15.1 under subdivision 1, clause (7), shall not affect the legal responsibility of the owner or  
15.2 owners under this chapter.

15.3 Sec. 20. **[144I.04] BACKGROUND STUDIES.**

15.4 Subdivision 1. **Prior criminal convictions; owner and managerial officials.** (a) Before  
15.5 the commissioner issues a temporary license or renews a license, an owner or managerial  
15.6 official is required to complete a background study under section 144.057. No person may  
15.7 be involved in the management, operation, or control of an assisted living establishment if  
15.8 the person has been disqualified under chapter 245C. If an individual is disqualified under  
15.9 section 144.057 or chapter 245C, the individual may request reconsideration of the  
15.10 disqualification. If the individual requests reconsideration and the commissioner sets aside  
15.11 or rescinds the disqualification, the individual is eligible to be involved in the management,  
15.12 operation, or control of the assisted living establishment. If an individual has a  
15.13 disqualification under section 245C.15, subdivision 1, and the disqualification is affirmed,  
15.14 the individual's disqualification is barred from a set-aside, and the individual must not be  
15.15 involved in the management, operation, or control of the assisted living establishment.

15.16 (b) For purposes of this subdivision, owners of an assisted living establishment subject  
15.17 to the background check requirement are those individuals whose ownership interest provides  
15.18 sufficient authority or control to affect or change decisions related to the operation of the  
15.19 assisted living establishment. An owner includes a sole proprietor, a general partner, or any  
15.20 other individual whose individual ownership interest can affect the management and direction  
15.21 of the policies of the assisted living establishment.

15.22 (c) For purposes of this subdivision, managerial officials subject to the background check  
15.23 requirement are individuals who provide direct contact as defined in section 245C.02,  
15.24 subdivision 11, or individuals who have the responsibility for the ongoing management or  
15.25 direction of the policies, services, or employees of the assisted living establishment.

15.26 (d) Data collected under this subdivision shall be classified as private data on individuals  
15.27 under section 13.02, subdivision 12.

15.28 (e) The commissioner shall not issue any license if:

15.29 (1) the applicant, owner, or managerial official has been unsuccessful in having a  
15.30 background study disqualification set aside under section 144.057 and chapter 245C;

15.31 (2) the owner or managerial official, as an owner or managerial official of another assisted  
15.32 living establishment, was substantially responsible for the other assisted living establishment's  
15.33 failure to substantially comply with this chapter; or

16.1 (3) an owner that has ceased doing business, either individually or as an owner of an  
16.2 assisted living establishment, was issued a correction order for failing to assist residents in  
16.3 violation of this chapter.

16.4 Subd. 2. **Employees, contractors, and volunteers.** (a) Employees, contractors, and  
16.5 regularly scheduled volunteers of an assisted living establishment are subject to the  
16.6 background study required by section 144.057 and may be disqualified under chapter 245C.  
16.7 Nothing in this subdivision shall be construed to prohibit an assisted living establishment  
16.8 from requiring self-disclosure of criminal conviction information.

16.9 (b) An assisted living establishment that terminates an employee in good faith reliance  
16.10 on a disqualification obtained under chapter 245C regarding a confirmed conviction is not  
16.11 subject to civil liability or liability for unemployment benefits.

16.12 **Sec. 21. [144I.05] FEE PAID BY LICENSED ASSISTED LIVING**  
16.13 **ESTABLISHMENTS.**

16.14 Fees collected from assisted living establishments under this chapter shall be deposited  
16.15 in the special revenue fund and are annually appropriated to the commissioner to fund  
16.16 activities associated with assisted living establishment licensure, including surveys and  
16.17 inspection of assisted living establishments.

16.18 **EFFECTIVE DATE.** This section is effective July 1, 2019.

16.19 **Sec. 22. [144I.06] TEMPORARY LICENSURE.**

16.20 Subdivision 1. **Temporary license.** For new license applicants, the commissioner shall  
16.21 issue a temporary assisted living establishment license. A temporary license is effective for  
16.22 up to one year from the date of issuance, except that a temporary license may be extended  
16.23 according to subdivision 3.

16.24 Subd. 2. **Initial survey of temporary licensees.** (a) During the temporary license period,  
16.25 the commissioner shall survey the temporary licensee within 90 calendar days after the  
16.26 commissioner is notified or has evidence that the temporary licensee is operating as an  
16.27 assisted living establishment and serving residents.

16.28 (b) Within five days of beginning operation and serving residents, the temporary licensee  
16.29 must notify the commissioner that it is operating and serving residents. The notification to  
16.30 the commissioner may be mailed or e-mailed to the commissioner at the address provided  
16.31 by the commissioner. If the temporary licensee does not operate as an assisted living  
16.32 establishment during the temporary license period, then the temporary license expires at

17.1 the end of the period and the applicant must reapply for a temporary assisted living  
17.2 establishment license.

17.3 (c) If the temporary licensee notifies the commissioner that the licensee is operating and  
17.4 servicing residents within 45 days prior to expiration of the temporary license, the  
17.5 commissioner may extend the temporary license for up to 60 days in order to allow the  
17.6 commissioner to complete the on-site survey required under this section and follow-up  
17.7 survey visits.

17.8 Subd. 3. **Denied or extended licenses following an initial survey.** (a) If the temporary  
17.9 licensee is not in substantial compliance with the survey, the commissioner shall either:

17.10 (1) deny an assisted living establishment license and revoke the temporary license; or

17.11 (2) extend the temporary license for a period not to exceed 90 days and apply conditions  
17.12 to the extension of a temporary license. If the temporary licensee is not in substantial  
17.13 compliance with the survey within the time period of the extension, or if the temporary  
17.14 licensee does not satisfy the license conditions, the commissioner shall deny the license.

17.15 (b) If the temporary licensee whose assisted living establishment license has been denied  
17.16 or whose temporary license has been extended with conditions disagrees with the conclusions  
17.17 of the commissioner, then the temporary licensee may request a reconsideration by the  
17.18 commissioner or commissioner's designee. The reconsideration request process must be  
17.19 conducted internally by the commissioner or commissioner's designee, and chapter 14 does  
17.20 not apply.

17.21 (c) The temporary licensee requesting reconsideration must make the request in writing  
17.22 and must list and describe the reasons why the temporary licensee disagrees with the decision  
17.23 to deny the assisted living establishment license or the decision to extend the temporary  
17.24 license with conditions.

17.25 (d) The reconsideration request and supporting documentation must be received by the  
17.26 commissioner within 15 calendar days after the date the temporary licensee receives the  
17.27 notice that the temporary licensee's assisted living establishment license has been denied  
17.28 or its temporary license extended with conditions.

17.29 (e) A temporary licensee who is denied an assisted living establishment license is  
17.30 permitted to continue operating as an assisted living establishment:

17.31 (1) while a reconsideration request is in process;

17.32 (2) while an extension of a temporary license is being negotiated;

18.1 (3) while the placement of conditions on a temporary license is being negotiated; or

18.2 (4) until a transfer of residents to a new assisted living establishment is completed.

18.3 (f) If a temporary license is revoked or the temporary licensee's assisted living

18.4 establishment license is denied, the temporary licensee must develop and implement a plan

18.5 for the temporary licensee to transfer affected residents to other establishments, which will

18.6 be monitored by the commissioner.

18.7 **Sec. 23. [144I.07] LICENSURE.**

18.8 (a) If a temporary licensee is in substantial compliance with a survey conducted according

18.9 to section 144I.06, subdivision 2, the commissioner shall issue an assisted living

18.10 establishment license.

18.11 (b) Unless the license expires or is suspended or revoked in accordance with section

18.12 144I.11, an assisted living establishment license shall remain effective for a period of one

18.13 year from the date of its issuance.

18.14 **Sec. 24. [144I.071] DUAL LICENSURE.**

18.15 (a) An assisted living establishment may also be licensed as a home care provider under

18.16 chapter 144A.

18.17 (b) An assisted living establishment that is also licensed as a home care provider under

18.18 chapter 144A may provide individual community living supports if the dually licensed

18.19 assisted living establishment meets the individual community living supports provider

18.20 requirements under section 256B.0915, subdivision 3j.

18.21 **Sec. 25. [144I.072] HOME AND COMMUNITY-BASED SERVICES DESIGNATION.**

18.22 Assisted living establishments may apply for a home and community-based services

18.23 designation in the same manner and under the same conditions as home care providers under

18.24 section 144A.484.

18.25 **Sec. 26. [144I.073] LANDLORD AND TENANT.**

18.26 An assisted living establishment must comply with chapter 504B.

18.27 **Sec. 27. [144I.074] DISCLOSURE OF SPECIAL CARE STATUS REQUIRED.**

18.28 Assisted living establishments that secure, segregate, or provide a special program or

18.29 special area for residents with a diagnosis of probable Alzheimer's disease or a related

19.1 disorder or that advertise, market, or otherwise promote the establishment as providing  
19.2 specialized care for Alzheimer's disease or a related disorder must comply with section  
19.3 325F.72.

19.4 Sec. 28. **[144I.075] USE OF MEDICAL CANNABIS.**

19.5 Assisted living establishments may exercise the authority and are subject to the protections  
19.6 in section 152.34.

19.7 Sec. 29. **[144I.076] OTHER LAWS.**

19.8 An assisted living establishment must obtain and maintain all licenses, permits,  
19.9 registrations, or other governmental approvals required of it. An assisted living establishment  
19.10 is not required to obtain a lodging license under chapter 157 and related rules.

19.11 Sec. 30. **[144I.08] LICENSE RENEWAL.**

19.12 The commissioner shall establish forms and procedures for the processing of license  
19.13 renewals. The commissioner shall approve a license renewal application if the establishment  
19.14 continues to satisfy the requirements, standards, and conditions prescribed by this chapter.

19.15 Sec. 31. **[144I.09] CHANGES IN OWNERSHIP.**

19.16 An assisted living establishment license issued by the commissioner may not be  
19.17 transferred to another party. Before acquiring ownership of or a controlling interest in an  
19.18 assisted living establishment, a prospective owner must apply for a new license.

19.19 Sec. 32. **[144I.10] REGULATORY FUNCTIONS; AUTHORITY OF**  
19.20 **COMMISSIONER.**

19.21 Subdivision 1. **Regulatory functions.** The commissioner shall:

19.25 established in section 144I.06;

19.26 (3) survey all licensed assisted living establishments on a frequency of at least once

 20.8 subdivision 1 and section 144I.11, the commissioner, upon receipt of information that may  
 20.9 indicate the failure of an assisted living establishment, the arranged home care provider, a  
 20.10 resident, or an assisted living resident's designated representative to comply with a legal  
 20.11 requirement to which one or more of the entities may be subject, shall make appropriate  
 20.12 referrals to other governmental agencies and entities having jurisdiction over the subject  
 20.13 matter. The commissioner may also make referrals to any public or private agency the

22.25 of a sanction under this section, other than for a temporary suspension, the commissioner  
22.26 shall request assignment of an administrative law judge. The commissioner's request must  
22.27 include a proposed date, time, and place of hearing. A hearing must be conducted by an  
22.28 administrative law judge pursuant to Minnesota Rules, parts 1400.8505 to 1400.8612, within  
22.29 90 calendar days of the request for assignment, unless an extension is requested by either  
22.30 party and granted by the administrative law judge for good cause or for purposes of discussing  
22.31 settlement. In no case shall one or more extensions be granted for a total of more than 90  
22.32 calendar days unless there is a criminal action pending against the licensee. If, while an  
22.33 establishment continues to operate pending an appeal of an order for revocation, suspension,

23.1 or refusal to renew a license, the commissioner identifies one or more new violations of  
23.2 law that meet the requirements of Level 3 or 4 violations, the commissioner shall act  
23.3 immediately to temporarily suspend the license under subdivision 7.

23.4 Subd. 6. **Expedited hearing.** (a) Within five business days of receipt of the  
23.5 establishment's timely appeal of a temporary suspension or issuance of a conditional license,  
23.6 the commissioner shall request assignment of an administrative law judge. The request must  
23.7 include a proposed date, time, and place of a hearing. A hearing must be conducted by an  
23.8 administrative law judge within 30 calendar days of the request for assignment, unless an  
23.9 extension is requested by either party and granted by the administrative law judge for good  
23.10 cause. The commissioner shall issue a notice of hearing by certified mail or personal service  
23.11 at least ten business days before the hearing. Certified mail to the last known address is  
23.12 sufficient. The scope of the hearing shall be limited solely to the issue of whether the  
23.13 temporary suspension or issuance of a conditional license should remain in effect and  
23.14 whether there is sufficient evidence to conclude that the establishment's actions or failure  
23.15 to comply with applicable laws are Level 3 or 4 violations, or that there were violations that  
23.16 posed an imminent risk of harm to the health and safety of residents at the establishment.

23.17 (b) The administrative law judge shall issue findings of fact, conclusions, and a  
23.18 recommendation within ten business days from the date of hearing. The parties shall have  
23.19 ten calendar days to submit exceptions to the administrative law judge's report. The record  
23.20 shall close at the end of the ten-day period for submission of exceptions. The commissioner's  
23.21 final order shall be issued within ten business days from the close of the record. When an  
23.22 appeal of a temporary immediate suspension or conditional license is withdrawn or dismissed,  
23.23 the commissioner shall issue a final order affirming the temporary immediate suspension  
23.24 or conditional license within ten calendar days of the commissioner's receipt of the  
23.25 withdrawal or dismissal. The establishment is prohibited from operation during the temporary  
23.26 suspension period.

23.27 (c) When the final order under paragraph (b) affirms an immediate suspension, and a  
23.28 final licensing sanction is issued under subdivisions 1 and 2 and the establishment appeals  
23.29 that sanction, the establishment is prohibited from operation pending a final commissioner's  
23.30 order after the contested case hearing conducted under chapter 14.

23.31 (d) An establishment whose license is temporarily suspended must comply with the  
23.32 requirements for notification and transfer of clients in subdivision 9. These requirements  
23.33 remain if an appeal is requested.

24.1 Subd. 7. **Immediate temporary suspension.** (a) In addition to any other remedies  
24.2 provided by law, the commissioner may, without a prior contested case hearing, immediately  
24.3 temporarily suspend a license or prohibit delivery of services by an assisted living  
24.4 establishment for not more than 90 days, or issue a conditional license, if the commissioner  
24.5 determines that there are: (1) Level 4 violations; or (2) violations that pose an imminent  
24.6 risk of harm to the health or safety of residents at the establishment.

24.7 (b) A notice stating the reasons for the immediate temporary suspension or conditional  
24.8 license and informing the assisted living establishment of the right to an expedited hearing  
24.9 under subdivision 6 must be delivered by personal service to the address shown on the  
24.10 application or the last known address of the establishment. The establishment may appeal  
24.11 an order immediately temporarily suspending a license or issuing a conditional license. The  
24.12 appeal must be made in writing by certified mail or personal service. If mailed, the appeal  
24.13 must be postmarked and sent to the commissioner within five calendar days after the  
24.14 establishment receives notice. If an appeal is made by personal service, it must be received  
24.15 by the commissioner within five calendar days after the establishment received the order.

24.16 (c) An assisted living establishment whose license is immediately temporarily suspended  
24.17 must comply with the requirements for notification and transfer of clients in subdivision 9.  
24.18 These requirements remain if an appeal is requested.

24.19 Subd. 8. **Time limits for appeals.** To appeal the assessment of civil penalties under  
24.20 section 144A.474, subdivision 11, and an action against a licensee under this section, an  
24.21 establishment must request a hearing no later than 15 days after the establishment receives  
24.22 notice of the action.

24.23 Subd. 9. **Plan required.** (a) The process of suspending or revoking a license must include  
24.24 a plan for transferring affected residents to other establishments by the assisted living  
24.25 establishment, which will be monitored by the commissioner. Within three business days  
24.26 of being notified of the final revocation or suspension action, the assisted living establishment  
24.27 shall provide the commissioner, the lead agencies as defined in section 256B.0911, and the  
24.28 ombudsman for long-term care with the following information:

24.29 (1) a list of all residents, including full names and all contact information on file;

24.30 (2) a list of each resident's designated representative or emergency contact person,  
24.31 including full names and all contact information on file;

24.32 (3) the payor sources for each resident, including payor source identification numbers;  
24.33 and

25.1 (4) for each resident, a copy of the resident's assisted living contract, and a list of the  
25.2 types of services being provided.

25.3 (b) The revocation or suspension notification requirement is satisfied by mailing the  
25.4 notice to the address in the license record. The assisted living establishment shall cooperate  
25.5 with the commissioner and the lead agencies during the process of transferring care of  
25.6 residents to qualified establishments. Within three business days of being notified of the  
25.7 final revocation or suspension action, the assisted living establishment must notify and  
25.8 disclose to each of the assisted living establishment's residents, and the residents'  
25.9 representatives or emergency contact persons, that the commissioner is taking action against  
25.10 the assisted living establishment's license by providing a copy of the revocation or suspension  
25.11 notice issued by the commissioner.

25.12 Subd. 10. **Owners and managerial officials; refusal to grant license.** (a) The owners  
25.13 and managerial officials of an assisted living establishment whose Minnesota license has  
25.14 not been renewed or that has been revoked because of noncompliance with applicable laws  
25.15 or rules shall not be eligible to apply for and shall not be granted an assisted living  
25.16 establishment license or be given status as an enrolled personal care assistance provider  
25.17 agency or personal care assistant by the Department of Human Services under section  
25.18 256B.0659 for five years following the effective date of the nonrenewal or revocation. If  
25.19 the owners and managerial officials already have enrollment status, their enrollment will  
25.20 be terminated by the Department of Human Services.

25.21 (b) The commissioner shall not issue a license to an assisted living establishment for  
25.22 five years following the effective date of license nonrenewal or revocation if the owner or  
25.23 managerial official, including any individual who was an owner or managerial official of  
25.24 another assisted living establishment, had a Minnesota license that was not renewed or was  
25.25 revoked as described in paragraph (a).

25.26 (c) Notwithstanding subdivision 1, the commissioner shall not renew, or shall suspend  
25.27 or revoke, the license of any assisted living establishment that includes any individual as  
25.28 an owner or managerial official who was an owner or managerial official of an assisted  
25.29 living establishment whose Minnesota license was not renewed or was revoked as described  
25.30 in paragraph (a) for five years following the effective date of the nonrenewal or revocation.

25.31 (d) The commissioner shall notify the assisted living establishment 30 days in advance  
25.32 of the date of nonrenewal, suspension, or revocation of the license. Within ten days after  
25.33 the receipt of the notification, the assisted living establishment may request, in writing, that  
25.34 the commissioner stay the nonrenewal, revocation, or suspension of the license. The assisted

26.1 living establishment shall specify: (1) the reasons for requesting the stay; (2) the steps that  
26.2 will be taken to attain or maintain compliance with the licensure laws and regulations; (3)  
26.3 any limits on the authority or responsibility of the owners or managerial officials whose  
26.4 actions resulted in the notice of nonrenewal, revocation, or suspension; and (4) any other  
26.5 information to establish that the continuing affiliation with these individuals will not  
26.6 jeopardize client health, safety, or well-being.

26.7 (e) The commissioner shall determine whether the stay will be granted within 30 days  
26.8 of receiving the establishment's request. The commissioner may propose additional  
26.9 restrictions or limitations on the establishment's license and require that the granting of the  
26.10 stay be contingent upon compliance with those provisions. The commissioner shall take  
26.11 into consideration the following factors when determining whether the stay should be  
26.12 granted:

26.13 (1) the threat that continued involvement of the owners and managerial officials with  
26.14 the assisted living establishment poses to resident health, safety, and well-being;

26.15 (2) the compliance history of the assisted living establishment; and

26.16 (3) the appropriateness of any limits suggested by the assisted living establishment.

26.17 (f) If the commissioner grants the stay, the order shall include any restrictions or limitation  
26.18 on the establishment's license. The failure of the establishment to comply with any restrictions  
26.19 or limitations shall result in the immediate removal of the stay and the commissioner shall  
26.20 take immediate action to suspend, revoke, or not renew the license.

26.21 Subd. 11. **Request for hearing.** A request for a hearing must be in writing and must:

26.22 (1) be mailed or delivered to the department or the commissioner's designee;

26.23 (2) contain a brief and plain statement describing every matter or issue contested; and

26.24 (3) contain a brief and plain statement of any new matter that the applicant or assisted  
26.25 living establishment believes constitutes a defense or mitigating factor.

26.26 Subd. 12. **Informal conference.** At any time, the applicant or establishment and the  
26.27 commissioner may hold an informal conference to exchange information, clarify issues, or  
26.28 resolve issues.

26.29 Subd. 13. **Injunctive relief.** In addition to any other remedy provided by law, the  
26.30 commissioner may bring an action in district court to enjoin a person who is involved in  
26.31 the management, operation, or control of an assisted living establishment or an employee  
26.32 of the assisted living establishment from illegally engaging in activities regulated by this

27.1 chapter. The commissioner may bring an action under this subdivision in the district court  
 27.2 in Ramsey County or in the district in which an assisted living establishment is operating.  
 27.3 The court may grant a temporary restraining order in the proceeding if continued activity  
 27.4 by the person who is involved in the management, operation, or control of an assisted living  
 27.5 establishment, or by an employee of the assisted living establishment, would create an  
 27.6 imminent risk of harm to a resident.

27.7 Subd. 14. **Subpoena.** In matters pending before the commissioner under this chapter,  
 27.8 the commissioner may issue subpoenas and compel the attendance of witnesses and the  
 27.9 production of all necessary papers, books, records, documents, and other evidentiary material.  
 27.10 If a person fails or refuses to comply with a subpoena or order of the commissioner to appear  
 27.11 or testify regarding any matter about which the person may be lawfully questioned or to  
 27.12 produce any papers, books, records, documents, or evidentiary materials in the matter to be  
 27.13 heard, the commissioner may apply to the district court in any district, and the court shall  
 27.14 order the person to comply with the commissioner's order or subpoena. The commissioner  
 27.15 may administer oaths to witnesses or take their affirmation. Depositions may be taken in  
 27.16 or outside the state in the manner provided by law for the taking of depositions in civil  
 27.17 actions. A subpoena or other process or paper may be served on a named person anywhere  
 27.18 in the state by an officer authorized to serve subpoenas in civil actions, with the same fees  
 27.19 and mileage and in the same manner as prescribed by law for a process issued out of a  
 27.20 district court. A person subpoenaed under this subdivision shall receive the same fees,  
 27.21 mileage, and other costs that are paid in proceedings in district court.

27.22 **Sec. 34. [144I.12] SURVEYS OF ASSISTED LIVING ESTABLISHMENTS.**

27.23 Assisted living establishments are subject to the same survey procedures as are home  
 27.24 care providers under section 144A.474, subdivisions 1 to 8.

27.25 **Sec. 35. [144I.13] CORRECTION ORDERS AND FINES.**

27.26 The commissioner may take the same enforcement actions against and assess the same  
 27.27 finer to assisted living establishments as against and to home care providers under section  
 27.28 144A.474, subdivision 11.

27.29 **Sec. 36. [144I.14] RECONSIDERATION OF CORRECTION ORDERS OR FINES.**

27.30 Assisted living establishments have access to the same correction order reconsideration  
 27.31 process as do home care providers under section 144A.474, subdivision 12.

28.1 **Sec. 37. [144I.15] SURVEY OF MEDICARE-CERTIFIED PROVIDERS.**

28.2 Subdivision 1. **Coordination of surveys.** The commissioner is subject to the same  
 28.3 requirement to coordinate surveys under section 144I.12 with Medicare certification surveys  
 28.4 for assisted living establishments as for home care providers under section 144A.477,  
 28.5 subdivision 1.

28.6 Subd. 2. **Equivalent requirements.** For assisted living establishments that are also  
 28.7 Medicare-certified as home health agencies, the same state licensure requirements that are  
 28.8 considered equivalent to federal requirements for home care providers under section  
 28.9 144A.477, subdivision 2, are also considered equivalent for assisted living establishments.

28.10 **Sec. 38. [144I.16] INNOVATION VARIANCES.**

28.11 Innovation variances available to home care providers under section 144A.478 are  
 28.12 available in the same manner and under the same terms to assisted living establishments.

28.13 **Sec. 39. [144I.20] ASSISTED LIVING CONTRACT.**

28.14 Subdivision 1. **Contract required.** An assisted living establishment licensed under this  
 28.15 chapter must execute a written assisted living contract, as defined in subdivisions 2 and 3,  
 28.16 between the establishment and each resident or resident's designated representative, and  
 28.17 must operate in accordance with the terms of the contract. The establishment shall provide  
 28.18 the resident or the resident's designated representative a complete copy of the contract, all  
 28.19 supporting documents and attachments, and any changes whenever changes are made.

28.20 Subd. 2. **Contents of contract.** An assisted living contract, which need not be entitled  
 28.21 as such to comply with this section, shall include at least the following elements in itself or  
 28.22 through supporting documents or attachments:

28.23 (1) the name, street address, and mailing address of the establishment;

28.24 (2) the name and mailing address of the owner or owners of the establishment and, if  
 28.25 the owner or owners are not natural persons, identification of the type of business entity of  
 28.26 the owner or owners;

 28.28 or lease agreement, of the establishment, if different from the owner or owners;

29.8 an additional fee and a schedule of fees charged for these services;

29.12 required in the event that the resident can no longer pay the current rent;

29.18 or continue to reside in the assisted living establishment;

30.1 Subd. 3. **Additional contract requirements.** (a) For a resident receiving one or more  
30.2 home care services from the assisted living establishment, the contract must also include a  
30.3 statement:

30.4 (1) regarding the ability of a resident to furnish and decorate the resident's unit within  
30.5 the terms of the contract;

30.11 a specific need to enter the unit shall have keys, and advance notice must be given to the  
30.12 resident before entrance, when possible.

30.13 (b) A restriction of a resident's rights under this subdivision is allowed only if determined  
30.14 necessary for health and safety reasons identified by the establishment's registered nurse in  
30.15 an initial assessment or reassessment, as defined under section 144A.4791, subdivision 8,  
30.16 and documented in the written service plan under section 144A.4791, subdivision 9. Any  
30.17 restrictions of those rights for people served under sections 256B.0915 and 256B.49 must  
30.18 be documented in the resident's coordinated service and support plan (CSSP), as defined  
30.19 under sections 256B.0915, subdivision 6, and 256B.49, subdivision 15.

30.20 Subd. 4. **Required attachments.** (a) An assisted living contract must have the following  
30.21 attachments:

30.23 license requirement; and

30.25 (b) Whenever an assisted living establishment makes changes to a required attachment,  
30.26 the assisted living establishment must provide an updated copy to the resident or the resident's  
30.27 designated representative and retain the prior versions of the required attachments in the  
30.28 resident's permanent file, as required under subdivision 5.

30.29 Subd. 5. **Contracts in permanent files.** The establishment shall maintain assisted living  
30.30 contracts and related documents executed by each resident or resident's designated  
30.31 representative in files from the date of execution until three years after the contract is  
30.32 terminated. The contracts and the written disclosures required under section 325F.72, if

31.1 applicable, shall be made available for on-site inspection by the commissioner upon request  
 31.2 at any time.

31.3 **Sec. 40. [144I.21] ASSISTED LIVING CONTRACT TERMINATIONS.**

31.4 **Subdivision 1. Prerequisite to termination of housing or services.** Before terminating  
 31.5 a resident's housing or services, an assisted living establishment must explain in detail the  
 31.6 reasons for the termination and work with the resident and the resident's designated  
 31.7 representative to avoid the termination by identifying and offering reasonable  
 31.8 accommodations, interventions, or alternatives within the scope of services provided by the  
 31.9 assisted living establishment.

31.10 **Subd. 2. Notice of contract termination required.** If the assisted living establishment  
 31.11 and the resident or resident's designated representative cannot identify a mutually agreeable  
 31.12 method of avoiding a termination of an assisted living contract, the assisted living  
 31.13 establishment must issue to the resident or the resident's designated representative a notice  
 31.14 of contract termination.

31.15 **Subd. 3. Required content of a notice of contract termination.** The notice required  
 31.16 under subdivision 2 must contain, at a minimum:

 31.19 clinical or other supporting rationale;

31.20 (3) a detailed explanation of the conditions under which a new or amended assisted  
 31.21 living contract may be executed between the assisted living establishment and the resident  
 31.22 or the resident's designated representative;

31.23 (4) a list of known providers in the immediate geographic area;

31.24 (5) a statement that the resident has the right to appeal the termination of an assisted  
 31.25 living contract that contained as a term of the contract the provision by the establishment  
 31.26 of services, an explanation of how and to whom to appeal, and contact information for the  
 31.27 Office of Administrative Hearings;

31.28 (6) a statement that the termination of an assisted living contract that does not contain  
 31.29 as a term of the contract the provision by the establishment of services is governed

 31.31 has the rights and protections available under chapter 504B;

31.32 (7) information on how to contact the ombudsman for long-term care;

32.1 (8) an offer to meet with the individual within five days of receiving notice for assistance  
 32.2 with transition planning;

32.3 (9) a statement that the assisted living establishment must participate in a coordinated

 32.5 144I.51, subdivision 1, clause (18); and

32.6 (10) the name and contact information of a person employed by the assisted living  
 32.7 establishment with whom the resident may discuss the notice of termination.

32.8 Subd. 4. **Notice period for nonemergency assisted living contract terminations.** A  
 32.9 licensed assisted living establishment may terminate an assisted living contract 30 calendar  
 32.10 days after issuing the notice of contract termination required under subdivision 2, unless  
 32.11 the conditions of subdivision 5 are met.

32.12 Subd. 5. **Notice period for emergency assisted living contract terminations.** A licensed  
 32.13 assisted living establishment may terminate an assisted living contract ten calendar days  
 32.14 after issuing the notice of contract termination if:

32.15 (1) the resident engages in conduct that alters the terms of the assisted living contract  
 32.16 or creates an abusive or unsafe work environment for the employees of the assisted living  
 32.17 establishment, or creates an abusive or unsafe environment for other residents;

32.18 (2) a significant change in the resident's condition has resulted in service needs that are  
 32.19 beyond the scope of services the assisted living establishment has indicated in its assisted  
 32.20 living contract that it will provide or that cannot be safely met without additional services  
 32.21 provided by the establishment for which the resident is either unwilling or unable to pay,  
 32.22 or without additional services being provided directly to the resident by another licensed  
 32.23 provider that are either unavailable or for which the resident is unable or unwilling to pay;  
 32.24 or

32.25 (3) the establishment has not received payment for services.

32.26 Sec. 41. **[144I.22] APPEALS OF ASSISTED LIVING CONTRACT**  
 32.27 **TERMINATIONS.**

32.28 Subdivision 1. **Right to appeal.** Residents of assisted living establishments have the  
 32.29 right to appeal the termination of an assisted living contract that contained as a term of the  
 32.30 contract the provision of services by the assisted living establishment.

33.1 Subd. 2. **Permissible grounds for appeal.** Permissible grounds for an appeal of an  
 33.2 assisted living contract that contained as a term of the contract the provision of services by  
 33.3 the assisted living establishment are limited to the following:

33.4 (1) the assisted living establishment was motivated to terminate the contract as retaliation  
 33.5 against the resident for exercising the resident's rights;

33.6 (2) a factual dispute between the assisted living establishment and the resident concerning  
 33.7 the underlying reason for an emergency termination of the assisted living contract; or

33.8 (3) termination would result in great harm or potential great harm to the resident as  
 33.9 determined by a totality of the circumstances. A contract termination cannot be overturned  
 33.10 under this clause if the establishment has alleged and demonstrated nonpayment. If an  
 33.11 administrative law judge finds sufficient evidence to overturn a contract termination under  
 33.12 this clause, the resident will be given an additional 30 days' notice, after which the case will  
 33.13 be reviewed to determine whether there is a sufficient alternative.

34.3 Subd. 4. **Altering operations; service packages.** Nothing in this chapter requires an  
 34.4 assisted living establishment to fundamentally alter the nature of the operations of the  
 34.5 establishment in order to accommodate the request or need for facilities or services by any  
 34.6 resident, or to refrain from requiring, as a condition of residency, that a resident pay for a

34.14 (b) The commissioner shall adopt a uniform format for the guide to be used by individual  
 34.15 assisted living establishments, and the required components of materials to be used by  
 34.16 assisted living establishments to inform assisted living establishment residents of their legal  
 34.17 rights, and shall make the uniform format and the required components available to assisted

36.3 (1) enters into an assisted living contract under section 144I.20; or

36.4 (2) moves in.

36.5 (b) A comprehensive assisted living establishment must conduct ongoing physical,
