40.5 the district court in the county where the patient is receiving treatment from the secure  
40.6 treatment facility. The secure treatment facility shall serve the petition on the patient three  
40.7 days before a hearing on the petition. The petition shall include one or more affidavits  
40.8 attesting that:

40.9 (1) the secure treatment facility followed the procedures in sections 246.71 to 246.722

43.5 (3) retired;

43.6 (4) on disabled status; or

43.7 (5) on retired senior status.

43.8 Sec. 2. Minnesota Statutes 2022, section 256.045, is amended by adding a subdivision to  
43.9 read:

43.10 Subd. 1a. **Direct care and treatment executive board or executive board.** For purposes  
43.11 of this section, "direct care and treatment executive board" or "executive board" means the  
43.12 Department of Direct Care and Treatment executive board established under section 246C.06.

43.13 Sec. 3. Minnesota Statutes 2023 Supplement, section 256.045, subdivision 3, is amended  
43.14 to read:

43.18 federal Food and Nutrition Act whose application for assistance is denied, not acted upon  
43.19 with reasonable promptness, or whose assistance is suspended, reduced, terminated, or  
43.20 claimed to have been incorrectly paid;

43.21 (2) any patient or relative aggrieved by an order of the commissioner under section  
43.22 252.27;

43.24 (4) except as provided under chapter 245C, any individual or facility determined by a  
43.25 lead investigative agency to have maltreated a vulnerable adult under section 626.557 after  
43.26 they have exercised their right to administrative reconsideration under section 626.557;

43.27 (5) any person whose claim for foster care payment according to a placement of the  
43.28 child resulting from a child protection assessment under chapter 260E is denied or not acted  
43.29 upon with reasonable promptness, regardless of funding source;

44.1 (6) any person to whom a right of appeal according to this section is given by other  
44.2 provision of law;

44.4 under section 256B.15;

44.5 (8) an applicant aggrieved by an adverse decision to an application or redetermination  
44.6 for a Medicare Part D prescription drug subsidy under section 256B.04, subdivision 4a;

44.7 (9) except as provided under chapter 245A, an individual or facility determined to have  
44.8 maltreated a minor under chapter 260E, after the individual or facility has exercised the

44.10 (10) except as provided under chapter 245C, an individual disqualified under sections  
44.11 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23,  
44.12 on the basis of serious or recurring maltreatment; a preponderance of the evidence that the  
44.13 individual has committed an act or acts that meet the definition of any of the crimes listed  
44.14 in section 245C.15, subdivisions 1 to 4; or for failing to make reports required under section  
44.15 260E.06, subdivision 1, or 626.557, subdivision 3. Hearings regarding a maltreatment  
44.16 determination under clause (4) or (9) and a disqualification under this clause in which the  
44.17 basis for a disqualification is serious or recurring maltreatment, shall be consolidated into  
44.18 a single fair hearing. In such cases, the scope of review by the human services judge shall  
44.19 include both the maltreatment determination and the disqualification. The failure to exercise  
44.20 the right to an administrative reconsideration shall not be a bar to a hearing under this section  
44.21 if federal law provides an individual the right to a hearing to dispute a finding of  
44.22 maltreatment;

44.23 (11) any person with an outstanding debt resulting from receipt of public assistance,  
44.24 medical care, or the federal Food and Nutrition Act who is contesting a setoff claim by the  
44.25 Department of Human Services or a county agency. The scope of the appeal is the validity  
44.26 of the claimant agency's intention to request a setoff of a refund under chapter 270A against  
44.27 the debt;

44.28 (12) a person issued a notice of service termination under section 245D.10, subdivision  
44.29 3a, by a licensed provider of any residential supports or services listed in section 245D.03,  
44.30 subdivision 1, paragraphs (b) and (c), that is not otherwise subject to appeal under subdivision  
44.31 4a;

44.32 (13) an individual disability waiver recipient based on a denial of a request for a rate  
44.33 exception under section 256B.4914;

45.1 (14) a person issued a notice of service termination under section 245A.11, subdivision  
45.2 11, that is not otherwise subject to appeal under subdivision 4a; or

45.3 (15) a recovery community organization seeking medical assistance vendor eligibility  
45.4 under section 254B.01, subdivision 8, that is aggrieved by a membership or accreditation  
45.5 determination and that believes the organization meets the requirements under section  
45.6 254B.05, subdivision 1, paragraph (d), clauses (1) to (10). The scope of the review by the  
45.7 human services judge shall be limited to whether the organization meets each of the  
45.8 requirements under section 254B.05, subdivision 1, paragraph (d), clauses (1) to (10).

45.9 (b) The hearing for an individual or facility under paragraph (a), clause (4), (9), or (10),  
45.10 is the only administrative appeal to the final agency determination specifically, including  
45.11 a challenge to the accuracy and completeness of data under section 13.04. Hearings requested  
45.12 under paragraph (a), clause (4), apply only to incidents of maltreatment that occur on or  
45.13 after October 1, 1995. Hearings requested by nursing assistants in nursing homes alleged  
45.14 to have maltreated a resident prior to October 1, 1995, shall be held as a contested case  
45.15 proceeding under the provisions of chapter 14. Hearings requested under paragraph (a),  
45.16 clause (9), apply only to incidents of maltreatment that occur on or after July 1, 1997. A  
45.17 hearing for an individual or facility under paragraph (a), clauses (4), (9), and (10), is only  
45.18 available when there is no district court action pending. If such action is filed in district  
45.19 court while an administrative review is pending that arises out of some or all of the events  
45.20 or circumstances on which the appeal is based, the administrative review must be suspended  
45.21 until the judicial actions are completed. If the district court proceedings are completed,  
45.22 dismissed, or overturned, the matter may be considered in an administrative hearing.

45.23 (c) For purposes of this section, bargaining unit grievance procedures are not an  
45.24 administrative appeal.

45.25 (d) The scope of hearings involving claims to foster care payments under paragraph (a),  
45.26 clause (5), shall be limited to the issue of whether the county is legally responsible for a  
45.27 child's placement under court order or voluntary placement agreement and, if so, the correct  
45.28 amount of foster care payment to be made on the child's behalf and shall not include review  
45.29 of the propriety of the county's child protection determination or child placement decision.

45.30 (e) The scope of hearings under paragraph (a), clauses (12) and (14), shall be limited to  
45.31 whether the proposed termination of services is authorized under section 245D.10,  
45.32 subdivision 3a, paragraph (b), or 245A.11, subdivision 11, and whether the requirements  
45.33 of section 245D.10, subdivision 3a, paragraphs (c) to (e), or 245A.11, subdivision 2a,  
45.34 paragraphs (d) to (f), were met. If the appeal includes a request for a temporary stay of

46.1 termination of services, the scope of the hearing shall also include whether the case  
46.2 management provider has finalized arrangements for a residential facility, a program, or  
46.3 services that will meet the assessed needs of the recipient by the effective date of the service  
46.4 termination.

46.5 (f) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor  
46.6 under contract with a county agency to provide social services is not a party and may not  
46.7 request a hearing under this section, except if assisting a recipient as provided in subdivision  
46.8 4.

46.9 (g) An applicant or recipient is not entitled to receive social services beyond the services  
46.10 prescribed under chapter 256M or other social services the person is eligible for under state  
46.11 law.

46.12 (h) The commissioner may summarily affirm the county or state agency's proposed  
46.13 action without a hearing when the sole issue is an automatic change due to a change in state  
46.14 or federal law, except in matters covered by paragraph (i).

46.15 (i) When the subject of an administrative review is a matter within the jurisdiction of  
46.16 the direct care and treatment executive board as a part of the board's powers and duties  
46.17 under chapter 246C, the executive board may summarily affirm the county or state agency's  
46.18 proposed action without a hearing when the sole issue is an automatic change due to a  
46.19 change in state or federal law.

46.20 ~~(h)~~ (j) Unless federal or Minnesota law specifies a different time frame in which to file  
46.21 an appeal, an individual or organization specified in this section may contest the specified  
46.22 action, decision, or final disposition before the state agency by submitting a written request  
46.23 for a hearing to the state agency within 30 days after receiving written notice of the action,  
46.24 decision, or final disposition, or within 90 days of such written notice if the applicant,  
46.25 recipient, patient, or relative shows good cause, as defined in section 256.0451, subdivision  
46.26 13, why the request was not submitted within the 30-day time limit. The individual filing  
46.27 the appeal has the burden of proving good cause by a preponderance of the evidence.

46.28 Sec. 4. Minnesota Statutes 2022, section 256.045, subdivision 5, is amended to read:

46.29 Subd. 5. **Orders of the commissioner of human services.** (a) Except as provided for  
46.30 under subdivision 5a for matters under the jurisdiction of the direct care and treatment  
46.31 executive board, a state human services judge shall conduct a hearing on the appeal and  
46.32 shall recommend an order to the commissioner of human services. The recommended order  
46.33 must be based on all relevant evidence and must not be limited to a review of the propriety

47.1 of the state or county agency's action. A human services judge may take official notice of  
47.2 adjudicative facts. The commissioner of human services may accept the recommended order  
47.3 of a state human services judge and issue the order to the county agency and the applicant,  
47.4 recipient, former recipient, or prepaid health plan. The commissioner on refusing to accept  
47.5 the recommended order of the state human services judge, shall notify the petitioner, the  
47.6 agency, or prepaid health plan of that fact and shall state reasons therefor and shall allow  
47.7 each party ten days' time to submit additional written argument on the matter. After the  
47.8 expiration of the ten-day period, the commissioner shall issue an order on the matter to the  
47.9 petitioner, the agency, or prepaid health plan.

47.10 (b) A party aggrieved by an order of the commissioner may appeal under subdivision  
47.11 7, or request reconsideration by the commissioner within 30 days after the date the  
47.12 commissioner issues the order. The commissioner may reconsider an order upon request of  
47.13 any party or on the commissioner's own motion. A request for reconsideration does not stay  
47.14 implementation of the commissioner's order. The person seeking reconsideration has the  
47.15 burden to demonstrate why the matter should be reconsidered. The request for reconsideration  
47.16 may include legal argument and proposed additional evidence supporting the request. If  
47.17 proposed additional evidence is submitted, the person must explain why the proposed  
47.18 additional evidence was not provided at the time of the hearing. If reconsideration is granted,  
47.19 the other participants must be sent a copy of all material submitted in support of the request  
47.20 for reconsideration and must be given ten days to respond. Upon reconsideration, the  
47.21 commissioner may issue an amended order or an order affirming the original order.

47.22 (c) Any order of the commissioner issued under this subdivision shall be conclusive  
47.23 upon the parties unless appeal is taken in the manner provided by subdivision 7. Any order  
47.24 of the commissioner is binding on the parties and must be implemented by the state agency,  
47.25 a county agency, or a prepaid health plan according to subdivision 3a, until the order is  
47.26 reversed by the district court, or unless the commissioner or a district court orders monthly  
47.27 assistance or aid or services paid or provided under subdivision 10.

47.28 (d) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor  
47.29 under contract with a county agency to provide social services is not a party and may not  
47.30 request a hearing or seek judicial review of an order issued under this section, unless assisting  
47.31 a recipient as provided in subdivision 4. A prepaid health plan is a party to an appeal under  
47.32 subdivision 3a, but cannot seek judicial review of an order issued under this section.

48.1 Sec. 5. Minnesota Statutes 2022, section 256.045, is amended by adding a subdivision to  
48.2 read:

48.3 Subd. 5a. **Orders of the direct care and treatment executive board.** (a) When the  
48.4 subject of an administrative review is a matter within the jurisdiction of the direct care and  
48.5 treatment executive board as a part of the board's powers and duties under chapter 246C, a  
48.6 state human services judge shall conduct a hearing on the appeal and shall recommend an  
48.7 order to the executive board. The recommended order must be based on all relevant evidence  
48.8 and must not be limited to a review of the propriety of the state or county agency's action.  
48.9 A human services judge may take official notice of adjudicative facts. The direct care and  
48.10 treatment executive board may accept the recommended order of a state human services  
48.11 judge and issue the order to the parties. The executive board, on refusing to accept the  
48.12 recommended order of the state human services judge, shall notify the parties of the refusal  
48.13 and the reasoning and shall allow each party ten days to submit additional written argument  
48.14 on the matter. After the expiration of the ten-day period, the executive board shall issue an  
48.15 order on the matter to the parties.

48.16 (b) A party aggrieved by an order of the executive board may appeal under subdivision  
48.17 7, or request reconsideration by the executive board within 30 days after the date the  
48.18 executive board issues the order. The executive board may reconsider an order upon request  
48.19 of any party or on the executive board's own motion. A request for reconsideration does  
48.20 not stay implementation of the executive board's order. The person seeking reconsideration  
48.21 has the burden to demonstrate why the matter should be reconsidered. The request for  
48.22 reconsideration may include legal argument and proposed additional evidence supporting  
48.23 the request. If proposed additional evidence is submitted, the person must explain why the  
48.24 proposed additional evidence was not provided at the time of the hearing. If reconsideration  
48.25 is granted, the other participants must be sent a copy of all material submitted in support of  
48.26 the request for reconsideration and must be given ten days to respond. Upon reconsideration,  
48.27 the executive board may issue an amended order or an order affirming the original order.

48.28 (c) Any order of the executive board issued under this subdivision shall be conclusive  
48.29 upon the parties unless appeal is taken in the manner provided by subdivision 7. Any order  
48.30 of the executive board is binding on the parties and must be implemented by the state agency  
48.31 or a county agency, until the order is reversed by the district court, or unless the executive  
48.32 board or a district court orders monthly services paid or provided under subdivision 10.

48.33 (d) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor  
48.34 under contract with a county agency to provide social services is not a party and may not  
48.35 request a hearing or seek judicial review of an order issued under this section, unless assisting

49.1 a recipient as provided in subdivision 4. The Department of Direct Care and Treatment is  
49.2 not a vendor for the purposes of this paragraph.

49.3 Sec. 6. Minnesota Statutes 2022, section 256.045, subdivision 6, is amended to read:

49.4 Subd. 6. **Additional powers of commissioner; subpoenas.** (a) The commissioner of  
49.5 human services, ~~or~~ the commissioner of health for matters within the commissioner's  
49.6 jurisdiction under subdivision 3b, or the direct care and treatment executive board for matters  
49.7 within the jurisdiction of the executive board under subdivision 5a, may initiate a review  
49.8 of any action or decision of a county agency and direct that the matter be presented to a  
49.9 state human services judge for a hearing held under subdivision 3, 3a, 3b, or 4a. In all matters  
49.10 dealing with human services committed by law to the discretion of the county agency, the  
49.11 ~~commissioner's~~ judgment of the applicable commissioner or executive board may be  
49.12 substituted for that of the county agency. The applicable commissioner or executive board  
49.13 may order an independent examination when appropriate.

49.14 (b) Any party to a hearing held pursuant to subdivision 3, 3a, 3b, or 4a may request that  
49.15 the applicable commissioner or executive board issue a subpoena to compel the attendance  
49.16 of witnesses and the production of records at the hearing. A local agency may request that  
49.17 the applicable commissioner or executive board issue a subpoena to compel the release of  
49.18 information from third parties prior to a request for a hearing under section 256.046 upon  
49.19 a showing of relevance to such a proceeding. The issuance, service, and enforcement of  
49.20 subpoenas under this subdivision is governed by section 357.22 and the Minnesota Rules  
49.21 of Civil Procedure.

49.22 (c) The commissioner of human services may issue a temporary order staying a proposed  
49.23 demission by a residential facility licensed under chapter 245A:

49.24 (1) while an appeal by a recipient under subdivision 3 is pending;

49.25 (2) for the period of time necessary for the case management provider to implement the  
49.26 commissioner's order; or

49.27 (3) for appeals under subdivision 3, paragraph (a), clause (12), when the individual is  
49.28 seeking a temporary stay of demission on the basis that the county has not yet finalized an  
49.29 alternative arrangement for a residential facility, a program, or services that will meet the  
49.30 assessed needs of the individual by the effective date of the service termination, a temporary  
49.31 stay of demission may be issued for no more than 30 calendar days to allow for such  
49.32 arrangements to be finalized.

50.1 Sec. 7. Minnesota Statutes 2022, section 256.045, subdivision 7, is amended to read:

50.2 Subd. 7. **Judicial review.** Except for a prepaid health plan, any party who is aggrieved  
50.3 by an order of the commissioner of human services, ~~or~~ the commissioner of health in appeals  
50.4 within the commissioner's jurisdiction under subdivision 3b, or the direct care and treatment  
50.5 executive board in appeals within the jurisdiction of the executive board under subdivision  
50.6 5a may appeal the order to the district court of the county responsible for furnishing  
50.7 assistance, or, in appeals under subdivision 3b, the county where the maltreatment occurred,  
50.8 by serving a written copy of a notice of appeal upon the applicable commissioner or executive  
50.9 board and any adverse party of record within 30 days after the date the commissioner or  
50.10 executive board issued the order, the amended order, or order affirming the original order,  
50.11 and by filing the original notice and proof of service with the court administrator of the  
50.12 district court. Service may be made personally or by mail; service by mail is complete upon  
50.13 mailing; no filing fee shall be required by the court administrator in appeals taken pursuant  
50.14 to this subdivision, with the exception of appeals taken under subdivision 3b. The applicable  
50.15 commissioner or executive board may elect to become a party to the proceedings in the  
50.16 district court. Except for appeals under subdivision 3b, any party may demand that the  
50.17 commissioner or executive board furnish all parties to the proceedings with a copy of the  
50.18 decision, and a transcript of any testimony, evidence, or other supporting papers from the  
50.19 hearing held before the human services judge, by serving a written demand upon the  
50.20 applicable commissioner or executive board within 30 days after service of the notice of  
50.21 appeal. Any party aggrieved by the failure of an adverse party to obey an order issued by  
50.22 the commissioner or executive board under ~~subdivision~~ subdivisions 5 or 5a may compel  
50.23 performance according to the order in the manner prescribed in sections 586.01 to 586.12.

50.24 Sec. 8. Minnesota Statutes 2022, section 256G.01, subdivision 1, is amended to read:

50.25 Subdivision 1. **Applicability.** This chapter governs the Minnesota human services system.  
50.26 The system includes the Department of Human Services, the Department of Direct Care  
50.27 and Treatment, local social services agencies, county welfare agencies, human service  
50.28 boards, community mental health center boards, state hospitals, state nursing homes, and  
50.29 persons, agencies, institutions, organizations, and other entities under contract to any of  
50.30 those agencies to the extent specified in the contract.

50.31 Sec. 9. Minnesota Statutes 2022, section 256G.01, subdivision 3, is amended to read:

50.32 Subd. 3. **Program coverage.** This chapter applies to all social service programs  
50.33 administered by the commissioner of human services or the direct care and treatment

51.1 executive board in which residence is the determining factor in establishing financial  
 51.2 responsibility. These include, but are not limited to: commitment proceedings, including  
 51.3 voluntary admissions; emergency holds; poor relief funded wholly through local agencies;  
 51.4 social services, including title XX, IV-E and section 256E.12; social services programs  
 51.5 funded wholly through the resources of county agencies; social services provided under the  
 51.6 Minnesota Indian Family Preservation Act, sections 260.751 to 260.781; costs for  
 51.7 delinquency confinement under section 393.07, subdivision 2; service responsibility for  
 51.8 these programs; and housing support under chapter 256I.

51.9 Sec. 10. Minnesota Statutes 2022, section 256G.02, is amended by adding a subdivision  
 51.10 to read:

51.11 Subd. 5a. **Direct care and treatment executive board or executive board.** "Direct  
 51.12 care and treatment executive board" or "executive board" means the Department of Direct  
 51.13 Care and Treatment executive board established under section 246C.06.

51.14 Sec. 11. Minnesota Statutes 2022, section 256G.03, subdivision 2, is amended to read:

51.15 Subd. 2. **No durational test.** Except as otherwise provided in sections 256J.75; 256B.056,  
 51.16 subdivision 1; 256D.02, subdivision 12a, and 256J.12 for purposes of this chapter, no waiting  
 51.17 period is required before securing county or state residence. A person cannot, however, gain  
 51.18 residence while physically present in an excluded time facility unless otherwise specified  
 51.19 in this chapter or in a federal regulation controlling a federally funded human service or  
 51.20 direct care and treatment program. Interstate migrants who enter a shelter for battered women  
 51.21 directly from another state can gain residency while in the facility provided the person can  
 51.22 provide documentation that the person is a victim of domestic abuse and the county  
 51.23 determines that the placement is appropriate.

51.24 Sec. 12. Minnesota Statutes 2022, section 256G.04, subdivision 2, is amended to read:

51.25 Subd. 2. **Moving out of state.** (a) A person retains county and state residence so long  
 51.26 as the person's absence from Minnesota is viewed as a temporary absence within the context  
 51.27 of the affected program.

51.28 (b) Direct entry into a facility in another state does not end Minnesota residence for  
 51.29 purposes of this chapter. Financial responsibility does not continue, however, unless  
 51.30 placement was initiated by a human service or direct care and treatment agency or another  
 51.31 governmental entity that has statutory authority to bind the human service or direct care

52.1 and treatment agency and is based on a formal, written plan of treatment, or unless federal  
52.2 regulations require payment for an out-of-state resident.

52.3 Sec. 13. Minnesota Statutes 2022, section 256G.09, subdivision 2, is amended to read:

52.4 Subd. 2. **Financial disputes.** (a) If the county receiving the transmittal does not believe  
52.5 it is financially responsible, it should provide to the ~~department~~ commissioner of human  
52.6 services and the initially responsible county a statement of all facts and documents necessary  
52.7 for the ~~department~~ commissioner to make the requested determination of financial  
52.8 responsibility. The submission must clearly state the program area in dispute and must state  
52.9 the specific basis upon which the submitting county is denying financial responsibility.

52.10 (b) The initially responsible county then has 15 calendar days to submit its position and  
52.11 any supporting evidence to the ~~department~~ commissioner. The absence of a submission by  
52.12 the initially responsible county does not limit the right of the ~~department~~ commissioner of  
52.13 human services or direct care and treatment executive board to issue a binding opinion based  
52.14 on the evidence actually submitted.

52.15 (c) A case must not be submitted until the local agency taking the application or making  
52.16 the commitment has made an initial determination about eligibility and financial  
52.17 responsibility, and services have been initiated. This paragraph does not prohibit the  
52.18 submission of closed cases that otherwise meet the applicable statute of limitations.

52.19 Sec. 14. Minnesota Statutes 2022, section 256G.09, subdivision 3, is amended to read:

52.20 Subd. 3. **Department Commissioner obligations.** (a) Except as provided in paragraph  
52.21 (b) for matters under the jurisdiction of the direct care and treatment executive board, the  
52.22 ~~department~~ commissioner shall then promptly decide any question of financial responsibility  
52.23 as outlined in this chapter and make an order referring the application to the local agency  
52.24 of the proper county for further action. Further action may include reimbursement by that  
52.25 county of assistance that another county has provided to the applicant under this subdivision.  
52.26 The ~~department~~ commissioner shall decide disputes within 60 days of the last county  
52.27 evidentiary submission and shall issue an immediate opinion.

52.28 (b) For disputes regarding financial responsibility relating to matters under the jurisdiction  
52.29 of the direct care and treatment executive board, the commissioner shall promptly issue an  
52.30 advisory opinion on any question of financial responsibility as outlined in this chapter and  
52.31 recommend to the executive board an order referring the application to the local agency of  
52.32 the proper county for further action. Further action may include reimbursement by that  
52.33 county of assistance that another county has provided to the applicant under this subdivision.

53.1 The commissioner shall provide an advisory opinion and recommended order to the executive  
 53.2 board within 30 days of the last county evidentiary submission. The executive board shall  
 53.3 decide to accept or reject the commissioner's advisory opinion and recommended order  
 53.4 within 60 days of the last county evidentiary submission and shall issue an immediate  
 53.5 opinion stating the reasons for accepting or rejecting the commissioner's recommendation.

53.6 (c) The ~~department~~ commissioner may make any investigation it considers proper before  
 53.7 making ~~its~~ a decision or a recommendation to the executive board. ~~‡~~ The commissioner  
 53.8 may prescribe rules it considers necessary to carry out this subdivision except that the  
 53.9 commissioner must not create rules purporting to bind the executive board's decision on  
 53.10 any advisory opinion or recommended order under paragraph (b).

53.11 (d) Except as provided in paragraph (e) for matters under the jurisdiction of the executive  
 53.12 board, the order of the ~~department~~ commissioner binds the local agency involved and the  
 53.13 applicant or recipient. That agency shall comply with the order unless reversed on appeal  
 53.14 as provided in section 256.045, subdivision 7. The agency shall comply with the order  
 53.15 pending the appeal.

53.16 (e) For disputes regarding financial responsibility relating to matters under the jurisdiction  
 53.17 of the direct care and treatment executive board, the order of the executive board binds the  
 53.18 local agency involved and the applicant or recipient. That agency shall comply with the  
 53.19 order of the executive board unless the order is reversed on appeal as provided in section  
 53.20 256.045, subdivision 7. The agency shall comply with the order of the executive board  
 53.21 pending the appeal.

53.22 Sec. 15. Minnesota Statutes 2022, section 256G.10, is amended to read:

53.23 **256G.10 DERIVATIVE SETTLEMENT.**

53.24 (a) The residence of the parent of a minor child, with whom that child last lived in a  
 53.25 nonexcluded time setting, or guardian of a ward shall determine the residence of the child  
 53.26 or ward for all social services governed by this chapter.

53.27 (b) For purposes of this chapter, a minor child is defined as being under 18 years of age  
 53.28 unless otherwise specified in a program administered by the commissioner of human services  
 53.29 or the direct care and treatment executive board.

53.30 (c) Physical or legal custody has no bearing on residence determinations. This section  
 53.31 does not, however, apply to situations involving another state, limit the application of an  
 53.32 interstate compact, or apply to situations involving state wards where the commissioner is  
 53.33 defined by law as the guardian.

54.1 Sec. 16. Minnesota Statutes 2022, section 256G.11, is amended to read:

54.2 **256G.11 NO RETROACTIVE EFFECT.**

54.3 (a) This chapter is not retroactive and does not require redetermination of financial  
54.4 responsibility for cases existing on January 1, 1988. This chapter applies only to applications  
54.5 and redeterminations of eligibility taken or routinely made after January 1, 1988.

54.6 (b) Notwithstanding this section, existing social services cases shall be treated in the  
54.7 same manner as cases for those programs outlined in section 256G.02, subdivision 4,  
54.8 paragraph (g), for which an application is taken or a redetermination is made after January  
54.9 1, 1988.

54.10 (c) The requirement under section 256G.09, subdivision 3, for the direct care and  
54.11 treatment executive board to accept or reject the recommendation of the commissioner of  
54.12 humans services regarding the county of financial responsibility for matters under the  
54.13 jurisdiction of the executive board is not retroactive and does not require redetermination  
54.14 of financial responsibility for cases existing prior to the effective date of the transfer of all  
54.15 authorities and responsibilities from the Department of Human Services to the Department  
54.16 of Direct Care and Treatment.

54.17 (d) Notwithstanding paragraph (c), existing cases relating to matters under the jurisdiction  
54.18 of the executive board must be treated in the same manner as cases relating to matters under  
54.19 the jurisdiction of the executive board opened or redetermined after the effective date of  
54.20 the transfer of all authorities and responsibilities from the Department of Human Services  
54.21 to the Department of Direct Care and Treatment.

54.22 Sec. 17. Minnesota Statutes 2022, section 256G.12, is amended to read:

54.23 **256G.12 STATUTE OF LIMITATIONS.**

54.24 Subdivision 1. **Limitation.** A submission to the ~~department~~ commissioner of human  
54.25 services or the direct care and treatment executive board for a determination of financial  
54.26 responsibility must be made within three years from the date of application for the program  
54.27 in question or from the date of admission or commitment to state or other institutions.

54.28 Subd. 2. **Reimbursement.** The obligation of the county ultimately found to be financially  
54.29 responsible extends only to the period immediately following the date the submission was  
54.30 received ~~by the department~~ or the date of admission or commitment to state or other  
54.31 institutions. In the case of social service programs only, no reimbursement is required until  
54.32 the financially responsible county has an opportunity to review and act on the plan of  
54.33 treatment according to the applicable social service rules.

55.1 Subd. 3. **Exception.** Subdivision 2 does not apply to timely and routine submissions for  
55.2 determination of financial responsibility under section 256G.09.

71.4 prior to discharge, whichever comes first. Provisional discharge or transfer of the patient  
71.5 may be authorized by the head of the program only with the consent of the Indian Health  
71.6 Service or the placing Tribe. Discharge from the program to the Indian Health Service or  
71.7 the placing Tribe may be authorized by the head of the state-operated treatment program  
71.8 after notice to and consultation with the Indian Health Service or the placing Tribe.

74.8 Subd. 2. **Correctional facilities.** (a) A person who is being petitioned for commitment  
74.9 under this chapter and who is placed under a judicial hold order under section 253B.07,  
74.10 subdivision 2b or 7, may be confined as specified in this subdivision at a Department of  
74.11 Corrections or a county correctional or detention facility, rather than a secure treatment  
74.12 facility, until a determination of the commitment petition ~~as specified in this subdivision.~~

74.13 (b) A court may order that a person who is being petitioned for commitment under this  
74.14 chapter be confined in a Department of Corrections facility pursuant to the judicial hold  
74.15 order under the following circumstances and conditions:

74.16 (1) The person is currently serving a sentence in a Department of Corrections facility  
74.17 and the court determines that the person has made a knowing and voluntary (i) waiver of  
74.18 the right to be held in a secure treatment facility and (ii) election to be held in a Department  
74.19 of Corrections facility. The order confining the person in the Department of Corrections  
74.20 facility shall remain in effect until the court vacates the order or the person's criminal sentence  
74.21 and conditional release term expire.

74.22 In no case may the person be held in a Department of Corrections facility pursuant only  
74.23 to this ~~subdivision~~ clause, and not pursuant to any separate correctional authority, for more  
74.24 than 210 days.

74.25 (2) A person who has elected to be confined in a Department of Corrections facility  
74.26 under ~~this subdivision~~ clause (1) may revoke the election by filing a written notice of intent  
74.27 to revoke the election with the court and serving the notice upon the Department of  
74.28 Corrections and the county attorney. The court shall order the person transferred to a secure  
74.29 treatment facility within 15 days of the date that the notice of revocation was filed with the  
74.30 court, except that, if the person has additional time to serve in prison at the end of the 15-day  
74.31 period, the person shall not be transferred to a secure treatment facility until the person's  
74.32 prison term expires. After a person has revoked an election to remain in a Department of

75.1 Corrections facility under this ~~subdivision~~ clause, the court may not adopt another election  
 75.2 to remain in a Department of Corrections facility without the agreement of both parties and  
 75.3 the Department of Corrections.

75.4 (3) Upon petition by the commissioner of corrections, after notice to the parties and  
 75.5 opportunity for hearing and for good cause shown, the court may order that the person's  
 75.6 place of confinement be changed from the Department of Corrections to a secure treatment  
 75.7 facility.

75.8 (4) While at a Department of Corrections facility pursuant to this ~~subdivision~~ paragraph,  
 75.9 the person shall remain subject to all rules and practices applicable to correctional inmates  
 75.10 in the facility in which the person is placed including but not limited to the powers and  
 75.11 duties of the commissioner of corrections under section 241.01, powers relating to use of  
 75.12 force under section 243.52, and the right of the commissioner of corrections to determine  
 75.13 the place of confinement in a prison, reformatory, or other facility.

75.14 (5) A person may not be confined in a Department of Corrections facility under this  
 75.15 ~~provision~~ paragraph beyond the end of the person's executed sentence or the end of any  
 75.16 applicable conditional release period, whichever is later. If a person confined in a Department  
 75.17 of Corrections facility pursuant to this ~~provision~~ paragraph reaches the person's supervised  
 75.18 release date and is subject to a period of conditional release, the period of conditional release  
 75.19 shall commence on the supervised release date even though the person remains in the  
 75.20 Department of Corrections facility pursuant to this provision. At the end of the later of the  
 75.21 executed sentence or any applicable conditional release period, the person shall be transferred  
 75.22 to a secure treatment facility.

75.23 (6) Nothing in this ~~section~~ paragraph may be construed to establish a right of an inmate  
 75.24 in a state correctional facility to participate in sex offender treatment. This section must be  
 75.25 construed in a manner consistent with the provisions of section 244.03.

75.26 ~~(e)~~ (7) When a person is temporarily confined in a Department of Corrections facility  
 75.27 solely under this ~~subdivision~~ paragraph and not based on any separate correctional authority,  
 75.28 the commissioner of corrections may charge the county of financial responsibility for the  
 75.29 costs of confinement, and the ~~Department of Human Services~~ executive board shall use  
 75.30 existing appropriations to fund all remaining nonconfinement costs. The funds received by  
 75.31 the commissioner of corrections for the confinement and nonconfinement costs are  
 75.32 appropriated to the ~~department~~ commissioner for these purposes.

75.33 ~~(d)~~ (c) The committing county may offer a person who is being petitioned for commitment  
 75.34 under this chapter and who is placed under a judicial hold order under section 253B.07,

76.1 subdivision 2b or 7, the option to be held in a county correctional or detention facility rather  
76.2 than a secure treatment facility, under such terms as may be agreed to by the county, the  
76.3 commitment petitioner, and the commitment respondent. If a person makes such an election  
76.4 under this paragraph, the court hold order shall specify the terms of the agreement, including  
76.5 the conditions for revoking the election.

76.6 Sec. 9. Minnesota Statutes 2022, section 253D.11, subdivision 2, is amended to read:

76.7 Subd. 2. **Petitions.** If the supreme court creates the judicial panel authorized by this  
76.8 section, all petitions for civil commitment of sexually dangerous persons or persons with  
76.9 sexual psychopathic personalities brought under section 253D.07 shall be filed with the  
76.10 supreme court instead of with the district court in the county where the proposed patient is  
76.11 present, notwithstanding any provision of section 253D.07 to the contrary. Otherwise, all  
76.12 of the other applicable procedures contained in this chapter and sections 253B.07 and  
76.13 253B.08 apply to commitment proceedings conducted by a judge on the panel.

76.15 Subdivision 1. **Victim notification.** (a) This section applies only to committed persons  
76.16 as defined in section 253D.02, subdivision 4. The procedures in section 253D.14 for victim  
76.17 notification and right to submit a statement apply to petitions filed and reductions in custody  
76.18 recommended under this ~~subdivision~~ section.

76.19 (b) For the purposes of this section, "reduction in custody" means transfer out of a secure  
76.20 treatment facility, a provisional discharge, or a discharge from commitment. A reduction  
76.21 in custody is considered to be a commitment proceeding under section 8.01.

76.22 Sec. 11. Minnesota Statutes 2022, section 253D.29, subdivision 1, is amended to read:

76.23 Subdivision 1. **Factors.** (a) A person who is committed as a sexually dangerous person  
76.24 or a person with a sexual psychopathic personality shall not be transferred out of a secure  
76.25 treatment facility unless the transfer is appropriate. Transfer may be to other treatment  
76.26 programs under the ~~commissioner's~~ control of the executive board.

76.27 (b) The following factors must be considered in determining whether a transfer is  
76.28 appropriate:

76.29 (1) the person's clinical progress and present treatment needs;

76.30 (2) the need for security to accomplish continuing treatment;

76.31 (3) the need for continued institutionalization;

77.1 (4) which ~~facility~~ other treatment program can best meet the person's needs; and

77.2 (5) whether transfer can be accomplished with a reasonable degree of safety for the  
77.3 public.

77.4 Sec. 12. Minnesota Statutes 2022, section 253D.29, subdivision 2, is amended to read:

77.5 Subd. 2. **Voluntary readmission to a secure treatment facility.** (a) After a committed  
77.6 person has been transferred out of a secure treatment facility pursuant to subdivision 1 and  
77.7 with the consent of the executive director, a committed person may voluntarily return to a  
77.8 secure treatment facility for a period of up to 60 days.

77.9 (b) If the committed person is not returned to the ~~facility~~ other treatment program to  
77.10 which the person was originally transferred pursuant to subdivision 1 within 60 days of  
77.11 being readmitted to a secure treatment facility under this subdivision, the transfer to the  
77.12 other treatment program under subdivision 1 is revoked and the committed person shall  
77.13 remain in a secure treatment facility. The committed person shall immediately be notified  
77.14 in writing of the revocation.

77.15 (c) Within 15 days of receiving notice of the revocation, the committed person may  
77.16 petition the special review board for a review of the revocation. The special review board

89.23 not levy a complaint fee.

89.24 (b) The ombudsman is a health oversight agency as defined in Code of Federal  
89.25 Regulations, title 45, section 164.501. The ombudsman may access patient records according  
89.26 to Code of Federal Regulations, title 42, section 2.53. For purposes of this paragraph,  
89.27 "records" has the meaning given in Code of Federal Regulations, title 42, section  
89.28 2.53(a)(1)(i).

89.29 (c) The ombudsman may mediate or advocate on behalf of a client.

89.30 (d) The ombudsman may investigate the quality of services provided to clients and  
89.31 determine the extent to which quality assurance mechanisms within state and county  
89.32 government work to promote the health, safety, and welfare of clients.

90.1 (e) At the request of a client, or upon receiving a complaint or other information affording  
90.2 reasonable grounds to believe that the rights of one or more clients who may not be capable  
90.3 of requesting assistance have been adversely affected, the ombudsman may gather

90.27 and view premises within the control of an agency, facility, or program.

90.28 (i) The ombudsman may attend Department of ~~Human Services~~ Direct Care and Treatment  
90.29 Review Board and Special Review Board proceedings; proceedings regarding the transfer  
90.30 of clients, as defined in section 246.50, subdivision 4, between institutions operated by the  
90.31 ~~Department of Human Services~~ direct care and treatment executive board; and, subject to  
90.32 the consent of the affected client, other proceedings affecting the rights of clients. The  
90.33 ombudsman is not required to obtain consent to attend meetings or proceedings and have

 91.2 private or confidential as defined in section 13.02, subdivisions 3 and 12, regarding services  
 91.3 provided to clients with developmental disabilities and individuals served by the Minnesota  
 91.4 Sex Offender Program.

91.5 (k) To avoid duplication and preserve evidence, the ombudsman shall inform relevant  
 91.6 licensing or regulatory officials before undertaking a review of an action of the facility or  
 91.7 program.

 91.9 Training and Resource Center.

 91.15 other remedy or right is provided.

91.16 Sec. 16. Minnesota Statutes 2022, section 256.01, subdivision 2, is amended to read:

91.17 Subd. 2. **Specific powers.** Subject to the provisions of section 241.021, subdivision 2,  
 91.18 the commissioner of human services shall carry out the specific duties in paragraphs (a)  
 91.19 through (bb):

91.20 (a) Administer and supervise all forms of public assistance provided for by state law  
 91.21 and other welfare activities or services as are vested in the commissioner. Administration  
 91.22 and supervision of human services activities or services includes, but is not limited to,  
 91.23 assuring timely and accurate distribution of benefits, completeness of service, and quality  
 91.24 program management. In addition to administering and supervising human services activities  
 91.25 vested by law in the department, the commissioner shall have the authority to:

91.26 (1) require county agency participation in training and technical assistance programs to  
 91.27 promote compliance with statutes, rules, federal laws, regulations, and policies governing  
 91.28 human services;

91.29 (2) monitor, on an ongoing basis, the performance of county agencies in the operation  
 91.30 and administration of human services, enforce compliance with statutes, rules, federal laws,  
 91.31 regulations, and policies governing welfare services and promote excellence of administration  
 91.32 and program operation;

92.1 (3) develop a quality control program or other monitoring program to review county  
92.2 performance and accuracy of benefit determinations;

92.3 (4) require county agencies to make an adjustment to the public assistance benefits issued  
92.4 to any individual consistent with federal law and regulation and state law and rule and to  
92.5 issue or recover benefits as appropriate;

92.6 (5) delay or deny payment of all or part of the state and federal share of benefits and  
92.7 administrative reimbursement according to the procedures set forth in section 256.017;

92.8 (6) make contracts with and grants to public and private agencies and organizations,  
92.9 both profit and nonprofit, and individuals, using appropriated funds; and

92.10 (7) enter into contractual agreements with federally recognized Indian tribes with a  
92.11 reservation in Minnesota to the extent necessary for the tribe to operate a federally approved  
92.12 family assistance program or any other program under the supervision of the commissioner.  
92.13 The commissioner shall consult with the affected county or counties in the contractual  
92.14 agreement negotiations, if the county or counties wish to be included, in order to avoid the  
92.15 duplication of county and tribal assistance program services. The commissioner may establish  
92.16 necessary accounts for the purposes of receiving and disbursing funds as necessary for the  
92.17 operation of the programs.

92.18 (b) Inform county agencies, on a timely basis, of changes in statute, rule, federal law,  
92.19 regulation, and policy necessary to county agency administration of the programs.

92.20 (c) Administer and supervise all child welfare activities; promote the enforcement of  
92.21 laws protecting children with a disability and children who are dependent, neglected, or  
92.22 delinquent, and children born to mothers who were not married to the children's fathers at  
92.23 the times of the conception nor at the births of the children; license and supervise child-caring  
92.24 and child-placing agencies and institutions; supervise the care of children in boarding and  
92.25 foster homes or in private institutions; and generally perform all functions relating to the  
92.26 field of child welfare now vested in the State Board of Control.

92.27 (d) Administer and supervise all noninstitutional service to persons with disabilities,  
92.28 including persons who have vision impairments, and persons who are deaf, deafblind, and  
92.29 hard-of-hearing or with other disabilities. The commissioner may provide and contract for  
92.30 the care and treatment of qualified indigent children in facilities other than those located  
92.31 and available at state hospitals when it is not feasible to provide the service in state hospitals.

93.1 (e) Assist and actively cooperate with other departments, agencies and institutions, local,  
93.2 state, and federal, by performing services in conformity with the purposes of Laws 1939,  
93.3 chapter 431.

93.4 (f) Act as the agent of and cooperate with the federal government in matters of mutual  
93.5 concern relative to and in conformity with the provisions of Laws 1939, chapter 431,  
93.6 including the administration of any federal funds granted to the state to aid in the performance  
93.7 of any functions of the commissioner as specified in Laws 1939, chapter 431, and including  
93.8 the promulgation of rules making uniformly available medical care benefits to all recipients  
93.9 of public assistance, at such times as the federal government increases its participation in  
93.10 assistance expenditures for medical care to recipients of public assistance, the cost thereof  
93.11 to be borne in the same proportion as are grants of aid to said recipients.

93.12 (g) Establish and maintain any administrative units reasonably necessary for the  
93.13 performance of administrative functions common to all divisions of the department.

93.14 (h) Act as designated guardian of both the estate and the person of all the wards of the  
93.15 state of Minnesota, whether by operation of law or by an order of court, without any further  
93.16 act or proceeding whatever, except as to persons committed as developmentally disabled.  
93.17 For children under the guardianship of the commissioner or a tribe in Minnesota recognized  
93.18 by the Secretary of the Interior whose interests would be best served by adoptive placement,  
93.19 the commissioner may contract with a licensed child-placing agency or a Minnesota tribal  
93.20 social services agency to provide adoption services. A contract with a licensed child-placing  
93.21 agency must be designed to supplement existing county efforts and may not replace existing  
93.22 county programs or tribal social services, unless the replacement is agreed to by the county  
93.23 board and the appropriate exclusive bargaining representative, tribal governing body, or the  
93.24 commissioner has evidence that child placements of the county continue to be substantially  
93.25 below that of other counties. Funds encumbered and obligated under an agreement for a  
93.26 specific child shall remain available until the terms of the agreement are fulfilled or the  
93.27 agreement is terminated.

93.28 (i) Act as coordinating referral and informational center on requests for service for newly  
93.29 arrived immigrants coming to Minnesota.

93.30 (j) The specific enumeration of powers and duties as hereinabove set forth shall in no  
93.31 way be construed to be a limitation upon the general transfer of powers herein contained.

93.32 (k) Establish county, regional, or statewide schedules of maximum fees and charges  
93.33 which may be paid by county agencies for medical, dental, surgical, hospital, nursing and

94.1 nursing home care and medicine and medical supplies under all programs of medical care  
94.2 provided by the state and for congregate living care under the income maintenance programs.

94.3 (l) Have the authority to conduct and administer experimental projects to test methods  
94.4 and procedures of administering assistance and services to recipients or potential recipients  
94.5 of public welfare. To carry out such experimental projects, it is further provided that the  
94.6 commissioner of human services is authorized to waive the enforcement of existing specific  
94.7 statutory program requirements, rules, and standards in one or more counties. The order  
94.8 establishing the waiver shall provide alternative methods and procedures of administration,  
94.9 shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and  
94.10 in no event shall the duration of a project exceed four years. It is further provided that no  
94.11 order establishing an experimental project as authorized by the provisions of this section  
94.12 shall become effective until the following conditions have been met:

94.13 (1) the secretary of health and human services of the United States has agreed, for the  
94.14 same project, to waive state plan requirements relative to statewide uniformity; and

94.15 (2) a comprehensive plan, including estimated project costs, shall be approved by the  
94.16 Legislative Advisory Commission and filed with the commissioner of administration.

94.17 (m) According to federal requirements, establish procedures to be followed by local  
94.18 welfare boards in creating citizen advisory committees, including procedures for selection  
94.19 of committee members.

94.20 (n) Allocate federal fiscal disallowances or sanctions which are based on quality control  
94.21 error rates for the aid to families with dependent children program formerly codified in  
94.22 sections 256.72 to 256.87, medical assistance, or the Supplemental Nutrition Assistance  
94.23 Program (SNAP) in the following manner:

94.24 (1) one-half of the total amount of the disallowance shall be borne by the county boards  
94.25 responsible for administering the programs. For the medical assistance and the AFDC  
94.26 program formerly codified in sections 256.72 to 256.87, disallowances shall be shared by  
94.27 each county board in the same proportion as that county's expenditures for the sanctioned  
94.28 program are to the total of all counties' expenditures for the AFDC program formerly codified  
94.29 in sections 256.72 to 256.87, and medical assistance programs. For SNAP, sanctions shall  
94.30 be shared by each county board, with 50 percent of the sanction being distributed to each  
94.31 county in the same proportion as that county's administrative costs for SNAP benefits are  
94.32 to the total of all SNAP administrative costs for all counties, and 50 percent of the sanctions  
94.33 being distributed to each county in the same proportion as that county's value of SNAP  
94.34 benefits issued are to the total of all benefits issued for all counties. Each county shall pay

95.1 its share of the disallowance to the state of Minnesota. When a county fails to pay the amount  
95.2 due hereunder, the commissioner may deduct the amount from reimbursement otherwise  
95.3 due the county, or the attorney general, upon the request of the commissioner, may institute  
95.4 civil action to recover the amount due; and

95.5 (2) notwithstanding the provisions of clause (1), if the disallowance results from knowing  
95.6 noncompliance by one or more counties with a specific program instruction, and that knowing  
95.7 noncompliance is a matter of official county board record, the commissioner may require  
95.8 payment or recover from the county or counties, in the manner prescribed in clause (1), an  
95.9 amount equal to the portion of the total disallowance which resulted from the noncompliance,  
95.10 and may distribute the balance of the disallowance according to clause (1).

95.11 (o) Develop and implement special projects that maximize reimbursements and result  
95.12 in the recovery of money to the state. For the purpose of recovering state money, the  
95.13 commissioner may enter into contracts with third parties. Any recoveries that result from  
95.14 projects or contracts entered into under this paragraph shall be deposited in the state treasury  
95.15 and credited to a special account until the balance in the account reaches \$1,000,000. When  
95.16 the balance in the account exceeds \$1,000,000, the excess shall be transferred and credited  
95.17 to the general fund. All money in the account is appropriated to the commissioner for the  
95.18 purposes of this paragraph.

95.19 (p) Have the authority to establish and enforce the following county reporting  
95.20 requirements:

95.21 (1) the commissioner shall establish fiscal and statistical reporting requirements necessary  
95.22 to account for the expenditure of funds allocated to counties for human services programs.  
95.23 When establishing financial and statistical reporting requirements, the commissioner shall  
95.24 evaluate all reports, in consultation with the counties, to determine if the reports can be  
95.25 simplified or the number of reports can be reduced;

95.26 (2) the county board shall submit monthly or quarterly reports to the department as  
95.27 required by the commissioner. Monthly reports are due no later than 15 working days after  
95.28 the end of the month. Quarterly reports are due no later than 30 calendar days after the end  
95.29 of the quarter, unless the commissioner determines that the deadline must be shortened to  
95.30 20 calendar days to avoid jeopardizing compliance with federal deadlines or risking a loss  
95.31 of federal funding. Only reports that are complete, legible, and in the required format shall  
95.32 be accepted by the commissioner;

95.33 (3) if the required reports are not received by the deadlines established in clause (2), the  
95.34 commissioner may delay payments and withhold funds from the county board until the next

96.1 reporting period. When the report is needed to account for the use of federal funds and the  
96.2 late report results in a reduction in federal funding, the commissioner shall withhold from  
96.3 the county boards with late reports an amount equal to the reduction in federal funding until  
96.4 full federal funding is received;

96.5 (4) a county board that submits reports that are late, illegible, incomplete, or not in the  
96.6 required format for two out of three consecutive reporting periods is considered  
96.7 noncompliant. When a county board is found to be noncompliant, the commissioner shall  
96.8 notify the county board of the reason the county board is considered noncompliant and  
96.9 request that the county board develop a corrective action plan stating how the county board  
96.10 plans to correct the problem. The corrective action plan must be submitted to the  
96.11 commissioner within 45 days after the date the county board received notice of  
96.12 noncompliance;

96.13 (5) the final deadline for fiscal reports or amendments to fiscal reports is one year after  
96.14 the date the report was originally due. If the commissioner does not receive a report by the  
96.15 final deadline, the county board forfeits the funding associated with the report for that  
96.16 reporting period and the county board must repay any funds associated with the report  
96.17 received for that reporting period;

96.18 (6) the commissioner may not delay payments, withhold funds, or require repayment  
96.19 under clause (3) or (5) if the county demonstrates that the commissioner failed to provide  
96.20 appropriate forms, guidelines, and technical assistance to enable the county to comply with  
96.21 the requirements. If the county board disagrees with an action taken by the commissioner  
96.22 under clause (3) or (5), the county board may appeal the action according to sections 14.57  
96.23 to 14.69; and

96.24 (7) counties subject to withholding of funds under clause (3) or forfeiture or repayment  
96.25 of funds under clause (5) shall not reduce or withhold benefits or services to clients to cover  
96.26 costs incurred due to actions taken by the commissioner under clause (3) or (5).

96.27 (q) Allocate federal fiscal disallowances or sanctions for audit exceptions when federal  
96.28 fiscal disallowances or sanctions are based on a statewide random sample in direct proportion  
96.29 to each county's claim for that period.

96.30 (r) Be responsible for ensuring the detection, prevention, investigation, and resolution  
96.31 of fraudulent activities or behavior by applicants, recipients, and other participants in the  
96.32 human services programs administered by the department.

97.1 (s) Require county agencies to identify overpayments, establish claims, and utilize all  
97.2 available and cost-beneficial methodologies to collect and recover these overpayments in  
97.3 the human services programs administered by the department.

97.4 (t) Have the authority to administer the federal drug rebate program for drugs purchased  
97.5 under the medical assistance program as allowed by section 1927 of title XIX of the Social  
97.6 Security Act and according to the terms and conditions of section 1927. Rebates shall be  
97.7 collected for all drugs that have been dispensed or administered in an outpatient setting and  
97.8 that are from manufacturers who have signed a rebate agreement with the United States  
97.9 Department of Health and Human Services.

97.10 (u) Have the authority to administer a supplemental drug rebate program for drugs  
97.11 purchased under the medical assistance program. The commissioner may enter into  
97.12 supplemental rebate contracts with pharmaceutical manufacturers and may require prior  
97.13 authorization for drugs that are from manufacturers that have not signed a supplemental  
97.14 rebate contract. Prior authorization of drugs shall be subject to the provisions of section  
97.15 256B.0625, subdivision 13.

97.16 (v) Operate the department's communication systems account established in Laws 1993,  
97.17 First Special Session chapter 1, article 1, section 2, subdivision 2, to manage shared  
97.18 communication costs necessary for the operation of the programs the commissioner  
97.19 supervises. ~~A communications account may also be established for each regional treatment~~  
97.20 ~~center which operates communications systems.~~ Each account must be used to manage  
97.21 shared communication costs necessary for the operations of the programs the commissioner  
97.22 supervises. The commissioner may distribute the costs of operating and maintaining  
97.23 communication systems to participants in a manner that reflects actual usage. Costs may  
97.24 include acquisition, licensing, insurance, maintenance, repair, staff time and other costs as  
97.25 determined by the commissioner. Nonprofit organizations and state, county, and local  
97.26 government agencies involved in the operation of programs the commissioner supervises  
97.27 may participate in the use of the department's communications technology and share in the  
97.28 cost of operation. The commissioner may accept on behalf of the state any gift, bequest,  
97.29 devise or personal property of any kind, or money tendered to the state for any lawful  
97.30 purpose pertaining to the communication activities of the department. Any money received  
97.31 for this purpose must be deposited in the department's communication systems accounts.

115.13 once a week for two successive weeks in a legal newspaper in the county wherein the  
115.14 proceedings are pending giving the name and address of the general personal representative  
115.15 and notifying creditors of the estate to present their claims within four months after the date  
115.16 of the court administrator's notice which is subsequently published or be forever barred,  
115.17 unless they are entitled to further service of notice under paragraph (b) or (c).

115.18 (b) The personal representative shall, within three months after the date of the first  
115.19 publication of the notice, serve a copy of the notice upon each then known and identified  
115.20 creditor in the manner provided in paragraph (c). If the decedent or a predeceased spouse

115.23 and treatment executive board, as applicable, must be given under paragraph (d) instead of  
115.24 under this paragraph or paragraph (c). A creditor is "known" if: (i) the personal representative

115.26 either the decedent or the decedent's estate; (ii) the creditor has asserted a claim that arose  
115.27 during the decedent's life and the fact is clearly disclosed in accessible financial records  
115.28 known and available to the personal representative; or (iii) the claim of the creditor would  
115.29 be revealed by a reasonably diligent search for creditors of the decedent in accessible

116.3 the notice to the creditor by certified, registered, or ordinary first class mail addressed to  
116.4 the creditor at the creditor's office or place of residence.

116.5 (d)(1) Effective for decedents dying on or after July 1, 1997, if the decedent or a

116.14 also contain a statement that, after making a reasonably diligent inquiry, the personal  
116.15 representative has determined that the decedent did not have any predeceased spouses or  
116.16 that the personal representative has been unable to determine one or more of the previous  
116.17 items of information for a predeceased spouse of the decedent. A copy of the notice to

116.23 the commissioner or executive board as provided in paragraph (c), unless the local agency  
116.24 consents as provided for in clause (6). This restriction on distribution does not apply to the  
116.25 personal representative's sale of real or personal property, but does apply to the net proceeds  
116.26 the estate receives from these sales. The personal representative, or any person with personal  
116.27 knowledge of the facts, may provide an affidavit containing the description of any real or  
116.28 personal property affected by this paragraph and stating facts showing compliance with this  
116.29 paragraph. If the affidavit describes real property, it may be filed or recorded in the office  
116.30 of the county recorder or registrar of titles for the county where the real property is located.  
116.31 This paragraph does not apply to proceedings under sections 524.3-1203 and 525.31, or  
116.32 when a duly authorized agent of a county is acting as the personal representative of the  
116.33 estate.

116.34 (3) At any time before an order or decree is entered under section 524.3-1001 or  
116.35 524.3-1002, or a closing statement is filed under section 524.3-1003, the personal

117.7 number, the case name, case number, and district court in which the estate is pending, and  
117.8 the date the notice being amended was served on the commissioner or executive board. If  
117.9 the amendment adds the name of a predeceased spouse omitted from the notice, it must also  
117.10 state that spouse's full name, date of birth, and Social Security number. The amended notice  
117.11 must be served on the commissioner or executive board in the same manner as the original

117.18 representative or any person with personal knowledge of the facts may provide and file or  
117.19 record an affidavit in the same manner as provided for in clause (1).

117.20 (4) Within one year after the date an order or decree is entered under section 524.3-1001  
117.21 or 524.3-1002 or a closing statement is filed under section 524.3-1003, any person who has

117.23 notice on the commissioner or executive board to add variations or other names of the  
117.24 decedent or a predeceased spouse named in the notice, the name of a predeceased spouse  
117.25 omitted from the notice, to add or correct the date of birth or Social Security number of a  
117.26 decedent or predeceased spouse named in the notice, or to correct any other deficiency in  
117.27 a prior notice. The amended notice must be served on the commissioner or executive board  
117.28 in the same manner as the original notice and must contain the information required for  
117.29 amendments under clause (3). If the amendment adds the name of a predeceased spouse  
117.30 omitted from the notice, it must also state that spouse's full name, date of birth, and Social  
117.31 Security number. Upon service, the amended notice relates back to and is effective from  
117.32 the date the notice it amends was served. If the amended notice adds the name of an omitted  
117.33 predeceased spouse or adds or corrects the Social Security number or date of birth of the  
117.34 decedent or a predeceased spouse already named in the notice, then, notwithstanding any  
117.35 other laws to the contrary, claims against the decedent's estate on account of those persons

118.4 knowledge of the facts may provide and file or record an affidavit describing affected real  
118.5 or personal property in the same manner as clause (1).

118.6 (5) After one year from the date an order or decree is entered under section 524.3-1001  
118.7 or 524.3-1002, or a closing statement is filed under section 524.3-1003, no error, omission,  
118.8 or defect of any kind in the notice to the commissioner or executive board required under  
118.9 this paragraph or in the process of service of the notice on the commissioner or executive  
118.10 board, or the failure to serve the commissioner or executive board with notice as required  
118.11 by this paragraph, makes any distribution of property by a personal representative void or  
118.12 voidable. The distributee's title to the distributed property shall be free of any claims based  
118.13 upon a failure to comply with this paragraph.

118.14 (6) The local agency may consent to a personal representative's request to distribute  
118.15 property subject to administration by the estate to distributees during the 70-day period after  
118.16 service of notice on the commissioner or executive board. The local agency may grant or  
118.17 deny the request in whole or in part and may attach conditions to its consent as it deems  
118.18 appropriate. When the local agency consents to a distribution, it shall give the estate a written  
118.19 certificate evidencing its consent to the early distribution of assets at no cost. The certificate  
118.20 must include the name, case number, and district court in which the estate is pending, the  
118.21 name of the local agency, describe the specific real or personal property to which the consent  
118.22 applies, state that the local agency consents to the distribution of the specific property  
118.23 described in the consent during the 70-day period following service of the notice on the  
118.24 commissioner or executive board, state that the consent is unconditional or list all of the  
118.25 terms and conditions of the consent, be dated, and may include other contents as may be  
118.26 appropriate. The certificate must be signed by the director of the local agency or the director's  
118.27 designees and is effective as of the date it is dated unless it provides otherwise. The signature  
118.28 of the director or the director's designee does not require any acknowledgment. The certificate  
118.29 shall be prima facie evidence of the facts it states, may be attached to or combined with a  
118.30 deed or any other instrument of conveyance and, when so attached or combined, shall  
118.31 constitute a single instrument. If the certificate describes real property, it shall be accepted  
118.32 for recording or filing by the county recorder or registrar of titles in the county in which the  
118.33 property is located. If the certificate describes real property and is not attached to or combined  
118.34 with a deed or other instrument of conveyance, it shall be accepted for recording or filing  
118.35 by the county recorder or registrar of titles in the county in which the property is located.

119.1 The certificate constitutes a waiver of the 70-day period provided for in clause (2) with  
 119.2 respect to the property it describes and is prima facie evidence of service of notice on the  
 119.3 commissioner or executive board. The certificate is not a waiver or relinquishment of any  
 119.4 claims arising under section 246.53, 256B.15, 256D.16, or 261.04, and does not otherwise  
 119.5 constitute a waiver of any of the personal representative's duties under this paragraph.  
 119.6 Distributees who receive property pursuant to a consent to an early distribution shall remain  
 119.7 liable to creditors of the estate as provided for by law.

119.8 (7) All affidavits provided for under this paragraph:

119.9 (i) shall be provided by persons who have personal knowledge of the facts stated in the  
 119.10 affidavit;

119.11 (ii) may be filed or recorded in the office of the county recorder or registrar of titles in  
 119.12 the county in which the real property they describe is located for the purpose of establishing  
 119.13 compliance with the requirements of this paragraph; and

119.14 (iii) are prima facie evidence of the facts stated in the affidavit.

119.15 (8) This paragraph applies to the estates of decedents dying on or after July 1, 1997.  
 119.16 Clause (5) also applies with respect to all notices served on the commissioner of human  
 119.17 services before July 1, 1997, under Laws 1996, chapter 451, article 2, section 55. All notices  
 119.18 served on the commissioner before July 1, 1997, pursuant to Laws 1996, chapter 451, article  
 119.19 2, section 55, shall be deemed to be legally sufficient for the purposes for which they were  
 119.20 intended, notwithstanding any errors, omissions or other defects.
