1.10 contract, including:

1.11 (1) all attachments and exhibits;

1.12 (2) operating manuals;

1.13 (3) a general description of the health plan company's health service coding guidelines
1.14 and requirement for procedures and diagnoses with modifiers, and multiple procedures; and

1.15 (4) all guidelines and treatment parameters incorporated or referenced in the contract.

1.16 (b) The health plan company shall make available to the provider the fee schedule or a
1.17 method or process that allows the provider to determine the fee schedule for each health

1.20 ~~organization, as defined in section 62Q.76, shall disclose information related to the individual~~
1.21 ~~contracted provider's expected reimbursement from the dental plan organization. Nothing~~
1.22 ~~in this section requires a dental plan organization to disclose the plan's aggregate maximum~~

2.1 ~~allowable fee table used to determine other providers' fees. The contracted provider must~~
2.2 ~~not release this information in any way that would violate any state or federal antitrust law.~~

2.3 Sec. 2. Minnesota Statutes 2020, section 62Q.735, subdivision 5, is amended to read:

2.4 Subd. 5. **Fee schedules.** (a) A health plan company shall provide, upon request, any

2.9 web portal for contracted providers.

2.10 ~~(b) A dental organization may satisfy paragraph (a) by complying with section 62Q.735,~~
2.11 ~~subdivision 1, paragraph (c).~~

2.12 Sec. 3. Minnesota Statutes 2020, section 62Q.76, is amended by adding a subdivision to
2.13 read:

2.14 Subd. 9. **Third party.** "Third party" means a person or entity that enters into a contract
2.15 with a dental organization or with another third party to gain access to the dental care services
2.16 or contractual discounts of a dental provider contract.

2.17 Sec. 4. Minnesota Statutes 2020, section 62Q.78, is amended by adding a subdivision to

2.24 Sec. 5. Minnesota Statutes 2020, section 62Q.78, is amended by adding a subdivision to
2.25 read:

2.26 Subd. 8. **Network leasing.** (a) A dental organization may grant a third party access to
2.27 a dental provider contract or the dental care services or contractual discounts contained in
2.28 the dental provider contract if the requirements in paragraph (b) are met. The provision in
2.29 the dental provider contract permitting third-party access to the dental provider contract
2.30 must be clearly identified and must specifically state that if a dental organization enters into
2.31 an agreement permitting third-party access, the agreement would allow the third party to

3.1 obtain the dental organization's rights and responsibilities as if the third party were the dental
3.2 organization. A dental organization must not grant a third party access to a dental provider
3.3 contract unless the dentist or dental clinic has agreed to participate in third-party access at
3.4 the time the dental provider contract is entered into or renewed.

3.5 (b) A dental organization may grant a third party access to a dental provider contract or
3.6 the dental care services or contractual discounts contained in the dental provider contract
3.7 if the following requirements are met:

3.8 (1) the dentist or dental clinic affirmatively agrees to allow third-party access to the
3.9 dental provider contract at the time the dental provider contract is entered into or renewed;

3.10 (2) the dentist or dental clinic is provided the opportunity to opt out of allowing a third
3.11 party access to the dental provider contract at the time the dental provider contract is entered
3.12 into or renewed, without penalty to the dentist or dental clinic;

3.13 (3) the third party accessing the dental provider contract agrees to comply with all
3.14 applicable terms of the dental provider contract; and

3.15 (4) the dental organization lists all third parties granted access on its website and the list
3.16 is updated at least once every 90 days.

3.17 (c) A dentist or dental clinic is not bound by and is not required to perform dental care
3.18 services under a dental provider contract if access is granted to a third party in violation of
3.19 this section.
