

HB 766 -- BACKGROUND CHECKS FOR MARIJUANA FACILITIES

SPONSOR: Roberts

This bill specifies that the Department of Health and Senior Services will require all employees, contractors, owners, and volunteers of marijuana facilities to submit fingerprints to the State Highway Patrol for the purpose of conducting a state and federal fingerprint-based criminal background check. The fingerprint submissions may be part of a facility application, a renewal application, or an individual's application for a license or permit authorizing the person to be an employee, contractor, owner, or volunteer of a facility. Fingerprint cards and any required fees will be sent to the Highway Patrol's Central Repository.
