02/26/20 REVISOR EAP/EH 20-6591 as	introduced
------------------------------------	------------

4.4	
4.1	under section 290.0683. The commissioner must prescribe the form of the application. The
4.2	application must be accompanied by an application fee of \$500. Application fees are
4.3	deposited in the account in the special revenue fund created under section 116U.50.
4.4	Applications for certification must be made available on the commissioner's website by
4.5	of the year prior to the taxable year for which the tax credit will be claimed.
4.6	(b) The commissioner must certify the amount of a film production company's budget
4.7	for direct production expenditures and postproduction expenditures during a preproduction
4.8	meeting and must allocate any allowed credit amounts, as provided in this section, on a
4.9	credit certificate to the film production company. The commissioner must not certify a film
4.10	production company's budget if the total expected claim exceeds \$210,000,000.
4.11	(c) The commissioner must not allocate more than \$110,000,000 in credit certificates
4.12	for any taxable year, except as provided in paragraph (e). If a film production company
4.13	submits a claim for certification and \$110,000,000 in credit certificates has already been
4.14	issued, the claims must be considered in order of date of application for certification in the
4.15	following taxable year.
4.16	(d) Claims must be placed in order of the date on which the application is filed. All
4.17	applications filed with the department on the same day must be treated as having been filed
4.18	contemporaneously. If two or more applications are filed on the same day, and the aggregate
4.19	amount of credit allocation claims exceeds the aggregate limit of credits under this section
4.20	or the lesser amount of credits that remain unallocated on that day, then the credits must be
4.21	allocated among the film production companies who filed on that day on a pro rata basis
4.22	with respect to the amounts claimed, and any excess must be allocated as provided in
4.23	paragraph (c).
4.24	(e) Any unallocated amounts for taxable years 2021 to 2023 not in excess of \$20,000,000
4.25	must be added to the aggregate amount of claims that may be authorized for payment for
4.26	the following taxable year.
4.27	(f) The commissioner must post monthly on the department's website the aggregate
4.28	amount of credits certified for each taxable year.
4.29	Subd. 3. Additional requirements; eligibility. (a) A film production company that
4.30	submits an application under this section must also confirm that the film will contain an
4.31	acknowledgment to the state of Minnesota in the end screen credits that the production was
4.32	filmed in Minnesota, and a state logo provided by the department embedded in the end
4.33	screen credits of long-form narrative film productions and television episodes, unless
4.34	otherwise agreed upon in writing by the film production company and the department.

5.1	(b) To be eligible for the film and television tax credit, a film production company must
5.2	submit to the commissioner information required by the commissioner to demonstrate
5.3	conformity with the requirements of this section and section 290.0683, including detailed
5.4	information on each direct production expenditure and each postproduction expenditure. A
5.5	film production company must provide to the commissioner a projection of the film and
5.6	television tax credit claim the film production company plans to submit under section
5.7	290.0683. In addition, the film production company must agree in writing:
5.8	(1) to pay all obligations the film production company has incurred in Minnesota;
5.9	(2) to provide a notice at completion of principal photography, posted on the department's
5.10	website, that:
5.11	(i) contains production company information, including the name of the production, the
5.12	address of the production company, and contact information that includes a working
5.13	telephone number, fax number, and e-mail address for both the local production office and
5.14	the permanent production office to notify the public of the need to file creditor claims against
5.15	the film production company; and
5.16	(ii) remains posted on the website until all financial obligations incurred in the state by
5.17	the film production company have been paid;
5.18	(3) that outstanding obligations are not waived if a creditor fails to file;
5.19	(4) to delay filing of a claim for the film and television tax credit until the commissioner
5.20	delivers written notification to the commissioner of revenue that the film production company
5.21	has fulfilled all requirements for the credit; and
5.22	(5) to submit a completed application for the film and television tax credit and supporting
5.23	documentation to the commissioner within one year of the close of the film production
5.24	company's taxable year in which the expenditures in Minnesota were incurred for the
5.25	registered project and that are included in the credit claim.
5.26	Subd. 4. Credit allowed. (a) A taxpayer issued a credit certificate under this section is
5.27	allowed a tax credit as provided in section 290.0683.
5.28	(b) The credit amount equals 25 percent of the amount of:
5.29	(1) direct production expenditures made in Minnesota that:
5.30	(i) are directly attributable to the production in Minnesota of a film or commercial
5.31	audiovisual product;
5.32	(ii) are subject to taxation by the state of Minnesota;

6.1	(iii) exclude direct production expenditures for which another taxpayer claims the film
6.2	and television tax credit; and
()	(iv) do not exceed the usual and customary cost of the goods or services acquired when
6.3	purchased by unrelated parties. The commissioner may determine the value of the goods
6.4 6.5	or services for purposes of this section when the buyer and seller are affiliated persons or
6.6	the sale or purchase is not an arm's length transaction; and
0.0	the safe of purchase is not an ann's length transaction, and
6.7	(2) postproduction expenditures made in Minnesota that:
6.8	(i) are directly attributable to the production of a commercial film or audiovisual product;
6.9	(ii) are for postproduction services performed in Minnesota;
6.10	(iii) are subject to taxation by the state of Minnesota;
6.11	(iv) exclude postproduction expenditures for which another taxpayer claims the film
6.12	and television tax credit; and
6.13	(v) do not exceed the usual and customary cost of the goods or services acquired when
6.14	purchased by unrelated parties.
6.15	(c) The commissioner may determine the value of the goods or services for purposes of
6.16	this section when the buyer and seller are affiliated persons or the sale or purchase is not
6.17	an arm's length transaction.
6.18	(d) If a film production company receives a tax credit under the federal new markets tax
6.19	credit program for expenditures that also qualify for the credit under this section, the credit
6.20	amount is reduced to 20 percent of the amounts as described in paragraph (b).
6.21	Subd. 5. Additional credit; television pilots and series. (a) The commissioner must
6.22	allocate an additional amount in calculating the credit equal to five percent of direct
6.23	production expenditures on:
6.24	(1) a standalone pilot intended for series television in Minnesota; and
6.25	(2) series television productions intended for commercial distribution with an order for
6.26	at least six episodes in a single season, provided that the Minnesota budget for each of those
6.27	six episodes is \$50,000 or more.
6.28	(b) Direct production expenditures that are payments to a nonresident performing artist
6.29	in a standalone pilot are not eligible for the additional credit under this subdivision.
6.30	(c) Payments to a nonresident performing artist for a television series may be eligible
6.31	for the additional credit pursuant to this section, provided that:
