6.17 of a third-party testing program. The third-party testing program must keep a copy of the
6.18 certificate of each third-party tester employed by the program on file in the office of the
6.19 program. A third-party tester's certificate is effective on the date of issuance by the
6.20 commissioner and expires four years after issuance. A third-party tester may not conduct
6.21 road tests without a valid third-party tester certificate. A certificate issued to a third-party
6.22 tester is not transferable.

6.23 Subd. 2. **Certificate renewal time frame.** A third-party tester must submit an application
6.24 for renewal of the tester's certificate to the commissioner no less than 30 days before the

7.27 adoptive, half-, step-, and in-law relationships, of the person taking the test;

7.28 (3) test anyone with a physical disability who may need an individualized restriction
7.29 added to the person's driver's license; or

7.30 (4) test anyone who has not completed all required coursework and training before
7.31 administering a road test.

8.1 **Sec. 12. [171.80] RECORD KEEPING; REPORTING REQUIREMENTS.**

8.2 **Subdivision 1. Records of administered tests.** An approved third-party testing program
8.3 must maintain, at the program's administrative office for a minimum of three years, the
8.4 tester's copy of the record of examination of any driver for whom the third-party testing

8.10 **Subd. 2. Records of third-party testers.** The third-party testing program must maintain,
8.11 at the program's administrative office, a record of each third-party tester in the employ of
8.12 the third-party testing program at that location. Each record must include:

8.13 (1) a valid and complete tester certificate indicating the third-party tester has met all
8.14 qualifications;

8.15 (2) a copy of the third-party tester's current driving record, which must be updated
8.16 annually; and

8.17 (3) evidence that the third-party tester is an employee of the third-party testing program.

8.18 **Subd. 3. Record retention.** The third-party testing program must retain all third-party
8.19 tester records for three years after a third-party tester leaves the employ of the third-party
8.20 testing program.

8.21 **Subd. 4. Reporting requirements.** The third-party testing program must report the
8.22 number of road tests administered annually by all third-party testers employed by the
8.23 program. The report must be in writing or in an electronic format approved by the
8.24 commissioner and must be received by the commissioner within 45 days of the end of each
8.25 calendar year.

8.26 **Subd. 5. Data Practices Act.** All third-party testing programs and third-party testers are
8.27 subject to section 13.05, subdivision 11.

8.28 **Sec. 13. [171.81] NOTIFICATION REQUIREMENTS.**

8.29 **Subdivision 1. Generally.** The third-party testing program must ensure that the
8.30 commissioner is notified in writing or electronically:

8.31 (1) 30 days before any change in the third-party testing program's name or address;

9.1 (2) ten days before a third-party tester leaves the employ of the third-party testing
 9.2 program;

9.3 (3) within ten days of a change in a third-party tester's driving status;

9.4 (4) within ten days of the third-party testing program ceasing business operations in
 9.5 Minnesota; or

9.6 (5) within ten days of a third-party tester:

9.7 (i) receiving notice from any state that the tester's driving privileges have been withdrawn;

9.8 or

9.9 (ii) failing to comply with the third-party testing program or third-party tester
 9.10 requirements in sections 171.70 to 171.82.

9.11 Subd. 2. **Test route change.** Before changing a test route, a third-party testing program
 9.12 must submit a written request and obtain written approval from the commissioner for any
 9.13 proposed change in the road test route. The request may be submitted by facsimile or email.

9.14 Subd. 3. **Tester change.** A third-party tester must notify the commissioner within ten
 9.15 days of leaving the employ of a third-party testing program.

9.16 Sec. 14. **[171.82] DENIAL, CANCELLATION, OR SUSPENSION OF PROGRAM**
 9.17 **OR TESTER; APPEAL.**

9.18 Subdivision 1. **Denial.** The commissioner may deny an application for a third-party
 9.19 testing program or tester certificate if the applicant does not qualify for approval or
 9.20 certification under sections 171.70 to 171.81. A misstatement or misrepresentation on the
 9.21 application is grounds for denying a letter of approval or tester certificate.

9.22 Subd. 2. **Cancellation or suspension.** The commissioner may cancel the approval of a
 9.23 third-party testing program or third-party tester or may suspend a program or tester for:

9.24 (1) failure to comply with or satisfy any provision of sections 171.70 to 171.81;

9.25 (2) falsification of any records or information relating to the third-party testing program;

9.26 (3) performance in a manner that compromises the integrity of the third-party testing
 9.27 program. The commissioner must use the same standards of integrity for state-employed
 9.28 testers and third-party testers; or

9.29 (4) the withdrawal of a third-party tester's driving privileges.

9.30 Subd. 3. **Commissioner's discretion.** (a) The existence of grounds for cancellation or
 9.31 suspension under subdivision 2 is determined at the sole discretion of the commissioner. If

10.1 the commissioner determines that grounds for cancellation or suspension exist for failure
10.2 to comply with or satisfy any requirement in sections 171.70 to 171.81, the commissioner
10.3 may immediately cancel or suspend the third-party testing program or third-party tester
10.4 from administering any further tests.

10.5 (b) When an application to be a third-party testing program or third-party tester is denied,
10.6 or when an individual program approval or a tester's certificate is canceled, notice must be
10.7 mailed to the subject indicating the reasons for the denial or cancellation and that the
10.8 third-party testing program or third-party tester may appeal the decision as provided in
10.9 subdivision 5.

10.10 Subd. 4. **Correction order.** If an audit by the commissioner identifies a situation that
10.11 needs correction but does not merit suspension or cancellation, the commissioner may issue
10.12 a correction order to a third-party tester or program within 30 days to correct a deficiency
10.13 before the program or tester becomes subject to suspension or cancellation. The notice must
10.14 include the basis for requiring the correction. The notice must notify the individual of the
10.15 ability to appeal the correction order as provided in subdivision 5. The third-party testing
10.16 program or third-party tester is allowed 30 days to correct the deficiency without having to
10.17 reapply.

10.18 Subd. 5. **Notice of denial or cancellation; request for reconsideration and hearing.** (a)
10.19 Within 20 calendar days of receiving a notice of cancellation or denial issued pursuant to
10.20 subdivision 3 or a correction order issued pursuant to subdivision 4, the third-party testing
10.21 program or third-party tester may submit a request for reconsideration in writing to the
10.22 commissioner. The commissioner must review the request for reconsideration and issue a
10.23 decision within 30 days of receipt of the request. Upon receipt of the commissioner's decision,
10.24 the affected party may initiate a contested case proceeding under chapter 14.

10.25 (b) As an alternative to the process in paragraph (a), the affected party may initiate a
10.26 contested case proceeding within 20 calendar days of receiving a notice of cancellation or
10.27 denial issued pursuant to subdivision 3 or a correction order issued pursuant to subdivision
10.28 4.

10.29 (c) If a correction order issued pursuant to subdivision 4 is contested as provided in
10.30 paragraph (a) or (b), the commissioner must not enforce the correction order until a final
10.31 decision has been made following the contested case proceeding.

11.1 Sec. 15. **IMPLEMENTATION.**

11.2 The commissioner of public safety must implement the requirements of this act with
11.3 existing resources. The commissioner must not hire additional staff to implement the
11.4 requirements of this act or to conduct audits as required by Minnesota Statutes, section
11.5 171.78.

11.6 Sec. 16. **EFFECTIVE DATE.**

11.7 This act is effective August 1, 2024.
