1.2 relating to motor vehicles; authorizing special highway 14 plates; appropriating
1.3 funds; proposing coding for new law in Minnesota Statutes, chapter 168.

1.4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5 Section 1. [168.1295] CERTAIN SPECIAL PLATES; UNIFORM
1.6 REQUIREMENTS.

1.7 Subdivision 1. Definition. For purposes of this section, "special plates" means
1.8 plates, or a single motorcycle plate, that are (1) designed with wording and graphics that
1.9 differ from a regular Minnesota passenger automobile plate or motorcycle plate, and (2)
1.10 authorized under section 168.1299.

1.11 Subd. 2. General requirements; fees. The commissioner shall issue special plates
1.12 to an applicant who:

1.13 (1) meets any eligibility requirements established in the section of this chapter that
1.14 specifically authorizes the special plates;

1.15 (2) is a registered owner of a passenger automobile, one-ton pickup truck,
1.16 motorcycle, or recreational motor vehicle;

1.17 (3) pays the fee as required under section 168.12, subdivision 5;

1.21 and licensing of drivers.

2.2 issued for a motorcycle may be transferred to a motorcycle.

2.3 Subd. 4. **Plate removal, invalidation, replacement.** (a) An individual may use
2.4 special plates only during the period that the individual remains eligible for the plates.
2.5 When the individual to whom the special plates were issued ceases to be eligible for
2.6 the plates, the individual shall remove each set of plates issued. When ownership of a
2.7 motor vehicle is transferred, the individual ceasing to have ownership shall remove the
2.8 special plates from the motor vehicle.

2.9 (b) If the commissioner receives written notification that an individual is no longer
2.10 qualified for the special plates, the commissioner shall invalidate the plates and notify the
2.11 individual of this action. The individual may retain the plates only upon demonstrating
2.12 compliance with this section and any eligibility requirements established in the section of
2.13 this chapter that specifically authorizes the special plates.

2.14 (c) Upon removal or invalidation of the special plates, the owner of the motor
2.15 vehicle, or the individual taking possession of the vehicle in the case of transfer of motor
2.16 vehicle ownership, shall obtain plates for the proper registration classification for the
2.17 motor vehicle.

2.24 house of representatives and senate committees with jurisdiction over transportation
2.25 policy and finance.

2.26 (b) The report must, at a minimum, specify:

2.27 (1) for each type of special plate, the number issued (i) in the previous fiscal year,
2.28 and (ii) since inception of the plate; and

2.29 (2) for each type of special plate that requires an additional contribution in the
2.30 section of this chapter that specifically authorizes the special plates:

2.31 (i) the amount of contribution funds received (A) in the previous fiscal year, and (B)
2.32 since inception of the plate; and

2.33 (ii) a brief description of the primary expenditures and uses of contribution funds.

2.34 (c) Any department or agency receiving contribution funds in association with
2.35 special plates shall assist the commissioner as requested in preparing the report under

3.9 not subject to section 168.1293, subdivision 2.

3.11 14 account is created in the special revenue fund. The account consists of money
3.12 contributed under subdivision 1, clause (2), and any other money donated, allotted,
3.13 transferred, or otherwise provided to the account.

3.14 (b) Of the first dollars deposited in the account, an amount equal to the total start-up
