50.27 practicable, be a collaboration between the office and the institution. The office must request
50.28 additional context and information from the institution that demonstrates the administrative
50.29 and financial responsibility of the institution. If the institution is not financially or

51.4 deadline for responding to the notice. The institution shall have no fewer than ten business
51.5 days to respond to the preliminary determination.

51.11 plans to cure any noncompliance or to manage financial health and risk.

51.12 (d) If the institution does not respond to the office's notice and request for additional
51.13 context and information within the time required, the office's preliminary determination
51.14 shall become final and the office may take any of the actions specified in the notice required
51.15 by paragraph (e). If the institution responds to the office's notice, the office must reevaluate
51.16 the preliminary determination. The office shall use the additional context and information
51.17 provided by the institution to make a final determination and determine which actions under
51.18 paragraph (e), if any, are necessary to mitigate risk to students and state financial aid under
51.19 this chapter.

51.20 (e) The office may use a final determination to:

51.21 (1) revoke, suspend, or refuse to renew registration, approval of an institution's degree,

51.29 (4) require the institution to submit contingency plans such as teach-out plans or transfer
51.30 pathways for students;

51.31 (5) prohibit the institution from accepting tuition and fee payments made through cash,
51.32 alternative loans, or the equivalent, prior to the add/drop period of the current period of
51.33 instruction;

52.1 (6) prohibit the institution from enrolling new students;

52.2 (7) initiate alternative processes and communications with students enrolled at the
52.3 institution;

54.31 (i) the planned date for the transfer of the student records;

55.9 contract or agreement between the closing school and the student. If a teach-out is arranged
55.10 for another approved school to do the remaining occupational training, that other school
55.11 must (i) provide comparable education and training and (ii) agree that students transferring

55.25 the office must revoke the school's license. This revocation is not appealable under section
55.26 136A.829, subdivision 2.

55.27 Sec. 32. Minnesota Statutes 2020, section 136A.823, is amended by adding a subdivision
55.28 to read:

55.29 Subd. 3. **Change of ownership.** Within 30 days of a change of ownership, a school must
55.30 submit a registration renewal application, the information and materials for an initial
55.31 registration under section 136A.822, subdivision 4, and the applicable registration fees for
55.32 a new institution under section 136A.824, subdivision 1. For purposes of this subdivision,

56.1 "change of ownership" means: a merger or consolidation with a corporation; a sale, lease,
 56.2 exchange, or other disposition of all or substantially all of the assets of a school; the transfer
 56.3 of a controlling interest of at least 51 percent of the school's stock; entering into receivership;
 56.4 or a change in the nonprofit or for-profit status of a school.

56.5 Sec. 33. Minnesota Statutes 2020, section 136A.827, subdivision 4, is amended to read:

56.6 Subd. 4. **Proration.** (a) When a student has been accepted by a private career school
 56.7 and gives notice of cancellation after the program of instruction has begun, but before
 56.8 completion of 75 percent of the program, the amount charged for tuition, fees and all other
 56.9 charges shall be prorated based on the number of days in the term as a portion of the total
 56.10 charges for tuition, fees and all other charges. An additional 25 percent of the total cost of
 56.11 the program may be added but shall not exceed \$100. After completion of 75 percent of the
 56.12 program, no refunds are required. the student is entitled to a refund if, at the last documented
 56.13 date of attendance, the student has not completed at least 75 percent of the entire program
 56.14 of instruction. For purposes of this subdivision, program of instruction is calculated under
 56.15 paragraph (c) or (d). Program of instruction does not mean one term, a payment period, a
 56.16 module, or any other portion of the entire instructional program.

56.17 (b) A notice of cancellation from a student under this subdivision must be confirmed in
 56.18 writing by the private career school and mailed to the student's last known address. The
 56.19 confirmation from the school must state that the school has withdrawn the student from
 56.20 enrollment, and if this action was not the student's intent, the student must contact the school.

56.21 (c) The length of a program of instruction for a program that has a defined calendar start
 56.22 and end date that does not change after the program has begun equals the number of days
 56.23 from the first scheduled date of the program through the last scheduled date of the program.
 56.24 To calculate the completion percentage, divide the number of calendar days from the first
 56.25 date of the program through the student's last documented date of attendance by the length
 56.26 of the program of instruction, and truncate the result after the second digit following the
 56.27 decimal point. If the completion percentage is less than 75 percent, the private career school
 56.28 may retain:

56.29 (1) tuition, fees, and charges equal to the total of tuition, fees, and charges multiplied
 56.30 by the completion percentage; plus

56.31 (2) the initial program application fees, not to exceed \$50; plus

56.32 (3) the lesser of (i) 25 percent of the total tuition, or (ii) \$100.

57.1 (d) The length of a program of instruction for a program that is measured in clock hours
 57.2 equals the number of clock hours the student was scheduled to attend. To calculate the
 57.3 completion percentage, divide the number of clock hours that the student actually attended
 57.4 by the length of the program of instruction, and truncate the result after the second digit
 57.5 following the decimal point. If the completion percentage is less than 75 percent, the private
 57.6 career school may retain:

57.7 (1) tuition, fees, and charges equal to the total of tuition, fees, and charges multiplied
 57.8 by the completion percentage; plus

57.9 (2) the initial program application fees, not to exceed \$50; plus

57.10 (3) the lesser of (i) 25 percent of the total tuition, or (ii) \$100.

57.11 Sec. 34. Minnesota Statutes 2020, section 136A.827, subdivision 8, is amended to read:

57.12 Subd. 8. **Cancellation occurrence.** ~~Written notice of cancellation shall take place on~~
 57.13 ~~the date the letter of cancellation is postmarked or, in the cases where the notice is hand~~
 57.14 ~~carried, it shall occur on the date the notice is delivered to the private career school. Notice~~
 57.15 of cancellation shall be the date a student notifies a private career school of the student's
 57.16 intention to withdraw or otherwise leave the program of study. The student is not required
 57.17 to provide a written notice. The private career school may require a student to provide the
 57.18 student's notification only to specific offices or personnel at the school as long as this
 57.19 requirement is documented as part of the "Student's Right to Cancel" in all places that the
 57.20 information appears, including on the private career school's website. The date of the notice
 57.21 of cancellation may or may not be the same date as the student's last documented date of
 57.22 attendance. If a student has not attended class for a period of ~~21~~ 14 consecutive days without
 57.23 contacting the private career school to ~~indicate an intent to continue in the private career~~
 57.24 ~~school~~ provide notice of cancellation or otherwise ~~making~~ make arrangements concerning
 57.25 the absence, the student is considered to have withdrawn from the private career school for
 57.26 all purposes as of the student's last documented date of attendance.

57.27 Sec. 35. [136A.91] CONCURRENT ENROLLMENT GRANTS.

57.28 Subdivision 1. Grants. (a) The Office of Higher Education must establish a competitive
 57.29 grant program for postsecondary institutions to expand concurrent enrollment opportunities.
 57.30 To the extent that there are qualified applicants, the commissioner of the Office of Higher
 57.31 Education shall distribute grant funds to ensure:

58.9 postsecondary institution by:

58.13 underrepresented in concurrent enrollment classrooms.

58.17 applying;
- 58.18 (2) specify both program and student outcome goals;

70.13 must be no less than \$1,000 per year.

70.17 the sum of all institutional grants, scholarships, tuition waivers, and tuition remission
70.18 amounts; and (4) the amount of any private grants or scholarships.

70.19 (f) Awards are made until available funds are expended. Eligible applicants who
70.20 completed their applications on or before the priority application deadline but who did not
70.21 receive an award due to insufficient funds, and eligible applicants who completed their

70.23 by order of application completion date.

70.24 Subd. 4. **Administration.** (a) The commissioner must establish an application process
70.25 for individual students and institutions on behalf of all eligible students at the institution
70.26 and other guidelines for implementing the scholarship program.

70.28 institution on behalf of the eligible applicant. Awards may be paid only when the institution

71.4 must also be made available on the Office of Higher Education's website. The reports must
71.5 include the following information:

71.6 (1) the number of applicants and the number of award recipients, each broken down by
71.7 postsecondary institution with ten or more recipients;

71.8 (2) the total number of awards, the total dollar amount of all awards, and the average
71.9 award amount;

71.10 (3) summary data on the racial or ethnic identity, gender, licensure area sought, and

The office shall administer an income-contingent loan repayment program to assist graduates of Minnesota schools in medicine, dentistry, pharmacy, chiropractic medicine, public health, and veterinary medicine, and Minnesota residents graduating from optometry and osteopathic medicine programs. No new applicants may be accepted after June 30, 1995.

136A.823 LICENSE RENEWAL.

Subd. 2. **Conditions.** The office shall adopt rules establishing the conditions for renewal of a license. The conditions shall permit two levels of renewal based on the record of the private career school. A private career school that has demonstrated the quality of its program and operation through longevity and performance in the state may renew its license based on a relaxed standard of scrutiny. A private career school that has been in operation in Minnesota for a limited period of time or that has not performed adequately on performance indicators shall renew its license based on a strict standard of scrutiny. The office shall specify minimum longevity standards and performance indicators that must be met before a private career school may be permitted to operate under the relaxed standard of scrutiny. The performance indicators used in this determination shall include, but not be limited to: regional or national accreditation, loan default rates, placement rate of graduates, student withdrawal rates, audit results, student complaints, and school status with the United States Department of Education. Private career schools that meet the requirements established in rule shall be required to submit a full relicensure report once every four years, and in the interim years will be exempt from the requirements of section 136A.822, subdivision 4, clauses (4), (5), and (8), and Minnesota Rules, parts 4880.1700, subpart 6; and 4880.2100, subpart 4.
