5.17 Subd. 2. **Special meetings.** Special meetings of the members must be held
5.18 whenever called by any five directors or upon a petition signed by 25 percent of
5.19 association members. Special meetings of the members must be held at a time and place

6.15 Subd. 4. **Indemnification.** The association shall indemnify directors, officers,
6.16 employees, and agents to the same extent that persons may be indemnified by corporations

6.18 Sec. 7. **[62V.06] EMPLOYER ELIGIBILITY.**

6.19 Subdivision 1. **Procedures.** All employers are eligible for coverage through the
6.20 pool subject to the terms of this section. The association shall establish procedures for
6.21 an employer to apply to, become enrolled in, obtain coverage from, and withdraw from,
6.22 the pool.

6.23 Subd. 2. **Term.** The initial term of an employer's coverage shall be established by
6.24 the association. After that, coverage will be automatically renewed for an additional term
6.25 unless the employer gives notice of withdrawal from the pool according to procedures
6.26 established by the association or the association gives notice to the employer of the
6.27 discontinuance of the pool. The association may establish conditions under which an
6.28 employer may withdraw from the pool before expiration of a term, and conditions under
6.29 which the employer may reapply for coverage. An employer that withdraws from the pool
6.30 may not reapply for coverage for a period of time equal to its initial term of coverage.

6.31 Subd. 3. **Minnesota work force.** An employer is not eligible for coverage
6.32 through the pool if five percent or more of its eligible employees work primarily outside
6.33 Minnesota, except that an employer may apply to the pool on behalf of only those
6.34 employees who work primarily in Minnesota.

7.1 Subd. 4. **Employee participation; aggregation of groups.** An employer is not
7.2 eligible for coverage through the pool unless its application includes all eligible employees
7.3 who work primarily in Minnesota, except employees who waive coverage as permitted
7.4 by section 62V.07, subdivision 4. Private entities that are eligible to file a combined tax
7.5 return for purposes of state tax laws are considered a single employer, except as otherwise
7.6 approved by the association.

7.7 Subd. 5. **Private employer.** A private employer is not eligible for coverage unless it
7.8 has two or more eligible employees in the state of Minnesota. If an employer has only
7.9 two eligible employees and one is the spouse, child, sibling, parent, or grandparent of
7.10 the other, the employer must be a Minnesota domiciled employer and have paid Social
7.11 Security or self-employment tax on behalf of both eligible employees.

7.12 Sec. 8. **[62V.07] EMPLOYEE ELIGIBILITY.**

7.13 Subdivision 1. **Procedures.** The association shall establish procedures for
7.14 employees and other eligible individuals to apply to, become enrolled in, obtain coverage
7.15 from, and withdraw from, the pool.

7.16 Subd. 2. **Employees.** The association shall determine, when an employer applies
7.17 to the pool, the criteria its employees must meet to be eligible for coverage under its
7.18 plan. The criteria must provide that all employees are eligible for coverage unless the
7.19 association establishes otherwise, and that new employees must elect coverage within
7.20 90 days of the start of their employment.

7.21 Subd. 3. **Other dependents and individuals.** The association may elect to cover:

7.22 (1) the spouse, dependent children, and dependent grandchildren of a covered

7.32 state or federal law.

7.33 Subd. 4. **Waiver and late entrance.** An eligible individual may waive coverage
7.34 at the time the employer joins the pool or when coverage first becomes available. The

8.1 association may establish a preexisting condition exclusion of not more than 18 months
8.2 for late entrants.

8.3 Sec. 9. **[62V.08] INDIVIDUAL ELIGIBILITY.**

8.4 All individuals in the state are eligible for coverage through the pool subject to
8.5 the terms established by the association. The association shall establish procedures for

8.12 obtain coverage from, and withdraw from, the pool.

8.13 Subd. 2. **Term.** The initial term of a pool's coverage shall be established by
8.14 the association. After that, coverage will be automatically renewed for an additional
8.15 term unless the enrollee pool gives notice of withdrawal from the pool according to
8.16 procedures established by the association or the association gives notice to the enrollee
8.17 pool of the discontinuance of the pool. The association may establish conditions under
8.18 which the enrollee pool may withdraw from the pool before expiration of a term, and
8.19 conditions under which the enrollee pool may reapply for coverage. An enrollee pool that
8.20 withdraws from the pool may not reapply for coverage for a period of time equal to its
8.21 initial term of coverage.

8.22 Sec. 11. **[62V.10] COVERAGE.**

8.23 Subdivision 1. **Generally.** Subject to any temporary enrollment and other temporary
8.24 restrictions established by the association, coverage through the pool must be made
8.25 available on a guaranteed issue basis. No more than three coverage options may be offered
8.26 through the pool. The association shall provide coverage through contracts directly with
8.27 health care providers. The association may charge all members a fee for administrative
8.28 purposes.

8.29 Subd. 2. **Health benefits.** (a) The association shall establish health benefits that:

8.30 (1) have strong care management features to control costs and promote quality
8.31 including:

8.32 (i) financial incentives for patients, in appropriate situations, to select a care

9.9 must be administered as though the retiree is enrolled in Medicare parts A and B.

9.10 (c) To the extent feasible as determined by the association and in the best interests of
9.11 the pool, the association shall model coverage after the coverage summarized under the
9.12 contract to contain statement of benefits in section 43A.23, subdivision 2. Health benefits
9.13 must include at least the benefits required of a carrier regulated under chapter 62A, 62C,
9.14 or 62D for comparable coverage.

9.15 Subd. 3. **Continuation coverage.** The pool shall provide all continuation coverage
9.16 required by state and federal law.

9.21 Sec. 12. **[62V.11] PREMIUMS.**

9.22 Subdivision 1. **Payments.** Employers, individuals, and other pools enrolled in the
9.23 pool shall pay premiums according to terms established by the association. If an employer,
9.24 individual, or other pool fails to make the required payments, the association may cancel
9.25 coverage and pursue other civil remedies.

9.26 Subd. 2. **Rating method.** The association shall determine the premium rates and use
9.27 community rating in setting the premium rates. The premium rates may vary depending on
9.28 the ages of enrollees. The association must recover in premiums all of the ongoing costs
9.29 for administration and for maintenance of premium stability and claim fluctuation reserve.

9.30 Subd. 3. **Taxes and assessments.** The premiums paid to the pool are not subject
9.31 to the taxes imposed by chapter 297I, and the pool is not subject to a Minnesota
9.32 Comprehensive Health Association assessment under section 62E.11.

9.33 Sec. 13. **[62V.12] MINNESOTA HEALTH BENEFITS PURCHASING POOL**
9.34 **RESERVES.**

10.1 The association shall establish and maintain adequate reserves:

10.2 (1) for claims in process, incomplete and unreported claims, premiums received but
10.3 not yet earned, and all other accrued liabilities; and

10.4 (2) to ensure premium stability and the timely payment of claims in the event of
10.5 adverse claims experience.

10.6 Sec. 14. **[62V.13] STATUS OF AGENTS.**

10.7 Notwithstanding sections 60K.49 and 72A.07, the pool may use, and pay referral
10.8 fees, commissions, or other compensation to, agents licensed as insurance producers
10.9 under chapter 60K.

10.10 Sec. 15. **APPOINTMENT OF INITIAL BOARD.**

10.11 The health plan purchasing pool study group, as constituted on the day it expired
10.12 pursuant to Laws 2007, chapter 147, article 12, section 15, is revived the day following
10.13 final enactment of this section for the sole purpose of appointing the initial board of
10.14 directors of the Minnesota Health Benefits Purchasing Pool Association. Notwithstanding

10.16 appoint an initial board of directors consisting of 15 members. The study group shall
10.17 appoint five members who are employers in the state, five members who are individuals
10.18 residing in the state, and five members who are health care providers in the state. No
10.19 more than seven directors may be appointed from the seven-county metropolitan area.
10.20 Two-thirds of the membership of the study group must vote in favor of each appointment
10.21 made under this section. The initial board shall serve until the pool begins operation, but
10.22 in no event may the term of this initial board exceed two years. Minnesota Statutes,
10.23 section 62V.03, subdivisions 4, 5, 6, 7, and 8, apply to the initial board from the date of its

10.25 of operation that allows the pool to begin offering coverage as soon as practicable. The
10.26 initial coverage options and the premium rates must be established with the assistance of
10.27 the administrator and presented to the board for approval. The association may initially
10.28 limit enrollment, coverage options, and availability of coverage in certain geographic
10.29 areas of the state and to certain individuals or groups, and impose other restrictions that
10.30 are necessary to ensure that the pool is actuarially sound.

10.31 Sec. 16. **EFFECTIVE DATE; FUNDING.**
