## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Attorney General's Office, Office of Administration - Administrative Hearing Commission, Office of Administration - Budget and Planning, Department of Labor and Industrial Relations, Department of Economic Development, Department of Elementary and Secondary Education, Department of Higher Education and Workforce Development, Department of Health and Senior Services, Department of Mental Health, Department of Natural Resources, Department of Corrections, Department of Revenue, Department of Public Safety, Department of Social Services, Missouri Department of Agriculture, Missouri Department of Conservation, Missouri Ethics Commission, Missouri Department of Transportation, MoDOT & Patrol Employees' Retirement System, Office of the State Public Defender, University of Missouri, Office of the Governor, Office of the State Auditor, Office of the State Treasurer, Missouri Lottery, Missouri Consolidated Health Care Plan, Missouri State Employee's Retirement System, Office of the State Courts Administrator** and the **State Tax Commission** each assume the proposal will have no fiscal impact on their respective organizations.

**Oversight** notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

### Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State** notes many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to Secretary of State's office for Administrative Rules is less than \$5,000. The Secretary of State's office recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

<u>FISCAL IMPACT – State Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT – Local Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
