29.27 requirements of section 200.035 but was unable to do so, may execute a sworn affidavit,  
29.28 under the penalty of perjury, that states:

29.29 (1) the voter is the same voter who cast the provisional ballot;

29.31 the criteria for registering to vote in the precinct where the voter cast the provisional ballot;

 30.2 so, and provide an explanation of the reason that the voter was unable to procure the  
 30.3 necessary proof; and

30.4 (4) that the information on the affidavit is true and accurate.

30.5 The affidavit must be signed in the presence of the county auditor or municipal clerk.

 30.11 county auditor or municipal clerk must set the ballot aside until the voter registration  
 30.12 application is processed. Once the voter registration application is processed, if the voter is

 30.27 the county auditor or municipal clerk within the time permitted by law to determine whether  
 30.28 the provisional ballot should be counted.

 30.33 the provisional ballot roster or number of voter signature certificates for provisional ballots

 31.6 municipal clerk must open the accepted provisional ballot envelopes and deposit them in  
 31.7 the appropriate ballot box. The accepted and deposited provisional ballots must be included  
 31.8 in the final certified results from the precinct.

36.19 rulemaking process.

36.20 (b) To the extent that codifying matters into law is not practical, the proposed legislation  
36.21 must direct, by law, specific changes to be made in administrative rules so that no  
36.22 interpretation of the law by the secretary of state would be necessary, and use of the good

42.4 to have electronic access to the statewide registration system for review and search  
42.5 capabilities;

42.6 (10) provide security and protection of all information in the statewide registration  
42.7 system and ensure that unauthorized access is not allowed;

42.8 (11) provide access to municipal clerks to use the system;

42.9 (12) provide a system for each county to identify the precinct to which a voter should

42.11 (13) provide daily reports accessible by county auditors on the driver's license numbers,  
42.12 state identification numbers, voter identification card number, or last four digits of the Social

42.14 accurate by the secretary of state; and

42.15 (14) provide reports on the number of absentee ballots transmitted to and returned and  
42.16 cast by voters under section 203B.16.

42.17 The appropriate state or local official shall provide security measures to prevent  
42.18 unauthorized access to the computerized list established under section 201.021.

42.19 Sec. 11. Minnesota Statutes 2020, section 201.061, subdivision 1, is amended to read:

42.20 Subdivision 1. **Prior to election day.** (a) At any time except during the 20 days  
42.21 immediately preceding any regularly scheduled election, an eligible voter or any individual  
42.22 who will be an eligible voter at the time of the next election may register to vote in the  
42.23 precinct in which the voter maintains residence by completing a voter registration application  
42.24 as described in section 201.071, subdivision 1. A completed application may be submitted:

42.25 (1) in person or by mail to the county auditor of that county or to the Secretary of State's  
42.26 Office; or

42.27 (2) electronically through a secure website that shall be maintained by the secretary of  
42.28 state for this purpose, if the applicant has an e-mail address and provides the applicant's  
42.29 verifiable Minnesota driver's license number, Minnesota state identification card number,  
42.30 voter identification card number, or the last four digits of the applicant's Social Security  
42.31 number.

43.1 A registration that is received in person or by mail no later than 5:00 p.m. on the 21st  
43.2 day preceding any election, or a registration received electronically through the secretary  
43.3 of state's secure website no later than 11:59 p.m. on the 21st day preceding any election,  
43.4 shall be accepted. An improperly addressed or delivered registration application shall be  
43.5 forwarded within two working days after receipt to the county auditor of the county where  
43.6 the voter maintains residence. A state or local agency or an individual that accepts completed  
43.7 voter registration applications from a voter must submit the completed applications to the  
43.8 secretary of state or the appropriate county auditor within ten calendar days after the  
43.9 applications are dated by the voter.

43.10 (b) An application submitted electronically under paragraph (a), clause (2), may only  
43.11 be transmitted to the county auditor for processing if the secretary of state has verified the  
43.12 application information matches the information in a government database associated with  
43.13 the applicant's driver's license number, state identification card number, voter identification  
43.14 card number, or Social Security number. The secretary of state must review all unverifiable  
43.15 voter registration applications submitted electronically for evidence of suspicious activity  
43.16 and must forward any such application to an appropriate law enforcement agency for  
43.17 investigation.

43.18 An individual may not electronically submit a voter registration application on behalf  
43.19 of any other individual.

43.20 (c) For purposes of this section, mail registration is defined as a voter registration  
43.21 application delivered to the secretary of state, county auditor, or municipal clerk by the  
43.22 United States Postal Service or a commercial carrier.

43.23 Sec. 12. Minnesota Statutes 2020, section 201.061, subdivision 1a, is amended to read:

43.24 Subd. 1a. **Incomplete registration by mail.** If the county auditor determines that a voter  
43.25 who has submitted a voter registration application by mail has not previously voted in this  
43.26 state for a federal office and has also not presented a document authorized for election day  
43.27 registration in section 201.061, subdivision 3, to the auditor, and the county auditor is unable  
43.28 to verify the voter's driver's license, state identification, voter identification card, or last  
43.29 four digits of the voter's Social Security number as provided by the voter on the voter  
43.30 registration application, then the county auditor must notify the voter that the registration  
43.31 is incomplete and to complete registration by using one of the following methods:

43.32 (1) presenting to the auditor more than 20 days before the election a document authorized  
43.33 for election day registration in section 201.061, subdivision 3;

44.1 (2) registering in person before or on election day;

44.2 (3) if voting by absentee ballot or by mail, following election day registration procedures  
44.3 for absentee voters as described in section 203B.04, subdivision 4; or

44.4 (4) providing proof of residence by any of the methods authorized for election day  
44.5 registration in section 201.061, subdivision 3.

44.6 Sec. 13. Minnesota Statutes 2020, section 201.071, subdivision 1, is amended to read:

44.7 Subdivision 1. **Form.** Both paper and electronic voter registration applications must  
44.8 contain the same information unless otherwise provided by law. A voter registration  
44.9 application must contain spaces for the following required information: voter's first name,  
44.10 middle name, and last name; voter's previous name, if any; voter's current address; voter's  
44.11 previous address, if any; voter's date of birth; voter's municipality and county of residence;  
44.12 voter's telephone number, if provided by the voter; date of registration; current and valid  
44.13 Minnesota driver's license number ~~or~~, Minnesota state identification number, voter  
44.14 identification card number, or if the voter has no current and valid Minnesota driver's license  
44.15 ~~or~~, Minnesota state identification, or voter identification card, the last four digits of the  
44.16 voter's Social Security number; and voter's signature. The paper registration application  
44.17 may include the voter's e-mail address, if provided by the voter. The electronic voter  
44.18 registration application must include the voter's e-mail address. The registration application  
44.19 may include the voter's interest in serving as an election judge, if indicated by the voter.  
44.20 The application must also contain the following certification of voter eligibility:

44.21 "I certify that I:

44.22 (1) will be at least 18 years old on election day;

44.23 (2) am a citizen of the United States;

44.24 (3) will have resided in Minnesota for 20 days immediately preceding election day;

44.25 (4) maintain residence at the address given on the registration form;

44.26 (5) am not under court-ordered guardianship in which the court order revokes my right  
44.27 to vote;

44.28 (6) have not been found by a court to be legally incompetent to vote;

44.29 (7) have the right to vote because, if I have been convicted of a felony, my felony sentence  
44.30 has expired (been completed) or I have been discharged from my sentence; and

45.1 (8) have read and understand the following statement: that giving false information is a  
 45.2 felony punishable by not more than five years imprisonment or a fine of not more than  
 45.3 \$10,000, or both."

45.4 The certification must include boxes for the voter to respond to the following questions:

45.5 "(1) Are you a citizen of the United States?" and

45.6 "(2) Will you be 18 years old on or before election day?"

45.7 And the instruction:

45.8 "If you checked 'no' to either of these questions, do not complete this form."

45.9 The form of the voter registration application and the certification of voter eligibility  
 45.10 must be as provided in this subdivision and approved by the secretary of state. Voter  
 45.11 registration forms authorized by the National Voter Registration Act must also be accepted  
 45.12 as valid. The federal postcard application form must also be accepted as valid if it is not  
 45.13 deficient and the voter is eligible to register in Minnesota.

45.14 An individual may use a voter registration application to apply to register to vote in  
 45.15 Minnesota or to change information on an existing registration.

45.16 Sec. 14. Minnesota Statutes 2020, section 201.071, subdivision 2, is amended to read:

45.17 Subd. 2. **Instructions.** A registration application shall be accompanied by instructions  
 45.18 specifying the manner and method of registration, the qualifications for voting, the penalties  
 45.19 for false registration, and the availability of registration and voting assistance for elderly  
 45.20 and disabled individuals and residents of health care facilities and hospitals. The instructions  
 45.21 must indicate that if the voter does not have a valid Minnesota driver's license or identification  
 45.22 card, voter identification card, the last four digits of the voter's Social Security number must  
 45.23 be provided, unless the voter does not have a Social Security number. If, prior to election  
 45.24 day, a person requests the instructions in Braille, audio format, or in a version printed in  
 45.25 16-point bold type with 24-point leading, the county auditor shall provide them in the form  
 45.26 requested. The secretary of state shall prepare Braille and audio copies and make them  
 45.27 available.

45.28 Sec. 15. Minnesota Statutes 2020, section 201.071, subdivision 3, is amended to read:

45.29 Subd. 3. **Deficient registration.** No voter registration application is deficient if it contains  
 45.30 the voter's name, address, date of birth, current and valid Minnesota driver's license number  
 45.31 ~~or~~, Minnesota state identification number, or voter identification card number, or if the voter

46.1 has no current and valid Minnesota driver's license or, Minnesota state identification number,  
 46.2 or voter identification card number, the last four digits of the voter's Social Security number,  
 46.3 if the voter has been issued a Social Security number, prior registration, if any, and signature.  
 46.4 The absence of a zip code number does not cause the registration to be deficient. Failure to  
 46.5 check a box on an application form that a voter has certified to be true does not cause the  
 46.6 registration to be deficient. The election judges shall request an individual to correct a voter  
 46.7 registration application if it is deficient or illegible. No eligible voter may be prevented  
 46.8 from voting unless the voter's registration application is deficient or the voter is duly and  
 46.9 successfully challenged in accordance with section 201.195 or 204C.12.

46.10 A voter registration application accepted prior to August 1, 1983, is not deficient for  
 46.11 lack of date of birth. The county or municipality may attempt to obtain the date of birth for  
 46.12 a voter registration application accepted prior to August 1, 1983, by a request to the voter  
 46.13 at any time except at the polling place. Failure by the voter to comply with this request does  
 46.14 not make the registration deficient.

46.15 A voter registration application accepted before January 1, 2004, is not deficient for lack  
 46.16 of a valid Minnesota driver's license or state identification number or the last four digits of  
 46.17 a Social Security number. A voter registration application submitted by a voter who does  
 46.18 not have a Minnesota driver's license or state identification number, or a Social Security  
 46.19 number, is not deficient for lack of any of these numbers.

46.20 A voter registration application submitted electronically through the website of the  
 46.21 secretary of state prior to April 30, 2014, is not invalid as a result of its electronic submission.

46.22 Sec. 16. Minnesota Statutes 2020, section 201.091, subdivision 9, is amended to read:

46.23 Subd. 9. **Restricted data.** A list provided for public inspection or purchase, or in response  
 46.24 to a law enforcement inquiry, must not include a voter's date of birth or any part of a voter's  
 46.25 Social Security number, driver's license number, identification card number, voter  
 46.26 identification card number, military identification card number, or passport number.

46.27 Sec. 17. Minnesota Statutes 2020, section 201.121, subdivision 1, is amended to read:

46.28 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration  
 46.29 application is properly completed, submitted, and received in accordance with sections  
 46.30 201.061 and 201.071, the county auditor shall enter the information contained on it into the  
 46.31 statewide registration system. Voter registration applications completed before election day  
 46.32 must be entered into the statewide registration system within ten days after they have been  
 46.33 submitted to the county auditor. Voter registration applications completed on election day

47.1 must be entered into the statewide registration system within 42 days after the election,  
47.2 unless the county auditor notifies the secretary of state before the deadline has expired that  
47.3 the deadline will not be met. Upon receipt of a notification under this paragraph, the secretary  
47.4 of state must extend the deadline for that county auditor by an additional 28 days. The  
47.5 secretary of state may waive a county's obligations under this paragraph if, on good cause  
47.6 shown, the county demonstrates its permanent inability to comply.

47.7 The secretary of state must post data on each county's compliance with this paragraph on  
47.8 the secretary of state's website including, as applicable, the date each county fully complied  
47.9 or the deadline by which a county's compliance must be complete.

47.10 (b) Upon receiving a completed voter registration application, the secretary of state may  
47.11 electronically transmit the information on the application to the appropriate county auditor  
47.12 as soon as possible for review by the county auditor before final entry into the statewide  
47.13 registration system. The secretary of state may mail the voter registration application to the  
47.14 county auditor.

47.15 (c) Within ten days after the county auditor has entered information from a voter  
47.16 registration application into the statewide registration system, the secretary of state shall  
47.17 compare the voter's name, date of birth, and driver's license number, state identification  
47.18 number, voter identification card number, or the last four digits of the Social Security number  
47.19 with the same information contained in the Department of Public Safety database.

47.20 (d) The secretary of state shall provide a report to the county auditor on a weekly basis  
47.21 that includes a list of voters whose name, date of birth, or identification number have been  
47.22 compared with the same information in the Department of Public Safety database and cannot  
47.23 be verified as provided in this subdivision. The report must list separately those voters who  
47.24 have submitted a voter registration application by mail and have not voted in a federal  
47.25 election in this state.

47.26 (e) The county auditor shall compile a list of voters for whom the county auditor and  
47.27 the secretary of state are unable to conclude that information on the voter registration  
47.28 application and the corresponding information in the Department of Public Safety database  
47.29 relate to the same person.

47.30 (f) The county auditor shall send a notice of incomplete registration to any voter whose  
47.31 name appears on the list and change the voter's status to "incomplete." A voter who receives  
47.32 a notice of incomplete registration from the county auditor may either provide the information  
47.33 required to complete the registration at least 21 days before the next election or at the polling  
47.34 place on election day.

48.1 Sec. 18. Minnesota Statutes 2020, section 201.13, subdivision 3, is amended to read:

48.2 Subd. 3. **Use of change of address system.** (a) At least once each month the secretary  
48.3 of state shall obtain a list of individuals registered to vote in this state who have filed with  
48.4 the United States Postal Service a change of their permanent address. The secretary of state  
48.5 may also periodically obtain a list of individuals with driver's licenses ~~or~~<sub>2</sub> state identification  
48.6 cards, or voter identification cards to identify those who are registered to vote who have  
48.7 applied to the Department of Public Safety for a replacement driver's license ~~or~~<sub>2</sub> state  
48.8 identification card, or voter identification card with a different address, and a list of  
48.9 individuals for whom the Department of Public Safety received notification of a driver's  
48.10 license ~~or~~<sub>2</sub> state identification card, or voter identification card cancellation due to a change  
48.11 of residency out of state. However, the secretary of state shall not load data derived from  
48.12 these lists into the statewide voter registration system within the 47 days before the state  
48.13 primary or 47 days before a November general election.

48.14 (b) If the address is changed to another address in this state, the secretary of state shall  
48.15 locate the precinct in which the voter resides, if possible. If the secretary of state is able to  
48.16 locate the precinct in which the voter resides, the secretary must transmit the information  
48.17 about the changed address by electronic means to the county auditor of the county in which  
48.18 the new address is located. For addresses for which the secretary of state is unable to  
48.19 determine the precinct, the secretary may forward information to the appropriate county  
48.20 auditors for individual review. If the voter has not voted or submitted a voter registration  
48.21 application since the address change, upon receipt of the information, the county auditor  
48.22 shall update the voter's address in the statewide voter registration system. The county auditor  
48.23 shall mail to the voter a notice stating the voter's name, address, precinct, and polling place,  
48.24 unless the voter's record is challenged due to a felony conviction, noncitizenship, name  
48.25 change, incompetence, or a court's revocation of voting rights of individuals under  
48.26 guardianship, in which case the auditor must not mail the notice. The notice must advise  
48.27 the voter that the voter's voting address has been changed and that the voter must notify the  
48.28 county auditor within 21 days if the new address is not the voter's address of residence. The  
48.29 notice must state that it must be returned if it is not deliverable to the voter at the named  
48.30 address.

48.31 (c) If the change of permanent address is to an address outside this state, the secretary  
48.32 of state shall notify by electronic means the auditor of the county where the voter formerly  
48.33 resided that the voter has moved to another state. If the voter has not voted or submitted a  
48.34 voter registration application since the address change, the county auditor shall promptly  
48.35 mail to the voter at the voter's new address a notice advising the voter that the voter's status

49.1 in the statewide voter registration system will be changed to "inactive" unless the voter  
 49.2 notifies the county auditor within 21 days that the voter is retaining the former address as  
 49.3 the voter's address of residence, except that if the voter's record is challenged due to a felony  
 49.4 conviction, noncitizenship, name change, incompetence, or a court's revocation of voting  
 49.5 rights of individuals under guardianship, the auditor must not mail the notice. If the notice  
 49.6 is not received by the deadline, the county auditor shall change the voter's status to "inactive"  
 49.7 in the statewide voter registration system.

49.8 (d) If, in order to maintain voter registration records, the secretary of state enters an  
 49.9 agreement to share information or data with an organization governed exclusively by a  
 49.10 group of states, the secretary must first determine that the data security protocols are sufficient  
 49.11 to safeguard the information or data shared. If required by such an agreement, the secretary  
 49.12 of state may share the following data from the statewide voter registration system and data  
 49.13 released to the secretary of state under section 171.12, subdivision 7a:

49.14 (1) name;

49.15 (2) date of birth;

49.16 (3) address;

49.17 (4) driver's license ~~or~~, state identification card number, or voter identification number;

49.18 (5) the last four digits of an individual's Social Security number; and

49.19 (6) the date that an individual's record was last updated.

49.20 If the secretary of state enters into such an agreement, the secretary and county auditors  
 49.21 must process changes to voter records based upon that data in accordance with this section.  
 49.22 Except as otherwise provided in this subdivision, when data is shared with the secretary of

57.26 the United States; or other United States citizen residing outside the United States; and I  
57.27 am a United States citizen, at least 18 years of age (or will be by the date of the election),  
57.28 and I am eligible to vote in the requested jurisdiction; I have not been convicted of a felony,  
57.29 or other disqualifying offense, or been adjudicated mentally incompetent, or, if so, my voting  
57.30 rights have been reinstated; and I am not registering, requesting a ballot, or voting in any  
57.31 other jurisdiction in the United States except the jurisdiction cited in this voting form. In  
57.32 voting, I have marked and sealed my ballot in private and have not allowed any person to

58.1 observe the marking of the ballot, except for those authorized to assist voters under state or  
58.2 federal law. I have not been influenced.

58.3 The information on this form is true, accurate, and complete to the best of my knowledge.  
58.4 I understand that a material misstatement of fact in completion of this document may  
58.5 constitute grounds for a conviction for perjury."

58.6 Sec. 30. Minnesota Statutes 2020, section 203B.24, subdivision 1, is amended to read:

58.7 Subdivision 1. **Check of voter eligibility; proper execution of certificate.** Upon receipt  
58.8 of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election  
58.9 judges shall compare the voter's name with the names recorded under section 203B.19 in  
58.10 the statewide registration system to insure that the ballot is from a voter eligible to cast an  
58.11 absentee ballot under sections 203B.16 to 203B.27. The election judges shall mark the return  
58.12 envelope "Accepted" and initial or sign the return envelope below the word "Accepted" if  
58.13 the election judges are satisfied that:

58.14 (1) the voter's name on the return envelope appears in substantially the same form as on  
58.15 the application records provided to the election judges by the county auditor;

58.16 (2) the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the  
58.17 Help America Vote Act, Public Law 107-252;

58.18 (3) the voter has set forth the same voter's passport number, or Minnesota driver's license  
58.19 ~~or~~, state identification card number, voter identification card number, or the last four  
58.20 digits of the voter's Social Security number as submitted on the application, if the voter has  
58.21 one of these documents;

58.22 (4) the voter is not known to have died; and

58.23 (5) the voter has not already voted at that election, either in person or by absentee ballot.

58.24 If the identification number described in clause (3) does not match the number as  
58.25 submitted on the application, the election judges must make a reasonable effort to satisfy  
58.26 themselves through other information provided by the applicant, or by an individual  
58.27 authorized to apply on behalf of the voter, that the ballots were returned by the same person  
58.28 to whom the ballots were transmitted.

58.29 An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected  
58.30 for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the  
58.31 security envelope before placing it in the outer white envelope is not a reason to reject an  
58.32 absentee ballot.

59.1 Election judges must note the reason for rejection on the back of the envelope in the  
59.2 space provided for that purpose.

59.3 Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall  
59.4 not be counted if the certificate on the return envelope is not properly executed. In all other  
59.5 respects the provisions of the Minnesota Election Law governing deposit and counting of  
59.6 ballots shall apply. Notwithstanding other provisions of this section, the counting of the  
59.7 absentee ballot of a deceased voter does not invalidate the election.

59.8 Sec. 31. **EFFECTIVE DATE.**

59.9 Except where otherwise provided, this article is effective June 1, 2023.
