12 interest;

13 (4) Any person upon whom service as a juror would in the judgment of the court impose an  
14 undue or extreme physical or financial hardship;

15 (5) Any person licensed as a health care provider as such term is defined in section 538.205,  
16 but only if such person provides a written statement to the court certifying that he or she is actually

1           4. Unless it is apparent to the court that the physical hardship would significantly impair the  
2 person's ability to serve as a juror, for purposes of sections 494.400 to 494.460 undue or extreme  
3 physical or financial hardship is limited to circumstances in which an individual would:

4           (1) Be required to abandon a person under his or her personal care or supervision due to the  
5 impossibility of obtaining an appropriate substitute caregiver during the period of participation in  
6 the jury pool or on the jury; or

7           (2) Incur costs that would have a substantial adverse impact on the payment of the  
8 individual's necessary daily living expenses or on those for whom he or she provides the principal  
9 means of support; or

10          (3) Suffer physical hardship that would result in illness or disease.

11          5. Undue or extreme physical or financial hardship does not exist solely based on the fact  
12 that a prospective juror will be required to be absent from his or her place of employment.

13          6. A person asking a judge to grant an excuse based on undue or extreme physical or  
14 financial hardship shall provide the judge with documentation as required by the judge, such as, but  
15 not limited to, federal and state income tax returns, medical statements from licensed physicians,  
16 proof of dependency or guardianship, and similar documents, which the judge finds to clearly  
17 support the request to be excused. Failure to provide satisfactory documentation shall result in a  
18 denial of the request to be excused. Such documents shall be filed under seal.

19          7. After two years, a person excused from jury service shall become eligible once again for  
20 qualification as a juror unless the person was excused from service permanently. A person is  
21 excused from jury service permanently only when the deciding judge determines that the underlying  
22 grounds for being excused are of a permanent nature."; and
