(ii) the sum of: (A) the product of the district's average daily membership served and the special education aid increase limit and (B) the product of the sum of the special education aid the district would have received for fiscal year 2016 under Minnesota Statutes 2012, sections 125A.76 and 125A.79, as adjusted according to Minnesota Statutes 2012, sections 125A.11 and 127A.47, subdivision 7, the ratio of the district's average daily membership served for the current fiscal year to the district's average daily membership served for fiscal year 2016, and the program growth factor.

(c) Notwithstanding paragraph (a), for fiscal year 2020 and later the special education aid, excluding the cross subsidy reduction aid under subdivision 2e, and excluding special education homeless pupil aid under subdivision 2f, for a school district, not including a charter school or cooperative unit as defined in section 123A.24, must not be less than the lesser of (1) the sum of 90 percent for fiscal year 2020, 85 percent for fiscal year 2021, 80 percent for fiscal year 2022, and 75 percent for fiscal year 2023 and later of the district's nonfederal special education expenditures plus 100 percent of the district's cost of providing...

The department shall establish procedures to adjust the prior year data and fiscal year 2016 old formula aid used in calculating special education aid to exclude costs that have been eliminated for districts where programs have closed or where a substantial portion of the program has been transferred to a cooperative unit.

(e) The department shall establish procedures through the uniform financial accounting and reporting system to identify and track all revenues generated from third-party billings as special education revenue at the school district level; include revenue generated from third-party billings as special education revenue in the annual cross-subsidy report; and exclude third-party revenue from calculation of excess cost aid to the districts.
