5.20 school site or mixed-delivery location; and

5.26 ~~each application meets the requirements of paragraph (a).~~ The commissioner may review  
5.27 and redistribute seat allocations as needed.

5.28 (c) The commissioner must divide all applications for new or expanded voluntary  
5.29 prekindergarten programs under this section meeting the requirements of paragraph (a) and  
5.30 school readiness plus programs into four groups as follows: the Minneapolis and St. Paul  
5.31 school districts; other school districts located in the metropolitan equity region as defined  
5.32 in section 126C.10, subdivision 28; school districts located in the rural equity region as  
5.33 defined in section 126C.10, subdivision 28; and charter schools. Within each group, the  
5.34 applications must be ordered by rank using a sliding scale based on the following criteria:

6.1 (1) concentration of kindergarten students eligible for free or reduced-price meals by  
6.2 school site on October 1 of the previous school year. A school site may contract to partner  
6.3 with a community-based provider or Head Start under subdivision 3 or establish an early  
6.4 childhood center and use the concentration of kindergarten students eligible for free or  
6.5 reduced-price meals from a specific school site as long as those eligible children are  
6.6 prioritized and guaranteed services at the mixed-delivery site or early education center. For  
6.7 school district programs to be operated at locations that do not have free and reduced-price  
6.8 meals concentration data for kindergarten programs for October 1 of the previous school  
6.9 year, including mixed-delivery programs, the school district average concentration of  
6.10 kindergarten students eligible for free or reduced-price meals must be used for the rank  
6.11 ordering;

6.12 (2) presence or absence of a three- or four-star Parent Aware rated program within the  
6.13 school district or close proximity of the district. School sites with the highest concentration  
6.14 of kindergarten students eligible for free or reduced-price meals that do not have a three-  
6.15 or four-star Parent Aware program within the district or close proximity of the district shall  
6.16 receive the highest priority, and school sites with the lowest concentration of kindergarten  
6.17 students eligible for free or reduced-price meals that have a three- or four-star Parent Aware  
6.18 rated program within the district or close proximity of the district shall receive the lowest  
6.19 priority; and

6.20 (3) whether the district has implemented a mixed delivery system.

6.21 (d) The limit on participation for the programs as specified in subdivision 6 must initially  
6.22 be allocated among the four groups based on each group's percentage share of the statewide  
6.23 kindergarten enrollment on October 1 of the previous school year. Within each group, the  
6.24 participation limit for ~~fiscal years 2018 and 2019~~ must first be allocated to school sites  
6.25 approved for aid in the previous year allocation period to ensure that those sites are funded  
6.26 for the same number of participants as approved for the previous year allocation period.  
6.27 The remainder of the participation limit for each group must be allocated among school  
6.28 sites in priority order until that region's share of the participation limit is reached. If the  
6.29 participation limit is not reached for all groups, the remaining amount must be allocated to  
6.30 the highest priority school sites, as designated under this section, not funded in the initial  
6.31 allocation on a statewide basis. ~~For fiscal year 2020 and later, the participation limit must~~  
6.32 ~~first be allocated to school sites approved for aid in fiscal year 2017, and then to school~~  
6.33 ~~sites approved for aid in fiscal year 2018 based on the statewide rankings under paragraph~~  
6.34 ~~(e).~~

7.1 (e) Once a school site or a mixed delivery site under subdivision 3 is approved for aid  
 7.2 under this subdivision, it shall remain eligible for aid if it continues to meet program  
 7.3 requirements, regardless of changes in the concentration of students eligible for free or  
 7.4 reduced-price meals.

7.5 (f) If the total number of participants approved based on applications submitted under  
 7.6 paragraph (a) is less than the participation limit under subdivision 6, the commissioner must  
 7.7 notify all school districts and charter schools of the amount that remains available within  
 7.8 30 days of the initial application deadline under paragraph (a), and complete a second round  
 7.9 of allocations based on applications received within 60 days of the initial application deadline.

7.10 (g) Procedures for approving applications submitted under paragraph (f) shall be the  
 7.11 same as specified in paragraphs (a) to (d), except that the allocations shall be made to the  
 7.12 highest priority school sites not funded in the initial allocation on a statewide basis.

7.13 **Subd. 6. Participation limits.** (a) Notwithstanding section 126C.05, subdivision 1,  
 7.14 paragraph (c), the pupil units for a voluntary prekindergarten program for an eligible school  
 7.15 district or charter school must not exceed 60 percent of the kindergarten pupil units for that  
 7.16 school district or charter school under section 126C.05, subdivision 1, paragraph (d).

7.17 (b) In reviewing applications under subdivision 5, the commissioner must limit the total  
 7.18 number of participants in the voluntary prekindergarten ~~and school readiness plus programs~~  
 7.19 ~~under Laws 2017, First Special Session chapter 5, article 8, section 9, program~~ to not more  
 7.20 than 7,160 participants for fiscal years 2023, 2024, and 2025, and 12,360 participants for  
 7.21 fiscal year 2026 and later.

A district or charter school may contract with a charter school, Head Start or child care center, family child care program licensed under Minnesota Statutes, section 245A.03, or a community-based organization to provide eligible children with developmentally appropriate services that meet the program requirements in subdivision 2.

Subd. 4. Eligibility. (a) A child who is four years of age as of September 1 in the calendar year in which the school year commences and has one or more of the risk factors under paragraph (b) is eligible to participate in a school readiness plus program free of charge. A child who is four years of age as of September 1 in the calendar year in which the school year commences and does not have one or more of the risk factors under paragraph (b) may participate on a fee-for-service basis. School districts and charter schools must use school readiness plus aid for eligible children. Each eligible child must complete a health and developmental screening within 90 days of program enrollment under Minnesota Statutes, sections 121A.16 to 121A.19, and provide documentation of required immunizations under section 121A.15.

(b) An at-risk four-year-old child may participate in the school readiness plus program free of charge if the child:

(1) qualifies for free or reduced-price lunch;

(2) is an English language learner;

(3) is homeless;

(4) has an individualized education program, or individual interagency intervention plan;

(5) is identified through health and developmental screening under Minnesota Statutes, sections 121A.16 to 121A.19, with a potential risk factor that may influence learning; or

Subd. 5. **Application process; priority for high poverty schools.** (a) For 2017-2018 school year, a school district or charter school that did not apply to participate in a voluntary prekindergarten program under Minnesota Statutes, section 124D.151, may apply to the commissioner by July 1, 2017, to participate in a school readiness plus program in the form and manner specified by the commissioner. By June 15, 2017, the commissioner must notify districts and charter schools of the availability of additional money for voluntary prekindergarten and school readiness plus programs. A school district or charter school that previously applied to participate in a voluntary prekindergarten program may amend its application by July 1, 2017, to apply instead for school readiness plus. The commissioner must review all applications for school readiness plus and notify applicant districts and charter schools by August 1, 2017, whether they have been selected for participation.

(b) For the 2018-2019 school year, a school district or charter school may apply to the commissioner by January 30, 2018, to participate in school readiness plus in the form and manner specified by the commissioner.

(c) A district or charter school submitting an application under this section must include: (1) a description of the proposed program, including the number of hours per week the program will be offered at each school site or mixed-delivery location; (2) an estimate of the number of eligible children to be served in the program at each school site or mixed-delivery location; (3) the number of children being served that will be new to the program; and (4) a statement of assurances signed by the superintendent or charter school director that the proposed program meets the requirements of subdivision 2.

(d) The commissioner must award funding for school readiness plus programs across school districts and charter schools in the same manner as for the voluntary prekindergarten program.

(e) A school site or mixed-delivery site approved for aid under this subdivision remains eligible for aid if the site continues to meet program requirements, regardless of changes in the concentration of students eligible for free or reduced-price lunches.

Subd. 6. **No supplanting.** For a site first qualifying in fiscal year 2018 or 2019, mixed delivery revenue, including voluntary prekindergarten and school readiness plus program revenue, must be used to supplement not supplant existing state, federal, and local revenue for prekindergarten activities.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
