

HB 1751 -- FIREARM POLICY FOR HIGHER EDUCATION INSTITUTIONS

SPONSOR: Basye

This bill authorizes those with proper endorsements or permits to carry concealed firearms to carry them on the premises of public institutions of higher education. Such institutions may implement policies regarding permits to carry firearms, but these policies shall not extend to any general prohibition on carrying, chambering, active operation, or storage of concealed firearms. In addition, no contractual requirement or condition of employment regarding faculty, employees, or students shall generally prohibit the carrying, chambering, active operation, or storage of concealed firearms as such institutions. Higher education institutions shall not charge a tax, fee, or other monetary charge as a condition to lawfully possess and carry a firearm.
