1.4 151.19, subdivision 1, by adding a subdivision; 151.46.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. Minnesota Statutes 2016, section 151.19, subdivision 1, is amended to read:

1.7 Subdivision 1. **Pharmacy licensure requirements.** (a) No person shall operate a  
1.8 pharmacy without first obtaining a license from the board and paying any applicable fee  
1.9 specified in section 151.065. The license shall be displayed in a conspicuous place in the  
1.10 pharmacy for which it is issued and expires on June 30 following the date of issue. It is  
1.11 unlawful for any person to operate a pharmacy unless the license has been issued to the  
1.12 person by the board.

1.13 (b) Application for a pharmacy license under this section shall be made in a manner  
1.14 specified by the board.

1.15 (c) No license shall be issued or renewed for a pharmacy located within the state unless  
1.16 the applicant agrees to operate the pharmacy in a manner prescribed by federal and state  
1.17 law and according to rules adopted by the board. No license shall be issued for a pharmacy  
1.18 located outside of the state unless the applicant agrees to operate the pharmacy in a manner  
1.19 prescribed by federal law and, when dispensing medications for residents of this state, the  
1.20 laws of this state, and Minnesota Rules.

1.23 board with proof of such licensure or registration.

2.1 (e) The board shall require a separate license for each pharmacy located within the state  
2.2 and for each pharmacy located outside of the state at which any portion of the dispensing  
2.3 process occurs for drugs dispensed to residents of this state.

2.5 ~~unless, the board may require~~ the pharmacy ~~passes to pass~~ an inspection conducted by an  
2.6 authorized representative of the board. In the case of a pharmacy located outside of the state,  
2.7 the board may require the applicant to pay the cost of the inspection, in addition to the  
2.8 license fee in section 151.065, unless the applicant furnishes the board with a report, issued  
2.9 by the appropriate regulatory agency of the state in which the facility is located, of an  
2.10 inspection that has occurred within the 24 months immediately preceding receipt of the  
2.11 license application by the board. The board may deny licensure unless the applicant submits  
2.12 documentation satisfactory to the board that any deficiencies noted in an inspection report  
2.13 have been corrected.

2.14 (g) The board shall not issue an initial or renewed license for a pharmacy located outside

2.17 who are involved in dispensing drugs to residents of this state;

2.25 access to the patients' records; the toll-free number must be disclosed on the label affixed  
2.26 to each container of drugs dispensed to residents of this state; and

2.27 (5) that, upon request of a resident of a long-term care facility located in this state, the
