 11.15 Supplemental Security Income program; and

11.16 (2) pays a premium and other obligations under paragraph ~~(e)~~ (d).

11.26 (c) After the month of enrollment, a person enrolled in medical assistance under this
 11.27 subdivision who would otherwise be ineligible and be disenrolled due to one of the following
 11.28 circumstances may retain eligibility for up to four consecutive months after a month of job
 11.29 loss if the person:

11.30 (1) is temporarily unable to work and without receipt of earned income due to a medical
 11.31 condition, as verified by a physician, advanced practice registered nurse, or physician
 11.32 assistant; or

12.1 (2) loses employment for reasons not attributable to the enrollee, and is without receipt
12.2 of earned income.

12.3 To receive a four-month extension of continued eligibility under this paragraph, enrollees
12.4 must verify the medical condition or provide notification of job loss, continue to meet all
12.5 other eligibility requirements, and continue to pay all calculated premium costs.

12.6 (d) All enrollees must pay a premium to be eligible for medical assistance under this
12.7 subdivision, except as provided under clause (5).

12.8 (1) An enrollee must pay the greater of a \$35 premium or the premium calculated based
12.9 on the person's gross earned and unearned income and the applicable family size using a
12.10 sliding fee scale established by the commissioner, which begins at one percent of income
12.11 at 100 percent of the federal poverty guidelines and increases to 7.5 percent of income for
12.12 those with incomes at or above 300 percent of the federal poverty guidelines.

12.13 (2) Annual adjustments in the premium schedule based upon changes in the federal
12.14 poverty guidelines shall be effective for premiums due in July of each year.

12.15 (3) All enrollees who receive unearned income must pay one-half of one percent of
12.16 unearned income in addition to the premium amount, except as provided under clause (5).

12.17 (4) Increases in benefits under title II of the Social Security Act shall not be counted as
12.18 income for purposes of this subdivision until July 1 of each year.

12.20 required by section 5006 of the American Recovery and Reinvestment Act of 2009, Public
12.21 Law 111-5. For purposes of this clause, an American Indian is any person who meets the

12.23 (e) A person's eligibility and premium shall be determined by the local county agency.
12.24 Premiums must be paid to the commissioner. All premiums are dedicated to the
12.25 commissioner.

12.26 (f) Any required premium shall be determined at application and redetermined at the

12.28 size is reported. Enrollees must report any change in income or household size within ~~ten~~
12.29 30 days of when the change occurs. A decreased premium resulting from a reported change
12.30 in income or household size shall be effective the first day of the next available billing
12.31 month after the change is reported. Except for changes occurring from annual cost-of-living
12.32 increases, a change resulting in an increased premium shall not affect the premium amount
12.33 until the next ~~six-month~~ 12-month review.

13.1 (g) Premium payment is due upon notification from the commissioner of the premium
13.2 amount required. Premiums may be paid in installments at the discretion of the commissioner.

13.3 (h) Nonpayment of the premium shall result in denial or termination of medical assistance
13.4 unless the person demonstrates good cause for nonpayment. "Good cause" means an excuse
13.5 for the enrollee's failure to pay the required premium when due because the circumstances
13.6 were beyond the enrollee's control or not reasonably foreseeable. The commissioner shall
13.7 determine whether good cause exists based on the weight of the supporting evidence
13.8 submitted by the enrollee to demonstrate good cause. Except when an installment agreement
13.9 is accepted by the commissioner, all persons disenrolled for nonpayment of a premium must
13.10 pay any past due premiums as well as current premiums due prior to being reenrolled.
13.11 Nonpayment shall include payment with a returned, refused, or dishonored instrument. The
13.12 commissioner may require a guaranteed form of payment as the only means to replace a
13.13 returned, refused, or dishonored instrument.

13.14 (i) For enrollees whose income does not exceed 200 percent of the federal poverty
13.15 guidelines and who are also enrolled in Medicare, the commissioner shall reimburse the
13.16 enrollee for Medicare part B premiums under section 256B.0625, subdivision 15, paragraph
13.17 (a).

13.18 (j) The commissioner is authorized to determine that a premium amount was calculated
13.19 or billed in error, make corrections to financial records and billing systems, and refund
13.20 premiums collected in error.

 58.24 subdivision. Any client in an opioid treatment program may receive ~~a single unsupervised~~
 58.25 ~~use dose for a day that the clinic is closed for business, including Sundays and state and~~
 58.26 ~~federal holidays~~ individualized take-home doses as ordered for days that the clinic is closed
 58.27 for business on one weekend day and state and federal holidays, no matter the client's length

 59.13 ~~of program attendance outweighs the potential risks of diversion or unsupervised use.~~

59.14 (c) The determination, including the basis of the determination must be documented by
 59.15 a practitioner in the client's medical record.

59.16 **EFFECTIVE DATE.** This section is effective the day following final enactment.

 59.20 a client meets the criteria in subdivision 6 ~~and may be dispensed a medication used for the~~
 59.21 ~~treatment of opioid addiction, the restrictions in this subdivision must be followed when~~
 59.22 ~~the medication to be dispensed is methadone hydrochloride. The results of the assessment~~
 59.23 ~~must be contained in the client file. The number of unsupervised use medication doses per~~
 59.24 ~~week in paragraphs (b) to (d) is in addition to the number of unsupervised use medication~~
 59.25 ~~doses a client may receive for days the clinic is closed for business as allowed by subdivision~~
 59.26 ~~6, paragraph (a) and that a patient is safely able to manage unsupervised doses of methadone,~~
 59.27 the number of take-home doses the client receives must be limited by the number allowed
 59.28 by Code of Federal Regulations, title 42, section 8.12(i)(3).

59.29 (b) ~~During the first 90 days of treatment, the unsupervised use medication supply must~~

 60.8 ~~unsupervised use medication supply.~~

60.9 ~~(g) After two years of continuous treatment, a client may be given a maximum one-month~~

60.14 Subd. 17. **Policies and procedures.** (a) A license holder must develop and maintain the
 60.15 policies and procedures required in this subdivision.

60.16 (b) For a program that is not open every day of the year, the license holder must maintain
 60.17 a policy and procedure that covers requirements under ~~section 245G.22~~, subdivisions 6 and
 60.18 7. Unsupervised use of medication used for the treatment of opioid use disorder for days
 60.19 that the program is closed for business, ~~including but not limited to Sundays~~ on one weekend
 60.20 day and state and federal holidays, must meet the requirements under ~~section 245G.22~~,
 60.21 subdivisions 6 and 7.

60.22 (c) The license holder must maintain a policy and procedure that includes specific
 60.23 measures to reduce the possibility of diversion. The policy and procedure must:

60.24 (1) specifically identify and define the responsibilities of the medical and administrative
 60.25 staff for performing diversion control measures; and

60.26 (2) include a process for contacting no less than five percent of clients who have
 60.27 unsupervised use of medication, excluding clients approved solely under subdivision 6,
 60.28 paragraph (a), to require clients to physically return to the program each month. The system
 60.29 must require clients to return to the program within a stipulated time frame and turn in all
 60.30 unused medication containers related to opioid use disorder treatment. The license holder
 60.31 must document all related contacts on a central log and the outcome of the contact for each

61.1 client in the client's record. The medical director must be informed of each outcome that
 61.2 results in a situation in which a possible diversion issue was identified.

61.3 (d) Medication used for the treatment of opioid use disorder must be ordered,
 61.4 administered, and dispensed according to applicable state and federal regulations and the
 61.5 standards set by applicable accreditation entities. If a medication order requires assessment
 61.6 by the person administering or dispensing the medication to determine the amount to be
 61.7 administered or dispensed, the assessment must be completed by an individual whose
 61.8 professional scope of practice permits an assessment. For the purposes of enforcement of
 61.9 this paragraph, the commissioner has the authority to monitor the person administering or
 61.10 dispensing the medication for compliance with state and federal regulations and the relevant
 61.11 standards of the license holder's accreditation agency and may issue licensing actions
 61.12 according to sections 245A.05, 245A.06, and 245A.07, based on the commissioner's
 61.13 determination of noncompliance.

61.14 ~~(e) A counselor in an opioid treatment program must not supervise more than 50 clients.~~
 61.15 The license holder must maintain a ratio of one full-time equivalent alcohol and drug
 61.16 counselor for every 60 clients enrolled in the program. The license holder must determine
 61.17 the appropriate number of clients for which each counselor is responsible based on the needs
 61.18 of each client. The license holder must maintain documentation of the clients assigned to
 61.19 each counselor to demonstrate compliance with this paragraph. For the purpose of this
 61.20 paragraph, "full-time equivalent" means working at least 32 hours each week.

61.21 ~~(f) Notwithstanding paragraph (e), From July 1, 2023, to June 30, 2024, a counselor in~~
 61.22 ~~an opioid treatment program may supervise up to 60 clients. The license holder may continue~~
 61.23 ~~to serve a client who was receiving services at the program on June 30, 2024, at a counselor~~
 61.24 ~~to client ratio of up to one to 60 and is not required to discharge any clients in order to return~~
 61.25 ~~to the counselor to client ratio of one to 50. The license holder may not, however, serve a~~
 61.26 ~~new client after June 30, 2024, unless the counselor who would supervise the new client is~~
 61.27 ~~supervising fewer than 50 existing clients.~~

61.28 **EFFECTIVE DATE.** This section is effective July 1, 2024, except the amendments to
 61.29 paragraph (b) are effective the day following final enactment.
