**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Elementary and Secondary Education** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

**Oversight** notes this proposal is permissive to a couple school districts and a change in the school year start date would not occur without action from the school district; therefore, Oversight will reflect a zero impact on the fiscal note.

**Oversight** did not receive any responses from school districts related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best current information available. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, school districts were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
