Subd. 19b. **Subtractions from federal taxable income.** For individuals, estates, and trusts, there shall be subtracted from federal taxable income:

(1) net interest income on obligations of any authority, commission, or instrumentality of the United States to the extent includable in taxable income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) if included in federal taxable income, the amount of any overpayment of income tax to Minnesota or to any other state, for any previous taxable year, whether the amount is received as a refund or as a credit to another taxable year's income tax liability;

(3) the amount paid to others, less the amount used to claim the credit allowed under section 290.0674, not to exceed \$1,625 for each qualifying child in grades kindergarten to 6 and \$2,500 for each qualifying child in grades 7 to 12, for tuition, textbooks, and transportation of each qualifying child in attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363A. For the purposes of this clause, "tuition" includes fees or tuition as defined in section 290.0674, subdivision 1, clause (1). As used in this clause, "textbooks" includes books and other instructional materials and equipment purchased or leased for use in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. Equipment expenses qualifying for deduction includes expenses as defined and limited in section 290.0674, subdivision 1, clause (3). "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. No deduction is permitted for any expense the taxpayer incurred in using the taxpayer's or the qualifying child's vehicle to provide such transportation for a qualifying child. For purposes of the subtraction provided by this clause, "qualifying child" has the meaning given in section 32(c)(3) of the Internal Revenue Code;

(4) income as provided under section 290.0802;

(5) to the extent included in federal adjusted gross income, income realized on disposition of property exempt from tax under section 290.491;

(8) for individuals who are allowed a federal foreign tax credit for taxes that do not qualify for a credit under section 290.06, subdivision 22, an amount equal to the carryover of subnational foreign taxes for the taxable year, but not to exceed the total subnational foreign taxes reported in claiming the foreign tax credit. For purposes of this clause, "federal foreign tax credit" means the credit allowed under section 27 of the Internal Revenue Code, and "carryover of subnational foreign taxes" equals the carryover allowed under section 904(c) of the Internal Revenue Code minus national level foreign taxes to the extent they exceed the federal foreign tax credit;

For purposes of this clause, "delayed depreciation" means the amount of the addition made by the taxpayer under subdivision 19a, clause (7), or subdivision 19c, clause (15), in the case of a shareholder of an S corporation, minus the positive value of any net operating loss under section 172 of the Internal Revenue Code generated for the tax year of the addition. The resulting delayed depreciation cannot be less than zero;

(13) an amount, not to exceed \$10,000, equal to qualified expenses related to a qualified donor's donation, while living, of one or more of the qualified donor's organs to another person for human organ transplantation. If the net operating loss exceeds the addition for the tax year, a subtraction is not allowed under this clause;

(15) to the extent included in federal taxable income, compensation paid to a service member as defined in United States Code, title 10, section 101(a)(5), for military service as defined in the Servicemembers Civil Relief Act, Public Law 108-189, section 101(2);

Subd. 2c. **Schedules of rates for individuals, estates, and trusts.** (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code must be computed by applying to their taxable net income the following schedule of rates:

(1) On the first \$17,570, 5.35 percent;

(2) On all over \$17,570, but not over \$57,710, 7.05 percent;

The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by the additions required under section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (12), (13), (16), and (17), and reduced by the Minnesota assignable portion of the subtraction for United States government interest under section 290.01, subdivision 19b, clause (1), and the subtractions under section 290.01, subdivision 19b, clauses (9), (10), (14), (15), (16), and (18) to (20), after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

Subdivision 1. **Credit allowed.** A corporation, ~~other than~~ partners in a partnership, or shareholders in a corporation treated as an "S" corporation under section 290.9725; ~~is~~ are allowed a credit against the portion of the franchise tax computed under section 290.06, ~~subdivision 1,~~ for the taxable year equal to:

~~(a) 5 percent of the first \$2,000,000 of the excess (if any) of:~~

(1) the qualified research expenses for the taxable year, over

(2) the base amount; ~~and~~

~~(b) 2.5 percent on all of such excess expenses over \$2,000,000.~~

(a) "Qualified research expenses" means (i) qualified research expenses and basic research payments as defined in section 41(b) and (e) of the Internal Revenue Code, except it does not include expenses incurred for qualified research or basic research conducted outside the state of Minnesota pursuant to section 41(d) and (e) of the Internal Revenue Code; and (ii) contributions to a nonprofit corporation established and operated pursuant to the provisions of chapter 317A for the purpose of promoting the establishment and expansion of business in this state, provided the contributions are invested by the nonprofit corporation for the purpose of providing funds for small, technologically innovative enterprises in Minnesota during the early stages of their development.

(b) "Qualified research" means qualified research as defined in section 41(d) of the Internal Revenue Code, except that the term does not include qualified research conducted outside the state of Minnesota.

(c) "Base amount" means base amount as defined in section 41(c) of the Internal Revenue Code, except that the average annual gross receipts must be calculated using Minnesota sales or receipts under section 290.191 and the definitions contained in clauses (a) and (b) shall apply. If a taxpayer does not have records to substantiate the aggregate qualified research expenses for the taxable years beginning after December 31, 1983, and before January 1, 1989, to compute the base amount, and is not a start-up company to which Internal Revenue Code, section 41(c)(3)(B) applies, the corporation is permitted to use a fixed-base percentage of 16 percent.

Subd. 3. **Limitation; carryover.** (a)(1) The credit for ~~the~~ a taxable year beginning before January 1, 2012, shall not exceed the liability for tax. (2) In the case of a corporation which is a partner in a partnership, the credit allowed for the taxable year shall not exceed the lesser of the amount determined under clause (1) for the taxable year or an amount (separately computed with respect to the corporation's interest in the trade or business or entity) equal to the amount of tax attributable to that portion of taxable income which is allocable or apportionable to the corporation's interest in the trade or business or entity.

(b) If the amount of the credit determined under this section for any taxable year exceeds the limitation under clause (a), the excess shall be a research credit carryover to each of the 15 succeeding taxable years. The entire amount of the excess unused credit for the taxable year shall be carried first to the earliest of the taxable years to which the credit

may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit which may be added under this clause shall not exceed the taxpayer's liability for tax less the research credit for the taxable year.

Subd. 4. **Partnerships and S corporations.** In the case of partnerships the credit shall be allocated in the same manner provided by section 41(f)(2) of the Internal Revenue Code.

In the case of shareholders in S corporations the credit shall be allocated in the same manner as provided by section 1366(a) of the Internal Revenue Code.

in which the investor or the investor's family has a controlling equity interest or exercises management control. Investments in the fund may consist of equity investments or notes that pay interest or other fixed amounts, or any combination of both.

(h) "Qualified investment" means either a cash investment of a minimum of:

(1) \$10,000 in a calendar year by a qualified taxpayer; or

(2) \$50,000 in a calendar year by a qualified angel investment network fund.

The qualified investment in a qualified small business must be in exchange for common stock, a partnership or membership interest, preferred stock, debt with mandatory conversion to equity, or an equivalent ownership interest as determined by the commissioner.

(i) "Family" means a family member within the meaning of the Internal Revenue Code, section 267(c)(4).

Subd. 2. Certification of small businesses. (a) Businesses may apply to the commissioner for certification as a qualified small business. The application must be in the form and be made under the procedures specified by the commissioner, accompanied by an application fee of \$150. The application for certification must be made available on the department's Web site by August 1, 2010. Applications for subsequent years' certification must be made available on the department's Web site by November 1 of the preceding year. Application fees collected are appropriated to the commissioner to be used for personnel and administrative expenses related to administering the program.

(b) A business seeking certification must submit an application for each taxable year for which the business desires certification. If a qualified small business receives a qualified investment for which tax credits are allocated, the business must annually submit a certified small business report in the form required by the commissioner with the required fee no later than February 1 for the two years subsequent to the last qualified investment. Failure to file an annual report as required under this subdivision results in a fine of \$500 and revocation of certification.

(c) The commissioner must maintain a list of businesses certified under this subdivision and make the list accessible to the public on the department's Web site.

Subd. 3. Certification of qualified taxpayers. (a) Taxpayers may apply to the commissioner for certification as a qualified taxpayer. The application must be in the form and be made under the procedures specified by the commissioner, accompanied by an application fee of \$350. The application for certification of qualified taxpayers must be made available on the department's Web site by August 1, 2010. Applications for subsequent years' certification must be made available on the department's Web site by

November 1 of the preceding year. Application fees are appropriated to the commissioner for personnel and administrative expenses related to administering the program.

(b) A qualified taxpayer seeking certification must submit an application for each taxable year in which the qualified taxpayer seeks certification. If a qualified taxpayer receives tax credits under this section, a qualified taxpayer must submit an angel investor annual report in the form required by the commissioner with the required fee no later than February 1 of each year for two years subsequent to the last allocation of tax credits. Failure to file an angel investor annual report as required under this subdivision results in the revocation of tax credits. Once a qualified taxpayer has filed the required annual reports and accompanying fees for two subsequent years following allocation of tax credits and complied with all other requirements for that allocation, the tax credits are no longer subject to revocation.

Subd. 4. Certification of qualified angel investment network funds. (a) Angel investment network funds may apply to the commissioner of employment and economic development for certification as a qualified angel investment network fund. The application must be in the form and be made under the procedures specified by the commissioner, accompanied by an application fee of \$1,000. The application for certification of qualified angel investor network funds must be made available on the department's Web site by August 1, 2010. Applications for subsequent years' certification must be made available by November 1 of the preceding year. Application fees collected are appropriated to the commissioner to be used for personnel and administrative expenses related to administering the program.

(b) A qualified angel investment network fund seeking certification must submit an application for each taxable year for which the angel investment network fund seeks certification. If any member of a qualified angel investment network fund receives tax credits under this section for qualified investments made by the fund, the qualified angel investment network fund must annually submit an angel investor annual report in the form required by the commissioner with the required fee no later than February 1 of each year for two years subsequent to the last allocation of credits. Failure to file an angel investor annual report as required under this subdivision results in revocation of tax credits. Once a qualified angel investment network fund has filed the required annual reports and accompanying fees for two subsequent years following allocation of tax credits and complied with all other requirements for that allocation, the tax credits are no longer subject to revocation.

Subd. 5. Credit allowed. (a) A qualified taxpayer or angel investor network fund is allowed a credit for investment in a qualified small business in the amount determined by

the certification allocated by the commissioner against the tax imposed by chapter 290.
The commissioner must not allocate more than \$5,000,000 in credits to qualified taxpayers
or angel investment network funds in calendar year 2010, and must not allocate more
than \$10,000,000 in credits in calendar year 2011 and in each calendar year thereafter.
Any portion of a year's credits that is not allocated by the commissioner does not cancel
and may be carried forward to the subsequent year until all credits have been allocated.
Applications for tax investment credits must be made available on the department's
Web site by September 1, 2010, and the department must begin accepting applications
by September 1, 2010. Applications for subsequent years must be made available by
November 1 of the preceding year.

(b) Tax investment credits must be allocated to qualified taxpayers or angel investor
network funds in the order that the tax credit request applications are filed with the
department. The investment specified in the application must be made within 60 days of
the allocation of the credits. If the investment is not made within 60 days, the credits are
deemed revoked. A qualified taxpayer or angel investor network fund that fails to invest
as specified in the application, within 60 days from allocation of the credits, must notify
the department of the failure to invest within five business days of the expiration of the
60-day investment period.

(c) All tax credit request applications filed with the department on the same day must
be treated as having been filed contemporaneously. In the event that two or more qualified
taxpayers or angel investment network funds file tax credit request applications on the
same day, and the aggregate amount of credit allocation claims exceeds the aggregate limit
of credit under this section or the lesser amount of credits that remain unallocated on that
day, then the credits must be allocated among the qualified taxpayers or angel investment
network funds who filed on that day on a pro rata basis with respect to the amounts claimed.
The pro rata allocation for any one qualified taxpayer or angel investment network fund is
the product obtained by multiplying a fraction, the numerator of which is the amount of
the credit allocation claim filed on behalf of a qualified taxpayer and the denominator of
which is the total of all credit allocation claims filed on behalf of all applicants on that day,
by the amount of credits that remain unallocated on that day for the fiscal year.

(d) The commissioner must notify the commissioner of revenue of every credit
allocated and every credit revoked under this section.

Subd. 6. **Annual reports.** (a) By February 1 of each year for two years subsequent
to the last allocation of credits, qualified small businesses, qualified taxpayers, and
qualified angel investment network funds must submit an annual report and a filing fee of

\$100. All report fees collected are appropriated to the commissioner for personnel and administrative expense related to administering the program.

(b) Qualified small businesses must certify to the department in the form required by the commissioner that it satisfies the following requirements:

(1) the business has its headquarters in Minnesota;

(2) at least 51 percent of the business's employees are employed in Minnesota, and 51 percent of the business's total payroll is paid or incurred in the state;

(3) that the business is engaged in, or is committed to engage in, innovation in Minnesota as defined under subdivision 1; and

(4) that the business meets the payroll requirements in subdivision 1, paragraph (b), clause (6).

(c) Qualified taxpayers must certify to the department in the form required by the commissioner that the investor satisfies the following requirements:

(1) the taxpayer continues to meet the requirements of subdivision 1, paragraph (f); and

(2) that the taxpayer continues to remain invested in the qualified small business as required by section 290.0692, subdivision 3.

(d) Qualified angel investment network funds must certify to the department in the form required by the commissioner that the investor satisfies the following requirements:

(1) the taxpayer continues to meet the requirements of subdivision 1, paragraph (g); and

(2) that the angel investment network fund continues to remain invested in the qualified small business as required by section 290.0692, subdivision 3.

Subd. 7. **Rulemaking exception.** The commissioner's actions in establishing procedures and requirements and in making determinations and certifications to administer this section are not a rule for purposes of chapter 14, are not subject to the Administrative Procedure Act contained in chapter 14, and are not subject to section 14.386.

Subd. 8. **Report.** Beginning in 2011, the commissioner must annually report by March 15 to the chairs of the legislative committees and divisions having jurisdiction over taxes and economic development in the senate and the house of representatives on the tax credits issued under this section. The report must include:

(1) the number and amount of the credits issued;

(2) the recipients of the credits;

(3) the number and type of each business certified as a qualified small business;

(4) to the extent determinable, the total amount of investment generated by these credits; and

31.1 (5) any other information relevant to evaluating the effect of these credits.

31.2 **EFFECTIVE DATE.** This section is effective the day following final enactment.

31.3 Sec. 2. **[290.0692] ANGEL INVESTMENT CREDIT; CREDIT ALLOWED;**
31.4 **LIMITATIONS; HOLDING PERIOD; AND CARRYOVER.**

31.5 Subdivision 1. **Credit allowed.** A qualified taxpayer is allowed a credit against the
31.6 tax imposed under this chapter for investments made in the year in a qualified small
31.7 business as defined under section 116J.8737. The credit equals 25 percent of the qualified
31.8 taxpayer's investment in the business, but not to exceed the lesser of:

31.9 (1) the liability for tax under this chapter, including the applicable alternative
31.10 minimum tax, but excluding the minimum fee under section 290.0922; and

31.11 (2) the amount of the certificate provided to the qualified taxpayer under section
31.12 116J.8737.

31.13 Subd. 2. **Limitations.** No taxpayer may receive more than \$125,000 in credits
31.14 under this section in any one year.

31.15 Subd. 3. **Holding periods.** The credit is allowed only for investments for which a
31.16 credit has been allocated by the commissioner of employment and economic development
31.17 under section 116J.8737. Any credit taken by a taxpayer must be repaid, and any unused
31.18 credits must be canceled, if the investment in the qualified small business is not held for at
31.19 least three years. The three-year holding period does not apply if:

31.20 (1) the investment by the qualified taxpayer becomes worthless before the end
31.21 of the three-year period;

31.22 (2) 80 percent or more of the assets of the qualified small business is sold before
31.23 the end of the three-year period;

31.24 (3) the qualified small business is sold before the end of the three-year period; or

31.25 (4) the qualified small business's common stock begins trading on a public exchange
31.26 before the end of the three-year period.

31.27 Subd. 4. **Proportional credits.** Each pass-through entity must provide each
31.28 investor a statement indicating the investor's share of the credit amount certified to the
31.29 pass-through entity based on its share of the pass-through entity's assets at the time of
31.30 the qualified investment.

31.31 Subd. 5. **Carryover.** If the amount of the credit under this subdivision for any
31.32 taxable year exceeds the liability for tax, the excess is a credit carryover to each of the ten
31.33 succeeding taxable years. The entire amount of the excess unused credit for the taxable
31.34 year must be carried first to the earliest of the taxable years to which the credit may be

carried. The amount of the unused credit that may be added under this subdivision may not exceed the taxpayer's liability for tax less the credit for the taxable year.

Subd. 6. **Transfer of credits.** Any taxpayer who has not had liability under this chapter for the immediate past three taxable years and does not have anticipated liability for the current taxable year may transfer the entirety of the credit to any natural person of net worth, as defined in the Code of Federal Regulations, title 17, section 230.501(a). No person is entitled to a refund for the interest created under this subdivision. Only the full credit for any one taxpayer may be transferred and the interest may be transferred only one time. A credit acquired by transfer is subject to the limitations prescribed in this section. Documentation of any credit acquired by transfer must be provided by the taxpayer in the form required by the commissioner.

Subd. 7. **Audit powers.** Notwithstanding the certification eligibility issued by the commissioner of employment and economic development under section 116J.8737, the commissioner may utilize any audit and examination powers under chapters 270C or 289A to the extent necessary to verify that the taxpayer is eligible for the credit and to assess for the amount of any improperly claimed credit.

EFFECTIVE DATE. This section is effective for investments made after July 1, 2010, for taxable years beginning after December 31, 2009, and only applies to investments for which a credit has been allocated by the commissioner of employment and economic development.

(f) The department must begin accepting applications to become a Minnesota business investment company as defined under section 297I.23 by August 1, 2010.

(b) A Minnesota business investment company may obtain one or more guaranties, indemnities, bonds, insurance policies, or other payment undertakings for the benefit of its participating investors from any entity, except that in no case can more than one participating investor of a Minnesota business investment company on an aggregate basis with all affiliates of the participating investor be entitled to provide the guaranties, indemnities, bonds, insurance policies, or other payment undertakings in favor of the participating investors of a Minnesota business investment company and its affiliates in this state.

(c) This subdivision does not preclude a participating investor or other party from exercising its legal rights and remedies, including, without limitation, interim management of a Minnesota business investment company, in the event that a Minnesota business investment company is in default of its statutory obligations or its contractual obligations to the participating investor or other party, or from monitoring a Minnesota business investment company to ensure its compliance with this section or disallowing any investments that have not been approved by the department.

(d) The department may contract with an independent third party to review, investigate, and certify that the applications comply with this section.

Subd. 4. **Aggregate limitations on investment tax credits; allocation.** (a)

The aggregate amount of investment tax credits to be allocated to all participating investors of Minnesota business investment companies under this section shall not exceed \$100,000,000. No Minnesota business investment company, on an aggregate basis with its affiliates, may file credit allocation claims that exceed \$100,000,000.

(b) Credits must be allocated to participating investors in the order that the credit allocation claims are filed with the department, provided that all credit allocation claims filed with the department on the same day must be treated as having been filed contemporaneously. Any credit allocation claims filed with the department prior to the initial credit allocation claim filing date are deemed to have been filed on the initial credit allocation claim filing date. The department must set the initial credit allocation claim filing date not less than 120 days and not greater than 150 days after the department begins accepting applications for certification.

(c) In the event that two or more Minnesota business investment companies file credit allocation claims with the department on behalf of their respective participating investors on the same day, and the aggregate amount of credit allocation claims exceeds the aggregate limit of investment tax credits under this section or the lesser amount of credits that remain unallocated on that day, then the department must allocate the credits among the participating investors who filed on that day on a pro rata basis with respect to the amounts claimed. The pro rata allocation for any one participating investor is the product obtained by multiplying a fraction, the numerator of which is the amount of the credit allocation claim filed on behalf of a participating investor and the denominator of which is the total of all credit allocation claims filed on behalf of all participating investors on that day, by the aggregate limit of credits under this section or the lesser amount of credits that remain unallocated on that day.

(d) Within ten business days after the department receives a credit allocation claim filed by a Minnesota business investment company on behalf of one or more of its participating investors, the department must notify the Minnesota business investment company of the amount of credits allocated to each of the participating investors of that Minnesota business investment company. In the event a Minnesota business investment company does not receive an investment of designated capital from each participating investor required to earn the amount of credits allocated to the participating investor within ten business days of the Minnesota business investment company's receipt of notice of allocation, then it shall notify the department on or before the next business day, and the credits allocated to the participating investor of the Minnesota business investment company are forfeited. The department must then reallocate those forfeited credits among

the participating investors of the other Minnesota business investment companies on a pro rata basis with respect to the credit allocation claims filed on behalf of the participating investors. The commissioner is authorized, but not required, to levy a fine of not more than \$50,000 on any participating investor that does not invest the full amount of designated capital required to fund the credits allocated to it by the department in accordance with the credit allocation claim filed on its behalf.

(e) No participating investor, on an aggregate basis with its affiliates, may file an allocation claim for more than 25 percent of the maximum amount of investment tax credits authorized under this subdivision, regardless of whether the claim is made in connection with one or more Minnesota business investment companies.

Subd. 5. Requirements for continuance of certification. (a) To maintain its certification, a Minnesota business investment company must make qualified investments as follows:

(1) within two years after the allocation date, a Minnesota business investment company must invest an amount equal to at least 35 percent of its designated capital in qualified investments; and

(2) within three years after the allocation date, a Minnesota business investment company must invest an amount equal to at least 50 percent of its designated capital in qualified investments.

(b) Prior to making a proposed qualified investment in a specific business, a Minnesota business investment company must request from the department a written determination that the proposed investment qualifies as a qualified investment in a qualified business. The department must notify a Minnesota business investment company within ten business days from the receipt of a request of its determination and an explanation thereof. If the department fails to notify the Minnesota business investment company of its determination within the ten-business-day period, the proposed investment is deemed a qualified investment in a qualified business. If the department determines that the proposed investment does not meet the definition of a qualified investment or qualified business, or both, the department may nevertheless consider the proposed investment a qualified investment and, if necessary, the business a qualified business, if the department determines that the proposed investment furthers state economic development.

(c) All designated capital not invested in qualified investments by a Minnesota business investment company shall be held or invested in such manner as the Minnesota business investment company, in its discretion, deems appropriate. Designated capital and proceeds of designated capital returned to a Minnesota business investment company after being originally invested in qualified investments may be invested again in qualified

investments and the investment shall count toward the requirements of paragraph (a) with respect to making investments of designated capital in qualified investments.

(d) If, within four years after its allocation date, a Minnesota business investment company has not invested at least 60 percent of its designated capital in qualified investments, the Minnesota business investment company must not be permitted to pay management fees.

(e) If, within six years after its allocation date, a Minnesota business investment company has not invested at least 100 percent of its designated capital in qualified investments, the Minnesota business investment company must not be permitted to pay management fees.

(f) A Minnesota business investment company may not invest more than 15 percent of its designated capital in any one qualified business without the specific approval of the department.

(g) For purposes of calculating the investment percentage thresholds of paragraph (a), the cumulative amount of all qualified investments made by a Minnesota business investment company from the allocation date must be considered.

Subd. 6. Minnesota business investment company reporting requirements. (a)
Each Minnesota business investment company must report the following to the department in the form designated by the commissioner:

(1) as soon as practicable after the receipt of designated capital:

(i) the name of each participating investor from which the designated capital was received, including such participating investor's insurance tax identification number;

(ii) the amount of each participating investor's investment of designated capital; and

(iii) the date on which the designated capital was received;

(2) on an annual basis, on or before January 31 of each year:

(i) the amount of the Minnesota business investment company's designated capital that remains to be invested in qualified investments at the end of the immediately preceding taxable year;

(ii) whether or not the Minnesota business investment company has invested more than 15 percent of its total designated capital in any one business;

(iii) all qualified investments that the Minnesota business investment company has made in the previous taxable year, including the number of employees of each qualified business in which it has made investments at the time of such investment, and as of December 1 of the preceding taxable year; and

(iv) for any qualified business where the Minnesota business investment company no longer has an investment, the Minnesota business investment company must provide

employment figures for that company as of the last day before the investment was terminated;

(3) other information that the department may reasonably request that helps the department ascertain the impact of the Minnesota business investment company program both directly and indirectly on the economy of the state including, but not limited to, the number of jobs created by qualified businesses that have received qualified investments;

(4) within 90 days of the close of its fiscal year, annual audited financial statements of the Minnesota business investment company, which must include the opinion of an independent certified public accountant; and

(5) an agreed upon procedures report or equivalent regarding the operations of the Minnesota business investment company.

(b) A Minnesota business investment company must pay to the department an annual, nonrefundable certification fee of \$5,000 on or before April 1, or \$10,000 if later. No annual certification fee is required if the payment date for the fee is within six months of the date a Minnesota business investment company is first certified by the department.

(c) Upon satisfying the requirements of subdivision 5, paragraph (a), clause (2), a Minnesota business investment company must provide the notice to the department and the department shall, within 60 days of receipt of the notice, either confirm that the Minnesota business investment company has satisfied the requirements of subdivision 5, paragraph (a), clause (2), as of such date or provide notice of noncompliance and an explanation of any existing deficiencies. If the department does not provide notification within 60 days, the Minnesota business investment company is deemed to have met the requirements of subdivision 5, paragraph (a), clause (2).

Subd. 7. **Distributions.** (a) A Minnesota business investment company may make qualified distributions at any time. In order for a Minnesota business investment company to make a distribution other than a qualified distribution to its equity holders, the cumulative amount of all qualified investments of the Minnesota business investment company must equal or exceed 100 percent of its designated capital.

(b) The state shall receive ten percent of the net profits on qualified investments. For purposes of this paragraph, "net profits on qualified investments" means the amount of money returned to the Minnesota business investment company in exchange for or repayment of its qualified investments in qualified businesses in excess of the amount invested by the Minnesota business investment company in qualified investments. The net profits on qualified investments are the aggregate of all of the Minnesota business investment company's qualified investments where gains on qualified investments are netted against losses on qualified investments.

41.1 Subd. 8. **Decertification.** (a) The department shall conduct an annual review of
41.2 each Minnesota business investment company to determine if a Minnesota business
41.3 investment company is abiding by the requirements of certification and to ensure that no
41.4 investment has been made in violation of this section. The cost of the annual review
41.5 must be paid by each Minnesota business investment company according to a reasonable
41.6 fee schedule adopted by the department.

41.7 (b) Any material violation of this section, including any material misrepresentation
41.8 made to the department in connection with the application process, is grounds for
41.9 decertification of a Minnesota business investment company and the disallowance of
41.10 credits under section 297I.23, provided that in all instances the department shall provide
41.11 notice to the Minnesota business investment company of the grounds of the proposed
41.12 decertification and the opportunity to cure the violation before any decertification becomes
41.13 effective.

41.14 (c) The department shall send written notice of decertification to the commissioner
41.15 of revenue and to the address of each participating investor whose tax credit is subject
41.16 to recapture or forfeiture, using the address shown on the last filing submitted to the
41.17 department.

41.18 (d) Once a Minnesota business investment company has invested an amount
41.19 cumulatively equal to 100 percent of its designated capital in qualified investments,
41.20 provided that the Minnesota business investment company has met all other requirements
41.21 under this section as of such date, the Minnesota business investment company is no
41.22 longer subject to regulation by the department or the reporting requirements under
41.23 subdivision 6. Upon receiving certification by a Minnesota business investment company
41.24 that it has invested an amount equal to 100 percent of its designated capital, the department
41.25 shall notify a Minnesota business investment company within 60 days that it has or has not
41.26 met the requirements, with a reason for the determination if it has not. If the department
41.27 does not provide notification of deregulation within 60 days, the Minnesota business
41.28 investment company is deemed to have met the requirements and is deemed to no longer
41.29 be subject to regulation by the department.

41.30 Subd. 9. **Registration requirements.** All investments by participating investors
41.31 for which tax credits are awarded under this section must be registered or specifically
41.32 exempt from registration.

41.33 Subd. 10. **Rulemaking.** The commissioner's actions in establishing procedures and
41.34 requirements and in making determinations and certifications to administer this section are
41.35 not a rule for purposes of chapter 14, are not subject to the Administrative Procedure Act
41.36 contained in chapter 14, and are not subject to section 14.386.

Subd. 11. **Reports to governor and legislature.** The department shall make an annual report by March 15 of each year to the governor and the chairs and ranking minority members of the legislative committees and divisions having jurisdiction over taxes and economic development. The report must include:

(1) the number of Minnesota business investment companies holding designated capital;

(2) the amount of designated capital invested in each Minnesota business investment company;

(3) the cumulative amount that each Minnesota business investment company has invested as of January 1, 2011, and the cumulative total each year thereafter;

(4) the cumulative amount of follow-on capital that the investments of each Minnesota business investment company have created in terms of capital invested in qualified businesses at the same time or subsequent to investments made by a Minnesota business investment company in such businesses by sources other than Minnesota business investment companies;

(5) the total amount of investment tax credits applied under this section for each year;

(6) the performance of each Minnesota business investment company with regard to the requirements for continued certification;

(7) the classification of the companies in which each Minnesota business investment company has invested according to industrial sector and size of company;

(8) the gross number of jobs created by investments made by each Minnesota business investment company and the number of jobs retained;

(9) the location of the companies in which each Minnesota business investment company has invested;

(10) those Minnesota business investment companies that have been decertified, including the reasons for decertification; and

(11) other related information as necessary to evaluate the effect of this section on economic development.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 2. [297L.23] MINNESOTA BUSINESS INVESTMENT COMPANY CREDIT.

Subdivision 1. Credit allowed. (a) A participating investor as defined under section 116J.665, subdivision 1, is allowed a credit against the tax imposed in this chapter equal to 80 percent of the participating investor's investment of designated capital in a Minnesota business investment company. Beginning March 1, 2015, and ending with the tax return due March 1, 2018, a participating investor may claim yearly an amount equal to 20

percent of the participating investor's investment of designated capital against the tax liability under this chapter for the preceding calendar year.

(b) The credit for any calendar year must not exceed the liability for tax. If the amount of the credit determined under this section for any calendar year exceeds the liability for tax, the excess is an investment tax credit carryover to each of the succeeding calendar years and must be carried forward to each succeeding calendar year until the entire carryforward has been credited against the participating investor's liability for tax under this chapter. Credits may be used only on an annual premium tax return filed by a participating investor.

(c) A participating investor claiming a credit under this section is not required to pay any additional retaliatory tax levied by Minnesota as a result of claiming the credit.

(d) A participating investor is not required to reduce the amount of tax passed to the insured pursuant to the state premium tax liability included by the participating investor in connection with ratemaking for any insurance contract written in this state because of a reduction in the participating investor's tax liability based on the tax credit allowed under this section.

(e) Decertification of a Minnesota business investment company under section 116J.665 may result in the disallowance and the recapture of the credit allowed under this section. The amount disallowed and recaptured must be assessed as follows:

(1) decertification of a Minnesota business investment company within two years of the allocation date of tax credits and prior to meeting the requirements of section 116J.665, subdivision 5, paragraph (a), clause (1), shall result in the disallowance of all of the credits allowed under this section;

(2) decertification of a Minnesota business investment company after two years of the allocation date of tax credits, but prior to meeting the requirements of section 116J.665, subdivision 5, paragraph (a), clause (1), results in the disallowance of one-half of all the credits allowed under this section; and

(3) decertification of Minnesota business investment company that has already met the requirements of section 116J.665, subdivision 5, paragraph (a), clause (1), does not cause the disallowance of any credits allowed under this section nor the recapture of any portion of the credits that was previously taken.

Subd. 2. **Transfers.** A participating investor must not transfer, agree to transfer, sell, or agree to sell the credit under this section until 180 days from the date on which the participating investor invested designated capital. After 180 days from the date of investment, a participating investor, or subsequent transferee, may transfer credits to another person who is subject to tax and must notify the department in the form prescribed

by the commissioner within 30 days of the transfer. A person must not transfer a credit more than once in a 12-month period. No person is entitled to a refund for the interest created under this subdivision. A credit acquired by transfer is subject to the limitations prescribed in this section. Any transfer or sale of the credits does not affect the time schedule for claiming the credit. Any tax credits recaptured under this section remain the liability of the participating investor that actually applied the credit towards its tax liability.

Subd. 3. Repayment of tax benefits received. (a) Decertification of a Minnesota business investment company or revocation of credits under section 116J.665, results in the disallowance to certified investors of any credits for that calendar year or future calendar years and the participating investor is required to repay any credits claimed for the previous year. Repayment must be made within 60 days of the decertification or the revocation of the certification.

(b) The provisions of chapters 270C and 297I relating to audit, assessment, refund, collection, and appeals are applicable to the credits claimed and repayment required under this section. The commissioner may impose civil penalties as provided in section 297I.85, and additional tax and penalties are subject to interest at the rate provided in section 270C.40, from the date payment was due.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2010.

49.4 of 1964 and chapter 363A. For the purposes of this clause, "tuition" includes fees or
49.5 tuition as defined in section 290.0674, subdivision 1, clause (1). As used in this clause,
49.6 "textbooks" includes books and other instructional materials and equipment purchased

49.12 purpose of which is to instill such tenets, doctrines, or worship, nor does it include books

49.31 (8) for individuals who are allowed a federal foreign tax credit for taxes that do not
49.32 qualify for a credit under section 290.06, subdivision 22, an amount equal to the carryover
49.33 of subnational foreign taxes for the taxable year, but not to exceed the total subnational
49.34 foreign taxes reported in claiming the foreign tax credit. For purposes of this clause,
49.35 "federal foreign tax credit" means the credit allowed under section 27 of the Internal
49.36 Revenue Code, and "carryover of subnational foreign taxes" equals the carryover allowed

under section 904(c) of the Internal Revenue Code minus national level foreign taxes to the extent they exceed the federal foreign tax credit;

(9) in each of the five tax years immediately following the tax year in which an addition is required under subdivision 19a, clause (7), or 19c, clause (15), in the case of a shareholder of a corporation that is an S corporation, an amount equal to one-fifth of the delayed depreciation. (12) to the extent included in federal taxable income, the amount of compensation paid to Minnesota residents who are members of the armed forces of the United States or United Nations for active duty performed outside Minnesota under United States Code, title 10, section 101(d); United States Code, title 32, section 101(12); or the authority of the United Nations;

(13) an amount, not to exceed \$10,000, equal to qualified expenses related to a qualified donor's donation, while living, of one or more of the qualified donor's organs to another person for human organ transplantation. For purposes of this clause, "organ" means all or part of an individual's liver, pancreas, kidney, intestine, lung, or bone marrow; "human organ transplantation" means the medical procedure by which transfer of a human organ is made from the body of one person to the body of another person; "qualified expenses" means unreimbursed expenses for both the individual and the qualified donor for (i) travel, (ii) lodging, and (iii) lost wages net of sick pay, except that such expenses may be subtracted under this clause only once; and "qualified donor" means the individual or the individual's dependent, as defined in section 152 of the Internal Revenue Code. An

individual may claim the subtraction in this clause for each instance of organ donation for transplantation during the taxable year in which the qualified expenses occur;

If the net operating loss exceeds the addition for the tax year, a subtraction is not allowed under this clause;

(15) to the extent included in federal taxable income, compensation paid to a service member as defined in United States Code, title 10, section 101(a)(5), for military service as defined in the Servicemembers Civil Relief Act, Public Law 108-189, section 101(2);

(16) international economic development zone income as provided under section 469.325;

In the application, the local government unit and the qualified TECHZ business must provide the commissioner with the information that the commissioner needs to review a business subsidy agreement under section 469.360, subdivision 7, paragraph (c). (3) whether other financial assistance is available.

(b) Additionally, the commissioner may only approve a business subsidy agreement after considering if, without the estimated tax benefits, the business:

(1) would not have expanded operations within Minnesota;

(2) would not have relocated from outside the state to Minnesota;

(3) would have moved to another state or expanded in another state rather than remaining or expanding in Minnesota; or

The commissioner may not approve an agreement that violates sections 116J.993 to 116J.995 or 469.360 to 469.3701. The commissioner may not approve an agreement unless:

(3) the qualified TECHZ business is required to report all jobs created or retained because of the separate business location, if any, for purposes of section 268.044; and

Subd. 4. **Business subsidy reports.** (a) A local government unit must report to the commissioner on the two-year anniversary date of the business subsidy agreement on the progress of the qualified TECHZ business in meeting the goals listed in the business subsidy agreement.

This exemption is determined by multiplying its net income for the operation of the qualified TECHZ business by its payroll growth percentage and subtracting the result in determining taxable income. For a resident of Minnesota, the payroll growth percentage is calculated by using total payroll under section 290.191 rather than Minnesota payroll.

(b) No subtraction is allowed under this section in excess of 20 percent of the sum of the Minnesota payroll and Minnesota property of the qualified business.

(c) For a qualified TECHZ business located outside the metropolitan area as defined in section 473.121, subdivision 2, this exemption applies to income earned in the year that the business enters into the business subsidy agreement as required under section 469.360, subdivision 7, and the ten following taxable years. This exemption is determined as follows:

(1) for purposes of the tax imposed under section 290.02, by multiplying its taxable net income by its payroll growth percentage and subtracting the result from taxable net income in determining taxable income; and

(2) for purposes of the alternative minimum tax under section 290.0921, by multiplying its alternative minimum taxable net income by its payroll growth factor and subtracting the result from alternative minimum taxable net income.

(b) No subtraction is allowed under this section in excess of 20 percent of the sum of Minnesota payroll and Minnesota property of the corporation.

(c) For a qualified TECHZ business located outside the metropolitan area as defined in section 273.121, subdivision 2, this exemption applies to income earned in the year that the business enters into the business subsidy agreement as required under section 469.360, subdivision 7, and the ten following taxable years for a business located within the metropolitan area this exemption applies to income earned in the year that the business enters into the business subsidy agreement required under section 469.360, subdivision 7, and the five following taxable years.

Sec. 22. **[469.368] NEW JOB CREATION CREDIT.**

development may extend for up to one year the period for meeting any goals provided in the business subsidy agreement.

Subd. 2. Definitions. (a) For purposes of this section, the following terms have the meanings given.

(b) "Business" means any person that received tax benefits enumerated in section 469.365.

(c) "Commissioner" means the commissioner of revenue.

Subd. 3. Disposition of repayment. The repayment must be paid to the state to the extent it represents a state tax reduction and to the county to the extent it represents a property tax reduction. Any amount repaid to the state must be deposited in the general fund. Any amount repaid to the county for the property tax exemption must be distributed to the taxing authorities with authority to levy taxes in the zone in the same manner provided for distribution of payment of delinquent property taxes. Any repayment of local sales taxes must be repaid to the commissioner for distribution to the city or county imposing the local sales tax.

(c) The provisions of chapters 270C and 289A relating to the commissioner's authority to audit, assess, and collect the tax and to hear appeals are applicable to the repayment under paragraphs (a) and (b). The commissioner may impose civil penalties as provided in chapter 289A, and the additional tax and penalties are subject to interest at the rate provided in section 270C.40, from 30 days after becoming subject to repayment under this section until the date the tax is paid.

(d) If a property tax is not repaid under paragraph (b), the county treasurer shall add the amount required to be repaid to the property taxes assessed against the property

for payment in the year following the year in which the auditor provided the statement under paragraph (b).

(e) For determining the tax required to be repaid, a reduction of a state or local sales or use tax is deemed to have been received on the date that the good or service was purchased or first put to a taxable use. In the case of an income tax or franchise tax, including the credit payable under section 469.368, a reduction of tax is deemed to have been received for the two most recent tax years that have ended prior to the date that the business became subject to repayment under this section. In the case of a property tax, a reduction of tax is deemed to have been received for the taxes payable in the year that the business was subject to repayment under this section and for the taxes payable in the prior year.

(f) The commissioner may assess the repayment of taxes under paragraph (c) any time within two years after the business becomes subject to repayment under subdivision 1, or within any period of limitations for the assessment of tax under section 289A.38, whichever period is later. The county auditor may send the statement under paragraph (b) any time within three years after the business becomes subject to repayment under subdivision 1.

Property is not exempt from tax under section 272.02, subdivision 95, for any taxes payable in the year following the year in which the property became subject to repayment under this section nor for any year thereafter. A business is not eligible for any sales tax benefits beginning with goods or services purchases or first put to a taxable use on the day that the business becomes subject to repayment under this section.

Subd. 5. **Waiver authority.** The commissioner may waive all or part of a repayment required under subdivision 1, if the commissioner, in consultation with the commissioner of employment and economic development and appropriate officials from the local government units in which the qualified TECHZ business is located, determines that requiring repayment of the tax is not in the best interest of the state or the local government units and the business ceased operating as a qualified TECHZ business as a result of circumstances beyond its control including, but not limited to:

(1) a natural disaster;

(2) unforeseen industry trends; or

(3) loss of a major supplier or customer.

69.1 Subd. 6. **Reconciliation.** Where this section is inconsistent with section 116J.994,
69.2 subdivision 3, paragraph (e), or 6, or any other provisions of sections 116J.993 to

69.7 Under no circumstance shall terms of any agreement required as a condition for
69.8 eligibility for benefits listed under section 469.365 be amended to change job creation, job
69.9 retention, or wage goals included in the agreement.

69.10 **EFFECTIVE DATE.** This section is effective the day following final enactment.

69.16 benefits listed under section 469.365. A qualified TECHZ business that fails to submit
69.17 the certification, or any qualified TECHZ business that submits a certification that
69.18 the commissioner of revenue later determines materially misrepresents the business's
69.19 compliance with the agreement, is subject to the repayment provisions under section
69.20 469.369 from January 1 of the year in which the report is due or the date that the business
69.21 became subject to section 469.369, whichever is earlier. Any such business is permanently
69.22 barred from obtaining benefits under section 469.365. For purposes of this section, the bar
69.23 applies to an entity and also applies to any individuals or entities that have an ownership
69.24 interest of at least 20 percent of the entity.

69.25 (b) Before the sanctions under paragraph (a) apply to a qualified TECHZ business

69.28 business of the consequences for failing to do so. The commissioner of revenue shall
69.29 notify the commissioner of employment and economic development and the appropriate
69.30 local government unit whenever notice is sent to a business under this paragraph.

69.31 (c) The certification required under this section is public.

69.32 (d) The commissioner of revenue shall promptly notify the commissioner of
69.33 employment and economic development of all qualified TECHZ businesses that certify

that they are not in compliance with the terms of their business subsidy agreement and all qualified TECHZ businesses that fail to file the certification.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2009 Supplement, section 275.70, subdivision 5, is amended to read:

73.17 levy limitation computed under section 275.71, shall be deducted from the levy limit

73.27 commissioner of revenue for making this determination;

73.28 (13) to repay a state or federal loan used to fund the direct or indirect required
73.29 spending by the local government due to a state or federal transportation project or other

73.34 district courts in the county for calendar year 2001 and (ii) the aid amount certified to be
73.35 paid to the county in 2004 under section 273.1398, subdivision 4c; however, for taxes

If the city or county uses this special levy, any amount levied by the city or county in the previous levy year for the purposes specified in this clause and included in the city's or county's previous year's levy limit computed under section 275.71, must be deducted from the levy limit base under section 275.71, subdivision 2, in determining the city's or county's current year levy limit;

(18) for counties, to pay for the increase in their share of health and human service costs caused by reductions in federal health and human services grants effective after September 30, 2007;

In the case of an unallotment, the amount of the levy allowed under this clause is equal to the amount unallotted or reduced in the

calendar year in which the tax is levied unless the unallotment amount is not known by September 1 of the levy year, and the local government has not adjusted its levy under section 275.065, subdivision 6, or 275.07, subdivision 6, in which case the unallotment amount may be levied in the following year;

(23) to pay for the difference between one-half of the costs of confining sex offenders undergoing the civil commitment process and any state payments for this purpose pursuant to section 253B.185, subdivision 5;

(24) for a county to pay the costs of the first year of maintaining and operating a new facility or new expansion, either of which contains courts, corrections, dispatch, criminal investigation labs, or other public safety facilities and for which all or a portion of the funding for the site acquisition, building design, site preparation, construction, and related equipment was issued or authorized prior to the imposition of levy limits in 2008. The levy limit base shall then be increased by an amount equal to the new facility's first full year's operating costs as described in this clause; and

(25) for 50 percent of the estimated amount of reduction to credits under section 273.1384 for credits payable in the year in which the levy is payable.

EFFECTIVE DATE. This section is effective for taxes payable in 2011 and thereafter.

Sec. 5. Minnesota Statutes 2008, section 275.71, subdivision 5, is amended to read:

Subd. 5. **Property tax levy limit.** ~~For taxes levied in 2008 through 2010,~~ (a) The property tax levy limit for a local governmental unit is equal to its adjusted levy limit base determined under subdivision 4 plus any additional levy authorized under section 275.73, which is levied against net tax capacity, reduced by the sum of (i) the total amount of aids and reimbursements that the local governmental unit is certified to receive under sections 477A.011 to 477A.014, (ii) taconite aids under sections 298.28 and 298.282 including any aid which was required to be placed in a special fund for expenditure in the next succeeding year, (iii) estimated payments to the local governmental unit under section 272.029, adjusted for any error in estimation in the preceding year, and (iv) aids under section 477A.16.

(b) If an aid, payment, or other amount used in paragraph (a) to reduce a local government unit's levy limit is reduced by allotment reduction under section 16A.152, the amount of the aid, payment, or other amount prior to unallotment is used in the computations in paragraph (a). In order for a local government unit to levy outside of its limit to offset a reduction attributable to unallotment, it must do so under, and to the extent authorized by, a special levy authority. If any amount in paragraph (a), items (i) to (iv),

has decreased from the corresponding amount for the prior year other than because of an allotment reduction under section 16A.152, an amount equal to one-half of that decrease must be subtracted from the result obtained under paragraph (a).

EFFECTIVE DATE. This section is effective for taxes payable in 2011 and thereafter.

Sec. 6. Minnesota Statutes 2009 Supplement, section 290C.07, is amended to read:

290C.07 CALCULATION OF INCENTIVE PAYMENT.

An approved claimant under the sustainable forest incentive program is eligible to receive an annual payment. The payment shall equal the greater of:

(1) the difference between the property tax that would be paid on the land using the previous year's statewide average total township tax rate and a class rate of one percent, if the land were valued at (i) the average statewide managed forest land market value per acre calculated under section 290C.06, and (ii) the average statewide managed forest land current use value per acre calculated under section 290C.02, subdivision 5; or

(2) two-thirds of the property tax amount determined by using the previous year's statewide average total township tax rate, the estimated market value per acre as calculated in section 290C.06, and a class rate of one percent, provided that the payment shall be no less than \$7 per acre for each acre enrolled in the sustainable forest incentive program and the maximum payment per each Social Security Number or state or federal business tax identification number shall not exceed \$100,000.

EFFECTIVE DATE. This section is effective for payments made after June 30, 2011, based on certifications due in 2011 and thereafter.

Sec. 7. Minnesota Statutes 2008, section 477A.013, subdivision 9, is amended to read:

Subd. 9. **City aid distribution.** (a) ~~In calendar year 2009 and thereafter,~~ Each city shall receive an aid distribution equal to the sum of (1) the city formula aid under subdivision 8, and (2) its city aid base.

(b) For aids payable in ~~2009~~ 2011 only, the total aid for any city shall not exceed the sum of (1) 35 percent of the city's net levy for the year prior to the aid distribution, plus (2) its total aid in the previous year. For aid payable in 2011 only, the total aid for any city with a population of 2,500 or more may not be less than its total aid under this section in the previous year minus the lesser of \$125 multiplied by its population, or 50 percent of its net levy in the year prior to the aid distribution. The total aid for a city with a population less than 2,500 must not be less than the amount it was certified to receive

in the previous year minus the lesser of \$125 multiplied by its population, or 40 percent of its 2003 certified aid amount.

(c) For aids payable in ~~2010~~ 2012 and thereafter, the total aid for any city shall not exceed the sum of (1) ten percent of the city's net levy for the year prior to the aid distribution plus (2) its total aid in the previous year. For aids payable in ~~2009~~ 2012 and thereafter, the total aid for any city with a population of 2,500 or more may not be less than its total aid under this section in the previous year minus the lesser of \$10 multiplied by its population, or ten percent of its net levy in the year prior to the aid distribution.

(d) For aids payable in ~~2010~~ 2012 and thereafter, the total aid for a city with a population less than 2,500 must not be less than the amount it was certified to receive in the previous year minus the lesser of \$10 multiplied by its population, or five percent of its 2003 certified aid amount. ~~For aids payable in 2009 only, the total aid for a city with a population less than 2,500 must not be less than what it received under this section in the previous year unless its total aid in calendar year 2008 was aid under section 477A.011, subdivision 36, paragraph (s), in which case its minimum aid is zero.~~

(e) For aid payable in 2012 and thereafter, a city's aid loss under this section may not exceed \$300,000 in any year in which the total city aid appropriation under section 477A.03, subdivision 2a, is equal or greater than the appropriation under that subdivision in the previous year, unless the city has an adjustment in its city net tax capacity under the process described in section 469.174, subdivision 28.

(f) If a city's net tax capacity used in calculating aid under this section has decreased in any year by more than 25 percent from its net tax capacity in the previous year due to property becoming tax-exempt Indian land, the city's maximum allowed aid increase under paragraph (c) shall be increased by an amount equal to (1) the city's tax rate in the year of the aid calculation, multiplied by (2) the amount of its net tax capacity decrease resulting from the property becoming tax exempt.

EFFECTIVE DATE. This section is effective for aid payable in 2011 and thereafter.

Sec. 8. [477A.0133] ADDITIONAL 2010 AID AND REDUCTIONS.

Subdivision 1. Definitions. (a) For the purposes of this section, the following terms have the meanings given them in this subdivision.

(b) The "2010 revenue base" for a county is the sum of the county's certified property tax levy for taxes payable in 2010, plus the amount of county program aid under section 477A.0124 that the county was certified to receive in 2010, plus the amount of taconite aids under sections 298.28 and 298.282 that the county was certified to receive in 2010 including any amounts required to be placed in a special fund for distribution in a later year.

(c) The "2010 revenue base" for a statutory or home rule charter city is the sum of the city's certified property tax levy for taxes payable in 2010, plus the amount of local government aid under section 477A.013, subdivision 9, that the city was certified to receive in 2010, plus the amount of taconite aids under sections 298.28 and 298.282 that the city was certified to receive in 2010 including any amounts required to be placed in a special fund for distribution in a later year.

Subd. 2. **2010 reductions; counties, cities, and towns.** After implementing any reduction of county program aid under section 477A.0124, local government aid under section 477A.013, or market value credit reimbursements under section 273.1384, for amounts payable in 2010 to reflect the reduction of allotments under section 16A.152, the commissioner of revenue must compute the additional aid reduction amounts for each county and city provided under this section.

The additional reduction amounts under this section are limited to the sum of the amount of county program aid under section 477A.0124, local government aid under section 477A.013, and market value credit reimbursements under section 273.1384 payable to the county or city in 2010 before the reductions in this section, but after the reductions for unallotments.

The reduction amount under this section is applied first to reduce the amount payable as either county program aid under section 477A.0124, in the case of a county, or local government aid under section 477A.013, in the case of a city, and then, if necessary, to reduce the amount payable to the county or city in 2010 as market value credit reimbursements under section 273.1384.

No aid or reimbursement amount is reduced to less than zero under this section.

The additional 2010 aid reduction amount for a county is equal to 4.354 percent of the county's 2010 revenue base. The additional 2010 aid reduction amount for a city is equal to 8.158 percent of the city's 2010 revenue base.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 9. Minnesota Statutes 2008, section 477A.03, subdivision 2a, is amended to read:

79.1 Sec. 10. Minnesota Statutes 2008, section 477A.03, subdivision 2b, is amended to read:

79.2 Subd. 2b. **Counties.** (a) For aids payable in ~~2009~~ 2011 and thereafter, the total aid
79.3 payable under section 477A.0124, subdivision 3, is ~~\$111,500,000 minus one-half of the~~
79.4 ~~total aid amount determined under section 477A.0124, subdivision 5, paragraph (b),~~
79.5 ~~subject to adjustment in subdivision 5~~ \$33,059,086. Each calendar year, \$500,000 shall be
79.6 retained by the commissioner of revenue to make reimbursements to the commissioner of
79.7 management and budget for payments made under section 611.27. For calendar year 2004,
79.8 the amount shall be in addition to the payments authorized under section 477A.0124,
79.9 subdivision 1. For calendar year 2005 and subsequent years, the amount shall be deducted
79.10 from the appropriation under this paragraph. The reimbursements shall be to defray the
79.11 additional costs associated with court-ordered counsel under section 611.27. Any retained
79.12 amounts not used for reimbursement in a year shall be included in the next distribution
79.13 of county need aid that is certified to the county auditors for the purpose of property tax
79.14 reduction for the next taxes payable year.

79.15 (b) For aids payable in ~~2009~~ 2011 and thereafter, the total aid under section
79.16 477A.0124, subdivision 4, is ~~\$116,132,923 minus one-half of the total aid amount~~
79.17 ~~determined under section 477A.0124, subdivision 5, paragraph (b), subject to adjustment~~
79.18 ~~in subdivision 5~~ \$34,082,538. The commissioner of management and budget shall bill the
79.19 commissioner of revenue for the cost of preparation of local impact notes as required by
79.20 section 3.987, not to exceed \$207,000 in fiscal year 2004 and thereafter. The commissioner
79.21 of education shall bill the commissioner of revenue for the cost of preparation of local
79.22 impact notes for school districts as required by section 3.987, not to exceed \$7,000 in fiscal
79.23 year 2004 and thereafter. The commissioner of revenue shall deduct the amounts billed
79.24 under this paragraph from the appropriation under this paragraph. The amounts deducted
79.25 are appropriated to the commissioner of management and budget and the commissioner of
79.26 education for the preparation of local impact notes.

79.27 **EFFECTIVE DATE.** This section is effective for aids payable in 2011 and
79.28 thereafter.

79.29 Sec. 11. Minnesota Statutes 2008, section 477A.12, is amended by adding a
79.30 subdivision to read:

79.31 Subd. 4. **Reduction.** Beginning in 2010, the amount of an annual payment to
79.32 a county under this section is the amount determined under subdivision 1 to 3, reduced
79.33 by six percent.

Subd. 7. **Refund.** "Refund" means an individual income tax refund ~~or political contribution refund~~, pursuant to chapter 290, or a property tax credit or refund, pursuant to chapter 290A, or a sustainable forest tax payment to a claimant under chapter 290C.

For purposes of this chapter, lottery prizes, as set forth in section 349A.08, subdivision 8, and amounts granted to persons by the legislature on the recommendation of the joint senate-house of representatives Subcommittee on Claims shall be treated as refunds.

In the case of a joint property tax refund payable to spouses under chapter 290A, the refund shall be considered as belonging to each spouse in the proportion of the total refund that equals each spouse's proportion of the total income determined under section 290A.03, subdivision 3. In the case of a joint income tax refund under chapter 289A, the refund shall be considered as belonging to each spouse in the proportion of the total refund that equals each spouse's proportion of the total taxable income determined under section 290.01, subdivision 29. The commissioner shall remit the entire refund to the claimant agency, which shall, upon the request of the spouse who does not owe the debt, determine the amount of the refund belonging to that spouse and refund the amount to that spouse. For court fines, fees, and surcharges and court-ordered restitution under section 611A.04, subdivision 2, the notice provided by the commissioner of revenue under section 270A.07, subdivision 2, paragraph (b), serves as the appropriate legal notice to the spouse who does not owe the debt.

EFFECTIVE DATE. This section is effective for political contribution refund claims based on contributions that are made after June 30, 2011.

Sec. 2. Minnesota Statutes 2008, section 289A.50, subdivision 1, is amended to read:

Subdivision 1. **General right to refund.** (a) Subject to the requirements of this section and section 289A.40, a taxpayer who has paid a tax in excess of the taxes lawfully due and who files a written claim for refund will be refunded or credited the overpayment of the tax determined by the commissioner to be erroneously paid.

(b) The claim must specify the name of the taxpayer, the date when and the period for which the tax was paid, the kind of tax paid, the amount of the tax that the taxpayer claims was erroneously paid, the grounds on which a refund is claimed, and other information relative to the payment and in the form required by the commissioner. An income tax, estate tax, or corporate franchise tax return, or amended return claiming an overpayment constitutes a claim for refund.

(c) When, in the course of an examination, and within the time for requesting a refund, the commissioner determines that there has been an overpayment of tax, the

commissioner shall refund or credit the overpayment to the taxpayer and no demand is necessary. If the overpayment exceeds \$1, the amount of the overpayment must be refunded to the taxpayer. If the amount of the overpayment is less than \$1, the commissioner is not required to refund. In these situations, the commissioner does not have to make written findings or serve notice by mail to the taxpayer.

(d) If the amount allowable as a credit for withholding, estimated taxes, or dependent care exceeds the tax against which the credit is allowable, the amount of the excess is considered an overpayment. ~~The refund allowed by section 290.06, subdivision 23, is also considered an overpayment.~~ The requirements of section 270C.33 do not apply to the refunding of such an overpayment shown on the original return filed by a taxpayer.

(e) If the entertainment tax withheld at the source exceeds by \$1 or more the taxes, penalties, and interest reported in the return of the entertainment entity or imposed by section 290.9201, the excess must be refunded to the entertainment entity. If the excess is less than \$1, the commissioner need not refund that amount.

(f) If the surety deposit required for a construction contract exceeds the liability of the out-of-state contractor, the commissioner shall refund the difference to the contractor.

(g) An action of the commissioner in refunding the amount of the overpayment does not constitute a determination of the correctness of the return of the taxpayer.

(h) There is appropriated from the general fund to the commissioner of revenue the amount necessary to pay refunds allowed under this section.

EFFECTIVE DATE. This section is effective for political contribution refund claims based on contributions that are made after June 30, 2011.

Sec. 3. Minnesota Statutes 2008, section 290.01, subdivision 6, is amended to read:

Subd. 6. **Taxpayer.** The term "taxpayer" means any person or corporation subject to a tax imposed by this chapter. ~~For purposes of section 290.06, subdivision 23, the term "taxpayer" means an individual eligible to vote in Minnesota under section 201.014.~~

EFFECTIVE DATE. This section is effective for political contribution refund claims based on contributions that are made after June 30, 2011.

Sec. 4. Minnesota Statutes 2008, section 290A.03, subdivision 11, is amended to read:

Subd. 11. **Rent constituting property taxes.** "Rent constituting property taxes" means ~~19~~ 15 percent of the gross rent actually paid in cash, or its equivalent, or the portion of rent paid in lieu of property taxes, in any calendar year by a claimant for the right of occupancy of the claimant's Minnesota homestead in the calendar year, and which

83.1 rent constitutes the basis, in the succeeding calendar year of a claim for relief under this
83.2 chapter by the claimant.

83.3 **EFFECTIVE DATE.** This section is effective for property tax refunds based on
83.4 rent paid after December 31, 2009.

83.5 Sec. 5. Minnesota Statutes 2008, section 290A.03, subdivision 13, is amended to read:

83.6 Subd. 13. **Property taxes payable.** "Property taxes payable" means the property tax
83.7 exclusive of special assessments, penalties, and interest payable on a claimant's homestead
83.8 after deductions made under sections 273.135, 273.1384, 273.1391, 273.42, subdivision 2,
83.9 and any other state paid property tax credits in any calendar year, and after any refund
83.10 claimed and allowable under section 290A.04, subdivision 2h, that is first payable in
83.11 the year that the property tax is payable. In the case of a claimant who makes ground
83.12 lease payments, "property taxes payable" includes the amount of the payments directly
83.13 attributable to the property taxes assessed against the parcel on which the house is located.
83.14 No apportionment or reduction of the "property taxes payable" shall be required for the
83.15 use of a portion of the claimant's homestead for a business purpose if the claimant does not
83.16 deduct any business depreciation expenses for the use of a portion of the homestead in the
83.17 determination of federal adjusted gross income. For homesteads which are manufactured
83.18 homes as defined in section 273.125, subdivision 8, and for homesteads which are park
83.19 trailers taxed as manufactured homes under section 168.012, subdivision 9, "property
83.20 taxes payable" shall also include ~~19~~ 15 percent of the gross rent paid in the preceding
83.21 year for the site on which the homestead is located. When a homestead is owned by
83.22 two or more persons as joint tenants or tenants in common, such tenants shall determine
83.23 between them which tenant may claim the property taxes payable on the homestead. If
83.24 they are unable to agree, the matter shall be referred to the commissioner of revenue
83.25 whose decision shall be final. Property taxes are considered payable in the year prescribed
83.26 by law for payment of the taxes.

83.27 In the case of a claim relating to "property taxes payable," the claimant must have
83.28 owned and occupied the homestead on January 2 of the year in which the tax is payable
83.29 and (i) the property must have been classified as homestead property pursuant to section
83.30 273.124, on or before December 15 of the assessment year to which the "property taxes
83.31 payable" relate; or (ii) the claimant must provide documentation from the local assessor
83.32 that application for homestead classification has been made on or before December 15
83.33 of the year in which the "property taxes payable" were payable and that the assessor has
83.34 approved the application.

84.1 **EFFECTIVE DATE.** This section is effective for property tax refunds based upon
84.2 rent paid after December 31, 2009, and upon property taxes payable in 2011 and thereafter.

84.3 Sec. 6. **REPEALER.**

84.4 (a) Minnesota Statutes 2008, sections 10A.322, subdivision 4; and 13.4967,
84.5 subdivision 2, are repealed.

84.6 (b) Minnesota Statutes 2008, section 290.06, subdivision 23, is repealed.

84.7 **EFFECTIVE DATE.** Paragraph (a) is effective the day following final enactment.
84.8 Paragraph (b) is effective for refund claims based on contributions made after June 30,
84.9 2011.

84.10 **ARTICLE 8**

84.11 **MISCELLANEOUS**

84.12 Section 1. **[270C.311] FAILURE TO PRODUCE RECORDS.**

84.13 (a) A taxpayer who fails to produce records or documents that support items on a
84.14 return is subject to a penalty equal to the greater of \$500 or 25 percent of the amount of
84.15 the additional tax on any assessment made by the commissioner that results from the
84.16 failure to produce the documents or records.

84.17 (b) The penalty cannot be imposed unless the commissioner:

84.18 (1) makes a preliminary written request for the records or documents that gives the
84.19 taxpayer at least 30 days to comply; and

84.20 (2) makes a final written request, after the deadline provided in the preliminary
84.21 written request, for records or documents that gives the taxpayer at least 30 days to
84.22 comply. This request must notify the taxpayer of the consequences for failing to provide
84.23 the records or documents.

84.24 (c) The penalty may not be imposed, and if imposed, may be abated, if the taxpayer
84.25 shows that the response, or failure to respond, was due to reasonable cause.

84.26 (d) Records or documents submitted after the deadline provided in the request made
84.27 under paragraph (b) may be used to determine the correct tax. However, the late records or
84.28 documents must not reduce any penalty assessed under this section unless the penalty is
84.29 abated under paragraph (c).

84.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

84.31 Sec. 2. Minnesota Statutes 2008, section 270C.52, subdivision 2, is amended to read:

85.1 Subd. 2. **Payment agreements.** (a) When any portion of any tax payable to the
85.2 commissioner together with interest and penalty thereon, if any, has not been paid, the
85.3 commissioner may extend the time for payment for a further period. When the authority
85.4 of this section is invoked, the extension shall be evidenced by written agreement signed by
85.5 the taxpayer and the commissioner, stating the amount of the tax with penalty and interest,
85.6 if any, and providing for the payment of the amount in installments.

85.7 (b) The agreement may contain a confession of judgment for the amount and for any
85.8 unpaid portion thereof. If the agreement contains a confession of judgment, the confession
85.9 of judgment must provide that the commissioner may enter judgment against the taxpayer
85.10 in the district court of the county of residence as shown upon the taxpayer's tax return for
85.11 the unpaid portion of the amount specified in the extension agreement.

85.12 (c) The agreement shall provide that it can be terminated, after notice by the
85.13 commissioner, if information provided by the taxpayer prior to the agreement was
85.14 inaccurate or incomplete, collection of the tax covered by the agreement is in jeopardy,
85.15 there is a subsequent change in the taxpayer's financial condition, the taxpayer has failed
85.16 to make a payment due under the agreement, or the taxpayer has failed to pay any other
85.17 tax or file a tax return coming due after the agreement.

85.18 (d) The notice must be given at least 14 calendar days prior to termination, and shall
85.19 advise the taxpayer of the right to request a reconsideration from the commissioner of
85.20 whether termination is reasonable and appropriate under the circumstances. A request for
85.21 reconsideration does not stay collection action beyond the 14-day notice period. If the
85.22 commissioner has reason to believe that collection of the tax covered by the agreement
85.23 is in jeopardy, the commissioner may proceed under section 270C.36 and terminate the
85.24 agreement without regard to the 14-day period.

85.25 (e) The commissioner may accept other collateral the commissioner considers
85.26 appropriate to secure satisfaction of the tax liability. The principal sum specified in the
85.27 agreement shall bear interest at the rate specified in section 270C.40 on all unpaid portions
85.28 thereof until the same has been fully paid or the unpaid portion thereof has been entered as
85.29 a judgment. The judgment shall bear interest at the rate specified in section 270C.40.

85.30 (f) If it appears to the commissioner that the tax reported by the taxpayer is in excess
85.31 of the amount actually owing by the taxpayer, the extension agreement or the judgment
85.32 entered pursuant thereto shall be corrected. If after making the extension agreement
85.33 or entering judgment with respect thereto, the commissioner determines that the tax as
85.34 reported by the taxpayer is less than the amount actually due, the commissioner shall
85.35 assess a further tax in accordance with the provisions of law applicable to the tax.

(g) The authority granted to the commissioner by this section is in addition to any other authority granted to the commissioner by law to extend the time of payment or the time for filing a return and shall not be construed in limitation thereof.

(h) The commissioner shall charge a fee for entering into payment agreements that reflects the commissioner's costs for entering into payment agreements. The fee is initially set at \$25 and is adjusted annually as necessary. The fee is charged for entering into a payment agreement, for entering into a new payment agreement after the taxpayer has defaulted on a prior agreement, and for entering into a new payment agreement as a result of renegotiation of the terms of an existing agreement. The fee is paid to the commissioner before the payment agreement becomes effective and does not reduce the amount of the liability.

By June 1 of each year, the commissioner shall determine the cost to the commissioner for entering into payment agreements during the fiscal year and adjust the payment agreement fee as necessary to most nearly equal those costs. Determination of the fee for payment agreements under this section is not subject to the fee setting requirements of section 16A.1283.

EFFECTIVE DATE. This section is effective for payment agreements entered into or renegotiated after June 30, 2010.

Sec. 3. Minnesota Statutes 2009 Supplement, section 289A.08, subdivision 16, is amended to read:

Subd. 16. **Tax refund or return preparers; electronic filing; paper filing fee imposed.** (a) A "tax refund or return preparer," as defined in section 289A.60, subdivision 13, paragraph (f), who ~~prepared~~ is a tax return preparer for purposes of section 6011(e) of the Internal Revenue Code, and who reasonably expects to prepare more than ~~100~~ ten Minnesota individual income tax returns for the ~~prior~~ current calendar year must file all Minnesota individual income tax returns prepared for the ~~current~~ that calendar year by electronic means.

(b) Paragraph (a) does not apply to a return if the taxpayer has indicated on the return that the taxpayer did not want the return filed by electronic means.

(c) For each return that is not filed electronically by a tax refund or return preparer under this subdivision, including returns filed under paragraph (b), a paper filing fee of \$5 is imposed upon the preparer. The fee is collected from the preparer in the same manner as income tax. The fee does not apply to returns that the commissioner requires to be filed in paper form.
