48 jurisdiction may immediately remove any abandoned, unattended, wrecked, burned or partially  
49 dismantled property, spilled cargo or other personal property from the right-of-way of any  
50 interstate highway, freeway, or state highway if the abandoned property, cargo or personal  
51 property is creating a traffic hazard because of its position in relation to the interstate highway,  
52 freeway, or state highway. In the event the property creating a traffic hazard is a commercial

53 motor vehicle, as defined in section 302.700, the department's authority under this subsection  
54 shall be limited to authorizing a towing company to remove the commercial motor vehicle to a  
55 place of safety, except that the owner of the commercial motor vehicle or the owner's designated  
56 representative shall have a reasonable opportunity to contact a towing company of choice. The  
57 provisions of this subsection shall not apply to vehicles transporting any material which has been  
58 designated as hazardous under Section 5103(a) of Title 49, U.S.C.

59         3. Any law enforcement agency authorizing a tow pursuant to this section in which the  
60 abandoned property is moved from the immediate vicinity shall complete a crime inquiry and  
61 inspection report. Any state or federal government agency other than a law enforcement agency  
62 authorizing a tow pursuant to this section in which the abandoned property is moved away from  
63 the immediate vicinity in which it was abandoned shall report the towing to the state highway  
64 patrol or water patrol within two hours of the tow along with a crime inquiry and inspection  
65 report as required in this section. Any local government agency, other than a law enforcement  
66 agency, authorizing a tow pursuant to this section where property is towed away from the  
67 immediate vicinity shall report the tow to the local law enforcement agency within two hours  
68 along with a crime inquiry and inspection report.

69         4. Neither the law enforcement officer, government agency official nor anyone having  
70 custody of abandoned property under his direction shall be liable for any damage to such  
71 abandoned property occasioned by a removal authorized by this section or by ordinance of a  
72 county or municipality licensing and regulating the sale of abandoned property by the  
73 municipality, other than damages occasioned by negligence or by willful or wanton acts or  
74 omissions.

75         5. The owner of abandoned property removed as provided in this section or in section  
76 304.157 shall be responsible for payment of all reasonable charges for towing and storage of  
77 such abandoned property as provided in section 304.158.

78         6. Upon the towing of any abandoned property pursuant to this section or under authority  
79 of a law enforcement officer or local government agency pursuant to section 304.157, the law  
80 enforcement agency that authorized such towing or was properly notified by another government  
81 agency of such towing shall promptly make an inquiry with the national crime information center  
82 and any statewide Missouri law enforcement computer system to determine if the abandoned  
83 property has been reported as stolen and shall enter the information pertaining to the towed  
84 property into the statewide law enforcement computer system. If the abandoned property is not  
85 claimed within ten working days of the towing, the tower who has online access to the  
86 department of revenue's records shall make an inquiry to determine the abandoned property  
87 owner and lienholder, if any, of record. In the event that the records of the department of  
88 revenue fail to disclose the name of the owner or any lienholder of record, the tower shall comply

89 with the requirements of subsection 3 of section 304.156. If the tower does not have online  
90 access, the law enforcement agency shall submit a crime inquiry and inspection report to the  
91 director of revenue. A towing company that does not have online access to the department's  
92 records and that is in possession of abandoned property after ten working days shall report such  
93 fact to the law enforcement agency with which the crime inquiry and inspection report was filed.  
94 The crime inquiry and inspection report shall be designed by the director of revenue and shall  
95 include the following:

96 (1) The year, model, make and property identification number of the property and the  
97 owner and any lienholders, if known;

98 (2) A description of any damage to the property noted by the officer authorizing the tow;

99 (3) The license plate or registration number and the state of issuance, if available;

100 (4) The storage location of the towed property;

101 (5) The name, telephone number and address of the towing company;

102 (6) The date, place and reason for the towing of the abandoned property;

103 (7) The date of the inquiry of the national crime information center, any statewide  
104 Missouri law enforcement computer system and any other similar system which has titling and  
105 registration information to determine if the abandoned property had been stolen. This  
106 information shall be entered only by the law enforcement agency making the inquiry;

107 (8) The signature and printed name of the officer authorizing the tow;

108 (9) The name of the towing company, the signature and printed name of the towing  
109 operator, and an indicator disclosing whether the tower has online access to the department's  
110 records; and

111 (10) Any additional information the director of revenue deems appropriate.

112 7. One copy of the crime inquiry and inspection report shall remain with the agency  
113 which authorized the tow. One copy shall be provided to and retained by the storage facility and  
114 one copy shall be retained by the towing facility in an accessible format in the business records  
115 for a period of three years from the date of the tow or removal.

116 8. The owner of such abandoned property, or the holder of a valid security interest of  
117 record, may reclaim it from the towing company upon proof of ownership or valid security  
118 interest of record and payment of all reasonable charges for the towing and storage of the  
119 abandoned property.

120 9. Any person who removes abandoned property at the direction of a law enforcement  
121 officer or an officer of a government agency where that agency's real property is concerned as  
122 provided in this section shall have a lien for all reasonable charges for the towing and storage of  
123 the abandoned property until possession of the abandoned property is voluntarily relinquished  
124 to the owner of the abandoned property or to the holder of a valid security interest of record.

125 Any personal property within the abandoned property need not be released to the owner thereof  
126 until the reasonable or agreed charges for such recovery, transportation or safekeeping have been  
127 paid or satisfactory arrangements for payment have been made, except that any medication  
128 prescribed by a physician shall be released to the owner thereof upon request. The company  
129 holding or storing the abandoned property shall either release the personal property to the owner  
130 of the abandoned property or allow the owner to inspect the property and provide an itemized  
131 receipt for the contents. The company holding or storing the property shall be strictly liable for  
132 the condition and safe return of the personal property. Such lien shall be enforced in the manner  
133 provided under section 304.156.

134 10. Towing companies shall keep a record for three years on any abandoned property  
135 towed and not reclaimed by the owner of the abandoned property. Such record shall contain  
136 information regarding the authorization to tow, copies of all correspondence with the department  
137 of revenue concerning the abandoned property, including copies of any online records of the  
138 towing company accessed and information concerning the final disposition of the possession of  
139 the abandoned property.

140 11. If a lienholder repossesses any motor vehicle, trailer, all-terrain vehicle, outboard  
141 motor or vessel without the knowledge or cooperation of the owner, then the reposessor shall  
142 notify the local law enforcement agency where the repossession occurred within two hours of  
143 the repossession and shall further provide the local law enforcement agency with any additional  
144 information the agency deems appropriate. The local law enforcement agency shall make an  
145 inquiry with the national crime information center and the Missouri statewide law enforcement  
146 computer system and shall enter the repossessed vehicle into the statewide law enforcement  
147 computer system.

148 12. Notwithstanding the provisions of section 301.227, any towing company who has  
149 complied with the notification provisions in section 304.156 including notice that any property  
150 remaining unredeemed after thirty days may be sold as scrap property may then dispose of such  
151 property as provided in this subsection. Such sale shall only occur if at least thirty days has  
152 passed since the date of such notification, the abandoned property remains unredeemed with no  
153 satisfactory arrangements made with the towing company for continued storage, and the owner  
154 or holder of a security agreement has not requested a hearing as provided in section 304.156.  
155 The towing company may dispose of such abandoned property by selling the property on a bill  
156 of sale as prescribed by the director of revenue to a scrap metal operator or licensed salvage  
157 dealer for destruction purposes only. The towing company shall forward a copy of the bill of sale  
158 provided by the scrap metal operator or licensed salvage dealer to the director of revenue within  
159 two weeks of the date of such sale. The towing company shall keep a record of each such  
160 vehicle sold for destruction for three years that shall be available for inspection by law

161 enforcement and authorized department of revenue officials. The record shall contain the year,  
162 make, identification number of the property, date of sale, and name of the purchasing scrap metal  
163 operator or licensed salvage dealer and copies of all notifications issued by the towing company  
164 as required in this chapter. Scrap metal operators or licensed salvage dealers shall keep a record  
165 of the purchase of such property as provided in section 301.227. Scrap metal operators and  
166 licensed salvage dealers may obtain a junk certificate as provided in section 301.227 on vehicles  
167 purchased on a bill of sale pursuant to this section.
