A lease-purchase agreement does not 27.10 constitute or create a general or moral obligation or indebtedness of the state in excess of 27.11 the money from time to time appropriated or otherwise available for payments or obligations 27.12 under such agreement. The lease-purchase agreement and the 27.19 related lease revenue bonds or certificates of participation shall be canceled and shall no 27.20 longer be outstanding on the earlier of (1) the first day of a fiscal year for which the 27.21 legislature shall not have appropriated amounts sufficient for lease payments, or (2) the date 27.22 of final payment of the principal of and interest on the bonds or certificates. 27.23 Subd. 4. 28.24	balance remaining in the account must be transferred to the appropriate asset preservation
28.25	and replacement account created under section 16B.24, subdivision 5, paragraph (d).

59.23 Sec. 7. Minnesota Statutes 2020, section 204B.14, subdivision 3, is amended to read:

59.24 Subd. 3. **Boundary changes; prohibitions; exception.** (a) Notwithstanding other law 59.25 or charter provisions to the contrary, during the period from January 1 in any year ending 59.26 in zero to the time when the legislature has been redistricted in a year ending in one or two, 59.27 no changes may be made in the boundaries of any election precinct except as provided in 59.28 this subdivision.

 $\frac{(a) (b)}{(b)}$  If a city annexes an unincorporated area located in the same county as the city and adjacent to the corporate boundary, the annexed area may be included in an election precinct immediately adjacent to it. 60.1 (b) (c) A municipality or county may establish new election precincts lying entirely
60.2 within the boundaries of any existing precinct and shall assign names to the new precincts
60.3 which include the name of the former precinct.

60.4 (e) (d) Precinct boundaries in a city of the first class electing council members by wards
60.5 may be reestablished within four weeks of the adoption of ward boundaries in a year ending
60.6 in one, as provided in section 204B.135, subdivision 1. If precinct boundaries are
60.7 reestablished in a year ending in one, the city council must designate polling places for each
60.8 election precinct pursuant to section 204B.16, subdivision 1, within 30 days establishing

60.19 (f) Precincts must be arranged so that no precinct lies in more than one legislative or 60.20 congressional district.

60.21 Sec. 8. Minnesota Statutes 2020, section 204B.16, subdivision 1, is amended to read:

Subdivision 1. Authority; location. By December 31 of each year, the governing body
of each municipality and of each county with precincts in unorganized territory must
designate by ordinance or resolution a polling place for each election precinct. The polling
places designated in the ordinance or resolution are the polling places for the following
calendar year, unless a change is made:

60.27 (1) pursuant to section 204B.175;

60.28 (2) because a polling place has become unavailable; or

60.29 (3) because a township designates one location for all state and federal elections and60.30 one location for all township only elections; and

60.31 (4) pursuant to section 204B.14, subdivision 3.

(b) Polling places must be designated and ballots must be distributed so that no one is 61.1 required to go to more than one polling place to vote in a school district and municipal 61.2 election held on the same day. The polling place for a precinct in a city or in a school district 61.3 located in whole or in part in the metropolitan area defined by section 200.02, subdivision 61.4 24, shall be located within the boundaries of the precinct or within one mile of one of those 61.5 boundaries unless a single polling place is designated for a city pursuant to section 204B.14, 61.6 subdivision 2, or a school district pursuant to section 205A.11. The polling place for a 61.7 61.8 precinct in unorganized territory may be located outside the precinct at a place which is convenient to the voters of the precinct. If no suitable place is available within a town or 61.9 within a school district located outside the metropolitan area defined by section 200.02, 61.10 subdivision 24, then the polling place for a town or school district may be located outside 61.11 the town or school district within five miles of one of the boundaries of the town or school 61.12 61.13 district.

61.14 Sec. 9. Minnesota Statutes 2020, section 204B.18, subdivision 1, is amended to read:

Subdivision 1. Booths; voting stations. (a) Each polling place must contain a number
of voting booths or voting stations in proportion to the number of individuals eligible to
vote in the precinct. The booth or station shall permit the voter to vote privately and
independently.

(b) Each polling place must have at least one accessible voting booth or other accessible
voting station and beginning with federal and state elections held after December 31, 2005,
and county, municipal, and school district elections held after December 31, 2007, one
voting system that conforms to section 301(a)(3)(B) of the Help America Vote Act, Public
Law 107-252.

(c) Local jurisdictions must make accessible voting stations purchased with funds
provided from the Help America Vote Act account available to other local jurisdictions
holding stand-alone elections. The jurisdiction providing the equipment may require the
jurisdiction using the equipment to reimburse any direct actual costs incurred as a result of
the equipment's use and any prorated indirect costs of maintaining and storing the equipment.
A rental or other similar use fee may not be charged.

Any funds received under this paragraph for expenses incurred by that local jurisdiction
as a direct result of making the equipment available that were not paid for in whole or in
part with funds from the Help America Vote Act account are not program income under
the Help America Vote Act, Public Law 107-252.

Any funds received by a local jurisdiction making the equipment available as reimbursement for expenses as defined as "operating costs" under Laws 2005, chapter 162, section 34, subdivision 1, paragraph (b), and paid for in whole or in part with funds from the Help America Vote Act account must be treated as program income and deposited into the jurisdiction's Help America Vote Act account in the direct proportion that funds from the Help America Vote Act account were used to pay for those "operating costs."

(d) All booths or stations must be constructed so that a voter is free from observation
while marking ballots. During the hours of voting, the booths or stations must have
instructions, a pencil pen or other marking device suitable for the voting system being used,
and other supplies needed to mark the ballots. A chair must be provided for elderly voters
and voters with disabilities to use while voting or waiting to vote. Stable flat writing surfaces
must also be made available to voters who are completing election-related forms.

(e) All ballot boxes, voting booths, voting stations, and election judges must be in open
public view in the polling place.

62.15 (f) The jurisdiction providing supplies must only provide pens or marking devices suitable
 62.16 for the voting system being used.

62.17 Sec. 10. Minnesota Statutes 2020, section 204B.40, is amended to read:

auditors, municipal clerks, or school district clerks; (2) inspect the polling place rosters and 63.1 completed voter registration applications; or (3) examine other forms required in the 63.2 Minnesota election laws for use in the polling place. No inspected ballot or document may 63.3 be marked or identified in any manner. After inspection, all ballots must be returned to the 63.4 ballot envelope and the ballot envelope must be securely resealed. Any other election 63.5 materials inspected or examined must be secured or resealed. No polling place roster may 63.6 be inspected until the voting history for that precinct has been posted. No voter registration 63.7 63.8 application may be inspected until the information on it has been entered into the statewide registration system. 63.9
