In selecting health conditions for which baskets of care should 2.11 be defined, the commissioner shall consider coronary artery and heart disease, diabetes, 2.12 asthma, and depression. In selecting health conditions, the commissioner shall also 2.13 consider the prevalence of the health conditions, the cost of treating the health conditions, 2.14 and the potential for innovations to reduce cost and improve quality.

(b) The commissioner shall convene one or more work groups to assist in
establishing these definitions. Each work group shall include members appointed by
statewide associations representing relevant health care providers and health plan
companies, and organizations that work to improve health care quality in Minnesota.

2.19 (c) To the extent possible, the baskets of care must incorporate a patient-directed,2.20 decision-making support model.

(d) By January 1, 2011, the commissioner shall establish uniform definitions for the
total cost of providing all necessary services to a patient through an accountable care
organization meeting the standards specified in Public Law Number 111-XXX, and shall
develop a standard method and format for accountable care organizations to use for

This paragraph does 3.4 not apply to services paid for by Medicare, state public health care programs through 3.5 fee-for-service or prepaid arrangements, workers' compensation, or no-fault automobile 3.6 insurance. This paragraph does not affect the right of a provider to provide charity care 3.7 or care for a reduced price due to financial hardship of the patient or due to the patient 3.8 being a relative or friend of the provider. 3.9

3.10 Subd. 3. **Quality measurements for baskets of care.** (a) The commissioner shall 3.11 establish quality measurements for the defined baskets of care by December 31, 2009. 3.12 <u>The commissioner shall establish quality measures for the total cost of care for services</u> 3.13 <u>delivered through an accountable care organization by June 30, 2011.</u> The commissioner 3.14 may contract with an organization that works to improve health care quality to make 3.15 recommendations about the use of existing measures or establishing new measures where 3.16 no measures currently exist.

62E.08 STATE PLAN PREMIUM.

Subdivision 1. **Establishment.** The association shall establish the following maximum premiums to be charged for membership in the comprehensive health insurance plan:

(a) the premium for the number one qualified plan shall range from a minimum of 101 percent to a maximum of 125 percent of the weighted average of rates charged by those insurers and health maintenance organizations with individuals enrolled in:

(1) \$1,000 annual deductible individual plans of insurance in force in Minnesota;

(2) individual health maintenance organization contracts of coverage with a \$1,000 annual deductible which are in force in Minnesota; and

(3) other plans of coverage similar to plans offered by the association based on generally accepted actuarial principles;

(b) the premium for the number two qualified plan shall range from a minimum of 101 percent to a maximum of 125 percent of the weighted average of rates charged by those insurers and health maintenance organizations with individuals enrolled in:

(1) \$500 annual deductible individual plans of insurance in force in Minnesota;

(2) individual health maintenance organization contracts of coverage with a \$500 annual deductible which are in force in Minnesota; and

(3) other plans of coverage similar to plans offered by the association based on generally accepted actuarial principles;

(c) the premiums for the plans with a \$2,000, \$5,000, or \$10,000 annual deductible shall range from a minimum of 101 percent to a maximum of 125 percent of the weighted average of rates charged by those insurers and health maintenance organizations with individuals enrolled in:

(1) \$2,000, \$5,000, or \$10,000 annual deductible individual plans, respectively, in force in Minnesota; and

(2) individual health maintenance organization contracts of coverage with a \$2,000, \$5,000, or \$10,000 annual deductible, respectively, which are in force in Minnesota; or

(3) other plans of coverage similar to plans offered by the association based on generally accepted actuarial principles;

(d) the premium for each type of Medicare supplement plan required to be offered by the association pursuant to section 62E.12 shall range from a minimum of 101 percent to a maximum of 125 percent of the weighted average of rates charged by those insurers and health maintenance organizations with individuals enrolled in:

(1) Medicare supplement plans in force in Minnesota;

(2) health maintenance organization Medicare supplement contracts of coverage which are in force in Minnesota; and

(3) other plans of coverage similar to plans offered by the association based on generally accepted actuarial principles; and

(e) the charge for health maintenance organization coverage shall be based on generally accepted actuarial principles.

The list of insurers and health maintenance organizations whose rates are used to establish the premium for coverage offered by the association pursuant to paragraphs (a) to (d) shall be established by the commissioner on the basis of information which shall be provided to the association by all insurers and health maintenance organizations annually at the commissioner's request. This information shall include the number of individuals covered by each type of plan or contract specified in paragraphs (a) to (d) that is sold, issued, and renewed by the insurers and health maintenance organizations, including those plans or contracts available only on a renewal basis. The information shall also include the rates charged for each type of plan or contract.

In establishing premiums pursuant to this section, the association shall utilize generally accepted actuarial principles, provided that the association shall not discriminate in charging premiums based upon sex. In order to compute a weighted average for each type of plan or contract specified under paragraphs (a) to (d), the association shall, using the information collected pursuant to this subdivision, list insurers and health maintenance organizations in rank order of the total number of individuals covered by each insurer or health maintenance organization. The association shall then compute a weighted average of the rates charged for coverage by all the insurers and health maintenance organizations by:

(1) multiplying the numbers of individuals covered by each insurer or health maintenance organization by the rates charged for coverage;

(2) separately summing both the number of individuals covered by all the insurers and health maintenance organizations and all the products computed under clause (1); and

Repealed Minnesota Statutes: 10-6133

(3) dividing the total of the products computed under clause (1) by the total number of individuals covered.

The association may elect to use a sample of information from the insurers and health maintenance organizations for purposes of computing a weighted average. In no case, however, may a sample used by the association to compute a weighted average include information from fewer than the two insurers or health maintenance organizations highest in rank order.

Subd. 2. **Self-supporting.** Subject to subdivision 1, the schedule of premiums for coverage under the comprehensive health insurance plan shall be designed to be self-supporting and based on generally accepted actuarial principles.

Subd. 3. **Determination of rates.** Premium rates under this section must be determined annually. These rates are effective July 1 of each year and must be based on a survey of approved rates of insurers and health maintenance organizations in effect, or to be in effect, on April 1 of the same calendar year. These rates may be trended to July 1 in order to reflect economic and inflationary changes.

Subd. 4. **Smoker's rates.** The association may establish smoker and nonsmoker premium rates that are based on generally accepted actuarial principles.

(i) the relative solvency of the contributing members; and

(j) other factors deemed relevant by the commissioner.

In no case, however, may the commissioner approve premiums for those plans of coverage described in section 62E.08, subdivision 1, paragraphs (a) to (d), that are lower than 101 percent or greater than 125 percent of the weighted averages computed by the association pursuant to section 62E.08. The commissioner shall support a decision to approve, modify, or reject any premium proposed by the association with written findings and conclusions addressing each criterion specified in this section. If the commissioner does not approve, modify, or reject the premiums proposed by the association sooner than 45 days before the effective date for premiums specified in section 62E.08, subdivision 3, the premiums proposed by the association under this section become effective.

62E.10 COMPREHENSIVE HEALTH ASSOCIATION.

Subdivision 1. **Creation; tax exemption.** There is established a Comprehensive Health Association to promote the public health and welfare of the state of Minnesota with membership consisting of all insurers; self-insurers; fraternals; joint self-insurance plans regulated under chapter 62H; the Minnesota employees insurance program established in section 43A.317, effective July 1, 1993; health maintenance organizations; and community integrated service networks licensed or authorized to do business in this state. The Comprehensive Health Association is exempt from the taxes imposed under chapter 297I and any other laws of this state and all property owned by the association is exempt from taxation.

Subd. 2. Board of directors; organization. The board of directors of the association shall be made up of eleven members as follows: six directors selected by contributing members, subject to approval by the commissioner, one of which must be a health actuary; five public directors selected by the commissioner, at least two of whom must be plan enrollees, two of whom are covered under an individual plan subject to assessment under section 62E.11 or group plan offered by an employer subject to assessment under section 62E.11, and one of whom must be a licensed insurance agent. At least two of the public directors must reside outside of the seven county metropolitan area. In determining voting rights at members' meetings, each member shall be entitled to vote in person or proxy. The vote shall be a weighted vote based upon the member's cost of self-insurance, accident and health insurance premium, subscriber contract charges, health maintenance contract payment, or community integrated service network payment derived from or on behalf of Minnesota residents in the previous calendar year, as determined by the commissioner. In approving directors of the board, the commissioner shall consider, among other things, whether all types of members are fairly represented. Directors selected by contributing members may be reimbursed from the money of the association for expenses incurred by them as directors, but shall not otherwise be compensated by the association for their services. The costs of conducting meetings of the association and its board of directors shall be borne by members of the association.

Subd. 2a. **Appeals.** A person may appeal to the commissioner within 30 days after notice of an action, ruling, or decision by the board.

A final action or order of the commissioner under this subdivision is subject to judicial review in the manner provided by chapter 14.

In lieu of the appeal to the commissioner, a person may seek judicial review of the board's action.

Subd. 3. **Mandatory membership.** All members shall maintain their membership in the association as a condition of doing accident and health insurance, self-insurance, health maintenance organization, or community integrated service network business in this state. The association shall submit its articles, bylaws and operating rules to the commissioner for approval; provided that the adoption and amendment of articles, bylaws and operating rules by the association and the approval by the commissioner thereof shall be exempt from the provisions of sections 14.001 to 14.69.

Subd. 4. **Open meetings.** All meetings of the association, its board, and any committees of the association shall comply with the provisions of chapter 13D, except that during any portion of a meeting during which an enrollee's appeal of an action of the writing carrier is being heard, that portion of the meeting must be closed at the enrollee's request.

Subd. 6. Antitrust exemption. In the performance of their duties as members of the association, the members shall be exempt from the provisions of sections 325D.49 to 325D.66.

Subd. 7. General powers. The association may:

(a) Exercise the powers granted to insurers under the laws of this state;

(b) Sue or be sued;

Repealed Minnesota Statutes: 10-6133

(c) Enter into contracts with insurers, similar associations in other states or with other persons for the performance of administrative functions including the functions provided for in clauses (e) and (f);

(d) Establish administrative and accounting procedures for the operation of the association;

(e) Provide for the reinsuring of risks incurred as a result of issuing the coverages required by sections 62E.04 and 62E.16 by members of the association. Each member which elects to reinsure its required risks shall determine the categories of coverage it elects to reinsure in the association. The categories of coverage are:

(1) individual qualified plans, excluding group conversions;

(2) group conversions;

(3) group qualified plans with fewer than 50 employees or members; and

(4) major medical coverage.

A separate election may be made for each category of coverage. If a member elects to reinsure the risks of a category of coverage, it must reinsure the risk of the coverage of every life covered under every policy issued in that category. A member electing to reinsure risks of a category of coverage shall enter into a contract with the association establishing a reinsurance plan for the risks. This contract may include provision for the pooling of members' risks reinsured through the association and it may provide for assessment of each member reinsuring risks for losses and operating and administrative expenses incurred, or estimated to be incurred in the operation of the reinsurance plan. This reinsurance plan shall be approved by the commissioner before it is effective. Members electing to administer the risks which are reinsured in the association shall comply with the benefit determination guidelines and accounting procedures established by the association. The fee charged by the association for the reinsurance of risks shall not be less than 110 percent of the total anticipated expenses incurred by the association for the reinsurance; and

(f) Provide for the administration by the association of policies which are reinsured pursuant to clause (e). Each member electing to reinsure one or more categories of coverage in the association may elect to have the association administer the categories of coverage on the member's behalf. If a member elects to have the association administer the categories of coverage, it must do so for every life covered under every policy issued in that category. The fee for the administration shall not be less than 110 percent of the total anticipated expenses incurred by the association for the administration.

Subd. 8. **Department of state exemption.** The association is exempt from the Administrative Procedure Act but, to the extent authorized by law to adopt rules, the association may use the provisions of section 14.386, paragraph (a), clauses (1) and (3). Section 14.386, paragraph (b), does not apply to these rules.

Subd. 9. Experimental delivery method. The association may petition the commissioner of commerce for a waiver to allow the experimental use of alternative means of health care delivery. The commissioner may approve the use of the alternative means the commissioner considers appropriate. The commissioner may waive any of the requirements of this chapter and chapters 60A, 62A, and 62D in granting the waiver. The commissioner may also grant to the association any additional powers as are necessary to facilitate the specific waiver, including the power to implement a provider payment schedule.

Subd. 10. Cost containment goals. (a) By July 1, 2001, the association shall investigate managed care delivery systems, and if cost effective, enter into contracts with third-party entities as provided in section 62E.101.

(b) By July 1, 2001, the association shall establish a system to annually identify individuals insured by the Minnesota Comprehensive Health Association who may be eligible for private health care coverage, medical assistance, state drug programs, or other state or federal programs and notify them about their eligibility for these programs.

(c) The association shall endeavor to reduce health care costs using additional methods consistent with effective patient care. At a minimum, by July 1, 2001, the association shall:

(1) develop a focused chronic disease management and case management program;

(2) develop a comprehensive program of preventive care; and

(3) implement a total drug formulary program.

The association may establish an enrollee incentive based on enrollee participation in the chronic disease management and case management program developed under this section.

62E.101 MANAGED CARE DELIVERY METHOD.

The association may form a preferred provider network or contract with an existing provider network, health maintenance organization, or nonprofit health service plan corporation

Repealed Minnesota Statutes: 10-6133

to deliver the services and benefits provided for in the plans of health coverage offered. If the association does not contract with an existing provider network, health maintenance organization, or nonprofit health service plan corporation, the association may adopt a provider payment schedule and negotiate provider payment rates subject to the approval of the commissioner.

62E.11 OPERATION OF COMPREHENSIVE PLAN.

Subdivision 1. **Enrollment.** Upon certification as an eligible person in the manner provided by section 62E.14, an eligible person may enroll in the comprehensive health insurance plan by payment of the state plan premium to the writing carrier.

Subd. 2. **Employer premium payment.** Any employer which has in its employ one or more eligible persons enrolled in the comprehensive health insurance plan may make all or any portion of the state plan premium payment to the state plan directly to the writing carrier.

Subd. 3. Claims payments. Not less than 85 percent of the state plan premium paid to the writing carrier shall be used to pay claims, and not more than 15 percent shall be used for the payment of agent referral fees as authorized in section 62E.15, subdivision 3 and for payment of the writing carrier's direct and indirect expenses, as specified in section 62E.13, subdivision 7.

Subd. 4. Net income. Any income in excess of the costs incurred by the association in providing reinsurance or administrative services pursuant to section 62E.07, clauses (e) and (f) shall be held at interest and used by the association to offset losses due to claims expenses of the state plan or allocated to reduce state plan premiums.

Subd. 5. Allocation of losses. Each contributing member of the association shall share the losses due to claims expenses of the comprehensive health insurance plan for plans issued or approved for issuance by the association, and shall share in the operating and administrative expenses incurred or estimated to be incurred by the association incident to the conduct of its affairs. Claims expenses of the state plan which exceed the premium payments allocated to the payment of benefits shall be the liability of the contributing members. Contributing members shall share in the claims expense of the state plan and operating and administrative expenses of the association in an amount equal to the ratio of the contributing member's total accident and health insurance premium, received from or on behalf of Minnesota residents as divided by the total accident and health insurance premium, received by all contributing members from or on behalf of Minnesota residents, as determined by the commissioner. Payments made by the state to a contributing member for medical assistance, MinnesotaCare, or general assistance medical care services according to chapters 256, 256B, and 256D shall be excluded when determining a contributing member's total premium.

Subd. 6. Member assessments. The association shall make an annual determination of each contributing member's liability, if any, and may make an annual fiscal year end assessment if necessary. The association may also, subject to the approval of the commissioner, provide for interim assessments against the contributing members whose aggregate assessments comprised a minimum of 90 percent of the most recent prior annual assessment, in the event that the association deems that methodology to be the most administratively efficient and cost-effective means of assessment, and as may be necessary to assure the financial capability of the association in meeting the incurred or estimated claims expenses of the state plan and operating and administrative expenses of the association until the association's next annual fiscal year end assessment. Payment of an assessment shall be due within 30 days of receipt by a contributing member of a written notice of a fiscal year end or interim assessment. Failure by a contributing member to tender to the association the assessment within 30 days shall be grounds for termination of the contributing member's membership. A contributing member which ceases to do accident and health insurance business within the state shall remain liable for assessments through the calendar year during which accident and health insurance business ceased. The association may decline to levy an assessment against a contributing member if the assessment, as determined herein, would not exceed ten dollars.

Subd. 7. **Net gain.** Net gains, if any, from the operation of the state plan shall be held at interest and used by the association to offset future losses due to claims expenses of the state plan or allocated to reduce state plan premiums.

Subd. 9. **Special assessment upon termination of individual health coverage.** Each contributing member that terminates individual health coverage for reasons other than (a) nonpayment of premium; (b) failure to make co-payments; (c) enrollee moving out of the area served; or (d) a materially false statement or misrepresentation by the enrollee in the application for membership; and does not provide or arrange for replacement coverage that meets the requirements of section 62D.121; shall pay a special assessment to the state plan based upon the number of terminated individuals who join the comprehensive health insurance plan as authorized

Repealed Minnesota Statutes: 10-6133

under section 62E.14, subdivisions 1, paragraph (d), and 6. Such a contributing member shall pay the association an amount equal to the average cost of an enrollee in the state plan in the year in which the member terminated enrollees multiplied by the total number of terminated enrollees who enroll in the state plan.

The average cost of an enrollee in the state comprehensive health insurance plan shall be determined by dividing the state plan's total annual losses by the total number of enrollees from that year. This cost will be assessed to the contributing member who has terminated health coverage before the association makes the annual determination of each contributing member's liability as required under this section.

In the event that the contributing member is terminating health coverage because of a loss of health care providers, the commissioner may review whether or not the special assessment established under this subdivision will have an adverse impact on the contributing member or its enrollees or insureds, including but not limited to causing the contributing member to fall below statutory net worth requirements. If the commissioner determines that the special assessment would have an adverse impact on the contributing member or its enrollees or insureds, the commissioner may adjust the amount of the special assessment, or establish alternative payment arrangements to the state plan. For health maintenance organizations regulated under chapter 62D, the commissioner of health shall make the determination regarding any adjustment in the special assessment and shall transmit that determination to the commissioner of commerce.

Subd. 10. **Termination of individual plan without replacement coverage.** Any contributing members who have terminated individual health plans and do not provide or arrange for replacement coverage that meets the requirements of section 62D.121, and whose former insureds or enrollees enroll in the state comprehensive health insurance plan with a waiver of the preexisting conditions pursuant to section 62E.14, subdivisions 1, paragraph (d), and 6, will be liable for the costs of any preexisting conditions of their former enrollees or insureds treated during the first six months of coverage under the state plan. The liability for preexisting conditions will be assessed before the association makes the annual determination of each contributing member's liability as required under this section.

Subd. 11. **Rate increase or benefit change.** The association must hold a public meeting to hear public comment at least two weeks before filing a rate increase or benefit change with the commissioner. Notice of the public meeting to hear public comment must be mailed at least two weeks before the meeting to all plan enrollees.

Subd. 13. **State funding; effect on premium rates of members.** In approving the premium rates as required in sections 62A.65, subdivision 3; and 62L.08, subdivision 8, the commissioners of health and commerce shall ensure that any appropriation to reduce the annual assessment made on the contributing members to cover the costs of the Minnesota comprehensive health insurance plan as required under this section is reflected in the premium rates charged by each contributing member.

62E.12 MINIMUM BENEFITS OF COMPREHENSIVE HEALTH INSURANCE PLAN.

(a) The association through its comprehensive health insurance plan shall offer policies which provide the benefits of a number one qualified plan and a number two qualified plan, except that the maximum lifetime benefit on these plans shall be \$5,000,000; and an extended basic Medicare supplement plan and a basic Medicare supplement plan as described in sections 62A.3099 to 62A.44. The association may also offer a plan that is identical to a number one and number two qualified plan except that it has a \$2,000 annual deductible and a \$5,000,000 maximum lifetime benefit. The association, subject to the approval of the commissioner, may also offer plans that are identical to the number one or number two qualified plan, except that they have annual deductibles of \$5,000 and \$10,000, respectively; have limitations on total annual out-of-pocket expenses equal to those annual deductibles and therefore cover 100 percent of the allowable cost of covered services in excess of those annual deductibles; and have a \$5,000,000 maximum lifetime benefit. The association, subject to approval of the commissioner, may also offer plans that meet all other requirements of state law except those that are inconsistent with high deductible health plans as defined in sections 220 and 223 of the Internal Revenue Code and supporting regulations. As of January 1, 2006, the association shall no longer be required to offer an extended basic Medicare supplement plan.

(b) The requirement that a policy issued by the association must be a qualified plan is satisfied if the association contracts with a preferred provider network and the level of benefits for services provided within the network satisfies the requirements of a qualified plan. If the

Repealed Minnesota Statutes: 10-6133

association uses a preferred provider network, payments to nonparticipating providers must meet the minimum requirements of section 72A.20, subdivision 15.

(c) The association shall offer health maintenance organization contracts in those areas of the state where a health maintenance organization has agreed to make the coverage available and has been selected as a writing carrier.

(d) Notwithstanding the provisions of section 62E.06 and unless those charges are billed by a provider that is part of the association's preferred provider network, the state plan shall exclude coverage of services of a private duty nurse other than on an inpatient basis and any charges for treatment in a hospital located outside of the state of Minnesota in which the covered person is receiving treatment for a mental or nervous disorder, unless similar treatment for the mental or nervous disorder is medically necessary, unavailable in Minnesota and provided upon referral by a licensed Minnesota medical practitioner.

62E.13 ADMINISTRATION OF PLAN.

Subdivision 1. **Submission of plans of coverage.** Any member of the association may submit to the commissioner the policies of accident and health insurance or the health maintenance organization contracts which are being proposed to serve in the comprehensive health insurance plan. The time and manner of the submission shall be prescribed by rule of the commissioner.

Subd. 2. Selection of writing carrier. The association may select policies and contracts, or parts thereof, submitted by a member or members of the association, or by the association or others, to develop specifications for bids from any entity which wishes to be selected as a writing carrier to administer the state plan. The selection of the writing carrier shall be based upon criteria established by the board of directors of the association and approved by the commissioner. The criteria shall outline specific qualifications that an entity must satisfy in order to be selected and, at a minimum, shall include the entity's proven ability to handle large group accident and health insurance cases, efficient claim paying capacity, and the estimate of total charges for administering the plan. The association may select separate writing carriers for the two types of qualified plans and the \$2,000, \$5,000, and \$10,000 deductible plans, the Medicare supplement plans, and the health maintenance organization contract.

Subd. 3. **Duties of writing carrier.** The writing carrier shall perform all administrative and claims payment functions required by this section. The writing carrier shall provide these services for a period of five years, unless a request to terminate is approved by the commissioner. The commissioner shall approve or deny a request to terminate within 90 days of its receipt. A failure to make a final decision on a request to terminate within the specified period shall be deemed to be an approval. Six months prior to the expiration of each five-year period, the association shall invite submissions of policy forms from members of the association, including the writing carrier. The association shall follow the provisions of subdivision 2 in selecting a writing carrier for the subsequent five-year period.

Subd. 3a. **Extension of writing carrier contract.** Subject to the approval of the commissioner, and subject to the consent of the writing carrier, the association may extend the effective writing carrier contract for a period not to exceed three years, if the association and the commissioner determine that it would be in the best interest of the association's enrollees and contributing members. This subdivision applies notwithstanding anything to the contrary in subdivisions 2 and 3.

Subd. 4. **Policy or certificate of coverage to enrollees.** The writing carrier shall provide to all eligible persons enrolled in the plan an individual policy or certificate, setting forth a statement as to the insurance protection to which they are entitled, with whom claims are to be filed and to whom benefits are payable. The policy or certificate shall indicate that coverage was obtained through the association.

Subd. 5. **Monthly report on operation of state plan.** The writing carrier shall submit to the association and the commissioner on a monthly basis a report on the operation of the state plan. Specific information to be contained in this report shall be determined by the association prior to the effective date of the state plan.

Subd. 6. **Claims payments.** All claims shall be paid by the writing carrier pursuant to the provisions of sections 62E.01 to 62E.19, and shall indicate that the claim was paid by the state plan. Each claim payment shall include information specifying the procedure to be followed in the event of a dispute over the amount of payment.

Subd. 7. **Reimbursement of writing carriers expenses.** The writing carrier shall be reimbursed from the state plan premiums received for its direct and indirect expenses. Direct and indirect expenses shall include, but need not be limited to, a pro rata reimbursement for that portion of the writing carrier's administrative, printing, claims administration, management and

Repealed Minnesota Statutes: 10-6133

building overhead expenses which are assignable to the maintenance and administration of the state plan. The association shall approve cost accounting methods to substantiate the writing carrier's cost reports consistent with generally accepted accounting principles. Direct and indirect expenses shall not include costs directly related to the original submission of policy forms prior to selection as the writing carrier.

Subd. 8. Writing carrier as agent. The writing carrier shall at all times when carrying out its duties under sections 62E.01 to 62E.19 be considered an agent of the association and the commissioner with civil liability subject to the provisions of section 3.751.

Subd. 10. **Premiums not subject to tax.** Premiums received by the writing carrier for the comprehensive health insurance plan are exempt from the taxes imposed under chapter 297I.

Subd. 11. Classification of PPO agreement data. If the writing carrier uses its own provider agreements for the association's preferred provider network in lieu of agreements exclusively between the association and the providers, then the terms and conditions of those agreements are nonpublic data as defined in section 13.02, subdivision 9.

62E.14 ENROLLMENT BY AN ELIGIBLE PERSON.

Subdivision 1. **Application, contents.** The comprehensive health insurance plan shall be open for enrollment by eligible persons. An eligible person shall enroll by submission of an application to the writing carrier. The application must provide the following:

(a) name, address, age, list of residences for the immediately preceding six months and length of time at current residence of the applicant;

(b) name, address, and age of spouse and children if any, if they are to be insured;

(c) evidence of rejection, a requirement of restrictive riders, a rate up, or a preexisting conditions limitation on a qualified plan, the effect of which is to substantially reduce coverage from that received by a person considered a standard risk, by at least one association member within six months of the date of the application, or other eligibility requirements adopted by rule by the commissioner which are not inconsistent with this chapter and which evidence that a person is unable to obtain coverage substantially similar to that which may be obtained by a person who is considered a standard risk;

(d) if the applicant has been terminated from individual health coverage which does not provide replacement coverage, evidence that no replacement coverage that meets the requirements of section 62D.121 was offered, and evidence of termination of individual health coverage by an insurer, nonprofit health service plan corporation, or health maintenance organization, provided that the contract or policy has been terminated for reasons other than (1) failure to pay the charge for health care coverage; (2) failure to make co-payments required by the health care plan; (3) enrollee moving out of the area served; or (4) a materially false statement or misrepresentation by the enrollee in the application for the terminated contract or policy; and

(e) a designation of the coverage desired.

An eligible person may not purchase more than one policy from the state plan. Upon ceasing to be a resident of Minnesota a person is no longer eligible to purchase or renew coverage under the state plan, except as required by state or federal law with respect to renewal of Medicare supplement coverage.

Subd. 2. Writing carrier's response. Within 30 days of receipt of the application described in subdivision 1, the writing carrier shall either reject the application for failing to comply with the requirements in subdivision 1 or forward the eligible person a notice of acceptance and billing information. If the applicant otherwise complies with the requirements of sections 62E.01 to 62E.19, insurance shall be effective immediately upon receipt of the first month's state plan premium, and shall be retroactive to the date the application was received by the writing carrier, unless a different effective date is provided in this section.

Subd. 3. **Preexisting conditions.** No person who obtains coverage pursuant to this section shall be covered for any preexisting condition during the first six months of coverage under the state plan if the person was diagnosed or treated for that condition during the 90 days immediately preceding the date the application was received by the writing carrier, except as provided under subdivisions 4, 4a, 4b, 4c, 4d, 5, 6, and 7 and section 62E.18.

Subd. 3a. **Waiver of preexisting condition.** A person may enroll in the comprehensive health plan with a waiver of the preexisting condition limitation described in section 62E.14, subdivision 3, provided that the person meets the following requirements:

(1) group coverage was provided through a rehabilitation facility defined in section 268A.01, subdivision 6, and coverage was terminated;

(2) all other eligibility requirements for enrollment in the comprehensive health plan are met; and

Repealed Minnesota Statutes: 10-6133

(3) the person submitted an application that was received by the writing carrier no later than 90 days after termination of previous coverage.

Subd. 4. Waiver of preexisting conditions for Medicare supplement plan enrollees. Notwithstanding the above, any Minnesota resident holder of a policy or certificate of Medicare supplement coverages pursuant to sections 62A.315 and 62A.316, or Medicare supplement plans previously approved by the commissioner, may enroll in the comprehensive health insurance plan as described in section 62E.07, with a waiver of the preexisting condition as described in subdivision 3, without interruption in coverage, provided that the policy or certificate has been terminated by the insurer for reasons other than nonpayment of premium and, provided further that the option to enroll in the plan is exercised through submitting an application received by the writing carrier no later than 90 days after termination of the existing contract or certificate.

Coverage in the state plan for purposes of this section shall be effective on the date of termination upon receipt of the proper application by the writing carrier and payment of the required premium. The application must include evidence of termination of the existing policy or certificate.

Subd. 4a. **Waiver of preexisting conditions for Minnesota residents.** A person may enroll in the comprehensive health plan with a waiver of the preexisting condition limitation described in subdivision 3, provided that the following requirements are met:

(1) the person is a Minnesota resident eligible to enroll in the comprehensive health plan;(2) the person:

(a) would be eligible for continuation under federal or state law if continuation coverage were available or were required to be available;

(b) would be eligible for continuation under clause (a) except that the person was exercising continuation rights and the continuation period required under federal or state law has expired; or

(c) is eligible for continuation of health coverage under federal or state law;

(3) continuation coverage is not available; and

(4) the person's application for coverage is received by the writing carrier no later than 90 days after termination of prior coverage from a policy or plan.

Coverage in the comprehensive health plan is effective on the date of termination of prior coverage. The availability of conversion rights does not affect a person's rights under this subdivision.

Subd. 4b. Waiver of preexisting conditions for persons covered by retiree plans. A person who was covered by a retiree health care plan may enroll in the comprehensive health plan with a waiver of the preexisting condition limitation described in subdivision 3, provided that the following requirements are met:

(1) the person is a Minnesota resident eligible to enroll in the comprehensive health plan;

(2) the person was covered by a retiree health care plan from an employer and the coverage is no longer available to the person; and

(3) the person's application for coverage is received by the writing carrier no later than 90 days after termination of prior coverage.

Subd. 4c. Waiver of preexisting conditions for persons whose coverage is terminated or who exceed the maximum lifetime benefit. (a) A Minnesota resident may enroll in the comprehensive health plan with a waiver of the preexisting condition limitation described in subdivision 3 if that persons's application for coverage is received by the writing carrier no later than 90 days after termination of prior coverage and if the termination is for reasons other than fraud or nonpayment of premiums.

For purposes of this paragraph, termination of prior coverage includes exceeding the maximum lifetime benefit of existing coverage.

Coverage in the comprehensive health plan is effective on the date of termination of prior coverage. The availability of conversion rights does not affect a person's rights under this paragraph.

This section does not apply to prior coverage provided under policies designed primarily to provide coverage payable on a per diem, fixed indemnity, or nonexpense incurred basis, or policies providing only accident coverage.

(b) An eligible individual, as defined under United States Code, chapter 42, section 300gg-41(b) may enroll in the comprehensive health insurance plan with a waiver of the preexisting condition limitation described in subdivision 3 and a waiver of the evidence of rejection or similar events described in subdivision 1, clause (c). The eligible individual must apply for enrollment under this paragraph by submitting a substantially complete application that

Repealed Minnesota Statutes: 10-6133

The six-month durational residency requirement provided in section 62E.02, subdivision 13, does not apply with respect to eligibility for enrollment under this paragraph, but the applicant must be a Minnesota resident as of the date that the application was received by the writing carrier. A person's eligibility to enroll under this paragraph does not affect the person's eligibility to enroll under any other provision.

(c) A qualifying individual, as defined in the Internal Revenue Code of 1986, section 35(e)(2)(B), who is eligible under the Federal Trade Act of 2002 for the credit for health insurance costs under the Internal Revenue Code of 1986, section 35, may enroll in the comprehensive health insurance plan with a waiver of the preexisting condition limitation described in subdivision 3, and without presenting evidence of rejection or similar requirements described in subdivision 1, paragraph (c). The six-month durational residency requirement provided in section 62E.02, subdivision 13, does not apply with respect to eligibility for enrollment under this paragraph, but the applicant must be a Minnesota resident as of the date of application. Subd. 4d. **Insurer insolvency; waiver of preexisting conditions.** A Minnesota resident who is otherwise eligible may enroll in the comprehensive health insurance plan with a waiver of the preexisting condition limitation described in subdivision 3, if that person submits an application for coverage that is received by the writing carrier no later than 90 days after termination of prior coverage due to the insolvency of the insurer.

Coverage in the comprehensive insurance plan is effective on the date of termination of prior coverage. The availability of conversion rights does not affect a person's rights under this subdivision.

Subd. 4e. Waiver of preexisting conditions; persons covered by publicly funded health programs. A person may enroll in the comprehensive plan with a waiver of the preexisting condition limitation in subdivision 3, provided that:

(1) the person was formerly enrolled in the medical assistance, general assistance medical care, or MinnesotaCare program;

(2) the person is a Minnesota resident; and

(3) the person submits an application for coverage that is received by the writing carrier no later than 90 days after termination from medical assistance, general assistance medical care, or MinnesotaCare program.

Subd. 5. **Terminated employees.** An employee who is voluntarily or involuntarily terminated or laid off from employment and unable to exercise the option to continue coverage under section 62A.17, and who is a Minnesota resident and who is otherwise eligible, may enroll in the comprehensive health insurance plan, by submitting an application that is received by the writing carrier no later than 90 days after termination or layoff, with a waiver of the preexisting condition limitation set forth in subdivision 3.

Subdivision 1. **Commissioner's duty.** The association pursuant to a plan approved by the commissioner shall disseminate appropriate information to the residents of this state regarding the existence of the comprehensive health insurance plan and the means of enrollment. Means of communication may include use of the press, radio and television, as well as publication in appropriate state offices and publications.

Subd. 2. Association's duty. The association shall devise and implement means of maintaining public awareness of the provisions of sections 62E.01 to 62E.19 and shall administer these sections in a manner which facilitates public participation in the state plan.

Subd. 2a. **Annual verification.** The association may annually verify the uninsurability of each policyholder to insure that only eligible persons are enrolled in the plan.

Subd. 3. **Agent's referral fee.** The writing carrier shall pay an agent's referral fee of \$50 to each insurance agent who refers an applicant to the state plan, if the application is accepted. Selling or marketing of qualified state plans shall not be limited to the writing carrier or its agents. The referral fees shall be paid by the writing carrier from money received as premiums for the state plan.

Subd. 4. **Rejection or underwriting restrictions.** Every insurer and health maintenance organization which rejects or applies underwriting restrictions to an applicant for a plan of health coverage shall: (1) provide the applicant with a written notice of rejection or the underwriting restrictions applied to the applicant in a manner consistent with the requirements in section 72A.499; (2) notify the applicant of the existence of the state plan, the requirements for being accepted in it, and the procedure for applying to it; and (3) provide the applicant with written materials explaining the state plan in greater detail. This written material shall be provided by the association to every insurer at no charge.

Subd. 5. **Initial notification.** Every insurer and health maintenance organization before issuing a conversion policy or contract of health insurance shall:

(1) notify the applicant of the existence of the state plan, the requirements for being accepted in it, the procedure for applying to it, and the plan rates; and

(2) provide the applicant with written materials explaining the state plan in greater detail. This written material shall be provided by the association to every insurer and health maintenance organization at no charge.

(2) provide the applicant with written materials explaining the state plan in greater detail. This written material shall be provided by the association to every insurer and health maintenance organization at no charge.

Subd. 7. **Conversion rates.** For Medicare supplement conversion policies issued prior to August 1, 1992, the requirements of subdivisions 5 and 6 apply only when the conversion rates offered to the applicant by the insurer or health maintenance organization exceed the association rates.

62E.16 POLICY CONVERSION RIGHTS.

Every program of self-insurance, policy of group accident and health insurance or contract of coverage by a health maintenance organization written or renewed in this state, shall include, in addition to the provisions required by section 62A.17, the right to convert to an individual coverage qualified plan without the addition of underwriting restrictions after the individual insured has exhausted any continuation coverage provided under section 62A.146; 62A.148; 62A.17, subdivisions 1 and 2; 62A.20; 62A.21; 62C.142; 62D.101; or 62D.105, or continuation coverage provided under federal law, if any continuation coverage is available to the individual, and then leaves the group regardless of the reason for leaving the group or if an employer member of a group ceases to remit payment so as to terminate coverage for its employees, or upon cancellation or termination of the coverage for the group except where uninterrupted and continuous group coverage is otherwise provided to the group. If the health maintenance organization has canceled coverage for the group because of a loss of providers in a service area, the health maintenance organization shall arrange for other health maintenance or indemnity conversion options that shall be offered to enrollees without the addition of underwriting restrictions. The required conversion contract must treat pregnancy the same as any other covered illness under the conversion contract. The person may exercise this right to conversion within 30 days of exhausting any continuation coverage provided under section 62A.146; 62A.148; 62A.17, subdivisions 1 and 2; 62A.20; or 62A.21, or continuation coverage provided under federal law, and then leaving the group or within 30 days following receipt of due notice of cancellation or termination of coverage of the group or of the employer member of the group and upon payment of premiums from the date of termination or cancellation. Due notice of cancellation or termination of coverage for a group or of the employer member of the group shall be provided to each employee having coverage in the group by the insurer, self-insurer or health maintenance organization canceling or terminating the coverage except where reasonable evidence indicates that uninterrupted and continuous group coverage is otherwise provided to the group. Every employer having a policy of group accident and health insurance, group subscriber or contract of coverage by a health maintenance organization shall, upon request, provide the insurer or health maintenance organization a list of the names and addresses of covered employees. Plans of health coverage shall also include a provision which, upon the death of the individual in whose name the contract was issued, permits every other individual then covered under the contract to elect, within the period specified in the contract, to continue coverage under the same or a different contract without the addition of underwriting restrictions until the individual would have ceased to have been entitled to coverage had the individual in whose name the contract was issued lived. An individual conversion contract issued by a health maintenance organization shall not be deemed to be an individual enrollment contract for the purposes of section 62D.10. An individual health plan offered under section 62A.65, subdivision 5, paragraph (b), to a person satisfies the health carrier's obligation to offer conversion coverage under this section with respect to that person.

62E.18 HEALTH INSURANCE FOR RETIRED EMPLOYEES NOT ELIGIBLE FOR MEDICARE.

(1)(i) the employer has terminated or laid off employees and is required to meet the notice requirements under section 116L.976, subdivision 2;

(ii) the employer's former employees or their dependents enroll in the state comprehensive health insurance plan with a waiver of the preexisting condition limitation under section 62E.14, subdivision 4a or 5.

The employer shall pay a special assessment to the association for the costs of the preexisting conditions. The special assessment may be assessed before the association makes the annual determination of each contributing member's liability as required under this chapter. The association may enforce the obligation to pay the special assessment by action, as a claim in an insolvency proceeding, or by any other method not prohibited by law.

If the association makes the special assessment permitted by this subdivision, the association may also make any assessment of contributing members otherwise permitted by law, without regard to the special assessment permitted by this subdivision. Contributing members must pay the assessment, subject to refund or adjustment in the event of receipt by the association of any portion of the special assessment.

Subd. 2. **Exemption.** Subdivision 1 does not apply to a termination of or failure to implement an employee health benefit plan which results from or occurs during a strike or lockout, nor does it apply to employee health benefit plans separately provided by an employee organization or bargaining agent, regardless of any financial contribution to the plan by the employer.

Subd. 3. **Financial management.** (a) The commissioner shall manage spending for the MinnesotaCare program in a manner that maintains a minimum reserve. The estimated expenditure, including the reserve, shall be compared to an estimate of the revenues that will be available in the health care access fund. Based on this comparison, and after consulting with the chairs of the house of representatives Ways and Means Committee and the senate Finance Committee, and the Legislative Commission on Health Care Access, the commissioner shall, as necessary, make the adjustments specified in paragraph (b) to ensure that expenditures remain within the limits of available revenues for the remainder of the current biennium and for the following biennium. If these measures are insufficient to limit the expenditures to the estimated amount of revenue, the commissioner shall further limit enrollment or decrease premium subsidies.

Subdivision 1. **Covered health services.** "Covered health services" means the health services reimbursed under chapter 256B, with the exception of inpatient hospital services, special education services, private duty nursing services, adult dental care services other than services covered under section 256B.0625, subdivision 9, orthodontic services, nonemergency medical transportation services, personal care assistant and case management services, nursing home or intermediate care facilities services, inpatient mental health services, and chemical dependency services.

States must cooperate in obtaining satisfactory documentary evidence of citizenship or nationality according to the requirements of the federal Deficit Reduction Act of 2005, Public Law 109-171.

Subd. 10a. **Sponsor's income and resources deemed available; documentation.** (a) When determining eligibility for any federal or state benefits under sections 256L.01 to 256L.18, the income and resources of all noncitizens whose sponsor signed an affidavit of support as defined under United States Code, title 8, section 1183a, shall be deemed to include their sponsors' income and resources as defined in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, title IV, Public Law 104-193, sections 421 and 422, and subsequently set out in federal rules. To be eligible for the program, noncitizens must provide documentation of their immigration status.

(b) Beginning July 1, 2010, or upon federal approval, whichever is later, sponsor deeming does not apply to pregnant women and children who are qualified noncitizens, as described in section 256B.06, subdivision 4, paragraph (b).

Subd. 12. **Persons in detention.** Beginning January 1, 1999, an applicant residing in a correctional or detention facility is not eligible for MinnesotaCare. An enrollee residing in a correctional or detention facility is not eligible at renewal of eligibility under section 256L.05, subdivision 3a.

Subd. 13. Families with relative caretakers, foster parents, or legal guardians. Beginning January 1, 1999, in families that include a relative caretaker as defined in the medical assistance program, foster parent, or legal guardian, the relative caretaker, foster parent, or legal guardian may apply as a family or may apply separately for the children. If the caretaker applies separately for the children, only the children's income is counted and the provisions of subdivision 1, paragraph (b), do not apply. If the relative caretaker, foster parent, or legal guardian applies with the children, their income is included in the gross family income for determining eligibility and premium amount.

256L.05 APPLICATION PROCEDURES.

Subdivision 1. Application assistance and information availability. (a) Applications and application assistance must be made available at provider offices, local human services agencies, school districts, public and private elementary schools in which 25 percent or more of the students receive free or reduced price lunches, community health offices, Women, Infants and Children (WIC) program sites, Head Start program sites, public housing councils, crisis nurseries, child care centers, early childhood education and preschool program sites, legal aid offices, and libraries. These sites may accept applications and forward the forms to the commissioner or local county human services agencies that choose to participate as an enrollment site. Otherwise, applicants may apply directly to the commissioner or to participating local county human services agencies.

(b) Application assistance must be available for applicants choosing to file an online application.

Subd. 1a. **Person authorized to apply on applicant's behalf.** Beginning January 1, 1999, a family member who is age 18 or over or who is an authorized representative, as defined in the medical assistance program, may apply on an applicant's behalf.

Subd. 1b. **MinnesotaCare enrollment by county agencies.** Beginning September 1, 2006, county agencies shall enroll single adults and households with no children formerly enrolled in general assistance medical care in MinnesotaCare according to section 256D.03, subdivision 3. County agencies shall perform all duties necessary to administer the MinnesotaCare program ongoing for these enrollees, including the redetermination of MinnesotaCare eligibility at renewal.

Subd. 2. **Commissioner's duties.** The commissioner or county agency shall use electronic verification as the primary method of income verification. If there is a discrepancy between reported income and electronically verified income, an individual may be required to submit additional verification. In addition, the commissioner shall perform random audits to verify reported income and eligibility. The commissioner may execute data sharing arrangements with the Department of Revenue and any other governmental agency in order to perform income verification related to eligibility and premium payment under the MinnesotaCare program.

Subd. 3. Effective date of coverage. (a) The effective date of coverage is the first day of the month following the month in which eligibility is approved and the first premium payment has been received. As provided in section 256B.057, coverage for newborns is automatic from the date of birth and must be coordinated with other health coverage. The effective date of coverage for eligible newly adoptive children added to a family receiving covered health services is the month of placement. The effective date of coverage for other new members added to the family is the first day of the month following the month in which the change is reported. All eligibility

Repealed Minnesota Statutes: 10-6133

criteria must be met by the family at the time the new family member is added. The income of the new family member is included with the family's gross income and the adjusted premium begins in the month the new family member is added.

(b) The initial premium must be received by the last working day of the month for coverage to begin the first day of the following month.

(c) Benefits are not available until the day following discharge if an enrollee is hospitalized on the first day of coverage.

(d) Notwithstanding any other law to the contrary, benefits under sections 256L.01 to 256L.18 are secondary to a plan of insurance or benefit program under which an eligible person may have coverage and the commissioner shall use cost avoidance techniques to ensure coordination of any other health coverage for eligible persons. The commissioner shall identify eligible persons who may have coverage or benefits under other plans of insurance or who become eligible for medical assistance.

(e) The effective date of coverage for single adults and households with no children formerly enrolled in general assistance medical care and enrolled in MinnesotaCare according to section 256D.03, subdivision 3, is the first day of the month following the last day of general assistance medical care coverage.

Subd. 3a. **Renewal of eligibility.** (a) Beginning July 1, 2007, an enrollee's eligibility must be renewed every 12 months. The 12-month period begins in the month after the month the application is approved.

(b) Each new period of eligibility must take into account any changes in circumstances that impact eligibility and premium amount. An enrollee must provide all the information needed to redetermine eligibility by the first day of the month that ends the eligibility period. If there is no change in circumstances, the enrollee may renew eligibility at designated locations that include community clinics and health care providers' offices. The designated sites shall forward the renewal forms to the commissioner. The commissioner may establish criteria and timelines for sites to forward applications to the commissioner or county agencies. The premium for the new period of eligibility must be received as provided in section 256L.06 in order for eligibility to continue.

(c) For single adults and households with no children formerly enrolled in general assistance medical care and enrolled in MinnesotaCare according to section 256D.03, subdivision 3, the first period of eligibility begins the month the enrollee submitted the application or renewal for general assistance medical care.

(d) An enrollee who fails to submit renewal forms and related documentation necessary for verification of continued eligibility in a timely manner shall remain eligible for one additional month beyond the end of the current eligibility period before being disenrolled. The enrollee remains responsible for MinnesotaCare premiums for the additional month.

Subd. 3b. **Reapplication.** Beginning January 1, 1999, families and individuals must reapply after a lapse in coverage of one calendar month or more and must meet all eligibility criteria.

Subd. 3c. **Retroactive coverage.** Notwithstanding subdivision 3, the effective date of coverage shall be the first day of the month following termination from medical assistance or general assistance medical care for families and individuals who are eligible for MinnesotaCare and who submitted a written request for retroactive MinnesotaCare coverage with a completed application within 30 days of the mailing of notification of termination from medical assistance or general assistance medical care. The applicant must provide all required verifications within 30 days of the written request for verification. For retroactive coverage, premiums must be paid in full for any retroactive month, current month, and next month within 30 days of the premium billing.

Subd. 4. **Application processing.** The commissioner of human services shall determine an applicant's eligibility for MinnesotaCare no more than 30 days from the date that the application is received by the Department of Human Services. Beginning January 1, 2000, this requirement also applies to local county human services agencies that determine eligibility for MinnesotaCare.

Subd. 5. **Availability of private insurance.** The commissioner, in consultation with the commissioners of health and commerce, shall provide information regarding the availability of private health insurance coverage and the possibility of disenrollment under section 256L.07, subdivision 1, paragraphs (b) and (c), to all: (1) families enrolled in the MinnesotaCare program whose gross family income is equal to or more than 225 percent of the federal poverty guidelines; and (2) single adults and households without children enrolled in the MinnesotaCare program whose gross family income is equal to or more than 165 percent of the federal poverty guidelines. This information must be provided upon initial enrollment and annually thereafter. The commissioner shall also include information regarding the availability of private health insurance

Repealed Minnesota Statutes: 10-6133

coverage in the notice of ineligibility provided to persons subject to disenrollment under section 256L.07, subdivision 1, paragraphs (b) and (c).

256L.06 PREMIUM ADMINISTRATION.

Subd. 3. Commissioner's duties and payment. (a) Premiums are dedicated to the commissioner for MinnesotaCare.

(b) The commissioner shall develop and implement procedures to: (1) require enrollees to report changes in income; (2) adjust sliding scale premium payments, based upon both increases and decreases in enrollee income, at the time the change in income is reported; and (3) disenroll enrollees from MinnesotaCare for failure to pay required premiums. Failure to pay includes payment with a dishonored check, a returned automatic bank withdrawal, or a refused credit card or debit card payment. The commissioner may demand a guaranteed form of payment, including a cashier's check or a money order, as the only means to replace a dishonored, returned, or refused payment.

(c) Premiums are calculated on a calendar month basis and may be paid on a monthly, quarterly, or semiannual basis, with the first payment due upon notice from the commissioner of the premium amount required. The commissioner shall inform applicants and enrollees of these premium payment options. Premium payment is required before enrollment is complete and to maintain eligibility in MinnesotaCare. Premium payments received before noon are credited the same day. Premium payments received after noon are credited on the next working day.

(d) Nonpayment of the premium will result in disenrollment from the plan effective the first day of the calendar month following the calendar month for which the premium was due. Persons disenrolled for nonpayment or who voluntarily terminate coverage from the program may not reenroll until four calendar months have elapsed. The commissioner shall waive premiums for coverage provided under this paragraph to persons disenrolled for nonpayment who reapply under section 256L.05, subdivision 3b. Persons disenrolled for nonpayment or who voluntarily terminate coverage from the program may not reenroll for four calendar months unless the person demonstrates good cause for nonpayment. Good cause does not exist if a person chooses to pay other family expenses instead of the premium. The commissioner shall define good cause in rule.

256L.07 ELIGIBILITY FOR MINNESOTACARE.

Subdivision 1. **General requirements.** (a) Children enrolled in the original children's health plan as of September 30, 1992, children who enrolled in the MinnesotaCare program after September 30, 1992, pursuant to Laws 1992, chapter 549, article 4, section 17, and children who have family gross incomes that are equal to or less than 150 percent of the federal poverty guidelines are eligible without meeting the requirements of subdivision 2 and the four-month requirement in subdivision 3, as long as they maintain continuous coverage in the MinnesotaCare program or medical assistance. Children who apply for MinnesotaCare on or after the implementation date of the employer-subsidized health coverage program as described in Laws 1998, chapter 407, article 5, section 45, who have family gross incomes that are equal to or less than 150 percent of the federal poverty guidelines, must meet the requirements of subdivision 2 to be eligible for MinnesotaCare.

Families enrolled in MinnesotaCare under section 256L.04, subdivision 1, whose income increases above 275 percent of the federal poverty guidelines, are no longer eligible for the program and shall be disenrolled by the commissioner. Beginning January 1, 2008, individuals enrolled in MinnesotaCare under section 256L.04, subdivision 7, whose income increases above 200 percent of the federal poverty guidelines or 250 percent of the federal poverty guidelines on or after July 1, 2009, are no longer eligible for the program and shall be disenrolled by the commissioner. For persons disenrolled under this subdivision, MinnesotaCare coverage terminates the last day of the calendar month following the month in which the commissioner determines that the income of a family or individual exceeds program income limits.

(b) Notwithstanding paragraph (a), children may remain enrolled in MinnesotaCare if ten percent of their gross individual or gross family income as defined in section 256L.01, subdivision 4, is less than the annual premium for a policy with a \$500 deductible available through the Minnesota Comprehensive Health Association. Children who are no longer eligible for MinnesotaCare under this clause shall be given a 12-month notice period from the date that ineligibility is determined before disenrollment. The premium for children remaining eligible under this clause shall be the maximum premium determined under section 256L.15, subdivision 2, paragraph (b).

Repealed Minnesota Statutes: 10-6133

(c) Notwithstanding paragraphs (a) and (b), parents are not eligible for MinnesotaCare if gross household income exceeds \$57,500 for the 12-month period of eligibility.

Subd. 2. **Must not have access to employer-subsidized coverage.** (a) To be eligible, a family or individual must not have access to subsidized health coverage through an employer and must not have had access to employer-subsidized coverage through a current employer for 18 months prior to application or reapplication. A family or individual whose employer-subsidized coverage is lost due to an employer terminating health care coverage as an employee benefit during the previous 18 months is not eligible.

(b) This subdivision does not apply to a family or individual who was enrolled in MinnesotaCare within six months or less of reapplication and who no longer has employer-subsidized coverage due to the employer terminating health care coverage as an employee benefit.

(c) For purposes of this requirement, subsidized health coverage means health coverage for which the employer pays at least 50 percent of the cost of coverage for the employee or dependent, or a higher percentage as specified by the commissioner. Children are eligible for employer-subsidized coverage through either parent, including the noncustodial parent. The commissioner must treat employer contributions to Internal Revenue Code Section 125 plans and any other employer benefits intended to pay health care costs as qualified employer subsidies toward the cost of health coverage for employees for purposes of this subdivision.

Subd. 4. **Families with children in need of chemical dependency treatment.** Premiums for families with children when a parent has been determined to be in need of chemical dependency treatment pursuant to an assessment conducted by the county under section 626.556, subdivision 10, or a case plan under section 260C.201, subdivision 6, or 260C.212, who are eligible for MinnesotaCare under section 256L.04, subdivision 1, may be paid by the county of residence of the person in need of treatment for one year from the date the family is determined to be eligible or if the family is currently enrolled in MinnesotaCare from the date the person is determined to be in need of chemical dependency treatment. Upon renewal, the family is responsible for any premiums owed under section 256L.15. If the family is not currently enrolled in MinnesotaCare, the local county human services agency shall determine whether the family appears to meet the eligibility requirements and shall assist the family in applying for the MinnesotaCare program.

Subd. 5. Voluntary disenrollment for members of military. Notwithstanding section 256L.05, subdivision 3b, MinnesotaCare enrollees who are members of the military and their families, who choose to voluntarily disenroll from the program when one or more family members are called to active duty, may reenroll during or following that member's tour of active duty. Those individuals and families shall be considered to have good cause for voluntary termination under section 256L.06, subdivision 3, paragraph (d). Income and asset increases reported at the time of reenrollment shall be disregarded. All provisions of sections 256L.01 to 256L.18 shall apply to individuals and families enrolled under this subdivision upon 12-month renewal.

Subd. 6. Exception for certain adults. Single adults and households with no children formerly enrolled in general assistance medical care and enrolled in MinnesotaCare according to section 256D.03, subdivision 3, are eligible without meeting the requirements of this section until renewal.

Subd. 7. **Exception for certain children.** Children formerly enrolled in medical assistance and automatically deemed eligible for MinnesotaCare according to section 256B.057, subdivision 2c, are exempt from the requirements of this section until renewal.

256L.10 APPEALS.

If the commissioner suspends, reduces, or terminates eligibility for the MinnesotaCare program, or services provided under the MinnesotaCare program, the commissioner must provide notification according to the laws and rules governing the medical assistance program. A MinnesotaCare program applicant or enrollee aggrieved by a determination of the commissioner has the right to appeal the determination according to section 256.045.

256L.11 PROVIDER PAYMENT.

Subdivision 1. **Medical assistance rate to be used.** (a) Payment to providers under sections 256L.01 to 256L.11 shall be at the same rates and conditions established for medical assistance, except as provided in subdivisions 2 to 6.

(b) Effective for services provided on or after July 1, 2009, total payments for basic care services shall be reduced by three percent, in accordance with section 256B.766. Payments made

Repealed Minnesota Statutes: 10-6133

to managed care and county-based purchasing plans shall be reduced for services provided on or after October 1, 2009, to reflect this reduction.

(c) Effective for services provided on or after July 1, 2009, payment rates for physician and professional services shall be reduced as described under section 256B.76, subdivision 1, paragraph (c). Payments made to managed care and county-based purchasing plans shall be reduced for services provided on or after October 1, 2009, to reflect this reduction.

Subd. 2. **Payment of certain providers.** Services provided by federally qualified health centers, rural health clinics, and facilities of the Indian health service shall be paid for according to the same rates and conditions applicable to the same service provided by providers that are not federally qualified health centers, rural health clinics, or facilities of the Indian health service.

Subd. 2a. **Payment rates; services for families and children under the MinnesotaCare health care reform waiver.** Subdivision 2 shall not apply to services provided to families with children who are eligible according to section 256L.04, subdivision 1, paragraph (a).

Subd. 3. **Inpatient hospital services.** Inpatient hospital services provided under section 256L.03, subdivision 3, shall be paid for as provided in subdivisions 4 to 6.

Subd. 4. **Definition of medical assistance rate for inpatient hospital services.** The "medical assistance rate," as used in this section to apply to rates for providing inpatient hospital services, means the rates established under sections 256.9685 to 256.9695 for providing inpatient hospital services to medical assistance recipients who receive Minnesota family investment program assistance.

Subd. 5. Enrollees younger than 18. Payment for inpatient hospital services provided to MinnesotaCare enrollees who are younger than 18 years old on the date of admission to the inpatient hospital shall be at the medical assistance rate.

Subd. 6. **Enrollees 18 or older.** Payment by the MinnesotaCare program for inpatient hospital services provided to MinnesotaCare enrollees eligible under section 256L.04, subdivision 7, or who qualify under section 256L.04, subdivisions 1 and 2, with family gross income that exceeds 175 percent of the federal poverty guidelines and who are not pregnant, who are 18 years old or older on the date of admission to the inpatient hospital must be in accordance with paragraphs (a) and (b). Payment for adults who are not pregnant and are eligible under section 256L.04, subdivisions 1 and 2, and whose incomes are equal to or less than 175 percent of the federal poverty guidelines, shall be as provided for under paragraph (c).

(a) If the medical assistance rate minus any co-payment required under section 256L.03, subdivision 4, is less than or equal to the amount remaining in the enrollee's benefit limit under section 256L.03, subdivision 3, payment must be the medical assistance rate minus any co-payment required under section 256L.03, subdivision 4. The hospital must not seek payment from the enrollee in addition to the co-payment. The MinnesotaCare payment plus the co-payment must be treated as payment in full.

(b) If the medical assistance rate minus any co-payment required under section 256L.03, subdivision 4, is greater than the amount remaining in the enrollee's benefit limit under section 256L.03, subdivision 3, payment must be the lesser of:

(1) the amount remaining in the enrollee's benefit limit; or

(2) charges submitted for the inpatient hospital services less any co-payment established under section 256L.03, subdivision 4.

The hospital may seek payment from the enrollee for the amount by which usual and customary charges exceed the payment under this paragraph. If payment is reduced under section 256L.03, subdivision 3, paragraph (b), the hospital may not seek payment from the enrollee for the amount of the reduction.

(c) For admissions occurring during the period of July 1, 1997, through June 30, 1998, for adults who are not pregnant and are eligible under section 256L.04, subdivisions 1 and 2, and whose incomes are equal to or less than 175 percent of the federal poverty guidelines, the commissioner shall pay hospitals directly, up to the medical assistance payment rate, for inpatient hospital benefits in excess of the \$10,000 annual inpatient benefit limit.

Subd. 7. **Critical access dental providers.** Effective for dental services provided to MinnesotaCare enrollees on or after January 1, 2007, the commissioner shall increase payment rates to dentists and dental clinics deemed by the commissioner to be critical access providers under section 256B.76, subdivision 4, by 50 percent above the payment rate that would otherwise be paid to the provider. The commissioner shall pay the prepaid health plans under contract with the commissioner amounts sufficient to reflect this rate increase. The prepaid health plan must

Repealed Minnesota Statutes: 10-6133

pass this rate increase to providers who have been identified by the commissioner as critical access dental providers under section 256B.76, subdivision 4.

256L.12 MANAGED CARE.

Subdivision 1. Selection of vendors. In order to contain costs, the commissioner of human services shall select vendors of medical care who can provide the most economical care consistent with high medical standards and shall, where possible, contract with organizations on a prepaid capitation basis to provide these services. The commissioner shall consider proposals by counties and vendors for managed care plans which may include: prepaid capitation programs, competitive bidding programs, or other vendor payment mechanisms designed to provide services in an economical manner or to control utilization, with safeguards to ensure that necessary services are provided.

Subd. 2. Geographic area. The commissioner shall designate the geographic areas in which eligible individuals must receive services through managed care plans.

Subd. 3. Limitation of choice. Persons enrolled in the MinnesotaCare program who reside in the designated geographic areas must enroll in a managed care plan to receive their health care services. Enrollees must receive their health care services from health care providers who are part of the managed care plan provider network, unless authorized by the managed care plan, in cases of medical emergency, or when otherwise required by law or by contract.

If only one managed care option is available in a geographic area, the managed care plan may require that enrollees designate a primary care provider from which to receive their health care. Enrollees will be permitted to change their designated primary care provider upon request to the managed care plan. Requests to change primary care providers may be limited to once annually. If more than one managed care plan is offered in a geographic area, enrollees will be enrolled in a managed care plan for up to one year from the date of enrollment, but shall have the right to change to another managed care plan once within the first year of initial enrollment. Enrollees may also change to another managed care plan during an annual 30-day open enrollment period. Enrollees shall be notified of the opportunity to change to another managed care plan before the start of each annual open enrollment period.

Enrollees may change managed care plans or primary care providers at other than the above designated times for cause as determined through an appeal pursuant to section 256.045.

Subd. 4. Exemptions to limitations on choice. All contracts between the Department of Human Services and prepaid health plans to serve medical assistance, general assistance medical care, and MinnesotaCare recipients must comply with the requirements of United States Code, title 42, section 1396a (a)(23)(B), notwithstanding any waivers authorized by the United States Department of Health and Human Services pursuant to United States Code, title 42, section 1315.

Subd. 5. Eligibility for other state programs. MinnesotaCare enrollees who become eligible for medical assistance or general assistance medical care will remain in the same managed care plan if the managed care plan has a contract for that population. Effective January 1, 1998, MinnesotaCare enrollees who were formerly eligible for general assistance medical care pursuant to section 256D.03, subdivision 3, within six months of MinnesotaCare enrollment and were enrolled in a prepaid health plan pursuant to section 256D.03, subdivision 4, paragraph (c), must remain in the same managed care plan if the managed care plan has a contract for that population. Managed care plans must participate in the MinnesotaCare and general assistance medical care programs under a contract with the Department of Human Services in service areas where they participate in the medical assistance program.

Subd. 6. **Co-payments and benefit limits.** Enrollees are responsible for all co-payments in sections 256L.03, subdivision 5, and 256L.035, and shall pay co-payments to the managed care plan or to its participating providers. The enrollee is also responsible for payment of inpatient hospital charges which exceed the MinnesotaCare benefit limit.

Subd. 7. **Managed care plan vendor requirements.** The following requirements apply to all counties or vendors who contract with the Department of Human Services to serve MinnesotaCare recipients. Managed care plan contractors:

(1) shall authorize and arrange for the provision of the full range of services listed in section 256L.03 in order to ensure appropriate health care is delivered to enrollees;

(2) shall accept the prospective, per capita payment or other contractually defined payment from the commissioner in return for the provision and coordination of covered health care services for eligible individuals enrolled in the program;

(3) may contract with other health care and social service practitioners to provide services to enrollees;

Repealed Minnesota Statutes: 10-6133

(4) shall provide for an enrollee grievance process as required by the commissioner and set forth in the contract with the department;

(5) shall retain all revenue from enrollee co-payments;

(6) shall accept all eligible MinnesotaCare enrollees, without regard to health status or previous utilization of health services;

(7) shall demonstrate capacity to accept financial risk according to requirements specified in the contract with the department. A health maintenance organization licensed under chapter 62D, or a nonprofit health plan licensed under chapter 62C, is not required to demonstrate financial risk capacity, beyond that which is required to comply with chapters 62C and 62D; and

(8) shall submit information as required by the commissioner, including data required for assessing enrollee satisfaction, quality of care, cost, and utilization of services.

Subd. 8. Chemical dependency assessments. The managed care plan shall be responsible for assessing the need and placement for chemical dependency services according to criteria set forth in Minnesota Rules, parts 9530.6600 to 9530.6660.

Subd. 9. **Rate setting; performance withholds.** (a) Rates will be prospective, per capita, where possible. The commissioner may allow health plans to arrange for inpatient hospital services on a risk or nonrisk basis. The commissioner shall consult with an independent actuary to determine appropriate rates.

(b) For services rendered on or after January 1, 2003, to December 31, 2003, the commissioner shall withhold .5 percent of managed care plan payments under this section pending completion of performance targets. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year if performance targets in the contract are achieved. A managed care plan may include as admitted assets under section 62D.044 any amount withheld under this paragraph that is reasonably expected to be returned.

(c) For services rendered on or after January 1, 2004, the commissioner shall withhold five percent of managed care plan payments under this section pending completion of performance targets. Each performance target must be quantifiable, objective, measurable, and reasonably attainable, except in the case of a performance target based on a federal or state law or rule. Criteria for assessment of each performance target must be outlined in writing prior to the contract effective date. The managed care plan must demonstrate, to the commissioner's satisfaction, that the data submitted regarding attainment of the performance target is accurate. The commissioner shall periodically change the administrative measures used as performance targets in order to improve plan performance across a broader range of administrative services. The performance targets must include measurement of plan efforts to contain spending on health care services and administrative activities. The commissioner may adopt plan-specific performance targets that take into account factors affecting only one plan, such as characteristics of the plan's enrollee population. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if performance targets in the contract are achieved. A managed care plan or a county-based purchasing plan under section 256B.692 may include as admitted assets under section 62D.044 any amount withheld under this paragraph that is reasonably expected to be returned.

Subd. 9a. **Rate setting; ratable reduction.** For services rendered on or after October 1, 2003, the total payment made to managed care plans under the MinnesotaCare program is reduced 1.0 percent. This provision excludes payments for mental health services added as covered benefits after December 31, 2007.

Subd. 9b. **Rate setting; ratable reduction.** In addition to the reduction in subdivision 9a, the total payment made to managed care plans under the MinnesotaCare program shall be reduced for services provided on or after January 1, 2006, to reflect a 6.0 percent reduction in reimbursement for inpatient hospital services.

Subd. 10. **Childhood immunization.** Each managed care plan contracting with the Department of Human Services under this section shall collaborate with the local public health agencies to ensure childhood immunization to all enrolled families with children. As part of this collaboration the plan must provide the families with a recommended immunization schedule.

Subd. 11. **Coverage at Indian health service facilities.** For American Indian enrollees of MinnesotaCare, MinnesotaCare shall cover health care services provided at Indian health service facilities and facilities operated by a tribe or tribal organization under funding authorized by United States Code, title 25, sections 450f to 450n, or title III of the Indian Self-Determination and Education Act, Public Law 93-638, if those services would otherwise be covered under section 256L.03. Payments for services provided under this subdivision shall be made on a fee-for-service basis, and may, at the option of the tribe or organization, be made at the rates authorized under sections 256.969, subdivision 16, and 256B.0625, subdivision 34, for those MinnesotaCare enrollees eligible for coverage at medical assistance rates. For purposes of this

Repealed Minnesota Statutes: 10-6133

subdivision, "American Indian" has the meaning given to persons to whom services will be provided for in Code of Federal Regulations, title 42, section 36.12.

256L.15 PREMIUMS.

Subdivision 1. **Premium determination.** (a) Families with children and individuals shall pay a premium determined according to subdivision 2.

(b) Pregnant women and children under age two are exempt from the provisions of section 256L.06, subdivision 3, paragraph (b), clause (3), requiring disenrollment for failure to pay premiums. For pregnant women, this exemption continues until the first day of the month following the 60th day postpartum. Women who remain enrolled during pregnancy or the postpartum period, despite nonpayment of premiums, shall be disenrolled on the first of the month following the 60th day postpartum for the penalty period that otherwise applies under section 256L.06, unless they begin paying premiums.

(c) Members of the military and their families who meet the eligibility criteria for MinnesotaCare upon eligibility approval made within 24 months following the end of the member's tour of active duty shall have their premiums paid by the commissioner. The effective date of coverage for an individual or family who meets the criteria of this paragraph shall be the first day of the month following the month in which eligibility is approved. This exemption applies for 12 months. This paragraph expires June 30, 2010.

Subd. 1a. **Payment options.** The commissioner may offer the following payment options to an enrollee:

- (1) payment by check;
- (2) payment by credit card;
- (3) payment by recurring automatic checking withdrawal;
- (4) payment by onetime electronic transfer of funds;

(5) payment by wage withholding with the consent of the employer and the employee; or

(6) payment by using state tax refund payments.

At application or reapplication, a MinnesotaCare applicant or enrollee may authorize the commissioner to use the Revenue Recapture Act in chapter 270A to collect funds from the applicant's or enrollee's refund for the purposes of meeting all or part of the applicant's or enrollee's MinnesotaCare premium obligation. The applicant or enrollee may authorize the commissioner to apply for the state working family tax credit on behalf of the applicant or enrollee. The setoff due under this subdivision shall not be subject to the \$10 fee under section 270A.07, subdivision 1.

Subd. 1b. **Payments nonrefundable.** Only MinnesotaCare premiums paid for future months of coverage for which a health plan capitation fee has not been paid may be refunded.

Subd. 2. Sliding fee scale; monthly gross individual or family income. (a) The commissioner shall establish a sliding fee scale to determine the percentage of monthly gross individual or family income that households at different income levels must pay to obtain coverage through the MinnesotaCare program. The sliding fee scale must be based on the enrollee's monthly gross individual or family income. The sliding fee scale must contain separate tables based on enrollment of one, two, or three or more persons. Until June 30, 2009, the sliding fee scale begins with a premium of 1.5 percent of monthly gross individual or family income for individuals or families with incomes below the limits for the medical assistance program for families and children in effect on January 1, 1999, and proceeds through the following evenly spaced steps: 1.8, 2.3, 3.1, 3.8, 4.8, 5.9, 7.4, and 8.8 percent. These percentages are matched to evenly spaced income steps ranging from the medical assistance income limit for families and children in effect on January 1, 1999, to 275 percent of the federal poverty guidelines for the applicable family size, up to a family size of five. The sliding fee scale for a family of five must be used for families of more than five. The sliding fee scale and percentages are not subject to the provisions of chapter 14. If a family or individual reports increased income after enrollment, premiums shall be adjusted at the time the change in income is reported.

(b) Children in families whose gross income is above 275 percent of the federal poverty guidelines shall pay the maximum premium. The maximum premium is defined as a base charge for one, two, or three or more enrollees so that if all MinnesotaCare cases paid the maximum premium, the total revenue would equal the total cost of MinnesotaCare medical coverage and administration. In this calculation, administrative costs shall be assumed to equal ten percent of the total. The costs of medical coverage for pregnant women and children under age two and the enrollees in these groups shall be excluded from the total. The maximum premium for two enrollees shall be twice the maximum premium for one, and the maximum premium for three or more enrollees shall be three times the maximum premium for one.

Repealed Minnesota Statutes: 10-6133

(c) Beginning July 1, 2009, MinnesotaCare enrollees shall pay premiums according to the premium scale specified in paragraph (d) with the exception that children in families with income at or below 150 percent of the federal poverty guidelines shall pay a monthly premium of \$4. For purposes of paragraph (d), "minimum" means a monthly premium of \$4.

(d) The following premium scale is established for individuals and families with gross family incomes of 300 percent of the federal poverty guidelines or less:

Federal Poverty Guideline Range	Percent of Average Gross Monthly Income
0-45%	minimum
46-54%	1.1%
55-81%	1.6%
82-109%	2.2%
110-136%	2.9%
137-164%	3.6%
165-191%	4.6%
192-219%	5.6%
220-248%	6.5%
249-274%	7.2%
275-300%	8.0%

Subd. 3. Exceptions to sliding scale. Children in families with income at or below 150 percent of the federal poverty guidelines pay a monthly premium of \$4.

Subd. 4. **Exception for transitioned adults.** County agencies shall pay premiums for single adults and households with no children formerly enrolled in general assistance medical care and enrolled in MinnesotaCare according to section 256D.03, subdivision 3, until six-month renewal. The county agency has the option of continuing to pay premiums for these enrollees.

(b) For purposes of this subdivision, assets are determined according to section 256B.056, subdivision 3c, except that workers' compensation settlements received due to a work-related injury shall not be considered.

(c) State-funded MinnesotaCare is not available for applicants or enrollees who are otherwise eligible for medical assistance but fail to verify assets. Enrollees who become eligible for federally funded medical assistance shall be terminated from state-funded MinnesotaCare and transferred to medical assistance.

Subd. 3. **Documentation.** (a) The commissioner of human services shall require individuals and families, at the time of application or renewal, to indicate on a form developed by the commissioner whether they satisfy the MinnesotaCare asset requirement.

(b) The commissioner may require individuals and families to provide any information the commissioner determines necessary to verify compliance with the asset requirement, if the commissioner determines that there is reason to believe that an individual or family has assets that exceed the program limit.

Repealed Minnesota Statutes: 10-6133

The credit shall equal 2.5 percent of revenues for patient services used to fund expenditures for qualifying research conducted by an allowable research program. The amount of the credit shall not exceed the tax liability of the hospital or health care provider under sections 295.50 to 295.57.

Repealed Minnesota Statutes: 10-6133

(b) For purposes of this subdivision, the following requirements apply:

(D) be subject to review and supervision by an institutional review board operating in conformity with federal regulations if the research involves human subjects or an institutional animal care and use committee operating in conformity with federal regulations if the research involves animal subjects. Research expenses are not exempt if the study is a routine evaluation of health care methods or products used in a particular setting conducted for the purpose of making a management decision. Costs of clinical research activities paid directly for the benefit of an individual patient are excluded from this exemption. Basic research in fields including biochemistry, molecular biology, and physiology are also included if such programs are subject to a peer review process.

(c) No credit shall be allowed under this subdivision for any revenue received by the hospital or health care provider in the form of a grant, gift, or otherwise, whether from a government or nongovernment source, on which the tax liability under section 295.52 is not imposed.

(e) Beginning September 1, 2001, if the actual or estimated amount paid under this section for the calendar year exceeds \$2,500,000, the commissioner of management and budget shall determine the rate of the research credit for the following calendar year to the nearest one-half percent so that refunds paid under this section will most closely equal \$2,500,000. The commissioner of management and budget shall publish in the State Register by October 1 of each year the rate of the credit for the following calendar year. A determination under this section is not subject to the rulemaking provisions of chapter 14.

Subdivision 1. **Taxes paid to another state.** A hospital, surgical center, or health care provider that has paid taxes to another jurisdiction measured by gross revenues and is subject to tax under sections 295.52 to 295.59 on the same gross revenues is entitled to a credit for the tax legally due and paid to another jurisdiction to the extent of the lesser of (1) the tax actually paid to the other jurisdiction, or (2) the amount of tax imposed by Minnesota on the gross revenues subject to tax in the other taxing jurisdictions.

Subd. 2. **Pharmacy refund.** A pharmacy may claim an annual refund against the total amount of tax, if any, the pharmacy owes during that calendar year under section 295.52, subdivision 4. The refund shall equal the amount paid by the pharmacy to a wholesale drug distributor subject to tax under section 295.52, subdivision 3, for legend drugs delivered by the pharmacy outside of Minnesota, multiplied by the tax percentage specified in section 295.52, subdivision 3. If the amount of the refund exceeds the tax liability of the pharmacy under section 295.52, subdivision 4, the commissioner shall provide the pharmacy with a refund equal to the excess amount. Each qualifying pharmacy must apply for the refund on the annual return as provided under section 295.55, subdivision 5. The refund must be claimed within 18 months from the date the drugs were delivered outside of Minnesota. Interest on refunds paid under this subdivision, the date a claim is filed is the due date of the return if a return is due or the date of the actual claim for refund, whichever is later.

Repealed Minnesota Statutes: 10-6133

to a credit for the tax legally due and paid to another state or province or territory of Canada to the extent of the lesser of (1) the tax actually paid to the other state or province or territory of Canada or (2) the amount of tax imposed by Minnesota on the gross revenues or sales subject to tax in the other taxing jurisdictions.

295.55 PAYMENT OF TAX.

Subdivision 1. **Scope.** The provisions of this section apply to the taxes imposed under sections 295.50 to 295.58.

(b) Estimated tax payments are not required of hospitals or surgical centers if: (1) the tax for the current calendar year is less than \$500; or (2) the tax for the previous calendar year is less than \$500, if the taxpayer had a tax liability and was doing business the entire year.

(c) Underpayment of estimated installments bear interest at the rate specified in section 270C.40, from the due date of the payment until paid or until the due date of the annual return whichever comes first. An underpayment of an estimated installment is the difference between the amount paid and the lesser of (1) 90 percent of one-twelfth of the tax for the calendar year or (2) one-twelfth of the total tax for the previous calendar year if the taxpayer had a tax liability and was doing business the entire year.

Subd. 3. **Estimated tax; other taxpayers.** (a) Each taxpayer, other than a hospital or surgical center, must make estimated payments of the taxes for the calendar year in quarterly installments to the commissioner by April 15, July 15, October 15, and January 15 of the following calendar year.

(b) Estimated tax payments are not required if: (1) the tax for the current calendar year is less than \$500; or (2) the tax for the previous calendar year is less than \$500, if the taxpayer had a tax liability and was doing business the entire year.

(c) Underpayment of estimated installments bear interest at the rate specified in section 270C.40, from the due date of the payment until paid or until the due date of the annual return whichever comes first. An underpayment of an estimated installment is the difference between the amount paid and the lesser of (1) 90 percent of one-quarter of the tax for the calendar year or (2) one-quarter of the total tax for the previous calendar year if the taxpayer had a tax liability and was doing business the entire year.

Subd. 4. Electronic payments. A taxpayer with an aggregate tax liability of:

(1) \$20,000 or more in the fiscal year ending June 30, 2005; or

(2) \$10,000 or more in the fiscal year ending June 30, 2006, and fiscal years thereafter, must remit all liabilities by electronic means in the subsequent calendar year.

Subd. 5. **Annual return.** The taxpayer must file an annual return reconciling the estimated payments by March 15 of the following calendar year.

Subd. 6. Form of returns. The estimated payments and annual return must contain the information and be in the form prescribed by the commissioner.

Subd. 7. Extensions for filing returns. If good cause exists, the commissioner may extend the time for filing MinnesotaCare tax returns for not more than 60 days.

295.56 TRANSFER OF ACCOUNTS RECEIVABLE.

When a hospital, surgical center, health care provider, or wholesale drug distributor transfers, assigns, or sells accounts receivable to another person who is subject to tax under this chapter, liability for the tax on the accounts receivable is imposed on the transferee, assignee, or buyer of the accounts receivable. No liability for these accounts receivable is imposed on the transferor, assignor, or seller of the accounts receivable.

Repealed Minnesota Statutes: 10-6133

financial information without prior consent from the patients. The data collected is classified as private or nonpublic data.

Subd. 3. **Interest on overpayments.** Interest must be paid on an overpayment refunded or credited to the taxpayer from the date of payment of the tax until the date the refund is paid or credited. For purposes of this subdivision, the date of payment is the due date of the return or the date of actual payment of the tax, whichever is later.

Subd. 4. **Sampling techniques.** The commissioner may use statistical or other sampling techniques consistent with generally accepted auditing standards in examining returns or records and making assessments.

Subd. 5. **Exemption for amounts paid for legend drugs.** If a hospital, surgical center, or health care provider cannot determine the actual cost or reimbursement of legend drugs under the exemption provided in section 295.53, subdivision 1, paragraph (a), clause (5), the following method must be used:

A hospital, surgical center, or health care provider must determine the amount paid for legend drugs used during the month or quarter and multiply that amount by a ratio, the numerator of which is the total amount received for taxable patient services, and the denominator of which is the total amount received for all patient services, including amounts exempt under section 295.53, subdivision 1. The result represents the allowable exemption for the monthly or quarterly cost of drugs.

295.58 DEPOSIT OF REVENUES AND PAYMENT OF REFUNDS.

The commissioner shall deposit all revenues, including penalties and interest, derived from the taxes imposed by sections 295.50 to 295.57 and from the insurance premiums tax imposed by section 297I.05, subdivision 5, on health maintenance organizations, community integrated service networks, and nonprofit health service plan corporations in the health care access fund. There is annually appropriated from the health care access fund to the commissioner of revenue the amount necessary to make refunds under this chapter.

295.582 AUTHORITY.

Subdivision 1. Tax expense transfer. (a) A hospital, surgical center, or health care provider that is subject to a tax under section 295.52, or a pharmacy that has paid additional expense transferred under this section by a wholesale drug distributor, may transfer additional expense generated by section 295.52 obligations on to all third-party contracts for the purchase of health care services on behalf of a patient or consumer. Nothing shall prohibit a pharmacy from transferring the additional expense generated under section 295.52 to a pharmacy benefits manager. The additional expense transferred to the third-party purchaser or a pharmacy benefits manager must not exceed the tax percentage specified in section 295.52 multiplied against the gross revenues received under the third-party contract, and the tax percentage specified in section 295.52 multiplied against co-payments and deductibles paid by the individual patient or consumer. The expense must not be generated on revenues derived from payments that are excluded from the tax under section 295.53. All third-party purchasers of health care services including, but not limited to, third-party purchasers regulated under chapter 60A, 62A, 62C, 62D, 62H, 62N, 64B, 65A, 65B, 79, or 79A, or under section 471.61 or 471.617, and pharmacy benefits managers must pay the transferred expense in addition to any payments due under existing contracts with the hospital, surgical center, pharmacy, or health care provider, to the extent allowed under federal law. A third-party purchaser of health care services includes, but is not limited to, a health carrier or community integrated service network that pays for health care services on behalf of patients or that reimburses, indemnifies, compensates, or otherwise insures patients for health care services. For purposes of this section, a pharmacy benefits manager means an entity that performs pharmacy benefits management. A third-party purchaser or pharmacy benefits manager shall comply with this section regardless of whether the third-party purchaser or pharmacy benefits manager is a for-profit, not-for-profit, or nonprofit entity. A wholesale drug distributor may transfer additional expense generated by section 295.52 obligations to entities that purchase from the wholesaler, and the entities must pay the additional expense. Nothing in this section limits the ability of a hospital, surgical center, pharmacy, wholesale drug distributor, or health care provider to recover all or part of the section 295.52 obligation by other methods, including increasing fees or charges.

(b) Any hospital, surgical center, or health care provider subject to a tax under section 295.52 or a pharmacy that has paid additional expense transferred under this section by a wholesale drug distributor may file a complaint with the commissioner responsible for regulating the third-party purchaser if at any time the third-party purchaser fails to comply with paragraph (a).

Repealed Minnesota Statutes: 10-6133

(c) If the commissioner responsible for regulating the third-party purchaser finds at any time that the third-party purchaser has not complied with paragraph (a), the commissioner may take enforcement action against a third-party purchaser which is subject to the commissioner's regulatory jurisdiction and which does not allow a hospital, surgical center, pharmacy, or provider to pass-through the tax. The commissioner may by order fine or censure the third-party purchaser or revoke or suspend the certificate of authority or license of the third-party purchaser to do business in this state if the commissioner finds that the third-party purchaser has not complied with this section. The third-party purchaser may appeal the commissioner's order through a contested case hearing in accordance with chapter 14.

Subd. 2. **Agreement.** A contracting agreement between a third-party purchaser or a pharmacy benefits manager and a resident or nonresident pharmacy registered under chapter 151, may not prohibit:

(1) a pharmacy that has paid additional expense transferred under this section by a wholesale drug distributor from exercising its option under this section to transfer such additional expenses generated by the section 295.52 obligations on to the third-party purchaser or pharmacy benefits manager; or

(2) a pharmacy that is subject to tax under section 295.52, subdivision 4, from exercising its option under this section to recover all or part of the section 295.52 obligations from the third-party purchaser or a pharmacy benefits manager.

295.59 SEVERABILITY.

If any section, subdivision, clause, or phrase of sections 295.50 to 295.582 is for any reason held to be unconstitutional or in violation of federal law, the decision shall not affect the validity of the remaining portions of sections 295.50 to 295.582. The legislature declares that it would have passed sections 295.50 to 295.582 and each section, subdivision, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subdivisions, sentences, clauses, or phrases is declared unconstitutional.

297I.05 TAX IMPOSED.

Subd. 5. Health maintenance organizations, nonprofit health service plan corporations, and community integrated service networks. The rate of tax is equal to one percent of gross premiums less return premiums on all direct business received by the organization, network, or corporation or its agents in Minnesota, in cash or otherwise, in the calendar year.

(b) The commissioner shall deposit all revenues, including penalties and interest, collected under this chapter from health maintenance organizations, community integrated service networks, and nonprofit health service plan corporations in the health care access fund. Refunds of overpayments of tax imposed by this subdivision must be paid from the health care access fund. There is annually appropriated from the health care access fund to the commissioner the amount necessary to make any refunds of the tax imposed under this subdivision.
