

HB 2839 -- ATTENDANT CALL SYSTEMS IN CERTAIN FACILITIES

SPONSOR: Crossley

This bill requires that all assisted living facilities and residential care facilities equip, in each toilet room and resident bedroom, an attendant call system that consists of an electrical intercommunication system, a wireless pager system, a buzzer system, or hand and analog bells. This call system must be audible in the attendant's work area.

This bill is similar to HB 944 (2023).
