision 1a. The commissioner must disseminate to the public the computer-adaptive
10.4 assessments and high school test results upon receiving those results.

10.5 (n) The grades 3 through 8 computer-adaptive assessments and high school tests must
10.6 be aligned with state academic standards. The commissioner must determine the testing
10.7 process and the order of administration. The statewide results must be aggregated at the site
10.8 and district level, consistent with subdivision 1a.

10.9 (o) The commissioner must include the following components in the statewide public
10.10 reporting system:

10.11 (1) uniform statewide computer-adaptive assessments of all students in grades 3 through
10.12 8 and testing at the high school levels that provides appropriate, technically sound
10.13 accommodations or alternate assessments;

10.14 (2) educational indicators that can be aggregated and compared across school districts
10.15 and across time on a statewide basis, including ~~average daily attendance~~ consistent
10.16 attendance, high school graduation rates, and high school drop-out rates by age and grade
10.17 level;

10.18 (3) state results on the ~~American College Test~~ ACT test; and

10.19 (4) state results from participation in the National Assessment of Educational Progress
10.20 so that the state can benchmark its performance against the nation and other states, and,
10.21 where possible, against other countries, and contribute to the national effort to monitor
10.22 achievement.

10.23 (p) For purposes of statewide accountability, "career and college ready" means a high
10.24 school graduate has the knowledge, skills, and competencies to successfully pursue a career
10.25 pathway, including postsecondary credit leading to a degree, diploma, certificate, or
10.26 industry-recognized credential and employment. Students who are career and college ready
10.27 are able to successfully complete credit-bearing coursework at a two- or four-year college
10.28 or university or other credit-bearing postsecondary program without need for remediation.

10.29 (q) For purposes of statewide accountability, "cultural competence," "cultural
10.30 competency," or "culturally competent" means the ability of families and educators to
10.31 interact effectively with people of different cultures, native languages, and socioeconomic
10.32 backgrounds.

11.1 Sec. 9. Minnesota Statutes 2022, section 120B.30, subdivision 1a, is amended to read:

11.2 Subd. 1a. **Statewide and local assessments; results.** ~~(a) For purposes of this section,~~
 11.3 ~~the following definitions have the meanings given them.~~

11.4 ~~(1) "Computer adaptive assessments" means fully adaptive assessments.~~

11.5 ~~(2) "Fully adaptive assessments" include test items that are on-grade level and items that~~
 11.6 ~~may be above or below a student's grade level.~~

11.7 ~~(3) "On-grade level" test items contain subject area content that is aligned to state~~
 11.8 ~~academic standards for the grade level of the student taking the assessment.~~

11.9 ~~(4) "Above-grade level" test items contain subject area content that is above the grade~~
 11.10 ~~level of the student taking the assessment and is considered aligned with state academic~~
 11.11 ~~standards to the extent it is aligned with content represented in state academic standards~~
 11.12 ~~above the grade level of the student taking the assessment. Notwithstanding the student's~~
 11.13 ~~grade level, administering above-grade level test items to a student does not violate the~~
 11.14 ~~requirement that state assessments must be aligned with state standards.~~

11.15 ~~(5) "Below-grade level" test items contain subject area content that is below the grade~~
 11.16 ~~level of the student taking the test and is considered aligned with state academic standards~~
 11.17 ~~to the extent it is aligned with content represented in state academic standards below the~~
 11.18 ~~student's current grade level. Notwithstanding the student's grade level, administering~~
 11.19 ~~below-grade level test items to a student does not violate the requirement that state~~
 11.20 ~~assessments must be aligned with state standards.~~

11.21 ~~(b) The commissioner must use fully adaptive mathematics and reading assessments for~~
 11.22 ~~grades 3 through 8.~~

11.23 ~~(e)~~ (a) For purposes of conforming with existing federal educational accountability
 11.24 requirements, the commissioner must develop and implement computer-adaptive reading
 11.25 and mathematics assessments for grades 3 through 8, state-developed high school reading
 11.26 and mathematics tests aligned with state academic standards, a high school writing test
 11.27 aligned with state standards when it becomes available, and science assessments under
 11.28 clause (2) that districts and sites must use to monitor student growth toward achieving those
 11.29 standards. The commissioner must not develop statewide assessments for academic standards
 11.30 in social studies, health and physical education, and the arts. The commissioner must require:

11.31 (1) annual computer-adaptive reading and mathematics assessments in grades 3 through
 11.32 8, and high school reading, writing, and mathematics tests; and

12.1 (2) annual science assessments in one grade in the grades 3 through 5 span, the grades
 12.2 6 through 8 span, and a life sciences assessment in the grades 9 through 12 span, and the
 12.3 commissioner must not require students to achieve a passing score on high school science
 12.4 assessments as a condition of receiving a high school diploma.

12.5 ~~(d)~~ (b) The commissioner must ensure that for annual computer-adaptive assessments:

12.6 (1) individual student performance data and achievement reports are available within
 12.7 three school days of when students take an assessment except in a year when an assessment
 12.8 reflects new performance standards;

12.9 (2) growth information is available for each student from the student's first assessment
 12.10 to each proximate assessment using a constant measurement scale;

12.11 (3) parents, teachers, and school administrators are able to use elementary and middle
 12.12 school student performance data to project students' secondary and postsecondary
 12.13 achievement; and

12.14 (4) useful diagnostic information about areas of students' academic strengths and
 12.15 weaknesses is available to teachers and school administrators for improving student
 12.16 instruction and indicating the specific skills and concepts that should be introduced and
 12.17 developed for students at given performance levels, organized by strands within subject
 12.18 areas, and aligned to state academic standards.

12.19 ~~(e)~~ (c) The commissioner must ensure that all state tests administered to elementary and
 12.20 secondary students measure students' academic knowledge and skills and not students'
 12.21 values, attitudes, and beliefs.

12.22 ~~(f)~~ (d) Reporting of state assessment results must:

12.23 (1) provide timely, useful, and understandable information on the performance of
 12.24 individual students, schools, school districts, and the state;

12.25 (2) include a growth indicator of student achievement; and

12.26 (3) determine whether students have met the state's academic standards.

12.27 ~~(g)~~ (e) Consistent with applicable federal law, the commissioner must include appropriate,
 12.28 technically sound accommodations or alternative assessments for the very few students with
 12.29 disabilities for whom statewide assessments are inappropriate and for English learners.

12.30 ~~(h)~~ (f) A school, school district, and charter school must administer statewide assessments
 12.31 under this section, as the assessments become available, to evaluate student progress toward
 12.32 career and college readiness in the context of the state's academic standards. A school,

13.1 school district, or charter school may use a student's performance on a statewide assessment
 13.2 as one of multiple criteria to determine grade promotion or retention. A school, school
 13.3 district, or charter school may use a high school student's performance on a statewide
 13.4 assessment as a percentage of the student's final grade in a course, or place a student's
 13.5 assessment score on the student's transcript.

13.6 Sec. 10. Minnesota Statutes 2022, section 120B.301, is amended to read:

13.7 **120B.301 LIMITS ON LOCAL TESTING.**

13.8 (a) For students in grades 1 through 6, the cumulative total amount of time spent taking
 13.9 locally adopted districtwide or schoolwide assessments must not exceed ten hours per school
 13.10 year. For students in grades 7 through 12, the cumulative total amount of time spent taking
 13.11 locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school
 13.12 year. For purposes of this paragraph, international baccalaureate and advanced placement
 13.13 exams are not considered locally adopted assessments.

13.14 (b) A district or charter school is exempt from the requirements of paragraph (a), if the
 13.15 district or charter school, in consultation with the exclusive representative of the teachers
 13.16 or other teachers if there is no exclusive representative of the teachers, decides to exceed a
 13.17 time limit in paragraph (a) and includes the information in the report required under section
 13.18 120B.11, subdivision 5.

13.19 (c) A district or charter school, ~~before the first day of each school year,~~ must publish on
 13.20 its website a comprehensive calendar of standardized tests to be administered in the district
 13.21 or charter school during that school year. The calendar must provide the rationale for
 13.22 administering each assessment and indicate whether the assessment is a local option or
 13.23 required by state or federal law. The calendar must be published at least one week prior to
 13.24 any eligible assessments being administered but no later than October 1.

13.25 Sec. 11. Minnesota Statutes 2022, section 120B.35, subdivision 3, is amended to read:

13.26 Subd. 3. **State growth ~~target~~ measures; other state measures.** (a)(1) The state's
 13.27 educational assessment system measuring individual students' educational growth is based
 13.28 on indicators of current achievement ~~growth~~ that show growth relative to an individual
 13.29 student's prior achievement. Indicators of achievement and prior achievement must be based
 13.30 on highly reliable statewide or districtwide assessments.

13.31 (2) For purposes of paragraphs (b), (c), and (d), the commissioner must analyze and
 13.32 report separate categories of information using the student categories identified under the

14.1 federal Elementary and Secondary Education Act, as most recently reauthorized, and, in
14.2 addition to "other" for each race and ethnicity, and the Karen community, seven of the most
14.3 populous Asian and Pacific Islander groups, three of the most populous Native groups,
14.4 seven of the most populous Hispanic/Latino groups, and five of the most populous Black
14.5 and African Heritage groups as determined by the total Minnesota population based on the
14.6 most recent American Community Survey; English learners under section 124D.59; home
14.7 language; free or reduced-price lunch; and all students enrolled in a Minnesota public school
14.8 who are currently or were previously in foster care, except that such disaggregation and
14.9 cross tabulation is not required if the number of students in a category is insufficient to yield
14.10 statistically reliable information or the results would reveal personally identifiable information
14.11 about an individual student.

14.12 (b) The commissioner, in consultation with a stakeholder group that includes assessment
14.13 and evaluation directors, district staff, experts in culturally responsive teaching, and
14.14 researchers, must implement a an appropriate growth model that compares the difference
14.15 in students' achievement scores over time, and includes criteria for identifying schools and
14.16 school districts that demonstrate academic progress or progress toward English language
14.17 proficiency. The model may be used to advance educators' professional development and
14.18 replicate programs that succeed in meeting students' diverse learning needs. Data on
14.19 individual teachers generated under the model are personnel data under section 13.43. The
14.20 model must allow users to:

14.21 (1) report student growth consistent with this paragraph; and

14.22 (2) for all student categories, report and compare aggregated and disaggregated state
14.23 student growth and, under section 120B.11, subdivision 2, clause (2), student learning and
14.24 outcome data using the student categories identified under the federal Elementary and
14.25 Secondary Education Act, as most recently reauthorized, and other student categories under
14.26 paragraph (a), clause (2).

14.27 The commissioner must report measures of student growth and, under section 120B.11,
14.28 subdivision 2, clause (2), student learning and outcome data, consistent with this paragraph,
14.29 including the English language development, academic progress, and oral academic
14.30 development of English learners and their native language development if the native language
14.31 is used as a language of instruction, and include data on all pupils enrolled in a Minnesota
14.32 public school course or program who are currently or were previously counted as an English
14.33 learner under section 124D.59.

15.1 (c) When reporting student performance under section 120B.36, subdivision 1, the
15.2 commissioner annually, beginning July 1, 2011, must report two core measures indicating
15.3 the extent to which current high school graduates are being prepared for postsecondary
15.4 academic and career opportunities:

15.5 (1) a preparation measure indicating the number and percentage of high school graduates
15.6 in the most recent school year who completed course work important to preparing them for
15.7 postsecondary academic and career opportunities, consistent with the core academic subjects
15.8 required for admission to Minnesota's public colleges and universities as determined by the
15.9 Office of Higher Education under chapter 136A; and

15.10 (2) a rigorous coursework measure indicating the number and percentage of high school
15.11 graduates in the most recent school year who successfully completed one or more
15.12 college-level advanced placement, international baccalaureate, postsecondary enrollment
15.13 options including concurrent enrollment, other rigorous courses of study under section
15.14 120B.021, subdivision 1a, or industry certification courses or programs.

15.15 When reporting the core measures under clauses (1) and (2), the commissioner must also
15.16 analyze and report separate categories of information using the student categories identified
15.17 under the federal Elementary and Secondary Education Act, as most recently reauthorized,
15.18 and other student categories under paragraph (a), clause (2).

15.19 (d) When reporting student performance under section 120B.36, subdivision 1, the
15.20 commissioner annually, beginning July 1, 2014, must report summary data on school safety
15.21 and students' engagement and connection at school, consistent with the student categories
15.22 identified under paragraph (a), clause (2). The summary data under this paragraph are
15.23 separate from and must not be used for any purpose related to measuring or evaluating the
15.24 performance of classroom teachers. The commissioner, in consultation with qualified experts
15.25 on student engagement and connection and classroom teachers, must identify highly reliable
15.26 variables that generate summary data under this paragraph. The summary data may be used
15.27 at school, district, and state levels only. Any data on individuals received, collected, or
15.28 created that are used to generate the summary data under this paragraph are nonpublic data
15.29 under section 13.02, subdivision 9.

15.30 (e) For purposes of statewide educational accountability, the commissioner must identify
15.31 and report measures that demonstrate the success of learning year program providers under
15.32 sections 123A.05 and 124D.68, among other such providers, in improving students'
15.33 graduation outcomes. The commissioner, beginning July 1, 2015, must annually report
15.34 summary data on:

- 16.1 (1) the four- and six-year graduation rates of students under this paragraph;
- 16.2 (2) the percent of students under this paragraph whose progress and performance levels
- 16.3 are meeting career and college readiness benchmarks under section 120B.30, subdivision
- 16.4 1; and
- 16.5 (3) the success that learning year program providers experience in:
- 16.6 (i) identifying at-risk and off-track student populations by grade;
- 16.7 (ii) providing successful prevention and intervention strategies for at-risk students;
- 16.8 (iii) providing successful recuperative and recovery or reenrollment strategies for off-track
- 16.9 students; and
- 16.10 (iv) improving the graduation outcomes of at-risk and off-track students.

16.11 The commissioner may include in the annual report summary data on other education

16.12 providers serving a majority of students eligible to participate in a learning year program.

16.13 (f) The commissioner, in consultation with recognized experts with knowledge and

16.14 experience in assessing the language proficiency and academic performance of all English

16.15 learners enrolled in a Minnesota public school course or program who are currently or were

16.16 previously counted as an English learner under section 124D.59, must identify and report

16.17 appropriate and effective measures to improve current categories of language difficulty and

16.18 assessments, and monitor and report data on students' English proficiency levels, program

16.19 placement, and academic language development, including oral academic language.

16.20 (g) When reporting four- and six-year graduation rates, the commissioner or school

16.21 district must disaggregate the data by student categories according to paragraph (a), clause

16.22 (2).

16.23 (h) A school district must inform parents and guardians that volunteering information

16.24 on student categories not required by the most recent reauthorization of the Elementary and

16.25 Secondary Education Act is optional and will not violate the privacy of students or their

16.26 families, parents, or guardians. The notice must state the purpose for collecting the student

16.27 data.

16.28 Sec. 12. Minnesota Statutes 2022, section 120B.36, subdivision 2, is amended to read:

16.29 Subd. 2. **Student progress and other data.** (a) All data the department receives, collects,

16.30 or creates under section 120B.11, governing the world's best workforce, or uses to determine

16.31 federal expectations under the most recently reauthorized Elementary and Secondary

16.32 Education Act, ~~set state growth targets,~~ and determine student growth, learning, and outcomes

17.1 under section 120B.35 are nonpublic data under section 13.02, subdivision 9, until the
17.2 commissioner publicly releases the data.

17.3 (b) Districts must provide parents sufficiently detailed summary data to permit parents
17.4 to appeal under the most recently reauthorized federal Elementary and Secondary Education
17.5 Act. The commissioner shall annually post federal expectations and state student growth,
17.6 learning, and outcome data to the department's public website no later than September 1,
17.7 except that in years when data or federal expectations reflect new performance standards,
17.8 the commissioner shall post data on federal expectations and state student growth data no
17.9 later than October 1.

17.10 Sec. 13. Minnesota Statutes 2022, section 123B.71, subdivision 12, is amended to read:

17.11 Subd. 12. **Publication.** (a) At least ~~20~~ 48 days but not more than 60 days before a
17.12 referendum for bonds or solicitation of bids for a project that has received a positive or
17.13 unfavorable review and comment under section 123B.70, the school board shall publish a
17.14 summary of the commissioner's review and comment of that project in the legal newspaper
17.15 of the district. The school board must hold a public meeting to discuss the commissioner's
17.16 review and comment before the referendum for bonds. Supplementary information shall be
17.17 available to the public.

17.18 (b) The publication requirement in paragraph (a) does not apply to alternative facilities
17.19 projects approved under section 123B.595.

17.20 Sec. 14. Minnesota Statutes 2022, section 123B.86, subdivision 3, is amended to read:

17.21 Subd. 3. **Board control.** (a) When transportation is provided, the scheduling of routes,
17.22 manner and method of transportation, control and discipline of school children and any
17.23 other matter relating thereto shall be within the sole discretion, control and management of
17.24 the board.

17.25 (b) A school board and a nonpublic school may mutually agree to a written plan for the
17.26 board to provide nonpublic pupil transportation to nonpublic school students.

17.27 (1) A school board that provides pupil transportation through the school's employees
17.28 may transport nonpublic school students according to the plan and retain the nonpublic
17.29 pupil transportation aid attributable to that plan. A nonpublic school may make a payment
17.30 to the school district to cover additional transportation services agreed to in the written plan
17.31 for nonpublic pupil transportation services not required under sections 123B.84 to 123B.87.

18.1 (2) A school board that contracts for pupil transportation services may enter into a
 18.2 contractual arrangement with a school bus contractor according to the written plan adopted
 18.3 by the school board and the nonpublic school to transport nonpublic school students and
 18.4 retain the nonpublic pupil transportation aid attributable to that plan for the purposes of
 18.5 paying the school bus contractor. A nonpublic school may make a payment to the school
 18.6 district to cover additional transportation services agreed to in the written plan for nonpublic
 18.7 pupil transportation services included in the contract that are not required under sections
 18.8 123B.84 to 123B.87.

18.9 (c) The school district must report the number of nonpublic school students transported
 18.10 and the nonpublic pupil transportation expenditures incurred under paragraph (b) in the
 18.11 form and manner specified by the commissioner.

18.12 **EFFECTIVE DATE.** This section is effective for fiscal year 2024 and later.

18.13 Sec. 15. Minnesota Statutes 2022, section 124D.03, subdivision 5, is amended to read:

18.14 Subd. 5. **Nonresident district procedures.** A district shall notify the parent or guardian
 18.15 in writing by February 15 or within 90 days for applications submitted after January 15 in
 18.16 the case of achievement and integration district transfers whether the application has been
 18.17 accepted or rejected. If an application is rejected, the district must state in the notification
 18.18 the reason for rejection. The parent or guardian must notify the nonresident district by March
 18.19 1 or within ~~45~~ ten business days whether the pupil intends to enroll in the nonresident district.
 18.20 Notice of intent to enroll in the nonresident district obligates the pupil to attend the
 18.21 nonresident district during the following school year, unless the boards of the resident and
 18.22 the nonresident districts agree in writing to allow the pupil to transfer back to the resident
 18.23 district. If the pupil's parents or guardians change residence to another district, the student
 18.24 does not lose the seat in the nonresident district but the parent or guardian must complete
 18.25 an updated enrollment options form. If a parent or guardian does not notify the nonresident
 18.26 district by the January 15 deadline, if it applies, the pupil may not enroll in that nonresident
 18.27 district during the following school year, unless the boards of the resident and nonresident
 18.28 district agree otherwise. The nonresident district must notify the resident district by March
 18.29 15 or 30 days later of the pupil's intent to enroll in the nonresident district. The same
 18.30 procedures apply to a pupil who applies to transfer from one participating nonresident district
 18.31 to another participating nonresident district.

19.18 Sec. 17. Minnesota Statutes 2022, section 124D.09, subdivision 13, is amended to read:

19.21 taken for secondary credit.

19.22 The department must not make payments to a school district or postsecondary institution
19.23 for a course taken for postsecondary credit only. The department must not make payments
19.24 to a postsecondary institution for a course from which a student officially withdraws during
19.25 the first ~~14~~ ten business days of the postsecondary institution's quarter or semester or who

 20.14 website eligibility criteria and application information for nonprofit organizations interested
 20.15 in applying to the commissioner for approval as a multisite sponsoring organization under
 20.16 the federal child and adult care food program and federal summer food service program.

20.17 The posted criteria and information must inform interested nonprofit organizations about:

20.18 (1) the criteria the commissioner uses to approve or disapprove an application, including
 20.19 how an applicant demonstrates financial viability for the Minnesota program, among other
 20.20 criteria;

20.21 (2) the commissioner's process and time line for notifying an applicant when its
 20.22 application is approved or disapproved and, if the application is disapproved, the explanation
 20.23 the commissioner provides to the applicant; and

20.24 (3) any appeal or other recourse available to a disapproved applicant.

20.25 (b) The commissioner must evaluate financial eligibility as part of the application process.

 21.12 students' names publicly; providing alternative meals not specifically related to dietary
 21.13 needs; providing nonreimbursable meals; or affixing stickers, stamps, or pins. The participant
 21.14 must not impose any other restriction prohibited under section 123B.37 due to unpaid student
 21.15 meal balances. The participant must not limit a student's participation in any school activities,

64.23 (5) comply with government data practices law under chapter 13.

64.24 (c) An affiliated nonprofit building corporation must not serve as the leasing agent for
64.25 property or facilities it does not own. A charter school that leases a facility from an affiliated
64.26 nonprofit building corporation that does not own the leased facility is ineligible to receive
64.27 charter school lease aid. The state is immune from liability resulting from a contract between
64.28 a charter school and an affiliated nonprofit building corporation.

 65.2 fails to ensure the affiliated nonprofit building corporation's compliance violates its
 65.3 responsibilities and an authorizer must consider that failure when evaluating the charter
 65.4 school.

65.5 Sec. 14. Minnesota Statutes 2022, section 124E.16, is amended to read:

 65.14 municipal contracting. The audit must comply with the requirements of sections 123B.75
 65.15 to 123B.83 governing school district finance, except when the commissioner and authorizer

 65.28 agreement or contract with a company or individual totaling over five percent of the audited
 65.29 expenditures for the most recent audit year. The agreements must detail the terms of the
 65.30 agreement, including the services provided and the annual costs for those services. ~~If the~~
 65.31 ~~entity that provides the professional services to the charter school is exempt from taxation~~
 65.32 ~~under section 501 of the Internal Revenue Code of 1986, that entity must file with the~~
 65.33 ~~commissioner by February 15 a copy of the annual return required under section 6033 of~~
 65.34 ~~the Internal Revenue Code of 1986.~~

66.1 (d) A charter school independent audit report shall include audited financial data of an

 66.14 and implementation, and future plans. A charter school may combine this report with the
 66.15 reporting required under section 120B.11 governing the world's best workforce. A charter
 66.16 school must post the annual report on the school's official website. A charter school also
 66.17 must distribute the annual report by publication, mail, or electronic means to its authorizer,
 66.18 school employees, and parents and legal guardians of students enrolled in the charter school.
 66.19 The reports are public data under chapter 13.

66.20 (b) An authorizer must submit an annual public report in a manner specified by the
 66.21 commissioner by January 15 for the previous school year ending June 30 that shall at least
 66.22 include key indicators of school academic, operational, and financial performance. The

67.2 charter school board; and

67.3 (3) conduct an independent review and evaluation of the services provided by the CMO
67.4 or EMO and publish the evaluation on the school's website at least 30 business days before
67.5 the end of the current contract.

67.10 (4) notice that a charter school closure during the term of the contract by action of the
67.11 authorizer or the school's board results in the balance of the current contract becoming null
67.12 and void;

67.13 (5) an annual statement of assurance to the charter school board that the CMO or EMO
67.14 provided no compensation or gifts to any charter school board member, staff member, or

67.21 indemnification and warranty provisions in case of data breaches by the CMO or EMO;

67.22 (8) the CMO or EMO must annually provide the charter school board a financial report
67.23 by July 31 that accounts for income and expenditures for the previous fiscal year using the
67.24 account categories in uniform financial accounting and reporting standards; and

67.25 (9) an annual assurance that all assets purchased on behalf of the charter school using
67.26 public funds remain assets of the school.

67.27 (c) Any agreement with a CMO or EMO containing any of the following provisions is
67.28 null and void:

67.29 (1) restrictions on the charter school's ability to operate a school upon termination of
67.30 the agreement;

68.1 (2) restrictions on the annual or total amount of the school's operating surplus or fund

 68.4 account; or

68.5 (4) authorization to allow a CMO or EMO to loan funds to the charter school.

68.6 (d) A CMO or EMO or its affiliates, employees, or agents may not contract with, be
 68.7 employed by, or serve on the board of an authorizer. An authorizer or its affiliates, employees,
 68.8 or agents may not contract with, be employed by, serve as a paid consultant for, or serve as
 68.9 a board member of a CMO or EMO.

 68.12 127A.45, for a charter school ceasing operation on or before June 30, for the payment periods
 68.13 occurring after the school ceases serving students, the commissioner shall withhold the
 68.14 estimated state aid owed the school. The charter school board of directors and authorizer
 68.15 must submit to the commissioner a closure plan under chapter ~~308A~~ or 317A, and financial
 68.16 information about the school's liabilities and assets. After receiving the closure plan, financial
 68.17 information, an audit of pupil counts, and documented lease expenditures from the charter
 68.18 school and monitoring special education expenditures, the commissioner may release cash
 68.19 withheld and may continue regular payments up to the current year payment percentages
 68.20 if further amounts are owed. If, based on audits and monitoring, the school received state
 68.21 aid in excess of the amount owed, the commissioner shall retain aid withheld sufficient to
 68.22 eliminate the aid overpayment.

68.23 (b) For a charter school ceasing operations before or at the end of a school year,
 68.24 notwithstanding section 127A.45, subdivision 3, the commissioner may make preliminary

69.5 receives services or aid under sections 123B.40 to 123B.48 from which a student is
69.6 transferring must transmit the student's educational records, within ten business days of a
69.7 request, to the district, the charter school, or the nonpublic school in which the student is

69.18 student is transferring must include in the transmitted records information about any formal
69.19 suspension, expulsion, and exclusion disciplinary action, as well as pupil withdrawals, under
69.20 sections 121A.40 to 121A.56. The transmitted records must include services a pupil needs
69.21 to prevent the inappropriate behavior from recurring. The district, the charter school, or the
69.22 nonpublic school that receives services or aid under sections 123B.40 to 123B.48 must
69.23 provide notice to a student and the student's parent or guardian that formal disciplinary
69.24 records will be transferred as part of the student's educational record, in accordance with

70.10 social work services, referrals for special education or 504 evaluations, academic screening

70.13 redirect, and support a pupil's behavior before removing a pupil from class or beginning
70.14 dismissal proceedings. Nonexclusionary disciplinary policies and practices include but are
70.15 not limited to the policies and practices under sections 120B.12; 121A.575, clauses (1) and

72.10 program is encouraged to designate a district or school employee as a liaison to work with
72.11 the pupil's teachers to allow the suspended pupil to (1) receive timely course materials and
72.12 other information, and (2) complete daily and weekly assignments and receive teachers'
72.13 feedback.

72.14 **EFFECTIVE DATE.** This section is effective for the 2023-2024 school year and later.

74.20 (d) For expulsion and exclusion dismissals and pupil withdrawal agreements as defined
 74.21 in section 121A.41, subdivision 13:

74.22 (1) a school district's continuing responsibility includes reviewing the pupil's school
 74.23 work and grades on a quarterly basis to ensure the pupil is on track for readmission with
 74.24 the pupil's peers. School districts must communicate on a regular basis with the pupil's
 74.25 parent or guardian to ensure the pupil is completing the work assigned through the alternative
 74.26 educational services;

 74.29 in a new district; and

74.30 (3) a school district must provide to the pupil's parent or guardian information on
 74.31 accessing mental health services, including any free or sliding fee providers in the
 74.32 community. The information must also be posted on the district or charter school website.

75.1 ~~(b)~~ (e) An area learning center under section 123A.05 may not prohibit an expelled or
 75.2 excluded pupil from enrolling solely because a district expelled or excluded the pupil. The
 75.3 board of the area learning center may use the provisions of the Pupil Fair Dismissal Act to
 75.4 exclude a pupil or to require an admission plan.

75.5 ~~(e)~~ (f) Each school district shall develop a policy and report it to the commissioner on
 75.6 the appropriate use of peace officers and crisis teams to remove students who have an
 75.7 individualized education program from school grounds.

75.8 **EFFECTIVE DATE.** This section is effective for the 2023-2024 school year and later.

75.10 **121A.58 CORPORAL PUNISHMENT; PRONE RESTRAINT; AND CERTAIN**
 75.11 **PHYSICAL HOLDS.**

75.12 Subdivision 1. ~~Definition~~ **Definitions.** (a) For the purpose of this section, "corporal

 75.31 609.

76.1 Sec. 13. Minnesota Statutes 2022, section 121A.61, subdivision 1, is amended to read:

76.2 Subdivision 1. **Required policy.** Each school board must adopt a written districtwide
76.3 school discipline policy which includes written rules of conduct for students, minimum
76.4 consequences for violations of the rules, and grounds and procedures for removal of a student
76.5 from class. The policy must contain the discipline complaint procedure that any member
76.6 of the school community may use to file a complaint regarding the application of discipline
76.7 policies and seek corrective action. The policy must be developed in consultation with
76.8 administrators, teachers, employees, pupils, parents, community members, law enforcement
76.9 agencies, county attorney offices, social service agencies, and such other individuals or
76.10 organizations as the board determines appropriate. A school site council may adopt additional
76.11 provisions to the policy subject to the approval of the school board.

76.12 Sec. 14. Minnesota Statutes 2022, section 121A.61, subdivision 3, is amended to read:

76.31 problems;

77.1 (k) any procedures determined appropriate for referring a student in need of special
77.2 education services to those services;

77.3 (l) any procedures determined appropriate for ensuring victims of bullying who respond
77.4 with behavior not allowed under the school's behavior policies have access to a remedial
77.5 response, consistent with section 121A.031;

77.6 ~~(m)~~ (m) the procedures for consideration of whether there is a need for a further assessment

78.1 Sec. 15. Minnesota Statutes 2022, section 121A.61, is amended by adding a subdivision
78.2 to read:

78.3 Subd. 4. **Discipline complaint procedure.** The discipline policy must contain procedures
78.4 for students, parents and other guardians, and school staff to file a complaint and seek
78.5 corrective action when the requirements of sections 121A.40 to 121A.61, including the
78.6 implementation of the local behavior and discipline policies, are not being implemented
78.7 appropriately or are being discriminately applied. Each district and school policy implemented
78.8 under this section must, at a minimum:

78.9 (1) provide procedures for communicating this policy including the ability for a parent
78.10 to appeal a decision under section 121A.49 that contains explicit instructions for filing the
78.11 complaint;

78.12 (2) provide an opportunity for involved parties to submit additional information related
78.13 to the complaint;

78.14 (3) provide a procedure to begin to investigate complaints within three school days of
78.15 receipt, and identify personnel who will manage the investigation and any resulting record
78.16 and are responsible for keeping and regulating access to any record;

78.17 (4) provide procedures for issuing a written determination to the complainant that
78.18 addresses each allegation and contains findings and conclusions;

78.19 (5) if the investigation finds the requirements of sections 121A.40 to 121A.61, including
78.20 any local policies that were not implemented appropriately, contain procedures that require
78.21 a corrective action plan to correct a student's record and provide relevant staff with training,
78.22 coaching, or other accountability practices to ensure appropriate compliance with policies
78.23 in the future; and

78.24 (6) prohibit reprisals or retaliation against any person who asserts, alleges, or reports a
78.25 complaint, and provide procedures for applying appropriate consequences for a person who
78.26 engages in reprisal or retaliation.

78.27 Sec. 16. Minnesota Statutes 2022, section 121A.61, is amended by adding a subdivision
78.28 to read:

78.29 Subd. 5. **School supports.** (a) A school board is strongly encouraged to adopt a policy
78.30 that promotes the understanding in school staff that when a student is unable to meet adult
78.31 expectations it is often because the student lacks the skills to respond to a situation
78.32 appropriately. A school district must support school staff in using tiered interventions that
78.33 teach students skills and prioritize relationships between students and teachers.

79.1 (b) A school board is strongly encouraged to adopt a policy that discourages teachers
79.2 and staff from reacting to unwanted student behavior with approaches that take away the
79.3 student's opportunity to build skills for responding more appropriately.

79.4 Sec. 17. [121A.611] RECESS AND OTHER BREAKS.

79.5 (a) "Recess detention" as used in this chapter means excluding or excessively delaying
79.6 a student from participating in a scheduled recess period as a consequence for student
79.7 behavior. Recess detention does not include, among other things, providing alternative
79.8 recess at the student's choice.

79.9 (b) A school district or charter school is encouraged to ensure student access to structured
79.10 breaks from the demands of school and to support teachers, principals, and other school
79.11 staff in their efforts to use evidence-based approaches to reduce exclusionary forms of
79.12 discipline.

79.13 (c) A school district or charter school must not use recess detention unless:

79.14 (1) a student causes or is likely to cause serious physical harm to other students or staff;

79.15 (2) the student's parent or guardian specifically consents to the use of recess detention;

79.16 or

79.17 (3) for students receiving special education services, the student's individualized education
79.18 program team has determined that withholding recess is appropriate based on the
79.19 individualized needs of the student.

79.20 (d) A school district or charter school must not withhold recess from a student based on
79.21 incomplete homework.

79.22 (e) A school district or charter school must require school staff to make a reasonable
79.23 attempt to notify a parent or guardian within 24 hours of using recess detention.

79.24 (f) A school district or charter school must compile information on each recess detention
79.25 at the end of each school year, including the student's age, grade, gender, race or ethnicity,
79.26 and special education status. This information must be available to the public upon request.
79.27 A school district or charter school is encouraged to use the data in professional development
79.28 promoting the use of nonexclusionary discipline.

79.29 (g) A school district or charter school must not withhold or excessively delay a student's
79.30 participation in scheduled mealtimes. This section does not alter a district or school's existing
79.31 responsibilities under section 124D.111 or other state or federal law.

80.1 Sec. 18. Minnesota Statutes 2022, section 125A.0942, is amended to read:

80.2 **125A.0942 STANDARDS FOR RESTRICTIVE PROCEDURES.**

80.3 Subdivision 1. **Restrictive procedures plan.** (a) Schools that intend to use restrictive
80.4 procedures shall maintain and make publicly accessible in an electronic format on a school
80.5 or district website or make a paper copy available upon request describing a restrictive
80.6 procedures plan for children with disabilities that at least:

80.7 (1) lists the restrictive procedures the school intends to use;

80.8 (2) describes how the school will implement a range of positive behavior strategies and
80.9 provide links to mental health services;

80.10 (3) describes how the school will provide training on de-escalation techniques, consistent
80.11 with section 122A.187, subdivision 4;

80.12 (4) describes how the school will monitor and review the use of restrictive procedures,
80.13 including:

80.14 (i) conducting post-use debriefings, consistent with subdivision 3, paragraph (a), clause
80.15 (5); and

80.16 (ii) convening an oversight committee to undertake a quarterly review of the use of
80.17 restrictive procedures based on patterns or problems indicated by similarities in the time of
80.18 day, day of the week, duration of the use of a procedure, the individuals involved, or other
80.19 factors associated with the use of restrictive procedures; the number of times a restrictive
80.20 procedure is used schoolwide and for individual children; the number and types of injuries,
80.21 if any, resulting from the use of restrictive procedures; whether restrictive procedures are
80.22 used in nonemergency situations; the need for additional staff training; and proposed actions
80.23 to minimize the use of restrictive procedures; any disproportionate use of restrictive
80.24 procedures based on race, gender, or disability status; the role of the school resource officer
80.25 or police in emergencies and the use of restrictive procedures; and documentation to
80.26 determine if the standards for using restrictive procedures as described in sections 125A.0941
80.27 and 125A.0942 are met; and

80.28 (5) includes a written description and documentation of the training staff completed
80.29 under subdivision 5.

80.30 (b) Schools annually must publicly identify oversight committee members who must at
80.31 least include:

80.32 (1) a mental health professional, school psychologist, or school social worker;

81.1 (2) an expert in positive behavior strategies;

81.2 (3) a special education administrator; and

81.3 (4) a general education administrator.

81.4 Subd. 2. **Restrictive procedures.** (a) Restrictive procedures may be used only by a
81.5 licensed special education teacher, school social worker, school psychologist, behavior
81.6 analyst certified by the National Behavior Analyst Certification Board, a person with a
81.7 master's degree in behavior analysis, other licensed education professional, paraprofessional
81.8 under section 120B.363, or mental health professional under section 245.4871, subdivision
81.9 27, who has completed the training program under subdivision 5.

81.10 (b) A school shall make reasonable efforts to notify the parent on the same day a
81.11 restrictive procedure is used on the child, or if the school is unable to provide same-day
81.12 notice, notice is sent within two days by written or electronic means or as otherwise indicated
81.13 by the child's parent under paragraph (f).

81.14 (c) The district must hold a meeting of the individualized education program or
81.15 individualized family service plan team, conduct or review a functional behavioral analysis,
81.16 review data, consider developing additional or revised positive behavioral interventions and
81.17 supports, consider actions to reduce the use of restrictive procedures, and modify the
81.18 individualized education program, individualized family service plan, or behavior intervention
81.19 plan as appropriate. The district must hold the meeting: within ten calendar days after district
81.20 staff use restrictive procedures on two separate school days within 30 calendar days or a
81.21 pattern of use emerges and the child's individualized education program, individualized
81.22 family service plan, or behavior intervention plan does not provide for using restrictive
81.23 procedures in an emergency; or at the request of a parent or the district after restrictive
81.24 procedures are used. The district must review use of restrictive procedures at a child's annual
81.25 individualized education program or individualized family service plan meeting when the
81.26 child's individualized education program or individualized family service plan provides for
81.27 using restrictive procedures in an emergency.

81.28 (d) If the individualized education program or individualized family service plan team
81.29 under paragraph (c) determines that existing interventions and supports are ineffective in
81.30 reducing the use of restrictive procedures or the district uses restrictive procedures on a
81.31 child on ten or more school days during the same school year, the team, as appropriate,
81.32 either must consult with other professionals working with the child; consult with experts in
81.33 behavior analysis, mental health, communication, or autism; consult with culturally competent

82.1 professionals; review existing evaluations, resources, and successful strategies; or consider
82.2 whether to reevaluate the child.

82.3 (e) At the individualized education program or individualized family service plan meeting
82.4 under paragraph (c), the team must review any known medical or psychological limitations,
82.5 including any medical information the parent provides voluntarily, that contraindicate the
82.6 use of a restrictive procedure, consider whether to prohibit that restrictive procedure, and
82.7 document any prohibition in the individualized education program, individualized family
82.8 service plan, or behavior intervention plan.

82.9 (f) An individualized education program or individualized family service plan team may
82.10 plan for using restrictive procedures and may include these procedures in a child's
82.11 individualized education program, individualized family service plan, or behavior intervention
82.12 plan; however, the restrictive procedures may be used only in response to behavior that
82.13 constitutes an emergency, consistent with this section. The individualized education program,
82.14 individualized family service plan, or behavior intervention plan shall indicate how the
82.15 parent wants to be notified when a restrictive procedure is used.

82.16 Subd. 3. **Physical holding or seclusion.** (a) Physical holding or seclusion may be used
82.17 only in an emergency. A school that uses physical holding or seclusion shall meet the
82.18 following requirements:

82.19 (1) physical holding or seclusion is the least intrusive intervention that effectively
82.20 responds to the emergency;

82.21 (2) physical holding or seclusion is not used to discipline a noncompliant child;

82.22 (3) physical holding or seclusion ends when the threat of harm ends and the staff
82.23 determines the child can safely return to the classroom or activity;

82.24 (4) staff directly observes the child while physical holding or seclusion is being used;

82.25 (5) each time physical holding or seclusion is used, the staff person who implements or
82.26 oversees the physical holding or seclusion documents, as soon as possible after the incident
82.27 concludes, the following information:

82.28 (i) a description of the incident that led to the physical holding or seclusion;

82.29 (ii) why a less restrictive measure failed or was determined by staff to be inappropriate
82.30 or impractical;

82.31 (iii) the time the physical holding or seclusion began and the time the child was released;

82.32 ~~and~~

- 83.1 (iv) a brief record of the child's behavioral and physical status; and
- 83.2 (v) a brief description of the post-use debriefing that occurred as a result of the use of
- 83.3 the physical hold or seclusion;
- 83.4 (6) the room used for seclusion must:
- 83.5 (i) be at least six feet by five feet;
- 83.6 (ii) be well lit, well ventilated, adequately heated, and clean;
- 83.7 (iii) have a window that allows staff to directly observe a child in seclusion;
- 83.8 (iv) have tamperproof fixtures, electrical switches located immediately outside the door,
- 83.9 and secure ceilings;
- 83.10 (v) have doors that open out and are unlocked, locked with keyless locks that have
- 83.11 immediate release mechanisms, or locked with locks that have immediate release mechanisms
- 83.12 connected with a fire and emergency system; and
- 83.13 (vi) not contain objects that a child may use to injure the child or others; and
- 83.14 (7) before using a room for seclusion, a school must:
- 83.15 (i) receive written notice from local authorities that the room and the locking mechanisms
- 83.16 comply with applicable building, fire, and safety codes; and
- 83.17 (ii) register the room with the commissioner, who may view that room.
- 83.18 (b) By February 1, 2015, and annually thereafter, stakeholders may, as necessary,
- 83.19 recommend to the commissioner specific and measurable implementation and outcome
- 83.20 goals for reducing the use of restrictive procedures and the commissioner must submit to
- 83.21 the legislature a report on districts' progress in reducing the use of restrictive procedures
- 83.22 that recommends how to further reduce these procedures and eliminate the use of seclusion.
- 83.23 The statewide plan includes the following components: measurable goals; the resources,
- 83.24 training, technical assistance, mental health services, and collaborative efforts needed to
- 83.25 significantly reduce districts' use of seclusion; and recommendations to clarify and improve
- 83.26 the law governing districts' use of restrictive procedures. The commissioner must consult
- 83.27 with interested stakeholders when preparing the report, including representatives of advocacy
- 83.28 organizations, special education directors, teachers, paraprofessionals, intermediate school
- 83.29 districts, school boards, day treatment providers, county social services, state human services
- 83.30 department staff, mental health professionals, and autism experts. Beginning with the
- 83.31 2016-2017 school year, in a form and manner determined by the commissioner, districts
- 83.32 must report data quarterly to the department by January 15, April 15, July 15, and October

84.1 15 about individual students who have been secluded. By July 15 each year, districts must
84.2 report summary data on their use of restrictive procedures to the department for the prior
84.3 school year, July 1 through June 30, in a form and manner determined by the commissioner.
84.4 The summary data must include information about the use of restrictive procedures, including
84.5 use of reasonable force under section 121A.582.

84.6 Subd. 4. **Prohibitions.** The following actions or procedures are prohibited:

84.7 (1) engaging in conduct prohibited under section 121A.58;

84.8 (2) requiring a child to assume and maintain a specified physical position, activity, or
84.9 posture that induces physical pain;

84.10 (3) totally or partially restricting a child's senses as punishment;

84.11 (4) presenting an intense sound, light, or other sensory stimuli using smell, taste,
84.12 substance, or spray as punishment;

84.13 (5) denying or restricting a child's access to equipment and devices such as walkers,
84.14 wheelchairs, hearing aids, and communication boards that facilitate the child's functioning,
84.15 except when temporarily removing the equipment or device is needed to prevent injury to
84.16 the child or others or serious damage to the equipment or device, in which case the equipment
84.17 or device shall be returned to the child as soon as possible;

84.18 (6) interacting with a child in a manner that constitutes sexual abuse, neglect, or physical
84.19 abuse under chapter 260E;

84.20 (7) withholding regularly scheduled meals or water;

84.21 (8) denying access to bathroom facilities;

84.22 (9) physical holding that restricts or impairs a child's ability to breathe, restricts or impairs
84.23 a child's ability to communicate distress, places pressure or weight on a child's head, throat,
84.24 neck, chest, lungs, sternum, diaphragm, back, or abdomen, or results in straddling a child's
84.25 torso; ~~and~~

84.26 (10) prone restraint; and

84.27 (11) the use of seclusion on children from birth through third grade.

84.28 Subd. 5. **Training for staff.** (a) To meet the requirements of subdivision 1, staff who
84.29 use restrictive procedures, including paraprofessionals, shall complete training in the
84.30 following skills and knowledge areas:

84.31 (1) positive behavioral interventions;

- 85.1 (2) communicative intent of behaviors;
- 85.2 (3) relationship building;
- 85.3 (4) alternatives to restrictive procedures, including techniques to identify events and
- 85.4 environmental factors that may escalate behavior;
- 85.5 (5) de-escalation methods;
- 85.6 (6) standards for using restrictive procedures only in an emergency;
- 85.7 (7) obtaining emergency medical assistance;
- 85.8 (8) the physiological and psychological impact of physical holding and seclusion;
- 85.9 (9) monitoring and responding to a child's physical signs of distress when physical
- 85.10 holding is being used;
- 85.11 (10) recognizing the symptoms of and interventions that may cause positional asphyxia
- 85.12 when physical holding is used;
- 85.13 (11) district policies and procedures for timely reporting and documenting each incident
- 85.14 involving use of a restricted procedure; and
- 85.15 (12) schoolwide programs on positive behavior strategies.
- 85.16 (b) The commissioner, after consulting with the commissioner of human services, must
- 85.17 develop and maintain a list of training programs that satisfy the requirements of paragraph
- 85.18 (a). The commissioner also must develop and maintain a list of experts to help individualized
- 85.19 education program or individualized family service plan teams reduce the use of restrictive
- 85.20 procedures. The district shall maintain records of staff who have been trained and the
- 85.21 organization or professional that conducted the training. The district may collaborate with
- 85.22 children's community mental health providers to coordinate trainings.
- 85.23 Subd. 6. **Behavior supports; reasonable force.** (a) School districts are encouraged to
- 85.24 establish effective schoolwide systems of positive behavior interventions and supports.
- 85.25 (b) Nothing in this section or section 125A.0941 precludes the use of reasonable force
- 85.26 under sections 121A.582; 609.06, subdivision 1; and 609.379. ~~For the 2014-2015 school~~
- 85.27 ~~year and later, districts must collect and submit to the commissioner summary data, consistent~~
- 85.28 ~~with subdivision 3, paragraph (b), on district use of reasonable force that is consistent with~~
- 85.29 ~~the definition of physical holding or seclusion for a child with a disability under this section.~~
- 85.30 Any reasonable force used under sections 121A.582; 609.06, subdivision 1; and 609.379
- 85.31 which intends to hold a child immobile or limit a child's movement where body contact is
- 85.32 the only source of physical restraint or confines a child alone in a room from which egress

86.1 is barred shall be reported to the Department of Education as a restrictive procedure, including
 86.2 physical holding or seclusion used by an unauthorized or untrained staff person.

 89.29 and impede the state's economic growth.

89.30 **Subd. 2. Equitable access to racially and ethnically diverse teachers.** The percentage
 89.31 of teachers in Minnesota who are of color or who are American Indian should increase at
 89.32 least two percentage points per year to have a teaching workforce that more closely reflects

 90.4 Professional Educator Licensing and Standards Board must collaborate with the Department
 90.5 of Education and the Office of Higher Education to publish a summary report of each of

 90.10 124D.861, 136A.1274, 136A.1276, and 136A.1791, along with any other programs or
 90.11 initiatives that receive state appropriations to address the shortage of teachers of color and
 90.12 American Indian teachers. The board must, in coordination with the Office of Higher
 90.13 Education and Department of Education, provide policy and funding recommendations
 90.14 related to state-funded programs to increase the recruitment, preparation, licensing, hiring,
 90.15 and retention of racially and ethnically diverse teachers and the state's progress toward
 90.16 meeting or exceeding the goals of this section. The report must include recommendations
 90.17 for state policy and funding needed to achieve the goals of this section, plans for sharing
 90.18 the report and activities of grant recipients, and opportunities among grant recipients of
 90.19 various programs to share effective practices with each other. The 2024 report must include
 90.20 a recommendation of whether a state advisory council should be established to address the
 90.21 shortage of racially and ethnically diverse teachers and what the composition and charge
 90.22 of such an advisory council would be if established. The board must consult with the Indian
 90.23 Affairs Council and other ethnic councils along with other community partners, including
 90.24 students of color and American Indian students, in developing the report. By November 3
 90.25 of each odd-numbered year, the board must submit the report to the chairs and ranking
 90.26 minority members of the legislative committees with jurisdiction over education and higher
 90.27 education policy and finance. The report must be available to the public on the board's
 90.28 website.

96.12 are members of populations underrepresented among the licensed teachers in the district or
96.13 school and who reflect the diversity of students under section 120B.35, subdivision 3,
96.14 paragraph (b), clause (2), who are enrolled in the district or school;

96.15 (8) must include an option for teachers to develop and present a portfolio demonstrating
96.16 evidence of reflection and professional growth, consistent with section 122A.187, subdivision
96.17 3, and include teachers' own performance assessment based on student work samples and
96.18 examples of teachers' work, which may include video among other activities for the
96.19 summative evaluation;

96.20 (9) must use data from valid and reliable assessments aligned to state and local academic
96.21 standards and must use state and local measures of student growth and literacy that may
96.22 include value-added models or student learning goals to determine 35 percent of teacher
96.23 evaluation results;

96.24 (10) must use longitudinal data on student engagement and connection, and other student
96.25 outcome measures explicitly aligned with the elements of curriculum for which teachers
96.26 are responsible, including academic literacy, oral academic language, and achievement of
96.27 content areas of English learners;

96.28 (11) must require qualified and trained evaluators such as school administrators to
96.29 perform summative evaluations and ensure school districts and charter schools provide for
96.30 effective evaluator training specific to teacher development and evaluation;

96.31 (12) must give teachers not meeting professional teaching standards under clauses (3)
96.32 through (11) support to improve through a teacher improvement process that includes
96.33 established goals and timelines; and

97.1 (13) must discipline a teacher for not making adequate progress in the teacher
97.2 improvement process under clause (12) that may include a last chance warning, termination,
97.3 discharge, nonrenewal, transfer to a different position, a leave of absence, or other discipline
97.4 a school administrator determines is appropriate.

97.5 Data on individual teachers generated under this subdivision are personnel data under
97.6 section 13.43. The observation and interview notes of peer coaches may only be disclosed
97.7 to other school officials with the consent of the teacher being coached.

97.8 (c) The department, in consultation with parents who may represent parent organizations
97.9 and teacher and administrator representatives appointed by their respective organizations,
97.10 representing the Professional Educator Licensing and Standards Board, the Minnesota
97.11 Association of School Administrators, the Minnesota School Boards Association, the
97.12 Minnesota Elementary and Secondary Principals Associations, Education Minnesota, and
97.13 representatives of the Minnesota Assessment Group, the Minnesota Business Partnership,
97.14 the Minnesota Chamber of Commerce, and Minnesota postsecondary institutions with
97.15 research expertise in teacher evaluation, must create and publish a teacher evaluation process
97.16 that complies with the requirements in paragraph (b) and applies to all teachers under this
97.17 section and section 122A.41 for whom no agreement exists under paragraph (a) for an annual
97.18 teacher evaluation and peer review process. The teacher evaluation process created under
97.19 this subdivision does not create additional due process rights for probationary teachers under
97.20 subdivision 5.

97.21 (d) Consistent with the measures of teacher effectiveness under this subdivision:

97.22 (1) for students in kindergarten through grade 4, a school administrator must not place
97.23 or approve the placement of a student in the classroom of a teacher who is in the improvement
97.24 process referenced in paragraph (b), clause (12), or has not had a summative evaluation if,
97.25 in the prior year, that student was in the classroom of a teacher who received discipline
97.26 pursuant to paragraph (b), clause (13), unless no other teacher at the school teaches that
97.27 grade; and

97.28 (2) for students in grades 5 through 12, a school administrator must not place or approve
97.29 the placement of a student in the classroom of a teacher who is in the improvement process
97.30 referenced in paragraph (b), clause (12), or has not had a summative evaluation if, in the
97.31 prior year, that student was in the classroom of a teacher who received discipline pursuant
97.32 to paragraph (b), clause (13), unless no other teacher at the school teaches that subject area
97.33 and grade.

97.34 All data created and used under this paragraph retains its classification under chapter 13.

98.1 **EFFECTIVE DATE.** This section is effective July 1, 2025.

98.2 Sec. 14. Minnesota Statutes 2022, section 122A.41, subdivision 2, is amended to read:

98.3 Subd. 2. **Probationary period; discharge or demotion.** (a) ~~All teachers in the public~~
98.4 ~~schools in cities of the first class during the first three years of consecutive employment~~
98.5 ~~shall be deemed to be in a probationary period of employment during which period any~~
98.6 ~~annual contract with any teacher may, or may not, be renewed as the school board, after~~
98.7 ~~consulting with the peer review committee charged with evaluating the probationary teachers~~
98.8 ~~under subdivision 3, shall see fit.~~ The first three consecutive years of a teacher's first teaching
98.9 experience in Minnesota in a single district is deemed to be a probationary period of
98.10 employment, and the probationary period in each district in which the teacher is thereafter
98.11 employed shall be one year. The school site management team or the school board if there
98.12 is no school site management team, shall adopt a plan for a written evaluation of teachers
98.13 during the probationary period according to subdivisions 3 and 5. Evaluation by the peer
98.14 review committee charged with evaluating probationary teachers under subdivision 3 shall
98.15 occur at least three times periodically throughout each school year for a teacher performing
98.16 services during that school year; the first evaluation must occur within the first 90 days of
98.17 teaching service. Days devoted to parent-teacher conferences, teachers' workshops, and
98.18 other staff development opportunities and days on which a teacher is absent from school
98.19 shall not be included in determining the number of school days on which a teacher performs
98.20 services. The school board may, during such probationary period, discharge or demote a
98.21 teacher for any of the causes as specified in this code. A written statement of the cause of
98.22 such discharge or demotion shall be given to the teacher by the school board at least 30
98.23 days before such removal or demotion shall become effective, and the teacher so notified
98.24 shall have no right of appeal therefrom.

98.25 (b) A probationary teacher whose first three years of consecutive employment are
98.26 interrupted for active military service and who promptly resumes teaching consistent with
98.27 federal reemployment timelines for uniformed service personnel under United States Code,
98.28 title 38, section 4312(e), is considered to have a consecutive teaching experience for purposes
98.29 of paragraph (a).

98.30 (c) A probationary teacher whose first three years of consecutive employment are
98.31 interrupted for maternity, paternity, or medical leave and who resumes teaching within 12
98.32 months of when the leave began is considered to have a consecutive teaching experience
98.33 for purposes of paragraph (a) if the probationary teacher completes a combined total of
98.34 three years of teaching service immediately before and after the leave.

99.1 (d) A probationary teacher must complete at least ~~120~~ 90 days of teaching service each
 99.2 year during the probationary period. Days devoted to parent-teacher conferences, teachers'
 99.3 workshops, and other staff development opportunities and days on which a teacher is absent
 99.4 from school do not count as days of teaching service under this paragraph.

99.5 Sec. 15. Minnesota Statutes 2022, section 122A.41, subdivision 5, is amended to read:

99.6 Subd. 5. **Development, evaluation, and peer coaching for continuing contract**
 99.7 **teachers.** (a) To improve student learning and success, a school board and an exclusive
 99.8 representative of the teachers in the district, consistent with paragraph (b), may develop an
 99.9 annual teacher evaluation and peer review process for probationary and nonprobationary
 99.10 teachers through joint agreement. If a school board and the exclusive representative of the
 99.11 teachers in the district do not agree to an annual teacher evaluation and peer review process,
 99.12 then the school board and the exclusive representative of the teachers must implement the
 99.13 state teacher evaluation plan developed under paragraph (c). The process must include
 99.14 having trained observers serve as peer coaches or having teachers participate in professional
 99.15 learning communities, consistent with paragraph (b).

99.16 (b) To develop, improve, and support qualified teachers and effective teaching practices
 99.17 and improve student learning and success, and provide all enrolled students in a district or
 99.18 school with improved and equitable access to more effective and diverse teachers, the annual
 99.19 evaluation process for teachers:

99.20 (1) must, for probationary teachers, provide for all evaluations required under subdivision
 99.21 2;

99.22 (2) must establish a three-year professional review cycle for each teacher that includes
 99.23 an individual growth and development plan, a peer review process, and at least one
 99.24 summative evaluation performed by a qualified and trained evaluator such as a school
 99.25 administrator;

99.26 (3) ~~must be based on professional teaching standards established in rule~~ include a rubric
 99.27 of performance standards for teacher practice that: (i) is based on professional teaching
 99.28 standards established in rule; (ii) includes culturally responsive methodologies; and (iii)
 99.29 provides common descriptions of effectiveness using at least three levels of performance;

99.30 (4) must coordinate staff development activities under sections 122A.60 and 122A.61
 99.31 with this evaluation process and teachers' evaluation outcomes;

99.32 (5) may provide time during the school day and school year for peer coaching and teacher
 99.33 collaboration;

100.1 (6) may include job-embedded learning opportunities such as professional learning
100.2 communities;

100.3 (7) may include mentoring and induction programs for teachers, including teachers who
100.4 are members of populations underrepresented among the licensed teachers in the district or
100.5 school and who reflect the diversity of students under section 120B.35, subdivision 3,
100.6 paragraph (b), clause (2), who are enrolled in the district or school;

100.7 (8) must include an option for teachers to develop and present a portfolio demonstrating
100.8 evidence of reflection and professional growth, consistent with section 122A.187, subdivision
100.9 3, and include teachers' own performance assessment based on student work samples and
100.10 examples of teachers' work, which may include video among other activities for the
100.11 summative evaluation;

100.12 (9) must use data from valid and reliable assessments aligned to state and local academic
100.13 standards and must use state and local measures of student growth and literacy that may
100.14 include value-added models or student learning goals to determine 35 percent of teacher
100.15 evaluation results;

100.16 (10) must use longitudinal data on student engagement and connection and other student
100.17 outcome measures explicitly aligned with the elements of curriculum for which teachers
100.18 are responsible, including academic literacy, oral academic language, and achievement of
100.19 English learners;

100.20 (11) must require qualified and trained evaluators such as school administrators to
100.21 perform summative evaluations and ensure school districts and charter schools provide for
100.22 effective evaluator training specific to teacher development and evaluation;

100.23 (12) must give teachers not meeting professional teaching standards under clauses (3)
100.24 through (11) support to improve through a teacher improvement process that includes
100.25 established goals and timelines; and

100.26 (13) must discipline a teacher for not making adequate progress in the teacher
100.27 improvement process under clause (12) that may include a last chance warning, termination,
100.28 discharge, nonrenewal, transfer to a different position, a leave of absence, or other discipline
100.29 a school administrator determines is appropriate.

100.30 Data on individual teachers generated under this subdivision are personnel data under
100.31 section 13.43. The observation and interview notes of peer coaches may only be disclosed
100.32 to other school officials with the consent of the teacher being coached.

101.1 (c) The department, in consultation with parents who may represent parent organizations
101.2 and teacher and administrator representatives appointed by their respective organizations,
101.3 representing the Professional Educator Licensing and Standards Board, the Minnesota
101.4 Association of School Administrators, the Minnesota School Boards Association, the
101.5 Minnesota Elementary and Secondary Principals Associations, Education Minnesota, and
101.6 representatives of the Minnesota Assessment Group, the Minnesota Business Partnership,
101.7 the Minnesota Chamber of Commerce, and Minnesota postsecondary institutions with
101.8 research expertise in teacher evaluation, must create and publish a teacher evaluation process
101.9 that complies with the requirements in paragraph (b) and applies to all teachers under this
101.10 section and section 122A.40 for whom no agreement exists under paragraph (a) for an annual
101.11 teacher evaluation and peer review process. The teacher evaluation process created under
101.12 this subdivision does not create additional due process rights for probationary teachers under
101.13 subdivision 2.

101.14 (d) Consistent with the measures of teacher effectiveness under this subdivision:

101.15 (1) for students in kindergarten through grade 4, a school administrator must not place
101.16 or approve the placement of a student in the classroom of a teacher who is in the improvement
101.17 process referenced in paragraph (b), clause (12), or has not had a summative evaluation if,
101.18 in the prior year, that student was in the classroom of a teacher who received discipline
101.19 pursuant to paragraph (b), clause (13), unless no other teacher at the school teaches that
101.20 grade; and

101.21 (2) for students in grades 5 through 12, a school administrator must not place or approve
101.22 the placement of a student in the classroom of a teacher who is in the improvement process
101.23 referenced in paragraph (b), clause (12), or has not had a summative evaluation if, in the
101.24 prior year, that student was in the classroom of a teacher who received discipline pursuant
101.25 to paragraph (b), clause (13), unless no other teacher at the school teaches that subject area
101.26 and grade.

101.27 All data created and used under this paragraph retains its classification under chapter 13.

101.28 **EFFECTIVE DATE.** This section is effective July 1, 2025.

101.29 Sec. 16. Minnesota Statutes 2022, section 123B.147, subdivision 3, is amended to read:

101.30 Subd. 3. **Duties; evaluation.** (a) The principal shall provide administrative, supervisory,
101.31 and instructional leadership services, under the supervision of the superintendent of schools
101.32 of the district and according to the policies, rules, and regulations of the school board, for

102.1 the planning, management, operation, and evaluation of the education program of the building
102.2 or buildings to which the principal is assigned.

102.3 (b) To enhance a principal's culturally responsive leadership skills and support and
102.4 improve teaching practices, school performance, and student achievement for diverse student
102.5 populations, including at-risk students, children with disabilities, English learners, and gifted
102.6 students, among others, a district must develop and implement a performance-based system
102.7 for annually evaluating school principals assigned to supervise a school building within the
102.8 district. The evaluation must be designed to improve teaching and learning by supporting
102.9 the principal in shaping the school's professional environment and developing teacher
102.10 quality, performance, and effectiveness. The annual evaluation must:

102.11 (1) support and improve a principal's instructional leadership, organizational management,
102.12 and professional development, and strengthen the principal's capacity in the areas of
102.13 instruction, supervision, evaluation, and teacher development;

102.14 (2) support and improve a principal's culturally responsive leadership practices that
102.15 create inclusive and respectful teaching and learning environments for all students, families,
102.16 and employees;

102.17 ~~(2)~~ (3) include formative and summative evaluations based on multiple measures of
102.18 student progress toward career and college readiness;

102.19 ~~(3)~~ (4) be consistent with a principal's job description, a district's long-term plans and
102.20 goals, and the principal's own professional multiyear growth plans and goals, all of which
102.21 must support the principal's leadership behaviors and practices, rigorous curriculum, school
102.22 performance, and high-quality instruction;

102.23 ~~(4)~~ (5) include on-the-job observations and previous evaluations;

102.24 ~~(5)~~ (6) allow surveys to help identify a principal's effectiveness, leadership skills and
102.25 processes, and strengths and weaknesses in exercising leadership in pursuit of school success;

102.26 ~~(6)~~ (7) use longitudinal data on student academic growth as 35 percent of the evaluation
102.27 and incorporate district achievement goals and targets;

102.28 ~~(7)~~ (8) be linked to professional development that emphasizes improved teaching and
102.29 learning, curriculum and instruction, student learning, culturally responsive leadership
102.30 practices, and a collaborative professional culture; and

102.31 ~~(8)~~ (9) for principals not meeting standards of professional practice or other criteria
102.32 under this subdivision, implement a plan to improve the principal's performance and specify
102.33 the procedure and consequence if the principal's performance is not improved.

103.1 The provisions of this paragraph are intended to provide districts with sufficient flexibility
 103.2 to accommodate district needs and goals related to developing, supporting, and evaluating
 103.3 principals.

103.4 **EFFECTIVE DATE.** This section is effective July 1, 2024.

103.5 Sec. 17. Minnesota Statutes 2022, section 124D.861, subdivision 2, is amended to read:

103.6 Subd. 2. **Plan implementation; components.** (a) The school board of each eligible
 103.7 district must formally develop and implement a long-term plan under this section. The plan
 103.8 must be incorporated into the district's comprehensive strategic plan under section 120B.11.
 103.9 ~~Plan components may include: innovative and integrated prekindergarten through grade 12~~
 103.10 ~~learning environments that offer students school enrollment choices; family engagement~~
 103.11 ~~initiatives that involve families in their students' academic life and success; professional~~
 103.12 ~~development opportunities for teachers and administrators focused on improving the academic~~
 103.13 ~~achievement of all students, including teachers and administrators who are members of~~
 103.14 ~~populations underrepresented among the licensed teachers or administrators in the district~~
 103.15 ~~or school and who reflect the diversity of students under section 120B.35, subdivision 3,~~
 103.16 ~~paragraph (b), clause (2), who are enrolled in the district or school; increased programmatic~~
 103.17 ~~opportunities and effective and more diverse instructors focused on rigor and college and~~
 103.18 ~~career readiness for underserved students, including students enrolled in alternative learning~~
 103.19 ~~centers under section 123A.05, public alternative programs under section 126C.05,~~
 103.20 ~~subdivision 15, and contract alternative programs under section 124D.69, among other~~
 103.21 ~~underserved students; or recruitment and retention of teachers and administrators with~~
 103.22 ~~diverse racial and ethnic backgrounds.~~

103.23 (b) The plan must contain goals for:

103.24 (1) reducing the disparities in academic achievement and in equitable access to effective
 103.25 and more diverse teachers among all students and specific categories of students under
 103.26 section 120B.35, subdivision 3, paragraph (b), excluding the student categories of gender,
 103.27 disability, and English learners; and

103.28 (2) increasing racial and economic diversity and integration in schools and districts.

103.29 (c) The plan must include strategies to validate, affirm, embrace, and integrate cultural
 103.30 and community strengths of all students, families, and employees in the district's curriculum
 103.31 as well as learning and work environments. The plan must address issues of institutional
 103.32 racism as defined in section 120B.11, subdivision 1, in schools that create opportunity and
 103.33 achievement gaps for students, families, and staff who are of color or who are American

104.1 Indian. Examples of institutional racism experienced by students who are of color or who
 104.2 are American Indian include policies and practices that intentionally or unintentionally
 104.3 result in disparate discipline referrals and suspension, inequitable access to advanced
 104.4 coursework, overrepresentation in lower-level coursework, inequitable participation in
 104.5 cocurricular activities, inequitable parent involvement, and lack of equitable access to
 104.6 racially and ethnically diverse teachers who reflect the racial or ethnic diversity of students
 104.7 because it has not been a priority to hire or retain such teachers.

104.8 (d) School districts must use local data, to the extent practicable, to develop plan
 104.9 components and strategies. Plans may include:

104.10 (1) innovative and integrated prekindergarten through grade 12 learning environments
 104.11 that offer students school enrollment choices;

104.12 (2) family engagement initiatives that involve families in their students' academic life
 104.13 and success and improve relations between home and school;

104.14 (3) opportunities for students, families, staff, and community members who are of color
 104.15 or American Indian to share their experiences in the school setting with school staff and
 104.16 administration and to inform the development of specific proposals for making school
 104.17 environments more validating, affirming, embracing, and integrating of their cultural and
 104.18 community strengths;

104.19 (4) professional development opportunities for teachers and administrators focused on
 104.20 improving the academic achievement of all students, including knowledge, skills, and
 104.21 dispositions needed to be antiracist and culturally sustaining as defined in section 120B.11,
 104.22 subdivision 1, for serving students who are from racially and ethnically diverse backgrounds;

104.23 (5) recruitment and retention of teachers, administrators, cultural and family liaisons,
 104.24 paraprofessionals, and other staff from racial, ethnic, and linguistic backgrounds represented
 104.25 in the student population to strengthen relationships with all students, families, and other
 104.26 members of the community;

104.27 (6) collection, examination, and evaluation of academic and discipline data for
 104.28 institutional racism as defined in section 120B.11, subdivision 1, in structures, policies, and
 104.29 practices that result in the education disparities, in order to propose antiracist changes as
 104.30 defined in section 120B.11, subdivision 1, that increase access, meaningful participation,
 104.31 representation, and positive outcomes for students of color and American Indian students;

104.32 (7) increased programmatic opportunities and effective and more diverse instructors
 104.33 focused on rigor and college and career readiness for students who are impacted by racial,

105.1 gender, linguistic, and economic disparities, including students enrolled in area learning
 105.2 centers or alternative learning programs under section 123A.05, state-approved alternative
 105.3 programs under section 126C.05, subdivision 15, and contract alternative programs under
 105.4 section 124D.69, among other underserved students;

105.5 (8) ethnic studies curriculum as defined in section 120B.11, subdivision 1, to provide
 105.6 all students with opportunities to learn about their own and others' cultures and historical
 105.7 experiences; or

105.8 (9) examination and revision of district curricula in all subjects to be inclusive of diverse
 105.9 racial and ethnic groups while meeting state academic standards and being culturally
 105.10 sustaining as defined in section 120B.11, subdivision 1, ensuring content being studied
 105.11 about any group is accurate and based in knowledge from that group.

105.12 ~~(b)~~ (e) Among other requirements, an eligible district must implement effective,
 105.13 research-based interventions that include formative multiple measures of assessment practices
 105.14 and engagement in order to reduce the eliminate academic disparities in student academic
 105.15 performance among the specific categories of students as measured by student progress and
 105.16 growth on state reading and math assessments and for students impacted by racial, gender,
 105.17 linguistic, and economic inequities as aligned with section 120B.11.

105.18 ~~(e)~~ (f) Eligible districts must create efficiencies and eliminate duplicative programs and
 105.19 services under this section, which may include forming collaborations or a single,
 105.20 seven-county metropolitan areawide partnership of eligible districts for this purpose.

105.21 **EFFECTIVE DATE.** This section is effective for all plans reviewed and updated after
 105.22 the day following final enactment.

105.23 **ARTICLE 7**

105.24 **STUDENTS WITH DISABILITIES AND STUDENTS IN NEED OF SPECIAL** 105.25 **EDUCATION SERVICES**

105.26 Section 1. Minnesota Statutes 2022, section 121A.17, subdivision 3, is amended to read:

105.27 Subd. 3. **Screening program.** (a) A screening program must include at least the following
 105.28 components: developmental assessments, including virtual developmental screening for
 105.29 families who make the request based on their immunocompromised health status or other
 105.30 health conditions, hearing and vision screening or referral, immunization review and referral,
 105.31 the child's height and weight, the date of the child's most recent comprehensive vision
 105.32 examination, if any, identification of risk factors that may influence learning, an interview
 105.33 with the parent about the child, and referral for assessment, diagnosis, and treatment when

106.1 potential needs are identified. The district and the person performing or supervising the
106.2 screening must provide a parent or guardian with clear written notice that the parent or
106.3 guardian may decline to answer questions or provide information about family circumstances
106.4 that might affect development and identification of risk factors that may influence learning.
106.5 The notice must state "Early childhood developmental screening helps a school district
106.6 identify children who may benefit from district and community resources available to help
106.7 in their development. Early childhood developmental screening includes a vision screening
106.8 that helps detect potential eye problems but is not a substitute for a comprehensive eye
106.9 exam." The notice must clearly state that declining to answer questions or provide information
106.10 does not prevent the child from being enrolled in kindergarten or first grade if all other
106.11 screening components are met. If a parent or guardian is not able to read and comprehend
106.12 the written notice, the district and the person performing or supervising the screening must
106.13 convey the information in another manner. The notice must also inform the parent or guardian
106.14 that a child need not submit to the district screening program if the child's health records
106.15 indicate to the school that the child has received comparable developmental screening
106.16 performed within the preceding 365 days by a public or private health care organization or
106.17 individual health care provider. The notice must be given to a parent or guardian at the time
106.18 the district initially provides information to the parent or guardian about screening and must
106.19 be given again at the screening location.

106.20 (b) All screening components shall be consistent with the standards of the state
106.21 commissioner of health for early developmental screening programs. A developmental
106.22 screening program must not provide laboratory tests or a physical examination to any child.
106.23 The district must request from the public or private health care organization or the individual
106.24 health care provider the results of any laboratory test or physical examination within the 12
106.25 months preceding a child's scheduled screening. For the purposes of this section,
106.26 "comprehensive vision examination" means a vision examination performed by an optometrist
106.27 or ophthalmologist.

106.28 (c) If a child is without health coverage, the school district must refer the child to an
106.29 appropriate health care provider.

106.30 (d) A board may offer additional components such as nutritional, physical and dental
106.31 assessments, review of family circumstances that might affect development, blood pressure,
106.32 laboratory tests, and health history.

106.33 (e) If a statement signed by the child's parent or guardian is submitted to the administrator
106.34 or other person having general control and supervision of the school that the child has not

107.1 been screened because of conscientiously held beliefs of the parent or guardian, the screening
107.2 is not required.

107.3 Sec. 2. Minnesota Statutes 2022, section 125A.15, is amended to read:

107.4 **125A.15 PLACEMENT IN ANOTHER DISTRICT; RESPONSIBILITY.**

107.5 The responsibility for special instruction and services for a child with a disability
107.6 temporarily placed in another district for care and treatment shall be determined in the
107.7 following manner:

107.8 (a) The district of residence of a child shall be the district in which the child's parent
107.9 resides, if living, or the child's guardian. If there is a dispute between school districts
107.10 regarding residency, the district of residence is the district designated by the commissioner.

107.11 (b) If a district other than the resident district places a pupil for care and treatment, the
107.12 district placing the pupil must notify and give the resident district an opportunity to participate
107.13 in the placement decision. When an immediate emergency placement of a pupil is necessary
107.14 and time constraints foreclose a resident district from participating in the emergency
107.15 placement decision, the district in which the pupil is temporarily placed must notify the
107.16 resident district of the emergency placement within 15 days. The resident district has up to
107.17 five business days after receiving notice of the emergency placement to request an
107.18 opportunity to participate in the placement decision, which the placing district must then
107.19 provide.

107.20 (c) When a child is temporarily placed for care and treatment in a day program located
107.21 in another district and the child continues to live within the district of residence during the
107.22 care and treatment, the district of residence is responsible for providing transportation to
107.23 and from the care and treatment program and an appropriate educational program for the
107.24 child. The resident district may establish reasonable restrictions on transportation, except
107.25 if a Minnesota court or agency orders the child placed at a day care and treatment program
107.26 and the resident district receives a copy of the order, then the resident district must provide
107.27 transportation to and from the program unless the court or agency orders otherwise.
107.28 Transportation shall only be provided by the resident district during regular operating hours
107.29 of the resident district. The resident district may provide the educational program at a school
107.30 within the district of residence, at the child's residence, or in the district in which the day
107.31 treatment center is located by paying tuition to that district. If a child's district of residence,
107.32 district of open enrollment under section 124D.03, or charter school of enrollment under
107.33 section 124E.11 is authorized to provide online learning instruction under state statutes, the
107.34 child's district of residence may utilize that state-approved online learning program in

108.1 fulfilling its educational program responsibility under this section if the child, or the child's
108.2 parent or guardian for a pupil under the age of 18, agrees to that form of instruction.

108.3 (d) When a child is temporarily placed in a residential program for care and treatment,
108.4 the nonresident district in which the child is placed is responsible for providing an appropriate
108.5 educational program for the child and necessary transportation while the child is attending
108.6 the educational program; and must bill the district of the child's residence for the actual cost
108.7 of providing the program, as outlined in section 125A.11, except as provided in paragraph
108.8 (e). However, the board, lodging, and treatment costs incurred in behalf of a child with a
108.9 disability placed outside of the school district of residence by the commissioner of human
108.10 services or the commissioner of corrections or their agents, for reasons other than providing
108.11 for the child's special educational needs must not become the responsibility of either the
108.12 district providing the instruction or the district of the child's residence. For the purposes of
108.13 this section, the state correctional facilities operated on a fee-for-service basis are considered
108.14 to be residential programs for care and treatment. If a child's district of residence, district
108.15 of open enrollment under section 124D.03, or charter school of enrollment under section
108.16 124E.11 is authorized to provide online learning instruction under state statutes, the
108.17 nonresident district may utilize that state-approved online learning program in fulfilling its
108.18 educational program responsibility under this section if the child, or the child's parent or
108.19 guardian for a pupil under the age of 18, agrees to that form of instruction.

108.20 (e) A privately owned and operated residential facility may enter into a contract to obtain
108.21 appropriate educational programs for special education children and services with a joint
108.22 powers entity. The entity with which the private facility contracts for special education
108.23 services shall be the district responsible for providing students placed in that facility an
108.24 appropriate educational program in place of the district in which the facility is located. If a
108.25 privately owned and operated residential facility does not enter into a contract under this
108.26 paragraph, then paragraph (d) applies.

108.27 (f) The district of residence shall pay tuition and other program costs, not including
108.28 transportation costs, to the district providing the instruction and services. The district of
108.29 residence may claim general education aid for the child as provided by law. Transportation
108.30 costs must be paid by the district responsible for providing the transportation and the state
108.31 must pay transportation aid to that district.

109.1 Sec. 3. Minnesota Statutes 2022, section 125A.51, is amended to read:

109.2 **125A.51 PLACEMENT OF CHILDREN WITHOUT DISABILITIES; EDUCATION**
109.3 **AND TRANSPORTATION.**

109.4 The responsibility for providing instruction and transportation for a pupil without a
109.5 disability who has a short-term or temporary physical or emotional illness or disability, as
109.6 determined by the standards of the commissioner, and who is temporarily placed for care
109.7 and treatment for that illness or disability, must be determined as provided in this section.

109.8 (a) The school district of residence of the pupil is the district in which the pupil's parent
109.9 or guardian resides. If there is a dispute between school districts regarding residency, the
109.10 district of residence is the district designated by the commissioner.

109.11 (b) When parental rights have been terminated by court order, the legal residence of a
109.12 child placed in a residential or foster facility for care and treatment is the district in which
109.13 the child resides.

109.14 (c) Before the placement of a pupil for care and treatment, the district of residence must
109.15 be notified and provided an opportunity to participate in the placement decision. When an
109.16 immediate emergency placement is necessary and time does not permit resident district
109.17 participation in the placement decision, the district in which the pupil is temporarily placed,
109.18 if different from the district of residence, must notify the district of residence of the
109.19 emergency placement within 15 days of the placement. When a nonresident district makes
109.20 an emergency placement without first consulting with the resident district, the resident
109.21 district has up to five business days after receiving notice of the emergency placement to
109.22 request an opportunity to participate in the placement decision, which the placing district
109.23 must then provide.

109.24 (d) When a pupil without a disability is temporarily placed for care and treatment in a
109.25 day program and the pupil continues to live within the district of residence during the care
109.26 and treatment, the district of residence must provide instruction and necessary transportation
109.27 to and from the care and treatment program for the pupil. The resident district may establish
109.28 reasonable restrictions on transportation, except if a Minnesota court or agency orders the
109.29 child placed at a day care and treatment program and the resident district receives a copy
109.30 of the order, then the resident district must provide transportation to and from the program
109.31 unless the court or agency orders otherwise. Transportation shall only be provided by the
109.32 resident district during regular operating hours of the resident district. The resident district
109.33 may provide the instruction at a school within the district of residence; at the pupil's
109.34 residence; through an authorized online learning program provided by the pupil's resident

110.1 district, district of open enrollment under section 124D.03, or charter school of enrollment
110.2 under section 124E.11 if the child, or the child's parent or guardian for a pupil under the
110.3 age of 18, agrees to that form of instruction; or,₂ in the case of a placement outside of the
110.4 resident district, in the district in which the day treatment program is located by paying
110.5 tuition to that district. The district of placement may contract with a facility to provide
110.6 instruction by teachers licensed by the Professional Educator Licensing and Standards
110.7 Board.

110.8 (e) When a pupil without a disability is temporarily placed in a residential program for
110.9 care and treatment, the district in which the pupil is placed must provide instruction for the
110.10 pupil and necessary transportation while the pupil is receiving instruction, and in the case
110.11 of a placement outside of the district of residence, the nonresident district must bill the
110.12 district of residence for the actual cost of providing the instruction for the regular school
110.13 year and for summer school, excluding transportation costs. If a pupil's district of residence,
110.14 district of open enrollment under section 124D.03, or charter school of enrollment under
110.15 section 124E.11 is authorized to provide online learning instruction under state statutes, the
110.16 district in which the pupil is placed may utilize that state-approved online learning program
110.17 in fulfilling its responsibility to provide instruction under this section if the child, or the
110.18 child's parent or guardian for a pupil under the age of 18, agrees to that form of instruction.

110.19 (f) Notwithstanding paragraph (e), if the pupil is homeless and placed in a public or
110.20 private homeless shelter, then the district that enrolls the pupil under section 120A.20,
110.21 subdivision 2, paragraph (b), shall provide the transportation, unless the district that enrolls
110.22 the pupil and the district in which the pupil is temporarily placed agree that the district in
110.23 which the pupil is temporarily placed shall provide transportation. When a pupil without a
110.24 disability is temporarily placed in a residential program outside the district of residence,
110.25 the administrator of the court placing the pupil must send timely written notice of the
110.26 placement to the district of residence. The district of placement may contract with a
110.27 residential facility to provide instruction by teachers licensed by the Professional Educator
110.28 Licensing and Standards Board. For purposes of this section, the state correctional facilities
110.29 operated on a fee-for-service basis are considered to be residential programs for care and
110.30 treatment.

110.31 (g) The district of residence must include the pupil in its residence count of pupil units
110.32 and pay tuition as provided in section 123A.488 to the district providing the instruction.
110.33 Transportation costs must be paid by the district providing the transportation and the state
110.34 must pay transportation aid to that district. For purposes of computing state transportation
110.35 aid, pupils governed by this subdivision must be included in the disabled transportation

111.1 category if the pupils cannot be transported on a regular school bus route without special
111.2 accommodations.

111.3 Sec. 4. Minnesota Statutes 2022, section 125A.515, subdivision 3, is amended to read:

111.4 Subd. 3. **Responsibilities for providing education.** (a) The district in which the children's
111.5 residential facility is located must provide education services, including special education
111.6 if eligible, to all students placed in a facility. If a child's district of residence, district of open
111.7 enrollment under section 124D.03, or charter school of enrollment under section 124E.11
111.8 is authorized to provide online learning instruction under state statutes, the district in which
111.9 the children's residential facility is located may utilize that state-approved online learning
111.10 program in fulfilling its education services responsibility under this section if the child, or
111.11 the child's parent or guardian for a pupil under the age of 18, agrees to that form of
111.12 instruction.

111.13 (b) For education programs operated by the Department of Corrections, the providing
111.14 district shall be the Department of Corrections. For students remanded to the commissioner
111.15 of corrections, the providing and resident district shall be the Department of Corrections.

111.16 ARTICLE 8

111.17 EARLY CHILDHOOD AND EARLY LEARNING

111.18 Section 1. Minnesota Statutes 2022, section 124D.03, subdivision 5a, is amended to read:

111.19 Subd. 5a. **Lotteries.** If a school district has more applications than available seats at a
111.20 specific grade level, it must hold an impartial lottery following the January 15 deadline to
111.21 determine which students will receive seats. The district must give priority to enrolling
111.22 siblings of currently enrolled students, students seeking enrollment into kindergarten who
111.23 were open enrolled in voluntary prekindergarten or school readiness plus programs in the
111.24 district, students whose applications are related to an approved integration and achievement
111.25 plan, and children of the school district's staff, and students residing in that part of a
111.26 municipality, defined under section 469.1812, subdivision 3, where:

111.27 ~~(1) the student's resident district does not operate a school building;~~

111.28 ~~(2) the municipality is located partially or fully within the boundaries of at least five~~
111.29 ~~school districts;~~

111.30 ~~(3) the nonresident district in which the student seeks to enroll operates one or more~~
111.31 ~~school buildings within the municipality; and~~

112.1 ~~(4) no other nonresident, independent, special, or common school district operates a~~
 112.2 ~~school building within the municipality.~~

112.3 The process for the school district lottery must be established in school district policy,
 112.4 approved by the school board, and posted on the school district's website.

112.5 Sec. 2. Minnesota Statutes 2022, section 124D.03, subdivision 12, is amended to read:

112.6 Subd. 12. **Termination of enrollment.** A district may terminate the enrollment of a
 112.7 nonresident student enrolled under this section or section 124D.08 at the end of a school
 112.8 year if the student meets the definition of a habitual truant under section 260C.007,
 112.9 subdivision 19, the student has been provided appropriate services under chapter 260A, and
 112.10 the student's case has been referred to juvenile court. A district may also terminate the
 112.11 enrollment of a nonresident student over the age of 17 enrolled under this section if the
 112.12 student is absent without lawful excuse for one or more periods on 15 school days and has
 112.13 not lawfully withdrawn from school under section 120A.22, subdivision 8. Starting in the
 112.14 2023-2024 school year, a district may terminate the enrollment of a nonresident preschool
 112.15 student under this section or section 125A.13 when the student meets age eligibility
 112.16 requirements for kindergarten or reaches age five by September 1.

112.17 Sec. 3. Minnesota Statutes 2022, section 124D.141, subdivision 2, is amended to read:

112.18 Subd. 2. **Additional duties.** The following duties are added to those assigned to the
 112.19 council under federal law:

112.20 (1) make recommendations on the most efficient and effective way to leverage state and
 112.21 federal funding streams for early childhood and child care programs;

112.22 ~~(2) make recommendations on how to coordinate or colocate early childhood and child~~
 112.23 ~~care programs in one state Office of Early Learning. The council shall establish a task force~~
 112.24 ~~to develop these recommendations. The task force shall include two nonexecutive branch~~
 112.25 ~~or nonlegislative branch representatives from the council; six representatives from the early~~
 112.26 ~~childhood caucus; two representatives each from the Departments of Education, Human~~
 112.27 ~~Services, and Health; one representative each from a local public health agency, a local~~
 112.28 ~~county human services agency, and a school district; and two representatives from the~~
 112.29 ~~private nonprofit organizations that support early childhood programs in Minnesota. In~~
 112.30 ~~developing recommendations in coordination with existing efforts of the council, the task~~
 112.31 ~~force shall consider how to:~~

113.1 ~~(i) consolidate and coordinate resources and public funding streams for early childhood~~
113.2 ~~education and child care, and ensure the accountability and coordinated development of all~~
113.3 ~~early childhood education and child care services to children from birth to kindergarten~~
113.4 ~~entrance;~~

113.5 ~~(ii) create a seamless transition from early childhood programs to kindergarten;~~

113.6 ~~(iii) encourage family choice by ensuring a mixed system of high-quality public and~~
113.7 ~~private programs, with local points of entry, staffed by well-qualified professionals;~~

113.8 ~~(iv) ensure parents a decisive role in the planning, operation, and evaluation of programs~~
113.9 ~~that aid families in the care of children;~~

113.10 ~~(v) provide consumer education and accessibility to early childhood education and child~~
113.11 ~~care resources;~~

113.12 ~~(vi) advance the quality of early childhood education and child care programs in order~~
113.13 ~~to support the healthy development of children and preparation for their success in school;~~

113.14 ~~(vii) develop a seamless service delivery system with local points of entry for early~~
113.15 ~~childhood education and child care programs administered by local, state, and federal~~
113.16 ~~agencies;~~

113.17 ~~(viii) ensure effective collaboration between state and local child welfare programs and~~
113.18 ~~early childhood mental health programs and the Office of Early Learning;~~

113.19 ~~(ix) develop and manage an effective data collection system to support the necessary~~
113.20 ~~functions of a coordinated system of early childhood education and child care in order to~~
113.21 ~~enable accurate evaluation of its impact;~~

113.22 ~~(x) respect and be sensitive to family values and cultural heritage; and~~

113.23 ~~(xi) establish the administrative framework for and promote the development of early~~
113.24 ~~childhood education and child care services in order to provide that these services, staffed~~
113.25 ~~by well-qualified professionals, are available in every community for all families that express~~
113.26 ~~a need for them.~~

113.27 ~~In addition, the task force must consider the following responsibilities for transfer to the~~
113.28 ~~Office of Early Learning:~~

113.29 ~~(A) responsibilities of the commissioner of education for early childhood education~~
113.30 ~~programs and financing under sections 119A.50 to 119A.535, 121A.16 to 121A.19, and~~
113.31 ~~124D.129 to 124D.2211;~~

114.1 ~~(B) responsibilities of the commissioner of human services for child care assistance,~~
114.2 ~~child care development, and early childhood learning and child protection facilities programs~~
114.3 ~~and financing under chapter 119B and section 256E.37; and~~

114.4 ~~(C) responsibilities of the commissioner of health for family home visiting programs~~
114.5 ~~and financing under section 145A.17.~~

114.6 ~~Any costs incurred by the council in making these recommendations must be paid from~~
114.7 ~~private funds. If no private funds are received, the council must not proceed in making these~~
114.8 ~~recommendations. The council must report its recommendations to the governor and the~~
114.9 ~~legislature by January 15, 2011;~~

114.10 ~~(3) (2) review program evaluations regarding high-quality early childhood programs;~~

114.11 ~~(4) (3) make recommendations to the governor and legislature, including proposed~~
114.12 ~~legislation on how to most effectively create a high-quality early childhood system in~~
114.13 ~~Minnesota in order to improve the educational outcomes of children so that all children are~~
114.14 ~~school-ready by 2020; and~~

114.15 ~~(5) make recommendations to the governor and the legislature by March 1, 2011, on the~~
114.16 ~~creation and implementation of a statewide school readiness report card to monitor progress~~
114.17 ~~toward the goal of having all children ready for kindergarten by the year 2020. The~~
114.18 ~~recommendations shall include what should be measured including both children and system~~
114.19 ~~indicators, what benchmarks should be established to measure state progress toward the~~
114.20 ~~goal, and how frequently the report card should be published. In making their~~
114.21 ~~recommendations, the council shall consider the indicators and strategies for Minnesota's~~
114.22 ~~early childhood system report, the Minnesota school readiness study, developmental~~
114.23 ~~assessment at kindergarten entrance, and the work of the council's accountability committee.~~
114.24 ~~Any costs incurred by the council in making these recommendations must be paid from~~
114.25 ~~private funds. If no private funds are received, the council must not proceed in making these~~
114.26 ~~recommendations; and~~

114.27 ~~(6) make recommendations to the governor and the legislature on how to screen earlier~~
114.28 ~~and comprehensively assess children for school readiness in order to provide increased early~~
114.29 ~~interventions and increase the number of children ready for kindergarten. In formulating~~
114.30 ~~their recommendations, the council shall consider (i) ways to interface with parents of~~
114.31 ~~children who are not participating in early childhood education or care programs, (ii) ways~~
114.32 ~~to interface with family child care providers, child care centers, and school-based early~~
114.33 ~~childhood and Head Start programs, (iii) if there are age-appropriate and culturally sensitive~~
114.34 ~~screening and assessment tools for three-, four-, and five-year-olds, (iv) the role of the~~

115.1 ~~medical community in screening, (v) incentives for parents to have children screened at an~~
 115.2 ~~earlier age, (vi) incentives for early education and care providers to comprehensively assess~~
 115.3 ~~children in order to improve instructional practice, (vii) how to phase in increases in screening~~
 115.4 ~~and assessment over time, (viii) how the screening and assessment data will be collected~~
 115.5 ~~and used and who will have access to the data, (ix) how to monitor progress toward the goal~~
 115.6 ~~of having 50 percent of three-year-old children screened and 50 percent of entering~~
 115.7 ~~kindergarteners assessed for school readiness by 2015 and 100 percent of three-year-old~~
 115.8 ~~children screened and entering kindergarteners assessed for school readiness by 2020, and~~
 115.9 ~~(x) costs to meet these benchmarks. The council shall consider the screening instruments~~
 115.10 ~~and comprehensive assessment tools used in Minnesota early childhood education and care~~
 115.11 ~~programs and kindergarten. The council may survey early childhood education and care~~
 115.12 ~~programs in the state to determine the screening and assessment tools being used or rely on~~
 115.13 ~~previously collected survey data, if available. For purposes of this subdivision, "school~~
 115.14 ~~readiness" is defined as the child's skills, knowledge, and behaviors at kindergarten entrance~~
 115.15 ~~in these areas of child development: social; self-regulation; cognitive, including language,~~
 115.16 ~~literacy, and mathematical thinking; and physical. For purposes of this subdivision,~~
 115.17 ~~"screening" is defined as the activities used to identify a child who may need further~~
 115.18 ~~evaluation to determine delay in development or disability. For purposes of this subdivision,~~
 115.19 ~~"assessment" is defined as the activities used to determine a child's level of performance in~~
 115.20 ~~order to promote the child's learning and development. Work on this duty will begin in~~
 115.21 ~~fiscal year 2012. Any costs incurred by the council in making these recommendations must~~
 115.22 ~~be paid from private funds. If no private funds are received, the council must not proceed~~
 115.23 ~~in making these recommendations. The council must report its recommendations to the~~
 115.24 ~~governor and legislature by January 15, 2013, with an interim report on February 15, 2011.~~

115.25 (4) review and provide input on the recommendations and implementation timelines
 115.26 developed by the Great Start For All Minnesota Children Task Force under Laws 2021,
 115.27 First Special Session chapter 7, article 14, section 18, subdivision 2.

115.28 Sec. 4. Minnesota Statutes 2022, section 124D.165, subdivision 2, is amended to read:

115.29 Subd. 2. **Family eligibility.** (a) For a family to receive an early learning scholarship,
 115.30 parents or guardians must have an eligible child and meet at least one of the following
 115.31 eligibility requirements:

115.32 ~~(1) have an eligible child; and~~

115.33 ~~(2) (1) have income equal to or less than 185 200 percent of federal poverty level income~~
 115.34 ~~in the current calendar year; or;~~

116.1 (2) be able to document their child's current participation in the free and reduced-price
 116.2 ~~lunch meal~~ program or Child and Adult Care Food Program, National School Lunch Act,
 116.3 United States Code, title 42, sections 1751 and 1766; the Food Distribution Program on
 116.4 Indian Reservations, Food and Nutrition Act, United States Code, title 7, sections 2011-2036;
 116.5 Head Start under the federal Improving Head Start for School Readiness Act of 2007;
 116.6 Minnesota family investment program under chapter 256J; child care assistance programs
 116.7 under chapter 119B; the supplemental nutrition assistance program; or ~~placement~~

116.8 (3) have a child referred as in need of child protection services or placed in foster care
 116.9 under section 260C.212.

116.10 (b) An "eligible child" means a child who has not yet enrolled in kindergarten and is:

116.11 ~~(1) at least three but not yet five years of age on September 1 of the current school year;~~

116.12 ~~(2) a sibling from birth to age five of a child who has been awarded a scholarship under~~
 116.13 ~~this section provided the sibling attends the same program as long as funds are available;~~

116.14 ~~(3) the child of a parent under age 21 who is pursuing a high school degree or a course~~
 116.15 ~~of study for a high school equivalency test; or~~

116.16 ~~(4) homeless, in foster care, or in need of child protective services.~~

116.17 (c) A child who has received a scholarship under this section must continue to receive
 116.18 a scholarship each year until that child is eligible for kindergarten under section 120A.20
 116.19 and as long as funds are available.

 116.23 119B, or Head Start under the federal Improving Head Start for School Readiness Act of
 116.24 2007.

116.25 (e) A child from an adjoining state whose family resides at a Minnesota address as
 116.26 assigned by the United States Postal Service, who has received developmental screening
 116.27 under sections 121A.16 to 121A.19, who intends to enroll in a Minnesota school district,
 116.28 and whose family meets the criteria of paragraph (a) is eligible for an early learning
 116.29 scholarship under this section.

116.30 Sec. 5. Minnesota Statutes 2022, section 124D.165, subdivision 3, is amended to read:

116.31 Subd. 3. **Administration.** (a) The commissioner shall establish application timelines
 116.32 and determine the schedule for awarding scholarships that meets operational needs of eligible

117.1 families and programs. The commissioner must give highest priority to applications from
117.2 children who:

117.3 (1) are not yet four years of age;

117.4 ~~(1)~~ (2) have a parent under age 21 who is pursuing a high school diploma or a course of

117.10 McKinney-Vento Homeless Assistance Act, United States Code, title 42, section 11434a.

117.11 (b) The commissioner may prioritize applications on additional factors including family
117.12 income, geographic location, and whether the child's family is on a waiting list for a publicly
117.13 funded program providing early education or child care services.

117.14 ~~(b)~~ (c) The commissioner shall establish a target for the average scholarship amount per
117.15 child based on the results of the rate survey conducted under section 119B.02.

117.16 ~~(c)~~ (d) A four-star rated program that has children eligible for a scholarship enrolled in
117.17 or on a waiting list for a program beginning in July, August, or September may notify the
117.18 commissioner, in the form and manner prescribed by the commissioner, each year of the
117.19 program's desire to enhance program services or to serve more children than current funding
117.20 provides. The commissioner may designate a predetermined number of scholarship slots
117.21 for that program and notify the program of that number. For fiscal year 2018 and later, the
117.22 statewide amount of funding directly designated by the commissioner must not exceed the
117.23 funding directly designated for fiscal year 2017. Beginning July 1, 2016, a school district
117.24 or Head Start program qualifying under this paragraph may use its established registration

117.30 order to be eligible for another scholarship. An extension can be requested if a program is
117.31 unavailable for the child within the three-month timeline. A child may not be awarded more
117.32 than one scholarship in a 12-month period.

118.1 ~~(e)~~ (f) A child who receives a scholarship who has not completed development screening
 118.2 under sections 121A.16 to 121A.19 must complete that screening within 90 days of first
 118.3 attending an eligible program or within 90 days after the child's third birthday if awarded
 118.4 a scholarship under the age of three.

118.5 ~~(f)~~ (g) For fiscal year 2017 and later, a school district or Head Start program enrolling
 118.6 scholarship recipients under paragraph (c) may apply to the commissioner, in the form and
 118.7 manner prescribed by the commissioner, for direct payment of state aid. Upon receipt of
 118.8 the application, the commissioner must pay each program directly for each approved
 118.9 scholarship recipient enrolled under paragraph (c) according to the metered payment system
 118.10 or another schedule established by the commissioner.

118.11 Sec. 6. Minnesota Statutes 2022, section 125A.13, is amended to read:

118.12 **125A.13 SCHOOL OF PARENTS' CHOICE.**

118.13 (a) Nothing in this chapter must be construed as preventing parents of a child with a
 118.14 disability from sending the child to a school of their choice, if they so elect, subject to

120B.02 EDUCATIONAL EXPECTATIONS AND GRADUATION REQUIREMENTS FOR MINNESOTA'S STUDENTS.

Subd. 3. **Required knowledge and understanding of civics.** (a) For purposes of this subdivision, "civics test questions" means 50 of the 100 questions that, as of January 1, 2015, United States Citizenship and Immigration Services officers use to select the questions they pose to applicants for naturalization so the applicants can demonstrate their knowledge and understanding of the fundamentals of United States history and government, as required by United States Code, title 8, section 1423. The Learning Law and Democracy Foundation, in consultation with Minnesota civics teachers, must select by July 1 each year 50 of the 100 questions under this paragraph to serve as the state's civics test questions for the proximate school year and immediately transmit the 50 selected civics test questions to the department and to the Legislative Coordinating Commission, which must post the 50 questions it receives on the Minnesota's Legacy website by August 1 of that year.

(b) A student enrolled in a public school must correctly answer at least 30 of the 50 civics test questions. A school or district may record on a student's transcript that the student answered at least 30 of 50 civics test questions correctly. A school or district may exempt a student with disabilities from this requirement if the student's individualized education program team determines the requirement is inappropriate and establishes an alternative requirement. A school or district may administer the civics test questions in a language other than English to students who qualify for English learner services.

(c) Schools and districts may administer civics test questions as part of the social studies curriculum. A district must not prevent a student from graduating or deny a student a high school diploma for failing to correctly answer at least 30 of 50 civics test questions.

(d) The commissioner and public schools and school districts must not charge students any fees related to this subdivision.

120B.35 STUDENT ACADEMIC ACHIEVEMENT AND GROWTH.

Subd. 5. **Improving graduation rates for students with emotional or behavioral disorders.** (a) A district must develop strategies in conjunction with parents of students with emotional or behavioral disorders and the county board responsible for implementing sections 245.487 to 245.4889 to keep students with emotional or behavioral disorders in school, when the district has a drop-out rate for students with an emotional or behavioral disorder in grades 9 through 12 exceeding 25 percent.

(b) A district must develop a plan in conjunction with parents of students with emotional or behavioral disorders and the local mental health authority to increase the graduation rates of students with emotional or behavioral disorders. A district with a drop-out rate for children with an emotional or behavioral disturbance in grades 9 through 12 that is in the top 25 percent of all districts shall submit a plan for review and oversight to the commissioner.

124D.095 ONLINE LEARNING OPTION.

Subdivision 1. **Citation.** This section may be cited as the "Online Learning Option Act."

Subd. 2. **Definitions.** For purposes of this section, the following terms have the meanings given them.

(a) "Digital learning" is learning facilitated by technology that offers students an element of control over the time, place, path, or pace of their learning and includes blended and online learning.

(b) "Blended learning" is a form of digital learning that occurs when a student learns part time in a supervised physical setting and part time through digital delivery of instruction, or a student learns in a supervised physical setting where technology is used as a primary method to deliver instruction.

(c) "Online learning" is a form of digital learning delivered by an approved online learning provider under paragraph (d).

(d) "Online learning provider" is a school district, an intermediate school district, an organization of two or more school districts operating under a joint powers agreement, or a charter school located in Minnesota that provides online learning to students and is approved by the department to provide online learning courses.

(e) "Student" is a Minnesota resident enrolled in a school under section 120A.22, subdivision 4, in kindergarten through grade 12.

APPENDIX
Repealed Minnesota Statutes: S1311-1

(f) "Online learning student" is a student enrolled in an online learning course or program delivered by an online learning provider under paragraph (d).

(g) "Enrolling district" means the school district or charter school in which a student is enrolled under section 120A.22, subdivision 4, for purposes of compulsory attendance.

(h) "Supplemental online learning" means an online learning course taken in place of a course period at a local district school.

(i) "Full-time online learning provider" means an enrolling school authorized by the department to deliver comprehensive public education at any or all of the elementary, middle, or high school levels.

(j) "Online learning course syllabus" is a written document that an online learning provider transmits to the enrolling district using a format prescribed by the commissioner to identify the state academic standards embedded in an online course, the course content outline, required course assessments, expectations for actual teacher contact time and other student-to-teacher communications, and the academic support available to the online learning student.

Subd. 3. Authorization; notice; limitations on enrollment. (a) A student may apply for full-time enrollment in an approved online learning program under section 124D.03 or 124D.08 or chapter 124E. Notwithstanding sections 124D.03 and 124D.08 and chapter 124E, procedures for enrolling in supplemental online learning are as provided in this subdivision. A student age 17 or younger must have the written consent of a parent or guardian to apply. No school district or charter school may prohibit a student from applying to enroll in online learning. In order to enroll in online learning, the student and the student's parents must submit an application to the online learning provider and identify the student's reason for enrolling. An online learning provider that accepts a student under this section must notify the student and the enrolling district in writing within ten days if the enrolling district is not the online learning provider. The student and the student's parent must notify the online learning provider of the student's intent to enroll in online learning within ten days of being accepted, at which time the student and the student's parent must sign a statement indicating that they have reviewed the online course or program and understand the expectations of enrolling in online learning. The online learning provider must use a form provided by the department to notify the enrolling district of the student's application to enroll in online learning.

(b) The supplemental online learning notice to the enrolling district when a student applies to the online learning provider will include the courses or program, credits to be awarded, and the start date of the online course or program. An online learning provider must make available the supplemental online course syllabus to the enrolling district. Within 15 days after the online learning provider makes information in this paragraph available to the enrolling district, the enrolling district must notify the online provider whether the student, the student's parent, and the enrolling district agree or disagree that the course meets the enrolling district's graduation requirements. A student may enroll in a supplemental online learning course up to the midpoint of the enrolling district's term. The enrolling district may waive this requirement for special circumstances and with the agreement of the online provider. An online learning course or program that meets or exceeds a graduation standard or the grade progression requirement of the enrolling district as described in the provider's online course syllabus meets the corresponding graduation requirements applicable to the student in the enrolling district. If the enrolling district does not agree that the course or program meets its graduation requirements, then:

(1) the enrolling district must make available an explanation of its decision to the student, the student's parent, and the online provider; and

(2) the online provider may make available a response to the enrolling district, showing how the course or program meets the graduation requirements of the enrolling district.

(c) An online learning provider must notify the commissioner that it is delivering online learning and report the number of online learning students it accepts and the online learning courses and programs it delivers.

(d) An online learning provider may limit enrollment if the provider's school board or board of directors adopts by resolution specific standards for accepting and rejecting students' applications.

(e) An enrolling district may reduce an online learning student's regular classroom instructional membership in proportion to the student's membership in online learning courses.

(f) The online provider must report or make available information on an individual student's progress and accumulated credit to the student, the student's parent, and the enrolling district in a

APPENDIX
Repealed Minnesota Statutes: S1311-1

manner specified by the commissioner unless the enrolling district and the online provider agree to a different form of notice and notify the commissioner. The enrolling district must designate a contact person to help facilitate and monitor the student's academic progress and accumulated credits towards graduation.

Subd. 4. **Online learning parameters.** (a) An online learning student must receive academic credit for completing the requirements of an online learning course or program. Secondary credits granted to an online learning student count toward the graduation and credit requirements of the enrolling district. The enrolling district must apply the same graduation requirements to all students, including online learning students, and must continue to provide nonacademic services to online learning students. If a student completes an online learning course or program that meets or exceeds a graduation standard or the grade progression requirement at the enrolling district, that standard or requirement is met. The enrolling district must use the same criteria for accepting online learning credits or courses as it does for accepting credits or courses for transfer students under section 124D.03, subdivision 9. The enrolling district may reduce the course schedule of an online learning student in proportion to the number of online learning courses the student takes from an online learning provider that is not the enrolling district.

(b) An online learning student may:

(1) enroll in supplemental online learning courses equal to a maximum of 50 percent of the student's full schedule of courses per term during a single school year and the student may exceed the supplemental online learning registration limit if the enrolling district permits supplemental online learning enrollment above the limit, or if the enrolling district and the online learning provider agree to the instructional services;

(2) complete course work at a grade level that is different from the student's current grade level; and

(3) enroll in additional courses with the online learning provider under a separate agreement that includes terms for paying any tuition or course fees.

(c) An online learning student has the same access to the computer hardware and education software available in a school as all other students in the enrolling district. An online learning provider must assist an online learning student whose family qualifies for the education tax credit under section 290.0674 to acquire computer hardware and educational software for online learning purposes.

(d) An enrolling district may offer digital learning to its enrolled students. Such digital learning does not generate online learning funds under this section. An enrolling district that offers digital learning only to its enrolled students is not subject to the reporting requirements or review criteria under subdivision 7, unless the enrolling district is a full-time online learning provider. A teacher with a Minnesota license must assemble and deliver instruction to enrolled students receiving online learning from an enrolling district. The delivery of instruction occurs when the student interacts with the computer or the teacher and receives ongoing assistance and assessment of learning. The instruction may include curriculum developed by persons other than a teacher holding a Minnesota license.

(e) Both full-time and supplemental online learning providers are subject to the reporting requirements and review criteria under subdivision 7. A teacher holding a Minnesota license must assemble and deliver instruction to online learning students. The delivery of instruction occurs when the student interacts with the computer or the teacher and receives ongoing assistance and assessment of learning. The instruction may include curriculum developed by persons other than a teacher holding a Minnesota license. Unless the commissioner grants a waiver, a teacher providing online learning instruction must not instruct more than 40 students in any one online learning course or program.

(f) To enroll in more than 50 percent of the student's full schedule of courses per term in online learning, the student must qualify to exceed the supplemental online learning registration limit under paragraph (b) or apply to enroll in an approved full-time online learning program, consistent with subdivision 3, paragraph (a). Full-time online learning students may enroll in classes at a local school under a contract for instructional services between the online learning provider and the school district.

Subd. 5. **Participation in extracurricular activities.** An online learning student may participate in the extracurricular activities of the enrolling district on the same basis as other enrolled students.

APPENDIX
Repealed Minnesota Statutes: S1311-1

Subd. 6. **Information.** School districts and charter schools must make available information about online learning to all interested people.

Subd. 7. **Department of Education.** (a) The department must review and approve or disapprove online learning providers within 90 calendar days of receiving an online learning provider's completed application. The commissioner, using research-based standards of quality for online learning programs, must review all approved online learning providers on a cyclical three-year basis. Approved online learning providers annually must submit program data to, confirm statements of assurances for, and provide program updates including a current course list to the commissioner.

(b) The online learning courses and programs must be rigorous, aligned with state academic standards, and contribute to grade progression in a single subject. The online learning provider, other than a digital learning provider offering digital learning to its enrolled students only under subdivision 4, paragraph (d), must give the commissioner written assurance that: (1) all courses meet state academic standards; and (2) the online learning curriculum, instruction, and assessment, expectations for actual teacher-contact time or other student-to-teacher communication, and academic support meet nationally recognized professional standards and are described as such in an online learning course syllabus that meets the commissioner's requirements. Once an online learning provider is approved under this paragraph, all of its online learning course offerings are eligible for payment under this section unless a course is successfully challenged by an enrolling district or the department under paragraph (c).

(c) An enrolling district may challenge the validity of a course offered by an online learning provider. The department must review such challenges based on the approval procedures under paragraph (b). The department may initiate its own review of the validity of an online learning course offered by an online learning provider.

(d) The department may collect a fee not to exceed \$250 for approving online learning providers or \$50 per course for reviewing a challenge by an enrolling district.

(e) The department must develop, publish, and maintain a list of online learning providers that it has reviewed and approved.

(f) The department may review a complaint about an online learning provider, or a complaint about a provider based on the provider's response to notice of a violation. If the department determines that an online learning provider violated a law or rule, the department may:

(1) create a compliance plan for the provider; or

(2) withhold funds from the provider under sections 124D.095, 124E.25, and 127A.42. The department must notify an online learning provider in writing about withholding funds and provide detailed calculations.

Subd. 8. **Financial arrangements.** (a) For a student enrolled in an online learning course, the department must calculate average daily membership and make payments according to this subdivision.

(b) The initial online learning average daily membership equals 1/12 for each semester course or a proportionate amount for courses of different lengths. The adjusted online learning average daily membership equals the initial online learning average daily membership times .88.

(c) No online learning average daily membership shall be generated if: (1) the student does not complete the online learning course, or (2) the student is enrolled in online learning provided by the enrolling district.

(d) Online learning average daily membership under this subdivision for a student currently enrolled in a Minnesota public school shall be used only for computing average daily membership according to section 126C.05, subdivision 19, paragraph (a), clause (2), and for computing online learning aid according to section 124D.096.
