 4.22 storage or furniture repair, and it determines that the operating capital revenue authorized
 4.23 under section 126C.10, subdivision 13, is insufficient for this purpose, it may apply to the

 4.25 An application for permission to levy under this subdivision must contain financial
 4.26 justification for the proposed levy, the terms and conditions of the proposed lease, and a

4.28 (b) The criteria for approval of applications to levy under this subdivision must include:
 4.29 the reasonableness of the price, the appropriateness of the space to the proposed activity,
 4.30 the feasibility of transporting pupils to the leased building or land, conformity of the lease
 4.31 to the laws and rules of the state of Minnesota, and the appropriateness of the proposed
 4.32 lease to the space needs and the financial condition of the district. The commissioner must

5.9 building addition or additions used primarily for regular kindergarten, elementary, or
5.10 secondary instruction that contains more than 20 percent of the square footage of the
5.11 previously existing building.

5.12 (d) Notwithstanding paragraph (b), a district may levy under this subdivision for the
5.13 purpose of leasing or renting a district-owned building or site to itself only if the amount is

5.15 purchase agreement, or other deferred payments agreement authorized by law, and the levy
5.16 meets the requirements of paragraph (c). A levy authorized for a district by the commissioner
5.17 under this paragraph may be in the amount needed by the district to make payments required
5.18 by a lease purchase agreement, installment purchase agreement, or other deferred payments
5.19 agreement authorized by law, provided that any agreement include a provision giving the

5.27 in paragraph (e) if the school district petitions the commissioner for approval. The
5.28 commissioner shall grant approval to a school district to exceed the limit in paragraph (e)
5.29 for not more than five years if the district meets the following criteria:

5.30 (1) the school district has been experiencing pupil enrollment growth in the preceding
5.31 five years;

5.32 (2) the purpose of the increased levy is in the long-term public interest;

5.33 (3) the purpose of the increased levy promotes collocation of government services; and

6.1 (4) the purpose of the increased levy is in the long-term interest of the district by avoiding
6.2 over construction of school facilities.

6.3 (h) A school district that is a member of an intermediate school district or other
6.4 cooperative unit under section 123A.24, subdivision 2, or a joint powers district under

6.7 intermediate school district or other cooperative unit under section 123A.24, subdivision
6.8 2, or joint powers district under section 471.59. This authority must not exceed \$65 times
6.9 the adjusted pupil units of the member districts. This authority is in addition to any other
6.10 authority authorized under this section. The intermediate school district, other cooperative
6.11 unit, or joint powers district may specify which member districts will levy for lease costs
6.12 under this paragraph.

6.13 (i) In addition to the allowable capital levies in paragraph (a), for taxes payable in 2012

6.15 data processing joint board, that finds it economically advantageous to enter into a lease
6.16 agreement to finance improvements to a building and land for a group of school districts
6.17 or special school districts for staff development purposes, may levy for its portion of lease
6.18 costs attributed to the district within the total levy limit in paragraph (e). The total levy
6.19 authority under this paragraph shall not exceed \$632,000.

6.20 (j) Notwithstanding paragraph (a), a district may levy under this subdivision for the
6.21 purpose of leasing administrative space if the district can demonstrate to the satisfaction of
6.22 the commissioner that the lease cost for the administrative space is no greater than the lease
6.23 cost for instructional space that the district would otherwise lease. The commissioner must
6.24 deny this levy authority unless the district passes a resolution stating its intent to lease
6.25 instructional space under this section if the commissioner does not grant authority under
6.26 this paragraph. The resolution must also certify that the lease cost for administrative space
6.27 under this paragraph is no greater than the lease cost for the district's proposed instructional
6.28 lease.

6.29 (k) Notwithstanding paragraph (a), a district may levy under this subdivision for the
6.30 district's proportionate share of lease expenditures for a district-owned building or site leased

8.2 Statutes, section 123B.53.
