1.10	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
1.11	ARTICLE 1
1.12	MINNESOTA HEALTH PLAN
1.13	Section 1. [62X.01] HEALTH PLAN REQUIREMENTS.
1.14	In order to keep Minnesota residents healthy and provide the best quality of health care,
1.15	the Minnesota Health Plan must:
1.16	(1) ensure all Minnesota residents are covered;
1.17	(2) cover all necessary care, including medical, dental, vision and hearing, mental health,
1.18	chemical dependency treatment, prescription drugs, medical equipment and supplies,
1.19	long-term care, and home care;
1.20	(3) allow patients to choose their providers;
1.21	(4) reduce costs by negotiating fair prices and by cutting administrative bureaucracy,
1.22	not by restricting or denying care;
1.23	(5) be affordable to all through premiums based on ability to pay and elimination of
1.24	<u>co-pays;</u>

8.1	(c) Program administration, evaluation, planning, and assessment account. The
8.2	program administration, evaluation, planning, and assessment account must be used to
8.3	monitor and improve the plan's effectiveness and operations. The board may establish grant
8.4	programs including demonstration projects for this purpose.
8.5	(d) Training and development account. The training and development account must
8.6	be used to incentivize the training and development of health care providers and the health
8.7	care workforce needed to meet the health care needs of the population.
8.8	(e) Health service research account. The health service research account must be used
8.9	to support research and innovation as determined by the Minnesota Health Board, and
8.10	recommended by the Office of Health Quality and Planning and the Ombudsman for Patient
8.11	Advocacy.
8.12	Subd. 4. Capital account. The capital account must be used to pay for capital
8.13	expenditures for institutional providers.
8.14	Subd. 5. Reserve account. (a) The Minnesota Health Plan must at all times hold in
8.15	reserve an amount estimated in the aggregate to provide for the payment of all losses and
8.16	claims for which the Minnesota Health Plan may be liable and to provide for the expense
8.17	of adjustment or settlement of losses and claims.
8.18	(b) Money currently held in reserve by state, city, and county health programs must be
8.19	transferred to the Minnesota Health Fund when the Minnesota Health Plan replaces those
8.20	programs.
8.21	(c) The board shall have provisions in place to insure the Minnesota Health Plan against
8.22	unforeseen expenditures or revenue shortfalls not covered by the reserve account. The board
8.23	may borrow money to cover temporary shortfalls.
8.24	Subd. 6. Assets of the Minnesota Health Plan; functions of the commissioner of
8.25	Minnesota Management and Budget. All money received by the Minnesota Health Fund
8.26	shall be paid to the commissioner of Minnesota Management and Budget as agent of the
8.27	board who shall not commingle these funds with any other money. The money in these
8.28	accounts shall be paid out on warrants drawn by the commissioner on requisition by the
8.29	board.
8.30	Subd. 7. Management. The Minnesota Health Fund shall be separate from the state
8.31	treasury. Management of the fund shall be conducted by the Minnesota Health Board, which
8.32	has exclusive authority over the fund.

9.1	Sec. 2. [62X.20] REVENUE SOURCES.
9.2	Subdivision 1. Minnesota Health Plan premium. (a) The Minnesota Health Board
9.3	shall:
9.4	(1) determine the aggregate cost of providing health care according to this chapter;
9.5	(2) develop an equitable and affordable premium structure based on income, including
9.6	unearned income, and a business health tax;
9.7	(3) in consultation with the Department of Revenue, develop an efficient means of
9.8	collecting premiums and the business health tax; and
9.0	
9.9	(4) coordinate with existing, ongoing funding sources from federal and state programs.
9.10	(b) The premium structure must be based on ability to pay.
9.11	(c) Within one year after the effective date of this act, the board shall submit to the
9.12	governor and the legislature a report on the premium and business health tax structure
9.13	established to finance the Minnesota Health Plan.
9.14	Subd. 2. Federal receipts. All federal funding received by Minnesota including the
9.15	premium subsidies under the Affordable Care Act, Public Law 111-148, as amended by
9.16	Public Law 111-152, is appropriated to the Minnesota Health Plan Board to be used to
9.17	administer the Minnesota Health Plan under chapter 62X. Federal funding that is received
9.18	for implementing and administering the Minnesota Health Plan must be used to provide
9.19	health care for Minnesota residents.
9.20	Subd. 3. Funds from outside sources. Institutional providers operating under Minnesota
9.20	Health Plan operating budgets may raise and expend funds from sources other than the
9.22	Minnesota Health Plan including private or foundation donors. Contributions to providers
9.23	in excess of \$500,000 must be reported to the board.
9.24	Subd. 4. Governmental payments. The chief executive officer and, if required under
9.25	federal law, the commissioners of health, human services, and commerce shall seek all
9.26	necessary waivers, exemptions, agreements, or legislation so that all current federal payments
9.27	to the state, including the premium tax credits under the Affordable Care Act, are paid
9.28	directly to the Minnesota Health Plan. When any required waivers, exemptions, agreements,
9.29	or legislation are obtained, the Minnesota Health Plan shall assume responsibility for all
9.30	health care benefits and health care services previously paid for with federal funds. In
9.31	obtaining the waivers, exemptions, agreements, or legislation, the chief executive officer
9.32	and, if required, commissioners shall seek from the federal government a contribution for
9.33	health care services in Minnesota that reflects: medical inflation, the state gross domestic

10.1	product, the size and age of the population, the number of residents living below the poverty
10.2	level, and the number of Medicare and VA eligible individuals, and that does not decrease
10.3	in relation to the federal contribution to other states as a result of the waivers, exemptions,
10.4	agreements, or savings from implementation of the Minnesota Health Plan.
10.5	Subd. 5. Federal preemption. (a) The board shall secure a repeal or a waiver of any
10.6	provision of federal law that preempts any provision of this chapter. The commissioners of
10.7	health, human services, and commerce shall provide all necessary assistance.
10.8	(b) In the section 1332 waiver application, the board shall request to waive any of the
10.9	following provisions of the Patient Protection and Affordable Care Act, to the extent
10.10	necessary to implement this act:
10.11	(1) United States Code, title 42, sections 18021 to 18024;
10.12	(2) United States Code, title 42, sections 18031 to 18033;
10.13	(3) United States Code, title 42, section 18071; and
10.14	(4) sections 36B and 5000A of the Internal Revenue Code of 1986, as amended.
10.15	(c) In the event that a repeal or a waiver of law or regulations cannot be secured, the
10.16	board shall adopt rules, or seek conforming state legislation, consistent with federal law, in
10.17	an effort to best fulfill the purposes of this chapter.
10.18	(d) The Minnesota Health Plan's responsibility for providing care shall be secondary to
10.19	existing federal government programs for health care services to the extent that funding for
10.20	these programs is not transferred to the Minnesota Health Fund or that the transfer is delayed
10.21	beyond the date on which initial benefits are provided under the Minnesota Health Plan.
10.22	Subd. 6. No cost-sharing. No deductible, co-payment, coinsurance, or other cost-sharing
10.23	shall be imposed with respect to covered benefits.
10.24	Sec. 3. [62X.21] SUBROGATION.
10.25	Subdivision 1. Collateral source. (a) Health care costs shall be collected from collateral
10.26	sources whenever medical services provided to an individual by the MHP are, or may be,

10.27 covered services under a policy of insurance, or other collateral source available to that

10.28 individual, or when the individual has a right of action for compensation permitted under
10.29 law.

10.30 (b) As used in this section, collateral source includes but is not limited to:

11.1	(1) health insurance policies and the medical components of automobile, homeowners,
11.2	and other forms of insurance;
11.3	(2) medical components of workers' compensation;
11.4	(3) a judgment for damages for personal injury;
11.5	(4) the state of last domicile for individuals moving to Minnesota for medical care who
11.6	have extraordinary medical needs; and
11.7	(5) any third party who is or may be liable to an individual for health care services or
11.8	costs.
11.9	(c) An entity described in paragraph (b) is not excluded from the obligations imposed
11.10	by this section by virtue of a contract or relationship with a government unit, agency, or
11.11	service.
11.12	(d) The board shall negotiate waivers or make other arrangements to incorporate collateral
11.13	sources into the Minnesota Health Plan if necessary.
11.14	Subd. 2. Notification. When an individual who receives health care services under the
11.15	Minnesota Health Plan is entitled to coverage, reimbursement, indemnity, or other
11.16	compensation from a collateral source, the individual shall notify the health care provider
11.17	and provide information identifying the collateral source, the nature and extent of coverage
11.18	or entitlement, and other relevant information. The health care provider shall forward this
11.19	information to the board. The individual entitled to coverage, reimbursement, indemnity,
11.20	or other compensation from a collateral source shall provide additional information as
11.21	requested by the board.
11.22	Subd. 3. Reimbursement. (a) The Minnesota Health Plan shall seek reimbursement
11.23	from the collateral source for services provided to the individual and may institute appropriate
11.24	action, including legal proceedings, to recover the reimbursement. Upon demand, the
11.25	collateral source shall pay to the Minnesota Health Fund the sums it would have paid or
11.26	expended on behalf of the individual for the health care services provided by the Minnesota
11.27	Health Plan.
11.28	(b) In addition to any other right to recovery provided in this section, the board shall
11.29	have the same right to recover the reasonable value of health care benefits from a collateral
11.30	source as provided to the commissioner of human services under section 256B.37.
11.31	Subd. 4. Defaults, underpayments, and late payments. (a) Default, underpayment, or
11.32	late payment of any tax or other obligation imposed by this chapter shall result in the remedies
11.33	and penalties provided by law, except as provided in this section.

18.1	(5) pay claims for medical products or services as negotiated, and may issue requests
18.2	for proposals from Minnesota nonprofit business corporations for a contract to process
18.3	<u>claims;</u>
18.4	(6) seek federal approval to bill other states for health care coverage provided to residents
18.5	from out-of-state who come to Minnesota for long-term care or other costly treatment when
18.6	the resident's home state fails to provide such coverage, unless a reciprocal agreement with
18.7	those states to provide similar coverage to Minnesota residents relocating to those states
18.8	can be negotiated;
18.9	(7) administer the Minnesota Health Fund created under section 62X.19;
18.10	(8) annually determine the appropriate level for the Minnesota Health Plan reserve
18.11	account and implement policies needed to establish the appropriate reserve;
18.12	(9) implement fraud prevention measures necessary to protect the operation of the
18.13	Minnesota Health Plan; and
18.14	(10) work to ensure appropriate cost control by:
18.15	(i) instituting aggressive public health measures, early intervention and preventive care,
18.16	health and wellness education, and promotion of personal health improvement;
18.17	(ii) making changes in the delivery of health care services and administration that improve
18.18	efficiency and care quality;
18.19	(iii) minimizing administrative costs;
18.20	(iv) ensuring that the delivery system does not contain excess capacity; and
18.21	(v) negotiating the lowest reasonable prices for prescription drugs, medical equipment,
18.22	and medical services.
18.23	If the board determines that there will be a revenue shortfall despite the cost control
18.24	measures mentioned in clause (10), the board shall implement measures to correct the
18.25	shortfall, including an increase in premiums and other revenues. The board shall report to
18.26	the legislature on the causes of the shortfall, reasons for the inadequacy of cost controls,
18.27	and measures taken to correct the shortfall.
18.28	Subd. 8. Minnesota Health Board management duties. The board shall:

19.7	(5) establish an electronic claims and payments system for the Minnesota Health Plan;
19.8	(6) monitor the operation of the Minnesota Health Plan through consumer surveys and
19.9	regular data collection and evaluation activities, including evaluations of the adequacy and
19.10	quality of services furnished under the program, the need for changes in the benefit package,
19.11	the cost of each type of service, and the effectiveness of cost control measures under the
19.12	program;
19.13	(7) disseminate information and establish a health care website to provide information
19.14	to the public about the Minnesota Health Plan including providers and facilities, and state
19.15	and regional health planning board meetings and activities;
19.16	(8) collaborate with public health agencies, schools, and community clinics;
19.17	(9) ensure that Minnesota Health Plan policies and providers, including public health
19.18	providers, support all Minnesota residents in achieving and maintaining maximum physical
19.19	and mental health; and
19.20	(10) annually report to the chairs and ranking minority members of the senate and house
19.21	of representatives committees with jurisdiction over health care issues on the performance
19.22	of the Minnesota Health Plan, fiscal condition and need for payment adjustments, any needed
19.23	changes in geographic boundaries of the health planning regions, recommendations for
19.24	statutory changes, receipt of revenue from all sources, whether current year goals and
19.25	priorities are met, future goals and priorities, major new technology or prescription drugs,
19.26	and other circumstances that may affect the cost or quality of health care.
19.27	Subd. 9. Policy duties. The board shall:
19.28	(1) develop and implement cost control and quality assurance procedures;
19.29	(2) ensure strong public health services including education and community prevention
