

HB 2584 -- TAX REVENUES DEDICATED TO SCHOOL DISTRICTS

SPONSOR: Bland Manlove

This bill prohibits any program, special taxing district, or political subdivision from reducing or redirecting any property or sales tax revenue that has previously been dedicated to a school district.

This bill also prohibits political subdivisions from including any tax revenue previously dedicated to a school district when calculating economic activity taxes or payments in lieu of taxes.

This bill is similar to HB 1072 (2023) and HB 2283 (2022).
